ROOSEVELT URGED TO PROPOSE TRUCE IN EUROPEAN WAR

Washington, D. C., Oct. 7.—President Roosevelt was today urged by Representative Rankin of Mississippi to take the lead and propose a truce in the European War. "Fate has played into the President's hands, and has given him the greatest opportunity that has come to any man in this day and generation," said Mr. Rankin. "If he will use his exalted position to bring together the warring Nations of Europe, and restore the peace of the world, he will encourage his friends, disarm his enemies, and make for himself a new place in the history of mankind. "The World wants peace; the American people are practically unanimous in their desire to keep out of the present war. The way to bring about peace is to call an armistice and stop the war now. The best way for America to keep out of it is to stop it before we have a chance or excuse for getting into it. "This is a golden opportunity for the President. If he takes advantage of it and brings an end to this war he will deserve the undying gratitude of the people throughout the civilized world, now and for generations to come."

HARMONY

Mr. R. N. Dean and Mr. P. Bishop attended the District Conference at Booneville last Tuesday. They reported a day well spent. Miss Virginia Broughton returned home Saturday from a visit to her sister, Mrs. Leonard Nichols of near Chalybeate, Miss. Everyone who failed to attend prayer services last Sunday night missed a great blessing. There was one soul converted. Mrs. Addie Bryson of Pickwick, is visiting relatives in this community. Mr. Talmadge Skinner and family of Duck Hill, Miss., have recently visited Mr. and Mrs. Alfred Bonds. Mr. and Mrs. Herman Kay and son, and Mr. and Mrs. Harold Kay and baby were visiting home folks last week end. Mr. R. N. Dean and family and Mr. and Mrs. Lowrey Dean and daughter, Mary Nell, visited Mr. and Mrs. Paul Guinn of Sheffield, last Saturday. Mr. and Mrs. Clyde Grisham were visiting Mr. and Mrs. C. C. SOUTHWIDE BAPTIST LEADER TO COME TO MISSISSIPPI

Tupelo, Miss., Oct. 9.—Miss Mary Virginia Lee, Southern Baptist Intermediate Sunday School Secretary, of Nashville, Tenn., expert with the problems of boys and girls, and Sunday school workers, will be in Tupelo the week of Oct. 29 — Nov. 4, for a series of conferences and discussions on Intermediate Sunday School work. This special week will be opened by a great Sunday School Rally for all the Baptist churches of Northeast Mississippi. The Rally will be held in the First Baptist Church, Tupelo, Oct. 29, at 2:30 p. m. The conferences will be held nightly in the First Church, Tupelo, and daily in the surrounding rural churches. Evangelism in the Sunday school, and the Problems of Youth, will be the central theme around which the conferences will be built. Open discussions, practical illustrations, and demonstration of workable methods will be held in order to give the Sunday school hosts of this section a better working knowledge of reaching people, Bible teaching, and soul-winning. All interested persons are urged to attend. John A. Farmer.

MISSIONARY UNION RALLY

The Tishomingo County Baptist Women's Missionary Union held the Associational Rally at the Iuka church, Tuesday, Sept. 26, with a good attendance from the churches represented. Mrs. A. H. Montgomery, Co. Supt. had arranged an interesting and inspiring program. "The Ties of Love," was the topic of the program. After the singing of "I Love to Tell The Story" and "Blessed Be The Ties" Rev. Pate, pastor of the Iuka church, conducted the devotional, reading Psalms 95 chapter. An exhortation to praise God for His goodness. He brought a beautiful mental picture of Christ in the garden of Gethsemane, saying: "Not my will but Thine be done," a manifestation of the great love of Christ. Mrs. M. T. Waters extended a cordial welcome to the visitors, which was responded to by Mrs. A. H. Montgomery. "For This Cause," was discussed by Mrs. Montgomery, showing how "The Ties of Love" bind our hearts together as we pray for the kingdom work during the seasons of prayer. In discussing Mission Study, Mrs. H. A. Jones, strengthened "The Ties of Love," that constrains us to send the good news of the love of Christ to those who do not know that constraining love. "Abounding in Love," was given by Mrs. Davis of Iuka, discussing the stewardship of tithes and offerings. A blessed privilege we have of showing our love for Christ, in bringing in to the storehouse tithes and offerings, for the advancement of His Kingdom. "He went about doing good," was given by Mrs. H. A. Jones, telling how Jesus went about doing good in His personal ministry. Giving us a beautiful example of personal service. In an open discussion on "Methods of Enlistments," Mrs. J. D. Finch and Mrs. A. H. Montgomery, brought out some interesting points. The report of the Iuka G. A., given by Mrs. Bronson Munday, showed this Auxiliary to be very active. Reports of the other Auxiliaries were encouraging to the fostering Societies. Iuka was the only full graded W.M.U., reporting all Auxiliaries active. Mrs. Buck Moore made the report for the nominating committee. Mrs. T. A. Long, Mrs. W. S. Brown, Mrs. O. L. Yarber, and Mrs. Ed Faust, were other members of the committee. The nominees, Mrs. H. A. Jones, Supt.; Mrs. W. S. Brown, Ass't. Supt.; Mrs. A. H. Montgomery, Young People's Leader; Mrs. J. D. Finch, Stewardship Chairman; Mrs. O. L. Yarber, Personal Service Chairman; Mrs. L. L. Majors, Mission Study Chairman; Mrs. W. R. Nettles, Margaret Fund Chairman; Mrs. T. S. Smith, Secretary, were elected to serve during the next year. The next rally will be in January, 1940 and will be with the Belmont church. Mrs. T. A. Long led the closing prayer. A social hour followed, and the Iuka Society served iced tea and cookies.

War News.

The war in Europe, at least on the western front, has been proceeding at such a slow pace that it is quite apparent that both sides are marking time. Even at the time of the invasion of Poland by the Germans some observers predicted this. They said that England and France would extend no real help to Poland, but would simply mark time until that nation was overpowered. Then, according to these prophets, there would be a peace conference. Today Poland lies in ruins and England and France have not bombed a single large German city. Now Hitler is trying to summon a peace conference. The ridiculous part of Hitler's peace offer is that it is reality it is a demand for still more lands. He insists that Germany must have back the colonies which she ruled before the first world war. In addition to this, he requires that many of the Balkan states be reorganized according to their old boundaries. This would cause a considerable amount of territory to be returned to Russia. I do not see how the Allies, France and England, could possibly consider this proposition. It seems that they are only stalling for time while they await the arrival of some of England's colonial troops. During the world war of twenty years ago Britain managed to muster close to 8,000,000 men. This time she hopes to bring into the field as many as 10,000,000. Therefore it is to the advantage of England to delay until these reinforcements arrive.

White House News.

There is no doubt in anyone's mind now as to what the American people think on the subject of becoming involved in another world war. More letters and cards to Congressmen have been pouring into Washington than ever before in the history of the nation's capitol. Some sarcastic people have remarked that all this letter writing to Congress appears to be organized. The best answer to this, which I have heard, is that, if it is backed by any organization, you can bet that it is not the makers of munitions or the big corporations whose propaganda dragged us in last time. The poll conducted by the Institute of Public Opinion is an added bit of evidence that a majority of U. S. citizens want to stay out of foreign wars.

The Nation's Sports.

The New York Yankees have set an all-time record by winning the World Series three years straight. This year they won by taking the first four games in succession away from Crosley's team, the Cincinnati Reds.

Southern football is getting off to an exceptionally good start this year. Several of the big northern and eastern teams have been met and defeated. The Crimson Tide of Alabama defeated Fordham last Saturday. Ole Miss. also has another outstanding football aggregation from which big things are expected.

THURSDAY CLUB

Mrs. H. M. Rhine was hostess
to the Thursday Club Sept. 28
for the called meeting at which
time new committees are
named, the year's activities
outlined and the programs are
planned.

Mrs. Paden, the president,
who last year was absent much
of the time on account of ill-
ness, presided over the meeting
and the club starts on its
thirty-third year with renewed
interest and enthusiasm.

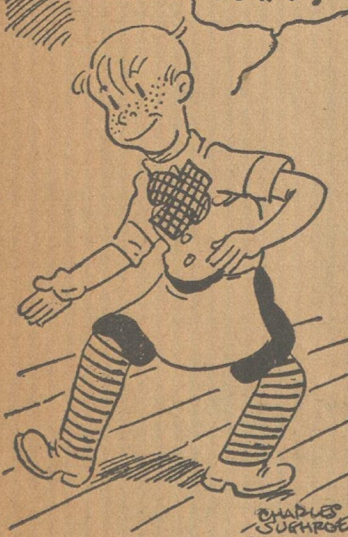

Two vacancies in the list of
officers were filled and new
chairmen of the various depart-
mental committees were ap-
pointed.

The program chairman asked
for suggestions from the mem-
bers as to the year's study and
programs will be built along
those lines—the first of which
will deal with our nation's
coastal defenses as a panel dis-
cussion led by Mrs. Moulner.
Other programs will deal on
American Homes, Civil Im-
provement and other subjects.

The first regular meeting
was held Oct. 11th, in the home
of Mrs. S. H. Allen.

WORLD'S LARGEST MIDWAY, GALA NIGHT SHOW PROVIDE FUN FOR MISS. STATE FAIR

Fun—streamlined for 1940—will be valuable in abundance to suit
the most sophisticated entertainment tastes at the 1939 Mississippi
Free State Fair to be held in Jackson, October 9-14.

The World's Largest Midway
and America's outstanding outdoor
musical extravaganza will bring to
State Fair patrons the newest in
World's Fair entertainment.

Lottie Mayer's famous disap-
pearing water ballet, an attraction
presented for the first time under
canvas, will be a novelty of the
largest midway ever seen on the
spacious Jackson exposition
grounds.

The tiniest man in the world is,
paradoxically, the biggest star of
the 40-odd attractions of the fam-
ous Royal American Shows which
will supply the mile-long midway
tented area. He's Paul Del Rio, 19
years old, who stands 19 inches tall
and weighs 12 pounds. Paul is the
featured attraction of an entire
village of midgets—little people
gathered from the four corners of
the world.

Evelyn Frechette, who was the
gun moll sweetheart of the notori-
ous John Dillinger, is starred in
"Gangbusters", unique attraction
depicting gangster scenes and sou-

venirs and warning that "crime
doesn't pay."

A singing, dancing chorus of 50
beauties recruited from the New
York and San Francisco fairs will
be seen in front of the huge State
Fair grandstand in a musical revue
appropriately entitled "Under the
Stars."

Outstanding among novelty cir-
cus and vaudeville acts and novel-
ties to be seen in the grandstand
extravaganza will be the famous
"California Varsity Eight", a male
chorus brought back by popular
demand after scoring a sensational
hit at the 1938 exposition.

Afternoon State Fair throngs
will be treated to a series of circus
attractions in front of the grand-
stand.

Other entertainment will include
band music daily by Mississippi's
outstanding musical aggregations
and a week-end of football with
leading college and high school
elevens playing Friday and Satur-
day, October 13 and 14.

"Build-Up": Way to Ease Women's Pain

Many weak, run-down women are
in a vicious circle. Their under-
nourishment often leads to what is
called functional dysmenorrhea and
its symptoms—headaches, nerv-
ousness, irritability, intermittent
cramp-like pains—from which many
women suffer. Surest way to break
the vicious circle is by building
strength and energy, which so many
find may be done with the help of
CARDUI. It stimulates appetite,
aids digestion, and thus helps in
this "build-up" of physical resis-
tance. Women also report that, if
taken just before and during "the
time," CARDUI helps to ease the
pain and discomfort of the period.

Bad Breath May Show You Need This Help!

Bad breath is sometimes due to bad teeth and often due to sluggish bowels. It offends. And to neglect it may invite a host of constipation's other discomforts: headaches, biliousness, loss of appetite and energy. Don't let constipation slow you down. Take a little spicy, all vegetable BLACK-DRAUGHT tonight. In the morning there's an evacuation that's generally thorough. You feel fine again! BLACK-DRAUGHT'S principal ingredient is an "intestinal tonic-laxative." It helps impart tone to lazy bowel muscles. Millions of packages used yearly!

RAMER, TENN., R-2.

Dear Mr. Sparks and the many readers. Greetings:-

It's been some time since you've read a line from your old Uncle and Auntie. We wrote a little script some time ago and Bro. Sparks didn't have room for it, I guess. He was very busy printing for the many candidates and getting pay for it. So we're not the least discouraged. We sometimes feel that our little contributions are not worth our subscription if that be the case Mr. Sparks can give us the "Blue pencil" and we'll not think hard of him. Listen dear reader! If he sees fit to do this remember we shall ever hold you dear in our old hearts. Your old uncle and auntie are going right on loving you good people for the kindnesses shown us during our short stay in your good county as citizens.

Your county and the great State of Mississippi was kind to us and enabled us to enjoy some little prosperity while sojourning with you.

Wife and I have not done quite so well, financially, since leaving your borders. Our god friends, possibly, will feel sad for this, but dear reader, we've never went hungry and we're not promised so much in this life anyway. "With food and raiment be therewith content." We've had that why wish for more?

Our last paper brought sadness to our hearts on account of the passing of this sweet little rosebud (Janette Burns.) It was never our happy privi-

lege to see this sweet child, but our hearts go out in genuine sympathy for the grief stricken parents and the loving friends of this sweet little girl.

Mother, father, take courage, know that God doeth all things well. We must be submissive to His sovereign will.

And now dear sister Ollie, we know you personally and we sympathize with you personally and your little poem was so sweet we shall preserve it for our scrap book. I have partook of the hospitality of your sweet home while your father was living. Peace to his noble ashes. Bro. Bickerstaff is still living in the hearts of his friends.

We'd love to tell you of a wonderful meeting at Antioch church in Tiptah, Miss. It was the annual association of the Primitive Baptist. It surely was good to be there. So much love manifest. Our good Tishomingo preachers were not there but listen brethren we missed you and you missed a great deal.

Farewell in the Lord, may God bless each and all of you. Yours in sweet hope,

S. S. Littlejohn and Wife.

IUKA, ROUTE 1

Oct. 9, 1939.

Since the showers which fell several days ago the weather has largely been some cooler.

Farmers say that they are about done picking cotton. No doubt this crop is far the shortest crop in the history of the country. The estimate on the yield gets lower every week.

Mr. James Martin and Miss Annie Williams were married here on the 7th inst.

Mr. James Alfred Rast, who has been in the CCC for two years, has been discharged and has joined the army. He left for Memphis one day last week. He will be sent from there to some place in Georgia. He is a good boy, and we wish him the best of luck.

It does appear to a fellow on the outside that England and France are playing a game of war with Germany in a sort of a half-hearted way, but we are just guessing that some of these days the real fighting will begin. Our hopes are that the United States does not get into the honorable war.

Mr. and Mrs. Odell McDougal are visiting in the home of his father, Mr. W. O. McDougal.

Mr. W. M. Belue and son, Sidney Belue, were in our burg Sunday.

Mr. W. R. Wynn and little daughter, Wanda Wynn, visited here Sunday.
