Replacement Blood Drive For Gerald Norman This Sunday

**Luka Lodge #94 F&AM
Members Encouraged
To Donate**

Snowdown Methodist Church and Luka Lodge #94 F & AM are cooperating to conduct a blood drive this Sunday to replenish supplies used by recent heart transplant recipient Gerald Norman, of Luka.

Friends, family, and lodge members are encouraged to come give back some of the life-saving blood that helped Bro. Norman through his recent surgery.

Blood will be donated from noon until 2 p.m. Sunday at Snowdown United Methodist Church, and they are asking for at least 30 successful donors. For those unable to donate blood, monetary donations will be accepted to help defray hospital expenses.

- 2 p.m. Ronnie Whitten
- 3 p.m. Hatchie Bottom Boys
- 4 p.m. Savannah Grass with Wayne Gearlds

Jaybird Park Meeting Thursday

Everyone interested in the Jaybird Park Renovation Project is encouraged to attend a meeting Thursday night at 6 p.m. at Cafe Memories Restaurant in Downtown Luka.

We will be formulating a goal for what the purpose of the park will be, as well as what features it will include, so everyone with an opinion on what the park should be, or what should be included at the park should attend.

Tishomingo County Free Clinic Now Offering Immunizations & Flu Shots For Qualified Patients

by Pamela McRae

The Tishomingo County Free Clinic is now prepared to offer an immunization program to help prevent childhood diseases.

"We now can give immunizations for diphtheria, whooping cough, tetanus, measles, mumps, hepatitis A and B," said Dr. Thomas Goyer, Medical Director of the clinic. The shots are for children and infants who need to participate in a complete immunization program before entering school.

Tetanus shots and now flu shots are available for adults, as well, said Dr. Goyer.

The Clinic is located on the Burnsville School campus, in the old home economics building, and opened May 19th to offer primary health care to Tishomingo County citizens who

Miss Valerie Compton Crowned TCHS Homecoming Queen

On a medieval night Miss Valerie Jacqueline Compton, 18, was crowned as the homecoming queen in a regal affair at Tishomingo County High School on Friday, October 3.

Valerie is the daughter of Jackie and Dorthey Compton. She has one brother, Eric.

Valerie is very involved in all school activities. She serves as secretary of FCA and is Co-editor of the TCHS Annual, *The Brave*. She is also involved in Beta Club, Student Council,

SADD, Band, Anchor and the Foreign Language Club.

Valerie enjoys reading, singing, and shopping when she isn't at school or at work at Piggly Wiggly. She attends the Luka Apostolic Church of Jesus Christ.

Valerie's escort on Friday night was Reed Kent, Reed is the son of John and Londee Kent. He enjoys running, basketball, and tennis. For all involved, the night indeed was a regal affair.

Two Suspects Sought For Saturday Morning Break-In at Tishomingo Co. Jail

by Pamela McRae

Authorities are searching for two men who allegedly broke into an evidence storage trailer at the Tishomingo County Jail early Saturday morning.

About 3 a.m. last Saturday, a trustee performing laundry duty at the jail reported to the sheriff's dispatcher that he heard a noise that turned out to be two men taking some VCRs, computer equipment and other evidence items that had been stored in a trailer outside the jail building, according to Sheriff David Smith.

Luka Police Officer Robert Till was nearby and intercepted the suspects in the stolen Cadillac they were driving as they ran a stop sign on their way to Highway

172 west. The Sheriff was nearby as well, and the two officers pursued the suspects, west onto Highway 172, where the suspects then pulled into a driveway just past the city limits and abandoned the car. The two suspects ran into the woods, said the sheriff.

Dogs brought to the scene eventually lost the trail, said Smith, but the suspects were positively identified.

Authorities are searching for Raymond Hester and Ricky Dale Hall in connection with the burglary. Both have previous felony convictions for burglaries and are thought to have last resided in Red Bay or the Shoals area. The sheriff urged anyone with knowledge of the

whereabouts of these two men to immediately call 423-6185.

All items taken from the trailer were still in the recovered car, which had been stolen from the Shoals area, said Smith. Although many of the items stored in the trailer are from recent crime investigations, the suspects were not stealing anything in particular, said Smith.

Smith said this incident and a previous attempted break in to the sheriff's office itself, demonstrates the need for improvements at the county jail that will make it a more secure facility, such as a fence, or more sophisticated evidence storage than the sheriff's office or a trailer.

Amount of Uncollected Taxes Reduced By 61 Percent, Whitlock Reports to Board

Board, Organizations, Receive Offer of Free Earthmoving for Community Projects

by Pamela McRae

More than \$12,000 in uncollected taxes were reported to the Tishomingo County Supervisors in their regular meeting Monday, October 6th.

The insolvency listings, provided to the Board by Tax Collector Paul Whitlock's office represented taxes that were unpaid in fiscal year 1997 on mobile homes and personal property, according to Whitlock. The tax collector is required by law to present the Board with the list and have it entered on the minutes, so that the Board knows what tax money was not collected for the past year.

The total combined amount of insolvencies was listed as \$12,261.38, which is down 61 percent from the 1995-96 insolvency report, which was \$31,411.11. Whitlock credits this to legislative mandates, more efficient practices of collection and notification of those who owe the taxes.

Personal property includes the inventory of a business, like its computers and equipment, Whitlock explained, as opposed to real property, which is your building, home or land. The total amount of personal property tax that was uncollected in the 1996-97 fiscal year was \$6,096.47, though, since many of the businesses have closed down and moved on, only about \$2,899.66 is actually still collectable, Whitlock explained.

Uncollected mobile home taxes as of September 30th were \$6,164.91. Even though the fiscal year is over, those who owe on mobile homes can pay up to the end of the 1997 calendar year, December 31st, Whitlock said. An additional amount is added each month after the original February due date, Whitlock said, but they are still collecting mobile home taxes each day, and are optimistic about eventually

Tishomingo County Board of Supervisors ACTIONS

collecting at least two-thirds of the \$6,164.91 amount.

Since, by definition, mobile homes can and are often moved to a different place during the year, the location of the delinquent owner/taxpayer has long been a challenge for tax collection. Recent state legislation is an aid in collecting mobile home taxes. According to the new law, mobile homes are treated more like real property, now; meaning that at the end of the year, Whitlock's office can get a tax lien in circuit court against those unpaid mobile homes that authorizes him to seize them and sell them for the amount of the unpaid taxes.

Sheriff Requests & Report

In other business, a new street light for the southwest side of the county jail building was authorized at an approximate cost of \$4 a month. The request was made by the sheriff, in response to the Saturday morning break in of an evidence storage trailer on that side of the county jail.

Sheriff David Smith also reported that he has hired a new jailor, Benny Phifer, of Highway 365.

A new lease for a new copier at the jail was also approved, after assurances were made by Lynn McBride that it was the most economical way to get a new copier and the associated equipment and inevitable service. The lease is similar to ones set up for other county offices, McBride said. The lease on the old copier was expired.

Electricity Problems in Courthouse

Margaret June Riley, head of the Tishomingo County Economic Assistance department, made a report to the supervisors of an

electrical overload that seriously damaged some computers and printers in her office. Apparently, 220 volts went through a 110 volt line when a dedicated line for a copier was being added. Along with the damaged equipment, the office now smells like burning wire, Riley reported.

Riley said that the equipment had to be fixed, but left it up to the supervisors to see if the electrician's insurance would pay for it, or if the county would, in which case some possible federal matching funds would be available.

Offer of Help

The board received an offer of assistance from Randy Norris, who is training administrator at Southern Apprenticeship and Training Fund, located at the Tri-State Commerce Park.

Norris' organization conducts training and provides certification in operation of heavy machinery like bulldozers, scrapers, cranes and other earthmoving equipment. The men and women attending the classes need hands-on training and experience, which makes them and their equipment available for all kinds of earth work projects, which Norris was offering to the supervisors.

One of their current projects is the Tishomingo Dixie Youth Little League field just east of the Tishomingo School, where they have done about \$100,000 of earth moving to make two ball fields. The work has been done at no cost to the little league association, and Norris said it is a way of giving back to the community.

Several supervisors expressed enthusiasm about utilizing Norris' students and equipment in projects in their districts, like the creation of some ditches before the rainy season starts.

Norris said they had already done some work for First District Supervisor Dale Price, and at the Coleman State Park.

New Car Tags Issued

Beginning October 1st, the State of Mississippi started issuing car tags with a new design featuring a lovely magnolia blossom in the center. The magnolia is the state flower.

Pictured above is Ms. Cynthia Johnson, with the staff of the Tishomingo County Tax Collector's office. Johnson was the first person in the county to receive one of the new tags. Members of the tax collector's staff are Millie Dorsett, Judy Vaughn, Dorothy Walker, Tommy Jean Daugherty, and Tax Collector Paul Whitlock.

Celebrating Constitution Week

Some students of Mrs. Jane Robinson's 5th grade history class from Iuka Middle School presented a program celebrating Constitution Week for the local DAR chapter. The meeting was held at the Iuka Library on Sunday afternoon, September 13.

Ashley Helton sang, "The Pledge of Allegiance" to open the program. Whitney Bowling sang "The Star Spangled Banner." Casey Crum read "The Americans' Creed," and Casey Phillips recited the "Preamble."

Kyle Wimberly, Eden Carson, Naketa Corsbie, Jessica Davis, and Callie Daniel read the history of the Constitution.

The entire group sang several patriotic selections. The final selection, "America the Beautiful" was signed for the hearing impaired by Casey Phillips.

Phillips.

To conclude the program, the students participated in the ringing of the bells.

we need to be teaching teens to do? While no one has full control over the circumstances surrounding a motor vehicle accident, there are things that can be done to reduce your chances of being the cause of or being involved in one. Here are some smart decisions teen drivers as well as we older ones should make while behind the wheel:

1. Drive defensively. If we focus on what we are doing, and assume that we must watch out for other drivers, we will instinctively be more cautious.

2. Do not speed. Even some legal limits are too fast for road and traffic conditions. Besides, when we speed, we have less time to react, to make the right decision.

3. Never drink and drive, and don't allow friends to do so either. Alcohol can seriously impair decision-making skills and reaction time.

4. Learn and practice the rules of the road. Questions on the drivers' exam are there for a purpose - to make us learn safe practices. Adults can set an example for their own teens by practicing safe driving habits.

Safe driving is everyone's responsibility. To not do so can be expensive - in more ways than one.

Nunley Reunion

The third annual John Austin and Meridian Murphy Nunley Family Reunion will be held Sunday, October 19, 1997. The reunion will be in the youth center, located at the Iuka Mineral Springs Park.

All descendants of William (Bill) and Amanda J. Carpenter Nunley are welcome.

Lunch will be served at 12 noon. Bring a covered dish and a hearty appetite.

A memory board is being started to display pictures of deceased loved ones. Please share any pictures (copies) or other genealogy information.

Also, a recipe book is being compiled to continue the tradition of good ole Nunley country cookin! The deadline for submitting recipes this year is October 11. Call Connie Dexter to turn in your recipes.

So mark October 19th on your calendar for a day of fun, family and renewing family ties.

Working Dogs

Independence day for many people is now starting with a dog. A group called PAWS WITH A CAUSE is placing specially trained dogs with hearing impaired and disabled people. The result is an independence many people thought they would never have!

PAWS dogs are trained to meet the specific needs of their new owners, whether it be reacting to alarms for those who can't hear, or a steady support for someone who has difficulty walking. Training a service or hearing dog is not easy. It takes almost a year of intensive work with both the dog and his new owner to get a working team.

For the recipients of a PAWS service or hearing dog, the results are a miracle. PAWS dogs are able to act in a crisis, respond to alarms, assist owners who have fallen, and most of all, promote self-esteem.

These dogs don't come cheap. Even though many of the dogs come from animal shelters, intensive training takes time and money. A hearing dog costs \$5,000, and a service dog is \$8,500. There are no local, state, or federal programs to support organizations like this, so money is raised through fund raising projects and donations.

Fund raising is definitely a labor of love, but worth every minute. Just ask the recipient who receives not just a new dog, but a new-found dignity.

TCHS Co-op Employer Of The Week—The employer of the week is Pizza Hut of Iuka. Pictured above is Mr. Gaines Luce, manager, and Becky Goodman, Co-op student. Becky is a second year cooperative Education student. She is in the management training program at Pizza Hut. The TCHS Co-op program would like to express appreciation to Pizza Hut for their several years of participation.

NEMCC Announces Homecoming Activities

New Case Shows Accident Victims Should Not Handle Claims Alone

A recent case is a reminder to get a lawyer's help when dealing with an insurance company.

Lisa L. was in a car accident and tried to handle her insurance claim. The adjuster told Lisa the insurance company would pay her medical bills, and that Lisa should not worry about the time limit for making claims. But when the deadline for claims expired, the insurance company refused to pay Lisa anything.

Lisa sued the company, claiming its conduct was dishonest. A court agreed and ruled for Lisa. Lisa's problem could have been avoided by getting a lawyer's help right after the accident.

INSIGHT INTO EYESIGHT

Dr. Phillip Gray
OPTOMETRIST

Hard To Read Small Type?

If you find it difficult to read small type with comfort but glasses are the last thing you want to wear, why not consider contact lenses? As most people age, they have trouble reading small print. The reason for this is that their eye muscles are losing their ability to shift focus between far and near objects.

Known medically as "presbyopia," it is also called "aging eyes." It's a natural and normal process of aging - not a disease. Reading is not only a problem but sometimes it's difficult to shift focus, for example, from the road to the speedometer when driving. Lenses for presbyopia are crafted for each person's particular combination of distance - and near-vision.

Some have the distance-vision portion in the middle of the lens and the near-vision on the sides. Others have the near-distance vision on the lower half of the lens. Whatever your prescription needs, see your eye doctor for an examination.

Fluoride Fact:

It's not Harmful to Humans
Water fluoridation is the process of adjusting the natural fluoride content of water to the recommended level for optimal dental health.

Drinking fluoridated water is not harmful to human health. Numerous studies have shown that drinking fluoridated water at the level recommended for good dental health is safe.

For generations, millions of Americans have lived in areas where fluoride is found naturally in drinking water in higher concentrations than those recommended to prevent tooth decay. Research of these groups confirms the safety of natural and adjusted fluoride levels in the water supply.

National and international health, service, professional organizations endorse or support water fluoridation, including the American Dental Association, the American Medical Association, the United States Department of Agriculture, the Food and Drug Administration and the World Health Organization.

Fluoride alone cannot prevent dental disease. Be sure to brush twice a day and clean between your teeth daily. Eat a balanced diet, limit snacks and visit our office regularly.

FIRE PREVENTION WEEK

Support Your Local Fire Department

FLASHPOINT

A WEEKLY LOOK AT THE IUKA FIRE DEPARTMENT

This week, October 5-11, is National Fire Prevention Week. This week always a very busy one for the members of the Iuka Fire Department. By the end of this week, every class from the Fourth Grade down through Day 6 in the City of Iuka will have been visited by the Department. If you have a child in the Fourth Grade or below, ask him what he learned when the truck came to school. He may know something you don't, and if so, following will help you and your child practice fire safety and prevention together.

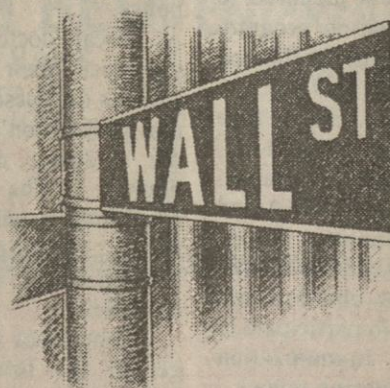

It is important to have an evacuation route planned for your house in case of a fire. Draw a simple floor plan of your house and draw a way out. Devise an alternate route to use if the first one is blocked. Designate an outside your house where everyone can meet after exiting the burning house and appoint someone to make sure everyone has arrived. Never re-enter a burning house for any reason. Make sure each family member understands the plan and practice it periodically. Your kids will think it's fun and it may save their lives in the future.

Your child should also know to Stop, Drop, and Roll if his clothes should catch fire; to crawl low under smoke; and to never play with lighters or matches.

In addition to learning all of the above, children are given the opportunity to climb in the fire truck and blow the horn and siren.

You can practice fire safety and prevention by installing smoke alarms in your home, and by making sure the batteries are always fresh. Regularly check your fire extinguishers to make sure they are charged, and turn them upside down and shake them to redistribute the powder into the liquid. If you're unsure about how to check your extinguishers, call or come by the Fire Department, and someone will be glad to assist you. Also, instead of burning your leaves and yard rubbish, pile them up beside the street, and call the Fire Department, at 423-9879. They will pick it up if you let them know it's there.

THIS IS NO PLACE TO DETERMINE WHAT YOU PAY FOR ELECTRICITY

As a consumer-owner of your co-op, your rates are determined locally. Because co-ops are actually owned by the people they serve. But the investor-owned power companies are owned by outside investors. And big corporations. And even people in foreign countries. So, their concern is profits. Not keeping your electric rates as low as possible. Not the quality of service you receive. That's why co-op consumer-owners feel so strongly about their utility. They know that their co-op will do what's best for them. And worry most about Main Street. Than Wall Street.

Was sorry to learn that Bee Baker is not doing good and has been back in the hospital in Iuka. We send get well wishes to Bee.

Proud to hear that "Babe" Cornelious is back at home from the hospital. Continue to pray for all the sick you know of.

Mrs. Edna Harris is very sick and will be entering the hospital Tuesday, 9th for test and x-rays. We pray Mrs. Harris can be helped in some way. She really has gone thru a bad time of sickness.

Ronnie Cox and daughters of Belmont were Sunday guest of Willa Dean and Stevie Cox. Deloris Gasaway visited on Saturday.

Michael Strickland with his grandparents Hubert and Madrew Thorn visited J.C. McMurray at the Tupelo hospital on Sunday. J.C. is in a real bad condition, has been hospitalized for a number of weeks. He is Madrew's brother and Gail's uncle. Pray for them. It would be appreciated.

Reports were that Lois Anglin and Margrette Cornelious were both feeling really poorly last week. Just hope they both can be feeling better this week.

Tishomingo had a crowd in town on Saturday Yard Sales all through town. People were really stirring and didn't they have a pretty day to get out and go.

Last Friday night Shirley Ann Thorn, Opaline Crouse and Eva Mae Strickland all visited with me and Mrs. R.E. Thorn in Iuka.

Mrs. Warren Kennedy is seeing a bone doctor in Tupelo. She fell and broke her arm near the shoulder some 3 weeks ago and hasn't done well at all. We hope and pray that after today she can start moving around some and be better.

Bad news last week that Lorene Honeycutt had a bad heart attack and was rushed to Corinth. We are still waiting for better reports on Lorene and hope shes going to be better.

Babe Cornelious just recently got home from the hospital and is doing good. She has had lots of company while in the hospital and since she got home. Last weekend visitors were her niece Lillian Stricklin and Bervin from Bremen, Alabama. Also, three of her neices from Tishomingo, Peggy Page, Sis Bickerstaff, and Mary McNatt and Lakemon visited. Her daughter, Sheila, from Jackson has been coming every weekend also.

Judy and Beth Shifflett last month enjoyed a week-end trip to New York City. They met Susan Tumlin Church from Pownal, VT and stayed with her in the beautiful Mayflower Hotel right next to Central Park. They got to see several soap opera stars who were staying at the same hotel. They were in NY to tape a Soap Opera Award Show. They got several pictures and had a great time.

Elton (Sis) Curtis Young

Happy Birthday, Mama. This poem describes you perfectly. You are a wonderful person and have been a wonderful mother.

My life won't be in vain
As long as I can do
For someone else in need
A golden deed or two.

And since there'll always be
someone who needs my touch
I never will retire
Or cease to work as such.

It's true, I will not be
Employed five days a week
Or punch the clock each day,
Toiling so to speak;

But I have full-time work
Of which I'm proud indeed,
For I'll be helping God
To meet his people's needs.

We Love You - Gail & Marc

(A Poem Of Love)

This is how it all began, there is nothing more precious than back door friends.
The two that entered into that door, saddened our hearts, they enter no more.
That door is still opened and waiting for you,
Our prayers and our love are always with you.
Our Heavenly Father knows we love you, you two were so precious,
Our love hovered you, like the wings of an eagle a shadow for you.
Our back door friends loved to spend holidays and birthdays,
We all like to share, our hearts would joy, to see you smile,
A new dress, a new pair of shoes and a new shirt and new pants for little bristles,
And maybe a new toy for each of you.
Back door friends are indeed best of friends,
That old swing is vacant that I built for you,
And the play house we started we never got through.
Back door, that plaque is still hanging on the back door,
With loving hands you placed it there and a gentle heart so true,
It still hangs there so stately and says I welcome you.
Some day you two will know this,
Though we two may be gone,
The door where you placed it will still be your home...
(Signed in God's Love)

Love For Bro. Gene Tennison Shown At Recent Blood Drive

by Pamela McRae
Last week more than sixty people took advantage of an opportunity to give back a little to a man who has been an important influence in the lives of hundreds of Tishomingo Countians.

Last Thursday, Bro. Gene Tennison learned just how influential his life of caring and service have been to more people than he would ever have imagined. At a replacement blood drive held last Thursday at Tishomingo Baptist Church, twenty-three pints of blood were collected, and twenty more people were turned away when the blood workers had to pack up and take the collected blood on to the hospital.

Typical hospital drives, or even Tishomingo County Baptist Association blood drives usually result in about 25-30 pints collected. Its just not that easy to get blood out of people.

The drive was designed to help replenish some of the sixty or so pints of blood Bro. Tennison has had to receive in the past few years when he has experienced some health problems.

The retired Baptist pastor and school administrator was humbled by the outpouring of love people showed for him. But many who were able to give, and many more who were unable to donate considered it was the least they could do to show their gratitude and love for a man who has been much more than a pastor or principal in their lives.

"You don't know me," one lady explained, but she told him of how several years ago, Bro. Tennison counseled her husband and helped him overcome serious emotional problems. Another lady came because he had helped her grown son while he was in school.

As a minister he has had a part in many of the defining moments of the lives of people, which he humbly downplays. But few will ever forget the gentle, intelligent, caring man who spoke so appropriately words at a loved one's funeral, or the way he made an extra effort for a child at school, or just the joyful witness of the Lord's love that Bro. Tennison always exhibits, even through recent health problems.

Bro. Tennison has married more than 150 couples, and as a principal and teacher at schools for 21 years in Tishomingo, Iuka, Amory, Okolona, and Biggersville, has been a lasting memory and influence on hundreds of children; not to mention his devotion as a preacher for most of the past forty years, more than 17 of them at a single church.

There he is highly regarded and loved for his leadership during a time of growth, admired for his dedication and love for Christ and His Word, and has, through the years, provided a sense of continuity to many church members during a time when their pastors served only short times.

The blood drive, and its success, Tennison said is one of the most gratifying things that has ever happened to him.

"All I ever wanted was to be helpful, to help people," he said. "I'm glad the Lord gave me an opportunity."

Call to Preach
Eugene Tennison was born in Prentiss County on the same Burton Community farm where he still lives, but most of his life has probably been lived in Tishomingo County, where he served as pastor at Tishomingo Baptist Church for more than 17

Rev. Eugene Tennison

years, and served as a principal at Iuka High School, and assistant principal at Tishomingo and Iuka Elementary Schools.

Though he says he probably knew of his call to preach even as a young boy, when his favorite game was "playing church" (though he says he only liked to play when he was the "preacher" or song leader), he actually became aware of it when he was about 24 years old, while he was serving as assistant principal at Amory.

Education & Seminary

In 1949 he graduated with a bachelor's degree in education from Mississippi State University and went on to earn his masters from Vanderbilt before starting on what looked like would be a career in education administration. After early positions as principal at Okolona and then Amory, he answered the call to preach, and attended the prestigious Southern Baptist Theological Seminary at Louisville, Kentucky, where he earned his master of divinity degree.

With a young man's assurance that the training at Southern would be the ticket to prestigious preaching positions, or perhaps lead to the fulfillment of a perceived call to be a foreign missionary, Tennison was somewhat surprised when he was asked to become pastor at Tishomingo Baptist in the fall of 1956, he explained.

Before heading back to Kentucky for the fall 1956 semester, Bro. Tennison preached one Sunday at Tishomingo Baptist Church, where the average attendance was then 25-30 people and the weekly offering was about \$25. After preaching, a deacon came up and asked him to step outside, while the church called itself into business meeting and voted to call him to become pastor there.

He declined the offer and went on back to Kentucky, where after chapel one morning the Lord laid on his heart to take the Tishomingo call. He finished his last two years at Southern driving eight hours between Louisville and Tishomingo to preach two Sundays a month.

Tishomingo Baptist and the extensive family he has there has been and still is his greatest love, after the Lord, he says.

"The most gratifying thing has been that the best years of my life were spent at Tishomingo Baptist," said Bro. Gene.

Though never married, his

family is Tishomingo Baptist, especially his dear friends David and Geraldine Rushing, who he says have been like a brother and sister to him.

"Every pastor needs a family like that to be a part of," he said of the Rushings. "Somewhere I can go and just be Gene, not Bro. Gene, not a principal..."

David Rushing was instrumental in organizing the blood drive, which is just his latest act of friendship and loyalty to his longtime friend, pastor and fellow Mississippi State fan. Rushing long ago talked Bro. Tennison into buying season football tickets for all home Mississippi State games, and until recent years, there were few times they would not be attending the game if there was one.

Bro. Tennison admitted to State's position being right there under God and his church in his heart.

"I'll be buried with my cowbell," he laughs. "No, that is an exaggeration."

He reconsidered, "But it wouldn't be too bad."

Community and School Work

His call to Tishomingo benefited not only the church, which experienced considerable growth during his tenure, but was also beneficial to local school children, and many other people with whom he came in contact during various community involvements.

Integration of Schools

He was principal at Iuka Elementary during the first year of integration in 1967, and then the next year he was principal at Iuka High School.

He said he remembers the day, years prior to that while he was a principal at Amory, that the Supreme Court decision came down that would lead to integrated schools. His superintendent came to Bro. Tennison's house and told him, "in your lifetime you will see a revolution."

"And I have," said Bro. Tennison. "I've seen a social revolution, and revolutionary changes in the schools and in the churches of this county." There were few problems with the black or white students, he said.

He recalled the first black teacher, Mrs. Eva Ford, hired at Iuka High School, while he was the principal. And he said he remembered gathering up older reading books to help her teach the remedial reading classes she had, since she received little in the way of quality supplies, and remembered visiting her the day after Martin Luther King Jr. was assassinated.

After talking to her that morning, he came to a better understanding of the way she and many others in the black community felt about the loss of King as a leader.

Later, Ms. Ford was invited to address the NAACP convention in California, Tennison related. She was glad to tell him afterwards that the people there expected her to tell them what a difficult principal she worked with back in Mississippi, but she greatly disappointed them.

Bro. Tennison said that no one was more thankful and grateful than him when, last Thanksgiving week, more than 400 people gathered at his home church in Tishomingo for a Community Thanksgiving Service that featured the Carter's Branch Baptist Church Choir with Tishomingo native Rev. Robert

Powell delivering a Thanksgiving message.

"The Lord has been so good to me," said Bro. Tennison. "I'm just grateful that He allowed me to make a contribution in so many areas and lives, and I can never express how much their [the blood donors] actions mean to me."

AB Lakesha M. Powell Graduates From Basic Training

Air Force Airman Lakesha M. Powell has graduated from basic military training at Lackland Air Force Base, San Antonio, Texas on July 25, 1997.

During the six weeks of training, the airman studied the Air Force mission, organization, and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree through the Community College of the Air Force.

AB Powell is now in Fort Leonard Wood, MO completing her advanced individual training in the field Engineering Apprenticeship. She has nine (9) weeks before completing her AIT then will be going to Japan for 2 years.

Powell is the daughter of Doris M. and Ernest L. Powell of 1407 Indian St., Iuka. She is the granddaughter of James and Lucille Streater and the late Willie and Irene Powell.

The airman is a 1997 graduate of Tishomingo County High School, Iuka.

Barnett, Claunch, Pannell Reunion

On Saturday, October 4th, the families of the above named clan met at the Paden Community Center for the fifteenth annual reunion.

The lovely autumn day brought out some relatives who had not attended before. We were happy to have these new members, and hope they will be with us again next year.

In the absence of Jerry and Annette House, our president and secretary, the meeting was brought to order by Harold and Cohen Grisham of the Claunch family - much sadness and sympathy was expressed for the absent Barnett-Belue families due to the loss of a dear friend to all of us: Lester Belue.

After Grace was said by Tony Parrish the abundant and "sumptuous" meal was enjoyed by the following family members and friends: Marcy Lademan, Dan and Mary Ann Linton; Tishomingo, Leigh and Dustin Parker; Corinth,

Morgan and Samantha Murphy; Florence, Angie, Michael and Mark Barnett, Booneville, Sue Brown, Brandon Brown, Marie Yarbrough, Inez Hollis, Gladys Linton, Susan Woodruff, Brenden and Caitlin Padella, Judy Claunch Ryan, Ronnie Ryan, all of Iuka; Dean Claunch, Jasper, AL; Kermit E. and Era Lou Claunch, Gadsen; Bill and Beverly Claunch, Huntsville, Warner and Florine Claunch, La Juinta, Co.; Harold and Mary Grisham, Arlington, TX; Cohen and Lucy Grisham, Ft. Worth, TX; Annette Delaney, Eugene Martin, Tony Kimberly and Celisa Parrish, Kelly Haliburton all of Jackson, TN; Floyd and June Counce, Shiloh.

Beautiful gospel music was rendered by the "Thankful Quartet" from the Highland Park Baptist Church of Jackson, TN.

The meeting adjourned with plans to meet the first Saturday in October, 1998.

Letter To The Editor

This is a response to the letter sent in last week regarding the problem between the student section and the band parents at the TCHS/Corinth football game. But before I begin this letter, you must realize that not only do I speak as a proud student and fan, but also as a member of the TCHS band.

I am glad that we have instituted a student section at the football games and am also proud to see that they have been placed by the band. I see no reason why these students should not be able to stand up and cheer at the football games. Isn't that what the games are all about to begin with—to be able to stand up, take pride in the school, and cheer on our team through the thick and the thin? I believe any football player will agree that being able to gaze

up into that crowd and see the whole student body on their feet, cheering to the top of their vocal capacity, it is enough to push them through, even in those moments when it seems as though all hope is lost. Also, as a band-member, I cannot describe the feeling of looking into the crowd and seeing people up and dancing to the music.

I can understand that some people come to the games to see their children in the band, and I am happy that we have such parents, because with their dedication and support our band continues to grow and become stronger every year. However, I cannot understand why a select few parents have a problem with the students standing up. Those parents who want to sit beside the

band and watch them play in the stands should do exactly that, but if that's what they are there for, it should not matter whether they can see the field or not. Those

parents who want to see both the band and football team should sit elsewhere and wait to watch the band at half-time—I think most band-members will agree that there is nothing visually stimulating going on while we sit in the stands and play. Incidentally, a great many band-members will agree that they had rather not have their parents sitting beside them, anyway. I am quoting the column: "...band parents and supporters have supporters have always sat next to the band to run errands, retrieve items that have fallen through the bleachers, hold items for students, watch students' things during half-time and third quarter, and assist in any way we could." These parents are very much appreciated and I thank them for doing these things, yet it is not necessary that they do so—for some time we have had "band-aides" who are

there just for these such purposes.

The column also said something to the effect that students probably wouldn't appreciate it if they were asked to sit so they couldn't see the ball game—probably not, but let's not forget that the primary purpose for going to the football game is believe it or not, watching the football game. We are there to watch and support our players. I think supporting the team has precedence over everything else. Also, the column said, "We don't think there is a single parent that has a child playing football, baseball, cheerleading, etc. that would appreciate being asked to move to a place where they could see their child." I do not see any parent sitting on the bench or in the dugout with their child, when they are not on the playing field. It is basically the same thing; everyone has their time to shine. The band's time is at half-time during the games and at our own marching competitions in October and November.

As a band-member, I understand that I, like the cheerleaders, am there to motivate and build the spirit. The spectators have a job, too. The band, the cheerleaders, the crowd—we all work together. Through the music of the band, the spirit of the cheerleaders, the support of the fans, we try to convey an atmosphere of excitement and positive attitude. It is only when we cooperate, that we can create and maintain that atmosphere and drive our team to victory. It's all about spirit. And if the students, or anyone else for that matter, want to show their spirit by standing up and yelling, then so be it. I believe the cheerleaders put it best when they say, "All for the Braves, stand up and holler!"

Sincerely,
Brent H. Bonds

Letter To The Editor

Help Keep Our Park Clean

Iuka Mineral Springs Park is a park to be proud of. Our park is used for a lot of different activities. And no one has to pay. Such as for birthday parties you have to pay for renting a place just about anywhere else you go. Today, Tuesday, October 7 we went to the park and someone had a birthday party but being tacky as they were they left their garbage in bags and on the table with tablecloths, cups and plates still on the tables, as if they had just left. The dogs had strode the garbage

all over the play area and around the park. If there had been no garbage cans there might have been an excuse for this. But being that there 8 garbage cans near the area of the party there is no excuse, but for laziness. Because of this action, of a few, eventually we all will be punished by either having to pay for getting into the park or being banned from having parties of any kind in our park. In cleaning the garbage up we found that the family of Quinton on his 7th birthday had a really good time. Please keep our park clean.

Plans Finalized For Fall Festival

Plans have been finalized for the sixth annual Prentiss County Fall Festival to be held in downtown Booneville October 17 and 18.

The festival will officially open at 5 p.m. Friday, October 17. Booneville's High School Band will be on hand to play the "National Anthem" and the local National Guard Unit will present the colors. Northeast Mississippi Community College's country/western group "Campus Country" will perform beginning at 5:30 p.m., along with the Hobo High Steppers, a local line dancing group. At 6:30 p.m. there will be an old-fashioned gospel singing featuring the "Masters Quartet," "Promised Land," Ricky Rowan, and the "Gospel Singers."

Booneville's Business and Professional Women's Club will sponsor a fish fry on the Courthouse lawn Friday evening from 4-7 p.m. Tickets are \$7. Proceeds will help to fund the club's scholarship fund at Northeast Mississippi Community College. Tickets can be purchased from any BPW member.

Happe Days Carnival Rides will open Friday afternoon and run all day Saturday. Saturday's events will begin at 9 a.m. with arts and crafts booths, craft demonstrations, helicopter rides, health screenings, Jaws of Life demonstrations, a variety of food vendors and continuous entertainment on two stages throughout the day.

Entertainment will begin at 10 a.m. on Saturday with Promised Land on the Courthouse Stage, followed by Trailer Parker and Band at 11, Summer Ray at noon, Ricky Gillentine at 12:30, and Spunk Monkey at 2 p.m. At 4:15 Prentiss County native Brian McCutchen, now of Pontotoc, and his group "Resident Aliens" will take the stage.

Children's coloring contest awards and the t-shirt design winner will be announced at 12:30 on the People's Bank stage. Former "Campus Country" members Charlie Smart and Trey Lambert, who make up the group "Take 2" will entertain the crowd with a variety of country and rock and roll at 5:30 p.m. Popular local band "Guns" will take the stage at 7:15 p.m. for the festival finale.

One of the People's Bank Stage the "Prayer Warriors" and "Life Time Believers" will open at 10:30 a.m. followed by Tanya Riddle Morgan. Students from Debbie Edge's School of Performing Arts will entertain beginning at 1:30. There will be a cheerleader showcase at 2:30 and several area youth choirs will be featured at 3:30. Nacey Arnold's youth group will close out that stage beginning at 4:30.

For more information about any of the festival events, contact Patrick Eaton at the Booneville Area Chamber of Commerce at (601)728-4130.

Mississippi Building Roads At Record Pace

It's hard to travel anywhere in Mississippi today without encountering bulldozers and road crews building new highways.

It's the result of an ambitious four-lane program enacted by the 1987 Mississippi Legislature. In addition, areas with casinos are getting special help with roads to ease traffic problems. The casino roads are financed by gaming revenues.

The four-lane program is divided into four phases. And the reason you see so much activity is that the state is currently at the peak of phase three. Phase four begins in July 2001. Every contractor who wants work can find work, plus the activity has attracted the attention of out-of-state builders.

The first three phases include 1,086 miles of four-lane, and phase four has 619 miles for a total of 1,705 miles.

Currently 440.8 miles are open to traffic. Another 307.3 miles are under contract, and 338.2 miles remain to be let in the first three phases. The state has also contracted for reconstruction of 143 miles using federal funds and replaced or constructed 115 bridges.

And the good thing is that the program has been financed on a pay-as-you-go basis. Some legislators, however, are calling for the department to issue short-term bonds to give even more

speed to the construction.

The one fly in the ointment is the casino roads. The Legislature designated the roads to be built but put more on than the revenue stream can support. The projected revenue through the year 2012 is \$609 million. Projected disbursements are \$1,030 million — a shortfall of \$421 million.

Gaming receipts through June 1997 were \$69 million with disbursements of \$102.1 million or a funding shortfall of \$33.1 million.

That is causing a lot of frustration particularly on the Gulf Coast where the urban setting makes construction costs skyrocket.

But regardless, Mississippi's ambitious four-lane program has drawn national attention, especially since it is being done without saddling future generations with a large debt.

Peoples Holding Company Pays Additional Dividend

At its regular September meeting, the board directors of The Peoples Holding Company authorized payment of a quarterly cash dividend of twenty-two cents

(\$.22) per share payable October 1, 1997, to shareholders of record September 22, 1997. This is the second consecutive quarter in 1997 for the payment of \$.22 per share, and represents a 15.8% increase in the payment rate over third quarter 1996.

The company's wholly

owned subsidiary, The Peoples Bank & Trust Company, is Mississippi's sixth largest

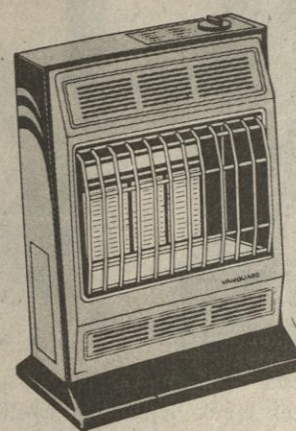

commercial bank with assets of approximately \$939 million. The bank operates 40 offices in 27 communities throughout north and north central Mississippi.

Cortney's Community Chats

By Cortney Compton

Wildflowers are on the bloom. I've just finished picking some for a friend. Flowers always brighten my day as I drive back and forth from college! Fall is definitely here! If only the weather would cool off! Soon the leaves will start turning orange, brown, and yellow! Then for a short time we will be able to see their colorful beauty as they hang gracefully in the trees. Then the leaves will just float away by the wind, only leaving us with the chore of raking them up! Don't you just love the fall! I do.

October is the month spooks and goblins come out to play! Some ask for candy, while others enjoy torturing your yard with toilet paper!! Many people place

colorful flowers on their porches. While others simple hang up long white ghost in their trees. I enjoy painting colorful faces on pumpkins! Then when the faces are all completed you have a pumpkin family! Fall is so wonderful! If you haven't taken the time to see all the sudden changes brought in by the fall, don't wait to long or it will be gone with the wind!! Only leaving you with the reminder of fallen leaves and bare trees!

For the Germans, coffee drinking was at first largely a masculine pleasure. Johann Sebastian Bach wrote a "Coffee Cantata" expressing the emotions of women whose husbands neglected them to drink coffee with the boys.

Mr. & Mrs. R. C. Martin Of Paden Celebrate 68 Years Together

Palmer of Midway. The two young people met when they both attended the Midway School. According to Mr. Martin, he had a date with another girl, and a friend had a date with Altha. Somehow they swapped dates and later Cleston married Altha and the other boy married Cleston's date. It seemed Cleston and Altha were just meant for each other and time has proved this to be true.

When the two young people began their lives together, Cleston was a trucker. He later tried his hand at row cropping but saw no future in that and soon found he enjoyed cattle farming and hog farming. He became a land owner, bought timber and ran a saw mill for many years. In 1948 he moved his family into the homeplace in Paden where they still reside. Mr. Martin also ran a feed mill in Paden. He bought the mill, which was built from lumber taken from the old Midway Methodist Church when it was torn down, from the late Lester Skinner. He then moved it to Paden and operated it until 1975.

Altha Martin decided many years ago to be a homemaker. She thought it was important to be home in the afternoon when her children arrived from school, so she helped her husband on the farm and worked in the home and together they built a good life for themselves and their four children: Bobby, Doyce, Wayne, and Betty.

Bobby is married to Virginia Carter and they make their home in Corinth. They have two children, Jan Martin and Loretta Edmondson. Bobby and Virginia have three grandchildren.

Wayne is married to Margie Kirk and they live in Florence, Ala. They have two children, Nathan Martin and Trena Montgomery, and two grandchildren.

Their daughter, Betty Green lives in Tishomingo and has two children, Tammy Green and Mark Green, and two grandchildren.

As with all families, sorrow and tragedy has come to the Martins. In September of 1994, their son Doyce was killed in an automobile accident. His wife, the former Maxine Massengill lives in

Paden. Doyce and Maxine have three children, Pam Oswalt; Terry Martin; and David Martin, who was also killed in an automobile accident; and two grandchildren.

Cleston and Altha Martin have always been active in the community of Paden. Cleston is known as the "oldest man in Paden" and "a good neighbor" and has devoted much of his life to the betterment of his town and county. He served for many years on the

Tishomingo County Hospital Administration Board, the Farmer's Home Administration Board, the Tishomingo Bank Board, the Dennis Water Association Board, and the Board of Aldermen in Paden.

The Martins have also been active members of their church, Friendship Primitive Baptist Church in Paden for many years.

Today they are both retired and spend much of their time with their children, grandchildren, great-grandchildren and friends. They have faced some sickness over the years, but the same love

and determination that brought them together so long ago, continues to sustain them today.

Local March Of Dimes Office To Host Open House - October 16th

The North Mississippi Division Office of the March of Dimes Birth Defects Foundation will host an Open House on Thursday, October 16, in celebration of October as "Campaign for Healthier Babies Month."

The public is invited to stop by between 11 a.m. and 6 p.m. at 112 North Madison Street in Tupelo and visit with local volunteers and learn about the progress of the 60-year-old organization in its effort to improve the health of babies with cutting-edge research and programming that affects every child born in the United States.

"We encourage North Mississippians to come by and see everything the March of Dimes offers in the way of prenatal

education," commented Division Director Caroline Pugh. "There are so many things the March of Dimes has done recently to save babies born prematurely and with other problems. We want to let people know about these medical advances and about local programming we offer that teaches prenatal care to mothers-to-be and to those women thinking of becoming pregnant."

The mission of the March of Dimes is to improve the health of babies by preventing birth defects and infant mortality.

Little Girls Camp

The Basketball Cheerleaders will hold a little girls camp for grades K-6 Saturday, October 11, 1997, at the TCHS gym. It will last from 8:00 - 12:00 a.m. The cost will be \$15.00. Anyone who participates and has one of our uniforms will be invited to perform in next Fridays pregame activities at 7:15 p.m. There will be uniforms that you can buy. (Sizes and quantities will be limited).

R. C. (Cleston) and Altha Martin celebrated their 68th wedding anniversary on September 29 in their home in Paden, just down the road from the Shackelford place where they had married so long ago.

Cleston Martin (called Skinny by his friends) was only 18 when he and his girlfriend, Altha

Palmer, 17, decided to marry in 1929. Bro. Jim Shackelford performed the ceremony in his home in Paden, and thus began a wonderful life filled with much happiness and love.

Cleston Martin was the son of John and Leora Martin of South Crossroads and Altha Palmer was the daughter of Lum and Nola

Genesco Signs New Credit Agreement

Genesco Inc. (NYSE: GCO) announced today that it has entered into a new, five-year revolving credit agreement with RegionsBank, N.A. as agent, First Chicago NBD as co-agent and Bank of America.

The new agreement replaces Genesco's existing revolving credit agreement that was due to expire in January 1999. It provides the Company with a combination letter of credit and borrowing availability of \$65 million compared to the former agreement's \$35 million.

"We believe the greater size and duration of the banks' commitment reflects their confidence in Genesco's significantly improved financial condition. We are pleased to have RegionsBank and First Chicago NBD joined by Bank of America

as Genesco's key banking partners," said Matthew N. Johnson, treasurer of Genesco.

Genesco, based in Nashville, markets and distributes branded shoes and boots. The Company also operates the Volunteer Leather Company. Genesco's owned and licensed footwear brands, sold through both wholesale and retail channels of distributions, include Johnston & Murphy, Dockers Footwear and Nautica Footwear, and Laredo, Code West and Larry Mahan boots. Genesco's products are sold at wholesale to more than 4,000 retailers, including the Company's own network of 556 footwear retail stores in the U.S., operated principally under the names Jarman, Journeys and Johnston and Murphy.

Ormet Corporation Acquires Specialty Blanks, Incorporated

Ormet Corporation has acquired Specialty Blanks, Incorporated (SBI), the largest independent U.S. producer of industrial aluminum alloy blanks for the lighting, cookware, automotive and aerospace industries, with annual sales in excess of 50 million dollars.

Emmett Boyle, chairman, president and CEO of Ormet Corporation, said, "This strategic acquisition corresponds with the product mix optimization for our Aluminum Rolling Mill, as well as provides growth opportunities in several value-added downstream markets and expands our participation in supplying the automotive market."

The majority of the blanks produced by SBI, which are converted from flat-rolled aluminum sheet and plate, are used for the lighting and cookware markets. SBI also is a major supplier of circles to producers of diesel fuel tanks, propane tanks, water and compressed gas cylinders, and manifolds. In addition to its blanking business, SBI produces wheel rims for aftermarket automotive wheel manufacturers who convert the rim to a wheel assembly.

Headquartered in Wheeling, West Virginia, Ormet Corporation produces a wide range of aluminum products for fabrication, extrusion and conversion markets. Its subsidiaries are Ormet Primary Aluminum Corporation, one of the four largest U.S. producers of primary aluminum, and Ormet

Aluminum Mill Products Corporation, which supplies quality aluminum sheet and foil products for the distributor, food and beverage, printing, packaging, construction and transportation industries.

Specialty Blanks, Inc. is located in Terre Haute, Indiana and employs approximately 160 people.

Tishomingo Dixie Youth Meeting Thursday Night

The Tishomingo Dixie Youth Little League Association will meet this Thursday night at 6:30 in the Tishomingo School Cafeteria. Everyone with a child who will play baseball in the next 20 years is encouraged to come, because one of the main topics will be planning for the new ball fields, which will be used by hundreds of children in future years.

New officers were elected last meeting, including: Carolyn Parrish as President, Lanny Cox as Vice President, Tammy McDougal as Secretary, Mickie Gatlin as Treasurer, and Nancy Martin as Reporter.

Thursday night, they plan to discuss the wonderful progress on the new fields and determine next steps in the area of construction and fundraising.

Annual Spaghetti Supper At Rocky Springs October 17

Rocky Springs United Methodist Church located on Coleman Park Road will be having their annual spaghetti supper on Friday, October 17th as usual. Our menu will consist of delicious spaghetti, cole slaw, rolls, tea or coffee and a dessert of your choice.

The price will be \$4.00 for adults and \$2.00 for children. Serving will begin at 4:00 and you

may eat in the fellowship hall or pick up and take home. Serving should conclude around 7:00.

Our proceeds for the supper this year will go towards the purchase of our new parsonage located on Ash Street. The TCHS Braves will be hosting New Hope. So come early so you can go on to the football game. We always appreciate the support which we receive from the community for annual fund raiser.

Iuka Middle School PTA Will Meet

The Iuka Middle School will hold its monthly PTA meeting tonight at 7:00 p.m. at the school. All parents are encouraged to attend this meeting with their children because "Learning A Lesson The Hard Way" is something you don't want to miss. This very informative program will address issues of substance abuse and the reality of a life time of consequences that are faced by even one bad decision.

Many fifth grade students are involved in putting on this play, which is under the direction of Mrs. Jane Robinson and Mrs. Mariann Beals. Please join us and give these hard working students and teachers the support and recognition they deserve. A Member of the PTA Board will also be on hand with an update on our fund raising projects. The

1997 Homecoming Parade At TCHS

A Regal Affair At TCHS

On Friday, October 3, students at Tishomingo County High School presented their homecoming parade.

There were 26 official entries in the parade and Principal Bob Haggard was selected as this year's Grand Marshall for the parade. Due to the death of his mother, he was not present. However, the car reserved for him still preceded the parade in his honor and in his mother's memory.

The parade was dedicated in loving memory to Emily Johnson, a TC junior who was tragically killed in a car accident last Monday. Although spirit prevailed, respect and love for Emily was evident.

The festive affair was witnessed by many dedicated parents as well as middle school students. TCHS would like to see our towns come together to support us even more at the annual parade.

The floats, cars, and trucks were decorated and were enjoyed by everyone.

Braves Bend To Cougars

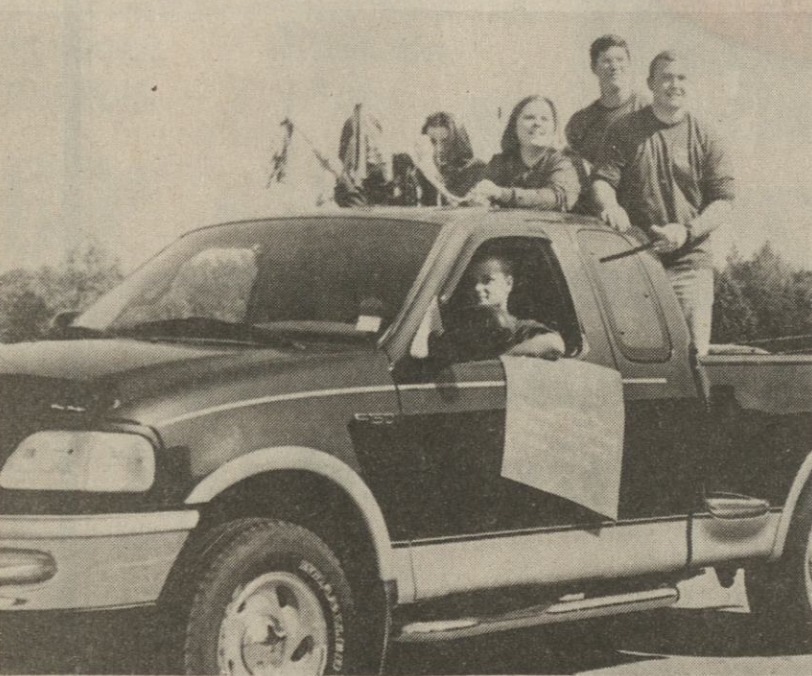

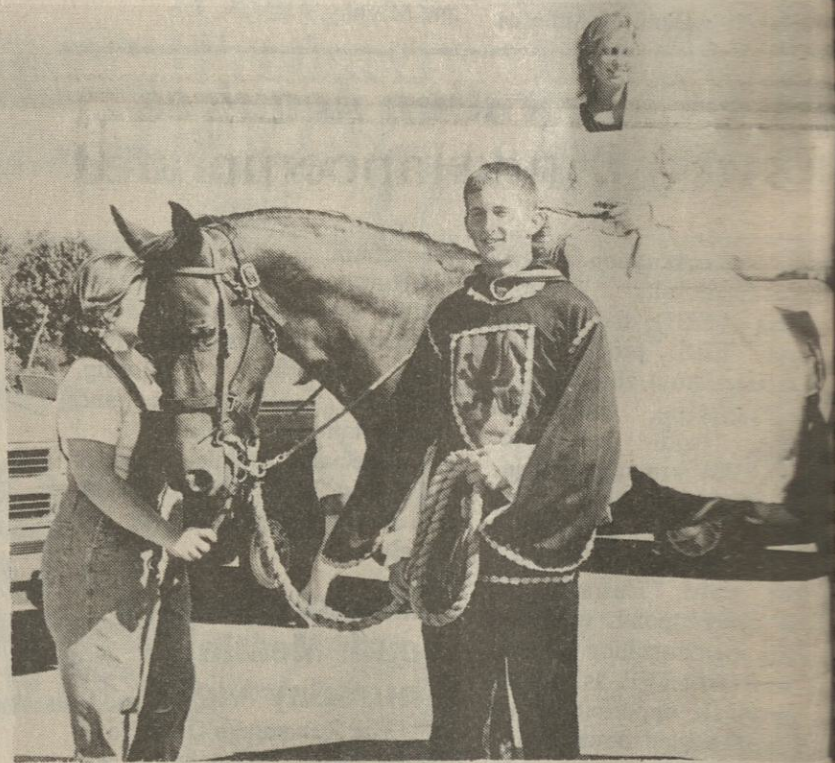

In homecoming action the Braves were defeated 9-6 by the Cougars from South Pontotoc.

In the first half the Braves scored on a bootleg play by Grant Smith on fourth and one. The PAT was no good.

The Cougars came rallying back to score, and the score at the end of the half was 6-6.

The second half saw both teams turn the ball over again and again with neither team scoring. During the last minutes of the final quarter, the Cougars kicked a field goal to put them up 9-6.

On Friday, October 10, the Braves will travel to Fulton to take on the Indians of Itawamba Agricultural High School. Game time is at 7:30.

King and Queen for a Day! Odell Bullard and Louise White were selected King and Queen for a special day September 23rd in Iuka, when seniors that attend local care programs were honored with a party, games and enjoyed visits with elected officials. Both Bullard and White attend the Senior Day Care at Tishomingo State Park.

Day Care Seniors Enjoy Special Party At Mineral Springs Park

Pamela McRae
About 55 Iuka and Tishomingo senior adults enjoyed special party at Mineral Springs Park on September 23rd. Everyone took home cash prizes, enjoyed bingo, games, and music, and had the chance to meet with some local officials like Aldermen Beth Davis, George Long, Iuka Police Chief James Bates, Tishomingo County Supervisors Danny Ryan and Dale Rice, Circuit Court Clerk Donna Hill and former long-time Iuka Alderman Leroy Dean. The day was organized by Jim and Judy Walker for the many people that attend the senior day care programs at Iuka and at Tishomingo State Park. Assisting the Walkers were Vicky Durham and Michelle Johnson, and entertainment was provided by Jim and Sherry Gwatney; Jean Gwatney, who did her great Minnie

Pearl act; and Mary Bonds who sang. Bro. Gwatney also lead a devotional for those present. The seniors are still talking about the fun and exciting day and are looking forward to doing it again, though they think a date next year is too far away! The event was financed by the County Board of Supervisors, the City of Iuka, the Heritage Day Committee and the First American National Bank Crystal Circle Club. "This is hopefully the first of many events that will re-establish Mineral Springs Park and the Youth Center facility there as a great place for community gatherings and events," said organizer Judy Walker, who is working on a committee with Iuka Alderman Buddy James on plans to start promoting the benefits and features of Mineral Springs Park.

Burnsville Happenings

By: Donna Burns

The fair was great fun! Thanks to all who made the fair so much fun. Fair booths looked real good. 1st place was North Crossroads, 2nd Rainbow 4-H, and Seedling Forestry was 3rd, and blue ribbon went to Dog Care, Magnolia, and Holcut 4-H. And a special performance by Tishomingo County 4-H Show Choir and Margaret Hendrix. The performance was Gospel Mountain music and those performing were: Joseph Burns, Kara Borden, Mendy Chatham, Caroline Ervin, Carrie Grimes,

Kaitlin James, Brook Newcomb, Neelie Owen, Emily Powers, Kinsley Whitlock, and Vanessa Woodruff, and an extra-special performance by Jacob Powers, and Josh Ervin. The 4-H and Homemakers crafts were great as usual ladies and children you all did a fine job. This year the children at Pleasant Grove Church of Christ put an exhibit in the fair they all won blue ribbons their ages was from 2-9 years. You all did a great job! The Burnsville Jr. High Football record for 8th is lost 1, tie

one and won the rest this is up to the Oct. 7th game has had a good year. They all work very hard. We are proud of you all. The Burnsville Public Library will have some crafts by Rainbow 4-H on Display this month. And the club is still taking up goods for the Wells if interested contact April Burns at 424-9753 or the Burnsville Public Library at 427-9258. Thank you for all the help the Wells really appreciate it. Book remarks! The book *Bridge To Terabithia* by Katherine Paterson is a book for young readers. But I think even adults will find the story of interest. The setting is a contemporary one with humor warmth and distinct characters. This story shows a deep understanding of children, family and the bonds they form. The death of a child, Leslie and how her best friend, Jess Copes with it will touch you. This book is a 1978 Newby Medal winner an award it deeply earned. Give this book a read if you want a good book and enjoyable story. Available at Burnsville Public Library. Rainbow 4-H and Forestry will meet October 14th after school at the Burnsville Public Library. Rainbow 4-H worked Saturday night, 2nd shift at the

fair, thanks for a fine job and thanks funnel cake lady! Have a safe and happy weekend. **Moore Family Reunion** Descendants of Garland and Cindy Moore met for our fifth Family Reunion Saturday, October 4, 1997 at The Community Center at Iuka Spring Park. Everyone had a good time reminiscing and we had lunch at noon, some made pictures and shared albums. Hope we can have a bigger crowd same time next year. Those in attendance were: W.J. & Alice Carlisle, Owen & Golda Moore, Marshall & Mamie Adams, Courtney Fulghum, Sandra McBride, Lynn McBride, Bennie & Lily McBride, Thomas & Dana Walker, Channing & Caleb, Mr. and Mrs. E.G. McBride, Alvin & Aline Moore, Dale, Bonnie & Faith Moore of Iuka; J.D. & Lora Faye Grissom of Burnsville, Hafford & Doris Luttrell, Ethel Luttrell of Tishomingo, Vernon & Joan Henderson of Middleton, TN, Jane & Jonathon Frye of Memphis, TN, James & Nona Moore of Mooreville, MS and Vickie Pennington of Franklin, TN.

Mrs. Bonnie Bullard of Iuka uses her artistic ability in many ways. A few years ago she began painting Santa Clauses and Halloween pumpkins faces on gourds. She also paints magnolias and other scenes on the gourds. The Iuka Library is pleased to display several of the gourds during the month of October. Visit the library and see the art exhibit of gourd painting.

Reading Readiness—Through a "Reading Readiness" grant from the Mississippi Library Commission the Iuka Library has purchased some much needed toys for the children's department. Having a pleasant experience in the library encourages children not only to use the library but shows them that reading is important and that it can be fun. Getting a sneak preview of the toys before they were unboxed are Hunter Womble, son of Ellie Hill Nunley, and Josh Cooper, son of Gerald and Kim Cooper of Oxford. Hunter's grandmother is Mrs. Ettie Hill of Iuka and Josh is the grandson of Mrs. Faye Cooper of Iuka. The Mississippi Library Commission received funding for the grant under the Library Services and Construction Act, the Federal funding program for the nation's public libraries.

Prepaid Affordable College Tuition

First American National Bank is pleased to be participating in the Mississippi Prepaid Affordable College Tuition Program. Mississippi's Treasury Department is offering an affordable program to help you plan for your child's future.

The MPACT Program was initiated in 1996 with overwhelming response across the state. The program is a practical way for parents or grandparents to pay a child's future college tuition and fees, at today's prices.

The MPACT Program offers affordability and flexibility for the children's future education. Tuition is valid at any public or private college or university, whether in-state or out-of-state. The plan is administered by the State Treasury Department and backed with a full guarantee by the State of Mississippi. Investment earnings for purchases of the plans are exempt from Mississippi Income taxes and payments by the purchasers are deductible for Mississippi Income taxes. Federal taxes on earnings

are deferred until tuition is paid out, and are taxed to the student who may pay a lower tax rate.

For more information you may call 1-800-987-4450, or stop by any office of First American National Bank for an information brochure and application. Application deadline for this enrollment period is October 31, 1997.

Iuka Lions Club News

What Is...

"White Cane Day"

"White Cane Day" is a fund raising day for the Lions Club of Mississippi's Sight Foundation. Lions Clubs use different methods to raise funds, some sale newspapers, some sale pecans, some sponsor road blocks, and many other ways.

Monies donated will be used for the indigent to purchase eye glasses, to pay for eye examinations. The Lions Club is a "Sight First" organization, but not limited to Sight. The Lions support Diabetes Awareness programs, one of the leading causes of blindness in adults. Donations also go to the support of the Mobile Sight Screening Van, which was donated to the Lions Clubs of Mississippi by Bryan Brothers, Inc. of West Point, MS. The Sight Van has facilities to screen for glaucoma and visual acuity, blood pressure, diabetes. The Hearing Impaired program includes placement of Crib-O-Grams in Mississippi hospitals, a device that can determine if a new born infant has a hearing problem. The Mississippi Lions Eye and Tissue Bank, one of the premiere eye and tissue banks in the United States. Leader Dogs for the Blind is supported by contributions from the public. There is no charge to a blind master for a trained leader dog. The Mid-South Lions Sight and Hearing Service, located in Memphis, TN, offers services by the medical staff of the Methodist Hospital and University of Tennessee Ophthalmology and Otolaryngology departments.

These are just some of the things supported by the Lions Club White Cane fund raising. A great portion of your donation will

stay to be used in your community for the Sight Impaired.

Your generous support to your local Lions Club will allow White Cane and the Lions of Mississippi to continue to make a vital impact on the lives of our fellow Mississippians.

The Lions Club of Iuka will sponsor a "White Cane Road - block" the morning of Saturday, October 11th, at the intersection of Hwy. 25 and Hwy. 172. When you make a donation to your local Lions Club, you enable the people of need in your community to have the benefits of these sources. Please, do not pass them by.

Nursing Assistant Training

The Northeast Extension Center in Corinth, is offering FREE training in the field of Nurse Assistants. If you are interested in entering the field of nursing, and you feel that being a caregiver is the career for you, entering the Nursing Assistant Program should be your first step.

Students Measure Height Of Trees Using Homemade Tool—Mississippi Community College students enrolled in Wildlife astronomy class took advantage of the weather recently and outdoors to measure trees on the Booneville campus. Students constructed their own astrolabes (an ancient instrument for determining the sun or stars) and used them to measure the height of trees and angle found with the tool and the distance to the base of the tree using trigonometric functions. An astrolabe can be used to locate the determining their angle above the horizon. John Evans of Iuka used an astrolabe indoors to measure the height of the planters on the second of McCoy Hall Math/Science Complex.

NEMCC Faculty Getting Fit—Physical education instructor Southward works out on the tricep press in Northeast Mississippi Community College's new commercial-style health and fitness center during a recent orientation session while counselor Tim Floyd of observes. Housed in the Burgess Activities Center, the center contains cable operated and weight loaded machines, treadmills, stationary stair climbers, saunas, and steam baths. Everyone utilizing the center enrolled in a one hour activity class designed to help them reach the level of fitness they desire. Currently the center is open only to students, faculty and spouses, but according to school officials, the center will be open to the general public in January.

Sardis Church News

By: Ova Reno

A torn jacket is soon mended; but hard words bruise the heart of the child. (2nd. Corinthians 13:10) Therefore I write these being absent, lest being present, I should use sharpness, according to the power which the Lord hath given me to edification, and not to destruction.

Devotional: As for Me and My House". Joshua 24:14-18. Verse 15. And if it seems evil unto you to serve the Lord, choose ye this day which you will serve; whether the gods of your father's served that were on the other side

of the flood, or the gods of the amorites, in whose land ye dwell: but as for me and my house, we will serve the Lord. There were only Noah and his house left after the flood, civilization had to start again. The next time will be when Jesus comes back again to get His people. What a wonderful day that will be to His people.

Central Truth—of lesson. Trust God to do all that He promised. Abraham and Sarah were promised an heir 25 years before he came. They were both

passed child bearing days. Abraham was 100 years old and Sarah was 95. They both laughed but God showed them what he could do.

A friend of God trusts Him. Genesis 15: 1-12, 17. Abraham was worried because he didn't have an heir; but God told him he would have one and his seed would be as many as the stars in the sky and more than the grains on the seashore, but God meant what he said, Isaac was born. Abraham received more than he asked for. Abraham is the father off all the born-again christians. So his family keeps growing. Amen.

Sunday night Bro. John talked about the, Faith of Daniel". Daniel was like Abraham in his faith, he believed God. Daniel was

a captive of the Medo-Persians. The big-wigs there were jealous of Daniel and decided they would get him killed, so they flattered the King and had him to make a decree that when certain musical instruments sounded for everyone to fall down and worship the king. Daniel continued to worship and pray to God every morning, noon and night. Read it all and see all the things that happened to Daniel. But with the help of God he always won out.

The guilty one's were caught and punished.

The Lord has surely been good to Sardis and our members this year. We have gained in membership, but we still have room for a few more. If you are interested in a small country church, come to see us.

Our Wednesday night Bible study is just going great. Would be glad to see you there. You should see our new sign. I think it is the prettiest one we have made.

The Judson Association Mission meeting will meet at Sardis Church Saturday morning at 10 o'clock a.m. from 72 overpass go West on 72. Take first road that turns to the left, pass Mt. Gilead Church and drive 4 or 5 miles straight down road 138 CR 405. We hope to see you there.

GETTING HEARING HELP
Why is it that the person with a hearing loss is the least one bothered by it and the last to notice it?

If you've been wondering how to get hearing help for a person who needs it, here are some tips. Rather than criticizing, it's better to stress that you simply want the person to be comfortable and to communicate as well as possible. In any case, don't ignore the condition, because it will not go away.

But if you are talking louder than normal or playing the TV louder, you're only helping the person pretend there isn't a problem. What you can do is to obtain some materials from your hearing professional that will help this person learn about what can be done to restore hearing. And then point out that a hearing aid is much less noticeable than a hearing loss.

HONDA BEST ON EARTH

BE A RESPONSIBLE RIDER. Remember, ATVs can be hazardous to operate. For your safety, avoid excessive speeds, and be particularly careful on difficult terrain. Never carry passengers and never engage in stunt driving. Honda recommends that all ATV riders take a training course and read their owner's manual thoroughly. FourTrax and Foreman are registered Honda trademarks. For safety or training information, call the ASI at 1-800-887-2887.

Facts About The BIBLE BY JOHN LEHTI

THE MOTHER MARY.

AS THE MOTHER OF THE MAN DESTINED TO BECOME THE MESSIAH, MARY COULD NOT HAVE KNOWN THE FULL FATE THAT AWAITED HER SON, BUT WHENEVER SHE IS MENTIONED IN THE NEW TESTAMENT IT IS EVIDENT THAT SHE WAS A PATIENT AND TRUSTING WOMAN. ONLY ONCE DID SHE CHIDE HER SON--THE INSTANCE BEING THAT OF THEIR TRIP TO JERUSALEM WHEN JESUS WAS TWELVE YEARS OF AGE (LUKE 2:42) WHEN THEY HAD TO GO BACK A FULL DAY'S JOURNEY BECAUSE THE YOUNG JESUS HAD STAYED BEHIND IN THE CITY TO CONVERSE WITH THE DOCTORS AND RABBIS IN THE TEMPLE. ONLY A VERY PATIENT AND SPIRITUALLY MINDED MOTHER WOULD HAVE PUT UP WITH THE ANSWER THAT HER SON GAVE HER-- AFTER HAVING TO GO THREE MORE WORRISOME DAYS BEFORE FINDING HIM! (LUKE 2:49)

ONE OF THE LAST PICTURES THAT WE HAVE OF HER IS, STILL PATIENT AND SUFFERING, WAITING BESIDE THE CROSS FOR HER SON TO DIE IN AGONY--AND NEVER COMPLAINING OF HER ROLE IN LIFE OR THE SORROWS SHE HAD TO CONTEND WITH-- A BEAUTIFUL EXAMPLE OF A DEVOTED AND PIOUS MOTHER!

THIS DEVOTIONAL & DIRECTORY IS MADE POSSIBLE BY THESE BUSINESSES WHO ENCOURAGE ALL OF US TO ATTEND WORSHIP SERVICES.

Pain may be eliminated for millions

(SPECIAL) A drug that is exciting researchers in the treatment of pain has been formulated into a new product known as "Arthur Itis," and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, pain-

ful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itis, relieves pain by first selectively attracting and then destroying the messenger chemical which carries pain sensations to

the brain, thus eliminating pain in the affected area. Arthur Itis, is available immediately without a prescription in an odorless, greaseless, non-staining cream or new roll-on liquid form. Arthur Itis, is guaranteed to work or your money back.

Use only as directed.

(Bro. Gene)

Thomas Leroy O'Bryant

Thank you to all for the many expressions of love and sympathy shown to us at the loss of our husband and father. The prayers, condolences, and gifts were greatly appreciated.

Special appreciation to Drs. Kelly and Scott Segars, who between them treated Daddy with medication and love for the past 30 years and to Drs. Earle Weeks, Michael Jones, and Martin Barnett who treated him first with aggressive therapy and then with compassion in his last hours.

The staff of Unit B in the St. Francis I.C.U. who allowed us to be by Daddy's bed side at any hour were caring and compassionate - patiently listening as we voiced concerns and Daddy sang cowboy songs through the long brief hours at the end.

At Cutshall's Funeral Home our old friends helped us lay Daddy to rest. Their professionalism and friendship in perfect balance to ease us through the most difficult time of life.

We are thankful to Iuka Baptist Church for comforting us with prayers, phone calls, visits, and food and to Bro. Jim Manley and Bro. Ron Plymel for their presence and comforting words as Daddy lay in state.

The tributes in song by Erin Evans and Betty Cochran were an honor to Daddy's memory. To pallbearers Christopher Thweatt, Mike Crain, Frankie Yates, Steve Grimes, Bobby Enlow, John Moore, and honorary pallbearer Jeff Evans we thank you for serving so graciously. Though Toney and Amanda Mobley shared our sorrow, they were our strength.

Blessings on all our friends & neighbors.

A part of the SE 1/4 of Section 36, Township 6, Range 10 East, Tishomingo County, Mississippi, described as follows: Beginning at the Northwest corner of said SE 1/4; thence run East along the centerline of a State Aid road 113.79 feet to the true point of beginning; thence run East 103.00 feet; thence run South 171.00 feet to a point on the North bank of a ditch; thence run North 89 degrees 50 minutes West 103.00 feet; thence run North 171.00 feet to the point of beginning. Containing 0.53 acre.

ALSO:

Part of the Northeast Quarter of Section 36, Township 6 South, Range 10 East, Tishomingo County, Mississippi, described as follows: Beginning at a point in the center of a paved public road 617.56 feet North and 1684.25 East of the Southwest Corner of said Quarter and run thence South 01 degree 03 minutes and 41 seconds West with said road 150.00 feet; thence South 88 degrees 59 minutes and 22 seconds East 406.37 feet; thence North 35 degrees 55 minutes 05 seconds West 280.07 feet to the South right-of-way of a public road; thence Southwesterly with said right-of-way along a curve having a radius of 248.20 feet and a tangent of 125 for a distance of 173.42 feet; thence South 87 degrees 15 minutes and 38 seconds West with said right-of-way 82.64 feet to the point of beginning, containing 1.36 acres, said property being located in Bear Creek Subdivision.

ALSO:

A part of the NE 1/4 of Section 36, Township 6 South, Range 10 East, Tishomingo County, Mississippi, described as follows: Beginning at the southwest corner of the NE 1/4 of said section, thence run north 1666.92 feet; thence run east 1721.99 feet to a point on the east right-of-way line of a State Aid Road; thence run N. 85 degrees 55' 17" E. 495.85 feet; thence run N. 1 degree 14' 11" W. 168.96 feet; thence run N. 80 degrees 57' 56" E. 183.33 feet; thence run N. 31 degrees 15' 26" W. 145.16 feet to the true point of beginning; thence run N. 31 degrees 15' 26" W. 139.45 feet; thence run S. 81 degrees 19' 09" E. 136.63 feet; thence run in a southeasterly direction along a circular arc with a cord bearing of S. 35 degrees 08' 29" E. and a cord distance of 48.75 feet; thence run S. 24 degrees 09' 21" E. 95.6 feet; thence run N. 78 degrees 30' 40" E. 143.11 feet to the point of beginning, containing 0.5 acre, more or less.

Each parcel of property will be sold separately.

The successful bidder or bidders for each of the parcels will be required to pay to the undersigned at the time of the sale a sum of money equal to ten percent (10%) of the bid, the same to be applied to the purchase price, the balance to be paid on confirmation of sale and tender of deed. If the successful bidder fails to pay the amount of his bid and comply with the decree of confirmation, the amount deposited with the undersigned will be forfeited and the land resold.

The said sale is subject to confirmation by the Chancery Court of Tishomingo County, Mississippi, in vacation at 9:30 a.m. on the 31st day of October, 1997, in the Courtroom at the Tishomingo County Courthouse in the City of Iuka, Tishomingo County, Mississippi, at which time the Special Commissioner's report of sale will be heard and the matter of confirmation considered.

Title to the above described property is believed to be good, but I will sell and convey only such title as I possess.

Witness my signature, this the 7th day of October, 1997.

SUBSTITUTED TRUSTEE'S NOTICE OF SALE

WHEREAS, on the 17th day of January, A.D., 1979, Billy Wayne Hodge and wife, Ruby June Hodge, executed and delivered a certain Deed of Trust unto J. Earl Finch, Trustee, for Tri-State Savings and Loan Association, Beneficiary, to secure an indebtedness therein described which Deed of Trust is recorded in Book 88 at Page 523 of the record of Mortgages and Deeds of Trust on Lands on file in the office of the Chancery Clerk of Tishomingo County, Mississippi, and

WHEREAS, on the 11th day of October, A.D., 1988, Republic Bank for Savings, F.A., formerly Tri-State Savings and Loan Association, assigned said Deed of Trust to Federal Home Loan Mortgage Corporation by Assignment recorded in Book B-125 at Page 86 of the records of the office of the Chancery Clerk of Tishomingo County, Mississippi; and

WHEREAS, on the 21st day of August, A.D., 1997, Federal Home Loan Mortgage Corporation assigned said Deed of Trust to Magna Mortgage Company by Assignment recorded in Book B-190 at Page 54 of the records of the office of the Chancery Clerk of Tishomingo County, Mississippi; and

WHEREAS, on the 23rd day of September, A.D., 1997, the Beneficiary appointed James T. Belue as Substituted Trustee under said deed of trust, which instrument is recorded in Substitute Trustee Book 1, at Page 512, of the Records of the office of the Chancery Clerk of Tishomingo County, Mississippi; and

WHEREAS, default having been made in the payment of a portion of the indebtedness secured by said Deed of Trust, and the holder of said Deed of Trust having declared all of the amount due and having requested this sale for the purpose of paying said indebtedness or as much thereof as said sale brings;

NOW THEREFORE, I, James T. Belue, Substitute Trustee, will on the 24th day of October, 1997, within lawful hours, being between the hours of 11:00 o'clock a.m. and 4:00 o'clock p.m., offer for sale and will sell, at public outcry to the highest bidder for cash, at the East front door of the Tishomingo County Courthouse in the City of Iuka, County of Tishomingo, State of Mississippi, the following described real property, situated and being in the County of Tishomingo, State of Mississippi, and being more particularly described as follows, to-wit:

Part of the SE 1/4 of Section 4, Township 2, Range 10 East, described as beginning at the Southeast Corner thereof at TVA Monument No. 9 and run thence North on the TVA line 360 feet; thence West 164 feet to the point of beginning hereof; thence run West 192 feet to a steel stake; thence run North two (2) degrees East 256 feet to the South side of a road; thence run South 76 degrees East 192 feet; thence run in a Southeasterly direction with the West side of said road 200 feet to the point of beginning, and containing one (1) acre, more or less.

I will convey only such title as is vested in me as Substitute Trustee.

WITNESS MY SIGNATURE on this, the 30th day of September, A.D., 1997.

Tishomingo County Schools Are Part Of State's Tech Prep Initiative...

Students in the Tishomingo County Schools are able to take advantage of the Tech Prep Initiative which is a state-sponsored program designed to assist students in the transition from the world of school to the world of work and/or college. Today's workplace requires much

more than it did even a few years ago. Employees entering the workforce must be able to communicate well, interpret information, utilize critical thinking skills to solve problems, operate computers, be familiar with the latest technological advancement, and make decisions

based upon sound judgment. The Tech Prep Initiative helps students to have exposure to the skills and competencies needed in the workplace of today and the future. Hands-on instruction as well as applied instructional strategies keyed to integrate the relevance of academic subjects paired with vocational technical skills help students to relate "real life" problem solving skills to classroom instruction.

Students entering today's workplace face challenges like none before them. The workplace of the future demands communication skills, technological knowledge, critical thinking skills, teamwork, and problem solving skills.

The Tech Prep Initiative assists students in career knowledge and exploration, teaches vital computer skills, provides for exploration of a variety of technologies and their applications in the workplace, and provides for relevant instruction in English, math, and science.

In addition to a state-of-the-art Guidance Center Lab located at the high school level, students have access to Tech Prep Discovery Courses at the 7th, 8th, and 9th grade levels.

The Career Lab has computers, printers, a TV, VCR, software books, and printed materials that students may use to expand their knowledge of careers. The Career Lab is available to all students to help them to explore career choices; obtain information about available training at colleges, universities, or special technical schools; explore financial aid/scholarships/grants/loans; or develop job seeking/employability skills. Students may access some of the latest information available as they plan for the transition from high school to the work world and/or college.

The Career Discovery Courses taught at the 7th grade level help students to explore selected careers. All students in the 7th grade have one period a day in which they attend the Career Discovery Lab at their particular school. Career cluster areas are explored and each student is able to develop a

tentative career/educational plan for an area in which he/she is interested. However, students may change their mind if they wish.

Computer Discovery Courses taught at the 8th grade level allow all students in the 8th grade to spend one period a day in the Computer Discovery Lab at their respective schools. This lab is used to introduce students to the fundamental skills they will need to operate microcomputers including keyboarding, DOS and File Management, word processing, spreadsheet, database, telecommunications and desktop publishing. Emphasis is placed upon how computers are used in occupations in each of the career clusters.

The Technology Discovery Course taught at the 9th grade level allows each 9th grade student to use technological processes to solve problems within the cluster areas. This lab provides students with fundamental knowledge about technology and its applications. It uses the modular instructional

approach which allows students to work in teams. Students are able to explore laser technology, electronics, robotics, engineering structures, audio/visual communications, CADD technology, satellite communications, aerospace technology, biomedical technology, manufacturing management, etc. Students have an opportunity to utilize technological processes and problem solving skills with emphasis on teamwork, positive self-concept, and leadership skills.

Teachers for the Tech Prep Labs are as follows: Tishomingo Middle School - 7th grade Career Discovery, Anthony Stone; 8th grade Computer Discovery, Resa Witt; Iuka Middle School - 7th grade Career Discovery, Cindy Howie; 8th grade Computer Discovery, Jackie Williams; Burnsville Middle School - Both 7th and 8th grade Career and Discovery Labs, Gayle McDuffa; Tishomingo County High School - 9th grade Technology Discovery Labs (2), Vicki Bullard and William Cole; Belmont - 7th grade Career Discovery, Barbara McAnally; 8th grade computer

Discovery, Jackie Dill; 9th grade Technology Discovery, Steve Cain. The Career Center Technicians are Relda Freeman at Tishomingo County High School and Jennifer Bullard at Belmont High School.

With the initiation of career/educational plans with teachers/counselors as advisors, students are able to select a career cluster of interest which they may follow and explore. They are able to focus on five occupational clusters: Health and Human Services, Engineering and Industrial Technology, Business and Marketing, Agriculture and Natural Resources, and Humanities. This is an attempt to assist students to make wise and meaningful occupational and educational choices as they plan for their future. Each student will choose a career cluster area and begin a portfolio that will follow him/her from 7th grade through 12th grade and/or post secondary training. Students design their own career/educational plans and can change clusters at anytime. This approach does not keep students from going to college or work, but is designed to help them to be better prepared for whatever decision that they make.

TCHS Band Now Selling Cheese

The TCHS Band members are now selling "Band Cheese", and the last day to order is October 21st. If no one has asked for your order, you can order some from Linda Beck, 423-1719, or Lori Powers at 427-9044.

Tiny Tot Parents: Please Help Us!

In the joy and confusion of the Tiny Tot contest last Friday night at the Tishomingo County Fair the list of names of winners in each age group was lost!

Here at the office of the Tishomingo County News, we have several pictures of adorable Tiny Tots with their trophies, but we have only been able to positively identify a few.

To help us publish your little darlings as soon as possible, take a minute and call or come by the News office, to let us know which smiling face belongs to your child, along with his or her vital information, like names of parents, etc. Call 423-2211 and ask for Denise.

Burial Services For Mrs. Louise Thompson

Louise Smith Thompson, 58, died Tuesday, October 7, 1997, at the North Mississippi Medical Center in Tupelo. She was a native of Belmont and a lab technician at St. Francis Hospital.

Graveside services will be at 1 p.m. Saturday at the Memphis Memory Gardens. Family Funeral Care is in charge of the arrangements.

Survivors include her husband, Edward M. Thompson of Belmont; two sons, Joe Maloney and William Michael Maloney, both of Memphis; her mother, Estella Wigginton Smith of New Albany; one sister, Judy Randolph of Tupelo; two brothers, Tom Smith of Belmont and Bob Smith of Red Bay, Ala.; five grandchildren, one great-grandchild.

She was preceded in death by her father, Jack Smith.

The "Needham's" In Concert At Paden

On Saturday, October 11, at 7:00 p.m., we will have a rare opportunity to see and hear the Needham's in concert. Being from Murfreesboro, TN, this is the first time they have performed in our area. They are members of the same family and as everyone knows, no one sings better than family. There will be free admission but a love offering will be accepted. This is also the last gospel singing at Paden Baptist Church for the current season.

Everyone is invited to come and listen to this wonderful family as they praise the Lord in song.

Just come to the Tenn-Tom Waterway and Hwy. 30, turn North and you can't miss it. Bring the whole family. A nursery will be provided as needed.

NOTICE OF INTENTION
TO FORFEIT SEIZED PROPERTY

(1) JOHNNY B. MURPHY
1000 NORTH PEARL APT 15b
IUKA, MS 38852
SEIZED OCTOBER 7, 1992
MBN #92-001142
(2) RICHARD LEE PRIDE
RT. 6, HAVEN ACRES, APT. #10
TUPELO, MS 38801
SEIZED MARCH 31, 1987
MBN #B4-094-1-87

You are hereby notified that on October 7, 1992 in Tishomingo County, Mississippi, the property listed and described below was seized by the Mississippi Bureau of Narcotics pursuant to Miss. Code Ann. §41-29-153 (1972). Miss. Code Ann. §41-29-176 (Supp. 1996) provides for the administrative forfeiture of property other than a controlled substance, raw material or paraphernalia seized under the Uniform Controlled Substances Law, the value of which does not exceed \$10,000.00.

DESCRIPTION OF PROPERTY:
(1) ONE (1) REMINGTON 12 GAUGE SHOTGUN, MODEL 878, SN 540231 \$250.00
(2) SIX DOLLARS \$6.00

Said deadly weapon and money being subject to forfeiture under the provisions of Section 41-29-153 (a)(5) of the Mississippi Code of 1972, as amended, having been used, or intended for use, in violation of the Uniform Controlled Substances Law.

TO CONTEST THE FORFEITURE

If you claim an interest in the above-described property which is subject to notice under Miss. Code Ann. §41-29-176, and wish to contest the forfeiture you must within thirty (30) days after receipt of this Notice or of the date of the first publication of this Notice, file a Petition signed by you contesting the forfeiture and requesting judicial review in the county court, if a county court exists, or otherwise in the circuit court of the county in which the seizure is made or the county in which the criminal prosecution is brought, in order to claim an interest in the property. Upon the filing of the Petition and the payment of the filing fees, service of the petition shall be made on the attorney for or representative of the Mississippi Bureau of Narcotics, and the proceeding shall thereafter be governed by the rules of civil procedure.

Instructions for filing Petition: Pursuant to Rule 10 of the Mississippi Rules of Civil Procedure, the Petition requesting judicial review and contesting the forfeiture should contain a caption setting forth (1) the name of the court, (2) the title of the action including all of the names of the parties, (3) the file number and (4) a designation as in Rule 7 (a), (i.e., Petition to Contest Forfeiture). **THE STYLE OF THE CASE SHOULD NAME ALL OF THE ABOVE DESCRIBED PROPERTY AS THE PLAINTIFF AND THE STATE OF MISSISSIPPI EX REL, MISSISSIPPI BUREAU OF NARCOTICS AS THE DEFENDANT. YOU ARE DEEMED THE CLAIMANT, NOT THE PLAINTIFF. PETITIONS MUST BE SIGNED BY THE PARTIES MAKING THE CLAIMS.** Your Petition should express what your interest is in the property and why you do not believe it should be forfeited.

If you file such a Petition, a copy of the Petition must be served upon the attorney or representative providing this Notice by service of process in the same manner as in other civil cases. Said agent for process for the seizing agency can be served at the following address:

Mississippi Bureau of Narcotics
P.O. Box 7459
Jackson, Mississippi 39282
Attention: G.W. Jones

If you do not file a Petition requesting judicial review and contesting the forfeiture within thirty (30) days of receiving this notice, the above-described property will be forfeited to the Mississippi Bureau of Narcotics, to be used, distributed, or disposed of in accordance with the provisions of Miss. Code Ann. §41-29-181.

Dated this 17th day of September, 1997.

Legal Notice

NOTICE OF SALE

Pursuant to the provisions of a Decree entered by the Chancery Court of Tishomingo County, Mississippi on the 27th day of May 1997, in Cause No. 96-0406 styled "Re: Last Will and Testament of Hugh Mathis Bobo, Deceased; Jerry H. Bobo and Katy N. Strickland, Co-Executors", the following real property will be offered for sale and will be sold, subject to confirmation as hereinafter specified, to the highest and best bidder(s), for cash, at 12:00 Noon on the 10th day of October 1997 at the office of Attorney Michael D. Cooke, 106 Front Street, Iuka, Mississippi:

The home of Hugh Mathis Bobo and approximately 53 and one-third acres in the SW 1/4 of Section 11, Township 4, Range 10, Tishomingo County, Mississippi.

The property will first be offered for sale as two separate units, being the home and all of the property on the East side of Highway 25 South as one unit, and all of the property on the west side of Highway 25 South as a second unit; and then will be offered for sale as an entirety. If the price bid for the entirety is in excess of the amounts bid for the separate units, the property shall be sold as an entirety; otherwise, it shall be sold by separate units as shown hereinabove, as the case may be, for cash, subject to the confirmation of the sale by the Chancery Court of Tishomingo County.

Sealed bids will be accepted in the office of attorney Michael D. Cooke, 106 Front Street, Iuka, MS 38852, on or before 12 noon, on October 10, 1997, at which time all bids received shall be opened.

The requirements for bids are as follows:

- 1) All bids must be in writing and placed in a sealed envelope.
- 2) Names of each and every bidder must be included in the bid.
- 3) Each bid must specify what portion of the above property is bid upon; either the east portion, the west portion, or the entire tract.
- 4) The successful bidder(s) shall be required to pay, at the conclusion of the sale, a sum equal to 10% of their high bid to be held in trust until after the sale has been confirmed by the Chancery Court of Tishomingo County, at which time the balance of said bid shall be paid.

The Co-Executors reserve the right to reject any and all bids.

Upon the confirmation of the Chancery Court, the Estate shall tender a deed for the real property. If the sale is not confirmed by the Chancery Court, the sums paid by each successful bidder shall be returned to the respective bidder(s).

Prospective bidders may make arrangements to view the home and property by calling (601)287-6781 or (601)427-9348, weekdays or weekends or by calling (601)423-2000 between the hours of 8:00 A.M. and 5:00 P.M. weekdays.

The title to the above described property is believed to be good, but the Co-Executors will sell and convey only such title as is required of them as Executors of the Estate of Hugh Mathis Bobo, deceased.

WITNESS MY SIGNATURE this 18th day of September, 1997.

USDA Announces New Voluntary Program To Develop Wildlife Habitat

Agriculture Secretary Dan Glickman today announced a new program that will help farmers, ranchers, and other landowners protect critically important wildlife habitat. USDA's Wildlife Habitat Incentives Program (WHIP) is a land management - rather than a land retirement - program.

WHIP provides both technical assistance and cost-share payments to landowners to help establish and improve fish and wildlife habitat. In addition, if the landowner agrees, cooperating state wildlife agencies and nonprofit or private organizations may provide expertise or additional funding to help

landowners complete a project.

"WHIP will help the nation's landowners voluntarily develop habitat for wildlife on private lands that comprise over 70 percent of the land in this country," Glickman said. "WHIP also offers farmers and ranchers an opportunity to meet their production needs in ways that are compatible with providing fish and wildlife habitat."

A number of habitat types are rapidly disappearing from the landscape. These include many of the native grasslands, savannas, and barrens, as well as certain types of forest lands. Other habitats such as wetlands, riparian forests, rivers, and streams have suffered a serious decline in quality and/or quantity. Habitat loss is the number one reason for the decline in fish and wildlife populations. WHIP offers landowners the opportunity to put back some of these precious habitats.

Under the 1996 Farm Bill, WHIP provides cost-share assistance up to 75 percent of the cost of installing wildlife habitat practices. Cost-share payments may be used to establish new practices or replace practices that fail for reasons beyond the landowner's control. The total cost-share amount cannot exceed \$10,000 per agreement.

"Under the program," Glickman said, "landowners may restore aquatic habitat as well as adjacent streambanks, wetlands, and uplands. The goal is to provide the best habitat possible for the species of fish and wildlife the landowner is trying to help. Beyond that," Glickman added, "WHIP is just one component of the conservation improvements a farmer might want to make, and we encourage them to work with us to see how all of USDA's conservation improvements can help on their operations."

To participate in WHIP, individuals who own or control land agree to prepare and implement a wildlife habitat development plan, with assistance from USDA's Natural Resources Conservation Service (NRCS) and the local conservation district. The plan describes the landowner's goals for improving wildlife habitat, includes a list of practices and a schedule for installing them, and details the steps necessary to maintain the habitat for the life of the agreement. Agreements generally last from 5 to 10 years.

Land is ineligible for WHIP if it is currently in the Conservation Reserve Program, Wetlands Reserve Program, or Water Bank Program, or is subject to an Emergency Watershed Protection Program flooding plain easement.

WHIP is currently budgeted for \$50 million total through the year 2002. Funds will be distributed to states based on state wildlife priorities which may include wildlife habitat areas, targeted species and their habitats, and specific practices. State priorities are developed through a locally led process that identifies wildlife resource needs and finalized in consultation with the State Technical Committee. WHIP applications will be ranked at the county level and those that provide the greatest wildlife benefits will be funded.

For more information, landowners may contact USDA Service Centers and NRCS.

Mississippi To Participate In First "America Recycles Day"

On November 15, 1997, Mississippi will join millions of other Americans as the nation celebrates the first "America Recycles Day." The theme of "America Recycles Day" is "Keep Recycling Working: Buy Recycled", and will encourage residents not only to recycle items in their homes, but consciously purchase items manufactured from recycled or recyclable materials. By purchasing these items, Americans will create the demand for more recycled goods. And, in turn, increase the demand for recycling projects. The Mississippi Recycling Coalition, a nonprofit organization, will help coordinate Mississippi's involvement with "America Recycles Day."

"It's important that we all realize the need to take one more step to keep recycling working - and that is buying recycled products," said Larry Joe Daughtry, chairman of the Mississippi Recycling Coalition. "Recycling does not end when we drop off our recyclables at the curb or collection point."

Americans generate approximately 208 million tons of trash per year, and the amount of materials being recycled has increased from 11 percent in 1987 to 25 percent today. This proves that Americans do see the need for recycling because it saves energy, resources, and landfill space.

Mississippians can use this opportunity to educate themselves

on which products are made from recycled products by requesting an "American Recycles Day" pledge card or poster. Residents who fill-in the information on the card and return it to the address provided by November 15, 1997

will be eligible to win a new mountain bike that has been donated to the state by the Steel Recycling Institute.

After the state drawing, the cards will be sent to Washington, D.C., where a national drawing will be held for an "American Dream Green House." This

environmentally safe house will be built from materials made from recycled products and is sponsored by the Steel Recycling Institute, the U.S. Environmental Protection Agency, VFI, The Home Depot, Union Camp, and the U.S. Postal Service. Entrants must be at least 18 years old to be eligible to win the house.

Mississippi residents may call their local recycling coordinator or 1-800-545-3764 to get information on obtaining the pledge cards and posters.
