NINETY- XTH YEAR

IUKA, TISHOMINGO COUNTY, MISSISSIPPI

THURSDAY, JUNE 28, 1979 NO. 1

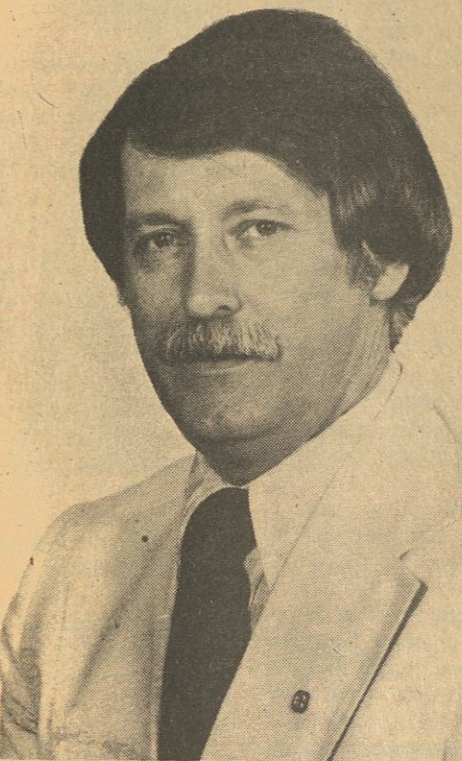

Funeral Services Held Sunday For Grady Counce

Jack Grady Counce, 80, retired auto dealer, died Saturday, June 23, at Baptist Hospital in Memphis. Services were at 4:00 p.m. Sunday, June 24, at Center Hill Baptist Church near Selmer, Tennessee. Burial was in the church cemetery. Shackleford Funeral Home of Selmer was in charge of the arrangements.

Mr. Counce was a former resident and businessman

of Iuka. He was owner of an International Truck and Tractor and Chrysler and Plymouth dealerships in Iuka in the 1940's. At the time of his death, Mr. Counce owned a trailer park in Iuka. He had moved to Corinth about four years ago.

He leaves his wife, Mrs. Tennie Counce; a daughter, Mrs. P. J. Maxedon, of Selmer; and a son, Norvel Counce, of Corinth.

James J. Kirk Seeks Re-Election For Justice Court Judge

James J. Kirk formally announces his candidacy for re-election to the office of Justice Court Judge, District One, in the up-coming August 7, primary:

I would like to take this opportunity to announce my candidacy for Justice Court Judge, District I, of Tishomingo County, Mississippi. I am James J. (Jim) Kirk. I am 44 years of age and have been a resident of Tishomingo County all but 7 of these years, which I spent in Michigan.

I have been your Justice Court Judge for the past 1 1/2 years and have truly enjoyed working for you. During this period, I have attended Judicial School in Oxford, Mississippi (1975), American Academy of Judicial Education in Boulder, Colorado (1976), a Judicial Seminar in Meridian, Mississippi (1977), and a Judicial Seminar in Jackson, Mississippi (1978) where I was elected to the Board of Directors of the Mississippi Justice Court Judge Association for 1978-79. I have attended these schools to broaden my education in judicial law, so that I may serve you to the best of my ability. I work closely with the Millsaps School for DWI's in Booneville, Mississippi and here in Iuka, I helped pilot a program for alcohol and drug abuse at the Timber Hills Mental Health Center. There are approximately 14 now attending class twice a week and a number who have successfully completed this program.

In the past, the Justice Court Judge Office has been taken rather lightly. With the changing of the name from Justice of the Peace to Justice Court Judge we have also made changes to upgrade and dignify this position in office. Approximately 4100 cases have been brought before me during my term in office, and I have tried to be fair and firm in dealing with each one of these. A great number of these were Breaking and Entering, Grand Larceny and Petty Larceny, with which I have shown little or no mercy. It is my opinion that the homes and possessions of each individual in the 1st District deserve to be protected from the lawless. The powers of this office are staggering and therefore, must not be taken lightly.

I maintain a full-time office at 1105 West Quitman to serve you, which means that I don't only work a day of 8 a.m. to 5 p.m. but make myself available to serve you 24 hours a day. We have had a tremendous growth in the 1st District in the past 4 years. In 1976 there were 1850 registered voters in the 1st District. As of this date, there are approximately 2500 registered voters in this district. With this type of growth, it is your duty to yourself and your family to elect a judge that is willing to work around the clock, 24 hours a day, if necessary, to handle any legalities that arise.

In conclusion, I would like to ask for your support and influence at the August 7 Primary. I hope to see each and every one ON or BEFORE August 7, but if I fail to do so before the election, please take this means as my personal plea to re-elect me, James J. (Jim) Kirk for your Justice Court Judge, District 1, of Tishomingo County.

Thank you.

JAMES J. KIRK

County Sales Tax Collections Up

An increase in business activities in Tishomingo county was noted in May over April with municipalities taking in a total of \$9,514.58 in sales tax collections. The figure is \$8,243.02 above the April figure, according to data released in the monthly issues of Mississippi Municipalities magazine.

A breakdown of figures for May and corresponding figures for April are: Belmont, April - \$7,835.20, May - \$9,357.75; Burnsville - \$2,965.85, May - \$4,167.21; Golden, April - \$621.01, May - \$743.72; Iuka, April - \$17,479.66, May - \$21,602.51; Paden, April - \$57.21, May - \$106.65; and Tishomingo, April - \$2,512.63, May - \$3,536.74.

W. O. (Chet) Dillard Formal Announcement For Attorney General

The people of this State will soon have the opportunity to select their Attorney for the next four years. I believe they want one who has demonstrated that he can try lawsuits in an efficient and effective manner. The man elected should have a broad base of legal experience and knowledge of State Government.

I want to give you some of my background in order to show why I believe that I am the best qualified and most experienced candidate for this office.

I have served the people of this State as a city prosecutor, district attorney, Commissioner of Public Safety and special chancery judge. I have served my profession as President of a Local Bar Association and as a State Bar Commissioner and in other capacities.

I am a student of the law and I know the profession. I respect the law and the profession. I know how to administer a state agency so as to operate within a budget and to supervise personnel.

The people of this State want a man who can make decisions on his own, based on mature judgment and the law. You can tell what a man will do in the future by what he has done in the past. In the past I have handled many difficult cases as a District Attorney and administered programs involving large sums of money as Commissioner of Public Safety. Not one time has there been a charge of misconduct or that any funds were mis-spent or wrongfully used.

If elected the door to the office of Attorney General will be open to you to discuss the problems of our State. The office will be held in trust for you and lengthy and expensive litigation will be avoided where possible to save your tax dollars. We will not tolerate the violation of our criminal laws or allow funds to be misused.

For too long our State has been the whipping boy in various lawsuits we were forced to defend. We will go on the offensive - If an issue needs to be resolved we will file the suit if necessary to resolve it, rather than being sued.

As a member of the State Board of Education I will work diligently to improve the quality of education in our State. I have one son in a State University and two children in the Public School System and am vitally interested in seeing that they can compete with children from all other states.

It is essential that the Attorney General have an adequate knowledge of the law and the ability to try lawsuits. He must administer the office and supervise many employees. I submit to you that I have the qualifications, experience and ability to carry out the duties of this office in a professional manner.

I ask each of you to cast your vote for Chet Dillard for the Office of Attorney General.

THANK YOU.

Cynthia Crane Seeks 2nd District Justice Court Judge Post

TO THE VOTERS OF
THE 2ND DISTRICT:

I would like to take this opportunity to announce my candidacy for Justice Court Judge, 2nd District, Tishomingo County.

My name is Cynthia E. Crane. I am 27 years of age and have lived in the Second District for 23 years. I am married to Rickey D. Crane, who has served in this office the past 3 1/2 years, and we have two children - a daughter, Anita, and a son, Jeremy. My father and mother are Clifton and Libbie Marlar, who have lived in this community for many years.

I am a 1970 graduate of Burnsville High School and am a member of the Baptist Church. My family and I are active in church work in the community and the surrounding area.

I feel that I am the best qualified for this position, because I have been involved with the office and I know the

responsibilities and important decisions that must be made.

I meet all the requirements to run for the position and I am not influenced by any personal gain. I feel that I can best serve you by being available at all times for any problem, and with my husband's experience will be able to help with any problems in an efficient and caring manner.

The 2nd District is growing in population and with the problems of every day life, a full-time judge is needed desperately, and I have no other job obligation and will be better able to take care of situations promptly and efficiently.

I take this opportunity to appeal to you, the voters, to place your confidence in me and elect me your J.C.J. I need need the support of each and every one of you. I will not be able to come and see each of you, because of the gas situation, so I ask you to call 427-8830 if you have any questions about my candidacy. Again, I appeal to you to vote for me, because I am best qualified and will do the best job for our people with your support.

Gratefully yours,
CYNTHIA E. CRANE

Hollis Smith Announces Candidacy For Public Service Commissioner

HOLLIS SMITH

Hollis Smith, of Grenada, announces his candidacy for Public Service Commissioner for the Northern District. To the voters of the Northern District: After much consideration and encouragement, I have decided to announce my candidacy for the office of Public Service Commissioner for the Northern District in the August 7, 1979, Democratic Primary. I'm 49 years of age, born and raised in Booneville, Mississippi (Prentiss County). I've lived in Grenada for the past 22 years. I am married to the former Joyce Chaffin and have two sons, Mike and Mark. I am a graduate of Jumpertown High School. Following high school, I entered the military service and upon honorable discharge attended Northeast Mississippi Junior College and Mississippi State University. After graduation from Mississippi State, I accepted employment with the Mississippi Forestry Commission, where I have been employed the past 22 years working with the people of North Mississippi.

I'm entering the race for Public Service Commissioner because of my primary concern for the high rates on utilities and the lack of interest in the Public Service Commissioner's office. My campaign for this office will be a positive one to serve the people. The Public Service Commission has had a history of quiet service to Mississippi. I believe it is time to bring the agency forward, out of the shadows, and into the light as a consumer-oriented agency to serve the people. As Commissioner I will work for the lowest possible gas and electric rates for all Mississippians. I will pledge to work to reduce the long distance telephone rates within the state and to improve telephone service. I will work to maintain our rail system and make it safe, and work to keep our transportation rates down so that the savings can be passed on to the consumer.

As your Public Service Commissioner, I will spend full-time working for you and provide the leadership necessary to regain the confidence of the people in this important office.

Citizens Apprehend Man At Break-In

Walter D. Warren, of Corinth, has been arrested and is being held on charges of breaking and entering with bond set at \$25,000 by Justice Court Judge, Jim Kirk, according to the Tishomingo County Sheriff, Chester N. Dawson.

Sheriff Dawson reported that his department received a call on Sunday afternoon, June 24, when neighbors of the Sweet Walker residence on Coleman Park Road became suspicious of a man loading items from the residence into a pick-up truck. One of the items, a brass bedstead was later valued at about \$350.00. No one was living in the house at the time of the alleged break-in, but the house con-

tained furniture. Citizens held the man, identified as Walter D. Warren, at the scene until authorities arrived.

Some of the items found in the truck were not identified as belonging to the Walker residence. A phone call later in the day reported items had been stolen from the home of the late Sam Holland, also located on Coleman Park Road. The unidentified items were later identified as belonging to the Holland residence. Among the items stolen from the Holland residence was a motorcycle, guns and other items.

Sheriff Dawson expressed his appreciation to citizens who aided in the arrest.

July 4th Political Rally Planned For Iuka

The Iuka Lions Club will sponsor a political rally at Mineral Springs Park in Iuka on July 4, 1979. All candidates are urged to be present. Radio broadcast will be available for those candidates who desire radio time. A small charge will be made for the PA system. The festivities will begin at 9 a.m.

The public is cordially invited to enjoy a day of fun at Mineral Springs Park and visit with political candi-

ates. Refreshments will be available.

TCH Request Recommended For Approval

The Mississippi Health Systems Agency's Board of Directors met Thursday, June 21, to review project and facility health care applications. Before being presented to the MSHA Board, these applications go through various review stages from staff review and analysis - to the community level in which the application is located - to the

designated review committee. Comments and recommendations from each of these reviews are presented to the Board members as part of their deliberation.

Recommended for approval for this area was the request from Tishomingo County Hospital of Iuka for funding to replace and update existing x-ray equipment.

Car Wash For Dixie Youth

Iuka Guaranty Bank's Little League Dixie Youth Baseball Team will sponsor a car wash on Saturday, June 30, from 9 a.m. to 4 p.m. The car wash will be held beside Sunflower Grocery on Highway 25 North. All proceeds will go to the Dixie Youth.

Miss Nellie Horton's

HOME ECONOMIST'S NOTES

CLEAN-UP

Lets take pride in Tishomingo County by proper use of community garbage containers. Put your garbage in the container - not around it. Lets all work together and clean-up Tishomingo County.

WINDOW WASHING

Schedule window washing as a priority on the spring cleaning roster to rid windows of the last vestiges of winter.

Begin by taking down curtains and draperies. Stand on a sturdy chair or ladder. Shake out dust from window

coverings. If they are dirty, launder them or have them dry cleaned. Next, dust shades or blinds. Take them down and wash them, if necessary. Set aside.

Pick up dirt around window trim and on storm windows with the crevice tool attachment of the vacuum cleaner. Take out removable storm windows and set them aside. Wash frames and sills with a cloth or sponge and detergent or soap suds. Pipe cleaners, cotton swabs or an old toothbrush help clean dirt from corners and frame troughs

of combination storm windows and screens.

Use a window cleaning product or detergent or soap in warm water. Or, mix one tablespoon of ammonia in a quart of water. Pour the solution into a clean cloth wrung out in the solution.

Whatever the cleaner, use clean, dry lintless cloths or paper towels to dry windows. Or try a squeegee or windshield wiper. Hold flat against the glass and pull down. Dry the wiper after each stroke. Use crumpled newspaper to polish the glass. Use paper with lots of black ink.

CLEANING INSTRUCTIONS MAY BE REQUIRED:

Within a few months, manufacturers of home furnishings may have to comply with a revised version of the 1972 Federal Trade Commission (FTC) apparel care labeling rule. The FTC rule would make it mandatory for makers of draperies, curtains, upholstered furniture and slip-cover fabric, and linens to attach permanent care labels to their products. Carpet and rug manufacturers could provide care instructions in booklets. Although manufacturers say they are already providing care information voluntarily, consumers have complained to the FTC, especially about damage caused by incorrect dry cleaning. Failure to comply with the FTC rule could mean a fine of up to \$10,000 a day per violation.

LOW-CALORIES**Strawberry-Pineapple Parfait**

- 1 small pkg. strawberry D-Zerta gelatin
- 1/3 c. hot water
- 1 c. vanilla ice cream
- 1/2 c. unsweetened crushed pineapple, drained
- 3/4 c. unsweetened crushed strawberries, drained

Dissolve D-Zerta in hot water. Add ice cream; mix until dissolved. Add pineapple and strawberries. Refrigerate; do not freeze. Yield: 6 servings.

COUNTY AGENT'S NOTES

By Percle B. Stricklen

SILAGE HARVESTING:

Silage harvesting time is just around the corner. Now is the time to get ready. Clean out spoiled silage left in the silo so it will not spoil new silage. Some silos, particularly trench or bunker types, may need repairing to get them ready for the new crop.

Check silage equipment and get ready for harvesting. Sharpen knives, if your cut-

BASKETBALL AWARDS — Coach Noel Akins (center) congratulates award winners Malcolm Brown, of Iuka

(left) and Eddie Henderson, of Burnsville, at the close of the senior high boy's basketball camp at North-

east Junior College Friday night. Malcolm received the Best Free Throw Award, while Eddie received the Sportsmanship Award.

ter has them. If possible, have an extra set of knives ready. Check chains and other drive parts to make sure they are in good condition. Grease your harvester and have it ready. Delays can be costly not only in time lost, but also in quality lost because the crop stays in the field too long.

DIRECTED SOYBEAN SPRAYS:

Properly timed and applied herbicide sprays directed under meath soybeans usually give the best weed control. You may want to consider this type of treatment if the weeds are smaller than the beans. Soybeans usually need the first directed spray by the time they are five to six inches tall. By directing the spray at the base of the soybean plant, you can use higher rates of such herbicides as dinoseb without soybean damage. You will get better coverage than with the over-the-top applications. Always read labels before applying any herbicide.

CONTROL HEAT BUILDUP:

Heat buildup in your chicken houses can cause loss

of birds and eggs in the summer. You may not be able to completely eliminate these losses, but you can reduce them. First, cut grass and weeds around houses to allow more air movement into the building. Open all ridge vents and side curtains. Also, a properly insulated roof will lower the inside temperature as much as five degrees. Install fans in houses to move air and replace oxygen. In very hot weather, use a sprinkler system on the house to lower the inside temperature.

what made it so good.

First, the chicken or hen was grown in their own chicken yard. Mother could call the chicken and pick out the one she wanted - the morning she planned the "chicken dinner", and quicker than anything she had the chicken dressed and on the stove (wood burning) getting tender. If a young chicken, she might save the best parts and fry or if a hen the best parts went into dressing. The necks, head, wings, backs and even the feet went into the boil-

ing pot for the dumplings.

This is the way she started: sift about 4 cups plain flour into the dough pan, make a hole in the center, put a teaspoon of salt (only she didn't measure it), pour in a little water, or maybe, she would use chicken broth and with her hands, would work the water or chicken broth and flour together - Add a little

more water as she "squished" the stuff together, and when she had just about used up the flour, work the dough into a stiff ball in the remaining flour. Next, put the ball of dough onto the well floured bread board (mother's was a wide, wide smooth plank) and knead it 'til it was glossy and easy to handle. Pinch off a ball about the size of your fist, pat it flat, turn it over once or twice and then with an old timey wooden rolling pin roll it as thin as possible. One may have to pick it up a time or two and turn it over on the floured board to keep it from sticking - Now, cut in long strips, pick up and pull off about 2 inch strips and drop into the boiling chicken broth that has had the bony pieces of chicken removed and "gobs" of rich butter added. As the dumpling broth boils over a layer of dumplings, add some more strips, sprinkle black pepper over each layer, and as the dumplings take up the juice, add more boiling salted water and more butter to keep the broth rich.

While one layer of dumplings is cooking, cut out another and repeat the process until you have used all the dough. DO NOT punch the dumplings into the boiling broth, let it rise up and come over the top layers at least until they have cooked tough and are peppered. That way each layer will be uniform and tough and each gets the chicken broth and peppered taste.

Dumplings don't keep well. They need to be served immediately with plenty of the juice and the cooked chicken.

If you used the chicken

broth the dumplings were tender and soft. The we liked were the ones with the water and they compact and needed to with a fork. We like whole dumplings.

July Jubilee

July, with its thirty days, returns every year as surely as the clock off the hours. July, in honor of Julius C. who was born on the is known as our month. July, 1979, us five Sundays a month beginning on Along with it comes the "hard to get a days better known as day, as well as five days.

Another interesting about the 1979 version July is that its second day falls on the 13th month. Friday the 13th not occur again until 1980. Superstition that ill luck may Friday the 13th. The may have begun with Norsemen. Friday was to be sacred to a god and anyone who journeyed undertook a business on Friday was to dishonor her.

The day we all are with the coming of July 4th or Independence Day, the birthday of the nation. It is a legal holiday in every state in the All kinds of parades and picnics are enjoyed participated in on this day.

July 17 is known in Rico as Munoz River Day, the birthday of the served on July 24, and to Rico claims July Occupational Day.

Something Old

Do you remember how good your mother or grandmother could cook? This was back when the basic foods found in the home were: Flour (not self-rising), meal (home-grown and grist mill ground), sugar, and coffee, with some spices (not from the garden) black pepper, stick cinnamon, nutmeg and salt. From the garden they had garlic, celery seed, red pepper, onions, catnip, sage and peppermint.

Considering all of this can you think of anything better than the meal she cooked and called a chicken dinner? Recipes for this dinner were from their own way of cooking or the way it had been handed down from their mothers. I'll admit tho, they had certain techniques and maybe that's

Mills-Clark Vows To Be Spoken July 6th In Corinth

Mr. and Mrs. Lloyd C. Mills, of Corinth, wish to announce the engagement and forthcoming marriage of their daughter, Trevilla Lane, to Michael Jerry Clark, son of Mr. and Mrs. Melvin Clark, of Iuka.

Miss Mills is the granddaughter of Rosa Mills and the late Clifton Mills, of Corinth; and Mr. and Mrs. John Korb, of Landsberg, Germany.

Grandparents of the prospective groom are Mrs. Laura Jones and the late T. H. Jones, of Iuka; and the late Mr. and Mrs. Sam-

uel G. Clark, of Iuka.

The bride-elect attended Alcorn Central High School, where she was a member of the Beta Club, the Pep Club and a Student Council representative. Trevilla is a member of the Oakland Baptist Church and she is employed at ITT Telecommunications in Corinth.

The prospective groom attended Iuka High School and is presently employed at the TVA Yellow Creek Nuclear Power Plant.

Vows will be exchanged on Friday, July 6, at 7 p.m., at Oakland Baptist

Church in Corinth. A reception will follow at the church.

All friends and relatives of the couple are invited to attend.

Honored On 77th Birthday

On Sunday, June 24, Mr. Herbert Mars was honored with a surprise birthday party at his home to cele-

brate his 77th birthday.

Those present to help him celebrate were: his wife, Mrs. Virgie Mars, Mr. and Mrs. Milford Watkins and Stephanie, Mr. and Mrs. Earl Nunley, Edwina, Donna and Tracie, Mrs. Flora Aldridge, Mrs. Elsie Aldridge, Mrs. Grover Aldridge, Mrs. Homer Aldridge, Mrs. Jimmy Mars, Mr. and Mrs. Grover Morris, Mrs. Myrtle McKee, Mr. Jason Puckett, Miss Dana Smith, all of Iuka. Also present were Mrs. Floy Schaeffer, Mr. and Mrs. Johnny Haygood, of Muscle Shoals, Ala., and Miss Sherry Thomas, of Barton, Ala.

Mr. Mars received many nice gifts from all those present.

Mr. Mars would like to thank all those who helped him celebrate.

Letter To The Editor

TO THE EDITOR:

On June 30, 1979, will be another year, which makes two, since our son, Aaron Deaton, passed away, caused from an accident while crossing an unsafe bridge. Those same bridges still look unsafe and not wide enough yet. So, Please, Mr. Supervisor - don't let it be someone else's son again. Please make them more safe - and, drivers, please examine them carefully before crossing them.

Our son was still young, And memories are still there, And no matter how long, We will always still care.

Our hearts have been broken, So others might be too, If we don't keep reminding others, Of this necessity to you.

For this bottom is beautiful and rare, With honeysuckle and beauty everywhere, Make it safer - make it sound, So others will not have to be found.

HIS MOTHER

J. P. Williams Family Reunion Held At Tishomingo State Park

Tishomingo State Park - June 10 - Pavilion #3 was the place chosen for the family reunion of the late "Joe Williams". Guest of honor was Mrs. Letha Weaver Williams. Mrs. Williams has nine living children, 50 grandchildren, and 110 great-grandchildren, and 47 great-great-grandchildren.

Special tribute was given Mrs. Lillie Holloway (Williams) Newman, who was also celebrating her 70th birthday. All her children were present.

Those present as following: Edd Williams and family, Los Angeles, Calif.; Myrtle (Bray) Williams, Shafter, Calif.; James and Ivan Lee Williams, Lillie (Williams) Newman, Joe and Toolsie Smith, Bobby and Aline Williams, Giffie (Williams) Lee and Tammy, Buddy, Abbie and Jeff Williams, all of Jackson, La.; Aubrey, Ginnie, Staci, Mark and Walt Bradley, Ethel, La.; Jack Williams, Greensburg, La.; Jerry, Edith, Sebastian, and Dana Williams, Frairieville, La.; Margaret (Williams) Kenneth Wesley and Shane Dixon, Liberty, Miss.; Randy, Sheree and

Aaron Holland, Sam and Myrtle (Williams) Holland, O. T. and Linda Randolph, Michael and Paulette Hardin, Helen Kimbrell, Linda Durff and Chris, Lisa Schaner, Mark, Sandra and Jessica Holt, all of Memphis, Tenn.;

Joe, Bonnie, Natalie, Debra and Amanda Hillman, Ronnie, Linda, Veronica and Richard Williams, Millington, Tenn.; James and Mary Lon Wilkins, Selmer, Tenn.; Lessie Mae (Williams) Barlow, Hazelhurst, Miss.; David, Darlene, Adam and David Barlow, Crystal Springs, Miss.; M. C., Betty and Tommy Morgan, Artie (Williams) Stricklin, Bobby, Glenda and Jody Tytol, James and Carolyn Felks, Milton and Diane Morgan and sons, all of Rienzi, Ms.; Larry, Connie and Crystal Williams, Booneville; Edgar and Ruth Williams, of Cherokee, Ala.; James and Ann Campbell and three children, Jackie, Jane, Sabrina, Lorrie, Diava and Mark Dean, Iuka; Herman and Ruth Williams, Noma (Williams) and Alfred Holland, Bertha and Floyd Williams, Billy, Shirley, Billy Jr., and David Young, Ed-

die, Kathy and Bridget Williams, Burnsville, Miss.

Officers for the coming year are: President, Noma Holland; Secretary, Shirley Young; Treasurer, Myrtle Holland; Photographer, Helen Kimbrell.

If anyone's name was omitted, please accept our apology.

The American rabbit lives alone, occupying two or three acres that it knows well.

BIRTH

Mr. and Mrs. Eddy DePoyster are happy to announce the birth of a girl, Adrienne Jill. She was born May 24, weighing 7 lbs. 13 1/2 ozs. She was welcomed home by her two brothers, John and Zachary. Grandparents are Mr. and Mrs. Paul DePoyster, and Annie Ree Weathers and the late Roland Weathers, all of Burnsville. Great-grandparents are Odel Weathers, of Corinth, and Cleo Wright, of Booneville.

FRONT PAGE

SECOND SECTION

OFFICIAL LEGAL NEWSPAPERS OF TISHOMINGO COUNTY

To The People Of The 2nd District

I want to take this opportunity to tell each and every one of you how much I have enjoyed working for you as your Justice Court Judge the past 3 1/2 years. I appreciate your support and the voice of confidence I have had from so many of you.

Because of my job obligation with the Federal Government, I can't qualify to run for re-election, but I deeply appreciate your electing me to this office and I will continue to serve

you the remainder of my term with the same respect and fair justice to everyone who comes before the office of Justice Court Judge.

Again, I thank each of you and if there is any way I can help any of you, let me know and I will do the best of my ability, as I have always tried to do and help you any way I can.

Gratefully and Sincerely,
RICKEY D. CRANE,
JUSTICE COURT JUDGE,
SECOND DISTRICT,
TISHOMINGO COUNTY

Area Men Graduate From Louisiana Tech

BRYAN WAMSLEY

RANDY S. WHITE

Bryan Wamsley and Randy White graduated from Louisiana Tech University in May of 1979 with the degree of Bachelor of Arts in music education. They have been earning degrees together since high school. Bryan and Randy met while in the eighth grade at Burnsville High School. From that time forward their activities have included many band related opportunities. These include Mississippi State Music Camp, Mississippi State All-Star Band, Northeast Mississippi District Band, and the State Band Clinic. At some time both have received the Outstanding Bandsman award for the high school band; and, both have served as officers for the band. Other school groups were Beta Club, Who's Who, Hall of Fame, Who's Who Among American High School Students, Who's Who Among American High School Music Students, and Music Club. In May of 1975 Bryan and Randy received their high school diploma.

The following year they were found as roommates at Northeast Mississippi Junior College, Booneville, Mississippi. As "Tiger Band" members they were recipients of band scholarships for two years. While at NEMJC they were involved in musical drama productions, the Marching Band, Concert Band, Basketball Band, and chorus. In May of 1977 they received their Associate of Arts degrees.

Even the next fall they found themselves sharing an apartment with some friends from NEMJC at Louisiana Tech University, Ruston, Louisiana. The service award program of the Louisiana Tech Bands provided funds toward school costs. Bryan's major instrument is the clarinet; Randy's major instrument is the horn. At Tech they performed as members of the "Band of Pride" marching band, University Symphonic Band, Basketball Pep Band, musical drama productions, opera, civic symphony, and various chamber ensembles. They claim the honor of cum laude as graduates of Tech.

Bryan will be teaching in the Natchez School System

as a band director; and, Randy will be the band director at New Hope High School, Columbus.

Bryan is the son of Mr. and Mrs. L. A. Wamsley. Randy is the son of Mrs. Marie White and the late Clarence C. White.

NOTICE

Luka Head Football Coach Bobby Bigham announces the weight training for all football players will be held on Tuesdays and Thursdays beginning Tuesday, July 10th, at 7 p.m. All graduates and present students of Luka High School are invited to participate.

SINGING

There will be a singing at Mt. Pleasant Methodist Church located west of Tishomingo, on Sunday, July 1, beginning at 10:30 a.m. All singers and listeners are invited to attend.

Gospel Singing

There will be a gospel singing at Unity Baptist on Saturday night, June 30, at 7:00 p.m.

Featured singers will be The Daniels Family and The Revelations, from Luka.

Pastor Freeda Wilson and the congregation invite everyone to attend.

Homecoming

There will be homecoming at Burgess Creek Free Will Baptist Church on Sunday, July 1. Services will begin at 10:00 a.m. with Sunday School, preaching at 11, lunch and 12 noon, and singing in the afternoon.

Revival will start Sunday night and continue thru Friday, at 7:00 each night. Bro. Eddie Hopkins, of Memphis, will be doing the preaching.

Bro. Danny Short, pastor, and the church invite everyone to attend these services.

REUNION

The immediate family of Forrest L. Nunley and the Dixon family reunion will be held Wednesday, July 4, beginning at 8 a.m. at the residence of Forrest L. Nunley on Oldham Road.

Tishomingo Physician Star For Mock Naval Battle

Dr. J. V. Bruce

Dr. J. V. Bruce, a Tishomingo physician and surgeon, is the creator, scriptwriter, music director, head costume designer and chief villain of affairs for a mock battle to be enacted near Greenwater Marina on the weekend before the Fourth of July.

Adm. Clays von Recklinghausen, portrayed by Dr. Bruce, will engage in battle with two American warships that eventually force his surrender. This mock battle will occur on Pickwick Lake on June 30.

Dr. Bruce said, "It was kind of a challenge, and I felt like we should have some kind of celebration for the Fourth in North Mississippi. That's part of our history and I don't think you should stick it back in the closet and forget about it. I like to think there were some very sincere people on both sides. But I don't want to offend anybody, so I want to throw some humor into it."

Hoping to add to the authenticity of the battle by paying great attention to the details, Dr. Bruce has worked all winter and spring on the project. He said he has had to send off, even to foreign countries, for some materials. He states he feels people will come back "year after year as it gets bigger and better."

Admiral Recklinghausen (Dr. Bruce) will command the Graf Spee II in the mock battle. The Graf Spee II is the successor to the original Graf Spee, a German

pocket battleship scuttled in Montevideo Harbor by the Germans in 1939 rather than face the prospects of capture or being blown out of the water. To closely resemble a German pocket battleship, The Graf Spee II will be a 37-foot cabin cruiser with mock gun turrets and a tower built on top. Taking part in the show will also be a crop-duster plane converted to look like a Messerschmitt 109. Spectators at the Marina will be able to listen to intership communications over loud speakers. Military songs, marches, popular music and propaganda broadcasts from both Germany and the U.S. will also be played.

Dr. Bruce has done most of the work on this project himself, because it involved a financial challenge. A victory dance, an effort to gain reimbursement, is scheduled for the evening. Music at the dance will be 1940's Hit Parade music, along with a variety of ethnic music including polkas, tangos and Cajun tunes.

Dr. Bruce, whose father died in World War II, said he has tried to incorporate much history in the battle, although the battle itself is fictional.

Gas Shortage Slows Tenn-Tom Construction

Heavy excavation work on the Tennessee - Tombigbee Waterway resumed this week after about 600 employees were laid off when construction stalled during widespread fuel shortages aggravated by the truck strike.

Pete Kelly, spokesman for the Waterway Authority in Columbus, said Tuesday contractors got in sufficient supplies of diesel fuel over the weekend to call in the employees.

"There are very few if any employees still off. We are still, however, in a week to week, day to day situation on gas supplies," Kelly said.

"The contractors got in a pretty good supply of fuel and most of the work is going," Kelly said. He said construction has lost no time because contractors were ahead of schedule.

Kelly and U. S. Army Corps of Engineers spokesman Sam Green in Mobile, Ala., said last week the workers laid off were operators of the heavy earth moving equipment digging the canals and locks for the 253-mile Tenn-Tom project.

They had estimated a 50 percent to 60 percent drop in construction since diesel fuel supplies began to dry up last week and projects were being shelved until more fuel was available.

Green said Tuesday the construction was "moving along" and the Corps expected a few problems during the week.

"We'll be checking on it. We're optimistic that the problems are gone for right now. They are digging like crazy up there now," Green said.

The problem areas were around Monroe and Itawamba counties and in Alabama, where truck strike violence had shut off diesel deliveries.

More than 3,000 workers are employed by various contractors along the Tenn-

Tom, a \$116 billion project to link the Tennessee and Tombigbee rivers to the Port of Mobile.

Officials at two other major state construction projects said they are experiencing no significant problems from the fuel shortage or the truckers strike.

John Hendrix, spokesman for the Yellow Creek Nuclear Power Plant near here, said truck deliveries have not been curtailed to the \$2.2 billion plant under construction by the Tennessee Valley Authority.

"We do have some reserve built into our sup-

plies and fuel. There is no curtailment of activity here," Hendrix said.

The TVA official said if the shortage of fuel continues, the biggest concern will be getting the employees to work.

"We draw workers from a large area of Northeast Mississippi and they commute from fairly large ranges. Some fuel has been tight here, but so far they have been able to get to work without much problem," Hendrix said.

"We are trying to keep a watch on it," he said.

Heat Pump Loans

More than 70 local electric systems in the TVA area are now offering low-interest loans to home consumers for replacing existing heating systems with energy - efficient heat pumps, the agency said today.

The heat pump loans are part of TVA's home energy conservation program to help consumers save on energy costs. Compared to conventional electric heating and cooling, a heat pump can save \$130 to \$230 a year now on electric bills for a typical home -- and more as energy costs rise in coming years.

Eddie L. Tramel, TVA supervisor of the program, said an electric heat pump, when properly installed, is the most efficient electric heating system consumers can have in their homes. To get a TVA-financed heat pump loan, consumers should:

. Get a home energy survey, free for the asking from local power distributors.

. Carry out the weatherization measures recommended by the survey.

Once that work is done a trained heat pump advisor will help the consumer decide whether a heat pump

system is cost-effective for the home. The advisor will also furnish a list of approved heat pump dealers that have agreed to install the systems according to TVA's specifications.

The consumer will have up to 10 years to repay the loan, with payments added to the monthly electric bill. The interest rate for these loans is the same rate that TVA must pay when it borrows money, which now averages about 8.5 percent.

Tramel said a homeowner replacing an electric resistance heating and cooling system with the electric heat pump system can save from 4,000 to 7,000 kilowatt-hours during a heating season. This translates to a savings of \$130 to \$230 on winter electric bills. Estimates are based on electricity use for a fully insulated 1,500-square-foot home.

To find out if the local electric system is participating in the program, consumers can call TVA's toll-free Citizen Action Lines. The toll-free telephone no. for this area is 1-800-251-9242.

Consumers should call the local power distributor, however, to sign up for the heat pump financing program.

TENDED GIRLS STATE for 350 girls from the different American Legion Auxiliaries attended Girls State, recently held at Ray Junior College. From left, Babs Jourdan, daughter of Mr. and Mrs. S. W. Grisham; and Linda Rye, daughter of S. W. Grisham. These girls and the American Le-

gion Auxiliary wish to express their appreciation to the patrons, who made it possible for their finances for the week. The girls left Luka on June 8, to spend the week at Girls State in Raymond, and returned on June 14th. They made the following statement: "Each day we attended caucuses. We were elected to serve in the House of Representatives. While there we visit-

ed the Governor's Mansion and the Old Capitol. Speakers came to talk each day on various subjects. We each had a great time and it was an experience we will always remember. We would like to thank Luka Guaranty Bank, Tri-State Savings and Loan, and First American National Bank and especially the American Legion Auxiliary, Post 15, and Mrs. Lela Clark, who helped us in so many ways."

VERLY HERRING arrived to June 26th as Tishomingo County Day Campaigning in behalf of her husband, Jim Herring, candidate for Governor, in Luka and Tishomingo County. Mrs. Herring said that her desire during the campaign was to let the working people of

the State of Mississippi. She is a working wife and mother of three, Caroline, Christie and James, Jr. She is Director of the Madison County - Canton Public Library, a member of the Mississippi Library Association, The DAR, The B&PW Club, and the Madison County Historical Society.

She and her family are active members of the First Presbyterian Church of Canton. Mrs. Herring has taken the summer off from her library duties to campaign for her husband. Mrs. Herring (right) is shown politicking with Mrs. Hubert Stephens (center).

Singing

There will be a gospel singing Saturday night, June 30, at 7:30 at the Fifth Street Baptist Church in Luka.

Featured singers will be The Sparks Family, of Belmont, and The Fifth Street Quartet.

Bro. Butch Brown and the congregation invite everyone to attend.

White Reunion

The annual family reunion of the descendants of James W. and Henrietta Smith White will be Sunday, July 1, at Noel Epperson's in Burnsville, commencing at 11 a.m. Lunch will be served at 12:30 p.m.

All family and friends are invited.

Gospel

Meeting

There will be a gospel singing at the Burnsville Church of Christ, Hwy. 72, 8 - 13. Services on day at 11 a.m. and nightly at 8:30 p.m.

The speaker will be Levi Herring, from Tusculum, Ala. The public is cordially invited to attend.

OBITUARIES

Mrs. Jessie Maye Taylor

Mrs. Jessie Maye Taylor, 49, died Thursday at the St. Joseph Hospital East in Memphis. She was a Baptist.

Services were held at 2 p.m. Sunday, June 24, at the Temple Baptist Church with Rev. Clint Wigginton officiating. Burial was in Roland Mills Cemetery with Cutshall Funeral Home in charge of arrangements.

She leaves her husband, Elton Taylor; three daughters, Mrs. Linda Bumpas, of Corinth, Mrs. Nancy Lambert, of Glen, and Mrs. Dorothy Damran, of Burnsville; a son, Tommy Mack Taylor, of Burnsville; her mother, Mrs. Alma Armstrong, of Booneville; five sisters, Mrs. Edith Wamsley, of Glen, Mrs. Essie Parr, of Burnsville, Mrs. Helen Duncan and Mrs. Lela Pranks, both of Booneville, and Mrs. Betty Taylor, of

Wisconsin; a brother, Refus Armstrong, of Memphis; and five grandchildren.

The Bible Speaks

BY: REX BUFORD

GOBBLEDEGOOK
What ever happened to straight talk? Much of what we hear today has the sound of brilliance and erudition, but the force is lost in a flood of two dollar words. Some years ago, Prof. Richard D. Fay, of the Massachusetts Institute of Tech-

nology, gave an accurate and scholarly translation of Lincoln's Gettysburg Address:

Eight and seven-tenths decades ago the Pioneer workers in this continental area implemented a new group based on an ideology of free boundaries and initial condition of equality. We are now actively engaged in an over-all evaluation of conflicting factors in order to determine whether or not the life expectancy of this group or of any group operating under the stated conditions is significant. We are met in an area of maximum activity among the conflicting factors. The purpose of the meeting is to assign permanent positions to the units which have been annihilated in the process of attaining a steady state. This procedure represents standard practice at the administrative level. From a more comprehensive viewpoint we cannot assign - we cannot implement this area. The courageous units, is being and annihilated, who were active in this area have integrated in to the point where the application of simple arithmetical operations to include our efforts would produce only negligible effects. The reaction of the general public to this colloquium will be nonessential and transitory, but the reaction to the impingement of the combat group is invariant . . . etc., ad nauseam.

I'm glad Jesus and his apostles didn't talk like that. Their language was simple, their message was clear, and the results were powerful. For example, Paul said, "When I came to you, brethren, I did not come proclaiming to you the testimony of God in lofty words or wisdom. For I decided to know nothing among you except Jesus Christ and him crucified . . . and my speech and my message were not in plausible words of wisdom, but in demonstration of the Spirit and power, that your faith might rest in the wisdom of men but in the power of God (1 Cor. 2:1-5). Preach on Paul! The world will never be saved by Gobbledegook. If you would like to be enrolled in a free Home Bible Correspondence Course or would like to study the Bible with someone in the privacy of your home, please write or call:

THE PROMISE OF POWER

The same desire for a double portion of the spirit of Elijah so that Elisha would not even let him out of his sight, is the same desire for "spiritual power" that caused the disciples to go to the upper room in Jerusalem and tarry until the Holy Ghost was given. Of the hundreds who heard Jesus say go to Jerusalem and wait for the promise, only about 120 had a desire strong enough that caused them to do what Jesus said. If the others had been like Elisha was about desiring the double portion of the spirit of Elijah, they, too, would not have let anything keep them from going to the upper room with those who went to receive power from on high.

Do you have a desire for a closer walk with Jesus? Have you received that "power from on high?" It's available for you today.

First United Pentecostal Church, 608 Main St., Iuka, Miss. Sunday School, 10 a.m.; Sunday Worship, 11 a.m. and 7 p.m.; Wednesday Bible Study, 7:15 p.m.

Iuka Methodist

The children's choir and children's fellowship have been combined. The group meets every Wednesday from 1 - 3 p.m. This is for grades 1 - 6.

Remember, Mother's Morning Out every Thursday. It begins at 9 a.m. and goes until 1 p.m. All little children under 6 years of age are included. The cost is \$2.00 per child.

The Happy Excelsior Club will have their meeting on Thursday, July 5th, at the Mineral Springs Park. A picnic is planned. In case of rain, the group will meet at the church.

The Iuka Day Camp begins July 9 - 13. All children, who have completed grades 4, 5 and 6 are included. Registration forms are available now from the pastors or from Marsha. Come on and be included in this learning experience.

CARD OF THANKS

We, the family of John Linton, wish to take this means of expressing our appreciation of thanks to each one that showed kindness and concern in our time of bereavement.

The staff at Northeast Mississippi Hospital in Booneville gave great service while he was there. Cutshall Funeral Home gave such courteous service during our sorrow.

The flowers contributed were just beautiful. Also, the food that was prepared for the family was delicious.

The Mt. Moriah Singers rendered most beautiful singing.

Also, the comforting words from the ministers meant so much in our lonely hours.

May God bless each one is our humble prayer.

Burnsville Students Named

Two students from Burnsville have been named to Louisiana Tech's spring quarter "President's List," an honor requiring a perfect -- or near perfect -- academic grade point average.

A student must earn at least a 3.8 grade average on a minimum of 10 semester hours completed at the end of the quarter to be eligible for the list, according to the registrar's office at the university.

Randy Steven White and Steven Bryan Wamsley, both spring quarter graduates, scored a perfect 4.0 average.

Sunflower seeds are a good source of protein.

In Memory

IN MEMORY OF OUR MOTHER - WAYMON SMITH

One year ago, June 25th, our Dear Mother passed away. She had several poems she had written that have been such a comfort to us. We would like to share them with her many friends.

HER CHILDREN - DOT GOBER
BILLIE BISHOP
BART SMITH, JR.

SHINING LIGHT

I SEE and FEEL a tiny light.
It guides my steps both day and night.

Sometimes it seems so far away
It is ever hard for me to pray.

And then I see the shining light.
To me it's never looked so bright.

I know there is so much for me to do
Before my life on earth is through.

There is sin and trouble everywhere;
I know I, too, must have my share.
But, Father, put your hand in mine
And always make that little light shine
So it will guide me day by day
And never let me lose my way -

To always walk the path that's straight
That leads to heaven's golden gate.

Help me to do some kind good deed
To some poor soul who is in need.

Help me to live with a smile so bright
That others will see my little light.

And follow it on like the Eastern star
That the Wise Men followed and it seemed so far.

But they kept on going,
And they found a stranger,
Our Lord Jesus Christ
Who was born in a manger.

-- Waymon Smith

on Sunday, the first of July between the hours of two and five o'clock in the afternoon at the Russell Home, Neil Community. Turn left off Highway 26, six miles north of Belmont.

ASICS

BY: Henry L. Knox, County Executive Director

WHEAT COMMENTS DUE AUGUST 6TH:

Plans are being formulated for the 1980 wheat, barley and oats program, according to Elmer South, chairperson of the ASC Committee. Farmers and other interested persons have until August 6, to comment on proposals for the wheat program. "Comments should also contain opinions regarding whether barley and oats should be included in the 1980 feed grain program," South said, "and whether program decisions on these crops should be announced the same time as the wheat

program." Normally, a decision on the inclusion of barley and oats in the feed grain program is made at the same time the corn and sorghum program decision is made, prior to Nov. 15. Since some barley is planted in the fall and does compete with wheat for the same acreage, Secretary of Agriculture Bob Bergland is considering announcing the barley and oats program along with the wheat program. Before reaching his decision, the secretary will consider any recommendations and views regarding the amount of the national program acreages; the reduc-

tion from the previous year's harvested acreage required to guarantee target price protection on the total 1980 planted acreage; whether there should be a set-aside program and, if so, whether a limitation should be placed on planted acreage; whether there should be land diversion program, and, if so, the extent of such diversion and the level of payment. Other program determinations include loan and purchase levels for 1980 wheat, barley, oats and rye crops; the target price for wheat, barley and oats; and whether the special wheat acreage grazing and hay program should be implemented. Comments should be mailed to the Director, Production Adjustment Division, ASCS, USDA, Room 3630-S, P. O. Box 2415, Washington, D. C. 20013.

PEANUT PROGRAM CHANGED:

"Segregation 3 peanuts being transferred from additional to quota loan will be discounted at the rate of \$25 per ton instead of \$50 per ton," Elmer South said. The change is one of several made by ASCS in the 1979 peanut program. Peanut qualities are classified as segregation 1, 2 or 3, and the lowest number indicates the smallest degree of damaged kernels. Segregation 3 peanuts are used for crushing only. Under the program, each peanut farm is assigned an acreage allotment and poundage quota. If more peanuts are grown on the acreage allotment than are covered by the farm's poundage quota, the extra peanuts are called "additional" and are supported at a lower level than the quota peanuts. The maximum discount on segregation 2 peanuts under the same program was lowered from \$100 to \$25 per ton. According to South, shellers may contract additional peanuts to be used in domestic markets if they put an irrevocable letter or credit equal to the penalty rate for selling additional peanuts in domestic markets. "These shellers must then agree to sell for export an equal quantity and quality of quota peanuts by the deadline required for the export of contract additional peanuts." Other changes in the program extended to three days, the time for buyback of additional peanuts for domestic use without added cost; eliminated field dried peanuts from the minimum allowable moisture level for quota support; and revised the definition of peanut products to read: "Any products manufactured or derived from peanuts such as but not limited to peanut candy, peanut butter, peanut granules or peanut flakes." For additional changes and further details, call or write the local ASCS Office at 105 Eastport St., Iuka, Ms., call 423-5036.

PEGGY IS EIGHT. Daughter of Mr. and Mrs. Bobby Jones, of Tishomingo, Peggy celebrated her 8th birthday on June 21st, in her home. She is the granddaughter of the late Mr. and Mrs. Lucian Castleberry, of Iuka, and Mr. and Mrs. Howard Wagner, of North Las Vegas, Nevada. She is the great-granddaughter of M. O. Franks, of Iuka. Those

present to help her celebrate were: Mary Joe, Jamie and David Scruggs, Neil and Shellie Ryan, Vicki and Gregg Bonds, Tina and Jeff Schroeder, Angelia Hicks, Terry McKee, Bryan Rushing, Junior Williams, Mindi Aldridge, Terresa and Larry Don Harris, and two of her cousins, Tom and Mike Starkey, of Southaven, Miss.

the championship. Andy Crawford was the winning pitcher. With the help of Joey Dean, they gave up 4 hits, struck out 9 and walked 9. For the winners Joey Dean and Mike Dodson had 2 singles each. Carl Dodson slapped a double, while Trip Thomas and Jeff Gann each had singles. Billy Allen was losing pitcher. He and Jimmy Curtis gave up 7 hits, struck out 3 and walked 4. Allen, Curtis, Roger Barrett and Benji Lambert each had a single.

MCNATT FORD 7 MOORE'S BODY SHOP 6

Donnie Davis scored the winning run on a dropped ball in the bottom of the 6th to give McNatt a 7 - 6 win over Moore's. Winning pitcher was Kevin Robertson. He and Gus Sims joined efforts to give up 1 hit, striking out 3 and walking 11. Tony Degraw carried the big stick for the winners, getting a double and a triple. Darryl Long rapped a double, while Donnie Davis, Gus Sims and Greg Quinn had a single each. Losing pitcher was Kevin Booker. He, Mike Whitfield and John Hannon gave up 6 hits, struck out 5 and walked 7. Moore's only hit was a single by Mike Whitfield.

JUNE 25 HONEYCUTT 12 MCNATT 5

Honeycutt Chevy continued their battle to gain the championship by defeating McNatt 12 - 5. Winning pitcher was Joey Dean. Andy Crawford came on in the 5th to get the save. They gave up 6 hits, struck out 11 and walked 1. For the winners, Stephen Cutshall had 2 singles, Andy Crawford and Mike Dodson each had a double, while Joey Dean and Phillip South had a single each. Gus Sims got the loss. He, Darryl Long and Kevin Robertson joined forces to give up 6 hits, strike out 4 and walk 13.

Hitters for the losers were Darryl Long and Gus Sims, each getting 2 singles. Donnie Davis and Kevin Robertson each had one single.

MOORE'S 7 SHOE MART 1

Moore's continued their hold on the championship by defeating Shoe Mart 7 - 1 in the 8 p.m. game. Mike Hannon was winning pitcher, going the distance on the mound to give up 4 hits, strike out 8 and walk 4. Moore's was limited to four singles, one each by John Hannon, Gary Clark, Lee Perry and Kevin Booker. Keith Wimberly was tagged with the loss. He and Jimmy Curtis gave up 4 hits, struck out 8 and walked 6. Wimberly led the losers at the bat with 2 hits, a single and a double. Jimmy Curtis and Roger Barrett each added a single.

With four games remaining, the championship is still up for grabs. These next four games should prove to be exciting. With Honeycutt one game away from tying

years (the Kennedys have been married 53 years).

Mrs. Laverne Buchanan and Mrs. Helen Newbill, of Meridian, visited Laverne's parents, Mr. and Mrs. Leander Kennedy, this past weekend. Also visiting the Kennedys was their other daughter, Faye, and her husband, O. L. Robinson, of Memphis. Sunday they all attended the Kennedy reunion at Mineral Springs Park.

ACT Scores Needed

The Office of Admissions at Northeast Junior College encourages all students who are planning to attend classes in the fall to see that their ACT (American College Test) scores are indeed on file in that office. These scores must be on file in order for a student to register.

For those students who have not yet taken the ACT, the test is given Monday through Friday at either 8 a.m. or 1 p.m. in the Office of Admissions, which is located in Estes Hall, according to Kenneth Floyd, Director of Admissions.

In the event the ACT has already been taken, a copy of the scores should be mailed to our office, Floyd said.

PARSONS NAMED HONOR STUDENT AT NEMJC — Sharon Ann Parsons, the daughter of Mr. and Mrs. Gerald Parsons, of Burnsville, was one of 238 candidates to receive the Associate of Arts degree from the Northeast Junior College during its annual May commencement. A pre-med technology major, Sharon maintained a 4.0 grade point average during her final semester at Northeast. A

former dean's list scholar, she was an active member of Phi Theta Kappa, a national honorary society, and the Church of Christ religious organization.

In Appreciation

Words are inadequate to express our sincere appreciation and gratitude to our relatives, friends, and the faithful nurses and doctors during the lengthy illness and death of our loved one, Dessie Roberts.

We gratefully appreciate and cherish your thoughtfulness in prayers, visits, cards, flowers, food and each act of kindness to help make our loss more bearable.

For the comforting words of Bro. W. L. Oaks, the singers, and Deaton Funeral Directors for their kind understanding service.

May God richly bless each of you.

John C. Stennis**REPORT TO MISSISSIPPIANS**

The Senate has misplaced its priorities in even considering at this time a resolution which would do away with the Electoral College and provide for the direct popular election of the President and Vice President. Matters of far greater interest and importance to the people are awaiting action.

The Electoral College system has stood the test of time and many challenges for more than 175 years. It was the result of a compromise between the large and small states which has worked well to preserve our union of states concept.

This proposed constitutional amendment goes straight to the heart of our federal system and could do great harm to it. We have already seen far too many of the once solid walls of federal-state relations breached and torn down.

Passage of this amendment would dilute and weaken the electoral role of the smaller states since under the electoral college system each state, regardless of size, has one electoral vote for each of its U.S. Senators and Representatives.

If this amendment were adopted, a candidate would carry two or three large states by a large margin and lose all the remaining states by a small margin and still be elected. That means you could have a candidate elected with purely regional interests and backgrounds.

No electoral method is perfect, but the chief executives produced by our system match any other in the world. It has produced many great Presidents and few poor ones. We should leave well enough alone.

There are other matters which are of far greater concern and importance to the nation and the people than is this amendment. One of these is the soaring inflation which is ravaging the country. This is grinding the people down, depleting their savings, and limiting their purchasing power. It is creating real hardship in many, many cases.

We in the Congress could better serve the people by addressing ourselves to this inflation problem. One of the ways which we can do this is to amend the Constitution to require a balanced federal budget and put the country on a pay-as-you-go basis.

I have long advocated a balanced budget amendment and introduced such an amendment again at the beginning of this year. I am urging that a balance-the-budget amendment be reported to the floor soon so Congress can have an opportunity to act positively on a matter of major importance which will make a real contribution toward solving our problems.

Use Your Microwave For Cooking Vegetables

MISSISSIPPI STATE — Vegetables are available in great variety — from A (asparagus) to Z (zucchini). Many are low in cost and calories, and most rank high in vitamins and minerals.

One-half cup of most boiled vegetables contains less than 50 calories. Starchy vegetables supply from 50 to 100 calories in a half-cup serving.

You need four or more servings of vegetables and fruits each day. One serving should be a good source of vitamin C or two servings of a fair source. Eat one serving, at least every other day, of a good source of vitamin A. Broccoli is a good source of vitamin C and vitamin A. Vegetables which are fair sources of vitamin C and good sources of vitamin A value include: sweetpotatoes cooked in the jacket, mustard greens, spinach and turnip greens.

Use your microwave oven to cook fresh, frozen and canned vegetables, suggests Ina Kimbrough, Mississippi Cooperative Extension Service food and nutrition specialist. By following a few rules in cooking, you can have a tasty, nutritious, hot vegetable dish in minutes. The first rule in cooking fresh vegetables in the microwave oven is to use a small amount of water (in most cases about two tablespoons). Baked potatoes can be cooked without water.

Use plastic wrap, waxed paper or a glass lid on the pan to retain the steam and speed cooking. Time varies from 2 to 20 minutes, depending on the amount, density and arrangement of the vegetables, she explains.

Potatoes are an example of how amount affects cooking time. One potato takes four to five minutes and two potatoes take about six to eight minutes. Remember to prick potatoes with a fork before cooking. Leave about 1/2 to 1 inch between them. After about half the time, turn potatoes over and rearrange in the oven, Mrs. Kimbrough suggests.

Density of the cellular construction of a vegetable affects cooking time in a microwave oven. Stir once while cooking.

Vegetables continue to cook after they have been

removed from the oven, so for best results, remove vegetables before they reach the doneness desired. Allow three to five minutes standing time for vegetables to complete cooking.

To get more even cooking of fresh vegetables with large stems, like broccoli, place the stem to the outside and the flower end to the center of the utensil or oven.

Do not sprinkle seasonings on top of vegetables. Seasonings tend to dehydrate and toughen the vegetable and distort the cooking pattern in a microwave oven. Instead, sprinkle seasonings in the bottom of the utensil or add after cooking, she suggests.

When cooking frozen vegetables, use a covered container and no top seasonings. Cooking is more even if frozen pieces are broken apart after

the first few minutes of cooking.

If you prefer, cook frozen vegetables in the cardboard boxes or boil-in-bag pouches as purchased. Punch a few holes in the box and place it on a plate suitable for use in the oven. Slit the pouch before heating and break apart frozen sections by flexing the bag after cooking half the recommended time.

Pour commercially canned vegetables into a shallow container and cover. Omit top seasonings. Canned vegetables heat faster than frozen vegetables because they are stored at a higher temperature.

When correctly cooked in a microwave oven, vegetables keep their attractive color, fresh taste and natural texture. Because only a small amount of water is added, you don't drain off flavor and nutrients

LEGAL NOTICE

FORECLOSURE NOTICE

WHEREAS, on the 17th day of January, 1978, Eugene Magee executed a Trust Deed under the terms of which the hereinafter described real property was conveyed to Harold S. Jackson, as Trustee, to secure the payment to Charles Robbins and wife, Edna Robbins, of an indebtedness therein described, which Trust Deed is recorded in Trust Deed Book 84, at page 38, et seq., of the mortgage records of Tishomingo County, Mississippi, in the office of the Chancery Clerk thereof; and

WHEREAS, default has been made in the performance of the conditions of this Trust Deed and the holder hereof has declared the entire indebtedness secured thereby due and payable and has requested the undersigned to sell the said land as provided by the said Trust Deed.

THEREFORE, the undersigned will between the hours of 11:00 o'clock A.M. and 4:00 o'clock P.M., on the 16th day of July, 1979, at the front door of the Tishomingo County Courthouse in Iuka, Mississippi, offer for sale and sell at public outcry to the highest bidder for cash the following described real property located in Tishomingo County, State of Mississippi, and being more particularly described as follows, to-wit:

Beginning at the Northwest Corner of Section 17, Township 3, Range 11 East, and running East about 650 feet to the Eastport and Fulton Road, thence South with the meanderings of said road about 40.7 rods; thence West about 271.9 feet to Birch Creek; thence North to the line between the NE 1/4 of Section 18, and the SE 1/4 of Section 17, of said Township and Range; thence East to the point of beginning, said tract of land lying partly in the NE 1/4 of Section 18 and partly in the NW 1/4 of Section 17, Township 3, Range 11 East, containing 45 acres, more or less. LESS AND EXCEPT the property deeded to the City of Iuka by Mack N. Wolfe as recorded in Deed Book B-50, page 345, on August 31, 1965.

The undersigned will convey only such title as is vested in him as Trustee.

HAROLD S. JACKSON, TRUSTEE
J-21-28-J-5-12-c.

Quick Energy Drinks

Vigorous exercise uses up a lot of energy and active people are turning to fruit juice to restore that energy. According to a recent survey, 46 percent of the people who are highly active have increased their consumption of fruits and fruit juice. Among long-distance runners that increase is even more striking. Sixty-two percent of the runners in the survey consume more

fruit juice than they did before they started running. While you and your children may not be as active as these individuals, fruit juice is a delicious way to boost your energy. Welch's White Grape Juice, for example, is a light, refreshing beverage that contains natural fruit sugars for a quick energy lift. It is good by itself or when mixed with other ingredients.

FRUIT JUICE FIZZ

Serves 4

2 cups Welch's White Grape Juice
1 cup apple cider
1 cup orange-grapefruit juice
2 cloves
1 cinnamon stick
1/4 teaspoon chopped candied ginger
1 bottle (12-ounces) gingerale, chilled
Orange slices

In saucepan, combine all ingredients except soda pop. Bring to boil; reduce heat and simmer 5 minutes. Strain and chill thoroughly.

Just before serving, combine grape mixture and gingerale. Garnish with orange slices. Serve over ice.

THERMAL GRAPE JUICE

Makes about 5 cups

1 quart Welch's White Grape Juice
1/2 cup orange juice
3 tablespoons lemon juice
6 whole cloves
2 cinnamon sticks

In saucepan, combine all ingredients. Simmer 10 minutes; stir now and then. Pour into mugs.

ADVERTISEMENT FORBIDS LEGAL NOTICE TO BIDDERS

Sealed bids for Project No. MISS-79-C-9003A29 Additions and Renovations to Tishomingo County Schools at Belmont, Burnsville, and Tishomingo, Tishomingo County Board of Education will be received by Mr. Alvia Blakney, Superintendent of Education, Tishomingo County Board of Education, Tishomingo County Court House, Iuka, Mississippi, 38852, until 4:00 p.m., D.S.T., on June 29, 1979, at which time bids will be publicly opened and read aloud.

Contract documents may be examined at the office of George A. Thomason, Architect, 44 North Second Street, Suite 803, Memphis, Tennessee.

Bidding General Contractors may obtain one (1) set of plans and specifications upon deposit of Two Hundred Dollar (\$200.00) Check. This check shall be refunded upon return of plans and specifications promptly in good condition. The deposit of the successful bidder will not be returned.

If additional plans and specifications are desired, or if subcontractors desire same, they may be obtained upon deposit of One Hundred Dollars (\$100.00) per set. Fifty Dollars (\$50.00) of this deposit will be returned upon return of plans and specifications. Bidders are required to furnish satisfactory security (5% Bid Bond) with their proposal and to furnish satisfactory Performance, Labor and Material Payment Bond upon acceptance of their bid for 100% of the contract sum.

Bidders are required to list their General Contractor's Registration Certificate Number for the State of Mississippi on the exterior of their sealed bid envelope.

No bid may be withdrawn for a period of thirty (30) days after the date set for the opening of bids without the consent of the Owner.

The Owner reserves the right to reject any or all bids and to waive any and all informalities in bidding.

Any bid received after the schedule closing time for the receipt of bids will be returned unopened.

Belmont United Methodist Church Scene Of Griffin-Colvett Wedding Nuptials

Robert Stephens, Robert and Matthew, of Huntsville, Ala., Mrs. Gary Dean, Cheri, Patrick, and Jeffrey, of Cullman, Ala., Mr. Bryce Scott Davis, of Cullman, Ala., Miss Penny Hodges, of Tupelo, Mr. and Mrs. King Porter, Mrs. Denton Cooke, Mr. and Mrs. Murlon Hopper, Mrs. Francis Robbins, Mr. and Mrs. Harold Robbins, David and Dennis, all of Alamo, Tenn., Miss Susan Sweat, of Tenn., Mr. and Mrs. Guy Dicus and Mrs. Judy Carroll, of Corinth, Miss. Mr. and Mrs. Billy Southward, of Booneville, Miss., and Mr. and Mrs. J. L. Sims, of Rienzi, Miss.

REHEARSAL DINNER

On Saturday night, April 21, Mr. and Mrs. Sam Colvett entertained the bride and groom and their guests with a dinner at the Belmont Steak House. The twenty-five guests present enjoyed a delicious meal. Janet and Kent presented their attendants with gifts at that time.

SHOWERS

On March 31, a miscellaneous bridal shower honoring the bride-elect was held at the Belmont United Methodist Church. Guests

called between the hours of two and four. Receiving with the honoree were Mrs. John T. Griffin and Mrs. Sam Colvett. The bride-elect wore a banana yellow dress made of jersey with a lace yoke. Miss Sylvia Wiltshire presided at the guest register, while Mrs. Lynn Chumbley and Mrs. Marilyn McAnally served cake and punch to the guests. Hostesses were Mrs. Geraldine Allen, Mrs. Mabel-line Yarbber, Mrs. Mavis Hooper, Mrs. Irene Harris, Mrs. Sue Taylor, Mrs. Alice Moore, Mrs. Ruthel Comer, Mrs. Florice Sisk, Mrs. Linda Reed, Mrs. Joyce Northcutt, Mrs. Jean Lambert, Mrs. Mary McAnally, Mrs. Rheba Senter, Mrs. Carolyn Credille, Mrs. Bonnie Montgomery, and Mrs. Elwa Tiffin. They presented the honoree with a stand mixer.

A linen shower was held on April 7, at the home of Mrs. Irene Harris. Mrs. Lynn Chumbley and Mrs. Marilyn McAnally assisted Mrs. Harris with the shower. Refreshments were served from a table accented with lighted candles. Cakes in the shape of wedding bells were served, along with sandwiches, fresh vegetables with dip, and punch.

The home of Mrs. Joe Blackwell, in Alamo, Tenn., was the setting for a gift tea honoring Mrs. Kent Colvett on May 19. The guests

were received by the honoree, Mrs. Blackwell, Mrs. Sam Colvett, Mrs. John T. Griffin, and Mrs. Francis Robbins, grandmother of the groom. Guests called between 2:30 and 4:30. The bride received many useful gifts.

Northeast To Offer Career Workshops

The Department of Guidance and Counseling at Northeast Junior College is currently offering one-day

workshops on career planning for any person who plans to enter college during the 1979-80 school year.

The tuition-free workshops, which are designed to help individuals realistically choose college majors suitable to both their interest and their potential and to afford them the opportunity to explore a wide range of career choices, will be conducted by professionally trained counselors who are specialists in career planning.

The use of interest inventories, self-assessment sheets, aptitude tests, car-

eer brochures and film strips, vocational exploration kits, and other aids will be implemented in group and individual counseling to determine career choices.

The workshops, which are scheduled on a daily basis Monday - Friday, 8:30 - 4:00 p.m., will continue thru August 4. For further information or to pre-register for one of the workshops, go by the Counseling Center on the Northeast campus or call 728-7751, extension 235 or 314.

Belmont, Ms.

Miss Janet Griffin, daughter of Mr. and Mrs. John Griffin, of Belmont, and Kent Colvett, of Alamo, Tennessee, were married today, April 22, 1979, at 1 o'clock in the afternoon at the Belmont United Methodist Church.

Rev. Grady Bailey, Jr., Belmont, and Rev. Tom Sed, brother-in-law of the groom, of Jonesboro, Ark., performed the double-ring ceremony before a gathering of relatives and friends. The bride and groom were registered by Mrs. Anne Taylor, sister of the bride, John Grady Taylor and Zachary Steed, nephews of the bride and groom, presented the guests with thank-you scrolls and wedding programs.

The nuptial music was presented by Mrs. D. F. Robert, Jr., organist. In each side of the altar the princess baskets held gladiolas with white ribbons completing the arrangements. Lighted canisters filled with pink wood and greenery flanked the center candle tree, setting was enhanced by the lighted cross above altar.

The bride was given in marriage by her father. She wore her sister's princess gown of white tulle. A band of re-embroidered Alencon lace circled the hem and the scoop neckline. The long sleeves fell in lily points. Her chapel length train falling on the shoulders was also edged with the re-embroidered Alencon lace. The bride's chapel length mantilla was designed by Priscilla of Boston. It featured a cap accented with seed pearls and Alencon lace. The length of the mantilla was outlined with re-embroidered Alencon lace. The bridal bouquet was a cascade of pink roses, orchids, and gardenia.

Mrs. Lynn Chumbley, of Belmont, served as Matron of Honor, and Mrs. Marilyn McAnally, also of Belmont, served as bridesmaid. They wore identical floor-length gowns of Swiss rose crepe featuring blouson bodices and knife-pleated skirts. Each attendant carried a multicolored garden bouquet of silk flowers and wore a single rose in their hair. Mr. Brent Porter, of Alamo, Tenn., served as best man. The groomsmen were Mr. Ricky Sparks, and ushers were Mr. Tim Griffin and Mr. Bruce Colvett, brothers of the bride and groom.

For her daughter's wedding, Mrs. Griffin chose a blue shantung street-length dress. Her corsage was of white and blue silk roses. Mrs. Colvett chose a rose crepe dress, and her corsage was of pink and white silk roses.

RECEPTION

The bride's parents honored the couple with a reception in the church fellowship hall immediately following the ceremony. The bride's table was overlaid with a white linen cloth. An arrangement of multicolored silk flowers in a silver

stand centered the table. The three-tiered bridal cake was accented by cupids and cascades of pink roses. Assisting at the bride's table were Mrs. Rhonda Potts, Mrs. Emily Hutcheson, Mrs. Linda Reed, and Miss Debbie Hodges, of Tupelo. The groom's table featured a beige cutwork cloth. The chocolate groom's cake was topped with fruit and the groom's fraternity insignia, Alpha Gamma Rho. Serving at the groom's table were Miss Karen Spencer, of Vina, Ala., Miss Toni James and Mrs. Carolyn Credille. Serving as floating hostesses were Mrs. Donna Dill, of Iuka, Mrs. Mable Griffin and Mrs. Florice Sisk. John Grady Taylor and Zachary Steed presented the guests with rice bags of white organza tied with pink ribbon. For traveling, the bride chose a beige and navy suit. Her corsage was a white orchid from her bridal bouquet. After a honeymoon in Destin, Fla., the couple is now residing in Tishomingo.

OUT-OF-TOWN GUESTS

Others from out-of-town attending the Griffin-Colvett wedding were: Mr. and Mrs. Phillip Davis, of Nashville, Tenn., Mr. and Mrs.

YVONNE RAST receives Red Cross award for TOPS in First Aid Instruction from Lynda Kay, Chapter Chairman.

Red Cross Has Awards Banquet

On June 21st, the Tishomingo County Chapter of the American Red Cross held their annual awards banquet at the Country Squire Restaurant in Iuka. Charles Kay gave the welcoming speech and introductions for the 36 guests present.

Among those attending were Earl Alexander, Chapter Vice-Chairman, and his wife, and Jerome (Jerry) Parsons, board member. Entertainment was provided by Rev. Dural R. Ragsdale, better known as "Raggy".

Raggy's bride of six weeks, Denise, was also a guest of the chapter. A special number, "How Great Thou Art", was sung by Dale White. Raggy, Dale and Roger Rast sang a trio and led the group in several songs. Lynda Kay, Chapter Chairman, presented the awards for outstanding members in the chapter during the past year. Those winning recognition were: TOPS in Youth Service -

Certificates and given many hours of volunteer service to the community during the past year.

Since reorganizing the chapter, a total of 586 persons have enrolled in Red Cross classes in the county. Certificates have been issued to 464 persons and 33 are enrolled at this time. If a value of \$3 per hour and 17¢ per mile is given for each student and instructor (allowing 14 miles per course per person) taking part in courses this past year, then slightly over \$17,000.00 in time and travel has been invested in Red Cross Health and Safety courses in Tishomingo County. We can all be proud of this effort.

A course in CPR will be taught in Belmont the week of July 2nd by Linda Long. Twenty-three students are now enrolled in an Advanced Lifesaving course at Coleman State Park with instructors Chuck Kay and Londee Kent. Hazel Wilson and Billie Lewis are conducting a CPR class at Tishomingo County Hospital. If you would like to attend classes in First Aid, CPR or Swimming and Water Safety, please call the chapter.

Honor Roll

One student from Tishomingo County was among 425 students who made the honor roll during the spring semester at Alcorn State University. In order to make the honor roll, students must average at least a 3.00 out of a perfect score of 4.0.

The student who made the honor roll from Tishomingo County was Michelle Mitchell, P. O. Box 123, junior general home economics major from Iuka.

Iuka Jaycees Hold Annual Banquet

On June 2, the Iuka Jaycees held their annual Awards and Installation Banquet at J. P. Coleman State Park Restaurant. The guest speaker for the event was Roger Webb, State Community Action Vice-President for the Mississippi Jaycees.

Installed as new officers for the 1979-80 fiscal year were: David Murrah, President; Paul May, Chapter-management V. P.; Hulon Dunn, Community Action V.P.; Bennie Walker, Individual Development V.P.; George Yow, Treasurer; and Frank O'Neal, Secretary. Directors for the coming year are Phillip Gray, Buddy Brealand, and Al Jernigan.

Taking the top award for the year was George Yow, who was named Jaycee of the Year for 1978-79. Yow was also recognized for being Jaycee of the Third Quarter, finishing number two in the parade of members competition, for completing the Outstanding Teenager and Pee Wee Basketball Projects, and received a Special Presidential Award.

DAVID MURRAH, left, new President of the Iuka Jaycees, is shown being congratulated by Roger Webb, State Community Action Vice-President.

Several other Jaycees were recognized for their contributions to the club and community. Frank O'Neal was recognized for being the top director for the first half of the year and Bennie Walker was the top director for the second half of the year.

In the parade of members competition the top five respectively were: Bennie Walker, George Yow, Paul May, Hulon Dunn and David Murrah. Other members recognized for completing projects were: Frank O'Neal for Toys for the Needy, Spiritual Development, and Dunking Stool; Ronnie Woodruff for Punt, Pass and Kick; Joe Patrick for Softball League; Bennie Walker for Gospel Singing; Paul May for Shooting Education and Paul Morris for Pee Wee Football and Merchant's Appreciation Banquet. Lloyd Murrah was also given a Special Presidential Award.

mers will swallow some water. Swim only in approved areas where the water is clean and free from pollution. Swimming can be dangerous. Deaths from drowning can occur at any age. Inability to

WHILE CHASING a baseball across a neighbor's backyard, Lawayne Puckett, Chris Faulkner and Steve

Philbin found this snake. The boys killed it with a spear. Lawayne is the son of Mr. and Mrs. Harold

Marlar, Chris is the son of Mr. and Mrs. Donald Faulkner, and Steve is the son of Mr. and Mrs. Dexter Philbin.

can be more tiring than swimming in a quiet pool or lake. The swimmer in trouble often can survive if he or she stays calm. Assume a face-up floating position, keeping hands under the water, and move hands and feet slowly. It is possible to stay afloat for hours with relatively little effort. But thrashing the water in panic will exhaust the endangered swimmer quickly.

Each member of the family should be coached in the fundamentals of swimming safety, and especially mouth-to-mouth resuscitation procedures.

Boating is increasing as a family summer pastime all across the nation. And the boom in boating has greatly increased the potential hazard for drownings.

With boat traffic getting heavier each summer on the lakes and streams and shorelines, boat operators must understand and practice safe boating practices. The American Medical Association reminds that boating equipment should be checked

before leaving shore. Essential safety equipment for a boat includes an anchor, a fire extinguisher, oars, a horn, running lights, a signal mirror and a first aid kit.

A life preserver or flotation cushion should be provided for each person aboard. Nonswimmers should wear life jackets all times afloat. Some states have laws requiring equipment before boats are licensed for hire.

Most boating accidents involve faulty operation, negligence, or ignorance. The operator should know his or her boat and the rules. And by staying ashore in the weather.

If water skiing is one of water activities, make you and other members of your family who might try to know how to swim should be at least two people in the boat when pulling skiers.

Good physical condition is a prerequisite for water skiing. The skier should practice maneuvers before attempting advanced skills. A life preserver or flotation cushion should be provided for each person aboard. Nonswimmers should wear life jackets all times afloat. Some states have laws requiring equipment before boats are licensed for hire.

Most boating accidents involve faulty operation, negligence, or ignorance. The operator should know his or her boat and the rules. And by staying ashore in the weather.

Doctors Puzzle Over Removal of Tonsils

We are hearing a lot about tonsils nowadays.

The question that is puzzling doctors is: When should the tonsils be removed for the sake of your health?

What are tonsils, anyway? The tonsils are spongy, glandular tissues at the back of the throat and behind the nose. There are three sets of tonsils: (1) the throat tonsils (2) the linguals (3) the adenoids. The first two sets are usually called tonsils and the third set adenoids. Normally the throat tonsils are

small and barely visible. They are on each side of the back wall of the throat, just behind and above the tongue. The linguals are on either side of the tongue at its base. Both become enlarged on infection. The adenoids are above and behind the soft palate, where the nose and mouth come together. If infected the adenoids may become large enough to

block the flow of air from nose to throat, forcing mouth breathing. Tonsils and adenoids provide a defense against infections that invade the body through the nose and mouth.

Tonsillitis is an infection of the tonsils that results in swelling and inflammation, pain and soreness, difficulty in breathing and swallowing, enlargement of the lymph glands, fever, rapid pulse and general illness. With modern antibiotics, infections now respond to treatment within a few days, says a pamphlet from the American Medical Association.

Repeated infection can result in permanent damage to the tonsils. When this happens they no longer protect against infection, but become themselves a source of recurrent infections. At this point your doctor likely will recommend removal of the tonsils.

Tonsillectomy and adenoidectomy (T&A) is among the safest surgical operations performed. Like all surgery, however, it involves some risk. T&A will by no means guarantee against future colds and throat infections.

Swimming Rules Set

Swimming, one of the most popular of summer sports, can be a healthful, stimulating part of the summer vacation. On the other hand, swimming can be one of the most dangerous of outdoor pastimes.

The American Medical Association reminds that healthful swimming begins with clean, sanitary water. Water is an easy and quick means of transmission for many disease organisms, and inevitably swim-

RULES: 26 cars will be starting in the Twin 50. The best 20 qualifiers will start in
the order of timing position. The second best 20 will run in the consolation. The top
6 of the consolation will start on the rear of the first Twin 50. The first 50 lap race
will be run in the order they qualify. The second 50 lap race will be run in the reverse
order of the finish of the first 50 lap race. There will be a 15 minute pit stop between
races. Any full body car with 105 inch wheel base or over, with one carburetor and all
safety equipment. All track official decisions will be final.

PROMOTER - SAM BATES 205-381-0881

son of Mr. and Mrs. John
Harper Ray, of Rt. 3,
The Senate had adopted a
conference report on en-
listed men's base pay and
had raised it to \$50 a month.
Richard A. McRee III, of
Iuka, had been appointed a
Cadet Second Lieutenant at
the Citadel, the Military
College of S. C.
Due to the war, the south

was advised to expect:
Transportation troubles,
fewer and slower passenger
trains, because of heavy
troop movement from many
Army camps in the south,
crowded buses, no through
bus service and no new
routes, and gas rationing
everywhere. In the Atlantic
States to save gasoline, and
elsewhere to conserve tires.

The Sunday School lesson
for the week was "The Task
Committed to the Disciples"
taken from Matt. 28:16-20,
Mark 16:14-20, and Luke
24:49-53.
Quote: "Justice though
moving with a tardy pace,
has seldom failed to over-
take the wicked in their
flight."

Mrs. Ernie Watkins had
returned to her home from
the hospital at Sheffield and
was reported to be much im-
proved.
All boys between the ages
of 17 and 23 1/2, unmarried,
of good character and not
enrolled in school or on
vacation from school, who
were interested in being en-
rolled in the CCC Camp,
were able to fill out appli-
cations any Tuesday.

The U. S. Government re-
quired that all milk fur-
nished the Army and Navy
must be pasteurized.

The Majestic Theatre had
on its agenda for that week
in 1942, "Two-Faced Wo-
man", "Tuxedo Junction",
"In Old Colorado", a com-
edy, serial and news reel.

JUNE 25, 1942
R. B. Gardner, of Dennis,
Rt. 2, mailed to the County
Agent's office the week of
June 18, 1942, a cotton blo-
om. According to County
Agent Hobson, this bloom
was 10 days to 2 weeks
early.

The "Parson Ponders"
column thought for the week
encouraged hometown folk to
"go down to the Vidette
office, pay for a subscrip-
tion for some local boy in
Uncle Sam's service. In
camp, on ship, on foreign
shores, he also wants to
know the local news."

Pursuant to the Selective
Training in 1940, as amend-
ed, the registration of male
citizens of the US and other
male persons, who were
born on or after January
1, 1922, and on or before
June 30, 1924, shall take
place in the US and the
territories of Alaska and
Hawaii, and in Puerto Rico
on Tuesday, the 30th day of
June, 1942, between the
hours of 7 a.m. and 9 p.m.
Homeowners were urged
to conserve heat and fuel, to
order their supply of coal
early for the coming winter,
and gas rationing was a sub-
ject of conversation.

Quote: "Ignorance is the
night of the mind, but a
night without moon or star."
T. L. Brown and Co., of
Iuka, had received a fresh
supply of turnip seeds.
Good Lespedeza and soy-
bean hay was advertised for
\$20.00 a ton.

School teachers, princi-
pals, and superintendents
were getting well earned
and timely certificates of
award for their loyalty
shown in the rationing pro-
gram.

Mary Matilda Ferrell
passed away at the age
of 54.

Mrs. Overby's class of
the Baptist Church was plan-
ning to host a picnic for
their husbands in Spring
Park.

The congregation of the
Pentecostal Church had
called Rev. R. G. Jackson
as full-time pastor. Rev.
Jackson came to Iuka from
Bemis, Tenn.

Stars on exhibit at the
Majestic Theatre were Ber-
te Davis, Ann Sheridan, John
Howard, Margaret Lindsey,
Gene Autry and Smiley Bur-
nette.

Corp. James Skinner sta-
tioned at Ft. Benning was
on furlough visiting his par-

The Vidette Office had 50
copies of the War Manuel
"War Work" -- a day book
for every home.

Hospital insurance for the
entire with benefits total-
ing up to \$3,600.00 was of-
fered for 3¢ a day.

Quote: Misfortune comes
at night (when least expect-
ed).

Grocery specials includ-
ed: Watermelons, 3¢ lb.;
crackers, 10¢ lb.; pink sal-
mon, 2 cans 45¢; pork and
beans, 2 for 25¢; chicken
soup, 15¢ can.

Mrs. Katherine Bell Hod-
ges passed away at her re-
sidence in Iuka on June 15,
1942.

Wilbur H. Grisham, son
of Mr. and Mrs. J. W. Gris-
ham, of Route 2, was home
on furlough. He was sta-
tioned at Ft. Jackson, S.C.

Born to Mr. and Mrs.
Luther Rice an 11 1/2 lb.
daughter - Alma Ruth.

Mrs. S. J. Smith visited
her son in Washington, D.C.

Mr. and Mrs. Merith Cas-
tleberry received a radio-
gram from their son, Jim
L. informing them of his
safe arrival in Australia.
Dunlap Studio advertised
one roll of film developed
for 35¢.

The Sunday School lesson
for the week was "The Task
Committed to the Disciples"
taken from Matt. 28:16-20,
Mark 16:14-20, and Luke
24:49-53.

Quote: "Justice though

tioned at Ft. Benning was
on furlough visiting his par-

ents, Mr. and Mrs. J. T.
Skinner, of Iuka.

Grocery store specials
included: Tea, 1/4 lb. with
free glass 35¢; vinegar, 20¢
gallon; wash board, 45¢;
coffee, 2 lbs. 40¢; sack plain
flour, 24 lbs. 98¢; and meal,
cloth bag 24 lbs. 65¢.

The Sunday School les-
son for the week was "Al-
cohol Facts Versus Drink-
ing Propaganda" from Prov.
21:17; 23:32; Isaiah 5:20-
23; Hosea 4:11; Joel 3:
2-3; Ephesians 5:18.

The First Baptist Church
of Iuka started in their re-
vival announcement "Wor-
shipping with us will weaken
war worry."

Household Hints: The
stock left from spinach
should be saved and used in
vegetable soup.

Red raspberry leaves
were said by some to be an
excellent substitute for tea,
now that tea was scarce.
They were to be picked and
dried before using.

A must for the well-
dressed man was a new,
light and airy straw hat for
\$1.98 to \$5.00.

Pvt. Ben D. Gurley ar-
rived back to Camp Davis,
N.C. after spending a 10-
day furlough with his
parents, Mr. and Mrs. W. T.
Gurley, of Tishomingo.
Leonard Clark and W. E.
Monroe both reported cotton
blooms on their farms.

H. E. Hester, of the Mid-
way Community, shipped
cream from three cows. His
cream checks amounted to
about \$12.00 a month as
compared to \$10.00 per
month in 1941.

J. C. Deaton, of Paden,
and B. O. White, of Holcut,
reported electric fences
were a good way of keeping
cows, goats, hogs and hor-
ses where they should be.

fest sign of wisdom is con-
tinual cheerfulness."

Natchez Trace Assn. Meeting

Mr. P. O. Beard, Presi-
dent of the Natchez Trace
Parkway Association, an-
nounces plans for the an-
nual association meeting.
The meeting is scheduled
for July 6, 11:30 a.m., Ra-

mada Inn, Tupelo.

According to Mr. Beard,
this meeting is expected to
be one of the most impor-
tant meetings the associa-
tion has had in many years.
Congressman Jamie Whit-
ten, First Congressional
District of Mississippi, will
be the speaker. Also, the
National Park Service Di-
rector, William J. Whalen,
will participate in the pro-
gram.

A very large crowd is ex-
pected. An invitation is ex-
tended to everyone. Mr.
Beard emphasized the need
to make reservations by
June 30. The cost for the
meal will be \$4.50 per per-
son. Reservations can be
made by providing the infor-
mation requested below.

Dr. Flannery Outstanding Young Man

Dr. Alphonsus Ligouri
Flannery, of Iuka, has been
named for inclusion in the
1979 edition of Outstanding

Young Men of America
by the Board of Advisors
for the Outstanding Young
Men of America Awards
Program.

Men are selected from no-
minations received from
Senators, Congressmen,
Governors, Mayors, State
Legislators, University and
College Presidents and
Deans as well as various
civic groups - including the
United States Jaycees which
also endorses the Outstand-
ing Young Men of America

Program.
In every community there
are young men working dili-
gently to make their cities,
as well as their country,
better places in which to
live. These men, having
distinguished themselves in
one or more fields of en-
deavor, are outstanding and
deserve to be recognized
for their achievements. The
criteria for selection in-
clude a man's voluntary
service to community, pro-
fessional leadership, aca-
demic achievement, busi-
ness advancement, cultural
accomplishments and civic
and political participation.
The men listed, along with
fellow Outstanding Young
Men throughout North Am-
erica will be featured in
this prestigious annual
awards publication.

The Board of Advisors and
Editors salute all chosen as
Outstanding Young Men of
America. Great pride is
taken in bringing their ac-
complishments to the atten-
tion of the American public.

Card of Thanks

I would like to say THANK
YOU SO MUCH for your
visits, flowers, calls, cards
and your kindness to me and
my family during my long
stay in the hospital. A very
special note of appreciation
to the nurses and Dr.
Draper.
We will always remember
you.

Miss Diane Cutshall

To Wed Dwight Boyd July 28th

Mr. and Mrs. Douglas L. (Tidy) Cutshall, Iuka, and the late Mrs. Bonnie Cutshall.

Diane is a graduate of Iuka High School and Northeast Mississippi Junior College, and is presently employed as a Respiratory Therapist at St. Joseph Hospital East in Memphis.

Grandparents of the bride-elect are Mr. and Mrs. Lee Rutledge, Polk City, Florida; Mr. A. L. Joseph Flowers, Dyersburg, Tennessee; and Mr. Melvin

O. Boyd, Red Bay, Alabama. Durann is a graduate of Frayser High School, Memphis, and is presently employed by Kroger of Memphis and attends Memphis State University.

Vows will be exchanged in the Iuka Baptist Church on Saturday, July 28th, at 7:00 p.m.

Friends and relatives of the couple are cordially invited to attend.

Outstanding Marksmen At TVA Nuclear Plant

It is common knowledge that law enforcement personnel seldom draw their service revolvers except for target practice. In fact, Tennessee Valley

Authority Public Safety Service officers are no exception to this rule at the Yellow Creek Nuclear Plant north of here. Trespassers should beware, though, if entering the plant for criminal purposes. Captain Curtis Emerson's public safety officers are proven marksmen and recently demonstrated that by capturing the Yellow Creek Invitational Pistol Match on May 26 at the plant's pistol range.

"Officer Randy Kennedy was primarily responsible for initiating this event, and we plan to make it an annual affair," said Emerson, who serves as Director of the Yellow Creek Nuclear Plant Public Safety Service. "Most of the shooters came from the area this time."

Participating teams in the tournament included four teams from Yellow Creek Public Safety, one team each from the Hardin County Sheriff's Department, Savannah Police Department, Tennessee State Park Com-

mission Rangers, and one team representing the Mississippi Highway Patrol and the local Game and Fish Commission. A total of 37 persons competed in the event, including Emerson, a 10-year TVA veteran and former security director at TVA's Bellefonte Nuclear Plant. Emerson fired a 478 total out of a possible 500 to gain first place honors in the Master Class. John Dillehay, representing the Tennessee Conservation Department, shot a 468, and Yellow Creek public safety officer Ronald Ultz took third with 456.

In the expert division, Yellow Creek's Larry Martin gained third place. Yellow Creek's Phillip Kemp and James Curtis placed first and second respectively, in the sharpshooter category, while Yellow Creek's Raymond Vaughn and David Hale finished one-two in the marksman category.

TVA's public safety officers are required to qualify twice a year and must shoot 70 percent or above. New officers must qualify with their revolver in 90 days to stay on the force. Officers are furnished with a TVA issue Smith and Wesson model 15 .38 special combat masterpiece. Emerson, who attended Smith and Wesson's gun clinic in Springfield, Mass., performs all maintenance and parts replacement for the guns.

Emerson has won the TVA Valley-Wide Handgun Tournament four of eight years. On May 31, he finished 2nd in a field of 30 shooters at the Southern Area Public Safety Tournament held at Muscle Shoals, Alabama. Emerson and Ultz also teamed for a second-place finish at the Lawrence County Hangan Association staged in Hatton, Ala.

Midway RCDC Meeting

The Midway RCDC met June 25, at 7:30 p.m. The meeting was called to order by Ed Wynn. Mr. Wynn read the 24th Psalm and George Goldsmith led in prayer. The speaker for the evening was Representative Richard Clark. He gave a very informative report on the 1979 Legislature, explaining why some bills were passed and some were not. The group always looks forward each year to

TVA PUBLIC SAFETY Officers displaying YCNP Invitational first and second place trophies. Left to right: Kim Dawson, Iuka; Lt. Bob Waddell, Counce, Tenn.; Ray Martin, Florence, Ala.; Gerry Whitehurst, Corinth, Miss; and Capt. Curtis Emerson, of Florence, Ala.

having Mr. Clark as the guest speaker.

The meeting adjourned to meet July 23, at 7:30 p.m. with a guest speaker from the Nuclear Plant.

Benefit Run

There will be a benefit Hill Country Run on July 7, 1979, at Bonner Arnold Coliseum, Northeast Mississippi Junior College, Booneville, Miss., starting at 9 a.m. Registration time will be 7:30 to 8:30 a.m. Registration fee will be \$5. This event is sponsored by Shackleford Shoes and The Banner-Independent, and is benefitting the American Cancer Society. There will be five divisions for men and five divisions for women.

FISH FRY

There will be a fish fry Monday night, July 2, at the Booneville City Park at 7 p.m. on behalf of John Arthur Eaves, candidate for Governor.

Free fish and free entertainment.

COW facts & fancies

The number of milk cows in the United States in 1978 was estimated at about 10,866,000. That means that there was approximately one milk cow for each 20 people in the country.

Having large, healthy dairy herds helps keep our supply of milk up. One way farmers are protecting the health of their cows is by using Teat Shield™. Developed by the 3M Company, it's a liquid that is applied to the cow's

teats. It dries to form a soft film barrier which helps protect the teat against the invasion of dangerous coliform and other bacteria. The average American milk cow produces 11,252 quarts of milk a year—about a quart a day. But the milk cow, a Holstein, produces over 50,000 quarts a single year.

Johnson-Osborn Vows Exchanged June 6th

Mr. and Mrs. Lee Johnson, of Iuka, would like to announce the marriage of their daughter, Mary, to Mitchell Osborn, of Burnsville.

of Burnsville.

The ceremony took place on the anniversary of Mary's parents, June 6.

The couple visited parts of Memphis for their trip, and now reside in their home in Burnsville.

DARRAH DANETTE ENLOW, daughter of Greg and Danette Enlow, celebrated her first birthday Tuesday, June 26, 1979. Darrah enjoyed her party on Saturday, June 23. A Winnie-the-Pooh cake decorated the table, along with other goodies. Those present, other than Mom and Dad, included Mr. and Mrs. Charles D. Lam-

bert and Kenny, Mrs. Jeanette Enlow, Mr. and Mrs. G. E. Wynn, Betty, Darla, Rhonda and Glenda Jones, Mr. and Mrs. Jerry L. Barnes and Courtney, Mr. and Mrs. Chuck Thorp and Trey, and Mr. and Mrs. David Yarbrough and Tracy, Carolyn and Jason Hamm. Darrah received many wonderful gifts.

Visitor Had Narrow Escape

Bobby Moak, a recent visitor in the home of Mrs. Lela Clark, had a very narrow escape the first day he started to work aboard Ranger I oil drilling rig when the 1,300 ton platform collapsed and sunk in the Gulf of Mexico.

Moak, of Bogue Chitto, Miss., who will be a senior at the University of Mississippi this fall, had boarded the rig with Nuke Carlisle, another Bogue Chitto boy, and two other men around 7:30 p.m. Thursday night. They had just started work near the drilling platform. The men had worked on an oil rig before, so when it started falling in, Moak said, "I thought it was just shifting again. When the legs of the rig collapsed I guess, I fell inside, I heard people hollering, 'it's going down, it's going down'."

"A piece of pipe or something hit me on the head and I was knocked unconscious."

"When I woke up, I was out in the Gulf floating with my face down, breathing in water."

Moak said he took off his clothes and boots so he could swim easier and within a few minutes he reached a styrofoam raft floating about a half of a mile from the submerged rig. Moak tied his clothes to an oar and used it as a flag and another waved a red safety light that had floated from the rig.

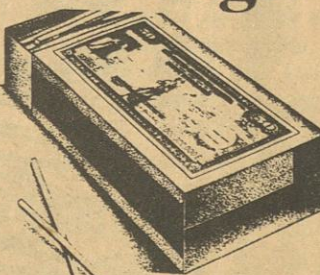

In about 30 minutes they were picked up by a tugboat. Neither boy was seriously hurt and stayed out to help look for the other crewmen. Thirty-four men were aboard the rig when it went down. Twenty-six were rescued, including four that were seriously injured.

Divers explored the sunken rig on the chance some of the men may have found air pockets, but the search was given up, as they found no sign of the men.

Bobby Moak's mother, Mrs. Peggy Moak, of Bogue Chitto, is a cousin of Mrs. Clark and had been corresponding with her since her own high school graduation. Bobby didn't seem like a stranger for Aunt Lela had pictures of him and his sisters since they were babies. Bobby's plans are to graduate next year and enter law school at Ole Miss.

Bobby was carried to Coleman Park, to the Tennessee Tombigbee bridge at North Crossroads, and then to Paden to look the small town over. Here he visited other kin.

SUMMER READING & FUN PROGRAMS

The special programs for children, ages 7 - 14, each Wednesday, from 11 - 12 o'clock at the Iuka Public Library, are being enjoyed by a number of young people. However, due to the July holiday the program will be suspended next week, but will resume the following week, on Wednesday, July 11th.

all day Wednesday of next week in observance of Independence Day. Or if you wish to use the popular name for it -- The Fourth of July. The important thing to remember is that it is the birthday of our Nation, and it is observed as a legal holiday in all the fifty states, the District of Columbia, and territories and possessions of the United States of America.

HOLIDAY CLOSING
JULY 4TH
The library will be closed

Romanticize your bedroom

with quality, built by

LEHIGH

triple dresser, tri-view mirror, roomy chest-on-chest and decorator chairback bed ... loaded with special features!

quality-built by **LEHIGH**

A romantic mood is created by this bold ensemble. Rich detailing adds a graceful note to its generous proportions. Double-profile shaped top drawers, decorative overlays and extra-heavy hardware highlight the "Valencia" oak tone stained and engraved on selected wood solids, wood products and Lehigh specification molded components.

spacious triple dresser, twin hutch, roomy 5 drawer chest and decorator chairback bed

Mediterranean design is at its best in the suite. "Valencia" oak tone is stained and engraved on selected wood products and Lehigh specification molded components enhanced by bold decorative details and custom hardware.
