NUMBER 11

TISHOMINGO SCHOOL RE-OPENS

Tishomingo, Miss., Oct. 23.—School resumed here this morning after a six weeks vacation for harvesting the crops. Several changes have been made in the high school faculty due to resignations of some of the teachers. Clarence O. Burch of Means, Ky., will take up coaching in the place of Glenr B. Worley. Miss Florence Hartman takes the place of Miss Mary Rhinehart, and Miss Evelyn Cummings takes Miss Susie Burn's place.

There will be a radio program here Friday night, Oct. 27th, at seven o'clock, Uncle Obediah and his Cowboy Minstrels.

—Reporter.

BURNSVILLE, ROUTE 2

Health very good at present with the exception of colds.

Gathering is almost done, as the drouth caused the cotton crop to be very short and practically no corn in some places. Old man winter seems to be on the way.

Mrs. Nettie White, of Glens is visiting relatives here.

Mr. and Mrs. Jimmie Whitfield and family, from Red Bay Ala., visited relatives here Saturday.

Mr. and Mrs. Ludie Faust and daughter, Daisy Nell, from Russellville, Ala., recently visited relatives here.

Mr. and Mrs. A. L. Browning and son, William Perry, from Booneville, spent Friday night with Mr. and Mrs. Troy iDcker-son.

Mrs. Eddie Gray and son Edwin Ross, from Red Bay visited Mr. and Mrs. B. E. Ross last week.

Mrs. Lillie Osborn and daughters, Chilene and Lavern, from Golden, are visiting relatives here.

Several from here went shopping at Booneville, Corinth and Iuka Saturday.

Rev. W. C. Patterson from near Burton, delivered several interesting sermons at Rowland Mill church last week.

Rev. Chester Estes from Corinth, is holding a few nights meeting at Berea Church.

Mr. and Mrs. Walter Defore and Mr. and Mrs. Ernest Defore and family visited relatives at Tishomingo last week end.

Several from here went to the Fair at Corinth and Booneville last week and reported a nice time.

Mr. and Mrs. Alfred Boothe and little son, James Avon, visited Mr. and Mrs. Walter Boothe

T.V.A. PHOSPHATE CAN BE PURCHASED BY FARMERS AND PAID FOR WITH SOIL BUILDING PAYMENTS

Through AAA, At \$1.75 Per 100 lb In Car Lots

For Example: John Smith has \$30.00 Soil Building Allowance he has already earned \$12.00 leaving \$18.00 that can be earned. He can purchase 1200 pounds of phosphate apply it and earn his full \$30.00. After paying for phosphate out of his Soil Building Payment he will still have \$9.00 left.

Farmers who have not earned their full Soil Building Allowance may earn it in this manner and take advantage of the use of T.V.A. Phosphate on their winter legumes and pastures.

Farmers who have already earned their full payment may purchase phosphate in the same manner. Under the AAA Program you are paid \$1.50 for applying 100 pounds of T.V.A. Phosphate until your Soil Building Allowance is taken up.

A farmer who has not earned any Soil Building Payment could put up a cash deposit of 25c per 100 and earn his full Soil Building Allowance by applying phosphate, and the phosphate would be paid for out of his Soil Building Payment.

This is a wonderful opportunity for farmers at large to completely earn their Soil Building Allowance and also take advantage of this opportunity to use T.V.A. Phosphate on legumes and pastures.

Call at the office and discuss this matter with us.

last Saturday night.

Miss Josephine James went to Corinth Saturday.

Miss Jewel Mock, who is employed at Corinth, spent last week end at home.

Mr. L. T. Brackens visited friends at Corinth Saturday.

Mr. and Mrs. Dexter Elliott and daughter, Lilith and Mr. and Mrs. Tom Woodley spent Sunday with relatives at Red Bay.

Mr. and Mrs. Woodley stayed over for a few days with relatives.

Mrs. Dener Elliott is visiting Mr. and Mrs. Dexter Elliott this week.

Mr. and Mrs. Roy Skinner and children, from near Iuka visited relatives here last week.

Rowland Mills school opened Monday morning with Mr. J. D. Taylor as principal teacher and Mr. Morrel Hatcher, assistant.

Miss Marie Bingham went shopping in Booneville Saturday.

—Reporter.

HERE AND THERE

BY

Wilmer Price

A Letter From England.

The following letter just received from a friend in England paints such a graphic picture of war conditions there at this time that I am passing it on to my friends here. The address at the top of the page is complicated and interesting. Well, here goes:

"Stanway"

Near Coventry
Warwickshire, England.

Dear Wilmer:-

So very many things for your letter! Yesterday mother and I cycled (bicycled) to Learnington, a pleasant health resort about 8 miles from here. We went easily in an hour, and returned in an hour and a half with the wind against us, much enjoying our ride. The countryside is beginning to look very beautiful and the Virginia Creeper on the houses is now its glorious red. We saw a pheasant and his mate walking across a field. I think they are the most beautiful of the larger British birds. The public gardens at Learnington were full of the rich and varied colors of the Michaelmas daisies and we still have a few late roses. But the frosts are now coming and they will all soon be swept away to a blackened end. You call this season "the Fall," to me just as expressive as "Autumn." Even though it is lovely it is sad, and yet, like life, it holds the promise of the rising again of Spring. This time how surely we do trust and pray that a new era of peace will dawn this Spring! We have long felt that war must come, for we knew we would never be secure while Hitler was alive.

Over here the proceedings are faced with utter quiet and calm. We never see our troops leave. They just disappear, and everything moves in orderly fashion. At night life is so still. Everywhere is just black, black. All who can are advised to stay in or else wear a white arm-band, something to distinguish them from the utter blackness. The theatres and movies are open but I have not been to town after dark and don't know how people get on. I do know there are some amusing stories of people getting mixed up. The trains are so ghostly! They are all in darkness save for dull blue lamps inside the coaches, and all the stations are in complete darkness. Thus we are well prepared in every way. It has not made so very much difference to us yet, but when we are rationed we shall have to eat more meat for we shall not have as much butter and fats as usual. And then when the income tax comes into force at the beginning of next year it means that Grandma, with whom I live will have to go very carefully. At night we have the extra job of seeing that every window and door is securely covered. No light must show anywhere. Also we are busy knitting for the soldiers, operation socks and squares and also blankets. We couldn't do anything else on account of leaving Grandma long. The train fare for ordinary passengers, other than season ticket holders and workmen, have been doubled so we are certainly glad not to travel. We have been warned to buy all the wool we need for knitting also woolen materials as soon as possible, for the prices will go up when the present stock is exhausted. The wool will be needed for the troops. I bought all I can, also silk stockings and cosmetics, consequently am having to struggle along on a very small amount each week. Yes-

THREE IUKA GIRLS TO APPEAR ON RADIO PROGRAM

Misses Lucille Pace, Billie Burke Whitehurst and Mary B. Edmondson will appear on the Pantaze Drug Company's program "Pantaze Morning Review" Friday, October 27th at 11:00 o'clock a. m., over station W. M. C. Memphis, with Bill Feilding as master of ceremonies.

Billie and Lucille will give one of their Hill Billy impersonations, which is sure to be good. Mary B., who is fast becoming famous as a radio singer, will sing popular tunes, accompanied by the staff orchestra.

Several Iuka people have heard these girls sing and impersonate on the radio and in person, and know a real treat awaits them when they go on the air Friday morning. We should all tune in on this program. And, too, the people of Iuka and Tishomingo County should feel proud enough of these girls to let them know they hear their broadcasts—as they are putting us on the map, as well as themselves.

terday in Learnington I longed to buy so much, but just looked admired and passed by. Every one here, under a certain income, is supplied free with an air raid shelter and everyone must carry a gas mask in a box if they go within seven minutes of their homes. Now we also carry identity cards in case we are killed in an air raid. We are fined if we do not do this. The cities have air raid shelters and some villages do. Many private houses have their own dug-outs. We do not have any and hope the house will be sufficient protection. All around where we live are anti-aircraft machine guns and a balloon barrage over Coventry. We have not had any childrer evacuated to us. We were to have a teacher but they didn't come. There are some in the village and more are gradually being sent out. We are carrying on more or less as usual and keeping cheerful even though so many young men have gone—the flower of England. All are anxious to do all they can to help, the women are grand. Then too, the British sense of humor is as keen as ever! Over here last Sunday we had a day of prayer throughout all England. At our small St. Peters Church we had a chain of prayer filled by someone each half hour from 6 a. m., until 10:30 a. m. We all dedicated our lives anew. In many ways there is gradually coming to England a new turning toward God. Many at long last, after trying to find happiness in other things, are finding there is only one way after all.

All the very best to you in every way.

Your English friend,
JOY.

Iuka Radio Talent.

Last week Miss Mary B. Edmondson sang on the Pantaze Program over station W.M.C., Memphis. Her improvement in radio technique and voice control was outstanding as she sang two selections "Oh You Crazy Moon" and "Especially For You" with the ease of a professional. This week or Friday, October 27th at 11 a.m. over station W.M.C. our other local stars, Miss Lucille Pace and Billy Burke Whitehurst will also appear on the Pantaze program in one of their hilarious hill-billy impersonations. On this same program Miss Mary B. Edmondson will sing again. Tune in Tishomingo County and give these little girls a hand!

The week of October 23-30 has been proclaimed National Honey Week by Governor Hugh White and Mississippi housewives are urged to cooperate by serving honey during the week.

A REMARKABLE HOME

In Council Bluffs, Iowa, is located one of the most remarkable institutions in our nation. This institution is the Christian Home Orphanage, founded fifty-seven years ago this next December.

This Home for nearly fifty-seven years, has given continuous service in behalf of homeless and destitute children. During these long years, the doors of the Home have never been closed, day or night. This Home has been a refuge for thousands of little children from all parts of the country. These children have been tenderly cared for, trained and educated and placed in fine private families, and in every way they have been given the opportunity to grow up into outstanding Christian men and women.

The Christian Home Orphanage, during all these years, has been carried on and built up to its present great size, by the free-will offerings of good people from all sections of the country.

The Christian Home offers to everyone, everywhere, the opportunity to co-operate in the greatest of all works in the training and education of homeless and orphan children. If all would co-operate by giving as they could afford, the financial burdens of the Home would be well met. We ask that every reader of this article mail to the Christian Home Orphanage at Council Bluffs, Iowa, a donation for the Thanksgiving offering, in keeping with the blessings God has given you. We know that you will be blessed by so doing, and that you will have a more enjoyable Thanksgiving day yourself in the realization that you are one of a great company of friends throughout the United States who are giving of their means to enable the Christian Home to give love and Christian training to homeless boys and girls.

Please send all contributions to the Christian Home Orphanage, Council Bluffs, Iowa. The same will be duly acknowledged and credit in the official publication of the Institution, a copy of which will be mailed to you.

FREEMAN GOBER IS GIVEN COMMISSION

A bulletin has been received by the military department certifying the fact that George Freeman Gober, former cadet major at Mississippi State College, has been commissioned as second lieutenant in the Marine Corps. This bulletin came to Colonel Rose, PMS&T at State College, from the marine headquarters.

Gober was a graduate of the Class of 1939. During his Senior year at Mississippi State College he was president of the student association, cadet major commanding the infantry battalion, a member of Alpha Zeta agricultural fraternity, a member of the Scabbard and Blade and was listed in Who's Who in American Colleges and Universities. The Reflector, State College, Miss., Oct. 18, 1939.

Candidate for Mississippi State Librarian

Mamie Wilmoth Owen

For the past 14 years Miss Owen, of New Albany, Miss., has served as Asst. State Librarian. She is a graduate of M. S. C. W., with post graduate work in library science at the University of Illinois. She is the daughter of the late Hon. S. Joe Owen, for many years prominent in state and county affairs and Mississippi journalism.

Senator George W. Norris of Nebraska and Representative John E. Rankin of Mississippi, fathers of the TVA and of Rural Electrification in the two Houses, shake hands while Hon. Henry A. Wallace, Secretary of Agriculture, smiles his blessing at the ceremony held in the Rural Electrification Building on the occasion of the swearing in of Hon. Harry Slattery as the new REA Administrator. Both Norris and Rankin expressed their supreme delight over the choice of Mr. Slattery for this important position. The distinguished gentleman in the background looking over the shoulder of Secretary Wallace is none other than Senator "Cotton Ed" Smith of South Carolina.

INDIGENT CATS

By Frank E. Skilton
Blue Mountain, Miss.

Sometime ago I read a press
dispatch which told of a woman
in Michigan leaving consider-
able sum of money in her will
to establish an endowment fund
the income from which was to
be used solely for the sustenance
comfort and health of her pet
cat. This lady loved her cat. Too,
she was humane. It was per-
fectly all right with the State
of Michigan for her to do this.
Even the State of Mississippi
has no objection to her citizens
doing the same thing. But the
State of Mississippi most
positively objects to its citizens
leavaving anything in their wills,
to a church orphanage for the
care of parentless children, or to
a church hospital for treatment
of the ills of unfortunate human
beings, or to church colleges for
the education of youth.

Everystate in the union,
except Mississippi will permit
it citizens to will fund to church
related to hospitals, orphanages
and colleges. Mississippi is the
only state in the union that
permits its citizens to leave
money in their wills to care for
ill and indigent cats, but
absolutely prohibit them to will
anything to church hospital,
orphanages, and colleges. The
Constitution of the State of
Mississippi also makes it illegal
for its citizens to leave money
to their homes churches in their
wills to help keep up the church
cemetery in which the bodies
of their fathers and mothers
have been "laid with many
tears." If a citizen makes such
a bequest, he will be fined the
amount willed to his church;
that is, the sum will be diverted
to others to whom he did not
intend it to go.

The above is the substance
of remarks made to the faculty
and students of Blue Mountain
College at general assembly by
President Lawrence T. Lowrey.
And they constitute some of
the reasons why citizens should
vote for the two proposed con-
stitutional amendments to the
Mortmain Law in the general
eleciton, November 7.

By passing these amendments
it will enable citizens of Missis-
sippi to use discretion as to
wha they want to do with their
possessions. It will enable
them in their will to help
orphaned children through
church orphanages—as well as
to will money to cats.

The Mississippi Asociation of
Supervisors will hold their an-
nual session in Jackson Novem-
ber 1 and 2.

The National Association of
State Foresters will hold their
1940 convention in Mississippi.
The Gulf Coast is the prospec-
tive site of the Convention.

The Tennessee - Mississippi
Sheriffs and Peace Officers will
hold their fall convention at
Greenwood on November 2nd
and 3rd.

Bad Breath May Show You Need This Help!

Bad breath is sometimes due to bad
teeth and often due to sluggish
bowels.
It offends. And to neglect it may in-
vite a host of constipation's other
discomforts: headaches, bilious-
ness, loss of appetite and energy.
Don't let constipation slow you
down. Take a little spicy, all vege-
table BLACK-DRAUGHT tonight.
In the morning there's an evacua-
tion that's generally thorough. You
feel fine again!
BLACK-DRAUGHT'S principal in-
gredient is an "intestinal tonic-
laxative." It helps impart tone to
lasy bowel muscles. Millions of
packages used yearly!

Governor Hugh White by of-
ficial proclamation has designa-
ted Thursday, November 23rd
as Thanksgiving Day.

The United Gas Pipe Line
Company has asked permission
to lay five submarine across
Pearl River and five 10 inch
pipe lines across black river.

THURSDAY CLUB

The Thursday Club was delightfully entertained Thursday, Oct. 12, in the home of Mrs. S. H. Allen with nine members and two guests present.

Mrs. Paden presided over the business session. Mrs. Little, supervisor of the WPA lunch room project presented the need for co-operation of clubs in her work and the club agreed to sponsor the project in connection with other organizations.

One new member was elected to fill the vacancy caused by Mrs. Williams' resignation.

Reports were given by some of the chairmen after which Mrs. Mounger led the panel discussion on U. S. National defenses and the late Inter-American Neutrality Conference held at Panama City.

Mrs. Allen served dainty refreshments with coffee during the social hour, after which club adjourned to meet with Mrs. J. H. Allen for the second October meeting.

School Night THE ESCAPE A New Picture Kane iRichmond, June Gale 7:00 P. M., Friday and 10:30 Saturday, 10c Majestic Theatre

Born and died on Oct. 19th son of Mr. and Mrs. Hubert Anglin. The little son was named William Hubert. Our very deepest sympathy is extended the young parents. Services were held at home and the little body was laid to rest in Bethlehem cemetery. X

IN THE CHANCERY COURT OF TISHOMINGO COUNTY, MISSISSIPPI

No. 2714

In the Matter of the Validation of \$15,000.00 (Fifteen Thousand Dollars) of Four Per Cent School Bonds of the town of Iuka, Tishomingo County, Mississippi, issued for the purpose of erecting a school building in said Town, as described in the resolution, ordinance and proceedings of the Board of Mayor and Aldermen of said Town, adopted and approved on October 3, 1939.

To the Tax Payers of the Town of Iuka, Tishomingo County, Mississippi.

NOTICE

You are hereby notified that the matter of the Validation of the above mentioned Bonds will come on for hearing before the Chancellor at the Court House of Tishomingo County, Mississippi, on the 26th day of October, 1939, at 10 o'clock a. m., on or before which date, objections, if any, must be filed.

J. C. Jourdan, Jr.,
Chancery Clerk of
Tishomingo County.

TAKE NOTICE

Public hearing at the Court House at Iuka on Wednesday November 1, 1939, at eleven o'clock A. M., to consider whether or not any improvements on Yellow and Chambers Creeks in Tennessee and Mississippi for flood control are advisable at this time. This notice is given under the name of R. W. Pearson, Captain, Corps of Engineers, Executive Assistant, Nashville, Tennessee. The people who live along those creeks and whose lands are subject to overflow should certainly be present ready to hand in written statements of the conditions at this meeting.

Ease COUGH FROM COLDS IN ONE DOSE

Thousands have turned to Menth-Mulsion because of its fast, soothing relief. It brings YOU expected relief the first dose, or your druggist will return your money. Menth-Mulsion is a scientific compound of nine different ingredients and does its work without narcotics or opiates. Children like its taste, and you too will enjoy its fast, soothing action, and the way it puts medicated vapors in the bronchial and nasal passages to relieve that stuffed up feeling immediately.

MENTHO-MULSION

NOTICE TO CONTRACTORS

State of Mississippi, Tishomingo County.

Notice is hereby given that the trustees of the Midway Consolidated School District, said County and State will on the 3rd day of November, 1939, at the front door of the Court House in the town of Iuka, Mississippi, receive bids for the purchase of tin roofing to cover the school building in said district and also let contract for the work in covering said building.

The contract will be let to the lowest responsible bidder and the person to whom the contract is awarded will be required to enter into bond conditioned according to law for the faithful performance of the contract and the work shall begin immediately after the approval of the contract.

Done by order of the Board of Trustees this the 9th day of October, 1939.

GUM TURPENTINE PERKIN' UP

Photo—Courtesy The Atlanta Constitution Magazine Section

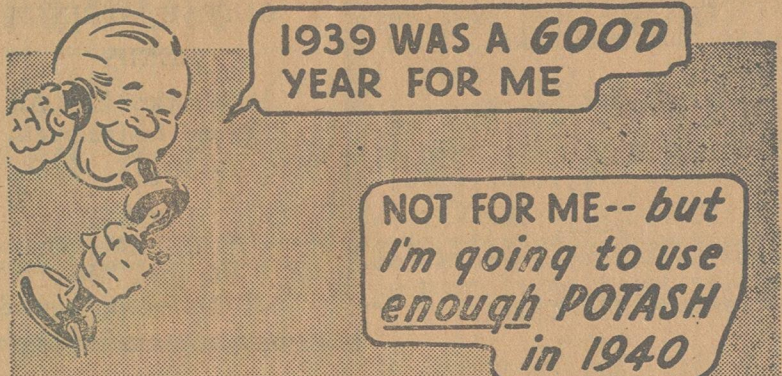

Above: Eliza Peeples, as "Miss Spirit of Turpentine" symbolizes the rebirth of the age-old Gum Turpentine industry which has followed the formation of the American Turpentine Farmers Association Cooperative.

One of the first products of the New World to go back to England was the "juice" of the pine tree, containing marvelous healing powers and valuable in keeping water out of the English King's wooden ships. And as early as 1606, the French in America were producing Gum Turpentine. Captain John Smith, leader of the Jamestown colony in Virginia, gave the following directions for obtaining the gum from a pine tree:

"Pyne trees, or fir, to be wounded within a foot of the ground, or bore a hole in an agar the third part into the tree, and let it runne into any thing that may receive the same, and that wch yssues oute wilbe Turpentine worthe 18 L Tonne.

One of the youngest Turpentine farmers shows the modern can adopted by the AT-FA.

When the tree beginneth to runne softelye yt is to be stopp'd wth agayne for preserveyng the tree. Today an aggressive advertising and merchandising program is setting the Gum Turpentine industry back on its feet and putting this reliable old product into the homes and on the houses of America, for Gum Turpentine is the original and best thinner and solvent for paints and has many household and therapeutic uses. The progress of this Southern industry extending from North Carolina through Mississippi and valued at \$25,000,000 annually is of vital importance to the South. More than 90% of American Turpentine producers belong to the American Turpentine Farmers Association Cooperative.

1939 WAS A GOOD YEAR FOR ME

NOT FOR ME-- but I'm going to use enough POTASH in 1940

START PLANNING FOR 1940 NOW

IT IS not too early to be making plans for more profit from your crops next year. Start now, while this year's results are still fresh in your mind, to provide for the use of plenty of potash to insure greater yields and quality in 1940. Rusty cotton, low yields and poor quality of tobacco, corn, vegetable, fruit, and legume crops result if the soil and fertilizer do not supply enough potash. Wherever legumes are grown, more potash is needed because of the large amounts removed by these crops and to balance the nitrogen and organic matter supplied when legume crops are turned under.

Talk over with your county agent or experiment station your yields this year as compared with what you can expect from your soil if given the right amount of the right fertilizer. Ask your fertilizer dealer or manufacturer about fertilizers high in potash. You will be surprised how little extra it costs to apply enough potash for the crops which you will plant next spring.

Write us for further information and literature on the profitable fertilization of Southern crops.
