## Emergency Storm Warning Sirens To Be Tested Today!

*Sirens will sound when severe storms approach Iuka*

Emergency weather warning sirens will sound this Thursday morning in testing activities for the new Emergency Weather Warning System. All residents should be aware that Thursday's sounding of the sirens are for testing purposes only.

Last spring, the City of Iuka secured funding to install an Emergency Weather Warning System; and this Thursday, the sirens will be sounded for the first time to test the system.

In the event of severe weather and/or approaching tornadoes, this system will be used to forewarn residents. A sophisticated computer system connected to the National Weather Service will send weather warnings to the Iuka computer, housed in Iuka City Hall; and in turn, Iuka employees and/or the computer can turn the three rotating sirens on.

The three large warning sirens are located atop poles

Tishomingo County Electric Power Association and Iuka City workers are shown working together to prepare the last pole for setting the Emergency Siren Storm Warning into service. These piercing sirens will be set off for testing Thursday morning.

in the vicinity of Iuka Elementary School, the old waterplant site behind Benny Weathers' Body Shop, and near the inter-

section of Highways 72 and 25. These sirens can be heard for several miles in all directions.

All residents should be alert

to the sounding of these sirens so that the necessary precautions can be taken in the event of severe weather.

## Stolen Purse Recovered By Iuka Police

Quick action by the Iuka Police Department and the help of an eyewitness led to the recovery of a stolen purse in Iuka Monday morning.

The purse was taken from a vehicle in the parking lot of Segars Clinic.

An eyewitness saw a woman take a purse from a car as she and a young man were leaving the clinic. He reported what he saw to the desk clerk, who then found the owner of the car in the clinic. The owner verified that the purse was missing and the Iuka Police Department was called.

Within two hours, the purse was located in a dump can east of Mineral Springs Park by the police. Money, taken from the purse was soon returned to the owner.

The two were charged with burglary of a vehicle.

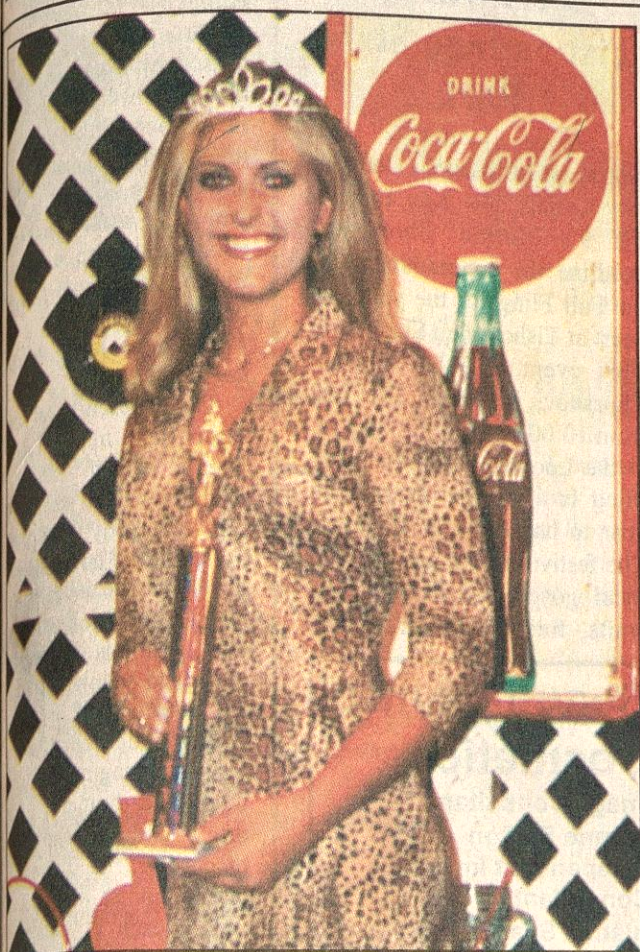

The owner of the purse would like to say a special thank you to Officers Stringer, Whitlock, Marlar, and Mitchell for their hard work and also the eyewitness who was brave enough to report what he saw and also take down the tag number of the suspects.

## 4-H TALK

By Mary C. Baldwin, Extension 4-H/Youth Agent

As you read this, the Tishomingo County Fair is underway. For those of you who don't know, the Extension Service staff and volunteers work to get the building ready and make improvements in the days leading up to the fair. Needless to say, it's a very stressful time.

I thought this would be a good time to share some of the things that can help relieve stress when it builds to a breaking point. This information comes from the 4-H Health Rocks! lessons.

Think about the last time you felt stress. Was the stress based on outside factors, such as friends or parents who were hassling you? Was it based on an adrenaline rush, such as nervousness before a game or speech? Was it based on something that you believe you can't change about yourself?

If stress comes from outside factors, certain techniques such as: rethinking the event, imagery relaxation, listening to music and being with others may help reduce stress.

If stress comes from adrenaline or fear, certain other techniques such as relaxation exercises and breathing control may help reduce stress.

Our minds and bodies are like a sponge. They keep filling with stress like a sponge fills with water until finally, we can't hold anymore. We can find good ways of getting rid of stress or find ways to reduce the amount of stress that comes in.

If you feel STRESSED, you need to make it SMALL! Here are some steps you can take.

- 1) Spotlight your talents and hard work!
- 2) Make parents and those that judge you real. They'll respect you no matter what happens.
- 3) Always take one step at a time.
- 4) Life is full of big events and tests. Chill!
- 5) Leave for a brain road

trip! Burn rubber and leave the stress behind, heading straight for your goal!

Think about the last event that stressed you out. Use the above five steps to visualize

making an event SMALL!

Sometimes when we are stressed, we tense our muscles. This makes us physically ache and feel tired. Here are some relaxation exercises that can help d-stress our bodies.

- 1) Think of a magic word. It's a word that only you know.
- 2) Form a fist. Hold it as tight as you can for a count of five. Slowly relax your fist until it's like it was before. Now, can you relax it further? Say your magic word quietly when you are done.
- 3) Clench your jaw. Hold it as tight as you can for a count of five. Slowly relax your jaw until it's like it was before. Now, can you relax it further? Say your magic word silently when you are done.
- 4) Hunch your shoulders way, way up. Hold them as tight as you can for a count of five. Slowly relax them until they are like they were before. Can you relax them further? Whisper your magic word when you are done.
- 5) Tense your leg or foot. Hold it as tight as you can for a count of five. Slowly relax your foot or leg until it's like it

was before. Now, can you relax it further? Silently say your magic word when you are done.

Why should we have a magic word, you might ask. Using your magic word reminds you to relax when you are tense.

I hope these simple tips will help relieve some of the stress in your life. I plan to use them to relieve some of my stress over the next several days.

## CARPE DIEM

"I'm not young enough to know everything," wrote J. M. Barrie. His statement was a witty reminder of the youthful claim to a monopoly on knowledge. It is reminiscent of Mark Twain's recollection that "when I was a boy of fourteen, my father was so ignorant I could hardly stand to have the old man around. But when I got to be twenty-one, I was astonished at how much the old man had learned in seven years." We can only grow as individuals when we are willing to keep learning, when we are willing to view education as a life-long adventure rather than as a school "prison sentence." Basketball coach John Wooden once said that "it's what you learn after you know it all that counts." Resolve that each day you become a little bit smarter and wiser person.

## What Are Veneers?

Veneering is an exciting cosmetic technique that will improve the appearance of your teeth. Veneers are custom-made shells that are affixed directly to the tooth. They are especially prepared to make your teeth look natural. The materials used to make veneers include acrylic composite resins and porcelain. Those materials are selected for their durability, stain resistance and natural appearance.

Veneers might be appropriate for you if your teeth are permanently stained or discolored or if small gaps between the teeth detract from your appearance.

Veneers also provide dramatic improvement in appearance to teeth that are poorly shaped or slightly out of alignment. With veneering, your smile can be quickly, comfortably and beautifully transformed.

Give our office a call to discuss your option.

## SARCOPTIC MANGE What causes sarcoptic mange?

Sarcoptic mange is caused by a parasitic mite that burrows just beneath the surface of the skin. It feeds on mites and on the skin. It is known as scabies and is a zoonotic disease, a disease transmissible from people.

## What does it do to dogs?

The presence of a sarcoptic mite causes intense itching. The dog will chew and scratch its skin constantly. This leads to the loss of large amounts of hair, especially on the legs and belly. Eventually the skin will become thickened and will darken.

## Is it contagious?

Sarcoptic mange is highly contagious to dogs and humans. The dog's bedding should be discarded or regularly washed in hot water (with bleach (1 ounce per gallon)). Although sarcoptic mites are not able to complete their life cycle on humans, they will cause severe itching until they are removed in two to five days.

## How is sarcoptic mange diagnosed?

Diagnosis is made by skin scraping examined under the microscope. It is common not to see mites when performing a skin scraping. This is due to the fact that the mites burrow deep into the skin and it takes only a few mites to cause significant itching.

## Soft Contacts And Sports

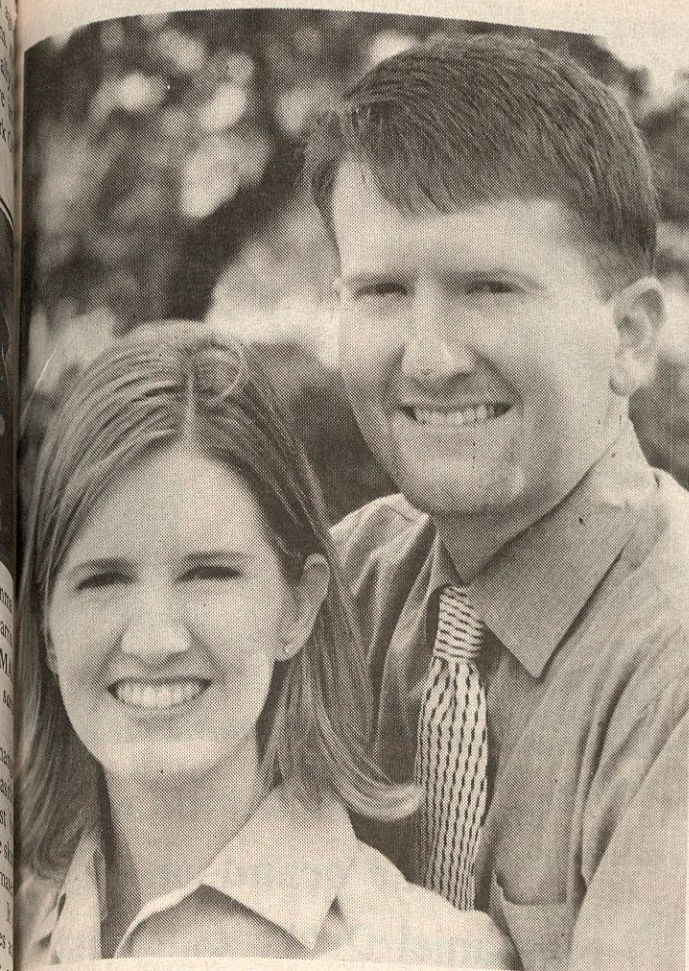

It was the final set of a tennis match. Sally was hot, nervous and tired. Her glasses kept fogging and slipping down. How she envied her opponent who did not have to contend with this problem.

What Sally did not know was that her opponent was wearing glasses. Not visible spectacles - rather, soft contact lenses.

No matter what your sport, good vision is essential. Since many individuals have less than perfect vision, some form of corrective lenses are called for. If this is your case, consider soft contact lenses. They're soft and pliable which means they won't pop out - even during the most rugged activities. They're comfortable right from the start.

Every day more and more athletic eye wearers are enjoying the new freedom and confidence that comes from converting to soft contact lenses. Whatever your sport, soft contact lenses will help you see better, play better and look better.

## Burnsville Library News

By: Debra Harrell

Fall is in the air! Some tree leaves are starting to turn their many different beautiful colors. September 23, 2002 officially starts the first day of Fall.

Luka had their annual Heritage Festival and also a car show this past weekend. My family and I attended; there was a pretty good crowd. The Tishomingo County Fair will be September 24-28th.

Last week, on Thursday night, September 19, 2002, Tishomingo County High School had a program called "Opening the Doors to Tishomingo County with Attorney General Mike Moore." Entertainment was by Tishomingo County High School Show Choir. Welcome was by Mr. John Moore; Tishomingo County School Superintendent of Education.

Invocation was by Dr. Jim Pinkerton; Tishomingo Baptist Church. Julie Seago read her winning Essay concerning the use of Tobacco Products. Introduction of Attorney General Mike Moore was by Mr. Jackie Bryant; Mayor of Luka.

Mr. Moore spoke to the young people and the general audience about The Use of Tobacco Products and how harmful they can be to your body. Cigarettes can cause lung cancer; Dipping can cause lip and mouth cancer.

Lastly, awards were given out to all Smoke Free Businesses in Tishomingo County. I received a phone call and was asked if I would come and receive an award for Burnsville Public Library. I attended the program, received a plaque for Burnsville Public Library being a Smoke Free Building and got to meet Attorney General Mike Moore.

The program was sponsored by: American Cancer Society, The Partnership for a Healthy Mississippi, Tishomingo County Families First Resource Center, Tishomingo County Project Homestead, Tishomingo County School District, Tishomingo County Tobacco Coalition, Tobacco Prevention and Intervention Program.

We have been busy at the Library. Some of the teachers at Burnsville School are

beginning to bring their classes over to the Library to visit and check out books.

Starting October 2, 2002 at 12:30, we will have storytime every month with a guest storyteller the first and last Wednesday of each month. The public is invited to come.

The Public Library, has new hours: Monday - Thursday - 11:00 - 5:00; Friday - 9:00 - 3:00; Saturday - Sunday - Closed.

### Fibromyalgia Support Group

The Corinth Fibromyalgia Support Group's next meeting will be Tuesday, October 1, 2002 at 7 p.m. The speaker for the evening will be an attorney on the subject of "How to Acquire Disability when you have Fibromyalgia." The group meets at the Tinnin Apartments banquet room located on Tinnin Dr. near Magnolia Regional Health Center in Corinth.

For more information, please call Nadine at 287-8824. Guests are welcome to come and ask questions.

### Thank You

## JOHN C. ROSS, JR.

To the Voters of Tishomingo County:

With this notice, I would like to announce my candidacy for re-election as one of the Chancery Court Judges in the First Judicial District of Mississippi.

On June 5, 1990, you honored me by electing me as one of the three Chancery Judges to serve in Alcorn, Itawamba, Lee, Monroe, Pontotoc, Prentiss, Tishomingo, and Union counties. In 1994 and 1998, you further honored me by my re-election.

When I first ran for this office, I made three promises to the voters: first, that I would work hard; second, that I would be courteous and polite to the litigants, attorneys, and court personnel; and third, that I would be reasonable, fair and apply the law as I understood it in all of my rulings.

I believe a review of my twelve years of service as Chancery Judge will clearly establish the fact that I have done just this.

On Tuesday, November 5, you will have the opportunity to vote for three individuals for Chancery Court Judge. If you think my record of service is one that has accomplished these three goals, and you believe that this should continue for four more years, I respectfully request you vote for me as one of your choices for Chancery Court Judge.

Thank you in advance for your consideration of my campaign.

Sincerely yours,

*John C. Ross, Jr.*

Marty Ramage of the Peoples Bank presents informative *Prime Time Gold* Identity Theft Workshop to Luka and Tishomingo County residents. Everyone enjoyed his presentation while learning how to protect themselves from identity theft.

## Peoples Bank of Luka Presents Program on Identity Theft

The Peoples Bank of Luka presented an informational meeting to prevent identity theft for fraud, a modern-day crime that is affecting more and more people on a daily basis in our world today. Over 1400 new people are victimized daily.

At this meeting, Mr. H. L. Robinson of Peoples Bank's *Prime Time Gold Program* introduced Marty Ramage, also of the Peoples Bank, who informed the group of this modern-day crime that targets both young and old adults.

Identity theft is the unlawful use of another person's identification and these thieves get your information by stealing wallets, keys, and your mail; completing "change of address" forms; running through trash of businesses; and fraudulently obtaining credit reports by posing as friends, employers, or someone who may have legitimate need for the information.

With this information, these thieves open new credit card accounts, establish phone or wireless service in your name, open bank accounts and write bad checks on account, file for bankruptcy in your name, counterfeit checks or debit cards, and even cars by taking out auto loans. Ramage pointed out that Peoples Bank is working hard to prevent the loss of money due to fraud in both young and senior citizens. He added, "Right now, more senior citizens are more concerned in keeping up with money, the 18-26 year-old group is losing the greatest amounts of money due to fraud.

## Harmony Volunteer Homemakers Club

The Harmony Homemakers met on 9-16-02, at the Luka Community Center at 6 p.m. Gladys Lambert, President, led the meeting to order and the thought of the month was "I love you, in some way." Helen Harris led Pledge to the Flag. Marquita Mathis did the devotion. "Ephesians 4:29-32" Let no corrupt communications proceed out of your mouth. Vada Kay said prayer for the sick, bereaved and especially the world.

These younger people trust everybody. However, both young and old need to trust no outsiders due to the large amounts of money being taken from people."

Ramage listed several ways to help protect citizens from being victimized. Some of these, which are also listed in *The Peoples Bank & Trust* brochure titled *How Can I Protect Myself from Identity Theft*, included:

- \*keeping any cards or information on documents such as driver's license, insurance cards, social security cards, deposit slips, withdrawal slips, credit card purchase receipts, financial institution statements, credit card statements, investment updates, credit card solicitations, etc.—where they will be safe.

- \*shredding of any of these items before disposal,
- \*putting trash out only shortly before pickup so garbage cannot be pilfered,
- \*mailing payments, etc. and other items that contain personal information at a dropbox rather than from rural boxes,

- \*collecting mail from boxes as soon as possible,
- \*limiting personal information on checks,
- \*not giving any personal information in person, over the phone or Internet or Websites that do not use encryption or other secure methods to protect them.

- (Firewalls should be put on high-speed Internet connections.)
- \*not using familiar items in establishing PINs (Personal Identification Numbers)
- \*examining credit card and financial statements immediately upon receipt to determine whether there were any unauthorized transactions. Report any unauthorized transactions that you find immediately.

- \*obtaining credit reports annually from each of the three major credit reporting agencies to be sure they are accurate, and asking to be removed from telephone solicitation lists. (You may remove your name from the lists of national marketers by writing to the DMA Telephone Preference Service at PO Box 9014, Farmingdale, NY 11735-9014.)

Ramage also added that if you feel you have been victimized, you should follow these steps:

- \*immediately contact the Federal Trade Commission: at <http://www.ftc.gov>, 1-877-IDTHEFT (877-438-4338);
- \*the Consumer Response Center, FTC, 600 Pennsylvania Ave. NW, Washington, DC 20580;
- \*contact the three major credit reporting agencies to put yourself on Fraud Alert and request a copy of your credit report;

The three major credit reporting companies are Equifax—800-525-6285; Experian—800-397-3742 or TransUnion—800-680-7289; \*cancel all accounts that have fraudulent activity; and \*contact local law enforcement agencies.

Mr. Ramage and all Peoples' Bank employees urge everyone to be aware of identity theft so everyone can protect their identities so they will not become victims of fraud.

Contact the Peoples' Bank & Trust Company for additional information.

night at the fair will be Thursday night.

We have some good cooks and hope everyone eats with us.

Helen Harris had a dozen eggs for a door prize and Marquita won.

The meeting was adjourned and a prayer was said for our food.

This week, TCHS has been promoting college with the annual Career Day. On Tuesday the students had a chance to visit the Families First Resource Center, where different colleges and other organizations were set up.

It really makes you think about your life, and what will happen in the near future. All students, whether they are a freshmen or a senior need to begin thinking about college, scholarships, and financial aid. It is never too soon to start preparing for your future. For those younger students, who do not think that this stuff applies to you; you are so wrong. Those four years will fly by so fast, and before you have time to realize it, you're a senior coming one step closer to graduation each day. I really cannot

stress enough how important all of this is. The truth being, "You get out of something what you put into it."

This week our Anchor Club also met on Wednesday at 7:30, and Student Council met on Tuesday at 7:30. If there is anyone who may have an idea for the school and would like to share this idea and be heard; Student Council always welcomes new ideas.

Please join us on Tuesdays at 7:30!!

FCA will meet on Friday at 7:30.

This Friday the TCHS Braves will face Lafayette Co. This is an away game, but everyone is still encouraged to come see the boys play! Good luck guys!!

That's a wrap for the week, I'll be back next week with more TCHS news!!

## Squirrel Hunting Opens

One of the most anticipated days of the year is just ahead for northern Mississippi hunters. It's the opening of squirrel hunting in Zone 1, according to the Department of Wildlife, Fisheries and Parks.

The season there opens Sept. 28 and continues through Feb. 28.

Zone 1 is that area of Mississippi north of Highway 82 plus those portions of Sunflower and Washington counties south of Highway 82.

The daily bag limit is eight, and the possession limit is 16. A possession limit is not permitted on the opening day of any season.

Hunters must have a valid hunting license signed and on their person before going to the woods.

Shooting hours for squirrel hunting are one-half hour before sunrise until one-half hour after sunset.

## Braves Football By Samuel Hathorn

This past Friday's game at Braves Stadium was in the slopiest of conditions. After torrential rains fell in the afternoon, and off and on through the game, the field was muddy. The game marked the opening of District play for the Braves, as Hernando came to town.

The Braves won the toss, but chose to defer to the second half, so the opening kick-off would go to the Tigers of Hernando. The Braves defense looked promising against the highly favored Tigers in the opening drive. When the Braves had their first chance to move the ball, their offensive attempt proved to be for naught. The Tish. County defense, battered and injured from the previous game, could not stand to the Tiger offense, and the "cats" from DeSoto County put the first points on the board. The extra point attempt was no good. The Braves could not respond to the Tiger score. The Tigers would score only once more in the quarter, and again failed to put the extra point on the board. The score at the end of the quarter was Tigers 12, Braves 0. The second quarter found each team battling as the ball changed hands several times. At the end of the quarter a Braves turnover set up a scoring drive by the Tigers that resulted in a touchdown and a two-point conversion to end the half. The teams went to the field house for the break with Hernando leading 20-0.

In the second half the Braves started off with the ball and were unable to put any points on the board. The Tigers proved to out do the Braves defense and once again scored in the third quarter making the

score 27-0. The Braves opened up their passing game in the fourth quarter, and met with success as they finally scored with five minutes remaining in the game. The two-point conversion was good and the Braves had 8 points on the board. But this score proved to be too little too late as the Tigers would add 10 more points in the fourth quarter, leaving the final score at 37-8, and handing the Braves their third loss of the season.

Even in defeat, the Braves coaching staff found many bright spots that they hope to build upon as they continue to look to the future. Preparations will be intense as the Braves prepare to travel to Lafayette County this Friday to meet the Commodores.

Mike Moore, Mississippi's Attorney General, was at Tishomingo County High School last week to speak to students and community about smoking and its harmful effects on people. He also appealed to people to serve as positive mentors for area youth.

Moore told an attentive crowd, "The smoking industry kills the older generation and then addicts the younger one. Nobody wins." He also added that many young people do not know how to handle bad situations and that they need positive examples to follow.

Moore also stressed that all Mississippians need to set good examples for our youth and be mentors for them. Moore supports Boys and Girls' Clubs and their mentoring program.

## Tishomingo County Youth Football

Last Saturday two youth teams traveled to Baldwin ready to play some football. Our 7-8 peeewe Braves ended up with a week off after Baldwin cancelled because of some player shortages for the week and also had some field problems.

Starting late and battling a field lacking lights, the Jr. Braves got down early 14-0 on two long outside runs by a Baldwin speedster. The young Braves stepped up a bit after that and stopped the Baldwin squad in the next series. Then the offense got moving with a good mix of pass plays and in four face straight up the middle runs ending in a Brave score and two point conversion to cut the margin 14-8. The Braves again moved the ball well while saving up time only to lose the ball deep in Baldwin territory. Once again, Baldwin managed to get their fast back and the end and out run the Braves to the end zone for another score. We lost this one 20-14 but the game was played much closer than the score indicates. This Braves team has been better each week. Their season is coming.

The 11-12 senior Braves suffered their first setback last week after starting 2-0, and came to Baldwin a bit more focused on the task at hand. On their first possession the boys moved the ball 80 yards culminating with a touchdown and two point play for a quick 8-0 lead. The Baldwin possession broke into open field and moved most of the field being brought down inside the five yard line. Three plays it looked as if the Braves would hold as Baldwin moved on fourth and goal but they got in the end zone. The game after was stopped and the Braves led 8-6. The next Brave

game looked all good when connected for a 70 yard play for a score, but the referee said a player had put his mouth piece during the play. Imagine that. It really did effect the Braves as they continued to move the ball well on offense and on defense and solid as well. Early in the fourth qtr. night moved in the game was called early darkness with the Braves up 14-6. Next week the Baldwin Braves will bring three teams to Tish. County with the first game scheduled for 10:00 a.m. and the talk about moving the game to evening about 4 p.m.

for game times so if you need info just call 424-9617. This weeks Braves to recognize are peeewe Abreal Watson, Brandon Russ and Cody Russ; juniors Justin Capps, Zeif Clark and Jonathon Phifer; seniors Josh Driver, Matthew Bascomb and Matt Davis.

We want to thank our supporters and every one willing to help out and apologize that I

haven't been able to get to every one I've needed to lately, but its been busy. The league is very excited about our fundraiser. We are selling chances for \$5 for up to five opportunities to win two Tennessee Titan game tickets, two Titans caps, and two Titans shirts. We have five sets for four different games so the sooner you buy a chance the more times your ticket will be in the drawings for all the games. We want to thank Julie Hamm at Salon 117 for making this fundraiser possible. If you need to purchase chances just

go by Salon 117 or call 424-9617 or see any Youth player you might know. Come on out this weekend for some good food and football!

Angie Dawson Langley

Angie Dawson Langley, a Tishomingo County native, has been named as NEMCC's Dean of Continuing Education. Langley replaces Nelson Wall, who retired from the position on June 30, 2002.

Mrs. Langley, an educator since 1987, was responsible for coordinating the implementation of the Mississippi Tech Prep Initiative and developing strategies for 22 high

schools, 5 vocational/technical centers, and 12 middle schools and the college before being named as NEMCC's new Dean.

In her new position as Dean of Continuing Education, Mrs. Langley's vision for Northeast is to implement a progressive program in the field of Continuing Education at NE. She wants to expand the Continuing Education Program to meet the needs of all learners.

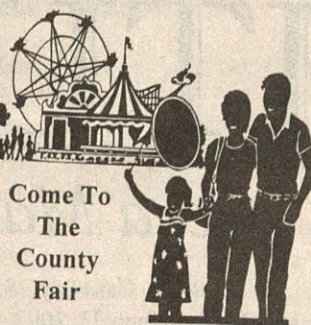

Mrs. Langley attended and

earned degrees from Northeast Mississippi Community College, Blue Mountain College, and the University of Mississippi. She has a Master's Degree in Curriculum and Instruction and Gifted Education and a class A-certification in Vocational/Technical Education.

She taught in the Alcorn County School District and the Booneville School District before beginning her NE career in 2000.

Angie is very special to Tishomingo Countians because she is a graduate of Tishomingo High School, and she is the daughter of Chester and Ruth Dawson. Mr. Chester is a former Tishomingo County Sheriff, and Miss Ruth is a retired Tishomingo High School English teacher. Angie is married to Paul Langley, whose father and mother, Billy and Catherine Langley, formerly pastored at Tishomingo Baptist Church. Paul, also an educator, is currently the girls' basketball coach at Booneville High School. Paul and Angie are the parents of 15 year-old twins, Zack and Cody. They are active members of First Baptist Church in Booneville. Angie is also actively involved in the Prentiss County 4-H program.

## Michael Puckett.....

Continued from page 1

decision that I am asked to make. I will not compromise my character or my integrity on any issue.

I have a heart for children. I have coached Dixie Girls Softball for several years as well as served on the Iuka Dixie Girls Softball Board of Directors. I have also coached in the City Recreational Basketball League for several years as well as organized an AAU girl's basketball team.

My philosophy on education and our school system is fairly simple. It is as follows:

1) Focus on Academics - The primary function of the school system is to educate our young people. We must always strive to exceed state and national standards while continually improving on our own standard of excellence. We must devote the majority of our resources to support the learning team of teacher, student and parent. We must retain and recruit quality teachers by ensuring teachers/students have needed classroom resources. We must ensure that our teachers and district employees are compensated with competitive salaries. We must hold teachers and administrative employees accountable for creating learning activities that carry out our educational objectives.

2) Fiscal Responsibility - The educational dollar is difficult to gain so we must make sure that all money spent in the school district is spent wisely. As a school board member, I promise to be fair to all schools in our school district when deciding on spending matters. We must do a good job of balancing funds between the schools in our district. We should also hold each school accountable for the spending of those funds.

3) Technology - With over 15 years of experience in the computer software and hardware industry, I will promote and encourage using the latest technology affordable in our classrooms to help teach our children tools that will aid

them in their higher learning and in the workplace. I will also encourage our administration to use current technology to perform

administrative duties. I would like to see our school district use the current website more effectively so parents and the general public can have current information at hand.

4) School Safety - The safety of our children while at school must be a priority. We, as a school district, must do everything possible to ensure that our children are protected while in the school's care. I would propose developing a School Safety Task Force at each school that would be made up of several teachers, parents and local law enforcement officials. This group would review the safety procedures at each school and provide recommendations to improve our overall school safety.

5) Community/Parental Involvement - We need to encourage involvement from parents and local businesses. We have many parents who want to get involved but are not given the opportunity to do so. Booster Clubs, PTA, etc. are a wonderful source for parental involvement, and I would encourage this to take place at all of our schools. We need to involve our local businesses and develop partnerships so that as we are educating the workforce of tomorrow they would assist us in projects and needs to accomplish our goals.

6) Strive For Excellence - Setting a high standard of excellence in all areas of our schools is important. Being successful in areas of athletics and other school related activities is a wonderful boost for morale. I would do my best to see that our athletic programs are given every opportunity to succeed. We should provide the necessary resources and personnel at all schools to give our students an opportunity to succeed.

I want the Tishomingo County School District to be the best that we can be in all areas. I will be available to hear any concerns and suggestions that you may have concerning our schools. I am asking for your support on November 5th by voting for me as the 1st District School Board member.

Thank you,  
Michael E. Puckett

Players are: Dane Degraw, Adam Degraw, Cameron Bernal, Steven Datsis, Joseph Hicks, McGill, and Jay Castleberry.

### Note of Thanks

Friday the 13th is regarded by many to be unlucky, but our unique precious loved one, Gene Hubbard, began life on the 13th and entered heaven on this day after enduring numerous years of many medical problems and intense pain. But Gene never asked, "Why me, Lord?" Our love ones are like library books. We should cherish our short time together. They do not belong to us and will be returned.

Our small family has grown to include many special people. No names are listed in this thank you note for fear of omitting someone. You did not remember our family in prayer; care for Daddy Gene; send food, flowers, money or cards for public recognition. The many various deeds of kindness were done with love. Most importantly, the Lord knows who you are and you know. Our prayers are that when your hearts are filled with such sorrow and anguish that we might comfort you. If it were possible, we would embrace all of you again and quietly whisper, "Thank YOU!"

The family of Gene Hubbard

## Sardis Church News

By: Louise White Family

We at Sardis extend a welcoming hand to all who wish to come together in the name of the Lord Jesus. We've been blessed with another week of life and the opportunity that goes with it of spreading God's Word and enjoying good fellowship with one another.

VERSE OF THE WEEK: "Counsel in the heart of man is like deep water; but a man of understanding will draw it out" (Proverbs 20:5).

A great work requires a great vision where we gain a resolve for accomplishment. People in church needs a vision for their work to continue with excitement and unity.

To get a commitment of

the people, Nehemiah made a report that contained four points:

1. He described the city's condition.
2. He proposed a solution.
3. He promised a desirable outcome.
4. He showed them the resources needed for their work.

By doing this he captured their imagination and the people accepted his vision as their own. (Nehemiah 2:11-18).

Our 5th Sunday Singing will be September 29th. We look forward to a good turnout for an afternoon meal and praise and worship service. Please join us for this special occasion.

## Youth Evangelist Brings X-treme Ministry To Crossroads Arena And To Tishomingo County FCA

Jason Kerr is coming to Tishomingo County. At the invitation of the Tishomingo County Christian Athletes, this once TV star, turned evangelist, will invade the Crossroads Arena on Monday, September 30 at 6:30 p.m. with energetic music, entertaining presentations, and the radiating message of the gospel of Jesus Christ. Youth and youth-leaders are invited to experience Jesus with Jason and his band. You won't want to miss

the United States and the World proclaiming the message of Christ through dynamic preaching and singing. He continues acting in Christian film, and had the starring role in the Trinity Broadcasting Network movie "The Portrait".

An X-treme sports enthusiast, Kerr has taken the X-treme name for his ministry. Likewise, recognizing societies naming of the current generation of youth as the X generation, Jason has identified this group of young people as the "Christ-generation". He points out that X is a symbol which stands for Christ.

In addition to his appearance at the Arena on Monday, Kerr will be in the area for two weeks ministering in various settings. He will speak to school assemblies and church youth groups. He will preach at Gaines Chapel United Methodist Church in Corinth on Sunday September 29 at 10:45 a.m. Jason will speak to the Tishomingo County High School FCA at 7:30 a.m. this Friday, September 27.

Yes, Jason Kerr is coming to town, but more important is the fact that he brings the message that could have a lasting impact on the youth of our area. Don't miss the opportunity on Monday, September 30, 6:30 p.m. at the Crossroads Arena, Corinth, Mississippi.

## Letter To The Editor...

I happened to be out of town from last Wednesday till Sunday evening. I was absolutely shocked when I bought my copy of our paper and found an article about banning books from our library!

I do not know Mr. Ed Gregory and do not care to know him. He is obviously a communist, since he wants to dictate what I can read. I spent 23 years in our U.S. Army and left pieces of me in foreign places to defend our Constitution. That wonderful document guarantees all of us very specific rights.

Article I of our very first ten Amendments guarantees me the freedom of speech. That includes any written material.

I do not appreciate Mr. Gregory having the power to decide what I can read. Our

Library is PUBLIC. It is paid for by our tax dollars. I should be able to go to our library and read any book I wish. I have not read the books Mr. Gregory finds fault with, but if he can have it banned then I cannot read it. Therefore, he is restricting my ability to use my own brain to make up my own mind. I do not appreciate other people thinking for me.

Mr. Gregory, please quit doing my thinking!  
Sincerely,  
Timothy P. Spain

## Tishomingo Chamber Of Commerce Sponsoring 4th Annual Outstanding Citizenship Award

The Tishomingo Chamber of Commerce is sponsoring an Outstanding Citizenship Award. This is the fourth year for this award. The 1999 winner was David Sanders, the 2000 winner was Mrs. Ila Trimm and the 2001 winner was Anne Taylor.

We are looking for another local Tishomingo area resident to honor with this award. If you know of someone who has worked to improve the community or someone who works to meet the need of others, then submit in a nomination. The lucky recipient will be honored with a beautiful plaque and will be the Grand Marshall of the 2002 Tishomingo Christmas Parade.

If you would like to submit a nomination just write a letter

consisting of at least 25 words telling why you wish to nominate this person for this award. It is required that all nominations submitted must be signed by the person submitting it. Deadline for turning in nominations will be Friday, October 4, 2002.

After all the entries are received a list of all the nominated people will be printed in the paper. We will then tell you how to vote for your favorite person.

To submit an entry you can take your letter to First American National Bank in Tishomingo or mail your entry to Debbie Belue, 9 Country Road 31, Dennis, MS 38838. If you have any questions please call 454-9729 or (Matt) 438-7313.

**Snow White To Be Presented At Crossroads Playhouse**  
Many versions of Snow White have been retold for hundreds of years. The brothers Grimm included "Little Snow White" in their first collection of Fairy Tales, and the Disney animated film published this story as among the most popular in modern children's entertainment. On September 26, 27, 28, at 7:30 p.m. and 29th at 2:00 p.m., a new version of this story, dramatized by Kelly, will be performed on stage at the Crossroads Playhouse 1033 Fulton Drive in Corinth. On October 1 & 2, the play will be performed for school groups at 9:00 a.m. and Noon. Kelly's play is a short two-act play that will be performed without intermission. Some of the familiar characters appear, as well as some new ones, and the theme is, of course, the meaning of true beauty. Producers of the production are Ben Wilkinson and Sherri Ward. The production is supported in part by the corporate sponsors: Spice of Life, Ginger's, and Harper Square mall. Corinth Theatre Arts also recognizes the support of the Mississippi Commission and the Corinth Area Tourism Promotion Council. Tickets are \$5/\$7 and reservations are available by contacting the box office at CTA at 287-2995.

## WATERFOWL SEASON DATES SET

Mississippi's first season of ducks, mergansers, and geese will open Nov. 23 and Nov. 24, reopening Nov. 26 and continuing through Dec. 26. The final season begins Nov. 26 and concludes Jan. 26, according to the Department of Wildlife, Fisheries and Parks.

The daily limit of ducks is no more than four mallards (no more than two females), one black duck, two redheads, and two mottled ducks.

The possession limit is the legal daily limit.

Hunters are cautioned that possession limit is not permission to open the day of any season.

The daily bag limit of one duck may be taken from Dec. 26 through Jan. 26.

This year, the season on waterfowl is closed.

"I am very pleased that we have a 60-day waterfowl hunting season for Mississippi," Executive Director Dr. Polles said, "And we are that other states have the opportunity to choose their season framework and bag limits."

Polles encourages anyone who wants to reduce their bag limit to five ducks to do so. He noted that the U.S. Fish Wildlife Service says that a reduction in the bag limit has only a marginal effect on the daily limit is self-achieved by most waterfowl hunters.

Mississippi will again offer special days for youth to hunt waterfowl. The hunting season is Feb. 1, 2. Youth may

hunt all species eligible during the regular waterfowl seasons. The daily bag and possession limits are the same as during the regular waterfowl seasons.

The 70-day season on dark geese is Nov. 23 through Jan. 26. Dark geese are Canada goose, white-fronted goose, and brant. The daily limit is three Canada geese, two white-fronted geese, and one brant.

The 65-day season on light geese is Nov. 23 through Jan. 26. Light geese are snow goose, blue goose, and Ross' goose. The daily limit is 20 light geese.

The conservation order for taking light geese will be in effect from Oct. 1 through Nov. 22, and again from Jan. 27 through Mar. 31.

Waterfowl shooting hours are one-half hour before sunrise to sunset. Some public hunting areas may have more restrictive hours. Check the regulations of the area you plan to hunt before going afield.

Officials remind hunters that non-toxic shot is required for hunting waterfowl in all areas of Mississippi. Shooters may not have lead shot in possession while hunting.

All waterfowl hunters 16 years of age and older are required to purchase state and federal duck stamps, in addition to a valid state hunting license containing HIP certification. Both stamps must be signed in ink across the face before going hunting.

Also, waterfowl hunters must have their shotguns plugged and incapable of holding more than three shells.

## Old Tishomingo Traczs

by Jung Bullard

Back in 1936 during the building of Pickwick Dam, the Works Progress Administration had interviews with local people about the history of the area. Later these stories were put on microfilm. Brenda Whitfield found some of those tapes and was kind enough to let me use them for this column. Following is some of the stories I transcribed from these tapes:

### TREES

At the old Reddin Burt Place there are some cedars and some old mulberry trees. At the Henry Burt place now known as the John Hodge Place was an initial pine tree near the roadside. Many people have carved their initials and the dates in the bark of the friendly old pine tree. Insects infested the body causing it to die some years ago.

In the yard of our late G. P. Hammerly is a row of cedars, and just a few feet nearer the house is a row of water oaks. Just recently the cedars have been cut, on account of their dense shade in the yard. Nothing has been done to preserve these trees, anymore than keeping them from being broken, when they were young and tender. They are on an average of 54 inches around and about 50 feet high. On the east side of the home stands a catalpa, the largest one of those trees, it has about the same height but is 75 inches through. It grew from a small twig found near the stair of an old frame building owned by Mr. Hammerly. Three trees are about 62 years old according to his daughter, Mrs. Laura Hammerly Copeland. The George P. Hammerly home was built in 1852.

### CIVIL WAR SOLDIERS

Theodore Francis Gross was born in W. Virginia. He left his home and enlisted in the Civil War in April 1861. He was in Co. A. He was never discharged from his command and was not in active service at the surrender in 1865.

Mr. Gross was captured and kept in prison up north for some time. When he was let out of prison, he stayed in the north for awhile and then started for home. He stopped at the place where Sheffield now is and worked some. There at that place he made a boat and drifted down the river to Tishomingo County. He settled in the county and spent the remaining part of his life here. In the latter part of his life, he talked of going to see his people but never did. Ref. His widow Mrs. Fannie Gross, Burnsville, MS.

Mr. Thomas Blakney voluntarily enlisted in the Civil War September 24, 1862. He was hospital steward and made many trips to New Orleans, LA after medicine. He served for three years and was given a discharge at the headquarters at Fort Gaines, AL June 14, 1865. Henry Clark was his regiment commander. Ref. Mrs. Edna Gross Blakney, Burnsville, MS April 29, 1936.

Mr. Joe Ford of Burnsville enlisted in 1863. He was in the Federal Army in Co. A. He guarded soldiers.

### OLD HOMES

The house known as The Old Ford House, located northwest of Burnsville was built three or four years before the Civil War for Jerry Burns. Burnsville was named for him. There are six rooms, two large 20' rooms, kitchen, dining room, small bedroom, pantry and a large closet hall. The rooms are sealed with wide, hand-planed lumber and painted. The two chimneys are built in with large closets on either side of the large fireplaces, about 1/4 of the land north of the railroad belonged with that place when it was first built.

Many others have owned the place since Mr. Burns. Dr. and Mrs. A. F. Whitehurst lived there just after they married. Mr. and Mrs. Jim White lived there. Mrs. White was in bad

cut her throat. She lived only a few days.

Whit Bryant lived there for a short time, then Mr. Clement bought it. Mr. Jack Ford bought it from Mr. Clement for \$600 in 1904. His son Paul Ford bought it after his father's death. Then George Gardner, a Baptist preacher, bought it. After that Jim Ford bought it and still owns the house, orchard, pasture and garden. All the other land that belonged to the original tract when Jerry Burns bought it, has been sold to different people. Ref.: Mrs. Jim Ford and Austin Ford,

Burnsville, MS.

(If anyone has stories of the past or genealogies they would like to appear in his column, please contact: Jung Bullard at the Iuka Library, 662-423-1971 or 204 N. Main, Iuka, MS 38852 or e-mail: tchgslibrary@nadata.net on Monday, Tuesday or Wednesday).

# Favorites from previous fairs make return -- bigger and better

**By Amy Sims**  
Staff Writer

While there are plenty new reasons to visit the 2002 Tri-State Fair Sept. 27-Oct. 5 in Corinth, favorites from the past year or two are returning better than ever!

• In its third consecutive year with the fair, United Shows of America will open its midway at 5 p.m. each weekday and at 2 p.m. on both Saturdays and Sundays of the fair.

Such rides as the giant fer-

ris wheel and the grand carousel will be among the over 50 rides and concessions, and a free children's magic show will be performed twice nightly on the midway.

While general admission is \$5 per person nightly, many specials will be offered throughout the fair.

Both Fridays will offer Midnight Madness prices from 9:30 p.m.-12:30 a.m., with the purchase of \$15 arm bands allowing unlimited

access to rides. Sept. 30 is Dollar Night/Church Night, when both admission and individual rides will cost \$1.

Two For One Night/Student Night on Oct. 1 will admit two people for the price of one and allow two rides for the price of one.

All visitors 50-years-old and older will be admitted free of charge during the second annual Seniors Day from 10 a.m.-2 p.m. Oct. 2, when more exhibits and health

screenings will be offered than in 2001 along the arena concourse. Mornin' host Kay Bain is expected to serve as mistress of ceremonies, and the Mississippi Homemaker Volunteers will present microwave cooking demonstrations beginning at 10:45 a.m.

Oct. 3 is Coca-Cola Night/Corporate Night, when \$5 will be subtracted from the \$15 ride arm bands, but coupons are required.

Kids Day offers free

admission and \$15 arm bands to youth 18-years-old and younger from 1-6 p.m. Oct. 4.

Purchase of tickets to the Great American Wild West Show and both the Percy Sledge and Brian O'Neal concerts includes fair admission on the night of the show only.

• In its second year since returning after an over 40-year absence, livestock showing and judging will begin at 9 a.m. Sept. 28 for

# Fair music lineup features diverse mix

**By Amy Sims**  
*Staff Writer*

A diverse mix of music entertainment is slated for the 2002 Tri-State Fair.

Headlining the event is a 29-year-old country music legend in the making, according to Reggie Churchwell, Crossroads Arena general manager.

Kentucky native Brian O'Neal has been compared to such stars as Hank Williams Sr., Merle Haggard, Bob Wills and George Strait, and the young singer lists his musical influences as Williams, Wills, Strait, Keith Whitley and The Everly Brothers.

O'Neal's style fuses traditional and contemporary country sounds, and he has worked with such entertainers as Strait, The Everly Brothers, Tim McGraw and the Dixie Chicks.

Local radio will be playing O'Neal's music as the Sept. 27-Oct. 5 fair approaches.

O'Neal's performance with his bgreat band is scheduled for 7 p.m.

Oct. 5 inside the arena as part of the Hot Country & Cold Cash show that will conclude with a drawing for 20 one hundred-dollar bills that will be given away to lucky audience members who are present with the winning ticket stubs.

Tickets are \$10 each and include fair admission the night of the concert.

Speaking of legends, a rhythm & blues master and Leighton, Ala., native is scheduled to headline Soul Night at the fair on Oct. 3.

Percy Sledge, who is probably best known for his 1966 hit "When a Man Loves a Woman," will take the arena stage at around 8 p.m., following a performance by Tina Turner impersonator Dorothy Cole at 7 p.m.

Cole, a native of Chattanooga, Tenn., pays tribute to Turner with wardrobe, music and dance, but her music repertoire also includes covers of songs by such artists as Aretha Franklin, The

Exhibits on fly fishing and chainsaw art will be displayed on the fairgrounds Sept. 28. Demonstrations on how to tie and cast a fly will begin at 2 p.m. Local artist Bo Hancock will share his secrets to creating art with only wood, a chainsaw and paint at 4 p.m. The fairgrounds free stage, established in 2002 to encourage participation by area talent, will first host a celebration of bluegrass music on Sept. 28.

Gospel music is scheduled for 2-4 p.m., followed by a Kids Showcase of such skills as martial arts, gymnastics and dancing from 4-6 p.m. Sept. 29.

Youth members from area chapters of the Fellowship of Christian Athletes will gather inside the arena at 6:30 p.m. Sept. 30 for a rally featuring guest speakers and entertainment.

The Hot Country & Cold Cash show set to close the fair at 7 p.m. Oct. 5 will feature a concert by Brian O'Neal - a country music singer many describe as the next George Strait - followed by drawings for 20 one hundred dollar bills, all inside the arena. The purchase of a \$10 ticket to the O'Neal concert is automatic qualification for drawings, but winners must be present with the ticket stub to claim the money.

300 CHILDS STREET • P.O. BOX 669 • CORINTH, MISSISSIPPI 38835-0669

Dear visitors,

Welcome to one of the most friendly southern towns you'll find in America--Corinth, Mississippi.

The Crossroads City is one of the best kept secrets of the south. Now, with efforts to promote tourism, we are sharing our secret with others.

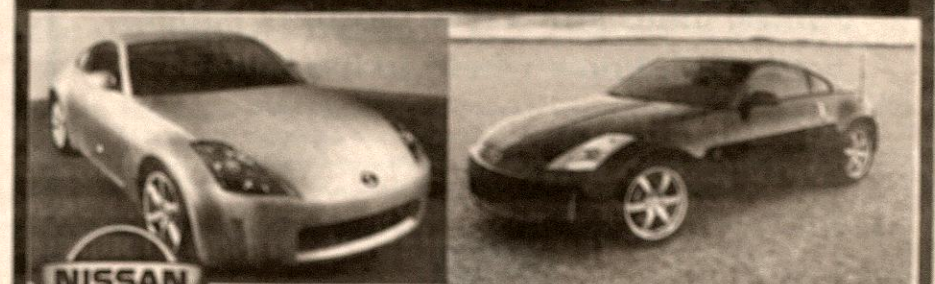

You'll find our city a unique treasure, bursting with retail activity, full of things to experience and etched in the annals of Civil War history. You can sip a fountain soda at a downtown drug store, find out about our famous slugburgers, see some beautiful antebellum homes or explore Indian artifacts in an interesting museum.

Who would have thought that 138 years after Confederate and Union forces first fought over our railroads, we are the most talked about community in the state due to our efforts to promote what we have to offer?

Here's hoping your visit with us will be enjoyable and may your sample of Corinth be memorable.

By Amy Sims

The American Wild West will come alive Sept. 27-28 at 2002 Tri-State Fair.

Corinth will be the smallest populated city to ever host the Great American Wild West Show, that has played to audiences in such big cities as Las Vegas, Nev., Denver, Colo., Dallas, Texas, and Long

Island, N.Y. over the past seven years. The epic production started as an exhibition at the Houston Livestock Show in Texas during the mid-1980s.

"There's no other show like this out there anywhere. It's sort of a rebirth of the famous 'Buffalo Bill' Wild West shows of the 1800s,"

## Wild West...

From Page 7

explained Don Endsley, show producer and master of ceremonies.

Performers in the show are regulars on the Starz/Encore Westerns channel and in American Cowboy magazine, and representatives of American Profile magazine will be covering the Wild West show during its stop in Corinth.

Such legendary figures as William "Buffalo Bill" Cody, Annie Oakley, Wyatt Earp, "Doc" Holliday and the Lone Ranger are depicted.

Max Reynolds, who portrays Cody and many other characters, is a seasoned rider, roper and shooter who will be displaying fancy tricks.

Endsley insists that interest for this unique American history lesson set to dramatic lights and sound could attract tourists from as far as 5-6 states away.

The challenging role of Oakley will be tackled with full force each night by USA Champion Lady Gun Spinner Paula Saletnik. Known as "Pistol Packin' Paula" among her Wild West peers, Saletnik learned the gun and bullwhip tricks of the trade on her own, but stunt school provided the instruction she needed to break into Hollywood.

Another featured act is J. W. Stoker, a world champion trick roper, who was named to the National Cowboy Hall of Fame & Western Heritage Center in 1999.

Endsley emphasizes that his show honors American Indians rather than revisiting the mock "cowboys vs. Indians" battles featured in the original "Buffalo Bill" shows.

A Wild West parade will travel from historic downtown Corinth to the Crossroads Arena, beginning at 4:30 p.m. Sept. 27. Expected participants are a majority of the show's performers - with the exception of the longhorns. Mayor Jerry Latch and Mornin' host Kay Bain will be escorted in the stagecoach, and additional elected officials, the 2001 Fairest of the Fair winner, local riding groups, area cheerleaders and marching bands are invited.

Upon arriving at the arena, a performer is scheduled to open the fair by cutting the ceremonial ribbon with the snap of a bullwhip.

Performers are also scheduled to perform at area schools in the days prior to the fair.

The first 300 youth admitted to the show on Sept. 27 will receive free Wild West show bandanas, while show posters will be distributed Sept. 28.

Tickets are \$15 for adults and \$7.50 for ages 4-11, and youth ages three and younger will be admitted free of charge. Free admission to the fair will be granted on the night of the performance attended.

Showtime is 7:30 p.m. each night. (For more information, call the arena at 287-7779.)

## Junior Livestock Show set to be largest ever

By Amy Sims

Staff Writer

Due to registration being opened to Tennessee and Alabama in 2002, the Tri-State Fair Junior Livestock Show is poised to be one of the largest ever held in Alcorn County.

Beef and dairy cattle competition was limited to Mississippi contestants in 2001. An estimated 85-head of cattle were shown and judged, some even traveling from three hours away.

"We're looking for a good show," said Patrick Poindexter, Mississippi State University Extension Service county director.

The competition is open to 4-H Club and Future Farmers of America members ages 8-18, but the age of the person showing cattle does not determine classification. Any age may show either beef or dairy cattle.

Competitors are instead grouped according to the age of the animal.

Lowell Hinton, MSU Extension Service extension program assistant, explained that registered and commercial cattle will again compete separately.

The entry fee is \$10 per animal.

Registered cattle are generally more expensive and younger, ranging from three-months-old to two-years-old, while commercial cattle are less expensive and weigh anywhere from 400 pounds or larger, up to age two.

Hinton revealed that the age of a cow is determined by counting its teeth.

The Junior Beef Show will begin at 9 a.m. Sept. 28, followed by the Junior Dairy Show at 9 a.m. Oct. 5 in the Crossroads Arena barn.

Local volunteers and business people make up the Livestock Planning Committee responsible for organizing the 2002 show, and local high school shop students at the Alcorn County Vocational Center constructed a portable show ring that will be used at the Arena barn during the fair.

Contestants are to register cattle between 1-6 p.m. on the Friday prior to each show. Animals will then be released from judging at 5 p.m. the day of each show.

According to Hinton, the deadline has passed to mail in forms that guarantee registration.
