THURSDAY, MAY 24, 1990 NO. 50

William W. "Bill" Smith For Chancery Judge

Booneville attorney William W. Smith has announced his candidacy for Chancery Judge of the First Chancery Court District, in the 5th Democratic Primary Elec-

the Booneville-Baldwyn Airport Board, Mississippi State University Alumni Association, and Mississippi College School of Law Alumni Association.

In announcing his candidacy, Smith made the following statement:

"I have been actively engaged in trial practice for over 17 years and have practiced extensively in Chancery Court. Chancery Court hears such issues as divorce, child custody and support, property line disputes, estate matters and adoption. I believe my trial experience in Chancery Court has qualified me to serve as Chancery Judge. If elected, I will be accessible to everyone with business before the Chancery Court and will decide the issues before the Court based on the law and evidence presented with impartiality."

Chiefs In North Half Championship

The Iuka Chieftains will compete for the North Half Championship title today (May 24) as they meet East Webster in the best two of three playoffs in Cumberland, Mississippi. Iuka travels to East Webster one up in the play. Pep buses will be traveling from Iuka to East Webster today leaving the school at 12:30 p.m. There will be no charge for the ride and everyone is invited to join the fans and root the Chieftains to the North Half Championship.

Iuka 14 - East Webster 2

East Webster traveled to Iuka on Tuesday for the opening game of the North Half 2A State Championship.

Iuka's attack started off in the first inning scoring nine runs on six hits. Chris Cornelson hit a two run homer. Tony Brown drove in the 9th run with a double.

East Webster had two hits in the top of the third and scored one run on a balk. In the 4th inning Jay Jennies lead off with a solo home run.

Iuka completed the game scoring two runs in the bottom of the 3rd. Richy Harrelson slapped a two run homer to end the game in the fifth.

Iuka scored 14 runs on 11 hits. The Chieftains offense was lead by Tony Brown who hit 3-4 with one double, Cornelson went 2-3 with one double and one homer, Harrelson was 2-4, one homer and Casey Murrah went 2-2.

Richy Harrelson picked up his 13th win. He struck out 6 while walking only three batters. Jason Lloyd took the loss.

Iuka travels to East Webster which is in Cumberland near Maben Thursday (today) afternoon for a 4:00 game.

Buses will go from the school carrying as many fans that want to go. Load up and root our boys as they vie for the North Half Title.

Opinions Voiced At Environment Hearing

Area citizens and Gulf Coast residents were among those who voiced opinions at a public meeting Thursday, May 17, in Iuka held by the state Bureau of Pollution Control.

Expressing opposition to the National Aeronautical and Space Administration advanced solid rocket motor plant were members of Citizens for a Healthy Environment, an environmental activist group that originated in Waveland on the Gulf Coast.

Members of the group warned that Northeast Mississippi area residents will be affected by toxic air contaminants resulting from the production of the rocket motors.

Group member D.C. Harvill, who lives near Stennis Space Center where the solid rocket motors are to be tested, said that the ASRM project was being opposed by NASA's own

safety council and that the plant would not be allowed to exist for the duration that NASA says it will.

In a statement, the environmental group said that the ASRM production would result in the production of approximately 1 million pounds of waste propellant per year, classified as hazardous waste, which NASA plans to burn at the Iuka facility.

"The toxic pollution from launches and static tests of solid rocket motors has damaged crops and personal property and killed fish and wildlife," the statement read. "Stratospheric emissions of hydrogen chloride and chlorine by solid rocket motors are contributing significantly to the destruction of the ozone layer." The group opposed open burning as the means of disposal of the waste and endorses an alternative called critical fluids

demilitarization.

Royce Mitchell, NASA's solid rocket motor project manager, defended the use of the solid rocket motor, which will offer more payload and demand fewer shuttle flights to accomplish missions.

"We will meet the environmental regulations," Mitchell said. "If we can't, we won't continue with the project."

Charles Levinsky, project manager for Aerojet, explained the air quality permit and hazardous waste permit which will be required for the operation. The open burning of waste propellant will be the largest source of air emission at the NASA plant, he said.

Aerojet is the subcontractor in charge of design and production of the motor. Lockheed Missiles & Space Company is the prime contractor and systems engineer for the project which by 1995, will provide ASRMs to help launch America's space shuttles.

About 100 people attended the meeting held in the Iuka High School Auditorium. Several area residents expressed public comments in support of the rocket plant.

Bob Worsham, a Corinth businessman, said he had visited Lockheed and Aerojet facilities in California to answer questions in his mind about the environmental standards maintained there, and he noticed an abundance of wildlife living in harmony. Worsham also said that the fact that homes and property was being purchased near the facility told him how the safety professionals felt about the project.

Dr. Harry Cosby, retired Iuka physician, said he was in support of the NASA project and that it would be a good project if properly done.

An Alcorn County resident said that he was convinced that testing of the motors at the Stennis Center had not aroused the opposition of coastal residents "as we have been lead to believe." He also said that Aerojet had pleased the state of California and the Environmental Protection Agency for 30 years.

Tom Minga, who is retired from the Air Force Missile program, stood to voice his approval of the solid rocket motor, which is "very safe," he said. Minga lives three miles from the plant site and he is interested in the environment.

Sam Mabry, in charge of the hazardous waste aspects of the project for the Bureau of Pollution Control, said that the hazardous waste permit would only be issued if the facility was designed and operated so that soil, surface water, groundwater, and air were protected.

Levinsky said that all ASRM storage tanks at Yellow Creek will be above ground and will have secondary containment walls. Underground tanks inherited from the Tennessee Valley Authority will be removed in an environmentally safe manner, he said.

The only water drawn from Pickwick Lake will be for the fire protection system, and holding ponds will prevent run-off back into the lake, Levinsky explained.

Lockheed and Aerojet also intend to have an incinerator, which will be a thermal oxidizer, in effect, in operation before the start of ASRM production.

The technology and equipment are being developed in a demonstration unit at Aerojet in Sacramento, and testing has already been approved by the Environmental Protection Agency. Clearance from the health department is now being awaited before the unit can be started up.

Linda Campbell, who represented a toxics campaign, questioned the possibility of accidents at the plant, reading a newspaper article about such an explosion.

Calling it a "dangerous business," Mitchell said that he didn't know of any rocket plant yet that had not experienced an accident.

"I can candidly say that in the life of this plant, there will be some type of incident," Mitchell said.

Charles Chisolm, director of the Bureau of Pollution Control, said that the meeting was the beginning of the permit process. No applications for the project have been received by his agency yet, he said. The permit process would not end without additional public participation, he said.

Judge James L. Roberts, Jr. Asks For Votes On June 5th

Chancery Judge James L. Roberts, Jr., of Pontotoc is a candidate for reelection as one of three chancellors in the First Chancery Court District comprising Alcorn, Tishomingo, Union, Prentiss, Itawamba, Lee, Monroe and Pontotoc counties. The election will be held on June 5.

Judge Roberts was appointed to the chancellor's post by Gov. Bill Allain. He has served in this capacity since January 11, 1988, and received the largest majority of votes cast in last summer's special election. Formerly, he was Mississippi Commissioner of Public Safety, which included administering a state budget exceeding \$30 million with more than 900 members of the Mississippi Highway Safety Patrol and related law enforcement agencies.

He served 12 years as the Pontotoc County prosecuting attorney. He was engaged in law practice in Pontotoc from 1971 until 1984. He is a graduate of Millsaps College with a B.A. Degree; of Mississippi State University with a Master's Degree in Business Administration, and was graduated from the University of Mississippi Law School with a Juris Doctor Degree in 1971.

Judge Roberts earned numerous academic and scholastic honors in high school and college and has received professional recognition through local, district, state and national bar association membership. He is a graduate of the General Jurisdiction Course at the National Judicial College in Reno, Nevada, a requirement now for any new judge.

"I ask the voters of the First Chancery Court District to keep me as one of the three judges to be elected in June," Judge Roberts said. "Because I have already completed the General Jurisdiction Course, there will be no requirement for additional expenses to the taxpayers in order to meet these requirements."

Judge Roberts is 44 years old and is a native of Robbs Community in Pontotoc County. He and his wife, Rose, are members of the First United Methodist Church of Pontotoc. He has been active in church affairs as a Sunday School leader and church officer. He is a 32nd Degree Mason and a Shriner.

Active in community organizations, Judge Roberts was named Pontotoc County's Outstanding Young Man by the Jaycees, has served as an officer in the Pontotoc Rotary Club, including president, is a member of the Pontotoc County Chamber of Commerce, and has served as county

chairman for both the Pontotoc County American Cancer Society Campaign and the Pontotoc County Heart Fund. From 1972 until 1988 he was Pontotoc County Commissioner for Region III (Northeast) Mental Health-Mental Retardation Commission and was chairman from 1982 until 1988. He is a former director of the North Mississippi Kidney Foundation, Inc.

He has served on Mississippi's Criminal Justice Planning Commission, 1980-1984; the Pontotoc County Democratic Executive, 1976-88; Chairman from 1980-88; the Mississippi Democratic Party Executive Committee, 1980-88. Judge Roberts holds membership in the Pontotoc County Association, the First Judicial District Bar Association, the Mississippi Bar Association, the American Bar Association, the American Judicature Society, and is a member of the Mississippi Law Enforcement Officers Association, and the Tennessee-Mississippi Sheriffs & Peace Officers Association. He is a member of the Mississippi Judicial College and Chancery Judges Conference, the National Council of Juvenile and Family Court Judges, the National College of Probate Judges and the Judicial Division of the American Bar Association. He is a former member of the Mississippi Prosecutors' Association, the National District Attorneys Association, the Mississippi Trial Lawyers Association and the International Chiefs of Police.

Judge Roberts is a member of the Millsaps, the Mississippi State University, the University of Mississippi, and the University of Mississippi Law School alumni associations. He has served as a member of the Rotating Faculty Pool, the Court Education Program, Law Center, the University of Mississippi. Additionally, he is a member of the Mississippi Conference on Social Welfare. He served as a member of Governor Allain's Commission on Constitutional Revision for 1985-86 and was a member of Project Second Chance Advisory Board, a program initiated by Governor Allain to address the problems of released offenders from the correctional system and to relieve prison overcrowding.

He received the Herman C. Glazier Award from the Mississippi Chapter of the American Society for Public Administration as Outstanding Appointed Administrator on the State Level for 1985. He was also presented the National 1987 Equal Opportunity/Affirmative Action Exemplary Practices Award for providing leadership in the area of equal opportunity while serving as director of the Mississippi Department of Public Safety.

"I hope to see the voters of this district before the election to ask personally of as many as possible your vote and consideration," Judge Roberts stated. Since I will be presiding over court sessions during this time, I will have limited opportunities to make personal visits. I sincerely do seek your support. I appreciate the kindnesses you have shown to me in the past. To those who may not know Jim Roberts, I invite you to ask your lawyer friends, or those who work with courts about me. Thank you."

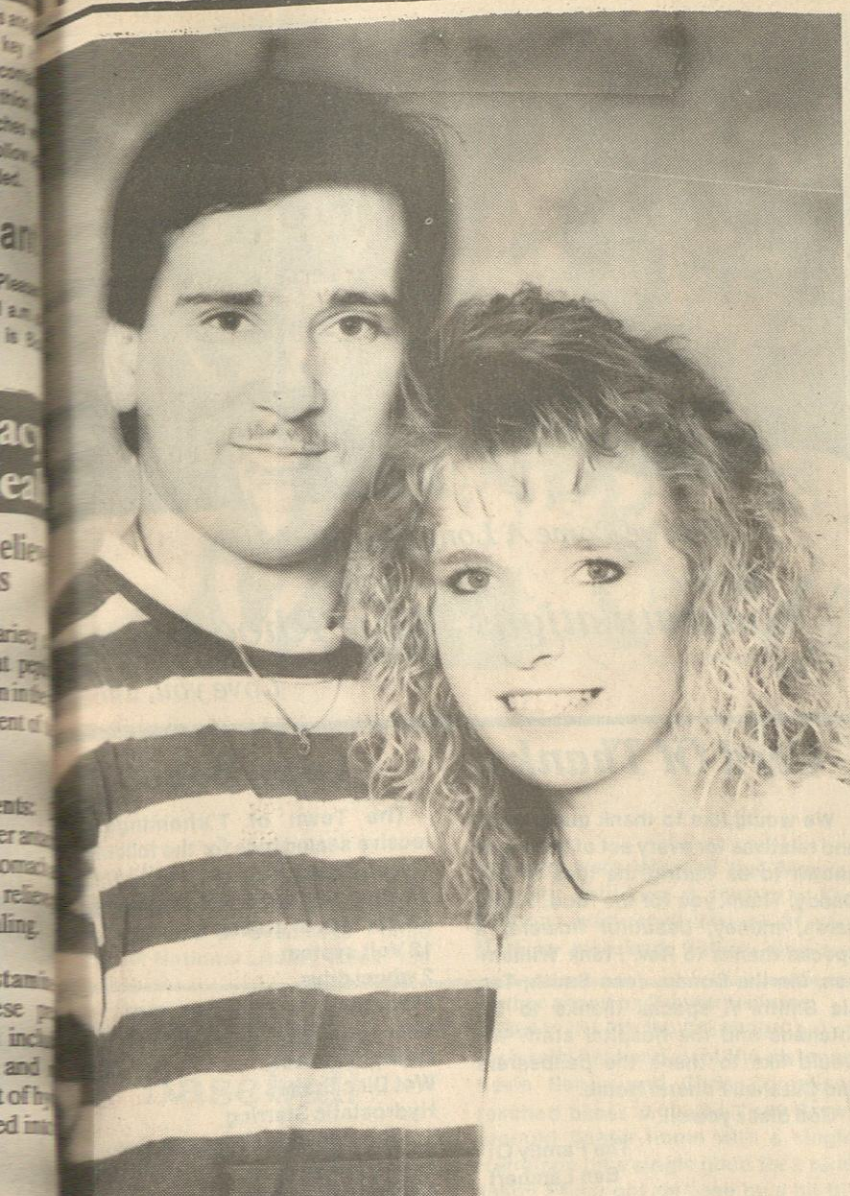

crew from Tishomingo County Electric Power Association repairs power lines damaged by a fallen tree South Main St. in Iuka Monday morning. A storm system, which moved through the area shortly before 7 a.m. producing heavy winds, snapped trees and brought down power lines. Thousands of county

customers were without power following the storm, said Robbie Grisham of the power office, and it was midnight Monday before work crews had service restored to all customers. Although no tornado was sighted, some trees appeared to be twisted, Grisham said, but most were uprooted or broken by what were extremely high winds.

Requirement Of The B.E.S.T. Bill

A requirement of the B.E.S.T. bill, effective July 1, 1990, is that all children must satisfactorily complete kindergarten before entering the first grade. The State Board of Education at its May meeting stated that all established kindergarten programs in the state, public or non-public, will be deemed acceptable for the 1990-91 school year. However, minimum standards and guidelines to establish a program as an acceptable kindergarten will be set for the 1991-92 school year. These guidelines will be written by State Department staff and presented to the State Board for approval in December, 1990.

Dale White In Who's Who In MS

Chuck Lambert, Chairman of the Advisory Board of "Who's Who in Mississippi", announced recently that Dale White of Iuka has been selected to be honored in the new prestigious recognition publication, "Who's Who in Mississippi".

Personal profiles summarizing achievements and honors attained by recipients comprise the information needed for this special honor. Only a select number of Mississippians are chosen to appear in the publication

annually. Admission to this elite group is confined to those of noteworthy success within their own fields of endeavor.

The outstanding achievements and service in the fields of Emergency Medical Services and Forensic Science by Dale has distinguished him as a predominant figure in Mississippi. The entire Advisory Board of Who's Who in Mississippi joins the family, friends and associates of Mr. White in extending our heartfelt congratulations and thanks for their unselfish devotion to make Mississippi a wonderful place to live, work, and play.

Five Generations Celebrated Mae Adams Flynt's Ninethieth Birthday

Mae, born May 11, 1900 in Iuka, where her only living brother, Paul Adams resides. Her father Dave Adams will be remembered as the Post Master of the Iuka Office for many years.

In 1922 Mae married Robert Allen Flynt a building contractor. There are still many homes and buildings in Iuka, constructed by him. They moved to San Antonio, Texas for six years returned to Iuka 1932, later moved to Marianna, Florida where Bob died in 1942. Mae returned to live in Corinth to be near her sister the late Annie Reid. In 1965 she moved to California to be near her family.

This marriage produced two daughters, Dorothy Jane and Elizabeth Ann, 8 grandchildren and 12 great-grandchildren and one great-great-granddaughter.

Mae considers herself a "Lucky" person, but the people who know her are the Lucky ones.

On May the 12 her daughters hosted a beautiful ninetieth Birthday Reception in her honor at 615 Holly St. Apt. 504 in El Segundo, CA 90245 where she is residing.

Vitamins, Minerals & Your Health

Fluoride Content of Bottled Water

The recent recall of bottled water has made me wonder if there are risks associated with these products. What do you think?

According to Sheila McGuire, D.D.S., at the Harvard School of Dental Medicine, there are two types of bottled water: drinking and mineral. The former is for everyday drinking and cooking. Mineral water often is carbonated and is an alternative to soft drinks and alcoholic beverages. In 1988, Americans spent over two billion dollars for mineral waters.

Writing in *The New England Journal of Medicine*, Dr. McGuire cautions that most bottled waters do not contain the amount of fluoride that the Environmental Protection Agency has set as being "optimum" for municipal water supplies. The optimum range for fluoride is 0.7 to 1.2 parts per million, and the maximum acceptable level is 4 parts per million.

Of 12 popular bottled waters tested, only Perrier Naturally Sparkling Mineral Water - at 1.9 parts per million - contained the amount of fluoride that was in the "acceptable" range. All other waters contained no more than 0.65 parts per million, and three contained less than 0.1 parts per million of fluoride. Dr. McGuire concludes that, "bottled water could be lacking fluoride, one of the truly healthful and natural elements..."

McKee Reunion

Children, grandchildren and great-grandchildren of the late Elzy Clay McKee and Mary Lou Milford McKee met at the home of Rivers McKee Bates on May 5, 1990, for a family reunion. A total of thirty-two enjoyed a bountiful lunch and great time of visiting together. Those present were: Rivers McKee Bates, Sheila and Leah Bates, Albert and Madirra McKee Wilson, Clay and Lajetta McKee, David and Annette McKee Brown, Iuka; Clint and Rita McKee, Belmont; Hughie and Charlotte Bates, Paden; J.L. and Evelyn McKee Whitehead, Lloyd, David and Carl Whitehead, Dennis; Ray and Joyce McKee, Jerrell and Pam Bates, Stephanie Bates Tishomingo; Bozy and Blondia McKee Welch, Corinth; Linda Bates Adams, Fulton; White and Betty McKee, Powder Springs, GA; and Ronnie, Lisa, Andrew and Eric McKee, Dublin, GA.

This was the family's first reunion since the death of Clay and Mary Lou McKee. However, everyone had such a wonderful time that they decided to make it an annual event. The next reunion will be May 25, 1991, at the home of Rivers Bates. Hope each family member will make plans to attend.

NEMCC Announces Summer School Registration

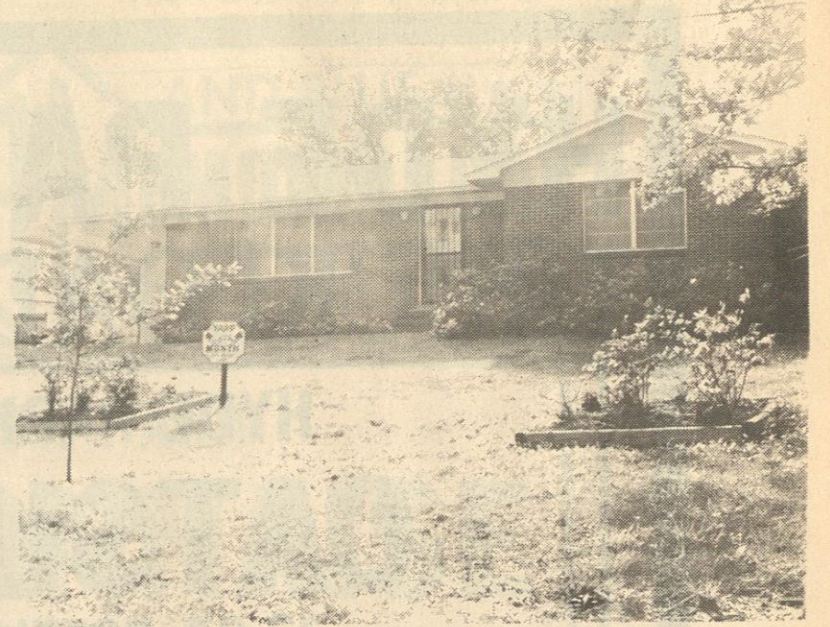

Northeast Mississippi Community College will conduct registration for evening summer classes on Thursday, May 31, and for day classes on Friday, June 1.

Registration for evening classes will be held in Patterson Hall at 6:00 p.m. Day class registration will be in Estes Hall between 8:30 a.m. and 3:00 p.m.

Cost for summer school classes is \$30 per semester hour plus a \$15 registration fee. All classes begin on Monday, June 4.

Approximately 45 courses are being conducted on the Booneville campus in the day session and 15 in the evening session. English Composition, Spanish 1, and oral communications will be offered at the New Albany Vo-Tech Center. Registration for all classes is on the Booneville campus.

For additional information contact the Office of Admissions at 728-7751, Extension 262.

Yard of the Month-The GFWC 20th Century Club Yard of the Month for the month of May is the lovely yard of Mrs. Percy Stricklin on Hwy.

25 South. The rhododendrons, azaleas, iris, snowballs, pinks, and geraniums are in bloom. McBride's Garden Center donated a \$25 gift certificate to Mrs. Stricklin.

Burnsville Headstart & Kindergarten recently participated in the balloon release at Burnsville Public Library for National Library Week. 130

balloons were released that Monday morning April 23rd at 10:00 a.m. The balloons were compliments of Wal-Mart in Iuka and Helium was fur-

nished by Gail Skinner of Flowers and Balloons by Gail in Burnsville. Thanks to all who made this a success. Librarian Donna Burns.

Chieftain Baseball

Without a doubt Thursday's game at Caledonia was on of the best ever played by the Chieftains. They showed in the pace of all kinds of problems and set backs they have heard.

Brian Bullard led the Chieftains to a hard fought victory with 13 strikeouts. This win brings Iuka to 35-6.

The score see-sawed throughout the ballgame. Casey Murrah, 3-4, came home on a single by Richy Harrelson to put Iuka up first. Caledonia had two runs in the bottom of the 1st Ronald Jones popped a home run in the 2nd and came home on an error in the 4th to put Iuka ahead again.

Caledonia got 2 runs off a home run by Randle McKinstry making the score Iuka 3 to 4 at the bottom of the 6th inning Caledonia went

further ahead on 2 unearned runs.

But in the 7th the Chieftains put on their rally hats and went the distance. Kevin Senter and Chris Cornelison reached bases on balls. Tony Brown brought Senter home with a single. Harrelson hit a single good for 2 runs. Jason Rhear got on base by a hit pitch. Shaune Holiday brought Harrelson home with a hit. With one out Bullard hit a sacrifice fly to center field bringing Rhear home for the winning run.

Caledonia had one run in the bottom of the 7th making the score 8-7. Harrelson came in to relieve Bullard with the last batter for a strike-out to end the game and clench the win for the first set of games in the North quarter finals.

Iuka will host East Webster Tuesday, May 22 then travels to Cumberland on Thursday for a 4:00 game. They play another best of 3 series to decide the North Mississippi 2A champs.

In back are, from left, Pam Larson, Paula Park, Jason Suggs, and Brian Colby. Seniors not available for photograph are Lorrie Mayo, Brad Sweeney, Roger Welch, Holly Williams, Leanne Belue, Carol Curtis, Tamara Boggs, and Debbie McMeans.

Monica Aday, a sophomore at Burnsville High School, has been accepted as a member of the fall 1990 class of the Mississippi School for Math and Science. Miss Aday, daughter of Mildred and Robert Aday of Iuka, is the first student from Tishomingo County to be selected to attend the school.

She is among the 140 students who will comprise the third class at the School of Math and Science, which is the state's only public residential high school for academically able students. The school is located on the campus of Mississippi University for Women in Columbus.

Selection to the school is based on grades, ACT scores, application, interview, essays, and recommendations. The curriculum emphasizes mathematics and science, while providing strong programs in English, social science, art, music, and physical education. Students graduate with at least 23 credits and are prepared for a rigorous college or university program.

Some of Monica's classes for the 1990-91 school year include: Honors English, Astronomy, Anatomy & Physiology, Chemistry, Geometry, U.S. History, Physics, Creative Media, and Global Studies.

Monica is the granddaughter of Millard Osborn and Mary Lee Osborn of Iuka and Letha Aday of Burnsville.

Personal

Wayne Adams, Hosea and Cindy Sermandez of Broadway, VA have recently visited with Mr. and Mrs. C.M. Adams and other relatives.

National Nursing Home Week
Residents at the Iuka Nursing Facility kicked off National Nursing Home

Week with a balloon release on Monday, May 14. The week lasted May 13-19 and was marked by many other ex-

citing activities and events for residents and families. The theme for the week was "Love is Ageless."

Poems Of The 7th Grade Reading Class

These poems were inspired by the poem "Knoxville, Tennessee" written by Nikki Giovanni. Students were asked to write a poem about Iuka, MS. Mrs. Mitchell's 7th grade Reading Class.

"Mineral Springs Park"

If you like beauty,
There's a place you ought to go.

Where waters of minerals,
Continually flow.

There are animals always playing around
You'll never see an unclean ground.

There are trees so tall,
That they seem to touch the sky.

This is the place,
Chief Iuka chose to die.

Iuka, Mississippi

Iuka, Mississippi is a great town.
It used to be a small town,
But it is growing everyday.
There are alot of new things being built,
And alot of things going on.
We have a NASA plant
fixing to go in progress.
And it is gonna give alot of people
New appreciations to have good paying
jobs. We hope to have a new school.
And more activities for us young people
to participate in.
I hope in later years to come,
It will be a bigger and better place
for us and a drug free community.
I am very happy to live here in Iuka.
By: Chris Blair

Iuka, Mississippi

I always like summer best
because...
You can ride bikes
and jump on a trampoline
and swim
and get up on Sunday
and go to church
But most I like

best about Iuka, Mississippi
is the peace and quiet.

By: Joey Pruitt

Iuka, Mississippi

I love it in fall when you can
hunt deer,
and rabbits,
and doves,
and squirrels,
and quails,
and turkeys.
And then take them home
and eat them.

By: Stephen Williams

Iuka, Mississippi

Iuka is a wonderful place to be
it is quiet and peaceful
it has many parks
pools
ponds
lakes to swim in and best of all
you can ride three-wheelers and
motorcycles.

Iuka, Mississippi

In the town of Iuka
Where the Tombigbee rolls.

A place rich in heritage
Where mineral springs flow.

A town where our fore fathers
fought for a good reason it is said

Is looking forward to progress
In the few months ahead.

From horsedrawn carts
to Rocket boosters to
give the shuttles
their start.

By: William Bolton

Iuka, Mississippi

Iuka is small and pretty.
Iuka is loud and noisy.
Then again,
It's peaceful and silent.
Iuka is a good town.
Iuka may be small.
But this is where I'll stay.

By: Brad Thompson

Iuka, Mississippi

Iuka is small,
And our buildings are not tall.
We have a nice park
And we are not scared after dark.
Our Chief is Amos
And he is not famous.

By: Clint Robinson

Iuka

Iuka is my home.

We play baseball and basketball.

We go hunting and fishing.

We ride four wheelers and motorcycles.

And when we are finished

Then we go inside

and rest up for the next day.

The Boys of Iuka

The towns people turn out to lend
support to the boys of Iuka who play
this sport. In uniforms of white, black,
and gold, they take the field, their title
to hold.

The people chant and clap as Ripp
hits the ball with a solid slap. The
crowds wait in breathless suspense
as the ball rises and floats over the
fence.

I've been told of stories from '73 and

ACT Cancell

The residual ACT (American College Test) scheduled for May 28 on the Northeast Mississippi Community College campus has been cancelled due to the Memorial Day holiday. A summer testing schedule released at a later date.

'74. When merchants in town would lock their doors and follow these boys to watch them play. And on overnight trips they too would stay. State Champs in '73 and '74. Is there any need for me to say more. State Champs again '89. Hopefully next year it will be my time. By: Chris Daugherty

sors of her daughter Linda, to the Shriners Burn Hospital in Galveston, Texas. Linda has been a patient at Galveston for over 5 years. Lady Cynthia was presented a plaque which reads as follows: Certificate of Appreciation, Presented to Lady Cynthia Tallieu for Outstanding and Dedicated Service. Tri-County Shrine Clown Unit 1990. Pictured left to right are Lady Cynthia Tallieu and Gerald Norman.

In Memory Of Casey Clay Who Died 1 Year Ago Today

It started out a fishing trip a year ago today,
You were so happy you could hardly wait,
You couldn't know you'd travel much further than you'd planned,
Soon you'd be walking through the pearly gates,
How I'd like to go back to that year ago,
And hold you close and say stay here with me,
But I know I'm being selfish because I love you so,
For right now you're happy as can be.
I know that you're with Jesus and in his loving care,
You'll know no pain you'll never shed a tear,
But down here on earth it's different, the pain won't go away,
And oh Lord how I wish that you were
At times I keep remembering what all you've missed down here.
Then God shows me how much he's given you.
He's given you a mansion and there is a crystal sea,
And it won't be long till we'll all be there too.
It helps to know there's children there, seems I can see you now,
And hear your laughter as you run and play,
And I thank God he let us keep you for a little while,
Till he called you home one-year ago today.

Pre-Planning Provides Peace of Mind

& Substantial Savings

Because some day, someone in every family will be faced with making funeral arrangements for a loved one, a Pre-Need Plan offered through Cutshall Funeral Home is designed to take un-necessary hardships out of a death in a family.

One big advantage of planning in advance is that a funeral is planned at today's values. While prices are escalating, your cost remains the same. You have greater flexibility than a pre-need trust or pre-paid funeral.

Example: A person pre-planning a \$3,000 funeral at age 65 would pay \$2,223, saving \$777.00. At age 50 that person would pay \$1,771, saving \$1,229. (These figures are for example and funeral of different price and for persons of different ages would reflect similar savings. This pre-need plan offered through American Funeral Assurance Company is available from age 0 to 100)

Remember the Cutshall Pre-Need Funeral Plan offered through American Funeral Assurance Company guarantees future values at today's prices, regardless of the rate of inflation.

Find out how easy and beneficial a Pre-Need Plan provided through Cutshall Funeral Home can be. Mail this coupon or call for an appointment with one of our professional planners.

Wolfard - Cartwright Spoke Wedding Vows In Tuscumbia

Krystal Allison Wolfard and Juanita Cartwright IV pledged the marriage vows on May 5, 1990 at Our Lady of the Shoals Catholic Church in Tuscumbia, Alabama with Rev. Bernard Patterson O.B.S. officiating.

The bride is the daughter of Juanita Lomenick Wolfard of Sheffield, and Lon Wolfard of Florence. Her grandparents are Mattie Lomenick and Robert Felix Lomenick (the late) of the late Ethelyn Wolfard and the late Professor N.E. Wolfard of Norman, Oklahoma. Parents of the groom are Mr. and Mrs. Lon Cartwright III, Dinero, Texas. The bride's wedding gown was designed by a New York designer fashioned french lace and seed pearls, a floor length sheath with a classic neckline and high tulip short sleeves. The train completely detachable was of ivory satin edged

with matching French Lace and pearls. She carried a classic bouquet of champagne roses and staphanotis and lily of the valley. For her daughter's wedding and reception, Juanita Wolfard chose an off white suit by Lily Ann and a corsage of Gardenias.

Mrs. Leigh Cartwright, mother of the groom, wore a linen pastel dress and a corsage of Gardenias. The reception followed the ceremony and was held at The Tennessee Valley Country Club. The bride and groom greeted each guest. The bride's table held a five tiered cake decorated with fresh pale pink roses and babies breath. The large food table was adorned with a towering centerpiece of heather, stock, tulips and roses.

The bride was escorted in marriage by her brother LT. Russell C. Wolfard. Her attendant was Cynthia Ann Wolfard Hudson, sister of the bride

The groom's table served chocolate cheesecake and was decorated with pheasants and ivy, along with silver service, serving coffee. Champagne table and punch table held a silver vase of pink roses and baby breath. Spring flowers were throughout the club.

Some of the out of town guests were: Mr. and Mrs. Charles Jolly of Franklin, Tennessee; Mr. and Mrs. Keith Denton, Birmingham, AL; Mr. and Mrs. Thomas Barksdale, Nashville, TN; Miss Julia Irvin, San Antonio, Texas; Commander Robert Wolfard, Norman, Oklahoma; Mrs. Catherine Pannell Pace, Richmond, VA; Ms. Marie Moser, Memphis, TN; Mrs. Marion Moser Hawkins, Houston, Texas; Mr. Rose Irvin, Fayetteville, N.Y.; Mr. Will Carter, Dallas, Texas; Mrs. John Cain, Nashville, TN; Mr. and Mrs. John E. Cain, Jr., Nashville, TN; Dr. and Mrs. Robert Roy, Nashville, TN; Mrs. Jane Weed, Beaumont, Texas; Gen. and Mrs. J.J. Irvin, San Antonio, Texas; Claire and George Vaughan, San Antonio, Texas; Jo Anne McWilliams, Huntsville, AL; Mr. and Mrs. Rea Huston, and Mary Catherine, Daltewah, TN; Mr. and Mrs. David Gura, New York City, NY; Mr. and Mrs. Clarence Moody, Cherokee, AL; Thomas Lee Bonds, Hartsell, AL; and Mr. and Mrs. Bill Gurley, New

Port Richey, Florida. Parties held for Krystal were: A coffee held at the home of Judge Inge Johnson on April 7th. Hostess were Inge Johnson, Fay Francis, Jackie Hatcher, Donna Stolsworth, Teresa Cross all of Tuscumbia, AL.

A Tex-Mex "Stock Your Library" party. Held at the home of Jeff Taylor in Florence, Alabama. Hostess were Lyndi Gura, Michelle Denton, Vicki Alexander and Beth Taylor. A bridal shower held at the home of Stan and Lee Munsey in Sheffield on April 26th, Hostess Lee Munsey.

A Cowboy Brunch held at the Bill Robbins home in Florence, AL. Hostess were Suzi Robbins and Lyndi Gura.

The Wolfard - Cartwright rehearsal party was held on May 4th at 7:30 at Mapleton in Florence, AL. Hosting the party were Leigh and Lon Cartwright, parents of the groom. The party was done in Old South tradition. After cocktails the guests were seated to a four course supper while Joey Holder, the pianist, provided delightful background music. The evening ended with many toasts and salutes to the bride and groom to be. Advice and memories of times gone by were shared.

After the reception, the bride and groom were showered with bird seed as they boarded a waiting limosine, to leave for a wedding trip to New Orleans and Costa Rica. The bridal couple will live at Twin Oaks, Ranch, Dinero, Texas.

Guests were presented miniature boxes of wedding cake as they left the club.

Happy Birthday Rab!

Garvin Odell (Rab) Arnold were en a surprised birthday supper Monday night May 14, 1990 at North Crossroads community friendship hall. Rab celebrated his 82nd birthday. He received gifts and money. Those present to celebrate his birthday were Bertha (wife) Arnold, Mike (brother) Robinson, Estis (brother) Arnold, Kathy Tigner, Mr. and Mrs. James Monroe, Jamie Monroe, Cristy Monroe, Mr. and Mrs. Jimmie Robinson, Anna Mirla Robinson, Jennifer Robinson, Lee Robinson, Mr. and Mrs. Leroy Robinson, Celia Arnold, Betty Arnold, Wanda Johnson and daughter Stephanie Brett.

All enjoyed the good stew with all the trimmings. The chocolate and coconut cake. All kinds of chips and sandwiches. Cookies of all kinds. All enjoyed the supper and had good time talking. We wish Rab many more happy birthdays. Thanks to the one's prepared the supper for him.

Celia Arnold.

Child Find Publicity Campaign And District Confidentiality Letter

The Tishomingo County School District is participating in an ongoing statewide effort to identify, locate, and evaluate children through the age of twenty-one who are physically, mentally, communicatively and/or emotionally handicapped. Early identification of children in need of special educational experiences is most important to each child. Furthermore, this information gathered from contacts with parents and other agencies, will be used to help determine present and future program needs as progress is made toward the goal of providing a free appropriate public education to all handicapped children.

Information which could identify an individual child will be maintained by this agency and will be provided to other agencies only in accord with the Family Rights and Privacy Act and EHA-B. As a parent, you are guaranteed the right to inspect any such information about your child and to challenge its accuracy. Access to this information is forbidden to any unauthorized person without informed consent. If you have questions regarding the collection, maintenance and use of data about your child, please contact Betty Barnes, Child Find Director for the Tishomingo County School District by calling 438-7471 or 423-7055 or writing to her at the following address: Superintendent's Office, Tishomingo County Courthouse, Iuka, MS 38852.

The Child Find Director implements child identification, location and evaluation of children birth through twenty-one who are handicapped, regardless of the severity of their handicaps, and who are in need of special education and/or related services. The Child Find Director works

with the local Headstart, Welfare, Health and Mental Health agencies, as well as local education agencies, physicians and other individuals to identify and locate children out of school and in school who may be in need of special education services.

Once a referral is made, it is the responsibility of the Child Find Director to insure that the Referral-to-Placement procedures are followed. The director works with Local Survey Committees at each school to implement this procedure. The following activities briefly describe the procedures.

Prior to evaluation, a copy of the Parent Information Pamphlet and Procedural Safeguards are given to parents. District personnel explain the Parent Information Pamphlet to parents and insure that they understand the Procedural Safeguards.

After parental consent for testing is obtained, a nondiscriminatory evaluation is conducted. Students are evaluated in all areas related to the suspected disability by qualified personnel.

Parents are notified when a student is ruled eligible for a special education program. An Individual Educational Plan is developed for the student before the student is placed. Parents must sign permission for placement. Parents, teacher and students participate in this process. All students receiving special education services are reassessed at least once a year and reevaluated at least once every three years.

We now have fourteen special education classes in our district which serve students who have physical, mental, communicative and/or emotional handicaps.

It is the goal of the Tishomingo County School District to provide free appropriate education to all handicapped children through age twenty-one by the year 2000.

Summer Reading Program At Library

The Iuka Public Library is encouraging young readers to jump into cool summer reading with its special Summer Splash reading program. The free summer library program is designed to encourage the enjoyment of reading. It is very important that children maintain their reading skills during the summer months. The library program is designed to encourage reading in an enjoyable atmosphere. The program will begin June 6 and continue through the month of June. Each Wednesday the children will meet at the library at 10 a.m. for an hour of games, crafts, contest and stories and a special program. Children in grades 2 through 6 should come by the library to register or call the library at 423-6300.

New Lebanon Cemetery Notice

In the past, the wind has blown many of the flowers off the graves at the New Lebanon Cemetery. The caretaker does not know where they belong. He might put them on the wrong grave. We suggest you put your loved one's name under the monument flowers in a protected envelope. Maybe this will help solve the problem. We appreciate so much the faithful ones who give each year for the upkeep of your loved ones graves.

We hope you can continue to give this year.

Thank you,
The Treasurer &
Cemetery Committee

A Prescription for Fishing and Maintaining Farm Ponds

Good fishing can be enjoyed for years if you follow a sound pond management program. This includes proper stocking, fertilization, weed control and fishing.

First, stock the correct species of hatchery produced fish at recommended rates. In new ponds, stock a total of 500 bluegill and redear sunfish and 50 largemouth bass per surface acre. If desired, up to 100 channel catfish per acre may be added. Never add fish to an existing pond unless it is recommended by a biologist. Do not stock crappie in farm ponds because they tend to overpopulate. This results in a pond full of small stunted fish.

Fertilizers should only be used in a pond to address a recognized problem such as the need to produce more fish or to help reduce aquatic vegetation. If you need to fertilize, two options are available. Each year,

beginning in March, apply 8 pounds of triple superphosphate (0-46-0) per surface acre every 10 days until a pea soup green "bloom" appears. Reapply fertilizer only when the "bloom" begins to disappear. To apply fertilizer, cut the bags open and place in the water near the pond's edge. When the fertilizer is dissolved into the water, remove the bags. One station per 3 to 5 acres is sufficient. Or, for faster and more efficient results apply 1/2 to 1 gallon of liquid fertilizer (10-34-0) or 11-37-0 per surface acre every 10 to 14 days until a "bloom appears". Dilute the liquid fertilizer in water and then pour it into the propwash of a motor boat. Apply fertilizer as needed when "bloom" begins to disappear (about once/month). Discontinue fertilization in September.

Aquatic vegetation can best be prevented in most ponds by eliminating water areas less than 3 feet and keeping the water fertile. If a pond has a heavy growth of vegetation, it is best to seek professional help for approved

methods of control.

Most of the fish harvested from the pond should be bream. A general

recommendation is to harvest between 7 and 10 pounds of bream for every pound of bass. Removing too many bass is one of the most common problems in farm pond management. When this occurs, the bass cannot control the bream, and the bream become overpopulated and stunted, while bass reproduction is either reduced or stopped completely. A balance between bass and bream can usually be determined by fishing results. When fishing produces large numbers of small bass and large bream, an overpopulation of bass is probably. When only a few large bass and many small bream are caught, the pond is probably overpopulated with bream. If fishing is satisfactory, the bass and bream balance is usually good. In addition, the Soil Conservation Service will check your pond from late June thru September, and make appropriate management recommendations.

For more information or assistance on farm pond management, contact your local Soil Conservation Service office. Assistance and Programs of the United States Department of Agriculture are available without regard to race, color, sex, national origin, marital status, age, religion, or handicap.

Tour Group Visits Missouri Ozarks

May 6 - May 11, 1990 was a very good week for several people that visited the Ozark Mountains with an Earl Smith Tour. It was a week filled with musical shows, rides (including horse back in Mutton Hollow, and the scenic duck tour), shopping in malls and downtown Branson, sight-seeing, Silver Dollar City, and the play "Shepherd of The Hills", plus lots of fun and good food. The famous Lambert restaurant in Sikeston, MO was a grand final on our return home. Everyone agreed it was a fantastic, food experience.

Included in the tour other than

director, Earl Smith were: Nadine Loveless, Escort, Willie Mae Robinson, Carol Brooks, Glenn Williams, Mary Williams, Lois Hill, Betty

Swimmer, Vena Baldwin, Byram, Quana Woodruff, Riddle, Sara Hayes, Judy Bishop, Vernice Bishop.

Wal-Mart of Iuka's store manager, John Pickle, recently presented a check to two Shriner clowns. This

donation will be used to help with expenses of transporting the Shriner children's hospital.
