The Men Who Are Today Lifting The World Upward And Onward Are Those Who Encourage More Than Criticise.

VOLUME LVI

IUKA, TISHOMINGO COUNTY, MISSISSIPPI,

THURSDAY, APRIL 11, 1940

NUMBER 35

MAY 1 CLOSING DATE TO ENTER PLANT TO PROSPER

To date only 59 farmers have signed up in the Plant To Prosper movement. In as much as the business people have acted so liberally toward sponsoring this program, we feel that it is our duty to back them up, get into harness, and start forward on a move to conserve our soil, diversify our crops, improve our homes and live at home.

This program is accepted as a good extension program and the purpose of the program is to stimulate interest among farm people in conserving the soil, growing a greater variety of cash crops, improving the farm home, and growing the things on the farm that will enable the farmer to live at home.

The ultimate aim is to make living conditions better on the farm.

Come and join hands with us and let us make this a worth while undertaking—it will not be all work and no play. If enough farmers join to justify it there will be some good get-together meetings and some fun. Remember in numbers there is strength.

The plant to prosper goal this year is 40,000. We want you to be one of this number.

It doesn't hurt you a bit to be a contestant and if you get in and get started you will never regret it.

Thank it over and act quick. May 1 is closing date.

The Plant To Prosper Bureau
Care of The Vidette,
Iuka, Miss.

I want to enter in the 1940 Plant To Prosper Competition as contestant for the \$2,900 in cash awards, The Commercial Appeal Trophies and The Commercial Appeal Certificate of Honor.

ATTENTION LEGIONAIRES

The American Legion held its regular monthly meeting April 4th at 7:30 p. m., in the court house. Ten members and three visitors were present.

Mr. Lester Hodge presided in the absence of the Commander. A very interesting meeting was held.

There will be an open meeting for all World War and Spanish-American Veterans and families Friday night, May 3rd, 7:30 p. m., at the court house. Entertainment and refreshments for all.

—Committee.

CORINTH ON HONOR ROLL

Four Tri-State cities are among the 179 with populations between 5000 and 10,000 on the honor roll of the National Traffic Safety Contest for going through the past year without a traffic fatality.

Corinth is one of the four. The others are Russellville, Ark., Paris, Tenn., and Alcoa, Tenn.

Winners of the national grand awards are Rhode Island and Kansas City. Memphis was third in the 250,000-500,000 group.

NOTES FROM THE COUNTY AGENT

To all farmers of the county who are interested in livestock industry in Mississippi should make it a point to attend the 15th Annual Meeting of the Mississippi Livestock Association and Livestock Field Day which will be held at State College on April 24. Farmers who are interested in attending this meeting please contact the County Agent at your convenience.

On Monday, April 29, there will be 40 head of Jersey cattle sold at auction at Mississippi State College at 12:45 p. m. sharp. 4-H Club members and Future Farmers are especially invited. Some of the finest Jersey cattle in the State will be sold at this auction. If you are interested in attending this sale please contact your County Agent.

CAPITOL ACTIVITIES

By Walker Wood,
Secretary of State

The members of the Mississippi Legislature are speeding up the machinery holding longer daily sessions and eliminating the week end adjournments.

Friday, April 5th, saw the number of bills passed by the legislature and approved by the Governor top the 200 mark, including 144 House Bills and 78 Senate Bills, a total of 222 Bills. Of these 77 are general laws, and 145 are local and private legislation.

The legislature extended the life of the Balance Agriculture with Industry Act, until June 1, 1940 by the passage of Senate Bill No. 361, approved by Governor Johnson on April 1.

Senate Bill No. 44 provides for aid for dependent children, and was approved by Governor Johnson on April 3, 1940. This law provides a maximum of \$10.00 per month, for the first dependent child and each additional child not exceeding \$7.50 per month. The act is to be administered by the State Department of Public Welfare, and shall commence at such time as federal and state funds shall be available for the carrying out of the law.

Senate Bill No. 118 now a

BELMONT MAN DIES WHEN HOUSE BURNS

A man named Segars was cremated in his burning home near Belmont Friday night. From meager reports brought to Iuka Saturday it seems that the wife not expecting him to come in had taken her baby to spend the night with a neighbor. It is supposed that he came in late, made a fire in the fireplace and went to sleep. Neighbors who ran to the burning house were horrified to find the man's body burned to a crisp.

law sets up a uniform system of electing trustees for all consolidated and separate school districts, except municipal districts, and prescribes uniform qualifications, and fixes length of their terms of office.

H. B. 844 seeks to establish a department of labor. Under the provision of this bill a secretary of labor would be appointed by the Governor. With the approval of the Governor, the Secretary would be authorized to appoint two field representatives, one statistician, one secretary, and one file clerk. The law would abolish the office of state factory inspector, and transfer to the state department of labor the duties performed by the state factory inspector.

A concurrent resolution seeks to amend the Mississippi Constitution by separating the office of sheriff and that of county tax collector—in all counties of the state, or in counties of certain grades or classes.

H. B. 880 introduced on April 5, provides that the entire land roll of the county after approval shall be published by the Board of Supervisors in a newspaper in the county. The publication must show every column and entry in the same manner and as fully as the assessment roll. Any wilful disregard by any board in not having the publication made shall subject the Board to a penalty of \$100.00 and actual damages.

A State Board of Probation and Parole is set up by House Bill No. 823 just introduced in the House of Representatives. This Bill would empower the governor to appoint 3 members to constitute the Board, and each member would receive a salary of \$3,000.00 per year, and necessary traveling expenses. The three commissioners would be appointed for a term of nine years, except that the first three commissioners would be appointed for terms of three, six and nine years respectively. In addition to the three board members, they shall appoint a state director, and the state director shall appoint a sufficient number of probation and parole officers and other employees to administer the law.

House Bill No. 872 would create with in the department of education an advisory board of film censors. The advisory board would be composed of three members, appointed by the Governor. The duties of this board to examine and censor all motion picture films to be publicly exhibited in the State of Mississippi.

House Bill 808 would amend the Highway Patrol Act by raising the number of patrolmen to 83.

House Bill No. 818 would provide a more uniform system of selection of state service commissioners.

HERE AND THERE

BY

Wilmer Price

War Map.

An amusing instance occurred recently when a French picture magazine published a photograph showing President Roosevelt's ambassador to Europe, Mr. Sumner Welles, shaking hands with Mr. Renault, the new French Premier. The funny thing about this picture was that a large war map hung in the background, and it could be clearly seen on the map that Germany was shown cut up into small provinces. This created a great deal of embarrassment among the Allies, and of course Hitler had the photograph reproduced in publications all over Germany to show his people what would happen if they were defeated.

Neutral Countries.

The neutral countries are very much in the news now because both Germany and the allies are putting pressure on them. It seems to be only a matter of time before each nation must decide for itself which side to favor. Germany is demanding ores, food and oil, besides other things in trade from neutral neighbors. England is making a strenuous effort to block this flow of goods. In the Balkans England has set up a company called "The British Commercial Corporation. The purpose of this organization is to out-bid Germany and buy up all the vital supplies which would otherwise reach the Nazis.

Within the past two weeks the British have invaded Norwegian territorial waters in order to capture or sink ships bound for Germany loaded with iron ore. England has also tried to apply other measures to check the flow of Swedish iron to Hitler. On the other hand Germany has warned Sweden that she will consider it an unfriendly act if the supply of iron is checked by the Swedish government. Germany seems to have won over Rumanian trade. Already in that country there are a vast number of German technicians whose job it is to see that the Rumanian oil wells produce a full quota of oil for Germany. In return for this the Rumanians receive arms and military supplies from the Skoda works, seized by Germany when she took over Czechoslovakia.

German Planes.

Germany's Haenkle Bomber would use about a ton and a half of gasoline on a trip from Germany into the interior of England and back again. In addition to this load of gasoline it could carry a ton of bombs. It is armed with two forward machine guns, and two machine guns pointing from the rear and upward, also two guns pointing from the rear and downward. These giant bombers are often accompanied by pursuit planes whose job it is to fight off the enemy aircraft. The German pursuit plane is called the Messerschmitt. This is a fast one-seater ship and has a small cannon mounted in the nose. In addition, it is also armed with four machine guns. It is reported that some German planes have rubber gas tanks which automatically seal an ordinary machine gun bullet holes.

Warning America.

The people of the United States should take warning from

a recent speech made by a Canadian attorney-general. If nothing else can be said of this speech, it was at least frank. The Canadian speaker stated that Canada should do everything in her power to draw the United States into the war on the side of the Allies. It is easy to see from this utterance that pressure is still being applied to Congress to drag our peace-loving people into a foreign war. If we should finally get into the conflict we would sacrifice the lives of untold thousands, and lose millions if not billions of good American dollars. Further the depression which would inevitably come afterward would make the crash of 1929 look like a boom year by comparison.

PEACH SPRAYING ADVISED

As most peach trees are now in bloom, L. J. Godgame, State Plant Board Inspector at Aberdeen, is reminding orchardists that a spray should be applied when three-fourths of the petals have fallen so as to prevent wormy peaches this year. The spray recommended consists of one pound powdered lead arsenate in fifty gallons of water to which has been added four pounds of hydrated lime and four pounds of zinc sulphate to prevent any burning by the lead arsenate. Another spraying with the same mixture is advised about two weeks, later, or ten days after all the petals have fallen. A third spray about two weeks after the second consists of wettable sulphur used according to the manufacturer's directions. This spray is to prevent brown rot, and with the addition of a pound of lead arsenate to each fifty gallons is repeated about four weeks before the fruit is due to ripen.

Spray schedules for the control of insects and diseases of peaches and other fruits as well as lists of dealers in spray supplies may be secured from the State Plant Board at State College.

IUKA, ROUTE 1

April 8, 1940

Many minor things have happened since our last. Among them, ice, sleet and a bit of snow during what the almanac makers said was Easter. We think that too much rain has fallen of late and farmers are far behind with their farm work, but we are, hoping for better weather soon.

Mr. and Mrs. C. B. Wright of Belmont, were pleasant visitors in these parts recently.

Mr. Truman Claunch of Holcut, was in this community Sunday afternoon.

There seems to be some sickness in this section just now. Hope that the ailing will soon be better.

The school at Midway closed some days ago with a splendid program and a big well ordered crowd was present.

We learn that the trustees have elected teachers at Midway for the 1940-41 term to-wit: Principal, Prof. J. V. Hendrix and Misses Frederick and Moore as assistants.

Mr. and Mrs. Doyle Williams, who resides southwest of Iuka, visited relatives here Sunday.

Mrs. Odell McDougal visited relatives west of Iuka last week.

The speculators of the United States will take the advantage of the consumers on account of the short crop last year and the European war and will raise the prices on everything possible, but hush, you know we live in a good old Democratic country. —Reporter.

FARMERS MEET

On Thursday, April 4, a gen-
eral farmers' meeting was held
at the Court House, Iuka. About
300 farmers attended.

Some features of the AAA
Program were discussed. The
mattress program, Plant To
Prosper and other subjects were
touched. The County Agent
acted as chairman of the meet-
ing.

Mr. Riley Arnold, Regional
Director of the American Farm
Bureau Federation, was the
principal speaker, and spoke to
the farmers on Parity Prices
and Farm Organization.

After Mr. Arnold's speech,
the Tishomingo County Farm
Bureau was re-organized.

Mr. C. S. Cresap was elected
temporary chairman, R. P.
Holder, Vice-chairman; D. Bos-
tick, Secretary-Treasurer, and
J. E. Dean, Ass't Secretary-
Treasurer.

Fifty members joined the
Farm Bureau, 33 being paid
members and 17 pledged to pay
as soon as possible.

A motion was made, and
passed by the members of the
organization to the effect that
community meetings would be
held over the entire county for
the purpose of completing a
strong organization in the
county.

Six members volunteered at
the suggestion of the temporary
chairman, Mr. C. S. Cresap, to
go into the field and solicit
membership.

There was a good attendance
at the meeting, and all present
seemed to be in favor of farm
organization.

Details of community meet-
ings will be worked out later.

THE COUNTY 4-H CLUB RALLY

The County 4-H Club Rally
was held in Iuka, Friday, April
5th, with an attendance of 433
members. Leaders, and visitors.
The following program was
held:

Song: America.
Invocation: Rev. W. H.
Mounger.

Welcome: Mr. Henry L. Jones
County Agent.

Response: Louise Whitworth.

Remarks: Mr. O. C. Oaks,
County Superintendent.

4-H Club Questions and An-
swers.

Field Meet.

Lunch.

Show. This was through
the courtesy of Mr. and Mrs.
Talmadge Jourdan.

The following clubs were re-
presented, Burnsville, Jr., Burns-
ville, Sr., Central, Snowdown,
Iuka, Gravel Hill, Holcut, Jr.,
Holcut Sr., Pleasant Ridge, Tish-
omingo, Paden and Golden. The
Paden Club won the highest
number of points in attendance
and Field Meet with Tishomingo
scoring second, Pleasant Ridge
third, Central fourth, and Iuka,
fifth.

PREACHING

Dr. D. A. McCall, State Mis-
sion Secretary of Mississippi
Baptist, will preach Sunday,
April 14th as follows: Cross
Roads church at 10:45 a. m.
Mt. Vernon church at 12:45 p.
m. Highland Baptist church at
2:30 p. m.

Everybody come and hear
him. W. C. Hamilton,
Pastor.

The RIGHT WAY TO MAKE A LONG DISTANCE CALL

When placing out-of-town
calls, you will always get
GOOD service, but you will
get the QUICKEST service if
you do it this way...

In the case of a Person-
to-Person call,* first give
the Long Distance Opera-
tor the name of the place
you are calling, including
the state, and then the
name of the person you
wish to reach and the tele-
phone number if you know
it. If you do not know the
telephone number, give the
person's address.

Give your own telephone
number when the operator
asks for it.

Your information given
in this order enables the
operator immediately to
start making the connec-
tion.

When placing a Station-
to-Station call,**make this
clear by first saying, "Sta-
tion-to-Station." Then give
the name of the place, the
state and the telephone
number. If you do not know
the telephone number, give
the operator the name and
address under which the
telephone is listed.

Give your own telephone
number when the operator
asks for it.

*A Person-to-Person call is one
where you ask to be connected
with a particular person at a
distant telephone. Timing of
a Person-to-Person call does
not begin until the person you
want is on the telephone.

**A Station-to-Station call is one
where you merely ask to be
connected with a distant tele-
phone. The charges on a Sta-
tion-to-Station call begin when
the distant telephone answers.
This service costs considerably
less than Person-to-Person
service.

BAPTIST CHURCH

We had the largest congrega-
tions last Sunday that we've had
here, and it was very encourag-
ing to us. We thank each one
of you for your presence and
hope you can be with us next
Sunday, bringing some one with
you.

We have appreciated our good
choir all along, but last Sunday
night it was strengthened by
some new voices that made us
appreciate it even more. We not
only have the promise of these
same new voices next Sunday,
but even more new voices that
should make our choir one of
the best.

Our Sunday school attendance
stands around 90. One Sunday
lately we reached 100. We want
to pass the 100 mark and can do
so if some of you who do not at-
tend Sunday school will come.
If you are not attending Sunday
school anywhere, we want you
to come next Sunday morning
at 10 o'clock. You'll find a
hearty welcome.

The pastor and the ladies of
the WMS made their regular
monthly trip to the County
Home last Monday afternoon
where they held a service.

The pastor filled his regular
appointment at Tishomingo last
Sunday afternoon. Next Sun-
day afternoon at 3 o'clock he
will fill his regular appointment
at New Salem.

Mrs. Blanche Brown, Presi-
dent of the Baptist WMU at-
tended the state meeting of the
WMU at Jackson last week.
"Go to Church somewhere
Sunday."

WILLIAM R. McDUFFIE

William R. McDuffie of Okalona, died in a Tupelo Hospital Saturday night as the result of a major operation nine days before. He was 57 years old. He married Miss Ida Lee Pyle of Iuka, about 20 years ago, who with a daughter, Miss Alice Hyatt, survives him.

W. CALVIN LACY

W. Calvin Lacy, prominent business man, of Corinth, died Friday, April 5, after a short illness. He was an uncle of Mrs. P. H. Wakefield and Mr. W. S. Brown of Iuka.

Buy a rich Middle Tennessee Blue Grass Farm. Water, soil and climate ideal. Have several to sell. Come, look, or write for full particulars. Pillow Williams, Franklin, Tennessee

CARD OF THANKS

I wish to thank my friends and neighbors for the kindness and sympathy extended to me during the illness and death of my dear husband. Especially do I thank the doctors for their faithful service and Bro Whiteener and Bro. Hardwich for their sweet words of consolation. Mrs. J. S. Wheeler.

FISHERMEN

Come in and let us tell you how to enter the contest.

G. T. CARMICHAEL & Son

FOR SALE—300 bales Hay, \$10.00 per ton. J. W. McMasters.

Rev. William Thompson will hold his last service in the Church of Our Savior (Episcopal) Sunday, April 14th at four o'clock. He has been transferred to a church in Montgomery, much to the regret of Trinity Episcopal Church in Florence and the Church of Our Savior Iuka.

HARDWARE AND IMPLEMENTS

The stock of Hardware and implements at Carmichael's is complete. We can supply your needs in repairs of most kinds. G. T. Carmichael & Son.

Friday and Saturday, April 12 - 13 GENE AUTRY Rovin Tumbleweeds Also Dick Tracy's G-Men Majestic Theatre

THE THURSDAY CLUB ENTERTAINED

Mrs. White Smith entertained the Thursday Club at its regular meeting on March 28th in the home of Mrs. Sam Allen. A very interesting and informative program on Conservation was presented by Mrs. Hiram A. Jones, with all the members of the club taking part. Mrs. Jones gave an instructive talk on the T. V. A. Experimental Area at Midway, south of Iuka, of which her husband, who is an Assistant County Agent, has charge. Here the different fertilizers made at Muscle Shoals are tested on the soils of a number of farms. Inspection tours of the experimental farms are made periodically by the farmers and Mr. Jones, with excellent results in the interest of more profitable farming. The social hour, with delicious refreshments served by Art. Baits, Reels and Rods. Mrs. White Smith and Mrs. Allen brought the meeting to an enjoyable conclusion.

"BOUND TO MARRY"

Presented by the Junior Class of Iuka High School on last Friday evening was a grand success and reflected credit on the director, Mr. Dee Stricklin. The stage was most attractive and showed unusual taste in interior decorating. There was a full house and a nice sum was taken in. This will be used for the Junior-Senior party during commencement week. The play will be repeated at the Central Consolidated School April 20th.

FISHING TACKLE

We have a good stock of Fishing Tackle, handling Heddon's Shakepeare and South Bend licious refreshments served by Art. Baits, Reels and Rods. Have a big shipment of tackle coming, running low in price. G. T. Carmichael & Son.

UNCLE NATCHEL SAYS...

NATCHEL FOOD... Nature has her own wise way of supplying natural food for every living thing. Chilean Nitrate of Soda is Nature's own food for your crops. It is the only natural nitrate in the world. Its quick acting nitrate and its natural blend of other plant food elements help feed the crop and maintain the soil in good producing condition. Chilean nitrate is ideal for all purposes—under the crop, for top-dressing, for side-dressing. Use it regularly and get the full benefit of all its natural fertilizing and soil improving qualities. No price increase. There is plenty for everybody's needs.

NATURAL CHILEAN NITRATE OF SODA PROTECTIVE ELEMENTS Boron Iodine Manganese Potash Magnesium Calcium and many more

MAKES IRON FLY OVER CLOTHES! FAULTLESS STARCH FERTILIZER We handle the Daybreak and Red Ox. The reliable brands we have sold for years. G. T. Carmichael & Son.

Vegetable Laxative Has Important Points Most people want a laxative to do three things: (1) act punctually, (2) act thoroughly, (3) act gently. Here's one that usually fills all three requirements when the easy directions are followed. It's an all-vegetable product whose principal ingredient has medical recognition as an "intestinal tonic-laxative." That's the ingredient which enables BLACK-DRAUGHT to help tone lazy bowel muscles. It is the main reason for the satisfying relief from constipation that generally follows next morning when BLACK-DRAUGHT is taken at bedtime. The millions of packages used are proof of its merit. Bread 2 for 15c at Edmondson's every day.

NOW IS THE TIME TO BUY MONUMENTAL WORK. We handle the best material, and our work is reasonable. Write us or call and see us. BARNETT MARBLE WORKS 315 Taylor St., CORINTH, MISS.

GRANDMA WAS RIGHT

Some of us need laxative medicine in the Spring

Grandma went to the woods in the Springtime and procured roots and herbs to make a Spring Tonic for the whole family. Maybe you need a Spring Tonic too.

Colds of winter, dry foods lack of exercise often leave one's system in a run-down condition. Possibly a touch of Malaria left over from last fall or a temporary constipated condition due to lack of green foods in your winter diet, has added to your distress.

If you have no organic trouble you no doubt, like thousands of other Southerners, will be benefited by taking Nash's C. & L. Tonic and Laxative. Nash's

contains two good Laxative ingredients—Mayapple and nolphtalein. It also contains Quinine and Cinchonine combat the type of Malaria prevalent in our Southland.

Mr. Nash, the drug manufacturer, says he does not want penny of your money if Nash's C. & L. does not satisfy. He says, "Try it for one and if you are not your druggist is authorized to refund your money. Nash's C. & L. Price 50c.

For sale by all good Stores and featured by Jourdan Drug Store and Drug Co.

"Build-Up" for Women Helps Avoid Distress

Do you suffer periodically from headaches, nervousness, irritability, cramp-like pain? If so, here's good news! These may be symptoms of functional dysmenorrhea due to malnutrition, often helped by CARDUI.

CARDUI usually increases appetite and the flow of gastric juice; so aids digestion and helps build up strength, energy, physical resistance. Result for many is less periodic distress. Or you may find this also helps ease your periodic discomfort: Take CARDUI a few days before and during "the time." 50 years of use and popularity invite your confidence in CARDUI.
