### Bobby Johnson Announces For Second District Supervisor

even get a chance to do any business with their elected officials. Like all the other candidates I would like to see new industry come to our county to promote jobs for our people, but what about the jobs already here? Do you have services or skills you would like to market to your local government? Have you been given a chance to?

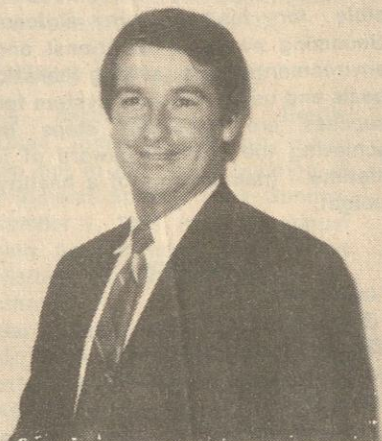

I am currently serving as Mayor of Burnsville, so I understand how government works. If elected your Supervisor, I promise I will make every decision on how to spend your tax dollars as wisely as possible, and I will certainly promote Tishomingo County businesses. There have been a lot of changes in Tishomingo County this past year and I'm told that this is only the beginning. We need to do some serious planning so these changes will be good ones. I will never make any decisions that you will have to petition me to change.

If elected your Supervisor, I will always represent you to the best of my ability and I ask you to work with me to make Tishomingo County a good place to live.

Vote Bobby Johnson, Supervisor 2nd District.

Thank You

### Ricky A. Cummings Seeks Re-election As Supervisor

#### To The Voters of the 2nd District:

It has been an honor to serve you the past 4 years. Many changes have taken place during this short time. Many decisions have had to be made. I ask myself one question each time I have a decision to make...Is this going to bring a better way of life to the people I serve?

Education:

Four years ago when you elected me your supervisor, education was a top priority. I believe we have made some giant steps in reaching this goal. The school board, the board of supervisors, and the people of Tishomingo County, especially the 2nd District, have worked together to give our children the highest quality of education in the state of Mississippi. Higher education brings a better quality of life and a better income for our families.

Health Care:

We have been in negotiations with DECD and North Mississippi Medical Center on building a new hospital here in Tishomingo County. In our negotiations we are making sure that we have a full time surgeon on staff, full time emergency room, a Laboratory, X Ray, Cat Scan, Nuclear Medicine services, outpatient services, Physical Therapy, and Surgical

and Recovery Unit. The reason negotiations has taken so long, we are demanding a full service hospital be operated here in Tishomingo County. We will not be a shipping center for another major hospital. We want quality health care and we know it can be offered here. I will not sign any contract until the future health care of Tishomingo County is secure. Economic Development:

Some 2 years ago, NASA made the announcement they were going to build a new solid rocket motor booster plant. Every state and every community in the United States was in competition for this plant. Through a combined effort and decisive leadership of state and local officials we were lucky in locating this plant at Yellow Creek.

I know NASA in itself has not provided the amount of jobs that some had hoped for. However, we knew from the beginning the spin off industries that will follow NASA in the coming years will benefit our local people most. As our young people attain a higher education, I'm looking forward to see them man the high tech jobs.

Roads:

In the approximate 4 years that I have served you, I have resealed, overlaid, and paved several mile of roads. We have built 4 concrete bridges and purchased several pieces of equipment.

This spring we had record setting rains which closed 17 roads in my district. 3 days later 14 of these roads were re-opened with a lot of hard work. Today all damage has been restored and roads and equipment are in good shape.

I've touched on a few issues that I believe are important to us all. I have put the job of being your supervisor forefront in my life. I have served you with earnest and I run again on nothing but my record. It is my desire to serve you again. I'll ask you on September 17th cast your vote for Ricky A. Cummings.

### State and Local Offices In Democratic Primary

Tuesday, September 17 is Election Day in Mississippi. Tishomingo County voters are asked to once again go to the polls and cast their votes for the best candidate of their choice.

The precincts will open at 7:00 a.m. and close at 7:00 p.m. in this first Democratic primary.

Three weeks after the first election the two top vote getters in each race will be pitted against one another, unless one of them receives a clear majority of the votes. Winners of the October 8 run off will then be slated against Republic and Independent opponents in the November 5 general election.

Voters who will be out of town during the election are reminded that noon Monday is the deadline to vote an absentee ballot in person at the circuit clerk's office. Only those ballots that are mailed in and received in the Circuit Clerk's office by Tuesday, the day of the election, will be tabulated. Also the Circuit Clerk's office will be open until noon on Saturday the 14th for absentee balloting.

### Secretary Of State Dick Molpus To Address Tishomingo County Democratic Party

Secretary of State Dick Molpus will be the featured speaker at Tishomingo State Park Thursday (today) September 12th at 6:00 p.m.

This is a fund raising event for the County Democratic Committee. Come out and meet the candidates in the Democratic Primary and enjoy a plate of World Famous L.O. Bishop BBQ.

Tickets will be available at the door in Shed #1 by Bear Creek. All funds will go to the Tishomingo County Democratic Party.

### Wayne White Announces Candidacy For Justice Court Judge, Southern District

I am a born-again Christian and I am a member of Dennis First Baptist Church where I am also the song director. I know wisdom and knowledge are great tools but God's guidance is very necessary in using these tools. I have worked with the public all of my life, for thirteen years I was in auto parts sales. I worked as an insurance adjuster for twelve years. I am presently self-employed in sales, which I have been for the past six years.

I realize a Judge must administer justice without respect to person and faithful and impartially to the best of his ability and understanding. He serves as the scales of justice and is sworn to uphold the law and see that justice is done. I will try to be available when needed. I will be fair and impartial to everyone if elected.

It is my intention to see each one of you personally in my district, but if I fail to do so, please take this as my plea for your vote and support on September 17.

Thank you,

Wayne White

### Irb Benjamin Candidate For Public Service Commissioner

"License for the telephone company to coin money," says Paine Webber analyst, Jack Grubman.

Is this fair to you, the consumer, Benjamin asked. South Central Bell has one of the highest percentages of profit in the entire Southeastern Region, said Benjamin.

Look at your light bill! Did you know that M.P. & L. charges \$90.00 per thousand kilowatt hour, while customers at Mississippi Power Co. in the Southeastern part of the state pay only \$60.00 for the same amount of power? Do you see why we need a new Public Service Commissioner in the Northern District.

We tried to change the commission through the legislative process, but as a result of political appointments by Governor Ray Mabus, it has simply been business worse than usual! The Big Utilities control your rates!

Irb Benjamin's record shows he has always been for the people, not the Big Utility companies. Nothing eats away at our household budget more than our monthly utility bills.

The Public Service Commission is the most technical office in state government today. Irb Benjamin, as a chairman in the Senate, has been the author and/or primary promoter of many highly technical bills for this state. The T.V.A. Lieu Bill, the 4-lane highway bill, and the equity funding bill are just a few.

Although not presently under this commission, I can assure you that the time has come to look at cable television rapidly escalating rates, Benjamin said.

During the next four years, as your elected Public Service Commissioner, I will make sure that you, the consumers, get a dollar's worth of service for every dollar you pay, pledged Benjamin.

### Sam James Announces For Chancery Clerk

I, Sam James, wish to take this opportunity to formally announce my candidacy for the office of Chancery Court Clerk of Tishomingo County.

My enthusiasm and optimism for the growth, development and outlook for our county makes this election year especially exciting and important.

Family, community and business have always been my priorities. I truly care about and have a vested interest in this community we call home.

I am married to Barbara Seago James and we have had the honor of raising our daughters, Lesley, age 10 and Natalie, age 6 here in Iuka.

With the growth so rapidly accruing in North Mississippi, I am well aware of the changes and serious commitment to Tishomingo County we all must make for our future.

I am a Vietnam veteran, attended MSU and have a strong banking and financial background. I have owned my own construction business for a number of years. I feel these elements when coupled with my strong conviction for accuracy, efficiency and neighborly pride qualify me for the never ending demands in the office of Chancery Court Clerk.

As a businessman and property owner I see the need for prompt, courteous and efficient day to day operation. I understand the pride you all have in your homes, property and family.

The position requires a commitment and energy to serve the good folks of Tishomingo County. It requires a willingness to wear many hats. Accurate record keeping. Official clerk for the Board of Super-

visors and handling of a large budget are just a few of the duties. These duties and demands present a challenge I strongly desire to meet.

It is my goal to meet as many of you as possible during this campaign. I look forward to shaking your hand and listening to your suggestions as well as answering your questions.

I will appreciate your vote, support and interest in the operation of Tishomingo County and pledge to serve each of you with integrity and in your best interest. It is my hope that you will exercise your right and responsibility to vote in the upcoming primary as you give me careful consideration.

### County-Wide Pep-Rally

The Tishomingo County High School Athletic Booster Club will sponsor a community-wide pep rally on Thursday, September 26th at 7 p.m. at the new gymnasium featuring TCHS athletes, coaches and cheerleaders. Everyone is invited.

### Iuka Chamber Board Meeting

There will be a meeting of the Executive Board of the Iuka Chamber of Commerce on Wednesday, September 18th at 7:30 a.m. at Will's Restaurant. All members are urged to be present for this very important meeting.

### Palestine Church To Have Election

You who are interested in the Palestine Church are invited to a special meeting to fill a vacancy due to the death of a building committee member, Mr. Alvin Green on Saturday night, September 14, at 7 p.m. at the Palestine Church.

Making hand-made wreaths, bow ties and table decorations is a hobby that Linda Cummings and Becky Vandiver enjoy tremendously.

After gathering grape and muscadine vines in the woods, they use silk flowers and fillers to create some beautiful arrangements. A sampling

of their creations are on display at the Iuka Public Library during the month of September. Linda Cummings is shown with her grandson, Tyler Vandiver.

### MODIFY BEHAVIOR FOR DIET SUCCESS

America is a weight conscious nation. As we become aware of the benefits of diet and exercise on overall health, more Americans are trying to incorporate physical fitness and weight control into their daily lives.

Unfortunately, many times weight control or exercise programs are begun with a great deal of enthusiasm, but in a very few weeks the enthusiasm begins to fade.

Sensible eating along with regular exercise is the basis for a successful weight loss program, but this success can only be achieved by permanently changing behavior. By taking part in a behavior modification program designed to change behavior or habits, individuals become more aware of the things in the environment that trigger improper eating or prevent the success of an exercise program.

A behavior modification program also will help individuals set goals to change behaviors and incorporate positive reinforcement into their lifestyle when the weight control on fitness program is a success.

Awareness is the first step in changing eating habits. Individuals should begin by keeping a record for several days of everything that is eaten. Include where the food is eaten (in front of the television, at the dining room table, sitting at a desk) and the circumstances that occurred while eating.

More overweight people tend to eat in a wide variety of places in the home. Through repeated associations with food, these places become environmental cues for

eating. For a weight control program to be a success, associate eating, including snacking, with one place in the home.

Restrict eating in the home to one place such as the dining room table. Do not do anything else while eating such as watching television or reading a book.

Emotional stress such as boredom, depression, fear, anxiety and unhappiness all serve as environmental cues to eat. Keeping a record of moods or emotions at the time of eating can help individuals become more aware of the influence of different moods on eating habits.

Once the influence is identified, make a list of projects or activities that can be substituted for eating. This may include bicycling, jogging, taking a walk, phoning a friend, writing a letter or many others. The next time an emotional cue to eat occurs, substitute one of the activities on the list.

Goals are an important part of a behavior modification program. Set realistic goals. Include both short-term and long-term goals. The short term goal may be related to weight loss alone, or it can focus on weight loss and behavior change.

If the long term goal is to lose 25 pounds and exercise for 30 minutes three times per week, a realistic short-term goal is to lose 1 pound per week and use the stairs instead of the elevator. Once a short-term goal is achieved, a reward is in line.

A reward system is an important part of a behavior modification program. Food meets emotional needs as well as physical needs. So when food is reduced or eating habits change, it becomes necessary to find other positive, meaningful substitutes or rewards to take the place of the food. Plan the reward to give

### immediate feedback.

Remember, everyone is responsible for his/her own actions. Becoming aware of emotional and environmental cues, setting realistic goals and using a reward system for success are important steps in achieving the ultimate reward of a lifetime -- maintenance of a healthy weight.

### HAM DISH

2 cups cooked ham  
1 (8 oz.) package noodles  
1/2 cup chopped onion  
1/2 cup chopped bell pepper  
2 tbs. margarine  
1 cup sweet milk  
1 (10 1/2 oz.) can cream of chicken soup

Cut ham into bite size pieces and set aside. Cook noodles and set aside. Saute onions and bell peppers in margarine until brown. Add ham, milk, and cream of chicken soup. Let mixture come to a boil. Pour mixture over cooked noodles.

### PRESIDENT BUSH PROCLAIMS FARM SAFETY WEEK

President Bush has proclaimed the week of September 15th through the 21st, 1991 as the 48th annual observance of National Farm Safety Week. The event is co-sponsored by the National Safety Council (NSC), the U.S. Department of Agriculture, and other national and local organizations.

In his proclamation, the President said: "The men and women who work in America's agricultural sector make a vital contribution to our Nation's well-being. By providing consumers with a variety of high-quality food and fiber at reasonable costs, they help to keep our work force strong and healthy and, in so doing, help to maintain the Nation's economic productivity and competitiveness. Because we count on farmers and ranchers for so much, both as individuals and as a Nation, it is fitting that we observe National Farm Safety Week—a concerted public awareness campaign aimed at promoting their health and safety."

Over the years much has been done to improve the safety of agricultural production. Advances in science and technology and increased attention to avoiding safety risks have made farms and ranches safer places to work. Moreover, dedicated professionals and volunteers have been working together to promote health and safety in rural communities. These efforts are reflected by a welcome downturn in farm accident rates.

Unfortunately, however, while important strides have been made in reducing the risks of farming and ranching, agricultural production remains one of our most hazardous industries, with an accident rate that is more than four times the average of all industries. "More must be done to reduce the toll of farm-related accidents," President Bush said.

The 1991 Farm Safety week theme, Safety Protect Agriculture's Greatest Resource—YOU!, recognizes that the most important resources a person has is him or herself. Land, buildings, animals, seed and fertilizer are just tools of a farmer's trade, the proclamation said. But the farmer, his or her family and employed help are what really matter.

"For generations, the men and women who work on our Nation's farms and ranches have endured long

hours of tough physical labor. However, they have continually the challenges of their vocation determination and pride—and unparalleled success.

National Farm Safety Week, resolve to make excellence in health and safety another one of America's great farming traditions," President said.

He calls upon organizations serve agricultural producers strengthen their support for health and safety programs, encourages all Americans to observe this week with appropriate activities to express appreciation for the contributions that men and women agriculture make to the Nation.

## INSIGHT IN EYESIGHT

### DR. PHILLIP GRAY OPTOMETRIST

### TAKING THE "E" TEST

If you have a small child at home, you can give him the test to check his vision. This is often recommended if you think your child may have a vision problem or if his eyes are properly aligned.

Perform the test with a sense of fun so the child will not resist or do it resentfully. You might tell him that you're going to play a new game called the "E" game. Cut some white cardboard into sheets measuring 5" on each side. Then draw a capital E on each card, measuring successively 3-1/2", 1-5/8", 1-1/4", 3/4" and 1/2" high. The test depends on the child's ability to recognize the four positions of the letter — down, left, and right. He can use his hands to indicate in which direction he sees the letter.

Let him use both eyes at first and then test each eye separately. You should stand about ten feet away from the child, and the lighting should be adequate but not excessively bright. Keep a record of how he performs, and if you note any problem, have his eyes examined by your eye specialist.

## Parrish - Flynn Vows Exchanged July 6th

Dedra Gale Parrish and David Roy Flynn were united in marriage at 3:00 p.m. on Sunday afternoon on July 6, 1991 at the South Shore Harbour Country Club in League City, Texas.

The bride is the daughter of Shirley Parrish of Booneville, MS and J.R. Parrish of Counce, TN. She is the granddaughter of Raymond and Evia Parrish of Iuka, MS and the late Mr. Mrs. Chester Parrish of Counce, TN.

The groom is the son of Charles Flynn of San Antonio, TX. The afternoon ceremony began with a reading by Ms. Bernice Vann of Houston, coordinating a selection of hymns, as the ushers seated the bride and family. The bride was escorted to an archway of white flowers covered in white netting by her father. She wore a short, white, off-the-shoulder lace and chiffon

dress. The lace bodice was covered in sequins and pearls. The dress was designed for the bride by the groom's mother. She also wore pearls belonging to the groom's aunt, Norita Ritter. She carried a bouquet of gardenias and stephanotis nestled in white netting. Judge Steve Phelps of Clear Lake, TX performed the ceremony.

Ms. Carol Bentley of Houston, TX served as the maid of honor. Ms. Regina Williams of Houston, TX served as bridesmaid. They wore short, off-the-shoulder black dresses and wrist corsages with gardenias and stephanotis surrounded with black netting.

Mr. John Barros of Spring, TX was the best man and Bob Gilbert of Houston, TX served as groomsmen. Ushers were Randy Parrish of Oxford,

MS and Gene Enniser of Houston, TX.

A reception followed, also at the South Shore Harbour Country Club. A beautiful and delicious buffet was catered by the Country Club.

The brides cake was three tiers topped with gardenias, and stephanotis draping down the front, with tiny black ribbon between each layer. The grooms cakes were two heart shaped cakes, one chocolate cheesecake and one carrot cake, both topped with glazed strawberries. All cakes were on mirrored bases. The cakes were served by Ms. Bernice Vann and Ms. Janice Muma, both of Houston, TX. Janice also video taped the wedding and reception. The table centerpieces were white gardenias surrounded with black netting and greenery with streamers and white balloons coming out of the center of each one. The Healers, a five piece band from Houston, TX provided the music for the reception.

The couple spent the weekend at the South Shore Harbour Resort Hotel. The wedding party, family, and out-of-town guest also spent the weekend there. On Sunday afternoon, the wedding party enjoyed a relaxing sail on Galveston Bay aboard the couples boat. Monday morning, Dedra and David departed for a week at the Las Brisas villas in Acapulco, Mexico. Upon returning, they will make their home on the South Shore of Clear Lake in League City, TX.

## Week-end Tour

Saturday, August 24th an Earl Smith Tour group left Iuka at 6:00 A.M. for a fun filled two days and one night in Nashville. Opryland, Grand Ole Opry, General Jackson and Opryland Hotel were enjoyed by different groups. A new musical group was created from local people in Tishomingo County. Be on the look out for the group named "Wet and Hung Out to Dry". Everyone enjoyed their new tape on the way home. We now know why doctors use clamps rather than thread, after hearing a fantastic tale of a large family that had many disasters during a visit to an aunt.

We had some problems, but they were overcome with good spirits by a group of wonderful good sports.

Part of the day Sunday was spent in the International Flea Market, where just about anything, anyone would ever need or want could be found.

Included in the tour were: Earl Smith, Director/Driver; Nadine Loveless/Hostess; Quana Woodruff, Rose Riddle, James Kennedy, Ruby Kennedy, Mildred Mills, Ward Anderson, Judy Bishop, Virginia Ashmore,

## 8th Annual Jimmy Curtis Memorial Bass Classic Tournament

The Tri-State Bass Masters of Iuka are sponsoring the 8th Annual Jimmy Curtis Memorial Bass Classic Tournament. This tournament is a memorial to Jimmy Curtis, who was an outstanding young man in the Iuka Area. Before Jimmy was stricken with a sudden fatal illness, he was very active in all high school sports and as a member of our club.

The proceeds of this tournament are used to sponsor the Jimmy Curtis Scholarship which is presented to a

high school senior from each of Tishomingo County's four high schools (Belmont, Burnsville, Iuka, and Tishomingo). The scholarships are awarded at the end of each school year, but the funds are disbursed upon college enrollment.

Each year, Tri-State Bass Masters seek the support of area businesses and companies to contribute to the tournament. At this time, we are asking for your support to this worthy cause. All contributors will be recognized at the tournament and will also be listed in the 1991 tournament flier (sample of previous year's flier is enclosed).

Contributions may be mailed to Tri-State Bass Masters, P.O. Box 1231, Iuka, MS 38852 or contact Donald Holt, President Tri-State Bassmasters (601)423-9683.

## Men's Club To Meet

The Methodist Men's Club, will meet this Thursday night, September 12 at 7:00 p.m. at Campground U.M.C. Rev. Rouvie Goodwin from Belmont U.M.C. will be the speaker.

I believe I have the educational background and the experience in law enforcement to make you a good sheriff. I know that I have the desire and the committment to accomplish that job.

I will be a sheriff that you can trust to respond to your calls. If you call the sheriff's office for help I will come to your aid. All calls will be answered in a courteous and efficient manner.

I believe very strongly in the confidentiality of information. Anyone gives me information in confidence it will remain confidence. I want you to feel comfortable to come to the sheriff's office and discuss any problem.

I will be honest and fair in enforcing the law. I will be firm and reasonable and use good common sense in all situations. I believe the duties and responsibilities of the sheriff's office are to serve as well as protect. I will work to serve the community in anyway I can as long as its legal. I will provide services to funerals and other public events that a community is needed.

I will soon make a choice of who will work for you as sheriff for the next four years. I am asking for your help in making that opportunity.

If you want a sheriff that you can sit down and talk to in confidence, one that will be honest and fair and work hard to serve you and your interest, then vote for Johnny S. Nunley. With your help and God's help I'll make you a good working sheriff.

**DONNA  
HENRY DILL**

**CIRCUIT COURT  
CLERK**

**Dear Tishomingo Countians:**

I am Donna Henry Dill and I am seeking the office of Circuit Court Clerk. I am married to Ricky Dill of the North Crossroads Community, and my parents are Howard and Billie Henry of Tishomingo. I am 35 years of age and a 1974 honor graduate of Tishomingo High School.

I qualified to run for the office of Circuit Court Clerk on January 2nd and I have been working toward the goal of being your next clerk since that time. This office is a big responsibility and plays a vital role in our county government system. I am confident because of my 16 years of valuable experience working with the public in Tishomingo County that I can handle the duties of the circuit clerk.

I am a native of Tishomingo County, and I would like very much to be the next circuit court clerk of our county, but this is a goal that I cannot achieve alone. I need your vote and your support in order to achieve this. I will appreciate any help that you can give me. So, please consider me, and on September 17th, elect **DONNA HENRY DILL** as the next **CIRCUIT COURT CLERK** of Tishomingo County.

**Respectfully,  
Donna Henry Dill**

## Ray Mabus Is Working Hard For Mississippi's Future.

We've got a lot to be proud of in Mississippi, and the rest of America is beginning to sit up and take notice of our progress and our people.

More Mississippians are working today than ever before in our history, while per capita income has grown faster than the national average.

A higher percentage of our children are finishing school, and they're scoring higher on tests. And we'll soon be the first state in the nation with computers in every elementary school.

We have a nationally-recognized literacy program. Better health care. A lower rate of infant mortality.

And we've finally taken steps to reorganize our government, including the establishment of the county unit system.

No one person can take credit for all this progress. It's due to all of your hard work and unwavering support that this effort is paying off.

Let's give the credit where it's due: the people of Mississippi.

We've created 61,000 new jobs

because companies have seen for themselves how hard Mississippians work and how skilled they are.

You're the reason we're beginning to build a new future for Mississippi. Thanks to your help we're expanding our horizons, creating new opportunities, and competing around the globe.

But this is only a start. Your support in efforts to train workers, improve the literacy skills of our adults, and build the best educational system in the country is critical to the future of our state.

Too often, the problem in Mississippi hasn't been money, it's been a lack of vision.

Too many of our political leaders would rather cling to old habits than seek out new solutions to our problems.

With your help, Ray Mabus has shown that Mississippians aren't quitters. He's remained steadfast in his promise to set tough goals for our state — even if we won't reach those goals overnight.

And it's working. More companies are beginning to invest in our future. Mississippians from all over the state are becoming partners in our battle for better schools.

And all of us will reap the benefits.

How can we face our children if we don't face these challenges?

Nobody said changes like these would be easy. They haven't been. But we must focus our eyes on the future, or face the possibility of being left behind forever. Our future, our children's future, depends on it.

People around the nation and the world are beginning to hear the good things about our state. They're learning about our quality of life, they're hearing about how we haven't raised taxes in four years, and they're getting to know the greatest resource of all — our people.

Ray Mabus is running a campaign for Mississippi's future — our children.

Mississippi has made great progress  
But there's more to be done.

If we turn back to the ways of the past we may never have these opportunities again.

There are no magic solutions. Problems that took generations to develop cannot be solved overnight.

But they can be overcome if the people of Mississippi continue to believe in a better future. And if we re-elect a hard-working governor who believes as strongly in that future as you do.

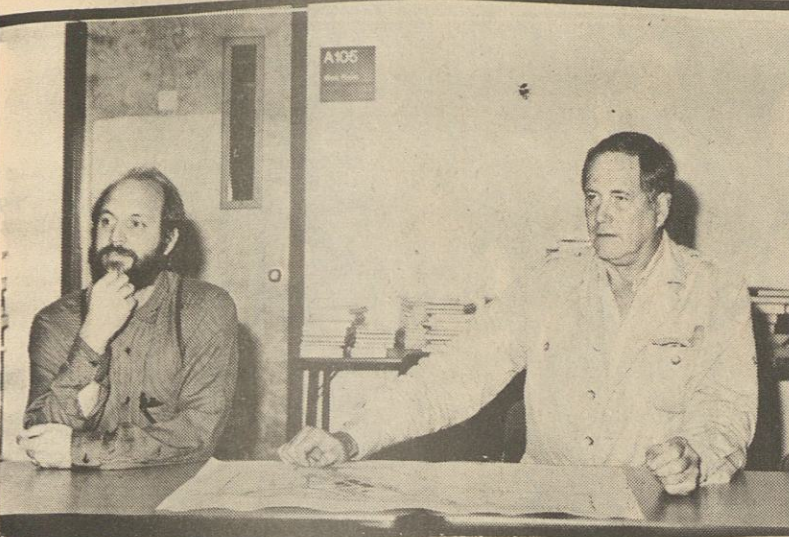

Governor

**Noted Environmentalist Jim Fowler** was in Iuka this week. Shown here are Mr. Fowler and Steven Binger, architect, discussing plans for the Nature Park to be located at the Tishomingo Education Complex in Iuka. Fowler is to serve as design consultant for the project.

## Noted Environmentalist To Assist In Nature Park Design

Renowned environmentalist Jim Fowler arrived in Iuka September 9 to serve as design consultant for a unique nature park providing educational and recreational activities for Tishomingo County residents.

The Nature Park and Ecological Learning Environment is the "outdoor classroom" of the new Tishomingo Education Complex. The nature park will be used by teachers, students, and townspeople as an ecological learning environment and for environmental recreation.

Following a tour of the area Monday afternoon, Fowler led a 4:30 p.m. meeting at the Complex to discuss design plans for the park with Brenda Glasgow, county planner, Mississippi Forestry Commission; Don Jones, district conservationist, Soil Conservation Service; Bob Daniels, Mississippi Cooperative Extension Service; Steven Binger, Concordia Architects of New Orleans; representatives of the Tishomingo Education Complex teacher and student councils, and other interested residents.

The Tishomingo County Citizen's Action Team hosted the meeting which was attended by such area companies as Packaging Corporation of America, Scott Paper Company, Resvaco Corporation, Champion International Corporation, and Bowater, Inc.

"One of the most important ingredients for the success of our education system is the support of the community," said Tishomingo County School Superintendent Bob Ferguson. "Our local citizens have rallied together and demonstrated to our teachers and students how much they care about the quality of education in Tishomingo County. The community involvement in the nature park's design is just another example."

Jim Fowler has played a significant role in promoting and protecting the natural environment through the television show "Mutual of Omaha's Wild Kingdom," which he co-starred with the late Marlon Perkins. Fowler currently the wildlife correspondent for NBC's "Today Show" and serves on the board of directors of the Explorer's Club and other international environmental organizations.

At a press conference Tuesday morning Mr. Fowler stated: "We're seeing a lot of the natural world for granted and exploiting it, by cutting it up and such, its not right and its taking a time when we will realize how important these resources are to us and me" he went on to say "The opportunity here to associate a natural area to a learning center is a wonderful one, and this being a pilot project in Mississippi using your natural world with your school system, instead of exploiting it, to put it on display is very important." The nature park is part of a series of learning environments at the Tishomingo Education Complex, subject areas like biology, science, and even creative writing will have a laboratory within a short walk to the media center and classroom spaces. Outdoor classrooms will also be a part of the new nature park, as well as areas for theatrical performances and small community gatherings. The construction of walkways and learning environments will be completed by the 4-H Club of Tishomingo County and Boy Scout

long learning center for literacy training. The Complex's design also allows the facility to be used at night and on weekends for community events. The Complex has been presented at three national conferences on educational facilities planning and represents the state-of-the-art in community-based learning centers.

## Nagle Reunion Held September 1st

The historic Mineral Springs Park played host once again to the annual Nagle Reunion on September 1, 1991. Approximately 100 relatives and friends joined for good food, fellowship and fun for the 66th annual reunion of descendants of Patrick Nagle and Emelia Estes Nagle.

Winners of the Millard Nagle Silver Dollar Pitching Tournament this year were Joe Dalton Hughes of Santa Clara, California and David Davis of Birmingham, Alabama. The runner-up team was Hubert Nagle of Huntsville, Alabama and Chester Nagle of Iuka. A record number of teams participated in the elimination tournament and history was made with the first woman taking part in the tournament.

Several branches of descendants attended the reunion for the first time and noted with pleasure the traditions and family closeness. Families of the children of Patrick and Amelia represented were: John Simeon Nagle, James William "Buddy" Nagle, Marion Patrick George Anderson Nagle, Sarah Margaret "Sallie" Nagle Gallagher, Mollie Jane Matilda Ann Amelia Nagle and Charley B. Langston Nagle.

Two children not represented were: Floria Ann Julia Nagle Combs and Cornelia Frances Nagle Osborne.

Those attending were: Ruby Davis Hughes, Emily Crocker, Paul Crocker, Darrd Crocker, Derrick Crocker, Cecile Davis, Nancy Hayes, Horace Ray, Shelby Jean, Chad Shook, Wayne Todd, Melody and Brandt Shook, all of Cherokee, AL; Dr. Carlyle Davis and Jan Causey of Baton Rouge, LA; William E. ## First American National Has Been Awarded Four-Star Rating

Bauer Financial Reports, Inc., a Coral Gables, Florida research firm, is pleased to announce that First American National Bank of Iuka, Mississippi has been awarded its four-star rating. This prestigious award identifies this institution as one of the strongest, creditworthy banks in the United States.

The award is based on a zero to five-star rating assigned by Bauer Financial Reports based on its analysis of the December 31, 1990 financial data as filed with federal regulators.

A four-star rating indicates that the bank's adjusted tangible capital is between 6% and 9% of tangible assets, that there are no excessive delinquencies or repossessed assets and that the bank is profitable - or suffered an insignificant loss. Paul A. Bauer, President, said, "Our four-star rating is most often awarded to

community banks and strong regional banks - well-capitalized, federally insured banks that serve their local markets.

"Out of 12,342 banks reporting for the period ended December 31, 1990, 6,538 banks, 53%, received our four-star rating," said Mr. Bauer.

## Larry Lambert For Justice Court Judge

Again good people, I Larry Lambert would like to take this opportunity to ask your support in electing me to the office of Justice Court Judge Northern Half, I am asking for your help so I can serve you, I want to be a Judge of the people, for the people, by the people, that is what our system is all about.

I think people in politics have forgotten these basic and all important principles, I will not forget you the people who put me in office.

I know you today, I'll remember you tomorrow. I call on you to be responsible, to put a responsible person in this position.

Someone who can work with our teenagers in their growing years without destroying their future with bad records just because they're teens. Someone who will work with our business community in collecting bad debts, someone who will work with the working man because I know you have to make a living.

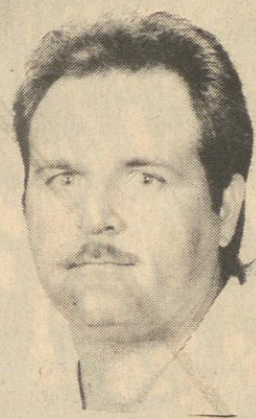

I do believe in one paying his debts. I do not think a man should be embarrassed at his work place, except in cases involving a felony, and I do believe an individual is innocent until proven to be guilty.

I ask you as voters to be responsible, I think you should expect no less of me if elected, to the office of Justice Court Judge. I will be the Judge, I will not pass my cases on to the other end of the County.

I understand the dilemma of the sportsman. I too like to hunt and fish. I realize our wildlife resources must be protected if future generations are to enjoy them as we, I also believe in the rights of an individual, again a person is innocent until proven guilty.

The law complicates simple issues, where one man's rights start, another must end. It's as simple as that.

I can work with all law enforcement personnel, my door will always be open and phone number listed, all cases will be handled with respect and dignity, not as a source of gossip. Remember me Larry Lambert on September 17th. I will serve you in a manner you can be proud of. Help Me....Help You.

## T.C.H.S. Braves Win Opening Game Of Season

By: Lyndon Cain

What a game! I can't believe it! Whew! These are just a few of the comments I heard from fans as they left the jam packed Belmont stadium after Tishomingo County overcame a 19-0 Cardinal advantage to win 21-19. Whether you are a new Braves fan or a Cardinal supporter you have to admit the game had plenty of excitement. Big plays, turnovers, a new

cardinal mascot, a good halftime show, and an unbelievable crowd made it a great night for football.

The Braves first possession failed to gain any yardage and ended with a punt. The Cardinals also had to kick away after three plays but the punt was bubbled and Belmont recovered at the Braves 29. This time on the third play Jamie Credille ran 15 yard for the touchdown. Kerry Deaton kicked the PAT for a 7-0 lead.

After a good kickoff return the

Braves had the ball at their own 45 but a fumble on the first play put the Cardinals in good field position. It only took six plays for Belmont to cash in on the opportunity. Credille scored again this time from 14 yards out. The PAT failed and the score was 13-0. Credille would finish the night with 110 yards rushing.

On their next possession the Braves added to their problems with yet another fumble this time at their own 47. The Cardinals finished their 7 play scoring drive early in the second quarter with an 18 yard pass from David Moore to Vinni Pacett. The extra point was no good and Belmont enjoyed a 19-0 lead. The Braves got a break when the Cardinals fumbled deep in their own territory. Ronald Jones tossed a pass to Kevin Senter for a Tishomingo County score and the lead was cut to 19-7 with Shaune Holliday's PAT.

In the third quarter the Braves scored with a 94 yard drive that included a 47 yard pass play from Jones to Richie Harrelson. Holiday did the honors lowering his shoulder to break a tackle at the line of scrimmage on his way to the end zone. Holiday booted the PAT and the score was 19-14. The Cardinals came up with an interception in Braves territory but fumbled after four plays.

The winning play came with only seconds remaining on the clock. With the ball on their own 18 yard line the situation looked bad for the Braves. A long pass fell incomplete. Then Coach Keith Steele call THE PLAY. Jones fired a pass of only 5 yards to Senter but he later led to Holiday who raced up the Cardinal sidelines for the winning score. Holiday added the PAT for the final score of 21-19.

The game will be talked about for years to come. It was a tribute to both teams for playing so hard and wanting to win so badly. Thanks Braves and Cardinals. Whew, what a game!

I am Scotty Skinner, a candidate for Circuit Court Clerk of Tishomingo County.

I was born and raised in Tishomingo County. I am the son of the late Clovis "Red" Skinner and Sue Wilson Skinner of Belmont. I am married to the former Sandra South of Golden, the daughter of the late Crit and Lila South. We have four daughters, ages 9 to 22.

I graduated from Belmont High School, attended NEMCC and graduated from the University of Mississippi. I am a Christian, a member of Mt. Evergreen United Methodist Church where I teach a youth Sunday School class.

Community involvement has always been one of my priorities. I am a member of the PTA, Chamber of Commerce, Lions Club, Tri-County Water Supply Committee and other community service groups.

I have lived in Belmont and in Iuka. I know Tishomingo County and its people. The office of Circuit Court Clerk is important to Tishomingo County. This office maintains the files and documents

of the Circuit Court. This office is responsible for voter registration, jury selection, marriage license issues, as well as for conducting elections. The Circuit Clerk should be organized, progressive, accurate, and timely in all functions. There are many ways to update the function of this office. My experience in business will be an asset to this office. The Circuit Court should be administered with the principles of good business, even though it is not the business arm of our county.

I have the education and the experience to make the Circuit Court function efficiently. I have the ability and the desire to serve you, the voters of Tishomingo County.

If elected your Circuit Court Clerk, I will operate a professional, courteous office for all the citizens of our county. The office will operate within the limits of the law for your convenience.

On September 17, please vote for and elect Scotty Skinner for the office of Circuit Court Clerk. Give this office a new beginning.

### Tishomingo County Unemployment Drops 6.8 Percent

In Northeast Mississippi, the number of people seeking jobs decreased in July but still remained well above the jobless level for the same period one year ago.

According to the figures from the Employment Security Commission, the average unemployment level for the 15 Northeast Mississippi counties dropped in July to 10.6 percent compared to June's rate of 11.3 percent.

Of those 15 counties, six showed improvements from the same time last year. Tishomingo County's unemployment rate took the biggest drop from 18.4 percent in July 1990 to 11.6 percent this July. Officials with the commission credited gains in self-employment and domestic jobs with the statewide improvements. The impact of NASA and related construction jobs has improved the job market locally.

SEPTEMBER: HOME SEWING MONTH

There are many things about my job that are rewarding, but one of the most rewarding feeling is watching youngsters learn skills I know will follow and help them throughout their lives.

I enjoy watching young 4-H members learn the first basics of home sewing, and then years later watch them model complete outfits made with their own hands.

September is Home Sewing Month. The observance is recognized to promote all aspects of home sewing, especially to attract new home sewers. Teens (both male and female) are a popular target group for home sewers, because skills acquired early can be perfected by the time they reach adulthood.

Clothing is one of the most popular project areas for 4-H members, and the Tishomingo County program has several excellent teen sewers.

As youth work at their clothing project, they soon understand the many benefits of learning to sew. Home sewers report the following as some of the most significant benefits:

\*Sewing is a way to express oneself.

\*It can be great for counteracting stress.

\*Home sewn garments are usually

better made and offer better fabrics than affordable commercial garments.

\*Sewing for children (such as a younger brother or sister) offers some of the greatest savings, since less fabric is needed and leftovers from other garments often can be used.

\*Premiums and awards can be earned by participating in contests at county, district, state and even regional levels.

\*Improved sewing skills can help young sewers become better clothing consumers and help them recognize important construction features when shopping for ready-to wear.

\*Positive self-esteem can be nurtured when youth select sewing projects and take responsibility for their completion.

Some sewing project ideas for first time sewers are gym bags, belly pouches, stuffed animals, laundry bags, jumper, simple skirt, shorts or slacks, and a simple pullover.

All major pattern companies have a line of patterns designed especially for new sewer. These are marketed under such names as fast and easy, sew and go, easy to sew, jiffy, beginner's choice, easy, and very easy.

To find out more about the 4-H Clothing Project, call 423-7016 or come by the Tishomingo County Extension Service Office.

Tishomingo hands down record number of indictments

By JANE CLARK SUMMERS

Daily Journal Corinth Bureau  
IUKA — A total of 37 indictments, involving 57 offenses and 33 defendants, were reported by the Tishomingo County grand jury this week.

"To my knowledge that is a record number for Tishomingo County," Assistant District Attorney Richard Bowen said Friday.

"This does not represent an increase in crime in Tishomingo County, but an increase in effective law enforcement," Bowen said.

"Sheriff Richard Dobbs, and others on the sheriff's staff are to be commended for such apprehensions of felons and the investigation of the cases that lead to these indictments."

In addition to the grand jury action, 15 defendants scheduled for trial during the September term entered guilty pleas and most were sentenced, Bowen said.

## 9,383 Pot Plants Nabbed By Officials

State and local officers in Tishomingo County on Friday confiscated Mississippi's second largest haul of marijuana plants this year, ending a three-day operation, authorities said.

No arrests were made, said state Bureau of Narcotics spokeswoman Delores Lewis. She would not comment on whether authorities had any suspects.

Authorities seized 9,383 marijuana plants with an estimated street value of about \$10 million, Lewis said.

The illegal crop was grown on paper company land, but Lewis would not identify the company.

The plants were in numerous plots over a 5-mile area about 10 miles north of Iuka, he said.

The plants, which were cut and burned on site, were an average of 15 feet tall, with some up to 25 feet tall

and three inches in diameter, Lewis said.

Cooperating in the investigation were the Tishomingo Sheriff's Department; the Iuka and Tupelo police departments; the state Department of Wildlife Fisheries and Parks; Mississippi Highway Safety Patrol; and the state Bureau of Narcotics.

### Marijuana Harvest Seized By County Law

State and local officials seized this harvest of marijuana Tuesday night near Dennis. Two arrests were made. were arrested and charged with manufacture of marijuana. Sixty marijuana plants from 6 to 10 feet tall were taken on the couple's property, west of the Natchez Trace near Dennis. The plants have an estimated street value of \$50 - \$60,000, Tishomingo County Sheriff Richard Dobbs said.

Agents from the Northeast MS Narcotics Task Force, the state

Bureau of Narcotics, and the county Sheriff's Department were involved in the investigation. A search warrant was obtained, and the suspects were arrested about 7 p.m. while attempting to water the plants, Dobbs said. are being held in the Tishomingo County Jail. No bond has been set for their release. If convicted, the offense could carry the maximum of a \$1 million fine and up to 30 years in prison, Dobbs said. The plants will be turned over to the state Bureau of Narcotics where they will be recorded and then destroyed.

## Two Charged In Cocaine Arrests

Two Tennessee men are being held at the Tishomingo County Jail on cocaine related charges, said county deputy

26, and

24, both of Ramer, Tenn., were arrested and their car seized following a routine vehicle check made Monday

off Carter Branch Road. A quantity of cocaine, marijuana, beer and paraphernalia was found in the possession of the two

male suspects. The car has been impounded by the Sheriff's Department pending further investigation.

## Two Arrested For Break-in

Authorities have arrested two suspects in connection with the attempted burglary of an Iuka medical office.

The suspects were identified as

Both men were arrested and charged with attempted burglary in the December 13 break-in of Iuka Family Clinic.

Participating in the arrest were the Iuka Police Department, Tishomingo County Sheriff's Department, and the Mississippi Bureau of Narcotics.

No items were reported stolen in the burglary.

An investigation is continuing into additional burglaries in the area. More arrests are expected soon, authorities said.

By JANE CLARK SUMMERS

Daily Journal Corinth Bureau

IUKA — A Tishomingo County party ended abruptly Saturday night when two guests were seriously injured and two others were grazed by gunshots fired into house filled with people.

Tishomingo County Sheriff Richard Dobbs, who has responded to another call at the south end of the county, arrived at the scene six minutes after receiving a report about a fight and gunfire.

When he arrived, Dobbs said he found numerous shots had been fired into the window, wall and door of the residence, located north of Mississippi 4, west of Dennis.

## Letter to the Editor

To the Editor:

I would like to publicly thank

the Tishomingo County Sheriff's

Department, my neighbors and

other local law enforcement personnel

for their help and support related

to a series of recent burglaries at

my home.

Due to their efforts, those

responsible for the burglaries have

been arrested. Proof of this is that

some of the items taken were

returned to me after their arrest.

My neighbors provided information

that helped lead to the arrest of

the alleged thieves. I'm sure more

criminals would be caught and/or

there would be fewer criminals

willing to take the chance if every-

one looked out for their neighbors

as mine did me.

Also, I feel the Sheriff's Department

did an excellent job. They are

professional, dedicated and hard

working. But most of all, they

showed genuine concern for my

family and me. Unless you have

ever been victimized by a criminal,

you probably don't realize how

important this is.

My personal feelings are that we

have a very good Sheriff's Depart-

ment - with their only weakness

being a limited amount of manpower

and resources. I've personally

witnessed the long hours these peo-

ple put in working on my case and

others.

One thing that prompted this let-

ter is that in conversation with oth-

ers and at times my own attitude

has been to blame law enforcement

when we are victimized, especially

when a case goes unsolved. The

fact is law enforcement is not

responsible for crime and no matter

how good the law enforcement is,

not all cases will be solved or pre-

sented. We have to be willing to

support our law enforcement and

each other if we are ever to reverse

what seems to be an increase of

crime here and all over the country.

It can work, believe me.

Again thanks.

Name withheld due to ongoing

litigation.

## Tishomingo County drug raids lead to 5 arrests

August 1990

IUKA — Five suspects were arrested in three separate drug raids Monday and Tuesday in Iuka and Tishomingo County.

The raids were conducted jointly by the Iuka Police Department, Tishomingo County Sheriff's Department and the Northeast Mississippi Narcotics Task Force.

Several bags of marijuana, in excess of one pound, were seized along with other controlled substances, a spokesman for the task force said Tuesday.

Also seized were real property, a car and firearms, the spokesman said.

Arrested in the raids were:

# Bootlegging, Burglary & Larceny Cases Solved

A Dennis resident was arrested in connection with bootlegging activity the latter part of last week by Tishomingo law officials, according to Sheriff Richard Dobbs.

Unlawful alcoholic beverages totaling in excess of six cases of beer and an assortment of bottled

whiskey and vodka were recovered from the property

Dennis, by the sheriff's personnel.

charged with possession of alcoholic beverages with intent to sell.

The subject was released after posting a \$2,500 bond.

The arrest of an Iuka man,

early 20's, has cleared up four recent burglaries reported to the sheriff.

Four counts of burglary and one count of larceny have been leveled against

resulting from the resident's crimes.

has been released

\$10,000 bond.

were located on a six and one-half

acre plot.

was charged with manufacturing of marijuana and possession of drug paraphernalia. According to Justice Court Judge,

was released on a \$10,000 bond.

The marijuana ranged in height from two to five feet. If convicted of the charge the maximum prison sentence is thirty years and the maximum fine is \$1 million dollars.

This was a joint effort between

the Tishomingo County Sheriff's Department, the North Mississippi Drug Task Force and the Burnsville Police Department.

Sheriff Dobbs said that his office will continue to call out effort to control drug use and alcohol at all times wherever they are found in the county.

The street value of the seized marijuana was estimated at approximately \$25,000.00.

## Marijuana crop survives weather but not law

By JANE CLARK SUMMERS

Daily Journal Corinth Bureau

IUKA — What otherwise would have been a lucrative cash crop survived spring floods but went up in smoke recently after an unscheduled harvest by law enforcement officers.

More than 5,500 marijuana plants were pulled up during an undercover drug operation that began June 20.

Tishomingo County Sheriff Richard Dobbs said. The marijuana was scattered in patches throughout the northwestern portion of Tishomingo County.

The plants, which had an estimated street value of \$5.5 million, were nestled among hills and hollows in cutover timber land within a five-square-mile area, Dobbs said. The property is believed to be owned by a timber company, he said.

## 19 arraigned on drug charges

By JANE CLARK SUMMERS

Daily Journal Corinth Bureau

IUKA — An ongoing drug enforcement investigation has resulted in the arrests of 19 suspects on drug charges in Tishomingo County.

The suspects, who were arraigned in circuit court this week, were arrested as a result of cases developed by the Tishomingo County Sheriff's Department with the assistance of the Mississippi Bureau of Narcotics and the cooperation of police forces in the municipalities in the county, Tishomingo County Sheriff Richard Dobbs said.

"This is an indication of strict enforcement policies in Tishomingo County," Dobbs said.

More drug cases are pending with arrests expected in the near future, he said.

Those arraigned in court this week and their charges included:

manufacturing marijuana; released on \$5,000 bond.

two counts possession of marijuana with intent to sell and possession of a concealed weapon; released on \$15,000 bond.

**City Employee Retires**—Iuka Mayor David Nichols presents Mrs. Lucille Counce Belue with a plaque in honor of her 18 years of service to the city. Mrs. Belue began working as City Clerk and Tax Collector in July of 1965. In June of 1978 she retired but soon returned as a part time Deputy Clerk. In June of 1987 she started back to work full time as Deputy Clerk, Purchase Clerk, then as Utility Clerk making a total of 18 years service with the city. Mrs. Belue worked under the administrations of Mayor George Cutshall and Mayor John Biggs. She said it has been a joy working with the city and with the people.

## Looking At Iuka Through German Eyes

Coming to a different country or even to a foreign continent, you are confronted with a new set of values and habits which call for some major or minor adjustment. After one month I can gather some specialties that make Iuka unique to me.

Riding all the way from the airport in Memphis to Iuka occurred to me as a never-ending drive through the deep green woods of North Mississippi. Then, I realize that people here are lucky because they still have this beautiful countryside. They have the possibility to build nice houses with a big yard while Germans have to build apartment houses that grow higher and higher into the air. There are several national state parks in this area and swinging bridges, canoeing

tours and dirt roads evoke a feeling of adventure. I could never discover such an "Indiana Jones-playground" in Germany, instead I would walk through an English garden with cut trees and flower arrangements.

I spent a wonderful Labor Day going out by a Pontoon boat on the Tennessee River, having a picnic and swimming. A similar activity in Germany has become a great rarity since there are not many non-polluted, clean lakes and rivers left.

Looking into a German picnic basket, it would include different kinds of firm whole-wheat bread with butter spread and either cheese or cold slices of meat. We often have cold hamburgers, common fruits are apples and bananas and drinks mineral water, juices and beer. You may conclude that there is nothing fancy to it - Germans are not as creative with their food as the Americans are.

Generally, I noticed some interesting details about food not only

**Installation Ceremonies Held**—On Saturday, August 31, 1991, the 1991-92 officers of Lusk Chapter No. 464, Bathsheba Grand Chapter, Order of the Eastern Star, Prince Hall Affiliation, were installed at Iuka First Baptist Church. Pictured from right, is Grand Deputy Viola Foster who conducted the regal ceremony with newly-elected Worthy Patron Mildred Powell. Other officers for the current

fiscal year include: Worthy Patron Bobby Powell, A. Matron Nora Welch, Conductress Helen Brock, A. Conductress Lucy Powell, Secretary Viola Alexander, Asst. Secre. Frankie Goodloe, and Treasurer Luphelia Alexander. Past Matron Vera Bogan and Worthy Matron Mildred Powell encourages all members to attend the next regular meeting scheduled for October 4, 1991, at 4:30 p.m.

in the way of preparing it but also during the process of getting it. Going grocery-shopping, I was surprised to have one person packing my items and another carrying it to my car. Going to the farmer's market, it was completely new to me that the farmers got out their pocket knives and offered bites of vegetables and fruits to me. As for lunch, I took over everybody's favorite in my office: microwave popcorn. That has really brought up a new option.

What about going out on a Friday or Saturday night? American kids are cruising along the strip, in Iuka they are circling the Mineral Spring Park. Germans are allowed to enter bars and nightclubs when they are 14 and the drinking age is 16. Since they cannot drive until they are 18, there is some restriction to their freedom, too. And I just wish somebody would start the American dating custom in Europe.

The people in Iuka whom I have encountered were very friendly and helpful. That made it a lot easier to deal with the awkward feeling of being new and a foreigner, too. Thus, I'm very thankful to all the people who took their time, let me stay with them, showed me around or helped me out.

I dedicate this article to my American Mom and Dad, Sylvia and Bob Ferguson.

### Reception At New Tishomingo County High School

Rain or shine, August 25 was a very special day in the history of Tishomingo County. On that day, open house for the Tishomingo County High School was held. The Pilot club of Iuka was honored to play a part in the special day. Pilot Club members baked dozens and dozens of homemade cookies and mixed punch for many hours. In keeping with the decor of the new school, mauve cloths and silk magnolia blooms covered the beautifully decorated tables. Fresh greenery of magnolia leaves and mint helped to complete the decorations. Refreshing punch was served from a glistening silver punch bowl. Engraved napkins and cups were graciously donated by the First American National Bank and the Iuka Guaranty Bank. While one group of Pilots served the many guests, yet

another was helping to make handprints for the Lend-A-Hand project. About 25 people participated in this. Pilots helping with this project included Becky Dobbs, Debbie Bowling, Anita Whitaker, and Lana Harrelson.

The Pilot Club is an international organization with chapters throughout the world. The members are professional women with an interest in helping to better their community and thus the lives of those around them.

We would like to thank the many people that helped us to participate in the open house including IGB, FANB, Charles Swimmer, the Iuka Lions Club, and the Cozy Corner Gift Shop. Keep up the good work Pilots and remember...True Course Ever.

Pictured from left to right: Johnynee Bonds, Beth Davis, Debbie Bowling, Shelia Cooley, Linda Murrah, Martha Jane Diana, and Grace Long. Others helping but not in the picture were Linda Puckett, Dianne Ables, Betty Young and Shelia Thorne.

### Pilot Club Officers Installed

The new officers for the Iuka Pilot Club were installed at the regular club meeting on August 12, 1991. Installed in a very impressive installation service by Shelia Cooley and Beth Davis was: President Olivia Jones;

President-elect Dianne Ables; Vice-President Betty Nelson; Recording Secretary Debbie Bowling; Corresponding Secretary Shelia Thorne; Treasurer Linda Murrah; and Directors, Rilla Wiley, Becky Dobbs, and Grace Long.

Division Coordinators have conducted meetings to set up projects, fund-raising activities, and goals for

the coming new year.

Division coordinators are: Projects Division - Lana Harrelson; Internal Affairs - Becky Dobbs; and Outreach Division - Betty Young.

Assistant Coordinators are: Projects Division - Nellie Horton; Internal Affairs - Grace Long and Outreach Division - Diane Segars.

The programs of work and budget will be presented to the club at the September meeting for approval. A number of new projects have been proposed, and a number of projects will be continued, such as the Angel Tree for needy children, the Lend-A-Hand Project, and the Scholarship Program for a graduating senior at the Tishomingo County Education Complex.

The September meeting will feature an officer's training team for the Mississippi District, which will discuss and train Officers, Coordinators, Assistant Coordinators and Area Leaders for more effective service in the Pilot International organization.

Three new members will be installed into the Iuka Pilot Club at the September meeting they are: Carole Gilley, Trev Clark and Judy Ryan.

### Personal

Louise Sanderson returned home August 30th after visiting her brother Eugene Miller and family in Chicago, ILL. Eugene accompanied his sister home and spent a week. Eugene and Louise attended a Smith Cousin reunion on Saturday, Aug. 31st at Florence, AL.

While in Chicago, Louise had the pleasure of attending a baby shower for her niece Lesley Ann Ragland. The shower was given by Mrs. Shelby Gotter and Jennifer Ragland.

Prior to the shower there was a 5 o'clock dinner consisting of Lasagna cooked by John Ragland, garden salad, potatoe salad, Felticinni Alfredo pasta followed by delicious desserts assorted jello molds, turtle cheese cake, cherry cheese cake, tea & fruit punch along with the baby cake, nuts & mints.

Eugene returned to his home on Saturday, September 7.

### In Service

Coast Guard Ensign Mark A. Emmons, a resident of Route 4, Iuka, MS, was recently commissioned in his present rank upon graduation from Officer Candidate School.

During the course, at the Coast Guard Reserve Training Center, Yorktown, VA, candidates are taught navigation, seamanship, communications, leadership, and Coast Guard search and rescue and law enforcement procedures.

Officer Candidates also participate in a rigorous physical training program, and studied general administration, Coast Guard missions and history and human relations.

The 1978 graduate of Iuka High School, and a 1990 graduate of the University of LaVerne, LaVerne, CA, joined the Coast Guard Reserves in March 1991.

### Pharmacy & Your Health

#### Antiinflammatory Medicines for Arthritis

Almost 40 million Americans suffer from one of several forms of arthritis. *Osteoarthritis* is a gradual wearing away of cartilage, the cushioning substance at the ends of bones. Cartilage loss causes bones to rub together, resulting in joint swelling and pain. *Rheumatoid arthritis* is a systematic disease that affects the membrane that lines the joints. The inflammation eventually destroys cartilage.

The primary treatment for rheumatoid arthritis pain is with a group of medicines referred to as the non-steroidal antiinflammatory agents. These medicines can provide rapid relief from pain and joint inflammation. According to a recent report in *American Druggist*, the most popular nonsteroidal medicines are aspirin, ibuprofen and several prescription-only antiinflammatory drugs including naproxen, diclofenac, flurbiprofen, and piroxicam. These medicines produce their effect by inhibiting the body's production of hormones called prostaglandins.

Response to the nonsteroidal antiinflammatory agents varies from person to person. If dose adjustments are not effective in reducing pain and/or inflammation, different agents often are prescribed. Medicine side effects, which can include stomach, liver, and kidney problems, seem to occur more often in older persons.

*We Miss You, Mom*

One day last Fall (1980), as I raked leaves and cleaned the backyard, I was feeling so alone, and, recalling the summers the grandchildren came and played beneath the shade of the huge willow oak, I looking up to its great height and its spreading limbs, and said, "If you could talk, I think you would say..."

I wonder where the children's gone  
that I used to know and hear so long ago.  
They hung their swings upon my boughs  
and back and forth they'd go.

They laughed, they played beneath my shade,  
I loved their voices so  
But now all's quiet, save for the birds,  
that lodge beneath my wings and sing,  
and then, away they also go.

For many years the children came from far away up North  
but now all's quiet on the southern front;  
It seems they must, as they used to do,  
come over the hills and around the bend  
and come to Grandma's house again.

We must not try to hold back time,  
but put some joy into each day  
I'll cherish the memories of days gone by when the  
children's laughter was happy, carefree and gay.

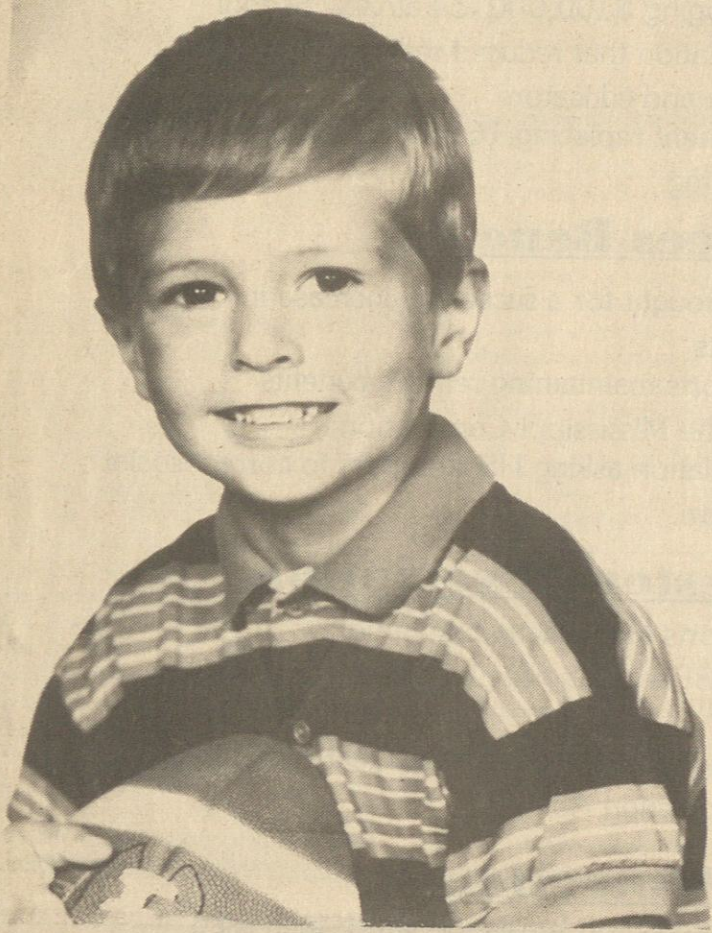

I'm glad I lent my shade to them  
I'm glad they gave me fun  
Wherever they may be today, I hope they'll be happy  
till the setting of life's sun.

In memory of all my children and grandchildren, who are all grown up and seldom come. So I'm left alone, save for God, to think and think of yesteryear and the "precious memories that flood my soul."

## Vote and Elect Lynn Harris For Your Next Tax Assessor and Collector & Re-open The Doors

I am Lynn Harris (former Lynn Marlar) seeking the office of Tax Assessor and Collector of Tishomingo County.

I am married to Phillip Harris and we have two children. I am the daughter of Clifton and Libbie Marlar of Burnsville. I am a life long resident of Tishomingo County.

I would like to tell you about my working experience. I have worked at the luka Public Library, Superintendent of Education and the Courthouse, Tenn-Tom Construction Company, and Mississippi Stone Products which is now Vulcan Materials Company. All of which are in Tishomingo County. During this time I've had a great opportunity to work with the public. With my office background, computer experience and accounting skills I am well qualified to carry out the duties of the Tax Assessor/Collectors office and run it in a more efficient manner. An elected Public Official has to make a choice: serve the public or serve themselves. Four years ago I stress to you if elected I would keep the Tax Assessor's office open for you on Saturday for those of you who has to drive from a distance or has to take off work to take care of your tax business. I know what it is to miss a days work and I know what it is to work for a living.

It has been stated that the Tax Office will not be open on Saturday for convenience. This is simply not so. I checked into the matter with the Mississippi State Tax Commission our local government here in the county and also our Chancery & Circuit Judges.

I can sell you a car or truck tag on Saturday and take care of any of your tax business that you may have. Our neighboring counties Tax Assessors Office is open on Saturday for their peoples convenience and

we can do the same here in Tishomingo County.

This way a person will not have to lose any time from work and can take care of their tax business.

It is simply a matter of wanting to keep the doors of the Tax Assessor's office open on Saturday, or close the office doors. If I am elected the doors of the Tax Office will be re-opened on Saturday for the peoples convenience.

I am going to propose to set up an office at each of the City Halls during our Homestead season to make it more convenient for our elderly & working people.

It is common knowledge that each elected Tax Assessor/Collector will have the opportunity to attend classes or seminars that will be offered in Jackson. I will be prepared to attend the classes and I feel that with these classes plus my other office experience I can do you a better job.

I am experienced in all office procedures, I have the knowledge to provide leadership for a proper administration and I can run it in an open, friendly and professional manner.

When you come to this office I will be there ready & waiting to serve you. I will be more than glad to sit down with you if you have any questions. I will treat you with the respect that you deserve when you come to this office. Because this office is your office and I will be working for you.

Lynn Harris wants to serve the people of Tishomingo County and bring better service to the Tax Assessor/Collectors Office.

I hope to see as many of the voters as possible, but if I should miss you please consider this my personal request for your vote, influence and support.

So on September 17, please go to the polls and vote & elect Lynn Harris as your next Tax Assessor/Collector of Tishomingo County.

## Curtis E. "Gene" Milligan Candidate For 1st District Supervisor - Tish. County

I have attempted to visit every resident in the 1st District. If I have not talked with you personally, please accept the following as my plea for your vote and support on September 17.

My parents are the late Nellie Carson Milligan and Kenneth Milligan.

I am a graduate of luka High School. I attended Northeast Mississippi Community College then transferred to the University of North Alabama and received a Bachelor of Science Degree with a double major in Sociology and Health, Physical Education and Recreation. Additional study was done at the University of Miami, Auburn University, the University of Alabama, and the University of Maryland.

I am a Vietnam Veteran with 6½ years of military service of which 33 months were spent in foreign countries.

I want to thank you for the tremendous support that I have already received from you since beginning my campaign for the important job of 1st District Supervisor. It shall be my desire to see that your tax dollars are managed wisely; and that the decisions I make for you are supported by you. Wise decisions must be made for all the people who reside in the 1st District as well as all of Tishomingo County.

Since the County Supervisors are responsible for approving the county budget, which exceeded \$10,700,000 in fiscal year 1991, it is very important to have supervisors experienced in administration, management, bookkeeping, and supervision. They need to know about budgets, contracts, and other legal documents in order to conduct county business for you. They need communication skills to be able to negotiate and communicate with industrial managers and developers. If sound, financial decisions are not made by the county supervisors, the county residents will have to pay for those decisions

through higher taxes.

I am a Certified Planning and Development Specialist and have over 17 years experience in governmental budgeting, planning, management, and development activities. I know how to write state and federal grant applications for funding of such county projects as road repairs, public water and sewer systems, recreation, traffic safety, education, and volunteer fire departments. I have public relations experience which will enable me to work closely with the managers of existing and new industry.

When I vote, as your supervisor, to spend your tax money to purchase land, and to construct office and industrial buildings, I will expect and demand a return on those investments in the form of JOBS for our people who LIVE in our county.

With your help, we will develop a road improvement plan which will assure that our roads are maintained year-round. Re-surfacing and paving our district roads will be a top priority.

I am committed to supporting our educational system, students and school activities. I have faith in our young people and know how important it is to provide educational opportunities and local jobs to help them fulfill their dreams. Our students are just as capable of becoming engineers and scientists as anyone else in this country.

I am asking you to vote for me because I believe my education and work experience is a tremendous asset to the qualifications of this very important office of county government.

You can be assured that you can talk with me at any time. You will be treated fairly and with respect. I am a good listener and will gladly listen to your suggestions. We shall get the job done by working together. When you vote on September 17, please vote for your friend...Gene Milligan.

## Wade Hutcheson Announces For Constable - South Half

less than 10 years ago I was a student - we had no drug program then or now. These programs will cost you nothing, I will volunteer my spare time to go to our schools and do my best to make them safer and drug-free.

I would like to add that I am fully aware of the duties of Constable and I will fulfill these duties to the best of my ability - I understand that if a Constable does his job by delivering his assigned papers then the Sheriff's office can be doing more important things. They shouldn't have to do the Constables job and theirs to. I will do my job.

In closing: I would like to ask everyone to please consider the future of our County September 17 - this may be the most important election in the history of Tishomingo County so when you go to the polls Tuesday, please consider giving Wade Hutcheson a chance. I will do my best to be the best Constable you have ever had and may God bless each and everyone of you as he has my family.

Thank You,  
Wade Hutcheson

## County Supervisor Elected To Serve On Statewide Committee

Leon Cook is currently serving his sixth term as a Tishomingo County Supervisor. A graduate of Belmont High School, he has been in the piano business off and on for about 15 years. Cook also served two years in the Army.

He and the former Edna Ginn have been married 37 years. They have two daughters: Patti Caldwell and Leigh Ann Stephens; and one grandson. The Cooks are members of New Bethel Baptist Church.

Cook has been very active in upgrading the county's roads and bridges. Only 17 miles in his district were paved when he took office and now only 10 of the district's 113 miles of road remain gravel. He has replaced practically every bridge in the district as well.

Cook has served nearly 10 years on the Mississippi Association of Supervisors' Nominating Committee. He represents the Northeast Planning and Development District on the committee.

## Rick Cornelison Would Like To Be YOUR Sheriff

I was born in luka and graduated high school in luka. I then attended the University of Mississippi where I majored in Law Enforcement. I graduated the Mississippi Law Enforcement Officers Training Academy to become a certified police officer. I attended firearms training school to become a firearms instructor certified by the State of Mississippi and the NRA.

I have been employed by the luka Police Department for seven years and I was a deputy sheriff for the Tishomingo County Sheriffs Department before becoming a policeman.

I am married and have two boys in the Tishomingo County School system. That is why I am interested in getting the drugs out of our schools. We can no longer hope that dope won't come to us. It is already here. We can't afford to let drugs ruin the lives of our young people. I will make it extra hard on anyone selling drugs to our school children. Something must be done now. I don't have all the answers but I am offering you an alternative to what we have had. I WILL MAKE A DIFFERENCE!

Throughout this campaign I have had people tell me that they have called the Sheriff's Department and nobody ever came. If you elect me as your Sheriff that will never happen. All calls will be answered. I will work to bring the law enforcement agencies together in the county. If all the departments worked together it would be like having extra deputies all over the county with extra eyes and ears in every community. If you think we all work together now just ask one of your local policemen what kind of relationship they have with the Sheriff's Department. I can and will get along with police departments. I can also get along with the supervisors of this county. These are the people that hold the purse strings and that can make or break a department.

I will have auxiliary and reserve deputies hand picked from the decent people in the county. They can relieve some of the strain on the Sheriff's Department by doing some of the duties such as escorting funerals and directing traffic that will free regular deputies to work on burglaries and narcotics. A Sheriff

cannot do the job alone. He must have the help of the people. If you know someone who lives alone that needs to be checked on we can have them call the Sheriff's Department at a pre-set time everyday. If some day they do not call in we will have a deputy go to their house to see if something is wrong. We owe the people a service.

I will be a Sheriff you can talk to about confidential matters without fear. I refuse to tell anyone who gives me information.

A Sheriff is a law enforcement officer but he is also an administrator that handles the money allotted to him. I believe I can manage the money for the Sheriff's Department better than my opponents. The 1986-1987 budget for the Sheriff's Department was \$170,000.00 tax dollars. The 1990-1991 budget has increased to \$315,000.00, almost double yet we don't have anymore deputies or equipment that I know of. I know everything has gone up but they have not doubled, at least my salary and expenditures have not.

I have had people to tell me that I should tell the people what they want to hear, to get elected first and then run it how you want to. I am not that kind of person. I will tell you the truth and if you can vote for me I appreciate it but I will not promise jobs and lie to get elected then go back on my word. We all have to live here when this election is over. I ask that you vote not for kinfolks or good friends but vote for the best qualified man for Sheriff.

When elected I will personally see that all funerals in the County are escorted by me or one of my deputies.

I have tried to see each of you during this campaign, if I missed any one of you, due to my work schedule please take this as a plea for your vote and support next Tuesday. VOTE RICK CORNELISON - SHERIFF.

## Youth Talent Competition To Be At County Fair

The Showcase Theatre & the Coca Cola Company are proud to sponsor the "Youth Talent Competition" at the Tishomingo County Fair on October 5, 1991.

Applications for the competition can be found at all of the schools in Tishomingo County, at the Old Tishomingo Courthouse, Grace Long Real Estate Office and the luka Library.

This year along with the talent competition there will be special entertainment. We are looking forward to a wide range of very talented contestants and some great competition.

## VOTE BOBBIE WHITE CIRCUIT COURT CLERK

I would like to introduce myself to those of you whom I have not met. I am BOBBIE WHITE (Mrs. Billy White), candidate for Tishomingo County Circuit Court Clerk.

My primary desire is to serve you. I have been in public service all of my adult life, and you may have met me in the Chancery Court Clerk's when I was Deputy Chancery Court Clerk, or in the Superintendent of Education's office, where I now work as Certified School Business Officer.

For six years I worked as a freelance paralegal, familiarizing myself with the working of the Circuit Court Clerk's office. It is a demanding office that requires its clerk to manage the staff and a budget and to understand the workings of the court system.

The State of Mississippi has mandated computerization of the Circuit Court Clerk's office by July, 1992. As the only candidate with a computer science degree and several years of related experience, I am the best person for the task. I can make the necessary changes with the least cost to Tishomingo County taxpayers.

Tishomingo County needs a Circuit Court Clerk who is experienced, dedicated and hard working. I qualify!!!

I paid my own way through college, often working more than one job while taking classes at night. I have studied business law, business management, economics, accounting and finance, as well as computer science. I completed the Tishomingo County Leadership Training program to learn how to improve the quality of life for our citizens.

I look forward to spending my working days helping you with all your business in the Circuit Clerk's office.

When you come to the office for your marriage license, it is the clerk's duty to give you prompt and friendly service, taking time to consider your special needs.

Voter registration should be simple and routine, but it can be frustrating when those in charge are less than eager to help. I look forward to making registration a pleasant experience.

Jury duty is never pleasant or convenient; but it is a duty all voters must take turns performing if our judicial system is to work. Most of us do not mind being called when we have confidence in those who do the selection for jury duty. It is my goal to gain your confidence and the confidence of the Jury Commissioners and assure you that the selection for jury duty will be totally fair and impartial.

When you have reason to use the Circuit Court system it is generally under unpleasant circumstances. I feel the Clerk should minimize your anxiety by giving you the best possible service, listening and understanding your individual situation.

I look forward most of all to serving the disabled and handicapped voters and the senior citizens of Tishomingo County. The Clerk's office, for instance, issues free hunting and fishing licenses to both groups. I promise to be accommodating and available.

As Circuit Court Clerk I will follow in the tradition of other fine female clerks from our county's past, such as Ollie Adams Ware, Verna Wood Crowe and Arah Ivey who were hard working and proved themselves up to this demanding office.

On September 17th I ask that you give me the opportunity to further serve you as your next Circuit Court Clerk. Please go vote!

VOTE FOR  
BOBBIE WHITE

## ELECT MARCUS IVEY Sheriff - September 17th

Voters of Tishomingo County, I Marcus Ivey, would like to take this opportunity by this means, to make a final appeal to you, for your support and vote on September 17, for Sheriff of Tishomingo County.

I have expressed to you before that I am aware of the problems of this county. These problems have not just suddenly appeared, and we all know that they cannot be erased overnight. This is why you should vote Marcus Ivey, for your next Sheriff. I will not give up when the going gets rough. I am in better health today than I have been in years. I am used to working hard, and long, therefore, I will not have any trouble getting used to the long hours that are expected from a Sheriff.

I am concerned for all citizens of Tishomingo County, and their properties. If a crime is committed against one of you, the offender will be jailed and punished.

I realize there is the possibility that I could not catch everyone of the culprits, but I will assure you that I will not stop trying. I will work with judges to keep habitual criminals behind bars, where they belong, and out of your communities. I believe in this county and it's people, and do intend to give you the best possible protection, with respect to, and without mistreatment of decent citizens. Any deputy that I employ will do the same, or be dismissed. I believe that it is time that respect be restored to the Sheriff's department. I will create an effective and competent staff for this department.

Four years ago, I was humbled by the support and vote that you all gave me, and pray for your confidence now. If you elect me as your Sheriff, I promise to make you the best Sheriff you have had in many years. All I need is the chance. You can give me that chance, and I can assure you that as time passes by that you will not be ashamed to admit that you voted for Marcus Ivey.

When you go to the polls on September 17, I hope that you will vote for me, but no matter who your candidate may be, I urge you to get out and exercise your right to vote for the man of your choice.

Thank You!  
Marcus Ivey

Three of their trees have bananas this year. Mr. Greenaway started growing banana trees as a hobby and is quite proud of them. The Greenaways live at 509 W. 3rd street in Iuka.

more than one black duck, one pintail, two wood ducks, and one redhead.

The season on coots and mergansers will run concurrent with the duck season. The daily limit on coots is 15, and the daily limit on mergansers is five, only one of which may be a hooded merganser.

The season on Canada geese, white-fronted geese, and brant opens December 7 and continues through Jan. 31, a total of 56 days. The season on lesser snow geese, greater snow geese, and Ross' geese begins Dec. 7 and last through Feb. 14, a total of 70 days.

The goose bag limit during each of the seasons is seven geese to include no more than two Canada geese and two whitefronted geese.

Hunting Canada geese, white-fronted geese, and brant in the Sardis Zone begins Dec. 7 and ends Jan. 12. The daily bag limit is one goose per day and two in possession.

### Restless Heart Cancels; Forrester Sisters To Perform

Country act Restless Heart has cancelled an October 3 appearance at the University of North Alabama and the Forrester Sisters has been scheduled to headline that concert which will kick off homecoming activities at the institution.

Bob Glenn, director of student activities at UNA, said Restless Heart's management notified him that the band's appearance had been cancelled because the group reportedly scheduled, after the UNA concert had already been arranged, an appearance for a Tennessee Valley radio station the week before.

Glenn said the Forrester Sisters, who established their recording career in Muscle Shoals, will appear for the homecoming concert instead.

Clinton Gregory will also perform that night.

The performance will be in Norton Auditorium at 8 p.m. Two weeks prior to the concert, tickets, at \$10 each, will go on sale at the University Center, both London Shops, both Pegasus Records stores and Anderson's Bookland.

### Card Of Thanks

We would like to take this means to express our thanks for the kindnesses shown during the death of our loved one, Rethal "Bill" Whitfield. A special thanks to Tishomingo Manor Nursing Home, Iuka Hospital ER, Dr. Adams, Dr. Draper and Cutshall Funeral Home for their services. The Nieces & Nephews Of Rethal "Bill" Whitfield

### Christmas In The Park

There will be a meeting to plan "Christmas in the Park" Thursday night, September 12 at 7 P.M. at City Hall. All interested persons are encouraged to attend. Most of the churches in the area have been contacted, if you have not talked to someone on the committee, please send someone to the meeting to represent your church, business or civic organization.

### Waterfowl Hunting Date Proposed

The Commission on Wildlife, Fisheries and Parks recommended Wednesday that the upcoming duck season open Dec. 7 and end Jan. 5. The proposal for the 30-day waterfowl season now goes to the U.S.

Fish and Wildlife Service in Washington for approval. The proposal was made at the commission's monthly meeting.

If the season is approved, state hunters will have a daily bag limit of three ducks, which may include no more than two mallards, no more than one of which may be a female. The three-duck bag limit may not include

## Byard - Coombes Nuptials Spoken

Tracy Frances Byard and David Harrison Coombes were united in marriage on August 10, 1991 at a candlelight service conducted at First Baptist Church, Knoxville, Tennessee by Dr. Douglas Watterson.

The Bride was given in marriage by her father, Frederick B. Byard of Gulfport, MS. The Maid of Honor was Kelly S. Byard of Gulfport, MS, sister of the Bride. Bridesmaids were Hayli Hopson of Knoxville, TN; Natalie Kern of Annandale, VA; and Karen Meek of Memphis, TN, sister of the Groom.

Best man was Mitchel Meek of Memphis. Groomsmen were Bryan Nelhoff of Brentwood, TN; Scott Sims of Knoxville, TN and Christopher Graham of Selmer, TN.

Escort for the mother of the Bride was Nicholas Woodley, cousin of the Bride. Mr. Woodley also escorted Loyce Woodley, grandmother of the Bride and Dee Massey, great aunt of the Bride.

Beginning the wedding were piano renditions offered by Melissa Flanagan. Solist, Stan Zackery sang Greatest of Love and The Lord's Prayer. He was accompanied by Mary Eleanor Pickle on the organ.

The couple left for a Honeymoon Cruise in the Caribbean. They flew to San Juan and cruised to the islands of Martinique, Barbados, Antigua, St. Maarten, and St. Thomas.

The couple will reside in Knoxville, TN until the holidays when they will move to Annapolis, Maryland.

## Sardis Church News

Let us hold fast the profession of our faith, without wavering; for He is faithful that promised. Heb. 10:23

When you are lonely and fearful, read over PS 27.

Our visiting evangelist, Bro. Coyle Marbut and Lora, honored us this past week by visiting our homes and eating supper with us before the service. Monday night they visited Bro. John and Burton Stockton, Tuesday night Herman and Ora Reno, Wednesday Lorene Hale took them to the Midway Cafe, Thursday night Bro. Milton and Corrine Phifer were their hosts and Friday night, Kathleen McCoy. We sure enjoyed their visits and hope they come again soon.

Herman and Ora Reno visited Joe and Lela McClung one day last week. Joe is some better, but he still has a long way to go. Let's keep him in our prayers.

Bro. John Stockton attended the Associational Meeting near Mantachie.

Kathleen McCoy went home with Lorene Hale Friday night and they went from her house to the association.

Back to: Take time to do good. 11th verse.

But soon there came another - a cripple, thin and pale and gray, and said, "Let me stop and rest a while in your goodly house, I, pray! I have traveled for since morning, I am hungry, faint and weak; my heart is full of misery, and comfort and help I seek." More next week.

## Lambert Reunion

The annual reunion of the late Jack and Martha Lambert will be Sunday, September 15, at the Holcut Museum. Be sure and come and bring a covered dish.

Lunch will be served at noon.

## Midway Homemakers Meeting

The Midway Homemakers Club met recently with Mrs. Syble Hodge, president presiding. The devotional was given by Mrs. Faye Howie. It was taken from the Psalms and stressed love and living. She also led in prayer.

Mrs. Hodge reported to the club about their attending the county council meeting. Here they made plans for women's participation in the fair exhibits this year. They plan to serve hot homemade food. The Ladies will continue to exhibit their crafts and canned goods as was done prior to 1990.

The clubs will also be requested to make a display booth of club work and motto this year.

Mrs. Hodge led in a brief business session during which the Midway club voted for the above continuation women's work at the county fair October 1-5.

Mrs. Jewel Starkey brought her several children charges for the enjoyment of all.

Mrs. Howie served delicious refreshments. The club adjourned to meet next the second Tuesday in September. Others present were Mrs. Christine Mercer, Mrs. Ava Hill, Mrs. Eva Moore, Mrs. Frances Goldsmith and Miss Roxie Yow.

### BIPEC Endorses Rep. Mack Wadkins

The Business and Industry Political Education Committee (BIPEC) Board of Directors announced today the endorsement of Mack L. Wadkins for State Representative District 1. "Rep. Wadkins has provided the leadership we need to help build a strong economy for our state," said BIPEC Chairman Liles Williams. "He has worked for the creation of jobs for the citizens of his district and has been one of the business community's most effective voices in the legislature." Rep. Wadkins has represented Tishomingo and Alcorn Counties for 12 years and is a member of University & College (chairman), Transportation Ways & Means, Interstate Corporation and App. & Elections committees. "The decisions made by legislators in the state capitol have a considerable impact on Mississippi's business community," said William. "Rep. Wadkins has BIPEC's highest recommendation and deserves the business community's enthusiastic support." BIPEC is a 1300 member business and professional organization that works to improve Mississippi's business climate by supporting legislation that promotes business and economic growth. It keeps track of the Mississippi legislators' voting records on key business issues.

## NOTICE OF BOND SALE

\$150,000

GAS SYSTEM REVENUE BONDS, SERIES 1991  
OF THE  
CITY OF IUKA, MISSISSIPPI

NOTICE IS HEREBY GIVEN that the Mayor and Board of Aldermen of the  
City of Iuka, Mississippi (the "Governing Body") of the "Municipality" will  
receive sealed bids in its regular meeting place in the City Hall of the  
Municipality until the hour of 10 o'clock a.m. on 18th of Sept. 1991, at which time said  
bids will be publicly opened and read for the purchase in its entirety, at not  
less than par and accrued interest to the date of delivery thereof, of an  
issue of One Hundred Fifty Thousand Dollars (\$150,000) Gas System  
Revenue Bonds, Series 1991, of the Municipality (the "Bonds").

THE BONDS: The Bonds will be dated and bear interest from October 1,  
1991; will be delivered in definitive form as registered bonds; will be in the  
denomination of \$5,000 each, or integral multiples thereof up to the amount  
of a single maturity; will be numbered from one upward in the order of  
issuance; will be payable as to principal at a bank or trust company to be

named by the Governing Body in the manner hereinafter provided; and will  
bear interest, payable semiannually on April 1 and October 1 of each year,  
commencing April 1, 1992, at the rate or rates offered by the successful  
bidder in its bid in accordance with this Notice of Bond Sale.

MATURITIES: The Bonds will mature serially, with option of prior  
payment, on October 1 in each of the years and amounts as follows:

| YEAR | AMOUNT   |
|------|----------|
| 1992 | \$10,000 |
| 1993 | 10,000   |
| 1994 | 10,000   |
| 1995 | 15,000   |
| 1996 | 15,000   |
| 1997 | 15,000   |
| 1998 | 15,000   |
| 1999 | 20,000   |
| 2000 | 20,000   |
| 2001 | 20,000   |

REDEMPTION: (a) Bonds maturing after October 1, 1992, are subject to  
redemption prior to their stated date of maturity at the option of the  
Municipality, in whole or in part (if in part in inverse order of maturity and by  
lot within a maturity) on October 1, 1992, or any interest payment date  
thereafter, prior to maturity, at the principal amount thereof plus accrued  
interest to the date of redemption.

(b) At least thirty (30) days before the redemption date of any Bonds, the  
City Clerk shall cause a notice of any such redemption, either in whole or in  
part, signed by the City Clerk, (1) to be published once in a newspaper of  
general circulation within the State of Mississippi and published in the City  
of Jackson, Mississippi, (2) to be filed with the Paying Agent (as hereinafter  
defined) and (3) to be mailed, postage prepaid, to all registered owners of  
the Bonds at their addresses as they appear on the registration books of  
the Paying Agent, but failure so to file or mail any such notice shall not af-  
fect the validity of the proceedings for such redemption. Each such notice  
shall set forth the date fixed for redemption, the Redemption Price to be  
paid, the place or places at which payment shall be made and, if less than  
all of the Bonds of any one maturity shall be called for redemption, the  
distinctive numbers and letters, if any, of such Bonds to be redeemed.

AUTHORITY AND SECURITY: The Bonds will be issued pursuant to the  
provisions of Sections 21-27-11 to 21-27-69, Mississippi Code of 1972, as  
amended (the "Act"), and will be payable solely from the gross revenues  
derived from the operation of the gas (the "System") of the Municipality,  
subject only to the prior payment of the reasonable and necessary expenses  
of operating and maintaining the System.

PURPOSE: The Bonds are being issued to provide funds for the purpose  
of improving, repairing and extending the gas system of the Municipality.

FORM OF BIDS: Bids should be addressed to the Mayor and Board of  
Aldermen and should be plainly marked "Bid for Gas System Revenue Bonds,  
Series 1991, of the City of Iuka, Mississippi," and should be filed with  
the City Clerk of the Municipality on or prior to the date and hour  
hereinafter named. All bids should be submitted substantially in the form  
prepared by the Municipality, copies of which may be obtained from the  
Clerk of the Municipality at the address shown below.

INTEREST RATE AND BID RESTRICTIONS: The Bonds shall not bear a  
greater overall maximum interest rate to maturity than thirteen percent  
(13%) per annum, nor shall the interest rate for any one maturity exceed  
thirteen percent (13%) per annum. No Bond shall bear more than one (1)  
rate of interest; each Bond shall bear interest from its date to its stated  
maturity date at the interest rate specified in the bid; all Bonds of the same  
maturity shall bear the same rate of interest from date to maturity; and the  
lowest interest rate specified shall not be less than seventy percent (70%)  
of the highest interest rate specified. Each interest rate specified in any bid  
must be a multiple of one-eighth of one percent (1/8 of 1%) or one-tenth of  
one percent (1/10 of 1%) and a zero rate of interest cannot be named.

GOOD FAITH DEPOSIT: Each bid must be accompanied by a cashier's  
check, certified check, or exchange, issued or certified by a bank located in  
the State of Mississippi, payable to the Mayor and Board of Aldermen of the  
City of Iuka, Mississippi, in the amount of Three Thousand Dollars (\$3,000)  
as a guaranty that the bidder will carry out its contract and purchase the  
Bonds if its bid be accepted. All checks of unsuccessful bidders will be  
returned immediately on award of the Bonds. If the successful bidder fails to  
purchase the Bonds pursuant to its bid and contract, then the amount of  
such good faith check shall be retained by the Municipality as liquidated  
damages for such failure. No interest will be allowed on the amount of the  
good faith deposit.

AWARD OF BONDS: The award, if any, will be made to the bidder com-  
plying with the terms of sale and offering to purchase the Bonds at the  
lowest net interest cost to the Municipality, which shall be determined by  
computing the aggregate interest on the Bonds over the life of the issue at  
the rate or rates of interest specified by the bidder, less premium offered, if  
any. It is requested that each bid be accompanied by a statement of the net  
interest cost (computed to six decimal places), but such statement will not  
be considered a part of the bid. All bids shall remain firm for three (3) hours  
after the time specified for the opening of bids, and an award of the Bonds,  
or rejection of bids, will be made by the Governing Body within said period  
of time.

RIGHT OF REJECTION, CANCELLATION: The Governing Body reserves  
the right to reject any or all bids submitted, as well as to waive any  
irregularity or informality in any bid. The successful bidder shall have the  
right, at its option, to cancel its agreement to purchase the Bonds if the  
Bonds are not tendered for delivery within sixty (60) days from the date of  
sale thereof, and in such event the Governing Body shall return to said bidder  
its good faith deposit. The Governing Body shall have the right, at its  
option, to cancel its agreement to sell the Bonds if within five (5) days after  
the tender of the Bonds for delivery the successful bidder shall not have  
accepted delivery of and paid for the Bonds, and in such event the Governing  
Body shall retain the successful bidder's good faith deposit as  
liquidated damages as hereinabove provided.

PAYING AGENT, TRANSFER AGENT, AND REGISTRAR: The successful  
bidder may designate a bank or trust company located within the State of  
Mississippi to serve as paying agent (the "Paying Agent") for the Bonds  
within forty-eight (48) hours of the date of sale of the Bonds, subject to the  
approval of the Governing Body. The Governing Body's approval of the  
Paying Agent shall be contingent on a determination as to the willingness  
and ability of the Paying Agent to perform the duties of registrar and transfer  
agent and on the satisfactory negotiation of service fees. The Paying  
Agent shall be subject to change by order of the Governing Body under the  
conditions and in the manner provided in the Bond Resolution under which  
the Bonds are issued. Both principal of and interest on the Bonds will be  
payable by check or draft mailed to registered owners of the Bonds as of  
the 15th day of the month preceding the maturity date for such principal or  
interest payment at the addresses appearing in the registration records of  
the Municipality maintained by the Paying Agent. The Bonds will be transferable  
only upon the books of the Paying Agent, and payment of principal  
at maturity shall be conditioned on the proper presentation and surrender  
of the Bonds to the Paying Agent.

DELIVERY: The successful bidder must designate within fifteen (15) days  
of the date of sale, or at such other later date as may be designated by the  
Governing Body, the names and addresses of the registered owners of the  
Bonds and the denominations in which the Bonds of each maturity are to be  
issued. If the successful bidder fails to submit such information within the  
required time, one Bond may be issued for each maturity in the full amount  
maturing on that date registered in the name of the successful bidder. The  
Bonds will be delivered at a place to be designated by the purchaser and  
without cost to the purchaser, and payment therefor shall be made in im-  
mediately available funds.

REQUIRED REPRESENTATIONS FROM PURCHASER: It shall be a con-  
dition of the obligation of the Municipality to deliver the Bonds that con-  
temporaneously with or prior to delivering the Bonds the Municipality shall  
receive from the successful bidder a letter in form and substance satisfac-  
tory to the Municipality to the effect that:

(a) The successful bidder is purchasing the Bonds for its own account for  
the purpose of investment and not with a view toward distribution or resale;  
(b) Said bidder has such knowledge and experience in financial matters  
that it is capable of evaluating the merits and risks of purchasing the Bonds;  
(c) Said bidder has read and fully understands the Bond Resolution under  
which the Bonds are issued;

(d) Said bidder has had an opportunity to obtain, and it has received from  
the Municipality, all other information and material which it regards as  
necessary to evaluate the merits and risks of its investments;

(e) Said bidder recognizes that in this transaction Mr. Richard O. Clark an  
Watkins Ludlam & Stennis, Jackson, Mississippi, are not responsible for  
any information contained in or omitted from materials regarding the  
Municipality, and it acknowledges that it does not look to them to obtain  
such information on its behalf; and

(f) While it has no present intention to resell or otherwise dispose of all or  
any of the Bonds purchased by it, said bidder assumes the responsibility  
for disclosing all material information in compliance with all applicable  
federal and Mississippi securities laws in the event of the resale of the Bonds.

LEGAL OPINION; CLOSING DOCUMENTS: The Bonds are offered sub-  
ject to the unqualified approval of the legality thereof by Watkins Ludlam &  
Stennis, Jackson, Mississippi, Bond Counsel. In the opinion of Watkins  
Ludlam & Stennis, interest on the Bonds is exempt from federal and  
Mississippi income taxes under existing laws, regulations, rulings and  
judicial decisions with such exceptions as shall be generally required by  
the Internal Revenue Code of 1986. A copy of the opinion of Bond Counsel,  
which will be printed on the back of each Bond, together with the usual  
closing papers, including a non-litigation certificate dated the date of  
delivery of the Bonds, evidencing that no litigation is pending in any way af-  
fecting the legality of the Bonds or the revenues pledged for the payment of  
the principal thereof and interest thereon, and a transcript of the  
proceedings relating to the Bonds will be delivered to the successful bidder  
without charge. The Municipality will pay for all legal fees and will pay for  
the printing and validation of the Bonds.

By order of the Mayor and Board of Aldermen of the City of Iuka,  
Mississippi, on 3rd of September, 1991.

Joyce Brumley  
City Clerk

## GARDENS

September brings a return to more moderate daytime and night temperatures and the opportunity to do some serious fall gardening. While warm, sunny days, infrequent rains, and cool nights generally prevail in September and October, this is hurricane season and the chance for a tropical storm with heavy rain and high winds does exist.

These 2 months can provide some of the best gardening weather of the year, and with the heavy, continuous rains of this past spring, some good

gardening weather is in order.

The availability of water is essential to successful fall gardening. Chances of being successful without the ability to apply one or more inches of water per week, in the absence of rain, are slim. Moist soil is necessary to get seeds to germinate, and newly set transplants must be watered to survive. Also, since most leafy greens and other vegetables are at least 90 percent water, a lack of water during periods of active growth, flowering, and fruit development spells disaster.

While broccoli, cabbage, and cauliflower seeds can be planted in the garden in early September in south Mississippi, transplants of these vegetables must be set out in early September for success in north and central Mississippi. Seedlings from seeds planted in late July and early August should be large enough to transplant now. Transplant on a cloudy day, when the soil is moist, and space the plants 12 to 18 inches apart in the row. Direct-seeded cabbage, broccoli, and cauliflower should be thinned to the proper spacing. Moisten the soil before thinning, and dig the extra plants to increase the size of your planting or to share with friends and fellow gardeners.

Plant onion seeds in late September and early October for transplants to overwinter for next year's crop. Be careful with the fertilizer. Onion seedlings are sensitive to fertilizer burn, and high levels of fertility can result in large plants by the time cold weather arrives. Onion plants with stems larger than a pencil, when exposed to cold weather, are likely to flower next spring and not develop into good bulbs.

Plant garlic in October. Separate

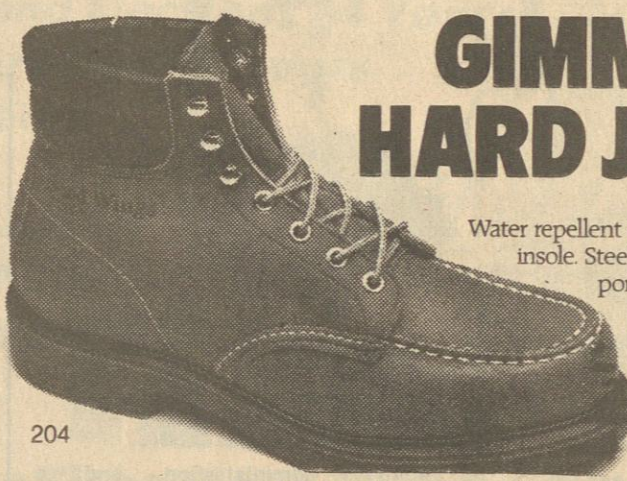

garlic bulbs into the individual cloves; plant them about 4 inches deep and 6 inches apart in rows that are 6 to 12 inches apart. The garlic cloves will sprout and make plants this fall. Mulch them with pine needles before freezing weather arrives.

Plant radish, lettuce, spinach, mustard, and turnip seeds beginning in early September. Leaf lettuce matures more rapidly than head lettuce.

Harvest sweet potatoes in October before the soil temperatures drop below 50 degrees Fahrenheit. Don't leave the harvested potatoes out at night to be chilled by the cool, night air. Place the freshly dug potatoes in a warm (85-90 °F) moist (90 percent relative humidity) place for several days to cure and promote healing of cuts and bruises from harvesting.

Spray pumpkin vines with insecticides (sevin or thiodan, as appropriate) for control of squash bugs, cucumber beetles, and aphids. Mix in a fungicide containing chlorothalonil for downy mildew and leaf spot control or benlate for powdery mildew control. For maximum pumpkin size, keep the plants watered; thin pumpkins to one or two per plant. It is not necessary to remove any fruit from the miniature pumpkins, since increasing fruit size is not of any importance.

There is a good chance for a killing frost to occur in many northern counties (Marshall to Tishomingo), central counties, and south to Perry, Green, and parts of Lawrence, Jeff Davis, and Covington by early November. The coast counties can experience the first killing frost from November 13 to December 2. These dates are based on weather records from previous years.

### Already At Work

Angie Gray, a senior at Tishomingo County High School, is already at work in her Body and Fender class at the Tishomingo County Area Vocational Technical Center. Angie is putting a window back on its track as Dora Moore and Billy Smith look on. The instructor in the class is Wendell Phifer.

The Vocational Center with an enrollment this year of 225 students serves five schools. There are also adult classes offered in the evenings. A qualified staff is available to help students gain practical experience through hands-on learning. The following is a list of the

Instructors and support personnel at the Vocational Center: Gary Taylor, Director; Joe Credille, Guidance Counselor; Linda Barnett, Guidance Counselor; James Melvin, Ag. Mechanics; Wendell Phifer, Body and Fender; Larry Brown, Metal Trades; Eudell Crane, Auto Mechanics; Jack Alexander, Drafting; Harold Boothe, Building Trades; Bobby Nelson, Remedial Math; Donnie Wiggington, Air conditioning and refrigeration; Margaret Carson, Food Service; Donna Hester, Business; Jo Carolyn Polts, Remedial English; Jo Ann Wilbanks, Equity Counselor; Patricia Frederick, Secretary; Susan Caldwell, Diversified Technology; Richard Patterson, Janitor.

Physiology Laboratory.

Boone recommends monitoring the pulse at the wrist instead.

Some exercisers like to check their heart rate by feeling the carotid artery (on either side of the neck, under the back of the jaw) because it has a bigger pulse than the radial artery in the wrist, making it easier to find and count. The potential problem with carotid palpation (pulse feeling) is that it can cause the heart rate to slow by as much as 12 beats per minute, Boone's research shows.

Such a miscalculation could allow someone to exercise harder than he thinks he is exercising -- a real danger for those with heart disease, Boone said.

"The assumption is that a correctly identified heart rate gives you a reflection of the intensity of your workout," Boone said. "A correct palpation technique verifies the benefit of your exercise program. Most people who exercise don't have a prescribed heart-rate range...but for those individuals who have been stress-tested or have been prescribed a certain heart rate range for exercise, it is critical that they stay within that range."

"The point of the range is to maintain your exercise at an intensity that is both productive and safe," Boone continued. A certain amount of exercise is good for the heart, but too much can be dangerous, causing further damage or even a heart attack.

While it is possible to obtain an accurate pulse at the neck, Boone said using that location invites two problems. Stroking the neck to find the pulse can produce a massaging effect and activate the "carotid sinus reflex," which lowers the heart rate. Also, pressing too hard on the carotid arteries can lower the heart rate.

Also, never press on both carotid arteries at once, Boone said; it can

cause susceptible people to pass out.

Boone suggested the following technique for checking heart rates:

--With your palm facing your vision, use an index finger to find the pulse in the radial artery, which runs along the bone (radius) on the thumb side of your wrist on either arm. You should find a pulse within an inch or two of where hand meets wrist. Don't use the thumb to check the pulse, because it has its own pulse and might confuse the results. Learn your best pulse location so it will be easy to find during exercise.

--Press lightly while counting. Too much pressure can shut down the artery and make the pulse disappear.

--Because the pulse slows significantly after 10 seconds of stopping one's exercise, you may want to locate your pulse spot before you stop exercising, then immediately count your pulse for 10 seconds. Begin counting the first heartbeat after you start timing and stop when 10 seconds are up. Multiply by six to obtain the number of beats per minute.

Although Boone doesn't recommend checking heart rates at the neck, he said those who just can't seem to find a pulse at the wrist during exercise can obtain an accurate pulse at the neck provided they don't caress the neck while looking for the artery and don't press the artery too hard while counting.

### Mississippians Need To Become "Good Citizens"

Especially because this is an election year in Mississippi, there is an urgent need for citizen participation in government at every level.

A Mississippian becomes "a good citizen" when he or she learns more about government, its proper function, and then works to help elect qualified candidates -- following up to

be sure those elected meet their obligations and responsibilities.

The Mississippi Economic Council suggests that a "a good citizen" make the following commitments:

1. Vote in every election and encourage family members, friends, neighbors and coworkers to vote.
2. Know the issues.
3. Talk with as many candidates as possible to get their views and to give your own.
4. Volunteer to serve on "good government" committees in the

chamber of commerce or other civic organizations.

5. Actively support, with volunteer time and with money, candidates found to be qualified.

6. Write letters giving your opinion to public officials at every level of government.

7. Be a leader by encouraging others to make the same commitments.

8. Remember that individual communities, the state, and the nation are strengthened by active participation in government of "good citizens."

**Student of the Month--Craig Middleton**, a senior at Belmont High School, was chosen as Student of the Month for the month of August at the Tishomingo County Vocational Center. Craig is taking Agricultural Mechanics at the Vocational Center. Craig lives on a farm and enjoys working on tractors and welding. This year is his second at the center where he feels he has improved his skills and learned a great deal. Craig plans to attend college, but is not sure what his major field will be. He hopes to live on a small farm after college and use the skills he has learned at the Tishomingo Vocational Center. Mr. James Melvin, Craig's instructor, presented him with a certificate. Mr. Melvin has taught Ag. Mechanics for 23 years. He holds a AAA certificate in Agriculture and Extension Education, a Master's degree in

school administration, and a Bachelor's degree in Agriculture Education. Mr. Melvin was proud to nominate Craig for student of the month.

CONGRATULATIONS CRAIG AND KEEP UP THE GOOD WORK!

### Checking Pulse Can Be Serious As A Heart Attack

For some people, checking heart rates at the neck during exercise could be as serious as a heart attack.

"It can be a problem for persons who should not be placing stress on the cardiovascular system," Dr. Tommy Boone, a professor in USM's School of Human Performance and Recreation, said in a January interview at the university's Applied

**Proclamation Signed** -- Third District Supervisor D.W. McKee signs proclamation of the Tishomingo County Adult Day Care Center in observance of National Adult Day Care Week seated (L to R) Robert Henderson, D.W. McKee, Emma Wallace, and Stella Thorne. (Back) Patricia Alfred, Vera McNeil, Jessie Smith, Edna Earl Cook.

**National Adult Day Care Week**

Tishomingo County Adult Day Care will join with the Adult Day care providers throughout the state in observing "National Adult Day Care Center Week" September 15 through 21, 1991.

Adult Day Care is a special services for older dependent adults who prefer to stay in the community mainstream but need support to attain this goal. Currently there are ten centers located throughout the state to provide health, socialization, exercise, transportation, nutrition and activities of daily living. Adult Day Care

is also a great importance to the families of participants. The caring staff at Tishomingo County Adult Day Care make the clients feel they are no longer alone in their environment. Each individual's remaining abilities are enhanced so that he or she can become as independent as possible.

Activities have been planned for each day of the week for the clients attending the Adult Day Care Center at Tishomingo State Park which consist of the following activities. On Monday Mr. Royce Buckner, Park Manager will give a presentation on park and wildlife in Mississippi. Tuesday Fun Day will be presented by staff and clients. Wednesday two staff members from the Iuka Hospital will be presenting a health education program. Thursday the County Extension Services will be visiting with an interesting nutrition education program and Friday all clients will be enjoying a big Bingo party with prizes donated by local merchants.

Day to day operation of Tishomingo County Adult Day Care is administered by certified staff mem-

bers, Edna Earl Cook, Program Director, Patricia Alfred, Co-ordinator/nurse and four specialist/drivers, Joyce Payne, Connie House, Janette Crane and Deborah Lovelace.

The center is operated under the guidance of the Mississippi Department of Human Services, Division of aging and adult services and sponsored by Northeast Mississippi Community Services, and is in operation five days a week from 8 a.m. to 4 p.m.
