One Vehicle Accident Claims Life of Young Tishomingo County Woman

A passerby traveling on Highway 30 just after 7:00 a.m. on Monday morning, Nov. 29, spotted a vehicle off the road in a deep ravine. When emergency personnel arrived on the scene, they found the body of an Iuka woman missing since Saturday morning.

Kimberly Camille Cunningham, 32, of 1046, CR 992, Iuka, MS, had left home about 10:00 a.m. Saturday morning, Nov. 27, on her way to visit her grandmother in Prentiss County. When Kim did not return home in time to go to work at 3:00 p.m., her family began to search for her. They tried to reach her via her cell phone, and they traveled the roadway to and from her destination several times searching for her.

According to MS Highway Patrol Sgt. H. L. Kitchens, the vehicle was found approximately 300 yards from the Highway 25/30 intersection in a 25-foot deep thickly wooded ravine. The dark-green vehicle was covered with leaves and pine branches.

According to Tishomingo County Coroner, Mack Wilemon, Kim apparently was traveling west when her 2001 Ford truck left the road on the south side and crashed into the deep ravine. The accident could possibly have been caused by hydroplaning. Wilemon said, "Cunningham died instantly from trauma received in the one-vehicle accident."

Kimberly Camille Cunningham

The life of Kimberly Camille Cunningham, 32, of Iuka, was tragically taken in a one-vehicle accident on Saturday, Nov. 27. Kim was born February 25, 1972. She was a 1990 graduate of Iuka High School. She is remembered by her fellow classmates for her love of basketball. She was a talented player on the 1990 team. She also enjoyed participating in school activities. She was also a graduate of EMT Training from Northeast MS Community College. She was presently employed as the Manager of the Dollar General Store in Burnsville. She enjoyed camping, fishing, and listening to her CD Collection and DVD's. She also enjoyed spending time with her godson, Zachary, her family, and her two special dogs. Kim attended Gospel Light-house Pentecostal Church in Tishomingo, MS.

Kim is survived by her mother and stepfather, Retha and Johnny Nunley of Iuka, and her father and step-

Kimberly Cunningham

mother Ronnie and Marilyn Cunningham of Belmont. Her grandparents are Cleo Taylor and the late T. J. Taylor of Iuka and Winna Ree Cunningham and the late Qthol Cunningham of New Site, and Maudie Nunley of Iuka. She is also survived by two stepsisters; Jennifer Collum Cox of Tishomingo, and Lynn Collum of Belmont; and one stepbrother, Tony Collum of Belmont; one godson, Zachary Huff, of Burnsville; and a special uncle Mike Cunningham of New Site, along with a host of other relatives and friends.

Services were conducted by Bro. William Burcham at 1:00 p.m. on Wednesday, Dec. 1 at Cutshall Funeral Home in Iuka. Burial was at Allen Line Cemetery. Pallbearers were Christopher Puckett, Jeff Helton, Danny Taylor, Andy Elliott, Alfred Yarber, Jimmy Durham, and Willie Long. Memorials may be made to Gospel Lighthouse Pentecostal Church. Cutshall Funeral Home was in charge of the arrangements.

A Thanksgiving Miracle - Local Men Survive Hours in Water After Boat Capsizes

What could have been a tragedy last week turned into a Thanksgiving miracle for a local family.

Finis Ivy, 59, of 297 Hwy. 367, Burnsville (formerly of Corinth), and his father-in-law, Jack (R. C.) Woodruff, 80, also of Burnsville left home Wednesday morning for a day of fishing. They launched their

boat at the Coleman State Park Boat Dock about 10:30 a.m., traveled out to the channel, and anchored their boat. The two men spent a leisurely four hours fishing.

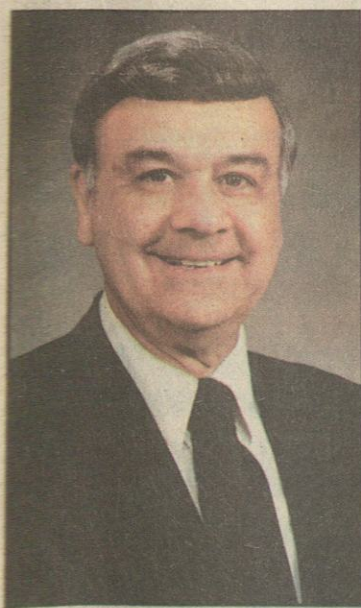

When the wind began to get up, they decided to raise anchor(s) and head in. Finis pulled the front anchor out of the water. While the back an-

chor was being pulled out, the motor jumped into gear; and the boat was suddenly flipped up-side-down. Both men were thrown out of the boat. Finis landed on the side of the boat with the current; Mr. Jack landed on the other side of the boat. Both men made eye contact; and both thought it would be the last time they would see each other alive. Within just a few seconds the current had grabbed Finis and carried him at least 150 yards away. Finis did have on his life jacket, but he did not have it zipped. He also had on heavy workboots that he knew he had to get out of. He finally was able to untie his boots and slip his feet out of them. For the next two hours, he tried to swim against the current. Finally, he was able to swim out of the current and over to the front edge of a cove. Exhausted and cold, he was able to drag himself out of the water into a ditch-like area. He knew he had to get warm to keep going so he covered himself with mud, dirt, and leaves. He worked for some time getting his feet warm. After warming up, he followed the edge of water and headed back toward Coleman Park. The terrain was extremely ruff, and in many places the rock walls

were over forty feet high. Finis was able to later tell his family that he was glad the weather was not hot, because he had basically crawled through some "real rattlesnake" territory trying to get back to the boat dock. About four hours after capsizing, Finis finally could see the lights from Coleman Park. He began to yell for help. A man from Tupelo, a Mr. Baxter, who was at the Park checking on his boat, heard Finis. The man "borrowed" a boat from the marina and rowed to the other side where he located Finis and

J. R. Long Honored As Iuka's Christmas Parade Grand Marshall

J. R. Long

J. R., Julian Reece Long—is being honored as the Grand Marshall of the 2004 Iuka Christmas Parade. Long served for many years as the "official" Christmas Parade emcee. Long, an 80+ year-old veteran of World War II, has always been active in promoting Tishomingo County everywhere he goes. He loves to tell the stories of our area.

Long, a native Tishomingo Countian, was born in Golden. He graduated from Belmont High School; and immediately after high school, he joined the U. S. Navy. When the Coast Guard asked for volunteers during World War II, he quickly volunteered for service

in the South Pacific. Long is still very passionate in his dedication to and defense of his country.

Long, a talented musician, also played guitar in the Navy Band while he was in service. All of his family was musically inclined, and he taught himself to play guitar. Through the years he has taught himself to play many other instruments including the dulcimer. Today, he still performs with his band on a regular basis.

In 1950 Long and Yvonne Gilmer from Red Bay, AL were married. The Longs had three children—Londree, John, and Lady Love; three grandchildren—Cara, Reed, and Anna; one newly adopted grandchild—Brett; and one great grandchild—Sophia.

Long is a graduate of Mississippi State University with a Masters in School Administra-

tion. He also attended the University of Mississippi working on his doctorate and earning hours in the banking field.

In Tishomingo County, Long has served as a teacher, coach, principal, and as County Superintendent of Education during an impressive career in education. After leaving the education field, Long entered the banking field and went to work for First American National Bank. He retired from First American as an Executive Vice President.

Long is an active member of Iuka Baptist Church, where he sings in the Church Choir. He is also very active in the Gideon organization and in the Iuka Lions' Club.

Come out to the parade this Friday and help honor Julian (J. R.) Long in his long-time service to the people of this county.

Tishomingo's Citizen of Year Will Serve as Grand Marshall In Parade

Brother Bill Burcham, who has been honored, as this year's Citizen of the Year by the Tishomingo Chamber of Commerce, will serve as the Grand Marshal of The Tishomingo Christmas Parade.

The Tishomingo Chamber of Commerce is proud to announce that Bro. Bill Burcham as their 2004 Outstanding Citizen of the Year. This award, in its sixth year, recognized the people who have worked to make the community a better place to live.

For the past 34 years, Bro. Burcham has been the pastor of The Gospel Lighthouse Pentecostal Church in Tishomingo. Bro. Burcham has been described as more than a "Shepherd" for his "Flock." Anyone in the community in need because of sickness, personal loss, or tragedy will find Bro. Burcham there to assist in anyway possible. He is a living example of the Good Samaritan. In addition to his work with individuals in the community, has always worked to make the community as a whole a better place to live. He is always supporting and participating in the activities of the community.

It was appropriate that his award was announced for the first time at the annual Tishomingo Thanksgiving Service. Bro. Burcham has always been active in this service,

Bro. Bill Burcham

which welcomes all denominations and races. He has been a friend of all regardless of their church affiliations. As the over 300 people present at the Thanksgiving service rose to their feet in tribute to his community work, he—in a typical modest way, indicated his success was "God's work," not his.

Bro. Bill Burcham was born in the Booneville area and has been married to Freeda Barnes Burcham for 42 years. They have one son, Dewayne, and three grandchildren.

Bro. Bill will be honored as the Grand Marshal for the Tishomingo Christmas parade this Saturday, December 4.

The minute we started eating this past Thursday, we all knew we would eat ourselves silly, but that's what Thanksgiving is all about, right? After our third piece of pecan pie we prop our feet up and fade into our post-Thanksgiving feast nap. Not that this moment is improper but it is the image I get when ever I think of complacency. Complacency, apathy, or indifference is something we all at one point in time get ourselves into. We just don't care. We slack off, do as little as possible, and lay back and settle in. We don't move or change. In many cases it is a bad rut to get stuck in. For many seniors, "senior-itus" has snuck up on us and taken hold. I can attest to having been struck by "senior-itus," but I suddenly realize that if I don't do my math homework or write my procedure it ultimately hurts me. If I don't do my assignments I get behind in class, make bad grades, and then I won't get into the college I want. This epidemic is not just seniors in high school, it is everywhere. From adults to children some people just aren't willing to get out there and do what it takes to pull ahead. Complacency is a chain reaction and it hurts way more than it helps.

The Turn Of The Screw

If you have a bridge, it can be secured in place with implants. Or if you've lost all of your back teeth, say and have no tooth on which to anchor a bridge, implants may be the only means of restoring full function to your mouth, notes Winston Chee, BDS, professor of restorative dentistry at the University of Southern California.

Implants can secure dentures, too. That means no more wobbling, and no more irritated gum tissues or gooey adhesives in your mouth. You can confidently chew an otherwise tricky beefsteak, corn on the cob, or an apple - and taste it better, too, since upper dentures cover the palate, where some of our taste buds and olfactory sensors are located.

Implants are kind to surrounding teeth - no need to file them down to prepare for bridgework.

Once in place, implants impede progressive jawbone loss by mimicking tooth roots.

SEEING MAY BE BELIEVING

If you are injured in an accident, if possible, make every attempt to obtain information from witnesses. While those injured in accidents are often surprised by the events swirling around them, witnesses can often describe what happened before, during, and after an accident. Thus, they may be able to provide extremely important information about who was at fault. It should also be noted that even witnesses who did not actually see an accident may be able to provide very relevant input. If they saw the victim immediately after the accident, they may be able to confirm his or her pain and discomfort. In some cases, witnesses may hear statements that give an indication of fault.

Since details of an accident can fade with time, record your own account of the accident as well. Additionally, obtain the names of any emergency personnel including police officers and paramedics who respond to the scene. This may be beneficial to you in a lawsuit resulting from the accident. If you have been injured, contact our office.

HINT: At the very least, get the name, number, or business card of anyone in the vicinity of your accident who may have seen or heard what transpired.

Getting Too Much Sun?

It would be safe to say that nearly everyone could benefit from wearing sunglasses at some time during the course of the normal activities. Drive in the morning or late afternoon, working outside, reading at the beach or poolside, are among many activities that expose the individual to glare and the potentially harmful doses of bright sunlight.

While the sun is, indeed, the source of all life, taken too strongly it can also have negative effects on your vision. The sun contains both ultra-violet and infrared rays, safe under MOST conditions. However, day-long exposure to these rays may cause minor eye irritation; and prolonged exposure over an extended period may result in more serious eye damage.

Not all sunglasses protect against both these rays; and not all sunglasses meeting government impact-resistance standards are shatterproof or unbreakable. So, for advice on suitable quality sunglasses, consult your eye-care specialist.

Molly Savoy Premier's Composition

Molly Savoy, a sophomore at Tishomingo High School, was chosen to premier a piano composition at the recent Mississippi Music Teachers Convention at Hinds Community College. Molly is the student of Janet Gray of Corinth.

Molly, the daughter of John and Janet Savoy of Tishomingo, was one of six Mississippi students chosen to premier works by Mississippi composers. Dr. Ray Liebau, former professor of piano at the University of Mississippi, composed the suite, entitled 'Celestial Fantasy', which consisted of three movements: 'Breathless Beauty', 'Star Bursts' and 'Suspended in Time'.

The MMTA celebrated its fiftieth convention by commis-

sioning six former Mississippi composers to create works to be performed, at the convention. Other works were by Howard Keever, Douglas McConnell, David Caudill, Luigi Zanelinni, and James Sclater.

Molly has attended Mississippi Showcase at Mississippi State University, has won scholarships to Mississippi Piano Camp at HCC and has won first place in Piano Solo and Piano Ensemble at the MMTA State Student Recognition Recitals, for which she has qualified in multiple categories for six years.

Molly, an honor student, was recently chosen Sophomore Homecoming Maid and First Alternate in the THS Beauty Revue.

D.A.R.E. Officer Scott Woodruff Speaks To TCHS S.A.D.D. Members

D.A.R.E. Officer Scott Woodruff spoke to the TCHS Students Against Destructive Decisions organization on Thursday, October 28, 2004, at 3:00 p.m. in the Families First Resource Center located on campus.

D.A.R.E. is an acronym for Drug Abuse Resistance Education, and it is a program that educates young people about drug and alcohol abuse.

Deputy Scott Woodruff, in conjunction with Red Ribbon Week, spoke to the TCHS students about the dangers of drug and alcohol abuse and the consequences of making destruc-

tive decisions. He presented the information through a hand-out on Marijuana and a very informative video on the influences of alcohol advertising in our culture. Deputy Woodruff encouraged the students to be positive role models for their friends, as well as for younger students.

The D.A.R.E. program is a wonderful tool to use to educate our young people about the dangers of drug and alcohol abuse. Tishomingo County High School's Students Against Destructive Decisions wishes to thank Deputy Scott Woodruff for his time and his concern.

Was proud to hear David Sanders is home from the hospital in Tupelo after undergoing surgery. We hope he does well.

Also proud to hear Mrs. Rivers Hester is back in her apartment at Iuka after undergoing surgery in Tupelo. I understand she's doing good.

Was sorry to hear about Lettie O'Bryant passing this life. She and me worked together a long time at Genesco. Also to hear about Quay Rushing passing away. She was a sister to Montez Trimm here in Tishomingo. Quay was buried

Sunday at Florence, Ala.

School was out last week and it rained most of the time, it was even too bad to hunt. No back they go, and it just won't be long until Christmas vacation. Just too close, don't you think.

Montez and Merrill Trimm is in Nashville this week for Merrill's Dr. visit. Hope for good news.

Larry Strickland will be in Corinth the 30th for gallstone

test. Hope all is well for him. Pray for all our sick. I ask your prayers in Margrett Cornelious's behalf.

My children and grandchildren, all but one, were here on Saturday for Thanksgiving. They were Larry, Johnnie and Chad Strickland Jr., Gail Strickland and Mrs. Thorn, Brandon and Katie Gasaway, Michael and Rene Strickland, Terry, Michelle Hester and Dale. I was so happy to have them. Other guests were Jack, Kevin and Johnny Henry.

In Loving Memory Of Christopher Glover

May 6, 1986 - November 28, 1999

We miss your smile, the hugs and the kisses we shared,
The warmth in your heart, the love in your eyes,
The way you always listened and cared.

We miss your laughter, the touch of your hand,
the sound of your voice, the comfort of knowing you were near.

We wait for tomorrow another day closer
To when the hoping has ended, the wishing is over,
And we can hold you again.

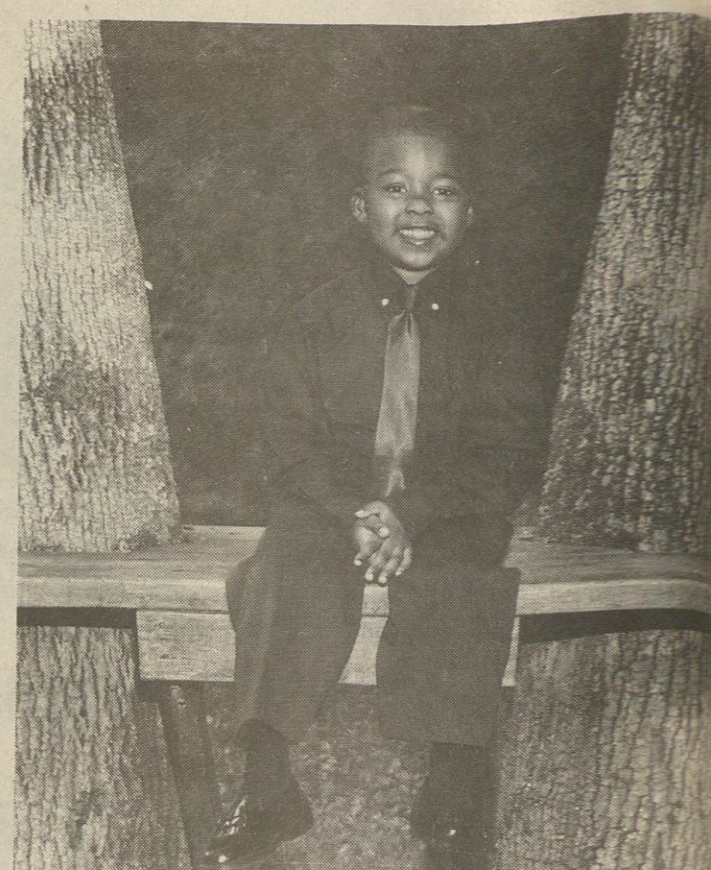

We love you and miss you more each day,

Helpful Samaritan Food Pantry

After a very successful food can drive for the Helpful Samaritan Food Pantry, the seventh grade of the Tishomingo School enjoyed an ice cream treat as winners of the drive. Over 500 cans were collected and will be distributed by the Pantry during the Christmas season.

The Pantry depends on these food drives for their operation and is grateful for the effort and time these students and their families give. Please remember the Pantry as you are planning your holiday season

and gift giving. There is a drop-box outside the Pantry door at 119 Eastport Street for any foods that you may want to contribute. There is always a need for any canned goods, dried beans, rice, crackers, toi-

let tissue, soap, cereal, peanut butter and jelly.

Our mailing address is P.O. Box 944 for your convenience in making monetary donations. There are certain products we distribute that we must buy, such as bread, corn meal and flour, so there is a need for money. Volunteers are always welcome to join in our effort to

meet the needs of our clients. We need volunteers to stock shelves, pick up food after a can drive, fill boxes for clients and distribute them and to pick up food from Memphis.

The Helpful Samaritan Food Pantry has as its central purpose to be an emergency food source for those in need. Clients may come only four times a year and once again with a letter from a pastor, doc-

tor, or city official stating their need.

Please join in our effort to make the holiday season bright for everyone.

Breakfast with Santa

Children can enjoy breakfast with Santa at the Iuka Masonic Lodge (behind the old hospital in Iuka) on December 4th from 8:00 a.m. until 12:00.

Come and enjoy talking with Santa and a good breakfast of pancakes, sausage, milk and juice.

Christmas at the Old Courthouse

"Christmas at the Courthouse" will be held on Friday, December 3, 2004, from 3 p.m. to 9 p.m.

This annual event will be held in conjunction with Iuka's Christmas parade each year. Please stop by the old courthouse at 203 East Quitman Street in Iuka to see the courthouse decorated for Christmas.

We want to share in Tishomingo County's festivities by offering free refreshments, including hot and cold beverages.

Take a quick tour of the archives and history museum and drop by the gift shop. We have many unique gift items, as well as innovative ideas for stocking stuffers.

Admission is free, although donations are always welcomed.

IMS Basketball News

The Chieftains and Lady Chieftains took the War Party on the road last week to face the Belmont Cardinals on Monday and then the Corinth Warriors on Thursday. The 7th grade girls relied on tough rebounding and inside scoring in both of their wins as they beat Belmont 20-15 and then Corinth 27-15.

The 8th grade girls added two more to their win column by beating Belmont 22-15 and Corinth 42-21. Defensive pressure by the 8th grade girls produced several turnovers against Belmont and that same pressure caused Corinth to fold in the second half. The 7th grade boys easily took care of Belmont 33-12 but then lost a nail-bitter to Corinth 28-25 in a hard fought game that Iuka had a good chance to win at the end.

The 8th grade boys put Belmont away early in the game to come away with a 38-10 win and then put together a solid performance to take a big win from a talented Corinth team 36-32. The boys have proven they can adjust to play an up tempo or a half court game.

The Chiefs and Lady Chiefs will get the week off this week due to the Thanksgiving break but will return to action next week to host Corinth on Monday night and then host

The play will be presented December 11, 2004 at the

TCHS Auditorium at 4 and 7:30 p.m. Come join us for shipwrecks, mad dancing pirates, and plane crashes this December. This is a wonderful play for middle school aged children and adults alike.

Admission is \$5.00 per student/\$7.00 per adult (first come first served). Contact Director Amanda Garvin at 423-7300 for further information or sponsorships. Please support the arts in your community by attending.

Holiday Memories: A Service Of Love And Light Sponsored By The Cutshall Funeral Home

The holiday season is a happy time for most of us. Unfortunately, some people who have experienced death by losing a loved one may dread seeing it approach. Instead of anticipating joy, they expect pain. We in the funeral profession are actually aware of the impact grief has on the families we serve, and at this time of year, our thoughts always turn to the families we know who have lost someone dear to them during the past year...and years past. Grief does not have to be fresh to be painful at the holiday season.

We have found that remembering a loved one with a special tribute or a memorial service often helps families work through difficult times. On Tuesday, December 7, Cutshall Funeral Home will present "Holiday Memories: A Service of Love and Light" in the sanctuary of the Iuka United Methodist Church at 7 p.m. If you have lost a loved one this year, please join us for a special service of comforting words and music. This service will feature various musical guests, a message of hope, and the lighting of the memorial candles. Everyone is invited to attend as we spend a moment in a quiet prayer of thanksgiving

for having loved and been loved by your departed family member.

In addition to the memorial service, a Tree of Remembrance will be on display at the Cutshall Funeral Home through the month of December. We have a special angel ornament

with the name of the individuals who have passed away this previous year to place on our tree. These ornaments can be picked up by the family between December 8th and December 23rd.

Although the holidays will not be the same without your loved one, it does not mean that the season will stop having great meaning for you. Nor does it mean that you will never

be able to celebrate again in joy. Many of us know the pain of moving through the holidays after the death of a loved one. But slowly, gently, you can begin to focus on your loved one's life - not the death - and that is what will make all the difference. May love be what you remember the most!

Conservation Cost Share Program Underway

The sign up is presently underway for the Environmental Quality Incentive Program (EQIP). The sign up will continue until the end of January, 2005. At that time all applications will be ranked, and the applications with the highest environmental benefit points will be funded first and all other applications will be ranked in descending order until all EQIP funds are obligated.

Farmers and landowners are encouraged to sign up as soon as possible. As land user sign up for EQIP, the Natural Resources Conservation Service staff will work with the producer to identify eligible practices needed on their farm, explain ranking, criteria and develop a conservation plan that will be ready to rank following the January 31st cut-off date. EQIP funds are available to producers through contracts that run from 2 years

to as long as 10 years. Tishomingo County had 35 contracts funded last year for \$84,000.

Funds will be used this year

to provide cost share assistance in the area of grazing lands, forestry, sedimentation, and soil erosion. Some of the eligible practices available include livestock watering facilities (pond and trough), heavy use area protection, cross fencing, fertilization and liming, weed control, critical area stabilization, for grassland: forestland; grade stabilization structures, sediment basin, diversions, terraces, grassed waterways for water quality protection.

For more information contact the Natural Resources Conservation Services at 615 West Church Street Booneville, MS (662) 728-9003 Ext. 3 or Tishomingo County Soil and Water Conservation Service 240 Kaki Street Iuka, MS (662) 423-6272.

VERSE OF THE WEEK:

"Be ye kind one to another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you" (Ephesians 4:32).

Joseph's examples of love, faith, and willingness to forgive and restore relationships with his brothers are shown in this lesson. If we are willing to lay aside those feelings of hurt then we also can look forward to the joy that comes from reconciliation.

Consolidated Farm & Rural Development Act Authorizes Designation Of Tishomingo County To Receive FSA Disaster Loan Applications

Emergency loans for farmers, ranchers, and operators are available through the Alcorn County Office of the Farm Service Agency, Harold Mills, FSA Farm Loan Manager, said today.

Mr. Mills said this authority is pursuant to President Bush's declaration on September 23, 2004, of a major disaster in Alabama, caused by hurricane Ivan that occurred from September 13, 2004, and continuing. As a result of this disaster, Tishomingo County as a contiguous county in Mississippi is named as an area eligible for Federal Disaster assistance pursuant to Section 321(a) of the Consolidated Farm and Rural Development Act.

Applications for assistance in the disaster-stricken county will be accepted by FSA through May 23, 2005.

Farmers qualifying for emergency loans may borrow up to 100 percent of their actual production loss or the amount needed to restore their operation to its pre-disaster condition, whichever is less. The new emergency loan and outstanding principle balance of any existing emergency loan

owed by the applicant or any individual member of an entity cannot exceed \$500,000.00.

FSA emergency loans cover losses from designated disasters and are made to qualified farmers who cannot obtain credit from other lenders in the local area.

A Thanksgiving Miracle

continued from page 1

helped him back to the marina. He also provided Finis with dry clothes, shoes, and a cell phone.

Finis called his wife Ann and asked her if her father had gotten home—hoping she would say “yes.” When he learned that Jack was not back home, he knew he had to go look for him. Family members were called and the sons, sons-in-law, and nephews all gathered gear and boats to look for Mr. Jack. Emergency personnel were also alerted to the capsized boat, and everyone became involved in an intensive search.

As soon as the family members arrived with their boat, Finis insisted that he go with them to search. The time was now about 7:20. Finis knew the approximate location of where they had capsized. They used their limited light power to scan the top of the water as they proceeded out to the channel area. Once in the channel they cut the motor, and were happily surprised to hear someone yelling. It was Mr. Jack.

Mr. Jack had cut the rope on the anchor and used it to tie himself to the boat. He had halfway pulled himself up on to the boat and was able to keep his head above water. He had to fight to keep from going to sleep. Rescue workers were able to get Mr. Jack out of the water. They wrapped him in blankets, and two family members laid down beside him to give him their body heat. An ambulance waiting on shore transported Mr. Jack and Finis to Iuka's North MS Medical Center. Finis was treated and released that night. Mr. Jack, who was released from the hospital on Sunday, said he felt fine although he did learn that he suffered a light heart attack during his approximate six hours in the cold water.

Both Finis and Mr. Jack say

they are here today only by the grace of God. Ann Ivy also echoes praises to God.

Finis Ivy said that he knew he had to keep going to rescue his father-in-law and that the strength he was given to keep going came from God. He said he prayed continuously all the time he was in the water and when he finally reached shore he prayed as he put each hand and foot down as he crawled from where he got out of the water all the way back to Coleman Park. Finis Ivy said he is so thankful to God for giving him the strength to keep going.

Mr. Jack said he kept telling God that he did not want to go “this way” but if that was what He wanted, he was ready. He said he also did a lot of praying while he was attached to that boat.

Ann Ivy added that she had become alarmed when her husband and Dad had not made it home by dark and alerted family who headed toward Eastport, before being sent to Coleman Park.

This family is so thankful for all the help they received from Mr. Baxter, the area's Emergency Personnel, and their extended family. Ann Ivy, the wife and mother, added that she is so thankful that her husband and father are safe. They all give all the praise and glory for this Thanksgiving Miracle to God.

One Vehicle Wreck on Natchez Trace Claims Life of One on Wednesday

A one-vehicle accident on the Natchez Trace near mile-marker 299 in Tishomingo County claimed the life of a Florence, AL, man, Dr. Andrew John Boyd, Sr. E.Ed., on Wednesday, November, 24.

Trace Ranger, Charles Cuvelier, reported that Andrew John Boyd, 73, of Florence AL, was driving a 1994 Ford Thunderbird when it left the Trace and hit a tree. There were no passengers in the vehicle with Boyd.

Boyd and his daughter, who were traveling the Trace together, but in separate vehicles, had left Florence, AL, headed to the Coast for the Thanksgiving holiday. The daughter remembered seeing Boyd behind her after passing the Highway

25 turnoff on the Trace. She missed her Dad just after the Highway 4 turnoff. At approximately 11:00 a.m., she turned around and went back to look for him. When he couldn't be located, Emergency Personnel were called and quickly responded.

According to Tishomingo County Coroner, Mack Wilemon, Mr. Bond's vehicle was found about 12:15 p.m. on the south side of the road. Bond's vehicle left the road and struck two large trees near a fresh water spring. According to Wilemon, Bond was pronounced dead at the scene from massive trauma.

Funeral services for Bond were held in the Pascagoula area on Saturday.
