## TCHS Braves Advance In State Playoffs - Face McComb March 3

The TCHS girl's basketball team captured the "game ball" Saturday evening at the TCHS Gym after winning 2nd Place in the North Half Championship games. The girls are now competing in the State Playoffs in Jackson and won their opening game Tuesday evening, defeating Bay St. Louis. They will now play McComb next Monday evening, March 3rd, at 6:30 in the Coliseum in Jackson.

For the second straight year, the TCHS Girl's Basketball Team is battling their way to the top, hoping to capture the State Class 4A Championship Trophy.

In the opening game of the tourney, TCHS defeated Bay St. Louis Tuesday evening with a score of 52-32. The Braves held the lead throughout the night with a 10-6 1st quarter lead; 26-17 2nd quarter lead; and 40-26 3rd quarter lead. Scoring big points for TCHS were Amy Brown with 14; Christy Glidewell with 10; Sylvia Powell with 11; Amanda Massengill with 8; Cassie Cutshall with 6; Tiffany Senter with 2; and Cindy Hubbard with 1.

The Braves will next play McComb (the number 1 team of the South) on Monday evening, March 3 at 6:30 p.m. The winner of this game will advance to the finals on Friday evening, March 7 at 6:30 p.m. playing either Oxford, George County or Noxubee County.

## County Schools Retain High 4.5 Accreditation

by Pamela McRae

Tishomingo County Special Municipal Separate School District received for the second year a 4.5 accreditation rating from the Mississippi State Department of Education and district officials are busy making sure the district got the score it deserved.

The highest possible score is 5.0, and seven other area districts received the "exceptional" rating. Several other area districts have resubmitted data and have had their originally reported ratings raised. Alcorn County was raised from a 4.9 to a 5.0 and New Albany was raised from a 3.9 to a 4.1.

According to Tishomingo County School Superintendent Dr. Carl Weeden, there are three areas he and other district officials are reviewing to make sure the county received an accurate rating.

Results are based on all 3,238 enrolled students in the district including the two high schools, four junior highs and four elementaries. There are 37 indicators on which the rating is based.

Graduation rate for the district was 73.8 percent, just a little below the 5.0 level requirement of 75 percent, according to Weeden. The calculation for determining the rate is based on accurate reporting, and that is what they are double-checking, said Assistant Superintendent Stanley Magill.

Another criteria in which the county scores were below the 5.0 requirement was the math scoring

on the FLE (Functional Literacy Exam) that all 11th graders must pass before graduating. The 5.0 requirement is an average of 273.2 and Tishomingo County students average scoring was 271.9. Magill said that they are working to address the problem, which may be due in part to the fact that many junior level students have not had in the past three years the kind of math on the FLE, said Magill. They will be concentrating on refreshing students in the appropriate type of math before the next scheduled test, April 28-29, 1997, he said.

The third criteria in which county schools failed to meet the mark was due in part to possible student misinterpretation of a question on the ACT, said Weeden. Reportedly there is a question on the ACT registration form that asks students if they have taken ACT Core classes. Students have a choice of "have taken", "no, have not taken," or "may take" in response to the question and apparently rather than indicating they "may take" the course before their high school graduation, they are marking "no, have not taken." This could cause the report to indicate that the district does not offer ACT core classes, when in fact they do, said Magill. Action will be taken to make sure the students more fully understand the question, he said.

The scoring has improved in some areas, most notably in overall areas in the 4th, 5th, 7th and 9th grades, Magill reported. On the 9th grade integrated language arts criteria we exceeded the 467.9 required score with a 496.1, he said.

## Vernon L. Pate Announces Candidacy for Mayor of Iuka

Dear Fellow Citizens,

Please afford me time to introduce myself. My name is Vernon L. Pate. And I am hereby announcing by candidacy for the office of Mayor, City of Iuka.

I am a Christian and I attend Fifth Street Baptist Church. I have lived my entire adult life in the City of Iuka, moving here in 1947 after serving in the U.S. Army during World War II.

Over the past several years, I have become increasingly concerned with the direction I feel our local government has apparently been taking. I feel our leaders have placed themselves, and therefore our government, in many ways, out of access to us the taxpayers. When I become your Mayor, I will return City Hall to the people to whom it belongs, you, the citizens of Iuka.

I feel our tax-supported public services have not, in some cases, been provided on an equal basis to all our citizens. All people of this city are entitled to the highest quality of services provided for by servants accountable to the people.

I further have concerns regarding the amount of emphasis our current leaders have placed on encouraging new businesses to enter our area. Not necessarily

Federal projects that could come or go at the stroke of a politician's pen. But, long-term private enterprise business that would bring new and long lasting increases to the tax base and opportunities for our increasing available work forces.

Time nor available space allow me to further articulate my ideas. However, I welcome the opportunity to visit with as many of you, my fellow citizens as possible in the upcoming weeks. I am now as I will be when I become your mayor, fully accessible to you the people of this great city which could have a brighter than average future.

Fire Destroys Home Near Coleman Park Road

George Green shows the damage done by fire Monday afternoon to a four-bedroom home at 47 County Road 290 belonging to Arthur and Patricia Green and their 3 children.

## Several Fires In The Last Week Kept County Firefighters Occupied

by Pamela McRae

Several homes and families were affected by fires in the past week.

Monday afternoon a four-bedroom home at 47 County Road 290 belonging to Arthur and Patricia Green was destroyed by fire. No one was hurt in the blaze, which was well underway when members of the Coleman Park Volunteer Fire Department and Harmony Central arrived on the scene, according to Jimmy Brown of the Coleman Park volunteers.

Patricia Green and two of the children had just left the dwelling to make some phone calls at Jackie's Restaurant about 10 minutes before the fire was reported.

Cause of the fire is undetermined, but is not under investigation, since the home was reportedly not insured, according to Brown and County Arson Investigator Thomas Walker.

Neighbors of the Greens have organized an effort to help the family, who lost everything.

Donations of clothing or funds can be made at the Casabella Trailer Park on County Road 989 or call 423-2936, according to Jackie Casabella. The Greens have a two girls, three years and six years, and a boy 2 years old.

### Murphy Fire Under Investigation

About 5 p.m. Monday night Paden and Tishomingo Volunteer Fire Departments managed to limit damage to a vacant home at 16 County Road 124. The house, which belonged to Glenda Murphy, was unoccupied and there was no electrical service, said Investigator Thomas Walker. The cause of the fire is under investigation, said Walker.

### Woods Fire Near Indian Creek

At about 2:30 p.m. Tuesday a grass fire spread into neighboring woods, causing some damage behind a house at 232 County Road 261 near Indian Creek, and then restarted about 7:30 p.m. that night. Homeowners were unaware the woods fire had restarted until someone driving by told them,

according to eyewitnesses at the scene.

Walker said the early reckless fire was due to human factor. Apparently a fire cracker thrown out in the yard ignited the grass, and spread up a hill into the nearby woods that afternoon. The home was not significantly damaged, but several sheds behind the home were destroyed in the evening fire. Members of the Eastport-Mill Creek and First District Volunteer Fire Departments responded and were backed up by the Iuka Fire Department.

### Hay Fire Sunday

Approximately 50 large round bales of hay burned around noon last Sunday at Airport Road and U.S. Highway 72 near the home of H.L. "Trail" Nunley according to Iuka fireman Gene Gober, who responded along with volunteers from Snowdown Pleasant Hill.

Apparently the fire caught on from a burning brush pile about 20-30 feet away from the hay, said Gober. About 20 bales were saved.

### Work At Home?

Home-based Business and Entrepreneurship was a topic at the Farm and Home Technology Conference in Corinth last week that drew considerable interest. Several persons in attendance were already involved; others were exploring ideas.

One rather novel idea for this area is called "community supported agriculture" in which contracts are made between individual consumers and producers for fresh vegetables and fruits in season. This appears to be advantageous for both parties, and I trust we will see some trail runs.

One idea that was not discussed, perhaps because it has been around for awhile, is sewing as a business. Several years back a lot of women "took in sewing" as a way to make extra money while staying at home. It would seem that the opportunity is still there as more women have entered the work force and have less time to sew for their families.

A pertinent item in the news this week was about a woman who had found a way to support her family baking muffins at home and selling them to local establishments. It was a way for her to get off Welfare until she encountered problems in meeting health regulations. Support from local citizenry gave an apparently happy ending to her difficulties but this illustrates the need to

investigate all aspects of a venture from its outset. Perhaps it also illustrates a need for more flexibility in laws and regulations, for we are beginning to realize that there may not be enough jobs in existing businesses for everyone scheduled to be removed from welfare rolls. Small and home-based business could be one solution.

Anyone thinking of starting a home business, however, is urged to carefully analyze their reasons and the impact on family members before venturing. Some of the questions to consider prior to making that decision are:

\*Do you have a marketable skill or product to sell? Think in terms of what people in your area will buy.

\*Can you take responsibility? If you'd rather let someone else take charge and get the job done, perhaps you'd do better working for someone else.

\*Are you a self-starter? Do you initiate things or do you need someone to get you going?

\*How good an organizer are you? Having a plan before you start is important, but so is the ability to hang in there and set things straight if they get confused.

\*Can you make decisions? Being decisive is as important as being right, though you must also be flexible.

\*How good is your health?

Being your own boss and running a business takes a lot of energy.

\*Do you have the self-discipline to maintain a work schedule at home? Can you switch from home responsibilities to work under the same roof?

Is there adequate space in your home for your work? Will it interfere with family living?

Are you a risk-taker? Do you have the money to cover initial start-up and costs or can you borrow without jeopardizing your family's security?

Do you need the money? If making a profit is not important to you, perhaps you'd do better keeping your activity as a hobby.

The independence of being your own boss are advantages of a home-based business. But there are trade-offs, like the security of a regular paycheck and benefits.

If you are seriously interested, a "tool kit" for entrepreneurs, as well as assistance in working through the decision-making process is available through our office. In this respect, I have an apology for the lady in Iuka who requested information about sewing as a business. Sorry! We misplaced your address, please call again.

DR. PHILLIP GRAY

Floater

The small specks or "bugs" that many people see moving in their field of vision are called floaters. They are frequently visible when looking at a plain background, such as a blank wall or blue sky. Floaters were described long ago in Roman times as "muscae volitantes" (flying flies).

Floaters are small clumps of gel that form in the vitreous, the clear jelly-like fluid that fills the inside cavity of the eye. Although they appear to be in front of the eye, they are usually floating in the fluid inside the eye and are seen as shadows by the retina (the light-sensing inner layer of the eye).

Seeing floaters, whether in the form of little dots, circles, lines or cobwebs, may cause concern. You can relax. They are usually of little importance, representing an aging process. The vitreous gel shrinks with time, pulls away from the retina and causes floaters. This is common in nearsighted people or after a cataract operation.

## Harmony Homemakers Volunteers Meeting...

The regular monthly meeting was held at the library on February 17, 1997. Marquita Greenaway and Helen Vaughn were hostesses.

The meeting was called order by Opal Dean, President. Marquita did pledge to flag. Opal read the Council Collect. Vada Kay did devotional. Mary Jo McAnally read minutes from previous month. She also gave brief financial report and did roll call. There was 11 members present.

Our club sent 250 valentines to the VA Hospital in Memphis and we received two thank you letters.

We talked about the dress review in April. We discussed the trend in women clothes. Opal reminded us that women have more heart attacks that kill them over men. Marquita gave a report on herbs and spices. Our chairman talked about our bake sale. We hope to help with several projects this year.

The meeting was adjourned and refreshments served.

## Your Dental Health

### Why Are Dental X-Rays So Important?

Detection of caries (cavities) is probably the most frequent reason for taking dental radiographs (x-rays). It is in the diagnosis of interproximal decay that radiographs are most important. Interproximal (in-between) caries are best seen on bite-wing radiographs. Proper dentistry cannot and should not be done without adequate diagnostic radiographs. In an adult patient not prone to caries, bitewing radiographs should be taken at least once a year. Caries susceptibility is a major factor when determining the time frame of recall radiographs.

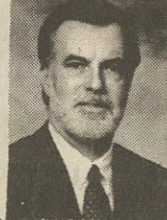

Radiographs (x-rays) are essential in detecting diseases and for planning treatment. To view the whole mouth, a panoramic X-ray is made to check a number of things: (1) for children, it is used to determine the progress and pattern of tooth eruption; (2) for teenagers and/or adults it is the prime diagnostic tool in locating and defining the position of an impacted tooth; (3) for adults, it can reveal bone loss, associated with periodontal disease, determine when an abscess is present, check for cyst. It is recommended for everyone to have a panorex every 3 years.

X-rays are an important part of a good dental checkup. The benefits are helpful to accomplish the best treatment.

### Tips for Selling a Home

Most purchases and sales of homes work out well. But some do not. As a seller, probably the best way to protect yourself is to have your lawyer review any offer you are interested in accepting. Your lawyer can add terms to protect you, including:

- the right to keep the buyer's deposit or an agreed amount of "liquidated damages" if the buyer backs out of the deal;
- being able to accept a second offer (called a "backup offer") so you can sell to someone else if the buyer does not perform;
- terms to protect you if you let the buyer finance the purchase by accepting some of the purchase price over time.

## THIS IS NO PLACE TO DETERMINE WHAT YOU PAY FOR ELECTRICITY

As a consumer-owner of your co-op, your rates are determined locally. Because co-ops are actually owned by the people they serve. But the investor-owned power companies are owned by outside investors. And big corporations. And even people in foreign countries. So, their concern is profits. Not keeping your electric rates as low as possible. Nor the quality of service you receive. That's why co-op consumer-owners feel so strongly about their utility. They know that their co-op will do what's best for them. And worry more about Main Street. Than Wall Street.

## Letter To The Editor

I am writing about how awful the Town of Iuka looks. I have lived here all my life. I believe now it has got more run down. The Town is always getting grants, but theres not any of it spent on making the park more beautiful. The park should be a pretty place to go in the afternoon with children. There isn't any flowers planted in the summer at the red light. I can see why no new businesses wants to come to Iuka.

Where is the Garden Club? When you read the paper they are always doing something but it isn't on making Iuka a pretty, small country town. The women that are on the board should be doing something. The park is for children and adults to go to eat and enjoy.

### Tishomingo Homemaker Volunteers Club

#### February Meeting

"Too many people are eager to volunteer to carry the piano stool when it's the piano that needs to be moved." This was the thought of the month read by Ms. Eva Mae Strickland, president of the Tishomingo Homemaker Volunteers Club, when the club met Thursday night, February 13, at the Tishomingo Library.

Ms. Katie Strickland led the group in the pledge to the flag, and Mrs. Gail Strickland read the Council Collect.

Ms. Sabrina Thorne gave an interesting devotion on "What We As Club Members Should Be Doing For Others". She read a poem, "Journey", and used scripture from Leviticus 24. She

then led in prayer.

The secretary, Ms. Shirley Thorne, did the roll call and read the minutes of the previous meeting, and the treasurer, Mrs. Willard Strickland, gave the financial report.

Eva Mae gave a report on the County Council Meeting she attended on January 24 at the Midway Community Center. She reminded club members about the upcoming Quilt Fair on March 14 and the Fashion Revue on April 15 at the Midway Community Center and encouraged everyone to participate.

Club members were also reminded of the club's bake sale to be held on March 22 at the Tishomingo Bank Annex. Club

### Robin Glover of Iuka In Musical At Northeast

For the first time ever, Northeast Mississippi Community College brings to stage the longest running of all Gershwin musicals and the winner of the 1992 Tony Award for Best Musical - "Crazy for You." The hero, Bobby (David Houpt of Corinth), spurns the family banking business to pursue his dreams of becoming a Broadway star. His mother dispatches him to Deadrock, Nevada, to foreclose on a theater. Instead he falls for the theater owner's daughter (Robin Glover of Iuka) who despises the city boy. Bobby disguises himself as a great Broadway producer and puts on a show to save the theater. The result is the glitter, girls and voices of the greatest of Broadway musicals - "Who could ask for anything more?" Performances will be in Seth Pounds Auditorium March 6 and 7 at 7 p.m. Tickets are \$5 for adults; \$3 for children and will be available at the door.

members are now selling chances on a crocheted king size afghan which will be given away the day of the bake sale.

Mrs. Jeannette Thorne gave an interesting report on "Teeth and Stroke". She stated that sometimes when having dental x-rays made,

a buildup is seen on the x-ray films which can be an indication of a stroke. This is caused by pressure on the arteries of the neck. Therefore, a regular visit to the dentist might be helpful in more ways than one.

Ms. Michelle Strickland gave an informative report on "Membership". She stated that she had contacted several people about joining the homemakers club and was still trying to find new members. If anyone is interested in learning more about our club, you may contact any member or attend one of our meetings. We always welcome visitors.

Eva Mae showed an interesting video on "Coordinating Your Wardrobe". We saw how a two piece cotton chambray in a neutral color can be worn 96 different ways, from classic to dressy, by using different blouses, sweaters, blazers, belts, scarves, jabots, jewelry, hats, shoes, etc. We learned it's not what you wear but how you wear it.

Club members addressed Valentine's Day cards to all the residents at the Tishomingo Living Center and the Tishomingo Manor Nursing Home, and Michelle delivered them to the them to the nursing homes on Valentine's Day.

Everyone enjoyed refreshments provided by all club members.

The door prize was won by Katie.

Also present, not already mentioned, were Mrs. Kathy Byram, Mrs. Johnnie Strickland, and Ms. Louise Puckett. As always, we were proud to have Katie with us.

We welcome anyone to come

## Happy Anniversary February 26th

I remember the day we met in 1982,  
And wonder, what would I do if there hadn't been you.  
You had a radiant glow and anyone could see,  
You lighted my life in 1983.  
You made me so happy and I've never been the same,  
When you said I do, and took my last name.  
No matter what trials in life we go through,  
I cherish each moment that I've spent with you.  
Thank you for friendship and love that's so true.  
What would I do if there hadn't been you.

## Card Of Thanks

The family of Ruby Berryman wish to express our heartfelt appreciation for the love and concern shown to us in the passing away of our precious loved one. For the many cards, phone calls, visits, food, flowers and prayers, thank you so much. Also a special thank you to employees of Iuka Hospital and Dr. Scott Segars. We couldn't have ask for better care. To Cutshall Funeral Home for their

caring service...thank you Brenda Middleton. Last but not least, to Superior Home Health for the excellent, loving care given by the nurses and aides, and social worker. You went to extremes to help and comfort in every way possible. May God bless each of you.

QUALITY CARE

Our Quality Care technicians need more than a lot of training and the right equipment to fix it right the first time. They need Service Advisors who communicate well. They need people who know which part to use on your Ford, Lincoln or Mercury. And they need Service Managers who give them enough time to do the job well. It's a team effort we're all proud of. So, if you've never seen our Quality Care team in action, stop by. You'll see the changes. You'll like the way we do business at Iuka Ford Company.

### Richard Polzin, Author To Speak In Iuka....

Area schools invited Richard Polzin, a professional storyteller, illustrator and author of *Worthy Is The Child*, to share the stories from his book with the children on Wednesday and Thursday, February 26 and 27th.

Mr. Polzin is on a statewide tour of schools in his native Mississippi. He has fascinated over 50,000 children and adults in schools, clubs, conventions, churches and festivals this past year. He has also been a featured guest on "Today's Issues" on American Family Radio, as well as the television series "Home Life".

But what is *Worthy is the Child*? It is 32 powerful stories written by Richard Polzin for his three adopted children, Anna Laura, Justin and Zachary, to teach them certain moral lessons as well as entertain them. Mr. Polzin's wife, Sharon, drew all 64 illustrations for the book and Richard painted them. The added zeal to the book are the hidden moral statements on each picture which children take delight in finding. The Polzins gave up jobs, life savings and four years to create these stories into a book.

*Worthy is the Child* has a big heart and a gigantic message. Mr. Polzin remembers when he was in New Jersey getting the book printed, he ran into problems with the cover. He was adamant on getting the cover corrected. The printer replied, "You're right, the cover is important, but what's on the inside is even more important. And you know what, Mr. Polzin? I've read thousands of stories and what you have on the inside is powerful." The printer only confirmed what Richard Polzin already knew about the book.

Parents and teachers know that *Worthy is the Child* is powerful, too. Why? Because they know children are more inclined to act upon things that they hear repeatedly. That is why reading and rereading good, moral stories reinforces positive values and helps put them into action.

*Worthy is the child* is gaining recognition in private and public schools across the nation and is being used this school year in a pilot anti-violence curriculum.

Richard shares "his life story" all over the state how he grew up in a divorced home, orphanage and a step family. When he became a father, "He

wanted to be the best father he could be." After years of infertility problems the Polzins adopted their three children.

His book has been a best seller in Mississippi this past year. The Polzins wrote their stories so that they could be used in public as well as private schools. Their dreams are being realized as schools across the country have been using *Worthy is the Child* as a teaching tool for honesty, forgiveness, responsibility, self-discipline, courage, kindness and perseverance this past year.

"Attitude is the key to success" is the message Richard Polzin gives to students as he shares some of his life experiences in schools across Mississippi. After he spoke to the 12th Grade English Classes at Northwest Rankin in Brandon, the teacher, Micki Knight, wrote, "I saw a lot of smiles, heard a little laughter, and never saw a wiggle! You had them mesmerized!" Richard is a founding member of the Storyweavers Guild of Mississippi and is a gifted speaker as well as author and illustrator.

Through this book and his inspiring presentation Richard feels led to help children and families today. "We must teach our children that they must stand for something, or they'll fall for anything," Richard said.

To order *Worthy is the Child* or to book Richard Polzin to speak at your school or organization please call Nita Lite Stories, Inc. at 1-800-996-7849 or 1-800-9WORTHY. The cost of the book is \$19.95 plus \$4.00 shipping and handling. Free shipping and handling for orders of three or more books. The publisher offers special discounts for schools. Call for prices. MASTERCARD AND VISA are accepted.

*Worthy is the Child* may also be purchased in the Mall of Corinth at the Before and After Shop.

### Twentieth Anniversary Of Reorganization Of The Iuka Lions Club Celebrated....

The twentieth anniversary of the reorganization of the Iuka Lions Club was celebrated at their meeting February 18, 1997. President Lion Ned Boston presented "20 YEAR SERVICE" chevrons to the three Charter Members remaining active leaders in the Club. Shown above are Lion Bobby Riley, President Lion Ned Boston making the presentation, Lion Don Cowell and Lion J.R. Long.

## Iuka Lions Club News

### 20 Years Of Service

The members of the Iuka Lions Club would like to say Thank You to this community for your support these past twenty years. Thank you for your donations enabling us to help the needy.

Goodness knows how many pairs of glasses have been bought, there were Leader Dogs, artificial eyes, hearing aides, transportation to the doctor, and community service.

Now, they tell me a good reporter only reports facts, things they can prove to be the truth. Well, I've got the backing for this one! The Iuka Lions Club is a working Club, and when they say "We Serve, it comes from the heart, they mean it. And it is because of Lion Cowell, Lion Long and Lion Riley that I can say that. They with each having 20 years of service, gave proven that they know the rules.

We dispensed with the regular format of our meeting Feb. 18th, except the most important things, Lion Toney Mobley gave our invocation and Lion Jerry Lambert led the Pledge to the Flag, then we celebrated our anniversary. Those joining the celebration were Lion Bobby and Mrs. Riley, Lion J.R. and Mrs. Long, Lion Don and Mrs. Cowell, Lion Bill and Mrs. McKinney, Lion Jerry and Mrs. Lambert, Lion Toney and Mrs. Mobley, Lion Lowell and Mrs. Wynn, Lion Ray Lee, Lion Imogene Lee, Lion Jerry Boyd, Lion Ned and Mrs. Boston.

We missed Lion Bob and Mrs. Marshall. They were away on one of those adventure-some vacations and didn't get home in time to make the party. You missed a good one.

Thank you, Norma, for a wonderful dinner and helping us have such a fun party, and believe me, from the sound of it, it was a "fun" party.

I could go on and on about

our party, but the space man at the paper said enough is enough.

We were sad with the death of Dr. Louie Coker and extend our condolence to the Coker family. The community has lost a good friend, but he left us some beautiful memories, and they will be there with us for a life time.

Let's give these three charter members a good start on another 20 years at our next meeting Tuesday, March 4th, 7:00 p.m. directors at 6:30 p.m., at the Country Cupboard. Bring a Friend.

P.S. I'm not a real reporter, I just enjoy visiting with you. See you later.

## REMEMBER THE DREAM...

February is  
Black History Month.

A history that is eminent in all walks of our everyday life. A history from the Niles to all continents, from the dirt of the earth.

A history of culture in religion, literature, spirituals, dance, music, over 101 superb inventions of which we use daily in every season. We can note the birth of (jazz, blues, ragtime, advances in visual and performing arts).

There was depression in this history but, World War II housed many devoted and loyal african american servicemen for this nation to become great. History is in our Capital, Washington, D.C., read deep on the monuments, the dollar bill, 13 Masons that signed the Declaration of Independence, New York (Statue of Liberty). There is definitely much history - still forging forward with the dream that non other than the remarkable, awesome, peaceful individual Dr. Martin L. King, Jr., a man of love for all mankind. His dream was evident even in the pass and is now in the present, there's no cap for a bottle or jar for this history—the Elevator is steady going upward with more history being discovered. In every field of human achievement Black Americans played a invaluable part. Every epoch of American History is marked by black artist, poets, craftsmen, science & medicine, philosophers, educators, entrepreneurs, politicians of courage and originality (Law & Government).

**Always Opened For Pulmonary Rehab Patient**  
Gail Hamilton, who is breathing much easier as a result of a new program at Iuka Hospital. From left are Exercise Physiologist Keta Stephens, Gail Hamilton, Candice Whitaker, CRTT, and Alisa Parsons, CRTT.

## "New Way of Life" for First Graduate of Pulmonary Rehab Course at Iuka Hospital

The first patient has successfully completed the first week course of the pulmonary rehabilitation program at Iuka Hospital. Gail Hamilton has been given hope and is experiencing greatly improved health as a result of her own determination and thanks to the efforts of the special people in this unit.

The Pulmonary Rehabilitation Services program at the Iuka Hospital began in August 1996 to help patients who suffer from pulmonary (lung) conditions like asthma, emphysema or bronchitis. Pulmonary rehabilitation (PR) provides specific endurance - strength training and education for persons experiencing these debilitating respiratory diseases. "This program is the only thing that has happened to me in several years!" said Gail Hamilton after completing the course. Her story and her progress are remarkable.

"My health had deteriorated to the point that I could walk very few steps without pausing to catch my breath," reports Hamilton. Her blood pressure was dangerously high. Dr. Soued referred me to the hospital for a breathing test and Candice [of the staff] told me about the rehabilitation program. I was in need of help and willing to try anything so two weeks later I enrolled in the program."

"I was so short of breath that I had to come into the building in

a wheelchair. When I first looked at all the equipment, I thought, do they think I can do any of this?" Hamilton recalls.

"The first time I tried to work out, I lasted about three minutes. I wondered what I had gotten myself into but my choices were to sit in the apartment alone or go back. I went back. The staff worked with me, closely monitored my heart rate, blood pressure and oxygen level and slowly, slowly I improved."

"After two weeks I noticed I could do my everyday household chores without exhaustion. Soon, friends and neighbors began to notice the difference in my general health," said Hamilton.

"This is not just an exercise program - it's a new way of life. I didn't get in this shape overnight and I know I have a long way to go to be well, but this program has given me hope."

Hamilton urges, "If you have breathing problems - talk with your doctor and get into rehabilitation. If you smoke, find someone or something more important to you than cigarettes. Stop smoking. It is never too late to take the first step to improve your health and life."

The basic 18-week course is scheduled for Tuesday and Thursday of each week but is flexible to accommodate personal schedules. Family members are encouraged to participate because chronic lung disease affects the entire family.

## CP Poster Child Featured In Telethon This Weekend On Florence Channel 15 WOWL

by Pamela McRae

Kyle Wilson just turned five years old January 30th and he has hit the big time!

Kyle will be featured on television this weekend during the annual United Cerebral Palsy of Northwest Alabama Telethon that will air on Florence Channel 15-WOWL.

Kyle, the son of Stanley and Debbie Wilson of Muscle Shoals, is the 1997 poster child for United Cerebral Palsy of Northwest Alabama, where he has attended classes since he was about a year old, according to his grandmother, Hazel Martin of Iuka.

The Center, which is almost entirely funded by area citizens through the telethon sponsored by the Florence Civitan Club, serves children, from birth to six years who have cerebral palsy, possible cerebral palsy, developmental

delay or spina bifida. Services are provided at no cost to the families. They help the children with socialization, language stimulation, physical therapy special education as assistive technology, according to center literature.

Kyle also goes to physical therapy regularly, and enjoys videos and loves people, his grandmother says. He has a loving 18-month old sister, Carlee Jo, who loves to help take care of her big brother.

Kyle has already made several public appearances in preparation for the telethon. Be sure to watch for this special guy this weekend on the telethon on Channel 15, which is channel 8 on Iuka cable.

His other grandparents are Jo Anne and Carl Humphries of Florence and he is the grandson of the late Freeda Wilson of Iuka.

## Facts About The BIBLE BY JOHN LEHTI

### JUDGING ALL MEN

THE CIVIL MAGISTRATE, OR JUDGE, GOES BACK TO THE TIME OF MOSES. ON THE ADVICE OF HIS FATHER-IN-LAW, JETHRO, MOSES ORGANIZED THE JUDICIARY OF ISRAEL--AND ONLY IN MATTERS OF GREAT IMPORTANCE DID MOSES MAKE DECISIONS. TRIBAL HEADS WERE KNOWN AS PRINCES AND ELDERS WHO POSSESSED CIVIL AND RELIGIOUS AUTHORITY. IN THE JUDICIAL SYSTEM THAT HE ORGANIZED MOSES INCLUDED THESE OFFICIALS AND THEY RETAINED UNDER NEW REGULATIONS, THEIR HEREDITARY FUNCTION OF JUDGING. (DEUT. 1:15-17) BEFORE HIS DEATH MOSES GAVE DIRECTIONS THAT THE ISRAELITES, ON SETTLING IN CANAAN, SHOULD APPOINT JUDGES AND OFFICERS IN ALL THEIR TOWNS WITH INSTRUCTIONS TO REFER MATTERS TOO DIFFICULT FOR THESE MAGISTRATES TO THE PRIESTS. THIS BECAME A TRADITIONAL CUSTOM, AND WAS USED BY SAMUEL IN LATER YEARS WHEN HE BECAME TOO OLD TO JUDGE AND HE MADE HIS OWN SONS JUDGES OVER ISRAEL (1 SAM. 8:1)

THIS DEVOTIONAL & DIRECTORY IS MADE POSSIBLE BY THESE BUSINESSES WHO ENCOURAGE ALL OF US TO ATTEND WORSHIP SERVICES.

## In Memory of Sue Ann Luttrell

Today we think of how long we have already been without you -

It seems so strange that it could possible be four years,

Mother, we don't know how we have ever managed without you -

But we realize that the Lord would not have took you, if He were in doubt.

But still Mother, there is times that there is no one that can fix or solve the problems that you once had to -

You always had a way to take all the hurt and pain away; A "Mother's" love, what more could a person ask for?

We sit and look at pictures from the past of our birthdays, and our Christmas's together, how you strived to make each one just right! And how you stood so strong and never let anyone know just how you felt, if only we knew -

Mother, you left with so many things; for us to ask, and for us to say - We just never had any idea, that your time was so near -

Not only did we lose a "Mother", but a "Best Friend" as well....

We will always cherish each and every day that we had together, and hope that you would still be proud of us, if you were still here today...

WE WILL ALWAYS LOVE AND MISS YOU,  
Your Children: Tina, Gina, Travis, Cari and Casey

## In Loving Memory Of My Dear Brother On His Birthday February 28th Junior (June Bug) Harp

No day has been the same since you went home to be with the Lord, but I know you are so happy, setting on your shiny throne. I love you and miss you so very much

Your Sister Betty

## TCHS Basketball

### Big House Here They Come

The North Half Tournament began Friday, February 21 at TCHS. The Lady Braves of TC took on the Lady Tigers of Oxmore Co. while Terry played Oxford.

After being down by one point at the half (25-24) the Lady Braves came back to take charge. They out scored NC 34 to 23 in the second half. The Braves' gymnasium was packed when TC took the victory to advance to the State play-offs. TC defeated Oxmore County, 58-48. Sylvia Powell led the Lady Braves with 27 followed by Amanda Massengill with 14.

Saturday night found the gymnasium even fuller than the night before as there was standing room only. Once again, the lightning rolled through Tishomingo County as the Lady Braves hosted the Oxford Lady Chargers.

The Lady Braves were up by one at the half with a score of 30-29. Oxford took the lead at the end of the third quarter, 40-37. When the last buzzer sounded, TC had been defeated 54-43. Sylvia Powell had 15 points, while Amanda Massengill added 10.

The Lady Braves took on Bay St. Louis for the first game of the 4-A State Championship in Jackson on February 25 at 6:30. Tune in next week to see how the Lady Braves fared.

### Braves Baseball

The Braves annual 50-inning game was held at the TCHS field

on Saturday, February 22. Highlights of the game included:

The scoring of 74 runs with the Blue team scoring 47 and the White Team, 27.

Leading hitters for the Blue Team were Ricky Lambert, 12 for 23 with 3 HR's. Brian Chambers and Derek Dexter were 10 for 23 each. Casey Kirk and David Webb went 9 for 23 each. Jack Whitehurst was 8 for 32. Ryan Glover and Robert Brown were 7 for 23.

On the White team Mario Barnes was 8 for 19. Brad Cornelison, Blake Holly and Damon Dial were 7 for 19 each.

Coach Long commented that there are still several rough areas that need to be ironed out, but that he is confident that all the wrinkles will be ironed out when district play begins. Play Ball, BRAVES!

## National FBLA Week Celebrated at TCHS

TCHS FBLA Officers watch as Mr. Terry King, Assistant Principal at TCHS, signs a proclamation declaring the week of Feb. 10 - 15 as National FBLA Week at TCHS. Officers shown are (Back) Kelly Lowrey, Jami Grisham, Kristy O'Neal, Stephanie Holder, Amy McMeans, Priscilla McGee, Melissa Pounders, Emily Johnson, Shauna Daniel, and Justin Wilkins, and (Front) Katrina Parker and Mr. King.

On Monday, FBLA presented teachers with apples labeled "A+ Teachers." On Tuesday, officers dressed in uniform, and a reception was held for this year's senior FBLA members. On Wednesday students wore their FBLA T-shirts. On Thursday and Friday, the keyboarding students participated in a Type-A-Thon, and on Friday all TCHS students enjoyed the delivery of FBLA Valentine Kisses.

## Shakespeare Inspires TCHS Students

On Thursday, Feb. 13, the Tishomingo County Arts Council treated TC students to a presentation by actors from The Tuscaloosa Theater of Arts. The presentation was about Shakespeare. The duo, Nancy McCarthy and Jason Tolme, brought Shakespeare to life and presented Mr. Shakespeare as a "modern day" poet. Students enjoyed seeing the actors as they recited lines from Shakespeare's *Romeo and Juliet* and *Julius Caesar*. Students also had an opportunity to participate in the renditions. Brandy Howard and Walter Williams performed as the balcony in *Romeo and Juliet*. Amanda Walker and Airon Butler, respectively, were the nightingale and the nurse maid in *Julius Caesar*.

TCHS Seniors were really inspired by this performance on Thursday, and Friday was declared Senior Toga Day. Seniors dressed in togas to celebrate Valentine's Day and their "love" of Mr. Shakespeare. (Even Ms. Bates dressed in "classic toga.") Some of the seniors who were still wearing their togas at breakfast included Jill DePoyster, Anna Sanderson, Scott Harper, Scott Twitty, Jeremy Childress, Jeremy Piersky, Jennifer Barrett, Amy Patton, Gina McCulloch, Brandon Slack, Michael Boothe, Christy Bingham, and Robin Dillard.

## TCHS FBLA Says "Let's Make A Good Impression"

**First Impressions Are Lasting Impressions.** The FBLA Chapter at Tishomingo County High School has chosen a project for our community service project this year that is designed to help people in our county, towns, business centers, and schools recognize the importance of

making a good impression on the people who see us in action everyday. So many times we get caught up in what is going on around us, and we make decisions that are not always the best ones to make a good impression on the people who see us react negatively to some of the more difficult situations that happen just because of everyday life.

When promoting our county, our towns, our business centers, and our schools, we need to put forth a positive extra effort to "Make a Good Impression on Everyone."

Tishomingo County is one of the prettiest areas in Mississippi, and we have many people who have learned our well-kept secret, and they are visiting our area on a regular basis. They rush to Tishomingo County every chance they get to enjoy our lovely lakes and parks. Our towns are alive and well in economic areas, but we can always improve our friendliness and desire to provide needed items. Our business centers are flourishing, but we can always seek to improve.

Our schools are top notch; they have received high academic recognition; our facilities are high grade; and our sports teams are alive and well. However, we should always be looking for ways to improve them, ways to make a good impression on others. We want the impression that others

have when they look at our schools to be POSITIVE and GREAT and LASTING.

Some of the ways we can immediately influence other people and give good impressions of our schools include:

### IMMEDIATE INFLUENCE

1. We can show positive influence by attending all school events and positively participating in extracurricular activities. (Including students, and parents, and fans)

2. When attending activities such as ballgames, we should take time to adequately pay tribute to our country by a quiet, attentive, and still posture when the national anthem is played. (We must teach our young children to show pride in their country early by teaching them to be quiet and still when the anthem is played. Young men should also be taught that hats and caps are removed when the anthem is played or sung.)

3. We need to show positive support of our sports teams. In recent days, people have booed other teams at some of our games. All of our energy should be used to uplift OUR team. These school teams work hard and long to bring positive recognition to our schools. We should reward our players/students with positive chants, rewards, and energy so that other people will have the same wonderful impression of them that we have. Someone once said that to frown takes twice as many muscles as to smile. When we boo, we frown; so that means we are giving the other team twice as much energy as we are giving our own team. SHAME on US! Let's show just how great Tishomingo County High School is by MAKING A LASTING IMPRESSION THAT IS GREAT.

The Mayor and Board of Aldermen of the Town of Burnsville, Mississippi (the "Town"), took up for consideration the matter of issuing revenue bonds of said Town in the maximum principal amount of One Hundred Forty Thousand Dollars (\$140,000), to raise money for the purpose of improving the combined water and sewer system of the Town consisting primarily of the improvement of the sewer facilities of said systems of the Town. After a discussion of the subject, Alderman Blakney offered and moved the adoption of the following resolution:

A RESOLUTION OF THE MAYOR AND BOARD OF ALDERMEN OF THE TOWN OF BURNSVILLE, MISSISSIPPI, DECLARING THE INTENTION OF THE TOWN OF BURNSVILLE, MISSISSIPPI (THE "TOWN"), TO ISSUE A COMBINED WATER AND SEWER SYSTEM REVENUE BOND IN A TOTAL AMOUNT NOT TO EXCEED ONE HUNDRED THOUSAND FORTY DOLLARS (140,000) FOR THE PURPOSE OF IMPROVING THE COMBINED WATER AND SEWER SYSTEM OF THE TOWN OF BURNSVILLE, MISSISSIPPI CONSISTING PRIMARILY OF THE IMPROVEMENT OF THE SEWER FACILITIES OF SAID SYSTEM OF THE TOWN.

WHEREAS, the Town of Burnsville, Mississippi (the "Town"), is authorized under the provisions of Miss. Code 1972 Ann. §21-27-23 and 21-27-41 through 21-27-69, as amended, to issue revenue bonds in such amounts as it may find necessary and proper in order to provide funds for the improvement of the combined water and sewer system of the Town consisting primarily of the improvement of the sewer facilities of said system of the Town; and

WHEREAS, the Mayor and Board of Aldermen finds and determines that it is necessary and proper to improve the combined water and sewer system of the Town which improvements are to be done substantially in accordance with plans and specifications prepared by engineers employed by the Town and approved by the Mayor and Board of Aldermen; and

WHEREAS, the Mayor and Board of Aldermen has caused an estimate to be made of the cost of such improvements by competent engineers from which estimates the Mayor and Board of Aldermen finds that the contemplated costs thereof will not exceed One Million Five Hundred Sixty Two Thousand Dollars (\$1,562,000); and

WHEREAS, it is necessary for the health and well-being of the citizens of the Town to issue revenue bonds in order to accomplish the aforesaid improvements; and

WHEREAS, it is necessary, proper and economically feasible that the Town issue a Combined Water and Sewer System Revenue Bond, pursuant to Miss. Code 1972 Ann. §21-27-23 and 21-27-41 through 21-27-69, as amended, for the purposes herein stated and under the procedures hereinafter set forth and as provided by law.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND BOARD OF ALDERMEN OF THE TOWN OF BURNSVILLE, MISSISSIPPI:

Section 1. That the Mayor and Board of Aldermen of the Town of Burnsville, Mississippi (the "Town"), does hereby declare its intention to issue a Combined Water and Sewer System Revenue Bond of the town, in a total amount not to exceed One Hundred Forty Thousand Dollars (\$140,000) to raise money to pay the costs of improving the combined water and sewer system of the town consisting primarily of the improvements of the sewer facilities of said system of the Town and to pay the costs of issuing such revenue bond.

Section 2. The principal and interest on the said revenue bond shall be payable over a period not to exceed thirty-five (35) years solely from revenue derived and to be derived from operation of the water and sewer system of the Town. Said revenue bond shall not constitute an indebtedness of the Town within the meaning of any statutory or charter restriction, limitation, or provision, and the taxing power of the Town will not be pledged to the payment of said revenue bond, but the same, together with the interest thereon, shall be payable solely from revenues of the water and sewer system.

Section 3. ## Tishomingo County Genealogical Society Extends Gratitude

T.C.H.G.S. members were recently assisted in their cemetery research project by a Prentiss County resident.

Mr. Arvid Luther Wroten, life-long resident of the New Hope area, greatly aided Tishomingo Co. Cemetery Book members; Shorty Bonds, Betty Marlar, and Judy Walker, by guiding them to an isolated and abandoned cemetery near his home. The Barnett/Bullard Cemetery is located in a wooded area approximately one-fourth mile from C.R. 2229 in Prentiss County. Mr. Arvid proved to be very agile and spry while traveling along the trail to and from the cemetery. He seems much younger than his ninety years. He provided wonderful information and history of the area, and kept a lively conversation going.
