### Fall Hay Ride

Nothing could be better for these youngsters than a real fall hayride on a "real hay" tractor. Bubba and Niesha Carpenter had a lot of fun setting up this fall harvest scene in their yard complete with the "real hay" tractor. The Carpenter's wanted to make the month of October with "fall harvest" festivals and Halloween even more fun for kids. Drive by to see the Carpenter's lighted display close to Burnsville City Hall and Fire Department. The youngsters enjoying fall play time at the "John Deere" tractor include: (Back) Dustin Bain, son of Wayne and Donna Bain; and Seth Walker, son of Kevan Walker and Tina Walker; (Middle) Ryan McMillan, son of Pam and Rodger McMillan; and Connor Bonds, son of Bradley and Cindy Bonds; and (Front) Caroline Bonds, daughter of Bradley and Cindy Bonds; Billy Johnson, son of Brian and Robin Johnson; Albanie Marlin, daughter of Scott and Ciji Marlin; and Noah Carpenter, son of Bubba and Niesha Carpenter.

### A Plan to Bring Broadband Internet To Tishomingo County Begins

Dr. Kelly Segars, Iuka Mayor Jackie Bryant, Burnsville Mayor Bobby Harold Johnson, Belmont Mayor Bob Yarber, Miltec Plant Manager Jerry Wilemon, TCEPA Manager Robert Grisham and other representatives from Tishomingo County Electric Power Association, and Gary Matthews from the Tishomingo County Community Development Association, along with several other interested Tishomingo County businessmen and development officials met last Wednesday, October 6, with USDA Rural Development State Director, Nick Walters, and USDA Rural Utility Service field representative, Bill Vogt, to explore the possibility of bringing expanded broadband Internet to Tishomingo County through the electric power cooperative.

To keep up with ever-changing global economy, any business or organization needs access to expanded Broadband Internet according to these representatives. Currently, Iuka/Tishomingo County's cable television does offer a cable Internet service, but this service isn't available where there is no cable service.

In the past, USDA has offered loans in some Northeast Mississippi Counties including Alcorn and Prentiss, but not Tishomingo County; and these officials wanted to explore the process needed to apply for such loans.

After reading in a Memphis newspaper last spring that USDA had granted loans to several Northeast Mississippi counties, but not Tishomingo County, Segars began inquiring about the availability of loans for Tishomingo County. Dr. Segars put this project on his list of priorities, and Wednesday's meeting was a direct result of his inquiries.

Vogt and Walters, from the Rural Development and Utility Services, discussed the many possibilities with the group. Walters said that the first thing that had to be done was to determine whether this was an

idea worth exploring, and Vogt explained how funding might be sought. "A firm decision would have to be made before going forward and putting an application together for a loan," according to Walters. Funding possibilities might be secured so that TCEPA could provide these services.

Robert Grisham said that the power association will research Mississippi legislation that governs power cooperatives and will also look at demand for the services, and these ideas will be presented to the association's board of directors at the next board's meeting for consideration.

Gary Matthews, executive director of the Tishomingo County Development Association said, "High speed Internet access today is sought by many industrial prospects; and, as mentioned by someone at the meeting, that Internet access is probably in the same category in terms of succeeding in the new global economy as adding a rail line to a city was in the 19th century."

Broadband Internet access would be a positive option for both business and industrial development in Tishomingo County.

I, Bob Russell, resident of 4th District, in Tishomingo County would like to announce my candidacy for Election Commissioner of the 4th District. I feel qualified for the position as I have served on the Democratic Election Committee before, honestly and fairly.

Most of you know me from my 41 years of service with the Tishomingo County Electric Power Association but I also worked for TVA as well as being a former member of the International Brotherhood of Electrical Workers. I served as a Tombigbee River Valley Water Management District Board of Directors, responsible for getting the Tenn. Tom. Wa-

ter Way. Also, I served on the Prime Sponsor Manpower Planning Council. I have been a Shriner for more than 30 years. I have been married for 50 years to the former Carol Jean Griffin.

If elected as your 4th district election commissioner, I will perform all duties in accordance with the laws of the state of Mississippi and will work with all parties to the best of my ability. I will be working for you, the voters of Tishomingo County. I appreciated and enjoyed serving you the voters before and will be very thankful for your vote in November's election to serve you again.

### Steve McGee Announces Candidacy For 2nd District School Board Representative

I would like to announce that I am seeking the position of 2nd District School Board Representative. The School Board member position is very important because it is my desire to ensure the youth receive all they deserve, whether it be academic or athletic.

My wife, Vicki and I have been married for twenty-five years and we have two children. Seth, a 2000 graduate of Tishomingo County High School, who is currently employed at Hancock Fabrics, Inc. in Baldwin, MS. Our daughter, Katelynn, is in the 7th grade at Burnsville Middle School. My family and I are members of Shady Grove Baptist Church in Cairo, MS. I am a life-long resident of Tishomingo County, 2nd District.

We are very fortunate to have two great schools in the 2nd District, Burnsville Elementary/Middle School and Tishomingo County High School. ## INSIGHT INTO EYESIGHT

**Dr. Phillip Gray**  
**OPTOMETRIST**

### Vision Screening Not Enough

A child's ability to see and to use vision skills effectively can relate to his or her classroom performance. In spite of this, there are many children who fall behind in school because of undetected vision problems.

Many schools conduct valuable preventive vision screening programs. However, these screenings should not be confused with a thorough vision examination by a doctor of optometry.

The typical school eye chart is designed to be seen at 20 feet and measures how well or poorly the child sees at that distance. Problems with near vision, eye coordination and focusing ability are among the many problems that will probably not be discovered in this test.

The observant parent or teacher is in an excellent position to pick up any symptoms of vision problems in a young child. If these exist, a thorough eye examination may be in order.

## A Million Americans Suffer From Burning Mouth Syndrome

You wake up in the morning feeling fine. Then suddenly, out of nowhere, even before you had a cup of coffee or brushed your teeth, a scalding sensation hits the tip and maybe the sides of your tongue and the roof of your mouth. It may or may not be accompanied by dryness of the mouth, and it may or may not involve a bitter or metallic taste, a loss of taste perception, a burning sensation may stay day...or it may come and go. Though it may disappear during meals, it otherwise seems to be a schedule of its own. Some are worse than others...and some are symptom-free.

You're not alone with the chronic symptoms. A million more Americans - at least 10 percent of the population, many women - suffer from burning mouth syndrome, according to Andres Pinto, assistant professor of medicine at the University of Pennsylvania School of Medicine in Philadelphia. He is a symptoms your dentist should be alerted to. He or she can help with diagnosis and treatment.

First, the dentist makes sure that there is no physical abnormality in the mouth, teeth, gums - no ill-fitting dentures, crowns, fungal infection, infection in the nerve ganglia, lead to the mouth - that is causing the burning sensation. Likewise conditions such as anemia, reflux and uncontrolled diabetes should be ruled out.

That leaves you with syndrome, meaning the cause, causes of this malaise are unknown. Many researchers are investigating BMS believe may be connected with anxiety, stress, or depression. In addition, since a large number of postmenopausal women suffer from BMS (40 percent of all the seeking medical relief for menopause symptoms, according to one study), there is considerable speculation that this condition is hormonally related. But just complicate things, a growing number of women in their 20s and 30s have lately been experiencing this condition too - which, for Pinto, underlines the connection.

## Legal Update

by **Ronald D. Michael**  
Attorney at Law

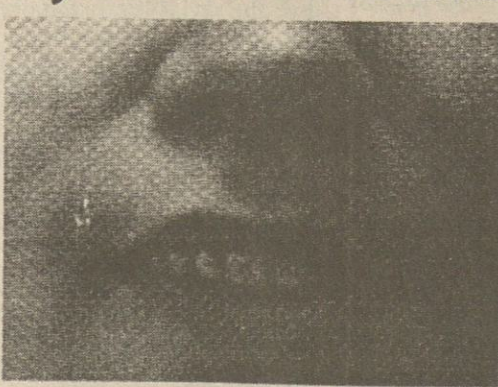

**IN SUMMARY**  
A Motion for Summary Judgment, which may be filed by either party, is usually filed after the defendant has answered the plaintiff's complaint. The aim of this important motion is to resolve the case before any arguments are actually made in the courtroom. Motions for Summary Judgment ask the judge to read over the pleadings (complaint, answer, counter-claim, etc.) and make a decision that is based strictly on the pleadings. The judge must then decide whether the pleadings contain sufficient information to warrant a determination. If there is, the judge decides immediately who wins the case. Often, the judge requires more information to make this determination and, therefore, denies the motion and set the case for trial.

At our practice, we represent people in a variety of legal matters, claims, disputes and proceedings. Not only are we experienced and accessible, we are highly efficient in the delivery of quality legal services. To discuss your legal matter contact our office for a consultation.

**HINT:** A defendant will typically file a Motion to Dismiss, claiming that the plaintiff's complaint is not written correctly, and, as such, the case should be thrown out.

### Who Will Stand For This Man?

May 28, 2004, my brother James Prewitt, Jr. was traveling Hwy. 72 East on his way home. Crossing the Waterway Bridge, his life ended. Why?

A man from another state following Jr. said he was in the outside lane obeying the law. Yes, he was wearing his seat belt. If Jr. was obeying the law, who wasn't?

Accidents happen, but they happen in a second - no time to make a decision. The eyewitness stated a red mustang came across the media inside lane hitting Jr. in his lane so fast he didn't have time to hit his brakes, he had no chance but be knocked down an embankment to his death. The man from out of state walked in the rain with the trooper measuring the footage. The car left the road, went straight 660 feet, when approaching the guard rail there was sign where he spun throwing him across the media.

James went early to the polls to cast his vote. He chose a person he believed would be fair, honest and do justice for all. He would stand beside this person if he had to stand alone. He couldn't be bought or swayed. Who is standing for him? Some of you politicians out there that he drove miles and miles for know I'm telling the truth.

He wanted justice for all. I can't believe our law enforcement or state hasn't done anything about a man being killed. Running a stop sign is a misdemeanor. What is murder? In some states you kill a person on his side of the road, it's automatically "death with a motor vehicle." What is it in Mississippi? Nothing? Martha Stewart went to prison for telling a lie on herself. A man was killed here.

James was not only a good family man, he loved everybody. He'd help a stranger as quick as family. Several months have passed, nothing has been done. I see the driver of the other car acting as nothing ever happened. The Prewitt family is still hurting. Jr., we love you, miss you and we always will. There's an emptiness in our hearts that will never be refilled.

### Lester "Bubba" Carpenter Is New Burnsville Alderman

Tishomingo County Circuit Clerk Donna Henry Dill is shown administering the Oath of Office to newly elected Burnsville Alderman, Lester "Bubba" Carpenter, last week at the Tishomingo County Courthouse. Carpenter said that he has already attended his first meeting, which was very informative, and that he is looking forward to working with all the residents of the City of Burnsville.

Mrs. Cathy Eaton, Belmont Gifted Teacher, is shown with Delta Kappa Gamma Upsilon Chapter's Tishomingo County Red Rose Committee Chairperson, Mrs. Teresa Lomenick.

### Mrs. Cathy Eaton Selected as Delta Kappa Gamma Upsilon Chapter Red Rose Teacher

Mrs. Cathy Eaton, a teacher of gifted students at Belmont Elementary and Middle Schools, was selected as the Upsilon Chapter Red Rose Teacher this year in Tishomingo County. This honor is reserved for teachers who go "above and beyond the call of duty" in their profession.

Mrs. Eaton is a teacher who is totally devoted to her students and her profession. Gifted teachers have a curriculum, but they do not have a specific text or workbooks. Cathy researches and creates lessons that adhere to the curriculum while totally absorbing her students in their lessons. She is a teacher who can get her students "hooked" on learning. In fact, they think they are doing something unrelated to

school. She, herself, becomes absorbed in the learning along with the students, which sets a wonderful example for her class. Cathy loves to see her students succeed. She is also quick to give credit to her students. In a project on Greece, her students wrote their own myths and created pop-up books to illustrate them. The pop-up books were displayed at Books-A-Million. Her students also created "mouse houses," miniature architectural designs and models of houses and other buildings as a class project. These were on display at the Guntree Museum in Tupelo, and they were also featured in the Tishomingo County News as well as other newspapers. An article with photos of this project appeared in the appears. Cathy is a member of the

Mississippi Association of Gifted children and has been a presenter at the annual Mississippi State Conference.

Mrs. Eaton earned her degree from Northeastern Illinois University. She taught second grade for five years and has taught gifted students for the past nine years. Cathy is married to Roy Eaton, and they have two grown sons. She has one granddaughter, Naomi, who according to Granny is the smartest, prettiest, and most gifted granddaughter ever, not to mention the light of her Grammy's life.

## KERRY ACHIEVES SOMETHING UNIQUE IN HISTORY

Democratic presidential candidate John Kerry has achieved something that may be unique in the history of our country. He has managed to oppose two wars while they are being fought, undermine the objective of the nation and give aid and comfort to those who are killing American soldiers and kidnapping American civilians.

He slandered his fellow soldiers, calling them indiscriminate killers and comparing them to Genghis Kahn.

Returning prisoners of war said their North Vietnamese captors played excerpts from Kerry's congressional testimony in an attempt to break their morale and convince the POW's their country had abandoned them.

Kerry criticized the president for "colossal failures of judgement - and judgement is what we look for in a president. So is decisiveness, and Kerry fails on both counts. There is nothing in his Senate record, in his pronouncements during this campaign, or in much of his life story that gives voters confidence that this is a man with strong principles whose judgement and vision can be trusted. Instead, Kerry's life has been one of self-promotion and self-indulgence.

The objective should be victory. It was a word absent from Kerry's speech, because it is a concept foreign to a man who has demonstrated his preference - first with Vietnam and now with Iraq - to help America's enemies in times of crisis far more than helping his own country.

## Lady Braves Play In Elite Eight

The TCHS Lady Braves were forced to "wait out a rain delay" on Tuesday, October 12, in their quest for one of the North-Half State Softball play-off spots. However, the games were rescheduled for Wednesday in Yazoo City.

In playoff action, the state of Mississippi stood divided, North against South. No, it was not a war; but it was the battle of the best in Mississippi High School Softball.

The Tishomingo County Lady Braves are currently one of the eight remaining "Northern" teams competing for the title of North-Half Champions and continuing the quest for their first state championship.

The Lady Braves, led by Coaches Jerry Long and Charlotte Southward, along with As-

sistant Scotty James, advanced to the second round of District I-4A last Thursday by defeating the Clarksdale Lady Wildcats. The Lady Braves were victorious, shutting down the Wildcats in back-to-back games, 6-2 in the first game and 7-0 in the second game.

In Game 1, Addy Brown and Ashley Inlow led the attack with multiple hits. The Lady Braves out-hit the Wildcats 11-5, with RBI's from Kelly Rone and Senior Inlow.

In Game 2, the Wildcats bounced back answering the 7

Lady Braves' hits with 7 of their own; however, the defense was errorless shutting down Clarksdale 7-0. Addy Brown contributed a 3-RBI homerun and Brittany Bell added her own 2-RBI HR. Additional hits by Devin

Reader and Samantha Mann kept the Lady Braves' momentum strong. With these wins the Lady Braves post a 25-5 season.

The Ladies advanced to Round 2, traveling to Yazoo City to take on the #1 team in District 3-4A play.

The Lady Braves would like to thank the businesses that help sponsor the broadcast of their games on FUN 91 Radio (if you can't be there; it's the next best thing with a play-by-play by Tim Bell) and to *The Tishomingo County News* for their support of the school and Lady Braves Softball.

*Desire sees the invisible, feels the intangible and achieves the impossible.*

**GO LADY BRAVES!!!!**

*A special thank you also goes to the Mom(s) who help the News with special writeups on these Lady Braves!!!*

## TCHS Smoke Signals by Callie Daniel

"You can be anything you want to be." As a child I, along with many others, were told that our dreams were at our fingertips. All we had to do was take hold of our desires for life and achieve what we set out to accomplish. We all had that childhood fantasy of being a ballerina, baseball player, or the next big star in Hollywood. Most don't stick with those dreams. They fade away and are now as outdated at our Barbie-dolls and training

wheels. Our dreams don't fade all together, they just change. They change from ballerina to elementary school teacher; baseball player to engineer; the next big star to heart surgeon. We still can accomplish what we set out to do, we just have to ignite the will-power to accomplish that goal.

It is one thing to have dreams and another all together to throw away those dreams for someone or something. Make sure the people who have the biggest influence on you don't exert a negative influence. Relationships such as friends, boyfriends and girlfriends, and even family can have an influence that could make you compromise your dreams. That dream was put inside you for your purpose in life. Desire to achieve your purpose in life no matter who holds you back. Friends, boyfriends, girlfriends, or family aren't truly helping if they don't want what is best for you.

You only have one life. Accomplish your dreams in life before your life passes you by.

The TCHS Slow Pitch Softball team has done it again!

They completed the regular season as Co-Champions with Amory and advanced to the playoffs. The first round the girls swept Clarksdale on October 7<sup>th</sup> and now they are set to play Yazoo City in the second round. Congratulations

## CHEROKEE INDIANS By Shelby Lee Waddell

Tanner got big win over Indians final score Cherokee: 7 Tanner: 56 The only score by Cherokee came from an 8-yard pass to Junior Long and Robby

Dobbs got the P.A.T Cherokee seemed to improve last week against Red Bay, but they let the Rattlers run over them. Tanner had 386 yards Cherokee had 181 yards. Next week Cherokee will have a better chance against Clements (Athens, AL). Clements has only won one game. After that

game Cherokee will have three other games to look forward to. The next game will be in county rival Colbert Heights which they beat last year 60-50 at Colbert Heights. After that

Cherokee will play Meigs (Arley, AL) at home for homecoming and Phil Campbell will be played as the last game. Maybe the next three games will be wins. Next game Cherokee at Clements. Projected scores Cherokee: 17 Clements 16.

### Ashley Britten Selected to Attend State's Magnet High School

awarded the privilege to attend the school.

"MSMS challenges me to strive for academic excellence, teaches me how to better interact with teachers and student in a residential environment and allows me to demonstrate my independence, self discipline and time management. I enjoy living with students from other cultures and backgrounds and from different areas of the state," Ashley said.

Established in 1987, MSMS is the nation's fourth state, public, residential high school for gifted and academically able eleventh and twelfth grade students. Funded by legislative appropriation, there are no charges for room, board, or tuition. Almost 1,300 graduates to date are attending many of the finest universities, colleges, and graduate and professional

schools in America and many have already assumed leadership roles in their chosen careers.

The school's curriculum is innovative and rigorous. While

meeting the legislative mandate to emphasize the mathematics and sciences, there are also many opportunities for exploration of computer science, Literature, social sciences, music and the arts. With programs directed at development of body, mind and spirit, MSMS is a community of scholars, where students actively engage in stimulating philosophical discussions, challenging academic programs, independent research projects, community service and invigorating wellness and sporting activities.

Outreach events are scheduled in communities around the state for parents and students to learn more about MSMS, with one held recently in Iuka. ## Funeral Services Held For Mrs. Urah Riley, 100

Urah Irene Riley, age 100, died Friday, October 8, 2004, at her home in the Oldham Community near Iuka.

Born March 30, 1904, she was one of 13 children born to James Emsley Deaton and Mary Etta Robinson Deaton of the Mt. Gilead Community.

In 1921 she married J. W. Riley and began her long life of being a loving wife and mother.

At a young age, she became a railroad wife, as Mr. Riley's job with Southern Railroad took the couple and their children up and down the Southern Railroad line between Stevenson, Ala. and Rossville, Tenn. They finally settled permanently in the Oldham Community right beside the tracks. Mrs. Riley loved watching the trains as they passed by each day and the engineers looked forward to seeing her as she worked in her beautiful yard. Not only her husband but her son, Brad, were railroad men. Mrs. Riley said the sound of the trains was "music to her ear."

She was an avid gardener and tended her yard until age 94 when her doctor told her she could no longer haul wood's dirt in the wheelbarrow.

Some of her beautiful flowers came from her children as gifts, from friends, and from her travels. While living in the town of LaGrange, Tenn. Mrs. Riley had discovered buttercups growing in profusion. She filled a shoebox with one of each of the different bulbs and sent them to her mother with instructions to save them for her and then if she ever had a permanent home she would plant them in her yard. Today, in the Spring, thousands of buttercups can be seen in and around the yard, up and down the railroad and in neighborhood yards.

In the winter time, when gardening was slow, Mrs. Riley enjoyed making quilts, crocheting and cooking - especially cooking. Anyone visiting had to eat at her bountiful table - she insisted. If you were lucky, you got egg custard, or fried pies, or maybe a butter-roll.

She also enjoyed fishing, almost as much as yardwork, but had to give that up in the later years. During these quiet years, she enjoyed working puzzles, watching the birds outside her window, and beating anyone who came her way in dominoes.

She was a woman of great faith who spent many hours studying her Bible. She was a member of Unity Baptist Church and had taught generations of children in Sunday School and Bible School and was known as "Mama Riley" to the young folks she touched with her Bible teachings.

Mrs. Riley lived a long life filled with many happy hours. Her warm smile welcomed everyone to her home and her door was always open to anyone who needed a "Mama." Her beautiful yard was always filled with the laughter of children. The big swing, the "playhouse", and the passing trains will long be memories for those who were fortunate enough to get an occasional

Urah Deaton Riley

visit to the Riley home.

She witnessed many events in her long life. She was born when Theodore Roosevelt was president, and lived under the administrations of Henry Taft, Woodrow Wilson,

Warren G. Harding, Calvin Coolidge, Herbert Hoover, Franklin Roosevelt, Harry Truman, Dwight Eisenhower, John Kennedy, Lyndon Johnson, Richard Nixon, Gerald Ford, Jimmy Carter, Ronald Reagan, George W. Bush, Bill Clinton, and George W. Bush. She was looking forward to November's presidential election.

"Mama" Riley's greatest love in life was her family. She is survived by three daughters, Lila Ham and Willard Daugherty, both of Iuka, and Paula Methvin and her husband, George, of Memphis; three sisters, Delilla Miller of Owens Crossroads, AL, Jewel Armstrong of Tempe, AZ, and Rubene Skinner of Iuka; nine grandchildren, Cheryl Siler, Denise Voyles, Regina Benedict, Elaine Spears, Alan Riley, Stacie Spurlin, René Methvin, George Methvin, Jr., and Jon Riley; nine great-grandchildren, Amy Barnes, Jasen Burns, Claire Devine, Clinton Richardson, Jesse Spears, Ashley Riley, Brianna Collins, Jim Riley and Kalie Spurlin; and six great-great-grandchildren, Lotus Lee, Josh and Katie Burns, Jared and Shelby Barnes, and John Avery Devine.

Funeral services were held on Sunday, October 10 at 3:00 p.m. at the Cutshall Funeral Home Chapel in Iuka. Bro. C. I. Puckett officiated with burial in Oak Grove Cemetery.

Pallbearers were Mike Richardson, Clinton Richardson, Jon Riley, Jerry Siler, Donald Deaton and George Methvin, Jr. Honorary pallbearers were Steve Voyles, Alan Riley, Jasen Burns, George Methvin, Sr., Kevin Benedict, and Wesley Strickland.

Memorials may be made to Unity Baptist Church.

## September DAR Meeting

A historical and educational meeting was held on September 12, 2004, of the Chief Tishomingo Chapter Daughters of the American Revolution at the Iuka Library. Mrs. Freeda Sanderson, Regent, called the meeting to order at two o'clock.

The scripture and prayer were led by Mrs. Vicky Durham. Mrs. Cindy Nelson led the Pledge of Allegiance. The American's Creed was read by Mrs. Durham. The Preamble was read by Mrs. Eugenia Powers. Mrs. Sanderson welcomed and thanked the guests and members for attending. The Regent read the President General's message. The National Defense report and the minutes of the April meeting were read by Mrs. Jeanie McKee. The minutes were approved as read.

Mrs. Mildred Hill, Chairman of Constitution Week Activities, introduced Mrs. Tara Castile and her students. The chorus group, 7th and 8th grade pupils of Iuka Middle School, sang five patriotic songs. Mrs. Sanderson presented each student with an American flag pin. The program concluded with the traditional ringing of the bells for one minute to celebrate Bells of America. The chapter appreciates the wonderful programs the teachers and children present each year.

Mrs. Durham read an Indian Minute and the Sunshine Report. A Flag Fact was given by

Mrs. Sanderson. The Rosalie Minute was presented by Mrs. Martha Dobbins.

The hostesses, Mrs. Dobbins and Mrs. Sanderson, served an array of snacks and beverages using a patriotic theme for the occasion. The door prize was won by Bailey Bullock.

After enjoying the refreshments and fellowship, the members continued with the remainder of the meeting.

Mrs. Donna Huey reported the balance of the treasury and reminded the members that their dues need to be paid.

Mrs. Sanderson gave her Regent's activity report: 80 flags on veterans graves at two cemeteries for the 4th of July; display of flags in the Iuka Library; 75 American flag stickers to children for the 4th of July; attended departure of the National Guard; genealogy workshop of Sept. 10th and 11th; attended Iuka Battlefield Descendants reunion; four members attended District Three meeting assisting with registration and led the Pledge to the Mississippi Flag.

The chapter received six awards in Jackson at the State Conference. The awards were read by Mrs. Sanderson: 100% participation to the President General's Project Preserving Our Family Tree: Roots From the Past; Linking to the Future; Recognition in reporting VIS 2004; Cindy Nelson recogni-

tion for Web Page Development VIS 2004; Special recognition for members involved in abstracting deeds and wills for 1880-1900, Genealogical Records; Excellence for Outstanding Teacher of American History; Community service award for Mrs. Judy Walker's service.

Mrs. Cindy Nelson is the VIS chairman. She won the NS-DAR Award. Four of the eighty chapters in MS have websites. Thanks to Mrs. Nelson, we are one of the four. She maintains and updates the website she created for the Chief Tishomingo Chapter.

Mrs. Sanderson discussed the three day trip to Kate Duncan Smith DAR School on Oct. 10th -12th to celebrate the 80th anniversary of the founding of the school.

Mrs. Donna Huey is the Chairman of the Magazine Committee. The set goal is five new subscriptions; "Gain 5 in 2005".

Approximately seventy-eight people signed the registry that very rainy afternoon. Prospective new members Mrs. Mary Ledbetter, Mrs. Eunell Handy, Mrs. Betty McKee, Mrs. Ellen Yow and Mrs. Dawn Holly were in attendance. open for our young "Equestrian Riders" (that means horseback) to participate in both daily riding and competition.

This Saturday, October 16th at 2 pm we will be hosting an exhibit on English and Hunter Jumper riding by Miss Jennifer "Jenny" Nichols of Iuka. The clinic will be at the barn of Teresa and Marty McGaughy at Burnsville. The barn is located on what is known as the "Lower Rd" for those of you not familiar with Burnsville you should turn off Hwy 72 S. next to Timbes Tires follow this road to the top of the hill to the 4- way stop turn left follow to the steep curve and take the turn to the left in the curve. The barn will be about 1/2 mile straight down this road on the right (we will try to put up signs). We urge anyone interested in horses to come and be a part of this and all of our clinics.

Our goal with these clinics is to let young people see and gain some hands on experience in all areas of horsemanship. Our next clinic will be with Mr. Trip Lomenick and it will be a round pin demonstration involving work with a young horse. Teaching how to gentle, handle and work with the untrained horse. We are also trying to get a World Class calf roper to demonstrate calf roping and team pinning at a future clinic as

well as Veterinarian and Farrier to show us some additional care topics. Hope to see you there.
