## Judge L. T. Senter Sparks For School Board

Circuit Judge L. T. Senter, Jr., of Aberdeen, has announced his candidacy for re-election to the office of Circuit Judge for the First Circuit Court District of Mississippi. The First Circuit Court District includes Alcorn, Itawamba, Lee, Monroe, Pontotoc, Prentiss and Tishomingo counties.

Judge Senter was elected to the office of Circuit Judge in 1968, and for the past eight years has been the Senior Circuit Judge of the District. He is a graduate of the University of Southern Mississippi and the University of Mississippi Law School. He is also a graduate of the National College of State Trial Judges at the University of Nevada and has done post-graduate work at that institution.

Judge Senter is married to the former Elizabeth Dickson, of Aberdeen, and they have three children; Jay, age 18, Elizabeth Lee, age 15; and Dick, age 13. He is a deacon of the First Presbyterian Church of Aberdeen, and served for sixteen years as County Chairman of the March of Dimes. He was selected as Aberdeen's Most Outstanding Citizen in 1972, and is a past President of the Aberdeen Chamber of Commerce.

Judge Senter is a member of the Mississippi State Bar Association, the American Bar Association and the American Judicature Society. He has been a guest lecturer at the University of Mississippi Law School and an instructor in many legal and judicial seminars throughout the State of Mississippi. He is a co-author of the recently published book on model jury instructions which will be used in all state trial courts and is a past chairman of the Circuit Judges Conference of the State of Mississippi.

In making his announcement, Judge Senter said: "As your Circuit Judge for the past ten years, I have worked hard to give you a firm, but fair, Circuit Court. I am well aware of the fact that the Circuit Court belongs to the people and I greatly appreciate the tremendous support the citizens of our District have given the Court. We have the reputation for having one of the finest and most efficient Court Districts in the entire State of Mississippi, and I want to continue to put my training and experience to work for the citizens of this District as your Circuit Judge. I have been honored to serve you for the past ten years, and I now ask for your vote and support in the forthcoming Democratic Primary Election to be held on June 6, 1978.

## Park Offers Softball

The Tishomingo State Park is offering an organized Sunday afternoon Softball League as part of its summer recreation program. All local church, independent, or sponsored teams are invited to join. Eligible teams are those in either women's or men's divisions. The teams participating in this league are not limited to Sunday afternoon softball league games. The recreation softball field at the state park will be reserved for these teams on Sunday afternoons. This program will give local softball teams opportunities for a variety of competition. This league will play the first games on Sunday, June 4. For further information call the Tishomingo State Park office at 438-6914 or the Recreation Director at 423-9613.

## Overdue Energy Bills

If you have an overdue energy bill and your household income falls within Community Service Agency poverty guidelines you may be eligible to receive up to \$250 in Emergency Energy Assistance funds through the Governor's Office of Human Resources.

The deadline for authorizing funds is May 20, 1978. If you think your household qualifies, bring a copy of your overdue energy bill along with verification of the past three months income to your local county welfare department before May 20.

These energy funds are available to pay past due energy bills such as gas and electricity, and do not include telephone, water, sewer and other non-energy related bills.

## Weekend Revival

A weekend revival will be held at Dennis First Baptist Church May 24, 25 and 26, beginning at 7:00 p.m. each evening.

Bro. Jeff Cook will be leading the services.

Bro. Wilbern Tessonner and the congregation invite everyone to attend.

## 16-YEAR-OLD DROWNS AT TISH. STATE PARK

A day of fun ended in tragedy for a 16-year-old Falkner girl, Saturday, May 13, at the Tishomingo State Park. Mary Lucille Gray, a sophomore at Falkner High School, drowned during a class canoe outing on Bear Creek.

The accident occurred when the canoe Miss Gray and four other students were in overturned around 3:15 p.m. All five were wearing life jackets at the time. The victim, who could not swim, apparently panicked during the spill and drown-

ed. It appeared her strings on the life jacket had become untied causing her not to be able to get out of the water. Miss Gray's body was found downstream as swift water held her face down against a tree. Four young men, who were also passengers in the canoe, swam to shore not realizing Miss Gray was in trouble. The creek was some 100 feet wide at the point of the accident.

Jim Baker, of the University of Southern Mississippi, a Red Cross safety official, who was with another canoe

trip group, saw Miss Gray against the tree. Although he tried to revive her, Baker indicated Miss Gray had drowned before he found her.

Park Manager, Steve North, said park rules limited a canoe to two passengers only. He said some 40 people, including the Falkner class and a University of Southern Mississippi canoeing class for the handicapped, all checked out canoes around 1:30 Saturday. Miss Gray apparently boarded one of the crafts with two other students during the confusion. Two other

individuals got into Miss Gray's canoe after another canoe was swamped in the creek. The weight of the five apparently caused the canoe to overturn.

Mr. North further stated that all canoe trips are cancelled until further notice.

Miss Gray was the daughter of Mr. and Mrs. James Elmer Gray, of Falkner, Ms. She leaves three sisters, Linda Gray, Frances Gray and Mrs. Annie Lois Wooley, all of Ripley; a brother, Tommy Gray; a Corinth; and her grandmothers, Mrs. Emily Tapp and Mrs. Vera Gray, both of Falkner.

## FISH FRY IN SPRING PARK SATURDAY

BILL WALLER LISTENS Bill Waller (right), candidate for the U. S. Senate from Mississippi, will be in Iuka Mineral Springs Park on Saturday, May 20,

to listen to the needs and concerns of Tishomingo County residents. Everyone is invited to attend a free fish fry in honor of the former governor beginning at 5:00 Saturday.

## Church Of Christ Kindergarten

The Iuka Church of Christ is now making plans for the

fall term. It will begin with the opening date of the Iuka City Schools.

Mrs. Jeanne Buford will teach the 5 year olds. Mrs. Buford graduated from Freed - Hardeman College with an associate of arts degree. She finished her education at Jacksonville State University with a bachelor of science degree, majoring in elementary education. She taught second grade in McKenzie, Tenn.

Mrs. Midge Anderson will teach the 3 and 4 year olds. Mrs. Anderson attended college in Pennsylvania.

We anticipate a great program for next year. The 5 year olds will strive to meet all requirements for beginning first grade. Several field trips will be planned. Association with other children, discipline, and sharing are a few of the major goals.

There will be limitations on the members enrolled. If you are interested, call 423-6891. There is a \$10 pre-registration fee, which will assure your child a place in the kindergarten.

## To Meet

The Tishomingo Volunteer Fire Department will meet Monday night, May 22, at 7 p.m. to elect officers for 1978.

Everyone is urged to attend.

Tishomingo County residents are invited to a FREE fish fry on Saturday, May 20, at the Iuka Mineral Springs Park in honor of former Mississippi Governor, Bill Waller, candidate for the U. S. Senate.

The gala afternoon, beginning at 5:00, will feature live entertainment, fish for the entire family and a drawing for \$100 to be given to some lucky person in attendance.

The musical program, beginning at 5:00, will feature L. T. Robinson and his String Band and The Revelations, a local gospel group. Other entertainers from throughout the county, are being invited to perform.

The drawing will be held at 6:30. To be eligible to win, you must be present. Just fill out the coupon below and bring it with you to the park on Saturday, May 20. Drop your coupon in the barrel for a chance at the \$100 to be given away!

Following the drawing, the FREE fish fry, with all the trimmings, will be served to climax the activities. The meal will be prepared by local supporters of Bill Waller.

The public is cordially invited to come and meet with Bill Waller and participate in all the activities.

Come and enjoy the evening and food in beautiful Mineral Springs Park.

## Installation

The Burnsville Chapter 359, Order of the Eastern Star, will have an installation Friday night, May 19, at 7:30 in the Burnsville Lodge. Worthy Matron is Norma Holland and secretary is Wilma Gilliland.

**HOME SMASHED** — A flatbed tractor trailer rig rambled into the home of Mr. and Mrs. Fletcher Nunley on Highway 72 East of Iuka, Monday afternoon, May 15. The accident happened around 3:15 when the 18-wheeler, traveling east, went out of control when an auto stopped in front of it

to make a left-hand turn. The truck ran off the right side of the road, came back across the highway and crashed into the dining room of the Nunley home. Fred Morgan Nash, 50, driver of the rig and owner of Nash Enterprises, out of Birmingham, Ala., suffered severe lacerations to his

head and was carried to Tishomingo County Hospital by ambulance and was transferred by airplane to a Birmingham hospital Tuesday. The only occupants of the house, Mrs. Rena Nunley, and her granddaughter, Charlotte, were in the living room at the time and escaped with no injuries. Mrs. Nunley said that fol-

lowing the impact, she and Charlotte made their way out the front door and saw the truck driver climb from the wreckage and run to a nearby shop at the right of the house where Mr. Nunley was working. She said smoke filled the front part of the house, causing her and apparently the driver to fear the truck would explode.

Pleasant Hill Church, North Crossroads, will have their homecoming day on Sunday, May 21, beginning at 9:00 a.m. Reider of Gravelly Springs, The Deep South Quartet, Falkners, and others will be present.

All are welcome by the pastor. Come for lunch if you wish. All of God's people are welcome.

Miss Nellie Horton's  
 HOME  
 ECONOMIST'S  
 NOTES

Tishomingo Countians who want to use their leisure time at home to learn about food preservation can do so with the help of a new Food Preservation Home Study Course offered by the Mississippi Cooperative Extension Service.

According to Tishomingo County Home Economist, Nellie R. Horton, the free course has instructions on canning and freezing fruits and vegetables and making jellies, jams, preserves, pickles and relishes. Individuals may obtain free copies by calling Nellie R. Horton at 423-3616 or write her at P. O. Box H, Iuka, Miss. 38852.

"An attractive feature of this course is that individuals can study the information as they wish, and when they're ready to put it to use," says the home economist. "There aren't any tests or deadlines, but participants may check to see how much they've learned by working a food preservation crossword puzzle included in the study course."

"One of the first lessons explains how to prepare a home food preservation on buying, using and caring for freezing and canning equipment. Instructions on freezing and canning fruits are included, as are directions for preserving all kinds of vegetables -- everything from asparagus to zucchini."

According to Miss Horton, jelly recipes include preparation with the long boil method, liquid pectin or powdered pectin. Pickle and relish recipes range from traditional dill pickles to a simple horseradish relish, she said.

Interested persons are asked to contact the Extension Home Economist for free copies on the Food Pre-

Home Study Course and other information on Pocket Watch Activities.

**SIDEDRESS NITROGEN:**

Cotton and corn respond well to sidedress applications of nitrogen. Since a crop uses most of the nitrogen during fruiting, it is best to sidedress cotton before first square and corn before it is 12 to 15 inches tall. Most corn will need sidedressing in May and cotton in late May or June.

Splitting the nitrogen cuts down on the risks of losses from leaching and denitrification. Carryover nitrogen is a little above normal because of last year's dry weather. Cotton producers should cut the nitrogen rate by 30 percent where cotton grows rank stalks.

**LIME SOYBEAN LAND:**

Much of the state's soybean land is in critical need of lime. Farmers can apply lime right up to planting. Soft lime is more readily available than hard rock lime. However, with the problem farmers are having getting lime, any high grade liming material should be applied any time farmers can get over the land without injuring the crop.

**HARVESTING RYEGRASS HAY:**

Ryegrass can make high quality hay. However, most of the ryegrass hay harvested in the state is low quality because it is harvested too late. To produce good ryegrass hay, you should begin harvesting when seed heads appear. Ryegrass should not be harvested after the seed dough

stage. Early harvesting may mean slightly less yields, but the total digestible nutrients per acre will be greater.

**FARMWEEK:**

Mississippi's changing cattle industry will be featured on the May 22 edition of the "Farmweek" program.

An in-depth panel discussion will explore areas of concern to both the cattle producer and consumer. Major issues will include higher prices for producers as a result of changes in cattle numbers and possible consumer reactions to the higher beef prices at the supermarket. Panelists will include Pete Armstrong, president, Mississippi Cattlemen's Association; Jerry Lyons, Jones County cattleman and president of the Mississippi Cattle Industry Board; and R. O. Buckley, Extension livestock specialist.

Farmweek is presented twice a week, Monday night at 7:30 and Tuesday morning at 7:30, on the Mississippi Educational Television Network.

**NEW FARM INSURANCE PLAN OUTLINED:**

Plans for a consolidated, all-risk farm insurance program were announced

recently by the Secretary of Agriculture. The Agricultural Stabilization and Conservation Service will help market the new insurance program.

"Under the program, each producer could choose from three levels of insurance coverage -- 50, 70, and 90 percent of his normal crop production," Henry Knox, an agency official said. The farmer would pay about half the actual cost of insurance for the minimum 50 percent protection. If he chooses 70 percent protection, he would pay for most of the cost of the additional 20 percent protection, and would pay all the cost for the final 20 percent of protection at the 90-percent level. These three levels might vary for different crops, Knox said.

"By using federal funds mainly to share premium costs for the first level of protection, with producers paying most of the premiums for higher levels of protection, a level of protection to farmers than present disaster programs, at no additional cost to the government. "By utilizing the existing ASCS delivery system to sell the insurance, along with private insurance agents, we will be able to provide the type of service most familiar to farmers," Knox said.

The Farm Production Protection Act would consolidate four present disaster assistance programs into one, to insure crops against natural disasters and some other uncontrollable risks. The 1977 farm bill provides protection against economic disaster through loan and target price provisions. "The new insurance program complements that action by providing adequate protection for the farmer who has a bad crop or no crop at all," the ASCS official said.

The first crop that could be covered would be 1980 winter crops planted in the fall of 1979, if the plan receives speedy congressional consideration. Knox said the insurance plan is part of a comprehensive food and agriculture policy.

The average American TV set is on about six hours a day.

**A good call!**  
 Uncle Sam has now given everybody an equal chance to assure his or her retirement through the use of tax deductible dollars.

If you are one of the millions of people not covered by a qualified company pension plan, you have had to set aside savings with after tax dollars. This is no longer the case. You now can put money into your own retirement plan that is fully tax deductible. What's more, you do not pay income tax on the interest earned by your plan. In fact, you pay no taxes on any of these dollars until you retire, at which time you will probably be in a lower tax bracket.

Persons who qualify can set aside 15 percent of their salary (up to \$1500) into their own Lamar Life Individual Retirement Account each year. If you are self-employed you can deposit 15 percent of your annual income (up to \$7500) into your Lamar Life retirement account.

Of course, Lamar Life also offers a variety of corporate pension and profit sharing plans for businesses that wish to maximize earnings for the benefit of their employees and owners. These plans, too, offer the advantage of doing this with tax exempt dollars.

Lamar Life is Mississippi's first life insurance company and nobody knows the protection needs of Mississippians better... or serves those needs better. Today Lamar Life is rated A+ by A. M. Best Company, the leading insurance company analyst since 1889. This is the highest rating that can be earned and only one out of eight companies has it!

For any personal or business pension or retirement plans, look to the leader in the field...

LETTERS TO EDITOR  
 AN OPEN LETTER TO  
 MY FRIENDS IN THE  
 LABOR MOVEMENT:

I have always been a friend  
 of the people who labor to  
 earn their living. I have  
 always worked for better  
 pay and decent working  
 conditions for all laboring  
 people in my district and  
 throughout the State of  
 Mississippi. With that back-  
 ground I feel that I can  
 speak to laboring people as  
 a brother.

True friends can speak  
 honestly and frankly to each  
 other. Labor has always  
 been my friend and I have  
 always been a friend to la-  
 bor.

I note that labor in the  
 First Congressional  
 District has endorsed Mr. Ger-  
 ald Chatham who is oppos-  
 ing the re-election of Con-  
 gressman Jamie Whitten. I  
 am very disappointed and  
 deeply regret such action.  
 For nearly 100 years con-  
 gressmen and other govern-  
 mental leaders have advo-  
 cated the building of the  
 Tenn-Tom Canal. No action  
 was taken on this billion  
 dollar project until  
 Northeast Mississippi was  
 added to Congressman Jam-  
 ie Whitten's district. To-  
 day it is a reality.

I have worked very close-  
 ly to TVA in the location  
 of the nuclear power plant  
 in Mississippi. I can as-  
 sure you that without the  
 hard work and dedicated ef-  
 forts of Jamie Whitten the  
 \$2 1/2 billion nuclear plant  
 would not be located in our  
 state.

We almost lost the Tenn-  
 Tom Canal because Missis-  
 sippi was unable or refused  
 to finance the building of  
 bridges across that water-  
 way. Jamie Whitten came  
 to our rescue and almost  
 single-handed inserted leg-  
 islation in a bill that has  
 brought millions of dollars  
 to build the bridges and  
 make the canal a reality.

As a result of the water-  
 way and the nuclear power  
 plant, a new lock is to be  
 built at Pickwick Dam.  
 Congressman Jamie Whit-  
 ten is the person that brought  
 this to our area.

These huge construction  
 projects will bring high pay-  
 ing jobs to approximately  
 8,000 people, mostly Miss-  
 sissippians, during the next  
 eight years. Thereafter the  
 economic benefits cannot  
 even be calculated. The  
 payments by TVA on the nu-  
 clear power plant in lieu of  
 taxes will be more than  
 \$30 million each year.

Our area can become the  
 industrial heartland of the  
 nation as a result of these  
 projects which were brought  
 about by the hard work of  
 Jamie Whitten.

At present, Jamie Whit-  
 ten is Vice-Chairman of the  
 Appropriations Committee.  
 Next January he will be ele-  
 vated to the chairmanship.  
 As you know, that commit-  
 tee is probably the most  
 powerful in the Congress.  
 It would be difficult for a  
 person to do more for North  
 Mississippi than Jamie  
 Whitten has already done  
 but as chairman he will be  
 more powerful and can, and  
 I am sure will, help us even  
 more.

Congressman Whitten has  
 likewise been helpful to  
 other areas of his district  
 and the state. He has been  
 most helpful in the building  
 of rural electric power sys-  
 tems, rural water systems,  
 flood control projects and  
 many, many others.

I sincerely and respect-  
 fully request that you re-  
 consider your actions. I  
 believe careful evaluation of  
 our current situation will  
 result in the withdrawal of  
 your endorsement of Mr.  
 Gerald Chatham.

Your sincere friend,  
 Theodore Smith

and shall have a Certificate of Responsibility to bid on  
 contracts in which public funds are involved and the  
 bid price exceeds \$25,000.00, as required by State of  
 Mississippi laws. Each Bidder shall show on outside  
 of envelope containing his bid: his current Privilege  
 License number; and his current Certificate of Respon-  
 sibility number, or if applicable, a statement certifying  
 that the bid price does not exceed \$25,000. Failure  
 to show these items on outside of envelope containing  
 bid will result in bid being returned to Bidder un-  
 opened. NOTE: Federal funds are involved in this  
 project.

No Bidder may withdraw his bid for a period of  
 ninety (90) days after date of actual bid opening, without  
 Owner's consent.

The Mayor and Board of Aldermen took up the matter  
 of issuance of the Industrial Development Revenue Bonds,  
 Series 1978, of the Town of Tishomingo, Mississippi,  
 in the principal amount not to exceed Two Million Five  
 Hundred Thousand Dollars (2,500,000). After a dis-  
 cussion of the subject, Alderman James E. Burns of-  
 fered and moved the adoption of the following resolution:

RESOLUTION DECLARING THE INTENTION OF THE  
 TOWN OF TISHOMINGO, MISSISSIPPI, TO ENTER UPON  
 AN INDUSTRIAL DEVELOPMENT PROJECT AND TO  
 ISSUE INDUSTRIAL DEVELOPMENT REVENUE BONDS  
 OF SAID TOWN IN THE PRINCIPAL AMOUNT NOT TO  
 EXCEED TWO MILLION FIVE HUNDRED THOUSAND  
 DOLLARS (\$2,500,000) FOR SUCH PURPOSE, AND  
 DIRECTING THE PUBLICATION OF NOTICE OF SUCH  
 INTENTION.

WHEREAS, the Mayor and Board of Aldermen of  
 the Town of Tishomingo, Mississippi (the "Govern-  
 ing Body"), acting for and on behalf of the Town of  
 Tishomingo, Mississippi (the "Issuer"), does hereby  
 find, determine and adjudicate as follows:

1. The Issuer is a municipality as defined in Chapter  
 147, General Laws of Mississippi, Regular Session  
 1960, as amended, appearing as Title 57, Chapter 3  
 of the Mississippi Code of 1972 (the "Act"); and  
 2. On March 17, 1978, this Governing Body, as  
 authorized by the Act, adopted a resolution making  
 application to the Mississippi Agricultural and In-  
 dustrial Board (the "A & I Board") for a Certificate  
 of Public Convenience and Necessity (the "Certifi-  
 cate") authorizing the Issuer to acquire, own and lease  
 a Project as hereinafter defined and to issue its in-  
 dustrial development revenue bonds to finance said  
 Project; and

3. The A & I Board, acting by and through its duly  
 authorized Executive Committee, did on March 23,  
 1978, order and direct the approval of the aforesaid  
 application and did issue its Certificate No. 322R to  
 the Governing Body of the Issuer, which Certificate  
 authorized and empowered this Governing Body, acting  
 for and on behalf of the Issuer, subject to the conditions  
 therein set out, to adopt and publish a resolution de-  
 clarating its intention to issue industrial develop-  
 ment revenue bonds of the Issuer as authorized by the  
 Act in the principal amount not to exceed Two Million Five  
 Hundred Thousand Dollars (\$2,500,000) to provide funds  
 to acquire said Project and thereafter to lease said  
 Project to The Heil Co. (the "Company") for the  
 purposes hereinafter set out; and

4. In order to promote industrial development and to  
 provide additional gainful employment for its citizens,  
 the Issuer should declare its intention to issue indus-  
 trial development revenue bonds of the Issuer in the  
 principal amount herein provided.

NOW, THEREFORE, BE IT RESOLVED BY THE  
 GOVERNING BODY, ACTING FOR AND ON BEHALF OF  
 THE ISSUER, AS FOLLOWS:

SECTION 1. That this Governing Body, acting for and  
 behalf of the Issuer, does hereby declare its intention  
 to issue Industrial Development Revenue Bonds of the  
 Issuer in the principal amount not to exceed Two Million  
 Five Hundred Thousand Dollars (\$2,500,000) (the  
 "Bonds") to provide funds for the purpose of defraying  
 the cost of acquiring an industrial enterprise consisting  
 of land, buildings, improvements, machinery and equip-  
 ment (all of which together constitute the "Project")  
 for the manufacturing, processing and assembling of  
 fabricated metal products or other permissible products  
 under the Act, and thereafter to lease the Project to  
 the Company; provided that the Bonds shall be payable  
 both as to principal and interest solely from the  
 revenue to be derived from the leasing of the Project,  
 and neither the Bonds nor the interest thereon shall  
 ever constitute an indebtedness of the Issuer, nor ever  
 constitute or give rise to pecuniary liability of the  
 Issuer or a charge against its general credit or taxing  
 powers.

SECTION 2. That the issuance of the Bonds in the  
 amount and for the purpose aforesaid shall be autho-  
 rized at a meeting of the Governing Body to be held at  
 their usual meeting place in the Town of Tishomingo,  
 Mississippi, at the hour of 7:00 o'clock P.M., on May  
 15, 1978, or at some meeting held subsequent thereto,  
 unless on or before the aforesaid date and hour twenty  
 percent (20%) of the qualified electors of the Issuer  
 shall file a written protest against the issuance of the  
 Bonds, in which event the Bonds shall not be issued  
 unless authorized at an election on the question of the  
 issuance thereof to be called and held as provided by  
 law. If no such protest be filed, then the Bonds may  
 be issued without an election on the question of the  
 issuance thereof at any time within a period of two (2)  
 years after the date hereinabove specified.

SECTION 3. That this resolution shall be published  
 once a week for at least four consecutive weeks in  
 the Tishomingo County News, a newspaper published in  
 Tishomingo County, Mississippi, and qualified under the  
 provisions of Section 13-3-31 of the Mississippi Code  
 of 1972. The first publication of this resolution  
 shall be made not less than twenty-one (21) days  
 prior to the date fixed in this resolution for the is-  
 suance of said Bonds and the last publication shall be  
 made not more than seven (7) days prior to the date  
 aforesaid.

SECTION 4. That the Clerk of this Governing Body  
 is hereby directed to procure from the publishers of  
 the aforesaid newspaper the customary proof of the  
 publication of this resolution and to have the same  
 before this Governing Body at their meeting to be held  
 on the date and at the hour set forth in Section 2 of  
 this resolution.

Following the reading of the foregoing resolution,  
 Alderman Willie White seconded the motion for its  
 adoption. The Mayor put the question to a roll call  
 vote, and the result was as follows:

Willie White	Voted: Aye
James Burns	Voted: Aye
Doyle Hopkins	Voted: Aye
Gary Taylor	Voted: Absent
Haskel Hamilton	Voted: Absent

The motion having received the affirmative vote of  
 all Aldermen present, the Mayor declared the motion  
 carried and the resolution adopted, this the 10th day of  
 April, 1978.

**INSIDE LOOKING OUT** — The dining room of the Fletcher Nunley home on Hwy. 72 East of Iuka was completely destroyed Monday afternoon when an 18-wheeler plowed through the outside wall. The driver, Fred Nash, of Birmingham, escaped the wreckage alive

after apparently falling to the floor while his truck was out of control. The driver's seat can be seen sitting erect, touching the ceiling of the home. The only occupants of the house, Mrs. Rena Nunley, and her granddaughter, Charlotte, escaped with no injuries.

was in charge.

Survivors include his wife, Mrs. Fannie Dawson; two daughters, Mrs. Louise Hamilton, Tishomingo, and Mrs. Christine Hill, of Union City, Tenn.; one sister, Mrs. Mae Luttrell, of Iuka; one brother, Lawrence Dawson, of Sheffield, Ala.; eight grandchildren and one great-grandchild.

He was a security guard at a Corinth manufacturing plant and a World War II veteran.

Services were held at 1 p.m. Friday at Berea Church of Christ, with burial in Little Flock Cemetery.

Steve Puckett officiated with Cutshall Funeral Home in charge.

He leaves his widow, Mrs. Sylvia Orick, Burnsville; one son, Gary Orick, of Burnsville; his parents, Mr. and Mrs. W. O. Orick, Jennis; five brothers, S.L. Orick, Dennis, Carly Orick, Henderson, Tenn., Hurshel Orick, Belmont, Kenneth Orick, Muscle Shoals, Ala., and R. C. Orick, Red Bay, La.; two sisters, Mrs. Dorothy Moore, Belmont, and Mrs. Vera Underwood, Florence, Ala.

**Thomas Miles**

Thomas Howard Miles, 3, of 2953 Dove, retired airway Express agent, died at 3:30 a.m. at St. Joseph Hospital East.

He was a member of Sky-View Baptist Church.

Services were held at 10:45 a.m. Tuesday at Memorial Funeral Home with burial in Memory Hills Gardens.

He leaves his wife, Mrs. Edna Mae Cox Miles; a daughter, Mrs. Maryland Camp, of Memphis; a son, Capt. Thomas H. Miles, Jr., of Tacoma, Wash.; four sisters, Miss Mabel Miles, of Bruce, Miss., Mrs. J. W. Castleberry, of Iuka, Mrs. David G. Malone, of Memphis; two brothers, Charles F. Miles and Sam B. Miles, both of Memphis; and seven grandchildren and a great-grandson.

lous Christian, was introduced to the Ambassador of Belgium one evening. Hardly had they exchanged greetings before the senator's father asked earnestly, "Sir, are you a Christian?" But the answer never came up because the Senator, much embarrassed, interrupted and hurried his father away.

Not long afterward, the old man took a cold, which turned into pneumonia, and he was soon departed from this life. Among the flowers were roses from the Ambassador of Belgium. A note attached brought tears to the eyes of the Senator: "he's the only man in America who asked me if I were a Christian."

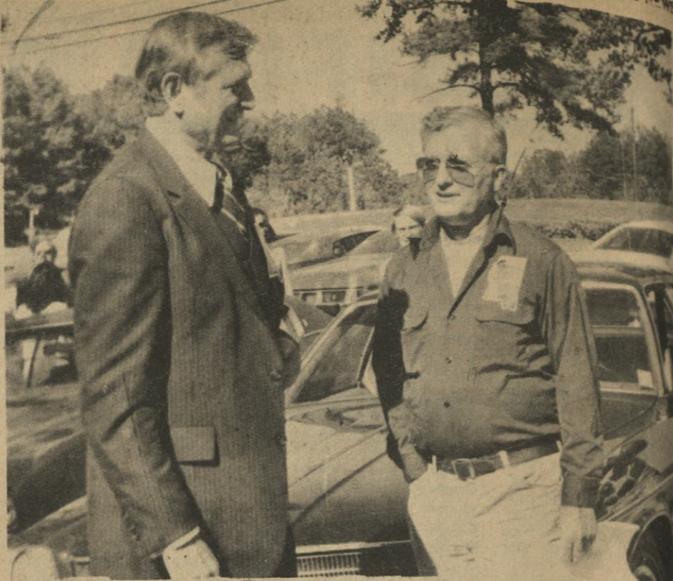

The Great Commission states, "Go into all the world and preach the Gospel to every creature. He that believeth and is baptized shall be saved." (Mark 16:15,16). Paul said, "And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." (II Tim. 2:2).

Thus, the plan of God in evangelizing the world is for faithful men to teach faithful men . . . and so on until the entire world has heard the Gospel.

As children of God we must ever be trying to tell others about our Lord Jesus Christ. Jesus said "Who-soever therefore shall be ashamed of me and of my words in this adulterous and sinful generation; of him also shall the son of man be ashamed, when he cometh in the glory of his Father with the holy angels.

**ON THE CAMPAIGN TRAIL** Mississippi Governor Cliff Finch was in Iuka on Tuesday, May 9, seeking support in the upcoming Senatorial race. Gov. Finch stopped by the Tishomingo County Courthouse and spoke with supporters during his swing through the county.

**Spring Convention**

Sheriff Dawson, of Tishomingo County, announced to-

day that the spring convention of the Mississippi Sheriff's Association will be held in Columbus on May 24 and 25. Several state and local dignitaries, including Gov. Cliff Finch, have been invited to speak at the convention being held at the Ramada Inn in Columbus, with entertainment and business sessions also scheduled during the two day convention.

The dedication ceremony will begin at 11 a.m. on the morning

of May 24, and will be followed by a bar-b-que luncheon served to all who attend. The Mississippi Sheriff's Association and the Mississippi Sheriff's Boys and Girls Ranches invite everyone to attend the dedication ceremony, featuring state and local dignitaries, entertainment, and a luncheon, and give all who attend an opportunity to meet the children, see the progress made on the ranch to date and a chance to share fellowship with one another.

COUNTY FARMERS OF 1949 — Mr. G. E. Wynn brought this photo by The News Office recently for the enjoyment of our readers. It was taken on February 15, 1949, as Tishomingo landowners learned how to plant a pine seedling. Some of those pictured and identified by Mr. Wynn were: W. W. Boss, Jim Underwood, Millard Page, G. E. Wynn and James Edward Wynn, Milton Solomon, Walter Wynn and Walter Wynn, Jr., E. N. Allen, Pete Brumley, Palmer Hall, and Joe Stephens.

## Red Cross Schedules CPR, Swimming And First Aid

The Tishomingo County Chapter of the Red Cross will hold classes in CPR training at the Iuka Library on June 19 and 20 and on June 26 and 27. There are spaces available for several more persons. Anyone wishing to sign up can call 423-5282 weekdays or 423-6002 nights and week-

ends. Classes will be filled on a first-come basis and additional classes can be scheduled later if necessary. Those already signed up need not call again. A CPR Class is scheduled at Tishomingo for May 22 and 23. This class is already filled, but later classes can be arranged for those interested. These classes will be taught by a trained volunteer, free-of-charge. Over \$400 in equipment is necessary to teach CPR and Tishomingo County must depend on neighboring chapters to lend us their equipment until we can obtain our own. By June 1, the chapter will have several trained instructors. These volunteers should be able to set up classes for special groups, such as industrial employees or clubs, at a time convenient for the groups.

The Red Cross is providing swimming instruction for students throughout the county in cooperation with the Extension Service and the Mississippi Park Service. Agent Billy Rainey is making arrangements with the Park Service for use of pools and also arranging transportation for interested students. The Red Cross is also providing the opportunity for three county students to take Water Safety Instructor Training. The Belmont Lions Club very generously volunteered to pay the expenses of two of the students, Nancy Groover and Marilyn Brosious, in order that they might attend

the course. The County Chapter is sponsoring the other student, Chuck Kay. These students will be trained to teach classes in swimming and lifesaving.

The Burnsville Standard First Aid class will begin in two weeks. This is a 20 hour course which will be followed by a course in CPR. Instructors are also planning the same course for Tishomingo and should begin that class within the month. These classes are being arranged with the Rescue Squads and Volunteer Firemen in each town. Others may join by contacting the Rescue Squad members. An eight hour first aid course is planned for employees at Ripley Industries in the immediate future. Belmont has just finished the 20 hour course and CPR training with 19 graduates.

We need volunteers for future programs now being planned. Join your Red Cross. The membership fee is only \$1.00 and can be sent to: Tishomingo County Chapter, American National Red Cross, Iuka, Miss. 38852. All members are eligible to vote at the annual meeting, which will be held on June 15, at the Vo-Tech Center at Tishomingo at 7:00 p.m.

### Tishomingo Library

With the closing of school so near the public library is beginning to shape up for a Summer Reading and Fun Program for children ages

6-14. Details have not been completed but MYSTERIES will be the theme for the program this summer. Doesn't that sound exciting! Parents will be doing their children a favor by encouraging them to read during the summer, especially those children who do not like to read or have difficulty reading. At the library we try to get children to see where reading can be fun. Dates for registration will be in next week's paper or you may call the library at 438-6302.

We have some new books in the children's division and to all of you Nancy Drew and Hardy Boys fans we have a few new ones now.

In adult fiction we are getting re-prints of some of the older books. You may prefer them to the new books.

We are very proud of the book given to the library by the Tishomingo Homemakers' Club. The name of the book is "A Stitch In Time" and it is pictorial account of the Mississippi Extension Homemakers Council bicentennial project - A Needlepoint Map of Mississippi. The Art Needlework on Tishomingo County was done by Mrs. Lois Norton, assist-

#### SINUS PROBLEMS

One of the present fads in the treatment of sinus problems is the operation for a "deviated septum." It is now being performed over 100,000 times a year. The patient is told that a malformed or broken nose is closing the normal nasal passages causing the blockage and sinus problems. Clinical evidence shows less than 10 percent are effective 5 years after the operation. This treatment is used to replace the histamine-antihistamine therapy which was prominent a decade or two ago, but which has proven to be very harmful and dangerous.

Sinus problems have been blamed on the heat, cold, humidity, dryness, dampness, dust, bacteria, pollen, allergies, etc.

The sinuses are the porous bony structures of the face which filter the air of impurities. This filtering network neutralizes and detoxifies these impurities. There is a rich blood supply to aid in removing these. There is also a rich nerve supply to direct the functions of the thousands of glands lining the sinuses. There are also thousands of mucous tissues which maintain the proper moisture along the passageways.

When there is a vertebra out of position pinching on the nerve supply to the sinuses, there is a problem. The glands don't function, the filtering slows down, the impurities build up, the blood supply backs up, the passages become thick, swollen, and clogged up, which may result in headaches. The only logical thing to do is to adjust the vertebra back to its normal position and remove the cause of the problem.

Presented in public interest for better health by the Mississippi Society of Chiropractors, District I.

BIG CATCH — Mrs. Dorothy Holtsford, 708 Ash St., Iuka, is pictured here with the 58 lb. amberjack she entered in the Metropolitan South Florida Fishing Tournament in the Unlimited Division. She fished out of Miami Beach with Capt. Jack Plachter on the Prowler IV as guide. She will receive a year book for her entry.

## Iuka Brownies Tour MacDonalds

On Wednesday, May 3, Brownie Troop 48 toured MacDonalds in Corinth. The manager showed the first graders how to make regular hamburgers, Quarter Pounders, and Big Macs. After the girls were shown how things are cooked, using computers and the Big Barrels of pickles, mustard and catsup, they were served

hamburgers and Coke compliments of MacDonalds.

The members of Brownie Troop 48 present were: Betty Booker, Carla Booker, Ginger Horton, Janette Stennett, Kimberly Rushing, Tina Weathers, Bethann Schilling, and Tracy Yarbrough. The troop leader is Mrs. Terri Booker.

Do you operate a bulldozer, dragline, backhoe, or any earth-moving equipment? If you do, you can save trouble and inconvenience for many people -- including yourself -- with just a simple phone call. A call to our buried cable location service BEFORE you dig may prevent the accidental cutting of an underground telephone cable. There's no charge for the phone call or for having the buried telephone cable located and the route marked for you. (Forty-eight-hour notice is requested for this service.)

So, before you dig, please look up Buried Cable Information in the Call Guide Section in the front of your telephone directory. Then give us a call. You won't risk cutting off your neighbors' -- or your own -- phone service, and you'll avoid delay and inconvenience on your job, too.

Looking for a decorating idea? A gift idea? Then take a look at our Design Line\* telephones. There are fifteen styles in a variety of colors to complement any office, any room, and any lifestyle. 4th in Mid-South, Typing Award, and first place in 4-H essay contest. She also served as Beta officer, 2, 3, and 4, and class officer, 1, 3 and 4. Her future plans after graduation are to attend Northeast Mississippi Junior College and either Mississippi State or Ole Miss.

Star Students are selected on the basis of academic excellence. Scholastic averages and scores on the American College Test are considered in designation of a school's Star Student.

The Star Program recognizes academic achievement among Mississippi's high school students, explained MEC Education Committee Chairman Benton Cain of Jackson. "Top scholars are being designated as Star Students in more than 300 participating schools in Mississippi. From these Star Students, area winners will be selected, and the Council will award scholarships to the state's top Star Students."

Each Star Student is asked to designate a Star Teacher, a teacher who has made the greatest contribution to the student's scholastic achievement.

Tammie has chosen Mrs. Ruth Dawson as Star Teacher. She is an English teacher at Tishomingo High School with 32 years experience including Rural I Teachers School, Paden, Grace-land, and Tishomingo. Mrs. Dawson attended the Northeast Mississippi Junior College and Mississippi State University, where she received her BS. She also has graduate work at Mississippi State and Ole Miss.

While in the teaching profession Mrs. Dawson has received numerous honors and awards. She has served as secretary and president of the Tishomingo County Teachers Association, Outstanding Secondary and Elementary Education Award, Beta sponsor for 11 years, and 4-H leader for 10 years.

Jamie Whitten gets things done! He provided funds for reservoir development and roads to them, which made a \$38 million annual contribution to our economy, he kept the Natchez Trace Parkway alive until right-of-way was secured and he got the Tenn-Tom Waterway off the drawing boards and under construction.

Jamie Whitten believes in developing our own country, our own towns, our own counties through programs that provide good jobs for our own people. He supports social security and veterans assistance for the old and help for the young through vocational education, 4-H, head start, school lunch and other food programs. Jamie Whitten supports education in the local schools and in Junior and Senior colleges, the National Guard and Reserves and modern weapons for their use, including the B-1 bomber and nuclear carriers.

**ADVERTISEMENT FORBIDS**

Sealed proposals for the construction of WATER LINES, SHORT-COLEMAN PARK WATER ASSOCIATION, TISHOMINGO COUNTY, MISSISSIPPI, CONTRACT 4, will be received by the President of Short-Coleman Park Water Association, at the office of the County Supervisor, Farmers Home Administration, 105-1/2 Eastport Street, P. O. Box A, Iuka, Mississippi, 38852, until 2:00 P.M. Local Time on June 7, 1978, and immediately thereafter will be opened and publicly read.

The Short-Coleman Park Water Association reserves the right to reject any or all bids and to waive any informalities or technicalities therein.

The work to be done consists generally of constructing a total of approximately 12,000 linear feet of 12" and smaller water lines and related work, as shown on the drawings and/or described in the specifications.

Drawings and specifications may be obtained from Allen & Hoshall, Inc., Consulting Engineers, 2430 Poplar Avenue, Memphis, Tennessee, 38112, for a deposit of \$25.00 per set. After returning complete sets of drawings and specifications in good condition, within 10 days after bid opening, deposits will be refunded as follows: to General Contractors submitting bona fide bids on this project, full deposit amount for first set, and to all others, one half of deposit for each set.

Drawings and specifications may be examined at the Engineer's office, 2430 Poplar Avenue, Memphis, Tennessee; at U. S. Department of Agriculture Farmers Home Administration, Iuka, Mississippi; and at the F. W. Dodge Plan Room in Memphis, Tennessee.

Each bid shall be accompanied by a Certified Check on a solvent bank or a Bidder's Bond issued by a Surety Company licensed to operate in the State of Mississippi, in the amount of 5% of the total bid price, as a guarantee that if the bid is accepted, the Bidder will enter into a contract and execute the Performance and Payment Bonds in the form and within the time specified.

The successful Bidder will be required to execute Performance and Payment Bonds in the amount of 100% of the Contract, issued by a Surety Company licensed to operate in the State of Mississippi.

Each Bidder shall have a Privilege License to bid on any contract for which the bid price exceeds \$10,000.00, and shall have a Certificate of Responsibility to bid on contracts in which public funds are involved and the bid price exceeds \$25,000.00, as required by State of Mississippi laws. Each Bidder shall show on outside of envelope containing his bid: his current Privilege License number; and his current Certificate of Responsibility number, or if applicable, a statement certifying that the bid price does not exceed \$25,000. Failure to show these items on outside of envelope containing bid will result in bid being returned to Bidder unopened. NOTE: Federal funds are involved in this project.

No Bidder may withdraw his bid for a period of ninety (90) days after date of actual bid opening, without Owner's consent.

JOHN GANN, pharmacist at Curtis Drugs in Iuka, is shown receiving a plaque from Dion Pogson, right, representative of Burroughs Wellcome Company.

**Mr. Gann Honored**

A \$500 check has been presented to Wallace L. Guess, Dean of the University of Mississippi School of Pharmacy from the Burroughs Wellcome Pharmacy Education Program.

The money is intended to establish a revolving loan fund for deserving pharmacy students in the name of Mr. John D. Gann, of Iuka, Miss., one of 156 winners in the 1977 program. 31,000 pharmacists entered from all fifty states plus the District of Columbia and Puerto Rico.

In a letter of appreciation to Mr. Gann, Guess said, "The Ole Miss School of Pharmacy is honored to have you among its many fine alumni and highly commends you for the contributions you have made to our profession."

The Burroughs Wellcome Pharmacy Education Program is a part of the Company's partnership with pharmacy in helping to assure the future of the profession through education.

**Something Old**

An old game - do you remember playing "Mumblety Peg"?

Any number of children or older persons, having no qualifications can play. Mumblety Peg requires no equipment other than a two-blade pocket knife, usually a "Case or Barlow". In fact "Barlow" was the knife that everyone wanted.

The two blades had to be hinged at the same end of the handle. The large blade was half-way opened making a 90 degree angle to the handle. The small blade was fully opened. The playing surface most often was an area of packed dirt, but occasionally it was a wood table top or pine board.

To play, the tip of the large blade was set slightly on the playing surface and the end of the handle rested on the tip of one finger with the knife balanced, so that the small blade pointed forward much as a spear. When the player felt the balance was satisfactory, a quick snap upward with the supporting finger would lift the knife in an end-over end arc to land on the playing surface. The position of the knife after landing determined the point or score for the player.

There were four landing positions which counted points; to come to rest in balance on the point of the large blade and the end of the handle; to rest stuck on the long blade with no

other point of contact; to rest balanced on the tips of the two blades; to rest stuck full on the point of the extended short blades with no other point of contact. (Sissie) Yankees, or Democrats might sometimes

claim game if the knife came to rest on the back side with the long blade directed straight upward, but no dedicated Mumblety Peg player accepts this version.

**HOT TIPS on buying COOL**

To make a wise purchase, consider first size air conditioner you need. If you get one that's too large for the space you want to cool, it won't dehumidify the air enough. If you get one that's too small, it won't give you the cooling you need.

Second, shop especially for a unit with high energy efficiency ratio (EER). The higher the rating from 5 to 12 the less energy you'll use.

Come by our office for a free copy of Guide For Buying a Room Air Conditioner.
