The Board went into closed-door executive session twice during the meeting: Near the beginning of the meeting to hear discussion concerning TCHS cheerleader selection, and at the end of the meeting to examine a formal written complaint about two members of the staff at TCHS. The reason for going into executive sessions was because it dealt with personnel matters, Mullins said.

### Cleaning A Refrigerator

A clean refrigerator keeps your food cooler and safer for your consumption.

The best time to clean the refrigerator is before you go food shopping. If your refrigerator is a self-defrosting model then you will not need to defrost your refrigerator but you will still need to clean the inside regularly.

If your refrigerator is not a self-defrosting model then you should defrost it when the frost on the outside walls is 1/4 inch thick (about as thick as a thin slice of bread).

To clean the refrigerator, take all the food out of the refrigerator. Throw away the leftovers and things that will not be used. Take the shelves and drawers out and wash them with warm soapy water. Rinse them with clear water and dry.

To defrost, turn the refrigerator control knob to "off" or "defrost." Remove all the frozen food and ice trays from the refrigerator. Wrap them tightly in newspaper or paper bags to keep the food frozen. Then place the wrapped food in a cardboard box or an ice chest.

Clean the drip pan and be sure it is ready to catch the melting ice. Pans and trays can be placed on the top shelf to catch melting ice as well. Place a pan of hot water inside the freezer section. This will make the ice melt faster. **DON'T USE ICE TRAYS FOR THIS.** Change the water as it cools. Allow the ice to

melt by itself. Do not use ice picks, knives or other sharp objects. You might punch a hole in the freezer and then it would not work.

After the ice melts, make a cleaning solution with warm water and baking soda. Use 1/2 cup of baking soda in a dishpan full of water. **DON'T USE SOAP.**

Dip a sponge or cloth in the soda mixture and then squeeze out completely. Wash the inside of the refrigerator/freezer - top, walls, bottom and any shelves you couldn't get out.

Rinse the interior again with a cloth or sponge wrung out of warm clean water.

Wash the inside of the door and the soft strip (gasket) around the door. Rinse with clean water and wipe dry.

Discard all the melted ice. Wash the inside of the freezing compartment with clean water. Use soda in the water. Rinse and wipe dry.

Return clean racks and drawers to the refrigerator.

Wipe off all cans and bottles of food with a clean dry cloth and return the food to the refrigerator.

Turn the control knob to a medium setting and replace the frozen food in the freezer section. Refill the ice trays with cold water and put them back into the freezer.

After the interior of the refrigerator is clean and the food has been replaced in the unit, wash the outside of the refrigerator with warm sudsy water. Rinse it with clean water. Then dry it with a clean soft cloth.

### What Are Those Wire Cages and Upside-Down Drinking Cups Scattered Along the Roadsides?

You've probably noticed what I'm talking about. The yellow drinking cups placed on sticks about 3 feet off the ground are boll weevil traps. You may or may not have seen the wire traps, but there are a couple just north of Tishomingo on Hwy. 25. These

are either fall armyworm, bollworm or tobacco budworm traps. There is a beet armyworm trap. All of these are cotton insect pests. **YOU MIGHT ASK WHY ARE THEY THERE?** They are in front of the stand of pine trees! Most of the time you do see these next to cotton fields but in this case Mississippi State University Extension Service is monitoring the movement or migration of these insects. This could be an early warning device for cotton farmers throughout the area.

### Pruning Tips For Fire

#### Blight Control

Apples, pears, flowering crabapple, and other common landscape plants such as flowering

quince, hawthorn, and pyracantha are susceptible to fire blight. Crowns of diseased trees have a "scorched" appearance. Tree mortality as a result of fire blight isn't common. For badly diseased plants, the following practices could help reduce the impact of this troublesome disease. (1) While it's not a good idea to prune fire blight diseased branches or twigs after active growth has started, it can be done, provided EXTREME sanitation is practiced. (2) Pruning tools **MUST BE DISINFECTED** between each cut. Tools should be dipped in or swabbed with a denatured 75% methyl alcohol solution. A 75% solution can be prepared by mixing three volumes of denatured alcohol with one volume of water. A 10% bleach

solution (nine volumes of liquid bleach to one volume of water) can also be used. This preparation is the most effective but is corrosive to most pruning tools. If it is used, the tools should be thoroughly rinsed, dried, and oiled following completion of pruning. (3) All pruning should be made several inches below the point of visible infection. (4) **DO NOT** prune during periods of rainy weather. (5) To prevent cankers on large limbs and trunks, "rub off" water-sprouts during the spring and summer. (6) Avoid excessive nitrogen fertilization at any point in the season, since this promotes succulent growth highly susceptible to fire blight infection. (7) Ideally, fire blight pruning should be carried out as a summer activity during drier periods when bacterial spread is less likely to occur as a result of pruning. (8) Spray application of bactericides to fire blight infected trees serves little value at this time of year. This practice is most effective during the dormant season as later in the season at blossom time. For additional information on fire blight and other fruit diseases, drop by the County Extension Office.

## Your Dental Health

### What Can Bonding Do For Me

An attractive smile improves your appearance. It is also important for your outlook on life and it may bring you better dental health. One cosmetic dental treatment that works wonders for smiles is bonding.

Bonding is a dental technique that can quickly and painlessly correct teeth that are chipped, broken, cracked, stained, or gapped.

The bonding process involves applying a tooth-colored plastic or porcelain material to the tooth surface. Depending on the problem being treated, a composite resin can be shaped to rebuild or replace the missing part of a tooth.

Bonding can improve the appearance and the structure of teeth generally without anesthesia or extensive drilling. Bonding restorations need to be renewed periodically.

As our office what bonding can do for you.

## INSIGHT INTO EYESIGHT

### Dr. Phillip Gray OPTOMETRIST

### Spots Before Your Eyes

**QUESTION:** Recently I started seeing dark spots and thread-like strands before my eyes. What causes this? Is it serious?

**ANSWER:** What you are seeing are spots and floaters. They are usually harmless but sometimes they signal serious eye problem in need of prompt attention. These include such vision-threatening conditions as retinal detachment, or other retinal disorders, cataracts, diabetes, or high blood pressure. You should, therefore, make an appointment with your optometrist for a thorough eye examination covering eye health as well as your vision. Be sure to mention the dark spots and strands you are seeing.

More than likely you are seeing harmless particles of protein or other natural materials floating in the fluid inside your eyes. However, you need a professional diagnosis. Even if your optometrist diagnoses the spots as harmless, have them re-evaluated annually or more often if you notice a change.

## Singing Convention Saturday, June 5th

Plans are underway for annual Tishomingo County Singing Convention to be held at the courthouse in Iuka Saturday evening, June 5, beginning at 7:00 p.m. and Sunday, June 6, beginning at 10:30 a.m. Good singers are expected to attend. They will be "Joe Hughes, Down South" from Ansonia. This will be the first time for a group to be in this area.

So, if you like gospel in convention style, plan to attend!

### Fact: Skin

Cancer Is Skyrocketing 50% Of All Adult Americans Develop Skin Cancer At Least Once

Americans Will Develop Skin Cancer At Least Once

Your skin already has damaged cells. How can you tell? Does your skin look like a baby's skin? Not it's damaged!

Before: The naked eye does not see damage until years later in polarized photography, alarmingly visible. This reveals the damaged, gray, wrinkled skin common in most adults. Damaged cells can turn into cancerous growths, and lead to wrinkles, age spots and loss of elasticity.

After: Using Beauty-Control Regeneration Gold and Cell C, damaged cells are repaired. Skin clarity, elasticity and smoothness is visible restored. This remarkable keeps on working to protect skin cells from future damage and help prevent the development of pre-cancerous cells wrinkles and loss of elasticity.

With regular use, your skin can be repaired to look and feel as did 15 years ago!

## Early Onset of Allergies in Four-Legged Friends Part I

What can be done to reduce your pet's discomfort? The first thing is to take the doctor before it has an advanced skin disease. Sometimes see pets that have large bare patches from chewing and scratching the hair out. Think how you feel if your scalp itched so bad that you were literally yanking your hair out!

Your veterinarian will tailor the therapy to your individual pet's needs. Often several different therapies are used together to get an enhanced effect from the combination and avoid having to use strong corticosteroids for the itch.

The ideal approach leans on allergy testing to identify exactly what your pet is allergic to. Antibiotics, antihistamines, antiparasitics, conditioners and nutritional supplements are all used to control the primary and secondary symptoms.

Note the use of the word "control," allergies really can't be "cured," but the pet can be made much more comfortable and can be returned to a healthy state with the right combination of therapies and a dedicated owner.

The arrival of Frontline Advantage in 1996 made control of flea allergy much more workable. This can be one of the most difficult allergies to treat. We have seen several patients that suffered from flea allergy for years get much better after the use of these new flea control products. The mass-market look-a-likes are not nearly as effective as Frontline Advantage.

So if your pet is beginning to scratch and itch, take your veterinarian now before secondary complications enter the picture.

**Shane Wigginton Is**  
National Award Winner

The United States Achievement Academy announced today that Shane Wigginton from Tishomingo, MS has been named a United States National Award Winner in Science and Football.

These awards are prestigious honors very few students can every hope to attain. In fact, the Academy recognizes fewer than 10% of all American high school students.

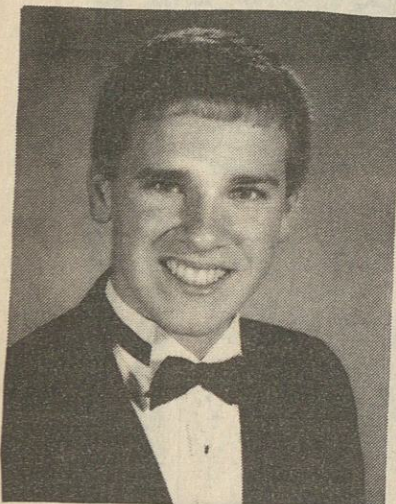

Shane, who attends Tishomingo Middle School, was nominated for this national award by Charles Black, a coach at the school for the science award and Anthony Stone, a coach at the school for the football award.

Shane will appear in the United States Achievement Academy Official Yearbook, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, United States Achievement Academy winners would be congratulated and appreciated for their dedication, excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USA winners upon the exclusive recommendation of teachers, coaches, counselors, and other qualified sponsors and upon a Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude, cooperative spirit, dependability, and recommendation from teacher or director.

Shane is the son of La Wigginton from Tishomingo, MS. The grandparents are Nell and late Kenneth Wigginton of Tishomingo, MS.

## Alan Johnson Former TCHS Student Graduates with Honors from NSHS

Alan Johnson, who attended Tishomingo County High School for three and one-half years, has graduated with Honors from New Site High School. Alan was also selected as Salutatorian of his Class of 1999 with a 96.3 GPA. He was tabbed as an Honor Graduate and the Star Student while at New Site. He received both the Discrete Math and Pre-Calculus Awards. He was a Principal's List Scholar.

At TCHS and NSHS, he was active in FCA, FBLA, French Club, Bible Club, Science Club and Beta Club. He was also named to WWAHHS. He also played on the varsity basketball team. In Who's Who elections, he was selected as Most Popular.

Alan is the 18-year old son of Larry and Debra Johnson. He is a member of the East Prentiss Baptist Church. He plans to attend NEMCC and then transfer to Mississippi State University and major in Chemical Engineering.

Alan's friends, along with his sister Christie and her husband Chuck Holly, congratulate Alan on his graduation from high school.

## Tishomingo Homemaker Volunteers Club

### May Meeting

"When emotions are at a breaking point, remind people of their good qualities and assure them of your love." This was the thought of the month read by Ms. Eva Mae Strickland, president of the Tishomingo Homemaker Volunteers Club, when the club met at her home on Thursday night, May 20.

Mrs. Sabrina Welch gave an interesting devotion on "Mother's

Day", using as her scripture Ruth 1: 8-13. She then led in prayer.

Ms. Karissa Henderson led the group in the pledge to the flag.

The secretary, Ms. Shirley Thorne, read the minutes of the previous meeting and did the roll call, and in the absence of the treasurer, she also gave the financial report.

Eva Mae reminded the club members about the Dairy Contest on June 17 at the Midway Com-

munity Center and encouraged everyone to participate.

Congratulations to Eva Mae for winning second place on her dress she made and modeled at the Fashion Revue on April 13 at the Midway Community Center. Shirley also participated by modeling a dress she had purchased.

Our club was represented at the Northeast Area Spring Leadership Meeting of the Mississippi Homemaker Volunteers, Inc. at Booneville on April 27 by Ms. Eva Mae Strickland and Ms. Shirley Thorne. They enjoyed the speaker who owned a children's shop in Tupelo and had on display children's clothes made with pillow cases, place mats, and napkins. The Fashion Revue was also good and again featured Eva Mae modeling her dress.

Mrs. Kathy Byram gave an informative report on "How Eight Glasses of Water A Day Keeps Fat Away". Water suppresses the appetite and helps the body metabolize stored fat. If you don't drink enough water, your kidneys can't function properly, and part of their load will be placed on the liver. The best treatment for fluid retention is drinking plenty of water as diuretics offer only a temporary solution. Drinking lots of water will also help relieve constipation. The average person should drink eight 8-ounce glasses of water every day, or about two quarts. An overweight person needs one additional glass for every 25 pounds of excess weight. The amount of water you drink should be increased if you exercise briskly or if the weather is hot and dry. Cold water is absorbed into the system quicker than warm water.

Shirley gave an interesting program on "Exercise for Your Health". Fitness means having your body ready for the physical demands of daily life. If you have a fit body, you can sleep better, improve your mental outlook, and control your cholesterol, high blood pressure, weight, and diabetes better. The three major fitness goals are flexibility, strength, and endurance. You should not exercise when the weather is extremely hot or cold, drink at least eight ounces of noncaffeinated fluids for each hour of exercise, and do not exercise for thirty minutes after eating a meal. When exercising outdoors, it is best to have a partner, to avoid heavy traffic areas but also to avoid isolated and poorly-lit areas, and to carry identification. You need to always have a warm-up period before starting your exercise and then a cool-down period at the end.

The meeting was adjourned with Sabrina reading the creed, and everyone enjoyed a potluck meal.

The door prize was won by Sabrina.

Also present, not already mentioned, were Mrs. Jeannette Thorne and Ms. Louise Puckett, and we were proud to have "Little Ms." Karissa Henderson and Mrs. Opaline Crouse visiting with us.

Our next meeting will be Thursday night, June 10, at 6:30 p.m. at the Tishomingo Library. Anyone is welcome to come meet with us, regardless of age, sex, race, or color. We look forward to seeing you there!

### DAR News

The National Society Daughters of the American Revolution held its 108th annual Continental Congress April 18-23 in DAR Constitution Hall, Washington, D.C. Mrs. Dale Kelly Love, President General presided.

Members of the Mississippi State Society at Continental Congress also attended the reception on Capitol Hill honoring Mrs. Dale Kelly Love, a native of Hattiesburg, MS. The reception was hosted by the Mississippi Congressional Delegation. Held in the magnificently appointed Senate Caucus Room of the Russell Building, United States Senator Thad Cochran, senior member of the Mississippi Delegation, served as host chairman. Other hosts were U.S. Senator Trent Lott, Congressman Roger Wicker, Bennie G. Thompson, Chip Pickering, Ronnie Shows and Gene Taylor.

Mrs. C. Ray Phillips, Mississippi State Chairman, National Defense Committee was the arrangements chairman. Senator Cochran, Mrs. Love, and Mrs. Vincent G. Scoper, Jr., Mississippi State Regent, greeted the guests.

Over 3700 Daughters and guests were addressed by Senator

"Mississippi Magic" Summer Reading Program—Shown above are Emily and Monty Wrigg, children of Monroe and Judy Wright, who are getting ready to take part in this special summer reading event.

### Summer Library Program...

The Iuka Public Library will sponsor the Summer Library Program for children ages 6-12 beginning Wednesday, June 9th at 10 a.m. This year's theme "Mississippi Magic" invites children to explore Mississippi. Many activities have been planned and the children will enjoy games, contests, crafts and interesting projects. Research show that children who read consistently during the summer months show greater gains in reading and vocabulary development when they return to school in the fall. Each child will have to have a new library card. The library is now required to obtain a parent's signature and verification of address. Visit the library before June 9th and register your child for the program and sign up for a new library card. For additional information contact the Iuka Public Library at 423-6300.

## Heritage Day Outhouse Race Planned For June

by Angela Lambert

Once again this year, the hilarious, rip-roaring "Heritage Day Outhouse Race" will be held as a part of the annual Heritage Day festivities in Iuka.

All area businesses, industries, local government officials, community service organizations, clubs, school groups, nursing homes, individuals, etc. are officially challenged to pick a theme, build the best outhouse-mobile and run for the pot—of gold, that is. There will be cash prizes awarded to winners.

The race will take place beginning at 10 a.m. on Saturday, June 5. Following is a list of some qualifications for racers:

1. All teams must have at least

three members, but no more than five. One person must ride the seat, a helmet is required for rider and no team member under 12 years of age.

2. The Outhouse racer must be at least 6 ft. tall and have a base, four walls and solid rails for pushing (no rope), type of wheels, but no mechanical means of locomotion is allowable.

In addition to the winners of the races, prizes will also be awarded for the "Most Outrageous Outhouse" design.

Team members are encouraged to dress in accordance with the theme you choose for entry.

For more information, contact Gail Hudson at 423-324

### Timber Hills, Ms State Department of Health, and TC Art Department Join Teen Pregnancy Prevention Project

Sarah Hollis, Casey Compton, Julia Clement, Mandy Thigpen and Nicole Haman are shown with their "Remember Me" dolls which will be displayed for Teen Pregnancy Prevention Month. The dolls all had stories which tell of the hardships families begun by teens experience. This program was sponsored by Timber Hills and the Ms State Department of Health. The T.C.H.S. Art department is glad to assist in community projects.

### GFWC-MFWC Twentieth Century Club News

#### GFWC-MFWC 20th Century Club Stands Behind Efforts to Promote Zero Tolerance for Unbuckled Children

The 20th Century Club announced its official support of a national mobilization this Memorial Day week to protect children by urging zero tolerance for unbuckled children and stepping up enforcement of child passenger safety laws. Thousands of law enforcement agencies across the country will conduct the Operation ABC Mobilization: America Buckles up Children - the largest ever coordinator stepped-up enforcement effort against drivers who don't buckle

up children. The 20th Century Club joins organizations nationwide that endorse the intensive, 50-state lifesaving enforcement effort.

A study recently conducted by the National Highway Traffic Safety Administration (NHTSA) found that 19 million more Americans buckled up in 1998. If these Americans continue to use their seat belts, an estimated 1,500 lives could be saved. That is why the 20th Century Club gives its "Endorsement for Enforcement" and pledges our support to this unparalleled effort to save children's lives by promoting zero tolerance for unbuckled children.

### Cortney's Community Chats

By Cortney Compton

Forever friends, bound by time that cannot take away, the special people that make the Class of 1999. I have watched my little sister Casey, and friends throughout the years become essential individuals in my life. They have laughed together, cried together, and most of all grew up together. It seems

they have all found a special place in my heart. Soon they will experience new plans and dreams, that may lead to happy and successful future.

I wish all my friends from the Class of 1999 all the best of luck. Congratulations! I'm very proud of you and love you all.

### Lighthouse Academy Registration For 1999-2000 School Year

Lighthouse Academy will have registration for grades Kindergarten through 12th thru the end of May. The school office will be open from 8:00 a.m. until early evening. Please call 423-6611 for an appointment.

Lighthouse Academy will be offering again this year a Kindergarten-4 program as well as a Kindergarten - 5 program. Our students learn to read and write (in cursive) in both programs. This program is a half-day academic program with an extended stay period until 3:00 p.m. each day. This alternative Day Care program is more beneficial and less expensive than a public Day Care.

The success of Lighthouse Academy can be contributed to one important factor: "God is in our classrooms...Every Day...Every Class."

### Walker Reunion

Just a reminder of the Walker Reunion which will be held Saturday May 29 at the youth center in Mineral Springs Park in Iuka, all relatives and friends are invited to attend the get-to-gather which will begin at 9 a.m. Lunch will be served at 12:00 noon. Bring your lunch and enjoy the fellowship. Door prizes will be given.

## Burnsville Happenings

By: Donna Burns

Our heart and prayers go out to Mrs. Barbara McNeil at her time of loss. And to the Holt family. You're in our prayers.

We have had a great Cheerleading Camp at Burnsville, thanks to Miss Sandy Shook and her outstanding cheerleading squad. It was great to see that green school pride on the floor. The green school color says it all, green is for go! So go team, go!! This year's Cheering squad are: Jennifer Jones, Lacy Frederick, Shonna Waldrop, Gabrielle McLaughy, Shanna Price, Heather Whirley, Jennifer Daily, Emily Shelby, Brittany Bell, and Danielle Bray.

The Burnsville Public Library has an outstanding wood working display on view for the public from May 24th until June 4th. Woodworks by Cindy McCameron and Robby Eaton of Burnsville. Cindy started in woodworking in 1988. She learned to make anything out of wood. In 1995 Robby joined the team and together they combined their knowledge of woodworking capabilities to create the lovely items on display at the library. They are able to create many items like bird houses to religious items, even family portraits using such woods as oak, cedar, walnut popular, pine or even plywood. The Burnsville Public Library would like to thank them for the lovely display. Drop by and see the display.

Eighth-grade tea by the Burnsville Public Library will be Wed. at 2:00 p.m. At the Library. Don't forget Burnsville eighth-graders to come over and enjoy the afternoon activity.

Today SCHOOL is out for summer! And it is time to sign-up for the Library summer program. It starts today; we will explore the Magic of the Computers. Come out and have some magic.

I have enjoyed all the people coming to use the Gate's computers and hope you continue to come and let me or an assistant show you how to use the wonderful programs offered on the computer, so you will be able to look up information for your self with ease.

The summer program for Burnsville will be May 27 & 28 all day. June 3rd, 10th & 17th at 9:00 a.m. - 11:00 a.m. Come enjoy the magic of Mississippi.

We were sorry to hear about Derenda White's accident and Joseph Felk's accident we hope these young people will be home soon. When I called Monday night they were both in rooms at Tupelo Hospital. They are doing as well

as they could be under their various conditions. We send our love and our prayers to these youth and their families and we'll be glad to help in what ever way we can. One way we can help is by prayer, so remember them in your prayers at home and in your churches. And may they be restored to their normal lives as soon as possible. God Bless.

If you have not heard about the school's summer enrichment program call the superintendent's office for details, it sounds like a very good program that is offered to our children.

Let's be careful this summer when swimming, playing, boating or just going anywhere. Be sure to checkout the programs at the local libraries, vacation Bible School's, summer feeding programs located at our school's for children and youth, area Girl Scout programs, and our area Boy and Cub Scout programs and don't forget our Homemakers and our 4-H programs and if you can not find anything to do just enjoy summer and life! I almost forgot baseball and all the summer sports programs and yes, even summer school. I think summer is busier than the school year. I am tired already from just telling you about these activities.

The Burnsville Public Library will be closed for Memorial Day on Monday, May 31st.

The American Red Cross was started in 1881 on May 21st.

"Experience is the name everyone gives to their mistakes." this is from Oscar Wilde (1854-1900).

Have a safe and wonderful holiday. Don't forget to let us know about your activities at church or other interesting places. Thank you.

Sara Beth Cobb, Eric Thornton and Aimee Kirk participated in the Talent Identification Program (TIP) sponsored by Duke University representing Iuka Middle School. To qualify the students must be in the seventh grade and must have scored at the 97th percentile or above on the national norms of the Iowa Test of Basic Skills on one or more of a mathematics subtest, a verbal subtest, or the total composite score. The objectives of the program are to identify the very bright among our youngsters at an early age; to facilitate the education of these students; to follow and nurture their talent through the critical middle and high school years; and to develop an effective research effort to help understand the nature of academically talented adolescents. The aim of TIP is to assist youths who have excellent mathematical, verbal, or general intellectual ability by providing them with information about their ability and about educational options that may be beneficial to them. These students must take the American College Test (ACT). Our students took the ACT in December. The results of the AT were received by Iuka Middle School and by Duke University. Winners will be announced by Duke for the state.

## Sardis Church News By: Ova Reno

Devotional: The Good Samaritan? Luke 10:25-37. A lawyer questions Jesus. Verse 1 and, behold a certain lawyer stood up and tempted Him, saying "Master, what shall I do to inherit eternal life?" He was a doctor or teacher of the law. Jesus said unto him, what is written in the law? How readest thou? And the lawyer answering said, thou shalt love the Lord thy God with all thy heart, and with all our soul, and with all thy strength, and with all thy mind; and thy neighbor as thyself. (This is a tall order, but not impossible). This settles the question forever if men really want to know. No man can do this without the new birth. The lawyer knew this but he wasn't satisfied. Jesus told him to do this and he would live. But the lawyer wanted to justify himself and ask Jesus. Verse 29. Who is my neighbor? So then Jesus told him the parable of the good Samaritan. A certain man traveling from Jerusalem fell among thieves and they left him half dead after taking every thing he had. A priest came by and passed on by. The Priest

thought he might be polluted. This is the extent of religious people that are bound by forms and rituals. Then came a Levite, he also passed by on the other side. Next came a Samaritan, the Jews hated these people, but the Samaritan bound up his wounds, poured wine and oil on them and bound them up. Then he put him on his own horse and carried him to an inn. Read it all. The Samaritan had compassion for the man, just as your real neighbor will be for you or you for him. Lesson text: Galatians 6:1-10. Sharing Blessings and burdens. Central truth of this lesson: Cultivate every relationship by doing good to others. Verse 1. Brethren, if a man be overtaken in a fault, thee which are spiritual, restore such a one in the spirit of meekness; considering thyself, lest thou also be tempted. Bear ye one another's burdens, and so fulfill the law of Christ. For if a man think himself to be something, when he is nothing, he deceiveth himself. But let every man prove his own work, and then shall he have rejoicing in himself alone, and not in

another. You can help, share the word with him. Tell him what the Bible says about it. Be not deceived; God is not mocked; for whatsoever a man soweth, that shall he also reap. For he that soweth to his flesh reaps corruption; but he that soweth to the Spirit reap life everlasting. Amen!

Sunday night we studied and discussed Revelations 21:22-27. Verse 22. And I saw no Temple therein. For the Lord God Almighty and the Lamb are the Temple of it. And the city had no need of the sun, neither of the moon, to shine in it: and the kinds of the earth do bring their glory and honor into it. Verse 27: and There shall in no wise enter into it anything that defileth, neither whatsoever worketh abomination, or maketh a lie: but they which are written in the Lambs book of life. He is always near you, and always listens to you, I am thankful everyday of my life that He takes care of me. Yes, I make mistakes, so does every one but Jesus. He doesn't make any mistakes and will not lead you astray. Amen.

### Old USDA Building Takes On New Owners

Everyone knows the building because the City of Iuka used it during the remodeling of the current City Hall. It is now the future "St. Mary Catholic Church." In the next few months, the interior will be redone to accommodate the services of the Catholic Community in Tishomingo County. Everyone says, "It looks like a church" so now it will become a reality.

### Card of Thanks

The Family of Freeman Earl Bray would like to express our appreciation to all our wonderful friends, neighbors, churches and family for all the love and encouragement shown to us during our time of sorrow.

To everyone who brought food, sent flowers, a card, a letter, gave money, hugs, called, spoke kind words, offered prayers, and every other act of love and kindness, we are so appreciative.

We would like to express our deepest gratitude to Bro. T.E. Davis for his comforting words at the beautiful service and to the singers for their beautiful songs. Also thanks to Cutshall Funeral Home who made our difficult task much easier.

A very special thanks to the doctors and staff of Iuka Hospital, Magnolia Hospital in Corinth and North Miss. Medical Center in Tupelo for the care given to Freeman during his illness.

Thanks also to the ambulance staff who took him to the hospital. A special thank you to all who were pallbearers and to all the pastors and friends who visited Freeman at home and in the hospital.

May God bless you all,  
The Family of Freeman Earl Bray

### Burial Services For Mrs. Edna Carpenter

Mrs. Carpenter was born on January 8, 1924 in Vaiden, Mississippi. After graduating from Boyle High School, she earned a Bachelor's Degree in Education from Delta State and a Master's Degree in Education from Mississippi State University. She later studied at both George Peabody College in Nashville and the University of Mississippi in Oxford.

Her professional teaching experience spans thirty-eight years. She was a member of the first faculty at Northeast Jr. College in Booneville, Mississippi when it opened its doors in 1948. Her last twenty-seven years of teaching were spent in classrooms of the Senatobia School System. She also taught Adult Basic Education at Northwest for eleven years. She was a member of Delta Kappa Gamma, Mississippi Professional Educators and Mumbling Mums.

She was the wife of the late Howard Carpenter, a prominent citizen and educator of Senatobia. They were married fifty-three years before his death.

Mrs. Carpenter was actively involved in many facets of service to the citizenry of Senatobia. She was a member of the First Baptist Church where she taught Sunday School for thirty years. She was also a member of the Cosmopolitan Club, United Daughters of the Confederacy, and served as a scout leader for many years.

She received the Paul Harris Fellow Award which is the highest award given by the Rotary Club. She was a lady of great humility with noble goals and purposes. She was the first woman ever to be so honored by the Senatobia Rotary Club.

She was the mother of five children: Tommy Carpenter of Hernando, Ms., Miriam Chesney of Meridian, Ms., Sheron Coats of Iuka, MS, Van Carpenter of Kossuth, MS, and Carolyn Spraberry of Southaven, MS. All five of her children pursued careers in education.

She leaves eight grandchildren, a sister, Jewell Colson of Greenwood and two brothers, Hiram Boone of Isola, MS., and Roy Boone of Cleveland, MS.

# TCHS Holds Spring Sports Banquet

by Lana Harrelson

The 1999 spring sports athletic banquet was held on Thursday, May 13, at the TCHS cafeteria/auditorium. The meal of steak and all the trimmings was prepared and sponsored by the TCHS Booster Club. Approximately 160 athletes, who participated in baseball, basketball, golf, track, basketball cheerleading, tennis, and diamond girls, were saluted and honored by the TC Booster Club. After the meal, the coaches presented awards in each of the sports.

Coach Herman Coats, TC Athletic Director, welcomed all the athletes, parents, and fans. Libby Gearren, Booster Club president, also welcomed everyone and urged parents and fans to take an active part in the booster club each year. She urged parents to get involved in and support their student athletes. She also presented the award for Booster of the Year to Johnnie and Daisy Biggs and Charlotte McVay and the Staff of the *Tishomingo County News* for all they do to promote athletics at Tishomingo County High School. Mrs. Gearren noted that the *News* devotes much time and publicity to athletes, as well as all the other students, of Tishomingo County High School. The *Tishomingo County News* is to be commended for all they do to promote education in all of its aspects in our county.

As coaches presented the award winners, they took the opportunity to sincerely thank all parents, boosters, and school officials, who have been so supportive of all the athletic endeavors this year. The coaches also expressed their thanks for the time, energy, dedication, loyalty, and effort that the athletes have devoted to Tishomingo County High School this spring. They also expressed that excellent Brave teams are built by athletes and parents who are willing to go the extra mile.

## I.E.S. Students Participate In Math-A-Thon

Grade 4 at Iuka Elementary School participated in the Math-A-Thon to raise money for the St. Jude Children's Research Hospital during the month of February. The students worked math problems in special Funbooks provided by St. Jude and asked for sponsors for the number of problems worked. The goal of the Math-A-Thon is to

have a quality program which benefits the lifesaving research of children's catastrophic diseases at St. Jude Hospital.

Many of our students raised money for St. Jude. Jake Segars raised the most money and received a stereo tuner, dual cassette player/recorder. Becky McNeely, his teacher presented Jake the radio, a Math-A-Thon t-shirt, a certificate, a book bag, and a pass to any Six Flags Amusement Park in the United States.

**Track Awards**—Track Coach Herman Coats presented awards to both Men's and Women's Most Valuable Tracksters. They are Chris Meyers and Amanda Taylor. Coach Coats said that track is an up-and-coming program at TC. Five meets were held at the high school this year. In District competition, the team placed fifth. In the Regional competition, the team placed tenth. Amanda Taylor, after qualifying at District and Regional competed at the State level. She placed eighth in Shotput and sixth in Discus.

## Child Find Publicity Campaign And District Confidentiality Letter

The Tishomingo County Special Municipal Separate School District is participating in an ongoing statewide effort to identify, locate, and evaluate children through the age of twenty-one who have a physical, mental, communicative and/or emotional disability. Early identification of children in need of special education experiences is most important to each child. Furthermore, this information gathered from contacts with parents and other agencies will be used to help determine present and future program needs as progress is made toward the goal of providing a free appropriate public education to all children with a disability.

Information which could identify an individual child will be maintained by this agency and will be provided to other agencies only in accord with the Family Rights and Privacy Act and EHA-B. As a parent, you are guaranteed the right to inspect any such information about your child and to challenge its accuracy. Access to this information is forbidden about your child and to challenge its accuracy. Access to this information is forbidden to any unauthorized person without informed consent.

Please contact Betty Barnes, Child Find Person for the Tishomingo County Special Municipal Separate School District, if you know of any children who may have a disability by calling 423-3206 or writing her at the following address: Tishomingo County Schools, 1620 Paul Edmondson Drive, Iuka, MS 38852.

The Child Find Person implements child identification, location and evaluation of children birth through twenty-one who have disabilities, regardless of the severity of their disability, and who are in need of special education and/or related services. The Child Find Person works with the local Head Starts, Human Services, Health and Mental Health Agencies, as well as local education agencies, physicians and other individuals to identify and locate children out of school and in school who may be in need of special education services.

Once a referral is made, it is the responsibility of the Child Find Person to insure that the Referral-to-Placement Procedures are followed. She works with

Local Survey Committees to implement this procedure. The following activities briefly describe the procedures.

Prior to evaluation, a copy of the Parent Information Pamphlet and Procedural Safeguards are given to the parents. District personnel explain the Parent Information Pamphlet to parents and insure that they understand the Procedural Safeguards.

After parental consent for testing is obtained, a nondiscriminatory evaluation is conducted. Students are evaluated in all areas related to the suspected disability by personnel.

Parents are notified when a student is ruled eligible for a special education program. An Individual Educational Plan is developed for the student before the student is placed. Parents must sign permission for placement. Parents, teachers and/or students participate in this process. All students receiving special education services are reassessed at least once a year and reevaluated at least once every three years.

We now have twenty-five special education classes in our district which provide services to students who have a physical, mental, communicative and/or emotional disability. It is the goal of the Tishomingo County School District to provide free appropriate public education to all children with disabilities through age twenty-one by the year 2000.

## Camp Iuka

## GFWC-MFWC Twentieth Century Club News

The Twentieth Century Club met in the lovely home of Zenobia Oaks on May 13, 1999, with Zenobia as hostess.

The meeting was called to order by Joy Kitchens, President. Then Joy introduced Mrs. Rachel Malone who is pasted MFWC President and who now lives at Pickwick.

The devotional was given by Zenobia Oaks entitled "Creed of the Open Road."

Then Zenobia Oaks called the roll, club members responded by naming some form of art. Joy Kitchens reported that on April 19th club members trimmed shrubbery and planted vincas in the beds at the walking park. Also, club members called the supervisors about repair on the wooden bridge and the water fountain. The bridge has been repaired.

Club members attending GFWC-MFWC State Convention were Nancy Daugherty, Joy Kitchens and Bobbie Nunley. Iuka 20th Century Club won the following awards at the state level:

First on Scrapbook, First on Yearbook, First for Education - Continuing Education, Third for Conservation - Special Project, Third for International Affairs - Outreach for children and Third for Media Book.

Club voted to supply

refreshments for the Summer Reading Program at the Iuka Library. Also, to purchase eye glasses for two elementary school children and to purchase plaque for awards day at the Middle School. Joy Kitchens reported she presented the Herbert Shook award to Eugenia McKee at the Tishomingo County High School Awards Day.

Plans were completed for Heritage Day on June 5th. The 20th Century Club will be recognized for their service to the community. The club will have a concession stand, this is one of our fund raising projects.

Following the business Session Zenobia Oaks served a delicious plate of finger sandwiches, strawberry pie, crackers and dip with coke or coffee.

The next meeting will be on May 20th which will be the clubs last meeting until September.

## Are Your Children Looking For Adventure?

Do they need a great way to begin their summer? What would they think about a week of mountain adventure - climbing to the peaks, trekking through the terrain, scaling the slopes?

Iuka Baptist Church would like to invite all children ages 2 - grade 6 to join us for an expedition to Mt. Extreme: The Ultimate Good News Challenge.

Every day will include an exciting worship rally in the Mountain Lodge. Then the kids

will traverse through adventure filled Bible stories, create mountain of crafts, explore unique mission sites, experience extraordinary Mt. Extreme and climb to new heights recreation!

Mt. Extreme: The Ultimate Good News Challenge will be held at Iuka Baptist Church, 105 W. Eastport Street, on June 7-11. It will begin each day at 8:30 a.m. and conclude at 11:30 a.m. For more information, please call the church office 423-5246.

We're looking forward to your kids' joining us on this exciting expedition!

## Old Tishomingo Traces

By: June Bullard

This week Jewel Choate sent in an article about her husband's family friends around the North Crossroads area. The period of time covered was from 1936 to around 1940. Since most of her writings are about her memories of her McCoy and Phifer families around Holcut, she wanted to reminisce about Wilson's kinfolks, entitled her writing "The Other Side of the Coin."

After we moved near Iuka, we met many nice neighbors and friends. At the time, it wasn't in the city, so we believed in visiting and being absorbed. It was through some of these neighbors that I met a new boyfriend. Then most people worked in saw mills and timber work. My boy friend Thomas Wilson worked for Andy Cole and Whitehurst. He was paid by the day to make a crop. Wilson was a smart, witty and older and that he struck a chord with me. He was the one thing I loved best next to family and school. As our relationship progressed, I decided I was in love. My mom Terie McCoy tried to talk me out of it, but I convinced her, or at least I did, that I was right, and I was to get married. Mom said, "It's a death do you part." I replied, "If I'm not happy, I'll come home." She said, "Oh, no," and she still held on to that black book that she always carried on. It has something in there that says, "whoever God puts together, let no man put asunder." To me, President Regan's own words, "I told me 'no' but my heart told me 'yes'." Although, I'm not sure if I did it, but we did get married. We thought we were so smart we would keep it a secret until his job finished, but we didn't succeed. We went to live with Uncle John and Aunt Ethel Curtis. They were so nice, just took me in like a family member. Guess they thought I had just another kid to deal with and that other were real nice to me. I tried to return the favor. I was 16 years old and a junior in high school. When school started, I realized I didn't go which I had not considered till then. Now, we had to work to save money to set up a home.

I had already met several people in North Crossroads. Mrs. Cora Whitehurst had introduced me to several people. I had met Lula Arnold when she visited in our home and she asked me to come spend a week end with her. It was fun to ride the quick bus that made round trips between Iuka. The night I went to visit, it rained and Lula woke me to go to the storm house. When we got there the place was full. People were all around. She introduced me to all of the Arnolds. Besides her sons John and Minnie there was also Celia, Bertha and Rabbit, and Milton, Grute, Dolly and Berry. I had never heard names

like that. They were the funniest and most friendly people I had ever met.

Later, I began to meet a lot of other people. Uncle John and Aunt Ethel had lots of company and had famous rocking chairs on their big front porch for visitors to sit in. Berlin and Sis Curtis told me I must go to Aunt Beck and Uncle Bud Milligans because Aunt Beck would let you eat out of a bowl (the most practical way to eat.) Well, we thought we were so smart and we did go visit and had wonderful times. Uncle Bud played his fiddle and Wilson picked the guitar, and we had music and fun. I wanted to help Aunt Beck make the beds but she had an easy way. Instead of taking the quilts off, she would just pull them up. Aunt Beck was the smart one. We had many good times with the Milligans. Everyone went to Patrick to singings. We all went to the Community Church at Cross Roads.

We visited Aunt Pen Bullard. She was Wilson's grandmother's sister and I found the Bullards to be fine people. By now we were acquainted with Mr. Olen and Mrs. Irene. We would spend the day and have such fun with all their children, Audrey, Orlan, Odie, Dennis and some I can't remember but more Bullards to love and visit. June appeared after they moved to Happy Hollow.

I met Aunt Georgia Ann and Uncle Mann Mosley, and Liller and Hilda and their families - a fun loving family. After we moved into our own little house or maybe before, we met another set of Milligans - Evie, Sis, Arrie, Dick, Dude, Ruby and Billie, all good, friendly folk, still know a few of them, Billie Katherine and Dot and their families. When they moved away, Ella and Burt Davis moved into their house. Ella was Uncle John's niece. They just sort of took me in. I'll always have loving memories of all them. There was a lot of young people my age, Lillian Robinson, Grute and Christine Arnold, Euna Mae and Howard Biggs. Since quilting was very popular then, as well as now, the women folk taught Euna Mae and me how to quilt. I now prefer for someone else to do that.

W.T. Dexter and Sis were soon good friends so I learned all the Dexters. One of them Junior married my cousin Helen Coker. Also Phil and Eva Curtis and lovely daughter. Mrs. Carrie Marlar was famous for her chicken and dumplings. Ella said for us to go one Sunday. I said we can't intrude. Ella said, Oh, no, Carrie always cooks for everybody." I was learning fast that there were other good people beside the Holcut folks. Carrie's sons Varnell and J.C. Marlar were frequent guests at Uncle John and Aunt Ethel's home.

I can't name all the nice people I met but they were many. The Walkers, Uncle Buster and Aunt Jane, Boyd, Howard and families. Mr. Andrew and Mentha Bullard were the greatest.

I will have more about her in another article but time went merrily on its way. It was soon time for school to begin. We had been married a little over a year and had a baby girl. I knew I couldn't go to school then. I was now 17 and would have been a senior. My good friend June Bronson Pruitt came to see me. We were so sad. We cried but she told me to hand in and I would go back to school some time. I really meant to and I did get to later. But, June tried to comfort me and rocked my baby Barbara Sue in Aunt Ethel's famous rocker.

We had a wonderful time with our new baby. She belonged to all of us - Aunt Ethel, Uncle John and all the family. She was named after Barbara Stanwyck, the famous movie star. It wasn't long until Barbaras were springing up all over the country. Barbara Stanwyck was a favorite of many young people at that time. My mom asked me if I was sure I wanted to and could take care of my baby and I assured her I could and I don't believe any grandmother could have loved her better than Aunt Ethel did.

I met many more Curtis relatives. Lil, Carol and Tip Davis. They were fun loving and frequent visitors. Aunt Fan Tigner was known for her famous tea cakes. Mack passed away and Jack married Irene "Sis" White. Well, I had another new friend till she passed away. "I miss you, Sis and Tip", and so many more that have gone on. Wilson's family were great friends of Eldridge and Sarah Young and Billy. We also went to church with them. There was Uncle Marshall and Aunt Minnie Curtis and William when he was home from school. My children learned to sing by the time and before they could talk. We went to see Aunt Minnie before she passed away and

she asked Sue if she could still sing, "Rubber Dolly." Well, I'm skipping but I wanted my mom to meet Mrs. Minnie Arnold and went to visit. She told so many funny things, actually facts. My mom laughed all the way home. Mrs. Minnie was one funny lady. Phil Curtis was also known to have his fun. One evening according to Uncle John, Phil had a drink before he got home from work. Eva told him to go get the cow. She had to milk. Knowing Eva would be mad he just went on across the creek and spent the night with his dad. On the way home next morning, Uncle John saw him coming and he called out and asked him if he was going after the cow. He replied that he was. One more about Phil. He told Eva he heard some one crying and he better go down to Roy and Lucy Dexters. He was afraid they were having a fight. He hurried down and soon came back and sat down. Eva asked Phil to please tell her what was wrong. He said Roy was singing "Maple on the Hill" Wilson worked for Mr. Odis Cutshall at saw mill. He said they kept themselves entertained telling each other jokes. The Curtises and Bullards were known to have their fun. We lived there about two and a half years. Mr. Odis moved his mill to Alabama. I wanted to move back south of Iuka. I missed my mom a lot and all my friends around Iuka. We moved on the Woodall Mountain Road - the Whitehurst place. I was

happy there and soon expecting my second baby. I needed to be near my mom. We had a good little church to attend Overton Chapel. It later burned and was renamed Bethel which still remains. My new baby was born on September 1. We named her Martha Lou to rhyme with Barbara Sue. She also was my pride and joy. I vowed I

would teach them music and song, my first love, and that I did. By the time they were 3 and 1 and a half, they were singing together. Mr. Odis decided to move his mill to Kentucky. It was decided we better move back north to be near the Curtises, as Wilson would be working in Kentucky. I will continue later with more tid-bits and happenings at Bullard Cut-Off School.

Jewel, thank you for your story. I hope your friends around North Cross Roads enjoyed your reminiscing. If anyone has memories they

## Statement Of Nondiscrimination

Frontier Communications of Mississippi, Inc. has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964, as amended, all requirements of Section 504 of the Rehabilitation Act of 1973, as amended, all requirements of the rules and regulations of the U.S. Department of Agriculture to the end that no person in the United States shall, on the ground of race, color or national origin, or solely by reason of such person's handicap, or on the basis of age be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program or the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin, solely by reason of such person's handicap, or on the basis of age in its policies and practices relating to applications for service or any other policies and practices relating to treatment of beneficiaries and participants including employment, rates, conditions and extension of service, admission or access to or use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization. The person in this organization responsible for coordinating the nondiscrimination compliance efforts of this organization is Bill White.

Any individual, or any specific class of individuals, who feels subjected by this organization to discrimination prohibited by Title VI of the Civil Rights Act, by Section 504 of the Rehabilitation Act, by the Age Discrimination Act or by the rules and regulations of the U.S. Department of Agriculture may personally or through a representative, file with the Office of the Secretary, U.S. Department of Agriculture, Washington, D.C. 20250; the Office of the Administrator, Rural Electrification Administration, Washington, D.C. 20250; the Office of advocacy and Enterprise, U.S. Department of Agriculture, Washington, D.C. 20250; or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Administrator of the Rural Electrification Administration extends the time for filing. Identity of complaints will be kept confidential except to the extent necessary to carry out the purposes of the rules and regulations of the U.S. Department of Agriculture.

### Orientation for New MSU Students to be Held in June

Students enrolling for the first time this fall at Mississippi State University should make plans to attend any one of five orientation sessions on campus in June.

Three two-day programs for

freshmen and two one-day programs for transfer students are being offered. In addition to advance scheduling of classes, students - and their parents - will have the opportunity to meet faculty members and administrators, as well as students already enrolled.

Dates of the two-day freshman sessions are June 12 and 13, 17 and 18, and 26 and 27, while transfers will meet for one day on June 11 and 25. Separate, concurrent sessions are held for parents.

"We strongly encourage all new Mississippi State students to take full advantage of summer orientation," said Jimmy Abraham, director of enrollment services.

"Students and parents both have said that orientation is beneficial because it allows them to see the university up close, learn about the many services available and visit with people who work and go to school here," Abraham added.

Last year's total attendance of some 4,400 set an MSU record for the program.

Complete information about orientation can be obtained by writing to the Office of Enrollment Services, Box 6334, Mississippi State, MS 39762-6334. The telephone number is (662)325-3076 and the e-mail address is <LEAD @msstate.edu>

### NEMCC to Offer Swimming Lessons

Eight weeks of swimming lessons are on the summer calendar at Northeast Mississippi Community College.

Classes will be taught twice daily Monday through Friday at 11 a.m. and 5 p.m. for six weeks from May 31 to June 25, June 28-July 2, and July 26-30. Only one class per weekday will be offered the weeks of July 12-16 and 19-23 beginning at 5 p.m. Classes will be taught at the Gaye Roden Carr Aquatic Center on the Booneville campus.

Classes will last approximately one hour.

Students must be four years old by May 31, 1999 or older to enroll.

Space in each class is limited and reservations are taken on a first-come, first-pay basis. Tuition for the lessons is \$35 per student

per session.

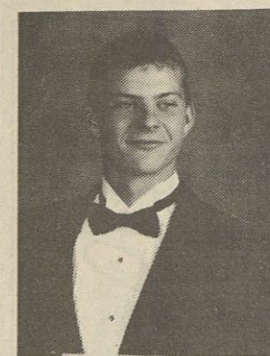

Cancellations must be made five working days prior to the beginning of each session for a refund to be issued.

For additional information to enroll call Murphy Jones (662) 720-7296 or the NEMCC Office of Continuing Education (662) 720-7296.

### Miranda McGaughy Named TCHS Star Student

Miranda N. McGaughy has been named as a STAR (Student-Teacher Achievement Recognition) Student for the 1998-99 school year by the Mississippi Economic Council's M. B. Swayze Educational foundation. The Tishomingo County High School senior was honored during the ninth annual Educator Celebration on April 30 at Mississippi College in Clinton.

Star Students are selected on the basis of academic excellence. ACT scores and scholastic averages are considered in the designation of a school's Star Student. Each Star Student is asked to designate a STAR Teacher, the classroom teacher who has made the greatest contribution to the student's scholastic achievement. Miranda has designated TC math teacher, Margaret A. Gray, a graduate of Iuka High School and MUW, as her Star Teacher.

Miranda plans to attend Northeast Mississippi Community College and then study Architecture at Mississippi State University. At TCHS she has been active in many organizations. She holds membership in the Academic team, ACTS, Anchor, Band, Beta, FBLA, the Foreign Language Club, Student Council, Theatrum Critics, and Who's Who Among American High School Students. She has participated in the MSU Band Clinic. She also works on the Annual Staff and is a member of SADD. Miranda is the 18-year old daughter of Sheree Kay of Tishomingo.

### NEMCC Announces Community College Writing Winners

Awards in poetry, short story, formal and informal essay, and drama were given to several Northeast Mississippi Community College students who submitted work to the school's annual Creative Writing Competition.

In poetry Erick Alexander of Tishomingo took first place for his poem "A Perfect World," and second place for "How Easy." Third place went to Pam Cockrell of Ripley for "Little Monarch." Honorable mentions went to Brent Bonds of Iuka, Brian J. Petty of Ramer, Tenn., and Chrystal Lachelle Vactor of Columbus.

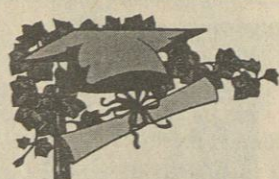

Bonds won first place in the short story category for "Fifteen-Hundred Dollar Steak." Second place went to Tracy Lawson of Booneville for "Waiting to Go," and third place went to Marcie Thomas of Saltillo for "Lil' Misses." Timothy Shea of Corinth earned an honorable mention.

Lawson earned first place in the informal essay category for "An Unexamined Life is Not Worth Living." Jerod Dawson of Tishomingo took second place honors for "Volunteer Fireman," and Trenika Mitchell claimed the third place certificate for "And They Thought They Knew Me." Honorable mentions went to Brent Bonds of Iuka, Elisha Damron of Corinth, Ashley Gambrell of Tupelo, MacKenzie Ginn of Golden, Rachel Moyers of Iuka, Sommer Strachan of Glan, Becky Taylor of Booneville, and Chamara Vaughn of Corinth.

Timothy Shea of Corinth took first place for his formal essay "Lord of Lyricists." Second place went to Brian Petty of Ramer, Tenn. for "Edgar Allan Poe," and third place went to Brent Bonds of Iuka for "Whose Right."

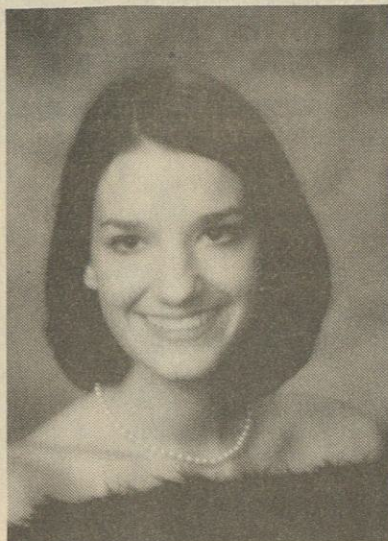

Amanda Little and Jennie Reed, both of Corinth, won first place in the drama category for "An Episode of The X-Files." Second place in this category went to Erick Alexander of Tishomingo and Jonathan Smith of Blue Mountain for "White Noise." Both teams received honorable mentions for their work at the Mississippi Community College Creative Writing Association Annual Conference.

Northeast was also recognized at the state conference. The Flambeau, the school's student literary journal earned first place in the in-house journal category.

Joy Kitchens, President of the GFWC-MFWC 20th Century Club presented Eugenia Marie McKee the Herbert L. Shook Scholarship at Awards Day ceremonies. The scholarship is in memory of a beloved, former Iuka school superintendent and administered by the club and awarded on the basis of scholarship, citizenship, and need.

#### Morris Earns Langston Scholarship

Carrie Morris of Belmont (center) has been selected to receive the Joe Ray Langston Memorial Scholarship for the 1999 fall semester. Given by the law firm of Langston, Langston, Michael, Bowen, and Tucker, the one-semester tuition scholarship is presented each fall to a Northeast Mississippi Community College student from the school's five county district (Alcorn, Prentiss, Tippah, Tishomingo, and Union County). The selection is made by the Northeast Scholarship

Committee and is based on academic excellence and financial need. The daughter of Jerry and Barbara Morris, Morris is a dental hygiene major and will serve as president of Northeast's Iota Zeta chapter of Phi Theta Kappa, and international honor society of two-

year colleges. Pictured with Morris is Ronald Michael (l) and Daniel Tucker.

#### Excel to be Offered at NEMCC

Northeast Mississippi Community College's Division of Continuing Education will offer a class in Microsoft Excel 7.0 on Thursdays June 3, 10, 17 and 24 from 6 - 8:30 p.m.

The four-session course is designed to give a basic understanding of spreadsheets and their operations, including selecting cells, entering formulas, manipulating a worksheet, and establishing ranges.

Enrollment is limited for the class. Registrations will be accepted on a first-come, first-pay basis only. Cost of the class is \$95. The cost of the textbook is

included in the course fee.  
For additional information or to preregister, contact Nelson Wall at (601) 720-7249.

### Sav-A-Life of Corinth

"Sav-A-Life of Corinth will hold its annual fund-raiser, WALK FOR LIFE on Saturday, June 5 at 10:00 a.m. at the Corinth City Park, Walnut Municipal Park, and Buford Pusser Memorial park (Adamsville). Walkers may choose the site most convenient for them. All proceeds will go toward the operating budget of this Christian ministry serving Alcorn, Tippah, Tishomingo, Prentiss, McNairy, and Hardin counties. Individuals, families, church groups, and teams from the community are encouraged to get people to sponsor them for this 2 miles walk. Walkers do not have to collect the donations; Sav-A-Life will do that by mail. For additional information or a registration/sponsor form, call 287-8001 or 1-800-663-1639."

Thank You,

### Lotus 1-2-3 Offered at NEMCC

Northeast Mississippi Community College's Division of Continuing Education will offer an introductory class in LOTUS 1-2-3 Tuesday evenings from 6 - 8:30 p.m. June 1, 8, 15 and 22.

The four-session course is designed to build a basic understanding of spreadsheets and their applications. LOTUS 1-2-3 is an integrated spreadsheet program with graphics, communications, and database functions and is one of the most popular spreadsheet packages on the market for personal computer.

Participants will learn to create spreadsheets, write formulas for calculations in the

spreadsheets, make projects using spreadsheets, and learn to select data from spreadsheets. Hands-on instruction will be emphasized.

Enrollment is limited for the class. Registrations will be accepted on a first-come, first-pay basis only. Cost of the class is \$95.

For additional information or to preregister, contact Nelson Wall at (601) 720-7249.
