Surname Society Club Organized In Tishomingo County

Something new in Iuka! It's the Surname Society Club and was officially organized on Oct. 25, 1975. The purpose and aim of this club is to aid members in their genealogical research or "family tree" searching. Members meet every first Tuesday night from 7:00 to 8:00 at the Iuka Public Library. During these meetings, a business session and a question/answer session are held. Suggestions and recommendations are given to any member having a problem getting started with their family tree or any member who needs help in solving a genealogical problem. The club now possesses about 20 books such as Old Virginia, deeds, marriages, wills, old North and South Carolina marriages, Revolutionary records, old Tishomingo County records, old D.A.R. magazines, subscription to the Ridgerunners, and several more too numerous to mention. Members are allowed to do research either at the library or at home. At the present time, there are approximately 10 local members and 10 members by mail. Dues are \$7.50 per year. If you are interested in joining this club or just "finding out what it is about," you are welcome to attend our next business meeting or contact any of the members. Of course, actual research in the club's books cannot be done until one is officially a member.

With the Bicentennial year coming up, wouldn't it be nice to start work on your family tree? Find out who you are and who your ancestors were and from where they originated! Any of the members will be glad to help you. Many of the local names have been researched through our members and club -- call to see if we have information on yours!

The club's officers are: President, Irene Barnes; vice-president, Mary Smith; secretary-treasurer, Brenda Whitfield.

Watch for further publications from The Surname Society Club.

Iuka Christmas Parade Dec. 2

This year's Christmas parade has the potential to be the best ever, and we, the Iuka Chamber of Commerce, invite you to participate.

This year's parade is scheduled for Tuesday, Dec. 2, at 6 p.m. The theme of this year's parade is "The Spirit of Christmas Past" which is a very good float building theme. Lloyd Murrah and Ellis Strickland are Co-Chairmen of the float building committee with Ron Hopkins and Lila Ham assisting in float design. Other members of the Christmas parade committee are Charles Kay, B. J. Jourdan, Tommy Ramsey, Beth Davis, Waco Parsons and Dr. James Perkins. Feel free to contact any of us for assistance in the upcoming Christmas parade.

Possible help in framing up your float is available from the Building Trades classes at the Tishomingo County Vo-Tech. This should be discussed with Cortez Blunt if help is needed.

The National Guard Armory will be open for those needing a place to build their float. Contact Waco Parsons for this assistance.

Remember this parade has the potential to be the best ever, and you are the potential, so please participate.

Ed Hall To Meet With Residents

Ed Hall, TVA Nuclear Project Coordinator of Iuka, plans to meet with local residents, who are interested in the plans for the nuclear power generating project, which is proposed for the Yellow Creek site. The meeting is scheduled for Friday, November 14, at 7:00 p.m. at Julian Busby's store on Coleman Park Road.

Mr. Hall indicated that several local residents have contacted him to obtain information on the proposed project and that he is happy to meet with people to provide information and discuss the plans and timing of the proposed project. He indicated that he will give about a 30 minute overview on the project and will then discuss any parts of the plans which those attending are interested in obtaining information about.

Area Power Systems Pay \$71 Million In Taxes

State and local governments in the Tennessee Valley region received nearly \$71 million in taxes and payments in lieu of taxes from TVA and local power distributors during the past fiscal year. This total was an increase of \$8 million over the previous year.

TVA power distributors paid \$34,038,202 in taxes and tax equivalents to state and local governments during the fiscal year ended June 30. These 160 local electric systems distribute TVA power to consumers in parts of seven states.

In addition, TVA payments in lieu of taxes amounted to some \$37 million. Most of the funds

going to the states come from TVA, while most of the funds going to local governments come from the electric distribution systems.

TVA is the largest "taxpayer" to the state of Tennessee, and most of the municipal electric systems distributing TVA power are the largest taxpayers to their city governments.

TVA payments in lieu of taxes by law are 5 percent of its power revenues, except on sales to Federal agencies. Taxes and tax equivalents paid by the local distribution systems are determined by the laws of the various states.

Ultimate distribution of the

\$71 million total payments last year is expected to include \$26 million to cities and towns, \$15 million to counties, and \$30 million to state governments. The pattern of this distribution varies under the laws of the different states.

In Tennessee, Kentucky, Mississippi, North Carolina, and Georgia, substantial amounts of the payments received by these states from TVA were redistributed among local governments. North Carolina and Georgia, which have only small areas served with TVA power, turn over the entire amounts of their payments from TVA to local units of government.

Christmas Seals Mailed Out; Citizens Urged To Donate

Mrs. Robert L. Beard, chairman of the Tishomingo County Chapter of the Mississippi Lung Association, reminds residents of the county to please respond to their Christmas Seal Letters which were mailed out last week. The donations are being handled a little different this year in that they are being mailed from Jackson and pre-addressed envelopes are provided for each contribution to be mailed back to Jackson, Mrs. Beard said.

The Lucy Rowe Study Club is continuing to be the sponsor

of the Christmas Seal Drive; however, club members have been relieved of the local mail-out effort. In this new endeavor, the donations will not have to be recorded locally and then mailed to Jackson. Contributors will simply mail their money in the envelope provided them to Mississippi Lung Association, P. O. Box 9865, Jackson, Miss. 39206. In turn, each donation will be credited to the Tishomingo County Chapter, as has been the custom in the past.

In order to raise a local

quota of \$250,000, coin envelopes have been placed in all the schools throughout the county. Parents are urged to please be sure their children return these envelopes for their donations.

All funds raised will go to the Tishomingo County Chapter of the Mississippi Lung Association to be used to support medical research projects and expand services to chronic obstructive lung disease patients. This is the 69th annual crusade to raise funds to eradicate TB and fight emphysema and all other respiratory illnesses, Mrs. Beard said.

Community Fund Drive Underway

The Tishomingo County Community Fund Drive is now underway, according to President Charles Lewis. This year's budget has been set at \$12,000 with the Salvation

Army, 4-H Club, Boy Scouts, Girl Scouts, Cancer Fund, and Red Cross receiving benefits from the Community Fund Drive.

Serving as campaign chairman for the drive is Joe Yeargain. Community leaders in the county for the drive are: Kermit Long, Belmont; Bertha Tidwell, Tishomingo; "Buck" Lovelace, Burnsville; Mrs. D. B. Phillips, Midway; and Scotty Skinner, Iuka. These leaders will be recruiting other volunteers to help with the fund drive. Other officers serving the Community Fund this year are: Gary Taylor, vice president; Carlyn McHaffey, treasurer; and Joy Curtis, secretary.

President Lewis urges everyone to please give generously when you are contacted by a Community Fund worker in the near future.

Dedication Service At Iuka Church

November 16 has been selected for the date of these special events. The Rev. B. G. Hamon will be the guest speaker for the morning service. Bro. Hamon is very highly esteemed in the Church of God. He is presently serving as state overseer of the State of Mississippi. The morning service will conclude and dinner will be spread.

The afternoon services will be highlighted with special singing. The featured group will be The Voices of Praise, from Gulfport, Ms. Also, some of the local groups will be spotted in this service.

The purpose of these services is to dedicate the new church facility that God has so wonderfully blessed us with. We cordially invite everyone to come worship with us in these important services.

LEGISLATIVE DAY -- Rep. Richard O. Clark (center), of Iuka, who represents Prentiss and Tishomingo Counties in the

state House of Representatives, and Mrs. Clark (second from left) were welcomed to the University of Mississippi campus

for Legislative Day recently by students Barry Cannada (left) of Jackson, Celia Grisham, of Oxford, and Jamie Barnett (right), of Clinton, president of the Associated Student Body at Ole Miss.

SHOE COMFORT DETERMINED BY PROPER FIT

To avoid the unpleasant experience of wearing uncomfortable shoes, have your foot measured each time you buy a pair of shoes. Then try on both shoes and walk around in them to make sure they are comfortable.

Ordinarily shoe size is always the same, but the comfort factor may vary from brand to brand.

Shoe sizes are determined in numbers for length and in letters for width. The difference between each number size is minute -- only one-sixth to one-eighth inch, but it can seem mountainous when it comes to correct fit. A shoe should be the correct size when you buy it. Don't expect it to stretch or expand to fit the foot. Some of the shoes made from man-made fibers will not stretch. When one foot is

larger than the other, buy shoes to fit the larger foot. The other shoe can be padded to fit.

Your foot has four dimensions -- length, width, depth and shape. In length, allow at least one-half inch of space between the front of the shoe and the longest toe.

The widest part of the shoe should come over the widest part of the foot. Check to see that toes aren't pinched or that the vamp of the shoe does not wrinkle because it is too loose.

The basic shape of a shoe is determined by the wooden form called a last, which is used to make the manufacturer's original pattern. To check the proper depth in your shoes, move your toes around to see if they can move freely. If they cannot, you need a deeper last.

When trying on a pair of shoes, stand up so that your foot spreads out in the shoes. Your foot should rest on the bottom of the shoe with your

weight distributed between the ball of the foot and the heel. If your foot doesn't fit into the shoe, perhaps another shape of shoe would be better for you.

Look at the shoes you are wearing to detect problems in fit. The person who fits your shoes can probably spot your problems for you. Take time to try on shoes and walk around in them. Be sure they are comfortable when you buy them.

CANDY APPLES

12 small red eating apples
12 wooden skewers
3 cups sugar
3/4 cup light corn syrup
Few drops oil of cloves

Red food coloring OR 12 red cinnamon candies

Wash apples in hot water and dry. Insert skewers in blossom end of each apple. Mix sugar, corn syrup and 1 cup water in a saucepan. Cook, stirring, until sugar dissolves. Add oil of cloves and a little coloring. Continue cooking, without stirring, until a small amount of the mixture forms a hard piece that cracks when dropped into cold water (or 290 degrees on a candy thermometer). Set the pan over boiling water. Dip each apple into syrup, remove and whirl the apple until the syrup covers it smoothly. Stand upright on a tray to cool and harden.

low producers, divide the remaining cows into two groups -- the medium producers and the high producers.

Feed the medium producers according to their production. Do not skimp or underfeed the fresh high producing cows. They are the ones that will make profits.

THE BICENTENNIAL AND YOU

When the Bicentennial celebration is over, what will you be able to say you contributed to this once in a lifetime experience? There will be many opportunities to be a spectator and watch what happens in 1976. There are also opportunities for you to help make things happen in 1976. One of the positive opportunities for youth is the 4-H Community Pride Program.

4-H Community Pride is open to all youth, whether you are in a 4-H Club or not. As an interested parent or teenager, you are invited to come by the 4-H office and discuss how you can participate in the Bicentennial celebration through 4-H Community Pride. We have materials designed to help you carry out projects and activities needed in your community.

The Bicentennial era is now. We have a rich American heritage. Let's all get involved and help assure that future generations have an even richer heritage.

ADOPT A GRANDPARENT
A new and exciting community service project has been

adopted by many 4-H'ers in our neighboring state of Arkansas called "Adopt a Grandparent." The purpose of the project is to visit the elderly and help ease the loneliness and provide attention which they so often miss.

The procedure is to pick out a special person in a nursing home or in the community for an adopted grandparent. Then visit the "grandparents" to talk, read, play games or do simple craft work which will make them feel useful and wanted. Older people have wisdom and experience in living that can benefit youth who share with them.

What are the possibilities for the project in your club or community. There are times when everyone gets lonely.

COTTON PLANTING SEED

The quality of cotton planting seed appears erratic again this year. The main problem is lack of maturity. Some of the younger bolls will open and appear to be of good quality, but the seed can be very immature.

Many of the seeds in these bolls will have white or light colored seed coats. Many of these seeds may germinate now, but seedlings will be weak. Later at planting time most of these seeds will not germinate. Research indicates only about 20 to 30 percent will germinate within six months after harvest.

So before you have your seed

processed, check the maturity level of the seed lot.

Acid delinting a small quantity of seed is a good way to check maturity as seed coat cover is easy to distinguish after acid delinting. Another method is to cut the seed and look at the development of the embryo. Observing cut seed can also give an idea of the quality of the mature seed. Good quality seed will have a white color. A yellowish color indicates a reduction in quality. Dark colored seed are generally dead.

LEFTOVER HERBICIDES

How you store your leftover herbicides will greatly affect how good they are next year.

Each herbicide differs in its capacity to withstand variations in temperature, moisture and light. Study the label carefully to determine storage needs. Most herbicides will keep for several years without loss of activity provided they are not subjected to unfavorable storage conditions. Sometimes the herbicide is not affected by adverse conditions but the emulsifying agent deteriorates and the application problems arise.

In general, powders are not greatly affected by low temperatures, but they often absorb moisture and cake or are subject to breakdown by ultraviolet light. Storage in a cool, dry place is usually adequate.

Liquids present a different problem. Low temperatures often cause precipitation of the active ingredient, deterioration of the emulsifying agent or separation of suspension. Store liquids in a heated building at temperatures above 35 degrees.

DAIRY MANAGEMENT

Getting rid of low producing, non-profit making cows is one way to reduce production costs. After culling and selling the

HOW TO BUY A PORTABLE HEATER & USE IT SAFELY

If you plan to buy a portable electric heater to supplement your existing heating system or to use as your only heat source, here are some tips for wise purchase and use.

Consult an electrician first to make sure your wiring can handle the extra load.

Buy a heater with a thermostat and a "tip-over" switch that shuts off the heater if it gets knocked over.

When using the heater, keep it away from anything that will burn -- walls, cur-

tains and furniture.

Heat only the room you are using and keep the doors closed to prevent heat escape.

Don't plug the heater into an extension cord. The cord could overheat and cause a fire.

And finally, never touch an electric heater while taking a bath or shower or while touching a faucet or water pipe. You could get a serious shock.

Mr. & Mrs. Luttrell
celebrate Anniversary

and Mrs. Vernon Luttrell, of Iuka, Route 1, were re-honored by members of the family on their fiftieth anniversary at the home of Mr. and Mrs. Chester B. Tishomingo. The table was covered with white cloth. The three tiered wedding cake was the central attraction. It was beautifully decorated with yellow and white flowers and topped with two snow-doves carrying gold wedding bands. The floral arrangement was in an antique vase and surrounded by four lighted candles.

The gold punch was served from a plateglass bowl with matching accessories for nuts and mints, which complimented the table decor.

Nieces of the couple greeted the guests, presided at the guest register, and served more than one-hundred relatives and friends who called during the appointed hours from Memphis, the Tri-Cities, and surrounding area.

The happy couple were showered with lovely gifts, cards, and phone calls from well-wishes who were unable to attend.

AUTO MECHANICS — Pictured above are some of the 24 members of the veteran auto

mechanics class as they perform some actual work. This class is approved for a

two year training program for all veterans at the Tishomingo County Vo-Tech Center. Mr. Nadis Crane is the instructor.

CABINETMAKING CLASS — Pictured above are some of the members of the veterans cabinetmaking class at the Tishomingo County Vocational Tech-

nical Center as they display some of the work they have completed. All veterans in the class are approved for a two year training program at the

Vo-Tech Center. Mr. H. L. Johnson, left, is instructor. Mr. Charles Rushing, assistant director, Richard Starkey, Mr. Strickland and Mr. Hill, students.

Elmer Murry and wife attended the Mississippi State Association of F.W.B. Church, Waynesboro, Miss. They said they heard lots of good preaching and teaching.

Mrs. Lois Shults, Mrs. Dorothy Harkey, Miss Linda Blakney were home from Chicago, Ill. last weekend due to the death of their brother-in-law, Kenneth Emmons, of Michie, Tex.

Our deepest sympathy goes to Fay and their two daughters. Bro. Briley and wife were Sunday dinner guests of Mr. and Mrs. Thurmon Braddock. We still have quite a few on the sick list in and around Antioch. Mrs. Maxine Lambert is in the hospital at Iuka. John Henry Lambert is still in a hospital in Memphis. Elmer Lambert is also sick at home. Miss Lynn Cooper has missed some school because of a cold. We pray that each one will soon be well again and back at church.

Our gratitude and thanks go this week to Mr. Jack Lambert, who gave us a real good donation to the church. We want to say again to each one who has donated to our church we truly appreciate each donation little or big from the bottom of our hearts. We know the Lord will bless you.

The building is coming on fine considering the weather. We think Ernest Jones is doing a wonderful job building the church. We are going to be proud of it, but we give the Lord all the praise. Without His help we can do nothing. We invite each and every one to come worship with us.

MIDWAY

Weekend guests of Mrs. Hubert Bonds were her sister, Mrs. L. N. Gullick, of Tupelo, and her father, Mr. Luther Fikes, of Fulton.

Mrs. Louise Cox is visiting her sister, Mrs. Earline Whitfield, this week.

Mrs. Rhoda Stephens has returned to Huntsville, Ala. to her daughter's after spending the weekend at her home here. She is somewhat improving after surgery.

Mr. Freeman Martin and wife, Beulah, of Corpus Christi, Texas, spent last week with her aunt, Mrs. Dewey Mae Skinner, and visited other relatives, Misses Vera and Maude McNutt. They also visited her uncle, Riley Glenn, and wife. They were accompanied by Mrs. Inez Glen Teutsch, from Corpus Christi, Texas. She was visiting her granddaughter, Miss Deborah Henley, of Tusculumbia, Ala.

Mrs. Syble Hodge and her sister, Montez Bryant, made a business trip to Ripley last Tuesday.

— Making plans for the year's activities are officers of the Baptist Student Union at the Northeast Mississippi Junior College. From left seated: Darlene Dowdy, Booneville, secretary - treasurer; and Pannell, New Albany, pre-

sident; and David Wilson, Corinth, vice-president. Standing left to right: Pam Burleson, Mission Chairman, Booneville; Chuck Hampton, Revival Chairman, Shannon; Joy Friday, Enrollment Chairman, Verona; Deborah Pounders, Publicity

Chairman, Iuka; Cecil Lancaster, Devotional Chairman, Corinth; Charles Carter, Bible Study Chairman, Booneville; Joel Taylor, Recreational Chairman, Corinth. Not pictured is Debbie Fields, Corinth, pianist.

ISH POTATOES ABOVE GROUND — Mrs. Florence Hughes, of Iuka, is shown with

an Irish potato vine with the potatoes growing above the ground on the upper portion of the vine.

Make checks payable to Fairview Church Account. Won't everyone please help? Wouldn't it be a nice gesture to have this done in time for the Lord's birthday? Thank you for your kind consideration. I am sending our check today. Won't you do the same? PLEASE.

Mrs. Tom Sanders has recently returned from Topeka, Kansas where she visited her granddaughter and her husband and her two great-grandchildren. Tom Sanders stayed home to keep house.

Tillman Hill had as his guest Wayne Deaton, of California. Wayne stayed several days. He is formerly of Corinth.

From the size of the pumpkins that Joe Hendrix grew, we should change his nickname from "Tater Joe" to "Pumpkin Joe".

Frances Hill and her mother, Mrs. White, of Savannah, Ga., spent Saturday shopping in Corinth.

Kay Holcombe got her car. She has been working all summer to buy a car. With the help of her father, J. D. Holcombe, she finally made the goal. It is a 1970 Maverick - red and white. Congratulations, Kay!

Don, Mary and Renee Brantley, of Kuttawa, Ky., spent the weekend with her parents, Mr. and Mrs. J. D. Holcombe. They were here to help her mother, Nelda, celebrate her birthday. It was to be a surprise party, but Nelda found out about it Saturday night. On Sunday they had cake, ice cream and cokes. Curley and Irene Locke and sons, Ken and Ona Hazelwood and sons, Bob and Judy Holt and family, John, Kay and Claudia as well as the Brantleys gathered to help her celebrate

and partake of the goodies. She received lovely and useful gifts. Tristan Holt went to Shiloh Amusement Park with the Cub Scouts on Saturday. It was Pack #75.

Bill Burk, who writes the "Good Evening" column in the Memphis Press Scimitar, has a birthday on the 11th. Congratulations and best wishes. Hope it was a nice day for you.

That lovely lady, Celia Arnold, has a birthday on the 13th. Congratulations and best wishes on her big day.

Another lovely lady, Gladys Hinton, has a birthday on the 16th. Congratulations and best wishes to her on her big day.

Don and Joe Robertson, sons of Mr. and Mrs. J. E. Robertson, were home this weekend. Don is teaching in Tupelo, and Joe is working in Jackson, Ms.

Letha McCool, sister of Lillie Blanton, died in Ackerman, Ms., on November 4. Funeral services were held at the Welch

Funeral Home in Starkville, with burial in the Enon Cemetery at Ackerman. Among those who attended the funeral and later visited the A. L. Blantons for a few days were relatives of Lillie Blanton, Mr. and Mrs. Charles Hanson and their son, Chris, and Mr. and Mrs. Mike Whistler, all of Winchester, Ohio. While here they saw the Dam and its operation and the Yellow Creek Port.

Carrel and Lorine Morris talked with their daughter, Linda, in Washington for an hour and a half Sunday. She told them of her future plans which include flying to Hawaii on Wednesday. She will be there about ten days or so, back to Washington, then into Memphis on the 26th where Lorine will pick her up and then to Iuka for Thanksgiving.

Carrel and Lorine are keeping their fingers crossed in hopes her plans won't be changed.

How about joining them, Jewel McMasters?

Carrel Morris visited his mother, Della Morris, at the Tishomingo County Hospital on Sunday. She is very ill and has been for some time. Please remember her in your prayers.

Lola Fay Byrd goes back to Baptist Hospital in Memphis this week for a check-up and may have to go back in traction. Lola lives at Counce and is the daughter of Carrel and Lorine Morris.

Charlotte Grey, daughter of Lona Bray, is working at the new Piggly Wiggly Store in Corinth.

Lorine Morris has recently had her living room redecorated. The couch and chair and upholstered bar are in black leather, the drapes are red with white sheers. She also had new floor covering throughout and a new refrigerator. It looks very elegant.

Opal Mitchell and Lorine Morris had catfish at the Catfish Diner in Counce Saturday night. Very delicious.

Mr. and Mrs. Granville Hinton and daughter, Wanza, of Wenesoga, and Mr. and Mrs. Willie Medford visited Mr. and Mrs. Con Hinton on Sunday. Wanza is a lovely and unusual name. It is Indian.

Lorine Morris visited her granddaughter and great-granddaughter on Saturday. They are Theresa and Natalie Nichol.

We have a reader in far-off Farmington, Mich., who looks forward to this paper each week. She says she especially looks forward to reading this column. Her name is Jewel McMasters. Thank you for the compliment, and we do appreciate it.

Jack and Ester LaFitte have had guests this week. They are Mr. and Mrs. Thomas Raleigh Jr., of Ethel, La., Mrs. C. F.

Record, of Clinton, La., Selby Day and Mrs. M. S. Conners, both of Baton Rouge, La., Mrs. Ethel Henley, of Ethel, La., Mr. and Mrs. Ray Hendricks and sons, Paul and Mark, of Birmingham, Ala., and Henley and Becky LaFitte, of Memphis. Mrs. Henley is Ester's mother and a very lovely lady.

J. D. and Nelda Holcombe went shopping in Tupelo on Monday. They finished most of their Christmas shopping. Aren't they smart?

Bob and Judy Holt went shopping in Tupelo Saturday afternoon.

New Edition Of Book Released

A new edition of Valley of Springs, the story of Iuka, written by Dr. William L. Coker (1943-1975) has been released. Dr. Coker knew Iuka and Tishomingo County intimately. The son of Mr. and Mrs. J. A. Coker, of Route 2, he grew up in the New Salem Community and attended Central and Burnsville schools. He graduated from Iuka High School in 1961. He attended NEMJC and received his BS and MA degrees from the University of Southern Mississippi in Hattiesburg. He taught at the University and at Gulf Coast Military Academy in Mississippi City before attending the University of Oklahoma where he was awarded the Doctor of Philosophy degree in 1973. A dedicated historian, Dr. Coker served as consultant to the Department of Archives in Jackson and taught at NEMJC before his death on March 28, 1975. He was a member of

the American Historical Society; Phi Alpha Theta, National history honor society; and Alpha Tau Omega, service fraternity. He was voted Young Man of the Year in Iuka in 1974 and the Burnsville Public Library was dedicated in his memory in 1975. Initially published in 1968, Valley of Springs was Dr. Coker's first book. It was followed by Repudiation and Reaction, a book also on Mississippi History. The article "The United States Senate Investigation of the Mississippi Election of 1875," was published in the Journal of Mississippi History in May, 1975. The author's unfinished works include A Documentary History of Mississippi, a historical novel, and several articles. Copies of his publications have been donated to the Iuka and Burnsville Public Libraries and the Northeast Mississippi Junior College Library.

FUNERAL NOTICES

Mrs. Lena Hubbard Ryckman

Mrs. Lena Hubbard Ryckman, 78, died Sunday at Fort Worth, Texas. She was a Baptist. Graveside services were held at 9:30 a.m. Tuesday at Oak Grove Cemetery with the Rev. Charles Potts officiating. Survivors include one sister,

Mrs. Clyde Parker, of Fort Worth; one brother, Roy Hubbard, Grenada.

Mrs. Ryckman was the daughter of the late George T. Hubbard. She moved to Texas when she was a child.

Mrs. Hattie Bonds

Hattie Bonds, formerly of Iuka, passed away in Gayeston,

Card of Thanks

The tragedy of our mother's death, and the crushing sorrow which it brought, was to some extent alleviated by the thoughtful acts and kindnesses of many friends and neighbors.

Every manifestation of interest while she lived and every word and deed of consolation at her going home helped to lessen our grief. We are profoundly grateful to each and every one of you.

May God's rich love abide with each of you is our prayer.

The family of Mrs. Vera Patton Christian Mr. and Mrs. Charles Evans Chris and John

GREENE IS NEW PLANT MANAGER

Donnie Greene, of Huntsville, is the new manager of Genesco Plant in Tullahoma, Tenn.

Mr. Greene is a native of Tishomingo, Miss., and attended Mississippi State University prior to joining Genesco in 1963. He held various positions at plants in Cowan, Tenn., and Ripley, Miss., before being made assistant superintendent of Huntsville Plant in 1972. He worked as assistant plant superintendent in Waynesboro, Tenn., in 1973, and was transferred back to Huntsville last year where he was production superintendent.

Mr. Greene and his wife, Lou Ann, are members of the Church of Christ. They have an eight-year-old daughter, Elizabeth.

Their new home is completed and they have just moved in.

Golden Age Plan Offered By State Parks

Dr. Jim W. Meredith, Mississippi Park Commission Director, has announced a "Golden Age" plan offering reduced rates to campers 65 years of age and over. The reduced

rate program will be available Monday through Wednesday on a year-round basis.

"To qualify for the lower camping rate," Dr. Meredith said, "a person 65 or over must purchase a decal for his car window. The initial cost of \$5.00 will then entitle him to camp for only \$2.50 per night."

Meredith continued, "By lowering our camping rates for the retired sector, we hope to create a greater year-round interest in our state parks. This reduced rates program will coincide with our off-season reduced rates for park cabins announced last week. The lower cabin rates for October 15 - March 15 range from 15% off

for two nights stay to 30% discount per week."

Instant non-fat dry milk is easy to store, easy to mix and always available, says Extension Nutrition Education Coordinator Erlene Brown. Non-fat dry milk offers multiple savings and still furnishes all the nutrients of fresh skim milk.

Lucian Stidham was injured Wednesday at approximately 5:30 p.m. when he was driving his tractor on Hwy. 365 near his home when it was struck by a car driven by Ronnie Timbes. The accident was unavoidable. Stidham was rushed to the Tishomingo County Hospital by his son, David Stidham, and Milton Vanderford. He had a head injury and other cuts and bruises. He is still in the hospital at the time of this writing (Monday). His condition has improved.

A large crowd attended the funeral of Andy Honeycutt at Rowland Mills Church Wednesday, November 5.

4-H WELCOMES VISITORS — The North Crossroads 4-H Club, a newly established club, recently erected a 4-H welcome sign in their community. The sign is located on Highway 25 North near the State Line. Those involved in the activity are: (front row) left to right -

Randy Dill and John Strickland; (second row) Kay Holcombe and Terry Strickland; (third row) Mrs. R. L. Dill and Mr. R. L. Dill. Other 4-H leaders not pictured are Mr. and Mrs. Bobby Strickland, Mr. and Mrs. J. D. Holcombe, and Mrs. Clydean Garvin.

ham made a business trip to Memphis on Monday.

Mr. and Mrs. Virgil Kennedy, of Moscow, Tenn., visited Mr. and Mrs. Leander Kennedy on Sunday.

Dalton Woodley is a patient in Tishomingo County Hospital. He is suffering from a stroke. Columbus White was carried to Tishomingo County Hospital Sunday.

Miss Ester Castleberry visited Misses Janie and Reathel Whitfield Sunday. Janie's ankle has improved since it was injured several days ago.

Mr. and Mrs. Jack Gray, of Booneville, and Mr. and Mrs. O. L. Robinson, of Memphis, attended worship services at Rowland Mills Sunday morning.

We are proud of Debbie Stidham, daughter of Mr. and Mrs. David Stidham. She made all A's in the Burnsville High School in the 8th grade. She plays the piano at Rowland Mills Church without ever having taken a music lesson in her life.

Miss Marsha Skinner was in Tupelo on Sunday.

Mr. and Mrs. David McCoy, of Jacinto, recently visited her sister, Mrs. Luther Calton, and Mr. Calton.

Mike Johnson, of Wheeler, Miss., spent Saturday with the Bill Johnson family.

Bill Johnson recently visited his brother, Allen Johnson, of Corinth. Allen has been seriously ill.

DANGEROUS WORK

Work on a farm can be dangerous. Extension Agricultural Engineer John McVey points out that while only four per cent of the population are farm workers, they suffer eight per cent on-the-job injuries. Farm workers are killed at three and one-half times the national rate. McVey says this toll can be reduced and that it is up to you to make your farm a safe and healthy place to work.

POP — Experimental Theatre at the University of Mississippi opened Friday, October 31, with two original productions by Ole Miss students Lee Johnson, of Grenada, and Rebecca Jernigan, of Memphis. Rehearsing a scene from Johnson's Theatre of the Absurd type production of "POP" are cast members (clockwise from

left) Willie Perkins, of Iuka; Ray Guy, of Picayune; Lisa Graham and Carolyn Marbow, both of Jackson. Ms. Jernigan's "Freeway Sunday," a tonal poem about the breakdown of communication in human relationships, and "POP" played through Sunday, November 2, in the Studio Theatre in the Fine Arts Building.

MARK COSBY celebrated his fourth birthday on Tuesday, November 11th. He is the son of Mr. and Mrs. Bobby Cosby, of Cherokee. Grandparents are Mr. and Mrs. Woodrow Wright and Mr. and Mrs. Albert Cosby, all of Cherokee.

The demonstration on the making of scarves was given by Mrs. Mann. The hostess, assisted by Mildred and Jackie, served a delicious plate of chips, nuts, cookies and punch. Mrs. Bogan will host the November meeting the 4th Wednesday night in November. Mrs. Bennett won the door prize.

liming and farming will be featured on the day-long event. The program will begin at 9 a.m. and end at 4 p.m. with a free lunch to be served at noon. Such notables as Roswell (Bob) Garst of Coon Rapids, Iowa, the man whose farm Nikita Krushchev visited sixteen years ago; Dr. Joe Fontenot of Virginia Tech, Blacksburg, Virginia, foremost authority on poultry waste as a feed ingredient; and Dr. E. J. (Bud) Harmon, formerly of the University of Illinois, research specialist on recycling waste as swine feed, will contribute their views and expertise to the program. Still other featured experts in their respective fields are Dr. Kelton Anderson, Leader, Extension Agronomy, Mississippi State University; Edward McCaughn, livestock producer, Morton; Bobby Joe Lee, Tallu-

lah, Louisiana, cattleman-farmer; Dr. Peter Hogg, Lealand, foremost silage expert; Daniel Whitlock, Toccoa, Ga., cattleman who feeds poultry waste to cattle; George Shepherd, Manager, N. B. Hunt Ranches, Dallas, Texas; Dr. W. B. Anthony, Auburn University, Alabama, research scientist in forage and livestock waste as ingredients in feed; H. D. Garrison, Griffin, Ga., soil conservationist; Sam Hay, Covington, Georgia, developer of the first commercial cattle manure recycling operation which has won world-wide acclaim; Dr. R. L. Vetter, Iowa State University, Ames, Iowa, and R. H. Lounsbury, Secretary of Agriculture, State of Iowa. "Agriculture related organizations, university and high school students, agri-business firms, farmers and other indi-

viduals are expected to turnout in large numbers for this most important program," Ross stated. "School officials will surely want appropriate students to attend." Ross said that with the cost of livestock production and the low price levels of beef cattle in particular being so critical, it is vitally necessary for producers to seek ways to increase the profit margin. The future success of the industry in Mississippi and the entire Southeast States could be affected by the meeting on Nov. 25th.

BILLY MOORE ADDRESSES LUCY ROWE STUDY CLUB

Guest speaker at the October 16 meeting of the Lucy Rowe Study Club was Billy Moore, of Hienzi, member of the Council on Aged. Mr. Moore is Program Co-Ordinator in the Information and Referral Phase of the program. Primary purpose of Mr. Moore's visit to the club was to present information regarding the purchase of a van for the senior citizens of the area. Following the speaker's pro-

gram, delicious refreshments were served by the hostess, Mrs. Marie Ramsey; after which a short business session was conducted by the club president, Mrs. Elizabeth Beard. Members present in addition to the above mentioned were: Mrs. Linda Moore, Mrs. Jo Ann Wimberly, Mrs. Ann Byrd, Mrs. Barbara Sweeney, Mrs. Mattie Lomenick, Mrs. Virginia Jones, and Mrs. Nancy Daniel.

MT. GILEAD HOMEMAKERS MET

The Mt. Gilead Homemakers Club met in the home of Mrs. Odeen Kenaum with Mrs. Melvie Robinson as co-hostess. There were 10 members present. The meeting was called to order by the president, Lila Pearson. The group sang "There Shall Be Showers of Blessings," and Lila Pearson read the poem "The Greatest Test" for the devotion. The new business of the club being our "Thanksgiving Bask-

ets to the Shut-Ins." The focus topic on "Drinking and Driving" was given by Mrs. Tressie Bonds. The demonstration on Christmas decorations was given by Mrs. Lessie Newcomb. Delicious refreshments of strawberry cake, coconut, nuts, coffee and cokes were served. Those present other than mentioned were: Amy Walker, Lilla Davis, Andrea Bonds, Erlene Whitfield, and Joan Strickland.

IMPORTANT AGRICULTURAL MEETING TO TAKE PLACE NOVEMBER 25

A significant agricultural meeting will take place on Tuesday, November 25, at the Mississippi Coliseum in Jackson, and Commissioner Jim Buck Ross, Mississippi Department of Agriculture and Commerce, strongly urges all Mississippians to attend. A crowd of at least five thousand is expected. "This meeting deals with the utilization of plant and animal waste in the Livestock Feeding Program," Ross explained. "It

could very well mean the difference in the success or failure of any farmer's livestock program." The meeting is designed to benefit the livestock industry from producer to consumer but is slated toward the producer. It will include vital information which will likely generate nationwide interest and bring about profitable changes in feeding technology. Experts in animal nutrition, feed crops, pasture production,

SPORTS

IUKA EDGES NETTLETON

The Iuka Chieftains rallied in the fourth quarter and then held off a Nettleton comeback in the closing seconds to down the Tigers 15-8 Friday night in non-conference action.

With the score tied 8-8 late in the fourth quarter Iuka star running back romped 18 yards to give the Chieftains a 15-8 lead.

Iuka kicked off and the Tigers from Nettleton drove to the three yard line before time ran out.

Nettleton scored in the first quarter on a three yard run by Daryl Partlow. Partlow's TD run capped a 60-yard drive for the Tigers. Partlow raced in for a two-point conversion, giving Nettleton a 8-0 lead.

Iuka bounced back late in the third quarter on a 30-yard run. Iuka tied the score 8-8 when QB Steve Lyles dropped back and hit a two-point conversion to Johnny Butler.

The loss dropped the Tigers to 3-5-1 for the season.

MUSTANGS NIP BULLDOGS 8-6

The hometown Burnsville Mustangs squeaked past the visiting Tishomingo Bulldogs at Burnsville Friday night, 8-6, in a Tippamingo Conference game.

After a scoreless first quarter, the Bulldogs put six on the scoreboard, but the two-point conversion failed. Tishomingo led 6-0 at the half.

Neither team scored in the third quarter, but the Mustangs came back in the final period, scoring on a four-yard run by Joey Clarkson and a successful two-point conversion by Burnsville quarterback Terry Bullard. Burnsville won, 8-6, making their season record 4 and 6. The Bulldogs are 0 and 9 for the season.

BELMONT TRIPS VINA

The Belmont Cardinals shut out the Vina, Ala. Red Devils on their home ground Friday night 30-0.

There was no score in the first quarter, but Belmont put points on the board in the second period. Cardinal halfback Robert Hester ran 23 yards for a touchdown and banged across the Vina stripe for a two-point conversion. Belmont led at the half, 8-0.

After a slow start in the third quarter, Belmont scored again with eight minutes left. Halfback Howard Cofer scrambled for a 63-yard touchdown. The extra point was no good. Belmont led 14-0.

With 11:20 left in the fourth period, Belmont found the Vina end-zone again with a nine-yard run by quarterback Dickie Turbaville. Cofer ran in for a two-pointer and the Cardinals were out in front by 22-0.

The final score came with four minutes left as Hester banged over from one yard out. Fullback Greg Deaton ran another two-point conversion and the Cardinals took the game 30-0.
