Ricky Cummings Seeks Post Of District I Representative

Improvements can be made. More involvement by the school board, teachers, and parents in the every day curriculum is needed to help students reach their highest potential. This will place a greater responsibility upon our teachers; therefore, we as Mississippians, and especially our state legislators must face our responsibility to pay our teachers on the same scale as our neighboring states.

HEALTH CARE

Health care is one of the major issues that concerns Northeast Mississippians today. It is also a concern of mine. During my service as county supervisor, I have been involved in the building of a new \$7 million dollar hospital. When the old hospital building became vacant, I worked to convert this empty space into a much needed nursing home. It has become home to more than 60 elderly who needed good health care. I am currently involved in building a new \$450,000 health department. I've said all this about health care just to let you know I have worked and I will work for better health care for

worked at the Iuka Public Library, Superintendent of Education at the Courthouse, and Mississippi Stone Products, which is now Vulcan Materials Company in the Midway Community.

Since high school my job has strickly pertained to office work. Which was dealing with collecting fees, and all types of paper flow. During this time I have also had the opportunity to work with the public here in the County.

With my office background, computer experience and accounting skills, I am well qualified to carry out the duties of the office.

As you all know the Tax Collectors Office, as indicated by the title, Tax Collectors Collect. They collect registration fees for boats, road and bridge privilege taxes, other privilege taxes, state, county and county district general property taxes and also where you purchase your tags.

With the experience I have this would be an asset to the office. I have the knowledge to provide leadership for a proper

your questions about your land and how your property was appraised. I feel that I have made a lot of friends in this office. I have enjoyed working with you and would like to continue serving you as your new Tax Assessor.

In 1986 I completed my state certifications in mass appraisal from MSU. I also have a certification in mapping from the International Association of Assessing Officers, which I completed in 1988. I completed the Fundamentals of Real Estate Appraisal in 1992 from Itawamba Community College. I feel I have the education and experience to serve you fairly and honestly.

If I am elected I will be in the office daily to serve you, the taxpayer, I won't forget "you are the people I am elected to represent". I don't take your trust and confidence lightly.

I will work with our county and state leaders to utilize the most up-to-date materials and services available. I will see that the laws of the State Tax Commission which govern our office are strictly followed. This county has the opportunity to grow and as we move into the future, I

Attention Students

The beginning of school for students in Tishomingo County is just around the corner. In preparation for this, personnel from Tishomingo County High School, Iuka Middle School, Iuka Elementary School and Burnsville School will each be meeting with students prior to the school's August 10 opening to iron out last minute details. Please note the following announcements from the schools:

Attention Students of Iuka Middle, Iuka Elementary and Burnsville Schools

Registration at I.M.S., I.E.S. and Burnsville School will be August 7 and 8 from 4-8 p.m. each day.

Iuka Elementary and Burnsville will register all grades during both days (Aug. 7 & 8).

Iuka Middle School will register the 5th and 6th grades on Monday, August 7, and the 7th and 8th grades on Tuesday, August 8.

All students will report to classes on August 10.

Attention TCHS Students

Those who will be students at Tishomingo County High School will need to come by the school during the following dates and times to review and pick up your class schedules for this 1995-96 school year:

Monday, July 31st — Freshmen-8 a.m.-3 p.m.

Tuesday, August 1st — Sophomores-8 a.m.-3 p.m.

Wednesday, August 2nd — Juniors-8 a.m.-3 p.m.

Thursday, August 3rd — Seniors-8 a.m.-3 p.m.

Those unable to come during these times may come Friday, August 4, from 8 a.m.-1 p.m.

It is very important that all students come at their appointed time to pick up their schedules if at all possible. Any necessary changes can be made at this time.

Mike Robinson Candidate For 2nd District Supervisor

I, Mike Robinson would like to take this opportunity to announce my candidacy for 2nd district Supervisor.

I am a life long resident of Tishomingo County, having lived in the North Crossroads/Doskie Community for 38 years. I have 20 years experience in the construction business. I worked approximately 10 years as a heavy equipment operator on the Tenn. Tom Waterway Project.

Then I gained employment with T.V.A. where I also worked as equipment operator. I also took courses in diesel/mechanics and engineering. After the shut down of Yellow creek Nuclear Plant. I then worked self employed in the construction business. This gave me the opportunity to meet the public on a daily basis. In doing so, this gave me the opportunity to find out the needs of the people of Tishomingo County.

Tishomingo County is a good place to live, unfortunately a lot of people have to leave our county in order to find gainful employment. I would like to see this change. Being self-employed for many years, I understand the importance of having a strong economy in our county.

I have seen businesses prosper with a promise of industry such as the NASA facility and have

seen them suffer as a result of its closing. Ladies and gentlemen, this is wrong. Tishomingo County needs economic development that is here to stay.

If elected your next 2nd District Supervisor, I promise to work with all my ability to get more and higher paying jobs in our County. Also, traveling over the 2nd district. I have found some of our residents do not have a public water supply. If elected I will work to see that everyone has access to a public water supply.

Most of our roads are paved, but they still need maintenance and upgrading on a daily basis. I feel my years of experience in construction, gives me the knowledge and skills to keep them maintained in a proper and efficient manner.

It is my sincere desire to see and talk with each one of you personally. If I have missed you please take this as my personal plea to ask you for your vote and support on August 8.

If you want a Supervisor that will work hard for you, the people of the 2nd District and Tishomingo County vote for and elect Mike Robinson, 2nd district supervisor. Your vote and influence will be greatly appreciated.

Thank You,

Paid Pol. Adv. by Mike Robinson

Bryan Southward Announces For Constable South-Half

ch.

Being an active member of the Midway Volunteer Fire Department for ten years and serving as Chief for three years I understand and appreciate community service.

I am currently employed by Mid-South Oxygen Co. where I have been employed since 1989.

I began working for McBride's Garden Center in Iuka before graduating from high school. I worked there until I went to work for Mid-South Oxygen after graduating college. Both businesses are service orientated and I enjoy being in contact with the public.

I have worked with the Tishomingo County Sheriff's Department as a volunteer for the past three years which has given me valuable exposure in law enforcement.

I am a responsible young man and ready to take on the duties of serving you as the next South Half Constable of Tishomingo County.

When you go to the polls on August 8th your vote will be greatly appreciated.

Thank you,

Paid Political Adv. Bryan Southward

Superintendent Responds To Questions Concerning The 1995-1996 Budget For Tishomingo County School District

Dr. Carl L. Weeden, Superintendent of the Tishomingo County School District, has responded to some questions concerning the school budget. First of all, Dr. Weeden pointed out that the ad that was run in the local paper is a requirement by law. He agreed that the title of the ad, "Notice of Tax Increase", was misleading and suggested that the State Department should allow for a different title when there is no real tax increase [increase in millage rate].

The superintendent explained that some school districts did request the three mills increase of millage rate [a mill is .1 of 1 cent] as allowed by law, due to their 1995-96 budgets increasing significantly over the 1994-95 budgets. However, this school district only requested \$12,274 increase in ad valorem tax effort, which is less than 1 percent. Also, the overall increase of \$526,234 in the 1995-96 budget does not require an increase of millage rate.

Dr. Weeden stated that he was pleased that the district did not have to ask for the three mills increase of millage rate for the 1995-96 school year. The superintendent did, however, express some concern about the cost of the renovations that were necessary in order to implement the Tech Prep Programs at four of the school sites this fall. The good news was that the funds for this work were available in the 1994-95 school district budget.

Dr. Weeden emphasized that the 1996-97 budget would possibly have to include the cost of major roof repairs at some of the school sites. Some new roofing was done during the summer at Tishomingo Elementary School. Two other smaller projects are now being considered, but the next major roofing project will probably be at Iuka Middle School. This roof is getting rather old and at some point will need to be replaced.

The superintendent said he was pleased with the work that had taken place this summer, and although a few vacancies still exist and work continues at some sites for Tech Prep Labs, that the district will be ready to welcome teachers and staffs on Tuesday, August 8, 1995. Students will begin their new school year on Thursday, August 10, 1995.

Booker, and we have two children, Carla and Brad.

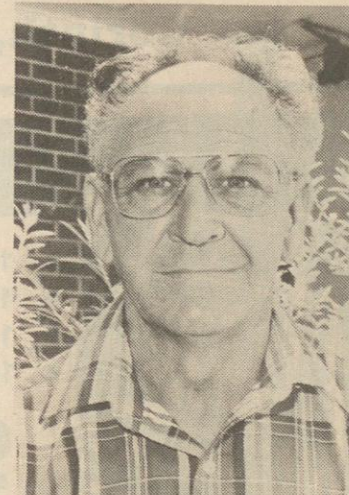

This is my County and my State, and I am proud to be a part of this community. As a resident, I desire to see our County Government function in a manner, as to make us proud to be a part of it.

The Office of Tax Collector and Assessor, will now, for the first time, be divided into two separate entities, and both offices will have to work extra hard together to provide the type of service to the public that you expect.

Since the incumbent is not bidding for the Tax Collectors' position this time, whomever you elect will be the "New Kid On The Block", and as in any new job, that person will have to learn the procedures of the office. Should you see fit to elect me to this position, I pledge to you, that I will work hard with the

We, the people in the Fourth District and Tishomingo County need more industry, we need more jobs for our people, our children need a future.

The upkeep of our roads and right-of-ways are very important, they need to be safe to travel, I want to work for better roads.

Our tax dollars need to be spent wisely, I think we need to benefit from our tax dollars, and I think you deserve to see the results.

As your Supervisor, I want to make decisions that will be in the best interest of the Fourth District and Tishomingo County.

Fourth District I want to put you first, we don't need to come last. The people deserves to know what is going on in their county, it effects all of us not just a few.

Ladies and gentlemen of the Fourth District I want to be your Supervisor. Please put your trust in me I will help you anyway I can.

I will try my best to see each and everyone before the election, but if I fail to do so, please take this as my personal request for your vote and support on August 8th for Fourth District Supervisor.

A well-balanced diet that is rich in calcium provides the nutrients needed to build strong bones in childhood. In middle to late adulthood, calcium slows down bone loss, which occurs rapidly starting at menopause, continues for about five years, and then becomes more gradual. Since other nutrients also influence bone formation, combining a balanced diet with foods high in calcium provides other nutrients as well.

Weight-bearing exercise, such as walking, is also important for strong, healthy bones. Studies show that women who walk at least seven miles per week have higher bone density than women who walk less than a mile a week.

Prevention of osteoporosis is best because, once started, the disease generally cannot be reversed. But it is never too late to delay or at least lessen the severity of bone loss, whatever your age. A balanced diet rich in milk, yogurt and cheese and regular exercise throughout life can be a woman's best assurance against osteoporosis.

White-Tailed Deer Short Course Set

A white-tailed deer short course scheduled for August 12 is open to all who are interested in learning the latest information on Mississippi's deer population.

The course will be from 8 a.m. until 4:30 p.m. at Bost Extension Center at Mississippi State University in Starkville.

Participants will attend general sessions with topics ranging from deer population management to genetics and buck mortality research. Concurrent sessions will include information on case histories of deer herd management in Mississippi, skills to improve hunting success for white-tailed deer and tours of the MSU captive deer research facility.

The early registration fee is \$30 per person by July 28. This fee includes professional instruction, a noon meal, breaks and written materials. Registration for persons 16 years old and younger is \$15. Registration after July 28 or at the door is \$40 per person.

Additional information and registration forms are available from your county extension office or MSU's department of wildlife and fisheries, Box 9690, Mississippi State, MS 39762, (601)325-3174.

4-H MEMBERS ATTEND REGIONAL RESOURCE CONFERENCE...Three Tishomingo County 4-H members recently attended the 40th Annual 4-H Regional Resource Conference held at Fontana Dam, North Carolina. During the conference participants attend sessions on the seven natural resources. They also learn about the Tennessee River Valley and meet other 4-H members from the six other states in the Tennessee Valley Region. OSTEOPOROSIS--A MAJOR WOMEN'S HEALTH ISSUE

Osteoporosis is a disease in which bones become weak, brittle, and break easily. It is a major cause of fractures of the hip, spine, and other bones in older people.

Perhaps you know older women or men who are "stooped" (bent over) or who are recovering from a hip or other

fracture. The cause is likely osteoporosis.

The risk of developing osteoporosis is six to eight times greater for women than for men.

Women who are at highest risk are small-framed, white women who are going through or have passed menopause. These women are even more likely to develop osteoporosis if they get fewer than two servings of milk, yogurt, or cheese daily; rarely exercise, or smoke.

In the United States and Canada, this disease affects more than 25 million women over 45 years of age. By age 65, one out of every four white women in the United States experiences bone fractures due to osteoporosis.

Osteoporosis cannot be cured, but it can be prevented. It can also be kept from getting worse in those that already have the disease.

The best way to prevent the disease is to build strong bones in early life through a healthy diet and daily exercise. Bones are living tissue that are continuously being "built" through about age 30 (which is longer than

FITTING THE HARD CONTACT LENS

If you're being fitted for hard contact lenses, the first thing the eye specialist will do is determine the optical correction needed to help you see clearly again. He will also want the contact lenses to conform to the size and shape of your cornea, the clear part of the eye or "window" through which you see. This is where the contact lens will rest when you're wearing it. The cornea is measured by a special instrument called a keratometer. For a comfortable fit, the lens must conform as exactly as possible to the shape of your cornea.

Once the lenses have been made to his specifications, the eye specialist will ask you to return for a fitting. With the contact lenses in place, he'll check the vision correction and fit.

Along with instructions on how to insert and remove the contacts, he'll give you tips on home care. He may ask you to wear them for two hours the first day and then gradually increase the wearing time until you can wear them comfortably all day long. In time you'll hardly realize they're there.

Jones ~ Glidewell To Wed August 5th

Dr. and Mrs. Emory Jones of Iuka, MS, are proud to announce the engagement and forthcoming marriage of their daughter, Lynn Adele Jones, Robert Ely ("Rob") Glidewell, Jr., son of Mr. and Mrs. Robert Glidewell, of Corinth, MS.

The bride-elect is the granddaughter of Mrs. Velma Broughton and late James L. Broughton, Jr. of Iuka and the late Mr. and Mrs. Hiram A. Jones also of Iuka. She is the great-granddaughter of Mrs. Adele Curtis of Iuka.

The prospective groom is the grandson of Mrs. Gertrude Gifford and the late Mr. Terry Gifford, Sr. of Rienzi, MS and the late Mr. and Mrs. Newton Glidewell also of Rienzi, MS.

Lynn is a 1990 graduate of Iuka High School where she was class valedictorian. She attended Northeast Mississippi Community College and graduated summa cum laude with a bachelor of science degree in education. She is also a member of Kappa Delta Pi, Phi Kappa Phi, Sigma Tau Delta and Sigma Iota International honor societies.

Rob is a 1987 graduate of Alcorn Central High School where he was the most athletic. He attended Northeast Mississippi Community College and earned a bachelor of science degree in physical education and health and physical studies from Lambuth University. At Lambuth, Rob was a College Football Preview Magazine Academic All-American, a Mid-South Football Conference Academic All-Conference, and a member of Phi Alpha Theta National History Honor Society. Rob is currently serving as pastor of the Burnsville First Baptist Church. This fall he will also be employed as an assistant teacher at the Tishomingo County Alternative School.

The couple will exchange vows at 3 o'clock in the afternoon on Saturday, August 5, 1995, at the Iuka Baptist Church, with Dr. Julian West performing the ceremony. There will be a reception immediately following the church fellowship hall. All friends and family of the couple are invited to attend.

Three Little Indians... And Now There Is One

Visitors to Tishomingo State Park may ride past him without paying much attention, but he stands there faithfully pointing the way for any who might seek him out.

This scout is the metal Native American figure, located at the park. Originally there were three of the metal Indians, designed and constructed in 1939 by members of the Civilian Conservation Camp, who also built Tishomingo State Park.

One of the metal figures was placed at the entrance to the park on old Mississippi 25 in 1939. This one was apparently stolen sometime in the 1960's.

The other two figures were erected in Corinth—one at the intersection of Polk and Main Streets and one at the intersection of Highways 45 and 72. The one at the Polk/Main intersection was hit by a truck. The one remaining figure, along with its rock pedestal, was moved back to the park a couple of years ago.

The figures were originally drawn by Irby Buntin and were handmade by Ernest Clausel, Chief blacksmith at the CCC, using grinders, chisels and hacksaws.

The picture above, made in the 1960's, is of Sue Gist, along side the Hwy. 25 Indian. Sue and her husband Joseph, who lived out of state for many years, have retired and moved back to the Tishomingo area. They found this picture and had it enlarged so that they could donate it to the Tishomingo State Park Museum. The Gists are interested in finding out if anyone might know what became of the figure that is pictured here and was taken so long ago.

Couples Honored With Barbecue

Ray and Beverly Hickox are pleased to announce the engagements and approaching marriages of their two daughters, Wendy and Mindy Hickox. On July 1, 1995, a barbecue was held at their home at RR, Tishomingo, MS to celebrate these engagements.

Mindy Hickox will marry Brad Phifer on August 19, 1995. Brad is the son of Donnie and Sheila Phifer of RR, Tishomingo, MS.

Wendy Hickox will marry Chris Trickey on October 21, 1995. Chris is the son of Pete and Lucie Trickey of RR, Iuka, MS.

There were forty-five friends, family and neighbors present at this gathering. Among those present were special guests, Mr. and Mrs. Donnie Phifer and their children Chuck and Donica; Mr. and Mrs. Pete Trickey; and the prospective brides' grandparents Mr. and Mrs. Wayne Hickox of Flora, Illinois.

25 Year Class Reunion August 6th

Tishomingo High School class of 1970, will have their 25-year reunion August 6 at 2:00 p.m. at Tishomingo State Park, Pavilion #2. All classmates, friends and teachers are encouraged to attend. Everyone is asked to bring some sort of "snack food" for refreshments. For more information contact Susan Parsons Mills at (601)286-5832 or (601)287-4727, or D.J. (Danny) Whitehead at (601)286-2500.

Political Rally At Tishomingo - July 29th

A political rally will be held at Tishomingo Middle School Campus July 29th beginning at 11:00 a.m. Tishomingo Volunteer Fire Department will be serving barbecue plates, sandwiches or by the pound.

Bring your lawn chair and come out and hear your favorite candidate speak. While listening to the speaking enjoy some good food and take some home to enjoy later.

DONNA HENRY DILL for CIRCUIT COURT CLERK

I am interested in our county and our people. I am actively involved with the Northeast Mississippi Community Services where I currently serve on the Board of Directors. In 1994, I served as chairperson for this agency which serves six northeast Mississippi counties. I am currently serving as Vice-President of the Pilot Club of Iuka which is a volunteer service organization of professional leaders

working together to improve the quality of life in their communities. I am an active member of the Burnsville Area Chamber of Commerce where I have served on the Board of Directors in 1993 and 1994. Some of the achievements of this organization are to help finance different organizations in our local school, to provide a scholarship to a deserving senior of our county, to help with industrial development, and to provide a variety of family entertainment to the community.

On August 8, elect DONNA HENRY DILL, CIRCUIT COURT CLERK, someone who has already proven her interest and desire to work for her county.

Your vote, support, and influence will be greatly appreciated.

Thank You.

INDUSTRIAL DEVELOPMENT

For the past eight years, I have been very involved in industrial development. I have traveled across Mississippi and into our neighboring states spreading the news about northeast Mississippi and what we have to offer. I have always stressed that our work force is second to none. Within the past three years, I have worked with local and state officials, and DECD in seeing over \$3 million invested in our industrial parks. I met with Designer Homes nine times in the last six weeks to make sure they chose Tishomingo County to invest their money and create 200 jobs. The state has a good industrial plan, but something more is needed. By taking the extra revenue the state now has, and requiring counties to match these revenues, they can offer a revolving loan to new in-

dustries. The interest on these loans would be determined by the pay scale. The higher the wages, the lower the interest. What better tax break could working Mississippians receive than the creation of higher paying jobs?

QUALIFICATIONS

I owned and operated my own construction company for several years. For the past eight years I have served as county supervisor, the last four years as president of the board. There are no better qualifications for your next State Representative than a proven background in business and county government.

When you come to the office to handle your business I will be there up, waiting and ready to serve you. If you have any questions, I'll be more than glad to sit down with you, because this office is your office and I'll be working for you.

You will be treated with the respect that you deserve when you come to the office.

As your Tax Collector I will be ever mindful of your trust and the responsibility placed upon me and I will always conduct myself in a manner worthy of that trust.

I will be a honest and full time

elected official dedicated to you the people of Tishomingo County.

Lynn Harris wants to serve the people of Tishomingo County, and bring better service to the Tax Collectors Office.

I ask that you consider my experience while making your decision as to who you elect as your Tax Collector. I hope to see as many of you as possible but if I should miss you please consider this my personal request for your vote, support and influence.

So on August 8, I'm asking you to elect me as your Tax Collector of Tishomingo County. Thank you and God bless you.

would like to help us maximize our county's resources to achieve that growth.

This office, the tax assessor, is very important to the well being of the county and it's citizens. I will perform the tasks and responsibilities associated with this office with honesty, fairness and respect; with only the tax payer in mind.

staff to make the transition as smooth and uncomplicated as possible.

The Office of Tax Collector is a very important function, as all monies received, must balance with all monies dispersed, in a honest, professional manner.

My previous experience has included, Purchasing Agent, Wholesale and Retail Sales, Management in the Credit Finance Industry, and Security and Public Safety Management. These positions have all required similar duties as are needed for this office, such as, good public relations, accurate bookkeeping, fair and friendly collection procedures, and honest disbursement of funds. I believe this experience will help me tremendously in dealing with the public, and listening to your concerns and problems. Should you have a problem regarding your taxes in this office, I promise to provide you with all the available infor-

mation used in determining the assessment of those taxes, and if necessary, to confer with the tax assessor to determine if the assessment information on file is correct and accurate. I want you to be satisfied that your taxes are determined and calculated in accordance with the laws and statutes of the county and the state. With your help and support, I believe we can operate this office in a manner as to provide the type of service you deserve.

Those of you that are already supporting me, I wish to express my heartfelt gratitude and appreciation. Those of you that are undecided, I earnestly solicit your help and your vote. I promise to do my level best to make you proud that you supported me for this position.

Thank you, for your consideration, and remember, Vote Carl E. Booker, Tax Collector.

Local Resident Named To Advisory Board

Tishomingo resident Terry Smith has been named to the Freed-Hardeman University Advisory Board. His appointment was approved at a June meeting of the FHU Board of Trustees.

Smith is the minister at the Tishomingo Church of Christ. He and his wife, Kimberly, have one child.

The Freed-Hardeman Advisory Board was formed to assist in the recruitment of prospective students and donors and to promote the annual benefit dinner which is the university's single-largest fund-raiser of the year.

Political Rally At Tishomingo - July 29th

A political rally will be held at Tishomingo Middle School campus July 29 beginning at 11:00 a.m. Tishomingo Volunteer Fire Department will be serving barbecue plates, sandwiches or by the pound.

Bring your lawn chair and come out and hear your favorite candidate speak. While listening to the speaking enjoy some good food and take some home to enjoy later.

Special Services At Mt. Zion

Bro. Jimmy Middleton from Savannah, TN will be preaching Friday night and Saturday night, July 21st & 22nd. The church is located on 365 N. of Burnsville, MS. Services will begin at 7:00 p.m. each night. Everyone is welcome.

Satellite Event Set For Cotton Producers

Cotton producers will benefit from a "Cotton Crop Update" satellite teleconference scheduled for July 20 from 8 p.m. to 9:30 p.m.

The event, sponsored by the Mississippi Cooperative Extension Service, will feature an up-to-date report on this year's cotton crop.

Extension service specialists Dr. Will McCarty and Dr. Blake Layton will answer call-in questions from viewers. Issues concerning current crops, including plants, weeds and insects, will be discussed.

Home satellite dish owners can view the program on Galaxy 6, channel 22. Others wishing to view the event can contact their local county extension office for more information.

Guate '95 Medical Missionary Team Members—Members from the local area who made the trip were [left to right] Theresa Stricklen R.N.; Laura Kitchens, Pharmacy Tech.; Dr. Ben Kitchens; Susan Pendleton, Nurse-Midwife; and Carol Pounders R.N., pictured along with some of their Guatemalan patients.

Area Medical Practitioners Participate In Mission Trip To Guatemala

Dr. Ben Kitchens, his daughter Laura Kitchens and three area nurses, Theresa Stricklen and Carol Pounders both of Iuka and Susan Pendleton of Sheffield, AL, all participated in the Guate '95 Medical Missionary trip to Coban, Guatemala.

The 40 member team also consisted of Ministers, a Pediatrician and several Dentists.

The team met in New Orleans International Airport on June 9th and returned on June 16th. Despite several obstacles including flight through a storm with the aircraft literally struck by lightning twice, the team reports a very successful trip.

Clinic was set up for four days with almost 4,000 patients being cared for. Church services were held nightly and Bible School was held during the day for the children. Approximately 150 gave their hearts to Christ. One thousand Spanish Bibles, 1200 "salvation bracelets", 1200 Gospels of John, and 6000 gospel tracts were distributed. Fifteen thousand prescriptions were filled and almost 300 pairs of glasses were distributed.

The area team would like to take this opportunity to give Praise to our Lord Jesus Christ for a successful trip and our safe return home. We would also like to express our heartfelt gratitude to any who donated glasses, pharmaceutical or medical supplies, financial support, and to all friends, family and fellow Christians who prayed for us while we were gone.

Aldridge Home Destroyed By Fire—The fire, which destroyed the home of Ione Aldridge on Snowdown Road in Iuka, was apparently started by lightning, according to firefighters. No one was home at the time of the blaze.

Lightning Sparks Fires at Iuka Home And Barn

Nursing Home Alarm Activated During Storm

A lightning storm Saturday morning took Iuka firefighters in three different directions as they received calls from Eastport Road, Tishomingo Manor and Snowdown Road.

According to Iuka Fireman Brian Grissom, lightning struck his barn on Eastport Road around 7 a.m. Saturday, July 15, while he was off-duty. Grissom said that he called the Iuka Fire Department then suited up to fight the blaze at the structure which was located near his house. He reported that while fire engines no. 1 and no. 2 were on their way to his barn, a call came in from Tishomingo Manor Nursing Home.

"An alarm, indicating a fire on the roof of Tishomingo Manor, was apparently activated by the lightning," Grissom said. "Engine 2 responded and checked the facility, however, no fire was found. It turned out to be a false alarm caused by the lightning."

At about 7:30 a.m. the Iuka Fire Department received a call from Snowdown Road, the home of Ione Aldridge. According to Grissom, the city's final fire engine responded to the call, followed soon after by the city's other engines. Despite the efforts of Iuka firefighters and also firemen from the Eastport-Mill Creek Volunteer Fire Department, the house was a total loss. No one was at home at the time of the fire.

Homecoming Day At Chapel Hill

Paden News

By: Mrs. Ruth Harp
When we heard the train whistle blow, and the bell ringing Saturday afternoon as it came the excursion from Red Bay, Ala. to Paden it brought memories of a train called "Doodle Bug", or the "Doodle" as it was also called. It was a daily run from Corinth to Paden, Ala. People were not allowed to meet the train on Saturday as they were back in Paden by day and time. When I remember most was in the 1930's. Stanley Shackelford was the ticket agent, and he always had cans of ice cream on hand, and we always looked forward to going to town, if we had our Saturday chores done! Because we were busy doing field work the other days. Young people today can't comprehend how times were. But we were happy and sometime long for the relaxed way of life when we had time for their neighbors.

remained with her grandmother for a week or maybe two! Leigh Anne has a little friend, Chaz Akers, who stays with his grandmother and they really have fun.
Ray Stephens of Huntsville, Ala. and Sissie Parrish of Memphis, Tenn., visited their parents, Scott and Bea Stephens this past week.
Our sick folks in the community seems to be improving. Mrs. Altha Martin was dismissed from her doctors visits until October.

Mr. Marvin Cadle was able to ride around Sunday, and see the train when it made it's way back to Red Bay.

Kermit got a better report from

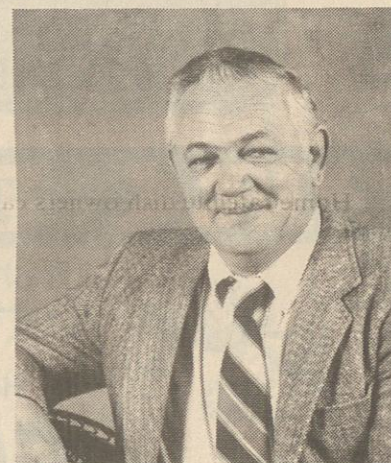

his doctor today. Stopped his treatments for now. He is shown here at his favorite past time, feeding his pet squirrel. He sits in the carport in the mornings and has trained this squirrel to eat out of his hand. Also feeds the birds.

Tishomingo hands down record number of indictments

By JANE CLARK SUMMERS
Daily Journal Corinth Bureau

IUKA - A total of 37 indictments, involving 57 offences and 33 defendants, were reported by the Tishomingo County Grand Jury this week. "To my knowledge, that is a record number for Tishomingo County," Assistant District Attorney said Friday.

" This does not represent an increase in crime in Tishomingo County, but an increase in effective law enforcement," he said. Richard Dobbs and others on the sheriff's staff are to be commended for such apprehensions of felons and the investigation of the cases that lead to these indictments.

Mr. & Mrs. Ezekiel Bugg To Celebrate Anniversary

Ezekiel and Vada Bugg will be honored on their 60th Wedding Anniversary Saturday night, the twenty-second of July, nineteen hundred and ninety-five on the General Jackson with dinner in Nashville, Tennessee. The event will be hosted by their children, Lillie Mae Helton, Carlton Ray Bugg, Jimmie Wayne Bugg and James Harold Bugg.

night for their July picnic meal. There were 10 present and they all enjoyed it much. After the meal there were picture making and fun from the club in surprising Johnnie Strickland with a gift for Nursing graduation. She thanks the club much and was very happy of the gift. Katie Strickland was also present.

Amanda and Kala Cox spent Friday and Saturday night with grandparents Dennis and Willa Dean Cox.

The Tishomingo Church of Christ had a good crowd for Saturday Bible School. The children that attended had a good time.

I understand that Mid-Way had a great crowd at their speaking last Saturday. With plenty of delicious barbecue on hand as well as other eats. Mrs. Lois Bolton, Mr. and Mrs. Dock Champion attended and enjoyed themselves.

Children are beginning to go to camp for their weeks stay away before going back to school and I'm saying don't know where the summer has gone it will be school days again right around the corner. We have (4) grandchildren at Maywood at Hammlton, Ala. this week Michael and Michelle Strickland, Katie and Chad Strickland a good number from Liberty is there. They all really look forward to a week there every summer.

Sunday afternoon Shirley Ann and Edward Thorne, Eva Mae Strickland and Opaline Crouse visited in our home John B. & Willard Strickland later in the afternoon. John David Strickland came by.

Visiting Mr. and Mrs. Bobby Wayne Thorn in Florence on Saturday afternoon were Mr. and Mrs. Keith Newton, Ashley and Shelby of Birmingham, Mr. and Mrs. Tim Balentine of Tusculumbia, Mr. Neal Howard of Cherokee, and Mr. Edward Thorn and Shirley Ann, Opaline Crouse and Eva Mae Strickland of Tishomingo.

Blood Drive Scheduled For Iuka Community

United Blood Services, the area's non-profit community blood provider will conduct a summer blood drive on Friday, July 21 from 11:30 a.m. to 4:00 p.m. in the Iuka Hospitals education meeting room. The drive is coordinated by Julia Parsons.

Summer brings vacations, fun and activity. Summer also brings an increase in accidents from automobiles, jet skis, horseback riding and a host of other fun but sometimes dangerous outdoor recreations.

United Blood Services provides hundreds of units of blood to area hospitals every week. North Mississippi Medical Center in Tupelo is the primary blood user, consuming some 45 or more units per day. Twenty other hospitals in the area rely on UBS for their blood and blood products on a routine and emergency basis.

"Summer blood donors are usually a little hard to find," says Janice White, the UBS Community Relations Representative for the Iuka/Tishomingo area. "We depend on schools and factories during most of the year,

but when summer comes, most of the factories are too hot and schools are out, leaving it up to churches and community groups to host blood drives. It goes without saying that donors are scarce, but blood users are plentiful." Mrs. White encourages any group who thinks they can have a blood drive with 25 or more people to give blood, please call her at 1-800-844-8871.

Any healthy individual, 17 or older who weighs at least 110 pounds can donate blood if they pass certain donor qualifications. "Giving blood is a very heartwarming experience, and most people say it makes them feel better, I don't know if that's physical or just a feeling of well-being. Whatever the reason, I need for all eligible donors to drop by Tishomingo Health Services and give the Gift of a Lifetime!"

Tishomingo News

By: Mrs. Willard Strickland

Mrs. Mary Powers is back in the hospital very sick. Poor Mrs. Mary spends a lot of her time lately in hospitals. Send her your best wishes and pray that she will soon be better.

Sorry we didn't know Mrs. Mattie Fae Edmonston was in the hospital last week. But proud

she's home and doing better.

The Tishomingo American Legion Post 144 & Aux. will have a regular meeting at Mack's Deli & Restaurant Thursday night (tonight) July 20th at 6:30. All members please be present.

The Tishomingo Homemakers all met at Boat Motel on Friday

Thorne, Opaline Crouse and Eva Mae Strickland enjoyed eating at Ryan's in Florence on Saturday night for Shirley Ann's Birthday.

Visitors in the home of Elder and Mrs. Warren Kennedy last Friday evening were her cousin Odell Sanderson and wife from Muscle Shoals, Ala.

On Saturday morning the Kennedys went to Savannah, TN where their church was having their annual two day meeting on Saturday and Sunday. On Sunday evening they visited from the church Mr. and Mrs. Denver Franks, which was not able to attend church, also Mrs. Betty Reed from the church went with them and on their way they stopped by Mrs. Reed's house. They enjoyed the weekend very much.

Kenneth Arnold filed the first official flying saucer sighting, June 24, 1947, while flying near Mt. Rainier.

Tishomingo County Voters
All Streets and County Roads
Tishomingo County, MS

Dear Voter,

On August 8th you will go to the polls and vote for the candidate of your choice for Circuit Court Clerk. You will want someone whose qualifications match the requirements of the office, someone you can trust, someone who is hardworking, someone who is sincere and someone who cares about the citizens of Tishomingo County.

I have spent my life conducting myself in such a way as to ensure my total trustworthiness. My Christian beliefs guide me in this daily. Since becoming a teenager I have known no life but hard work. Sincerity, like trust, is a personal trait one must cultivate and demonstrate throughout life. My work with Junior Auxiliary is a token example of my care for the people of Tishomingo County.

Let me demonstrate these qualities as your next Circuit Court Clerk. Please consider my qualifications and elect me as your next Circuit Court Clerk.

Sincerely,

Bobbie Sue White

Miss Joni Grimes & David Arnold
Exchanged Vows June 23rd

Joni Grimes and David Arnold are pleased to announce their marriage which took place on June 23, 1995. They began their life together in a lovely outdoor wedding in the Altoona Park in Atlanta, Georgia, with Bro. Rudy Ross officiating the ceremony.

The family and friends of the bride attending the wedding were Juanita Grimes, her grandmother of Burnsville, Doris Lambert of Burnsville, Roberta Compton of Burnsville, Kim Mayhall of Burnsville, and Kim Bobo of Burnsville.

The family and friends of the groom attending were his mother, Carol Berryman, of Iuka, his paternal grandparents, Talmadge Arnold and Bonnie Arnold of Cartersville, Georgia, maternal grandmother Ethelene Brewer of Memphis, TN, his uncle Tim Arnold of Georgia, his sister, Angie Smith, brother-in-law, Wade Smith and nephew Devan of Georgia, great uncle and great aunt, Bob and Rejetta Strickland of Nashville, Tom Bandy of Georgia, and David Malone of Georgia. Joni and David will make their home near Atlanta, Georgia.

Hunter Richard Michael Pounders

Roger and Mechelle Pounders of Iuka, MS are proud to announce the birth of their son, Hunter. Hunter was born on April 9, 1995 at Women's Hospital in Tupelo, MS. He weighed 8lbs. 14 oz. and was 19 3/4" long.

Hunter was welcomed home by his big brother, Tanner. Grandparents are Monroe and Dianne Rast, Noel and Sandra Pounders, Bill and Lola Branum all of Iuka. His great-grandparents are Budd Erlene Crowe of Corinth and Alfa Mae Rast and Marvie Pounders of Iuka.

Tishomingo Homemaker Volunteers Club Enjoy Eating Out

The Tishomingo Homemaker Volunteers Club met in Tishomingo on Friday night, July 14, and from there traveled to the Bellis Motel in Savannah, Tennessee for an evening of good food and fellowship.

After everyone had ordered from the menu, Mrs. Johnnie Strickland, president, read the thought of the month: "Each of us is a one-of-a-kind creation. Therefore, it will always take time--often a long time--to understand one another."

Club members were encouraged to attend the county-wide outing at Pickwick Landing Restaurant on July 22.

Final plans were made by the club members to assist the Tishomingo Fourth District Volunteer Fire Department with the Political Speaking in Tishomingo on July 29.

Ms. Shirley Thorne and Ms. Eva Mae Strickland participated in the Dairy Contest on June 10 at the Midway School, and we extend congratulations to Eva Mae for winning a red ribbon on her Fudge Cake.

After everyone had their fill of fish, steak, chicken, or ham, the highlight of the evening came

when Ms. Eva Mae Strickland, vice president, presented Johnnie with a graduation gift from the club. Needless to say, Johnnie was very surprised and tearful when she opened the card and found a hundred dollar bill. Everyone expressed their congratulations to Johnnie upon her graduation from L.P.N. school and also completing a course in E.M.T. simultaneously.

Upon leaving the Motel, everyone enjoyed viewing the beautiful scene of all the lights shining on the water.

Everyone arrived back in Tishomingo, reporting an enjoyable evening.

Others to enjoy this special occasion, not already mentioned, were Mrs. Willard Strickland, Ms. Louise Puckett, Mrs. Gail Strickland, Mrs. Kathy Byram, Ms. Michelle Strickland, Mrs. Kay Jerden, and Ms. Shirley Thorne. Also joining in the fun was "Little Ms" Katie Strickland.

Anyone, regardless of age, sex, race, or color, is invited to come meet with us at our next meeting on Thursday night, August 10, at the home of Mrs. Kathy Byram. We would love to see you there!

Progress, therefore, is not an accident, but a necessity. It is a part of nature.

-Herbert Spencer

Iuka High School Class of 1950 Holds 45 Year Reunion—The Iuka High School Class of 1950 held their 45 year reunion June 3, 1995 at the Southern Style Restaurant in Midway. Sixteen class members were present. Everyone had a good time recalling old times and events during their school years. A special time was held in memory of Eva Mae (Kinard) Hobbs, Joe Gurley and Kathryn (Carson) Sicola. We would like to thank the Southern Style Restaurant in Midway for a fine meal and their wonderful service to us. Those attending were (front row) Laura Lou Thomas, Keigwin, Frances (Martin) Weaver, Frances (Hudson) Dexter, Dorothy Jean (Smith) Guber, Jimmie (Dexter) Hampton; (second row) Leroy Jean, Johnnie Faye (Aldridge) Rafferty, Mary Ann (Biggs) Shoaf, Jean (Grisham) Tigner, Mary Louise Biggs, Travis Brackeen, Leon Seago; (third row) Harry Rafferty, James Calvin Lard, Gerald Thomas, Clayton Earl (Pete) Hobbs.

Letters to the Editor

It is election year again and the candidates are now getting wound up in high gear. Have you ever noticed how every candidate acts as if they are miracle workers telling what they will or won't do, but when it's all over and the dust has settled and the mud has been washed off, the losers become themselves again and the winners are only do what the law or budget will allow.

I wonder why every time an elected official gets into trouble in office every Tom, Dick, and Harry will run for that office the next election year? There needs to be more strict qualifications that one must meet to qualify to run for an office. The persons interested in a public office should have a degree from an accredited institution of higher learning in the field relating to the position which they want to fill. They should be given a written general knowledge test and go before an election committee appointed by the State to be quizzed on how knowledgeable they are on the office for which they are seeking. They should also be presented with certain situations that may

arise in that office to see how each one would best handle the problem. The only persons scoring a percentage on the entire test should then be allowed to seek elections for that office.

I have spoken with two candidates for sheriff that I definitely would not want in office. One is running down all of us with a college degree, saying we are a bunch of know-it-all smart alecks. He went on to say that he knows as much as anyone with a doctorate degree, but he thinks the word peer is not synonymous with equal, but being better than. He also stated that all people are equal and he is a good as anyone. After listening to him and discovering who and what he really is, I know that I am better than he and so are most other people. The other candidate started bragging to me on how good a Christian he is. I then told him how little respect I have for and the real character of most of the people that go around bragging on themselves.

Most of the people that will vote for the other two candidates running for third district super-

visors are not actually voting for them, but voting against the incumbent for obvious reasons. This is the same as saying we do not want Tishomingo County to improve or progress with the times or with modern society.

We all must admit that Mr. Ryan is an excellent county leader. He knows what the county must do to progress and keep pace with other leading counties in the state. His utmost importance is putting the welfare of the county first and not worrying about making someone mad or losing votes due to a decision made on an issue. He is not two faced nor one to straddle the fence as many politicians so often do. If one straddles the fence, sooner or later their feet will slip off the rail and the fall results in great pain.

When I heard negative criticism on Mr. Ryan or the other supervisors, I went to the board and made them provide to me whether it was fact or fiction. The criticisms were either rumors or the truth twisted and stretched by those in the county and especially the third district who are suddenly not getting their way or realized their political influential powers are failing. This is their childish way to satisfy their ego while trying to maintain a clear conscious. This has not been a political advertisement for Mr. Ryan but the facts on what I

have seen the past term.

The signs and posters displayed throughout the county are very unsightly and distasteful. This shows how much respect and pride the candidates have for the county. I know how tourist feel when they visit or pass through here, because I hate to travel to other states during the election year and see the unsightly campaign posters. When the posters are ruined by rain or if the wind blows them away, and after the election is over with, they are simply left to litter the roadsides. If a candidate has a poster on highway property, they can no longer consider themselves a law abiding citizen, because it is now against the law to litter the highways. The cards being dispersed by the candidates are nothing

more than something to help fill file 13 (trash can). The posters and cards are benefiting the printers more than the candidates. If a candidate wants voters to know who he or she is, let them pay advertisements in the local papers and buy air time on the radio, or make all of the political speakings and keep their litter to themselves.

Well, I guess that I had better get out of here. I think I smell a politician sneaking up behind me now!!

Jr. McKee

P.S. That was only my bull coming up behind me and defecating.

Burnsville Area Chamber Of Commerce

The Burnsville Area Chamber of Commerce met July 10, 1995 at the Chamber of Commerce building at 7:00 p.m.

The meeting was called to order by president Hoyt Strickland. The invocation was given by Harvey Pendergrast.

The committee reports were given.

Jennifer Lovelace reported that the arts and crafts and games were successful at the Waterway Festival.

Harvey Pendergrast reported

that Designer Homes has announced that they will locate in the Industrial Park. The factory behind Darwin seems to be doing well.

Alvia Blakney reported that the Waterway Festival was a huge success due to the combined efforts of everyone. He thanked the various people who made the Waterway Festival successful.

Vice-president Shirley Kennedy gave an update on the Indian Gathering. The date is set for October 14-15 in Burnsville, MS. The next meeting of the Indian Gathering will be held August 10, 1995 at the Chamber of Commerce building.

President Hoyt Strickland thanked everyone for their hard work and support for the Waterway Festival. He stated that he had received a lot of comments on how well everything was organized.

Hopkins ~ Rushing To Exchange Vows August 12th

Jerry and Barbara Hopkins of Lewisville, Texas wish to announce the engagement and forthcoming marriage of their daughter Amy to Brian Rushing, son of Jerry and Dale Rushing of Iuka.

The bride-elect is the granddaughter of Dexter and Marie Philbin of Iuka and Betty Rider of Pocatello, ID and the late Gerald Hopkins.

The prospective groom is the grandson of Edward and Ola Mae McRae of Tishomingo and the late Lee W. Rushing, Jr. and the late Carrie and Thelma Hammock of Red Bay.

Amy graduated from Lewisville High School in 1992 and is presently a student at Northwest Community College in Southaven, MS where she is majoring in physical therapy.

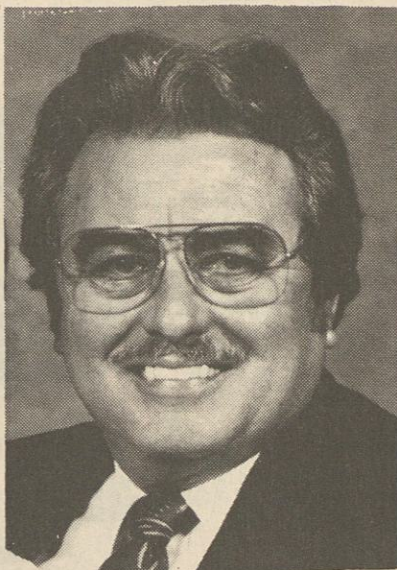

Brian is a 1989 graduate of Tishomingo High School. He is employed as an electrician through I.B.E.W.

The couple will exchange vows at 6:00 p.m. Saturday, August 12, 1995 at Iuka Baptist Church.

All friends and family are cordially invited to attend the ceremony and also the reception that will follow in the church's fellowship hall.

Following a Honeymoon trip to Cancun, Mexico, the couple will reside in Memphis, Tenn.

Hubert Lambert, Candidate For Sheriff

I, Hubert Lambert, would like to re-announce to you my candidacy for Sheriff of Tishomingo County.

I am a life-long resident of Tishomingo County.

I thank the Lord that I'm able to say to each of you that I am a Christian man and I have a Christian family.

I have gone to just about every house in Tishomingo County and I want to extend my sincere thanks to each and everyone of you for the friendship and kindness shown to me. It was a great privilege meeting and talking to each of you. Those of you I didn't get to see, I left a letter telling you the platform that I am running on for Sheriff.

Having had twenty years in law enforcement, I feel I have the experiences behind me for the job. I have been to the police academy at Pearl, MS and I worked for Parchman Penitentiary for eight years. I attended Northeast

Mississippi Community College where I studied law enforcement. For these reasons I feel that I am fully qualified to uphold the responsibilities of Sheriff.

I am a working man and I have worked all my life. I will work for you, protecting you and your property.

I despise drugs because I have seen the broken hearts of parents and the abuse and neglect of innocent children as the result of drugs, not to mention the violence and robberies associated with drug use.

To work with the problem of this matter, we've got to stop the dealers, and I can assure you that if I am elected I will do everything in my power to see they are caught and they will not buy their freedom as they have in the past. I know as you know that this cannot change overnight but I will promise you, if elected this will be my top priority. My greatest concern is protecting and serving the people of Tishomingo County. In the unfortunate event of a death the funerals will be escorted and the homes of the bereaved family will be protected while they are attending the funeral and any other reason they may have to be away.

Friends, if you've lived in Tishomingo County as long as I have then you know what kind of shape our county is in and has been for some time.

I'm asking you, if you want a change for the better vote for Hubert C. Lambert for Sheriff when you go to the polls. I thank each of you and may God bless you.

Sardis Church News

By: Mrs. Ova Reno

Irish saying spotted in a Killarney shop: "Get down on your knees and thank God you are on your feet. (copied)

Herman is much, much better, it is a miracle. We give God all the praises, honor and glory. He is still not able to go to church, but hope to be soon.

"Reaching the City" was the subject of our Sunday School lesson. Text: Acts 17:15-23, 32, 34. Paul and his helpers entered Athens to find the entire city given over to idolatry. They even had an altar inscribed TO THE UNKNOWN GOD. Paul took this as his sermon and preached unto them Jesus and Him crucified. If he had preached on anything else they would have killed him. It is very important to witness to everyone, but to reach more people go to the cities, the news will ripple as the waves and be ever widening out. "Go where the people are Acts 17:15, 17. "Go where there is need". Acts 17, 16. "Go where the leaders are". Acts 17:17-19. Reach people of political influence" Acts 13:7. "Reach people of religious influence". Acts 17:22. Read Acts 17:22-31. Also Acts 6:7. "Reach people of educational influence". Acts 19:10 "Go with a clear message". Acts 17: 22-31. Read Matthew 10:19. "Go expecting various responses" Acts 17:32-34.

Devotional: "Compassion for a City." Matthew 23:37-39. Verse 37. Jerusalem, Jerusalem thou that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under her wings, and he would not". Haven't you heard this before? Can you picture Jesus standing with outstretched arms toward this wicked city and

no one cared? How about you?

Herman's out-of-State visitors have been a first cousin, Dorothy Russell, of Cherokee, a World War I buddy, Ben and Polly Bretherick, their son, Ben, Jr. and Charolette Bretherick, all from Florence, AL.

We received a telephone call from Herman's sister in Ken-

tucky, Elnora Singleton, she will be coming down soon.

My first cousin Faye Norris and family from Nauvoo, AL called Sunday. They were all ok. My sister, Jean Elkins, called from Lombard, IL. She said it had been so hot up there and they desperately needed rain. Said her garden stuff was just getting big enough to eat.
We still need your prayers.

TCHS Cheerleaders Chosen As UCA All-Stars

Three TCHS Cheerleaders recently received honors at UCA Cheerleading Camp at Ole Miss during the week of June 14-17.

Jennifer Dees, Tiffany Hester and Sheree Meeks were named "UCA ALL STAR". The universal cheerleader association holds try-outs each year at the conclusion of the camp to select the group of girls to be honored as "All Star".

The trio has been invited to London, England, to participate in the New Year's Day parade.

Tiffany and Sheree will share captain duties this year for the football squad at T.C.H.S. while Jennifer will be captain of the basketball squad.

The girls, all seniors, have joined a very select group of individuals who have displayed outstanding talent in all major aspects of cheerleading. The girls would like to thank Ms. Joyce Key, cheerleader sponsor, for her hard work and dedication to both squads and to say, "We Love You!"

Congratulations, Jennifer, Tiffany, and Sheree from your school, squad, family, and friends. We are extremely proud of your accomplishments.

1995 Braves Pride Basketball Camp July 24-28

The 1995 Braves Pride Basketball Camp is planned for July 24-28 at Tishomingo County High School.

Boys' ages 9-15 are invited to attend the camp from 8 a.m. - 12 noon each morning to learn about basketball fundamentals and then return each evening from 6-10 p.m. for team games.

Areas covered in the camp will include shooting, dribbling, passing, defense, blocking off the board, one-on-one, free throw shooting, spot shooting and five-on-five competition.

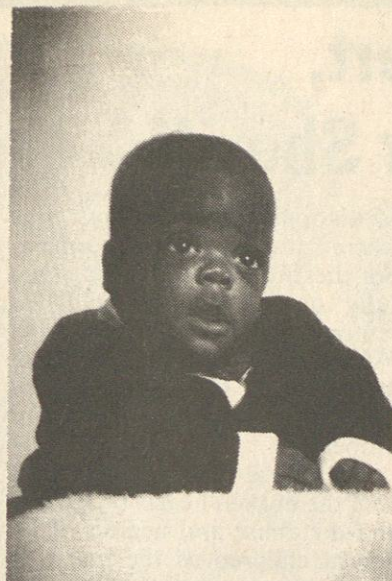

Cost of the camp is \$75.00. Each camper will receive a trophy. In addition to these trophies, special trophies will be given in the areas of one-on-one winner [best record], free throw [best percentage], hot shot, defense, offense & sportsmanship.

To attend, please complete application below, include a check or money order for \$75.00 and mail it to either Herman Coats, 1700 Pine Lane, Iuka, MS 38852 or Gary Beals, 201 Pickwick Circle, Iuka, MS 38852.

For more information call Coach Coats at 423-1635 or Coach Beals at 423-1125.

Happy 1st Birthday July 23rd Jonathan Zane Southward "A Miracle"

You being a miracle for us all year long - for you cause us to pray together and "that's a miracle alone".

God being good to us because He kept you with us—a pound and 13 ozs. He could have took you on home.

But He let you stay with us to protect and to love.

That's why you're a miracle, you were sent from the Man above. All Your Family

Final Request For Iuka Area Host Families

Foreign high school students are scheduled to arrive into the Iuka area for academic program homestays, and the sponsoring organization needs a few more local host families.

According to Pacific International Exchange (P.I.E.) Executive Director, John Doty, the students are all between the ages of 15 and 18 years, are English-speaking, have their own spending money, carry accident and health insurance, and are anxious to share their cultural experiences with their new American families. P.I.E. currently has programs to match almost every family's needs, ranging in length from a semester to a full academic year, where the students attend local high schools.

P.I.E. area representatives match students with host families by finding common interests and lifestyles through an informal in-home meeting. Prospective host families are able to review student applications and select the perfect match. As there are no "typical" host families, P.I.E. can fit a student into just about any situation, whether it be a single parent, a childless couple, a retired couple or a large family.

Families who host for P.I.E. are also eligible to claim a \$50.00 per month charitable contribution deduction on their itemized tax returns for each month they host a sponsored student.

For the upcoming programs, P.I.E. has students from Spain, Germany, Poland, Russia, Finland, Argentina, Brazil, Colombia, Paraguay, Australia, New Zealand, Croatia and many other countries. P.I.E. has also been invited to participate in a

Tishomingo County 14- & 15-Year Old Babe Ruth All-Stars—The Tishomingo County 14- & 15-year old Babe Ruth All-Star Team finished 2nd in the Mississippi District 1 Babe Ruth Tournament held last year at the Tishomingo County High School Baseball Field. The team defeated Corinth, 23-21, & Ripley during the first night of play. However, the Tishomingo County team lost to Corinth, the following two with scores of 5-4 & 6-2. A special thanks to TCHS Coach Jerry Long for the use of the field and Chris O'Connell for announcing during the tourney. special government-funded program to bring scholarship students from the Newly Independent States of the former Soviet Union to the United States. P.I.E. is a non-profit educational organization that has sponsored more than 18,000 students from 40 countries since its founding in 1975. The organization is designated by the United States Information Agency and is listed by the Council on Standards for International Educational Travel (CSIET), certifying that the organization complies with the standards set forth in CSIET's Standards for International Educational Travel Programs.

Doty encourages families to contact the program immediately, as it will allow the proper time for the students and hosts to get to know one another before they actually meet for the first time.

Iuka area families interested in learning more about student exchange or arranging for a meeting with a community representative may call P.I.E., toll-free, at 1-800-631-1818. The agency also has travel/study program opportunities available for American high school students as well as possibilities for community volunteers to assist and work with area host families, students and schools.

Gossip speaks for itself - its Gossip, but Rumor has it, that I have talked about a Coroner's case to a person or persons outside of family and agencies involved. Let me take this time and space to say - I have talked to NO ONE, nor do I discuss Coroner's cases with anyone except the Departments involved and family members. So, if you-the reader-hear someone say - well the Coroner told me so-in-so - Ask that person are you a family member or are you involved in said case - or better yet ask me if

Facts About The **BIBLE** BY JOHN LEHTI

SAFETY IN FORTIFICATION

IN BIBLICAL TIMES PEOPLE ONLY FELT SAFE WHEN THEY HAD THE WALLS OF A TOWN STRONG ENOUGH TO WITHSTAND THE ONSLAUGHT OF RAPACIOUS ATTACKERS. WALLS SOMETIMES SEVENTY OR A HUNDRED FEET IN DEPTH WERE KNOWN TO EXIST. GATEWAYS WITH STRONG TIMBERS THREE FEET THICK WERE NOT UNUSUAL. ALSO DOUBLE WALLS WERE QUITE COMMON. ONE CAN IMAGINE THE CHAGRIN OF THE ATTACKING FORCES WHO HAD FINALLY MANAGED TO PUNCH A HOLE IN THE WALL ONLY TO REALIZE THAT A SCANT FIFTY FEET MORE THERE WAS ANOTHER WALL TO BE PENETRATED! NO WONDER, WHEN MAKING AN OATH, PEOPLE OFTENTIMES WOULD SWEAR BY THE TOWERING WALL OF THEIR NATIVE HOMESITE.

THIS DEVOTIONAL & DIRECTORY IS MADE POSSIBLE BY THESE BUSINESSES WHO ENCOURAGE ALL OF US TO ATTEND WORSHIP SERVICES.

Rites Held For Charles R. Stephens Jr.

Charles R. Stephens Jr., a former director of chemical research at Pfizer, Inc., who was among world leaders in tetracycline antibiotic research, died Friday, June 30 at this home in Niantic, Conn. after being ill for about a year. He was 72. Mr. Stephens, a resident of East Lyme for many years, went to Pfizer's Groton plant in 1950 as the first research chemist assigned there after it opened. He retired in 1983 from Pfizer Central Research. In the 1950s and early '60s, he led the team of scientists that discovered and patented the antibiotic doxycycline (Vibromycin), which has had extensive worldwide use and is regarded as one of the most effective treatments for Lyme disease. Mr. Stephens was assigned in 1962 to Pfizer Chemical Research where projects under his direction resulted in several currently marketed food additive products including flavoring agents, low-calorie bulking agents and a high-intensity sweetener. Mr. Stephens worked in both the pharmaceutical and chemical research divisions and was the author and co-author of many scientific publications. He joined the company on October 17, 1949 as a chemist. He became a group supervisor a short time later. During World War II, Mr. Stephens worked at the Oak Ridge National Laboratory in Oak Ridge, Tenn. which produced material for the first atomic bomb. He was also in the Navy during the war, serving as lieutenant j.g. on an anti-submarine vessel in the Pacific Theater. He was born December 30, 1922 in Burnsville, Miss., the son of Charles R. and Rhoda Haney Stephens. His maternal grandparents were Dr. T.P. Haney and Martha Gist Haney of Iuka. He was the great grandson of W.M. Gist who served as the mayor of Iuka in the late nineteenth century. He graduated in 1943 from Mississippi State College with a bachelor's degree in chemistry and physics. After the war, he attended the University of Minnesota where he obtained his doctorate in organic chemistry in 1949. Mr. Stephens took an active interest in his community. He was a member for more than 20 years of the East Lyme Zoning Commission, serving as chairman and secretary. He also served for decades on the finance committee of Flanders Baptist and Community Church, of which he was a member. He is survived by his wife, Doris Friars Stephens; his former wife, Patricia Eches Stephens of New London, Conn.; a son, Charles R. Stephens 3rd of New York City; a daughter, Kathleen Krishnan of St. Paul, Minn.; a brother, John Taswell Stephens of Cincinnati, Ohio; three sisters, Elizabeth Nagle and Edith Sparkman, both of Huntsville, Ala., and Martha Leigh Smith of Brooksville, Fla. Mr. Stephens is also survived by three grandchildren. He was predeceased by a daughter, Suzanne Combellick. The funeral service was held on Saturday, July 8, at Flanders Baptist and Community Church in East Lyme, Conn.

Services Held For Mrs. Mattie McCarty

Mattie Louvina McCarty, 88, died Saturday, July 8, 1995, at the Daniel Nursing Home in Fulton. She was a native of Texas and a member of the First Baptist Church in Wells, Texas. She was a homemaker and the widow of William Andrew McCarty. Services will be at 10 a.m. Thursday at First Baptist Church in Wells, Texas, with the Rev. Michael Reese officiating. Burial will be in Russell Cemetery. Gipsen Funeral Home in Lufkin, Texas was in charge of the arrangements. Survivors include one son, John McCarty of Belmont; three brothers, Homer Beasley and Harold Thomas, both of Keltys, Texas, and Thomas Beasley of Alexandria, La.; five grandchildren, three great-grandchildren.

Thank You

The family of Alfred Franklin Bonds would like to thank all the friends and relatives who gathered at Harmony United Methodist Church to honor him on July 11, 1995. We especially thank those who prepared food, those who called, visited and prayed for Franklin during his illness and death.

We appreciate the kind words of comfort by Rev. Jimmy Daniel and Rev. Jim Mize. We thank the Cutshall Funeral Home for their services, especially Jackie Grissom for his kindness to us in Memphis and Iuka.

Our special thanks to the pallbearers: Tim Bonds, Don Bonds, Monty Bonds, Mike Smith, Harold Skinner, Bruce Wildman for their services. To the Daniel girls for their lovely song we give our love and thanks.

May God bless each and every one of you for the love and kindness shown to us during the loss of our loved one.

All Day Singing At Boggs Chapel

There will be an all day singing at the Boggs Chapel United Methodist Church on Sunday, July 23, beginning at 10 a.m. Lunch will be served at noon, and the singing will resume at 1:00 p.m.

The pastor, Bro. Rowland Hyde, and the congregation invite everyone, especially all singers and piano players.

Singing At Highland Baptist

The congregation of Highland Baptist Church, Tishomingo, would like to invite everyone to our Friday Night Singing, July 28, at 7:00 P.M. We will have a ice cream supper immediately following the singing.

Thank You

The family of Clyde Berryman wishes to express our heartfelt thanks to all our friends and relatives for their kindness shown to us during the illness and death of our loved one.

We thank Doctor Scott Segars and the Iuka Hospital Staff for their services. Thanks to everyone that brought food, and all who sent flowers and your money. Our special thanks to Bro. Aaron Bonds for his comforting words and also to his wife for the beautiful songs and music.

Thanks to the pallbearers and we also thank Cutshall Funeral Home for their services. May God bless everyone is our prayer.
The Clyde Berryman Family

Card of Thanks

The family of Olean Johnson would like to thank the Iuka Hospital, especially the nurses, and all the employees of the Segars Clinic for the many acts of kindness during her illness.

Our special thanks go to Dr. Kelly Segars, Dr. Scott Segars, Dr. Margaret Glynn, Pharmacist Stanley Page, Joe Hussey and Respiratory Therapist Willie Robinson for all their concern and help throughout the past year.

We also want to give our special thanks to the staff of Cutshall Funeral Home for their help to our family during this difficult time.

Card of Thanks

From the depth of my heart I send sincere thanks to everyone that helped in any way when Herman was so very sick. What a wonderful team of workers we had. May God bless you all and keep you in His care. I also want to thank those that gave me fresh produce from their gardens, the cards and telephone calls. But most of all without the prayers of everyone, especially our Church family, Herman would not have improved so much. It was truly a miracle and we give God all honor, glory and praises.

ADVERTISEMENT FOR BIDS

Separate and sealed bids for the construction of Site Prep and Parking Area at the Burnsville Industrial Park, will be received by the Tishomingo County Board of Supervisors, until 10:00 A.M. August 14, 1995, and then at said office publicly opened and read aloud.

The Contract Documents may be examined at the following locations: Tishomingo County Board of Supervisors 1 and Cook Coggin Engineers, Inc., 703 Crossover Road, Tupelo, Mississippi 38801.

Copies of the Contract Documents may be obtained at the office of Cook Coggin Engineers, Inc., P.O. Box 1526, Tupelo, MS 38802 upon payment of \$100.00 which will not be refunded.

The work consists of site preparation and parking area.

The contract will be awarded as an entire job and individual items will not be let for separate work.

Each bidder must deposit with this bid, security in the amount, form and subject to the conditions provided in the Information for Bidders.

No Bidder may withdraw his bid within 90 days after the actual date of the opening thereof.

Simultaneously with his delivery of the executed contract, the Contractor shall furnish surety bonds subject to the conditions provided in the Information for Bidders.

All applicable laws, ordinances and the rules and regulations of all authorities having jurisdiction over construction of the project shall apply to the contract throughout.

Each Bidder is responsible for inspecting the site and for reading and being thoroughly familiar with the Contract Documents. The failure or omission of any Bidder to do any of the foregoing shall in no way relieve any Bidder from any obligation in respect to this Bid.

A conditional or qualified Bid will not be accepted. Award will be made to the lowest responsible, responsive Bidder.

The Owner reserves the right to waive any informalities or to reject any or all Bids.

County Agents Notes

By: Danny Owen, County Agent
PINE BEETLES MAY GET TOUGH THIS YEAR

I was talking with the County Forester recently and he stated that southern pine beetle activity has increased drastically in the county. Reports for the U.S. Forest Service show that numbers have increased in most southern states. Control measures are limited but keep an eye on your timber land. If you have questions, contact the County Forester or the Extension Office.

PASTURES
Now is a good time to soil sample your pastures and apply needed lime. You may think that this is an odd time of the year but lime can be applied without fear of burning plants. If heavy rates of nitrogen were used during spring and summer months then the added lime will offset the increased soil acidity caused by the nitrogen.

CONTROL OF BLACK SPOT ON ROSES

The most important disease of roses, wherever they are grown, is black spot, a fungus disease favored by periods of warm, wet weather. These type conditions commonly occur each gardening season in the mid-South, and gardeners who wish to keep their rose garden the envy of the neighborhood will need to keep black spot under control. Symptoms of black spot begin on leaves as small (about the size of a pinhead), black or dark brown spots which are circular in shape. Larger spots often have a "fringed" or "feathery" margins. Infected areas enlarge over a period of several weeks and may reach one-fourth to one-half inch in diameter. In most cases, however, spots never reach this size, since infected leaflets turn yellow and fall prematurely. Black spot usually occurs on the lower portion of the rose bush first and moves upward as the season progresses. Leaves are most susceptible to infection when young but can be invaded at any point of development during periods when showers are numerous. Control of black spot begins with a year around program of disease prevention: *When watering overhead, do so early in the day so that plants have a chance to thoroughly dry before nightfall. Since moisture on leaves is necessary for infection to take place, this cultural procedure is very important in cutting down on foliage infection. *A regular fungicide spray program throughout the growing season is generally necessary to control blackspot. Any of several fungicides, including maneb, Daconil 2787 (or any fungicide containing chlorothalonil), will provide acceptable black spot control when used according to label instructions. *If only a few leaves show symptoms of black spot, remove and burn them. Remove all diseased leaves from around the plants in the fall and prune out all canes showing black spot lesions before growth begins in the spring.

*Next winter, consider use of a dormant fungicide such as lime sulfur to reduce overwintering black spot inoculum which could cause problems the following spring. *New plantings should be in areas with good air circulation to promote rapid drying of leaves. Also, avoid shady areas and dense plantings where high humidity problems are most likely to occur.

Nursing Assistant Training....

The Northeast Extension Center in Corinth, is offering FREE training in the field of Nursing

for Nurse Assistants. If you are interested in entering the field of nursing, and you feel that being a caregiver is the career for you, entering the Nursing Assistant Program should be your first step.

Students receive both classroom training and clinical training. The clinical training is located in hospitals, home health services, nursing homes, and other locations. This variety of

training prepares the students for careers in the areas they select.

While enrolled in the program, the students receive a travel allowance of \$120.00 each month, plus a child care allowance.

The class meets Monday through Friday, from 8:00 through 2:30 p.m. If you like more information call the Extension Center at 286-8800, the Job Service at 286-3300, or Iuka call 423-9231.
