## PICKWICK LAKE TO BE DEDICATED SUNDAY

PROMINENT SPEAKERS WILL ADDRESS CROWD AT PICKWICK DAM

### MOTORBOAT RACES TO BE HELD IN THE AFTERNOON

Pickwick Lake will be dedicated Sunday, June 2 and the occasion will be celebrated by a regatta from all over the world. The celebration will start at Pickwick Dam at 9:00 A. M. with a sailboat race and will continue until 5:00 in the afternoon with speeches by Governor Cooper, of Tennessee, Congressman John E. Rankin of Mississippi, and other noted officials of Tennessee, Mississippi, Alabama and the T.V.A. It is expected that well over 10,000 people will be at Pickwick on Sunday to participate in the mammoth celebration. Several motorboat races will be held under the supervision of the Dixie Motor Boat Association and there will be over twenty-five locally and nationally known race drivers to take part in these events. These drivers will give the spectators many a thrill as they tear around the mile long oval course at the foot of the mighty dam and a fortunate day it will be if there are not at least one or two dangerous crashes. Souvenirs, refreshments and programs will be offered for sale at a number of stands on and near the dam, operated by civic organizations from the neighboring cities. The profits from these sales will go toward the furthering of the plans of these civic organizations in their own respective towns.

### OBSERVANCE OF W.P.A. WEEK BIG SUCCESS IN TISHOMINGO COUNTY

Tishomingo County citizen. joined whole-heartedly in the nation-wide observance honoring achievements of the Works Progress Administration under the slogan, "This Work Pays Your Community." As County Chairman of "T.W.P.C." I want to express my sincere appreciation for the splendid co-operation and untiring efforts of all who helped make this week one of the biggest and best the W.P.A. has ever enjoyed. From the ringing of the "Dinner Bell" Monday, May 20 at 5:30 o'clock until Saturday night there was never a let-up in the line of visitors who were shown through the 13 Prof. and Service Projects of the county and I hope they are willing to say after this week "Every single Project we simply must keep. This splendid endorsement of the W. P. A. Prof. and Service Projects was given by Mrs. V.

S. Doan: "In looking through the different projects of the W.P.A. in Tishomingo County, seeing the assistance and encouragement given the workers to prepare themselves for independent professions through W.P.A. instructors was most interesting. Many have talent as in music, wood carving, farming, sewing, etc., but not the instruction to use to advantage, the small equipment they may have, while W.P.A. instructors prove to them it can be done. We found encouragement and new zeal in the expression of many who had been shown the way. There were many such expressions heard through the week from business men, doctors, lawyers, club women and private citizens, all of which we need and appreciated. To every sponsor, community committee, project committee, individual worker and visitor, I do express my thanks. Yours was a big job and you did it well. Mrs. H. O. Little, County Chairman, T.W.P.C.

#### HARMONY

There was a Children's Day program given at Harmony last Sunday morning. Every one seemed to enjoy it. The second Quarterly Zone meeting was held here last Friday. Miss Hazel Todd is at home from Mt. Berry, Ga., where she attended college. Mr. and Mrs. Clyde Grisham spent the week end with their parents. Mrs. W. T. Akers is visiting her parents, Mr. and Mrs. Ralph Johnston, of near Cherokee. Mr. and Mrs. Leonard Nichols spent the week end in Pochontas, Tenn. Mr. and Mrs. Marcus Bryson and children, and Mrs. Addie Bryson of Pickwick, were visiting Mr. and Mrs. Ed Parnell Sunday afternoon. Married.

Mr. Clayton Parnell and Miss Gaye Cole were married May 3, 1940 at the Iuka circuit parsonage, Rev. A. C. Bishop officiating. The bride is a daughter of Mr. and Mrs. John Cole of near Cross Roads and the groom a son of Mr. and Mrs. Ed Parnell of this community. They have many friends who wish

### IUKA HEN LAYS EXPLOSIVE DESIGN

A hen egg, shaped like an old-time bomb was brought to this office Tuesday of this week. The hen is owned by J. Q. Thompson, negro minister, who lives in northeast Iuka. This is a regular full-sized egg, with a slight "pineapple" look around the shell and has a fuse sticking out of it about two inches long. He states when he is through displaying it he will have it preserved for future use. Hens in this section usually start laying war designs whenever we start talking war talk.

Miss Mildred Whitfield has been visiting her sister, Mrs. Elam Davis recently. Mr. and Mrs. Herman Kay have moved near Iuka, and Mr. Millard Gilchrist is occupying the house vacated by them.

#### Belgian King Surrenders.

King Leopold of Belgium and the most part of the Belgian army has surrendered to the Germans. This makes more desperate the plight of France and England. Especially those French and English troops still in Belgium are in a mighty tough spot. They are apparently trapped there with their backs to the sea. Because of the incessant counter attacks of the Allies the German forces which have pushed through France and seized Calais and Boulogne on the coast of northern France (on the English Channel) have not so far gained strength enough to invade England. One report states that Hitler said recently that his forces would be concentrated there in sufficient numbers to invade the British Isles in two weeks. Fast moving German torpedo boats patrol the English Channel. They are about 90 feet long and are said to travel at 50 miles an hour, carrying one or more torpedoes, heavy machine guns and anti-aircraft guns. It is said they are capable of transporting 200 men. German reconnaissance planes have been continually flying over the British Isles in preparation for the attack. No doubt they have taken photographs and made maps which will be used by the relentless German war machine in another blitzkrieg which may occur at any moment. I believe that Hitler has strung out his battle line too far, and that when he attempts his invasion of England he may over play his hand. It is possible or even probable that his forces may gain a foot-hold, but from lack of supplies and from the resistance of the population the job may be more difficult and dangerous than Hitler imagines now.

One of the latest measures put into effect in Britain empowers the government to conscript the labor of everyone in the United Kingdom, besides their property, when necessary, in order to more effectively prosecute the war. A drive is also under way to round up foreigners who may be fifth columnists or spies. Several thousand alien women have been segregated on the Isle of Man for the war's duration. Prominent Britishers of Fascist sympathizers are in prison. In Ireland President de Valera da literature or an any way has been also rounding up dangerous foreigners, and at least one German parachutist has been apprehended. The Communists to keep them from danger of an entrance into England through Ireland is warning has been issued against realized. De Valera told the Irish people that by aiding Germany another revolution may many against the hated English they would lost the free-dom for which they had struggled for 200 years and merely swap masters. Recent deliveries of American made bombing planes to the Allies have been made, it is reported, by flying them across the Atlantic.

There will be when published 358 Chapters in the general laws, this being 41 Chapters less than were enacted by the 1938 session of the legislature. The 1940 session began on January 2, 1940 and ended May 13, 1940. The 1938 Regular Session convened on January 4, 1938 and ended Wednesday, April 13, 1940.

appropriations for armaments which are going through there is important legislation being adopted against aliens and communists.

All aliens must now register and be finger-printed. Factory owners must not employ more than 10 per cent of alien labor. It will be a penitentiary offense to distribute foreign propaganda. The Communists to keep them from danger of an entrance into Germany another revolution may take place with the election there this summer. Uncle Sam is waking up to the truth of the reports made by Martin Dies of Texas and the Dies committee investigating Communist and Nazi activities in this country. ## BURNSVILLE NEWS

Everybody in this community  
seems to like fishing. Those  
who enjoy it go to the Pickwick  
Dam reservoir or thereabouts,  
and most of the fishermen have  
good luck. Perhaps that's why  
they go back.

So far as I know, everyone is  
in fairly good health. An ep-  
idemic of German measles was  
short lived.

Rev. George Tucker has been  
holding a series of meetings at  
the Burnsville School Building.  
The usual singing was held  
there last Sunday night in con-  
nection with the preaching  
services. A large crowd attend-  
ed, and a large representation  
from Cross Roads was present  
to help sing.

Several people have been at-  
tending the tent revival in  
Corinth where Gipsy Smith, Jr.  
is doing the preaching.

The Second Woman's Mission-  
ary Zone meeting of the year  
met at Harmony Methodist  
church northwest of Iuka last  
Friday, May 24. Those from  
Burnsville, who attended were

Mrs. John Marlar, Mrs. Victor  
White, Mrs. Olen Nixon, Mrs.  
Jim Collins and Misses Ollie Mae  
Gray and Louise Ford. Two  
splendid programs (and an  
equally splendid dinner) were  
enjoyed by every one there.

Master Harold Franklin of  
Little Rock, Ark., is visiting his  
grandmother, Mrs. Ollie Gray,  
here in Burnsville.

Miss Sara Frances Ford is  
visiting her aunt, Mrs. Julia  
Skelton, in the Pleasant Ridge  
community.

Mr. Alvin Marlar celebrated  
his 17th birthday with a party  
and hayride Friday night with  
his friends.

Miss Maggie Huff of Glens,  
is staying a while with her  
aunt, Mrs. Paul Ford.

Mr. and Mrs. Thaddeus Keith  
are the parents of a baby boy,  
born May 22.

Married: Miss Juanita Hon-  
eycutt to Mr. Hoyt Robinson,  
Saturday, May 25th. We wish  
them a long and happy mar-  
riage.

Recreation.  
Under the leadership of Re-  
creation Director, Evelyn Gray, day.

a tennis tournament was held  
the Burnsville tennis court  
beginning Friday, May 24. There  
were 17 boys and 8 girls  
participated in the match.  
Howard Gray was the winner  
of the boys singles and  
Smith, second winner. In  
girls singles, Eunice White  
winner and Wanda Ford  
second winner.

This was one of the  
events planned on the recre-  
ation program for W.P.A. "This  
Pays Your Community Work"  
I, as many others, can say  
the tennis court affords  
enjoyment for our young  
and keeps them well employ-  
ed during their leisure hours.  
quilting party was held Tu-  
esday at the Recreation room,  
and the tennis tournament  
stituted two main events in  
recreation program for  
week.

The young people of  
Methodist church have  
organized an Epworth League.  
Everyone is invited to at-  
tend its regular meetings each  
week. —Rep.

## "Build-Up" Good News For Suffering Women

Much of women's periodic distress may be unnecessary!

Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of functional dysmenorrhea due to malnutrition are helped by CARDUI.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. Thus it often aids digestion; helps build strength, energy, resistance to periodic disturbances.

Others find help for periodic discomfort this way: Start a few days before and take CARDUI until "the time" has passed. Women have used CARDUI more than 50 years.
