PIONEER IUKA CITIZEN RETURN FROM BUSINESS

33 Years Uninterrupted Service With One Organization

Formerly Associated With The Vidette

Granville Dudley, a beloved pioneer citizen of Iuka, has tendered his resignation with Gray & Dudley Company of Nashville. Thirty-three years of uninterrupted service with this organization is indeed a splendid tribute to a successful career of this fine gentleman. Granville, as he is known by his many friends, expects to spend his retirement quietly at his home here among his friends in Iuka and Tishomingo County.

His health precipitated his retirement November 1, 1949. He has just returned from a week spent in Sikeston, Missouri, visiting relatives.

Prior to his connection with Gray & Dudley, Granville was secretary and president of the Iuka Harness Company and from 1895 to 1903 he was associated with his father, G. W. Dudley in the publication of The Vidette.

At that time The Vidette was published on the old-time Washington press, with a small jobber with foot power, which was used for job printing purposes. Later a gasoline engine was added bringing the equipment up

CORN QUEEN SELECTED

Janet Warren, daughter of Mr. and Mrs. E. R. Warren of Golden, has been selected as Tishomingo County 4-H Club Corn Queen.

To be eligible for this contest one must have an outstanding 4-H Club record, a good personality and good looks. The contestant from each county will go to Miss. State College on Dec. 16th and the winner will be selected for the State 4-H Club Corn Queen.

HARRY McKINNEY

Harry McKinney, aged 54, died at his home near Iuka, last Wednesday afternoon. Mr. McKinney formerly ran the Coffee Cup Cafe in Iuka.

Funeral services were conducted by Rev. J. H. Holder and Rev. Dick Bonds, of Sheffield, on Friday afternoon at Snowdown, with a large crowd attending. Burial was also at Snowdown.

to date for that day.

The policy of The Vidette then, as now, was to publish the news impartially and accurately as possible.

The Vidette came into being some time during 1894 when Mr. T. B. Dudley was editor and publisher, succeeding the "Iuka News" formerly published by Mr. J. J. Chambers. During this year the name of the paper was changed to The Vidette by Mr. Dudley's father, G. W. Dudley.

If You Are 85, 45 or 3, Hadacol Helps All Ages

HADACOL is good for all ages, bringing five of nature's B vitamins and important minerals to the young and old alike. Recently the HADACOL folks received the good news that among the count-

less thousands who had been benefited by HADACOL were a lady of 85, a man of 45 who felt like he was 18, and a beautiful little girl only three years old.

Mrs. Edmond Doucet, of Church Point, La., is 85 years old, having thousands of friends in the picturesque Evangeline section of Louisiana where she was born and has spent all of her life. These friends are happy to know that Mrs. Doucet feels better now than at any time in twenty years and gives the credit to HADACOL.

"I had been sick for almost two years and was suffering with gastric disturbances and bloating. I was run down, had lost weight and had to stay in bed most of the time. I lost courage and felt that there was no hope for me."

Mrs. Doucet had tried many preparations without apparent beneficial results when she heard the glorious news about HADACOL.

"After taking several bottles of HADACOL, I felt like a new person," said Mrs. Doucet. "I eat anything I want without ill effects and sleep well. I feel much better."

Joanville Dugas, of Route 1, Box 101 B, Carencro, La., is a successful farmer who had worked early and late at all kinds of hard work and it wasn't so long ago that he wondered if he would ever be able to work that way again. He had tried many medicines, but felt no better.

"I had all kinds of stomach disturbances," said Mr. Dugas. "My stomach was so bloated that it felt like it would swell up and burst. I suffered with gastric disturbances, heartburn and was run down and suffered with headaches and I couldn't sleep at night. I was so drawn and pale that my friends had difficulty in recognizing me. After the third bottle of

HADACOL I felt a real improvement and after the twelfth bottle of HADACOL I felt like I was 18 instead of 45. I am feeling perfectly well."

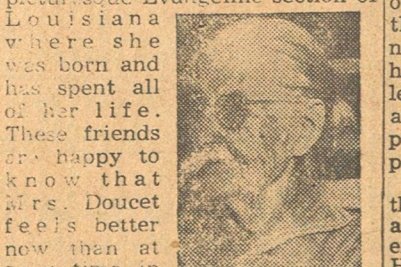

"My three year old daughter, Joan, had lost her appetite," said Mr. Dugas. "Her cheeks were pale and she cried often. I started giving Joan HADACOL and after three of the large economy size bottles she is now healthy, has an excellent appetite and her disposition is perfect."

All three of these people were suffering from a lack of B vitamins and the minerals which HADACOL contains. HADACOL comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away. It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

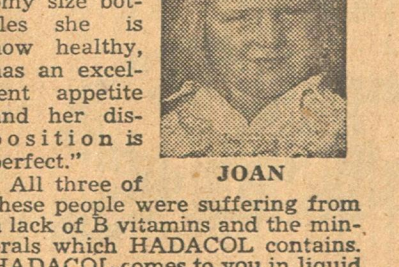

A lack of only a small amount of B vitamins and certain minerals will cause digestive disturbances. . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from heartburn, gas pains and your food will sour on your stomach and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of lack of B vitamins and minerals which HADACOL contains. And if you suffer from such a deficiency disorder, there is no known cure except the administration of the vitamins and minerals which your system lacks.

It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

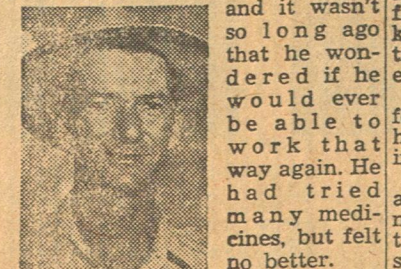

So it matters not how old you are or who you are. . . . it matters not where you live or if you have tried all the medicines under the sun, give this wonderful preparation, HADACOL, a trial. Don't go on suffering. Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives because HADACOL supplied the vitamins and minerals which their systems needed. Be fair to yourself. Temporary relief is not enough for you. Give HADACOL a trial!—Adv.

MARY LOUISE REPULT

Mary Louise Repult, vivacious young lyric coloratura of Memphis, Tennessee, will be presented in concert on Dec. 5, 1949 at the Howard Memorial Auditorium under the auspices of the Twentieth Club.

She interprets with equal finesse selections as different from one another as Italian art songs, songs from Gilbert and Sullivan operettas, and the dramatic arias from "Carmen."

Already a veteran of radio and the concert stage, Mary Louise Repult, lyric-coloratura of Young Artists Concerts, is gifted with a beautiful voice which is further enhanced by her charming and vivacious personality.

This young Memphis artist had Jerome Robertson as her only vocal teacher for seven years. During those seven years, Miss Repult was the winner of several important awards and auditions.

Foremost among these was the winning of first place on National Broadcasting Company's radio program "The Big Break," a talent search program, which resulted in a year's operatic coaching in New York with Dick Marzollo, prominent coach-conductor formerly of La Scala, Milan, Italy and an audition with Wilfred Pelleties of the Metropolitan Opera. Another gratifying honor came when she was chosen one of the three winners in nationwide vocal contest sponsored by the producers of the motion picture "Carnegie Hall."

In this contest, Miss Repult was judged by Rise Stevens and Ezio Pinza, famous concert and opera singers.

Miss Repult has been presented in concert in New York City as well as numerous cities here in the South. She also appeared in joint concert in 1948, representing Tennessee in the National Music Festival auditions sponsored by the Associated Concert Bureau of New York at Carnegie Hall. She was cast as the delightful "Yum-Yum" in the "Mikado" presented by the Memphis Open Air Theater during its 1949 summer season, and has been chosen to sing the role of Micaela in Mr. Ernest Hawke's production of the opera "Carmen" which will be performed at Ellis Auditorium in the spring of 1950.

Personals

Mr. and Mrs. O. C. Pruitt's guests during the holidays were Mr. and Mrs. Fletcher Oaks and family of Tuscumbia.

Iuka was well represented Saturday at the Ole Miss - State game. Such a large crowd attended it would be difficult to give a complete list of names. Everyone seemed to have a good time, in spite of the fact it was a rather one-sided game.

Mr. and Mrs. Carey Thorne left Monday for Coral Gables, Florida, where they plan to spend the winter months.

Mrs. Mary Burns and Mrs. Harry Rhine spent Sunday in Jackson, Tenn., with Mr. and Mrs. J. J. Jaco.

Several from Iuka were shoppers in Memphis Friday, Mrs. J. D. Finch and Barry Finch, Mr. and Mrs. Carlton Woodley and Margaret June, Mr. and Mrs. Jim Jourdan, Betty Jourdan, Mrs. Ruth McKnight and Mrs. Harris Carmichael and children.

Miss Juanita Thorne, who teaches in the University of Arkansas, spent the holidays with her parents, Mr. and Mrs. Carey Thorne.

Mrs. Roe Daniel and her sister, Mrs. Luther Owens, of Jacksonville, Fla., returned Sunday night from New Orleans where they had been with their sister, Mrs. Waldrep. Mrs. Waldrep, having undergone a serious operation, seemed to be doing as well as could be expected.

Guests in the home of Mr. and Mrs. J. H. Allen for the holidays were Mr. and Mrs. George Allen of Memphis and John Allen of Jackson.

Mr. and Mrs. Bill Boswell and children of Cleveland, Miss spent the week end with Rev. and Mrs. J. H. Holder.

Mr. and Mrs. Allen Beasley of Athens spent Thanksgiving with Mr. and Mrs. C. B. Reid.

Mr. Shed Hill Hunger of Winona, Miss., and Mr. and Holly Watson of Birmingham were week end guests of Mrs. Mollie Watson.

John William Vaughn, Senior at the University of Alabama, spent the week end with home folks.

Bruce Ellis of Waterloo, Alabama, native of Iuka, visited here last week.

Mrs. Irene Munday spent the week end in Tupelo in the home of Mr. and Mrs. Claude Clayton and children.

Miss Ruth Fletcher, Home Agent, spent the week end at her home near Kosciusko.

Mrs. Ruth Woodall Shab spent last week with her brother and sister Mr. and Mrs. Jim Woodall. She left Friday night

for Miami for a month, then on to Nassau for the winter where she will be employed at the Ft. Montague Hotel.

Mr. and Mrs. R. L. Bullard and Billie Bob of Florence spent the week end in Iuka.

Richard McCulley, Jr., who is employed by the Texas Oil Co., of Memphis, spent the week end with his parents, Mr. and Mrs. C. R. McCulley.

Mrs. A. E. Bostick was carried to Campbell's Clinic Friday and is reported to still have considerable pain in her knee and leg. She is expected to remain in the Clinic all week.

We were glad to receive a letter from Mrs. R. J. Brown this week. She stated, "I am enjoying the Florida sunshine, poinsettia's blooming, grapefruits and tangerines hanging on trees in the yard, but with all this and the hospitality and friendliness of Floridians, I can not forget for even a day my good friends at home and cannot do without the Vidette." It is good to hear from Mrs. Brown.

Mr. and Mrs. A. B. Jones, of Memphis spent Sunday with Mr. and Mrs. Fred Gallagher.

Mr. Julian Bayless of Shreveport, La., visited in the home of Mrs. Charles Daugherty and Mrs. Charles Hampton.

Mr. and Mrs. Earl Dougherty and little daughter, Edna Earl, of Birmingham, spent the week end with Mr. and Mrs. D. C. Dougherty and family.

Mr. and Mrs. Hays Woods and Wayne visited in their home in Phobe, Miss., over the week end.

Many of the college students were home for the holidays: Betty Jourdan, Olen Jourdan, Sonny Gray, Gus Brown, James Harry Graham, Mr. and Mrs. Lloyd Stormont, Mr. and Mrs. Lowell Grisham, from Ole Miss, Jackie Roane from Vanderbilt, Willie Ann Johnson from MSCW, Billie and James Deaton of Florence State Teachers College.

Mr. Marvell Wheeler, of Miami visited in the home of his sister, Mrs. B. L. Mohon and family this week.

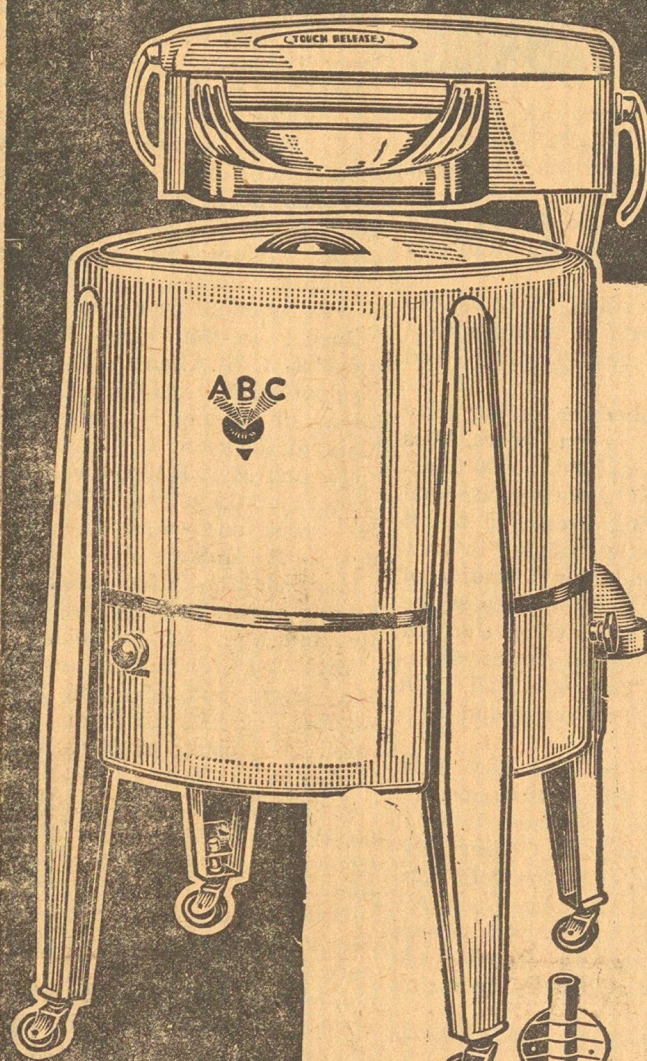

Miss Catherine Pennell was hostess to a lovely turkey dinner Thanksgiving Day. Those entertained were Dorothy Randle, Dorothy Deaton Williams, James and Billy Deaton. They spent the afternoon visiting Shiloh National Park and Pickwick Dam.

Pencilings ALONG THE WAY

by Howard R. Smith

Franklin, Texas—Winter seems to be just around the corner out here on the farm.

There's fire in the fireplace, but not a big one. Just enough to take the bite out of the zippy morning air. The leaves are now contributing to Nature's choicest "art" exhibit. The marvelous coloring of "Indian summer" foliage and the zesty atmosphere needs no words of description from this typewriter.

There's a tranquil serenity and beauty about it all that is beyond description. You have to feel it first hand to properly appreciate it.

My recent trip took me into 14 states and the District of Columbia. It included a week in Washington and a couple of days in New York City. All the more reasons for finding new and deeper enjoyment out here on the farm.

I can agree with my friend, Clayton Rand who recently remarked in his daily newspaper article that those who spend very much time in Washington, D. C., or New York City must become just a bit abnormal. He commented that there are more communists per thousand of total population in New York City than anywhere else in America.

The "artificial palaces of civilization" tend to lead men not more toward God, but unfortunately, in the opposite direction.

Therefore, in the world's largest city, we have more Godless Communists per city block than anywhere else in the nation.

If those disgruntled and misled victims of alien isms could be dispersed into rural environs it might be good for a lot of them, and also good for the country.

I like big cities. And I also like small towns...but for real living and a closer walk with my Creator, just give me a quiet place out on the rural free delivery circuit.

All Needs Supplied

Out here in the country where God's fresh air seems to have a distinct purity, and where honest labor is not lacking, men's basic needs are supplied in abundance.

Which reminds me of the favorite scripture of my former pastor, the late Dr. George W. Truett. One day in April, 1929, when I was a student in Baylor University I asked Dr. Truett to autograph my Bible and inscribe his favorite verse from his favorite Book.

Underneath his name he wrote Philippians 4:19: "But my God shall supply all your needs according to his riches in glory by Christ Jesus."

That's a powerful verse.

It promises fulfillment of all man's needs... not just a portion.

You may overdraw your bank account. But you can never exhaust the resources from that Bank Account mentioned in the above passage. His "riches in glory" is everlasting and all sufficient.

And it's availability is likewise unlimited. It's yours for the asking, no matter what your color or condition.

HOSPITAL TO BE DEDICATED

The new Northeast Mississippi Hospital, located at Booneville will be dedicated on December 1. Dr. Henry Bosfew, superintendent of Mississippi State Sanatorium and vice-chairman of the Mississippi Commission on Hospital Care, will be the principal speaker. Gov. Fielding Wright and J. O. Slaughter, chairman of the hospital commission are also scheduled to appear on the dedicatory program. The hospital program. The hospital is among the first to be constructed under the Hill-Burton Hospital Act, and was built at a cost of \$600,000.

LAW INSTITUTION TO BE HELD

The fourth annual Mississippi Law Institute will be held in Jackson on December 2 and 3.

Court procedure will be featured at the meeting. Principal speaker will be Circuit Judge Charles E. Clark of New Haven, Conn., of the Second U. S. Court of Appeals. The sessions are co-sponsored by the Jackson Junior Bar Association and the University of Mississippi School of Law for all members of the Mississippi Bar.

Judge Clark will discuss "The New Look in Court Procedure." Former Dean of the Yale Law School, he is author of numerous books and articles on court procedure. Other speakers will include Chancellor Thomas Y. Minniece, Meridian; M. E. Johnston, Greenwood Attorney; and Chief Justice Harvey McGehee, Jackson.

DO YOU FIT YOUR JOB?

Several questions, the answers to which may help you determine your fitness for the job you are holding, are listed in December Reader's Digest article, condensed from Changing Times. Prepared by specialists in employment problems, the questions trouble, if any, lies with yourself, with the job or with your boss.

Typical questions are the following:

Do you talk about your job at home and with friends? If you don't chances are the you are not very interested in your work. If you pull your work into con-

versations you may be boring your friends—but you are proving that your job excites you.

Do you often daydream when you ought to be working? If so, your job may not be stimulating or challenging enough.

Do you sometimes think the boss picks on you? Usually when an employee thinks his employer or fellow workers don't appreciate him, his own attitude needs looking into.

Can you keep pace with your co-workers? If you outstrip the others without half trying, you can probably grow into a higher job and you should look for the opportunity.

How did you land your present job? If you drifted into it, or

took it because it was all you could get or because of the salary, then the odds are against its being the thing you are best fitted for.

Do you really know your organization and how your job fits into it? The man who understands his company's structure

and policies, and who can identify his little effort with the company's big one, is likely to be a satisfied employee.

Would you like to see your children follow you in the same work? If you decide that you would be proud to see them follow in your footsteps, then you are probably in the right job.

**Prophets
False & True**

Lesson for December 4, 1949

GOD is neither silent nor dead. He has his spokesmen today. We hear myriads of voices—preachers, teachers, editors, columnists, poets and politicians, all professing to tell us the truth. When a man claims to speak in the name of truth, is there any way by which his claim can be tested? It is an old problem.

Away back in Bible times every prophet had his rivals, the false prophets. The false were far more numerous, they often had immense prestige and government subsidies besides. How was the common man to tell the true prophets from the false?

Notion of Man or Word of God?

ONE DIFFERENCE between the true and false prophets, of course, was that the false ones passed out their own ideas, while the true ones gave voice to the ideas of God. Some of the false prophets even dug down into what we now call the subconscious, and told their dreams as if they meant something.

The false prophets of our own times are still the people who draw on their own minds, even on their day-dreams, to bring forth messages for the people. The gypsy dream-books are still with us. Astrologers flourish, and not always on the side streets. All sorts of queer cults profess to tell us what is coming next and what we ought to do.

Before we take a modern "prophet" seriously we should ask: Is what he is saying his own idea or God's idea? In this 20th century after Christ, it should be easier to know God's ideas are than it was 27 centuries ago in Jeremiah's time.

For now that Christ has come, we can safely check all the self-styled prophets with the message and the mind of Christ.

Is the voice of the people the voice of God?

THE FALSE PROPHETS were always popular, the true ones seldom. Mere unpopularity does not prove a man a true prophet; but you may be sure that if a man says only what people like to hear, always tickling the ears and feeding the pride of his listeners, he is no true spokesman for God.

Not that the true prophet is always insulting his hearers. The Lord's prophets often speak comforting and welcome words, to be sure. But a steady outpouring of soothing-syrup is not what we would expect from a genuine prophet.

Man is often most proud when he is most wrong; and then God has to sweep the man down. Don't take too seriously the men who merely reinforce your prejudices and shore up your pride; they are more likely false prophets than true. The voice of the people is not always the will of God.

Time is the Test

That great prophet Moses (Deut. 18) had already given a practical test of a true prophet: Does what he says turn out to be true? Can he really see into tomorrow? Alas, we may have to wait until tomorrow to find out for sure; but tomorrow always comes, and when it comes, the prophets of today will be shown up for what they are, true or false. Time is the test. Not, is it likely?

Truth and Right are Twins

PERHAPS the worst feature of the false prophets who were Jeremiah's competitors was their real immorality. "Their course is evil and their might is not right," he said (23:10, American translation). "They commit adultery and walk in lies, they strengthen the hands of evildoers so that no one turns from his evil ways" (v. 14).

God's spokesman can never also speak for the enemies of God. Whenever you hear anyone talking as if we could now get "beyond good and evil," or as if the Ten Commandments were something we had outgrown, then you may know you are listening to a false prophet.

There are no new commandments but the one which sums up all of them: Love one another. Prophets of hate, prophets of dissension, of lust, these may be speaking for themselves or for the devil—but not for God.

COUNTY AGENT NEWS

W. Keller, County Agent

You have plenty of fresh fruit during the growing season. Do your peaches rot before they start to ripen? Do your peaches rot before they start to ripen? Do your peaches rot before they start to ripen?

In recent years all your fruit trees have been stressed a live at program and a diversified program. Mississippi made great strides alone lines, yet very few farms well kept home orchard fresh and canned fruit about the year.

November is the best time to plant fruit trees. The trees will grow off much more than if set in the spring. Set in the winter will get in the ground and will grow roots during the winter. The trees will do better on the well drained soils while will do well on the loam soils in the valleys. Slightly fertile soils are better for fruit trees.

For poor economy to buy trees prior grade at bargain and it is not necessary to go to 1.50 for trees. Don't idea that the larger trees you further ahead with orchard program. Small trees will live and grow will cost less and are set and train the way at them to grow.

Warehouses at Iuka and have a supply of peach trees of leading variety good quality at 25c each. This is the time to get them.

When purchased and the trees should be heeled and the roots covered with drying out. Put fertilizer in the trees. Fill the holes top soil and set the about one inch deeper were in the nursery. are set on steep hill sides should be terraced first is set on the terraces and on. Set peaches 20 to part, and apples 25 to 30 ft. Trees that are kept turned can be set closer left to grow larger and mbs.

Work can be done any time until early spring. Pruning should be done putting on the dorray to save labor and material. Oil emulsion or sulphur are recommended for dormant spray to the dormant sprays put on in winter or at

least before the buds swell as these sprays are strong enough to burn foliage. Trees can be dusted in summer to keep worms out and to prevent brown rot. Fertilizing orchard pays well. Use one to ten pounds of nitrate fertilizer per tree according to the size of trees. Scatter the nitrate around the trees about as far out as the limbs extend and disk the fertilizer in lightly. Apply the fertilizer about three weeks before they bud out. An application of 5-10-5 will help on trees that are not growing vigorously. A small application soon after fruit is harvested will help, especially after a big fruit crop.

Mississippi farmers will share a portion of their produce, including desperately needed cotton, corn, milk, and other exportable items, with Europe's and Asia's hungry and destitute overseas. Goals of one and two train car loads of commodities have been set by Adams, Jefferson, Humphreys and Lawrence counties, with further reports indicating that many other counties will ship similar amounts according to W. E. Holcomb, state director for Mississippi.

Volunteer workers in approximately 70 counties now canvassing rural areas of the state, report a generous response from farmers to Mississippi's CROP campaign. Ministers of all denominations, farm and lay leaders are cooperating in the state program. Overseas, the food and fiber will be distributed by the church agency of the donor's choice to those most in need. Collecting and assembling of farm commodities for movement to ports, for shipment overseas, will get under way immediately, Director Holcomb said, and the first cars of CROP commodities from Mississippi will probably start rolling within the next few days.

Every effort is being made to get the first CROP contributions on the way overseas, due to the great need which will exist at the approach of winter. Because of this, counties will have cars as soon as they are filled. We hope that the folks in Tishomingo County are cooperating with their ministers in getting liberal amounts to send to the needy orphans of European Countries.

4-H CLUB NEWS

The Tishomingo 4-H Club, Sr. met on November 14th electing the following officers: David P. Rushing, president; Durward Gregory, vice-president; and William H. Osborn, secretary. The president appointed Harold Cosby as reporter for the club. The meeting was then turned

over to Mr. Marlin, who discussed the cotton acreage for 1949. He stressed the fact that farmers must turn to something other than cotton as a supplement cash crop. He said, "In Mississippi alone, farm income, next year, will be short about \$175,000,000.00 of the usual income." Continuing he said, "If this were equally divided among the farm families of Mississippi it would be \$765.00 per family. In Tishomingo County this year we had 21,000 acres of cotton. Next year it will probably be about 14,000 acres, or less. Hence 7,000 acres will be turned into something else."

Mr. Marlin suggest that farmers turn the 7,000 acres into improved permanent pastures and purchase a few good grade,

registered, dairy cattle. He says, "Every year \$80,000.00 is spent in Tishomingo County for milk that is produced outside of the county." If twenty men went into dairy farming and produced enough grade "A" milk to supply the people of Tishomingo County, who must buy their milk, this would mean an income of \$4,000 each annually. This is a question which deserves the attention of the farmers of Tishomingo County.
