Governor Proclaims May 7-13 "Be Kind To Animals Week"

Governor Bill Waller of Mississippi has officially proclaimed the first week of May each year as "Be Kind to Animals Week" -- a week in which to promote kindness to animals and draw attention to their need for human help all year long.

Members of the State Legislature also expressed their concern for animals by issuing

Senate Concurrent Resolution No. 569 which, among other things, emphasizes the facts that: "Animals must rely upon man to provide their food, shelter and good health and as a consequence of man's neglect they are often mistreated and misused. . . Humane treatment of animals is a hallmark of a civilized society. . ."

In separate letters to Mrs. Mary B. Davis of Iuka, Miss., a member of The Mississippi Animal Rescue League's Advisory Board -- a state-wide humane society -- both the Governor and the Lieutenant Governor expressed their own interest in helping reduce animal suffering in the state:

"I share your concern regarding the humane treatment of our animals and hope that during my administration I will be able to help in this problem. If there is anything further that I can do to aid your organization, please feel free to call on me. . . Bill Waller, Governor."

"I am in complete agreement with your thinking on humane treatment for animals, and am enclosing herewith a resolution about this. . . William Winter, Lt. Governor."

State Representative for District 2, Mrs. Martha Carole White, also expressed a deeply sincere, personal concern for all animals and is very much interested in helping eliminate cruelty and to better conditions for them in the state.

Iuka Mayor John H. Biggs joins with the state officials, in urging all citizens to take an active part in helping cut down on animal suffering by doing something constructive for them during "Be Kind to Animals Week."

Trouble Shooting Team Selected

Tishomingo County Vo-Tech Center has picked its "Road Scholars" for 1972.

These are the boys who will represent Vo-Tech in this year's Plymouth Trouble Shooting Contest, according to Hoyt Phillips, automotive shop instructor at the school.

Competing for Vo-Tech will be Gregory Enlow, Iuka, and Norman Locke, Iuka.

The team will be sponsored by Tri-State Auto Sales.

The Trouble Shooting Contest will be held May 4, 1972 at Jackson.

The winning team in the local contest will be sent to Los Angeles in June to compete against other top Trouble Shooters from all parts of the country in the National Championships Finals.

The National Trouble Shooting Contest Awards banquet will be held in the Grand Ballroom of the Beverly Hilton Hotel, the scene of the annual Academy

more than 17,000 young men in full or part-time jobs as auto mechanics. Since the contest became a national event in 1962, the Chrysler-Plymouth Division of Chrysler Motors Corporation has made available scholarships for 210 students.

The Plymouth Trouble Shooting Contest is an outstanding example of cooperation between industry and education.

Free Insect Scouting For Farmers

The Tishomingo County Vo-Tech Center has employed a graduate entomologist, Mr. Steve Cain, to work with all the farmers of Tishomingo County checking all types plant disease and insects. Mr. Cain will hold a series of ten (10) group meetings in each county school vocational agriculture building.

To qualify for this free insect scouting service a farmer must attend at least one of the group meetings, then the farmer will be signed for the free scouting service for cotton insects, pimento pepper, cucumber and all other crop insects.

This is a program for farmers in each district of Tishomingo County.

The meetings will be on Monday, Tuesday, and Thursday of each week during May and June at the following locations:

Tishomingo Vo-Ag Department - each Monday - 7:30 p.m.; Belmont Vo-Ag Department - each Tuesday - 7:30 p.m.; and Burnsville Vo-Ag Department - each Thursday - 7:30 p.m.

The first and third district farmers will attend the meetings at the Vo-Ag Department most convenient for them.

For further information call the Tishomingo County Vo-Tech Center or the local Vocational Agriculture Teacher.

BURNSVILLE HOMEMAKERS

The Burnsville Homemakers Club held their regular monthly meeting April 12, at 1:30 p.m. in the home of Mrs. Ona Boothe.

The president called the meeting to order and read the thought for the month, "Let's be thankful we don't have to pay taxes on our debts."

"Near To The Heart of God" was sung by the group. Mrs. Ruby Adams gave a very inspiring devotional using scriptures from Eph. 1:9-10 and Psalms 33:1-3.

Minutes of the previous meeting were received and approved.

The dress revue, which will be held May 2, at 1:00 p.m. at the county fair building, was discussed.

A very informative focus topic on Health and Safety was given by Mrs. Georgia Mae Smith.

Mrs. Mary Davis, assisted by Mrs. Betty Randle, gave the demonstration by showing slides on, "management in selection and buying food and clothing."

Recreation prizes were won by Mrs. Wilma Gilliland and Mrs. Mary Boothe. Mrs. Mary Davis won the door prize.

Refreshments were served to the following members: Mesdames Ruby Adams, Dot Strickland, Wilma Gilliland, Bertha Johnson, Mary Davis, Mamie Rhine, Georgia Mae Smith, Besie Dickinson and four visitors, Lucilla James, Mary Boothe, Betty Randle and Martha Magill, and two children, Sonja Magill and James Randle.

The meeting adjourned to meet with Mrs. Thelma Gray for the May meeting.

Burnsville Personals

Back in town we have Mrs. Golda Oaks from Baptist Hospital.

Also, our "Miss Mayor," Mrs. Bud Rushing, who has

plane-hopped a round trip to Spokane, Washington to see her parents.

Mrs. Mary Ethel Marlar and the Clayton Hughes of Eastport had a belated Easter surprise April 16th when Polly Marlar and Annell Hughes of Oak Forest, Ill. visited them for the weekend.

Our hearts weep for the

children of Mrs. Jessie St. land, who have kept con-virgil over their mother many months in a prolo-coma, due to a major stroke.

Mrs. A. H. Tackett is en-ing having her mother her. Makes us grateful those who are fortunate en-to still have them as Mo-Day draws near again.

EASTPORT HOMEMAKERS

The home of Mrs. Lillian Booker was open to the Eastport Homemakers Club on April 11, 1972. She not only was hostess but also gave the devotional from John 3:14-23.

Dates have been set to clean off the land for the public park at Eastport. This will be a chore as the land is really grown up. With the help of a few husbands and all the ladies, the park should be open soon. We "thank" T.V.A. for the use of the property.

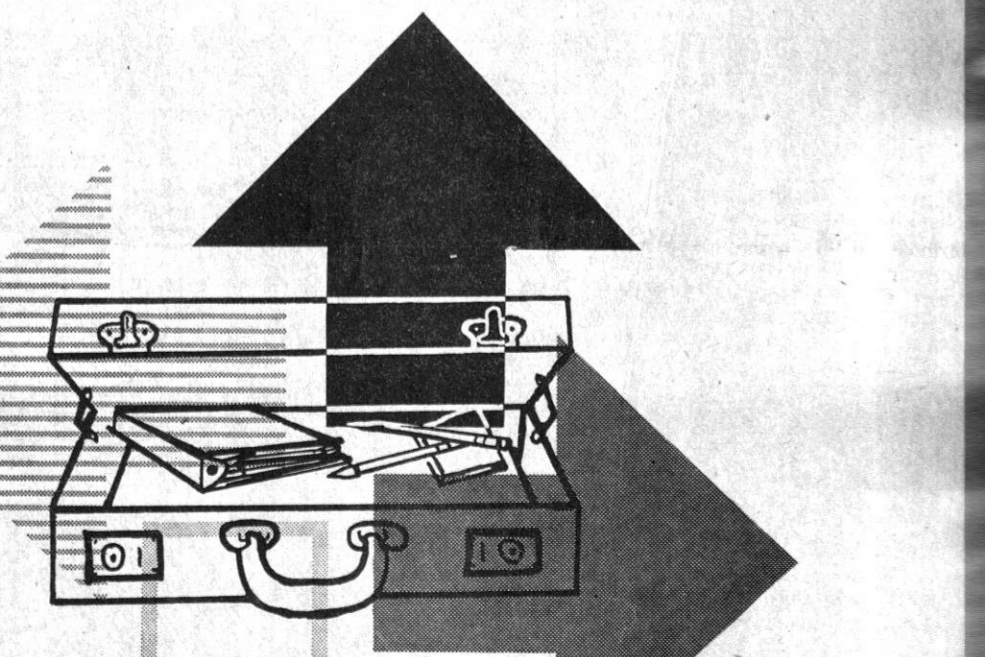

One hundred percent membership was discussed and out of fifteen members, twelve have reached their goal.

The litter barrels are very useful, but we are finding that some of the people are using them for their garbage from home. We would appreciate any help in this matter.

The focus topic, "Health and Safety" was read by Mrs. Star Mae Williams, and then slides were shown by Mrs. Della Hughes.

Bingo was played and Mrs. Reba Jones was the winner. Door prize was won by Mrs. Della Hughes with refreshments following.

The next meeting will be held on May 9 at 1:00 p.m. in the home of Mrs. Gayle Williams. Plan on being with us.

REGISTER FOR FREE PRIZES. YOU CAN BE A WINNER OF SEVERAL MAJOR APPLIANCES TO BE GIVEN AWAY.

ENTERTAINMENT BY: THE SEGO BROTHERS AND NAOMI AND THE RAYDON QUARTET.

Mobile homes can be all electric, too

You can have all the advantages of total-electric living in a modern mobile home.

An electric heat pump provides heating and cooling from one compact unit. Or, flameless electric heat combined with modern electric air conditioning can keep a mobile home comfortable all year long.

Cooking in a mobile home kitchen is quicker and easier with

clean, efficient electricity. A self-cleaning oven can save precious time for other things.

Dishwashing and baths don't have to be scheduled because a quick-recovery electric water heater can provide all the hot water you'll usually need.

If you're thinking about buying a mobile home, insist on the best — a total-electric!

tion Concerning Proposed New Elementary For The Iuka Municipal Separate School District

In 1972, the voters of the Iuka Municipal Separate School District will vote on a bond issue. The bond would finance a 24 room elementary school building which would be located in the northern section of the district. Properties to be included in the district are concrete and masonry, a library, auditorium and adequate area. The school building would house the entire student body of approximately 1100 students of which 600 are elementary students in grades 1 - 6 and Special Education. When the present building was designed and built in 1959, only one set of rest rooms was provided for the elementary school, which had an enrollment at that time of approximately 450. Now with a new section added in 1964, the enrollment has climbed to over 600. The same set of rest rooms is still in use, with exception of the Special Education Class which is housed in a mobile class room away from the main building.

At present, the elementary and high school are sharing the use of a library. During the time when elementary classes are in the library, the high school is also having study hall; therefore, there is very little a child can do except check out a book and return to the classroom. The classrooms are also over-crowded. All classrooms are full and one mobile classroom is now a permanent campus fixture. There are no available classrooms for expansion if the school were allotted another teacher. The

only possible available space would be the hallways and auditorium. The playground is dangerous, particularly for the younger children. It is also badly over-crowded. During rainy wet seasons, the only playground available is the two terraces immediately behind the elementary building. This area is very small and much of it is covered with gravel. Also, much of the playground area is used for baseball and football during the respective seasons. The over-crowded condition causes many discipline problems that could otherwise be prevented. The entire problem will get worse without the improvements because of the growth expected in Iuka. The Yellow Creek Port and in all probability the Nuclear Generating Plant on Goat Island will soon be under construction or in operation and a sharp increase in enrollment would naturally be expected.

Card Of Thanks

We would like to thank our many friends and neighbors for their acts of kindness shown to us during the illness and subsequent death of our loved one, Mrs. Birdie Fancher. We greatly appreciate the prayers, cards, food, beautiful flowers, calls and visits each of you made. A special thank you goes to Dr. Dempsey and the staff of the Red Bay Hospital and to Deaton Funeral Home for their kind attention and service, also to Rev. Albert Hamilton for his kind and beautiful words of comfort spoken in our moment of greatest bereavement.

game series for the North State Title.

Last week the winners of the District Science Fair participated in the state competition. We had three winners in this. They were: Vicky Robinson, 2nd place in the Class Five division; Janet Woodruff, Class Four, Earth Science, 3rd place; and Teresa Bryant, Class Four, Botany, honorable mention.

This year, for the first time, the Iuka High School Band is planning to participate in the Strawberry Festival. They will march in this parade and will play, "Joy to the World." This group will leave Thursday morning at 5:30 and will return some time that evening. The band is under the direction of Mr. Lamar Strickland.

Last week the Seniors had a meeting to select the song they would sing at graduation. They decided to sing only one song, entitled, "The Love of God." They will practice this song every day this week during activity period.

This is the last full week of school for the Seniors. Next week they will attend school only 3 days, having tests on Thursday and Friday. The next week will be spent in practicing for graduation exercises.

We are very proud to say that Mickey King, an 11th grade student, was chosen as the student of the month. Our nominating committee consisted of Melissa Byram and Janice Walker.

BELMONT

Belmont High School won the overall title at the Tishomingo Conference Track Meet for the second year in a row. It was held Thursday, April 21, at Robbins Field. The Cardinals finished first in the six school lineup, while the Cardinals figured third in the running.

The members of the Belmont Band Auxiliary Club are selling community birthday calendars. All proceeds will go to the high school band.

"A Little Bit of Holland" was presented Friday, April 28, at 7:00 p.m. in the Belmont High School Auditorium. It was given by the 4th, 5th and 6th grade students.

BURNSVILLE

Three new high school cheerleaders for the 1972-73 season have been selected. They are: Diane Brewer, 10th grade; Carolyn Bullard, 11th grade; and Mitzy Helton, 9th grade.

Friday, April 28, our baseball team played Alcorn Central in the District One, Class BB North-half Baseball Play-

offs. We won by a score of 11 to 8. On Sunday afternoon we played Iuka and lost this game by a score of 1-0.

Harold Bugg was chosen as student of the month from Burnsville. He was selected by a nominating committee consisting of three members.

TISHOMINGO

Congratulations to Kirby McRae for placing fourth in the Mid-South Spelling Bee. There were five states represented with 58 contestants.

The 9th grade class enjoyed a trip to Jackson on Friday, April 28. They toured the Old and New Capitol buildings, and other points of interest. Mr. Ken McRae accompanied them on this field trip.

The Senior Class had a hamburger supper by the lake at Coleman Park on Monday night, May 1.

Members of the Beta Club will travel to Memphis on Friday, May 5. They will visit Brooks Art Gallery, International Airport, Elvis Presley's home and enjoy a boat ride down the Mississippi River. The evening will be climaxed with a movie.

JANICE KAY BLACKLIDGE BECAME BRIDE OF RONALD NEIL ADAMS

Miss Janice Kay Blacklidge, daughter of Mr. and Mrs. Kenneth Blacklidge, Red Bay, Alabama, and Mr. Ronald Neil Adams, Maud, Alabama, son of Mr. and Mrs. Roy Neil Adams, Malvern, Arkansas, were united in marriage April 7, in the Pleasant Site (Alabama) Church of Christ. Mr. J. B. Burns, Minister of the Maud Cumberland Presbyterian Church, performed the ceremony at six o'clock in the evening.

A single candelabrum holding fifteen burning white tapers was centered at the front of the church and flanked by arrangements of yellow and white daisies, chrysanthemums and tuberoses in tall white baskets.

Given in marriage by her father, the bride wore a floor-length gown fashioned of white crepe and rose-point lace with long full lace sleeves. The scalloped mandarin collar and empire waist was distinguished with seed pearls. Her veil of illusion was attached to a headpiece of lilies-of-the-valley and pearls. She carried a bouquet of yellow roses, white carnations and tuberoses entwined with yellow and white streamers tied in love knots.

Mrs. Janie Allen, sister of the bride, was matron of honor, and bridesmaids were Miss Bonita Henson and Miss Pam Blacklidge, sister of the bride, all of Pleasant Site, Alabama.

Mrs. Allen was gown in a floor-length dress of light blue candy flock with a round neckline, short puff sleeves and empire waistline. The bridesmaid's green gowns were fashioned identically to that of the matron of honor. The flower girl wore a floor-length white dress flocked in green. She carried a white basket filled with flower petals. Attendants' headaddresses were veils attached to wide flat bows. Each carried one long-stemmed white chrysanthemum tied with yellow ribbons.

Mr. Adams served his son as best man. Ushers were Mr. Thomas Marvin Burns, cousin of the groom, and Mr. Aaron Nelson, both of Maud. Ringbearer was Stephen Finch, Tuscumbia, Ala., cousin of the groom. Richard Burns Adams, Malvern, brother of the groom, and Richard Gilson Finch, Tuscumbia, cousin of the groom, let the candles.

Mrs. Blacklidge, mother of the bride, wore a dress of powder blue polyester crepe. Mrs. Adams, mother of the groom, wore an aqua gown with long sheer sleeves. Each wore a corsage of white carnations.

Following the ceremony, Mr. and Mrs. Blacklidge honored the couple with a reception in their home. White tapers in a crystal candelabrum and yellow and white roses, chrysanthemums

and tuberoses encircling the punch bowl decorated the serving table.

Mrs. Judy Malone, Miss Dorothy Keeton, Mrs. Bet Smelser, and Miss Ruby Blacklidge assisted in serving.

The bride wore a peach ensemble with white accessories when the couple left for a wedding trip. They will be at home in Maud, Alabama.

REHEARSAL PARTY

Mr. and Mrs. Adams honored their son and his fiancée with an after-rehearsal party given at the home of Mr. and Mrs. John Gibson Burns, Maud, Ala., grandparents of the groom. The serving table was covered with a white lace over pink tablecloth. An arrangement of spring flowers was flanked by pink tapers in silver candelabras. The groom's cake, decorated with yellow roses and purple grapes and other party foods were served by Mrs. Christine Finch, Tuscumbia, Mrs. Annell Burns, Mrs. Annie Lou Taylor, Maud, aunts of the groom, and Mrs. Kenelia Burns.

The bride was attired in a navy dress with white accessories.

MISCELLANEOUS SHOWER

A miscellaneous shower was given for the bride by Mrs. J. B. Burns, Mrs. Roy Daniel, Mrs. Annie Lou Taylor, Mrs. Rice Burns at the home of Mrs. Lewis Todd.

Arrangements of spring flowers were used throughout the party rooms, and a delicious dessert course was served to the seventy-five guests present.

Summer School At Iuka High

Iuka High School will operate a summer school program for Junior High and Senior High School students. A complete schedule of subjects will be offered. This is not a Federally funded program and tuition will be charged. The cost per subject for Junior High students will be twenty dollars with Junior High students being allowed to take two subjects. Forty dollars per subject will be charged to Senior High students and only one subject can be taken by High School students.

All students in Tishomingo and surrounding areas are eligible to participate in this program, but students from other schools must have a letter from their principal to be admitted to the Iuka Summer School. Registration will be held at 8:00 a.m. Monday, May 29, 1972. No student will be accepted after Wednesday, May 31, 1972. Classes will begin at 8:00 a.m. Tuesday, May 30, 1972, and will continue until July 14, 1972. Students interested in this program are requested to register or signify their intentions to attend Summer School, immediately. Registration will be held in the office of the High School principal, Mr. J. W. Nicholson, Jr.

Vo-Tech Students Win First Place

Two students from the Tishomingo County Vocational-Technical Center were first place winners in the statewide Vocational Industrial Clubs of America (VICA) Contests held in Jackson, Miss., on April 27. Ralph Mann of Belmont High School was the first place winner in the architectural drafting contest, and Faron Credille

Methodist Youth To Have Hamburger Supper

The Iuka Methodist Youth are having a hamburger supper this coming Monday night from 5:30-7:00 on the lawn of the MY House for the benefit of the Tokyo Christian Center. The center, located in the largest city in the world, seeks to reach people for Jesus Christ and is part of the work supported by Dr. and Mrs. Ken Nishimura. Mrs. Yasuko Nishimura recently spoke at the Iuka United Methodist Church, and the youth are undertaking this project to support Christ's work in Japan.

No charge will be made, but donations will be accepted. All profit will go directly for the center in Japan.

Iuka Wins North District Championship

By Jimmy McVay

The Iuka Chieftains, behind the one hit pitching of David Smith and the relief help of Donnie Robinson, edged out Burnsville 1-0 to gain the first place title in the District One Class BB championship for the north-half.

Smith pitched 6 2/3 innings, struck out 8, walked 3, and hit two, and allowed only one hit in the sixth inning to Ricky Cummings, a single. Smith pitched a fine game, but did not get the win. Donnie Robinson came in to pitch to one man in the seventh with the bases loaded and gained a win and a strikeout.

Chatham pitched two hit baseball, struck out 8 and walked two. Chatham gave up two singles, one to Butch Daugherty in the fourth and one to Johnny Butler in the fifth.

Chatham walked two men. He walked Cosby in the seventh, Cosby stole second. Chatham struck out Donnie Butler. Coach Harvey Brooks put Willie Carter in to run for Cosby. Carter stole third and scored on a throwing error by catcher Roger White. The winning run was scored with two out in the bottom of the seventh inning.

EMILY GURLEY INITIATED INTO PI TAU CHI

Emily Jo Gurley of Iuka is among 51 students who were initiated recently into Pi Tau Chi, national honorary religion society at Mississippi State College for Women.

Emily, a junior majoring in social work at MSCW, is the daughter of Mr. Billy H. Gurley of Route 1, Iuka.

Pi Tau Chi recognizes for membership those who have shown leadership, loyalty, scholarship and service in Christian work.

All-Electric

Mobile Home Show May 4-6

An all-electric mobile home show will be held at the Tupelo Downtown Mall May 4-6, Lee Moore, president of the Lee County Mobile Housing Association, announced today. The show will be open on Thursday and Friday from 1:00 till 6:00 p.m. and on Saturday from 1:00 till 9:00 p.m.

Eight mobile homes, each

from a different dealer, will be on display. Four \$50 gift certificates and eight major appliances will be given as door prizes to those who attend and register.

Sponsors of the 3-day show are the Lee County Mobile Housing Association and seven area power distributors. Included are Aberdeen Electric Department, Amory Electric Department, Northeast Mississippi Electric Power Association, Natchez Trace Electric Power Association, Pontotoc Electric Power Association, Tishomingo County Electric Power Association, and Tombigbee Electric Power Association.

According to Moore, "The association is sponsoring the show again this year so that the general public and prospective buyers may see how great mobile home living can be."

the decision to stay with India and that India then used this as an excuse to claim that the people as a whole had chosen to go with her. Pakistan further claims that the people themselves have never really been given an opportunity to vote on the issue one way or the other. But again India argues that Kashmir and Jammu have always been an integral part of India and therefore rejects all claims that Pakistan makes on these areas.

As a result of these disputes there have been two wars over it. One was in 1965 and the other in 1971. In spite of this, there has been no settlement. Consequently, India continues to hold on to it and Pakistan continues to agitate and spread propaganda on the issue. But this is one of those problems that seems to have no solution. India won't give in and neither will Pakistan. If the question is ever settled it will have to be with one or the other withdrawing from its present position, but even then it would again crop up in years to come. After Pakistan's recent war with India, and her defeat, there have been some indications that she is now

Harmony Homemakers

The Harmony Homemakers met April 17, at 7:00 p.m. in the home of Mrs. J. L. Walker. The meeting was called to order by the president, Mrs. Walker. The thought for the month, "Let's be thankful we

ready to drop the Kashmir issue. That would be wonderful, if she would, but who knows in what direction the matter might yet go when you are familiar to any extent with the politics of these two countries.

In talking with various people in Kashmir, I am led to believe that the people there do not want to go with India or Pakistan. Rather, they would prefer to become independent. Maybe too they have been encouraged by what has happened in East Pakistan, but while India was working to bring about Bangla Desh, she would certainly work hard to prevent Kashmir from doing the same. On the other hand, if independence was possible, it would be a landlocked country, surrounded by countries and terrain possibly hostile to her, and therefore, would almost make it impossible for her to survive.

There has been a lot of agitation there but both India and Pakistan have always accused the other as being responsible for it. For sure, it is a paradise situated in the Himalayas with its beautiful valleys and magnificent snow covered peaks. This makes it a great tourist attraction and a place that any country would be proud to claim as its own for several reasons. But it seems that the only hope that Kashmir has is that of learning to live where she is with the country that she has been with a part of during the past several years.

don't have to pay taxes on our debts." Devotional was from Luke 12. Prayer followed by Mrs. L. N. Dean. The song was, "There Shall Be Showers of Blessings."

The minutes were read by the secretary, Mrs. M. B. Daniel. The roll was answered by naming what was liked about springtime weather.

The focus topic was Health & Safety by Mrs. Herman Kay. The demonstration was a film on how to cook meat by moist heat. Also, part of the film was devoted to grocery shopping.

Those present other than mentioned above were: Mesdames Hershel Robinson, Ludie Miller, Will Cresap, Edward Sanderson, Alfred Bonds and Miss Mabel Dean.

Refreshments were served by the hostess.

Jacinto Courthouse Used In Filming Of Movie "Tomorrow"

The old Jacinto Courthouse is basking in reflected glory these days because of its prominence in the recently released film "Tomorrow."

"Tomorrow," is based on a short story by William Faulkner, and its world premiere is in New York City this month. The film was greeted with rave reviews by critics.

Rex Reed, syndicated film critic said, "Tomorrow," a haunting and provocative film, is the best depiction of William Faulkner ever captured on the screen."

The opening section of the movie was filmed at Jacinto Courthouse, just outside of Corinth.

The courthouse, which was built in 1854, was saved from wrecker crews in 1964 when a group of interested historians formed a non-profit Jacinto Foundation and rescued the historic landmark.

The building is being restored as it was in 1854 when Jacinto was the county seat of old Tishomingo County. The building was abandoned as a courthouse in 1870 when old Tishomingo County was divided into Tishomingo, Alcorn and Prentiss counties.

Jacinto was once a thriving frontier town, but it withered when the railroads and major roads passed it by.

Frank Simmons, president of the Jacinto Foundation, said that plans are underway to restore the entire town as it was before the Civil War.

The director and film crew decided on Jacinto Courthouse as the site for their film after looking at more than thirty courthouses around the country. They found the building to be perfect for their purposes because of its authentic restoration and the lack of any twentieth century trimmings.

"Tomorrow" stars Robert Duvall as Jackson Fentry, a lonely, embittered recluse who discovers meaning to life when he befriends an equally lonely, outcast woman.

The film is being hailed as one of the ten best of the year. The Christian Science Monitor said, "Once in a while a film comes along of such rare beauty and compassion that it could make other films look like empty celluloid exercises. "Tomorrow" is that kind of film."

The screenplay was written by Horton Foote whose adaptation of "To Kill a Mockingbird" won an Academy Award.

FERGUSON TO WED

Y ROBINSON JUNE 16th

Robinson, son of Mrs. William Bryan Robinson and the late Mr. Robinson of Iuka.

The bride-elect is the granddaughter of Mr. and Mrs. W. T. Box of Bruce and Mrs. V. E. Ferguson and the late Mr. Ferguson of Bruce.

The groom-elect is the grandson of the late Mr. and Mrs. Dorman Bugg of Iuka and the late Mr. and Mrs. John Robinson of Counce, Tenn.

Pam is a senior at Iuka High School.

Johnny is a 1971 graduate of Iuka High School. He is now employed at 4-Way Motors in Iuka.

The wedding will be solemnized June 16, at 7:00 p.m. in the Iuka Baptist Church with Rev. Harris Counce, Jr. officiating.

All friends and relatives of the couple are invited to attend.

EVANS TO BE BRIDE OF TIEMAN MAY 27th

Miss Evans is formerly from Rock Island, Illinois. She will be graduated from Iuka High School. Mr. Tieman is also from Rock Island, Illinois, and is a graduate of Rock Island High School.

No invitations are being mailed, but all friends and relatives are invited to attend the wedding and reception.

Mid-South

Computer Picnic

Employees and guests of Mid-South Computer Services enjoyed an informal outing and fish fry Thursday afternoon, April 27, at Indian Creek Acres in Iuka.

Those present included John and Cynthia Lambert, Raburn and Debbie Coln, Jane Ann Johnson, Oreda Chase, Norman Richmond, Eddie and Kathy Williams and Leon and Diana Bruton.

John Lambert served as chief cook and bottle washer. Jane Ann Johnson whipped up trim-

mings and dessert in a grand manner. Raburn Coln was roving troubador. The rest offered moral support and appetites.

A good time was had by all, and plans are being made to have company picnics and outings on a more regular basis.

Basketball Clinic At Burnsville

There will be a basketball clinic at Burnsville High gym May 19 and 20. It will be for all boys in Tishomingo County that are in the 4th, 5th, 6th, 7th and 8th grades. There will be a three-hour session on Friday, May 19 from 6 p.m. to 9 p.m. The second session will begin Saturday afternoon at 2 p.m. and last until 5 p.m. There will be a one-hour break for a meal to be furnished by the clinic. The third session will begin at 6 p.m. and last until 9 p.m.

The clinic will emphasize all the fundamentals of basketball with lecture, demonstration and participation. Demonstrations will be presented by expert personnel including Cecil Williams, Coach at Northwest Junior College (an All-American guard) and Mike Hailey, an All-American center. Clinic director is Coach George Hailey, Coach at Burnsville.

A small fee of \$5.00 will be charged to help pay expenses. There will be a limit of 100 boys. Your check for \$5.00 will assure you a place. Money will be refunded to those not being able to attend that have good reasons.

Contact: Coach George Hailey, Box 132, Phone 427-8402, Burnsville, Miss.

Blue Bell, Inc. Endorses National "Consumer Information Week"

Blue Bell, Inc. announced today its support of "Consumer Information Week" a nationwide

program to highlight the consumer's need for help and information and to tell consumers about assistance now available from business, government, trade associations and consumer-interest groups.

May 1 through 6, 1972, has been designated "Consumer Information Week." The week is being sponsored by the Council of Better Business Bureaus, Inc.

The senior girls are attending the state contest later this summer.

H. M. Day of Blue Bell, Inc.

noted that his company had long recognized the consumer as an inseparable partner in its practices. The consumer's needs and purchasing habits must be taken into full account in a company's product quality standards, quality control practices, honesty of advertising, clarity of operating and maintenance information, and responsiveness to service needs, Mr. Day said.

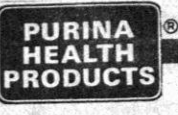

"Many companies have recognized their obligation to the consumer for a long time," Mr. Day said. "And many individuals at various levels of manu-

facturing, sales, and service have done their best to follow enlightened practices.

"Consumer Information Week puts us all on record. This marks a consolidated commitment by the business community's top management to the issue of consumer's rights. It has been raised to top priority, and should benefit both the businessman and the consumer."

Help protect baby pigs against SCOURS!

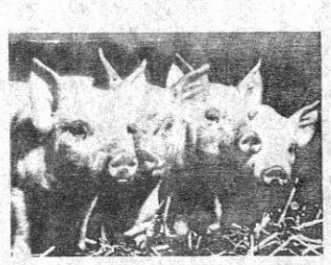

Eighty to ninety per cent of all death losses in baby pigs occur within four days after farrowing. Many of these deaths are caused by scour-causing organisms passed through the sow's milk into the litter. Purina Farrowing Chow FZ, with 100,000 units of penicillin, can help break the "scour-litter" cycle. Feed 3 to 3 1/2 pounds of Farrowing Chow FZ five days before farrowing and let Purina Farrowing Chow FZ go to work destroying scour-causing organisms in the sow, before she can infect the litter. Farrowing Chow FZ is palatable, bulky, vitamin fortified and specially balanced to fit the sow's needs during this critical period. Next time your sows are going to farrow, drop by our store and pick up Purina Farrowing Chow FZ and give them extra protection.

*See page 6, 1972

NOW...give your baby pigs EXTRA PROTECTION for about 1/2¢ per day

IT TAKES MIGHTY LITTLE dry feed and sow's milk to fill the tiny "fat tank" of a baby pig from one to three weeks of age. Just about an ounce a day of "loaded-with-power" Purina Baby Pig Chow or Purina Early Weaning Chow will give him extra energy, fast growth, and disease protection. EXTRA PROTECTION during this critical period costs only about 1/2 cent per pig per day. That's low-cost insurance to provide pigs with the "built-in" livability, the grow-and-go power offered by Purina starters! Pigs love Purina Baby Pig Chow, and Purina Early Weaning Chow, too—and that's important for it makes no difference how great a pig starter may be if pigs won't eat it. Help your pigs off to a thrifty start the Purina way. Come by our store next time you're in town. Let us tell you more about Purina's great pig starters! team, Purina Baby Pig Chow and Purina Early Weaning Chow.

Grow pigs fast on complete Purina Pig Grower!

It's one thing to get pigs off to a fast start. It's another to keep them growing at a record clip. That's where Purina Pig Grower—a high-quality complete ration—comes in. This performance-proof product from Purina Research is fed from the time pigs weigh an average of about 50 lbs. until they weigh about 100 lbs. Grower is highly palatable and contains the "grow-power" to put on fast, low-cost pounds. And it's available with ASP 250*, if you're growing pigs that have been under stress conditions. Drop in our store and let us tell you more about Purina Pig Grower and other complete Purina Chows. They're designed to help you start, grow and finish hogs fast and at low cost.

THE CHURCH

The love of money is the root of all evil: which while some coveted after, they have erred from faith, and pierced themselves through with many sorrows, I Tim. 6:10. When most people think about success they think of money or material wealth, while it is nice to have material wealth, it is not the answer to happiness and peace. A man's life does not consist in the abundance of the thing which he possesseth, Luke 12:15. A good name is rather to be chosen than great riches, and loving favour rather than silver and gold, Prov. 22:1. Be not afraid when one is made rich, when the glory of his house is increased; for when he dieth he shall carry nothing away: his glory shall not descend after him. Though while he liveth he blessed his soul; and men will praise thee, when thou doest well to thyself. He shall go to the generation of

his fathers; they shall never see light. Men that is in honour, and understandeth not, is like the beast that perish, Psa. 49:16-20. None of them can by any means redeem his brother, nor give to God a ransom for him, vss. 7. Their inward thought is, that their houses shall continue forever, and their dwelling places to all generations; they call their lands after their own names. Nevertheless man being in honor abideth not; he is like the beasts that perish, vss. 11 and 12. Money cannot buy back your youth when you are old, it cannot buy back your health when it is gone, it cannot buy true friendship, it cannot buy love, it cannot buy peace nor happiness - every good and perfect gift is from above, Jam. 1:17. Whatsoever thy hand findeth to do, do it with thy might; for there is no work, nor device, nor knowledge, nor wisdom, in the grave, whither thou goest, Ecc. 9:10. As the tree falleth, there it shall be, Ch. 11:3. Know this, if a man

live many years, and rejoice in them all; yet let him remember the days of darkness; for they shall be many. All that cometh in vanity, vss. 8. Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them, Ch. 12:1. For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil, vss. 14. We would do well to hear vss. 13. The conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man. Christ said to seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you, Matt. 6:33. People are trying to find peace, but through the wrong methods, namely himself. Oh, he goes to church on Sunday, but the answer is not in church. It is in Christ, and Christ is not in church unless he goes with you. Too many preachers today

are preaching for money. Take the money away from them and they will quit preaching. Where a man's treasure is, there is his heart, also, Ch. 6:21. If you would like to go to church where money is no object, then we invite you to our place of worship. Never have we taken up an offering nor will we ever. Freely we have received and freely we shall give. Our interest is in you, not your money. You won't be embarrassed if you do not have any money. No one will know but you. You will be treated just like the banker would. There is no respecter of persons. A condition where God's love abounds.

HEARING LOSS — NOW FOUND

To Whom it May Concern:

I was real run down. The flu stayed with me for 2 1/2 months, and my sinus trouble was driving me crazy. All of this left me where I couldn't hear out of one ear. I tried shots and pills, but no help. I decided to try something else. So, I went to Dr. Semlow.

He took an X-ray of my head and neck. He showed me where the nerves were pinched and how the muscles had gone into spasm. This caused the sinus passages and the area around my ear to swell so that it blocked my hearing.

After a few adjustments I can hear again and the sinus trouble is cleared up.

My husband and a lot of my friends go to the chiropractor. I think everyone should go at least once a month to stop their problems before they are bad.

Thank you,
Esther South

ANIMALS

By Mary B. Davis
THINGS ARE LOOKING UP
Things are looking up for Mississippi animals when encouragement comes from officials in Jackson, our State Capital!

Yes, May 7 through 13 has been officially proclaimed as "Be Kind to Animals Week" by Governor Bill Waller.

Also, the State Legislature has issued Senate Concurrent Resolution 569 designating the first week of May each year to stress the importance of animals and their need for human help.

Sent to me by Lt. Governor William Winter with his personal message of concern for animals, the resolution expresses perfectly what "Be Kind to Animals Week" is all about. Because this resolution was UNSOLICITED, it was doubly important to me, personally -- and I am not ashamed to say that when I read it, I cried and cried -- not because of sadness -- but for the new hope which I felt at receiving a voluntary expression of concern for animals from those who can truly do something to correct the sad conditions under which they have to live -- AND DIE -- in the only state in the union with no fully-equipped humane shelters to provide them with even merciful deaths!

The animals also have a friend in our State Representative for District 2, Mrs. Martha Carole White. She, too, is not ashamed to say: "I have always been a 'soft touch' for poor, mistreated animals... a direct result of my mother's influence because she, too, sheltered and cared for homeless strays." She further stated that she is very much interested in helping eliminate cruelty and making conditions better for all animals in our state.

During "Be Kind to Animals Week," a display of animal pictures and humane literature will be featured at The Iuka Public Library.

It is hoped that those who are already members of The Mississippi Animal Rescue League will renew their memberships and that those not already members of this statewide humane society will join -- an excellent way to "Be Kind to Animals" all year long! Help keep things looking up!

V A News
Q: If I get a guaranteed mobile home loan through VA, can I later get a regular GI loan for a conventionally-constructed home?
A: Yes, after the mobile home loan has been paid in full.

Q: My husband, a veteran, is in a nursing home for a condition not related to military service. Will VA pay for his nursing home care?
A: No. VA is permitted to provide nursing home care only for a limited time for such veterans who have received maximum benefits from VA hospitalization. There is no time limit for veterans who were hospitalized primarily for service-connected conditions.

Q: I'm going to school under the GI Bill, and my wife and I are expecting a child. Will I receive extra benefits for the child from the date of birth, or from the date I inform the VA?
A: You will be paid from the date of birth, provided you submit a copy of the birth certificate within one year of the child's birth.

Midway 4-H Club
Guest Speaker
The Midway Community Club met April 24th at 7:00 p.m. Mr. B. L. Mercer, President, called the meeting to order and welcomed all. He then turned the meeting over to the Midway 4-H Club leaders.

Mr. Rainey, 4-H Extension Leader, had charge of the program, and introduced the 4-H members. He also gave a talk on 4-H Club work and what it means to our youth. The devotion was given by Debbie Pounders, and the prayer was worded by Donald Pounders. The program consisted of the

speeches given by winners of the Public Speaking Contest held recently in our county. The speakers were Debbie and Donald Pounders, Gary and Rhonda Burcham, Louise and Randal McKee, and Angie Dawson.

All present enjoyed their talks very much. During the business session the time was changed to meet at 7:30 for the next meeting, which will be May 22nd.

The meeting adjourned and refreshments were served to all present.

STATE COULD BENEFIT BY INDUSTRY PLANS
Major U. S. industry plans heavy outlays of capital for new

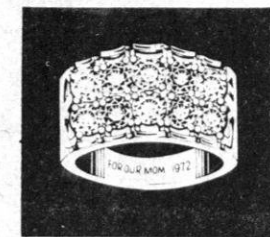

plants and expansions, and est surveys indicate American businesses are planning to increase capital spending this year by 10.5 percent. This upward revision in plans for spending on new plants during the present year is one of the best indications of business confidence.

If business expectations regarding capital spending, and inventory investment realized, the economy will enjoy a substantial boost. It can help us achieve growth in our state and local level business improvement and industrial expansion during balance of 1972.

twice as much as for grain harvest only.

Grass hay meadows should have at least 180 pounds of N, 60 pounds of P2O5 and 120 pounds of K2O during the growing season is a high-yielding grass like Coastal bermuda is used for hay. Common bermuda, dallis or bahiagrass should have the same ratio but about a 50 percent lower rate per acre.

LAND FORMING IS A LONG-RANGE INVESTMENT
Improving drainage and controlling rate of runoff is one of the best long-range investments of farmer with pot-hole land can make. Preparing a field to uniform grade requires precise planning and professional assistance.

Fields that are to be formed this fall should be planted to crops that can be harvested by late summer. Some fields may be fallowed and land formed this summer. The farmer who plans ahead and prepares for precision cultivation and chemical treatments with large equipment will be able to operate with minimum labor. Good water management will get the water off the field uniformly at a rate fast enough to get back in the field soon after a rain, but still slow enough to prevent erosion and allow the water to soak in.

SOYBEAN FERTILIZATION
Soybeans perform best on soils of medium to high fertility. They need 40 to 60 pounds each of P2O5 and K2O in the absence of a soil test. Potash levels on lighter soils require particular attention. Banded fertilizer should be placed at least 3 inches to the side and

3 inches below the seed. Since soybean seed are sensitive to salt concentration, poor placement may reduce stands. When broadcasting, per acre rates of fertilization need to be increased by about 50 percent on soils low in fertility. On land not planted to beans in the past two or three years, seed must be inoculated.

SOYBEAN SEEDING RATES
Most farmers tend to over-plant soybeans and thereby often experience greater lodging problems. Rather than pounds per acre, the seeding rate should be based on the number of seed per foot or row and the germination of the seed lot. For seed that germinate 90 percent, the rate should be 10 to 12 seed per linear foot on 36 to 40 inch rows. The rate should be increased accordingly for seed of lower germination. The rate should also be decreased if planting on narrow rows. For example, reduce the number per foot by one-half for 20-inch rows.

Soil Stewardship Week is a nationwide observance which places emphasis on man's obligation to God as stewards of the soil, water and other resources, will be observed, May 7-14, according to Mr. L. E. Deaton, Chairman of the Tishomingo County Soil and Water Conservation District. The Tishomingo County Soil and Water Conservation District and some 3000 companion Districts throughout the nation along with their State and National Associations are sponsoring the event for the 18th consecutive year.

The soil is entrusted in our care for only a short time. We must soon pass it on to our posterity. If we are good stewards of the soil, we will want to pass to posterity our good soil in better condition than when it was passed on to us.

From The State Capitol

By Martha Carole White, State Representative

The next to last legislative week was one of long hours and Saturday sessions. Most of the final days were spent considering bills which had been studied and reported on by Conference Committees.

Conference Committees are appointed when there are differences between House and Senate bills.

Final approval was given by the legislature on the Conference report on the \$8 million teacher pay raise bill.

The House also gave approval to a bill amending the Constitution to conform with new laws allowing 18-year-olds to vote.

Several important House bills were acted on by the Senate last week.

Of particular importance to us was the Senate's passage of the gasoline tax to provide \$11 million for highway retirement bonds. There were some differences in the House and Senate tax bills, so the matter was sent last Friday to Conference. By the time this column is printed, the differences should have been resolved, and the report sent back to both Houses for concurrence.

The Senate also gave 47-2 approval to the authorization bill for the \$600 million in bond sales to finance the highway program. This authorization bill was passed last week by the House.

Another measure of major importance to us was the Senate's passage of the authorization bill for improvements to our state parks. This was also passed by the House several weeks ago.

What this means to us is that bonds in the amount of \$908,050,000 can be issued for J. P. Coleman Park, and bonds in the amount of \$932,250 can be issued for improvements to

Tishomingo State Park.

This is the first time since 1934 that major capital improvements have been provided in order that our parks be improved.

One of Friday's newspapers carried this headline: "Highway Plan Rolls Toward Passage; 25 Million - Dollar Park Bonds OK'd."

To us in Prentiss and Tishomingo counties, these were the finest words we have seen in a long time!

TEXT: "Moreover, brethren, I declare unto you the gospel which I preached unto you, which also ye received, and wherein ye stand; by which also ye are saved, if ye keep in memory what I preached unto you, unless ye have believed in vain." (I Corinthians 15:1,2).

In our text Paul reveals the Divine instrument "by which men are saved--the GOSPEL." He declared the same great truth to the Romans in the first chapter of his letter to them. "For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to every one that believeth..." (Rom. 1:16). seek salvation apart from knowledge of the gospel is seek an impossible thing.

What is the gospel and what does it contain? The word itself means "good news, glad tidings" in the original language of the New Testament. It is the good news that God loves sinful, fallen man, and has showed that love in sending His only begotten Son to die on the cross for him. He offers a men every where salvation and life through Jesus whom He raised from the dead! If we arrange the contents of the gospel under headings, we find that the GOOD NEWS message of God contains FACTS to be believed (I Cor. 15:3-7), COMMANDS to be obeyed (Mat. 16:15,16; II Thess. 1:7-9), and PROMISES to be accepted (Ac. 2:38,39). Simply believing the facts of the gospel is not enough. Rejoicing in the promises the gospel alone is not sufficient. One must "obey" the commands of the gospel which include repentance, confession of faith, and baptism into Christ. When one has "obeyed" the gospel "from the heart" (Rom. 6:17), he then is heir to the promises so gloriously described in the New Testament.

We should be on guard against believing and obeying a changed gospel. In the first chapter Galatians, Paul warned the people about men who would preach to them "another gospel" which was only a perverted gospel. They were warned not to give heed to such false teacher. He was accused of God. We need to be aware in our own time of such men who teach a changed gospel different from that of the New Testament.

FAMILY MEALTIME IMPORTANT TRAINING GROUND FOR LIFE

For a family to be strong and close, members should enjoy being with each other some time every day.

Many families have found that the evening meal is a good time for togetherness.

It takes some sacrifices and some effort to make family mealtime a looked-forward-to habit, but it can be done. Here are some suggestions:

Have a regular time for the meal each day and make it important that everyone be present. Regular outside activities should not interfere with mealtime; if someone has ball practice, don't start the meal until he or she can be there, too. Adults and children should be expected to say, "I won't be able to go until after dinner," except for very special circumstances.

In order to have mealtime something everyone enjoys, it must be pleasant. Declare time out on criticism, arguing and rehearsing of misbehavior. Children will dread the dinner hour if it is a time when they are nagged and ridiculed. Adults will dread it if they have to speak crossly with the children.

Dinner table conversation should include everyone. One way is to have each person tell an interesting experience he's had during the day.

Although some may question

whether manners and social graces are relevant in 1972, there is one point to remember: interrupters, grabbers, sloppy eaters and thoughtless persons have never been welcome in any society.

Children learn basic behavior traits, such as politeness, at home; they do not magically acquire them when they go into the outside world.

And mealtime is an excellent ground where children can learn basic social skills.

Some Important Home Financing Facts

Are you interested in a new home? The size of the down payment, the interest rate and the number of years to repay the loan all affect the amount of money you pay for the house.

Frances Fortenberry, equipment and housing specialist for the Mississippi Cooperative Extension Service, using a \$20,000 house with a loan at nine percent interest financed for 25 years to illustrate the differences, pointed out that the larger down payment reduces the total interest you pay. However, the specialist said that a large down payment may not be wise for everyone since there are so many factors to consider.

"If you pay \$500 down on the \$20,000 at the end of 25 years, you will have paid about \$29,500 in interest at nine percent. If you paid \$1,000 down, you will end up paying about \$28,000 in interest; \$2,000 down payment reduces the total interest to about \$27,200, and a \$5,000 down payment lowers it to \$22,600," she explained.

Miss Fortenberry pointed out that the length of time you take to repay the loan also influences the total amount of interest you pay.

A \$20,000 loan at nine percent repaid in ten years will only cost you about \$10,400 interest with monthly payments of \$253. Repaid in 20 years, you will pay about \$23,000 in interest. Your monthly payments will be \$180. Repaid in 30 years you pay about \$37,800 interest, but monthly payments will be about \$161.

The housing specialist said that interest rates also affect the total cost of a house. The \$20,000 house financed for 25 years at 7 1/2 percent will be about \$148 per month and the total interest will be about \$24,300. At eight percent, the payments and interest will be about \$154 a month and total interest \$26,300, and at 8 1/2, \$161 per month and total interest of \$28,200.

"Think twice before you decide to include the costs of your appliances as part of the mortgage when you are buying a home. If an appliance cost \$400 and you include it in a 25 year, eight percent home mortgage, you would end up paying \$924 for it. The appliance likely would have been replaced at least once in the 25 years," Miss Fortenberry advised.

Tax Bites Getting Stiffer

Local, state, and federal government revenues and expenditures have grown sharply during the past decade according to figures released by Tax Foundation, Inc., of New York.

In the 10 years 1962-72, total government tax receipts increased by 77.5 percent per American household. In the same period, total government spending increased by 93 percent on a per household basis.

In fiscal 1962, total tax receipts were \$139 billion, or \$2,552 per household. In fiscal 1972, receipts are estimated by the private research organization to total \$295 billion, or \$4,530 per household.

The 1972 estimate is 6.5 percent increase over the 1971 fiscal year when the total tax bite was \$277 billion, or \$4,330 per household.

Spending by governments has increased at a faster clip, reports the Foundation.

In fiscal 1962, spending totaled \$176 billion, or \$3,225 per household. By the end of fiscal 1972, spending is expected to reach \$405 billion, or \$6,231 per household (an increase of 12 percent from the 1972 figures, or \$363 billion equal to \$5,682 per household).

Spending figures are usually larger than tax figures because of budget deficits not covered by taxes, and non-tax revenue receipts (tuition fees, hospital charges, etc.).

Placed in another light, just the federal tax receipts in the coming fiscal year (1973) are expected to equal \$1,023

for every single American.

The Foundation bases this estimate on collections of \$213 billion. On a state-by-state basis, the federal tax burden will range from \$1,462 per resident of Connecticut, to \$563 per resident of Mississippi.

The Mississippi Economic Council urges continuing examination and re-examination of local, state, and federal government for the purpose of assuring more economical, efficient government.

Legislation Advocated For Young Farmers

The nation's farm youth would become eligible for government backing of their agricultural projects under legislation advocated by Senator

James O. Eastland.

The Mississippi lawmaker called for approval of a special section of the Rural Development Act making loans available to young people for projects on the farm.

"This is an excellent approach to revitalizing this country's rural areas," Senator Eastland said. "Our youth are the key to a bright future for America."

Under this bill, the Farmers Home Administration would be authorized to make loans to young people for projects such as those accomplished by 4-H Club members or members of the Future Farmers of America and similar organizations.

"The new bill would permit loans to young people for the

purchase of livestock, including hogs, dairy or beef cattle," Eastland said. "Young farmers could also obtain funds under the program to produce crops, such as vegetables, cotton and corn."

Funds would go for seed, fertilizer or even land rent, the Senator pointed out. He said details would have to be worked out by the Farmers Home Administration after passage of the law.

"This legislation will enable young people to establish a record of successful production before they enter into agriculture as a lifetime vocation," the Senator said.

Eastland said there is "tremendous interest" in this section of the bill. "Our young

people constitute the future of this nation and it is imperative to encourage them to prepare themselves to build a better America."

4-H CLUB

The 4-H Club movement originated in Mississippi. In 1907, William Hall "Corn Club" Smith was superintendent of schools in Holmes County. He started what was known at the time as corn clubs for boys. He was assisted by leaders from Mississippi State University. The movement quickly spread throughout the South, and later the nation, under the name of 4-H Clubs. -- Source: D. B.
