Iuka Rips Shaw In North Half Finals

The Iuka Chieftains behind the two-hit pitching of Don Robinson and an eight-run sixth inning, blasted the Shaw Hawks 11-1 to win the North State Class B baseball championship at Oxford Monday.

Robinson struck out seven batters and allowed only two hits, while loser Charles Banks was touched for 11.

The Hawks got on the scoreboard first in the game. Charles Banks walked and stole second, but the throw from catcher Dutch Daugherty went into centerfield allowing the Hawks 1-0 lead in the first inning.

The Hawks threatened again in the second inning, but the Chieftains managed a double-run-down between third and home and third and second as Robinson stopped a ground ball and cut Banks off at the plate to start the play.

The Chieftains tied the game in the third inning. Butler led off the inning with a double to left field. Robinson sacrificed Butler to third on a bunt, and Scotty James brought in the run with a fly to deep center to tie the score at 1-1. David Smith hit a double to left center, but was left on the bag as Daugherty grounded out.

The sides were retired in order in the fourth inning and Robinson struck out the Hawk side of the order in the fifth.

Butler led off the fifth inning with a walk. James singled to center. Smith grounded to the pitcher, who threw Butler out at third. Daugherty hit a grounder that the Shaw shortstop couldn't handle and everyone was safe. James rounded the bag and was caught sliding into third during a run-down.

Mike Worsham, leading off the sixth, began the eight run rally for the Chieftains with a homerun over the center field fence, giving Iuka a 2-1 lead.

Phifer singled to left and Long doubled to put men on second and third with no outs. Biggs hit a grounder to the shortstop, which was mishandled allowing Biggs to reach first and Phifer to score making it 3-1.

Biggs stole second. Butler walked and the bases were loaded. Robinson popped out, but James singled to right scoring two runs and upping the score to 5-1.

James stole second to put men on second and third to set the stage for a sharp double by Smith, which hit third base and bounced into left field, scoring two runs.

In the confusion that followed, Smith stole second. Daugherty hit the ball to the third baseman's left and the bad throw to first allowed Daugherty to go to second and Smith to score the eighth Chieftain run, making the score 8-1.

The final run of the game was attributed to Worsham, who hit a double allowing Daugherty to score.

For Iuka James was two for three, and Smith and Worsham were both two for four.

Olimi and Kyles collected a single hit each for the Hawks.

Ripley Screen & Strainer Plant In Iuka To Expand

Facility To Increase By One Third Its Size

John H. Biggs, Mayor of the City of Iuka, today announces the immediate plans of the Ripley Screen & Strainer Co. for the expansion of their building, which is located on Third Street in Iuka. The expansion

will increase the plant by one-third its present size and additional personnel will be required when the expansion is completed.

Mr. Hugh Laseter, Vice President and General Manager of

the Iuka firm, states that the contract has been let to the Associated Steel Company of Memphis. Construction should begin within the next three weeks. Plans include the black-topping of the parking lot and landscaping of the grounds.

Ripley Screen and Strainer Company is a multi-product firm, manufacturing screen products for the automotive industry as well as items for refrigeration and hydraulic trade.

Mr. Laseter stated that the expansion is needed badly because of increased sales. According to Mr. Laseter the addition should be complete within six weeks after construction begins.

"We appreciate the attitude of the people of Tishomingo County. Our most important product is people," stated Mr. Laseter.

"Miss Hospitality" Saturday Night

The public is invited to attend this year's "Miss Hospitality" contest set for this coming Saturday night, May 26, at Howard Auditorium in Iuka, beginning at 7:30 o'clock. Also, in conjunction with this contest,

the selection of Tishomingo County's "Little Miss and Master" will be made, along with the crowning of a new "Junior Miss Tishomingo County."

The contests are sponsored annually by the Lucy Rowe Study Club of Iuka and serving as this year's chairman is Miss Nellie Horton. Many new names have been added to the list of individuals vying for the various beauty titles, Miss Horton said, and all is in readiness for the greatest beauty pageant ever staged in Tishomingo County.

Serving as emcee will be Bro. Jerry Swimmer. He will also provide entertainment while judges are making their decisions.

Miss Horton reminds all contestants in the three age divisions to please be present for rehearsal on Friday night, beginning at 7:00 o'clock. "Miss Hospitality" contestants will be entertained at a coke party on Saturday afternoon preceding the contest, at which time they will be interviewed by the judges, and will appear before them in swimsuit competition. Final judging will take place Saturday night at the school auditorium, when the young ladies will appear in evening gowns.

Winner of the "Miss Hospitality" contest will be chosen on the basis of beauty, poise and personality. She will receive an all-expense paid trip to the state contest to be held later in the summer on the Mississippi Gulf Coast, where she will be in competition with young ladies from throughout the state.

Those wishing to enter any of the contests are urged to please contact Mrs. Jo Ann Wimberly, phone 423-6329, Mrs. Betty Swimmer, phone 423-5717, Mrs. Ann Byrd, phone 423-6757, Mrs. Nell Landrum, 423-5094, or Miss Horton, phone 423-6604.

Those already signed up for the "Little Miss" contest are Terrina Lambert, Ladye Love Long, Katie Ramsey, Jan Jones, Gail Wallace, LeAnn Kay, Debra Lambert, Melanie Harvey, Tammi Grisham, Tracie Sanderson and Sherry Mars.

Those indicating a desire to compete in the "Little Master" contest are Craig Carson, Jonathan Carpenter, Keith Wimberly, Tommy Dean, Christopher Middleton and Billy Ludlam.

In the competition for "Miss Junior Tishomingo County" are Shelia Berryman, Wanda McVay, Donna Taylor, Denise Kirk, Nena Counce, Dynette Brumley, Dynette Yarbber, Vicki Bolton, all of Iuka, and Patricia Hester of Belmont.

In the "Miss Hospitality" contest are Jo Ann Byrd, Teresa White, Patsy Lambert, Norma Miller, Charlotte Hussey, Vicki Counce, Netia Counce, Vickie Gravette and Abbie Ramsey.

Eastland To Speak To The Graduates At Iuka High School

Senator James O. Eastland, President Pro Tempore of the United States Senate, will deliver the commencement address at Iuka High School on Thursday, May 24, at 8 p.m.

Eastland, Mississippi's senior Senator, who has served in the U. S. Senate longer than any other Mississippian, will be the featured speaker at the graduation of 62 seniors. The Senator will be introduced by Senior Class President, Scott Segars, son of Dr. and Mrs. Kelly Segars.

Senator Eastland first went to the Senate in 1941 to serve an interim appointment and was elected in his own right in 1943. The people of Mississippi have re-elected him in each succeeding election and now he is number one in the Senate and President Pro Tempore of that body.

As President Pro Tempore, Eastland is the usual presiding officer of the Senate and successor to the President, following only the Vice President and the Speaker of the House of Representatives.

Eastland is Chairman of the powerful Senate Judiciary Committee which passes upon almost 50 percent of all Senate legislation and over all Federal judicial appointments.

Eastland became Chairman of the Judiciary Committee in 1956 and is the youngest man ever to hold that post. He has been chairman longer than any other man in the history of the Senate.

Senator Eastland is also the ranking Democrat on the Senate's Agriculture and Forestry Committee. As President Pro Tempore, Senator Eastland ranks in the upper levels of Senate leadership. He is a member of the Democratic Policy Committee, which controls the flow of legislation to the Senate floor, and the Democratic Steering Committee, which assigns Senators to their committees. The post also gives the Senator key appointive powers over many Senate positions as well as membership on many joint committees and commissions.

Senator Eastland was born in Dadds, Mississippi and attended the University of Mississippi, the University of Alabama and Vanderbilt University. He has served in the Mississippi House of Representatives as well as having practiced law in Dadds.

Senator Eastland is married to the former Elizabeth Coleman of Dadds. The Eastlands have three daughters and one son.

AIRPORT WARNING

Numerous complaints have been reported regarding the use of the Iuka Airport as a drag strip. The public is probably not aware of the many planes that land each week in Iuka, but the runways are in constant use.

Sheriff George W. Cutshall made the following statement to the Tishomingo County News:

"We will prosecute anyone caught using the airport for any purpose other than that for which it is intended."

Annual Singing Planned

The Tishomingo County Singing Convention will convene at the new courthouse in Iuka on Highway 25 South on Saturday evening, June 2, at 7:30 p.m. and Sunday, June 3, at 10:00 a.m. Sunday's singing will be broadcast starting at 1:30 p.m.

Some special groups will be on hand for the singing. Mr. Ozy Ricketts is chairman.

Everyone is invited to attend.

IUKA SUMMER SCHOOL DATES CHANGED

Due to the baseball team participating in the State competition, summer school will begin on Monday, June 4, and will end of Monday, July 16.

Wednesday, July 4th, will be a holiday.

REVIVAL BEGINS AT PARADISE

Revival services at Paradise Methodist Church will begin on Sunday, May 27th, and will continue through June 1st. Services will be held each evening beginning at 7:30 p.m.

The church is located 3 miles east of Tishomingo. Rev. Grady Bailey of Iuka will be doing the preaching.

Everyone is invited to come and enjoy the services.

The Wealth that Counts

Many people think, aloud or silently, that the poor are poor because they are lazy, or because they are immoral, or because they are stupid, or perhaps because they have some yet-undiscovered character fault.

The poor are often shunned for these reasons. Or, if not for these, then on charges that they have low standards of dress, or health, or cleanliness, or something else.

For whatever reasons, the fact is that the poor are often shunned — and they are shunned by people who are otherwise trying to act as Christians should.

Jesus loved the poor. In fact, in one of His first messages in His public ministry, Jesus declared that He was the fulfillment of a prophecy of Isaiah which begins: "The Spirit of the Lord is upon Me because He anointed Me to preach good tidings to the poor."

Many who have tried to follow the Lord closely have been slow in developing an active concern for the poor.

The Apostle James treats part of this question (in James 2:1-9) with an illustration of a rich man entering a church and being seated in a fine place and a poor man entering and being put in a corner.

This discrimination James condemns. He argues strongly that the poor are not to be despised.

All Equal in Christ
Equality is the standard for fellowship in Christ and the church is neither impressed by the richness of the rich nor by the poverty of the poor.

This does not mean that Christians are to feign ignorance. Rather that they should treat these differences openly while demonstrating by their actions that they value the spiritual over the material.

Jesus said, "It is easier for a camel to go through the eye of a needle than for a rich man to enter the kingdom of God."

The poor man's potential appears to be greater, doesn't it? Is it actually greater?

On the other hand, the rich man has the financial means to do some things for the church and for God's kingdom that the poor man cannot do.

Which of them is in a position to accomplish more for Christ?

If accomplishment is judged, as it must be, as performance of the will of God, the potentials of the two men are equal.

Poor May Become Rich
Material wealth is clearly intended to be a minor, nearly nonexistent, concern among believers.

The poor of primary interest to Jesus are the "poor in spirit," those who recognize their spiritual destitution before God. It happens that the materially poor seem to recognize their spiritual need more readily than the materially rich.

It is necessary to realize your spiritual poverty before you can really accept the riches of Christ. The exchange of your poverty for His inexhaustible riches gives you, as a believer, the only wealth that matters. Copyright Dave Llewellyn 1973

1974 Tax Increase

The Federal tax bite on every American in 1974 will increase nearly 10 percent according to the Tax Foundation Inc.

Reporting in its monthly tax features, the Tax Foundation says in 1974 Federal taxes will jump to \$1,179 per American. The 1974 figure is an increase of 9.37 percent over the 1973 payment of \$1,078 per American.

On a state-by-state basis, the Federal tax burden will range from \$1,616 per resident of Connecticut, down to \$685 estimated to be borne by a resident of Mississippi. The per capita tax burden will exceed \$1,000 in 32 states, according to the report.

The Federal budget for the coming fiscal year estimates \$248 billion will be collected in 1974, an increase of \$23 billion over the 1973 total of \$225 billion.

California ranks first in projected Federal collections with over \$27 billion. Mississippi's Federal collections will total over \$1.5 billion.

Mississippi ranks 35th in projected Federal collections and 50th in per capita tax burden.

In comparison, Alabama's per capita burden will be \$802; Louisiana, \$868; Arkansas, \$779; and Tennessee, \$902.

The Tax Foundation allocation formula takes into account tobacco taxes as part of the tax burden on all states selling cigarettes.

PROJECT START HEAD

On April 27, the parents and workers of Carter Head Start at Midway had a program and fun games for the public.

The activities was another parent project to earn money for air-conditioners for each of the three classrooms.

The program and games was a huge success and netted a profit of \$509.30, which gives a balance of \$801.30 for the Carter Center. The main attraction was a portable TV given away and a very nice stainless steel coffee pot given away as a door prize. The TV was won by Mr. Ed Wynn and Tommy Crowell won the coffee pot.

There were about 80 cakes and pies won at the cake walk. Fun was had by all.

CHAPEL FUND

The Chapel Fund Committee announces additional contributions for the building fund: Nelson's Foodland, \$25.00; Ethel Huffman, \$5.00; William Winter, \$20.00; Cecil Summers, \$10.00; Dewey Lewis, \$10.00; Garlie Panlakis, \$5.00; J. C. Lambert, \$29.00; and Truman H. Walker, \$5.00.

The committee expresses a special thanks to the Tishomingo County News for developing the pictures used by WTVV TV.

APRIL WELFARE STATISTICS

During the month of April, the State Department of Public Welfare issued \$8,737,606 to 157,045 persons through its needy aged, blind, disabled and dependent children assistance programs. Each person who receives a welfare check is eligible for Medicaid. An additional 6,747 persons were determined eligible for Medicaid benefits only. This group includes needy caretakers, etc. They do not receive a welfare check.

Miss Margaret J. Woodley, director of Tishomingo County Department of Public Welfare, reports 1,206 checks were issued to Tishomingo Countians through the four public assistance programs; 38 applications requesting assistance were filed and 21 new public assistance cases were approved. The report shows 37 persons eligible for Medicaid only.

A total of \$69,529 was spent overall for public assistance. Of this amount \$45,959 went to 805 persons in the old age assistance category; \$1,084 to 16 legally blind persons; \$16,637 to 256 permanently and totally disabled persons. In the aid to dependent children category, 129 checks were issued for 308 children in the ADC grants. A total of \$5,849 went to ADC families.

Miss Woodley added there were 19 active child welfare cases and 4 children in 4 licensed foster homes in Tishomingo County.

Ms. McClure Joins YSA

Sandy McClure has joined YSA Public Relations as an account executive.

Ms. McClure, a writer whose previous experience has been in politics, government, and news reporting, will work on several of the firm's public relations accounts.

Last year she was Michigan Press Secretary for the Presidential Campaign of Senator George S. McGovern. She was administrative assistant to former Detroit Mayor Jerome P. Cavanagh from 1967 to 1970.

She also has served as deputy director of the City of Detroit's Charter Revision Commission; news relations officer of New Detroit, Inc.; staff member of the Mayor's Development Team, Detroit's post-riot study commission; administrative assistant to the director of the Mayor's Committee for Human Resources Development, Detroit's anti-poverty program; assistant press secretary to Michigan Supreme Court Justice G. Mennen Williams during his U. S. Senate campaign; reporter for United Press International's Detroit bureau; and reporter for Detroit Area Weekly Newspapers.

A graduate of Wayne State University, Ms. McClure majored in journalism and American studies.

She lives in Lafayette Park in downtown Detroit.

Ms. McClure is the daughter of Mr. and Mrs. C. Marvin Grisham of Detroit, and the granddaughter of Mr. and Mrs. R. C. Grisham of Route 2, Iuka.

Homecoming Day will be observed at Harmony Church on Sunday, May 27th. There will be a program beginning at 10:30 with lunch following and singing in the afternoon.

Mrs. L. N. Dean, Miss Mabel Dean, Mrs. Ralph Tucker and Mrs. Marshall Daniel were in Savannah, Tenn. last Friday. Mr. and Mrs. Dennis Smith and family of Birmingham, Ala., and the Joe Bonds family of Burnsville, visited their parents, Mr. and Mrs. Alfred Bonds, over the weekend.

Mrs. Nellie Davis, Dorothy and Sarah Haynes, Mabel Dean, Mrs. Delma Dean, and Mrs. Marshall Daniel attended the homecoming at Mt. Gilead last Sunday afternoon.

CAGLE PROMOTED TO SALES MANAGER

Belmont resident Nolan D. Cagle, Route 1, has become a Sales Manager for Combined American Insurance Company, Dallas.

John Keefe, regional sales manager for Texas, announced that Cagle has contracted with Combined to work with a group of representatives servicing the

needs of the company's policyholders.

Combined American is a subsidiary of the Combined Insurance Company of America and specializes in accident and health income-protection and life insurance. Last year the Combined group paid benefits in excess of \$39,000,000. The companies are unique in that the needs of their customers are under constant review with representatives calling personally on policyholders at least every six months to provide individual service.

Cagle, in 1971, became as-

sociated with Combined can as a sales representative and his service to policyholders earned him his new position. He is also a member and winner in the W. Clement International Sales Achievement Award. The honorary club is after the company's former board chairman.

with the opportunity to develop their potential by direct contact with and observation of outstanding school programs throughout the nation.

"For the next twelve months, Montgomery will travel across the country where he will be associated with the noted authorities now directing outstanding middle schools, non-gradedness and other promising educational programs. His selection was based, in part, on his accomplishments in the formulation of the Amory Middle School Program."

"While we are sorry to lose the services of Deck for the next school year, we are very proud of him and the great recognition that has been given him. Of course we shall also profit from his year's study, for undoubtedly bring back with him many new and valuable ideas that will make our own schools better. He has given us his assurance that he wishes and expects to return to the Amory Middle School upon the completion of his year's study."

"Mr. Deck" will continue next year, as time will permit, to assist and counsel in the planning and program of the Middle School. He expects to be able to visit Amory and Middle School several times during the next school year.

"He is the son of Mrs. Tula and the late G. C. Montgomery of Golden, Miss., and is former principal of Belmont."

Engagement taken

engaged came easy for Andy. But getting married so scary that they

Most courts agree that the engagement ring is returnable—at least, unless the man was solely to blame for the breakup. Returnable also are other gifts exchanged between the two parties in contemplation of marriage. But this does not extend to gifts

given prior to the engagement—that is, gifts given during the period of courting.

Thus, a court rejected the effort of an elderly suitor to reclaim some jewelry he had given to a younger woman. The court said the gifts had been made at his own

risk, on the chance this his courtship would succeed.

What about gifts from friends and relatives, when the marriage plans fall through? Consider this case:

A doting father was so delighted when his daughter became en-

gaged that he set up a \$5,000 joint bank account for the betrothed couple. Soon afterward, the romance cooled. But the young man retained his affection for the \$5,000.

"That was an outright gift," he argued in a court test. "Her father

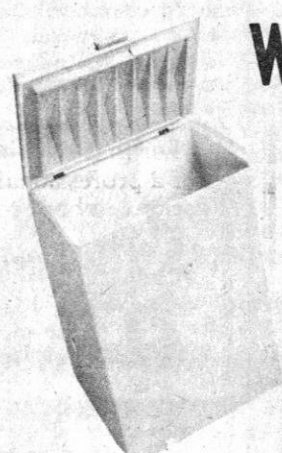

didn't say we had to get married."

But the court decided that even if the father didn't say it, he clearly meant it. The court said he would scarcely have set up a joint bank account except on the assumption that the two would soon be husband and wife.

COUNTY ESSAY WINNER — The office of the Tishomingo County Superintendent of Education recently announced that Miss Janice McNutt from Tishomingo High School has won the county wide alcohol essay contest. The contest, established by law in 1948, requires each senior to submit a 1500 word documented research paper on the physical, psychological and social aspects of alcohol consumption. The best paper from each school is then submitted to the county for judg-

ing by the English Department at Northeast Mississippi Junior College. Miss McNutt's paper will now compete with the winner from the other counties in the state. Miss McNutt, a senior, is the daughter of Mr. and Mrs. Orville McNutt of Tishomingo. She is a Beta Club member, F.H.A. member, Drug Abuse Team member, and a former member of the Bulldog Band. She is shown here being congratulated by Mr. R.C. Strickland, Principal of Tishomingo High School.

Mrs. Burns Hosts Homemakers Club

The Tishomingo Homemakers Club met May 17th at 7:00 p.m. with Mrs. Eva Burns.

Mrs. Margaret McRae presided and gave the thought for the month, "It requires greater virtues to support good fortune than bad." The hymn used was "Showers of Blessings," followed by the devotional, given by Mrs. Mable Byram. The minutes of the previous meeting were read and approved. After the business transaction, the club gave Mrs. Pat Stephens from the Dennis Club a hearty welcome, and she gave a most important and informative demonstration - "Twenty-five Styles in a Hat Box." "Thanks, Pat," from our club.

Congratulations to four of our members in winning three first places and one second place in the recent dress revue. The members were Mrs. Margaret McRae, Mrs. Bee Stephens, Mrs. Alice Twitty and Mrs. Lois Norton.

Congratulations also to Mrs. Margaret McRae for being selected the "Homemaker of the Week" recently.

The door prize was won by

Mrs. Mae Paden. The winner on the Bible Quiz was Mrs. Mamye McAlister.

The hostess, assisted by Mrs. Crow and Mrs. Twitty, served refreshments of strawberry salad, crackers, nuts, coffee or spiced tea.

Mrs. Altha Martin will host the June meeting.

Burnsville Homemakers Gathered

The Burnsville Homemakers Club met on Thursday, May 17th, at 2 p.m. in the home of Mrs. Thelma Gray on Highway 365.

The president, Mrs. Ona Boothe, presided over the meeting. She read the thought for the month - "It requires greater virtues to support good fortune than bad." "Have Thine Own Way, Lord," was sung by the group.

The minutes were read and the roll was called by the secretary, Mrs. Thelma Gray. A check was made on the club's goals. Business concerning the birthday calendars was taken care of.

The focus topic, "Our Energy Crisis," was given in the form of a playlet. The three characters were: Mrs. Consumer, Mother Nature, and the Devil's Advocate. They were played by Mrs. Ann Strickland, Dorothy Strickland and Wilma Gilliland.

It was mentioned to stop wasting fuel, reduce the amount we demand. We improve efficiency, energy is wasted in equipment and insulation in the home.

Ona Boothe gave a presentation, which was a success and will.

Wilma Gilliland and Strickland won the recreation. The day was won by Mamie Rhine. Refreshments were the hostess to the Mesdames Ona Boothe, Wilma Gilliland, Rhine, Ann Strickland, Strickland and Be.

The June meeting will be at the home of Mrs.

and Giompoletti going to second.
After Olmi drew a free pass,
Stanton did the final damage,
coming home on a wild pitch by
Iuka pitcher Smith to make it
5-4 Shaw.

Roncagli had two of Shaw's
six hits, while Phifer manager
a pair for the Chieftains. Ro-
binson and Worsham each added
one to the Iuka offense.

IUKA TAKES SHAW NINE IN GAME TWO

By Vicki Robinson
Iuka's Chieftains, losers of
the first game on their home
field last Thursday, got their
revenge Saturday, clipping
Shaw's Hawks 9-5 to even the
best-of-three series to decide
the North Mississippi Class
BB baseball championship.

Iuka never trailed in this en-
counter, picking up three runs
in the top of the first inning
and adding tallies throughout.
Shaw's big inning was the third
when they scored three runs, but
by then Iuka held a 6-2 lead.
Butch Daugherty slammed a
two-run homer for Iuka in the
sixth and the Chieftains added a
seventh-inning run to ice the
victory, their 22nd of the cam-
paign against only five losses.

David Smith got the win for
Iuka, although he had a giant
helping hand from Johnny
Phifer. The reliever came on
in the bottom of the third with
the bases loaded and nobody
out, but Phifer threw the lock
on Shaw and the Hawks failed
to score.

Phifer gave up three hits the
rest of the way. Iuka batters
slammed out 10 hits off Shaw
pitcher, Chester Banks, who had
won the first game 5-4.

Mike Worsham had three of
Iuka's hits, including a double.
Smith had two with a double,
while Don Robinson and Johnny
Phifer also added doubles to go
with Butch Daugherty's home
run.

For Shaw, Henry Giompoletti
had three hits including a homer
and Joseph Kyles added three
safeties. Banks hit a double.

Whale Of A Picnic

Dear Vidette and its many
readers:

We had a whale of a picnic
last week at Coleman Park.

We had six hamburgers and
four cokes each, lots of candy,
cookies, and all the knick knacks
to make a picnic 100%.

We fished with rods and
reels — caught some fish too.
Our biggest one was 12 to 14
inches long, and our smallest
ones were 9 inches.

Our sponsors were Miss
Dorothy Garrett and Mr.
Charles Evans.

We are all passing our
grades.

We wish to thank The
Tishomingo County News for
coming to our room to help us.
You have made pictures of all
our projects and units.

Curtis.

Brenda chose for the occasion
a two piece suit of green and
white.

The large assortment of gifts
were viewed, after which re-
freshments of lime punch and
wedding cakes were served.

Buddy Poppy Sale

The annual sale of Buddy Pop-
pies in this area will be held
on Saturday, May 26, Comman-
der Goldsmith of V.F.W. Post
4978 announced today.

The sale of Buddy Poppies is
the only nation-wide fund drive
of the Veterans of Foreign Wars
and its Ladies Auxiliary. The
proceeds are exclusively used
for aid and assistance to dis-
abled and needy veterans and
the widows and orphans of de-
ceased veterans.

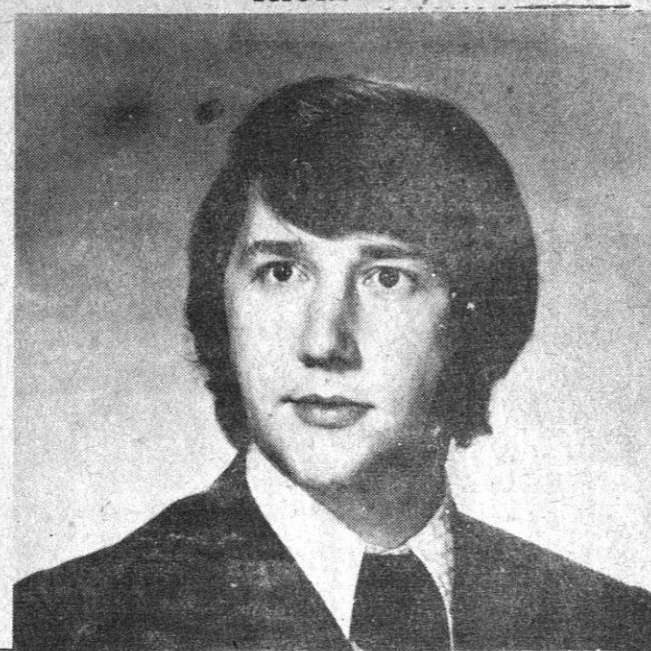

In addition to direct assis-
tance, the proceeds of the sale
help to support full-time
service offices operated by the
V.F.W. in Veterans Adminis-
tration facilities throughout the
United States. These offices
offer guidance and counseling to
disabled veterans in process-
ing disability compensation
claims.

The sale is conducted entirely
by volunteers.

SHAW TOPS IUKA IN PENNER

By Vicki Robinson
The Shaw Hawks edged Iuka's
Chieftains 5-4 in the first game
of the best-of-three series to
win the North Mississippi
Class BB baseball title.

Shaw looked like a sure loser,
losing themselves on the short
of a 4-1 score after three
runs, but the Hawks crept to
one, 4-3, in the fourth,
then scored two runs in
the top of the seventh to seal
victory.

After a shaky start, Shaw
pitcher Chester Banks settled
to allow Iuka only four hits
as the Hawks managed six off
main ace Don Robinson and
pitcher David Smith.

Shaw got a 1-0 lead in the
first, when Butch Daugherty

scored on Johnny Phifer's bunt
through the infield, but the
Hawks deadlocked things a in-
ning later as Roncagli singled
and came home on Giompoletti's
single.

The Chieftains took a 4-1 lead
in the bottom of the third when
Robinson and James drew walks
and scored on a single by Wor-
sham, who later tallied when a
Hawk infielder booted a Phifer
grounder to third.

Shaw came right back, Kyles
led off the fourth with a single
and Reginelli drew a walk. Both
scored to make it 4-3 when a
Chieftain infielder errored on a
ball hit by Gattelli.

The opposing pitchers made
their presence felt until the top
of the seventh with Iuka still
holding its narrow advantage.
The Chieftains, however, fell
apart at the seams.

First, Roncagli tripled to the
left field woods, Stanton lived
on an error, with Roncagli scor-
ing to tie things 4-4. Tiom-
poletti found life on another
error, Stanton moving to third

Midway Homemakers Met

The Midway Homemakers met May 15, in the home of Mrs. Bruce Rutledge with nine members and one visitor present.

The president, Mrs. Fred-

erick, called the meeting to order and gave the thought for the month, "It requires greater virtues to support good fortune than bad." "Have Thine Own Way Lord" was the song used by the group. For the devotion, Mrs. Rutledge read the 4th Psalms. Prayer was by Mrs. Stephens.

The secretary, Mrs. Stephens, read the minutes of the last meeting. During the business session there was a discussion on club goals. The focus topic was "our energy crisis." The demonstration "what every woman should know about insurance," was given by Mrs. Frederick.

Everyone present enjoyed the white elephant sale. The door prize was won by Mrs. L. E. Skinner.

The meeting was adjourned. Refreshments were served by the hostess.

Personal

Mr. and Mrs. Edd Hannon spent Friday night in Birmingham, Ala., with Mr. and Mrs. A. H. Harbin. Saturday they went to Columbus, Ga., to meet Mr. and Mrs. Ray Hannon from Atlanta, Ga. They all spent the weekend with Mr. and Mrs. Bob Bunda in Columbus.

Mr. and Mrs. Stanton Clark, Mr. and Mrs. Richard Clark and Pinkie Pruitt attended the Danny Thomas Golf Classic in Memphis on Sunday.

Mr. and Mrs. Eugene Curtis of Memphis visited Mrs. Ethel Curtis and family over the weekend. Mr. Odie Curtis of Paducah, Ky. also visited in the Curtis home.

Terry Curtis is spending three weeks visiting with Mrs. Ethel Curtis and Mrs. Elton Young.

IN LOVING MEMORY OF
OUR DEAR HUSBAND,
FATHER, FATHER-IN-LAW,
AND GRANDFATHER,
CHARLIE HENDRIX,
Who passed away 7 years ago
May 24, 1966

You left a beautiful memory, and sorrow too great to be told. But to those who love and lost you, your memory will never grow old.

Memories are treasures that each person has, and to them are more precious than gold. Death is a heartache that nothing can heal, and sorrow too deep to be told.

We often think of the happy times, that we all spent together.

Your loving smile and cheerful ways, will be in our hearts

forever.

We have many lonely heartaches, and often a silent tear. But always a beautiful memory, of the one that loved you so dear.

Our hearts feel an emptiness that cannot be filled, until we meet you in Heaven.

When we lay down our earthly cares and woes, and God will bid us welcome.

As time goes by we miss you more, you are in our thoughts, our hearts, and our prayer. May God keep you forever safe with him, until we meet and a new life we'll share.

RESOLUTION OF THE MAYOR AND BOARD OF ALDERMEN OF THE TOWN OF TISHOMINGO, MISSISSIPPI, FOR STREET IMPROVEMENT AND SPECIAL ASSESSMENT

Whereas, in the opinion of the Mayor and the Board of Aldermen of the Town of Tishomingo, State of Mississippi, a necessity exists requiring the grading and paving of the hereinafter described street as hereinafter specified;

Whereas, in the opinion of the Mayor and Board of Aldermen of the said Town, the property and real estate abutting and adjacent to the street hereinafter mentioned and described will be especially benefited thereby, and the owners of the property abutting and adjacent thereto will be fully compensated for the cost of said improvement in the enhancement of the values of the real estate and property affected by said improvement, and the cost to said property owners in the opinion of the Mayor and Board of Aldermen of said Town will be equitable and just in proportion to said increased value;

Therefore, be it resolved by the Mayor and Board of Aldermen of said Town that the aforementioned improvement shall consist of and include the area more particularly described as follows:

Part of the Southeast quarter of Section 22, Township 5, Range 10 East described as follows: Commence at the Southeast corner of the Southeast quarter of Section 22, Township 5, Range 10 East, and run thence South 88 degrees West on the South boundary thereof 700 feet to the East side of Old Highway #25; run thence in a northwesterly direction following East right-of-way of said Old Highway #25 a distance of 1517 ft. to a city limits marker in the Town of Tishomingo, and to where the John Trim property intersects the city limits of the Town of Tishomingo for a point of beginning; run thence North 29 1/2 degrees West 130 feet to the Southwest corner of the Malcom Holley property; run thence North 41 1/2 degrees West 209 feet, run thence North 43 degrees West 509 feet; run thence North 42 1/2 degrees West 417 feet; run thence North 55 degrees West 44 feet to the East right-of-way of New Highway #25; run thence North 54 degrees West 101 feet to the edge of the black top of New Highway #25; run thence South 16 1/2 degrees East 48 feet; run thence South 44 degrees East 75 feet; to the Northeast corner of the Jerry Harris property; run thence South 45 1/2 degrees East 260 feet to the Northeast corner of the Larry Hall property; run thence South 41 degrees East 160 feet to the Northeast corner of the Paskel Epps property; run thence South 39 1/2 degrees East 100 feet to the Northeast

corner of the Edd Orrick property; run thence South 42 degrees East 216 feet to the Northeast corner of the Carlile Wright property; run thence South 38 1/2 degrees East 253 feet, run thence South 32 1/2 degrees East 242 feet to the John Trimm Property; run thence South 33 degrees East 35 feet to the end of city limits of the Town of Tishomingo; run thence North 64 1/2 degrees East 30 feet to the point of beginning. All of the aforesaid described tract lying and being inside the corporate limits of Tishomingo, Tishomingo County, Mississippi.

Be it further resolved that materials used for the improvements of grading and paving of the above described area shall be of the general character of tar and slag.

Be it further resolved by the Mayor and Board of Aldermen of said Town that it is the opinion of the Mayor and Board of Aldermen that the cost of grading and paving of the above described area will be just to the property owners thereon and is warranted under a necessity which exists for said improvement and that the cost of said improvement shall be paid as follows, to-wit: That the whole cost and expense of the improvements more particularly described above shall be assessed against the property abutting upon the improvement according to the frontage thereof in the following manner: By taking the number of front feet improved and dividing the total cost of the whole improvement thereby and multiplying the quotient by the number of front feet contained in such abutting lot or pieces of ground, and the result shall be assessed by the board as the amount of the special tax to be assessed against each lot or piece of ground; except that the Town of Tishomingo shall pay the costs and expenses of the improvement existing within the State Right-of-Way on State Highway #25.

Be it further resolved by the Mayor and Board of Aldermen of said Town that the duly designated engineer shall have on file in the office of Town Clerk of the Town of Tishomingo an estimate in writing of the cost to each property owner whose property abuts and adjoins said improvements as hereinbefore described and plans and specifications of said improvement.

Be it further resolved by the Mayor and Board of Aldermen of the Town of Tishomingo that notice is hereby given to all persons interested, that the Mayor and Board of Aldermen of the Town of Tishomingo having hereby resolved that the aforementioned and above described special improvement be made and that the total cost and expense of said special improvement be assessed to the property contiguous and abutting thereto, a hearing will be had by said Mayor and Board of Aldermen of all persons interested in said improvement and the lands to be affected by a special assessment therefor, at City Hall, on the 5th day of June, 1973, at 8:00 o'clock P.M. All persons desiring may then and there appear and make any objections or remonstrances they may have to such improvement and assessment.

WATERWAY PLAN TO BE PRESENTED TO PUBLIC WORKS SUBCOMMITTEE

Tennessee Governor Winfield Dunn will head a delegation from the five state Tennessee-Tombigbee area scheduled to appear in Washington on May 21 to present the Waterway's plan to the Public Works Subcommittee of the Appropriations Committee in the House and Senate. Mayor John H. Biggs of Iuka is a member of the delegation. Governor Dunn currently serves as Chairman of the Tennessee-Tombigbee Waterway Development Authority.

Between 25 and 30 Congressmen and Senators are expected to join the Waterway Development Authority's group in asking Congress for a level of funding which will allow project construction to proceed on schedule.

Accompanying Gov. Dunn will be Tennessee's Authority Members, representatives from Mississippi, Alabama, Florida and Kentucky, Glover Wilkins,

Administrator of the Authority, and members of his staff. Governor Dunn has described the project as a "long range investment in human opportunities" and will tell the Committees of the urgent need to build the Waterway as soon as possible, particularly in view of the devastating floods in the Waterway area this spring.

The House Public Works Subcommittee is chaired by Congressman Joe L. Evins (D-Tenn.) with Jamie Whitten (D-Miss.) being the ranking member. Congressman Whitten also serves as the ranking member next to Chairman George Mahon (D-Texas) on the full House Appropriations Committee.

A press and Congressional luncheon will be held in the honor of Governor Dunn on Capitol Hill between Hearings in the House and Senate.

The Tennessee - Tombigbee Waterway was begun last Dec-

ember in Gainesville, Ala., following groundbreaking ceremonies attended by Undersecretary of the Army, Kenneth Belieu, ranking representatives of the Army Corps of Engineers, more than 20 Congressmen and Senators, three Governors and a host of state and local officials. Governor George C. Wallace, serving as Chairman of the Authority at that time, set off the explosion marking the beginning of construction of this long-sought Waterway.

The Waterway will connect the southeast Gulf with mid-America's inland river system by way of the Tennessee and Tombigbee Rivers. The Corps of Engineers have testified that the Waterway will benefit over 23 states with 55 per cent of the benefits being to states outside Mississippi and Alabama through which the Waterway will pass.

sister, Mrs. Lula Beard of Mobile; 21 grandchildren and 40 great-grandchildren; and six great-great-grandchildren. McMillan Funeral Home is in charge of arrangements.

The Word for Today

By Charles H. Robinson

Memorial Day!

What does it mean to you? A day off from work? A time to decorate the graves of departed loved ones? Originally, it was a day to honor our war dead and to remember the supreme sacrifice they made and for what cause they made it.

It is a time for us to reflect upon our glorious national heritage of freedom, especially in these days when untold multitudes are in virtual slavery behind the Iron Curtain.

Let us thank God every day that we still have in America the enjoyment of "life, liberty, and the pursuit of happiness."

This is a time for remembering. Above all else, remember that "God so loved the world, that He gave His only begotten Son; that whosoever believeth in Him should not perish, but have everlasting life."

Jesus is coming again. Now is the time for you to prepare to meet Him. Today is the day of salvation. Don't you forget it, either!

GARDENS

Once your garden is planted there are some "musts" to insure a bountiful harvest.

Cultivation: Cultivate as often as necessary to keep weeds under control. Weeds are easily killed when they are small, but they steal water and nutrients from the crops if you let them grow.

Proper cultivation loosens the soil and permits the rain to soak in so that none of it is lost. If a crust forms on the soil, break it by shallow cultivation. Deep tillage injures crop roots and brings new weed seeds to the surface.

The most effective cultivation is shallow, thorough and timely.

Thinning: Vegetable seeds are commonly sown thicker than the plants are to grow in order to have an even stand. You, therefore need to thin plants so they can grow fast and evenly.

Thin while plants are small and when the soil is moist.

Watering: A growing garden requires 1 inch of water each week. When the plants are large, they may require as much as 2 inches of water. Each watering should wet the soil down to the depth within which you find most of the plants' roots. Apply water by sprinkling or furrow irrigation. When you use a sprinkler, apply water evenly and not faster than the soil can absorb it. Place shallow cans in your garden to determine how much water is being applied.

Furrow irrigation is most efficient on gardens with gentle uniform slopes and on all but the sandy soils. Too long a row can cause overirrigation of the upper end and underirrigation of the lower end.

Frequent light waterings encourage shallow rooting. The plants are poor feeders, damage more readily from winds and suffer most severely in hot weather.

Mulching: A mulch will conserve moisture and maintain uniform moisture, help keep weeds down, help prevent ero-

sion, help prevent soil from packing and crusting, and keep fruits from direct contact with the soil.

Before mulching, remove all weeds and condition the soil for best plant growth. Use straw, leaves, sawdust, or corn cobs as mulching materials.

Sidedressing: As plants grow, their need for additional nutrients increases. Divide the total amount of nitrogen fertilizer into two or three applications. The second or third application can be sidedressed along the row at the rate of 1 to 1 1/2 pounds of ammonium nitrate per 100 feet of row. Tomatoes, peppers, and eggplants should not be sidedressed until some fruit have set on the plant.

STRAWBERRIES

After harvest, strawberries should be thinned. Remove unproductive and diseased plants. Thin older plants to allow for vigorous crown growth of younger plants.

Remove grass from your patch and continue to do so throughout the summer. Remember grass competes with your strawberry plants for

water, sun and nutrients. A grassy patch is of little value to you, and next year's production will be low.

Apply a complete fertilizer such as 6-8-8 after clearing grasses and weeds. About 5 pounds to each 100 feet of row should be adequate. Do not apply fertilizer to the leaves.

HANDLING & STORING MEATS

Keep it cool; keep it clean; keep it covered. These simple rules for handling and storing meat insure wholesome food with top flavor.

Proper care begins even before you reach the check-out counter. Organisms that could cause off flavor and spoilage come to the surface of food from contact from hands, utensils, clothes, market carts or even suburban breezes. For these reasons, packaging, cleanliness and controlled temperatures are of prime importance.

Know your store. Choose brand names of good reputation. Be alert to packaging conditions when shopping. Reject a package that is broken or excessively wet. Discard a rigid package that is obviously bulged or under tension. Avoid exposing meat packages to warm air.

Refrigerate meat products properly when you get them home. When bacteriologists say that "life begins at 40," they're talking about 40 degrees F. and bacterial life. It has been proved that meat held at 40 degrees F. will keep twice as long as meat held at 50 degrees.

Fresh prepackaged meats should be stored in the refrigerator in the original wrapper. Fully cooked vacuum-sealed meats should be stored in the refrigerator in their unopened package. Fresh meat wrapped in market paper should be unwrapped and covered loosely before being placed in the refrigerator. Follow the storage directions on the label of canned products. Smoked meats should be refrigerated as carefully as fresh meat.

THRIFTY IDEAS FOR HOME DECORATING

Inviting rooms that say "welcome" to all who enter are not limited to those who have a generous decorating budget.

Even though you have very few dollars to spend on furnishing and decorating your home, you can create an atmosphere that is inviting, comfortable and personal within the limits of your budget.

Home is, after all, the setting for you and your family. So let it reflect your skills, talents, interests. If it does that meaningfully, it's bound to be attractive.

One good approach is to start with a floor plan for the room or area that you want to de-

corate or redecorate. List all the items you need to buy, and all the jobs to be done in the process of furnishing and decorating. Then study the list carefully and pick out the jobs that you may do alone.

One of the most efficient ways to stretch decorating dollars and get the most value from your expenditures is to buy one or more really good pieces of furniture. Then, rely on your ingenuity and elbow-grease to fill in the gaps until you can afford to buy the rest of the luxury priced pieces you eventually want to get.

Farmers Urged

To File For Aid

Senator James O. Eastland (D-Miss.) said Mississippi farmers run the risk of losing emergency disaster loan eligibility unless they apply before June 19.

Eastland urged farmers to make applications immediately to the Farmers Home Administration. "Otherwise, they may find themselves ineligible for loans," he said.

The Mississippi lawmaker said the FHA will not be able to accept applications for farm damage and production loans after the June 19 cutoff date. Farmers in 37 counties included in the presidential disaster declaration are affected by the Department of Agriculture ruling.

"The June 19 date is an extremely important one," Eastland said. "A farmer must apply by this date and there appears to be no provision for any type of extension."

Eastland said the FHA is well aware that many thousands of acres of Mississippi farmland is under water and no reasonable estimate of damage is possible. "Still farmers must go ahead and make applications for emergency loans -- even

though their land is under water," he said.

"You can simply state that you are unable to estimate the damage."

The Senator pointed out that immediate application is necessary to establish loan eligibility for aid as soon as the water goes down. "If you apply now, you will still be eligible for disaster assistance once the water goes down."

Eastland added that filing applications now will also make the farmer eligible for refinancing loans on real estate should they be needed. If a county in which the farmer lives has been declared a disaster area in the last three years, filing before June 19 will make the farmer eligible for the lower interest rate on refinancing loans if they are necessary in the fall, the Senator explained.

"The important thing is to go to the local FHA office as soon as possible and make application for emergency loans," he added.

FIRST ALUMINUM SHIP

The world's first deep-water shrimp trawler, the ARLIN V. MIZE, was launched in March 1970. The vessel, built at Pascagoula by Gulf Boats, Inc. for Gulf Fisheries, is the first aluminum ship built in the Gulf of Mexico.

RECORD LENGTH RAILROAD BRIDGE

The Louisville & Nashville Railroad bridge spanning Bay of St. Louis is the longest prestressed concrete railroad bridge. Completed in 1967, the bridge is 11,000 long and was built at a cost of \$4.9 million.

MISSISSIPPI'S FIRST SETTLEMENT

The first permanent settlement in the Mississippi River valley was at or near the present site of Ocean Springs. Established in 1699, the settlement served as the base for exploration of the Mississippi Territory by the French.

THE TWO JUNIOR WINNERS of the recent Kindness Contest sponsored by the Tishomingo County Humane Society were: Debra Kay Hannon, first prize; and Keith Curtis, second prize, both of Iuka, Miss. Pictured

here as the two stood in front of The Iuka Public Library during observance of "Be Kind to Animals Week." Debra and Keith are good examples of HUMANE human beings -- and that's what kindness is all about.

ANIMALS

BY MARY B. DAVIS

RUSTY
The following story was written by Mrs. Buster (Marie) Ramsey of Iuka, Miss., and was selected as second-place winner in the adult category of the Kindness Contest sponsored by the Tishomingo County Humane Society. One of the first in Iuka to join the local Humane Society, Marie Ramsey believes very much in humane treatment of animals and donated her winnings to the local society to help carry on humane work.

RUSTY
By Marie Ramsey
Twelve years ago, Dot and Boyd Phillips had several beautiful German Shepherd puppies which they were giving away. My daughter, Abbie, got one of the boys, and we immediately named him "Rusty." I taught him to shake hands and he grew so fast, as puppies do; and he always came to the Baptist Church with us, stopping to shake hands with anyone that wasn't afraid to shake! He even would come to Curtis Drug Store, come in when he caught the door open, and go down the aisle trying to shake hands with anyone that would shake! Many a time, Elmus Curtis would have to call me from the Power Office to come get Rusty out of the drug store -- he was SO BIG that a lot of people that didn't know him were afraid of him. His feet were almost as big as my hand and he weighed around 70 pounds.
He made every football game our sons, Billy and Jimmy, played in -- always going out on the field. He was there when Corrie Ruth was crowned Homecoming Queen, and took in all the band playing, etc., with such great fun.

He loved to visit the girls; and he would come home with dark-blue circles under his eyes time and time again. One time, Bill Jones picked him up around Mt. Moriah Church and brought him home, all tired out and ready to rest a while.

One night as we were going to bed, I received a phone call from a Mr. Nunley on Highway 72 West, saying that a train had hit Rusty. It was so dark we couldn't find him that night; but the next day, Abbie and I went down there and found Rusty in the weeds near the tracks, badly mangled -- so bad, in fact, you could hardly recognize him. We got help and loaded him in the trunk of my car, and took off for Dr. Henson's Clinic in Corinth (Iuka had no animal clinic then, but does not). Rusty was in bad shape, but Dr. Henson did surgery on his leg and doctored him good, put him in a kennel, and we came home. In a few days we brought him home. We kept him up three weeks, feeding and watering him good.

Soon he was able to be outside some. But he didn't seem to want to stay around us. We thought this strange, but still weren't suspicious about him. He left our house and went down to Marion McDonald's and spent a week or so with her. She already had her own dog, and feeding another BIG dog was too much. We went after Rusty and put him in the car and went back to Oldham, trying to find an owner. As by this time, our own Rusty had come around Dr. Barlow's Clinic uptown, looking like sheep-wolves had been after him!

Our Rusty hated to ride in cars and had to be forced in -- if you ever got him in

so I just called to him to follow us on home -- which he did. He was so tired and so hungry.

I don't know to this day where our dog had been, nor whose dog I took to Dr. Henson's and paid an \$18 bill for (and I didn't have the money to spare, either!).

But the other dog had seemed at home when we finally let him out near the crossing where he was hit by the train, so we left him there -- hoping he could find his way home. He must have, as he never did come back to town.

About three years later, our real Rusty seemed to just give up. He didn't visit as much and would lie around all tired out. I got Jack Daniel to look at him and we tried to get medicine down him, but he could not swallow it. We took him to Dr. Henson . . . in about a week he said that Rusty had heart failure . . . so he mercifully put him to sleep.

Rusty was the best pet kids could have -- and we all loved him and grieved over him a long time after he died. There has never been another dog as smart as he was -- he could almost talk to you, and seemed to understand everything you said to him.

He was a great dog.

Tishomingo County Job Bank Opens

A new system of bringing people and jobs together, known as "Job Bank," is now in operation at the Mississippi State Employment Service office, located in Room 217 at the Tishomingo County Courthouse. This system assures that residents of Tishomingo County will have the same job opening information that is available in any other location in the state.

Mrs. Daugherty of the Iuka Office says, "Each morning we receive all job openings listed by Mississippi employers for the entire state and selected openings from other states."

The jobs listed are kept current with the aid of a computer located in Jackson and are displayed in Iuka on a "viewer" which resembles a television screen.

Persons who need a job or job information are invited to visit the office for referral to jobs listed that day or to leave an application for future call and referral when the right job becomes available.

Tishomingo County employers who need workers are urged to call or visit the office to list their manpower needs. Job seekers will then be referred and employers may select the

person best suited for their job opening.

The office is open from 9:00 a.m. to 2:00 p.m. Monday through Friday.

New Books At Tishomingo Library

We are very proud of the books we are getting at the Tishomingo Library now.

To name a few of the most recent fiction received are: "The Fargus Technique" written by David Mangum -- a twenty five year old, who lives in Jackson, Miss., the "Golden Soak" by Hammond Inness, "Prescription for a Nurse" by Alison Bray and "Hessle and the Medicine Man" by Clifton Adams. For teenagers we have "Fancy Free" and "Spice Island Mystery" by Betty Cavanna. For children we received "The Red Dory" "Home is Over the Mountains," and "The Smallest Brownie and the Flying Squirrel."

In non-fiction we received "The College Boards Examination," which includes practice aptitude tests and a number of other books.

You are invited to come in and browse through our collection at any time and request help if needed.

Special Memorial Day Services At Shiloh

Superintendent Rector has announced that a special Memorial Day Service will be held at the National Cemetery again this year. The program is scheduled to start at 11:00 a.m., Monday, May 28. The location for the ceremonies will be immediately inside the main gate to the National Cemetery, near the Shiloh National Military Park Headquarters and Visitor Center.

The special guest speaker for the occasion will be the Honorable Robin Beard, 6th District Congressman. He will be introduced by Ray Bodiford State Representative for this district.

The Savannah National Guard Unit, under the direction of Sgt. Gordon Rhodes, will provide the personnel to perform the customary military functions. Representatives from the following Veterans organizations will also be present: American Legion, Veterans of Foreign Wars, Disabled American Veterans and the United Daughters of the Confederacy. Rev. William Hart, pastor of the Shiloh

Methodist Church, will be the guest minister.

We cordially invite you, the public, to join us in this service and share in paying proper respect to those who have given their lives for such honorable cause. This year we should be especially humble and thankful to God and our country's leaders that our soldiers are not actively engaged in a conflict.

WORLD'S LARGEST SULFURIC ACID PLANT
The world's largest double catalyst sulfuric acid plant is Coastal Chemical Corporation

at Pascagoula. The \$7.5 million plant produces 1500 tons of sulfuric acid per day and was the third United States facility to use this modern concept.

FIRST MEDICAL CORRECTION PROGRAM
Mississippi in 1946 initiated the first medical correction program of its type in the nation. The State Legislature provided funds for use in correcting medical defects of children of indigent parents, where funds were matched locally. The program has given new hope and medical correction to over 10,000 children.

ELECTRICITY DOES IT BEST!

which heating and cooling system is the most efficient?

The electric heat pump. It's all you need to know about central heating and cooling. This efficient unit heats and cools the home automatically for perfect year-round comfort.

The heating cost of the heat pump is about half that of resistance heat, which means that its year-round operating cost will be lower than a central system that combines air conditioning with resistance heat.

See us or your dealer for more information on the efficient, economical electric heat pump.
