

Highlights and Topics

By Bob Towery

Senator J. O. (Click) Clark is taking a much needed rest at his home in Iuka, after attending the special session of the legislature at Jackson in which he was chairman of the Highways and Highway Planning Committee. As chairman of this very important committee the Senator is to shoulder much responsibility and was the target for much criticism in all matters that were not agreeable to all concerned.

Naturally when a big problem such as was the Senator's to live and sell there was certain to be much discord. However, according to the authors of the resolutions published of the session and by those who opposed the program it showed that it was the opinion of that body at the report and the facts developed constitute an outstanding contribution to the public welfare and that it is of great value and worth to the state in establishing future policy to be followed with regard to the highway and rural road program of the state, both now and in the future.

It is the opinion of many of those who are in position to use that the special session was the only solution to the problem of going into the road program and the time and money expended thereon was certainly at a great profit to the state.

Mammoth Hosiery Mills Begin Production This Week

Plant Supervisor P. M. Arnold and Family Here From North Wales, Pa.

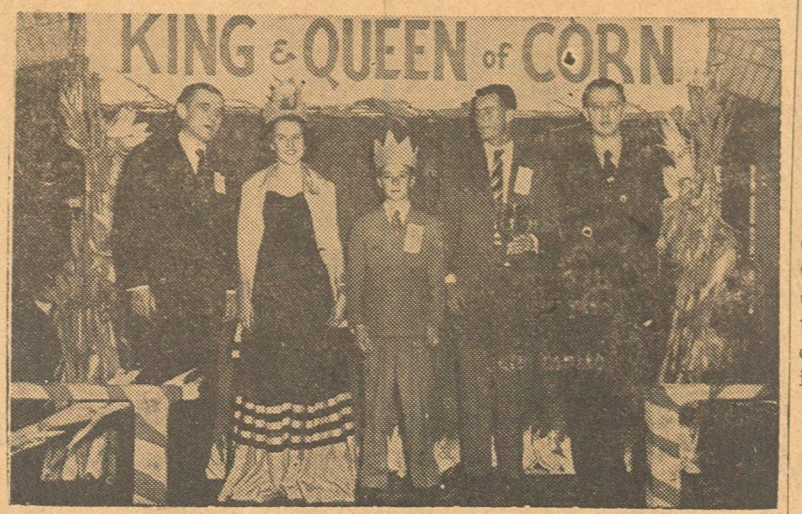

After many months of planning and preparation, the Mammoth Hosiery Mills, are setting up for operation at Iuka in the Stockholders Factory Building, formerly occupied by Magnolia Garment Factory.

The new hosiery mill is a Pennsylvania corporation and will operate under the superintendency of Peter M. Arnold of North Wales, Pennsylvania. Mr. Arnold has already moved his family to Iuka and is living in the John Farrell home in west Iuka.

The Mammoth Mills will use all local labor. Each employee will be trained in his particular type of work. The mill will make ladies Nylon hosiery exclusively, which will be of only the very best quality.

Beginning January 2nd the Mill will begin operations on a small scale and will increase production and employment as time and training permits.

Iuka is most fortunate in having this very large hosiery mill locate here at this time. Business leaders feel that it will create a local financial stimulant and prove of great value to the entire trade territory.

State College, Miss.—Crowning of a king and queen was the feature of the Second Annual meeting of the Mississippi One Hundred Bushel Club here Dec. 16th. Outstanding on the program were, from the left, Senator John C. Stennis; Joyce Nell McGraw, Bogue Chitto, queen; Clifton Earl Osborn, Tishomingo county, who won the junior corn king title by growing 168 bushels on one acre; Thomas R. Linebarger, Benton county, high producer of 178 one one-third bushels on one acre, and Leigh Watkins, Jackson, secretary, Mississippi Bankers Association, co-sponsor with Mississippi State College of this state corn program. A total of 575 farmers were awarded certificates for producing 100 more bushels of corn on a one-acre demonstration.

COURT WILL NOT BE HELD IN IUKA

Matters Pending Will Await August Court

The Tishomingo County, Circuit Court term originally scheduled to be held in Iuka starting Jan. 2, 1950 has been postponed by the Circuit Judge Raymond T. Jarvis by the order of the Board of Supervisors.

All matters pending will await the August, 1950 term of court.

DELTA SEES HOPE IN LOWLY SOYBEAN, FIRST MILL OPENS

The rich, cotton-growing Delta, feeling the effects of a short 1949 crop, has just taken another step toward freedom from King Cotton's rule, and this time it's the lowly soybean which is "muscling" in on the old sovereign's domain.

Many a small cotton farmer has been looking around for some time now for a new and more dependable crop for his rich but tricky land, and the soybean already is solving that problem for an adventurous few.

In 1948, for instance, the Delta harvested 1,463,750 bushels of soybeans from 73,000 acres, despite limited local markets. But interest in the bean has increased with epidemic like speed and 1949 may witness the heaviest acreage yet in this easy-to-raise, economical crop.

Optimism for the soybean's future has been most strongly manifested, however, by a group of citizens in Humphreys county, where an estimated 25,000 acres will be planted with the legume in 1950.

The Humphreys group backed up their belief in the future of the soybean by putting up hard cash for collection of the state's first soybean seed extraction plant.

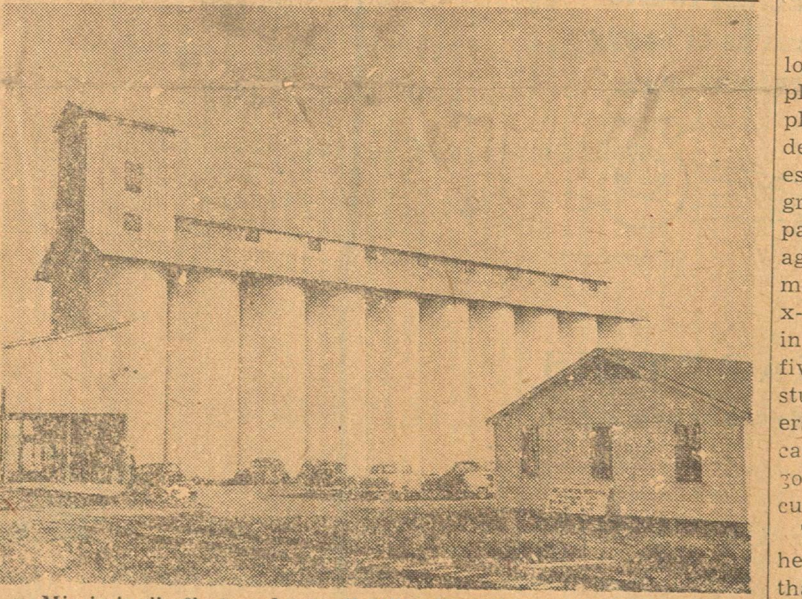

Located at Belzoni, the \$225,000 Belzoni Oil Works, Inc., which only recently went into operation, is capable of processing about 50 tons of soybeans per day. Twenty 10,000 bushel capacity elevators will provide storage space for about 200,000 bushels of beans. The mill expects to process around 600,000 bushels annually.

Today the producer is paid on the average of \$1.90 per bushel, right at the mill, for his crop, depending on current prices.

In the first stage of processing the bean is cracked and reduced to flakes, which then pass through a hexane solvent, very similar to cleaning fluid, which extracts all but about one per cent of the oil.

Each bushel of soybeans passing through the process will produce about 10 pounds of oil, which averages around 9 1/2 cents a pound. The Belzoni mill furnishes the oil to refining plants in Chattanooga, Atlanta, Memphis and at other points in the South.

Considered one of the best edible oils, it is used in the manufacture of soaps and paints and varnishes, the latter because of its quick drying qualities.

Mississippi's first soybean oil mill, the Belzoni Oil Works, Incorporated, at Belzoni, is capable of processing 50 tons of beans per day. Elevators shown above are capable of storing approximately 200,000 bushels. The corporation was formed and financed by Humphreys County citizens.

Biggest drawback to increased production right at this time is the government's crop allotment measure. However, Agent Hill says his county expects to have at least 25,000 acres planted in soybeans in 1950.

Belzoni's newest industry is typical of the type of processors needed throughout the state to provide ready markets for agricultural products and natural resources, according to W. E. Barksdale, director of the Mississippi Agricultural and Industrial Board.

"We are also particularly pleased to see establishment of such plants through private local financing," Mr. Barksdale said.

Organizers and officers of the Belzoni Oil Works, Inc., are J. A. Mortimer, president; Mr. Stoner, vice-president; Mr. Turner, secretary-treasurer; John Halbrook, director, and Mark Simmons, director.

A Humphreys county soybean producer arrives at the Belzoni Oil Works, Inc., with a load of beans for which he'll be paid on the spot. They will next be hoisted into the elevators, passed to a cracking plant and then subjected to a solvent bath which will extract the oil.

County Agent M. E. Hill says the average yield in Humphreys now will run around 20 bushels per acre, but that a 60-acre yield is possible. "The beans will grow on any soil that cotton will grow on," Hill says. "They like moisture and will thrive in buckshot soil" which when wet is not good for cotton.

Hill says soybeans do not respond to ammonia fertilizer, but are soil builders themselves, and may be turned under after harvesting. Usual harvesting time is in October, with plantings in the Spring and early summer.

Irby Turner of Belzoni, a well-known planter and secretary-treasurer of the new corporation, says that outside interest in the new oil mill has been unusually keen. "Hardly a day passes," Turner says, "that some delegation doesn't come by to inspect the mill and inquire about processing of the bean."

RURAL TELEPHONES FOR MISSISSIPPIANS SEEMS ASSURED

A full-scale rural telephone program in Mississippi seemed on the way this week as REA officials in Washington reported that 17 existing telephone companies in the state have applied for loans under the recently enacted Poage Bill.

The Poage measure provides low-interest government loans for rural telephones in a manner similar to the rural electrification program. There are 51 independent telephone companies, in addition to Southern Bell which concentrates in urban areas, in the state. The loans carry 2 per cent interest and are repayable in 35 years or less.

PADEN H. D. C. NEWS

The Paden Home Demonstration Club met Dec. 23rd in the home of Mrs. H. O. Timbes for their Christmas party. Eight members were present and three visitors, Mrs. Elizabeth McGill and daughter and Jeanette Clark.

The meeting opened with the group singing Christmas carols. Mrs. H. O. Timbes read a story of "The Littlest Angel." A prayer and story of the church was given by Mrs. J. C. Deaton.

The surprise package netted the treasury the sum of 80c. Everyone exchanged presents from under the Christmas tree.

The hostess served delicious refreshments, after which we adjourned to meet a month later in home home of Mrs. Calvin Butler.

Congratulations to Mr. and Mrs. Carlton Woodley on the remodeling of their home on Highway 72. In driving into Iuka from the east it is most impressive and I am sure that everyone locally shares with the Woodleys the pride of this beautiful old landmark with this modernized appearance.

TUBERCULOSIS

In the past 50 years tuberculosis has dropped from second place in causes of death to 7th place, however, tuberculosis is definitely still with us. It is estimated by a national study group that out of every 1,000 apparently well people over the age of fifteen years, eighteen or more will have tuberculosis. An x-ray study of 995 foodhandlers in an Indiana city showed thirty five cases of tuberculosis. X-ray studies on 800 Texas foodhandlers showed seventeen possible cases of tuberculosis. Tishomingo County has 63 cases of tuberculosis carried on its register.

The burden of tuberculosis is heavy and is paid in more ways than in dollars and cents. The death of a child from tuberculosis is not only the loss to society of a future productive citizen, but also is a loss of a loved one to his family. The death of a young mother from tuberculosis often requires the breaking-up of the family and an increase in the economical burden of the remainder of the family. The death of the head of the household from tuberculosis leaves the family without means of support and also leaves the children without the much needed guidance of a father.

The toll in misery and suffering from tuberculosis is very great in those who do not die. Beside from their loss of ability to work for worldly goods, they are a danger to those in contact with them and cannot take the proper part in a well-balanced society. The home care of these people is economically crippling to the family. The Sanatorium care imposes a heavy burden on the taxpayer as almost no individual can afford to pay the actual cost of the hospital care required for his care.

The solution to the problem of tuberculosis is more than just providing adequate hospitalization for the case of tuberculosis. Care must be provided for his or her uninfected family. They must have better than average food and housing if their already exposed lungs are to be protected from tuberculosis. The third division of tuberculosis control is research into new methods of treatment and new drugs. The National Tuberculosis Foundation has sponsored and provided funds for care of patients, protection of their families and particularly for research to try to find the answer for the future.

RONALD PITTS GETS 'LIFE' FOR SLAYING

Ronald Pitts, 18-year-old Jackson youth accused of slaying his girl friend's father, was sentenced to life imprisonment in Hinds County Circuit Court.

He was found guilty of slaying Perry W. Henderson, Jackson business executive and the father off Anna.

INSECTS RESISTING DDT AND OTHER SPRAYS, EXPERT SAYS

DDT and other new insect killers are becoming less effective against flies, mosquitoes and other pests, experts declared this week.

Nature builds up resistances against poisonous sprays and the common household and farm pests seem to be weathering more and more the effects of insecticides.

New developments, however, are on the way: they include lindane and toxaphene, which it is hoped will "knock 'em dead." Meanwhile, fly swatters still do a fine job around the home.

ARE THE CITY FATHERS MISSING A BET

NATURAL GAS IS BEING DELIVERED TO IUKA'S FRONT DOOR

.... An opportunity such as this simply does not come to every small town, without a big expense to the town's people. The Board of Aldermen to date has done nothing to further this development. Iuka, just as any other town, can profit immeasurably by having natural gas. It is a convenience to the home as well as a saving in fuel costs. It is something that will attract potential home seekers more than any other home necessity. It is the cleanest and best type of heat and fuel known today. Statistics show that it is much safer than kerosene and other types of chemical fuels. The secretary of the Association of Commerce states that one of the very first questions asked by factory site seekers is "do you have natural gas?"

Let's get behind our CITY FATHERS and let them know that we as citizens do not want to miss this bet.

TOM LOMENICK

Mr. Tom Lomenick died at his home near Iuka on Friday, December 16th. Mr. Tom, as he was called by every one, had been ill for a long time. He suffered with patience, always having a smile for everyone. He will be sadly missed in the community where he lived.

He was 76 years old, married to Carrie McElhany on Feb. 6, 1899, who preceded him in death three years ago. To this union

was born four children, three boys and one girl, James, who passed away eight years ago, Sterling and Robert and Mrs. Flora Mae McKinney, all of Iuka. Fifteen grandchildren, four great - grandchildren. Funeral services were conducted Sunday, December 18th, at Snowdown by Rev. Pate, assisted by Rev. Holder. Cutshall Funeral Home was in charge. The funeral was attended by a large crowd. He was loved by all who knew him.

MARCH 17, 1950, PEABODY HOTEL, MEMPHIS IS THE TIME AND PLACE OF SAVE-ENRICH OUR SOIL RALLY

Semi-annual meeting of the national directors of the Friends of the Land will be held preceding day, March 16. National directors will participate in Rally of the 17th.

Hunter Baker on the right presents his suggestions for the Save-enrich Our Soil Rally in Memphis to the three sponsors. Next to Mr. Baker is E. J. Schumacher, President of the Memphis Chapter, Friends of the Land, which sponsors the Father and Son Division. Next is E. J. Meenan, Editor of the Memphis Press Scimitar, sponsor of the Landlord-Tenant Division, and on the extreme left is Martin Zook, Manager of the SOS competition, who represents the Memphis Chamber of Commerce, sponsors of the Owner-Operator Division.

FINAL DATE ON SOS RECORDS EXTENDED

Martin Zook Extends Postmarked Date For Entries To Jan. 7th

County Committees who handle the records of county contestants in the Save-enrich Our Soil competition have been advised that the postmarked date on records of County winners has been extended to January 7. The first judging will begin on January 16.

Each county is invited to select a first place winner in each division of the contest: The Father and Son Division sponsored by the Friends of the Land, The Tenant-Landlord Division sponsored by the Memphis Press Scimitar, and the Owner-Operator Division sponsored by the Memphis Chamber of Commerce.

The enrollment blanks and supporting records postmarked not later than January 7 are sent to Martin Zook, Manager of the Contest, Memphis Chamber of Commerce, Memphis, Tennessee. In turn, these records are placed in the hands of State Judging Committees. The State Judging Committees this year have agreed to visit every county winner. This detailed work will be done between January 16 and February 1 and final decisions will be made by the State Committees between February 1 and 10.

Three state prizes in each division — \$100.00, \$75.00, and \$50.00 Government bonds — will be awarded, a total of nine prizes to each state. First place winners of each state compete for \$500.00 Government bond prize in each class.

The following have accepted service on the State Committee for

LOUIS BROMFIELD TO ADDRESS RALLY

Louis Bromfield, noted writer and nationally famous conservationist, speaker at SOS Rally.

Louis Bromfield, nationally known writer of fiction, as well as author of articles on soil practices and livestock farming, will address the Third Annual SOS competition Rally on March 17. Mr. Bromfield has accepted an invitation to be the speaker at the banquet which is the climax of the day's Rally. Mr. Bromfield will also direct a forum at 10 o'clock on the morning of the 17th in which former winners in SOS competition and successful farmers will participate.

The full day's program of the 17th will be attended by the county winners from more than 50 counties which are expected to enter the finals. Tennessee, Mississippi, and Arkansas are the states participating and three winners, one in each class, are designated from each county.

Ladies Invited

For the first time, the wives of county winners will be invited to attend. The county winners, their wives, and the workers in soil conservation will be the banquet guests of the Memphis Press Scimitar at dinner on the evening of the 17th. Attendance expected to reach 800.

National Directors To Participate In Rally

Mr. Hunter Baker, Assistant to President E. J. Condon, National Chapter of the Friends of the Land, announces the semi-annual meeting of Friends of the Land has been set for Thursday, March 16, in Memphis, Tennessee, preceding the annual SOS Rally.

The Friends of the Land Director will open their business session, closed to the public, with a luncheon on March 16.

The Thursday evening session, hour to be announced later, will be open to members of the Memphis Chapter and other friends.

On Friday, March 17, the National Directors will participate in the various activities of the Third Annual Rally of the Save-enrich Our Soil competition. Louis Bromfield will lead a forum in the morning beginning at 10 o'clock, assisted by successful farmers. They will participate in the three meetings of the three divisions held during that afternoon.

E. J. Condon, President of the National Chapter of the Friends of the Land, will present two speakers to the Banquet meeting. Jonathan Forman, national authority on Human Nutrition, a practicing physician, will speak on the subject, "You Are What You Eat." His address will show the relation between the nutritional value of our foods and the food elements in the soil.

Louis Bromfield will be presented by Mr. Condon, who will also address the banquet.

DID YOU KNOW:

That plans are under way to build a large chicken dressing plant in Oxford, which will serve North Mississippi poultry growers?

That a new color film entitled "What is a Plantation?" just completed in Mississippi will be used in colleges and high schools throughout the nation?

That the Mincher Tractor Company, located at Hattiesburg, is manufacturing a new type of tree planting machine?

That the recently completed Belzoni Oil Works, Inc., plant is capable of processing 80 tons of soybeans per day?

HAPPY NEW YEAR

1950

May the grand sense of freshness that accompanies the arrival of a New Year stay with you right on through the decade that is opening before us. We

CHRISTMAS BREAKFAST ENJOYED IN THE MARTIN HOME

The beautifully decorated home of Mr. and Mrs. B. L. Martin was the setting of a lovely family breakfast on Christmas morning. The mantel piece was out standing with snow-covered greenery and a large display of gold and silver ornaments. The dining room table was most festively decorated with a silver centerpiece covering the center of the table. The centerpiece, which was encircled with clusters of red berries, was a graceful array of snow covered boughs holding tiny red and silver balls. Silver candlesticks with frosted red candles were placed on each end of the table.

Guests were Mr. and Mrs. John Henry Allen, Mr. and Mrs. George Clayton Allen, John Allen, Bob Allen, Mr. and Mrs. I. M. Jackson and Jim and Mr. and Mrs. Henry Little.

FAMILY REUNION IN THE LUTHER KINARD HOME

On Christmas Day Mr. and Mrs. Luther Kinard, Eva Mae and Billy entertained in their lovely new home with a family reunion, having 26 guests.

The family enjoyed a Christmas tree heavily laden with gifts, after which a delicious turkey dinner was served.

Guests were Mr. and Mrs. Henry Rutledge and Lonnie, Marietta, Mr. and Mrs. Bailey Rutledge and Jimmie of Jefferson City, Mo., Mr. and Mrs. J. C. Rankin and children, of Jackson, Miss., Mr. and Mrs. S. L. Rutledge and Donald of Rienzi, Miss., Mr. and Mrs. B. V. Rutledge and boys of Nettleton, Miss., Mr. and Mrs. S. L. Patton and Linda Kay, Mr. and Mrs. G. W. Rutledge, all of Fulton and Mrs. Hubert Taylor of Goldsboro.

GOBER FAMILY REUNION

Mr. and Mrs. G. N. Gober had their nine children and thirteen grandchildren with them for dinner on Christmas Day. Dinner guests were Mr. and Mrs. Royal Gober and family, of Brookhaven, Mr. and Mrs. R. J. Gober and son, of Memphis, Mr. and Mrs. Troy Castleberry of Memphis, Mr. and Mrs. Braxton Finch and family of St. Louis, Mr. and Mrs. T. E. Hall and family, Morristown, Tenn., Mr. and Mrs. W. O. Bullard and son, of Burnsville, Mr. and Mrs. Freeman Gober of Washington, D. C., and Mr. and Mrs. Curtis Gober and family, of Iuka.

Personals

Mr. and Mrs. Owen Sweeney and son spent Christmas in Nashville.

The Young People's Sunday School class of the Iuka Baptist Church went out caroling last Thursday night. They sang

carols in front of several homes which added much to the Christmas spirit of those hearing the ever beautiful Christmas carols.

Mrs. Erma Dean of Hope, Ark., is visiting her daughter, Miss Gwendolyn Dean and nephew, Mr. Harrell McDonald.

Mr. and Mrs. Elmus Curtis and Connie spent Christmas Day with relatives in Selmer, Tenn.

Mr. and Mrs. James McRae and daughter, of Memphis, spent Christmas with Mr. and Mrs. J. D. McRae.

Dr. and Mrs. Cosby have moved into the apartment recently vacated by Mr. and Mrs. George Page.

Mr. and Mrs. David McArthur and Judy, of Old Hickory, Tenn., and Mr. and Mrs. Bruce McArthur and Jean Ann of New Orleans, were holiday guests of Mr. and Mrs. L. C. Moser.

Congratulations to the winners in the Christmas lighting contest, sponsored by the 20th Century Club. Lovely corsages of red roses were delivered to the winners on Christmas morning. Mrs. J. H. Allen won on her doorway, Mrs. W. J. Pyle on her interior decorations and Edmondson Cleaners won for the best window display.

Bro. and Mrs. Alexander and daughter, of Gadsden, Ala., visited in Iuka Monday.

Rev. and Mrs. B. L. Mohon and family left Sunday following church services to spend the week with relatives in Belzoni, Jackson and Hazelhurst.

Mr. and Mrs. Thurman Gann and Theda Ann are spending the week in South Alabama. Mr. Gann is deer hunting while Mrs. Gann and Theda Ann visit with relatives.

Mr. and Mrs. Herman Gann and Judy spent Sunday in Oxford.

John William Vaughn, who is a senior in college at Auburn, Ala., is at home for the holidays.

Mr. and Mrs. Oscar Carter had as their guests Christmas Day Cpl. and Mrs. Leonard Ray and children, of Camp Campbell, Ky., Mr. and Mrs. R. L. McKinney of Corinth, Mrs. Vina Gardner of Corinth and Mr. and Mrs. William McKinney and daughter of Iuka.

Mr. and Mrs. Allen Rast of Amite, La., visited his mother, Mrs. W. T. Edmondson and family, of Iuka, Route 1.

Mr. and Mrs. Chas. W. Timbes and children, Tupelo, Mrs. Grace Bostick of Baltimore, Md., Mrs. Helen Gardner and Helen Jape of Little Rock, are holiday guests of Mrs. J. E. Timbes and Mrs. Harry Graham.

Mrs. Allie Rhine spent Christmas in Burnsville with Mr. and Mrs. Harry Rhine, Jr.

Mr. and Mrs. James L. Wood-

all of Jackson, Miss., Mrs. W. E. Gable, Atlanta, Ga., Mrs. Clayton Ryals of Jacksonville, Fla., and Mr. and Mrs. R. L. Bullard and son, Billy Bob of Florence, spent Christmas with their parents, Mr. and Mrs. J. W. Wood-

Charles Gallagher is expected to arrive Sunday from Washington, D. C., to spend a week with his parents, Mr. and Mrs. Fred Gallagher.

Mr. and Mrs. Braxton Finch and family, of St. Louis are visiting their parents, Mr. and Mrs. J. D. Finch.

Mr. and Mrs. Raymond Hamilton, Jr., and Mr. and Mrs. Walter Hamilton of Daytona Beach, Fla., are visiting relatives here during the holidays.

Mr. and Mrs. J. H. Allen, Bob and John Allen, Mr. and Mrs. I. M. Jackson, Mr. and Mrs. B. L. Martin, Mr. and Mrs. George Allen and Mr. and Mrs. H. O. Little had dinner in the home of Mr. and Mrs. Robert Jackson in Memphis Monday.

Bob Allen of Washington, D. C., John Allen of Jackson, and Mr. and Mrs. George Allen of Memphis, spent Christmas with their parents, Mr. and Mrs. J. H. Allen.

Mr. and Mrs. Alsbrook of Jackson, Tenn., were Christmas guests in the home of Mr. and Mrs. Bill Pyle.

Mr. and Mrs. Tulon Bostick of Forrest City, Ark., Miss Lillian Bostick of Washington, D. C., Mr. and Mrs. Sam McCard and Mr. George Phillips of Athens, Ala., were guests during Christmas in the home of Dr. and Mrs. A. E. Bostick.

Annette Reid has been spending the Christmas holidays in Corinth with her aunt and uncle, Mr. and Mrs. Houston Reid.

Mr. and Mrs. L. S. Traylor, former residents of Iuka, are moving back from Elizabethton, Tenn. They will have an apartment in the home of Mr. and Mrs. Joel Traylor.

Mr. and Mrs. W. F. Wright and family are expected to be guests in the home of Mr. and Mrs. Curtis Gober Thursday night.

Dickie McCulley of Memphis, is spending Christmas with his

We welcome Mr. and Mrs. Pete Arnold and family to Iuka. They have moved into the John Farrell house on Highway 72. Mr. Arnold is with the Mammoth Hosiery Mill which is beginning production soon in Iuka.

Mr. and Mrs. Thomas Ligon and daughter, Jane of Bruton, Ala., are visiting Mr. and Mrs. J. J. Nagle.

Mr. and Mrs. Roy Nagle and children, of Russellville, Ala., spent Christmas with Mr. and Mrs. J. J. Nagle.

Mr. and Mrs. Jack McLendon and children, Mr. and Mrs. Hamby and baby of Oak Ridge, and Mr. and Mrs. Ted Barnett and Little had dinner in the home of Mr. and Mrs. E. F. Barnett.

Christmas lighting in Iuka this holiday season is something a little bit different. Highway 72 took on the spirit of the occasion with many beautiful colored lights from one end of the residential section to the other, presenting that cheery look prevalent at this time.

HOLCUT JUNIOR 4-H CLUB

The Holcut Junior 4-H Club girls met with Miss Jimmie Crane Wednesday, December 7, with 20 members present.

Officers were elected as follows: President, Barbara Rushing; vice-pres., Dyan Depoyster; sec'y-treas., Rachael Jourdan; song leader, Dellavan Nichols and Paula Gaye Parsons; devotional leader, Louise Sims; club leader, Mrs. J. L. Sims; reporter, Shirley Gray.

The Golden Eagles, a girls independent basketball team of Golden is bringing credit to their community in piling up an enviable record on the "win" side of the ledger, with two victories and one defeat against fast competition. All of the girls play their positions well and are good sports, according to a recent report on sports from that section, where many outstanding stars in basketball circles originated.

Mississippi's car loads of food and fiber, contributed through the Christian Rural Overseas Program (CROP) for hungry and destitute millions overseas, have started rolling. Typical is the pictured car of shelled corn be-

ing loaded at Tupelo and given by Lee county farmers with assistance of the town and city churches. From left to right are Marcu Eastering, member of Birmingham Baptist church, a paig will continue through January.

minister and district supervisor for CROP Sam P. Marshall, manager Tupelo Marketing Company, county chairman; and W. J. Pernel, county agent, co-chairman. The 1949 CROP campaign will continue through January.

BASKETBALL

Iuka High School divided two boys basketball games with Corinth last Friday night. The Iuka "B" team cagers won going away 30-14, after trailing 6-8 in a very dull first half, but came back to play a great second half and racked up 12 points in each of the last periods. Harry Rafferty was high scorer for Iuka with an 11 point total and McDowell led Corinth with 5.

In the "A" team game the situation was exactly reversed. Iuka boys played a fine first half and the score at half-time was 20-20. Corinth really turned loose in the second stanza and racked up 33 points to win 57-37. Dean and Gurley dropped in 16 and 15 points respectively to pace the losers while Pittman and Blessingame bucketed 17 and 13 to lead Corinth.

The Iuka boys are showing great improvement in recent games and are now specializing in a new fast-breaking offense, but still have trouble with a rather spotty defense. Let's hope the improvement continues and they have better luck after the holidays.

Iuka will resume play on Tuesday, January 3, with three games with Holcut in the Iuka gym beginning at 6:30 p. m.

GOLDEN EAGLES WIN FROM BELMONT BLUE BELLS

The Golden Eagles girls hung up a 39-30 decision over Belmont Blue Bells at Belmont gym Tuesday night.

Dorothy Hamilton went on a scoring spree for top scorer on the Golden Eagles, while Nevil Lone and Bobbie Deaton trailed close behind.

Ruth James hitting the high for Belmont Blue Bells.

This is the second straight win over the Blue Bells for these hard hitting lasses from Golden.

Golden gets back into action again Dec. 30th when they meet the strong Iuka Independent team at Iuka.

These two teams are being rated as two of the best in this section. They play good clean basketball and good sportsman-

ship is their motto.

Seems that all of us older folks are inclined to scoff at the opinions and ideas of younger folks. Seems like we've heard it claimed that age makes wisdom, and that a youngster never knows as much as or more than any of his elders.

ACCORDING TO THAT, we should know more about babies but it takes a babies cry to tell us wise oldsters when something is wrong.

COMES TO MIND the story about a young man who had

as much common sense and wisdom as the wisest of men. He wandered around from village to village -- trying to give all the folks the benefit of his down to earth wisdom. Of course, the folks just laughed or cursed him. Said he was too young to try to tell his elders what was what.

BEING AS SMART as he was the young fellow knew just what to do. Home he went and grew himself a beard, hunched his back and started walking with a cane. Yessir, he looked like he was maybe fifty or sixty years old when he started traveling again and teaching the people the wisdom of common sense. Everyone listened to him and big crowds began to follow him wherever he went. He became famous throughout the land and they wrote books about his wise sayings. Even though he has been dead for ages, he is still famous today and one of his books still is used to teach folks a little common sense.

YOU SEE, that young fellow's name was Aesop and the book is "Aesop's Fables."

A. T. SPARKS

Mr. A. T. Sparks died at the home of his daughter, Mrs. Addie Whitlock, of near Burnsville, on December 14th following a short illness.

Mr. Sparks was born on April 22nd, 1870 and married Leath Dunn. To this union was born seven children. Mr. Sparks had spent most of his life in Tishomingo County.

Surviving are five children, J. Turner Sparks, Mrs. Addie Whitlock, Mrs. Sally Ann Lindsey, Mrs. Bertha Brown and Mrs. Hussy Sparks.

Funeral services were conducted by Rev. E. Odell Thornton at the Pentecostal Church in Iuka, with burial in Mt. Gilead cemetery. Cutshall Funeral Home in charge.

REV. JOHN ROBINSON

Funeral services for the Rev. John Robinson, who died in Cage Nursing Home in Memphis Christmas Day, were held in the Cutshall Funeral Home Tuesday morning by the Rev. J. H. Holder of the Methodist Circuit and the Rev. G. N. Gober of the Primitive Baptist Church. Rev. Robinson was 90 years old in November.

He was born, reared in Tishomingo County and lived his entire life, with the exception of a few years, when he taught school in Bradford, Tenn., in the county of his birth.

His father was taken prisoner by the Federal Army marching through the county and died in a Federal prison, leaving the rearing of the family of boys to the young mother. Rev. Robinson at that time was about three years old. He received the education of that day and taught in the county schools for many years, filling his appointments as a Primitive Baptist preacher on Sundays and walking often to his appointments. He served many churches of that faith in this county, Alcorn, Prentiss and some in Tennessee, only retiring from the ministry about four years ago, having preached more than fifty years the Primitive Baptist faith in which he was a great believer.

4 YEAR OLD BOY WAS WASTING AWAY

My son Bobby Jean, 4, had been suffering from vomiting spells. Each attack sent him to bed with fever for 2 or 3 days. We tried all kinds of medicines but he continued to lose weight and grow pale and weak. We started giving him HADACOL and since the first dose he has never had a vomiting spell or fever. He gained 4 pounds in 2 weeks and is full of pep and energy. It is really remarkable how HADACOL has helped my child.

Mrs. Joseph Prejean RFD No. 3, Box 231D Beaumont, Texas

IS HADACOL A MIRACLE FORMULA?

No, there is nothing miraculous or mysterious about HADACOL. The potent health-giving benefits of HADACOL are based on a proven scientific fact: Lack of sufficient vitamins and minerals in most diets leaves the door WIDE OPEN to diseases and weaknesses of all kinds. HADACOL, the scientifically balanced dietary supplement, helps to CLOSE that door and KEEP it closed.

BOBBY JEAN JUST ONE OF THOUSANDS!

Had is not been for HADACOL the story of Mrs. Prejean's little boy, as told in her letter above, might have had a tragic ending. His system was run down to the danger point. Medicines and treatments didn't help. What he really needed was a supply of "building materials" for his poor little wasted body--and that's what he got from HADACOL. Today, like thousands of others, he is healthy again!

WHO SHOULD TAKE HADACOL?

HADACOL is not a medicine. It is a concentrated FOOD formula containing all the important vitamins in the B Complex group as well as these vital minerals: iron, calcium, phosphorus and manganese. If you are not getting your full daily quota of these essential dietary components, you may be heading straight into danger--weakness, loss of appetite and then disease!

Let HADACOL help you stay on the High-way of Health!

Only \$1.25 for the regular size--\$3.50 for the large family and hospital economy size.

At your drug store or by mail order.

Help yourself to HEALTH with... HADACOL

HOW TO DO IT

Patching Hole in Wall
When an electrical outlet box or a switch has been removed from a plaster wall, patching the

hole can be difficult if the lath was cut out. American Builder magazine suggests this method of doing the job:

Cut a piece of stiff cardboard a little larger than the hole. Punch a tiny hole in the center of the cardboard and slip one end of a piece of string through the hole. Knot the other end of the string with a knot big enough not to slip through the hole too.

While holding the loose end of the string, push the cardboard through the hole in the wall. Hold the cardboard firmly in place by pulling the string taut. At the same time, fill the hole with plaster. When the plaster has hardened, cut off the string flush with the wall and smooth the spot with sandpaper.

SEES SUN FIRST
The top of Mt. Katahdin in Maine is the first place in the United States to be touched by the rays of the morning sun. Mt. Katahdin is 5,273 feet high.

COFFEE CHIEF CROP
Coffee is the chief crop of Costa Rica, Cacao and bananas also are cultivated extensively.

Water Does Harm Far From Leak

Water seeping through a roof can show up far from the actual leak. It can flow down through the walls of the house to crack plaster and stain wall paper even in first floor rooms.

Re-roofing, rather than patching, is advisable if a roof is in poor condition. A new covering of asphalt shingles usually can be laid on top of the old roofing material.

WAX SNOW SHOVEL
To keep snow from sticking to a snow shovel, wax the shovel blade with floor wax.

FARM PAGE

COUNTY AGENT NEWS

Paul Keller, County Agent

Everyone is affected by the kind of business farming will be in 1950. Prospects not as good as during the past year or 1948, but far better than pre-war levels are reported by economists of the United States Department of Agriculture and the Extension Service.

General business activity in the year is expected to stay at a level only a little below 1949, but still well above any year prior to 1948. In Mississippi drastically lower income to farmers due to the poor cotton crop and lower prices for farm products in 1949 will weaken business activity.

Prices for most farm products are expected to be lower in 1950, although still much above pre-war.

Production costs and family living costs will not drop as fast as prices received by farmers.

Gross cash farm income to Mississippi farmers in the 1949-50 may drop as much as one-third below the record high of \$533,000,000 in 1948. This would be a drop of about \$670 average per farm family.

Cotton acreage allotments and probable lower prices may further tend to hold farm income down in 1950. Lower prices for livestock and livestock products will also contribute to lower income.

Farm real estate values in Mississippi are down about 10 percent from the peak reached in late 1948 and early 1949. But on July 1, 1949 the average value of farm land was still 146 percent above the 1935-39 average.

The fertilizer prospects in Mississippi is not unfavorable if all farmers who can possibly store fertilizer will buy by February 1st at least forty per cent of what they need for 1950. Plants have mixed all they can store, and some are closed.

It will not be possible to apply even the same amount of fertilizer as was used in 1949 if farmers wait until the spring of 1951.

1950 to buy it, according to manufacturers.

Feed supplies will again be very large in 1950, including both grains and by-products protein feeds. The feed grain situation is not as favorable in Mississippi as for the nation as a whole.

The cotton outlook is very unfavorable, both for 1950 and for the long range view. Mississippi cotton production in 1949 is estimated at 1,470,000 bales, which is 38 per cent below 1948, despite a 10 per cent increase in acreage. Value of the 1949 Mississippi cotton crop is estimated at about \$232,000,000 compared with \$441,000,000 in 1948.

The United States 1949 cotton crop was the largest since 1937, about 15.5 million bales. Carry-over next August 1 may be about 8.25 million ales.

Recent devaluation of foreign currencies may tend to reduce cotton consumption by decreasing exports of cotton textiles and by increasing U. S. imports of foreign textiles. Competition from rayon and synthetic fibers will continue to increase.

The National cotton acreage allotment is set at 21,000,000 acres for 1950, or a 20 per cent reduction from 1949.

Livestock and meat production trend is upward. Numbers of both hogs and cattle are increasing, which will result in moderately lower prices for meat and meat animals.

The dairy outlook is a little less favorable than a year ago. Prices for dairy products in 1950 will be below 1949.

Commercial truck crop outlook is less favorable than in 1949.

Sweet potato production in 1950 could increase considerably without glutting the market.

Forest products demand will continue good for 1950. Forest trees will pay good on a long range program. It will pay every land owner to set eroding acres in pine trees while trees can be had free and the PMA will pay you \$7.00 a thousand for setting these trees. This opportunity may not continue for 1951. January and February are ideal months to set pine seedlings. Apply at the County Agent's office or your Vocational Teacher, or G. I. Instructor or District Forester for pine seedlings.

PROPOSED CHANGE OF ELECTION METHOD OF TRUSTEES IN CONSOLIDATED SCHOOLS

According to the 1942 Mississippi Code, Section 6368, "When there are five trustees legally serving a consolidated school district, or rural separate school district, other than a line consolidated school, said district may adopt the elective method," instead of the petition method, of selecting trustees by a majority expression to the county school board by a petition signed by a majority of the qualified electors of the district, or by an election held for said purpose at which a majority of the qualified electors of the district, vote in favor.

The County School Board will be in session at the office of the County Superintendent of Education on Wednesday, January 25, 1950, at 10 o'clock a. m. to consider said petitions or elections and any other business that may come before said board's jurisdiction. Therefore, any school district, other than a line consolidated school, desiring a change in the method of selecting trustees, should comply with the above request and procedure by filing an expression of the majority of the qualified electors of the district with the County Superintendent of Education on or before January 25, 1950. Petitions for change may be secured at the County Superintendent's office.

Let's strive to make Tishomingo County schools better schools for our boys and girls.

REGISTERED JERSEY PURCHASED FOR IUKA FARM

Columbus, Ohio, Dec. 5.—L. N. Dean of Iuka, Miss., has purchased one registered Jersey, Design Princess Jap of T. R. Bonds of Iuka, Miss.

The purchase adds to the steadily growing number in this area. Dairymen buy Jerseys because of the high quality of the milk they produce.

Purebred Jerseys are registered by The American Jersey Cattle Club which has its national headquarters in Columbus, Ohio. Several programs are available through The American Jersey Cattle Club to help breeders get the most profits from their Jerseys.

ABOARD USS VALLEY FORGE

John O. Cook, USN, was recently advanced to commissaryman, third class, while serving aboard the aircraft carrier USS Valley Forge operating with the Pacific Fleet.

Leroy Timmons, seaman apprentice, USN, of Golden, Miss., and John O. Cook, commissaryman, third class, USN, son of Mr. and Mrs. Curtis C. Cook, of Iuka, recently took part in the ceremonies honoring the Shah of Iran, when that potentate visited the aircraft carrier USS Valley Forge at San Diego, Calif.

The Shah was received aboard the carrier with a 21-gun salute and was presented with a medal of the ship by Capt. H. S. Temple USN, Commanding Officer. The visit aboard the Valley

Forge was a point of the Shah's tour of this country as a guest of the State Department.

LEGAL

NOTICE TO ALL BANKS OF TISHOMINGO COUNTY, MISS.
The Board of Supervisors of Tishomingo County, Miss., will on the first Monday of January, 1950, within legal hours, as provided by Chapter 105 Code of Miss., 1930 and laws amendatory thereto receive bids for keeping the county funds for the year 1950.

Bidders shall designate the kind of security as authorized by law, proposed to be given as security for said funds.

This the 6th day of December, 1949.

J. C. Jourdan, Jr.
Clerk of Board

NOTICE TO TRUCK DEALERS

The Board of Supervisors of Tishomingo County, Miss., will during legal hours on 2nd day of January, 1950 at office of clerk of board receive bids for the purchase of one used two ton truck with dump bed, for third district said county.

Reserve right to reject any or all bids.

This the 6th day of December 1949.

J. C. Jourdan, Jr.
Chancery Clerk

State of Mississippi

County of Tishomingo

Notice is hereby given that the Board of Supervisors of said county will at the Office of the Clerk of the Board within legal hours, on the first Monday of January, 1949, receive bids for the following material and supplies:

Gasoline, oils, fuel oil, diesel oil, grease of all kinds used in trucks and road machinery; to be delivered to the respective supervisors districts of the county.

Also: Bridge lumber in lengths from 8 to 16 ft, 2 1/2 and 3 inches thick by 6 inches and wider in width.

Bridge sills 8 to 16 ft in lengths, and separate bids for length longer than 16 feet.

Separate bids on white oak and red oak.

Said lumber to be delivered to place designated by supervisor of respective districts.

The Board reserves the right to reject any and all bids.

J. C. Jourdan, Jr.
Clerk of Board

(19-4t)

Commissioner's Sale of Land
For Partition

Mrs. Juanita Hamilton, et al
Vs. No. 3746

Andy Ward, et al

By virtue of the provisions of a decree of the Chancery Court of Tishomingo County, Mississippi, rendered by said Court on the 12th day of December, 1949, the undersigned as Special Commissioner of the said Court in the said cause, will on the 13th day of January, 1950 at Iuka, Mississippi, within legal hours in front of the Court House door, expose for sale and sell to the highest bidder for cash the following described real estate, situated in Tishomingo County, Mississippi, to-wit:

A part of the northeast quarter of Section 10, Township 6, Range 10 East; Beginning at the north east corner of the above named quarter Section running west to the Railroad right-of-way, thence south on the east side of the railroad right-of-way 41 rods, thence east to Section line, thence north on Section line 41 rods to starting point, which contains 12 acres more or less.

Also, a part of the southeast quarter of Section 3, Township 6, Range 10 East; Beginning at the southeast corner of of the above named quarter section, running north 35 degrees west 55 rods to the Bay Springs and Iuka Road, thence north 48 degrees west along said road to the line dividing said quarter in the center north and south, thence south on said line to section line between section 3 and section 10, thence east on section line 80 rods to starting point, containing 27 acres, more or less.

The said land is sold for the purpose of partitioning among the owners in accordance with said decree, and title is believed to be good, but I convey only such title as is vested in me as said Commissioner.

This the 15th day of December, 1949.

J. C. Jourdan, Jr.
Special Commissioner

Arthritis Pain

For quick, delightfully comforting help for aches and pains of Rheumatism, Arthritis, Neuritis, Lumbago, Sciatica, or Neuralgia try Remind. Works through the blood. First dose usually starts alleviating pain so you can work, enjoy life and sleep more comfortably. Get Remind at druggist today. Quick, complete satisfaction or money back guaranteed.

Rubard Salem News

Rev. C. L. Ivy filled his appointment at Salem Sunday afternoon. Everyone enjoyed the message very much.

Mr. and Mrs. Jim Borden of Cherokee, Ala., spent the week end with Mr. George Bullard and family.

Mr. Melridge Laid, who is employed at Truman, Ark., spent the week end at home.

Mr. Louis Murry and family, of Prairie, Miss., spent the week end here with relatives.

Mr. and Mrs. Arvil Bonds and daughter spent the week end with her father near Eastport.

Mr. and Mrs. Sam Bonds and daughter spent Sunday with Walter Jones and family.

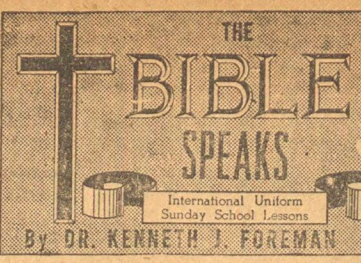

Mr. and Mrs. Elmer Tucker of Counce, Tenn., were dinner guests of Mr. and Mrs. Bill Bullard Christmas day.

Linsey Earl Jones spent Sunday night with James Calvin Laird.

Mr. Joe Grisham and family spent the week end at Counce, Tenn., with Mr. and Mrs. Will Gray.

Mr. George Bullard and family and Mr. and Mrs. Jim Borden of Cherokee, Ala., visited in the Joe Johnson home late Sunday afternoon.

Salesman -- Inexpensive,
But a Go-Getter.

SCRIPTURE: Acts 1: 1 Peter 2:9-10
DEVOTIONAL READING: John 14:12-20.

Praying into Tomorrow

Lesson for January 1, 1950

FOR THE BENEFIT of those who may not be familiar with this column, and perhaps of some who are, a little explanation may be helpful. This column is not expected to take the place of Bible study, nor to be a substitute for the quarterlies and other helps which are furnished by the various denominations. All this column can do is to offer some thoughts which the lesson on Scripture has suggested to the writer.

Reading this Dr. Foreman column will not make a Bible student out of you; only the direct study of the Scriptures can do that. Forty denominations cooperate in this feature. If it helps the reader, we shall all be glad.

Limitations of space keep this from pretending to be anything like a complete analysis of the lesson. For those who are not at all familiar with the Bible, it is hoped that this column may arouse interest so that the reader will go and see for himself what the Bible says.

What are Sunday school lessons for? In the words of the 77-year-old International Sunday School Lesson committee, the "ultimate end sought is the acceptance of the Bible as the very Word of God." Practically, this means Bible study which "will help growing persons (you have not stopped growing, we hope!) increasingly to know its content and to understand its message in the light of their own experiences and relationships."

The writer of these lines shares in this purpose and this hope, and wishes you a Happy New Year!

The Early Church

Few persons in their right minds would want to go back down into their babyhood, yet the first years, indeed the first months, of any one's life are immensely important.

So it is with the Christian church. Few sensible people would want to return to the days of the church's infancy in the first few months and years after Christ's resurrection. And yet that was a vital era. For the Sundays between now and Easter we shall be looking at the early Christian church.

Very early, that is, so early that the name "Christian" was quite new, and even the word "church" was not often used. We shall find that as the untold Christians faced their world, they met with many problems similar to those with which the church of today has to grapple.

How they did it, how they succeeded and how they sometimes failed, is not a mere story of the long ago, but is valuable as we think about our own times.

Praying Into Tomorrow

THE TEN DAYS between Jesus' ascension and the great event of Pentecost were among the most fateful in all Christian history. The church, if we can call by the name the little group of a few dozen friends of Jesus who lingered together in Jerusalem, did not profess to read the future. But during those ten days of suspense they did three things: they waited, they prayed, they waited.

They waited because Jesus had told them to wait. They waited for power, he said. What the power might be like they did not yet know. No doubt some of them had business of one sort or another back in Galilee; but Jesus said Wait—and so they waited.

They also prepared, by setting apart a witness to take the place of Judas. And above all, they prayed. Tomorrow for them was darkly uncertain, Jesus had dropped hints about persecution; they were not naturally supermen.

Yet in the midst of vague fears and facing a tomorrow which was one large question-mark, those early Christians—much less well-informed and "worldly-wise" than we—did the wisest thing they could have done: they spent their time in prayer. A praying church is on the way to power.

So as we begin a new year, the best thing Christians can do is not to make all the noise they can, but quietly to wait in God's presence.
