Plans were announced this week to combine the Bank of Belmont and its Branch, the Tishomingo Bank, with First Citizens National Bank of Tupelo.

Preliminary plans have been approved by the Board of Directors of each bank. Formal action will require approval of the stockholders of both banks and the approval of several

Yellow Creek Port Gets Final "OKAY"

Final legislative approval of the proposed Yellow Creek port on Pickwick lake was given last Thursday about 6:00 p.m., when the House of Representatives gave it a 102-3 vote. Earlier Senate approval was given with a unanimous vote of 50-0.

The legislative action climaxed a seven-month battle by local legislators who have been working to get the bill into law.

Our local legislators who have played significant roles in getting the bill passed includes Representative W. A. Stevens, Representative Clyde Burns, Senator Cecil Summers and Senator Theodore Smith. A great number of legislators, some of them from as far as the Gulf, were very helpful in obtaining passage of the legislation.

Senator Cecil Summers noted that final passage came to a compromise version of the bill. He said the compromise

version specified that the counties of Alcorn, Prentiss, Tishomingo and Itawamba, be sponsoring agencies.

The four counties would be responsible for underwriting the \$1.5 million in state funds that will be used in construction. The repayment of the bonds would come through a two mill tax levy in the four counties.

Summers pointed out that in the event the four counties did not agree to underwrite the bonds then the Tombigbee Water Management Authority might then be the sponsoring agency. Summers said he felt that work on the project would be underway in early 1969.

Senator Theodore Smith said that the compromise bill specified how the directors for the port would be named.

Smith said nine directors for the port would be named from the four counties underwriting the port. He said each board of supervisors from the four sponsoring counties would name one member. Governor John Bell Williams will then select one director from each of the four counties and the governor will also name one other director. The last one can come from either of the four counties.

Total cost of the port, connecting railroad spurs and other work on the project would amount to some \$7 million.

The state's share of the cost would come from land acquisitions for industrial sites. The Tennessee Valley Authority would construct a terminal, warehouse and make channel improvements at an estimated cost of \$5.3 million.

Tishomingo County will be responsible for construction of roads and provide equipment necessary for the operation of the port at an estimated cost of \$65,000.

Only remaining act to make the bill complete is Governor John Bell Williams' signature.

CHEROKEE

Chieftains Take Mantachie First

The Iuka Chieftains open their football season this fall on September 6 when they play Mantachie on the home field. This begins a 10-game schedule for the squad.

According to Coach Grady Ferguson, the team will take on opposition from teams from Tennessee and Alabama this year, as they play on an independent ticket. Due to unusual circumstances, the team is in such a position following the disbanding of the Highland Conference.

Waynesboro is the Tennessee opponent and Red Bay is the Alabama rivals. This will be the first time in 8 years for the

Chieftains to clash with Red Bay since a high rivalry game in the fall of 1960.

The Chieftains will be playing county teams Tishomingo and Burnsville of the Tippamingo Conference and the Belmont Cardinals who are also on the independent ticket.

Rounding out the schedule, the dates reveal the following games: Sept. 6, Mantachie, here; Sept. 13, Waynesboro, away; Sept. 20, Sallito, away; Sept. 27, Tishomingo, here; Oct. 4, Belmont, here; Oct. 11, Ecu, away; Oct. 18, Mooreville, away; Oct. 25, Burnsville, away; November 1, Booneville, here; and November 8, Red Bay, here.

As remembered, the Chieftains carried last year's schedule in the Highland Conference with only 1 loss to top-seeded Sallito.

Coach Ferguson states that a regular practice schedule will begin Monday with a 9 a.m. session and a 5 p.m. session. The first week will consist of workouts in athletic shorts and then beginning on August 15, the squad will put on pads. "We had a pretty good group at our Monday night meeting this week and we expect a total of some 40 boys on the squad by the first game," the coach said.

The honoree wore a lovely sheath dress of pink pima cotton trimmed with white eyelet. The guests registered on arrival and were received by Mrs. Ozema Goodwin and Miss Quillen.

The refreshment table was covered with white lace cloth over pink and was centered with a beautiful arrangement of pink peonies and greenery. Delicious pink fruit punch was served from a crystal punch bowl, with individual cake squares and nuts.

Mrs. Ozema Goodwin, Mrs. Beulah Stephens, Mrs. Gladys Lindley and Mrs. Elaine Brackeen alternated at the refreshment table.

Fair Queen Phyllis Horse Show Winner

Phyllis Kennedy, Tishomingo County's Fair Queen, is a top horse show competitor as fine collection of trophies and ribbons attest.

The pretty equestrienne is a daughter of Mr. and Mrs. Dwight Kennedy of Tishomingo.

She first began her collection at the Tishomingo County Fair Horse Show in 1966. This year's show on the night of Labor Day was her second anniversary with a tally of more than 17 trophies and 14 trophies.

Many of these honors have been won with her favorite horse and old friend "Nell,"

a 12-year-old saddle mare. The strawberry roan will be seen again this fall in the county show. For the first time, Phyllis hopes to show a second of her three horses in the local competition. She will be introducing "Sundust" a sorrel Tennessee Walking Horse. Her third horse, "Nugget," a palomino, has not yet been shown.

At a meeting Friday night of the Tishomingo County Horse Show Association, members made preliminary plans for the county fair event. Complete details of this event are given in this edition of your newspaper.

ALL PRIZES — A prize among prizes is Phyllis Kennedy, a daughter of Mr. and Mrs. Dwight Kennedy of Tishomingo. The 17-year-old Tishomingo High School senior, poses here with her trophies and ribbons collected over a two-year period. Queen of the Tishomingo County Fair, Phyllis urges all riders in the area to plan now for the big show scheduled for Monday night of the county fair which opens September 2.

ASCS News

by Ellett N. Allen
County Office Manager

LIME: The Tishomingo County ASC Committee has designated August as Lime Month. Farmers in Tishomingo County have quite a number of acres on their farms that needs lime. During the month of August while the ground is dry, lime trucks can spread this lime.

The Federal Government, through your Agricultural Conservation Program, will assist farmers in applying lime to cropland, pasture sod, and legume hay land.

Your diverted land that you have mowed, clipped on plow-up should have lime applied on it. Check your needs for lime and visit your ASCS Office at once and sign for the lime you need.

COMMUNITY COMMITTEE ELECTION: The election for 1969 Community Committeemen will be held during the month of September. Ballots will be mailed to all eligible voters in the county not later than September 6, 1968. The final date for ballots to be returned to the ASCS Office will be September 16.

FEED GRAIN AND UPLAND

COTTON PAYMENTS: Signing applications for Feed Grain Payments and Price Support Payments are being accepted at the local ASCS Office.

All farmers must be sure all diverted land for both cotton and Feed Grain has been qualified before they sign for payment. To qualify this land, it must be mowed, clipped or clean tilled.

Let me urge farmers to complete this job and sign your application so checks can be written. All checks will be computed and written by the New Orleans Office by scanning machine. The first checks will be dated September 1, 1968, and will be delivered to farmers after the above date.

The Former Cubby Smith Is Honored At Afternoon Tea

Mrs. Noble Earl Cummings III, of Nashville, was honored with a Sunday afternoon tea at the home of Mrs. J. T. Burrow on Pearl Street in Iuka. Co-hostess was Mrs. G. S. Caldwell of Tallahassee, Fla.

The honoree is the former Miss Juanita Curry Smith, daughter of Mrs. Richard L. Fuller of Nashville and Austin Madison

Smith of Murfreesboro, Tenn. Mrs. Cummings is the granddaughter of Mr. and Mrs. Carey Thorne of Iuka.

Approximately fifty guests called during the appointed hours to extend "Best Wishes" to the new bride and to view the many nice gifts which were on display.

Courtenay Caldwell of Tallahassee assisted with registering the guests, while her sister, Mary, presided at the refreshment table. Other young ladies assisting with serving were Misses Mitzi Ramsey and Abbie Ramsey, both of Iuka. Each of the girls wore summer frocks.

Refreshments were served in the dining room where the table was overlaid with a cream colored lace and cutwork cloth. Centering the table was a silver bowl filled with white snapdragons, yellow baby mums, yellow tulle, and fern and stock. At one end cool orange sherbet punch was served from a massive punch bowl while tiny white wedding cookies, dainty chicken-pecan finger sandwiches were served from silver trays along with salted mixed nuts and candy mints.

The honoree met guests wearing a sleeveless white two-piece dress of double knit designed along double breasted lines with gold buttons, with which she wore

white shoes. At her shoulder was pinned a corsage of yellow daisies with white tulle and ribbons.

The honoree's mother chose for the occasion an a-line shift of white, hot pink and olive green stripes with which she wore matching pink shoes and a pink orchid corsage with green ribbons.

Also present for the occasion was Mrs. Carey Thorne, grandmother of the honoree.

Among those from out of town attending the tea were Mrs. Billy Hampton of Memphis; Mrs. Nora Yarber and daughters, Dorothy and Doris and Mrs. James Lomenick of Sheffield; Mrs. Gene Thorne, Mrs. Rudy Slagle, Mrs. Walter Thompson and daughter, Janice, all of Tusculumbia.

LETTERS TO THE EDITOR

(Editor's Note: The following is a letter received by A. C. Ryan, President of the Board of Supervisors, regarding the county's Civil Defense Programs. The letter is from Kenneth P. Phillips, who is State Civil Defense Director.)

The letter follows:
"This is to give the officials of Tishomingo County a brief report on the progress made in your Civil Defense Emergency Preparedness Programs based upon the report submitted by Zoma Rye, your civil defense director.

"As has been pointed out many times, the progress made in all Political Subdivisions and the services available to your citizens is directly proportional to the efforts put forth by, not the Civil Defense Director, alone, but by the support and assistance rendered by his bosses, the officials in the jurisdiction. Support by the officials makes the difference between a realistic and worthwhile program.

"I am happy to inform the officials that progress made in your jurisdiction has been above expectation. Your wholehearted support and the accomplishment by the combined efforts of all, including the private citizens, is something to be proud of.

"Rest assured of our continued interest and support, feel free to call upon this office at any time.

"With best wishes, I am
Sincerely,
Kenneth P. Phillips
State Director"

EARL F. HARGETT

Earl Hargett Leaves Brunswick Jr. College

Hargett, affectionate by friends and former president at Northeast Mississippi Junior College, Booneville

Hargett, is leaving his present position as president of Brunswick Junior College, Brunswick, Ga., to complete work leading to a doctor's degree at the University of Tennessee. "Dr." Hargett served as the president of Northeast Mississippi Junior College prior to accepting the same position at Brunswick Junior College. He is the son of Mrs. Roxie Hargett of Belmont.

The former Belmont resident went to the new junior college in Georgia as its first president and during the past four years has gained the well-deserved admiration of the faculty and student body.

This was revealed in a recent article in the campus newspaper which stated "Earl Hargett seems to exemplify the human heart beat. Although each part of the body must be perfect, it is the heart that pumps the blood to each and helps it to perform in cooperation with the other parts. Our President has been such a stimulant to all parts of the Brunswick Junior College body — faculty, administration, staff and student body. He has pumped the life blood that has made us all feel our importance in the philosophy and purpose of the College."

Since he and his wife and their four children have made their home in Brunswick, President Hargett was instrumental in organizing the Coastal Georgia Historical Society with 375 charter members. He was elected the society's first president. In addition, under his dynamic leadership, the College Foundation was formed, drawing influential citizens from areas in and adjacent to Blynn County.

Earl Hargett is active in work with the Boy Scouts and the Boy's Club. He is also a member of the Brunswick Rotary Club, chairman of the Citizen's Advisory Committee, a Deacon in the St. Simon's Presbyterian Church, a member of the Chamber of Commerce, Glynn Art Association, the Committee of One Hundred, the United Fund, the Joint Coordinating Committee, the Mozart Society, the St. Simon's Little Theatre, Gibsonian Philosophical Society, the Community Concert and also a member on

several advisory committees relating to college and community endeavors.

According to Denton Coker, Dean of the junior college, "Whatever the future of Brunswick Junior College, it will always be said she had the best possible beginning under the able leadership of Earl Hargett."

On June 13, a proclamation was issued proclaiming the day "Earl F. Hargett Day" on the junior college campus at Brunswick, Georgia. The Fort Stewart 80th Army Band marked the beginning of the day which was attended by dignitaries from the city, county and state who had arrived to pay tribute to the president.

Emcee for the occasion was Jack Thornquest, President of the Golden Isles Broadcasting Company (WGIG). Also on the program was State Senator Ronald Adams who praised Hargett's administration.

The little junior college of 269 students has grown to nearly 800 in the four years of operation under the supervision of Earl Hargett.

★ Suffered Excruciating Headaches ★

ROY MANIS

For the past 10 years...I suffered with EXCRUCIATING HEADACHES! The headaches would linger on for two days at a time and leave me

nauseated. During the entire 10 year period...I thought the cause of my problem was due to my sinuses. I tried everything...nothing worked!

Three weeks ago, I decided to start the new year off right! Seeing so many people go to the chiropractor I decided to give him a try. AM I GLAD I DID! My sinuses, now, do a tremendous...excellent job in draining! Following the very first adjustment...the relief was INSTANTANEOUS! It felt like a load came off my head! Today, I am 100% BETTER! Now, I am another of the pleased Chiropractic group that go to the Chiropractor, and I recommend that others turn to Chiropractic for health care.
