Summertime Fun In The Park

The long-hot days of Summer have finally arrived and these youngsters in Iuka's Mineral Springs Park have found a sure way to cool off. During their outing Monday afternoon, the young people used the spring water to splash in and refresh themselves before hitting the playground again. Enjoying the day and playing with new friends were: playing in the water - Devon Hill, age 4, and Adam Martin, age 7. Taking a rest on the fountain are, from left: Leanne Hill, age 8, Rhonda Hill, age 5, and Abbey Martin, age 10. Rhonda, Devon and Leanne are the daughters of Michelle Hill of Iuka and the grandchildren of Len Henderson of Iuka.

Adam and Abbey are the children of Marcia and Daryl Martin of Memphis. They are visiting with their grandparents, Net and Glen Smith in Iuka. They are also the grandchildren of Myra Martin of Memphis.

Cherokee Couple Robbed By Men Posing As Home Improvement Professionals

by Pamela McRae

Authorities are searching for two men that stole about \$2,000 from a Cherokee couple while at the couple's home last Wednesday.

Cherokee, Alabama Police Chief Paul Norman said the theft occurred on July 9th when two men posing as home improvement professionals entered the couple's home in downtown Cherokee to gather information on home improvements.

The men did not specify employment with any company, and both appeared to be between the ages of 35 and 40. One was dressed professionally, in a black suit, Norman said, and they may have been driving a dark green van.

One man took the couple into the bedroom, to measure the walls, while the other man took about \$2,000 from the woman's purse in the living room, Norman said.

The couple was promised an estimate for the improvements by mail in a few days.

Norman said this was the only such incident that had been reported, and that the investigation was continuing.

Law enforcement officials say these kind of scams primarily prey on the elderly, who often are trusting and don't thoroughly question

the people or their motives.

Tishomingo County Sheriff David Smith said that there have been no such incidents reported in Tishomingo County, but urges people to consider the experience of the Cherokee couple as a warning, and to be cautious anytime someone comes to the door.

"Don't let in people you don't know," advises Smith. "Look for official identification in the form of company logos on vehicles, or uniforms. People who are legitimate should immediately offer official identification prior to being admitted to your home," said Smith.

Family Council

Exploring Alzheimer's Disease

July is the month for our family council at Tishomingo Manor. Dr. Loralu Rayburn and Doug Manning will discuss the different stages of Alzheimer's and what to expect with each stage.

"What To Expect"

Thursday, July 17, 1997, 5:30 p.m. at Tishomingo Manor, 230 Kaki Street, Iuka, MS.

We look forward to seeing you on Thursday. Please feel free to bring visitors. This will be a very enlightening program.

Man Arrested; 184 Plants Seized by Sheriff Dept

by Pamela McRae

A Burnsville man is in custody and 184 marijuana plants were confiscated after a law enforcement team raided his Burnsville home Tuesday evening, according to Tishomingo County Sheriff David Smith.

Lance Heavener, 34, of 15 Ruby Lane in Burnsville, was charged with possession of marijuana with intent to distribute and manufacturing marijuana. His initial hearing was scheduled for Wednesday morning.

The 6 p.m. raid resulted in 184 marijuana plants being confiscated from a field about 50 yards from Heavener's house, some as tall as four feet. Street value of each plant is estimated to be from \$1,000 to \$2,000, said Smith.

Other items confiscated included marijuana paraphernalia, and a misdemeanor amount of marijuana inside the house.

The sheriff's department was aided in the operation by the Burnsville police, Mississippi State Troopers, and the Mississippi Bureau of Narcotics.

"Once again, cooperation between agencies was critical to the success of this investigation," said Sheriff David Smith.

Masked, Armed Men Rob Alabama Package Store

by Pamela McRae

Two men are still at large after they held four persons at gunpoint while robbing a Colbert County package store last Saturday night.

According to Colbert County Alabama Sheriff Buddy Aldridge, two masked men armed with handguns robbed the R & L Spirits package store (formerly Alfred's) about 9:15 p.m. Saturday. They forced a customer who was outside the store to go in with them, and then demanded cash from the two cashiers and another R & L employee. No one

was hurt during the incident.

By the time the Colbert County Sheriff's Department received the call from one of the robbery victims at R & L, the two had already left the establishment in a light-colored car, thought to be a early 1980s model Chevrolet, and were headed west on U.S. Highway 72.

The Tishomingo County Sheriff's Department was dispatched to the scene and alerted to watch for the gunmen, but they were not sighted again.

They took an undetermined amount of cash and an

individual's wallet, said Aldridge.

The identification of the men is unknown, Aldridge said. The two white males were both more than 6 feet tall, and were both armed with handguns. One wore a ski mask during the incident, and the other a bandana over his face.

Aldridge asked that anyone with any information regarding the incident or the identification of the two men to call the Tishomingo County Sheriff's Department at 423-6185 or the Colbert County Sheriff's Department at (205)383-0741.

Tri-State Network Project Transfers Equipment to Tish. County Schools Free Internet Access Will Not Be Continued, District Regrets

by Pamela McRae

The end of the Tri-State Network Demonstration Project funding means the end of free Internet access for Tishomingo County "net surfers", but county school children will reap the benefit with the transfer of all Tri-State equipment to the county school district.

Phase I of the Tri-State Network Project, directed by Dr. Dan Brook at Mississippi State University, has been completed, according to a recent letter from Brook to all the users of the Tri-State Internet access program. Phase I provided some equipment to local businesses and free access to the Internet.

Funding for that part of the program was always limited, Tri-State officials have said, and the goal was for the school system, or perhaps a library system, to eventually take over operation of the

network server that allowed anyone in Tishomingo County to access the Internet by a local number, and without the user fees of commercial subscribers.

At the time Tri-State started, Internet subscriber services that provided access with local phone numbers were virtually unknown in the county. But now several provide access with local numbers, and cost only the user monthly fee.

New Owners of System: Tish. Co. Schools

Tri-State subscribers were directed in Brook's letter to contact Randy Northington of the Tishomingo County Special Municipal School District, to which the equipment and access numbers were transferred at no cost, for information.

Superintendent Dr. Carl Weeden said in a Monday release

that the businesses that have received computer equipment can continue to use the computer hardware items that were given them by the Tri-State Network Project, but regretted that the school system could not continue the free Internet service.

"It [a school-operated Internet server] has been discussed," said Assistant Superintendent Stanley Magill, "but the cost of maintaining such a system would be prohibitive, and we can't compete with the private commercial servers."

The school children will gain much from this transfer, said Magill. There will still be free access for the schools.

Weeden said in his release that he hopes the Tri-State participants will investigate the use of private vendors for their network service.

Kimberly South "Tentmaker Missionary" In Los Angeles

Kimberly S. South, daughter of Mr. and Mrs. Charles C. South of Tishomingo, Mississippi has recently begun a ministry assignment in Los Angeles, California under the sponsorship of the North American Mission Board of the Southern Baptist Convention.

Miss South, a recent graduate of William Carey College in Hattiesburg, is serving as a "Tentmaker Missionary" through the Mission Service Corps Department of the North American Mission Board.

Tentmaker missionaries follow the example of the Apostle Paul, who made tents to financially support his ministry.

Tentmaker missionaries work in the marketplace throughout the United States,

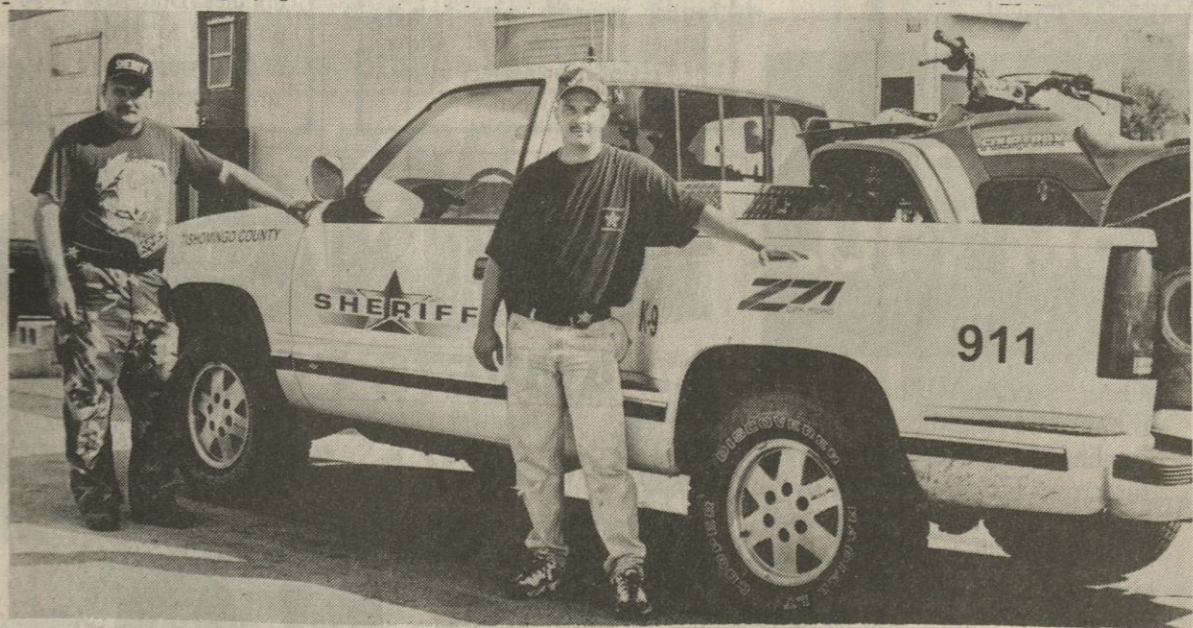

earning their financial living as teachers, accountants, physicians, plumbers and in many other professions. In their evenings and on weekends, tentmaker missionaries provide leadership in a variety of Christian ministries. Some help start new churches.

Others work in inner-city ministries. Still others serve as ministers of youth, music, children or senior adults.

The tentmaker missionaries serve as volunteers in their Christian work, thereby making possible many needed ministries which would not be possible if only fully-salaried missionaries were used.

Kim's initial assignment is with The Church on Brady, a multi-ethnic Southern Baptist Church in east Los Angeles. She joins a volunteer army of over 2300 Southern Baptists, ages 19-92, who serve in all fifty states and American territories.

For more information on how you may become a Southern Baptist mission volunteer, contact Dr. Carl Barrington, 5295 Twillingate Place, Duluth, GA 30097.

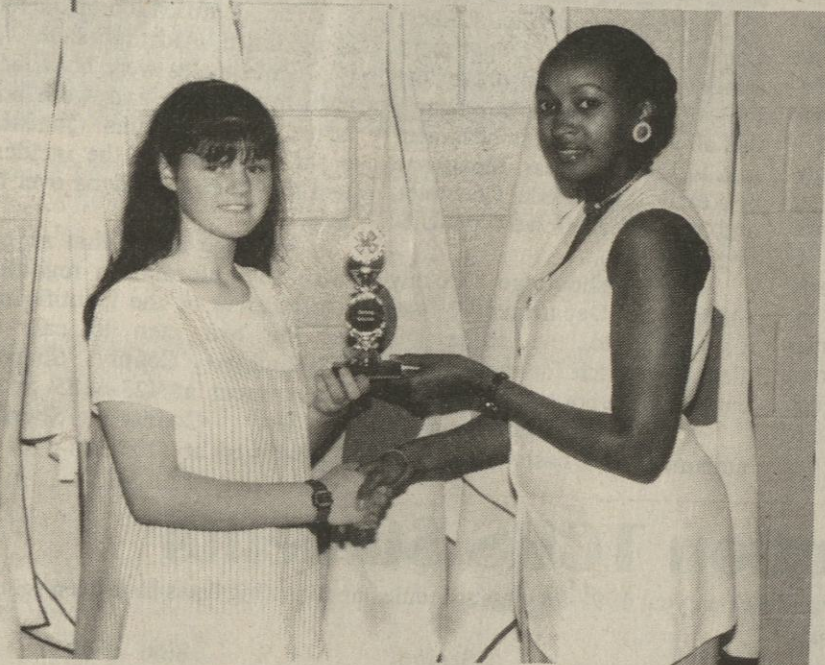

Sheriff's Department Benefits From Drug Investigation

The citizens and law enforcement of Tishomingo county were able to reap the spoils of someone else's illegal activities after this Chevrolet truck was confiscated from a now-convicted drug dealer in the County. In some cases, like this one, law enforcement officials can keep seized vehicles if they were used for committal of a crime.

The addition of the late model truck to the sheriff department's pool of vehicles comes at an especially good time, said Sheriff David Smith, since some of his regular vehicles have recently been out of service with some maintenance problems. Pictured with the truck are Smith and Deputy Rodney Pannell.

An Easy Way To Protect Cucumbers And Cantaloupes From Belly Rot

Having problems with fruit rot in your cucumber and cantaloupes? It's no wonder, given our wetter than usual gardening conditions this season, a lot of otherwise edible cucumbers and cantaloupes have been lost to belly rot. And, this disease doesn't take long to ruin otherwise good quality cucumbers and cantaloupes. Belly rot is a fungus problem which shows up when moisture collects on the "belly" of the fruit, and is most often a problem following rainy periods, so anything that will keep the bottom-side of cucumber and cantaloupe fruits dry will help reduce the rot problem. One approach that has been used successfully is placement of discarded egg crating or fruit crating material beneath cucumbers or cantaloupes. Crating material can be cut down to the appropriate size and placed under the fruit while they're still small and less susceptible to infection by the belly rot fungus. The crating should be placed so that fruits are cradled, thus insuring faster drying following rainfall. Plastic foam crating will also work, but remember to remove these following the gardening season, since Mother Nature won't break down this material. Other materials can be used, just as long as they provide a barrier to promote a little "breathing room" beneath the bottom of fruits and the soil. What about chemicals for control of the problem? Fungicides don't work too well, so give soil barriers a try. And, keep your fingers crossed for weather conditions more favorable for home vegetable gardening.

Pumpkins

When to plant? Larger varieties take longer to mature so check the maturity date. On a 120 day variety you will need to plant NOW. Where to plant? Select a site that receives full sun, has rich, well-drained soil with a pH around 6.0, is close to a water source, is free of serious weed problems, and is away from squash that may be a

source of insects or diseases. Give each plant plenty of space, and treat regularly with a fungicide and insecticide. At no time should the soil be allowed to become completely dry but be careful not to over-water and drown the plants. Water early in the morning and keep water off the leaves to prevent diseases. It is possible for a growing pumpkin to gain 20 pounds a day and that is mostly water. Fertilization? Using a water soluble fertilizer can prevent over-fertilization foliage and root burns. Compost and composted manure will improve the soil and give stronger vines. Large pumpkins are subject to sunburn and cooking in the hot summer sun when they stick up above the leaves. This causes them to collapse. Consider placing some type of sun screen or shade over the pumpkin but not the vines.

Two Orientation Sessions Remain At NEMCC

Northeast Mississippi Community Colleges has two sessions of freshman orientation remaining for July 22 and 24.

According to Donnie Sweeney, director of counseling services at Northeast, orientation is designed to assist each student in making a smoother transition into college life.

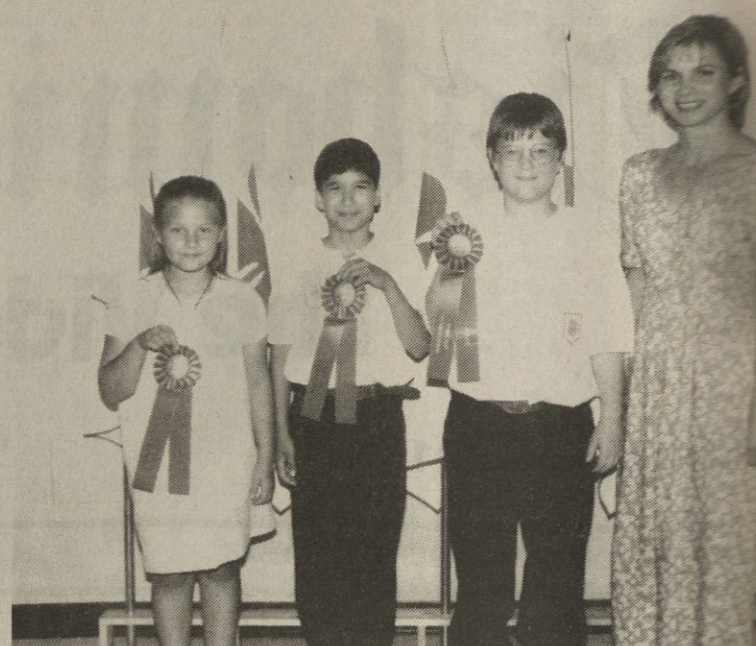

"Every effort will be made to give students a worthwhile and meaningful experience, one that will help them feel at ease at Northeast," Sweeney said.

"Making the transition from high school to college can be a traumatic experience, and we will attempt to ease the strain through our orientation program.

"Orientation is an opportunity for students to meet advisers, learn more about their major, and register for classes.

"It's a good time to learn the campus and meet individuals they'll be working with at Northeast.

"Attending orientation can make a real difference in a

student's getting off to a good start for their freshman year and it's well worth a student's time to attend orientation," Sweeney added.

Freshmen can attend either of the two remaining sessions which begin at 8:30 a.m. and end at approximately 3:30 p.m. Lunch will be served.

A \$25 fee must be paid upon arrival at orientation. However, students are not required to pay tuition at orientation.

Summer Heat Hazards

Unlike humans who dissipate heat through sweating, dogs and cats do NOT have sweat glands, and depend on panting as their primary means of cooling themselves when overheated. This is not a highly efficient mechanism, particularly in animals with long or dense haircoats and in obese animals.

Along with weight control, it may be important to actually shave long-haired dogs and cats during the summer months to help a pet control body temperature and prevent heat stress.

Heat stroke is the most serious form of overheating (body temperature over 103 degrees). It can kill within a matter of minutes. NEVER leave a pet or a child locked in a closed car when outside temperatures are high, inside the temperature can reach over 150 degrees within 10 minutes.

Panting and reluctance to move are the first signs of overheating. DON'T delay treatment. Seek medical treatment right away, even if the pet "seems to be doing OK". Serious complications can develop several hours after a pet has been exposed to high environmental temperatures. If you are worried that a pet is seriously overheated and it's impossible to get the animal to a veterinarian, it is possible to lower the body temperature by immersing the pet into cold water for 10-20 minutes. A very effective technique is to provide continuous cool water running with a hose for 10 to 15 minutes. Don't overdress it. It is possible to seriously lower body temperature in heat stroke victims.

Tomatoes Growing On Potato Plants?

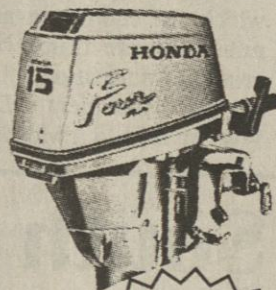

I have heard of several instances this year where potato plants are blooming and producing tomatoes. According to Dr. David Nagel, Extension

Horticulturist, these "tomatoes" are the fruit of the potato plant. Tomatoes and potatoes belong to the same family and their foliage and fruit are very similar. This would be a novelty except for the fact that the potato fruits are POISONOUS. The fruit contains large amounts of solanine which can make the consumer very nauseous. Some people have died from ingesting large amounts of solanine. This problem is compounded by the garden catalogues offering a tomato top grafted to a potato bottom. This plant truly does

Enforcing Child Support Payments

Collecting child support is a serious problem for many parents. There are steps one can take to collect unpaid child support. They generally include:

- automatically deducting child support payments from the delinquent parent's wages;
- putting a lien on the property of the delinquent parent; and
- intercepting state and federal tax refunds of delinquent parents and deducting the amount of child support they have not paid.

People who are owed child support can seek legal help to learn more about these remedies as well as other options available to collect delinquent child support.

Your Dental Health

What Are Crowns and Why Are They Used?

A crown is a restoration that covers, or caps, a tooth to restore it to its normal shape and size. Its purpose is to strengthen or improve the appearance of a tooth.

A crown is placed to replace a large filling when there isn't enough tooth remaining to refill, to protect teeth from fracturing, to restore fractured teeth or to cover badly shaped or discolored teeth. It may also be used to attach a bridge.

It is especially important to remove plaque with dental floss when you have dental crowns to prevent gum disease.

Tishomingo News

By: Willard Strickland

A deeply belated sympathy goes out to Mr. and Mrs. Wendell Southward at the passing of Mrs. Southward. Father he lived in Meridian, MS and died June 14th. We had not learned of the death until last week and you certainly have sympathy from all your Tishomingo friends.

Ronnie Cox, Amanda, and Kalah of Belmont spent Sunday afternoon with Mrs. Willa Dean Cox and Stevie.

There is around 200 children and adults at Magwood Christian Camp near Hamilton, AL this week. All of our grandchildren are there, all having a good time. Liberty was well represented there.

The Tishomingo American Legion and Aux. Post 144 will be meeting at the Sportsman Cafe on Friday night, July 18 at 6:30, regular meeting, please try to be there.

I enjoyed a long talk with Grace Tidwell today. She is by no means a well person but trying to stay in and doing as well as she can. Pray for Grace that she can regain her health and feel better soon.

The Tishomingo Homemakers Club all motored to Corinth last Tuesday night for their Summer club picnic luncheon. They met at John's Fish and Steak House for their meeting and dinner around 7:00, with 10 present and all enjoyed their meal.

Had news today that Mrs. Edna Harris was hospitalized at Iuka Hospital over the weekend. We send our prayers and get well wishes her way.

All of the Tishomingo County Homemakers clubs met at Pickwick Inn on Saturday for the Club's outing that they have each year. The crowd was down some. Tishomingo had 5 present for a

delicious meal. They were Mr. and Mrs. Ray Byram, Eva Mae Strickland, Shirley Thorn and Opaline Crouse.

Mrs. Jeanette Thorne has not been well having some bad kidney stone attacks. We hope she's soon better.

Mr. and Mrs. Warren Kennedy had to miss church on Sunday neither one was able to go. Pray for the Kennedys they are very prayerful friends.

The Kennedys were in outpatient hospital in Tupelo on Monday. Mr. Kennedy had some surgery done. We all send him get well wishes and pray he does well.

Hilton Dillard building flower beds and doing a great job.

Thank You

We, the family of Hilton Dillard, would like to thank those who helped in our trial and sickness during Hilton's stay in the hospital for 6 months. Thank you to the doctors and nurses of Gilbert's Home Health, and Dr. Flannery and Dr. Kitchens and their staff.

Special thanks to Bobby Crum, Stephany Jones of Corinth, RN's who helped me so much. Also Tammie Rooker who sat with us long hours at Gilbert's Home Health nurses and aids.

Thanks also to all who sent cards, flowers and had prayer teams. Many churches prayed for us and God gave us strength and recovery. Any one who helped us in any way, may God bless you everyone - our family and friends.

Thanks, Thanks

Mr. & Mrs. M. C. "Jack" Sparks Celebrated 51 Years of Marriage On July 4, 1997

M. C. Sparks and Mary Laura Cummings Sparks were married in 1946 in Iuka, Mississippi.

July 5, 1997, Mr. and Mrs. M. C. "Jack" Sparks were honored with a celebration for their 51st Anniversary at their home by 30 members of the James L. "Jim" Cummings and Mable Robinson Cummings descendants. Jack and Mary Laura Cummings Sparks were married in 1946 in the home of Rev. Singleton, in Iuka, Mississippi.

Pictured here are Mr. and Mrs. Sparks, daughters and families: Mary Sparks Russell and husband John Russell (grandson John Mark Russell was away at college); and Margaret Sparks Saad and husband Albert Saad and daughters Laura, Nicole, Grace and Laura's fiance Josh.

Revelations 21:4. And God shall wipe all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain.

My husband's body was laid to rest in the Belmont Cemetery Wednesday after noon, July 9th. His spirit went back to God who gave it. He is there now waiting for me to join him and I am ready to go.

Central Truth of Sunday School lesson: Teach others so that God's work will grow.

Devotional: "Approved Workers". 2nd Timothy 2:15,16. Verse 16. But shun profane and vain babblings; For they will increase unto more ungodliness. Don't say what you think the Bible means, be sure that it does.

Timothy: A trained Leader: Texts Acts 16:1-5. 2 Timothy 2:1-7. When Paul reached Derbe and Lystra there was already a disciple there named Timotheus. His mother was a Jewess but his father was a Greek. The Jews would not listen to him because of this. Paul took and circumcised him so he could work with him. Verse 6. and so were the churches established in the faith, and increased in number daily. Read 2nd Timothy 2:1-7.

Sunday morning Ryan McCoy sang "Climb Sunshine Mountain". Bro. John sang "In the Garden". Then

selected Mark 9:17-24 for his message. Verse 24. And straightway the father of the child cried out, and said with tears, Lord, I believe; help thou unbelief. This is a prayer that all can pray with great profit. Read Luke 7:38, Acts 20: 19-13. 2nd Timothy 1:3, Hebrews 12:16.

Sunday night Bro. John took his message from the Book of Jeremiah 3:12-23. Disobeying the voice of the Lord, and what happens when you do. This wasn't written for the house of Israel, only but also for us. Verse 13 says, You have not obeyed the voice of the Lord. This is a message for now and later. If you are in a backsliden condition repent and return to the Lord. Verse 12. And He will be merciful, He will not keep His anger forever, He is Great. He is everything you need.

I am afraid my pecans are not going to be any good, but looks like I may have a few scupernongs.

Attention:

Anyone having relatives buried at the Carpenter Cemetery, please remove all old flowers from the graves in order to make room for the new ones to be put on Decoration day.

Huge Rattle Snake Killed - Last Thursday night, Odle Davis killed this 56-inch rattlesnake near his Hubbard Salem home.

56-Inch Long Rattlesnake Killed; Watch for Snakes

by Pamela McRae

A 56-inch long rattlesnake that weighed 22 pounds, and was as big around as a man's leg was shot and killed about ten feet from the front door of a home in the Hubbard Salem area.

Mr. Odle Davis killed the rattlesnake last Thursday night with his .22 caliber rifle, after an afternoon of hunting on his four-wheeler for the snakes that seem particularly numerous this year in the Hubbard Salem area, which is near the former NASA site at Yellow Creek. The snake measured 10 inches around, Davis said, and he shot it in his driveway.

Davis had just that afternoon returned from neighbor Gerald Grisham's home, where Grisham

had also killed a rattler that day, not to mention another Grisham had killed in his garden not two weeks earlier.

Nearby, Mrs. Billie Bonds also had a close encounter recently with a rattler sporting at least a dozen "rattles," who chose her front porch as a fine place to nap. She called the nearby One Stop Grocery for assistance, and a man from there and her daughter

Sissy assisted the snake on to its final resting place, reported Davis.

Another Hubbard Salem resident, Rev. Oneal Davis, also killed a 53-inch long rattler that was sighted by his wife Fairy and grandson Zack Crum.

The Hubbard Salem and

Coleman Park areas are well known for their snake populations, and over the years this paper has received many reports and pictures of the snakes that folks kill up there. In fact, more than 30 years ago, the County News ran a photo of Odle's father, the late Lee Belle Davis, with a sizable rattler. Odle says his father used to say that the snakes have a den in Caney Hollow, which is about 1/2 mile from his home, which is the old Davis homeplace, where he grew up.

Step carefully and be on the lookout for these deadly creatures, Davis said. Whether the wet summer weather is responsible for the seemingly large snake population this year is unknown, but whatever the reason, caution is urged when in any wilderness environment.

Update....

Benjamin Coker, the son of Johnny and Robin Coker, is finally at home. He is doing as well as can be expected. We sure do appreciate everything everyone has done.

Benjamin is still going to have to have two more surgeries. We aren't sure yet when they will be. He weighs about seven pounds and is eating small amounts. He

will have to return to Lebonheur for more tests tomorrow. Please keep him and his family in your prayers.

Area Students Named To Dean's List At Auburn University

Auburn University students who meet specific scholastic requirements each quarter are placed on a list for the dean of the student's school or college for recognition of outstanding academic achievement.

To qualify for the dean's list, students must be enrolled for 15 or more graded credit hours, pass all courses attempted for the quarter and earn a grade point average of at least 3.4. Also, the dean of each school or college has more specific criteria, which may include a higher GPA than the university requires, for inclusion on the list.

The following student who met the criteria from our reading area is Kelley Rutledge, Pharmacy.

Kelley was also inducted into Rho Chi honorary pharmacy fraternity. She is the daughter of Mr. and Mrs. Bill Rutledge of Iuka.

Rain Dampened Plans But Not Team Spirits

Due to the wet and rainy weather, the RELAY for LIFE with the American Cancer Society was rained out. However, this year's Relay was not a failure. The teams that committed worked hard and raised their money. A total of \$5,750.01 was turned in. "Thank you" to all the teams that participated, without your hard work this could not have been accomplished. Thanks to all the businesses and individuals throughout the county that made generous donations. A special thanks to the Iuka Hospital and the Segars Clinic for being corporate sponsors. Last but not least, thank you to Johnny Biggs and the Tishomingo County News staff for all the ads you did for us. Plans are already under way for next year's RELAY. We hope to have more people involved and to make this an annual fundraising event that everyone can enjoy.

Busby Reunion

The family and friends of the late J. Nubern Busby, and Augusta Busby will have their annual reunion Sunday, July 20, 1997. PLACE: Iuka Mineral Springs Park Youth Center. TIME: Building will be open at 10:00 a.m. to 4:00 p.m. Make an effort to come to our family reunion. Bring a covered dish, pictures and other items of interest, to share with the rest of the family. "All family and friends of this family are invited to come and enjoy the day with us. We are looking forward to seeing you there, to enjoy food and fellowship."

We are planning to have a lot of fun and good eating, so don't miss out!

Pastor Troy Harrison and congregation invite everyone to attend.

Nursing Assistant Training

The Northeast Extension Center in Corinth, is offering FREE training in the field of Nursing for Nurse Assistants. If you are interested in entering the field of nursing, and you feel that being a caregiver is the career for you, entering the Nursing Assistant Program should be your first step.

Students receive both classroom training and clinical training. The clinical training is located in hospitals, home health services, nursing homes, and other locations. This variety of training prepares the students for careers in the areas they select.

While enrolled in the program, the students receive a travel allowance of \$120.00 each month, plus a child care allowance. Upon successful completion of the program students receive a license and certificate. Job-placement services are available to assist students in locating employment.

The class meets Monday through Friday, from 8:00 a.m. through 2:30 p.m. If you would like more information call the Extension Center at 286-8871, or the Job Service at 286-3308. In Iuka call 423-9231.

Cortney's Community Chats

By Cortney Compton

I had a wonderful time at the Miss Mississippi pageant last week. I met so many talented and beautiful young ladies from all over the state. As the week started out, we were all strangers. As the week ended, we were the best of friends. I guess the hardest part of the whole pageant was saying "goodbye!"

The first big event I attended was a parade of contestants down the streets of Vicksburg. We rode in appointed convertibles capturing the crowds attention with our hospitable "hellos"! After that, we were escorted into a big fancy room where each contestant could sign autographs! I simply wrote on my picture "whatever your heart desires can come true. All it takes is for you to provide the magic!"

"I had to learn to dance! I

can't because I have two left feet. I kept the girls smiling because I looked like an Olympic event in the first dance."

We had security around us at all times. I only got to see my family ten minutes each night.

The week was filled with lots of practices, little food, and tons of laughter. I'm so proud to be back home. I missed all of you so much. Thank you for all the calls, prayers, cards, and flowers. They meant so much to me. Although I didn't win Miss Mississippi you all made me feel like I did! At least I can say the new Miss Mississippi shared the bathroom with me! We were suite mates! As I end this column I'd simply like to say success is often found in failure. It's nice to be important, but more important to be nice.

Summer is here! Close your eyes and take a deep breath. Feels good, right. The warm sunshine on your face, the sweet smell of cut grass, flowers and the gentle breeze that just washes over you. Nothing like summer in the South.

Well, let's see with summer comes yard sales. And there have been some real good ones around,

the area church meetings, there is nothing like the fine gospel meetings around here, and lots of baseball games.

Burnsville Public Library has been receiving new books and helping a few people find college information. I have been practicing on the interest. So this

Miss Anne Alicia Ferrer To Wed Mr. Michael Jason Odom

Miss Anne Alicia Ferrer will marry Mr. Michael Jason Odom at Saint Mary Magdalen Catholic Church in Metairie, LA, on August 16, 1997.

The bride-elect is the daughter of Mr. and Mrs. Joseph A. Ferrer, Jr. of Metairie. She is the granddaughter of Mr. and Mrs. Ernest Perez, the late Mr. Joseph A. Ferrer, and Mrs. Lucille L. Ferrer, all of Metairie.

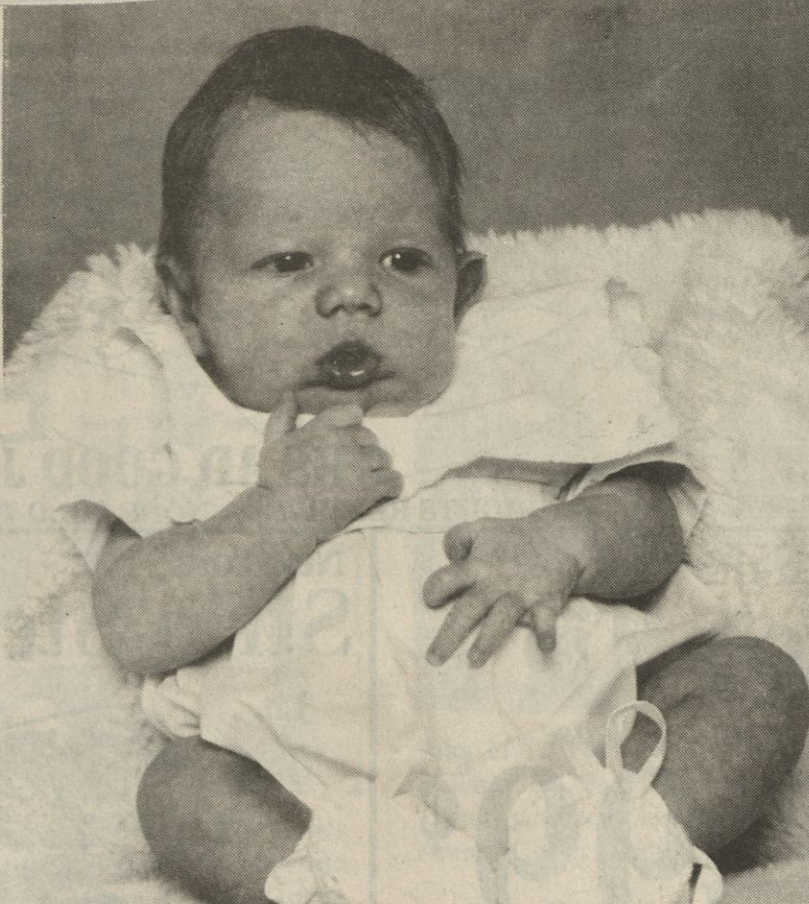

The bridegroom is the son of Mr. and Mrs. Tommy K. Odom of Burnsville. He is the grandson of Mr. and Mrs. W.E. (Ed) Hardwick, the late Mr. Tom Odom, and Mrs. Earlene Brown, all of Burnsville.

Miss Ferrer is a 1992 graduate of Saint Mary's Dominican High School. She is a magna cum laude graduate of the University of Mississippi where she earned her bachelor of arts degree in philosophy with a minor in Russian. While attending the University, she was a member of the University Honors Program, serving as program student director for a year. In addition, she

was president of Gamma Beta Phi honor society, a member of Phi Kappa Phi and Golden Key honor societies, and a member of Phi Eta Sigma philosophy honor society. She is currently seeking her master's degree in computer science.

Mr. Odom is a 1992 graduate of Tishomingo County High School where he was valedictorian. He was a summa cum laude graduate of Mississippi State University, earning a bachelor of arts degree in English. He was a member of Phi Kappa Phi, Golden Key, and Gamma Beta Phi honor societies. He was also a member of Sigma Tau Delta English honor society and received the Gwin Memorial Scholarship in English. He is currently enrolled at the University of Illinois at Champaign-Urbana seeking his doctoral degree in English.

Invitations are being sent to friends and family. Following a honeymoon at Disneyworld, the couple will reside in Urbana, Illinois.

Luke is the son of Timmy and Camillia Osborn. The grandson of Vernon and Kathy Bobo, Tom Osborn and Betty Whitehead. He is the great-grandson of Burt and Helen McAnally, Ara Bobo and Eunice Osborn.

Luke was welcomed home by his big sister Hannah, his uncle Tyler, his grandparents and many aunts, uncles and cousins.

Tishomingo Homemaker Volunteers Club

Tishomingo Homemakers Enjoy Eating Out

The Tishomingo Homemaker Volunteers Club met in Tishomingo on Tuesday night, July 8, to travel to Corinth for an evening of good food and fellowship.

Upon arrival at John's Fish Net, everyone was getting hungry and ready to order from the menu.

After everyone had placed their order, the president, Ms Eva Mae Strickland, read the thought of the month: "Some people dream of worthy accomplishments, while others stay awake and do them."

Ms Shirley Thorne gave a different kind of devotion, reading not the typical Twenty-Third Psalm, that everyone is familiar with, but "The Dieter's Twenty-Third Psalm" which was very appropriate for the occasion as we were all waiting to "dig in once we got our plate". She then said the blessing.

By this time, everyone was ready to enjoy her meal, whether it was fish, shrimp, chicken, or steak. Only two people couldn't turn down the ice cream!

The treasurer, Mrs. Willard Strickland, gave the financial report.

Club members were encouraged to attend the Tishomingo County Homemaker Volunteers Outing on July 12 at the Pickwick Landing Restaurant.

As always, pictures were taken throughout the evening to be placed in the club's scrapbook.

Everyone reported a good evening and arrived back in Tishomingo saying they had enjoyed both the food and the fellowship.

Others to enjoy this special occasion, not already mentioned, were Mrs. Kathy Byram, Mrs. Kay Jerden, Mrs. Gail Strickland, Ms Michelle Strickland, Mrs. Johnnie Strickland, Mrs. Jeannette Thorne, and Mrs. Sabrina Welch.

Our club was, indeed, well

represented at the Tishomingo County Homemaker Volunteers Outing on July 12 at the Pickwick Landing Restaurant. Those from our club (and club family) to enjoy the good food and fellowship there were Mr. and Mrs. Ray (Kathy) Byram, Ms Eva Mae Strickland, Ms Shirley Thorne, and Mrs. Opaline Crouse.

Our next meeting will be Thursday night, August 14, at 6:30 p.m. at the Tishomingo Bank Annex. Anyone is welcome to come meet with us, regardless of age, sex, race, or color. Ask any club members, and she will tell you that we work hard on our projects during the year, but we also have lots of fun and good fellowship, especially on our two socials each year. Come try us, you might like us!

Notice....

Change in date for Dixon Reunion. The families of S.J. Dixon and Liz Dixon will have their annual family reunion Sunday, July 27, 1997. PLACE: Iuka Mineral Springs Park Youth Center Building will open at 9:00 a.m. to 3:30 p.m.

All family & friends are invited. Bring a covered dish for a picnic lunch.

Hope to see you all.

The Iuka Dixie Belles Place Second In State of Mississippi - Members of the Iuka Dixie Belles Softball Team played hard Sunday in the state championship competition held in Corinth and finished second in the state. Team members are: kneeling from left, Faith Moore, Jennifer Ortner, Cammy Kemp, Bridget Webb, and Valena Gonzales. Standing, from left: Coach Ernie Russell, Coach Billy Kirk, Courtney Durham, Kayla Nunley, Dusty Shackelford, Haley Kirk, Brooke Gentsch, Amy Defoor, Carol Ann Emmons, and Coach Dale Moore.

Iuka Dixie Belles Win Sportsmanship Award, Second Place In State Softball

The Iuka Dixie Belles Softball Team (13-15 Year Old) was selected the team showing the Best Sportsmanship during the State Dixie Softball Tournament held in Corinth last weekend. Not only did it win the Sportsmanship trophy it almost walked away with the Championship Game Trophy, finishing second only to a strong Columbia Team. The Iuka Belles All-Star Team ran out of energy in its third consecutive game of the afternoon in the final game of the tournament. Powerade, gatorade, and buckets of ice water were not enough to overcome the tiring day in the heat and high humidity.

Iuka started the day with a come-from-behind extra inning 9-8 victory over previously unbeaten and eventual champion Columbia team. With only twenty minutes rest the Iuka Belles scored seven runs in the first inning and added four more runs in the second inning to take a commanding 11-1 lead that resulted in a 13-3 victory over home team Corinth who was eliminated from the tournament. However, with only twenty minutes more of rest before the Championship Game the heat and rested Columbia team began to wear down the exhausted girls from Iuka. Columbia jumped off to a 3-0 lead in the top half of the inning only to be tied in the bottom of the inning on a centerfield homerun by Brooke Gentsch. Five more runs in the top of the second inning provided enough runs to preserve a 13-6 victory for the State Champion Columbia Team.

Iuka 14 - Pearl River 6
Pearl River struck early in Iuka's first game Friday night scoring four runs in the bottom of the first inning. Iuka narrowed the score to 4-2 in the top of the second on a two run hit by Faith Moore before Pearl River added a run in the bottom of the inning. Dusty Shackelford drove in two runs in the bottom of the third followed by a triple by Carol Anne Emmons that tied the game 5-5. Pearl River came back with a run in the bottom of the Fourth to take the lead again but Iuka answered with two runs in the top of the fifth to take the lead for good. Pitcher Kayla Nunley and the defense of her teammates shut Pearl River down the rest of the way. Iuka batted around plus two resulting in seven runs in the top of the seventh to take the victory. Valena Gonzales had four hits, Shackelford and Emmons three hits, and Bridget Webb, Courtney

Durham, and Brooke Gentsch added two hits each.

Corinth 5 - Iuka 3

Saturday afternoon, Corinth scored two runs in the second inning and added two more in the third before Iuka could cross the plate in the fourth. Corinth scored again in the fifth to take a 5-1 lead. Iuka threatened in the sixth with two runs but Corinth's defense held as it had done all night to preserve the victory and push Iuka to the losers bracket. Emmons was the only Iuka player collecting more than one hit.

Iuka 12 - Florence 10

Needing a victory to stay alive in the tournament and to break the traditional one win two loss record of teams in previous years, the Iuka Team fell behind 3-0 after the first one-half inning of play. Iuka managed to score two runs in its half of the inning only to fall behind by six runs before batting in the second. Iuka's bats went to work with the first six batters scoring in the bottom of the inning to tie the score. Iuka took the lead in the third inning with a single run and added two more in the fourth

while holding Florence scoreless. Florence threatened with two runs in the sixth inning but Iuka answered with a run in the bottom of the inning to gain the victory. Webb, Gonzales, Durham, Shackelford and Nunley all had two hits in the victory.

Iuka 9 - Columbia 8

Sunday's grueling schedule for the Iuka Team started with undefeated Columbia Team which turned out to be the best game of the tournament. Columbia struck early with a couple of runs in the first inning before Iuka could cut the score to 2-1 at the end of the inning. After a scoreless second inning Columbus took a 6-1 lead with four runs in the Third. Iuka could not score again until the fifth inning when it added two runs but left the bases loaded. Columbia added a run in the bottom of the fifth to take a 7-3 lead before Iuka scored three big runs in the top of the sixth to cut the lead to 7-6. After stopping the Columbia team three-up three-down in the sixth, Iuka came to bat in a do or go-home situation. It "Did" and came up with the tying run. Neither team could break the other's defense for the next two innings. In the top of the tenth Iuka managed two runs on three hits to take a 9-7 lead. Columbia came roaring back with a run of its own but fell short by one. Webb and Nunley had three hits each,

with Cammy Kemp, Gonzales, Durham, Shackelford, and Moore adding two each.

Iuka 13 - Corinth 3

Twenty minutes later, Corinth who had been watching the heated battle from the shade, ran into the fired up bats of the Iuka Dixie Belles who scored seven of the first eight batters in the first inning. After scoring one run of its own in the top of the second, Corinth found Iuka's bats still hot

in the bottom of the second when four of the first five batters scored. The teams played on equal ground the rest of the game with each team scoring two runs. Iuka scoring two runs in the fourth and Corinth one in the sixth and seventh. Gentsch had three hits and Webb, Shackelford, Emmons, Nunley, Kemp and Jennifer Ortner all added two hits.

Columbia 13 - Iuka 6

Again, with only twenty minutes rest, the Iuka Belles took the field in the Championship Game against a rested Columbia Team, who like Corinth, had been watching from the shade. Columbia struck early scoring three of the first four batters in the top of the first. Iuka likewise scored three of the first four batters on Gentsch's homerun but the pressure, heat, and humidity finally began to take a toll on the gutsy Iuka players. With two out in the top of the second inning Columbia's rested bats produced five runs against the tiring Iuka gloves before the Iuka team could get back to the dugout where the ice water and wet towels were as the Iuka bats slowed down the subdued bat of Columbia's home-run slugger, Candy Coggin came to life with a two-run blast in the fourth inning and a towering shot that almost cleared the lights in center field in the sixth. Trailing 13-4, Iuka made a final effort in the bottom of the sixth scoring two runs and leaving two stranded on base. Durham and Kemp were the only players to manage two hits in the final game.

Members of the Iuka Dixie Belle All-Star team and batting averages for the state tournament are: Bridget Webb (.423), Valena Gonzales (.440), Courtney Durham (.360), Brooke Gentsch (.381), Dusty Shackelford (.458), Carol Anne Emmons (.409), Kayla Nunley (.500), Cammy Kemp (.364), Faith Moore (.455), Jennifer Ortner (.357), Haley Kirk (.333), and Amy Defoor (.333).

Iuka Dixie Youth League 11 & 12 Year-Old All Stars In District Play

The Iuka Dixie Youth League 11 & 12 year-old all stars are competing in the district tournament being held in Belmont this week.

The boys won their opening game Monday evening with a 15-4 victory over Amory American. Tyler Thrasher and Cody Arnold both had home runs for the game.

In Tuesday night's game with Amory, Iuka was defeated by one point. They will play Calhoun City Wednesday night in the double elimination tourney. If Iuka wins Wednesday night, they will then play Thursday evening, the winner of the Columbus and Amory game. The championship game will be held this weekend.

The Iuka All Stars won the Sub District Tournament held in Fulton last week. In game 1 they defeated Corinth 15 to 7 with home runs by B. J. Nunley, Tyler Thrasher, and Andrew Crawford. In game 2 Iuka defeated Fulton 7-0 with home runs by Tyler Thrasher and Cody Arnold. In game 3 Iuka was defeated by Fulton 7-4 with a home run by Jonathan Davis.

Iuka and Fulton met again in

the championship game with Iuka coming out on top with a 3-2 victory over Fulton.

TCEPA Board of Director Nominations Now Open

In accordance with the Bylaws of the Tishomingo County Electric Power Association, nomination for positions on the Board of Directors are now being accepted.

There will be five positions open for election. One director is to be elected for a three (3)-year term for each of the following supervisors' districts: 1st district, 2nd district, 4th district, 5th district and an area-at-large position.

Members of the association may make nominations by either of the following methods:

1. By petition bearing the signature of at least fifteen (15) members.

Petitions must be received by the Secretary of the Board of Directors at least seven (7) days prior to the day of the annual meeting. Petitions may be presented for

qualification at the Main Office of the association during regular business hours, Monday through Friday from 7:30 a.m. to 4:30 p.m.

2. From the floor of the annual meeting to be held August 9th, 1997.

The by-laws require that five (5) percent of the membership be physically present in order that nominations may be made from the floor.

Nominees must be residents of the supervisors' districts which they will represent. Any member, regardless of place of residence, may be nominated for the area-at-large position; provided that the nominees for the at-large position may not be residents of the 4th or 5th supervisors' districts. These district presently have a resident serving in an at-large position.

Facts About The BIBLE BY JOHN LEHTI

THE EVIL OF BLASPHEMY!

BLASPHEMY, THE INTENTIONAL REVILING AND CURSING OF GOD, OR THE KING, WHO WAS GOD'S REPRESENTATIVE, WAS PUNISHABLE BY MANDATORY DEATH IN BIBLE TIMES! UNDER THE OLD MOSAIC LAW, DEATH WAS ACCOMPLISHED BY STONING THE MISCREANT! (LEV. 24:16) IN THE OLD TESTAMENT, THERE IS ONLY ONE ACCOUNT OF A CASE OF BLASPHEMY--AND THAT INVOLVED A MAN WHO WAS ONLY PART ISRAELITE, FOR HIS FATHER WAS AN EGYPTIAN (LEV. 24:10-16) THERE WERE SAFEGUARDS IN THE LAW SO THAT ONE COULDN'T BE WRONGLY CHARGED OF THIS CRIME. BLASPHEMY HAD TO BE WITNESSED BY MORE THAN ONE ACCUSER! NEVERTHELESS, FALSE ACCUSATIONS WERE MADE AGAINST NABOTH IN THE OLD TESTAMENT (1 KINGS 21:1-13) AND STEPHEN IN THE NEW TESTAMENT (ACTS 6:8-14) AND JESUS OF NAZARETH ON MANY OCCASIONS (MATT. 9:3, 26:65-66) (JOHN 10:36) IN THE CASES OF NABOTH AND STEPHEN, THE VILLAINOUS FALSE ACCUSERS WERE SUCCESSFUL IN THEIR CLAIMS AND BOTH MEN WERE PUT TO DEATH BY STONING! IN THE CASE OF JESUS, ALTHOUGH THE PRIESTS AND THE PHARISEES AND SADDUCEES CHARGED HIM WITH BLASPHEMY, AND ON SEVERAL OCCASIONS LARGE CROWDS PICKED UP STONES, INTENDING TO KILL HIM, HE ALWAYS ESCAPED THIS FATE--"THAT THE SCRIPTURES MIGHT BE FULFILLED!"

THIS DEVOTIONAL & DIRECTORY IS MADE POSSIBLE BY THESE BUSINESSES WHO ENCOURAGE ALL OF US TO ATTEND WORSHIP SERVICES.

St. Peter's M.B. Church Celebrates Church Homecoming

The annual church anniversary and homecoming service of St. Peter's M.B. Church will be celebrated on Sunday, July 20, 1997 at 3:00 p.m.

Pastor Clifford L. Mayes and The Galilee M.B. Church of Florence, Al will be the guest.

Also congregational hour of prayer will be held on Tuesday, July 22, 1997 at 7 p.m. "I urge, then, first of all, that request, prayers, intercession and thanks - giving be made for everyone - for Kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness." (I Timothy 2:1 NIV).

Pastor Kobee S. Fitzgerald and church family invites everyone to attend.

Antioch Cemetery Fund

Once again it is time for lawn maintenance of the church cemetery at Antioch Free Will Baptist church located in Burnsville, MS. For your donations and contributions to the upkeep of the cemetery please send your checks to: Doyle Rorie, 6 Tucker Circle, Burnsville, MS 38833, 601-427-9378.

Thank you from the church and pastor.

Thank You

We would like to take this time to thank all of our friends and relatives for all of the acts of kindness shown to us during Benjamin's time in the hospital. There are no words to say how much this has meant to us. Benjamin is doing better but he still has two heart surgeries to go. Please keep us in your prayers.

Love,

Johnny, Robin, Joshua, Daniel & Benjamin Coker

Thank You

The family of Frances Feltman would like to thank everyone for all the kindness shown during the loss of our loved one. The flowers, food, phone calls and the many friends that visited, showed us that with you we could endure the sorrow. To Ciji, Gail and Larry. The songs were sung so sweet and beautiful. You'll never know how much you are loved by our family. Thanks to Dr. Kelly Segars and the Iuka Hospital for all the physical care you provided.

To our special friends Bro. C. I. Puckett and Bro. David Motes. Your words brought back so many memories and made us realize that her life had just begun.

Many heartfelt thanks to Cutshall Funeral Home. Words are not enough to let you know what your kindness meant. The special care you gave that made our decisions much easier.

And last, to Tishomingo Manor. You're never given the thanks that you deserve. For all the endless hours of care you give that seems to go un noticed, we thank you from the bottom of our hearts.

May God Bless you all.

Pastor Rev. Frank Wilson invites everyone to come and be with us.

Thank You

I would like to thank the Tishomingo County Rescue Squad and all those who were involved in the fish fry and auction they had in my behalf. Also thank you to the many people who have helped me and my family in so many ways during my recent illness. It is so wonderful to have such special friends.

James Mobley and Family

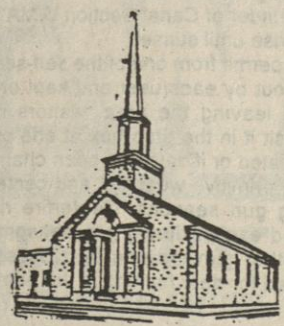

Special Thanks

Our heartfelt thanks go out to each of you who visited, called, sent flowers, food, cards, or memorials and who lifted us up in prayer in the tragic loss of our Bob. He was such a good, caring, and loving Christian who believed in his God, his family, and his country. Our lives without him will be difficult, and we ask your continued prayers in helping us deal with our loss. Thank you, again, for your love for us and him.

Thank You To A Special Son

It is an honor to honor you.
I want to say a special "Thank You".

You were only thirteen when God called you home.
Now on streets of gold and with angels you roam.

I do not know why God took thee.
I do not know why God left me.

I will always cherish the gift that you gave me.
For without it — I would not be.

When it came time for you to depart;
You so willingly gave me your Heart.

It is more blessed to give than to receive.
God gave your heart to you; then you gave it to me.

I know to your loved ones you were "Precious".
And the gift of your heart to me was so gracious.

The heart beating within me was fateful.
So, for your gift I will always be grateful.

Everytime I lie down to rest.
I gently lay my hand on my chest.

I look out the window and up above;
I say "Thank You" so much for your gift of love.

To me you will always be number one.
"Thank You" again to a Special Son.

Report From Congress

By: U.S. Rep. Roger F. Wicker

Rep. Wicker Vows To Fight For TVA After House Panel Votes To Eliminate Funding

U.S. Rep. Roger Wicker today vowed to fight an action by a House panel which would eliminate all federal appropriations for the Tennessee Valley Authority (TVA).

The House Appropriations Subcommittee on Energy and Water Development directed TVA to continue operating its non-power programs such as flood control, navigation, and economic development, but instructed the agency to use electric power revenues in order the fund these programs.

"This is an unprecedented action and something I plan to vigorously fight. It is unfair to the people of Mississippi and the entire Tennessee Valley area," Wicker said.

"Program such as flood control and navigation are multi-state, and are properly the responsibility of the federal government. It simply is not fair to put the costs of these programs on the backs of ratepayers."

Rep. Wicker said a major concern is the effect this action could have on commercial and residential power rates in north Mississippi. If TVA is forced to use funds generated from power sales to fund non-power activities, it could result in an increase in utility rates in the TVA region.

"Any hike in electricity rates would have an adverse effect on the climate of economic growth which has been so positive in our region," he said.

Another reason to proceed cautiously is the uncertainty surrounding federal power deregulation. "It would be a

mistake to take such a radical step with a program which has worked so well for more than 60 years, especially at a time when major industry-wide changes are being considered in Congress," he said.

Earlier this year, TVA board chairman Craven Crowell proposed a plan to phase out appropriations for TVA within two years. Several working groups have been meeting to discuss the orderly transfer of TVA non-power programs to other federal agencies, such as the Army Corps of Engineers.

"We have begun a very constructive and responsible debate about the future of TVA," Wicker said. "But this goes much, much too far."

The Senate spending panel voted to provide \$86 million for TVA's non-power programs for Fiscal Year 1998. Differences between the bills will ultimately be worked out by a conference committee this fall.

Congress provided \$106 million for non-power TVA activities in Fiscal Year 1997.

INDUSTRIAL SITE DRAINAGE IMPROVEMENTS,

UTILITIES AND ACCESS ROAD

CITY OF IUKA

TISHOMINGO COUNTY, MISSISSIPPI

ADVERTISEMENT FOR BIDS

Sealed bids for the construction of INDUSTRIAL SITE DRAINAGE IMPROVEMENTS, UTILITIES AND ACCESS ROAD (CDBG-PROJECT) will be received by the City of Iuka, Mississippi at the City Hall, until 2:00 PM, on August 8, 1997, and then at said office publicly opened and read aloud.

Contract Documents, including Drawings and Specifications, may be examined at the office of Dean McRae Engineering, Inc., located at 400 W. Eastport Street, Iuka, Mississippi.

Copies of the Contract Documents may be obtained at the office of Dean McRae Engineering, Inc., by depositing \$75.00 for each set received to Dean McRae Engineering, Inc., P.O. Box 573, Iuka, Mississippi, 38852.

The work shall consist of construction of Industrial Site Drainage Improvements, Utilities and Access Road. Approximate quantities of the essential items of work include:

- 150,000 cubic yards of earth excavation
- 3,670 linear feet of paved roadway with stone base
- 7,000 tons crushed limestone covering
- 650 linear feet 3" sewer force main, sewer pump station
- 2,650 linear feet 8" sewer gravity line
- 2,850 linear feet 6" water line
- various ancillary items.

Definite quantities to be bid are specified in the Contract Documents.

Each bid submitted must be marked on the outside "Bid for INDUSTRIAL SITE DRAINAGE IMPROVEMENTS, UTILITIES AND ACCESS ROAD". Any bid in excess of \$50,000 must contain on the outside of the envelope the contractor's current certificate of responsibility number, and no bid shall be opened or considered unless this number appears on the outside of the envelope or unless a statement is included on the outside of the envelope indicating that the bid enclosed does not exceed \$50,000.

A satisfactory Bid Bond executed by the Bidder and an accepted Surety, a certified check, or bank draft payable to the City of Iuka, on negotiable U.S. Government Bond (at par value), shall be submitted with each bid in an amount equal to five percent (5%) of the total bid.

In the letting of public contracts, preference shall be given to resident contractors, and a nonresident bidder domiciled in a state having laws granting preference to local contractors shall be awarded Mississippi public contracts only on the same basis as the nonresident bidder's state awards contracts to Mississippi contractors bidding under similar circumstances; and resident contractors actually domiciled in Mississippi, be they corporate, individuals, or partnerships are to be granted preference over nonresidents in awarding of contracts in the same manner and to the same extent as provided by the laws of the state of domicile of the nonresident. When a nonresident contractor submits a bid for a public project, he shall attach thereto a copy of his residents state's current law pertaining to such state's treatment of nonresident contractors.

This project is being funded in part by a Community Development Block Grant (CDBG) and is subject to the rules and regulations thereof.

Bidders are directed to the contract requirement that not less than the minimum wages and salaries set forth in the Contract Documents must be paid on this project. In addition, the Contractor must ensure that employment and applicants for employment are not discriminated against because of their race, color, religion, sex or natural origin.

Bids may be held up to 60 days from the date of opening for review of bids and qualifications of bidders prior to Contract award. The City of Iuka reserves the right to reject any or all bids or to waive any informalities in the bidding.

INDUSTRIAL SITE DRAINAGE IMPROVEMENTS,
UTILITIES AND ACCESS ROAD
CITY OF IUKA
TISHOMINGO COUNTY, MISSISSIPPI

ADVERTISEMENT FOR BIDS

Sealed bids for the construction of INDUSTRIAL SITE DRAINAGE IMPROVEMENTS, UTILITIES AND ACCESS ROAD (CDBG-PROJECT) will be received by the City of Iuka, Mississippi at the City Hall, until 2:00 PM, on August 8, 1997, and then at said office publicly opened and read aloud.

Contract Documents, including Drawings and Specifications, may be examined at the office of Dean McRae Engineering, Inc., located at 400 W. Eastport Street, Iuka, Mississippi.

Copies of the Contract Documents may be obtained at the office of Dean McRae Engineering, Inc., by depositing \$75.00 for each set received to Dean McRae Engineering, Inc., P.O. Box 573, Iuka, Mississippi, 38852.

The work shall consist of construction of Industrial Site Drainage Improvements, Utilities and Access Road. Approximate quantities of the essential items of work include:

- 150,000 cubic yards of earth excavation
- 3,670 linear feet of paved roadway with stone base
- 7,000 tons crushed limestone covering
- 650 linear feet 3" sewer force main, sewer pump station
- 2,650 linear feet 8" sewer gravity line
- 2,850 linear feet 6" water line
- various ancillary items.

Definite quantities to be bid are specified in the Contract Documents.

Each bid submitted must be marked on the outside "Bid for INDUSTRIAL SITE DRAINAGE IMPROVEMENTS, UTILITIES AND ACCESS ROAD". Any bid in excess of \$50,000 must contain on the outside of the envelope the contractor's current certificate of responsibility number, and no bid shall be opened or considered unless this number appears on the outside of the envelope or unless a statement is included on the outside of the envelope indicating that the bid enclosed does not exceed \$50,000.

A satisfactory Bid Bond executed by the Bidder and an accepted Surety, a certified check, or bank draft payable to the Yellow Creek State Inland Port, on negotiable U.S. Government Bond (at par value), shall be submitted with each bid in an amount equal to five percent (5%) of the total bid.

In the letting of public contracts, preference shall be given to resident contractors, and a nonresident bidder domiciled in a state having laws granting preference to local contractors shall be awarded Mississippi public contracts only on the same basis as the nonresident bidder's state awards contracts to Mississippi contractors bidding under similar circumstances; and resident contractors actually domiciled in Mississippi, be they corporate, individuals, or partnerships are to be granted preference over nonresidents in awarding of contracts in the same manner and to the same extent as provided by the laws of the state of domicile of the nonresident. When a nonresident contractor submits a bid for a public project, he shall attach thereto a copy of his residents state's current law pertaining to such state's treatment of nonresident contractors.

This project is being funded in part by a Community Development Block Grant (CDBG) and is subject to the rules and regulations thereof.

Bidders are directed to the contract requirement that not less than the minimum wages and salaries set forth in the Contract Documents must be paid on this project. In addition, the Contractor must ensure that employment and applicants for employment are not discriminated against because of their race, color, religion, sex or natural origin.

Bids may be held up to 60 days from the date of opening for review of bids and qualifications of bidders prior to Contract award. The City of Iuka reserves the right to reject any or all bids or to waive any informalities in the bidding.

Diane Segars is Parent of the Year

The Iuka Elementary PTA has selected Diane Segars as Parent of the Year for her outstanding involvement in the lives of the students at IES.

Mrs. Segars, the wife of Dr. Scott Segars and the mother of Tyler, Jake and Thompson, has been involved in the Project Learning Tree program at IES, part of a nationwide program educating our children about natural resource and environmental conservation. A fitness enthusiast, she has taught kindergartners creative movement classes, and she also was an essential part of Teacher Appreciation Day. She helped with the recycling program at IES, and is active with the Tishomingo County Arts Council and the programs they produce for the county's children.

Local Man Injured In Accident

A 19 year old Trinity man, Justin Woodall, was killed in rush-hour accident on eastbound Interstate 565 the morning of June 17, 1997, just east of County Line Road. Police said the victim apparently lost control of his car, ran off the road and pulled back onto it before the car and an eastbound van collided. The van's occupants, Tim Landers of Muscle Shoals, AL and David "Bootie" Curtis of Iuka, MS were seriously injured in the wreck shortly before 8 a.m. Both occupants of the van were rushed to the trauma emergency unit at Huntsville hospital. At the present time, Tim Landers is undergoing extensive rehabilitation to recover from injuries at the Health South Rehabilitation Center in Huntsville and David "Bootie" Curtis is still in critical condition in the surgery intensive care unit room 7 on the first floor in Huntsville hospital.

Now Hear This

By Carey Cates

WHY HEARING IS LOST
The majority of hearing losses are a result of aging. One of every eleven Americans currently has some degree of hearing impairment. For those aged 65 or older, the ratio is almost on in three.

Other causes are prolonged exposure to loud noises, heredity, certain illnesses and medications, particularly those containing aspirin-related substances. But the most common form of hearing loss is called nerve deafness, or sensorineural hearing loss. This transmits their signals to the brain.

There are people who think that nerve deafness can't be helped, but they are wrong. One visit to an audiologist or a hearing aid dispenser will convince you that help is available.
