### Plant to Locate County

According to Tishomingo County, Carlos Ingram, the owner of Tishomingo will obtain a new plant in the area. Industrial Revenue Bonds will be issued to locate a production division of a Wisconsin manufacturing firm in Tishomingo.

The town's attorney, J. Larry Finch, of Iuka, said preliminary arrangements have been made for the Heil of Milwaukee, Wisc., to assume bonds and take possession of a building formerly occupied by Sunshine, Inc., of Red Bay.

Finch also said, the \$2.5 million in bonds will be used to renovate and equip a building located north of Tishomingo on Highway 25, near the Tishomingo Vocational Center. The plant manufactures equipment for solid waste disposal and will eventually employ about four hundred men - mostly men.

According to Finch, production at the plant is several months away because renovation projects are underway.

### IHS Mourns Sudden Death Of Teacher

**Charles Gerald Emmons, Sr.**, 49, retired Chief Petty Officer with the U. S. Navy and instructor at Iuka High School, died Friday morning, June 8, at Tishomingo County Hospital of an apparent heart attack.

Mr. Emmons retired in September, 1966, after 21 years of service with the Navy. He was decorated with the Good Conduct Award with 5 bronze stars, the Naval Reserve Medal, the American Campaign Medal with 4 bronze stars, the Asiatic Pacific Campaign Medal, China Service Medal, the Navy Occupation Medal, European and Asiatic, Victory Medal, Philippine Liberation Medal, Philippine Independence Medal, Navy Expeditionary Medal, National Defense Medal with 2nd Award and Vietnam Service Medal.

Following his retirement, he attended Northeast Mississippi Junior College and the University of Mississippi, where in 1972 he received his degree in Secondary Education. His first teaching position was in the Burnsville High School System.

For the past three years, Chief Emmons has worked

in the Iuka Special Municipal School District as both Drug Education Coordinator and Adult Basic Education teacher. At the time of his death he was working with the Governor's Office Job Development and Training Program and Youth Employment Program. During his career at Iuka High School, he instilled in students the advantage of attending school on a regular basis and worked hard to promote the awareness of drug abuse. He was active in many school clubs and organizations and worked on a one-to-one basis with counseling students.

Funeral services for Chief Emmons were held at 3 p.m. Saturday at Cutshall Funeral Home chapel with burial in Oak Grove Cemetery. Rev. Charles Dampier officiated.

He is survived by his wife, the former Lola Mae Grisham, of Iuka; three sons, Charles Emmons, Jr., of Tupelo, David and Mark Emmons, both of the home; his mother, Mrs. Willie Emmons, of Iuka; two brothers, Carl Emmons, of Memphis, and Thomas Emmons, of Corinth.

### Contest

Applications are now being accepted to participate in the second annual talent show to be held at Belmont City Park on Tuesday, July 4, at 5 p.m. Out-of-town judges will select first, second and third place winners on the basis of originality of act, appropriateness of dress, audience response, basic talent, etc.

A stage, piano and sound system will be provided. Persons of all talents, however varied, are invited to enter by calling Debbie Pharr at 454-7154 in Belmont, Miss. after 7 p.m.

### An Open Letter To Concerned Parents And Youth

At the recent meeting called by TVA to explain their plans for a "Demonstration Village" near the Nuclear Plant site in Tishomingo County, great concern and frustration was expressed by practically every one of the 80 or more people present regarding the hiring practices being exercised by TVA in filling the hundreds of available jobs at the plant site, especially the "laborers" jobs. It is from these jobs that most, if not all, of the young people will be selected for the Apprenticeship Training Program. This program is designed to pay these young people to work with skilled craftsmen and attend classes after work so as to learn a trade or craft. This training program is highly desired and needed by many of our young people in this area.

After lengthy talks with TVA employment personnel concerning these laborers jobs and apprenticeship program, it appears that one group of people, our young males, or men, between the ages of 18 and 25 years old, are practically excluded from jobs by TVA's hiring guidelines and rules, especially those from within 50 miles of the plant site, which TVA refers to as the "commuting area" of employment.

This simply means that our young men who have graduated from high school, as well as future graduates, and who have taken further training in our trade schools, vocational schools and colleges and many who have already satisfactorily proven their qualifications by taking the General Aptitude Test requested by TVA, are to be denied the opportunity of a job or training program.

Instead, these jobs and the training program will be filled mostly by people from distant localities and who are less educated, less desirable and less qualified than are hundreds of our own young men. This in spite of the fact that TVA held public meetings here to request our support for the location and construction of the Nuclear Plant in this area, and in order to gain our support they assured us that local people would be considered first in filling the hundreds of jobs to be made available.

Apparently they have deliberately misled and deceived us through false promises, half truths and untruths in hitting us in our softest spot, our youth. Now that we are aware of their actions and intentions, I feel that we must all unite in a common effort to see that they are held accountable. And only through a united effort involving all who have any interest in or obligations to our youth can we hope to accomplish our desire to see that our youth have an opportunity for training and jobs in their own community and state if they so desire.

My wife, Kathleen, and I were informed that many groups hold preference over our youth due to quotas or goals and preferences extended to almost every group except our local young men and all of these groups are represented or have representation while these young men have no one to support and encourage them in their efforts to achieve equal employment opportunity. We were told that preference is extended to veterans, minorities, people over 40 years of age, underprivileged, females, and handicapped and former TVA employees.

I have it on good authority that this Demonstration Village, including such fine facilities as swimming pools, beaches, playgrounds, boat docks and many other recreational facilities, which they propose to build on the lakes in one of the most desirable and beautiful locations in this area, is for the purpose of providing housing for primarily trainees for the apprenticeship program, most of whom will be from other areas of the country, such as Memphis, and who will be mostly uneducated and untrained young people from the minority groups. They are to be brought in here by the hundreds over a period of several years and an attempt will be made by TVA to educate them and train them, while paying them to work, in order to try to qualify them for the apprenticeship training program. All of this will be paid for from our tax money and from monies obtained by increases in our electrical rates.

I feel that our politicians from the local level to the Federal level, who represent the people in the area, should become involved and provide us with leadership and know-how if they are at all interested in our local youth. As our representatives in political affairs, this is an excellent opportunity for them to exhibit their appreciation and support for all of our youth, parents, friends and relatives in return for the support which they have solicited and enjoyed throughout the years past.

I understand that TVA officials have met and discussed this situation with our Tishomingo County Board of Supervisors and with the Iuka Rotary Club. I am sure that the TVA personnel carefully avoided any direct discussion as to their hiring practices concerning the laborers jobs and the closely related Apprenticeship Training Program.

I strongly urge all who are interested in our local youth to contact your political representatives such as our legislators in Washington, as well as our highest state officials, and also local officials and ask for their full support, advice and assistance.

We discussed with TVA personnel the possibility of their calling another public meeting here to discuss the subject of their hiring practices openly, honestly and fully with the concerned people, but thus far they have exhibited little or no interest. Is this an illustration of how little interest they have in the local people and our desires and rights?

Three new ministers were assigned to the county at the recent session of the North Mississippi Conference of the United Methodist Church, which met at Greenville last week.

The Rev. Dudley Brown has been assigned to Iuka United Methodist Church. He and his family will move to Iuka June 15, which is moving day for the annual conference. Rev. Brown is originally from Vaiden, Miss., and graduated from Winona High School. He earned his BA degree from Millsaps College, majoring in psychology and attended Emory University where he earned the Master of Divinity degree. He has served Tie Plant, Walnut, Guntown, Shannon, Shelby and St. Luke Church in Cleveland, Miss.

Mrs. Brown, a native of Atlanta, holds a Media Specialist degree from Delta State University. She has been employed the past two years as children's librarian for the Bolivar County Librarian System. They have four children: Jim, 19, who is presently at Delta State and plans to enlist in the Air Force some time in the future; Andy and Mark, 16; and Ana, who is 15.

Rev. Rowland Hyde will be moving to the South Circuit of the Iuka Parish. Bro. and Mrs. Hyde have three children. Two that are mar-

ried, and one which lives at home. Bro. Hyde has served the United Methodist Church for some 24 years.

Prior to that he served as associate for the Iuka Parish for one year. Rev. Blackman is no newcomer to the ministry having served as a pastor in the General Baptist Church before becoming a United Methodist Minister.

Rev. Blackman lives at Eastport where he is owner and operator of the Eastport Marina. Even at that he is able to devote a large amount of time to his work as a pastor.

Joining Rev. Blackman in his work is his wife, Joan, and their four children, Rosella, Denean, Jeanette, and Paul.

### Funds Approved

Representative Jamie Whitten's office notified the Iuka Special Municipal Separate School District that funds were approved and were being sent to the school from the Department of Health, Education and Welfare under Title I of Public Law 81-974. These funds were granted to the school for the purpose of assisting with the educational costs of pupils who reside on federal property and of pupils who reside with a parent employed on federal property or of pupils who reside with a parent on active duty in the "uniformed services".

Dr. Jerry C. Stone, Superintendent of Iuka Schools, stated he "would like to publicly thank Congressman Whitten for his help in our acquiring these funds."

#### LOCAL ENTRY WINS NATIONAL AWARD

Mrs. Audie Mae Hooper, of the Allsboro Community, has been awarded a finalist medal in the Great Quilts of America Contest. The award-winning quilt, designed and created by Mrs. Hooper, was one of nearly 10,000 entries that were received in the competition sponsored by the U. S. Historical Society, Good Housekeeping and the Museum of American Folk Art. Mrs. Jinny Beyer, of Fairfax, Va., won the national award with her Ray of Light Medallion quilt. "This was the largest quilt contest ever conducted in the world," said Robert Kline, president of

the U. S. Historical Society. "Both the quality and the quantity of the entries was far greater than we anticipated, and they demonstrated the ingenuity, skill and diligence of many talented people." One of her daughters first told Mrs. Hooper about the contest after seeing it announced in Good Housekeeping magazine. Mrs. Hooper entered and was later contacted by the judging committee to mail her quilt to New York for final judging. The contest took place last fall and when her quilt was returned in November, she says, "That was the last I heard from it until I got the letter in April that I was one

of the winners." Mrs. Hooper, now 78, first began making quilts the year she married, 1916. "I quilted two quilts that first winter and I guess I've quilted from two to nine quilts nearly every year since then." "I wouldn't even start to count how many quilts Mama has made in all," remarked Zora Lee Nunley, of Muscle Shoals, one of Mrs. Hooper's ten children. "I have given quilts to all 23 of my grandchildren and all of my children. I've got three boys and I gave them all six quilts each when they got married." The quilts entered in the contest were judged on overall beauty and

attractiveness, design interpretation, color selection and combination, appropriateness of materials used, quilting technique and workmanship and originality of design and interpretation. Proud of her winning medal, Mrs. Hooper says, "I am going to have it made into a necklace." Asked if she plans to continue making quilts, Mrs. Hooper says, "I guess I will, I've made six since March 29th. I guess I average making a quilt a week." Mrs. Hooper does all the work on the quilts herself, and does not use a machine. "I'd rather make them by hand."

variation should be deep enough to destroy grass and weeds but still leave the row in shape for effective application of post-emergence chemicals. You should use a rotary hoe to break crust and help get stands that may have to be replanted without it.

#### Pasture Weed Control:

Broadleaf weeds take up space, use fertilizer and moisture, and are low quality grazing. Cattlemen cannot allow these pests to continue to increase in pastures. You should spray grass pastures with 2,4-D, dicamba or a combination of these materials. Forcypressweed and horsenettle, a herbicide containing dicamba will be needed. Good coverage is important; use 10 to 20 gallons of spray mix per acre.

#### Control Garden Insects:

Don't let bugs harvest your garden crops. You should examine your garden each week to keep ahead of garden insect pests. If you find harmful insects, use an insecticide recommended for the kind of insects you have. When using insecticides, check labels and apply materials only to those vegetables crops listed.

#### Farmweek:

The June 19 feature segment of the "Farmweek" program will focus on the truck farming operation of Joyce Paulk of Tupelo. The 73-year-old gardener has a half acre plot in his back yard in the middle of Tupelo and grows everything from tomatoes to figs and grapes. Lee County Agent Charles Twitty will discuss Paulk's special farming operation.

The June 26 program will take you to the Mississippi Agricultural and Forestry Experiment Station at Pontotoc for a look at cattle implanting. Farmweek host Bruce Johnson will talk with Extension Area Livestock Specialist Joe Baker and Experiment Station Director Butch Withers about research being done on implanting day-old calves. The group will also discuss total cattle management and how implanting can help. Farmweek can be seen each Monday night at 7:30

and the following Tuesday morning at 7:30.

### Miss Nellie Horton's HOME ECONOMIST'S NOTES

#### FREEZING FRUITS

Homemakers need to follow the recommended method for freezing fruits.

Most fruits can be frozen satisfactorily, but the quality of the frozen product will vary with the kind of fruit, stage of maturity, and type of pack.

1. Select firm, evenly ripe fruit of the right variety for freezing. Freeze fruit that has a good flavor and color and is at peak ripeness for eating. Freezing won't improve quality of fruit. Immature fruit becomes pale and tasteless in the freezer; overripe fruit turns dark.

2. Most fruits are best when frozen soon after they are harvested. Peaches and pears may be held a short time to ripen.

3. Wash fruit in cold water before hulling or paring. Wash a small amount at one time to prevent bruising. Don't let fruit soak in water. Prepare as for serving. Use a stainless steel knife for paring or cutting. Work quickly. Slice fruit directly into the carton containing syrup or add sugar at once to the fruit.

4. Fruits packed with dry sugar or sugar syrup usually retain their color, flavor, and texture better than those packed without sugar. The amount of sugar or syrup used depends on sweetness desired. Juicy fruits will make their own syrup when combined with dry sugar. A syrup may be preferable for less juicy fruits.

5. Some fruits darken during freezing unless treated to retard browning. Speed is important in preparing fruit for freezing. Ascorbic acid (vitamin C) is effective in preserving color and flavor of fruit and adds nutritive value. It also adds to the expense of freezing fruits. Crystal-

line or powdered form of ascorbic acid is easier and better to use than tablets. Dissolve ascorbic acid in a little cold water and add to the fruit or syrup. Solutions should be made up as needed. If you use one of the ascorbic acid mixtures on the market, follow the manufacturer's directions.

Steaming a few minutes before packing is enough to control the darkening of some fruits, such as apples.

You can use citric acid or lemon juice on some fruits, but it is less effective than ascorbic acid and changes the flavor of the fruit.

6. Use a package that protects the quality of the fruit while in storage. Select the size container according to your planned use of the fruit.

7. Leave head space in container as directed for each fruit.

8. Seal. Label with name of fruit; date; purpose for which fruit is intended, such as pie, jam, or dessert; and amount of sugar used in pack.

9. Freeze at once. Place packages against freezing plates or coils. Leave space between packages so air can circulate freely.

Before you leave home for vacation, turn your house turning off or unplugging electrical conveniences that won't be needed while you're away.

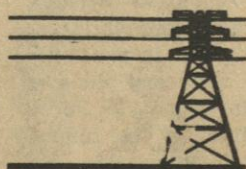

Your air conditioner, your electric water heater, and unnecessary lights should all be turned off or disconnected. You could even set up the thermostats a few degrees in your refrigerator and freezer.

Turn off or unplug everything you can think of that might use electricity while you're gone and be turned on by the savings when you return.

Don't be disappointed, though, if half your savings appears on one bill and half on another. It'll be there just the same.

## The Bible Speaks

By: Rex Buford

"THE GIFT OF TIME"

The gift of time is given to every man by God. Some day man shall stand before God and give an account of the way time has been used on earth. At judgment each will give a report of his stewardship of this valuable commodity.

Time, indeed, is a sacred gift, and each day is a little lie. Benjamin Franklin has said, "Dost thou love life? then do not squander time, for that is the stuff life is made of."

No man can kill time without injuring eternity, for time is the highway on which man takes his journey to eternity. The tendency to waste or kill time is so universal as to deserve man's best efforts to correct.

Greatness springs from the wise use of time. The value of time is truly judged in quality instead of quantity. "All the days of Methuselah were nine hundred and sixty-nine years," yet the only other thing said about him is, "and he died" (Gen. 5:27). Christ lived less than thirty-four years, and his life changed the entire world.

Time cannot be bought, borrowed, stored up or relived. It must be used as it is received. Paul impressed the Ephesians with the wise use of time when he wrote, "Look carefully then how you walk, not as unwise men but as wise, making the most of the time..." (Eph. 5:15, 16). Chief Justice Oliver Wendell Holmes was asked, on his ninetieth birthday anniversary, how he would spend his life if he had it to live over. He replied, "one day at a

time."

To insure sharing eternity with others one must share time with them in this life on behalf of Christ. The presentation of a gospel tract, a personal invitation, a tendered to others to hear God's word, and the willingness to share Christ with the lost, is indeed a Christian's response to God for the valuable gift of time.

## ASC Farm News

By: Henry L. Knox,  
County Executive Director  
FARMERS HELP DETER-  
MINE STORAGE CAPACITY  
Producers are currently  
participating in a survey  
which will help determine  
the amount of storage space  
on farms in Tishomingo

County. The survey is be-  
ing conducted by the Agri-  
cultural Stabilization and  
Conservation Service, Avon  
South, an official of the  
agency, said the information  
is needed to determine whe-  
ther sufficient storage space  
is available for the 1978  
harvest and also for the  
grain reserve program.  
Questionnaires requesting  
storage data have been mail-  
ed to all farm operators.  
"Most farmers have re-  
sponded favorably to the re-  
quest, and about 10 percent  
of them have answered the  
questions and returned the  
form," South said. ASCS  
loaned money to farmers to

construct more than half a  
billion bushels of storage  
capacity last year. How-  
ever, there is limited knowl-  
edge of how much space  
existed before, or how much  
has been built on farms th-  
rough private financing, he  
expl. "We are not  
interested in knowing how  
many bins any individual  
farmer has; but we do need  
to know how many bushels  
can be stored on the farms,"  
South said. The data will  
be used strictly for the pur-  
pose for which it is intend-  
ed, and any records identi-  
fying an individual farmer  
will be destroyed, the ASCS  
official said. A large 1978  
crop could place consider-

able pressure on storage  
facilities, particularly in  
areas where tight storage  
conditions existed last fall.  
"With this information, we  
will attempt to find out  
where the handling and stor-  
age problems could show  
up during harvest," Com-  
mercial facilities are being  
surveyed by ASCS and the  
Economics, Statistics and  
Cooperatives Service.

## St. Paul's Lutheran Church Was Scene Of Wilemon - Bussman Vows

The candlelit sanctuary of St. Paul's Lutheran Church in Cullman, Alabama, was the setting for the exchange of wedding vows during which Miss Marilyn Glen Wilemon became the bride of Stephen Paul Bussman on June 3, 1978, at 4 o'clock. The bride is the daughter of Mr. and Mrs. Claude Wilemon, of Northeast Mississippi. The groom is the son of Mrs. Shirley Bussman, Cullman, Ala., and Mr. Theodore P. Bussman, Harlingen, Texas.

A program of nuptial music was presented by Mrs. Peter Kirby, organist, and Mr. David Tanner, soloist.

The bride, given in marriage by her father, Mr. Claude Wilemon, was a picture of poise and loveliness. She wore a gown of organza and chantilly lace. The lifted bodice was of lace and featured an illusion cameo yoke outlined in lace appliques and embroidered in pearls. The full lace sleeves were fastened at the wrist with deep cuffs. The organza skirt was enhanced with a lace overlay and extended into a chapel train. Her full length mantilla was bordered in scalloped lace to match her gown. She carried a nosegay of white daisies, yellow roses and baby's breath.

Ms. Joy Lambert Phillips, of Holly Springs, Miss., served as matron of honor. Bridesmaids were Katrina Shalon Wilemon, sister of the bride, Gaylene Ruth Wilemon, sister of the bride, and Rebecca Lynn Bussman, sister of the groom. They wore full length gowns of yellow dotted swiss, designed with full gathered ruffle at the neckline. Each carried hand bouquets of yellow and white daisies.

Mark Bussman, brother of the groom, served as best man. Groomsmen were Paul Bussman, brother of the groom, Woody Sanderson, of Harvest, Ala., and Greg Chambers, Cullman, Ala.

David Bussman, brother of the groom, served as candlelighter.

A reception was held at St. Paul Auditorium immediately following the service. Presiding at the registration table was Linda K. Smith. Those serving at the bride's table were Cathrine Johnson, Tina Hammon, and Jan Huggens. Presiding at the groom's table was Julie Christenson and Nena Wilemon.

Following a wedding trip to Tennessee, the couple will reside in Tuscaloosa, Ala.

## Tishomingo News

The retired teachers of Tishomingo County met at the State Park Friday for their quarterly meeting and reported a good time and plenty of food.

The Homemakers Club in Tishomingo meets each third Thursday at 2 p.m. This week the group will meet in the home of Mrs. Gladys Bickerstaff.

Bible School at Highland last week enrolled 68 pupils with an average attendance of 58. Everyone enjoyed the commencement on Sunday at 5:30. Several children made professions of faith during the school. Two girls joined during the Sunday morning service.

Bro. Donnie Payne, Blue Springs, is serving as pastor at Highland until the church calls a pastor. Bro. Payne and his wife had lunch with Inez McAnally and Ollie Nix Sunday.

Mr. and Mrs. Jackie Pennington, of Bruce, are the proud parents of a new baby boy born June 6th. He has been named Jack Bradley Pennington, Sr., and will be called Bradley. He has a two year old sister, Brandy. Grandparents are Mr. and Mrs. Jack Pennington, Tishomingo, and Mr. and Mrs. Shultz, of Pennsylvania.

Mr. and Mrs. James Nix, of Tri-Cities, spent Sunday with her mother, Mrs. Eula

Carr.

Friends of Marcus Flurry will be happy to know he is back in Tri-Cities after a long stay in University Hospital in Birmingham, where he had serious surgery several weeks ago. He is improving and the doctors think he is doing as well as he can. We know he is very happy to be alive and may he continue to improve.

Mr. Cecil Hutcheson is a sick man that we should all remember in prayer daily. Also, Mr. Leonard Rushing,

who is now back home after weeks in Baptist Hospital in Memphis.

Lon Pennington had a stroke early Sunday morning and was carried to the Tishomingo County Hospital, then transferred on to a Florence hospital for further test.

Mr. and Mrs. Hoyt Phillips are in Jackson visiting her sister, Helen Neyland, for a few days.

Earl McDougal is a very sick patient in Tishomingo County Hospital.

Mr. and Mrs. Turner Blissit, from Little Rock, Ark., have been recent visitors of Luvera and Gertrude Blissit.

Mr. and Mrs. Billy Mack Parrish spent the weekend with his mother, Mrs. Ollie Parrish, Tishomingo.

Rev. W. T. Dexter is preaching in the revival at Dennis Methodist Church this week, and Bro. Jim Wade is directing the singing. We know they have a good preacher and singer. We hope there will be great results.

Mrs. Nova Wade has taken over Mrs. Montgomery's business, formerly managed by Lonette Southward. She would like to have people come by and trade with her. She has different kinds of flowers and garden plants, shoes, flower arrangements for the home or for funerals, etc. Stop by in passing. This business is across from the Geraldine Byram Store.

Bobby Wade, Tupelo, was in Tishomingo visiting his parents for the weekend.

## Allsboro Presbyterian Church Scene Of Bishop-Mangum Vows

Mr. and Mrs. Luther Olen Bishop, Jr., of Cherokee, Alabama, announce the marriage of their daughter, Patti Juanita, to George Samuel Mangum, son of Mr. and Mrs. James William (Bill) Mangum, of Florence, Alabama.

The couple exchanged vows at 7:00 in the evening on Saturday, June 10, at the Allsboro Cumberland Presbyterian Church in Allsboro. The Rev. J. B. Burns officiated at the double ring ceremony. The bride was given in marriage by her father, Mr. Joel Raney, of Florence, presented the nuptial music. Soloists were John Ford, of Muscle Shoals, uncle of the bride, and Carol Ann Dean, of Huntsville.

The bride chose a gown of candlelight chantilly lace posed over taffeta. The fitted bodice featured a scoop neckline etched with double rows of cluny lace ruffles. The bouffant skirt swept to the back forming a cathedral train that terminated in a deep flounce of ruffles. The bride's chapel length veil of illusion and cluny lace fell from a camelot cap. She carried an arm bouquet of six long-stem roses surrounded by ribbon and baby's breath.

Mrs. Bruce Morgan, of Cherokee, sister of the bride, served as matron of

honor. Other bride's matrons included Mrs. Buddy Keeton, Cherokee, and Mrs. Bob Lomenick, of Memphis. The bride's maids were Miss Caroline Mangum, of Florence, sister of the groom, Miss Dale Waldrep, Miss Mary Lou Moore, and Miss Melynda Taylor, all from Cherokee, cousins of the bride. Also, Miss Lavana Higgins, of Athens, Miss Becky Uffelman, of Huntsville, and Miss Connie Covington, of Town Creek.

All bridal attendants were identically attired in a formal length gown of yellow quiana knit and chiffon featuring empire waistlines and double spaghetti straps. The full flowing skirts fell to the floor in accordin pleats. Caplets of matching chiffon were featured. Each carried a long stem yellow rose surrounded by baby's breath in her hair.

Serving as best man was Bill Mangum, father of the groom. The ushers were Jim Mangum, Florence, brother of the groom, Luther Bishop, Cherokee, brother of the bride, and Bruce Morgan, Cherokee, Fred Lolly, Muscle Shoals, Dale Balew, Starkville, Robert Mullins, Kenneth Davis, Barry Wade and Johnny Mitchell, all of Florence.

The flower girls were Amy Jo Bishop and Angela

Bolding, both of Cherokee. Serving as ring bearers were John Pickens, of Hartselle, Ala., and John Hayes, of Cherokee. Lighting the candles were Greg Bishop and Kelvin Burns, of Cherokee, and Grant Williams, of Auburn. The aisle cloth was placed by Kendrick Burns and Danny Taylor, both of Cherokee. Before the ceremony programs were given out by Paul Pickens, of Hartselle, and Bobby Taylor, Cherokee. Marla Roby, of Atlanta, and Traci Bishop, of Hartselle, handed out scrolls.

The bride's mother chose a formal length gown of pale yellow quiana knit. The neckline was scooped in the front and back and it fell from the waist in accordin pleats. The groom's mother selected a formal length chiffon gown of mint green. The sleeves were full accordin pleats and pearls accented the neck and empire waistline. Each mother carried a small clutch bag with an orchid corsage accenting it.

Immediately following the ceremony a bridal dinner and reception was held in the fellowship hall of the church. Miss Kathy Bishop, of Cherokee, attended the guest book. All of the guests enjoyed a dinner of barbecue and country ham and many other delicacies.

Friends served punch and wedding cake. Satin rice bags were handed out by

Robin Hayes, Cherokee, Mary Lyn Bishop, Tusculumbia, Janie Sue Harris, Leighton, and Julie Johnson, Hartselle.

For travel the bride selected a multicolored pastel dress of cotton. It featured a v-neck and ruffled hem. After a Caribbean cruise, the couple will make their home in Florence.

**JOSHUA STRICKLAND**, son of Mr. and Mrs. Bobby Strickland, of North Crossroads, will celebrate his second birthday on June 17. Joshua has two older brothers, John and Terry. He is the grandson of Mr. and Mrs. Hammer Arnold and Mrs. Mattie Bell Strickland.

**FRED'S IN IUKA** has a new manager. He is Toney Mobley. Toney was the assistant manager in Iuka and recently was promoted to manager. He has been working with Fred's for 3 years. Toney and his wife, Amanda, have two children: Jessica, age 4; and Dana, who is 12 months. In his spare time, Toney enjoys tennis and baseball. His hometown is Cherokee, Ala. ### Holts Spur

Our deepest sympathy  
goes to the family of Mr.  
Ray Davis, who was killed  
Wednesday, May 31, in a  
tractor-auto accident just  
three miles from his home  
in this community.

Bro. Edward Stacy, of  
Marietta, Miss., brought the  
11:00 message at Rowland  
Mills Sunday, June 4, and  
also the evening message  
on Sunday, June 11. The  
pastor, Bro. Franky Smith,  
is holding a revival at Zion  
Church in Fulton this week.

Mike Stacy, son of Mrs.  
Jonnie Plunk, is visiting his  
sister, Mrs. Jeanie Stacy  
Huff, of Jacksonville, Fla.  
Mrs. Minnie Stricklin  
visited Mr. and Mrs. L. O.  
Stidham, Mrs. Iness Pol-

lard and Mrs. Bertha Frye  
on Friday.

Luther Pruitt was dismis-  
sed Friday from Eliza Coffee  
Memorial Hospital at  
Florence. He is at his  
home in Burnsville.

Revival begins at Row-  
land Mills Baptist Sunday,  
July 2. Bro. C. I. Puckett,  
of Tupelo, will be the evan-  
gelist.

Films will be shown at  
Rowland Mills on Sunday  
evening at 6:00, June 18,  
by Miss Marilyn Sims. The  
films were taken in Colum-  
bia, South America, where  
she worked for two years.  
That part of the service will  
last about 20 minutes and  
the regular preaching will  
follow.

Mrs. Mamie Timbes  
visited her sister, Mrs.  
Minnie Stricklin, one day  
last week.

Randell Wright was in a  
serious accident while rid-  
ing a motorcycle in Flo-  
rence, Ala. He was hit by  
a car which failed to stop  
at a red light. The man  
was a hit and run driver,  
but was caught later. Ran-  
dell, who suffered a broken  
wrist, was unconscious for  
a few days. He is married  
to the former Elizabeth Gray  
and they have three children.  
His condition has improved  
but he is still in Coffee  
Memorial Hospital in Flo-  
rence.

On Sunday, June 4, Rev.  
and Mrs. Franky Smith, Sam  
Stuart and Mrs. Thelma  
Gray were dinner guests of  
Mr. and Mrs. Guy Watkins.  
Rev. and Mrs. Franky  
Smith, Mr. and Mrs. Leander  
Kennedy and Mrs. Bula  
Watkins had dinner with  
Mrs. Thelma Gray on Sun-  
day, June 11.

Mrs. Inez Bryant is a  
patient in the Tishomingo  
County Hospital.  
The attendance was good  
at the ordination services  
for two deacons at Rowland  
Mills Sunday, June 4. There  
were several deacons and  
preachers from other  
churches, who helped in or-  
daining O. L. Robinson and  
Jack Gray.

We were sorry to read  
that the historic I.C. (Ill-  
inois Central) depot in Cor-  
inth was destroyed by fire  
last Wednesday night. It  
was built in 1906 on East  
Main Street. Years ago

people of this community  
would ride the "dood",  
a small passenger train, to  
Corinth to do their shop-  
ping. That was before there  
were any cars.

This writer remembers  
her first trip to Corinth on  
that train. It was about  
1911 when her great-grand-  
mother, Mrs. Betty Whit-  
field, took me with her on

business at the bank to Cor-  
inth. When we got off the  
train Mrs. Whitfield got a  
taxi up town. It was horse  
drawn, driven by a Mr.  
Sharp. I was very happy  
in that cab (my first one)  
when we came back to the  
depot we went into the I.C.  
Cafe and ate. My grand-  
mother let me drink cof-  
fee.

## Dance Club Organized

Square Dancing is fun set to music. It was revived in the west as Christian fellowship and recreation. Even today 80% of the clubs meet in churches and the rest in schools and recreation centers.

Everyone can Square Dance; all ages and from every walk of life. They meet on a common ground, the Square Dance floor and enjoy the recreation, exercise, and fellowship that this activity can afford.

The club being formed in Iuka will offer good clean family fun. The club will meet every Friday night at the Iuka Head Start Gym across from the Ronnie King Baseball Field. It will begin at 7:30 p.m. and end at 10 p.m. No alcoholic beverages are permitted and you are requested not to partake of any form of alcoholic beverage prior to the club meeting.

Aaron Nelson, from Cherokee, will be teaching a class for those who want to learn. Donald Sanderson will be calling for the experienced dancers between the learning sessions.

Both of these callers must practice constantly for calling the tips is not a simple exercise. Square Dancing is like acrobatics - it requires perfect timing interwoven with the ability to put the body at the precise location; otherwise just as the acrobat misses the moving ring, so will the dancer miss his moving partner. The caller must call one move after the other from the top of his head as he watches the dancers to make sure they are not falling behind his commands. Com-

bined with that, he must sing the patter out in time to the music.

The club will operate under the guidance of a Board of Directors with a slate of officers.

Everyone interested come on by Friday night, watch the activities, put your foot in time to the music, and you will be drawn to join the dancers on the floor.

If you have any questions call 423-9270.

## Iuka Library

The second Summer Reading and Fun Program for children in grades 1-6 will be this afternoon from 2:00 to 3:00 at the Iuka Public Library. Seventeen children attended the program last Thursday. It is not too late to enroll for the program, which extends through July 13. To earn a certificate a child must read at least 10 books and attend at least 3 of the special Thursday programs during the six week period.

Friday, June 16, from 10 a.m. - 11 a.m. there will be a story hour for children ages 4 - 8. Mrs. Tony Gaines will be the storyteller for this week.

Beginning next week a children's film will be shown at the library each week on Tuesday from 10:30 a.m. - 12:00 through August 8. This program is sponsored by Ms. Cathy Cadden, Recreational Developer for Yellow Creek Watershed Authority. See the write-up in this paper for complete details.

## SUFFERING NEEDLESSLY TRY 'CHIROPRACTIC'

SPASTIC COLON

A rather common complaint of upper middle-aged people is "spastic colon" - a severe cramping in the lower intestine. Along with the pain, there is usually diarrhea. Among the contributing factors are aspirin, medications, antibiotics, laxatives, sweets, and too coarse roughage in the diet. Paramount to the problem is a vertebra out of position, reducing the nerve supply to the whole intestinal tract.

It goes without saying that there are years of impaired function and associated health problems before this shows up.

While drinking hot water and changing the diet may alleviate the problem, such measures do not remove the CAUSE of the gradual debility of the whole mess. Your family Chiropractor is trained to find and reverse the CAUSE of the problem.

The next time you see a friend with "spastic colon" (or some health problem which may eventually contribute to it), advise them to see your family Chiropractor. Advise them that just as it took years for the problem to develop, Nature needs time for healing.

Presented in public interested for better health, Mississippi Society of Chiropractic District I.

## Ms. Sweeney Receives Degree

Lynn T. Sweeney, of Iuka, was among 385 graduating students honored at the June Honors Convocation at The University of Alabama in Birmingham's School of Public and Allied Health (SPA). The ceremony re- cognized those students who completed their degree re- quirements in the 1977-78 fall, winter, and spring quarters.

Ms. Sweeney earned a B.S. degree from SPAH's med- ical record administration program. She is the daugh- ter of Mr. and Mrs. Jack Thorne, of Iuka.

The director of govern- mental affairs from Amtrak, retired U.S.A.F. Col. Karl D. Matthews, spoke to the graduates and their fami- lies on humanism in the health professions. SPAH Dean Keith D. Blayney pre- sented the awards.

### LETTERS TO THE EDITOR

Dear Editor:  
Well, Bill Waller finally had it put to him in no un- certain terms, in a language that even HE should be able to understand - that his "political career", so called, has come to a crash- ing halt! Of course, I can only voice my own opinion, but it would seem to me that Cliff Finch, for one simple reason (and to ME that one reason is sufficient) he should pull in his horns and forget the pseudo "work-days", that so ob- viously gained him his pre- sent status.

Understand, I am NOT campaigning for Maurice Dantin - rather, I am op- posed to Finch, for the fact, that SHOULD he win, Evelyn Gandy will automatically be- come Governor of Missis- sippi! She was a wonder- ful tax, or insurance com- missioner - But - Governor of Mississippi? Not if my vote will have any impact!

## Tishomingo LIBRARY NEWS

We had several children come to the Fun Hour last week but we have room for more. Mary Ann will be back from 12 to 1 this Thu- rsday to entertain children 6 thru 14. Come if you can. We think you will enjoy it, and last week she brought us some new children's books. You'll surely want to read some of them.

Miss Rodman didn't for- get you adults either. Here are some of the new books she brought: "Lament for a Lost Lover" by Philippa Carr, "Storm Before Dawn" by Fred J. Cook, "Saman- thia" by Angelica Aimes, "Lifelines" by Lynn Caine,

"In Someone's Shadow" by Rod McKuen, "Aristotle Onassis" by Nicholas Fra- ser, "A Tour Guide to the Civil War" by Alice H. Cromie, "Seven Schools of Yo- ga", "Foxfire 4" and "The Southern Junior League Cook Book".

MRS. MARY FREDERICK, an employee of Tishomingo Shoe Company for 20 years, recently received a \$250 check for her suggestions to the Company. Jimmy Trussell, personnel man- ager, is shown presenting the check to Mrs. Fred- erick.
