

## Hi-Lites and Topics

By Bob Towery

That "new look" on Highway through town is pleasing to the eye, and prompts a feeling of pride in local citizenry. A new tourist court, a new store building and a brand new modern, up-to-date service station and a number of new homes are completely changing the skyline of this main traffic artery from Iuka's Mineral Springs Park through a thick populated section of the town limits. This street in the school building has undergone an engineering improvement which allows the parking of automobiles during activities at the gym or the school building. We congratulate those responsible for these improvements to the appearance of the town.

### 4-H CLUB PROGRAM ON W. C. M. A.

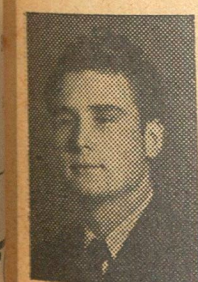

The 4-H Club program will be heard over W.C.M.A., Corinth Friday at 1:30.

### SCHEDULE FOR ALL GAMES

### NOTICE

The annual Thanksgiving Union service will be held at the Baptist Church next Thursday at 10 o'clock a. m. Bro. W. V. Stokes will be in charge.

### LION NEWS

By Lowell E. Grisham

At the board of directors meeting Monday evening an order was placed for two blinker traffic lights for the Iuka school zone. The lights are not to stop traffic, but to serve as a constant reminder to the motorist that the welfare of the children of this community is placed in jeopardy by the driver who fails to use reasonable caution. Although installation will not be immediately, the Lions administer you to begin now Iuka's Crusade for Safety.

Two distinguished young men of Iuka have been tendered membership in this club. They are Dr. John J. Hora, optometrist, and Mr. Austin Drake, manager of Rushing Dairy. Iuka appreciates you; the Lions are proud of you.

**ATTENTION LIONS:** It is important that all members attend meetings. Lions International has ruled—and we must follow—that once a member has four consecutive unexcused absences, he must be dropped from the rolls of Lionism. If you have to be away on meeting nights, the burden is upon you to contact the secretary and excuse the non-attendance.

## District Woodmen of World Meeting To Be Held In Iuka

A big Woodman of the World District Meeting will be held in Iuka on Tuesday night, November 21, 1950. This meeting will be held in the American Legion and Veterans of Foreign Wars Veterans Hut and will start promptly at 7:00 p. m., with a supper furnished by the Iuka W.O.W. Camp.

Every W.O.W. Camp in the Northeastern part of Mississippi will be represented at this big District Meeting.

Officers of Tupelo W.O.W. Camp No. 130 will confer the degree on a large class of new candidates from throughout the District following the supper. Head Consul B. F. Worsham of Corinth, Miss., will be the principal speaker of the evening and he will be introduced by Honorable Charles B. Hutchison of Tupelo. In addition to these above mentioned dignitaries of the Head Camp officers, District Managers, Field Representatives, Consul Commanders and Financial Secretaries from throughout the Northeastern part of Mississippi will be present.

### 4-H ROUND UP FARM MANAGEMENT

Jesse Lee Coker, 4-H Club member of near Iuka, is state winner in the 4-H farm management project.

He will receive a free trip to State 4-H Round-Up in Jackson, November 16-17, sponsored by Retail Merchants Division, Jackson Chamber of Commerce.

In six years of club work, he has made 22 completions of 11 different projects with an income of \$533. Several improvements on the Coker farm resulted from his 4-H Club farm management project, he said.

James and his father plan to balance cotton production with more pastures and livestock. He plans to be a dairy farmer, and attends Extension. Conducted meetings to get all the information possible.

This year James' farm management improvements included cleaning the ditches that has been neglected for many years and making a "v" type from a straight-sided ditch. James has served as president and vice-president of his local 4-H Club.

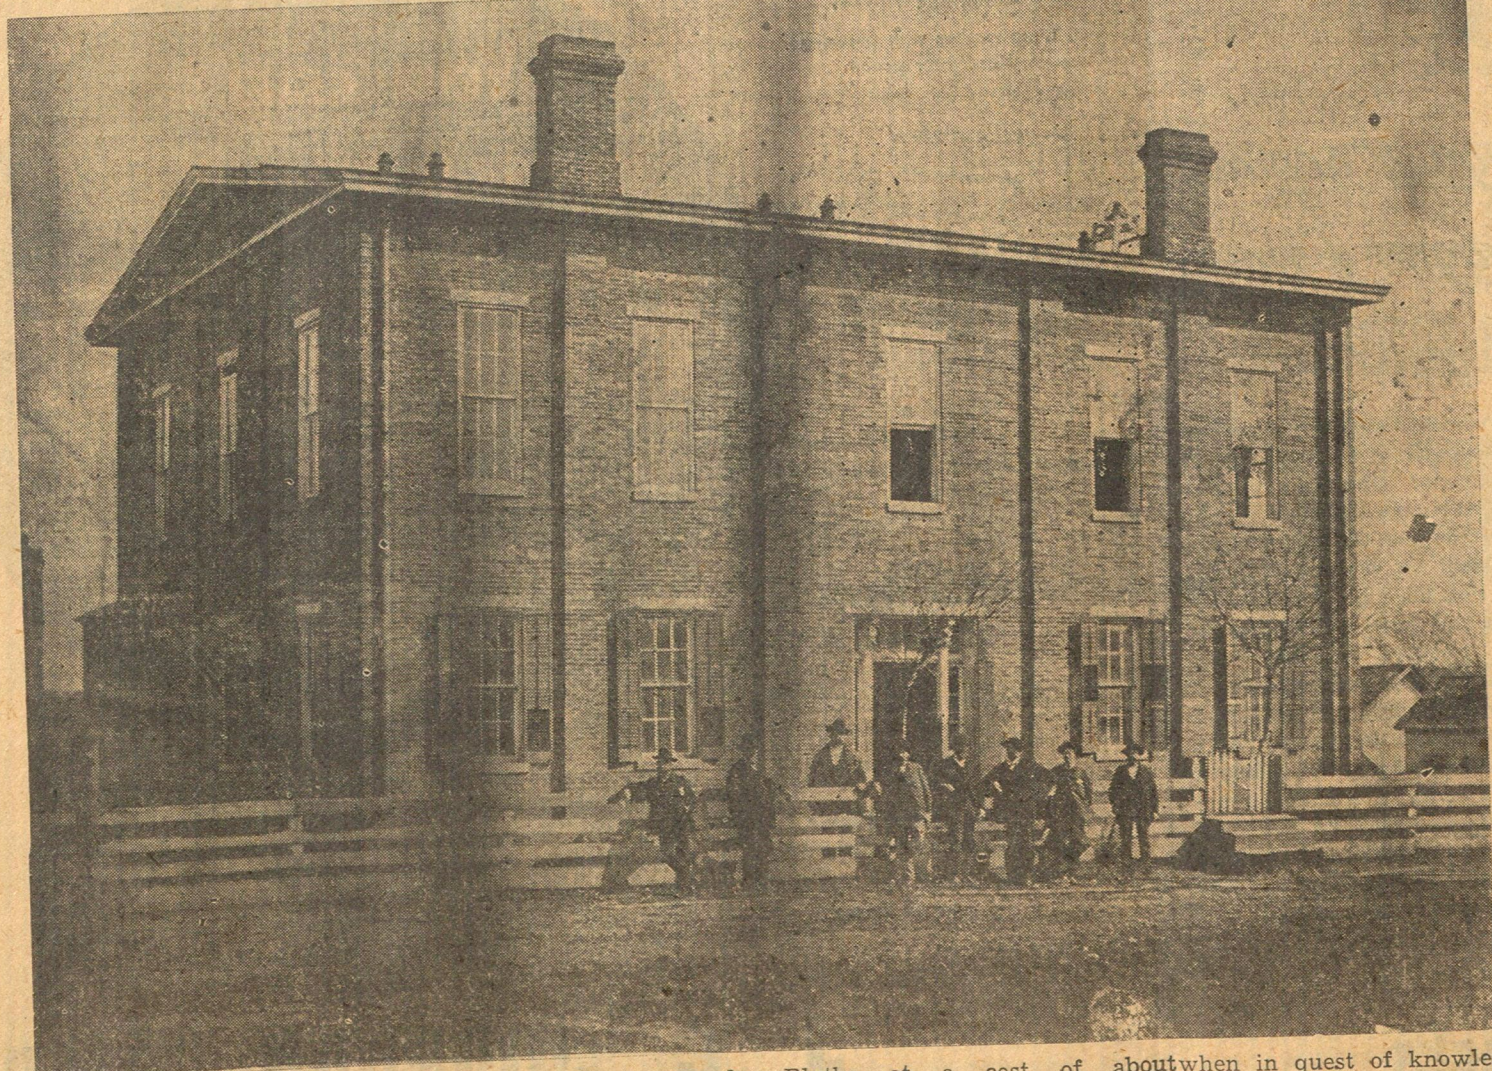

District winners in farm management, who will also attend State 4H Round-Up, are Joe L. Earnest of Itawamba County, and Harry Lott, of Grenada County.

Harold Sims is District winner in the 4-H Farm and Home Electric contest and Bobby Keith Horne is District winner in the 4-H Corn contest. They will also receive trips to the 4-H Round-Up in Jackson.

### SACRED HEART MASS

Monseigneur Kearney of Memphis, will say Mass November 19th, at Sacred Heart Church at 8:00.

### FIRST TISHOMINGO COUNTY COURT

Prior to the erection of the old court house pictured above Tishomingo County covered a much wider area of Northeast Mississippi. It included in its wide boundaries the area now known as Alcorn and Prentiss counties as well as the present county of Tishomingo. But

some of the early pioneers decided Tishomingo County was too big, so they sliced off a few sections and called one part Alcorn and the other Prentiss. This was in 1870 when Iuka became the county site of Tishomingo and the court house still stands there and many people still visit the old landmark

Blythe at a cost of about \$5,000.00. This magnificent edifice, however, had a short life, as it burned just sixteen years later in 1886. Jacinto was the original county site of Tishomingo. The old court house still stands there and many people still visit the old landmark

Erle Coker, Jr., National Commander of The American Legion will speak during a mammoth celebration in Tupelo on November 22nd.

### FORMER TISHOMINGO COUNTEAN CALLED TO ACTIVE DUTY

John Cullenger Bostick, BM3c USNR, of Jackson and Natchez, has been called to active duty, reporting to Charleston, S. C. He is the son of Mrs. John Harper of Jackson, but lived for several years with his grandparents, the late Mr. and Mrs. J. C. Miller, Iuka, Route 1, and attended Midway and Holcut schools.

J. C. is a World War II veteran, having served 27 months in the Navy, 20 months of that time was aboard the U. S. Tausig DD746 in the Pacific. He holds the American Theater Medal, Asiatic-Pacific Medal, Victory Medal, Philippines Liberation and Chinese Occupation Medal.

He was connected with the Printing Department of The Office Supply Co., after being discharged in 1947, but has recently been employed by the Natchez Democrat.

His aunt, Mrs. Margaret Rast, lives on Iuka, Route 1.

## Contract Awarded For Natural Gas Distributing Station At Iuka Wednesday

### MERCHANTS TO OBSERVE THANKSGIVING

We the following Merchants agree to observe Thanksgiving as a full Holiday and agree to close for the entire day, November 23, 1950:

Bostick Barber Shop  
Mrs. J. W. Hiett

### SOUTHEASTERN CONSTRUCTION CO. LOW BIDDER AT \$150,139.35

## Arrests Made Over Week End Various Ch'gs

### PRELIMINARY GRAND LARCENY CHARGE TRIAL FRIDAY

Edward Thacker, of Michie, Tenn., and Leroy King, of Alcorn County, were arrested by the Sheriff's office here on charges of grand larceny growing out of the theft of five hundred pounds of seed cotton from the cotton shed of Troy Wilkins, who lives five miles north of Burnsville in Tishomingo County. According to Sheriff Pace, King was arrested in the vicinity where the cotton was stolen, and Thacker was arrested Sunday at his home near Michie, Tenn. The cotton was recovered where it had been sold by King and Thacker to Wayne and Greer Gin Company, near Tulu, Tenn. Both men have made statements of admission and a preliminary trial will be held Friday, Nov. 17th, before John W. Bonds, Justice of the Peace.

### Actual Construction To Begin Mid-December

The contract for the construction of the gas system in Iuka was awarded Wednesday to the Southeastern Contracting Company of Birmingham for a sum of \$150,139.35. The nearest bidder to the Southeastern Company was S. A. Buchanan which bid was \$176,233.95. Both of these companies are bonded by United Fidelity and Guaranty Company.

Mr. Pete Cox, manager of the Southeastern Construction Company stated that he appreciated receiving the contract and said that work would begin in Iuka in December, using local labor as much as possible during the construction period which would be for 125 days or nearly four months. "Shipment of pipe into Iuka will begin right away," Mr. Cox said. "One of the big problems which we have now facing us," he said "is obtaining a warehouse in which to store the big quantity of pipe necessary for the job."

Mr. Cox also stated that gas for some parts of the town would possibly be available in sixty days after he construction begins, but of course, he said his does not mean that the job will be completed within this period.

### IUKA TAKES TWO FROM TISHOMINGO

By Betty Stokes

The Iuka girls took an easy decision from Tishomingo 52-21. They were led by the high scoring Carson with 22 points. Sappington led the way for the losers with 12. When Iuka led by a comfortable margin, second and third teams were sent in and they, too, showed up remarkably well.

The Iuka Warriors, getting off to a rather poor start, found it difficult to counteract the deadly accuracy of Reggie Carter's shots. Therefore the home team was trailing at the end of three quarters 24-21. With approximately two minutes remaining in the fourth quarter Gurley of Iuka was fouled by Carter of Tishomingo just as he was making a toss at the basket which proved to be good. Gurley's free shot also rang true and Iuka led 27-25. This brought the entire crowd to their feet with a roaring cheer of delight. Then as the Tishomingo boys fought back desperately, Dean, who had played superbly, intercepted a pass, dribbled into shooting position, and rang up two more points that brought his total for the night to 19. Then before the ball could be put back into play time ran out bringing to an end two minutes of play that shall, perhaps, not be excelled for sensation and thrills the remainder of the season. The final score showed a 29-25 victory for the local lagers.

### IUKA SPLITS TWO WITH PADEN

The Iuka girls lost a heart-breaker to Paden 42-37. Iuka played a great first half but in the second-half Curtis and Philbin left the game with injuries. High scorer for the winners was Deaton with 24 points and for the losers it was Carson with 15. Bugg and Gurley played their usual good games at guard.

The Iuka Warriors took an easy 36-19 victory from Paden boys. Taking scoring honors was Deaton with 15 points for the Warriors and Martin with 10 points for Paden.

Don't forget the games next Tuesday night, November 21, when Iuka meets Belmont in the Iuka gym. There will be three games, beginning at 6:30 and the admission is 25c for everyone. "The Basketball Queen" will be crowned between games. Due to the Thanksgiving holidays, there will be no game the following Thursday night.

Brooks and Mrs. Arnie Hellums, both of Corinth, Mrs. Ina Dexter of Kossuth, and Miss Mary Harwell of Oak Ridge, Tenn.

### RAINY DAY SCHEDULE FOR IUKA SCHOOL

In response to requests from many quarters, the Iuka Faculty in a recent meeting proposed to establish a rainy day schedule for a trial period. Until further notice, this schedule will be observed when before 10:15 A. M. it appears that the weather will be unfit for outside play.

The morning recess and the activity period will be deleted from the regular schedule, a twenty-five minute noon break will begin at 12:00 o'clock, classes will be resumed at 12:25 and school will be dismissed at 1:55.

It is hoped that the plan will be workable and acceptable because of these features:

(1) It materially reduces opportunity for children's exposure to unfavorable weather, while meeting the needs of our neighboring elementary schools;

(2) No high school class period has been eliminated or shortened; and

(3) Regardless of whether or not the rainy day schedule is in effect, the noon break will invariably come at 12:00 o'clock and pupils will be available to parents who come for them.

### CHRISTMAS PARADE AT FLORENCE NOVEMBER 25

The annual Florence Christmas Jubilee and parade will be held on Saturday, November 25, it was announced this week by a spokesman of the Florence Retail Merchants Association of the Florence Chamber of Commerce, sponsors of the project.

"No effort is being spared to make this one the finest and most spectacular parades even seen in this section," eGorge McBurney, publicity chairman stated.

A large number of floats will be entered by local industries, schools, civic groups and other non-retail organizations together with bands and clowns and Santa Claus "in person" to delight the tiny tots.

Christmas windows with the theme of Christmas will be displayed and extensive street lighting is to be completed in time for the all-day celebration, it was stated. Parade time is 10:00 a. m., and everyone is urged to come early to secure a vantage point from which to view the mile-long spectacle.

### ERNEST HARWELL Services Held At Iuka For Retired Rail Man

Services for Ernest Harwell, born in Tishomingo County, who died Monday afternoon at his home in Saulsbury, Tenn., were held Tuesday in the Iuka Church of Christ. Burial was in Iuka Cemetery. He was 55.

Mr. Harwell was a retired railroad man. He had been employed by the Southern Railway for many years, with headquarters at Moscow, Tenn. After ill health forced his retirement he lived in Saulsbury, Tenn.

He was reared near Iuka,

where his family were large landowners and where he married Miss Birdie Broughton, who with one daughter, Mrs. Donna Bell Carr of Saulsbury, survive. He also leaves two brothers, Wilford and Edwin Harwell of Iuka, and four sisters, Mrs. Tom

## COUNTY AGENT NEWS

By Paul Keller

### THERE IS MONEY IN THE MEADOW

No one doubts but what there is money in the meadow because a permanent pasture or meadow means not only soil conservation but soil improvement.

The dairy cow will pay better returns from hay, pastures and roughage than any other type of livestock. Dairy income is a steady income. Other kinds of livestock properly managed are profitable but the dairy cow will pay the largest returns for labor and investment.

In the past ten years the population of America has increased about 20 million. That means a tremendous additional market right here at home. We are all interested in promoting full production for the expanding market of this rapid growing America.

We have the land, labor, climate and the know how right here in Tishomingo County to do the job and to reap the profits for our own people. The following is a little poem that fits the dairy cow:

The farmer's best friend is his old dairy cow,  
If he owes a debt she will pay it somehow.

She grazes the roadsides to eke out her life,  
And works without wages, the same as his wife.

Though Jersey or Holstein or Shorthorn her breed,  
Hard work is her habit and thrift is her creed.

And if when she comes home at night to the barn,  
You praise her or blame her, she don't care a darn.

She always has something to add to her pelf  
She brings in the coupons, just clip them yourself;

Get out the milk stools, it down with a bump,  
Grab hold of the handles and pumpity-pump.

She helps with the living and keeps us all fat;  
The hired man, the baby the pig and the cat.

Then dad takes the surplus to town and, by heck,  
The creamery gives him a nice check.

Then when she is ready to die of old age,  
The butcher writes finish at the end of the page.

Then back to our table she comes, I'll be bound,  
In prime ribs and steaks that

cost ninety a pound. The rural people of America are the backbone of the Nation. They are the best people, morally, religiously and otherwise. They don't have a lot of fancy ideas about the many isms that eventually wreck a Nation if there is no balance wheel. The rural people are our Nation's balance wheel.

The only thing short about rural America is that they are not well organized as every other group in the Nation is fully and completely organized.

The American Farm Bureau has more than all other farm organizations combined. The farmers have accomplished much through the Farm Bureau because they have 1½ million members. Our farmers in Tishomingo County and over most of Mississippi do not take the active part they should in their own organization. Every state around us has several times as many members as we do. We are a leading cotton state and we need the help of the American Farm Bureau in shaping agricultural policies and in sponsoring legislation that effects the farmer.

Remember that legislation affects every group of people in America. That is why labor groups have big office buildings in Washington and maintain lobbyists there to protect their interests.

Who is protecting the farmer's interest? No one but the farmer and they need your help. Our Agricultural Programs are not schemes to get money from the Federal Treasury. These farmer only wants an even break with other groups. The farm program is definitely tied in with our National Economy. The strength of our Government does not rest in Washington. It rests in Rural America and on the land.

The measure of a community or a civilian is in their ability to work together. The measure of the farmers prosperity lies in their ability and willingness to work together for their own cause. Are you doing your part?

DATE EXTENDED FOR FARMERS TO RECEIVE PURCHASE ORDERS ON VETCH AND A. W. PEAS

A notice was received this week from the State P.M.A. committee extending the date for signing and receiving A. W. Peas and vetch until Nov. 30, 1950.

The Tishomingo County committee feels, that due to weather conditions and late gathering it would be wise to extend this date until Nov. 30, 1950 in this

Pictured above is M. E. Hill, area ranger for the Mississippi Forest Service in Tishomingo and Prentiss counties, standing in a gulley and pointing to a nine-year old stand of pines on 7 acres of land belonging to Grover Ware, Tishomingo County. Mr. Ware planted these trees to stop erosion. Not only have they stopped erosion but today they have grown to a size where merchantable timber can be cut. (Photo Miss. Forest Service)

Tishomingo County, Mississippi, which leads all counties in the United States for the past two years in the planting of pine seedlings plans to plant more than a million in 1950, according to M. E. Hill, area ranger for the Mississippi Forest Service.

In 1948 there were 1,300,000 seedlings planted and in 1949, 1,050,000. The reason for this unusually large planting is attributed by Mr. Hill to the fact that this county is in a watershed of the Tennessee Valley Authority which authority supplies the seedlings. One of the phases of the water control program of the TVA, explains Mr.

There are several plots in the county that the ranger points with pride to the growth of timber on re-seeded projects, which has stopped erosion and the trees are making a normal growth. One in particular is a 7-acre plot planted in 1941 and belonging to Grover Ware of the Paden community. "These trees have grown so well that today 2" x 44" lumber could easily be cut," Mr. Hill believes.

OF COMMITTEEMEN WHICH WILL BE HELD SATURDAY, NOVEMBER 18, 1950. Don't fail to go out and vote. The polls will be open from 8 o'clock until 4 o'clock in the different

Don't forget the letter you received last week asking you to come to the P.M.A. office and sign your application for a soil building practice in the program

year 1950. Check on all these things the next time you are in Iuka or Belmont. We can't work up your application for payment until you have signed.

### BIRDSONG URGES ALL FARMERS AND CATTLEMEN TO HELP PREVENT THEFT OF CATTLE

Our Investigators are working night and day on cattle thieves throughout the State of Mississippi. Says Birdsong, "In just a few months of operation and with limited personnel, we have recovered thousands of dollars worth of livestock, have already sent a number of persons to the penitentiary and a lot more in jail awaiting trial, and still another group awaiting action of the Grand Jury in a number of counties. With all the work we are doing we need and must have the cooperation of all concerned, and, therefore, farmers and cattlemen are urged to take extra precautions during the winter months to guard against the theft of cattle and other livestock.

The majority of cattle are stolen during the night, usually from some back road, or road running adjacent to pastures. All wire gaps and gates leading into these roads should be locked or done away with as this gives the rustlers easy access to the pasture.

One practice is for the rustler to make contact with some local person who will steal the cattle and have them tied out at a designated spot near the road, usually in some creek swamp or bushes. In this manner the rustler's truck will only be there

for a very short time.

Fences should be checked regularly to see if they have been cut or tampered with, and the cattle checked and counted as often as possible.

Investigate all gunshots heard in pastures, as someone may be shooting the cattle for the purpose of butchering them.

Take description and tag numbers of all cattle trucks seen parked or driving on roads near pastures at night; also in the daytime if you are suspicious of their actions. Panel trucks are also used to transport cattle, for in this manner the cattle cannot be seen by anyone unless the truck is opened.

As most of the crops have been gathered and cattle turned into the fields, the fences to these fields should be in good condition, as cattle will get out and stray out on the roads, making them easy prey for the cattle thief.

By all means brand, or mark your stock, and have the brand registered with your local Chancery Clerk. Unmarked cattle are prime targets for the cattle rustler, and the identification of these cattle are very difficult at times.

Always know the person from whom you purchase livestock, and obtain bill-of-sale or certificate, giving the owner's name and address. As an added precaution, take tag number of vehicle, type, make of truck whom you buy stock from. When transporting cattle or other livestock on the public highways, always have certificate or bill-of-sale with you."

Mr. Farmer and cattlemen

won't you do your part and cooperate with these men so they can help you?

SPORTS

CONSERVATION - SPORTS  
By Leslie C. Moser

All lovers of the sport of quail hunting are thinking mostly now about one big question: how is the bird crop this year? How many covies in certain areas? How many birds per covey? Just what have we done as individuals to aid these quail to increase in numbers of covies and birds per covey? I will answer that question as an average follower of the sport. I spend about \$100 each year keeping, feeding and training two bird dogs. Add \$25 for gasoline, hunting clothes, shells, etc. It is very simple to see that I spent over \$100 on my plans to participate in my favorite sport. That very well pictures the average bird hunter also. If we are asked then what we have been doing to replenish the bird stocks that we have depleted, the answer invariably must be, well, I buy my hunting license. From that DOLLAR the Game and Fish Commission must pay the game warden and other minor expenses, and may have 40c left from the dollar. Not much can be done with that. Besides it's natural enemies, the odds against the quail is over 100 to one from the hunter. Can we expect the quail to increase under such pressure? Is there anything we can do about it? There certainly is. Facts on this question later.

SPORTS NEWS  
By Harold Cosby

This season for the Tishomingo Bulldogs promises to be an exciting one. Already the Bulldogs "T" have won two games and lost one. They have defeated Holcut and Paden with an average margin of 23 points, and were defeated by a narrow margin of 4 points. We don't think they can do that again.

The Bulldogettes have lost all three of their first games. For some reason, they don't seem able to get off on the right foot. In their game with Holcut, they showed plainly that they can (with a little more practice) get going. They got ahead of Holcut several times, and it seemed that victory was almost ours. But in the end we were defeated by a narrow margin of 3 points.

The Bulldogs "T" have only played one game and rewarded our confidence in them by defeating Holcut with a score of 12-6.

CIVIL SERVICE EXAMS.

Examinations are now open for emergency indefinite appointments to the positions of Pharmacist, \$3825; Medical Technician, \$2875 and Library Assistant, \$2875 per annum, for employment at Camp Polk, Leesville, Louisiana, according to Mr. A. J. Leach, Regional Director of the Tenth U. S. Civil Service Region.

Applicants will be rated on the basis of their experience and training and will not be required to take a written test. There are no age limits. Further information and application forms may be secured from the Regional Director, Tenth U. S. Civil Service Region, Federal Office Building, New Orleans, Louisiana or from any first or second-class post office in the states of Louisiana or Mississippi.

Applications may be filed with the Regional Director, Tenth U. S. Civil Service Region, Federal Office Building, New Orleans, Louisiana until further notice.

IUKA, MISS.

"THE HOME OF CURLEE CLOTHES"

CORINTH, MISS.

Weekly News Letter

By W. F. Bond, Commissioner  
State Dept. Public Welfare

No applicant for old age assistance from the welfare department is required to take an oath of any kind. The only thing an applicant does is to fill out a blank showing what his needs are and give a list of his children so that they may be contacted to see if they are able altogether or individually to take care of their parents. There has never been any such thing as a "pauper's oath" or any other kind of oath required of any applicant either by law or regulation for public assistance.

TISHOMINGO NEWS

Bro. Jimmy Moffett was called to his home in Carthage, Texas, a few days ago due to the illness of his father.

Guests in the home of Dr. and Mrs. N. C. Waldrep during the week end were Mr. Harold Waldrep and family, Amite, La.; F. M. Owens and family, Marianna, Ark.; Mrs. Roe Daniel and Mrs. Mary Burns, Iuka.

Mr. Neal Gray is a patient in the Kennedy Hospital in Memphis.

Prof. and Mrs. W. R. Nettles have recently been notified of Billy Nettles' promotion as Captain. He is still stationed in Japan.

Guests in the home of Mrs. Mary Blissitt were Mr. and Mrs. Howard Jackson and Mr. Turner Blissitt and family, Hernando, Miss.

Mr. and Mrs. Palmer Jones from Ripley, Miss., have been recent guests of Mr. and Mrs. Hoyt Phillips.

Several from here attended services at Bethany Sunday afternoon. The Rev. Kinkade of Booneville, is pastor there.

Mr. and Mrs. Bill Southward of Ripley, Miss., spent the week end here.

The members of the Ladies shall be appreciated.

Auxiliary sold poppies last Saturday. The Auxiliary is very active under the leadership of Mrs. Minnie Lee Patterson.

Mr. Herbert Trim and family, from Tennessee, were visitors here during the week end. Also Mr. Buddy Waddell and family, of Tusculumbia.

On December 2nd (first Saturday in December) the members of the Methodist Church are making plans to sponsor a bazaar and serve a chicken dinner in one of the buildings on main street. Dinner will be served from 11 o'clock until 1 p. m. The public is invited to participate. Your cooperation will be appreciated.

Mrs. Alta McRae has returned home, after spending several days in the hospital in Corinth, where she received medical treatment on her eye.

Mr. and Mrs. Aubrey Hicks and baby from Memphis, have been guests of Mr. and Mrs. Bob Woods last week end.

Mrs. Perry Hill and Mrs. Jewel Pruitt from Iuka, have been recent visitors in the home of Dr. and Mrs. Waldrep.

The Youth Fellowship group meets every Sunday evening at 6 o'clock. The sponsors are Mrs. W. R. Nettles, Mrs. Quay Brown, Miss LuVera Blissitt and Mrs. Amy Taylor.

## RUPTURE

H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Waldron Hotel, Corinth, Saturday only, November 25, from 9 A. M., to 2 P. M.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No understraps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge. 6509 N. Artesian Ave. Chicago 45 Large incisional hernia or rupture following surgical operation especially solicited.

## Notice To Creditors

Letters of administration having been granted on the 24th day of October, 1950, by the Chancery Court of Tishomingo County, Mississippi to Clifton E. Ramsey upon the estate of Mrs. Ercell Bullard of Iuka, Mississippi, deceased, notice is hereby given to all persons having claims against said estate to present same to the clerk of said court for probate and registration according to law within how well you treat it.

six months from this date, or they will be forever barred. This the 24th day of October, 1950. Clifton E. Ramsey, Administrator

## State of Mississippi.

To: Emma Beachum, 910 Pruitt Street, Florence, Alabama; Annie Bell Pollard, 424 Circle Road, Florence, Alabama; Mattie Coger, Barton, Alabama; Annie Pride, 3927 Carey 3, East Chicago, Illinois; Freddy Holliday, 503 Wood Avenue, Florence, Alabama; Mary Roach, 202 Circle Road, Florence, Alabama; Arena Tucker, 1341 Market Avenue, Akron 6, Ohio.

You are hereby commanded to appear before the Chancery Court of Tishomingo County, Mississippi, on the Second Monday of December, 1950, to defend the suit in said court of Bessie Williams, wherein you are defendant.

This 19th day of October, 1950. J. C. Jourdan, Jr., Clerk

## ADVERTISEMENT FOR BIDS

Sealed proposals for the construction of a Headquarters And Warehouse Building For Tishomingo County Electric Power Ass'n, at Iuka, Mississippi, designated REA Mississippi 43 Tishomingo, will be received by the Board of Directors of Tishomingo County Electric Power Association, Iuka, Mississippi, until 1:30 P. M. CST on November 22, 1950 at which time and place they will be publicly opened and read.

Plans and Specifications are on file at the office of the Tishomingo County Electric Power Association, Iuka, Mississippi and copies thereof may be obtained from B. A. England, Jr., A. I. A. Architect, Corinth, Mississippi upon payment of twenty-five (\$25.00) dollars which payment will be refunded to each bona-fide bidder within ten (10) days after the bid opening, by return of plans and specifications in good condition. Additional sets of plans and specifications may be obtained upon the payment of Ten Dollars (\$10.00) which payment will not be subject to refund.

Proposals must be submitted on the form as bound in the Specifications and must be accompanied by a Bid Guarantee of at least five percent (5%) of the base bid, all in accordance with the General Conditions or Modifications thereof bound with the Specifications.

Performance and payment bonds in the full amount of the Contract will be required for Contract Security.

No bid may be withdrawn within thirty days after the scheduled closing time for the receipt thereof.

The Contract will be awarded to the lowest acceptable bidder except that the Board reserves the right to waive any informalities in, or to reject any and all bids.

Board of Directors  
Tishomingo County Electric Power Ass'n  
Iuka, Mississippi  
By W. J. Pyle,  
President of the Board of Directors  
(14-3t-173t)

## Notice of Trustee's Sale

I, J. D. Finch, trustee, under the provisions of and by virtue of the authority conferred upon me in a deed of trust made by L. L. Davis and Lula Reynolds to J. D. Finch, trustee, on the 16th day of November, 1949, to secure a certain indebtedness to J. D. McRae and which said deed of trust is recorded in Trust Deed Book 30, page 288, in the Chancery Clerk's office of Tishomingo County, Mississippi. I will on the 8th day of December, 1950, offer for sale, and will sell at public auction for cash to the highest and best bidder, at south door of the county court house at Iuka during legal hours the following:

Part of the northeast quarter of Section 36, township 1, range 10 East, described as follows: to-wit: Beginning at the southwest corner of said quarter, run thence north 26 rods and 11 feet to a point, this point being the point of beginning, run thence north 53 rods and 14 feet, thence east 40 rods, thence south 53 rods and 14 feet, thence west 40 rods to the point of beginning, containing 13 acres, more or less.

J. D. Finch, Trustee

The soil is the foundation of the farm family's living. How well it yields will depend on how well you treat it.

THE VIDEETTE, IUKA, MISSISSIPPI

## 4-H CLUB HONORED WITH "HOG DOG" SUPPER

Four-H Club members and leaders in the 4-H Club work of Tishomingo County, including Paul Keller, County Agent; T. K. Marlin, assistant County Agent and Miss Ruth Fletcher, home demonstration agent, were honored with a "hot dog" supper on Monday night at the Veteran's Hut sponsored by the Chain Store Council of Corinth.

Following the invocation by the Rev. Z. T. Rankin, pastor of the Mt. Gilead Baptist Church the chain store managers from Corinth were introduced: S. J. Lindy, chairman of the Chain Store Council of Corinth and manager of the Black and White Store and Mrs. Lindy; Ernest Hubley, manager of F. W. Woolworth & Co.; Mrs. Dorothy Burkitt of the

Sears-Roebuck Order Office; Patrick A. Dunne of the Daily Corinthian and Mrs. Dunne. Those unable to attend were Charlie Deaton, manager of the Kroger Store; Sid Grier, of Belk-Hudson's and Mrs. Ruth Davis of Kuhn's Store.

D. Mercier, owner of the Edgeworth Farms Dairy, who serves on the state 4-H Advisory Council, explained the work that is being done by the Council, pointing out the constructive work that is being done for the 4-H Club boys and girls of the State.

Both the 4-H members and their leaders expressed their appreciation to the Chain Store Council of Corinth, for their keen interest in this work in Tishomingo County, to which Mr. Lindy gave a gracious response in behalf of the Council.

Mr. Lindy asserted that the 4-H Club work helped build leadership in young America in addition to building up more progressive farms, and this is of vital interest to all people of this area. He also praised their leaders for the splendid job they are doing with the boys and girls of Tishomingo County in this worthwhile work.

To complete an evening of fun a square dance was held with M. A. Rowzee serving as master of ceremonies.

This program will be rebroadcast over WCMA Friday afternoon at 1:30 o'clock.

## PERSONALS

Mr. and Mrs. Douglas Gist, who have recently moved to Smithville, spent the week end with Mrs. Gist's parents, Mr. and Mrs. W. H. Gardner.

DEVOTIONAL READING: Psalm 84.

## Christian Worship

Lesson for November 19, 1950

SOME one has said that if the Christian church did nothing else but offer a regular opportunity for public worship of God, she would have justified her place in the sun. This is a rather misleading truth for if a church did nothing but worship it would not be doing its whole duty, indeed it would not be a true church. As our Scripture plainly shows, worship disconnected from life is not only good, it is sinful.

**Why Worship?**  
WHAT is worship, and why do we worship at all? We might define it as a meeting with God, both conscious and desired. "He shines in all that's fair," and in truth we are in his presence all the time. But we are not conscious of him all the time. When we are conscious of him, then one of two things happen. Either we hastily shut our minds and run away from him in fear, which is sin. Or we linger, feeling it is good for us to be here.

And then it is worship. Or again, we might call worship conversation between man and God. Every part of it is either our listening to God speak to us, or our speaking to God in some way.

Why worship? We worship because we love God. Otherwise it would be a bore, at best, or a kind of self-torture at worst. We worship because we need God. If Jesus needed both public worship and private prayer, so do we far more. We worship because we need to know God's will.

**Why Worship Together?**  
PUBLIC and private worship cannot be substituted for each other. Readers of the Bible know how they were intertwined in the experiences of God's people, and how our Lord himself, who used to attend the synagogue services regularly, also sought God on the hills alone. A man who never meets with God alone in prayer will not know how to come to public worship in the true spirit; and a man who habitually stays away from church for no good reason is not a person whose private prayer-life is likely to be a healthy one.

We need to worship together with other Christians. We need this experience to strengthen our own prayer-life. We need it to keep us from selfishness in our prayers. Intense, earnest prayer, and full of faith too, may be seriously wrong if it is essentially selfish.

In corporate, public worship we are reminded that none of us stands alone; that God has many children. We need to worship together because it is one of the very few things, perhaps the only one, that all human beings can do as one. No two of us are alike, yet we are alike in this one thing: We are all human beings in need of God. To worship together is to be reminded of this.

**Why Worship As We Do?**  
THOUGHT not to be surprising that men worship God in so many ways, for there are all sorts and conditions of men. But within the Protestant churches, our differences are not important. Essentially we have much the same "pattern" of worship. It will be helpful to you, the next time you are in church, to ask, at each part of the service: Why do we do this? What good does it do? Could it be left out without being missed?

As you visit other churches from time to time, take note of any differences, not in a spirit of criticism but considering whether you might learn from them. What do you and they have in common.

You will agree that there are hardly any parts of a typical Christian worship service which we could do without. We need the prayers, for in them we all pour out our hearts together before God. We need the hymns and psalms, because they express the beauty and the joy of our faith; most of them are prayers set to music. We need the Scripture reading, because in it we hear the Word of God. We need the sermon, because it applies the Word of God to our own lives and problems. We need the offering too... why? But the offering is true worship only on one condition. Do you know what it is? After all, the real test of every part and variety of true worship is: Has this experience brought man and God closer together in spirit and in truth?

(Copyright by the International Council of Religious Education on behalf of 40 Protestant denominations. Released by WNU Features.)

## MT. JOY BAPTIST CHURCH

Bro. Eld. K. J. Bobo, Winfield, Ala., Pastor  
Sunday School—10 o'clock each Sunday.  
Preaching on Wednesday and Thursday nights after every second Sunday.

## HOME OWNERS' QUESTION BOX

Q—How should window screens be prepared for winter storage?  
A—Brush the wire netting to remove any dirt collected in the mesh. A coat of paint should be applied to rusty screening, but brush off the rust before putting on the paint. Use a special screen paint or a regular exterior paint thinned with turpentine or linseed oil to prevent the paint from filling the mesh.

Q—What should be done if a table top, too close to an open window, becomes splashed by rain?  
A—First, the moisture should be mopped up with a clean cloth or chamois. Then, as soon as the surface is thoroughly dry, furniture cream should be applied liberally, rubbed in, and the surplus wiped off.

Q—What color should I make my roof to blend with gray sidewalks and yellow window shutters?  
A—There are numerous soft or blended colors of asphalt shingles which you might like. It all depends on your personal taste. However, you are approaching the problem backwards. Because the roof is so large and prominent, the asphalt shingle color should be selected first, and all other colors should be picked to harmonize with the roof.

Q—How can a sticking drawer be made to work easily?  
A—If the sticking is not too serious, it can be remedied by rubbing wax along the top edges. If this fails, pull the drawer out and sand the edges a trifle.

Q—What kind of enamel is best for stoves and stove pipes?  
A—Stoves, stove pipes and other metal objects that are subject to excessive heat can be re-finished with a special heat-resistant enamel. While designed to withstand rather high temperatures, it will not last long on surfaces which become red hot. Caution: Do not apply the finish while the surface is hot.

## TEN GROOMING POINTS MAKE BOSS SAY "YES"

Here's some good advice for you "job-huntin' gals!"

Good grooming often spells the difference between an enthusiastic "yes," and a definite "no" from a prospective employer.

That's the observation of Marie W. Brennan who has placed over 2500 female job-aspirants in high salaried secretarial positions during the past two years. She finds all these openings from her position as director of placement and training service for Dictaphone Corporation in New York City.

"There are more secretarial openings available now for qualified girls than ever before," explains Miss Brennan. "This is because more business men each day are making use of Dictaphone's new Time-Master, and can keep more secretaries employed. And at present, the supply doesn't seem to meet the demand."

"But," she is quick to add, "these jobs aren't open to just anybody. These bosses are strict. They want girls to be well-groomed besides being good secretaries."

"Here are ten points on good grooming for the office that should help any girl land that big opportunity:

1. Hair: If too curly, tame it, if too straight, put a wave in it, and by all means, keep it clean! Long flowing hair went out with the Republicans. Blonde, brunette, or red, don't combine your colors. Rainbows are beautiful, but not on your head.

2. Make-up: Use it by all means, but don't go overboard.

3. Hats: Wear one. Save the kerchiefs for skiing, and the bows for the maternity ward.

4. Perfume: The males go for it... to a degree. But, don't overdo it. Heavy cologne, or perfume will shorten any interview.

5. Odors: Heed those ads that say "even your best friend won't tell you!" The only thing your prospective boss will tell you is to leave, if you're not careful.

6. Nail Polish: Be well manicured. Either wear nail polish unchipped, or don't wear it at all.

7. Girdles: Should you wear one? If you are old enough to look for a job, the answer is "yes!"

8. Heels: High, medium, or low, just be sure they are straight. Fashion magazines show low heels, but most gentlemen prefer high heels that slim the ankles...

9. Blouses and Gloves: Light blouses and gloves are lovely if they are fresh.

10. Dress the Part: Wear practical clothes. If you are decked-out in a swishy cocktail dress, don't go into an office... go to a cocktail party.

Mrs. Jennie Lee Adele, 412 N. 27 St., East St. Louis, Ill., a nurse, says she wishes she had found out about HADACOL sooner because since taking HADACOL she feels so good. Mrs. Adele was suffering a deficiency of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron which HADACOL contains.

Here is Mrs. Adele's own statement: "I have been a nurse for over 14 years. My food never seemed to agree with me. I heard one day how so many folks were being helped because of HADACOL. I tried it and after 3 bottles I could tell a big improvement. Now I eat anything I want—sleep well and I am full of energy."

## Why HADACOL Gives Such Fine Results

HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of aches and pains in the shoulders, legs and arms, certain nervous disturbances, and a general run-down weakened condition due to deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin but also helpful amounts of important Calcium and Phosphorus.

## Nurse Tells How Hadacol Was So Helpful To Her

Supplied Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin Which Her System Lacked

Elements so vital to help maintain good health and physical fitness.

**Why These Vitamins and Minerals Come In Liquid Form**

There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

**Don't Be A 'Doubting Thomas'**

After reading Mrs. Adele's wonderful experience with HADACOL—how can you doubt that this great new nutritional formula will help you if your system lacks Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin?

What HADACOL did for Mrs. Adele, it can do for you if you're troubled with aches and pains in the shoulders, legs, and arms, certain nervous disturbances, insomnia where due to an upset stomach, stomach distress and a general run-down weakened condition due to such deficiencies.

So what are you waiting for? Don't you see that HADACOL is the kind of product you need—the kind you should buy and the kind you should start taking immediately!

**Sold On A Strict Money-Back Guarantee**

HADACOL even helps build up the hemoglobin content of your blood (when Iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful.

Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around—a burden to yourself and your family—when relief may be as close as hand as your nearest drugstore if you suffer a deficiency of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron. This great HADACOL is inexpensive, too—costs only a small amount a day. Trial size, only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana. © 1950, The LeBlanc Corporation.

**WILSON DRUG COMPANY**  
Corinth, Miss.

Smart new rear fenders and quarter panels, a greatly enlarged rear window, new bumpers and grille, and head lamps positioned nearer the outside edge of the fenders characterize the 1951 Lincoln. Interior changes consist of new trim schemes, new hardware, new package tray, redesigned steering wheel, new instrument panel control knobs and separate left and right hand controls for the ventilating system. The 1951 improved V-8 Lincoln engine has 154 hp.

Pleasing exterior changes, smart new interior trims, and a more powerful and smoother engine are incorporated in the 1951 Lincoln Cosmopolitan. New wrap-around bumpers, a new grille, redesigned tail lamps and side moldings extending the entire length of the car are among the changes made to accentuate its graceful lines. An improved V-8 engine with 154 hp powers the 1951 Cosmopolitan.

#### YOU RECRUITING OFFICER SAYS:

Recent regulations from the Department of the Air Force prohibits the enlistment of men in the Air Force Reserve who have had no prior service or who are classified 1-A under Selective Act, T/Sgt. L. L. Galpin, Recruiting Representative of the Corinth Recruiting Area, announced today. At the outset of the Reserve program, young men not yet of selective service age were eligible to enlist in the Air Force Reserve and insure that all active duty performed would be with the Air Force, the sergeant explained. Members of the Air Force Reserve were not subject to the Selective Service Act, thus any young men about to become members of the Armed Forces through Selective Service are enlisting in the Reserve. There is one exception to men with no prior service being ineligible for enlistment in the Air Force Reserve, the sergeant stated. When there is a vacancy in an Air Force Training Reserve Wing, then men with no prior service may be listed to fill the vacancy. Units of the Army Organized Reserve Corps are in no way affected by the Air Force Reserve directives. According to Unit commanders, men with no prior service may be enlisted in the Army Organized Reserve Corps Organized Units.

#### FOOTBALL AT BLUE MOUNTAIN THANKSGIVING

The intra-mural Thanksgiving football game at Blue Mountain College will be held at 2 p. m., November 23. Team members are being chosen and practice begins today.

The "Red Terrors," composed of sophomores and juniors, will pose the "Yellow Jackets," made up of freshmen and seniors. Mildred Mullikin, teacher of physical education, is the coach, and Miss Jeanette Collier, a sophomore, is director.

#### THANKSGIVING... AND THE METHODIST HOME

Thanksgiving, originally set aside as a day of "prayer," reflection, and the giving of thanks" can be just such a day this year for all Mississippians. This year, as in the last dozen or so years, by proclamation, the date of Thanksgiving has been changed. But, yet, there at least will be a day of Thanksgiving in this land of plenty. The Mississippi Methodist Home in Jackson, "the only home" for 115 children this Thanksgiving, is calling for funds with which to build a combination school-chapel administration building, this November. The idea has the blessing of Bishop Marvin A. Franklin; the approval of Rev. J. H. Morrow, Superintendent of the Methodist Home, and resolutions from both Mississippi conferences were passed in June on the subject. For all Mississippi Methodists, a special offering will be taken according to the conference resolutions, "the last preaching day before Thanksgiving in every local congregation." The Mississippi Methodist Home was chartered in 1895, first established at Water Valley, moved to Jackson after being destroyed by fire in 1904, and in fifty years has "raised" nearly 5,000 boys and girls.

#### ESSAY ON FOREST FIRE PREVENTION FOR NEGRO SCHOOL CHILDREN

A subject dealing with forest fire prevention will afford an opportunity for all children in the seventh grade of negro schools of the Northeast Mississippi Forest Service to try their hand in essay writing during the current school year, so states District Forester Leon F. Estes of Grenada. The contests will be launched on or before December 1, in each of the 19 counties of the district and winners on the county level will compete for a district prize. The contest will end around March 15. Rules and regulations governing the contest will be announced.

Mr. and Mrs. Grady Barnes, Mrs. Sallie Barnes, Miss Ruby Ramsey and Linsey Earl Jones were visitors in the Millard Lard home Sunday.

#### STATE METHODISTS ASKED FOR GOOD-WILL OFFERING

Jackson.—Mississippi Methodists are being asked, in a special good-will offering, to provide funds for the building of additional facilities at the Methodist Home here.

"About \$100,000 is needed to augment donations from private donors to complete a well planned building program," Bishop Marvin Franklin has stated. The fund raising drive has the approval of Bishop Franklin, the Home Superintendent, and of both the North and Mississippi Methodist Conferences of the state. Conference resolutions, adopted in June, asked for "an offering to be taken the last preaching day before Thanksgiving in every local (Mississippi) Methodist congregation" for the purpose of providing buildings to house the school, administration offices and chapel. Due to circuit charges of some local preachers, it was pointed out, the day of solicitation of this free-will offering for each local congregation may not be the Sunday before Thanksgiving as

on the calendar but in some instances will be soon after. Nearly 5,000 children have been cared for by the Methodist Home in its 50 years of service to Mississippi. There are 115 members of the Methodist Home "family" this year.

# SOCIETY

Please call us and tell us about your clubs, parties and guests. One of the greatest compliments you can pay your guests is to see that their name is in the social section of your local paper. All copy received by Tuesday noon will appear in that week's edition.

## 20th Century Club Guests At Jackson

Eighteen of the nineteen members of the Twentieth Century Club attended the Iuka luncheon given last Thursday in the Club's honor at the Robert E. Lee Hotel in Jackson.

Mrs. E. E. Cutshall, president of the 20th Century Club presided with Mrs. Robert Lambert of Jackson, state chairman of the Build a Better Community contest in which the 20th Century Club took top honors, winning \$10,300 of the \$60,000 given by the Kroger Company. The Kroger Company was joint sponsor of the contest, working with the General Federation of Women's Clubs.

Mrs. Lambert was introduced by Mrs. Hermes Gautier, retiring president of the Mississippi Federation. The invocation was given by Mrs. W. S. Stone of Okolona, president of the Third District of the Mississippi Federation. Mrs. Dan Ott of Morton, proposed a toast to the 20th Century Club to which Mrs. J. E. Thomas of Iuka, responded.

Mr. Roy Godley of Cincinnati, representing the Kroger Com-

pany, praised not only the winning club but all women's clubs for the splendid work they are doing throughout the nation. He declared there were no losers in the contest, that all communities gained from the effort put forth by these women.

The principal speaker, Mrs. Minor R. Nixon, past president of the 20th Century Club related the work of the Club during the contest year that culminated in the winning of the National prize last May 31st. She stated the 20th Century Club had not done anything which any well organized group could not do.

Mrs. Herndon Chambers of Iuka spoke briefly on the club's work and gave the club's aims for the future.

## MRS. JOURDAN HOSTESS TO THURSDAY STUDY CLUB

The Thursday Study Club met in the home of Mrs. Jim Jourdan last Thursday afternoon with Mrs. D. O. Jourdan as hostess.

Mrs. W. V. Stokes, program leader for the afternoon and Mrs. W. J. Pyle gave a most interesting program on "Pilgrim

Return To Cape Cod" and "The Yankee Coast".

Mrs. Jourdan served a salad plate.

## LUCY ROWE STUDY CLUB MEETS WITH MRS. PRUITT

The Lucy Rowe Club met in the home of Mrs. Ward Pruitt Thursday night. Plans were made for a chili supper to be held soon. The Lucy Rowe Club is launching a campaign to buy an incubator to be used in Tishomingo County. Watch for more details later.

The program for the evening was on "Southern Prose and Poetry," with Mrs. Eloise Foote, program chairman. Others taking part on the program were Miss Marion McDonald, Mrs. Sam Daniel and Mrs. W. T. Dexter.

Bronze chrysanthemums were used throughout the house. The club members and guests, Miss Verna Wood, were served coffee and cake at the conclusion of the meeting.

## THURSDAY CLUB HOLDS NOVEMBER MEETING

Mrs. Elmus Curtis was hostess to the Thursday Club at their November meeting last Thursday, with a large membership present.

A dainty bouquet of pink roses and baby's breath was on the coffee table and a lovely arrangement of large bronze chrysanthemums made a most attractive centerpiece for the dining table.

There was a short business meeting, during which plans were discussed for the furthering of our club project, a library. It was announced a room in the court house has been secured

to be used for a library and a number of books are now in the hands of club members for proper cataloging. Our pastry sales on Saturdays will continue to raise funds for this project.

Mrs. Fred Gallagher, who had charge of the program on "Community Health," introduced Dr. Bostick, who spoke on "Cancer." Dr. Bostick's talk was most informative and of great interest to his listeners. Mrs. Towery read an article giving "Ten Ways to Age Successfully." Mrs. Gallagher read an article on "The Rights of Old People."

Guests were Mrs. R. J. Brown and Mrs. A. E. Bostick.

The hostess served a most delicious salad plate following the adjournment of the meeting.

## AMERICAN LEGION AUXILIARY MEETS IN REID HOME

The basement of the C. B. Reid home was the meeting place for the American Legion Auxiliary to roll bandages last Wednesday afternoon.

Mrs. Delbert Williams, Mrs. Clarence Pace and Mrs. Jack Roane as hostesses served coffee and cake for refreshments.

## ANN JUDSON CIRCLE MEETS

Mrs. Harmon Byrom was hostess to the Ann Judson Circle last Wednesday night. Seven members were present and the Book of Judges was studied.

Mrs. Byrom served delicious refreshments.

## Personals

Mrs. Adelaide Price of Mem-

phis spent several days last week with Mrs. Fred Gallagher.

## BAKE WONDERFUL BISCUITS EVERY TIME! It's so easy NOW with Betty Crocker's New STIR-N-ROLL Biscuit Recipe!

This amazing, new STIR-N-ROLL Recipe Guaranteed\* to give you richer, flakier biscuits—with a tender crispy crust!

Amazing! Add salt and baking powder to Gold Medal Flour. Pour Wesson Oil with milk into dry ingredients. No cutting in shortening.

Just stir lightly until mixture cleans sides of bowl and rounds up into a ball. Knead gently in bowl.

No floury mess to clean up. Press out with hands or roll out between waxed paper.

• Even a beginner can succeed, the very first time! Thanks to this new, easier biscuit recipe by the Betty Crocker Staff of General Mills. Try it. It's much quicker, too, than other home-mixed recipes. No cutting in shortening. Simply pour Wesson Oil with milk into dry ingredients and stir. No floury mess. You roll or pat out the dough on waxed paper. Or if you're in a special rush, simply drop dough from spoon. We say that your drop biscuits will make your family exclaim, "Gee, Mom, you're super!"

This new, easier STIR-N-ROLL Biscuit recipe is sure! And here's why. First—the recipe has been tested and retested to perfection.

Second—you use fine, dependable Gold Medal Flour and light, pure Wesson Oil. This great team makes STIR-N-ROLL Biscuits wonderfully tender, with a crisp golden crust top and bottom!

Gold Medal "Kitchen-tested" Enriched Flour is uniform from sack to sack... month to month. It helps assure you success with STIR-N-ROLL Biscuits and all your bakings.

Wesson Oil is so easy to measure—stands up under the highest baking heat. Pure, vegetable Wesson Oil is famous, too, for Chiffon Cakes, STIR-N-ROLL Pastry, salad dressing, and frying.

## Betty Crocker's STIR-N-ROLL BISCUITS

ROLLED BISCUITS PATTED BISCUITS DROPPED BISCUITS

|                                  | Sweet Milk Biscuits | Buttermilk Biscuits |
|----------------------------------|---------------------|---------------------|
| Sifted GOLD MEDAL Flour...       | 2 cups              | 2 cups              |
| Double-action Baking Powder..... | 3 tsp.              | 2 tsp.              |
| Salt.....                        | 1 tsp.              | 1 tsp.              |
| Soda.....                        | 1/4 tsp.            | 1/4 tsp.            |
| Wesson Oil.....                  | 1/2 cup             | 1/2 cup             |
| Milk.....                        | 1/2 cup             | 1/2 cup             |

Preheat oven to 475°. Sift dry ingredients together in a bowl. Pour oil and milk into a measuring cup, but don't stir together. Pour all at once into the flour. Stir with a fork until mix-

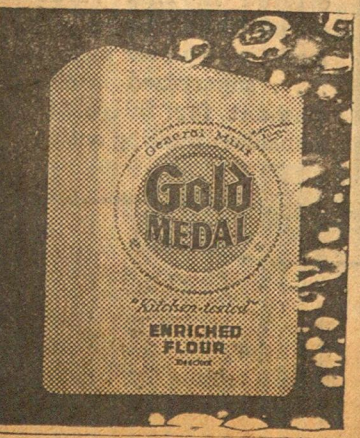

ture cleans sides of bowl and rounds up into a ball. For dropped biscuits: drop by spoonfuls onto ungreased cookie sheet. For rolled or patted biscuits: smooth up by kneading about 10 times without additional flour. With the dough on waxed paper, press out 1/4-in. thick with hands, or roll out between waxed papers. For a thicker biscuit, roll dough 1/2-in. thick. Cut with unfloured biscuit cutter. Bake 10 to 12 minutes on ungreased cookie sheet in very hot oven (475°). Makes about 20 medium biscuits.

\*If you use GOLD MEDAL Self-Rising flour, omit baking powder, salt and soda.

NOTE: If you are doubling or tripling the recipe, measure oil and milk into a bowl; then pour all at once into the flour.

IMPORTANT! This new Betty Crocker recipe developed exclusively for GOLD MEDAL FLOUR and WESSON OIL
