Lady Shot By Masked Man

An elderly woman of the Red
Bay area was shot twice by a
masked man, who entered her
home around 1:00 a.m. last Wed-
nesday morning.
Sheriff J. Stratt Byars said the
woman, Mrs. Veonia Mer-
tin, of Route 2, miraculously
escaped death from a pistol at
close range.

Mrs. Martin said she was
awakened by a man in her room
wearing a sock over his head
and face. He demanded \$100.00.
When she told him she didn't
have more than a dollar or two
in change, she said he jerked
her out of bed and shot twice
after he said, "I think I'll just
kill you."

Mrs. Martin was found Wed-
nesday morning by her daughter,
Mrs. Kenneth Collum, who lives
about 200 yards from the Mar-
tin home, Byars said.

Sheriff Byars also stated that
the shots, even though shot at
close range and leaving powder
burns, did not enter any vital
organs of the body.

The intruder jerked a latch
from the screen door to get in-
side the house.

Community Fund Drive Underway

The Community Fund Drive,
which includes nine charities, is
in full swing as chairmen from
each district in the county are
in the process of contacting in-
dividuals about their contribu-
tions. The budget has been set
at \$21,450.00, an 8% increase
over last year. Mr. Cecil Bro-
wn, Campaign Chairman, is very
optimistic. "The people res-
ponded so well last year that I
am confident that this year's
budget will be met without any
difficulty," he stated.

This drive is unique in that it
is the only county-wide drive.
This eliminates a continual "kn-
ock on the door" for first one
charity and then another. The
nine charities participating in
this drive are: Boy Scouts,
Girl Scouts, Tishomingo County
Handicapped, Red Cross, Cancer
Research, 4-H Club, Heart Re-
search, and Rescue Squad. The
different Rescue Squad groups
will continue to have their road-
blocks since their full budget
could not be met.

District Chairmen and assis-
tants are: First District - Clif-
ton Rhodes, assisted by the Iuka
Jaycees; Second District - Al-
via Blakney; Third District -
Mrs. Lester Skinner, assisted by
Lamar Umphrees; Fourth Dis-
trict - Jack Pennington; and Fifth
District - Jerry McAnally, assis-
ted by V. C. Ginn.

If any person or company wish-
es to donate and isn't contacted
personally by some of these
workers, please contact Mr.
Cecil Brown at Tishomingo
County Electric Power Assoc-
iation in Iuka, Phone 423-2431.

FIGHTING INFLATION

President Nixon's statement of Congress who are wedded to the notion that the country can spend its way into prosperity. Members of these blocs are busy devising programs that would undermine President Nixon's anti-inflation program. For example, a huge expansion of the free food stamp plan was recently approved in the Senate.

The sponsors of this legislation no doubt regard themselves as humanitarians. But isn't humanitarianism to add to the cost of government, to pour fuel on the fires of inflation and, thereby, to weaken the U. S. dollar. When Americans consider the high cost of living, they should look at the most expensive item there is--the cost of government. People worry about the cost of food and complain about increases. But consumers now are spending less than 17 per cent of disposable dollars--after taxes--for food items. Thirty years ago that food took 25 per cent. Thirty years ago, however, federal taxes took only 9 per cent of the national income. Today, 26 per cent of this income goes for federal taxes. Too much money is going into the operation of government at all levels. The proponents of big government spending first became entrenched in Washington. They are still there. But the big spenders also are to be found at the state, county and municipal level. Taxes in these areas are growing at an enormous rate, as taxpayers can readily testify. Every layer of bureaucracy in the United States now proclaims alleged "needs" of their government departments and agencies.

One frequently hears the statement from government officials, in and out of Washington, that the public "must spend" this or that amount on a particular program. The truth is that the end of the world won't come if government spending is curbed. On the contrary, the real danger of collapse comes from continuation of public spending at a high rate. Inflation is but the first step towards devaluation of the dollar. Year by year, the dollar's purchasing power has declined because government is spending more money than it has. The liberals may fool many people at home into thinking inflation is compatible with a sound dollar, but the world at large won't be fooled. One day, Americans will wake up and find out that the world has stopped accepting the dollar at its present value, and insist on formal devaluation.

That's what has happened with the British pound on two occasions since the end of World War II. On each occasion, millions of Britons lost a percentage of their savings. Their pension and life insurance plans and hopes were cruelly altered by devaluation. Those who thought they had enough to get by learned that they didn't have enough income after devaluation. Well, it could happen here. The devaluation of the dollar, as a result of inflation, would strike a massive blow at the American economic system. It could cause untold hardship for millions of people. This is why it is imperative that the Congress and the state legislatures and governors--and, local governing bodies--support Mr. Nixon's anti-inflation measures.

Every layer of government must adopt a balanced budget.

LEWIS LLEWELLYN

Should We Quit In Viet Nam?

How many more people are you willing to have killed in South Viet Nam?

This is the question which we all must answer.

While the tempo of the war in the rice paddies and on the mountains of South Viet Nam is slowing, the intensity of the psychological warfare--in this country--is building up to a crescendo, with protests, rallies, demonstrations, and marches designed to make us decide to pull out our troops now--immediately!

What position should we take on this most vital issue?

Why Not Just Stop?

Nobody--presumably--could be more desirous of stopping the killing in Viet Nam than the South Vietnamese, since they are the ones who have been on the receiving end of this brutal warfare for year upon weary, bloody year.

Then why don't the South Vietnamese just stop fighting, as the war protestors are urging so vociferously that the United States should do?

One answer may be found in the record of Hue, the city which was held for a time by the Communists, after the 1968 Tet offensive.

When Hue was recaptured and returned to American and South Vietnamese rule, mass graves were discovered, where bodies of civilians--many of whom had been clubbed to death or buried alive--were found.

Altogether, about 3,000 bodies were discovered--including those of many women, clergymen, physicians, and other civilians,

tied together in groups of 10 to 15.

Against Killing

It is taken for granted that most people who are against war are against killing.

But how many of those who are now clamoring for an immediate end to our participation in the conflict in South Viet Nam have weighed the consequences of the action which they are advocating?

Before adopting the policy which has been urged on us by our mortal enemy, Premier Pham Van Dong of North Viet Nam--the pull-out policy--let us take into consideration our moral responsibility for the lives of the women and children of South Viet Nam, many of whom have been marked for slaughter by the Communists.

On a recent nationwide telecast, it was authoritatively stated that captured enemy documents have revealed that three million South Vietnamese have been doomed to death by the Communists. Death lists have been captured, identifying the proposed victims.

If this figure seems high--and it certainly does--remember that 3,000 bodies were actually uncovered and counted in and around the one city of Hue.

Wash Our Hands of It?

A long time ago, at the trial of Jesus, Pilate chose to declare his innocence and neutrality. Sending for a basin of water, he washed his hands, saying, "I am innocent of the blood of this just

HUNT FOR TRUTH

BY H. L. HUNT

REDEEMING REPUBLIC USA

Ingenious Truth-siders can design plans and actions which will be successful in redeeming Republic USA from our present dilemma. The greatest and most important task is to get started. If patriots would practice ingenuity they would not spend their time in indignation and in vilifying the press.

The press has the facilities and the capable personnel to save freedom; and patriots should make friends with members of the press and encourage them to save their own freedom and, in the process, save Republic USA. Opportunity is knocking on the Truth-side door. The turn to the right, which has been noted so strongly among the good working people in recent elections, proves that we who are non-Communists need only to answer the door.

New plans and actions are needed for the Truth-side to encourage Freedom's growth. Freedom is a joyous idea and working for it can be sheer delight. Each of us can do with a glad heart whatever he can do best for Freedom and our Republic each day.

Seldom do those who love Freedom have such a golden opportunity to safeguard Republic USA by becoming more active in behalf of Truth and Freedom.

person. See ye to it." So the Guiltless One was put to death. Was Pilate absolved of responsibility, in God's sight, by "washing his hands of it"?

Most Americans want the killing stopped in Viet Nam. Many would like to wash their hands of the whole bloody mess.

But how many innocent people--non-combatants, women and children--are we willing to sacrifice to the Red-handed slaughterers of civilians?

Each positive stroke for the Truth-side suggests other and new avenues for the preservation of Freedom and our Republic. Creative activity far surpasses destructive activity in satisfying idealism.

There is tremendous power in a positive attitude. Persuasiveness is weakened when based on negative arguments and a downcast frame of mind. Our Republic, which was designed by the Founders to take the best care of all of us, whatever minority we may belong to, will not be lost if we are as dedicated in safeguarding it as our enemy is in destroying it.

We who oppose communism are not outnumbered. Non-Communists outnumber the hard-core communists 17,000 to 1, and Truth, logic and history all are on the Freedom side. In September, 1968, party boss Gus Hall announced he had 12,000 party members, and J. Edgar Hoover separately stated that there are about 12,000 hard-core communists in the U.S.

Fellow-travelers should not be confused with dupes and stooges but they are participants free from fatal apathy. They want to "get in on the act", even if on the wrong side. Highly ingenious patriots could convert many fellow-travelers. Converts make good trouper and may be more dedicated and accomplish vastly more than someone who has always been on the Truth-side.

Apathy, ignorance and blind refusal to think are the most potent enemies to confront the enthusiast for the Truth-side. The spirit of crusade may be required, but it can be made without panic, in the tradition of the Founders of Freedom which enables us to maintain the greatest nation the world has ever known.

COUNTY AGENT'S NOTES

CATTLE LICE CONTROL

Before cold weather really gets here is the time to do something to protect your cattle from lice. As you know, lice take a lot of gain out of beef cattle and reduce milk production on dairy animals.

Feed is short this year. There is not any point in using the extra feed that will be necessary

if your cattle are heavily infested with lice.

Right now you may not think there are any lice on the animals, but as cold weather gets here, the lice increase fast and begin to take their toll.

Spraying with one of the many recommended insecticides is the way to get rid of lice. Be sure to use enough pressure to thoroughly wet the animal all the way down to the skin.

Check with your local county agent for a list of the materials recommended for lice control and when using these materials or any other farm chemical, be sure to read the label and follow all recommendations.

PASTURE PLANTING
This is an ideal time to do sodseeding on pastures that have been grazed down or where hay has been cut. Silage fields make excellent sites for sodseeding

as they can be grazed during the winter and early spring. Then faster the sodseed crop has been grazed down in the spring, land can be preplanted and silage planted. No land preparation is needed on these areas for sodseeding. Just run the seeder and put down fertilizer and seed in one operation.

Any clover or winter peas that have not already been planted should be seeded as soon as possible. This should give some growth before hard freezes get here. If you wait too long to plant, hard freezes may come and damage the young plants.

Clover seed do not need to be covered on land where there is no high sod. The inoculated seed can be sown on top of the ground. Winter peas do much better covered but on bermuda sods can be sown on top of the ground.

BULL SALE

The first Gold Seal and Silver Seal bull sale will be held at the State Fairgrounds in Jackson November 13. If you need a good service age bull for your herd, this is your opportunity.

The 27 bulls to be offered will have met requirements set by the Mississippi Beef Cattle Improvement Association. They will be from 20 to 26 months of age and will be ready for service.

Breeds to be represented in the sale include Hereford, Polled Hereford, Angus and Santa Gertrudis.

Natchez Trace Association Meeting

The Mississippi Division of the Natchez Trace Association will hold its annual luncheon meeting at French Camp on Thursday, October 30th, according to Mrs. Ferriaday Byrnes, Association President.

The program will be highlighted by Chancellor Porter L. Fortune, Jr., of the University of Mississippi, who will speak on the value of the Natchez Trace Parkway to Mississippi and the nation.

The National Park Service will be represented by Mr. Leonard W. Volz of Richmond, Virginia, Regional Director of the Southeast Region. Mr. Volz will review the plans and expected progress of the Trace.

Election of officers and reports from the National Park Service, the Bureau of Public Roads and the Highway Department are also slated.

Colors are printed on cotton cloth much like printing on paper.

1970 Census Won't Invade Privacy

Senator James O. Eastland has won the "Battle of the Census."

The Nixon Administration has reversed the government's position—and pledged that the 1970 Census will not be an invasion of privacy. The President has assured that the nose count will provide for "the complete protection of the individual's privacy."

Senator Eastland, one of the first to protest probing questions planned for the upcoming census, said he was pleased with the government's change of mind. "It is heartening to learn that big government, too, can admit its errors and right its wrongs," the Mississippian said.

His protest that "government is going too far, too fast" drew a chorus of cheers from his colleagues in Congress and piled up mail at the Census Bureau and the White House.

Eastland said questions like "how many bathrooms do you have?" and "do you have a television?" went too far into the private lives of citizens. He called for Congressional action "to restore sanity and common sense" to the census.

The census forms, scheduled to be sent out shortly before April 1, will ask only basic questions to determine vital statistics of the populations, the government said. They added that the information obtained will be available to the Census Bureau—and no other government agency.

Senator Eastland said he "hopes the government will stick by its pledge" of privacy. "The census should be used to count the population and that alone," he said.

James Otha Gunthorpe

James Otha Gunthorpe, 76, of Booneville died at 3 p.m. Wednesday at the Northeast Mississippi Hospital following an illness of several years. He was a retired Baptist minister.

Services were Friday at 10 a.m. at the McMillan Funeral Home. Burial was in the Belmont Cemetery. The Rev. Trent Crubbs and Rev. Victor Clayton officiated.

Survivors include his wife, Mrs. Vera Wallace Gunthorpe; four sons, Jasper of Hammond, Ind.; Grady of Booneville; Lewis and Charles of Decatur, Ala.; two daughters, Mrs. Terry Durbin of Winchester, Ind.; and Mrs. Leroy Hathcock of Wilmington, Del.; a brother, T. T. of Fulton; two sisters, Mrs. Porter Samples of Corinth and Mrs. Woody Cantrell of Amory; 15 grandchildren and nine great-grandchildren.

You In The Church
The Church In You
— form a combination
for good. Every man,
woman and child needs
the influence of the
church. So, come let
us go into the house
of the Lord. Let us
support her program
of service to human-
ity, be a faithful work-
er, a daily bible read-
er and attend services
regularly.

The Cross is symbolic of the highest living. It tells of both sacrifice and life at its best. It is a symbol of God, a symbol of Christ, a symbol of the Christian church you attend every week. What would the church be without The Cross! Where might your soul lead were you to forget the Crucifixion? What might happen to your family if it not for the influence of the all-loving Cross in their lives. If you would tomorrow remember you; if you would have your golden years filled with love and hope... then

Bill Spencer Accepts Call To Collierville

Bro. Bill Spencer, Minister of Music and Youth for Iuka Baptist Church, has accepted a call to First Baptist Church in Collierville, Tenn., as Minister of Music and Youth.

He has served the Baptist Church in Iuka for the past twenty months. His wife, Cecile, has served the church both as pianist and organist and as the Young Adult Ladies Sunday School Class teacher. Mrs. Spencer also taught piano to private students. They have one son, Tim.

The Spencer family will be leaving after Nov. 9th services. They will be missed by the church and by all with whom they have been associated.

A reception honoring the Spencers will be given by the Youth Council and Music Committee in the Fellowship Hall of the church at 8:00 following the Sunday night worship service, November 9th. Everyone who would like to

attend this reception honoring the Spencer family are invited to attend.

NEW CHIROPRACTOR COMING TO IUKA

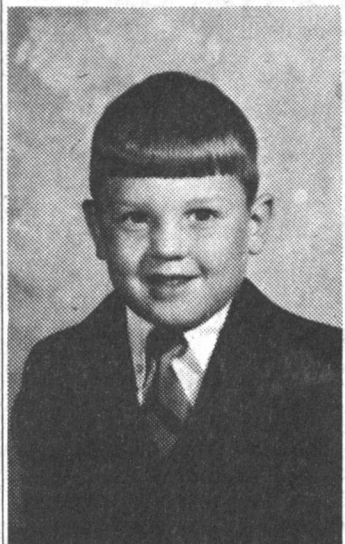

Dr. H. C. Mallinson has moved to Iuka to practice chiropractics.

He will be located at 118 Eastport Street in the building occupied by Dr. James D. Parker.

Dr. Mallinson is a 1921 graduate of the school of chiropractics in Pittsburg, Pa. He has been practicing in Mobile, Ala., for the past 28 years.

He has always been interested in health, however, his livelihood started as a chemist. He developed the formula for the tracer bullets used by the U. S. Army. While a chemist he "discovered" chiropractics and deserted chemistry to enroll in chiropractic college. While there he assisted the dean of the faculty in formulating a basis for a new development in chiropractics, "spinal balance".

Dr. Mallinson invites anyone needing chiropractic treatment to visit his clinic.

Mike Montgomery Celebrates Birthday

James Michael Montgomery celebrated his fifth birthday on November 1st. Mike is the son of Mr. and Mrs. James A. Montgomery. They honored him with a birthday supper Friday night, using decorations carrying out a halloween theme. The cake was chocolate decorated in orange and green, with five candles and the inscription "Happy Birthday Mike". Those present to help Mike celebrate were his grandparents, Mr. and Mrs. Dallas Wigginton and Mr. and Mrs. Earnie Montgomery, his Uncle Bill Wigginton, and Deborah Johnson. Mike received many very nice gifts.

Franks Reunion Held Oct. 5th

The Franks reunion was held October 5th. Those attending were Mr. and Mrs. Donald Yow, Debra and Tracy, Mr. and Mrs. W. D. Franks, Mrs. Edwina Todd and Dianne, Mr. M. O. Franks, Mrs. Jewel Starky, Mr. and Mrs. Clarence Booker and Patsy, all of Iuka.

Mr. and Mrs. Charles Starky of Memphis, Miss Virginia Castleberry of Iuka, Mr. and Mrs. Cairon Crow and Elvis, Mr. and Mrs. Gerald Cleveland of Booneville, Mr. and Mrs. Mike Prestage, Mrs. Louise Draper, Rickie and Angie, Mr. and Mrs. Rauls (Bud) Franks and Mike of Golden, Mr. and Mrs. B.C. Franks of Red Bay, Miss Dena Franks of Birmingham, Mr. and Mrs. David Franks of Fulton, Mr. and Mrs. D. G. Franks, and Mr. and Mrs. Tulon Franks of Belmont.

Everyone enjoyed a bountiful dinner and fellowship.

A wonderful day and dinner was enjoyed by all. Pictures were taken, and Mama Ivy stated that she would feast on this day of surprise as long as she lived.

Holcut 4-H

The Holcut 4-H Club met Tuesday night, October 27, to elect new officers. Those elected were President, Teresa Umfress; Vice President, Tommy South; Secretary, Joyce Richardson; Reporter, Janice Parker; Devotional Leader, Annette Helton; Recreation Leader, Sandra Umfress; Song Leader, Sammy Umfress; Beverly Richardson and Margaret South.

After the election of officers, they discussed the next meeting and decided on having a film to show the new officers their duties. Miss Horton says she will give a green 4-H pin to those bringing new members.

The new pledge leaders closed the meeting with the 4-H pledge.

Revival At First Pentecostal

Revival services will begin Friday night, Nov. 7th at 7:15 at the First Pentecostal Church in Iuka.

Rev. Doyle Spears from Longview, Texas will be the guest speaker. Rev. Spears and family will be singing nightly.

The Pastor, Paul J. Hook, invites the public to attend.

Tracy Thrasher Celebrates Birthday

Tracy Machiel Thrasher celebrated her 1st birthday in her mother and father's home, Mr. and Mrs. Tom Thrasher, on Saturday, November 1st, 1969.

Tracy is the granddaughter of Mrs. Pauline Rich of Belmont, Miss., and Mrs. Opal Thrasher of Boaz, Alabama.

SPORTSMEN'S CLUB FAMILY NIGHT NOV. 6

The fiscal year of the Tishomingo County Sportsman Association begins on the first Thursday night in November and which is the 6th this year. This is also FAMILY NIGHT each year. President Cecil Dexter especially request that the members bring their entire family to this meeting. Again, the time will be November 6th, at 7:00 p.m., at the Iuka Youth Center.

The menu will consist of a "Ham Supper" garnished off with "sweets", coffee, and soft drinks. President Dexter states that this is a very important meeting inasmuch as a movement will be initiated to begin construction of our new clubhouse home. One of our members has made available by donation a site of 4 1/2 acres near Midway we now propose to develop this site with the kind of facilities and

these facilities are set forth in our By-Laws—adequate for our longrange objectives by preserving all of our natural resources.

Should any member have a friend who is a prospective member, please invite them to be our guest on this occasion. Our present membership is now well over the 125 mark and growing each meeting.

Whatsoever Things"

By DONALD E. WILDMON

JUDGMENT

There were two farmers. One was a devout Christian man. He was honest, fair, always helping his neighbors. He needed and allowed his help. The other farmer had no use for the Christian. He cheated, lied, and was a miser. His one sole purpose was to make a dollar. How much the dollar wasn't too important to him. He made it.

There was also a local newspaper editor who was a very dedicated man. He made it a point to lift up the good news in his community. He urged people to be fair and honest in all their dealings. Once he wrote an editorial about the virtues of the Christian farmer. He told his readers that the dishonest farmer was richer they would be if they followed the Way of the Galilean.

Saves Editorial
The editor of the newspaper who had no use for any religion that smacked of religion read the editorial. It was the middle of September when the editorial appeared. The editor cut out the editorial and

both the Christian farmer and the dishonest farmer had large portions of their income. The Christian farmer had large portions of their income. The dishonest farmer had large portions of their income. The Christian farmer had large portions of their income. The dishonest farmer had large portions of their income.

Taking the figures from his extra good crop and those from the Christian farmer's very poor crop, the dishonest farmer sent the editorial back to the newspaper editor along with a letter explaining the stupidity of the editorial. "October has ended and the accounts are closed," he wrote. "I did far better than my Christian competitor. You and your God are stupid and silly."

The Evil Prosper

Sometimes it happens that way. The evil prosper while the good suffer. There are many cases on record of just such a situation. It is true that the rain falls on the just and the unjust and many times it falls on the unjust farmer while it misses the just farmer.

The Way of the Galilean is no guarantee for financial success. Folks coming into the fold thinking that it is are quickly disappointed. They become angry when they see the unjust prospering and the honest struggling. A man named David, a Hebrew king, once wrote that we should "fret not over him who prospers in his way, over the man who carries out evil devices!" We should follow the Galilean not for what we can get from Him, but for what we can give to His Cause.

The editor of the newspaper printed the dishonest farmer's letter. He then closed the article with these words: "God doesn't close His accounts in October."

Don't think the Judge has forgotten the case just because He delays His judgment.

Farmers Controlling Hog Cholera

Tishomingo County Agricultural Agent, P. B. Stricklen reports hog farmers in the county are doing an excellent job of controlling hog cholera from some recent breaks of the disease in the county.

All illness in hogs is not hog cholera, but it could be cholera.

If you have sick hogs, report the illness at once to a practicing veterinarian, county agent, state and/or federal official, who in turn would contact the proper official or submit a specimen to the Mississippi Diagnostic Laboratory. The herd will be placed under quarantine while a determination is being made.

The following practices and precautions will aid the hog producer to avoid getting cholera in his herd. In fact, these will aid the producer in maintaining a healthy herd at all times.

1. Hog cholera is caused by a virus, highly contagious and can be spread in many ways. It may be carried by vehicles, on a person's shoes and clothing, by dogs, birds, and by hogs eating uncooked garbage. Usually an outbreak starts with only a few sick hogs.

2. Maintain good sanitation - clean and disinfect buildings, floors, equipment and vehicles frequently.

3. Do not buy cull hogs that appear to be unthrifty. Isolate all purchased additions to the herd for a period of at least 30 days.

4. Avoid feeding uncooked commercial garbage to hogs.

5. Provide a pan of disinfectant for visitors' and workers' footwear. Avoid having visitors when possible.

6. Disinfect footwear worn to any livestock market.

7. Do not move sick swine through markets. In case of hog cholera, indemnity is paid on the number of live swine on premise upon first visit by state or federal official. Cholera must be diagnosed early to prevent its spread.

8. Reporting hog cholera suspicious cases in the county should be made by telephoning the County Agents Office, Iuka 423-6380.

Taxpayers Ask IRS

This column of questions and answers on federal tax matters is provided by the local office of the U. S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q - I've got an opportunity to get a better job, but it will mean moving to another city. If my moving expenses aren't paid by my company, can I deduct them?

A - If you move to take a job with a new employer or are transferred by your present employer, moving expenses are deductible when certain conditions are met. These conditions are the 20-mile distance and 39-week employment requirements.

The first requires that your new place of employment be at least 20 miles further away from your old home than your previous job was.

If your old job was eight miles from your old home, your new job would have to be at least 28 miles from that residence to qualify.

The second requires that you work full time in the new area at least 39 weeks during the 12-month period following your move.

Q - If I itemize, can I deduct the cost of hunting and fishing licenses?

A - No, these are not deductible for Federal income tax purposes.

Q - What's the deadline for paying my maid's Social Security?

A - Taxes for the third quarter covering July, August, and September are due October 31, and should be paid by filing a Form 942, Employer's Quarterly Tax Return for Household Employees.

Q - I've been taking a tax deduction for the cost of clearing out the drainage ditches on my farm while my neighbor has been capitalizing his costs for doing the same thing. Who's right?

A - Soil and water conservation costs such as these may either be deducted within limits or capitalized depending on how you decide to handle them the first

year. Once this decision is made, continue to handle these expenses that way or obtain the written permission of IRS to change.

Q - When a person dies, what happens if there had been income tax withheld on his salary during the year?

A - An income tax return must be filed for the deceased taxpayer if his gross income for the year was \$600 or more (\$1,200 if the taxpayer was 65 or over).

The withheld taxes you asked

about will be applied against whatever tax liability may exist for the decedent. Any excess will be refunded. For more information send a post card to your District Director and ask for a free copy of Publication 559, Federal Tax Guide for Survivors, Executors and Administrators.

New Regulations Butane-Burning Vehicles

State Motor Vehicle Comptroller Joe Sharp this week released a new regulation to implement part of House Bill 61, Liquefied Compressed Gas for Highway Use, which was passed by the 1969 special legislative session.

Persons who use butane as a motor fuel in farm pickup trucks with tag weight classifications of 6,000 pounds can make an annual claim for a refund on part of their yearly permit fee.

"The Comptroller's department will provide claim forms to use when requesting a refund," said Sharp. "Claims and supporting evidence must be submitted by December 31 of each year."

Supporting records which must accompany a refund claim are accurate speedometer readings for the beginning and end of each month, plus a list of all butane purchases made during the reporting period.

"It is also necessary that vehicle speedometers be kept in good working order at all times since mileage readings are required to support part of the claim," added Sharp.

Torino. High Style.

Nothing in its field can match it for luxury.

The elegant Torino Brougham is rich in looks, lavish in appointments. Compare it to other intermediates. You won't find its equal anywhere—not in appearance and certainly not in price. It has a longer wheelbase for a smoother ride. A wider track for better road holding. Hideaway Headlamps, concealed windshield wipers, 302 CID V-8 are just a few of the standard features. Take your choice of 2- or 4-door hardtops. Either one is worth a visit just to see now beautiful it is.

Torino Brougham 2-Door Hardtop

Torino. High Performance.

New SportsRoof styling... six great V-8's.

Torino GT gives you the ride, the handling, even its own aerodynamic SportsRoof styling that adds to your go. And you can go all the way up to the 429 Cobra Jet Ram-Air V-8 with a living, breathing, through-the-hood shaker. Then add our new Laser Stripes, high-back buckets, 4-speed Hurst Shifter®... you get the idea. Park the GT if you want to collect a crowd, and take them on a cruise if you want to dazzle them.

Torino GT SportsRoof

Torino. Low Price.

Lowest priced hardtop in its class.

This is the beauty that caught the competition napping. You won't find a lower priced intermediate hardtop anywhere in the country. Yet it offers you many features you'll find only on the more expensive Torino models. Longer wheelbase. Wider track. Curved side glass. Concealed windshield wipers. Fiberglass belted tires, and more. Fairlane 500 is just one of thirteen great ways to go Torino in 1970. Your Ford Dealer is the man to see, to see them all.

mingo Conference game.
Belmont will be trying to im-
prove its 7-2 record this week
with Ecu. Ecu is yet to win
a game in conference action.
Should be a tough game if Ecu
is ready to play. Belmont has
lost only to Iuka 26-6, and to
Red Bay 40-16.
The Chieftains will try to better
its 5-3 record, by playing a tough
Red Bay team at Red Bay. The
Mustangs and Bulldogs will go
at it in conference action at
Burnsville.

Burnsville Stomps Alcorn Central

The Burnsville Mustangs last
Thursday night trampled the Al-
corn Central Golden Bears 52-8.
The Mustangs were led to vic-
tory by Ricky Nunley, a 198 lb.
fullback, who scored three times.
The Mustangs were at their top
on defense, as they stopped Al-
corn Central almost every time
in the game, until late in the
game.

The Mustangs got moving after
Alcorn Central fumbled and a
Mustang recovered. Rex Wile-
mon bootlegged one around the
left end for a 40 yard tally. The
extra point was good and the Mus-
tangs were off and running. The
next time Burnsville got the ball
they again began to move, as
Wilemon called on Mike Cum-
mings and Ricky Nunley to do the
running, and it was Nunley who
scored from 5 yards out. The
extra point was made by Raymond
Brown, as the first quarter ended
with Burnsville 16, and Alcorn
Central 0.

In the second quarter Burn-
sville started right where they left
off. This time Wilemon went
to the air and found B. Chatham
with a pass that covered 15
yards, for another Mustang tally.
The extra point was again made
by Brown. Alcorn Central
couldn't move the ball and Burn-
sville got it back on a fumble. The
Mustangs didn't waste any time
as Nunley scored his second
touchdown from 15 yards out.
The extra point was made by
Wilemon. The half ended with
the score 32-0, Burnsville.

In the third quarter Burnsville
started early. Nunley scored
from 5 yards out for his third
touchdown of the game. Brown
made the extra point. Wilemon
scored the next tally from 15
yards out, and Chatham scored
the final Mustang tally from 2
yards out.

Alcorn Central scored on a run
of 5 yards by James Calvery.
The final score was Burnsville
52 - Alcorn Central 8.

Bulldogs Bow To Walnut 24-12

The Walnut Wildcats, who fin-
ished in second place in the Tip-
pamingo Conference, downed the
Tishomingo Bulldogs 24-12 Sat-
urday night. The Bulldogs and
Wildcats were dead-locked at
6-6 at the half.

Guy Boyd was the man of the
game, as he threw three touch-
down passes. The first one was a
35 yarder to Greg Scott, and a
10 yarder to Terry Jones, and
another of 10 yards to Phil Gram-
ham. Scott scored the other tally
on a 15 yard run.

Jackie Pennington scored for
Tishomingo on a 15 yard run, and
Jack Phrathier ran the next tally
for 10 yards.

Belmont Downs Mooreville 16-14

The Belmont Cardinals won
their 7th game of the season when
they downed the Mooreville Tro-
opers in a 16-14 thriller. Nei-
ther team scored in the first
three periods, setting the stage
for the fourth quarter in which
30 points were put on the score-
board.

Mooreville mustered a drive
late in the first period on the
hard running of halfback Roger
Smith and fullback Mike Tuc-
ker. However, the drive ab-
ruptly ended at about the Bel-
mont three when Redbird line-
man, Billy Gray, came up with
a timely fumble recovery.

The Belmont defense stiffen-
ed again in the second period to
stop a Mooreville drive inside
the Cardinal ten. Later, Bel-
mont halfback, Donnie Ezzell,
intercepted a Mooreville pass to
end the scoring hopes of the
Troopers at the Belmont 33.

No major scoring trends de-
veloped in the third period as
the score read Belmont 0 -
Mooreville 0. On the third play
of the fourth period, trooper
quarterback, Gary Elliott, toss-
ed a screen pass to Mike Tuc-
ker, who rambled 46 yards for
the touchdown. Roger Smith ran
the two-pointer.

Then, the Cardinal offense
came alive, as Merle McAnally
raced off the left side from the
Belmont 34 to the Mooreville
48. Sophomore, David Dill ram-
bled around right end for even
another first down at the Tro-
oper 26.

Tommy Moody added two more
yards on a double reverse. Qu-
arterback Jeff Comer, who was
injured in the game, tossed a pass
to Donnie Dill at about the Moore-
ville 7. A Belmont holding pen-
alty and a rushing loss left the
ball at about the Mooreville 27.
Then Comer threw a touchdown
pass to Merle McAnally over the

heads of some confused Trooper
defense. Jeff threw to Tommy
Moody for the two pointer and an
8-8 tie in the game with 7:45 left.
Gary "Chester" Pharr kicked
off to Mike Ratliff, who fumbled
the ball on the return at about
the Trooper 39. Moody recov-
ered the fumble for the
Cardinals.

David Dill dashed around right
end to the 27. Moody and Co-
mer carried the ball to the Mo-
oreville 22. Merle McAnally
banged off the right side and on
a brilliant run carried the ball
into the end zone for the "go-
ahead" touchdown. Comer added
the two pointer that eventually
proved to be the margin of vic-
tory.

The Troopers weren't through.
Tucker had a Trooper first down
at the Belmont 45. Three plays
later Gary Elliott passed to Tuc-
ker who went to the Belmont 28.
After two short gainers, Roger
Smith dashed to the Belmont 8.

Two line crashes by Tucker
left the ball at the 5. Then Tuc-
ker crashed off the left side
for the touchdown and score stood
Belmont 16 - Mooreville 14,
pending the extra points try by
Mooreville. On this crucial play,
Mike Tucker was stopped shy of
the goal line by David Holcomb
and other alert Cardinals.

Although Mooreville recovered
the onside kick off and Belmont
suffered a pass interference call,
no other scoring developed as
the Cardinals emerged 16-14 for
victory number 7.

This week the Belmont Car-
dinals conclude their regular sea-
son with a game at Cardinal Sta-
dium against EcuTigers. Cardin-
al fans are encouraged to
attend and help boost the young
Cardinals and their very capable
coaches to victory number 8.

Northeast Edges IJC 20-18

The Northeast Mississippi Ju-
nior College Tigers edged out

Itawamba Junior College last Sat-
urday night at Fulton. The Ti-
gers won their sixth game of
the year in eight starts. The
Tigers were trailing 18-6 at the
end of the half.

Hudson Bullard was the man on
offense as he scored two touch-
downs both from 1 yard out.
Johnny Buskirk scored the other
tally on a run of 1 yard. Ben
Hamilton kicked two extra points
that proved to be the winning
blows.

The Tigers tallied 10 first
downs to IJC's 16, and went down
in rushing 118 to 84 yards. The
Tigers completed 8 of 26 passes
for 139 yards. IJC completed 4
of 18 for 79 yards. All totaled
out, Northeast gained 223 yards,
IJC 197.

Wanda Gail Layton To Wed Dale Cooksey November 14

Wanda Gail Layton, daughter of Pentecostal Bible Institute of Tupelo, Mississippi, is the prospective bridegroom is the son of Mr. and Mrs. Levi Cooksey of Tishomingo, Miss. and the grandson of the late Mr. and Mrs. Ed Cooksey and John Carpenter. The wedding vows will be exchanged November 14th, at 6:00 p.m. at the First Pentecostal Church in Iuka. No formal invitations are being sent, however, all friends and relatives are invited to attend. A reception will be held at the youth center immediately after the ceremony.

Members of the New Salem 4-H Club met on Oct. 28th for the regular meeting. Fifteen members, four adult leaders and one visitor were present.

NEW SALEM 4-H CLUB HOLDS MEETING

The meeting was called to order by Tommy Davis, President. A Pledge to the American 4-H Flag was given. The group sang the 4-H pep song and "King George".

The devotion was given by Keith Smith who read from the 5th chapter of Matthew. Norman Locke read the minutes and roll call was answered by "what I plan to do on Halloween." The group reviewed their work of the past year, discussed the point system and Keith Smith and Carl Morris told about their trip to Miss. State Fair in Jackson recently.

A very interesting demonstration was presented to both boys and girls on electricity by Tommy Davis. The girls and boys then separated and elected new officers.

The boys elected as President, Tommy Davis, Vice-President, Danny Morris; Sec.-Treasurer, Norman Locke; Reporter, Tim Puckett and Devotional Leader, Keith Puckett.

The girls elected as President, Sherry Puckett; Vice-President, Wanda Lambert; Secretary, Nancy Skinner; Treasurer, Debra Davis; Reporter, Margaret Smith and song leader, Myra South and Annette Skinner.

Plans are being made for family night to be observed at the Nov. meeting.

William G. Walden

Pvt. William G. Walden, son of Mr. and Mrs. William R. Walden of Paden completed his basic training at Fort Campbell, Ky., Oct. 17 and has been transferred to Fort Lousia, Washington for further training.

Golden Chapel United Methodist

The Women's Society of Christian Service of the Golden Chapel Church met Tuesday, Nov. 4, at 5:30 p.m. for the "call to prayer and self-denial" program.

The service was opened by the group singing "Take My Life".

Mrs. Orville Bostick, Spiritual Life Leader, was in charge of the program on "Let the Earth Bring Forth". She read the scripture from the Hundredth Psalm followed by prayer in unison.

Mrs. Hargett presented a very informative discussion on "She Shall Be Called Woman".

After the reading of Genesis 1:29-31, by the leader, Mrs. O. J. Bullen, gave "Quick Glances in the United States of Needs for Church and Community Workers" and Ruth Wood discussed "Property Improvement in Community Centers".

Mrs. Bostick gave the history of the "Week of Prayer and Self-Denial" and why it is observed by members of the W. S. C. S. of the United Methodist Church.

A "Litany of Promise" was given by all members present. Each one went to the altar for intercessory prayer and presentation of offering.

The ladies were invited to the Fellowship Hall for refreshments before beginning the third session of the study "Inner Life" which is being directed by Lorraine Heath, Church and Community Worker.

20th CENTURY CLUB MET OCTOBER 28th

Mrs. Joy Curtis was hostess to the 20th Century Club on Tuesday night, Oct. 28.

Mrs. Ara Bell Jourdan, President, presided over the meeting. The Club voted to donate to the Hebron Memorial Fund.

The Club agreed to participate with the Kidney Foundation of Mississippi in saving Ge e al Mills-Betty Crocker Coupons to help purchase a kidney machine. It will require approximately 600,000 coupons.

Mrs. Nancy Beard discussed the Cub Scout Program which is sponsored by the 20th Charter for the current year.

Mrs. Lucille Vickers, program chairman gave an interesting program on "Education."

A delicious dessert was served to the following members: Nancy Beard, Sue Castleberry, Frankie Drake, Ara Belle Jourdan, Margaret King, Jewel Kitchens, Lenora Ludlam, Jeanette Mann, Margaret June Wood-

ley, Lucille Vickers, Madge Ferrell, Dorothy Fiske, Willodean Thorne.

The Club will hold a business meeting at 7 o'clock, Thursday, Nov. 6, at the Magnolia Restaurant with Mrs. Margaret King as Hostess.

Bazaar At Iuka Methodist Church

Members of the Iuka United Methodist Church are busy making plans and crafts for their second annual bazaar to be held Tuesday and Wednesday, Nov. 18th and 19th.

There will also be a rummage sale on these dates. Both the bazaar and rummage sale will be open day and night on the above dates in the Fellowship Hall of the church. Sandwiches and snacks will be for sale both days during the noon hour. An old-fashioned Brunswick stew will be on sale Tuesday night

for \$1.25 each.

Make your plans to attend the bazaar and rummage sale. From the large variety of items on display, you will surely find something you need.

The event is sponsored by the Iuka Methodist Men's Club.

A Bolt from the Blue

—By Ruth Bolt

Just in passing Mrs. Florence Hudson's home on Eastport St., the public could tell that her many children and grandchildren were loyal as there would always be several cars parked around the residence. No doubt her loved ones will remain loyal and do their best to join her in the Father's House someday. Only those rich in faith can be sure of the future. That is where they have it over those who put their trust in material things.

What happened in Yugoslavia last week started Billy thinking about the earlier upheaval in Alaska. "That 'earthquake' was terrible. It all happened so fast. Buildings were falling and people were running out of town in all directions."

If babies being born these days are likely to live 150 years, as some doctors predict, parents should be very careful about the words used in front of the children, especially words used during family spats. I have never heard of a bad word getting better with use over the years. And think of 150 years!

Highway 72 could benefit from some of the same publicity that Highway 82 is getting. Does anyone dare to keep account of how many accidents occur between Iuka and Corinth each year?

The visitor from Alabama said the hairset she got here was the best she had ever had. Shouldn't one expect a work of art when she receives the services of an artist?

Adults do well to take courses in night school at North-East. Competition gets keener for the older job - hunter every year. And the teachers usually take into consideration the fact that some of us are a little rusty and grade accordingly.

The Masons do a pretty good

job of keeping their secrets. The nearest I ever came to overhearing was when one of their members was teaching another who was hard of hearing. Saturday night the Scottish Rites had no appearance of protestors or hippies as they came and went near their meeting place, all dressed up and smiling—really looking like their younger brothers that no one had ever seen before.

Mr. Ben, cheering up the lonely Front Street, reported that Odell is doing fine. You can't keep a good "man" down, especially when it is a Jones.

Many women of the community have been observing an annual week of prayer. They said it changes things. One woman proved it by letting it change her budget.

It's surprising some of the habits our young women are falling into lately. Mrs. Dean whispered when she told me about this one: "Every morning when that sweet thing leaves the table, she pats me on the shoulder and says, 'That was a good breakfast.' Then she hurries off to her job."

You remember in baseball (or was it townball?), a player getting ready for a real swing would reach down and get a little dirt on his fingers? "Our" Tommy is practicing that on his acres north of town.

Sometimes when Daddy was excited he would say, "Gee Whillikins!" I got so excited when I ran upon a beautiful new house in Iuka the other day that I said, "Billy Whitaker!" That's the name I read on the mail box. Now the rest of us are going to have to get busy and spruce up our places.

"Give us this day our daily bread." The single person is

not the only one who should think beyond his own household whenever he prays these words.

"Stone walls do not a prison make," but they can be used for beauty spots. For weeks the Harrises, of Eastport, have let the flower-decked stone retaining wall in front of their home be a delight to the eyes of all who passed by. With an abundance of Tishomingo stone at hand, it might be a good time for others to follow the suggestion, "Go thou and do likewise."

It is difficult to decide whether it would be better to have a rain hard enough to bring down all the leaves at once or have light rain that would not disturb many of them until the most stubborn ones are ready to fall, thus calling for only one raking.

The Wilson "girls" have locked up the white house on the corner and gone south to Louisiana for the winter. Before they left they let me in on the secret about their younger sister's husband, a banker of long-standing in one of the large financial institutions in New York. Being adept in languages, he was a delegate last summer to deliver an address before a conference of European bankers. Of course his wife and son got to share the trip with him. You little Tishomingo County girls get all the polish you can. You never know where romance may lead.

Are there other mothers of this area who will come forward and join Mother Nelson and Mother Guber when they get together to discuss how they trained their sons for responsible job of being colonels?

Welcome home, Nat. We have been missing you. It's good to hear how kind and friendly the people of Columbia were to you.

Seems that the more prominent people of the town were the ones who got their places festooned with paper lace by the trick or treaters. They may have deserved it more—a kind of wry way of recognizing them for the many, many long gruelling hours

SNOWDOWN

Those visiting Mr. Houston Mars and Ruth Lomenick last weekend were Mr. and Mrs. Edwin Mars, Mr. and Mrs. Charles Mars and children, and Mr. and Mrs. Charles Alfred Smith and children all of Memphis.

Mr. Roy Smith spent last Sunday with his mother, Mrs. Lou Smith, at the Medcenter, 135 North Pauline Street in Memphis. Her condition remains the same.

Mrs. Altha Wingo was transferred from Tishomingo County Hospital to Baptist Hospital in Memphis last Sunday.

Mrs. Ada Allred was transferred from Baptist Hospital in Memphis, where she had recent surgery, to Tishomingo County Hospital last Sunday.

Mrs. Coleman Barnes visited Mr. and Mrs. Pete Jackson in Barton, Ala. last Thursday.

Mrs. Blanche Biggs, Rayma, Mary, and Mrs. D. S. Daugherty and son visited Mrs. Coleman Barnes and Danny last Saturday night.

Mr. and Mrs. Green Winsted of Waterloo, Ala.; Jim, Debbie, and Sandra Atkins visited Mr. and Mrs. Jack Taylor last Saturday.

Mrs. Ethel Borden visited Mr. and Mrs. Herbert Bishop and children in Memphis last week.

they had sat through meetings, sweating over problems of school and town while the rest of us sat at home watching TV or goofing off like the civil parasites we are contented to be.

Throughout the world this is cat week, sponsored in the U. S. by the American Feline Society, Inc. Make sure your pet has a neat, warm place to sleep. (But don't give any pet more attention than you give members of your family.) When your friends give too much attention to pets, it may be an "I'm lonely" sign to tell you they need more of your company. Cats are expensive, but rats can be more expensive.

Midway

Carl Junior Claunch from California and Mr. and Mrs. Ray Claunch of Nashville visited Mr. Carl Claunch and Mr. and Mrs. Vernon H. Claunch on Saturday.

Mr. and Mrs. R. J. Ryan visited Mr. and Mrs. Richard Cox at their cabin on Pickwick Lake over the weekend.

Robert Luttrell and Mr. and Mrs. Stacy Cox and James visited Mr. and Mrs. Herman Luttrell in Naples, Texas over the weekend.

Mr. and Mrs. Homer Seaton visited Mr. and Mrs. R. W. Cox Sunday afternoon.

Mr. and Mrs. Ray McKee recently honored Jerald Bates and his wife, Pam, with a dinner in his honor. Those present were Mr. and Mrs. Clint McKee and family, Mr. and Mrs. Charles Bates and family, Mr. and Mrs. Clay McKee and family, Mr. and Mrs. Tulon McKee and family, Mrs. Albert Wilson and family, Mr. and Mrs. Boza Welch, and Mr. and Mrs. Dean Timbes. Jerald was leaving for California and the Armed Forces. He is now awaiting further orders.

HOLCUT NEWS

Mr. and Mrs. Lex Mathis and Mrs. Quay Bishop and daughter of Corinth; Mr. and Mrs. Dean Nichols of Iuka; visited Mr. and Mrs. Clint Wigginton last Sunday.

Mr. R. C. Crane visited Mr. and Mrs. Wallace Belue last week.

Mrs. Shirley Cole is confined in the Tishomingo County Hospital.

Mrs. George Lambert fell one day last week and broke an ankle and an arm. She is in a hospital in Memphis.

Mr. Houston McCoy's brother, Thomas, was carried back to the hospital in Booneville last Saturday. He had been confined in the hospital 5 weeks, but was discharged about two weeks ago.

Mr. Grady Flannigan and Mr. Luther Belue and Rev. Sidney Whitehead had a car wreck last

weekend. Rev. Whitehead and Mr. Belue both had head injuries. They were carried to Booneville Hospital, and Mr. Belue was transferred to Memphis. Mr. and Mrs. Clarence Lentz and Mr. Billy Hudson visited Mr. and Mrs. Houston McCoy last week.

Torino. High Style.

Nothing in its field can match it for luxury.

The elegant Torino Brougham is rich in looks, lavish in appointments. Compare it to other intermediates. You won't find its equal anywhere—not in appearance and certainly not in price. It has a longer wheelbase for a smoother ride. A wider track for better road holding. Hideaway Headlamps, concealed windshield wipers, 302 CID V-8 are just a few of the standard features. Take your choice of 2- or 4-door hardtops. Either one is worth a visit just to see how beautiful it is.

Torino Brougham 2-Door Hardtop

Torino. High Performance.

New SportsRoof styling . . . six great V-8's.

Torino GT gives you the ride, the handling, even its own aerodynamic SportsRoof styling that adds to your go. And you can go all the way up to the 429 Cobra Jet Ram-Air V-8 with a living, breathing, through-the-hood shaker. Then add our new Laser Stripes, high-back buckets, 4-speed Hurst Shifter . . . you get the idea. Park the GT if you want to collect a crowd, and take them on a cruise if you want to dazzle them.

Torino GT SportsRoof

Torino. Low Price.

Lowest priced hardtop in its class.

This is the beauty that caught the competition napping. You won't find a lower priced intermediate hardtop anywhere in the country. Yet it offers you many features you'll find only on the more expensive Torino models. Longer wheelbase. Wider track. Curved side glass. Concealed windshield wipers. Fiberglass belted tires, and more. Fairlane 500 is just one of thirteen great ways to go Torino in 1970. Your Ford Dealer is the man to see, to see them all.

Announcing **ZENITH** **CHROMACOLOR**

more than 100% brighter than any previous giant-screen color TV!

The Mondrian • Model A4519
Beautiful Modern styled console with the exciting low look. Genuine oil finished Walnut veneers and select hardwood solids (A4519W), or genuine Pecan veneers and select hardwood solids with the look of fine distressing (A4519P), both exclusive of decorative front.

AS LOW AS **\$6.00** per week

A revolutionary new color television system featuring a revolutionary new patented color picture tube...that outcolors...outbrightens...outdetails and outperforms...every previous giant-screen color TV!

The revolutionary new Chromacolor picture tube, with Zenith's patented black-surround principle, brings you a color TV picture more than 100% brighter than any previous giant-screen color TV. Here's how it works! Every giant-screen color picture tube is covered with tiny red, green, and blue dots that make up the color TV picture. Previously, they have been placed close together on a gray background. But now Zenith, in the patented Chromacolor picture tube, has made the dots smaller and surrounded them with jet-black. This Zenith patented black-surround screen—together with precision electron beam tracking and increased light-transmission tube face—bring you a brighter color picture, greater definition and sharper detail than ever previously achieved in giant-screen color TV.

ZENITH'S REVOLUTIONARY NEW COLOR TV SYSTEM

New Chromacolor Picture Tube

brings you a brighter color picture, with greater definition and sharper detail than ever achieved in giant-screen color TV before Chromacolor.

New Titan Handcrafted Color Chassis

—with Zenith's exclusive Solid-State Dura-Module combines handcrafted dependability with solid-state performance.

New RGB Color Circuitry

—is more sophisticated and highly refined to develop greater picture sharpness and detail, with higher color fidelity.

Exclusive Chromatic Brain

—with the first Integrated Circuit ever used to create a color picture. Produces the most natural reds, greens, and blues.

New Color Commander Control

Now one knob adjusts contrast and color level with brightness in proper balance simultaneously—and they stay perfectly in balance as you adjust the color picture to match changing light levels in the room. There's no longer any need to turn separate controls!

Zenith AFC Control

—electronically fine-tunes the color picture at the flick of a finger. Keeps the color picture tuned as you change channels, even on the new UHF channels.

Exclusive Super Gold Video Guard Tuner

—with contact points of 16-carat gold, gives you a sharper color picture for the lifetime of the set.
