

THE VIDETTE

The Men Who Are Today Lifting The World Upward And Onward Are Those Who Encourage More Than Criticise.

VOLUME LVI

IUKA, TISHOMINGO COUNTY, MISSISSIPPI.

THURSDAY, NOVEMBER 9, 1939

NUMBER 13

STATEMENT OF SENATOR PAT HARRISON

In speaking of the progress that is being made toward the Federal Government's assisting the flood and drought stricken areas, Senator Harrison said: "The Representatives of the affected areas have done and are continuing to do everything possible to obtain substantial relief. Following the conference of the Members of the House and Senate, a Joint Committee was appointed to see the President, who has requested a coordination of all Federal agencies and a militant prosecution by the Federal Government to expedite relief."

"Chairman Jones of the Federal Loan Agency has been directed by the President to study correlate and act somewhat as a spearhead to see that the Federal agencies function effectively in this emergency."

Senator Harrison further stated:

"I have just spent an hour with Chairman Jones, fully discussing the conditions in Mississippi, bringing to his attention the united thought and cooperation of the entire Mississippi delegation and the Governor of the State that something and everything possible must be done immediately by the Federal Government to assist in these distressed areas."

"I feel more encouraged following my conference with Chairman Jones than I have felt at any time since this disaster visited my State."

FARM RELIEF SITUATION

Statement by Representative John E. Rankin

Washington, D. C., Nov. 4, 1939
To the People of the First Congressional District of Mississippi:

I am writing you this short note to let you know that we have various governmental agencies at work on their plans to provide funds for the assistance of distressed farmers in the rain and drought stricken areas. As soon as the program is worked out it will be released and given to every paper in the district.

The agencies involved feel that they can get together enough funds that can be legally used to last until after Congress convenes on January 3rd.

I do not want to build up any false hopes, but I wanted to let you know that we are doing everything possible to get all the assistance necessary. I am going to remain here and keep after this proposition until we get desired assistance or until every avenue is exhausted. If we cannot get all the assistance we need, I will press for the passage of my bill as soon as Congress convenes in January.

Sincerely yours,
John E. Rankin.

SARDIS NEWS

Health is very good at this writing.

Bro. S. Barbar filled his regular appointment at Sardis church Friday night, Saturday afternoon, Saturday night and Sunday of last week.

Miss Ruth Stafford and Miss Vernell Belue spent Saturday evening with Miss Louise Bishop.

Miss Margil Wigginton spent the week end with her brother, Clint Wigginton.

Several from this burg made a business trip to Iuka Saturday.

Miss Hene Parson spent Thursday with Miss Frances Holder.

Miss Ada Norris spent Saturday night with Miss Louise Bishop.

Miss Lorene Belue spent Saturday with her sister Mrs. Lucille Tomason.

Mr. Homer Snodgrass and Mr. Billy Belue spent the week end at Henderson, Tenn., with Mrs. Homer Snodgrass and Misses Maxine Belue and Inez Bishop.

Everyone is almost through gathering around here.

Mrs. G. A. Holder spent Saturday evening with Mrs. Jennie McCoy.

The trestle near Holcut burned down Friday morning.

Misses Louise Bishop and Vernel Belue were dinner guests of Misses Annie May and Ola Norris Sunday.

Mr. Dalah Belue was a pleasant caller at Miss Lurlene McCoy's.

Miss Margil Wigginton spent Sunday with the Helton sisters, Misses Annie, Lola and Evia Helton.

Miss Annie Helton spent Sunday night with Miss Margil Wigginton.

Miss Unida Holder spent Sunday with Miss Martha Tomason. —Reporter.

IUKA 4-H CLUB

The Iuka girls 4-H club met Tuesday, Nov. 7th and reorganized. Twenty-five members were enrolled in the club. Clothing and Home Improvement will be the major studies during the year 1939-1940. The Clothing Inventory was discussed during the meeting and plans were made for each member to make a Clothing Inventory during November.

The following officers were elected:
President, Claudine Daily.
Vice-Pres., Celeste Wright.
Sec.-Treas., Ellen Cutshall.
Clothing Captain, Imogene Atkins.
Home Improvement Captain,

MARY B. EDMONDSON ON RADIO AGAIN THIS WEEK

Mary B. Edmondson will be on the air again this week over station W.M.C. the Commercial Appeal station, Memphis, appearing with the Pantaze Morning Review, Friday morning, Nov. 10th at 11 o'clock.

At a college dance in one of Memphis' large hotels last week Miss Edmondson was called to the "Mike" and sang several songs.

Amory, E. H. Cunningham; Artesia, J. R. Murff; Crawford, Mayhew, N. N. Maxey; Kosciusko, S. E. Ashmore; Longview, Cedar Bluff, E. M. Shaw; Boyle and Pace, W. W. Jones; Lexington, T. H. Dorsey; Hernando, E. M. Sharp; Red Banks, L. P. Jumper.

The conference will be held at Columbus next year.

IUKA GIRLS ENTERTAIN MEMPHIS LIONS CLUB WITH HILL-BILLY IMPERSONATIONS

And Appear on Radio Again

Miss Billie Burke Whitehurst and Miss Lucille Pace were invited back to Memphis this week by Mr. Bill Fielding, the Pantaze Morning Review radio program master of ceremonies, to entertain a Lions Club meeting with their hill-billy impersonations.

After entertaining the Club meeting, Billie and Lucille were invited to appear on the Pantaze Morning Review Wednesday morning at 11 o'clock over station W. M. C.

These girls seem to be making a hit in Memphis. All their friends in Iuka wish them much success.

Alice Catherine Rutledge.
Reporter, Louise Witworth.

HERE AND THERE

BY

Wilmer Price

Arms Embargo.

The Arms Embargo no longer exists. Congress repealed it by a large majority. In the U. S. many persons feared that this would happen. And no doubt England and France counted heavily on the repeal of the act which forbade the sale of munitions to countries at war.

At the present time under the new law we may manufacture and sell all kinds of supplies, including arms and ammunition. The foreign governments making purchases must pay cash and haul the goods away in their own ships.

England is planning an elaborate convoy system to protect her merchant vessels laden with war supplies. In addition to battle cruisers, airplanes will search the sea for submarines over a wide area. From a technical viewpoint it will be interesting to observe how well this system works out as a solution of the U-Boat problem.

The "City of Flint."

The strange story of the ship "City of Flint" has been given much publicity of late. It is just the sort of thing that we Americans are apt to regard as an important international incident. The vessel is owned by the United States Government and was leased to a private party who used it to transport contraband goods to Scotland. Enroute the Germans captured the ship. They used the excuse that the "City of Flint" was unseaworthy to enter a neutral port in Norway. Many supposed that the so-called unseaworthiness consisted of its not being equipped with the proper charts to avoid the various mines planted in that locality. Carrying both a German crew and the American crew the ship proceeded to a port in Russia. Here the vessel was held for a short time and was apparently turned over to the Germans. At any rate they left after a short stay, taking the American crew with them. Soon after, the mysterious vessel reached the coast of Norway and wished to put into a port there for water and other supplies. To this the Norwegian authorities said no, but later the vessel did enter a port of Norway, this time offering as an excuse the story that one of the American seamen aboard was very sick. Doctors said after examining the seaman that he was not sick. Thereupon the Norwegians interned the German crew and turned the ship back to the Americans. The Captain, in view of the situation, is now undecided what to do, and at this writing has not left the safety of the neutral Norwegian harbor. If he does not leave soon however, the Norwegians may change their minds again and decide to hold the "City of Flint" after all. The reason for this is that the German government is vigorously protesting. No one knows what will happen.

Western Front. Fighting on the Western Front continues in a slow and intermittent fashion. The most important event of recent date is the negotiation going on between Germany and Belgium. The Nazi government has issued a sort of ultimatum to the latter demanding to know just how neutral the Belgians are, and what agreements they have with other nations. This is an ominous sign and may fortell Hitler's design to use Belgium or Holland as a gateway to get around the Maginot Line which guards France's border.

Two Thanksgiving Days.

This year Mississippi will have two Thanksgiving Days. Why is this? Because Governor

STANTON CURTIS, G.P.A. OF M. & O. R.R. NAMED TO SAME OFFICE OF THE G. M. & N. R.R.

Stanton Curtis, general passenger agent of the Mobile & Ohio Railroad was named to the same office of the Gulf, Mobile & Northern Railroad, according to announcement made recently by President I. B. Tigrett of the G. M. & N.

The move comes just one week following official sanction of the merger of the two roads by the Interstate Commerce Commission and is one of the first indications of the early operation of the two properties as one railroad under the name of the Gulf, Mobile & Ohio.

Mr. Curtis will have offices in Mobile, Ala., and St. Louis, Mo.

ROOSEVELT APPROVES EMERGENCY RELIEF

Following is a telegram received from Rep. Rankin:

Washington, D. C., Nov. 7, 1939. R. M. Sparks, Iuka, Miss.

President Roosevelt has approved emergency program authorizing expenditures of Federal funds amounting to thirty-three million five hundred thousand dollars for assistance of destitute farmers in rain and drought stricken areas in addition to the surplus commodity cooperation. Will insure its shipments of surplus foodstuff into the distressed area. Am sending you statement outlining details of the program.

John E. Rankin, M. C.

STATE PRESENTS NATION WITH ANOTHER PAVED LINK

The State Highway Department formally presents the state and nation with another major highway link this month.

Mississippi's third motorcade, led by Mayors Clint Vinson of Meridian and Louis Braun of Biloxi, October 17th-20th marks official opening of "the most direct route from the Great Lakes to the Gulf." It is the third north-south modern paved highway to beckon thousands of tourists through the once ostracized (during the pre-paved era) scenic countryside of Mississippi.

Motorcade routing: from Biloxi on the Gulf, October 17th, via U. S. Highway 49 to Hattiesburg, from there via U. S. Highway 11 to Meridian, from Meridian on U. S. Highway 45 to Chicago, October 20th.

U. S. Highway 45 comes from its southern terminus at Mobile, Alabama, to enter Mississippi in

the northeastern corner of Green county. From there it runs north up the eastern side of the state through Waynesboro, Quitman, Meridian, Scooba, Macon and Brooksville. At Brooksville, the highway branches east and west. The east branch passes through West Point and Okolona, the west branch through Columbus, Aberdeen and Nettleton, the two branches converging at Shaan. From there they go through Tupelo, Booneville and Corinth. Leaving the state from Alcorn county, the highway continues to Jackson in Tennessee, Paducah in Kentucky, Chicago in Illinois, and into Wisconsin along the west shore of Lake Michigan for a short distance before swinging into the state to reach its northern terminus at Otonaga on the southern bank of Lake Superior.

FLOOD CONTROL

The public hearing conducted by Capt. R. W. Pearson of Nashville, to discuss the advantages of flood control by the government of Bear, Yellow and Mackey creeks at the Court House November 1st, drew a large crowd from all over the county. Many farmers spoke in favor of the projects which will be of great benefit in protecting their lands from overflow as well as giving them work after the growing season.

White agreed to observe the Roosevelt plan of having the day celebrated on the 23rd of November, and, yet, it seems that we have a state law which has not been repealed that establishes November 30th as Thanksgiving Day in Mississippi! So, folks, since we have two holidays we can buy two turkeys and see which we like best! (Maybe!)

TISHOMINGO, MISS.

Nov. 6, 1939.

The young people of Red Bay presented a play here Thursday night to a packed audience. The play was a comedy in three acts, well sponsored, well coached, and well presented.

Coach C. O. Burch, L. D. Edwards, L. C. McDougal, Mrs. L. D. Edwards and Billie Nettles attended the foot ball game at State College Saturday.

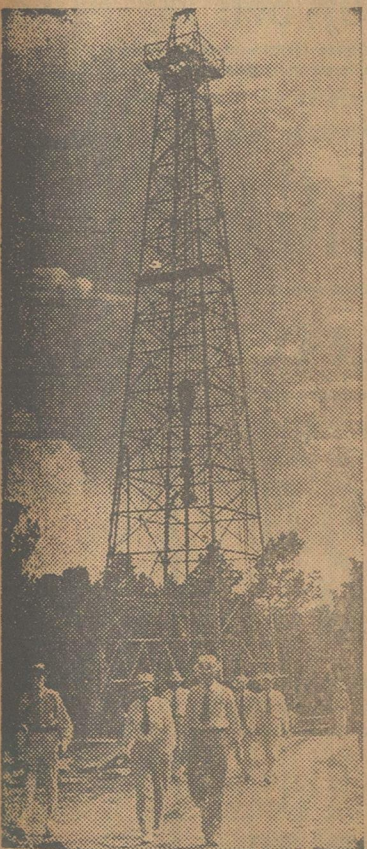

Governor-elect Paul B. Johnson has appointed W. R. Nettles to serve on his staff as a Colonel during his administration.

Iuka boys and girls will be here Friday night of this week for basketball, seven o'clock. This is the initial game and a great time is expected.

—Reporter.

Black Gold Flows

This derrick marks the spot of the biggest Mississippi news of 1939, the striking of oil in Yazoo county September 5th. Shortly after this story was flashed to the world, State Highway Commissioners Sidney T. Roebuck of the Central District and his engineers were checking with county supervisors to see that adequate highway facilities were available to serve this newly discovered key area in the development of Mississippi's natural resources, thus speeding drilling and marketing operations. This epoch making spot, 12 miles southwest of Yazoo City on State Highway 3, is well worth a special trip by all Mississippians. From the constantly increasing number of wells there, new and untold wealth is pouring into the state, and the population in the area affected has taken a huge jump.

FACTORY WHEELS SPIN

America's factory wheels are turning at the fastest rate since the boom days of 1929 the nation's leading statistical authorities estimated.

The Federal Reserve Board placed its monthly index of industrial production for October at 100.0.

For the year 1938-39, the index was 98.2, two points over the 1937-38 level.

The recovery peak reached

CONGRESS ADJOURNS

The special session of the
76th Congress adjourned Nov. 3,
after finally approving the
Roosevelt Administration bill to
repeal the arms embargo and
substitute a system of "cash and
carry" sales to the belligerent
governments of Europe.

The Congress was in session
six weeks.

THANKSGIVING PROCLAMATION

Notwithstanding the fact that
our crops have not been good
this year, we still have much
for which to be thankful. When
we compare ourselves with the
people of Europe, we realize that
we are far better off than they.
We are thankful for peace in
our own land and for a reason-
able degree of health and that
everything is as well with us
as it is.

Now, therefore, I, R. W. Car-
ter, Mayor of the town of Iuka,
Mississippi, do hereby set aside
and designate Thursday, No-
vember 30, 1939, as a day of
Thanksgiving and ask the peo-
ple of the town to pause on that
day long enough to give thanks
to Almighty God for the many
blessings He has bestowed upon
us during the year.

This Nov. 9, 1939.
R. W. Carter,
Mayor of Town of Iuka, Miss.

CO-OPERATE WITH CITIES IN BRIDGE CONNECTIONS

The Highway Department is co-
operating with the cities of Na-
tachez and Greenville in connecting
the bridges across the Mississippi
river into the road system of the
state. The bridges are PWA proj-
ects and represent investments by
those cities of about 7 or 8 mil-
lion dollars in accordance with
legislation passed. The two cities
are sponsors of the projects, and
the Highway Department provides
only aid and supervision.

The by-pass of Jackson on U.
S. Highway 80 is one of the out-
standing engineering achieve-
ments of the entire state highway
program.

Ideas on highway development
throughout the nation were dis-
cussed by the nation's leading au-
thorities at the 25th annual meet-
ing of the American Association of
State Highway Officials in
Richmond, Virginia, October 9th.
E. D. Kenna, director of the State
Highway Department, represented
Mississippi at this assembly.

FIRST STATE PAVED ROAD

Twenty-five years ago there
were only 11½ miles of highway
paving in the entire State of Mis-
sissippi. Today there are approxi-
mately 8,000 miles of highway
paved or under paving contract.

CREATE COMMISSION 1916

The Mississippi State Highway
Commission was created by act of
the Legislature March 15, 1916,
and was approved by Governor T.
G. Bilbo March 29, 1916.

BAPTIST CHURCH

As Brother Mounger was
away from his pulpit Sunday,
attending conference, many of
the members of the Methodist
Church worshipped with us.
We appreciated the presence of
each one as well as that of each
visitor, and we hope you will
come back when you have the
opportunity.

The pastor preached at Red
Bay, Ala., Sunday afternoon at
the high school auditorium to a
large and appreciative crowd.
This was the first service of the
program of National Education
Week that the Red Bay High
School is observing this week.

It was several years ago, how-
ever as clear as if only yester-
day, I stood on the street of a
small town, listening to the
screams of whistles, ringing
bells, shouts of joy, I saw men
and women of various ages,
from the various walks of life,
as they used sharp, hard, rough
gravel as an altar to kneel upon
to thank God for "Peace on
earth." I saw one mother throw
her arms around another as she
said our boys are coming home.
I saw tear stained faces some
from tears of joy because "He"
is coming home, while some
were tears of sorrow because
they'd already learned "He" was
not coming back, they'd had a
message "Killed in action," to
them it was not armistice, the
hell of war was still going on
down in their aching hearts,
their armistice will not come un-
til up yonder they see "His
face," with the face of Him who
also died for others. We see in
our imagination the boys over
there, shouting happy, they're
coming back, yet back of many
smiles we can see sorrow and
sadness. Is it because they're
thinking of "My Buddy" who
wanted to go back too?

Though that was several
years ago, we should not forget
—to us they were all heroes
then, they should be today.

Next Sunday we have our
Armistice service. We are ex-
pecting every ex-service man in
this section to be present. Come
early, march in with the boys
and sit in the group with them.
We had a large crowd at our
Armistice service last year, and
a large group of ex-service men
were present. This year we're
expecting more, and plan to
have a better program.

We are to have special music,
the boys sitting in a group, and
a sermon on Armistice. Every
one is invited, especially the ex-
service men and Gold Star
mothers.

Bad Breath May Show You Need This Help!

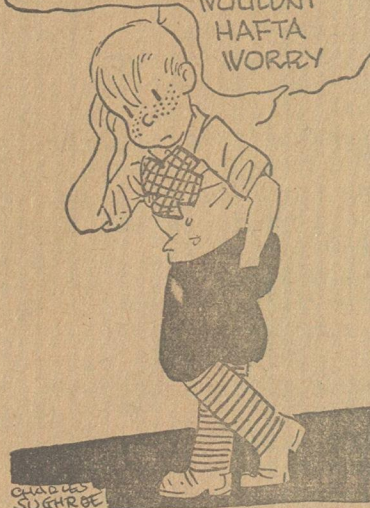

Bad breath is sometimes due to bad
teeth and often due to sluggish
bowels.

It offends. And to neglect it may in-
vite a host of constipation's other
discomforts: headaches, bilious-
ness, loss of appetite and energy.
Don't let constipation slow you
down. Take a little spicy, all vege-
table BLACK-DRAUGHT tonight.
In the morning there's an evacua-
tion that's generally thorough. You
feel fine again!

BLACK-DRAUGHT'S principal in-
gredient is an "intestinal tonic-
laxative." It helps impart tone to
lazy bowel muscles. Millions of
packages used yearly!

storm and tempest to find unbroken calm, of waking up and finding it home."

CENTRAL 4-H CLUB

The Central 4-H Club met Friday, Nov. 10th, at 11 o'clock and discussed the work for the next meeting. This year's work will be "Home Improvement and Clothing." The Clothing Inventory was discussed during the meeting and plans made for idder or bidders for cash, if any each member to make a Clothing Inventory.

Our leader and two members were absent. Eight new members were enrolled. We are planning to make this a good club year. —Reporter.

TOM C. McRAE

The entire town was shocked over the death of Tom C. McRae, which occurred in Jackson, Miss., early Tuesday morning. Although, Tom, as he was lovingly called by every man, woman and child in the town, was known to be in ill health for a long time, his death was unexpected and the relatives and friends are grieved over his passing away from the town he loved so well.

He was for many years the popular, efficient and courteous manager of the Cumberland Telephone Co., (as it was then called) of Iuka, but ill health caused his resignation and since then he has been unable to do regular work.

He was the son of one of Tishomingo County's best loved and former officials, Mr. B. F. McRae, who served as Circuit Clerk until his death many years ago. He was also the grandson of some of Iuka's earliest citizens.

Funeral services conducted by Rev. W. H. Mounger, were held at the home of Mr. Ben F. McRae Wednesday afternoon, with H. O. Little in charge of arrangements.

Among the out of town relatives who attended were Mrs. E. S. Candler, of Corinth; Mr. and Mrs. Kelly Fuson, Mr. and Mrs. Kenneth McRae, Mr. and Mrs. Ernest McRae, Mrs. Doan Banks, Mrs. Walker Stockley, and others all of Memphis. Miss Ottie McRae, the sister who has been all that a mother could be was unable to be present on account of illness.

JOHN R. DEAN

Mr. John R. Dean, one of the oldest and most prosperous citizens of the county, died at his farm-home on which he had lived almost his entire life about five miles north of Iuka, Monday night. He had been sick about three weeks and his death was not unexpected.

Funeral services conducted by Rev. W. T. Bazzell of Burnsville, and Rev. A. C. Bishop of the Iuka circuit, were held Tuesday afternoon with interment in the Harmony cemetery. Mr. Dean was a life-long member of the Harmony Methodist church of which he was one of the Charter members.

He leaves a wife and six daughters, Madames Ivy Grisham, Robert Dean, Joe Dean, Finch Davis, and Misses Kate and Josie Dean, all of the same neighborhood.

DIED

Mr. P. R. Berryman died Nov. 1st at his home just across the State line in Alabama. He was buried at Mars Hill cemetery, Nov. 2nd, after funeral services conducted by Mr. Geo. A. Bacon. He leaves 9 children, 76 grandchildren, 64 great-grandchildren 2 great great-grandchildren and other relatives and a host of friends.

CHILD BURNS TO DEATH AT TISHOMINGO

Bettie Lou Poole, five year old daughter of Mr. and Mrs. John Poole, was burned to death in her home near Tishomingo, Nov. 1, when her clothes were ignited as she attempted to stir up the fire. Funeral services were held Nov. 2.

She was a niece of Rev. S. A Bonds of Iuka.

Women: "Build-Up" To Relieve Pain

A weak, run-down, undernourished condition calls for attention!

Such a condition often enables functional dysmenorrhea to get its foothold. That's one thing which leads to much of women's suffering from headaches, nervousness, those cramp-like pains. A good way to relieve such pains, women by thousands have found, is by the proper use of CARDUI. It stimulates a lagging appetite, assists digestion and assimilation; thus helps build physical resistance to periodic pain. Taken just before and during "the time," many women also report that CARDUI helps to ease the pain and discomfort of the period.

Half Million Workers Ready for Membership Drive

THE American Red Cross embarks on its greatest membership Roll Call in two decades November 11 when a half million volunteers working in virtually every community in the nation, will seek increased membership strength to meet growing demands for Red Cross services. Chairman Norman H. Davis has announced.

Increased membership support has been prompted by an urgent need for extending Red Cross services not only in this country, but as a result of appeals from Red Cross societies in war-stricken European nations. Mr. Davis said. The Roll Call will extend through November 30, and everyone is urged to join his local Red Cross Chapter.

"Although the Red Cross must be ready to meet the tragic potentialities that may arise among the war-stricken men, women and children in Europe, we of America must not slacken our effort to reduce the peace-time forms of human suffering found in this country," Mr. Davis declared.

"The 5,700,000 American men and women who enrolled as members of the Red Cross last year enabled the organization to meet the needs of sufferers in 157 disasters during the year, as well as to train hundreds of thousands in First Aid, Life Saving and health education."

New Demands For Red Cross Services Prompt Greatest Roll Call in 20 Years

BABY CLOTHES, FLAGS AND FOUNDER, ALL SPELL RED CROSS—At top, left, Red Cross volunteer packs infant's layette for European war victims; right, No. 1 Roll Call got under way at Washington, D. C., when Legion honor guard raised flags; lower, Mrs. Peter DeGraw, 90-year-old Washingtonian and only surviving founder of American Red Cross 58 years ago, reminisces with Secretary of War Woodring, two of the first citizens to join their local chapter.

1939 WAS A GOOD YEAR FOR ME

NOT FOR ME-- but I'm going to use enough POTASH in 1940

START PLANNING FOR 1940 NOW

IT IS not too early to be making plans for more profit from your crops next year. Start now, while this year's results are still fresh in your mind, to provide for the use of plenty of potash to insure greater yields and quality in 1940. Rusty cotton, low yields and poor quality of tobacco, corn, vegetable, fruit, and legume crops result if the soil and fertilizer do not supply enough potash. Wherever legumes are grown, more potash is needed because of the large amounts removed by these crops and to balance the nitrogen and organic matter supplied when legume crops are turned under.

Talk over with your county agent or experiment station your yields this year as compared with what you can expect from your soil if given the right amount of the right fertilizer. Ask your fertilizer dealer or manufacturer about fertilizers high in potash. You will be surprised how little extra it costs to apply enough potash for the crops which you will plant next spring.

Write us for further information and literature on the profitable fertilization of Southern crops.
