### Iuka Bows To Cherokee, 40-18

The Cherokee Indians visited the Iuka Chieftains last Friday night here at Lions Stadium. The Indians gave the Chieftains a rough time; however, Cherokee was heavily favored over Iuka.

Iuka was not picked to score over Cherokee, but came through and scored three touchdowns, which hadn't been done in three years.

The Indians have not been defeated this year. They have won 6 games. The Chieftains have won one game and have lost six.

Cherokee scored three touchdowns in the first quarter. Quarterback West ran the first touchdown from the two yard line. White followed with the extra point. Smith scored the second touchdown and West made the extra point. West scored the third touchdown and White made the extra point.

In the second quarter, Webster scored but did not make the extra point. Iuka scored before the half was over, when fullback Jimmy Ramsey ran off tackle and ran 50 yards. Iuka failed to make the extra point.

The third quarter went scoreless. In the fourth quarter, Cherokee started again when White ran over and West made the extra point. The offense of Iuka found weakness in the strong defense of Cherokee and scored two touchdowns in the fourth quarter.

Halfback Donnie Carson broke loose and ran 60 yards for the 2nd touchdown for Iuka. Iuka got the ball again but was forced to kick and Cherokee fumbled on the 25 yard line. Donnie Carson moved it to the 19 yard line with about 20 seconds to go. Jimmy Ramsey caught a pass to score his second touchdown and Iuka's third touchdown. Iuka failed to make the extra point. It was a hard game and the final score was Cherokee-40 and Iuka-18.

Cherokee got 16 first downs and Iuka got 7 first downs. Iuka was penalized only 5 yards while Cherokee was penalized 25 yards. Cherokee completed 1 out of 4 pass attempts and Iuka completed 1 out of 7 pass attempts. Iuka fumbled twice and Cherokee also fumbled twice.

Tonight (Thursday) Iuka will travel down to Fulton to play Mantachie. The Chieftains will look forward to coming home with a victory. On October 27th, Iuka will be back home for the homecoming game with Belmont. Everyone is urged to go down to Fulton tonight and back the Chieftains.

Mr. and Mrs. Olen Nunley have returned home

## Why Your Vote Is Important

If the Bond Issue to expand and enlarge the shoe plant for the First, Second and Third Districts is to pass, every qualified voter in those three districts must go to the polls and cast his or her ballot Friday, October 27, FOR the bond issue.

Under a BAWI Bond Issue, certain regulations must be carried out if the election is to be legal. Those regulations require that at least 51 per cent of all qualified voters of the area designated in the Bond Issue must go to the polls and vote, and of that 51 per cent voting at least two-thirds will have to vote for the proposal for it to pass.

Opportunity is knocking at the door for residents of the first three districts for them to provide an increased payroll and additional jobs for citizens who have been forced to go elsewhere to find employment.

We do not want our children and relatives to leave our communities and move away from their homes to find jobs — but that is exactly what will continue to happen unless we do our duty and go to the polls Friday, October 27, and vote for the Shoe Plant expansion bonds.

The expansion will not cost the taxpayers of the first three districts one cent in additional tax levies. The Shoe company will pay rental money each month as they have been doing for the past six years in an amount sufficient to pay off both the bonds and the interest as they become due.

The pay roll resulting from the bond issue for the expansion will mean added employment for approximately 200 more citizens and with two hundred additional people working many other jobs will be created thereby affecting many hundreds of citizens in this area.

There is definitely no way the citizens of the first three districts of Tishomingo county can lose by voting for the expansion bonds for the shoe plant. We have pointed out only a few of the many reasons why we should all be happy over the privilege to cast our ballots for a progressive industry such as this. We feel that most everyone is in favor of the bond issue, but we would like to emphasize the importance of and the responsibility each person has to go to the polls and cast a ballot in the election. Be sure to go to the polls and VOTE on Friday, October 27.

## Plenty Of Tags At Sheriff's Office

Sheriff Clarence Pace says that his office still has plenty of automobile tags and suggests that all auto owners come on in and get theirs. To date (Wednesday) slightly more than 800 car tags had been sold and approximately 400 pickup truck and other tags had been purchased.

There are approximately 5,000 motor vehicles of various descriptions registered in this county. So with the 1200 that have been sold, a balance of over 3,500 are still without tags. This means that tag buying is going to get crowded toward the end of the month.

Sheriff Pace urges all those who have not purchased their tags to come on in before the final rush.

## Rural Housing Loans Now Available To Owners Of Non-Farm Tracts In Area

### May Be Used For Construction, Repairs, Remodeling, Or Shelters

Families living in small rural communities and in rural areas, even though not engaged in farming, may now be eligible for the housing loans made by the Farmers Home Administration, according to Hays Woods, the agency's county supervisor for Tishomingo County.

The Housing Act of 1961 broadened the eligibility requirements for rural housing loans. As a result, owners of non-farm tracts in rural areas and in small communities of not more than 2,500, as well as farmers, may be eligible for this type of credit.

"This program is an important new tool in promoting the development of rural areas," Mr. Woods said. "Rural housing loans will not only help families obtain better homes but will put more carpenters, plumbers, and electricians to work, and will increase the sales in lumber yards and building supply firms."

Housing loans are made for the construction, repair, and remodeling of dwelling and essential farm buildings and to provide water for farmstead and household use. In addition to major construction,

## Miss Gober Complimented With Shower

The home of Mrs. Ruth Stormont on Highway 72 West was the scene Thursday night of a miscellaneous shower complimenting Miss Karen Gober, bride-elect. Mesdames Ernest Bullard, Pat Cooper, Ray Curtis, John Lyles, Gene Jourdan and Jimmy Bugg, Misses Glenda Dean, Martha Stormont and Margaret June Woodley served as co-hostesses.

For the occasion, the Stormont home was made unusually attractive throughout with gift bouquets of artistically arranged fall flowers.

The honoree, wearing a brown fall cotton with full skirt, assisted Mrs. Stormont in receiving. She wore a white carnation corsage tied with silver ribbons pinned at the shoulder.

A silver and white color scheme prevailed in the dining room where guests were served punch, individual cake squares, mints and nuts. Each cake square was frosted in white and topped with a silver bell and decoration. The table was overlaid with a white cutwork cloth and centered with the punch bowl, which was surrounded with fern, white carnations and interspersed with silver and white wedding bells. Flanking this were triple silver candelabras holding glowing white tapers. An arrangement of white carnations in a low silver bowl graced the buffet.

The honoree was the recipient of many lovely and useful gifts, which were displayed in the bedrooms. Among the collection was many pieces of crystal and china in the bride-elect's own chosen patterns along with a most elaborate array of miscellaneous items.

Among those calling during the appointed hours from out of town

were Karen's grandmother, Mrs. R. S. Sims, her aunt, Mrs. O. W. Wiggins, Elizabeth Ann Wiggins and Gayle Morrow, all of Red Bay.

Randel L. Dill  
Serving With Army  
In Fort Jackson

Private Randel L. Dill, son of Mr. and Mrs. Arthur R. Dill of Route 4, Box 96, Iuka, has been assigned to Company D, 3rd Battalion, 1st Training Regiment of the U. S. Army Training Center, Infantry, at Fort Jackson, S. C., where he is undergoing eight weeks of Basic Combat Training. He has been taught rifle marksmanship under the U. S. Army's Trainfire program which enables the modern soldier to become a better rifleman in less time than previous methods. In this program, most of his training consisted of firing his rifle at pop-up targets at unknown distances on terrain which duplicates combat areas. Other highlights of his intensive training include squad tactics, bayonet and hand-to-hand combat, and crawling the infiltration course while machine gun fire

is popping overhead. Many of his instructors are combat veterans of World War II and the Korean War. During his seventh week of training, he will live in the field under conditions similar to those in the forward area of a battle zone. He moves over rough terrain on foot and in tactical vehicles and participates in numerous combat situations of a realistic nature. He learns the practical applications of the skill and knowledge.

Ditches On Farm  
Worth \$200 Year

Coleman Helton of Holcut says the ditches surveyed by and constructed under the supervision of the local Soil Conservation Service technicians, on his farm this year are worth \$200.00 a year to him.

"I knew I needed them but they are paying off better than I thought they would," says Mr. Helton.

"In my own mind I thought they should have been put elsewhere, but I figured you fellows knew

more about land drainage than I did and I know now that you do," he continued with a smile.

Ditches properly surveyed and constructed in the right way will pay on good land where drainage is needed.

We who work for the Soil Conservation Service in Tishomingo County appreciate the compliment Mr. Helton has paid us. Our sole purpose is to help farmers to make the best use of their land and to conserve their soil for future generations.

If you have a land drainage problem. Come by your local Soil Conservation office in Iuka and talk with us about it. We may be able to help you.

## Crawford-Patterson Clan Reunion Held Sun. At Tishomingo State Park

Crawford-Patterson Clan held its second annual reunion at Tishomingo State Park Lodge Sunday, October 1st. Even the falling steadily did not dampen the spirits of the family, all of whom were registered and were seated at tables bearing the family name in colors.

Officers are Eunice Patterson, president; Carolyn Gaiser, 1st vice-president; Bonnie Gurvey Bullard, 2nd vice-president; and Evelyn Gurvey, secretary-treasurer. All were elected unanimously in the meeting held following luncheon.

of the various branches of ancestry and introduced the visiting members of each family as she came to them. First to be introduced was Charles G. Crawford of Senath, Mo., who gave a brief speech on the Crawford family in that state. Then, Mrs. Marcus Greene of Hollywood, Calif., Mrs. Helen Lane, Mr. and Mrs. M. Gibson of Hillsboro, Texas, P. H. Patterson of Emmett, Arkansas, and Oscar Crawford of Houston, Texas, were introduced. Also Billy Gurvey who was home on leave from the U. S. Army at Ft. Huachuca, Arizona, and Mr. and Mrs. J. C. Johnson of Hartselle, Ala.

Lovely corsages and boutonnieres of white carnations were pinned on Mr. and Mrs. J. C. Deaton, only members present of the Crawford's older generation, and Mrs. M. Greene, Mrs. H. Lane and A. L. and P. H. Patterson of that family. Also on Mrs. Gibson in honor of her mother, Luie Patterson Bolton, who died August 1st.

A song, "When We All Come Back Home," selected by Mrs. J. A. Anglin of Lucedale, Miss., who could not be present for the meeting, was sung and dedicated to her. At the suggestion of C. B. Patterson, it was adopted as the official song of the Clan.

Ancestral charts, placed around the room, proved of much interest to the various members as did the Family Scrapbook, with its graphic family trees by Bonnie Bullard, its "In Memoriam" page, the New Baby page, pictures in color of the initial reunion, made and mounted by the Levi McHaffey's, and other clippings and pictures of interest, with art work and lettering by the Gaisers, the McHaffey's and Bullards. But the attention getters were the old family pictures mounted on posters for better viewing. This was Carolyn McHaffey's idea and proved most successful.

A bountiful picnic lunch was eaten in the Lodge dining room and then pictures were taken by Mr. and Mrs. Basil Wheeler. Later, the rain having ceased, some of the men and children had games and horseshoe pitching to interest them while others visited and talked, or sang songs.

Present for the festivities other than those mentioned above were From Alabama, Mr. and Mrs. Charlie Crabb, Cay and Connie, Mr. and Mrs. H. A. Patterson, Mrs. Barbara Baker and Stephen of Sheffield, Mr. and Mrs. Albert Crawford, Mr. and Mrs. Herald Crawford, Susan, Kathy and Jenny Lou of Tusculumbia, Dr. C. C. Gaiser of Cherokee, Patsy, Naomi, and Kathy Crawford of Huntsville and Leonard C. White of Red Bay.

From Illinois, Mr. and Mrs. Thomas Jarnigan and Shawn Michael of Chicago. From Mississippi, Mr. and Mrs. Marion Crawford and Frances Ann, Mr. and Mrs. Andrew Crawford, Mr. and Mrs. E. A. Patterson, Lois Tucker and Carleta, Mr. and Mrs. A. E. Patterson, Kenneth, Annette and Danny, A. L. Patterson, Mr. and Mrs. Dan Young, Dannis and Dannette, Herman Bullard, Gary, Duane and Ricky, Mrs. Stella Gurvey, Mr. and Mrs. Billy Gurvey, William and Emily Jo of Iuka.

Mr. and Mrs. J. P. Rickard, Mrs. Harriet Eddy, Mr. and Mrs. F. H. Crabb, Mr. and Mrs. H. E. Hester and Jane, Mrs. Eloise Southward, Mrs. Bertha West and Mr. and Mrs. J. B. Patterson of Tishomingo; Mr. and Mrs. J. L. Hopkins and Sheila of Dennis, Mr. and Mrs. Lee T. Crawford, Mr. and Mrs. Clovis Vandiver of Corinth; Mr. and Mrs. A. L. Gurvey of Booneville, Mr. and Mrs. R. D. Deaton, Keith and Robert of Paden, Mrs. Jo Wright of Belmont.

Mrs. C. E. Morton of Jackson, Tenn., Mr. and Mrs. C. B. Patterson, Gayther C. Patterson and Timmy, Bernard A. Patterson, Glenda Gail Morton, Mr. and Mrs. Carol Robertson and Brenda Carol, all of Memphis.

Next year on the first Sunday in October, the Clan plans to meet in the Iuka Mineral Springs Park.

## Mary Brown, Lt. David Adams Wed In Ceremony Performed At Nashville

Miss Mary Turner Brown became the bride of Lt. David C. Adams in a late afternoon ceremony solemnized Sunday, October 1st, in the Wrightman Chapel of Scarritt College in Nashville. The Reverend Cecil Woods, Jr. of Sewanee, Tenn., was the officiating clergyman.

The bride is the daughter of Mr. and Mrs. Cletus Murray Brown of Cherokee. The bridegroom, who is presently serving with the United States Air Force, is the son of Dr. and Mrs. Charles Carnell Adams of Murfreesboro, Tenn.

Music preceding the ceremony was presented by Mrs. Richard Kutzachman. Cathedral tapers and an altar arrangement of Illinois Snow pom poms and large white chrysanthemums formed the background for the wedding party.

The bride was lovely in a gown of ivory satin, designed with a rounded neckline, fitted bodice and elbow length sleeves. The bell-shaped skirt was accented with carding at the waist and ended in a chapel train. A satin band held her chapel length veil of embroidered heirloom lace and she carried a bouquet of Talisman roses and white turbe roses.

Miss Margaret Shu Fen Mae of Taiwan, Formosa, was the bride's only attendant. Her gown was floor length of magnolia taffeta, similar in design to the bride's. She wore a matching headband and carried an arm bouquet of bronze pom poms and Fuji chrysanthemums.

Robert Carnell Adams of Norfolk, Virginia, brother of the bride-

groom, served as best man. Ushers were Robert Jarrett, Robert Mifflin and Edward Adams of Murfreesboro, Tenn.

For her daughter's wedding, Mrs. Brown chose a suit of crushed raspberry wool with a headed hat in a matching shade. Her accessories were black and she wore a corsage of white gardenias.

Mrs. Adams, mother of the bridegroom, wore brown with black velvet accessories and a corsage of white gardenias pinned at the shoulder.

For traveling, the bride chose a suit of Chinese blue wool with black accessories. The couple will be at home for a time in Nevada, prior to his re-assignment to Moody Air Force Base in Valdosta, Georgia.

## Grady Benson Addresses Ladies' Club

### Forest Development Topic Of Discussion

Grady Benson of Booneville, representative of the Tennessee River Pulp and Paper Company, was guest speaker at a meeting of the Lucy Rowe Study Club held Thursday, October 5, at the Sands Rest-

aurant. Mrs. Paul Edmondson and Mrs. Charles Edmondson served as co-hostesses.

Mr. Benson was introduced by Mrs. Hays Woods, program chairman on Conservation. To illustrate Mr. Benson's discussion on Forest Development, he showed color slides of the forest during various stages of growth. Also pictured were the many beautiful flowers found in the pulp wood forest, this being the result of enriched lands and moisture. Mr. Benson pointed out that there were 193 million trees growing in the forests of 12 states in the south.

Mrs. W. C. Hamilton presided over the business session in the absence of Mrs. Paul Weekley, president. At this time Mrs. Julian Long was voted to fill the vacancy of vice-president created by the resignation of Mrs. Sidney Boyd who has moved away. An order for dish cloths was taken. These are ordered each year from the blind people in Jackson. Members voted to buy one band uniform for the Iuka School Band, and to have their name plate added to a club sign that is being assembled by the Lions Club. Mrs. Julian Long, Mrs. Ward Pruitt and Mrs. Leon Phillips were named to a committee to represent the club at a meeting of the Iuka Chamber of Commerce to hear the Community Merit Program discussed.

At the conclusion of the business, the group was feted to Cherry Pie A La Mode and coffee or cokes.

Among those present other than mentioned above were: Mrs. J. C. Byrd, Mrs. Jim Fairris, Mrs. Frank Hardin, Mrs. E. C. Holtsford, Mrs. Merle Nelson, Mrs. George Page, Mrs. Buster Ramsey, Mrs. Joe White, Mrs. Joe Barlow, and Mrs. Boyd Phillips.

Almost everything we compound, dispense, or sell is to help improve your health and comfort. We'll make a fair profit on anything we supply. You know we have to. But this we promise. Your better health and friendship will always be more important than greater profits.
