Systems like the one above can be found at Yellow Creek, Lawrenceburg High School Campus, Columbia State Community College, Colbert County Schools Complex, Belmont High School, Tri-State Education Complex in Iuka; Iuka Hospital, Iuka Library, Tishomingo County Development Foundation, and Mississippi State University in Starkville.

Local residents are curious about the Tri-State Network Demonstration project that is being installed by Mississippi State University throughout the tri-state area. The advanced telecommunication system will provide two-way interactive data communication. The network hub will be at Yellow Creek. The plan is to create the Network Access Software to provide a site plan for the entire Yellow Creek area. Experimenting with the hi-tech unit set up at the Iuka Library are: Frank Thomas (seated), Jerry Bonds, Cathy Milligan, Rosemary Cross, Fredda Sanderson and Dr. Louie Coker.

## Tri-State Network Demonstration Project To Be Explained At Town Meeting

The Tri-State Network Demonstration Project invites everyone in Tishomingo County and the surrounding area to a Town Meeting, planned for Tuesday evening, February 20, 1996, at the Iuka Public Library at 7:00 p.m. A demonstration of the community-based telecommunication network will be provided for all those interested in the advancement of Tishomingo County.

The Tri-State Network Demonstration Project headquartered at Mississippi State University is supporting economic development in Tishomingo County. Funds that support the project are provided by the U. S. Department of Commerce and the Mississippi Department of Economic and Community Development. The Tri-State Network Project is a union of technology, telecommunications, and the public sector. These efforts are possible through organizations that care about the community, such as: Mississippi State University, NASA, Smithsonian Museum of Natural History, and U. S. Naval Meteorology and Oceanography Command.

The project goal is to implement a community-based advanced telecommunications framework, to support economic development efforts focusing upon Tishomingo County. These efforts will enhance the process of community and economic development within the entire Tri-State region. The physical network will be a telecommunications system that provides the general public two-way interactive video communications, two-way interactive data communications, Internet connectivity through local dial-in access, and a gateway to existing Mississippi networks. A prototype for a broad educational network for schools and the community will be established beginning with a direct connection to the Smithsonian National Museum of Natural History in Washington, D.C.

The education and business/industry communities, in addition to the general public of Tishomingo County will be provided with specific training on the use of the network. Training sessions will focus upon uses of videoconferencing, the Internet, and various uses of computer software.

For further information contact the Tri-State Network Office, 1-800-960-7630.

## NEMCC'S FIVE COUNTY TOURNAMENT RESCHEDULED

## Miss Tishomingo County Scholarship Pageant

Christé Rhea Harris, Miss Tishomingo County 1995, will crown her successor on March 15, 1996 at 7:00 p.m. at the Tishomingo County High School Auditorium.

The Miss Tishomingo County Scholarship Pageant, a preliminary to the Miss Mississippi Scholarship Pageant, is open to young women between the ages of 17 and 24.

For additional information and applications prospective contestants are encouraged to contact Terry Shea (423-3153), Barbara Pardue (423-5686) or Beth Davis (423-9543).

## Notice To Those Interested In Babe Ruth Baseball In Iuka

There will be an organizational meeting Thursday, February 22, at 7:00 p.m. at Iuka City Hall for the Babe Ruth League. This league is for all kids that are 13, 14 or 15 years of age and live within Tishomingo County.

This meeting is to elect officers, and to see who is interested in coaching for the '96 season.

Games and practice will be at the Ronnie King Field, located on Old Hwy. 25 North behind Milligan's Concrete.

If you are interested in helping to make this league a success please make plans to be at this meeting. If you have any questions call Jerry Barnes at 423-3849.

## Schools To Make Up Days Missed During Snow

### School Days Extended By 50 Minutes February 19 thru March 8

Tishomingo County Schools will make up five (5) days missed because of the "Winter Storm" of February 1996. Classes were dismissed on Friday, February 2, Monday, February 5, Tuesday, February 6, Wednesday, February 7, and Thursday, February 8.

Three days will be made up on the following dates:

Monday, February 19

Monday, April 8

Friday, May 24

Two days will be made up by extending the school day. The class time will be extended for 50 minutes from Monday, February 19 through March 8. Buses will run fifteen (15) minutes early and arrive home thirty (30) minutes later.

State law requires that school be in session 180 days for children. There were no extra days built into our calendar.

We appreciate your cooperation and assistance.

The Tishomingo County School Board meeting will be at the Vocational Center on February 29th at 5:30 pm.

## Notice Concerning Unpaid Court Fines

According to David Smith, Sheriff of Tishomingo County, persons who have received fines in justice court and have not paid those fines should pay them immediately or face being arrested. Justice Court Judges Willie Joe Sparks and James Blakney stated that warrants have been issued for everyone who has been fined in justice court and who has not made provision for paying it. Sheriff Smith said that his department is prepared to execute those warrants as soon as possible. Anyone having delinquent fines with the Tishomingo County Justice Court is advised to pay those fines immediately.

## "Reduce Your Risk of Future Heart Problems" To Be Offered

February is National Heart Month. Employees at the Iuka Hospital would like to remind everyone to take good care of their heart.

February 29, 1996, at 6:30 p.m. Iuka Hospital will present a program entitled "Reduce Your Risk of Future Heart Problems." The class will include signs and symptoms to report to your physician, when to call 911, how your heart works, and risk factors of heart disease. Call 423-4058 for any questions concerning the class.

Cardiac Rehab is coming soon to Iuka Hospital. Call Dana Walker or Keith Vuncannon at 423-4058 for information.

## Cans, Cans, and More Cans

TCHS FBLA has been hard at work collecting cans for their American Enterprise project. This project is designed to raise money for an Endowment Fund for the school.

Classes are currently having competitions to determine which class will be the "Can Do" class at TCHS.

Community members are also encouraged to donate any aluminum cans they may have to the endowment fund. A community turn-in day is scheduled for one day during the school's spring holidays. Call 423-7300 for any information.

Shown collecting cans are TCHS students Melissa Pounders, Nikki Darwin, Jeremy Biggs, Ricky Lambert, Jessica Perkins, and Katrina Parker.

Once upon a time — Whitney Bowling, daughter of Wayborn and Debbie Bowling, entered the world of fantasy and make believe at the Iuka Public Library Storytime. Whitney is getting ready to attend the Jack and the Beanstalk storytime as she climbs through the Magic Bean Tree. The storytime is planned for children ages 6 thru 9, Saturday, February 17 at 10 a.m. Attendance will be limited to 45 children. Some activities planned include building a giant's castle, planting magic seeds, stories, a "jelly bean" contest, and refreshments. Call the library and register your child. The Friends of the Library are furnishing the supplies and refreshments.

## National Vocational Education Week Celebrated

Students and faculty at the Tishomingo County Vocational Center will observe National Vocational Education Week this week, February 11 - 17, 1996 with a "Teacher Appreciation Tea" sponsored by the FBLA Club on Tuesday, February 13.

Gary Taylor, Vocational Director, states "We want the community to know about the level of training and skills our students gain here at the Vocational Center and to know how vocational education teaches young people the skills they will need to be productive working adults." Vocational education enriches the background of college-bound students by providing future engineers with drafting skills, hotel management professionals with food service skills, and businessmen and women with retailing or computer skills, and health care workers with the medical universal precautions, and so on. It also expands a student's horizons by providing transferrable skills and universal workplace attitudes.

The American Vocational Association has reported that 18 of America's 20 fastest growing occupations require vocational education. In the 1990's, these occupations will demand more than 30 million workers with education of less than a four-year college degree. Nation-wide, employers have found that high school graduates with vocational education are more productive on the job and require less training than students without such education, according to the AVA.

The Vocational Center employs a highly skilled faculty and staff to train students in ten vocational areas.

Gary Taylor - Vocational Director  
Joe Credille - Vocational Counselor  
Jo Carolyn Potts - Special Populations Coordinator  
Eudell Crane - Auto Mechanics  
Donna Hester - Business Computer Technology  
Donnie Wigginton - Air Conditioning and Refrigeration  
Harold Booth - Building Trades  
Wendell Phifer - Auto Body Repair  
Eugene Barnes - Maintenance and Janitorial  
Janette Carr - Vocational Secretary  
Linda Barnett - Vocational Counselor  
Bobby Nelson - Related Studies Instructor  
Jack Alexander - Industrial Drafting  
Margaret Carson - Food Services  
Larry Brown - Metal Trades  
James Melvin - Agriculture Mechanics  
Kathy Cooke - Health Occupations

For more information about National Vocational Education Week and the Tishomingo County Vocational Center, please call 438-6689. Shown are Jack Alexander, Drafting Instructor, with Kerri Cooper and Larry Carlisle.

## Iuka Students To Participate In "TIP"

Kevin Goss (center), Mollie Jourdan (right), and Lily McBride (left) will participate in the Talent Identification Program (TIP) sponsored by Duke University representing Iuka Middle School. To qualify the students must be in the seventh grade and must have scored at the 97th percentile or above on the national norms of the Iowa Test of Basic Skills on one or more of a mathematics subtest, a verbal subtest, or the total composite score.

The objectives of the program are to identify the very bright among our youngsters at an early age; to facilitate the education of these students; to follow and nurture their talent through the critical middle and high school years; and to develop an effective research effort to help understand the nature of academically talented adolescents.

The aim of TIP is to assist youths who have excellent mathematical, verbal, or general intellectual ability by providing them with information about their ability and about educational options that may be beneficial to them. These students must take the American College Test (ACT). Our students took the ACT in February. The results of the ACT will be received by Iuka Middle School and by Duke University. Winners will be announced.

Dr. Scott Segars and Dr. Margaret Glynn discuss the Free Workshops with Sandra Foster of the Iuka Middle School PTA

### Free Workshops For Boys and Girls

The Junior Auxiliary of Tishomingo County is pleased to be able to offer four free workshops for boys and girls of our county ages 10 and up. Mrs. Cissy Cox, Health Educator for the Mississippi State Department of Public Health will show films, conduct activities, and lead small group discussions. Dr. Scott Segars and Dr. Margaret Glynn from the Segars Clinic in Iuka will also assist in these workshops. The purpose is to help children and their parents establish better communication concerning the sometimes sensitive subject of their body's reproductive system and other issues of personal health. All too often children rely on their peers to get this information and their questions are not always answered properly, resulting in a negative outcome.

The workshop times are as follows:

#### BOYS & PARENTS/GUARDIAN

Belmont Middle School Cafeteria - Thursday, Feb. 29 - 6:30 p.m.

Tish. Co. High School Cafeteria - Tuesday, March 5 - 6:30 p.m.

#### GIRLS & MOTHERS/GUARDIAN

Belmont middle School Cafeteria - Tuesday, Feb. 27 - 6:30 p.m.

Tish. Co. High School Cafeteria - Thursday, March 7 - 6:30 p.m.

Refreshments will be served and a free take-home packet will be provided to each parent.

A \$20.00 gift certificate from Wal-Mart will be given away at each meeting and some of the 5th and 6th grade teachers will be giving an extra credit to the students attending the workshops.

### Sardis Church News

By: Mrs. Ova Reno

Many parents are finding out that a pat on the back helps develop character - if given often enough, early enough, and low enough. (Glen Wheeler)

Proverbs 13:24. He that spareth his rod hateth his son: but he that loveth him chastens him.

Well, the long ice storm is over for the time being. Thank God! I almost went stir crazy and when I could get out to go see Herman and asked him if he had missed me, he said "NO".

Matthew 14: 22-23. "Peter and the Storm at Sea". If you have storms in your life, this lesson is for you. I know my storms are not

as bad as some; but it seemed to me if I hadn't had the bountiful help I received from God I would have been pulled under and drowned. I know that God heard the many prayers said in our behalf, and we still need them.

Jesus disciples were obeying Him when their ship was struck by the storm. Jesus came walking to them on the sea, Peter wanted to go meet Him, but on the way to Jesus he looked around and had to call for help. So will we if we look away from Jesus. This lesson will teach you that storms will come to those that are in the will of God. Don't be shaken by them. Storms

come at difficult hours. This one came in the night. Do not be dismayed when your trials come at a difficult time of life. The important thing is to know where to look for help. God is available all the time. There is a song that says, "I know I can talk to Jesus anytime". And it is true. Storms provide an opportunity to God to reveal Himself. Matthew 14:25. It was in their darkest hour that Jesus came to them. Storms give you an opportunity to exercise your faith. Matthew 14:24-31. Jesus will say to you what He said to His disciples: "Be of good cheer; it is

I; be not afraid." I think you would get a blessing if you could read all of this.

Devotional: Philippians 4:13. I can do all things through Christ which strengtheneth me.

Bro. John took his message from John 15:1-9. "Things you can't do without". Verse 4. Abide in Me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; nor more can ye, except ye abide in Me. Read all of this.

We called off Sunday night services on account of sickness and accidents.

I received a call from Mrs. Jewel Nixon. She just called to find out how we were getting along. Said she was doing very well.

### President's List At Blue Mountain College

The President's List has been compiled for the first semester 1995-96 academic session at Blue Mountain College.

To be eligible for the President's List a student must maintain a perfect 4.0 grade-point average on a minimum of 12 hours' work.

The following student attained the all "A" average and was named President's Scholars for the first semester: Wanda Jean Wilkins Cummings, Iuka.

### National Management Association Meeting

The TVA Muscle Shoals Chapter of the National Management Association will hold its monthly meeting on Tuesday evening, February 20, at Dale's Restaurant in Florence, Alabama. The social begins at 5:30 p.m., and the dinner-program will begin promptly at 6:00 p.m. Mr. Derrick Robinson, Advertising Sales Manager, COMCAST Cablevision, will be the featured speaker. His topic will be "New Horizons for the Cable Industry."

Robinson is a native of Florence and is involved in the local community. He is active with the Shoals Area Chamber of Commerce through Leadership Shoals and the NCAA Championship Committee. Robinson is a member of the Downtown Florence Kiwanis Club, serves on the Florence Civil Service Board, the

Colbert/Lauderdale Attention Home Board of Directors, and is a member of the North Florence Business Association. He has served as a volunteer for such local events and charities as the W.C. Handy Festival, Jail Bail for the American Heart Association, March of Dimes Walk-America for Birth Defects, and others.

The Chapter meets monthly on every third Tuesday night. Reservations can be made by calling 386-3936. Guests are always welcome. The charge of \$11.50 can be paid at the door.

The National Management Association is dedicated to development and recognition of management as a profession and the promotion of the Competitive Enterprise System. It is the largest professional organization of its type in the world with approximately 50,000 members in 210 management chapters covering the entire spectrum of

American industry and organizations in the public sector.

### Did you know:

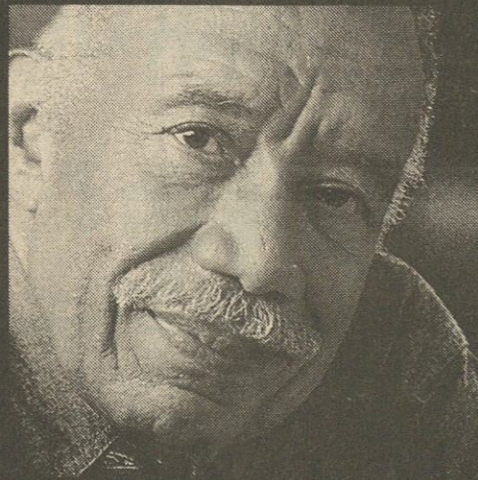

- One female cat can be responsible for 450,000 kittens in 7 years.
- One female dog can be responsible for 67,000 puppies in 7 years. Can you imagine how many puppies and kittens 1 male dog and 1 male cat can be responsible for?
- An estimated 20,000,000 animals were put to sleep last year in the USA. With these facts in mind we must be made aware of pet birth control.
- Female cats can be spayed (ovariohysterectomy) when they reach at least 2 1/2 pounds of weight. This is before they come into heat.
- Female dogs need to be spayed (ovariohysterectomy) before 6 months of age. Some dogs will begin their heat cycle at 6 months of age.
- Male cats need to be neutered (castrated) as early as 7 months of age.
- Male dogs need to be neutered (castrated) as early as 6 months of age. Remember these ages are the earliest dogs and cats need to be neutered (castrated or ovariohysterectomy). After these ages surgery can be performed at anytime or ask your veterinarian what is best for your cat or dog. Just remember to be a responsible pet owner and not allow unwanted animals to be brought into the world.

## Junior Auxiliary To Sponsor Gospel Music Concert

The Junior Auxiliary of Tishomingo County is sponsoring a gospel music concert to be held at Tishomingo County High School Auditorium on March 3, 1996, at 2:00 p.m. Tickets for the Concert can be purchased at New Life Christian supply in Corinth, Iuka Guaranty Bank, First American National Bank and People's Bank all of Iuka, or from any Junior Auxiliary member.

The Concert will feature "Jeff and Sheri Easter". The Easter's were reared in famous gospel families. Jeff is the son of James Easter of the renowned Easter Brothers and Sheri's mother is a sister of Lewis Family fame. Following their marriage in 1985, Jeff and Sheri traveled and performed with The Lewis Family.

With experience and musical gifts on their side, Jeff and Sheri have accomplished much and proven their talent with their previous release *Thread of Hope* and their newest project *Silent Witness*. Highlighting the unique *Thread of Hope* project and the title song which charted at #3 is the input and encouragement they received from Southern Gospel favorites the Mullins, Michael English and Rhonda and Darrin Vincent. Through their ministry Jeff and Sheri's desires is for their music to be encouragement to fans by reflecting what God means to them and how He has blessed their lives.

Opening for Jeff and Sheri "The Solid Rock Quartet" will be with us again. They are a talented group from the Florence, Alabama area.

Please come out and enjoy an afternoon of fellowship and uplifting gospel music. The proceeds for this concern will be used to sponsor Junior Auxiliary's many service project in the community, such as Coats for Kids, Senior Services, Angel Tree, Back packs for Kids, Drug Awareness, Weather Alert Radios for County Schools, Sock-It-To-Me Boxes, and Mother/Daughter, Father/Son Workshops.

For further information call 423-3568.

## Tishomingo Happenings

By: Pamela McRae

Guess we all made it through the snow and ice! Now it seems everyone is out driving and shopping and enjoying the sunny, but brisk, weather. A big thanks to supervisor David Sanders and his team for doing a fine job grading the roads through the week of winter weather. They deserve our appreciation for a job well done,

since it is so easy for us to complain when they don't grade our roads just how or when we want throughout the year.

### School News

Congratulations to Ms. Nancy Martin's 2nd graders for winning 1st place in the Bicycle Safety Week Door Decorating Contest! Second prize went to Jennifer

Bond's 1st graders, and third prize went to Sonja McRight's 2nd grade.

The science fair for 1st through 6th grades is February 15th. The award ceremony will be at 2 pm Thursday. Exhibits can be viewed in the old gym. We look forward to a report on the projects and winners.

### Church News

Don't be surprised if you see a lot of poodle skirts and penny loafers in town Saturday night! The folks at the Gospel Lighthouse Pentecostal Church are having their Sweetheart Banquet that night with a Fifties theme. Among other activities, there will be a hula-hula hoop contest! Sounds like a lot of fun! This on the heels of a 3-day revival that started last Sunday with Bro. George Rowell from Louisiana. They started baptizing Monday night, so it sounds like it is going well.

Carter's Branch Baptist Church is having its Black History Month Program February 18th at 3 pm. Guest minister Rev. Charlie Rainer from Pilgrim Rest Baptist Church of Jackson, Tennessee will speak, and there will also be preaching, singing, readings and skits about famous black Americans.

Carter's Branch is also looking forward to starting its Youth Awareness series next month and we look forward to hearing more about that.

There is still time to register for a special Youth girls program February 24th at Tishomingo Baptist. The Women's Enrichment Ministry is presenting a fun program for Youth girls called "Mirror, Mirror: An Enrichment Program for Young Ladies" on February 24th. Mrs. Missy Farris of New Salem Baptist will be our special speaker. It will feature several informative seminars on fashion, makeovers, dating etiquette, fitness and poise. Local Youth-age girls are invited, but parental permission is required. Call 438-7289 for more information.

### Social News

Carl and Mary Stout of Birmingham spent the weekend with parents Pat & Margaret Cornelius, and were joined by Ms. Jimmy and Ms. Eva Sparks.

As usual, Babe Cornelius and family had a great time when they got together for a weekend-long celebration of Jimmy and Judy's shared birthday. They were joined by Shelia and Kirby Latham of Selmer, Tennessee and Jimmy's friend Ruth. They have plans to celebrate it again this next weekend in Nashville.

Brad and Randa Newsome of Titusville, Florida visited their many friends in Tishomingo county area this weekend. The Newsomes worked at ASRM and lived in Corinth, but frequented Tishomingo often, including a few of our famous street dances. We miss them and hope someday they will come home to Tishomingo.

Mrs. Mary Powers is home and looking forward to feeling better and to warmer weather,

when she can start her garden. She is a living miracle with more faith than any I know.

Many hearts were gladdened when Bro. Gene Tennison made it

back to church this past Sunday. We also have heard his car has been seen at Lucy's, so we know he is feeling better!

We look forward to the return of Bro. Billy and Cindy Burge, and Royce and Sandra Howie, who drove to Jacksonville, Florida last Thursday for a church training seminar. They should be back by Valentines Day, to the joy of their families and friends. Hope they had a great time and learned a lot.

Ms. Ruth Nichols fell and broke her leg in four places Sunday afternoon. She was to have surgery this week in Corinth.

Sorry to hear that John B. Strickland is not doing well. He is at home at the time of this writing, but Mrs. Willard says she expects to have to take him back at any time. Our thoughts and prayers go to him and his family.

Our condolences go to the Odell Carr and Dora Cagle families, whose loved ones passed away this week.

It is with great pleasure that I assume the responsibility of this column. I would like to take this opportunity to thank Mrs. Willard Strickland, on behalf of all the readers, for her faithful reports all these years. Due to sickness in her family she is not able to continue her column at this time. As a newcomer to the area a few years ago, I really enjoyed reading her accounts of local activities. I have a big job ahead of me just trying to fill her shoes.

If you have any information about Tishomingo that you would like to see included in this weekly column, please call me at 438-7289.

### Report From Congress

By: Rep. Roger Wicker

At a meeting of the National Governors Association last week, a unanimous agreement was reached to plan to address the critical issues of welfare reform and Medicaid. This development is a major breakthrough in the effort to reach a balanced budget.

I believe this bi-partisan agreement from the governors can provide the momentum needed to end the liberal welfare state once and for all and give states the flexibility to meet the diverse

health care needs of their citizens. It is significant that this plan was supported by Republican and Democrat governors alike.

Under the Medicaid provisions of the proposal, the governors agreed to unburden states from many federal mandates, allowing them to design health care programs that meet the needs of individual states. The governors plan also allocates funds to states based on state spending, population growth, and other factors and includes a special "umbrella fund" for states which

have unexpected growth in the number of needy and vulnerable citizens.

While the plan the governors laid out is only a framework, the principles it contains are remarkably similar to the basic structure of the MediGrant proposal passed by Congress late last year. Under that legislation, Mississippi's annual Medicaid funding allotment would have increased from \$2,064 per beneficiary to \$3,450 over seven years. The plan also attacks fraud and abuse, which waste up to 10%

of every Medicaid dollar and eliminates the "one-size-fits-all" regulations which consume so much of Mississippi's budget.

The governors used many elements of the Personal Responsibility Act (H.R. 4) already adopted by the House and Senate as the basis of their proposal to reform welfare.

One of the main principles in the governor's welfare reform agreement included giving states much needed flexibility to establish innovative welfare-to-work programs and combat rising illegitimacy. At the same time, priority was given to maintaining adequate child protection programs, and funding for child care was increased significantly.

Emphasizing work over welfare was another major element of the governors plan. Under their agreement, parents who are eligible for AFDC (Aid to Families with Dependent Children) payments must accept employment within a two-year period. Also, states that exceed targets for work participation will receive an additional 5% in block grant funding.

The governor's agreement promotes personal responsibility by giving states the freedom to pursue several options. States will be allowed to stop additional cash benefits to women who have more children while on welfare, deny welfare to unwed teenagers, and prohibit welfare payments to parents who do not cooperate in establishing the father of their children.

I am optimistic that, with the support of the nation's governors, legislation to address the critical issues of welfare and Medicaid can finally move forward and be signed into law. I applaud the bi-partisan spirit of America's governors in coming to this unanimous agreement. I hope that Congress and the President will adopt the principles outlined in the governors' plan and act upon them as quickly as possible.

I continue to be interested in your opinions on these and other issues before Congress. You may write me at 206 Cannon Building, Washington, DC 20515, or phone me at (202)225-4306.

### New Arrival At Marlin Home

Scott and Ciji Marlin are proud to announce the birth of their son, Austin Scott. Austin was born at the North Mississippi Medical Center, the Women's Hospital on January 24, 1996. He weighed 7 lbs. 14 ozs. and was 19 inches long.

Proud grandparents are Donnel and Carolyn Timbes of Burnsville and Jimmy and Charlotte Marlin of Iuka. Great grandparents are Ruth Feazell of Corinth and Delmar and Birdie Funderburk from Mantachie.

shorter than one minute.

Field commanders must perform a two-minute routine to a selection of their own choosing, free style, mace or both.

On Saturday, March 30 flag try-outs are scheduled for 9 a.m. and Tiger dancer auditions will begin at 11 a.m.

Flag candidates will be taught flag fundamentals, marching style, and a flag routine. Selection will be based on quickness of learning, appearance and sharpness in flag movements.

Candidates for Tiger dancer will be taught the same kick routine to be presented for the

judges at 12:30. Selection will be based primarily on ability to dance and kick along with poise. Make-up auditions will be held April 27.

Auditions for instrumentalist are scheduled for March 30 and April 27.

To schedule an audition or for more information, contact Ricky Bishop, director of bands, at (601) 720-7257.

## Mustangs Galloped Over The Chieftains

On Saturday, February 10th the Burnsville Mustangs beat the Iuka Chieftains for the 1995-96 Middle School County Tournament Championship. This is the second year that the Mustangs won over the Chieftains. The 8th grade Lady Mustangs have won 4 trophies so far and are now advancing to the Northeast District Finals. Good Luck Girls! Shown, left to right, bottom row: Nikkie Bray, Jennifer Pugh, Brigitte Parsons, Lauren Odom, and Cassidy Miller. Back row, from left: Amanda Flanagan, Kania Barnes, Amanda Taylor, Laura Borden, Chantel Ervin, and Coach Jackie Beals.

## Tishomingo County Arts Council To Present Jack and the Beanstalk

### Children in K - 12 Invited to Audition

"Jack and the Beanstalk" is coming to Tishomingo County. The Missoula Children's Theatre will present two public performances of this classical favorite on March 1 and 2, 1996 in the Tishomingo County High School Auditorium. These performances will be produced in memory of Mr. Darwin, who was the hit of the show with his "Oh Yeah!" in "Snow White and the Seven Dwarfs" which was produced when the Missoula Children's Theatre last performed in our area.

Auditions for the Missoula Children's Theatre production will be held on Monday, February 26, 1996, at Tishomingo County High School Auditorium, at 4:00 p.m. There are roles for young people of all ages, kindergarten through twelfth grade. Approximately 50 local children will be cast to appear in the show with the MCT Tour Actor and Directors. Please note that there is no guarantee that everyone who auditions will be in the play.

Children wishing to audition should arrive by the scheduled starting time and plan to stay for the entire two-hour session. No advance preparation is necessary. Rehearsals will be conducted every day from Monday through Saturday at the TC High School Auditorium. Although not all cast members will be needed at every session, those auditioning must have a clear schedule for the entire week and if selected, be able to attend all rehearsals for their role. A detailed rehearsal schedule is distributed at the conclusion of the auditions. Cast members scheduled for the FULL 4 hours in one day will be asked to bring a sack supper or snack. The first rehearsal begins approximately 30 minutes after the auditions.

The children in the cast will be called for rehearsal before the performance that day. All those cast MUST be available for ALL performances.

The Missoula Children's Theatre is a non-profit organization based in Missoula, Montana. A special overseas tour to Tokyo, and the Kumamoto, Japan area this past spring involved hundreds of young people in the Missoula Children's Theatre unique touring project. This coming year, nearly 40,000 cast members will take to the stage to the delight and applause of their families, friends, community, neighbors and teachers! The residency in Tishomingo County is made possible by the Tishomingo County Arts Council and Tishomingo County School Board.

## Benefit Planned February 24, 1996

A benefit singing and auction is being planned for Betty Johnson who suffered a stroke on Christmas day.

February 24, 1996, Saturday at 6 p.m. is the scheduled time. It will be held at the Burnsville Elderly - Community Center in Burnsville.

She faces possible reconstructive surgery on her face and new health problems have arisen from this problem - although she is doing well after the stroke.

Thanks to all who have kept her in their prayers.

The Dillard's and The Gospel Travelers will be singing, a concession stand will be set up and a cake walk or sale is being planned.

To donate for the auction or for the cake walk call Mary Osborn 427-9001 or Jennifer Mooney 427-9510.

All proceeds will help with medical and medication bills.

Come enjoy good singing and help with a worthy cause.

## Tishomingo County Evangelism Rally

The Tishomingo County Evangelism Rally is scheduled for Thursday, February 22 at 7 p.m. at New Prospect Baptist Church.

The Evangelist will be Bro. Ted Vafeas of Muscle Shoals, Ala. former pastor of New Salem Baptist Church in Iuka.

Leading the music will be Bro. Truett Brown, Minister of Music at Tishomingo Baptist Church. There will be other singers and testimonies.

Everyone is invited. For more information call the Associational Office 438-7546 or Bro. Ed Kennedy 423-3568.

## Ms. Lambert Receives Perfect 4.0 Average

Angela Lambert earned a perfect 4.0 grade point average during the fall 1995 semester at The University of Memphis. Lambert, a graduate assistant at the U. of M., is working on a master's degree in journalism. She is an employee of the Tishomingo County News and is the daughter of Iuka residents Jimmy and Elaine Pyle. She has two children, Sierra and Logan who attend Burnsville Elementary School.

## "Vision Workshop" At Tishomingo Baptist Church

A "Vision Workshop" will take place February 26, 7-9 p.m., at Tishomingo Baptist Church in Tishomingo. The address is Box 89.

This workshop is open to church leaders from any denomination interested in developing a vision for reaching and teaching people through Bible study.

The workshop is especially designed for pastors, church staff, Sunday School directors and teachers, and deacons.

There is no charge and no pre-registration is required. Sponsor is the Mississippi Baptist Convention Board, Jackson.

## Mississippi Democratic Party To Choose Leadership For 1996

The Mississippi Democratic Party will soon begin the process of selecting the 100 people who will serve on the State Executive Committee as well as the delegates who will represent the state at this year's Democratic National Convention to be held in Chicago in August.

"We are excited about the possibilities that 1996 holds for Democrats in Mississippi," said

Senator Johnnie Walls, chairman of the Mississippi Democratic Party. "Working together, we will elect a President and two sitting Congressmen, win the open Congressional seat, take back a long-held Democratic seat, and oust a man who chose to walk away from this party."

At the precinct caucuses, delegates will be chosen to attend the County Conventions. At County Conventions, new county committees will be elected along with representatives to the 5 Congressional Conventions. The Congressional Conventions are responsible for electing 15 individuals to serve a four year term on the State's Executive Committee as well as delegates to the National Convention. Together, the five congressional districts elect 25 of the state's 47 delegates and 5 of the 6 alternates. At the State Convention, to be held in May, the remaining 22 delegates and 1 alternate to the National Convention will be chosen along with 5 additional members of the Executive Committee from each district.

The schedule is as follows:  
February 17, 1996, 10 a.m. Precinct Caucuses.  
March 2, 1996, 10 a.m., County Conventions.

March 23, 1996, 10 a.m., Congressional Conventions.  
May 18, 1996, 10 a.m., State Convention.

"This is a tremendous opportunity for everyone to get involved in the process of choosing the people who will represent Mississippi at all levels," said Walls. "Now is the time when everyone's voices need to be heard."

## Tishomingo County To Receive FSA Disaster Loan Applications

Emergency loans for farmers, ranchers, and operators are available through the Prentiss County Office of the Farm Service Agency, Harold Mills, FSA Agriculture Credit Manager, said today.

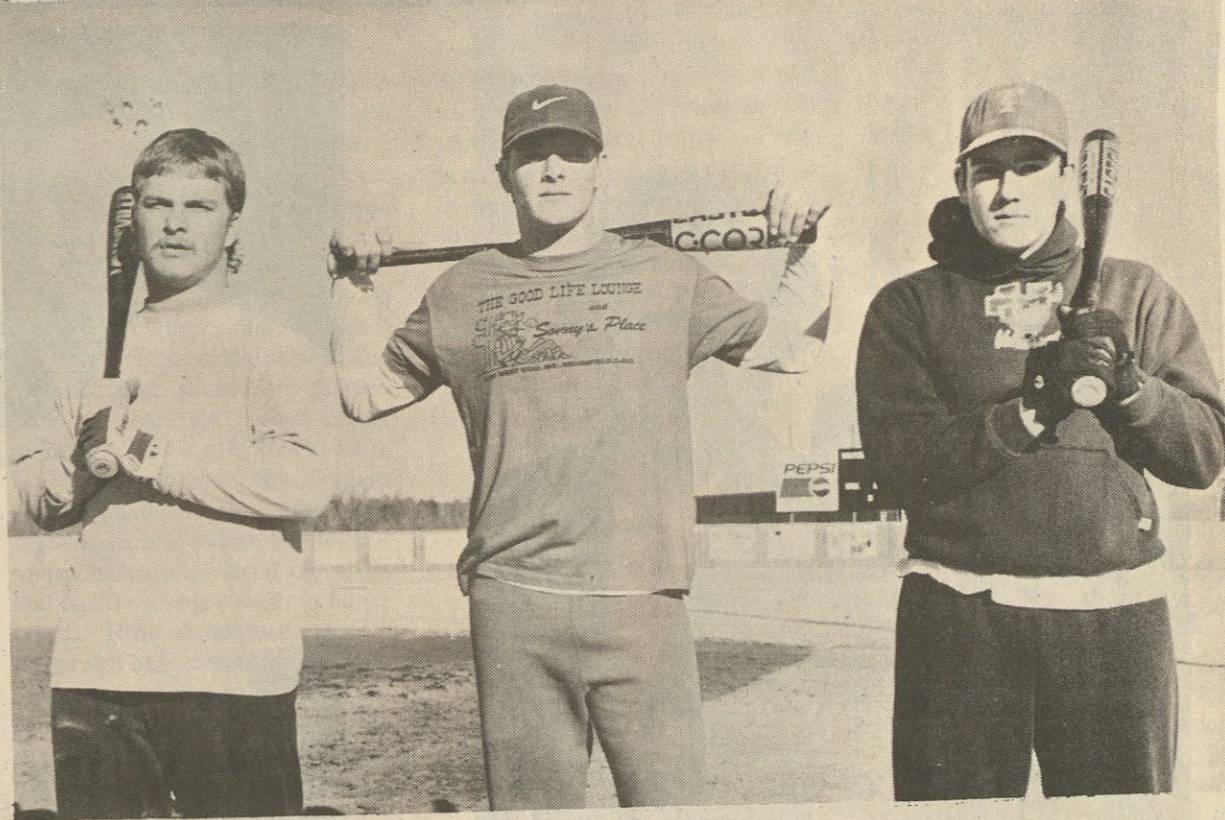

Mr. Mills said this authority is pursuant to Secretary Glickman's declaration on November 9, 1995, of a major

excessive rainfall, insufficient rainfall, extreme heat, drought, and insect infestation which began March 1, 1995. As a result of this major disaster, Tishomingo County, as a primary county in Mississippi, is named as an area eligible for Federal disaster assistance pursuant to Section 321 (a) of the Consolidated Farm and Rural Development Act.

Applications for assistance in the disaster-stricken county will be accepted by FSA through July 9, 1996, for physical and/or production losses.

Farmers qualifying for emergency loans may borrow up to 80 percent of their actual production loss, not to exceed a maximum of \$500,000 or that actually needed, whichever is less.

FSA Emergency Loans cover losses from designated disaster and are made to qualified farmers who cannot obtain necessary credit from other lenders in the local area.

## 50 - Inning Game Fund-Raiser

On Saturday, February 17, 1996, the Baseball Braves of Tishomingo County will take to the diamond for their annual 50-inning fund-raising game.

Baseball fans are asked to contribute to the TCHS team by pledging funds for the innings played. All Baseball Braves and Diamond Girls will be "hitting" the area asking for contributions for the '96 Baseball Braves. Get the Baseball Spirit and support the Braves!

Mike Nash-Senior, Jay Glover-Senior and Ricky Lambert-Junior, are shown getting ready to take their turns batting in Saturday's 50-inning game.

## Division I - 4A Tourney Time

This week all around the state basketball teams are playing hard to keep alive their dreams of a state

championship bid. Teams in each of the districts are competing. The Division I - 4A District

Tournament is currently underway at Tishomingo County High School. Teams from Alcorn Central, Hernando, Holly Springs, Itawamba, Lafayette County, Olive Branch, Oxford, and Tishomingo County have been competing all week.

## Support Braves Basketball!!

Join the Braves' Basketball Mascot Katrina Parker in supporting the TCHS Braves and Lady Braves this week as they compete in the District 1-4A tournament. Katrina, a junior at TCHS, is the daughter of Anna and Ray Parker. She is the granddaughter of Arnold and Frances Parker of Corinth and the late Jack Rye of Iuka and Matrice Brown of Athens, AL. Come and help Katrina cheer the Braves on to victory.

Mrs. Wanda Evans fourth grade class, Iuka Elementary School, is enjoying being chosen as one of the Adopted Classes of First American National Bank. Employees of the Southside Office are providing hours of assistance to Mrs. Evans in class work as well as financial assistance.

Each of First American's managers have adopted a class in their area and will provide money and class assistance as requested by the teacher. Just another way First American National Bank supports our communities.

Denean White, Manager of the Southside Office, is shown presenting a check for Mrs. Evans use in her classroom.

## NARFE Celebrates 75th Anniversary

What is Past is Prologue:  
A Brief History of NARFE

By: James Timothy Ryan

NARFE is nearly as old as the challenge to federal retirees to protect their hardearned rights.

Actually, one could trace the spirit of NARFE back to 1829 when Andrew Jackson

institutionalized the "spoils system" of political appointments to federal offices. President James

Garfield's assassination in 1881, by a disappointed office seeker

who made it clear that neglecting the spoils system could spell death,

marked the enactment of the landmark 1883 civil service

reform bill. This bill provided for a Civil Service Commission,

competitive examinations open to all citizens, and, most importantly,

protection for career civil service employees from arbitrary

dismissal. This act laid the foundations for the modern civil

service system, with its hybrid between an ongoing corps of

career workers plus temporary political appointees.

However, Congress didn't touch the issue of federal

retirement until 1920, when the first civil service retirement law

was passed.

In February 1921, fourteen retired federal workers met and

formed a new association for "the betterment of the status of retired federal employees." Jacob Starr, a

veteran of four years of Civil War and over four decades of Civil

Service, was chosen as the first president.

From the get-go, NARFE was an active, vigorous bunch,

meeting weekly, drafting bylaws, and creating its own publication,

The Annuitant - - originally a yearbook, later a periodical which

would ultimately morph into today's Retirement Life.

By 1923, membership had blossomed from 14 to 6,500 in just

two years. In 1924 the association adopted its present name - - the

National Association of Retired

chapters and over 100,000 members.

The mid-'90's find NARFE, under President Charles Jackson, 450,000 members strong and raring to grow bigger - - the half-million mark is the next goal. Our legislative program continues apace, and a vigorous public relations program ensures that NARFE's message is continually heard by politicians, press and public.

Just in case the NARFEers of the '90s might be tempted to forget the perpetual nature of our struggle, in late 1995 federal workers and their dependents became the first in line to suffer as Congress and the White House squabbled over the budget. And again that became the cue for knee-jerk bashers of federal workers to prattle their malicious nonsense about "government drones". As it says in front of the National Archives building in Washington, what is past is prologue.

NARFE has flown a long way since 1921 when Lt. Coney winged his way across the continent and NARFE began life with 14 members. Now, in 1996, we celebrate our anniversary year resolved to overcome all obstacles as we soar off into the future.

Reviewing NARFE's history is indeed like going "back to the future" - - we learn that we've always had to fight for just treatment, that such grappling has usually paid off, and that we'll always have to do so. That's what we're here for.

Submitted by Mrs. Helen M. Nixon, President, Jacinto Chapter #1879, Corinth, Mississippi.

## County Agents Notes

Sunny Day Vegetable Garden Projects

Planting time is still several weeks away for most vegetable gardeners. However, if you're really dedicated and ready for a few sunny day gardening projects, consider some of the following. They'll really pay-off in terms of fewer disease and other pest problems after your garden is up and going next spring. Chore number one should be destruction and burial of last season's crop debris. Since many disease and insect pests live through the winter in old plants, cull piles, or plant stubble left in the garden, destruction of crop debris should

be an annual project.

This is a great way to cut down on early season disease pressure and you'll have less blight in your cabbage, broccoli, green beans, tomatoes, and other crops. Debris from diseased plants should not be added to compost piles, since temperatures reached are not always sufficient to kill nematode eggs and other plant disease microbes. Remaining stubble and surface litter should be plowed under at least six inches before planting. This is effective because as debris decays, the disease microorganisms eventually deteriorate, and reduce the amount of fungus and bacterial inoculum that could cause problems in future crops. How about those tomato stakes and bean support poles lying over in a corner in the garden? Before reusing, it's a good idea to disinfect them, since the off-season on stakes, poles, cages, and other plant support structures. To reduce the risk of disease, tomato stakes and cages can be disinfected by washing to remove soil, followed by dipping or spraying with a 10% bleach solution (one gallon of household bleach in nine gallons of water works great) prior to reuse.

If you haven't already done so, collect soil samples to determine

fertility needs. Plants which are fertilized according to recommendations based on a soil test are not as likely to have disease problems as plants which are low in nutrition or receive an imbalance of nutrients. While collecting a soil sample for fertility analysis, why not collect a duplicate sample to check for the presence of parasitic nematodes which feed on the roots of many garden plants.

## CELEBRATE ARBOR DAY!

In honor of Arbor Day, the Tishomingo County SWCD will distribute free loblolly pine and shumard oak trees. Limited 5 oaks and 10 pines are available to each landowner. Seedlings will be available at Tishomingo County SWCD, 240 Kaki Street, Iuka, between 8:00 a.m. and 3:00 p.m., Thursday, February 15 and Friday, February 16. There are limited number of trees available, so please come early.

## Facts About The BIBLE BY JOHN LEHTI

### ELIJAH AND THE PRIESTS OF BAAL

IN THE DAYS OF ELIJAH HE CONTINUALLY BATTLED THE PAGAN PRIESTS WHO WERE IMPORTED BY QUEEN JEZEBEL WHO WISHED TO DISPLACE THE LORD WITH HER OWN HEATHEN GODS. ELIJAH WAS GUIDED TO SEEK A CONFRONTATION WITH THE PRIESTS OF BAAL. (1 KINGS 18:20-40) HE SENT A MESSAGE TO THE ISRAELITES TELLING THEM TO GATHER AT MOUNT CARMEL...

IN A VERY SHORT SPACE OF TIME EVERY PATHWAY AND ROAD IS CROWDED WITH PEOPLE IN ANSWER TO THE ROYAL SUMMONS...

AND WITH ALL ISRAEL GATHERED BEFORE HIM, IN A PULSATING MASS OF HUMANITY, WONDERING, TALKING, LAUGHING, JOKING, ELIJAH STANDS BEFORE THEM - A STARKLY LONE, YET COURAGEOUS FIGURE! HE RAISES HIS ARM IN A COMMANDING GESTURE AND SLOWLY THE TUMULT OF THE CROWD DIMINISHES TO A DEEP SILENCE AS THE PROPHET OF THE LORD PREPARES TO SPEAK...

## Thank You

The Tishomingo Manor Nursing Home would like to thank the Tishomingo County Rescue Squad for escorting the employees to and from work during the winter storm. Many people gave their time to make sure the staff was at work on time and then returned them home. The Rescue Squad not only helped the Health-Care Professions, but also made trips to peoples homes to carry them where they needed to go.

Thank you, Tishomingo County Rescue Squad. Your devoted efforts have not gone unnoticed.

## "In Memory of Daddy" M.J. (Buddy) Lawler

died December 22, 1995

Sometimes I awake in the middle of the night.

It's almost as if I can see you looking down on me.

Your baby blue eyes shining bright.

The smile across your face

assuring me everything will be alright.

My eyes begin to fill with tears,

as I go back thru the years

of precious memories we shared.

God called you from this world of cares,

one dark and cold night.

As I close my eyes. I can see you waving good-bye.

The tears are rolling down your cheeks,

as you say, come back again "DADDY"

might not always be here.

Daddy you are here, You're in my "Heart"

I Love You  
Your Daughter  
Brenda Drinkard  
Happy Valentine's Day!

## Thank You

We, the family of Ester Amerson, would like to extend our thanks to the family and friends for their acts of kindness shown during the sickness and death of our loved one. For the prayers, flowers, food, cards, and visits, we are truly grateful. We would especially like to thank the staff at the Heritage Manor Nursing Home for all their acts of kindness, to Cutshall Funeral Home for all of their concern and support, Martha Magill for the beautiful singing, Bro. Keith Driskell and Bro. Billy Paul Feltman for all their comforting words and prayers. Thank you.

## Wal-Mart Scholarship Available

The Iuka Wal-Mart is funding a \$1,000 scholarship to help defray the cost of a college education for a local high school senior. Interested students should stop by their counselor's office for details on the Sam Walton Scholarship which will be presented to a college-bound senior this spring. Academic achievers who participate in extra-curricular and work activities and demonstrate financial need are qualified to apply for the Sam Walton Scholarship. A panel of judges, consisting of local business and community leaders not affiliated with the scholarship program, will evaluate the applications and conduct student interviews before making their final selection.

"We know that a college education is no small undertaking," said Steve Burks, manager of the Iuka Wal-Mart. "It requires dedication and a substantial financial commitment. The Sam Walton Scholarship is our way of supporting students' commitment to learning."

This year, more than 2,000 scholarships totaling over \$2 million are being awarded to deserving college-bound students in Wal-Mart communities across the country.

This scholarship is part of the Sam Walton Community Leader Award program, an effort by Wal-Mart to recognize area residents who are making a difference -- through leadership, inspiration and volunteerism.

## Local Experts A Part Of National Equine Education Program

Iuka Agri Center will join with hundreds of specialists in horse care around the United States in the largest educational program ever held in the horse industry.

The Purina Equine Nutrition and Management Series is a nationwide program to teach horse owners about management of their animals. Topics include horse health, nutrition, training and other issues. The Series was developed

by Purina Mills and is being underwritten by leading suppliers of equine products and services.

Local participants were chosen for the Series because of their knowledge of horses. Also taking part in the series are experts in equine health, nutrition, training and other topics, says Chuck Follin of Purina Mills.

While education is the primary focus of the Series, horse owners who attend the Seminars also will have an opportunity to win many great prizes and free clinics with top riders and trainers. Prizes include a 1996 Dodge Ram Truck and a Sooner 4-horse trailer with tack room. There will also be a registered 2-year old quarter horse given away from the Purina Research Farm.

Admission to the Series is free, but reservations are required. More details about the Series, including dates and locations, are available by calling 1-800-637-2445 or any local participant.

### Heath Castile TCHS January Student of the Month

Heath Castile was chosen as the January Student of the Month at TCHS. Heath is a senior, and he is the son of Charlie and Brenda Castile. He has received many awards and honors during his high school career. He was recently inducted into the TCHS Hall of Fame and was also named as Most Dependable in Who's Who. Heath is serving as president of the Science Club, and he is a member of FBLA, Beta, FCA, and SADD. Heath has played varsity football for two years. He is a member of Who's Who Among American High School Students. He received a National Merit Science Award, and he is an Honor Student.

Heath was selected as "Student of the Month" not only because of his outstanding grades and organizational involvement, but because of his rare ability to give of himself when he knows he will get nothing in return. Heath truly is an excellent asset to the TCHS student body. The Student Council would like to thank Heath for being such a great help throughout the Christmas season. It really is hard to find good help these days, but Heath is an exception to the rule. The Student Council just wishes there were more students like Heath Castile. Congratulations Heath!

### Attention Students Going To Washington

Our trip to Washington, D.C. is quickly approaching! We are all anxiously waiting for March to arrive. For many of our students, this is their first vacation without their parents. As your chaperones, we believe that you will feel better meeting with each of us before we depart.

On Tuesday, February 20, at 5:30 p.m., we invite you to meet with us in the cafeteria at Iuka Middle School. We hope you will make every effort to attend this meeting with your child. We will discuss the itinerary, expected behavior, and other important details. We ask that you bring the following items: student health insurance information and a card; day and night emergency phone numbers; a list of prescription medications the student takes daily; and a physician's name and phone number.

A second meeting will be held on March 7 at 5:30 p.m. in the cafeteria at Iuka Middle School to distribute the tickets and finalize details for the trip.

We look forward to meeting with you and your child. If you have any questions, please contact one of us at Iuka Middle School or at Burnsville Middle School. Thanks!

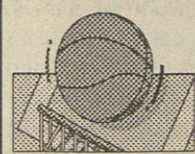

Sincerely,  
Jackie Beals, Mariann Beals,  
Pam Chathan, Judene Cook,

#### Braves Outlast 'Quistors

At TCHS, the Braves and Lady Braves both picked up division wins over the visiting Olive Branch Conquistador and Lady 'Quistors. The Lady Braves set the stage for the sweep in the first game with a 62-24 victory. The Braves completed it in game two by the score of 63-54. This was the final division game of the regular season for both squads.

Sylvia Powell led the Lady Braves with 20 points, and Amy Brown added 14. Chris Shumpert paced the Braves with 20 points and 12 rebounds, Chris Coats had 14, Blake Holly added 11, and Aaron Foster chipped in with 10.

#### Braves Beat Royals

At TCHS, the Braves completed their regular season with a 78-76 win over the New Site Royals. The Lady Royals got a 46-36 victory in game one. This was the second "W" over the Royals in three tries this year for the Braves.

Blake Holly poured in 31 points for the boys, Tag Gentsch scored 16, Aaron Foster had 13, and Chris Coats added 9. Christy Glidewell led the girls with 15, and Sylvia Powell added 11.

The Lady Braves finished the season at 21-7 overall, 5-2 in divisional play. The Braves won 7 of their last 8 ballgames and finished 15-14. This marks the first winning season in boys basketball in the history of the school.

The New Site game was the final regular season game ever for seven TC Seniors. The Lady Braves had three Senior girls - Courtney Barnes, Nicole Lambert, and Kristy Pendergrast. The Braves had four Senior boys - Aaron Foster, Chris Shumpert, Nick Brock, and Rico Swinney. Thanks guys and girls for the memorable moments.

One of the finest accomplishments is making a long story short.
