THURSDAY, FEBRUARY 7, 1991 NO. 35

### Tishomingo County Electric Power Assn. Recognizes Employees With Safety Awards--

In an effort to reward safe work habits and practices, Tishomingo County Electric Power Association has adopted an awards program to recognize employees who complete their duties in a manner emphasizing safety. Linemen Ray McKee and Robert Deaton have performed their work since their employment dates, May 24, 1972, and June 24, 1974, respectively, without any reportable job accidents resulting in physical injury. According to Manager Robert Grisham, "These men have performed some very hazardous work under less than ideal circumstances in a physically demanding job without neglecting a commitment to safety. TCEPA wishes to commend these employees for a job well-done. The Association is committed to recognizing exemplary service."

Shown from left, as watches were presented at the company safety meeting held February 5, 1991 were: TCEPA Safety Coordinator Bob Russell, Lineman Ray McKee, Lineman Robert Deaton, and TCEPA Manager Robert Grisham.

## Gas Service To Be Expanded Out Of City

Requests from area citizens for natural gas connections has prompted the city of Iuka to expand its natural gas service outside the city limits.

The gas expansion project is separate from the water improvement project which the city has recently begun, said Iuka Mayor David Nichols.

Several areas will be targeted to receive natural gas lines. The first include the Highway 25 North area near Pickens Branch, the Highway 25 South area, and east of the city in the Snowdown Road area.

"We have many requests for natural gas, so we are trying to meet some of them," Nichols said.

Most of the proposed gas line work will be performed by private contractors, Nichols said.

Anticipated cost of the connections is over one-half million.

Once the first series of connections are completed, the city has long-range plans to run additional gas connections in other areas of the county.

Iuka has also applied to the state Public Service Commission for clearance to create a franchised natural gas district outside of the city limits. Approval will give the city the privilege to sell natural gas to customers in those areas. The district will extend east to the Alabama state line, south to just below Rock Crusher Road at Midway, west to the Tenn-Tom Waterway, and north to near the Tennessee state line.

Cook-Coggins Engineering of Tupelo has provided the engineering plans and specifications for the project.

Nichols said the project should be completed by late summer or early fall.

### Senator Comments On Operation Desert Storm

U.S. Senator Thad Cochran (R-Miss), said he is impressed with the leadership of United States military forces participating in Operation Desert Storm.

Cochran said the forces are doing a "magnificent job."

"Our objective remains to remove the forces of Iraq from Kuwait. That's the objective, that's what we're intent on doing, and that's what we intend to accomplish," he added.

The Senator talked with reporters after a meeting with President Bush and GOP leaders at the White House last week.

Cochran also called the actions of Iraqi leader Saddam Hussein "reprehensible and revolting. The Mississippi Senator said Hussein must be "punished for his criminal conduct."

"I think everybody would have to agree that the conduct of Saddam Hussein cannot be tolerated by the world community," he said.

Cochran, Chairman of the Senate Republican Conference, said he intends to introduce a Senate resolution calling for the punishment of Saddam Hussein.

In calling for the Senate action, Cochran cited the Iraqi leader's treatment of allied prisoners and his brutal treatment of others in the invasion and occupation of Kuwait.

The Republican leaders' meeting with the President last week also included a discussion of the domestic agenda for the 102nd Congress, Cochran said.

Some of the issues discussed were proposals for education reform, a national energy policy, crime and congressional ethics.

"While the Gulf situation has crowded other things off the front pages of the news, we do have some serious economic concerns and problems in education that need to be addressed," he noted.

Cochran suggested that Congress carefully review economic issues and guard against unraveling the 1990 budget agreement.

### Valentine's Dance

A Valentine's Dance will be held on Saturday, February 16, at the Tishomingo County Fairgrounds. Tom Campbell of KZ103 will be the D.J. beginning at 8:00 p.m. Youth in grades 7-12 are invited to attend at a cost of \$3.00 per person, \$5.00 per couple. For more information call the County Extension Office at 423-7016.

### Burnsville Chamber Of Commerce Meeting

The Burnsville Area Chamber Of Commerce meeting will be held at the Pour House on Monday, February 11, 1991. The agenda will include the election of officers for 1991. All members are urged to attend.

### ASRM Womens' Meeting

A business, planning, and social meeting of the ASRM Womens' Group will be held on Saturday, February 16th at 10 a.m. at the Corinth Chamber of Commerce. For information call 287-5672.

## Funeral Services Held For Mrs. Mattie Robinson Beard

Mattie Robinson Beard, one of Iuka's most loved and personable ladies died Sunday, February 3, 1991 at the North Mississippi Medical Center in Tupelo. She was 79.

Mattie was a part of the "Belles of Iuka," a comedy duo featuring Mattie and her dear friend, Helen Bryant. The two "town clowns" performed with such famous personalities as Loretta Lynn, the late Marty Robbins and Buddy Bain of WTVA. Mattie and Helen enjoyed many years of practical jokes and mildly mischievous acts, especially with each other.

A native of Tishomingo County, Mattie was born May 27, 1911, the youngest child of W. J. and Mary Whitehurst Robinson. She was raised in the Walker Switch Community and was schooled in Iuka.

Mrs. Beard enjoyed a 30 year career at Edmondson's Cleaners in Iuka before her retirement in 1972.

Mattie's world was always filled with laughter, smiles, good humor and kindness. She had her share of life's tragedies but she always managed to grow stronger in her faith and radiate only goodness and joy to those around her. To many she was

affectionally referred to as "Aunt Mattie" and gave the love and care of a mother to them. Aunt Mattie enjoyed being with people, she always had time to stop and say hello or help the sick or less fortunate. She lived an unselfish life, thinking only of others. We mourn the passing of this dear friend.

Sybil Reynolds Canon, a niece, wished to share a favorite thought Aunt Mattie often expressed: If someone asks how you are, it is better to say "Fine" with a grin. Than to try to tell the shape you are in.

Funeral services were held at 3:00 p.m. Tuesday at the Iuka United Methodist Church with W. T. Dexter and Jack Williams officiating. Burial was in the Oak Grove Cemetery.

She was a member of the Iuka Methodist Church and the Friendship Homemakers Club.

Preceding her in death were her husband, Chester Beard, her daughter, Mrs. Peggy Bonds, and her grandson, Michael Bonds.

She is survived by one great-granddaughter, Blakley Bonds of Houston, Texas; and many nieces, nephews and relatives throughout the area.

Pallbearers were William Dean Foote, Alfred F. Foote, Richard Robinson, Dickie Robinson, Dock Robinson, and Tommy Reynolds.

### Burnsville Boosters To Honor Athletes

The Burnsville Booster Club will honor the high school athletes after the Friday night basketball game with Tishomingo.

Supporters of the teams and prior Burnsville athletes are asked to bring a dessert and share in the refreshment and fun.

Tishomingo players and supporters are invited to join us.

## New School Complex Begins To Take Shape

Although hampered by wet weather, construction of Tishomingo County's new educational complex is moving ahead.

With consolidation of the county's four high schools set to become effective July 1, the new magnet high school will be in demand by fall.

This week contractors were beginning to roof the two-story classroom building, one of four structures in the complex.

"We've definitely had some weather problems," said Bill Westerfield, assistant project manager for CM Plus, the firm managing the construction.

"I've kept a rain gauge out here," he said. An unusually wet December and January slowed construction, but "right now things are looking good,"

Westerfield said.

Johnson/Bailey Architects, P.A. of Tupelo designed the complex with input from Stephen Binger, a New Orleans educational consultant/architect.

The complex is under construction on about 120 acres along Highway 72 between Iuka and Burnsville.

The campus' four main buildings -- classroom building, gymnasium/cafe/tertia, auditorium and universities center -- are being built around a central courtyard with a circular covered walkway.

The classroom building will be completed first, Westerfield said. There should be no problem having the facility ready for occupancy this fall, he said. The construction time table set completion date for the

classrooms at August 26.

The building will house approximately 31 classrooms, administrative offices, and computer lab, Westerfield said.

Five contractors have been pouring concrete, erecting steel, and completing electrical and plumbing work and heating and cooling systems within the facility, Westerfield said. The building will be faced with an attractive masonry block in which a band of handprints will be encased. The handprints, including those of Gov. Ray Mabus, were made by students representing all four county schools as a symbol of ownership of the complex.

Foundation and structural work has been completed on the gymnasium/cafe/tertia located adjacent to the classroom building. This unit is set to be completed by Oct. 1, according to the latest construction schedule, Westerfield said.

An auditorium and universities center will be the third and fourth buildings to be added around the central plaza. A lifelong learning center and childcare facility will be constructed south of the center campus. The sports complex, to include football, baseball, soccer, and softball fields, and tennis courts, will be added southwest of the campus.

Site work for the project began in late August with bids opened in September for the work.

The Mississippi Major Economic Impact Authority awarded a \$7 million grant for the magnet high school and for renovations at Belmont High School with Tishomingo County providing a \$3-million match. An additional \$1.2 million was announced in November to supplement the magnet school that was scheduled to be scaled back after cost estimates were revised.

### Heritage Day '91 Planned For April

April 26th. will be the beginning of a weekend of celebration in IUKA, MS.

On Friday night there will be a street dance with singing, square dancing, and other entertainment to delight everyone.

On April 27th. the town will be full of people celebrating HERITAGE DAY 91.

There will be a wagon train, 5 K run, arts and crafts fair, historical skits, art exhibition, music, games, contests, exhibitions, cloggers, historical character portrayals, kiddie rides, \$1,000.00 drawing, plus much more than that in the planning stages.

Anyone wishing to be part of the arts and crafts fair please contact Vickie Durham at 601-423-5555 days and 601-423-3047 at night.

Sunday afternoon April 28th. there will be a gospel singing in Mineral Springs Park. This will be a great time for fellowship and to hear some good christian music that will build your faith and soothe your soul.

## County Head Starts Plan Registration For Next Year

MISSISSIPPI ACTION FOR PROGRESS, WILL REGISTER CHILDREN AT YOUR LOCAL HEAD START CENTER: February 1 - March 8, 1991 and March 18 - 29, 1991, from 7 a.m. to 2:30 p.m.

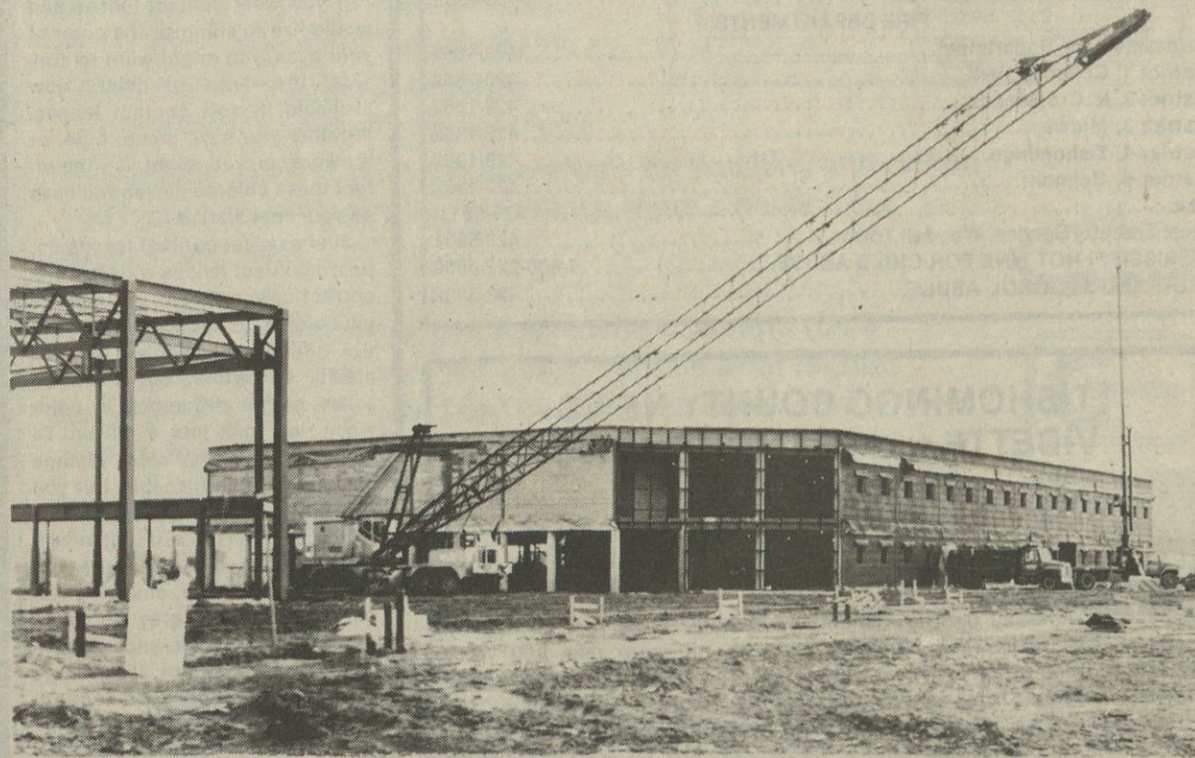

Children registered at this time will be screened for recommendation of enrollment when centers re-open in September, 1991.

The eligibility criteria for enrollment are children ages 3 and 4 years with family income below poverty and/or on welfare. Parents with children in this age group, who are Medicaid/EPST recipients and/or who have a handicapping condition, are strongly encouraged to register their children. Handicapped children are defined as those who are mentally

retarded, hard of hearing, deaf, speech impaired, visually handicapped, seriously emotionally disturbed, crippled, or other health impaired children who by reason thereof require special education and related services.

Parents desiring to pre-register their children are asked to go to the closest center within their community for registration. Parents are asked to carry a certified copy of their child's birth certificate, Medicaid card (if on welfare), immunization card and proof of income, such as W-2 form, or income tax return.

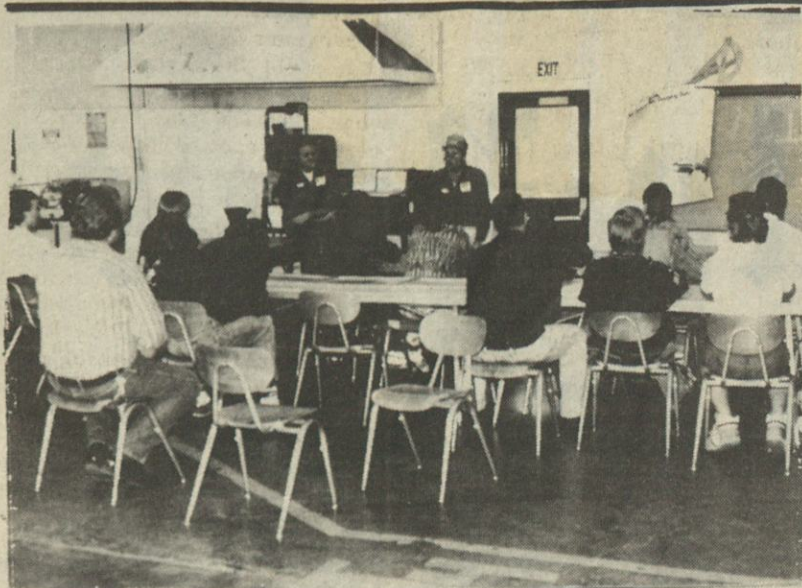

For further information, contact Iuka Head Start Center at 423-5410, Burnsville Center at 427-8883 or Belmont Center at 454-7346.

### Educational Complex At New Magnet High School--

The two-story magnet high school building in Tishomingo County's new educational complex will house classrooms, administrative offices, computer lab, and other offices when the county schools consolidate this fall.

## Monotech Supports Vocational Education

Monotech plant manager Russ Howell and engineer Scott Allen were guest speakers recently in the Metal Trades Department at the Tishomingo County Vo-Tech Center.

Students were given a comprehensive view of the industry, including not only the necessity of proper training, but also the importance of good attitudes and work habits. Mr. Allen spoke specifically concerning the welding and fabrication aspects of the industry; Mr. Howell covered the subject from the standpoint of a plant manager, stressing how vital it is to have good communication with

plant supervisors.

Metal Trades instructor Larry Brown states, "The metals Monotech and other companies donate to education are used to supplement department materials to help students receive much-needed training." Mr. Brown expresses sincere appreciation to Mr. Howell and Mr. Allen for their interest and for the time and information they shared with his students.

### TAKE A CLOSER LOOK AT SALMONELLA

The press has called Salmonella a "Superbug" - the food poisoner of the '80s. That may make a good headline, but is it really true?

Salmonella is hardly a newly-emerged monster food poisoner and consumers do not have to live in fear of contracting it from some food. It is easily controlled by careful food handling and thorough cooking.

Salmonella is found in the air, soil, water and more often in the digestive tracts of animals and human beings. It is virtually impossible to totally eliminate Salmonella a fresh meat and poultry products, eggs and raw milk. We have to accept the fact that it is here to stay and we have to con-

trol it.

While you could get salmonellosis in any number of ways, turkey, chicken, pork and beef are reported as the major means for infecting humans. This can occur when someone eats a sufficient number of the Salmonella bacteria in raw, undercooked, poorly handled or inadequately refrigerated food.

Prevention is the key word in controlling salmonella. The disease does not have to strike. Careful attention to food-handling can prevent the illness from ever occurring.

Prevention can be achieved by following a few simple rules:

Keep hands clean in the kitchen. Your hands pick up a lot of bacteria and you should wash them in hot, soapy water before preparing any food. This point should also be emphasized to children.

Keep live Salmonella bacteria on raw meat and poultry from spreading to other food or from re-infecting cooked meat and poultry. To do this, wash your hands, dishes, utensils and counter surfaces with hot, soapy water after contact with raw meats and their juices.

Cook all hot food thoroughly to kill Salmonella bacteria. Red meat should reach 160 to 170 degrees F; and poultry 185 degrees F. Generally, when you are checking with a thermometer, any cooked combination food should reach 160 degrees F.

When grilling foods outside, red meat should cook until grey in the center; poultry should cook until there is no red in the joints. Never place the cooked cut of meat or poultry back on the same platter or tray that held the raw item without properly washing the utensils.

Don't taste for seasoning while cooking and before food is safely done. Heat leftovers before serving to an internal temperature of 165 degrees. Foods not heated to the correct internal temperature may potentially cause illness.

Wash raw produce thoroughly and keep foods eaten raw separate from raw meats and poultry.

Serve cold foods cold (40 degrees F or below) and hot foods hot (140 degrees F or above).

Properly store leftovers as soon after the meal as possible. Keep pets and household pests away from food areas. They carry any number of microbes, including Salmonella.

Salmonella may also be found on the egg shells. Don't use cracked or heavily soiled eggs unless the food they are going into will be fully cooked.

Protecting yourself at home by careful food handling and thorough cooking is the true key in prevention of salmonella poisoning.

### CHICKEN NOODLE CASSEROLE

1 (6 oz.) pkg. noodles  
1 can cream of chicken soup  
1 (5 1/2 oz.) can evaporated milk  
1/4 tsp. salt  
1 c. Cheddar cheese, shredded  
3 c. diced, cooked chicken  
1 c. diced celery  
1/4 cup diced pimento  
1 c. slivered almonds, toasted  
Buttered bread crumbs  
Cook noodles according to package directions and drain. Pour half of noodles in each of two small greased casseroles. Combine soup, milk and salt. Heat, stirring constantly. Add cheese and stir until melted. Add chicken, celery, pimento and half of almonds. Pour over noodles. Top with bread crumbs and the remaining

## INSIGHT INTO EYESIGHT

DR. PHILLIP GRAY  
OPTOMETRIST

### The Color Of Your Eyes

If you wear contact lenses and would like to enhance the color of your eyes, you might want to consider the range of colors now available in soft contact lenses. Whether you have green, blue, or brown eyes, you might like the effect these colored lenses will have on your appearance.

Just as clear contact lenses do, tinted contact lenses will have the corrections needed to improve your vision, as prescribed by your eye doctor. You will see just as clearly as before, but you'll be aware of the difference in color when you look into a mirror. To someone else the color change may not be as noticeable, but you may prefer the change it brings.

You can select a tint that will make your eyes look quite different, for example, changing the color from light grey to blue. Whatever your preference in contact lenses, modern technology now offers you the color option. For more information about tinted soft contact lenses, consult with your eye doctor.

Dr. Phillip Gray

## Record Crowd At Library

A record crowd of approximately 100 people attended the recent Lunch Break hosted by the Friends of the

Iuka Library.

The program featured W. R. Morris who gave a lively account of his experiences as a writer and details relating to his book "The State-Line Mob".

A drawing was held for the book machine and Tim Arnold's name was drawn. Pictured left to right: Charles Thompson, Bill Stahl, W.R. Morris, and Fredda Sanderson.

The books can be purchased at the Tishomingo County News Office.

almonds. Bake, uncovered, at 400° for about 20 minutes. This can be cooked in one large casserole dish instead of 2 if one prefers.

## County Agent Notes

By: Wm. M. Hopper

### PLAN BETTER FORAGES

February is a good time for cattle producers in Tishomingo County to get the most from their cool-season grazing crops such as ryegrass, small grains and fescue. These crops, in general, got off to a poor start in the fall of 1990. Since the main production time for forages is approaching, producers need to pay special attention.

If a good stand of forage has established, they should be attuned to grazing management, nitrogen fertilization and weed control.

\*GRAZING MANAGEMENT: Make sure livestock don't overgraze forages. At least 2 to 3 inches of growth with some green leaves should remain below the grazing height. Overgrazing in cold weather can damage young grasses.

\*NITROGEN FERTILIZATION: February through early March is an appropriate time to apply nitrogen to cool-season forages. If a good stand of clover is grown with the grasses, nitrogen can be reduced. (This depends on how much nitrogen the clover supply.)

\*WEED CONTROL: Late winter is also a good time for weed problems to arise. Weeds such as buttercup, dock and wild mustard can be easily controlled with specific herbicides. If not controlled, they often will reduce forage growth.

### CATFISH OUTLOOK

The catfish industry in Mississippi and Tishomingo County should continue to show gains in the numbers of fish processed in 1991. Inventory levels of food-size fish, fingerlings and stockers are good, and consumption of fish continues at an increasing rate.

Since January 1989, wholesale prices for catfish have risen less than 6 percent, while the ones for beef and pork have increased much faster. This means that catfish is becoming relatively less expensive, compared to these two meats.

Production and marketing factors, combined with the continued influence of health and diet, point to continued growth for our catfish industry.

### FRUIT TREE CARE

Homeowners and commercial fruit producers in Tishomingo County should check their apple, peach, pear and plum trees for San Jose and

white scale insects. These pests, if left uncontrolled, can damage trees and thus fruit production.

Control scale insects with dormant oil sprays during winter. To make treatment effective, apply the spray two times, using an interval from seven to 10 days. Cover undersides of scaffold limbs, and follow label recommendations.

Flatheaded apple tree borers will attack newly planted pecan trees. Trucks of young trees should be wrapped for two years. Use burlap strips, heavy paper or treated spiral crepe paper.

Wind the wrapping around the trunk from the ground to lower branches, then tie with a cord. Cut out dead bark carefully, and treat the exposed surface with pruning paint.

### HONEY BEE BUZZ

During winter, bee hive entrances should be reduced to a space of three-eighths inches high and 2 inches long to prevent cold air and mice from entering. Face the hive entrance south, unless conditions exist that would not favor the move.

## Timberline

By: Brendix Glasgow

### DATES ANNOUNCED FOR SEVENTEENTH ANNUAL TREE PLANTING WEEK

Dates for Mississippi's Seventeenth Annual Tree Planting Week have been announced. The statewide "Celebration of Trees" will take place during the period of February 8-14,

according to officials with the State Tree Planting and Forest Development Committee.

Since the annual week-long tree planting observance began in 1975, more than 14 million trees have been given away in all counties of the State for planting on school grounds, in parks, along roadways and in private yards. An average of 71,000 school children from nearly 450 schools have participated in tree planting ceremonies each year. Thousands were given tiny seedlings to take home and plant.

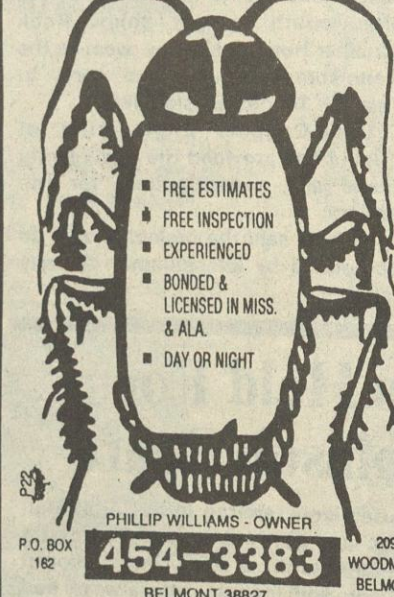

Tree Planting Week is sponsored by the Mississippi Association of Conservation Districts with Mississippi Garden Clubs, State and Federal forestry agencies, wood industries, local civic organizations and businesses pitching in at the county level to help distribute free or inexpensive seedlings and conduct public tree planting ceremonies.

Results of a recent tree inventory in 18 cities, conducted by the Mississippi Forestry Commission, mirrored an alarming national trend toward dwindling numbers of trees in our urban areas. According to a 1989 survey of 20 U.S. cities only about one of every four trees that died or was removed was being replaced.

"Many of Mississippi's cities are beginning to wake up to this loss of shade and natural beauty and are gearing up to do something about it," says Darlene Slater, Commission Urban Forestry Coordinator. "Tree Planting Week is taking on real significance and importance for a lot of our cities nowadays," she noted.

## Williams - Mims Vows Spoken January 19th

my Lisa Williams and Charles  
ott "Chuck" Mims, both of Hat-  
burg, MS. were married the  
ing of January 19, 1991 at Main  
et Baptist Church in Hattiesburg.  
arents of the couple are Mr. and  
Delbert L. Williams, Jr. of Hat-  
burg and Mr. and Mrs. Charles R.  
s, of Sumrall.  
randparents of the bride are the  
Mr. and Mrs. Allen Lott of Sumrall  
Mrs. Nettie Hale Williams and the  
Delbert L. Williams, Sr., of Iuka.  
grandparents of the groom are  
and Mrs. Mack Smith of Sumrall  
Mrs. Doris Mims and the late  
mas P. Mims of Pental, MS.  
he ceremony was performed by  
Russell Bush, Jr. Music was  
ented by Mrs. Sue Bush, pianist;  
Mrs. Bonnie Dawson, vocalist.  
Dawson sang, Surely the  
ence of the Lord. A duet, The Love  
Share, was sung by Mrs. Sue Bush  
Mrs. Bonnie Dawson. The Lords  
er was sung by Mrs. Dawson.  
aid of honor was Jenny Rankin,  
Montgomery, Alabama.  
esmaids were Stephanie Ann  
ams of St. Petersburg, Florida,  
er-in-law of the bride, Gina Curry  
iddle, of Jackson, and Cindy M.  
of Sumrall, twin sister of the  
om.  
lower girl was Erika Napier, of  
elo, cousin of the bride. Ring  
er was Dustin Carr of Sumrall,  
hew of the groom.

Lighting the candles were Tommy  
Ikard and Stephan Ikard of  
Tuscaloosa, Alabama, cousins of the  
bride.  
Mr. Mims served his son as best man.  
Groomsmen were Larry Allen  
Williams of St. Petersburg, Florida,  
brother of the bride, Ralph Broome,  
of Alexandria, LA, and Stephen Nunn of  
Pass Christian.  
Serving as ushers were Ralph  
Boome and Larry Allen Williams.  
Assisting at the reception which  
was held at Four Oaks were Patty  
Smith, Stephanie Mims, Inez Rawls,  
and Raylyn Brand. Program Attenden-  
ts were David Ikard, Stephen Ikard  
and Tommy Ikard of Tuscaloosa,  
Alabama.  
Rice bags were distributed by Erika  
Napier, Danielle Brand, and David  
Ikard.  
Following a wedding trip to New  
Orleans, the couple plan to make  
their home in Hattiesburg.

## 4-H Sponsors Skating Party

The Tishomingo County 4-H is  
sponsoring a Valentine Skating/Dan-  
cing Party for youth in 1-6 at the  
Funland Skate Center. The event will  
be held on Tuesday, February 12,  
from 6:30 p.m. - 9:30 p.m. The cost will  
be \$3.00 per person. For more infor-  
mation, call the County Extension Of-  
fice 423-7016.

## Pruitt - Murphy To Exchange Vows February 9th

Melissa Jean Pruitt and Donnie Joe  
Murphy will exchange wedding vows  
Saturday evening, February 9, 1991 at  
6 o'clock, at Asphalt Baptist Church  
in Cherokee, Alabama.

Melissa is the daughter of Linda  
Pruitt, of Iuka and Roger Pruitt of  
Trezvant, Tennessee. She is the gran-  
ddaughter of Geraldine Paden and

Mr. and Mrs. Vester Pruitt, all of Iuka.

Donnie Joe is the son of Billy Joe  
and Mary Lou Murphy of Cherokee,  
Alabama. He is the grandson of Mr.  
and Mrs. Robert Bolton, of Belmont,  
Mississippi.

No formal invitations are being  
sent, but all friends and relatives are  
invited to attend.

## Tishomingo News

By: Willard Strickland

Due to bad sickness of a little  
grandson, Larry Chad Strickland, I  
was unable to get news from  
Tishomingo to the Vidette last week.  
Bear with me in times like this if you  
called and I couldn't be here. We have  
Chad at home from ECM in Florence  
and he is doing well now.

Known sick is Mr. and Mrs. ~~Mori~~  
Trimm are both better. Mrs. Berniece  
Hodgin is not feeling well at all, and  
Mrs. Jewell Fowler is not well. We  
hope all the sick is soon better.

Kenneth Pennington and a friend  
of Talahoma, Tn. visited recently with  
Mr. and Mrs. Hoyt Phillips. Kenneth is  
a nephew by marriage to May Phillips.

Mrs. Velmar Davis of St. Joseph,  
Tn. visited with Mr. and Mrs. John B.  
Strickland and Jerry Ward last week.  
She was on her way to visit with a  
sister-in-law Mrs. Cleo Ward in  
Booneville.

Eva Mae Strickland was supper  
guest of John B. and Willard  
Strickland and Jerry last Friday  
evening.

Mr. and Mrs. Gilbert Sartain,  
Frankie and Paulette Embrey, Sonny  
and Sue Embrey all had lunch Sunday  
at the new "Chinese Restaurant" in  
Russellville, AL. After lunch they all  
visited with Bro Oliver Family in Lit-  
tleville.

Mr. and Mrs. Archie Berryman of  
Memphis, TN. has been home for a  
weekend with Tony and Donna Bar-  
nett and boys.

Word has reached Tishomingo that  
Carl Nagle has passed. Carl was  
raised up in Tishomingo and finished  
school here. The Nagles have our  
sympathy.

Carlos Ingram is home from North  
Mississippi Medical Hospital in  
Tupelo. Hope ~~he~~ is soon better and  
back at home.

Those to enjoy Sunday night sup-  
per with Mr. and Mrs. Edward Thorn  
and Shirley were Mr. Bobby Wayne  
Thorn of Florence, AL. Mrs. Opaline  
Crouse, Eva Mae Strickland,  
Stephanie and Jessica McNutt of Iuka.

Glad to hear that Lamar Bolton is  
home after surgery at ECM in Floren-  
ce last Wednesday. We hope he con-  
tinues to be better.

Mrs. Rose Mary Fennessy from  
Santa Fe Springs, California was in  
Gulf Port to see a beautiful wedding  
of her nephew. On her way back  
through Tishomingo, she made a stop  
with Mr. and Mrs. Hoyt Phillips and  
other friends. Then making a stop at  
Peoples Bank in Iuka to see Phillis  
Whitlock and other friends.

Mr. Clayton Short spent Saturday  
in Tupelo with Mrs. Virginia Bell  
Orick. It was a pretty day and Clayton  
had a enjoyable day.

## Area Students Participating In Science And Mathematics Tournament At Miss. College

The 17th annual Mississippi Scien-  
ce and Mathematics Tournament un-  
folds at Mississippi College on Thur-  
sday and Friday, Feb. 7 and 8, with  
top high school science and  
mathematics students from the local  
area among those participating.

The tournament, sponsored by the  
Mississippi College departments of  
Science and Mathematics,  
recognizes students and their high  
schools for outstanding achievement  
in the two fields of study. This year's  
competition will include over 1,700  
students representing over 200 dif-  
ferent public and private schools in  
two days of intense competition.

Dr. Jerry Cannon, professor of  
chemistry and tournament director,  
said, "This is a chance for the top  
young minds of our state to compete  
in subject areas that are increasing in  
popularity among students\* today.  
The competition becomes more in-  
tense each year and we are excited  
over the interest shown in this year's  
tourney."

Featuring both team and individual  
competition, the tournament offers  
approximately \$95,000 in academic  
scholarships to Mississippi College.  
Individual competition includes one-  
hour written exams in math, biology,  
chemistry and physics with each  
student allowed to compete in two of  
the four areas. First place winners  
receive \$1,000 scholarships, second

place winners receive a \$500 schol-  
arship, while third place winners  
receive a \$400 scholarship and \$300  
scholarships are given the top ten  
percent in each division. These  
scholarships are renewable providing  
the student maintains a high  
academic average.

Team competition is divided into  
two divisions depending on the  
science and math curriculum offered  
by the individual schools. The four-  
member teams compete in a quiz type  
format where questions are flashed  
on the screen and quick calculations  
and responses are required. All  
calculations are done with pencil and  
paper.

The following students from Iuka  
High School will be participating in  
the Mississippi Science and  
Mathematics Tournament at  
Mississippi College on February 7  
and 8, 1991: Casey Murrah, Pam  
Williams, Dena Lowrey, Kecia Kit-  
chens, Bruce Clark, Jamie Pruitt,  
Wendy Walker, Cindy Moody and  
John Hopewell.

## In Loving Memory

Today is your first birthday  
But you can't be here with us,  
Because you have gone to celebrate  
In that Beulah land with Jesus.

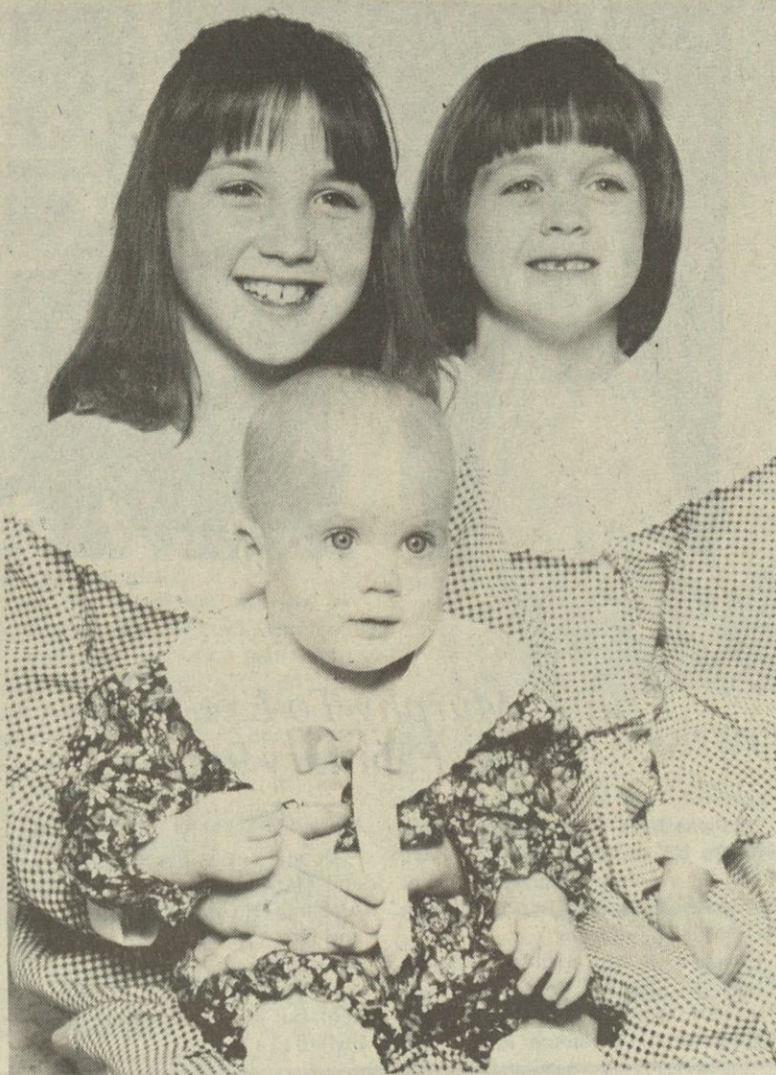

When God called you home  
To dwell with him above  
We who are left behind  
Sometimes want to question  
The wisdom of His love.

Suppose, we ask, God may tire of calling  
Only the aged to his fold;  
So he picked you, our beautiful Little Angel,  
Before you could grow old.

Believing this is difficult  
But somehow we must try.  
The hardest thing we ever had to do,  
Our darling little Chastinie,  
Was to tell you goodbye.

But we know it's not forever  
For we'll be with you again,  
When we have our glad reunion  
In that beautiful promised land.

Celisa and Wade Comer  
and Family

## Maw Maw's "Angels"

Miss Chaylee But'er,  
Boy! How her family loves her.

She has a snaggle tooth smile,  
That tugs at your heart, for awhile.

With hair of brown, but no curls,  
She's still "Maw Maw's Baby Girl".

God set one angel to a very young Mother,  
He saw she was pleased  
So, he sent her another.

Now that she's five  
and knows how to play  
He sent the smallest angel  
By the name of Rumae.  
Cathia is my "Star"  
Chaylee my "Baby Girl"  
Rumae is "Pudding Dudding"  
And they are three of the prettiest angels  
All over this big world!

Love My Girls  
February 1991  
Maw Maw Jean

## Mr. & Mrs. Leland Butler To Be Honored On 25th Anniversary

Mr. and Mrs. Leland T. Butler of Iuka will be celebrating their 25th Wedding Anniversary this month. Their children will be honoring them at a reception on Sunday, February 10, from 2 until 4 p.m. at the couple's home on Highway 25 North. All friends are cordially invited to attend.

## My Brother Bill

There's a story, I'd like to tell  
About a man, I'll call my Brother Bill

I remember when I was small  
I thought Bill was 6 feet tall!

He moved away from this small town  
of Tishomingo  
But, he'll always be my Brother Bill  
no matter where he goes.

When he was young, he had a lot of friends  
My Brother Bill  
And now that he lives "on the hill cone" he  
has lots of friends still.

He was always smart in school or so  
its been sang,  
But, I think the smartest thing he done,  
was to marry Olivia Jane!

He has worked real hard to get where he's at,  
And I think he deserves a pat on the back.

I hope he knows how proud this sister  
Is of her Brother Bill  
And to say his family loves him means  
we always will.  
He worked for this promotion and I know  
that was his ambition and goal  
And while he sits and counts his  
money, as he grows old!  
I hope he remembers this story, his  
sister has told.

Of my 6 foot Brother Bill  
and the family who loves him  
As they have and always will.

Good Luck  
Sis - Jean Nunley  
January 1991

## Happy 18th Birthday the 8th

We love you,  
Mom, Dad, Bev & Joey

## Housekeeping

By: Rep. Mack L. Wadkins

Meeting the state's budgetary problems head-on, the House of Representatives gave its approval during the past week to more than 50 appropriation bills totaling \$3.3 billion for support of public schools, Medicaid, highways and other programs.

With only a few exceptions, the proposed expenditures were in line with the bare-bones budget recommendations adopted earlier by the Joint Legislative Budget Committee, and overall spending was held within anticipated income for the next fiscal year.

However, this means numerous budgets had to be slashed below allocations for the current year authorized prior to a series of budget cuts ordered by the Governor in the past six months. Another \$17 million in reductions were due to take effect on Friday (February 1) bringing total cuts for this fiscal year to approximately \$60 million.

In addition to the funding bills, a suggested list of "critical needs" totaling almost \$100 million was prepared by the House Appropriations Committee to submit to the Ways and Means Committee, where most revenue bills originate. These are items that apparently would take new sources of income, but are considered necessary to avoid severe disruptions in existing programs, possible losses of federal matching money, and the potential

layoff of many state employees.

There also was a sharp increase in committee activity in the past week in preparation for a crucial deadline on Tuesday (February 5) for House and Senate committees to act on general bills and constitutional amendments originating in their own chambers. Dozens of bills were approved by committees and sent to the lengthy House calendar, ranging from a mail-in voter registration proposal to a compulsory auto insurance measure.

Included in the wide array of bills awaiting floor action in the House as the fourth week of the session ended were proposals to tighten the state's bingo law, provide for regulation of certain charitable groups which solicit funds, reenact the Prison Overcrowding Emergency Powers Act, establish an Agriculture Strategic Planning Institute, remove the statutory ceiling on Medicaid expenditures, more clearly establish legal rights of residential landlords and tenants, tighten the 1990 gun permit law, and create a School Sports Trust Fund to assist student athletes who suffer permanently crippling injuries.

Appropriations winning House approval included \$1.3 billion for the state's general fund plus more than \$2 billion in federal dollars and other special funds. All told, the general fund budget for the coming year is expected to run around \$1.987 billion compared to \$2.018 billion originally approved for this year. About half of the funding bills start in the House and the rest originate in the Senate.

The House approved \$818.4 million

for support of public schools under the state's Minimum Program, slightly below the Department of Education's request but an increase of \$9.2 million over the amount originally authorized this year. This is always the largest single general fund expenditure.

Other major general fund appropriations include \$47.1 million for vocational and technical education; \$21.3 million for the Equity Funding program; \$67.7 million for homestead exemption reimbursement; \$65.1 million for the Department of Human Services; \$22.5 million for the Health Department; \$14 million for the Forestry Commission; \$8 million for the Department of Environmental Quality; and \$6.6 million for the Department of Wildlife, Fisheries and Parks.

An appropriation of \$507 million in special funds was approved for the state highway program. And, more than \$787 million was authorized for the Medicaid program, including almost \$160 million in state dollars and \$627 million in federal funds.

The Medicaid bill is an increase of \$17 million in state funds but it was estimated another \$25 million will be needed to maintain the health care program at its present level and meet new federal mandates.

An additional \$25 million for Medicaid was placed on the critical needs list. Other key items on the list include \$16 million for the state's universities, \$10 million for school textbooks, \$6 million for mental health, \$5 million for public health programs, and \$5 million for community colleges.

Several agencies maintain they will have to cut back operations and lay off a number of employees unless more funding is provided.

There was spirited debate in the House over a \$164,000 outlay for a beaver control program established a couple of years ago in an attempt to crack down on timberlands damage caused by beavers. A motion was ap-

proved switching the money to the Health Department following passionate arguments on both sides. An effort to restore partial funding of \$82,000 for beaver control was proved but later reconsidered and defeated as the week was ending.

A \$3.7 million appropriation for Attorney General's Office also proved debated before being approved. An amendment was inserted saying none of the money could be used to file lawsuits against the state.

In other recent developments, joint legislative committee reached agreement on certain guidelines to follow in drawing proposed legislative districts following results of 1990 federal census data.

The House-Senate committee decided, among other things, that districts should be substantially equal in population, with an overall maximum deviation of less than 1 percent from the population on the plan should not dilute minority voting strength; should avoid political gerrymandering; districts should be as compact as possible; districts should follow county lines when possible, and, consistent with other requirements, the plan should minimize the number of contests between incumbents.

One cent doubled every day for thirty days will amount to the sum of \$5,368,709.

The Brewster Bros.  
To perform In Florence

The Brewster Bros., Max and Brett will open the show for Charlie Brown and the Coasters, Friday, February 8, at 7:30 P.M. at the Shoals Theatre in Florence, Ala.

The Coasters are an oldies group that will be remembered by such hits as "Poison Ivy", "Charlie Brown, He's a Clown," and "Yakety Yak."

Max and Brett are the children of Dianne Biddle of Iuka and Bill Brewster of Huntsville. They have sung with the Coasters once before and also performed at Six Flags over Georgia, the Peabody Hotel in Memphis, Mardi Gras in Biloxi, and will perform this summer at Disneyworld. They have also appeared on Buddy and Kay and the Jacky Ward Show.

At The  
Old Courthouse

By: Christian Evans

After years of research and thousands of separate experiments, a young inventor named Thomas Edison perfected the light bulb. He patented the incandescent bulb with the federal government in 1879. Most of us today cannot remember a time when there was not an electric light. Right? Wrong! Rural electricity did not reach some areas of Mississippi until the 1950's. What did people use for light before electricity?

Fire was the first form of artificial light. Torches were made by wrapping leaves around a branch and lighting them to create a torch.

Leaves were eventually substituted for strips of cloth dipped in a flammable substance to burn longer.

Small pieces of cloth were dipped in wax and became known as candles. They burn according to the size of the wick and wax content. Some burn fast, others slow.

Early civilized cultures fashioned pots of oil to have a spout. The spout was lit and a small flame would burn at the tip. This pot was known as a lamp.

Lamps are recorded many times in myth and history. The legendary 1001 Arabian Knights recorded the fantasy of the Jeannie in the Lamp. The tale

In Memory Of  
"Our Friend Hulcy McManus"

Life goes on in Iuka as usual only now there is a feeling of sadness. We still go to town to meet and drink coffee. We laugh and talk just the way we did when you were here with us. You were always smiling and telling us a funny joke or two. You would come through the door with your cap on side-ways with a big smile on your face, with a friendly word to anyone who happened to be present! You never spoke ill of anyone, no matter how much we talked about someone. You were always willing to lend a helping hand no matter who was in need. You could never stay in town as long as the rest of us because there was a little ole lady who needed you and you never once let her down, that was your Mom! Then there was the light of your life, your daughter Brenda. We all felt like we knew these two because you talked of them so often. We all miss you and almost daily you are remembered in our conversations!! There will always be an empty spot in our crowd because no one could ever fill your chair! We love and miss you.

REMEMBERING OUR TROOPS...The twentieth Century Club placed a Yellow Ribbon on the Veterans Memorial at the Tishomingo County Courthouse, in support of our Troops

says when the lamp is rubbed, the Jeannie appears to grant wishes. Although tales have been told for thousands of years as having Baghdad the home of great Jeannies with mysterious powers, today we know these fantasies are just that, fantasies.

Oil lamps were not common in middle ages Europe because fuel was rare and expensive. Candles were much cheaper to use. Oils and other lamp fuel became more commonly used when the water trade routes to the east were open in the 16th and 17th centuries. Oils became a cheaper fuel.

Simple lamps became more complex when wicks and adjustable wick mechanisms were developed to adjust light. It was found that glass coverings called "globes" (due to their original rounded shapes) provided more light. It served two purposes. One was reflecting the light to appear brighter. The other was to keep the open flame from being blown out easily by wind.

There were many types of lamp designs in the 18th and 19th century. Lamps were gauged in size from the small number ones up to the huge lamps used in light houses and towers for signaling ships and armies.

Animal fats have been used for lamp oils. The great blue whale is nearly extinct today due to the plundering of nearly two hundred years from whaling ships. Thousands of whales were slaughtered for meat and oil giving us other legends such as Moby Dick.

In war time candles, smudge pots and other lanterns were used for lighting as well as the lamp. Bayonets were turned upside down and stuck in the ground to hold candles from revolutionary times to recent conflicts. Today, flames cannot be made in fox holes due to modern heat detecting equipment, particularly at night.

Tinted flashlights and inferred equipment are being used in the Saudi Desert as part of Operation Desert Storm in order to keep information of positions from the Iraqis.

Lamps were also used for decorative as well as for practical purposes over the years. Cut glass has been used in many ways to form bases and globes in various shapes

in the Persian Gulf. Members of the Twentieth Century Club shown above are (left to right) Willadeen Thorne, Maxine Wade and Nancy Daugherty.

and designs. Crystal was used in the fanciest of these lights. Lamps, like other glassware, has distinctive cuts, designs and styles that collectors look for. Some popular lamps for American collectors are made by the Alladin Lamp Company. Patterns include Lincoln Drape, Washington Drape, Beehive, and Colonial.

Electricity was first introduced to Tishomingo County in 1903 when power plant was built in Iuka. The electric light replaced both natural gas and lamp lights. Natural gas was fueled through gas lines piped to the lights. Lamp lights during this time burned on coal oil or kerosene. Kerosene is a clean burning fuel and is still used for heating and some decorative lamps. Coal oil was also used but left an odor and was messy.

Many people can still remember taking kerosene lanterns to church on rainy days or on Sunday or Wednesday nights for services. The power plant in Iuka burned in 1914 and for several years, people were forced to go back to oil lamps, gas or candles. Today, all we have to do is flick a switch and we have instant light. Our forefathers had it tough, but as they will tell you, the lamp was better than being in the dark and nobody knew any better. We may be spoiled today by the instant light. Lighting is getting better all the time. I thank the Good Lord often for inspiring the inventor of the fluorescent lamps. I couldn't do without mine. Try this, get an old oil lamp one evening and try to read a book by the dim light. You will appreciate Mr. Edison a bit more.

On behalf of The Old Courthouse

we hope your little light shines bright in these trying times. The light of mankind, we pray, will shine on our troops in the Persian Gulf. It's time to make a stand and force Mr. Saddam Hussein to quit rubbing his lamp of wishes. To Mr. Hussein, turn out the light, YOUR party is OVER!

We are featuring old lamps and bells for our monthly display. If you would like to display bells or lamps contact The Old Courthouse Museum at 423-9933. We look forward to seeing you there.

Ingram Assumes  
Position At Conwood

Mr. J.S. Wilson, Jr., President and CEO of Conwood Company, L.P., of Memphis, has announced that Mr. William E. Ingram has assumed the position of Vice President of Operations with responsibility for all the Company's manufacturing and leaf operations. This was effective February 1, 1991.

William is a 1957 graduate of Tishomingo High School and a 1961 graduate of Mississippi State University.

He is married to Jane Wadkins from Iuka, daughter of Jewel Wadkins and the late F. L. Wadkins also, of

Iuka.

His parents, Carlos and Shirley Ingram, reside in Tishomingo.

William and Jane have two children, Mike who lives in Cordova, Tennessee and Tracy who lives in Memphis, Tennessee.

Letter To The  
Editor

I would like to take this opportunity to recognize the Pilot Club under the capable leadership of Rilla Wiley for their hard work and dedication to the Angel Tree Project. These ladies start taking applications in October and spend many long hours in seeing that every child has been adopted for Christmas. The community responds to this very worthy cause enthusiastically and generously. The spirit of goodwill and giving lives within the hearts of our families and children throughout the entire year.

Thanks to Rilla and the Pilot Club ladies for bringing so much happiness to our children at Christmas time.

Barbara Sweeney, Social Worker  
Dept. of Human Service  
Tishomingo County D.H.S.

### Senior Superlatives

Chief and Miss Iuka High School will be named in an assembly program Friday, February 8, 1991, at 1:30 p.m. in Howard Auditorium.

Vying for the honors this year will be: left to right - Pam Williams,

daughter of Gail and Frank Williams; Bridgett Price, daughter of Shelia and Dale Price; Kelly Rutledge, daughter of Suzanne and Bill Rutledge; Stephanie McClung, daughter of Dianne and Benny McClung. Back row - Casey Murrah, son of Edna and Lloyd Murrah; William Hawkins, son of Sharon and William Hawkins; Ray Patel, son of Kapila and Ramon Patel;

and Bobby Jones, son of Teresa and Bobby Jones.

Not pictured are Bridgett Houston, daughter of Mrs. Gwendelyn Houston and the late Robert Houston and Jeff "Bozie" Garland, son of Martha Campbell and Clifton Garland.

All parents and friends are invited to attend the presentation program.

### Gymnasium/Cafeteria Under Construction----

Workers complete a staircase inside the gymnasium/cafeteria building included in Tishomingo County's new educational complex under construction on Highway 72 West. When completed, the building will include a cafeteria, kitchen, basketball courts, media areas, and a mezzanine.

**CHILD CARE WINNERS** — This year's local competition winners in childcare at Iuka High School who will compete in Jackson, MS, on Feb. 25, are, from left, Carra Kent, storytelling event; Allison Skinner, music event; Kristi Whitehurst, science event; and Tracy Waddell, student-made learning game. Not pictured is Melissa Lancaster, picture file event.

### "Valentine Tea"

The Corinth Social Security Office invites you to attend a "Valentine Tea" to be given in honor of Senior Citizens.

The Tea will be Thursday February 14, 1991 from 9:30 A.M. until 2:00 P.M. in Southgate Shopping Center, Corinth, Mississippi.

For more information call 423-2935.

### Make Valentines Special With Family Traditions

Valentine's Day is a wonderful time to adopt a new family tradition. Think of things other than flowers and candy. Make this special day of love a real family affair, states Nellie R. Horton, Extension Home Economist, for Tishomingo County.

Healthy families are not only committed to promoting the happiness and welfare of individual family members, but they also are committed to the family as a group. They perceive their family to be worthy and unique and are proud to be part of it.

Just as it is beneficial for an individual to have high self-esteem, it is valuable for a family to feel good about itself as a group. Central to what gives a family a sense of pride, worthiness and uniqueness, is its family traditions.

A family tradition is any activity or event that occurs with some regularity and holds a special meaning for a family. It can be as simple as a parent's nightly reading of a bedtime story or as elaborate as a yearly family trip to Grandma's house.

Family legends and traditions can make a family feel special and unique. They can serve as unifying themes around which family members can unite and celebrate. Family traditions can help to make a family core cohesive. Because the shared meanings of these occasions and activities are usually understood and enjoyed by the family alone, they can create feelings of warmth, closeness and specialness.

In a changing world, traditions also can provide a stable anchor that fosters a sense of continuity and meaning. This can be particularly important for children who need

stability in their world to help them understand it.

Traditions, especially those that have been passed down through the generations, can provide a family with a link to its past. This can help family members understand and affirm the thread of continuity that has contributed to making the individual and family the unique people they are.

An appreciation and reverence for the past also demonstrates to elders - parents, grandparents and other older kin - a respect and value for where they have been and what they have done. It confirms the meaning and value of the life lived thus far by the older generation. For example, the life of a grandparent can be given renewed meaning and significance by a grandchild's interest in and appreciation of past deeds and events.

Traditions should be enjoyable and bring family members together. Sometimes, however, a tradition outlives its usefulness or evokes resentment, boredom, discomfort or indifference. If such is the case, it may be time to retire the tradition.

### Maxine Glasgow

Maxine Glasgow, 64, died Monday February 4, 1991 at the North Mississippi Medical Center. She was a member of the Paden Baptist Church, a retired employee of Blue Bell Manufacturing and a homemaker.

Services were at 2 p.m. Wednesday at Paden Baptist Church with the Rev. Pat Howard officiating. Burial was in the Lindsey Cemetery. Deaton Funeral Home of Belmont was in charge of the arrangements.

Survivors include her husband, James E. Glasgow of Tishomingo; one son, Brendix Glasgow of Tishomingo; her parents, Mr. and Mrs. John Tillman Pardue of Dennis; three sisters, Velma Mathieu, Dorothy Pardue and Marie Sartin, all of Dennis; two brothers, Junior "Bud" Pardue of Cherokee, AL; two granddaughters.

### Gospel Singing At Pleasant Hill Church

The regular monthly singing well be at old Pleasant Hill Church, North Crossroads, Saturday night, January 9, at 7 p.m.

Special singers will be the Gospel Ministers, from Enville, TN., along with others. The church welcomes you to attend.

**HARMONY QUILTERS** - The United Methodist Women of Harmony Methodist Church are as busy as bees completing quilts. The group meets weekly for lunch and quilting, and a good time of fellowship is enjoyed. From left are Lois Tucker, Pauline Grisham, Dudgar Daniel, Joyce Robertson, Annette Tucker, Nedra Walker, Glenda Johnson, Delma Dean, and Vada Kay. Not pictured are Dorothy Hayes, Louise Sanderson and Lola Maud Stanford.

## Quilting Bee

Come listen to me, and listen well,  
To all the things I'm about to tell.  
This is a story that should be told,  
Of the Quilting Bees who are so bold.

There's Lois and Vada and Glenda too,  
Annette and Polly are just a few.  
The sisters are there to take a stand,  
While Joyce and Nedra lend a helping hand.

Must not forget our hemming girl,  
Lola Maude gives our hems a whirl.  
Some come to work, some come to see,  
These women are known as the "Quilting Bees".

We laugh, we sing, we pray, we cry,  
Each quilt gets better as the days go by.  
1990 was a year of fame,  
Thirty-six quilts adds to our name.

If you don't believe, come by and see,  
You're welcome to join the "Quilting Bees".

## Local Student's Inducted Into Leading MSU Honorary

A total of 169 students was inducted into the leading national honor society at Mississippi State University during the 1990 fall semester.

Membership in Phi Kappa Phi is open to seniors at the top of their class in all majors. Graduate students, juniors and some sophomores whose scholastic achievements are at the very highest levels are also eligible.

Phi Kappa Phi was founded in 1897 at the University of Maine. At present, there are some 240 chapters nationwide with a total membership of more than 42,000.

New members include Eddie L. Morris of luka, a senior majoring in general business administration, and Kimberly G. Armstrong of Burnsville, a junior English major.

## DAR History Tea

The Chief Tishomingo Chapter Daughters of the American Revolution will honor the first place winners in the 5th, 6th, 7th 8th graders History essay contest, "What the Bill of Rights mean to me." They are Jamie Gresham, 5th grader, luka; R. Nathaniel Clark 6th grade, luka; Amber Forsythe 7th grade, Burnsville; Michelle Pharr, 8th grade, luka.

Three constitution essay winners will attend the Tea. They are from the 12th grade at luka High School. They are Bridgett Houston, Kelley Rutledge, Robby Krupp. Their Title was "How do we as Americans, help preserve the Bill of Rights and other Rights guaranteed in the Constitution of the United States."

Mr. Velson Taylor, Chief Tishomingo DAR History Teacher for 1991 will be honored.

Parents and Teachers are also invited from each school.

The Tea will be at the luka Public Library Sunday, Feb. 10, 1991 from 2 to 4 p.m.

**JEWELRY AT LIBRARY**...A collection of Katrina designed jewelry is on display at the luka Public Library during the Month of February. Mrs.

Frances Wilson of Midway has a varied collection of the unique jewelry. Necklaces, earrings, pins, and belts are designed originally by Mrs. Kathleen Moody of Anniston,

Alabama. Many of the pieces feature animals and especially cats. The Katrina line is very popular all over the United States.

## Twentieth Century Club News

The 20th Century Club met in the luka Public Library on January 24, 1991, with Mrs. Christine Mercer as hostess.

The meeting was called to order by Nancy Daugherty, President, who led the members in the Pledge of Allegiance to the Flag.

The Devotional was given by Mildred Hill who read "Woman and Her Community". Maxine Wade read minutes of previous meeting and called the roll.

The club is in the process of preparing our Annual Scrapbook. Joy Kitchens reported on the progress made and stated we will meet at 6:00 P.M., on Monday February 4th, to continue working on the scrapbook. Nancy Daugherty discussed the clubs annual reports which will be due on February 1st.

The District convention will be held on March 23rd, in Holly Springs, MS. The State Convention will be on April 26th thru 28th, in Tupelo, MS.

After the business session Geraldine McGill, program leader presented her guest, Mr. John Castleberry, Assistant Vice-President, luka Guaranty Bank.

The program being on Economics, Mr. Castleberry talked on the

economy in the United States. He stated that we are in a recession partly due to the Persian Gulf Crisis. The Federal Reserve has lowered the prime interest rate by ½ percent which will help both the consumer and businesses. In 1989 the inflation rate was 6.1%.

The Persian Gulf situation is frequently cited as a key determinant of both current and future economic activity. The economy will greatly benefit if the war can end in a short period of time. The outlook now is that interest rates on C.D.'s and other investments will continue to be low.

He stated that the economy in this area has continued to stay high because of supply and demand. Growth in our area has been slowed because of the water and sewer problems. Mr. Castleberry opened the floor for questions that the club members would like to ask. After the question and answer session, he stated the bank would like any suggestions on how they can better meet their customers needs.

The next club meeting will be on February 14th, with Zenobia Oaks as hostess.

Idaho is the only state in  
the U.S. over which no  
foreign flag has ever flown.

## Card of Thanks

Words cannot express our appreciation for the support given us during our loved one Lydia Belle Lambert's long illness and death. To family, friends, and her neighbors in Pickwick Circle Apts. for the many acts of kindness to make her days brighter, to Dr. Ben Kitchens, all the staff at luka Hospital for being so good to her, and after her death for all the prayers, visits, calls, cards, food and the beautiful flowers, to Bro. Frank Williamson and the congregation at luka Pentecostal Church, the singers, pallbearers and Cutshall Funeral Home, we say thank you.

### Southwood Baptist Receives \$4,000 Grant

Southwood Baptist Church, Iuka, MS, has received a \$4,000 grant from the Pastoral and Building Aid Committee of the Mississippi Baptist Convention Board with funds provided by the Margaret Lackey State Mission Offering. This grant will be used for pulpit furniture and pews. Mr. Charles McAnally, state

board member, is shown above presenting the check to Bro. James B. Brown, pastor of Southwood and Eugene Hall, deacon chairman, along with Bro. Charles Stubblefield, director of missions, Tishomingo Baptist Association.

Since moving into the new sanctuary in October, 1990, Southwood has increased its attendance over 100 %. There have been nine baptisms and ten members received by letter.

### Services For James Blissit

James Turner Blissit died Saturday, January 26, 1991, at Baptist Memorial Hospital in Little Rock, Ark. He was a native of Tishomingo County and the son of James Turner and Mary McDougal Blissit.

Blissit was educated in the public schools of Tishomingo County, Northwest Community College, and Mississippi State University.

He was a World War II veteran having served with the 319th bomb group in the Army Air Force in the South Pacific.

Following the war, he began working at the Heranado Bank in Herando, Miss. Later, he worked with Memphis Furniture Manufacturing Company of Memphis and Fort Worth, Texas, where he was regional sales manager. He was employed with Little Rock Furniture Manufacturing Co. for 23 years, and retired as sales manager.

Blissit was a member of the Arkansas Manufacturing Retail Association and belonged to St. Paul United Methodist Church in Little Rock.

In 1960 he was stricken with rheumatoid arthritis, but in spite of the crippling disease, he traveled many miles on crutches and was made a member of the Admirals Club by the airlines.

His love for people was shown by his many friends in the furniture world over the southern states. He loved beauty and nature, as his yard reveals the beauty of nearly 200 azaleas, magnolias, and holly trees. His neighbors and friends honor him for a life of courage in spite of a crippled body.

In his last years, his hobby was loving and enjoying his family and neighbors and especially his three grandchildren.

Services were held Monday, January 28, 1991, with the Rev. Geo. Martin and Pastor Duane Barnette in charge. Burial was in Pinecrest Memorial Park in Little Rock.

Survivors include his wife, Sarah Haynes Blissit; two daughters, Mary Lou Blissit of Los Angeles, Calif., and Sarah Blissit Clevenger of Little Rock; a son, James R. Blissit of Little Rock; two granddaughters, Christy and Elizabeth Clevenger and one grandson, Paul Wesley Blissit, all of Little Rock; a twin brother, Milton Blissit of Iuka; and a sister, Alma Blissit Sharp of Tupelo.

### Thank You

We want to say thank you dear friends, relatives and churches for your prayers, love offerings and kind deeds.

Continue to pray for us.

James (Eddie)  
And Louise Daniel

### Thank You

Dexter and I would like to say thanks to our many friends and loved ones who visited, called, sent flowers, and gifts while he was confined in Baptist Hospital in Memphis. A special Thanks for the prayers in our behalf.

And to our children, who we sometimes take for granted, thank you so much for your help and support. What would we do without you? We Love Each One Of You  
Dexter and Helen Ham

### Thank You

I would like to thank my family and friends for every act of kindness shown during my recent hospitalization.

May God Bless Each One Of You  
Blake Kenan

According to American Heart Association estimates, in U.S. adults aged 18-74, 33 percent of white males, 38 percent of black males, 25 percent of white females and 39 percent of black females have high blood pressure.

### If You Need HOSPITAL & SURGICAL Coverage

... there is an insurance plan you should review. Given today's high cost of hospital and surgical expenses, families and individuals cannot afford to be without health insurance protection. Globe Life offers coverage to persons age 64 for hospital and surgical care with low out-of-pocket expenses up front. Consider these Globe advantages.

1. Guaranteed Renewable Protection-Your coverage can never be cancelled for any reason as long as premiums are paid to age 65.  
2. No reduction in Benefits for Certain Conditions-Most pre-existing conditions may be covered after six months if you qualify.  
3. Family-Rates-Significant reduced family rates apply when two or more family members are insured.

Based on an analysis of actual billed charges and claims paid, Globe Life's health policies offer customers what they want and need most: a quality protection for hospital expenses with outpatient benefits at a reasonable price.

MR. AND MISS NEMCC; CLASS FAVORITES SELECTED -- Heath Cleary of Corinth and Tammy Stanford of New Albany were recently elected Mr. and Miss NEMCC by the student body. Twelve freshman and twelve sophomore class favorites were also chosen during the elections. The include (top row l to r)

Scotty Shettles, Etta; Jason Ivy, Booneville; Bo Robbins, Myrtle; David White, New Albany; Todd Dilworth, Corinth; Scotty Alexander, Corinth; Onassis Burress, Baldwin; Heath Cleary, Corinth; Brett Benjamin, Corinth; Michael Graves, Plant City, FL; Michael Crouch, Sallito; Brian Harwood, Rienzi; (bottom row l to r)

Tina Seago, Corinth; Veronica Rhodes, Iuka; Melissa Garner Ripley; Hillie Wiggington, Ripley; Sunni Grisham, New Albany; Tina Bills, Lamar; Wendy Kirk, Corinth; Amy Scott, Booneville; Patti Golding, Blue Springs; Jenna Swann, Tupelo; Tammy Stanford, New Albany; Karen Crow, Corinth and Tonya Rogers, Corinth.

prepare an ingredient for the soup pot and put it all together to cook. While the soup is cooking, prepare an appropriate bread and perhaps a dessert to accompany the soup or stew.

\*Go to a foreign land in your own home through food. Decide on the country you want to visit. Plan a menu and let each person be responsible for a dish. Try simple foods or use convenience foods. Try the grocery store for a good selection of Mexican and Oriental foods that are easy to make. Add an extra touch by dressing in costume for the meal.

\*Make cookies or bread. This is especially good for the younger children. Choose a simple recipe and let each family member do something in the recipe. For an added touch, when the cookies or bread are cooked, package them for gifts to a lonely neighbor or sick friend. Then have the family make a visit to give them to the recipient.

\*If someone in your family hunts, use the game as the focal point of a meal. After the kill and the game is dressed, have the family participate in cooking the venison, the rabbit or whatever it happens to be.

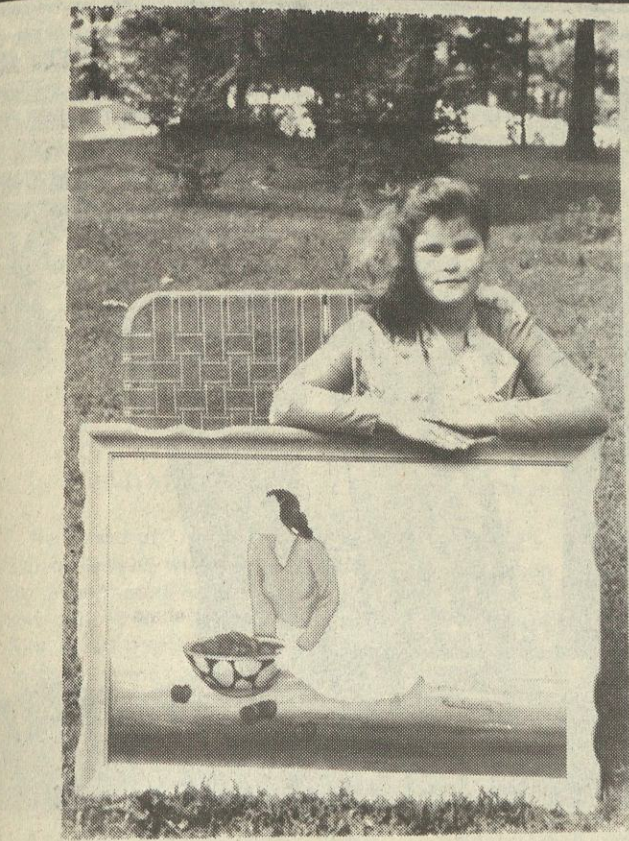

Of course, all of this doesn't just happen, even in the closest of families it will take some planning and lots of patience and understanding from everyone.

The 4-H food project materials have some excellent ideas. If the kids are not enrolled in 4-H, this would be a good introduction to project work.

For more information on the 4-H Food Nutrition Project Call 423-7016.

SPECIAL GUEST from Jackson, MS visited with the Friends of the Iuka Library at the recent Lunch Break. Margaret Sewell, shown at left, is President of the State Friends and Charmain Thompson, right, is Director of Public Relations for the Miss Library Commission. Ms Sewell presented a book to the Iuka library honoring Bill Stahl who was the recipient of the Ruby Assaf award as the outstanding volunteer Friend in the State.

Artist Of The Month  
"Vanessa McCulloch"

At age 12, Vanessa McCulloch is the youngest charter member of the Tishomingo County Fine Arts Guild. She does not remember a time when she did not draw or paint. As one long-time friend expressed it, "Vanessa has always had a pencil in her hand."

As a very small child, her parents provided her with many different kinds of mediums to play and experiment with. Those mediums included watercolors, charcoal, finger paints, egg paints, pencils, and Ivory Snow/food coloring paints. From an early age, she exhibited an unusual proficiency for distinguishing shades of colors and textures, along with the combination of colors, which are important abilities for an artist. She

used to get so deeply involved with those mediums, that "all four feet" would not be an exaggeration, and her art sessions many times ended in the bathtub to remove the evidence!

Vanessa sold her first work when she was three years old. She sat at the kitchen table on a high chair and painted pictures on papers, which were then folded to make greeting cards. Her Aunt Debbie Roboloso in Hinsdale, Illinois bought her first set of cards for \$5. She thought they were so cute and original, that she never had the heart to write one to anybody and just kept them herself!

Vanessa's first formal art lessons began at the age of seven when she began drawing classes with Suzanne Duvall, who was then teaching at Iuka High School. A year or so later, she began painting and drawing classes with Ms. Duvall at THE LOFT. She currently studies under the super-

vision of Oneta Cole of Booneville with her fellow classmates, Laura and Joseph Blythe. They utilize such mediums as acrylics, charcoal, pastels, and pencils in their studies.

To date, Vanessa has sold nine paintings, which hang in homes in Canada, California, South Carolina, Illinois, and Mississippi. She is shown pictured here with her painting commissioned by Mrs. Howard (Janie) Ellis, in whose Midway home it now hangs.

When she is not painting or drawing, Vanessa enjoys reading. She is currently reading Journey to the Center of the Earth by Jules Verne. She also enjoys writing short stories, and finds time to write letters to pen pals all over the United States.

Vanessa appreciates all the encouragement of her teachers and friends through the years, and hopes to continue learning about art and its beauty for many decades to come.

4-H News

By: Mary Cox

WINTER COOKING FOR THE FAMILY

Winter is a wonderful season to get to know your family better. Because of the cold temperatures and shorter daylight hours, families spend a great deal of time inside. Why not spend this time involved in family projects and activities that will improve life skills for the children (and perhaps fathers) and bring the family closer together.

This would be especially good for children who are enrolled in the 4-H food and nutrition projects. They could take the leadership in planning these projects for the family.

Regardless of what activities a family is interested in or their talents, a good place to start these family activities is in the kitchen. We all have to eat, so this will achieve two purposes. Think about these ideas for winter cooking experiences that can involve the whole family.

\*Make a pot of soup or stew that reflects your family heritage, i.e., an Irish Stew if you are Irish or Minestone if your family originated in Italy. Let each member of the family

Fine Arts Judge Selected

Lee Manners, Jacksonville State College Art Dept. director for over 20 years, has been invited to judge the artwork exhibited at the Arts Alive '91 arts and crafts show. The fifth annual Arts Alive show is sponsored by the Kennedy-Douglass Center for the Arts Volunteers and will take place April 27th and 28th in Florence, Alabama.

Mr. Manners art career spans forth years in which he has shown his artwork in over seventy exhibitions. He earned a bachelor of fine arts degree from the University of Alabama in 1952 and a master of fine arts degree in 1953. His early works were paintings. Later, when he was at Jacksonville State College he began working in other media. Today he can call himself a painter, a potter, a quilter

and a maker of collages, all arts he learned to better teach his students.

James Baker, Co-Chairman of Arts Alive '91, said: "I'm very pleased that we were able to get Lee Manners to come judge our juried fine arts exhibit. All the artist I have talked to about entering Arts Alive '91 are enthusiastic about having their artwork judged by a person with the artistic background Mr. Manners has acquired over his many years as an artist and art teacher."

Artist interested in entering this event should call (205) 760-6379 or

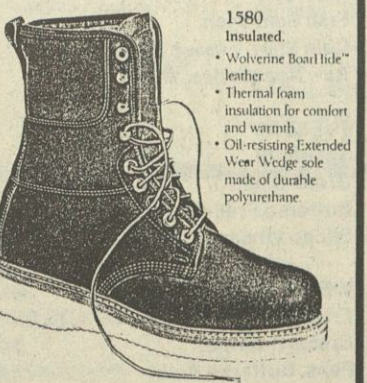

write: Kennedy-Douglass Center for the Arts, 217 East Tuscaloosa Street, Florence, AL 35630.

To reduce your risk of heart disease follow these American Heart Association dietary guidelines: keep saturated fat to less than 10 percent of calories, total fat to less than 30 percent of calories, cholesterol to less than 300 mg per day, and sodium to less than 3,000 mg per day.

**FBLA-PBL WEEK...**The Iuka High School Chapter of Future Business Leaders of America is beginning its celebration of FBLA-PBL week by Mayor David Nichols signing a proclamation declaring February 10-16, 1991, as FBLA-PBL week. This week coincides with National

**Vocational Education Week.** During this week, vocational education students across the country will demonstrate what they are doing for their schools and communities and how they are preparing for successful futures. Our FBLA Chapter plans to hold a different activity each day of

**FBLA-PBL week.** Those planned thus far include Teacher Appreciation Day, Serviceperson Appreciation Day, and a special Valentine's Day fundraiser and Party. From left are Lana Harrelson, instructor; Dena Lowrey, Danielle McDevitt, Mayor Nichols, Dana Harwell, Chris Cornelison, and Beth Byrd, instructor.

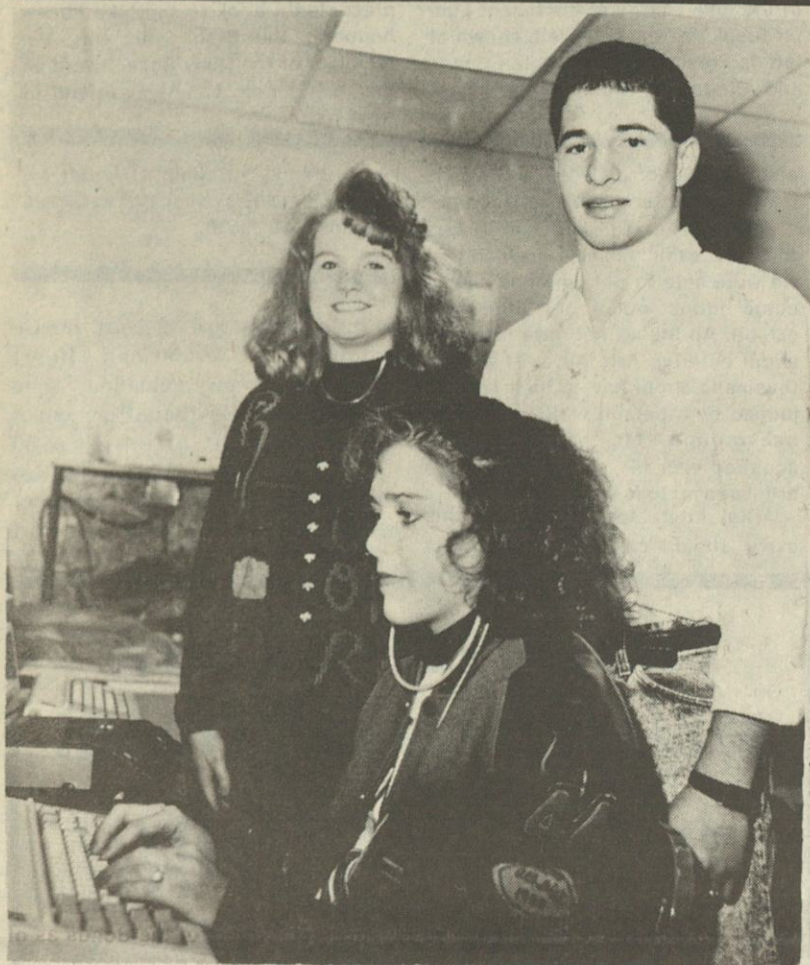

## Iuka FBLA Chapter Has 5 Winners At District

As a preliminary to the State Leadership Conference, District Conferences are held which give FBLA members greater opportunities to participate in event and leadership activities. The Northeast District Conference is patterned after the

State Leadership Conference, and the top five event finalists advance to state events.

Twenty Seven members of the Iuka FBLA Chapter competed in the Northeast District Conference Competitions held January 31, 1991, at the Tupelo Campus of the Itawamba Community College. Our winners, pictured from left to right, were as follows: Casey Murrah, 4th place in Computer Applications for Business; Jana Long, 4 place in Information

Processing Concepts; Pam Williams, 3rd place in Machine Transcription; Christy Robinson, 2nd place in Job Description Manual; Dena Lowrey, Candidate for Northern District Vice President; and Kacia Kitchens, 1st place in Keyboarding Applications. These five students will be competing at the State FBLA Conference in Jackson, MS on April 4-5, 1991. Iuka High School is very proud of these students and all others who participated in the competitions.

## Iuka Sports

### IUKA BOYS FALL TO BOONEVILLE

The Iuka boys fell to Booneville 54-60 in a district game at Iuka. The Chieftains trailed 27-34 at the half. A fourth quarter rally fell short and Booneville held on for the win. Iuka was led by Bozie Garland with 14 points and Larun Hargrove scored 11. For Booneville Tim Johnson and John Bolen scored 14 points each while Sammy McVay had 11 and Bart Green ham contributed 10. Iuka was 9 of 14 from the free throw line. Booneville was 13 of 20. The Chieftains will host Walnut on Thursday Feb. 7.

### LADY CHIEFS TOP BOONEVILLE

Iuka's girls beat Booneville 45-30 in the Iuka Gym last Thursday night. The Lady Chieftains held a 25-14 advantage at halftime. Tammi Johnson scored 10 points in the first half. Iuka was 5 of 10 from the free throw line for the game. Johnson finished with 12 points. Susan Daniel and Kelley Rutledge scored 9 each and Stephanie McClung tossed in 8. Booneville was led by Demetria Wanner with 10 points and Christy Cole with 8. The Lady Chiefs are now 123-12.

## Mississippi Hay Listing

Due to the hay shortages that some of our farmers are now facing, the Mississippi Department of Agriculture and Commerce would like to get buyers and sellers of hay together. Our objective is to compile a listing of hay sources; however, in order for this endeavor to be successful we must have a sufficient number of farmers with hay for sale.

Farmers who have hay for sale and would like to be included in this listing need to send the following information: name, complete mailing address (including zip code), phone number, type and amount of hay and location of hay if different from the mailing address. Other information that may be included are: price, quality of hay, if loading is available, etc. Although this is not connected with the Mississippi Market Bulletin, farmers who have hay listed in the bulletin will automatically be included.

Information should be submitted in writing to John M. Tillson, Mississippi Department of Agriculture and Commerce, P.O. Box 1609, Jackson, Mississippi 39215-1609.

This is a public service, free of charge, provided by your Mississippi Department of Agriculture and Commerce.

## County Schools Lunch Menus

Vitamins, Minerals & Your Health

Low Vitamin E Levels and Heart Disease

*I have read about the value of vitamin E in cancer prevention. Does the vitamin help prevent other diseases?*

Many individuals believe that vitamin E has value as a cancer preventing substance. Vitamin E, along with vitamin C and the mineral selenium, have an antioxidant effect which may protect cells of the body. A recent report in the *American Journal of Clinical Nutrition* seems to indicate that vitamin E also may play an important role in prevention of heart disease.

Middle-aged men from several European cities participated in a study in which vitamins C, E, and A, beta-carotene, and cholesterol blood levels were measured. Blood pressure was monitored. Deaths caused by blockage of the arteries of the heart (heart attacks) were observed.

It was found that low vitamin E levels predicted heart disease death in 62% of cases. A low vitamin E level was a better predictor of death than was a high cholesterol level. A total of four factors combined (low vitamin E, high cholesterol, low vitamin A, and high blood pressure) predicted death in 87% of cases.

We do not know if taking vitamin E supplements or eating foods that are high in vitamin E will help prevent either cancer or heart disease deaths.

For A Complete Selection Of Vitamins Visit:

Legal Notice

IN THE CHANCERY COURT OF TISHOMINGO COUNTY MISSISSIPPI

IN THE MATTER OF THE ESTATE OF THOMAS E. CROSS, DECEASED  
NO. 11610

NOTICE TO CREDITORS

The undersigned having been appointed Executrix of the estate of Thomas E. Cross, deceased, by the Chancery Court of Tishomingo County, Mississippi, in Cause No. 11,610 on the docket of said Court, on the 16th day of January, 1991, hereby gives notice to all persons having any claims against the said estate to have the same probated and registered by the Clerk of the Chancery Court of Tishomingo County, Mississippi, within ninety (90) days, and failure to probate and register for this period will bar the said claim.

WITNESS MY HAND AND SIGNATURE, on this the 14th day of January, 1991.

Melissa C. Kent

Richard O. Clark

Legal Notice

TRUSTEE'S NOTICE OF SALE  
STATE OF MISSISSIPPI  
COUNTY OF TISHOMINGO

Whereas, on 8th day of February, 1990, Thomas O. Lovelace and wife, Myra Lovelace, executed a Deed of Trust to J. Barry Finch, Trustee for the benefit of First American National Bank, which said Deed of Trust is now on record in the Office of the Chancery Clerk of Tishomingo County, Mississippi, at Iuka, Mississippi, in Book 148, page 659, of the records of Deeds of Trust of said County; and

WHEREAS, default having been made in the payment of the indebtedness secured by said Deed of Trust and the holder of the Note and Deed of Trust having requested the undersigned Trustee so to do, I will, on the 22nd day of February, 1991, offer for sale at public outcry and sell during legal hours, being between the hours of 11:00 a.m. and 4:00 p.m., at the east front door of the Tishomingo county Courthouse in Iuka, Tishomingo County, Mississippi, for cash to the highest and best bidder, the following described property situated in Tishomingo County, Mississippi, more particularly described as follows, to-wit:

Part of the NE 1/4 of Section 8, Township 3, Range 11 East, described as beginning at the northeast corner of said quarter section; thence run west on the north

boundary line of said quarter section 2510 feet to the east right-of-way line of Eastport Road; thence run S. 8° W. with the east right-of-way of Eastport Road 200 feet to a point; thence run S. 70° E. 600 feet to a stake; thence run S. 8° W. 150 feet to the point of beginning hereof; thence run northwest 270 feet; thence run northeast 134 feet to a steel stake; thence run N. 70° W. 330 feet; thence run N. 8° E. 16 feet; thence run S. 70° E. 600 feet to a steel stake; thence run S. 8° W. 150 feet to the point of beginning, containing 1 acre, more or less.

I will convey only such title as is vested in me as Trustee.

WITNESS my signature, this 29th day of January, 1991.

/s/ J. Barry Finch  
Trustee

NOTICE OF BOND SALE

\$1,725,000  
GENERAL OBLIGATION WATER BONDS, SERIES 1991  
OF THE  
CITY OF IUKA, MISSISSIPPI

NOTICE IS HEREBY GIVEN that the Mayor and Board of Aldermen of the City of Iuka, Mississippi (the "Governing Body") of the "Municipality") will receive sealed bids in its regular meeting place in the City Hall of the Municipality until the hour of 12:00 o'clock Noon on Tuesday, February 26, 1991, at which time said bids will be publicly opened and read for the purchase in its entirety, at not less than par and accrued interest to the date of delivery thereof, of an issue of One Million Seven Hundred Twenty-five Thousand Dollars (\$1,725,000) General Obligation Water Bonds, Series 1991, of the Municipality (the "Bonds").

THE BONDS: The Bonds will be dated and bear interest from March 1, 1991; will be delivered in definitive form as registered bonds; will be in the denomination of \$5,000 each, or integral multiples thereof up to the amount of a single maturity; will be numbered from one upward in the order of issuance; will be payable as to principal at a bank or trust company to be named by the Governing Body in the manner hereinafter provided; and will bear interest, payable semiannually on March 1 and September 1 of each year, commencing September 1, 1991, at the rate or rates offered by the successful bidder in its bid in accordance with this Notice of Bond Sale.

MATURITIES: The Bonds will mature serially, with option of prior payment, on March 1 in each of the years and amounts as follows;

YEAR	AMOUNT
1992	\$40,000
1993	45,000
1994	45,000
1995	50,000
1996	55,000
1997	70,000
1998	70,000
1999	70,000
2000	70,000
2001	75,000
2002	80,000
2003	90,000
2004	95,000
2005	100,000
2006	110,000
2007	115,000
2008	125,000
2009	130,000
2010	140,000
2011	150,000

REDEMPTION: Bonds maturing after March 1, 2001, are subject to redemption prior to their respective maturities at the election of the Municipality on March 1, 2001, or any interest payment date thereafter, either as a whole or in part (in reverse order of maturity and by lot if less than all of the maturity is to be redeemed), upon not less than thirty (30) days prior notice, at the principal amount thereof plus accrued interest to the date of redemption. Notice of the call for redemption shall be published one time in the newspaper published in the City of Jackson, Mississippi, and having a circulation throughout the state of Mississippi. Such notice of the call for redemption shall also be mailed to all registered owners of the Bonds not less than thirty (30) days prior to the date of redemption.

AUTHORITY AND SECURITY: The Bonds will be issued pursuant to the provisions of Sections 21-33-301 through 21-33-329, Mississippi Code of

1972 (the "Act"), and shall be general obligations of the Municipality payable as to principal and interest out of and secured by an irrevocable pledge of the avails of a direct and continuing tax to be levied annually without limitation as to rate or amount upon the taxable property within the geographical limits of the Municipality. The Municipality will levy annually a special tax upon all taxable property within the geographical limits of the Municipality adequate and sufficient to provide for the payment of the principal of and the interest on the Bonds as the same falls due.

PURPOSE: The Bonds are being issued to provide funds for the purpose of repairing, improving and extending the waterworks distribution system and constructing a new waterworks plant.

FORM OF BIDS: Bids should be addressed to the Mayor and Board of Aldermen and should be plainly marked "Bid for General Obligation Water Bonds, Series 1991, of the City of Iuka, Mississippi," and should be filed with the City Clerk of the Municipality on or prior to the date and hour hereinabove named. All bids should be submitted substantially in the form prepared by the Municipality, copies of which may be obtained from the Clerk of the Municipality at the address shown below.

INTEREST RATE AND BID RESTRICTIONS: The Bonds shall not bear a greater overall maximum interest rate to maturity than eleven percent (11%) per annum, nor shall the interest rate for any one maturity exceed eleven percent (11%) per annum. No Bond shall bear more than one (1) rate of interest; each Bond shall bear interest from its date to its stated maturity date at the interest rate specified in the bid; all Bonds of the same maturity shall bear the same rate of interest from date to maturity; and the lowest interest rate specified shall not be less than seventy percent (70%) of the highest interest rate specified. Each interest rate specified in any bid must be a multiple of one-eighth of one percent (1/8 of 1%) or one-tenth of one percent (1/10 of 1%) and a zero rate of interest cannot be named.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a cashier's check, certified check, or exchange, issued or certified by a bank located in the State of Mississippi, payable to the Mayor and Board of Aldermen of the City of Iuka, Mississippi, in the amount of Thirty-four Thousand Five Hundred Dollars (\$34,500) as a guaranty that the bidder will carry out its contract and purchase the Bonds if its bid be accepted. All checks of unsuccessful bidders will be returned immediately on award of the Bonds. If the successful bidder fails to purchase the Bonds pursuant to its bid and contract, then the amount of such good faith check shall be retained by the Municipality as liquidated damages for such failure. No interest will be allowed on the amount of the good faith deposit.

AWARD OF BONDS: The award, if any, will be made to the bidder complying with the terms of sale and offering to purchase the Bonds at the lowest net interest cost to the Municipality, which shall be determined by computing the aggregate interest on the Bonds over the life of the issue at the rate or rates of interest specified by the bidder, less premium offered, if any. It is requested that each bid be accompanied by a statement of the net interest cost (computed to six decimal places), but such statement will not be considered a part of the bid. All bids shall remain firm for three (3) hours after the time specified for the opening of bids, and an award of the Bonds, or rejection of bids, will be made by the Governing Body within said period of time.

RIGHT OF REJECTION, CANCELLATION: The Governing Body reserves the right to reject any or all bids submitted, as well as to waive any irregularity or informality in any bid. The successful bidder shall have the right, at its option, to cancel its agreement to purchase the Bonds if the Bonds are not tendered for delivery within sixty (60) days from the date of sale thereof, and in such event the Governing Body shall return to said bidder its good faith deposit. The Governing Body shall have the right, at its option, to cancel its agreement to sell the Bonds if within five (5) days after the tender of the Bonds for delivery the successful bidder shall not have accepted delivery of and paid for the Bonds, and in such event the Governing Body shall retain the successful bidder's good faith deposit as liquidated damages as hereinabove provided.

PAYING AGENT, TRANSFER AGENT, AND REGISTRAR: The successful bidder may designate a bank or trust company located within the State of Mississippi to serve as paying agent (the "Paying Agent") for the Bonds within forty-eight (48) hours of the date of sale of the Bonds, subject to the approval of the Governing Body. The Governing Body's approval of the Paying Agent shall be contingent on a determination as to the willingness and ability of the Paying Agent to perform the duties of registrar and transfer agent and on the satisfactory negotiation of service fees. The Paying Agent shall be subject to change by order of the Governing Body under the conditions and in the manner provided in the Bond Resolution under which the Bonds are issued. Both principal of and interest on the Bonds will be payable by check or draft mailed to registered owners of the Bonds as of the 15th day of the month preceding the maturity date for such principal or interest payment at the addresses appearing in the registration records of the Municipality maintained by the Paying Agent. The Bonds will be transferable only upon the books of the Paying Agent, and payment of principal at maturity shall be conditioned on the proper presentation and surrender of the Bonds to the Paying Agent.

DELIVERY: The successful bidder must designate within thirty (30) days of the date of sale, or at such other later date as may be designated by the Governing Body, the names and addresses of the registered owners of the Bonds and the denominations in which the Bonds of each maturity are to be issued. If the successful bidder fails to submit such information within the required time, one Bond may be issued for each maturity in the full amount maturing on that date registered in the name of the successful bidder. The Bonds will be delivered at a place to be designated by the purchaser and without cost to the purchaser, and payment therefor shall be made in immediately available funds.

CUSIP NUMBERS: It is anticipated that CUSIP identification numbers will be printed on the Bonds unless specifically declined by the purchaser, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchaser thereof to accept delivery of and pay for the Bonds in accordance

with the terms of the purchase contract. All expenses in relation to the printing of CUSIP numbers on the Bonds shall be paid by the Municipality; the CUSIP Service Bureau Charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the purchaser.

LEGAL OPINION; CLOSING DOCUMENTS: The Bonds are offered subject to the unqualified approval of the legality thereof by Watkins Ludlam & Stennis, Jackson, Mississippi, Bond Counsel. In the opinion of Watkins Ludlam & Stennis, interest on the Bonds is exempt from federal and Mississippi income taxes under existing laws, regulations, rulings and judicial decisions with such exceptions as shall be described in the Official Statement for the Bonds. A copy of the opinion of Bonds Counsel, which will be printed on the back of each Bond, together with the usual closing papers, including a non-litigation certificate dated the date of delivery of the Bonds, evidencing that no litigation is pending in any way affecting the legality of the Bonds or the taxes to be levied for the payment of the principal thereof and interest thereon, and a transcript of the proceedings relating to the Bonds will be delivered to the successful bidder without charge. The Municipality will pay for all legal fees and will pay for the printing and validation of the Bonds.

INFORMATION FROM PURCHASER: The purchaser must certify to the Municipality the initial offering price to the public (excluding bond houses, brokers and other intermediaries) of each maturity of the Bonds at which a substantial amount of Bonds of that maturity were sold, to enable the Municipality to compute the yield on the Bonds for federal arbitrage law purposes.

FURTHER INFORMATION: The Municipality has prepared a Preliminary Official Statement which it deems, for purposes of S.E.C. Rule 15c2-12, to be final and complete as of this date except for the omission of the offering prices, interest rates, and any other terms of the Bonds depending on such matters, and the identity of the underwriters, subject to revision, amendment and completion in a final Official Statement. By submission of its bid, the successful bidder will be deemed to have certified that it has obtained and reviewed the Preliminary Official Statement. Upon the award of the Bonds, the Municipality will publish an Official Statement in substantially the same form as the Preliminary Official Statement subject to minor additions, deletions and revisions as required to complete the Preliminary Official Statement. The Municipality will furnish up to 100 copies of the Official Statement to the successful bidder of the Bonds without charge within seven (7) business days after the award of the bid. The successful bidder must notify the City Clerk of the Municipality in writing within five (5) business days of the award if the bidder requires additional copies of the Official Statement to comply with applicable regulations. The cost for such additional copies will be paid by the successful bidder requesting such copies. By submission of its bid, the successful bidder will be deemed to have agreed to supply to the Municipality all necessary pricing information and any underwriter identification determined by the Municipality to be necessary for the Official Statement within 24 hours after the award of the Bonds.

A copy of the Preliminary Official Statement and the bid form may be obtained from the Office of the City Clerk, 118 S. Pearl St., Iuka, Mississippi 38852.

By order of the Mayor and Board of Aldermen of the City of Iuka, Mississippi, on February 1, 1991.

Joyce Brumley

**Legal Notice**  
**TRUSTEE'S NOTICE OF SALE**  
STATE OF MISSISSIPPI  
COUNTY OF TISHOMINGO  
Whereas, on 18th day of December,  
1989, Kathy Jones executed a Deed of  
Trust to J. Barry Finch, Trustee for  
the benefit of David J. Epperson and  
wife, Magdalene Epperson, which  
said Deed of Trust is now on record in  
the Office of the Chancery Clerk of  
Tishomingo County, Mississippi, at  
Iuka, Mississippi, in Book 147, page  
415, of the records of Deeds of Trust  
of said County; and  
WHEREAS, default having been  
made in the payment of the indebted-  
ness secured by said Deed of Trust  
and the holder of the Note and Deed  
of Trust having requested the under-  
signed Trustee so to do, I will, on the  
1st day of March, 1991, offer for sale  
at public outcry and sell during legal  
hours, being between the hours of  
11:00 a.m. and 4:00 p.m., at the east  
front door of the Tishomingo County  
Courthouse in Iuka, Tishomingo  
County, Mississippi, for cash to the  
highest and best bidder, the  
following described property situated  
in Tishomingo County, Mississippi,  
more particularly described as  
follows, to-wit:  
Part of the NW 1/4 of the SW 1/4 of  
Section 11, Township 3 South, Range  
9 East, described as beginning at the  
northwest corner of the NW 1/4 of said  
quarter section and run thence east  
454 feet to a stake and to the point of  
beginning hereof; thence continue to  
run east with the north boundary line  
171.5 feet to a stake; thence run  
south 254 feet to a steel stake; thence  
run west 171.5 feet to a stake; thence  
run north 254 feet to the point of  
beginning, containing 1 acre, more or  
less.  
LESS AND EXCEPT: A non-  
exclusive 40-foot easement for  
ingress and egress across the north  
side of the within described land.  
I will convey only such title as is  
vested in me as Trustee.  
WITNESS my signature, this 30th  
day of January, 1991.  
/s/ J. Barry Finch  
Trustee

Approximately 37 percent of the  
calories in the average Amerian diet  
are from fat, the American Heart  
Association says. In order to decrease  
the risk of atherosclerosis, heart attack  
and stroke, the AHA recommends less  
than 30 percent of calories come  
from fat.
