EVANGELISTIC MEETING AT BURNSVILLE

An evangelistic meeting began at Burnsville Christian church Sunday morning with Robert Stewart, son of Mr. and Mrs. W. A. Stewart of Corinth, Tenn., preaching, Mrs. Robert Stewart assisting with music and Bill Huie of Newbern, Tenn., directing the singing. Services are to be held each night at 8 o'clock through next week. This trio of young people are attacking the problems of sin and spiritual decadence with the typical enthusiasm of youth and much good is expected to be accomplished by the campaign.

Topics announced as among those to be considered by the evangelist are "Evangelize or Die," "Christian Salt," "The Rivers of Damascus," "Net Dragers," "The Church," "Hell," "The Plan of Salvation," "The Three Important Musts," "The Name Christian," "Christian Unity."

THE W.P.A. ADULT EDUCATION PROGRAM

Several things are being accomplished through the Adult Education Program now being sponsored by the State Department of Education with County Superintendents acting as co-sponsors.

First: It is estimated that about 60,000 adults in Mississippi have been taught to read and write since this work started and the number is constantly increasing. If this were all, the value would be hard to estimate but this is not all.

Second: A number of boys and girls who dropped out of school and went to work before finishing high school have completed their high school courses under these teachers and received their diplomas.

Third: Classes in General Education have been organized in which practical courses are offered in English, Arithmetic, History, and other subjects in which the members are interested and for which a need is felt.

Fourth: Thousands of our people have enrolled in classes in soil conservation, home improvement and beautification and other phases of home-making, Parent Education, Child Care and Training, Public Affairs, Citizenship, Community Building, and other subjects too numerous to mention, but important.

It is beginning to dawn upon the minds of our educational leaders and the public generally that we must have a system of public education that will give our people a chance to learn what they want and need to learn when they see the need of it.

It is believed now that this will be more economical, when it becomes established, than our present system.

All our public school teachers should take an active interest in this program because, in spite of the millions that are being spent on public education, the 1930 census showed 200,000 people in Mississippi who could not read and write and there are many thousands besides at a very low educational level.

The Adult Educational Program is trying to take up where the public school left off and carry on. All citizens who are interested in the future of this country should be active in it as history proves the only hope for a Democracy to endure is an educated citizenship.

ANNUAL SINGING

The annual all day singing will be held at Snowdown church the First Sunday in July. All good singers and everyone in invited.

BURNSVILLE NEWS

Whooping cough is raging here, and a good many are in the throes of the disease now.

Miss Grace McMasters was pretty badly injured Saturday night, enroute to her grandmother's home near Burnsville, when she was thrown from a truck which stopped too suddenly.

Miss Ollie Mae Gray visited in Bishop, Ala., last week in the home of Mrs. L. O. Bishop.

Louise Ford returned Friday from Algoma, where she had stopped to visit on her way home from the Pastors' Training School, Wood Junior College, Mathiston, Miss. Her sister, Sara Frances, returned to Algoma with Rev. T. G. Lowrey and family to spend several weeks this summer.

A Rev. Williams from Union University, Jackson, Tenn., filled Bro. Hammond's regular appointment at the Baptist church Sunday and Sunday night.

The Sunbeam Band of Burnsville Baptist church went to Belmont Monday with Mrs. A. H. Montgomery, to be represented in a county young peoples program.

Miss Bertha Lambert left Sunday morning for Jackson, Miss., to visit her sister, Mrs. Horace Richardson.

The sunshine is very welcome after a week or more of rain, even though it is very warm now.

MEETING OF HIGHLAND HOME DEMONSTRATION CLUB

The Highland Home Demonstration Club had its regular monthly meeting in the home of Mrs. Austin Page with Mrs. Mildred Smith as co-hostess.

During the business session the following activities were discussed:

Roll Call: Answered with some stain the member would like to know how to remove.

Reading of Minutes.

The Club was glad to welcome one member, Mrs. Erwin Hutchins.

Plans were made for the members to attend Farm and Home Week which will be held at State College, July 29—August 2nd.

Members of the various clubs pieced and quilted a quilt. The proceeds will go to help pay the way of a delegate from the County Council of Tishomingo County to the National Council to be held this fall.

The program consisted of the following numbers:

Devotional—Mrs. Mildred Smith.

Song: "Carry Me Back to Old Virginia."

"The American Family's Responsibility In Maintaining Peace In America"—Miss Cecelia Stormont.

Scoring of Clothing: New Dress Day was observed with the following members wearing a new cotton dress:

1. Heavy General Purpose Dress—Mrs. L. F. Clark, Mrs. Austin Page, Miss Cecelia Stormont.

2. Sheer General Purpose Dress—Mrs. D. M. Buchanan, Mrs. W. D. Page, Mrs. Mildred Smith, Mrs. W. S. Stormont, Miss Ethel Stormont.

3. Old Style Dress—Miss Cecelia Stormont.

The Recreation Leader, Mrs. L. F. Clark, had several interesting games and contests during the social period.

Mrs. Page and Mrs. Smith served lovely refreshments to the members of the club.

Mrs. W. D. Page will serve as hostess for the July meeting which will be held in the form of a Club picnic.

ATTENTION

TO ALL FARMERS IN TISHOMINGO COUNTY:

Dear Friends:

The world is facing a serious food shortage due to the fact that the man power of Europe and Great Britain is engaged in battle and in the manufacture of war materials. THE SOUTHERN FARMER IS FACING LOW PRICED COTTON AND HIGH PRICED FOOD AND FEED.

The cotton situation does not look good at all as all indications point to a small export market for cotton. The money spent by European and other countries will be spent for food, feed and war material.

This existing condition puts the cotton farmer in a tough spot, as the price of the products he has for sale will likely be low and the price of things he has to buy will be high.

WHAT CAN WE DO? ANSWER: PLENTY.

Produce and save more food and feed.

HOW?

1. By putting all idle acres into food and feed crops.
 2. By applying additional fertilizer to food and feed crops already planted.
 3. Maintain a good year-round home garden. Grow and save all the sweet and Irish potatoes practical.
 4. Save Seed! Save feed! can, preserve, and save by other means, fruits, vegetables, meats, etc.
 5. Save planting seed, lespedeza, soybeans, peas, bur clover, rye, oats, and any other planting seed grown.
 6. Look to your pigs, chickens and milch cows, make your living at home.
 7. Clip the weeds from your lespedeza, and pasture so that you will get more and better hay and better grazing.
 8. Fertilize your pasture.
- Friends you can fight this crisis best by living at home. The time to start is NOW.

The world and your country needs your every effort in meeting this situation. Let us give then the best that we have.

With best wishes, I am Yours very truly,
Henry L. Jones, County Agent.

NOTES FROM THE HOME AGENT'S OFFICE

Any one interested in making an application for a mattress may file an application in the office of the Home Agent by Friday, June 28th. Mattress Making Centers will be located in each district and will open soon as the cotton is received.

1608 applications have been made and filed for the Mattress program.

Mr. Henry L. Jones, County Agent and Mr. T. R. McCune, Assistant County Agent, assisted the Home Agent in scoring the gardens of the Garden Leaders in Home Demonstration Clubs during the past week. The Leaders were commended on the splendid work accomplished, by having the Year-Round Garden, growing a large number of different vegetables for the family and assisting neighbors with their garden problems.

The following Leader's gardens were visited:

Mrs. E. W. Coker, Burnsville Club; Miss Eva Ward, Dennis Club; Miss Josie Dean, Harmony Club; Mrs. Austin Page, Highland Club; Mrs. Ola Starkey, Midway Club; Mrs. Reba Thorne, Mingo Club; Mrs. Willard Crane, Paden Club; Mrs. W. E. Kirk, Rocky Springs Club; Mrs. B. A. Bugg, Short Club; Mrs. Lillie Murphy, Snowdown Club; Mrs. G. C. Montgomery, South Tishomingo Club.

GARDEN NOTES FOR JUNE

June planting depends upon available moisture. If soil conditions are favorable, clear the rows of short-lived vegetables by removing old English pea vines, mustard, lettuce and spinach plants and rework the soil in these rows for replanting. These rows can be replanted with crowder or black-eyed peas, corn, pole string beans, pole lima beans, tomato plants, or sweet potato plants. If the garden is large and the ground now occupied by short-

lived vegetables is not needed for June plantings, the rows should be cleared regardless and the ground kept in a fallowed condition during the summer. This practice aids in insects control and offers an excellent site for the fall garden plantings.

DISEASE CONTROL

Sanitation, use of disease-free seed, disease resistant, and following recommended cultural practices to secure vigorous growth of plants, are the primary essentials of disease control in the garden.

Diseased and badly infested plants should be pulled up promptly and destroyed, to prevent the spread of disease. The thorough cleaning up of old plants and trash in the garden during winter may help greatly in reducing both disease and insect troubles.

DOSKIE NEWS

Health is very good at this writing, except a few cases of German measles.

Miss Elaine Gann spent Tuesday with Miss Christine Tucker. Miss Winnie Morris spent last Saturday night with her sister, Mrs. Leona Fields.

Mrs. L. M. Gann and granddaughter visited Mr. and Mrs. Edd Roberts Sunday night.

Miss Pearl Gray and Mrs. Gladys White spent Saturday afternoon with Mrs. Oliver Conway.

Everyone is invited to attend the ice cream supper at Doskie Saturday night, June 22nd.

ROSE, THOU FLOW'R OF SONG

O Flow'r of song, bloom on,
Thou Rose, the star of Earth,
On each day a blossom born
Brilliant hopes, woven in mirth,

II

Fleeting birds pause to greet thee
Thy waxen beauty calls each one,
Joyful or tearful days to me
Thou art brighter ere the setting sun.

III

Thou makest sweet the month of May,
Thy fragrance, a breath of Spring,
Earth is happier with each day
As you, a loving message bring.

IIII

Thy purity is like Heaven to me
For thee, my weary soul doth pine,
Come, stay forever a prayer to be
Lovely Rose, my heart is thine.

FARM LOAN ASSOCIATION TO MEET JUNE 28

The members of the Pickwick National Farm Loan Association from all parts of Alcorn and Tishomingo Counties, their wives and guests, will attend the association's annual share holders' meeting which will be held in the Court House at Corinth, Mississippi, on Friday, June 28, 1940, 10 A. M., according to announcement made this week by C. B. Brakenridge, Secretary-Treasurer of the association.

Members and their guests will hear complete reports of operation which will include the financial statement of assets and liabilities, and the operating statement of income and expense. The present condition

of loans outstanding will be discussed. Members will also vote for two directors to fill three-year terms on the board of directors. This board, which is composed of five members, is responsible for the management of the association. From among the members of the board are elected, by the directors, the president and vice-president. Particular emphasis is placed upon the importance of member-farmers bringing their wives and families to the meeting.

"Because farming is a business in which every member of the family should have a vital and active interest, it is our hope that all of the members of the Pickwick Association will bring their families to this meeting and give them an opportunity to learn more about this cooperative credit system which has made possible long term, low-cost, farm mortgage loans."

Chevrolet Builds 700,000th 1940 Model

Keeping pace with a demand which, since announcement of the 1940 models, has resulted in a new all-time sales record for any corresponding period in Chevrolet

history, that division of General Motors recently built the 700,000th of these models. The event took place less than a month after production of No. 600,000.

Fine Medicine Enjoys Great Sales

Eighteen years ago Mr. Nash began manufacturing a medicine for temporary Constipation, Biliousness caused by unbalanced diet and the most prevalent type of Malaria in the Southern United States. He named his formula Nash's C. & L. Tonic and Laxative.

At that time Mr. Nash had money to advertise but due to his many years of experience he made such a good medicine that his satisfied users became his best advertisers. Last year nearly a million bottles were sold on his personal guarantee

and only an average of one bottle in each nine hundred was returned for refund.

If you have no organic trouble but suffer from either of these ailments Mr. Nash urges that you try Nash's C. & L. and if you are not satisfied your druggist is authorized to refund every cent you have paid. Give Nash's C. & L. Tonic and Laxative a chance to help you. Price 50 cents.

Mississippi State Leaders Coming

DR. JOHN LOCKE NINO BOLOGNA W. O. STONE

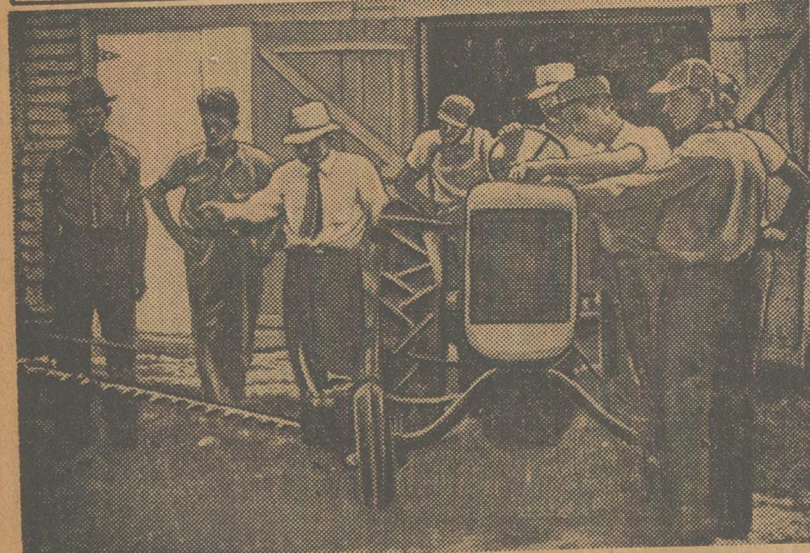

State College, Miss., June 19. (Special to The Vidette)—Prospective college students from Iuka and Tishomingo County will be interviewed by representatives of Mississippi State College at 1:00 o'clock Monday afternoon, June 24, in the office of the County Superintendent of Education, it has been announced by Dr. G. D. Humphrey of the College.

The College's representatives will be W. O. Stone, secretary of the State Alumni Association, Dr. John F. Locke, associate professor of botany, and Nino Bologna, president-elect of the 1940-41 student association.

These men are thoroughly familiar with the procedures of the College and the affairs of the student body, making it possible for interested high school and junior college graduates to obtain desired information without making a trip to State College.

President Humphrey arranged the state-wide tour in order to acquaint prospective students and their parents with the courses of study offered at Mississippi State College, finances, room reservations, filing of entrance credits, and the procedure of registration for the 1940-41 school term.

4-H Club Organizations Offer Training for Farm Boys

A real record of service to the South has been set by the 4-H Clubs in recent years. Typical of the work done by them are the activities shown in the motion picture "The New South," now being released in Southern states by the distributors of Arcadian Nitrate.

The 4-H Clubs were organized to help rural girls and boys do something worth-while in homemaking and agriculture, and to develop into wholesome, worthy men and women. The four H's in the club insignia are: My Head to clearer thinking; my Heart to greater loyalty; my Hands to larger service; my Health to better living for my Club, my Community, and my Country.

The 4-H Clubs are a part of the

nation's agricultural extension service, promoted by the United States Department of Agriculture, county governments, and rural people.

For the girls, homemaking activity includes garden work, canning garden surplus, preparing healthful meals, and home economy. Agricultural work takes in the growing of an acre of cotton, corn or other product under supervision of the local leader, marketing, and breeding and care of livestock.

Other work includes the development of local leadership, attendance at the 4-H Club Camp in Washington, recreation in the form of hikes, nature study, and music and art appreciation.

COUNTY SCHOOL NEWS

By O. C. Oaks

The annual reports to the State Department of Education have been completed and show some interesting figures. Despite the fact that it is generally believed that girls are more interested in school than boys, the following figures tell a different story for the boys of this county:

In the elementary grades, first through third there were enrolled 944 boys, and 867 girls the boys making an average daily attendance of 660 as against 507 for the girls.

The enrollment of grades from four to eight for boys was 966 and for girls 936. The average daily attendance for boys was 748, for girls 739.

In high school the figures were reversed. Enrollment for boys 276, for girls 324. Average daily attendance was 222 boys, 273 girls.

Total for all grades combined was boys 2,186, girls 2,127, with average daily attendance for boys 1630 and for girls 1619.

The following are names of pupils who had perfect attendance records in the consolidated schools that had terms of eight months during session of 1939-1940:

CLUB MEETS

The regular Chatterbox Club meeting was held in the home of Miss Frances Hampton on June 6th.

The program was composed of articles on Etiquette. Each week some form of study is made on this subject.

The group plans to have a club house in which to have meetings in about two weeks.

Before the meeting adjourned the hostess served refreshments to thirteen members and guests.

Miss Lottie Jean Lomenick will entertain the club Thursday night with a lawn party, immediately after the business session.

"Build-Up" Important Protector of Women

A weak, undernourished condition often enables functional dysmenorrhea to get a foothold; thus leads to much of woman's suffering from headaches, nervousness, and other periodic discomfort.

CARDUI'S principal help for such distress comes from the way it usually stimulates appetite; increases flow of gastric juice; thus aids digestion; helps build energy, strength, physical resistance to periodic pain for many.

Another way, many women find help for periodic distress: Take CARDUI a few days before and during "the time." Women have used CARDUI for more than 50 years!

A Gentle Laxative Good For Children

Most any child who takes this tasty laxative once will welcome it the next time he's constipated and it has him headachy, cross, listless, with bad breath, coated tongue or little appetite.

Syrup of Black-Draught is a tasty liquid companion to the famous BLACK-DRAUGHT. The principal ingredient is the same in both products; helps impart tone to lazy bowel muscles.

The Syrup's flavor appeals to most children, and, given by the simple directions, its action is usually gentle, but thorough. Remember Syrup of Black-Draught next time. Two sizes: 50c and 25c.
