ONE HUNDRED AND TWENTY ONE YEARS

Poppy Sales—Members of the Tishomingo American Legion Auxiliary #144, Lonette T. Southward, Jean Slaughter, and Barbara "Sis" Durham are shown selling "Red Poppies" to veterans Bob Johnson. They are also selling the poppies to everyone they see in preparation of the upcoming Memorial Day Holiday. On Memorial Day we will honor our living veterans like Mr. Bob, who served their country during war time. Bob Johnson is an Army veteran of the Korean War. He was wounded while he was defending his country in 1953. We will also pause to remember those who have died serving our country. Buy and wear your "Red Poppies" today to show that you support our soldiers—both past and present.

Remember Our Brave Soldiers On Memorial Day 2005

Memorial Day is the day when we honor those who have lost their lives in the military while serving our United States of America. We honor those who have made the ultimate sacrifice for their country in many special ways. This year, Memorial Day, will officially be celebrated on May 30, the last Monday in May.

This year churches, towns, cities, and communities will honor both the living and deceased soldiers by flying their flags and decorating their surroundings with red, white, and blue. Many will also wear red poppies to honor their soldiers. Many still associate the poem "In Flanders Fields," written in 1915 by Col. John McCrae with the World War I. When the poppies bloomed in spring, it gave hope to the soldiers who had endured a long winter of fighting. The poppy was also the first plant to grow again in the battlefields in parts of Europe after the fighting ended. Poppies sprang up throughout the trenches and craters, especially in Flanders, an area of Belgium and France.

*In Flanders Fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.*

This year, many will especially remember our Tishomingo County soldiers who are currently serving in Iraq. Many prayers will be lifted for their safe and timely return home.

Many people will also use the Memorial Day weekend to honor all of their loved ones who have died whether they served in the military or not with the decoration of local cemeteries and dinners on the ground at local churches and picnics in the parks. Many will also spend the weekend at the lake.

Many Southerners also think of the Memorial Day weekend as the official "unofficial" beginning of summer.

Johnny Anthony Southward Announces Candidacy For Alderman, City Of Iuka, MS

I am Johnny Anthony Southward, a native of Iuka, MS. I would like to take this opportunity to announce my candidacy for the position of Alderman in the city of Iuka, MS.

My father was the late Lucien Southward and my mother, the late Mrs. Debbie Southward. I have two brothers, Calvin Southward, and two sisters, Janie Tensley and Melissa Bennett of Tishomingo. Paternal grandparents are the late Peter and Vera Southward, late maternal grandparents, King and Elsie Slaughter.

I am a 1983 Iuka High School graduate. While attending Iuka Jr. High School I played the position of Center on the football team. In high school, I was line man on the football team. I participated in several school activities and organizations. After graduation I was an Assistant Coach for the Iuka softball team (Marion County) for five years, and played softball on several teams as a center fielder.

I have been an employee of Town & Country Furniture for 21 years, eleven years of which I have been the manager of Iuka Furniture Outlet.

I am a member of the First Christian Baptist Church, Pike Street, Iuka, MS, Rev. Mel Perry, Pastor. I'm a member of 14 years, choir member of the Iuka Brotherhood Organization, 3rd degree in the Masonic Organization serving as Secretary for six years, Collin County 38-A.

I am married to Gloria Martin, daughter of the late Allean Martin of Tishomingo. Gloria and I have been married for eight years, we have two sons, Martin Anthony, age 11 and Jonathan, age 10, both are students at the Iuka Municipal School District.

A few interesting things to know about Iuka is the county has a latitude of 34.811 N longitude is 88.19 W. Iuka is in the central standard time zone. An estimated census population in 2003 was 7,000. We're centered between Alabama and Tennessee state lines. Our community is named after a Chickasaw

Johnny Southward

Chief. Iuka truly holds a unique history from the past, and is making history for the future. I can see that the city is forging forward in positive areas. Education, industries upgrading (in and around surrounding areas), several churches, parks, hunting sites, medical and veterinarian services, hospital, nursing homes and assisted living centers, real estate companies, attorneys, restaurants, tourism, and the Iuka Public Library which houses over 26,341 books (July 2004 report books).

There are several places and sites to see in the city of Iuka and surrounding towns. Did you know that in 2003 the FBI recorded only 12 violent crimes in our area and surrounding towns. The number of homicides and murders was 0. The violent crime rate was 4 per 1,000 people. We have city and county law officials and the fireman that are constantly on their jobs to insure our safety daily.

I am a people person, a good listener. I would with all of my energy and integrity work with you and for you. Everyone should voice their opinion from the smallest to the largest concern.

Your support, with a vote on June 7th, 2005 will be appreciated. (YOU WILL BE MY MAIN PRIORITY).

Holiday Deadline

The News will be closed on Monday, May 30, in observance of Memorial Day.

Anyone who wants ads, birthday pictures, or political announcements in the June 2, 2005, edition should submit these items by Friday, May 27, if possible or Tuesday noon.

Scotty W. Skinner For Alderman Working For You!

Making Iuka a better place to live for us all is why I am announcing my candidacy for Alderman of the City of Iuka.

Iuka is a great place to work and raise a family. More than thirty years ago, Sandra and I returned to Tishomingo County and specifically to Iuka to raise our growing family. We have instilled in our girls the importance of community and home. Just as we moved to Iuka for more opportunities, I want the same for families today.

I believe that a major focus of Iuka should be in bringing more jobs to the area. If elected as your alderman, I will work to create more jobs and improve the quality of life for every citizen.

The primary purpose of

Scotty W. Skinner

city government should be to the citizens of Iuka. I want to give back to this community that has given so much to my family and me. Thank you for your support.
Scotty Skinner

Letter To The Editor...

I just wanted to take this time to let the people of Tishomingo County know that there are still some good people left in this world. I can not get into too much detail as to what exactly happened. If I told the whole story, the people that wished to remain silent angels, would be revealed.

Here at my home, last week, I had a serious situation, that required immediate attention! I did not know what I was doing to do. I had very little money and no knowledge as to how to fix the problem. I was consumed with grief and anxiety. I sat here and cried, prayed, and worried over this. Little did I know, God was answering my prayer at that very moment!

All I wanted to say is, some special people in our community, came to the aid of someone who truly needed them. I

am more than thankful for ALL your time and help. You know who you are. You know what you did. God also knows the kindness of your hearts. I wish I could tell the world! I know that there are people that would take advantage of people like you. I also, understand your need to remain unknown. This, alone tells of your goodness. People will often do more for recognition. You did this wonderful thing, and ask of nothing. Thank you so much for having such lovely hearts. I believe, you, will receive rewards in return for the gifts you have given here. To you, thank you so much! To everyone else, don't give up! He's an "on time"

Legal Update

by Ronald D. Michael
Attorney at Law

A DURABLE POWER OF ATTORNEY FOR HEALTH

A living will is a legal document that allows people to state their preferences for end-of-life treatment. Because technology advances so quickly, however, a living will may not be able to predict which treatments you would or would not want years in advance. In addition, many people change their minds about which end-of-life treatments they want, and their wishes may no longer be reflected in their living wills. With all this in mind, a better option may be a durable power of attorney for health care. This legal document, drafted with the help of a lawyer, gives the person of your choice the right to make medical decisions for you in the event that you cannot make them for yourself.

A living will ensures others will know your wishes, and they will be documented. If you would like to develop a living will, you should contact a lawyer who is familiar with these documents. For information or to discuss another legal matter, call our office to schedule a consultation. We offer the professionalism you demand and the service you deserve.

HINT: Typically, a durable power of attorney is given to a spouse or adult child, but does not have to be a family member.

INSIGHT IN EYESIGHT

Dr. Phillip G. OPTOMETRIST

Middle Age And Presbyopia

If you're having trouble in focusing your eyes reading a book, newspaper, this indicates that your focusing ability has reached the stage of presbyopia. This is a natural occurrence for most people, especially when they enter middle age. They feel the need to hold reading material further away from their eyes in order to read clearly. They may experience headaches because of the strain puts on their vision.

Presbyopia results from the lens of the eye becoming very gray and can become a problem at any age. It occurs often, however, between the ages of 40 and 45. Condition continues to correct until about 65 or 70 when the condition tends to stabilize.

Treatment for presbyopia consists of properly prescribed eyeglasses. If you have a focusing problem reading or looking at objects close up, have your eyes examined by a doctor.

United Blood Services Is Cruisin' For Donors...

Those who want to visit the Caribbean simply need to give blood. United Blood Services is sending three lucky blood donors who give during the months of June, July or August on a Carnival Cruise for two.

"This is a great opportunity for anyone who donates blood or is considering giving blood this summer," said Amye Oldham, United Blood Services representative. "One donor per month will win the four day three night cruise for two for free."

United Blood Services will contact the winner of the cruise at the end of the month in which the donor gave blood. The following locations in Northeast Mississippi will host blood drives during the month of June:

- Tishomingo Baptist Church, June 2, 12:30 p.m. to 6:30 p.m. Call David Rushing at 438-7650.
- Iuka Hospital, June 3, noon to 6 p.m. Call Teresa Bowman at 423-4054.

You must be 17 years of age or older and weigh at least 110 lbs. to donate blood. Most medications are acceptable including insulin and blood pressure medications.

2005 TCHS Yearbook, "The Brave" Inducted into Walsworth Publishing Company's Gallery of Excellence

To Be As An Example For Other Schools Nationwide

The 2005 edition of **The Brave**, the Tishomingo County High School yearbook, has been inducted into Walsworth Publishing Company's Gallery of Excellence. Now the 2005 **Brave** will be used by the company's nationwide sales force as an example of Walsworth's excellent caliber of work for many schools they serve.

The Gallery of Excellence is a showcase of the finest yearbooks produced by Walsworth customers. Yearbooks selected for the gallery are distinguished by their comprehensive coverage, innovative design, and superior copy and photography.

"The 2005 **Brave** was selected because it is a fine exam-

ple of these criteria," according to Jim Pinney, VP of Sales and Marketing at Walsworth. Only a small percentage of yearbooks published are selected for the Gallery and will be used by the nationwide sales force as a quality example that will be loaned to schools to serve as idea generators, and are displayed at regional, state, and national conventions and workshops. Spreads from the books are used by example illustrations in Walsworth's Educational Advantage resource materials.

Congratulations from Walsworth on this outstanding achievement were extended to the yearbook staff and sponsor

for their hard work and dedication to excellence while putting this yearbook together.

Members of the 2005 **Brave** staff include: Editors, Emma Clark, Callie Daniel, and Ashley Helton. Other staff members include Jenna Cutshall, Emily Davis, Erin James, Kaela King, Jackie Koelinger, Kirby Lambert, Kim Massey, Elizabeth Quillen, Cassie Sanderson, Ginny Wiggington, and Jacquie Woodruff. Mamma, Daddy, Family and Friends

I am standing upon the seashore. A ship at my side spreads her white sails to the morning breeze and starts for the blue ocean. She is an object of beauty and strength. I stand and watch her until at length she hangs like a speck of white cloud just where the sea and sky come to mingle with each other.

Then someone at my side says: "There, she is gone!"

"Gone where?"

Gone from my sight. That is all. She is just as large in mast and hull and spar as she was when she left my side and she is just as able to bear her load of living freight to her destined port.

Her diminished size is in me, not in her. And just at the moment when someone at my side says: "There, she is gone?" there are other eyes watching her coming, and other voices ready to take up the glad shout: "Here she comes!" and that is dying.

In Loving Memory Of Ethel B. Jimmar

God saw the road was getting rough
And the hills were hard to climb,
So He gently closed your weary eyes
And whispered Peace be thine.
You bid no one a last farewell.
You said goodbye to none.
Your loving heart has ceased to beat.
Your stay on earth is done.
The flowers placed upon your grave may wither and decay.
But the memories of our love for you will never fade away.

In Loving Memoriam Emmett L. Jimmar

It broke our hearts to lose you,
But you did not go alone,
For part of us went with you
When God called you to his home in heaven.
Like falling leaves the years drift by,
But memories of you will never die.
In our hearts you will always stay,
Now and forever.
God Bless You, and may you rest in peace.
Gone But Not Forgotten.

In Loving Memory Of Frank R. Jimmar, Sr.

"If there was ever a man who was generous, gracious and good," he was our dearest Dad. He personified the ethics of hard work, responsibility and a genuine love for humanity. He was a people-person who always seemed to find his way into the hearts of all he contacted. His spirit lives on...in the minds and hearts of us who truly knew him. We will always be united as family!

This summer Tishomingo County Archives and History Museum will be hosting a new program, Camp Courthouse. Children ages 6-10 will enjoy a variety of learning to make butternut for arrowheads, make American jewelry, and see how kids lived in the past. Hey Kids!!! Join Us For Free Summer Meals

The Tishomingo County School District is working to make sure that no children in Tishomingo County go hungry when school is closed this summer. The Summer Food Service program ensures that children continue to grow and learn during the summer.

The Summer Food Service Program, sponsored by the U.S. Department of Agriculture, is the largest federal resource available for local programs that combine meal time with recreational and educational activities.

The Tishomingo County School District recognizes the need for the program in Tishomingo County. Many of our children, who rely on school breakfast and lunch during the school year, do not have the energy they need during the summer. This is where the school district comes in by providing a nutritious meal to keep kids nourished and engaged.

Our summer meals program is a building block in the community for healthy, happy kids who are ready to learn.

Summer feeding programs will be offered at Burnsville School, Tishomingo School, Iuka Elementary School and Iuka Middle School. The program will run from June 6-July 29th. Any child 18 years or younger may come to eat, at no

charge, at any of these sites. The feeding time is from 11:30 until 12:15 each day. The meal must be consumed in the cafeteria, not taken from the site.

If you have any questions, please call 423-3206. The Tishomingo County School District looks forward to your participation in our Summer Feeding Program.

In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability.

Three TCHS Seniors Win Pilot Scholarships

Three Tishomingo County High School seniors, (Left to Right) Rebecca Rooker, Ashley Helton, and Misty Watson, received scholarships for their contributions to the Anchor Club during their high school careers. The TC Anchor Club, which is sponsored by the Iuka Pilots, is the high-school version of the Anchor Club International, and promotes community involvement and service. Members of Anchor Club devote their energy and time to making their surroundings a better place for everyone. These three seniors took part in the helping get the Christmas Angels adopted, volunteering at the school, the Old Tishomingo County Courthouse, and area nursing homes, and helping distribute Angle Tree gifts at Christmas time. They were also involved in other service projects. They are to be commended for the hours of volunteer service they have done for their community.

MMC's Iuka Hospital Awards Scholarships to Misty Yarber and Jennifer Dailey

Misty Yarber and Jennifer Dailey were recent recipients of scholarships given to students pursuing a career in the health fields. Both of these young ladies plan to attend college majoring in a health-related career. They are shown with Jamie Pruitt, Environmental Service Director, and Jamie Harrison, Administrator of the Northeast Mississippi Medical Center located in Iuka.

Lion's Cabin Concession Opened...

The Iuka Lion's Club has opened their concession stand at Mineral Springs Park for the season. The stand will feature cold drinks, snacks and a variety of salty treats. We are featuring hot, fresh corn and several flavors of cones. The funds raised from the cabin concession go directly into helping people in our community. The Lion's particularly appreciate the many community services such as visual tests and

excessments. Tests determine the need of the patient for glasses through Dr. Weldon, an

affiliate member, who helps fit the patient with the right eyeglass prescription.

The local club pays for these tests and glasses. The criteria is almost the same as Medicaid uses. Other services of the Lion's Club include evaluations for hearing aids and programs for Diabetes Awareness.

You may help support the

Lion's Club work by visiting the Mineral Springs Cabin, making a personal donation or even becoming a member. For more information contact President Jim Seago at 423-1399 or any Iuka Lion.

Annual Blood Drive Held At Tishomingo Baptist Church...

There are blood drives and then there are Blood Drives. Tishomingo's Community Blood Drive held at the Baptist Church on East Jackson Street, compares bar none to any other community drive in the area.

"David and Geraldine Rushing are amazing blood drive coordinators," said Amye Oldham, United Blood Services representative. "They understand the importance of blood donations and proceed to make each drive better than the last by recruiting donors from the town and church."

The Rushings have been hosting blood drives in Tishomingo since 2000 drawing more than 300 units, averaging 60 plus donors per drive.

"That is amazing for a

community blood drive," said Oldham. "The entire town shows up to donate and enjoy Mrs. Geraldine's homemade cookies and Mr. David's pies and cakes." "They have indeed turned this into an annual event that people truly enjoy by making them feel comfortable and at ease."

The annual blood drive will be held at Tishomingo Baptist Church fellowship hall, Thursday, June 2, 12:30 p.m. -

6:30. Those who donate will be eligible to win a Carnival Cruise for two. To make an appointment please call 438-7650. Those on antibiotics may not donate and you must weigh at least 110 lbs. and be 17 years of age or older. Most medications are acceptable including blood pressure medications and insulin.

The body says what words cannot.

Letter To The Editor... Don't Live In Ignorance Or Fear...

The following is a copy of a letter given to the Belmont City Clerk that was written by my wife and myself. Please remember the City of Belmont is awaiting a current decision from the Attorney General's Office regarding the situation stated in the letter.

5/12/05

Belmont Board of Alderman
Belmont, MS 38827

Dear Belmont Board of Aldermen

A matter has come to our attention that we believe is of great importance to the Belmont Board of Aldermen as well as the citizens of Belmont.

Article 1 Sections 1 and 2 of the Mississippi State Constitution state:
ARTICLE 1

DISTRIBUTION OF POWERS

SECTION 1. Powers of government.

SECTION 2. Encroachment of power.

SECTION 1.

The powers of the government of the state of Mississippi shall be divided into three distinct departments, and each of them confided to a separate magistracy, to-wit: those which are legislative to one, those which are judicial to another, and those which are executive to another.

SOURCES: 1817 art II 1; 1832 art II 1; 1869 art III 1.

SECTION 2.

No person or collection of persons, being one or belonging to one of these departments, shall exercise any power properly belonging to either of the others. The acceptance of an office in either of said departments shall, of itself, and at once, vacate any and all offices held by the person so accepting in either of the other departments

SOURCES: 1817 art II 2; 1832 art II 2; 1869 art III 1.

The Attorney General's Office has also stated in an opinion in 1997

In response, Mississippi Constitution of 1890, Art. 1, Sections 1 and 2 prohibit a member of one branch of government from serving in an office of another separate branch of government. The Mississippi Supreme Court has held that these constitutional provisions prohibit a judge, a member of the judicial branch, from holding a job as a policeman, a job in the executive branch of government. In re: Anderson 447 So. 2d 1275 (Miss. 1984). It is our opinion that the same holds true for the office of alderman which is in the legislative branch. An alderman may not also serve as a regular or auxiliary policeman, paid or unpaid.

Very truly yours,

MIKE MOORE, ATTORNEY GENERAL

By: Mike Lanford Assistant Attorney General

ML:sm

In 2004, the Attorney General's Office stated:

Accordingly, under Section 2 of the Mississippi Constitution of 1890, an office holder in the executive branch of government who accepts a position in the legislative branch thereby vacates his position in the executive branch. Therefore, Mr. Gregory, upon being sworn in as a member of the House of Representatives, has vacated his position as a school district trustee.

Please let me know if you would like to discuss this matter or if I can be of further assistance.

Sincerely,

JIM HOOD, ATTORNEY GENERAL

By:

Reese Partridge

Special Assistant Attorney General

Lastly, the Attorney General's Office stated in 2005:

1. I am aware of your opinion numbered 2004-0341, Scott (July 23, 2004), which "prohibits an individual from holding both the office of Alderman and Deputy Sheriff at the same time." That prohibition is based upon Sections 1 and 2 of the Mississippi Constitution of 1890. I assume that prohibition arises from conflict which would or could occur if any individual simultaneously served in the "executive" and "legislative" branches of local government. Is this assumption correct? Your assumption is correct. Article 1, Section 2 of the Miss. Constitution of 1890 provides as follows:

No person or collection of persons, being one or belonging to one of these departments, shall exercise any power properly belonging to either of the others. The acceptance of an office in either of said departments shall, of itself, and at once, vacate any and all offices held by the person so accepting in either of the other departments.

The office of deputy sheriff is in the executive branch of government, while the office of alderman is in the legislative branch of government. MS AG Op., Curtis (July 23, 2004). The Mississippi Supreme Court has stated that a law enforcement officer exercises "core powers" of the executive branch of government. In re Anderson, 447 So2d 1275 (Miss. 1984). Service by one individual in these two positions simultaneously would be a violation of Article 1, Section 2 of the Miss. Constitution of 1890.

Also

The language in Article 1, Section 2 is plain and unambiguous and prohibits simultaneous service by an individual in more than one branch of government, regardless of whether that service is in the same or different county or municipality. While there is no prohibition against the appointment of the individual to the position of police chief, by accepting the position of police chief the individual would automatically vacate the position of alderman in the other municipality.

According to the above stated evidence, Alderman Mark Nichols vacated his office as Belmont City Alderman upon his acceptance of the position of auxiliary deputy for the Tishomingo County Sheriff's department on

March 1, 2005. Accordingly, from the time Mark Nichols accepted the position as auxiliary deputy, he would not have been entitled to any pay or benefits relating to the office of Alderman, in addition, it would therefore follow that any items voted on by the Belmont Board of Aldermen that included his vote would be null and void.

We realize that this situation may have occurred through ignorance of the above stated circumstances, and we wish to allow the Belmont Board of Aldermen to address this issue before we pursue the matter through other avenues. We respectfully request the Belmont Board of Aldermen or a representative of the Belmont Board of Aldermen to contact us as soon as possible with an answer or resolution to this problem.

Sincerely

Terry Witt

Resa Witt

As of Friday, May 20, 2005 we had not received a response from the Board of Aldermen or a representative of the Board of Aldermen other than to say they were awaiting a response from the Attorney General's Office. This information was conveyed to me on Monday, May 16, 2005 when I contacted the Belmont City Attorney, Lloyd Moore.

Citizens that live in areas other than Belmont may be wondering what a Belmont City Alderman has to do with them. Please remember that I stated in the letter that alderman or non-alderman Nichols is also an auxiliary deputy for the Tishomingo County Sheriff's Department and, through that position, he can interact with anyone in the county. While I hope that there are good and honest deputies within the Tishomingo County Sheriff's Department, what path will alderman or non-alderman Nichols follow within the county's police force?

Always remember..."There is a dark side to the force"

Terry Witt

Mrs. Shelia Thorne teaches US History, Sociology, and Psychology at the high school. She obtained her BS and MS from Mississippi State University. The Ring

The first class ring was developed in 1835 for West Point U. S. Academy. In the early 1900's class rings came into fashion. The first class rings were crude and were only a shank with a symbol (usually of the class pin which preceded the class ring by a few years) attached to the bezel of the ring. They quickly became popular and soon stones were added and more intricate dies allowing for greater details got developed. The basis of the class ring (and pin) goes back to the Egyptians, who felt their scarabs rings promised them eternal life, they wore their seal and signet rings till death, and were buried with them.

As part of a nationwide event, the North Mississippi Medical Center Cancer Center is sponsoring National Cancer Survivors' Day Sunday, June 5, beginning at 2 p.m. at the J.T. Neely building, located on Veterans Blvd. near Elvis Presley Park and the baseball fields.

Cancer survivors, their family and friends are encouraged to attend. A "survivor" is anyone living with a history of cancer, from the time of diagnosis through the remainder of life.

"This is an occasion to recognize cancer survivors, as well as the positive advances that have been made in the early detection, prevention and treatment of cancer," said Cindy Smith, a registered dietitian with the NMMC Cancer Center and chairman of the event. "It's also a day to raise public awareness of the many challenges faced by cancer survivors and their families."

The theme for this year's event is "The Wizard of Oz." Kevin Russell, KZ105-FM on-air personality and cancer survivor, will be the guest speaker. Prizes will be awarded to the

freshments will be served.

National Cancer Survivors' Day is presented each year by the non-profit National Cancer Survivors' Day Foundation and its participating organizations. The group's mission is to improve quality of life for

all cancer survivors public attention on issues.

For more about National Cancer Survivors' Day, call 377-4047 or 1-800- (1-800-843-3375).

Local Educator Taking Students To National Competition

On April 15th, Mississippi State University hosted the state Future Farmers of America skills competitions with students competing in 24 different areas. John-Grady Taylor carried an unprecedented 86 students from Pine Grove High School to compete in 18 different areas. In order to compete, these students had already succeeded in preliminary competitions at the area level.

Of these 18 teams competing in areas ranging from livestock judging to floriculture, an astonishing 16 finished the day in 1st, 2nd, or 3rd place. The 5 teams winning 1st will join 2 other teams already selected in other competitions to represent Mississippi at the National FFA Convention in Louisville, Kentucky in the fall. Mr. Taylor feels that regardless of their success there, they have achieved great recognition for their school and the South Tishomingo School District where Pine Grove is located. He is looking forward to their representing Mississippi well at the national level.

level.

"If they are willing to do the study and work necessary to compete, I will see they get to contest," says Mr. Taylor. "That is my job. The students are the ones who do the winning. This is beyond the work they do in the classroom, so they must be dedicated to studying, practicing after school, and working with a team of fellow students." Mr. Taylor also points out that in a small school like Pine Grove everyone cannot participate in sports so this gives the students the opportunity to compete, to go against students from all over the state in an academic contest. He says, "The competition is a good life experience regardless of whether they win or not. They have learned from being there."

Mr. Taylor has been teaching at Pine Grove for five years. He is a graduate of Tishomingo High School and lives in Tishomingo. He is married to Erica Wooten and they have one daughter, Claire-Mann.

Valedictorian...

As another part of a sub-topic of the graduation ceremony itself, we should mention is the valedictorian. This is the person who is considered the student with the highest scholastic standing.

This may be determined by tests or by a voting of the student body or in some other fashion, depending on the school's customs. The Valedictorian delivers a speech known as the "valediction" to his/her fellow classmates on behalf of them. It usually is a speech that expresses the ups and downs they've all gone through, and provides a youthful insight of a hopeful future. There have been times when the valedictorian has used this opportunity for his/her own political agenda, but for the most part it is a time to express to everyone dedication, commitment, honesty and perseverance are the needed ingredients to find their way in the world once they have been given an education.

To Our Special Graduating Senior, Jennifer Leigh Clark

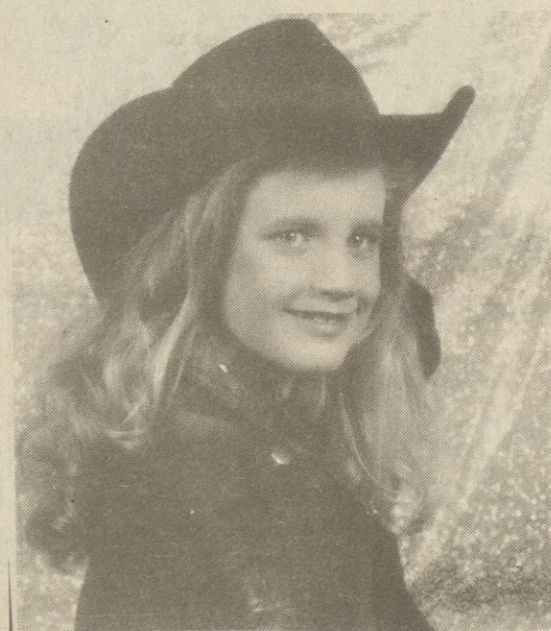

We are very proud of you for reaching out toward your goals and succeeding. You have the confidence in yourself, a very strong sense of purpose and a

good beginning to your pathway to success.

Keep following your dreams and make them a reality with God being on top.

YOU WILL ALWAYS BE OUR LITTLE GIRL THAT WE LOVE SO DEARLY. THANK YOU FOR GIVING US SO MANY WONDERFUL YEARS.

Bridge to the Past

Callie Daniel

The Wilmuth Street Bridge has been around for a number of years. People remember this bridge because of its long history and personal memories. Many people remember the bridge from when they were younger. Some say it was scary as a child to go over the bridge because of its old structure and rickety appearance. Some remember going under the bridge with their childhood friends. When going over the bridge in our hurried society, some of our lives may slow down a bit as they remember their childhood and how this historic bridge has quietly slipped into their lives.

The Wilmuth Street bridge connects between the past and the future in Iuka, Ms and Quitman County. The bridge has seen many trains pass during its years standing. From the Southern to Union Pacific, trains have known this bridge's wooden beams. Many of Iuka who keep with

NEMCC Names New Head Men's Basketball Coach

Northeast Mississippi Community College has a new head men's basketball coach.

Corinth High School head boy's coach David Robbins has accepted the position, which became open when Billy Jefcoat announced his resignation after only one year as the Tiger mentor.

A Tipah County native, Blue Mountain High School graduate and former basketball player and team captain at Northeast Mississippi Junior College, Robbins leaves his position as head boy's basketball coach at Corinth High School after 15 years at the helm of the Warrior program.

During that time, Robbins led the Warriors to a 283-139 overall record, including four 30-win seasons, eight 20-win seasons, eight Alcorn County cham-

pionships, three North Half titles and three State Championship trophies.

Robbins was named the Northeast Mississippi Daily Journal Coach of the Year in 2002 and 2003, and was selected to coach in the 2002 North/South All-Star Game.

Initially, Robbins also served as a physical education instructor, but left the classroom to become athletic director in 2002. As AD, Robbins supervised every aspect of the athletic programs at Corinth High and Junior High Schools.

Previously, Robbins worked at Northeast, assisting both for-

mer men's basketball coach Harvey Childers and women's basketball coach Ricky Ford (1987-89). His duties included on-the-floor coaching and recruiting in-district as well as out-of-state players.

Robbins also worked as an assistant director of student activities (1987-1991).

Robbins earned an Associate in Arts Degree from Northeast in 1985, a bachelor's degree in health and physical education from Millsaps College in 1987 and a master's degree in education administration in 1989.

Robbins played two seasons for the Millsaps Majors and was selected the 1987 team captain.

The Diploma...

Original diplomas were made of sheepskin. This is where the slang "hand your sheepskin on the wall" came from. It was a phrase to represent showing your education. Diplomas were made from paper-thin sheepskin, handwritten, rolled and tied with a ribbon until 100 years ago. A lot of documents were done on animal skins because paper-

making was difficult. They changed to parchment, which as more practical, when the paper making techniques improved. It wasn't until the turn of this

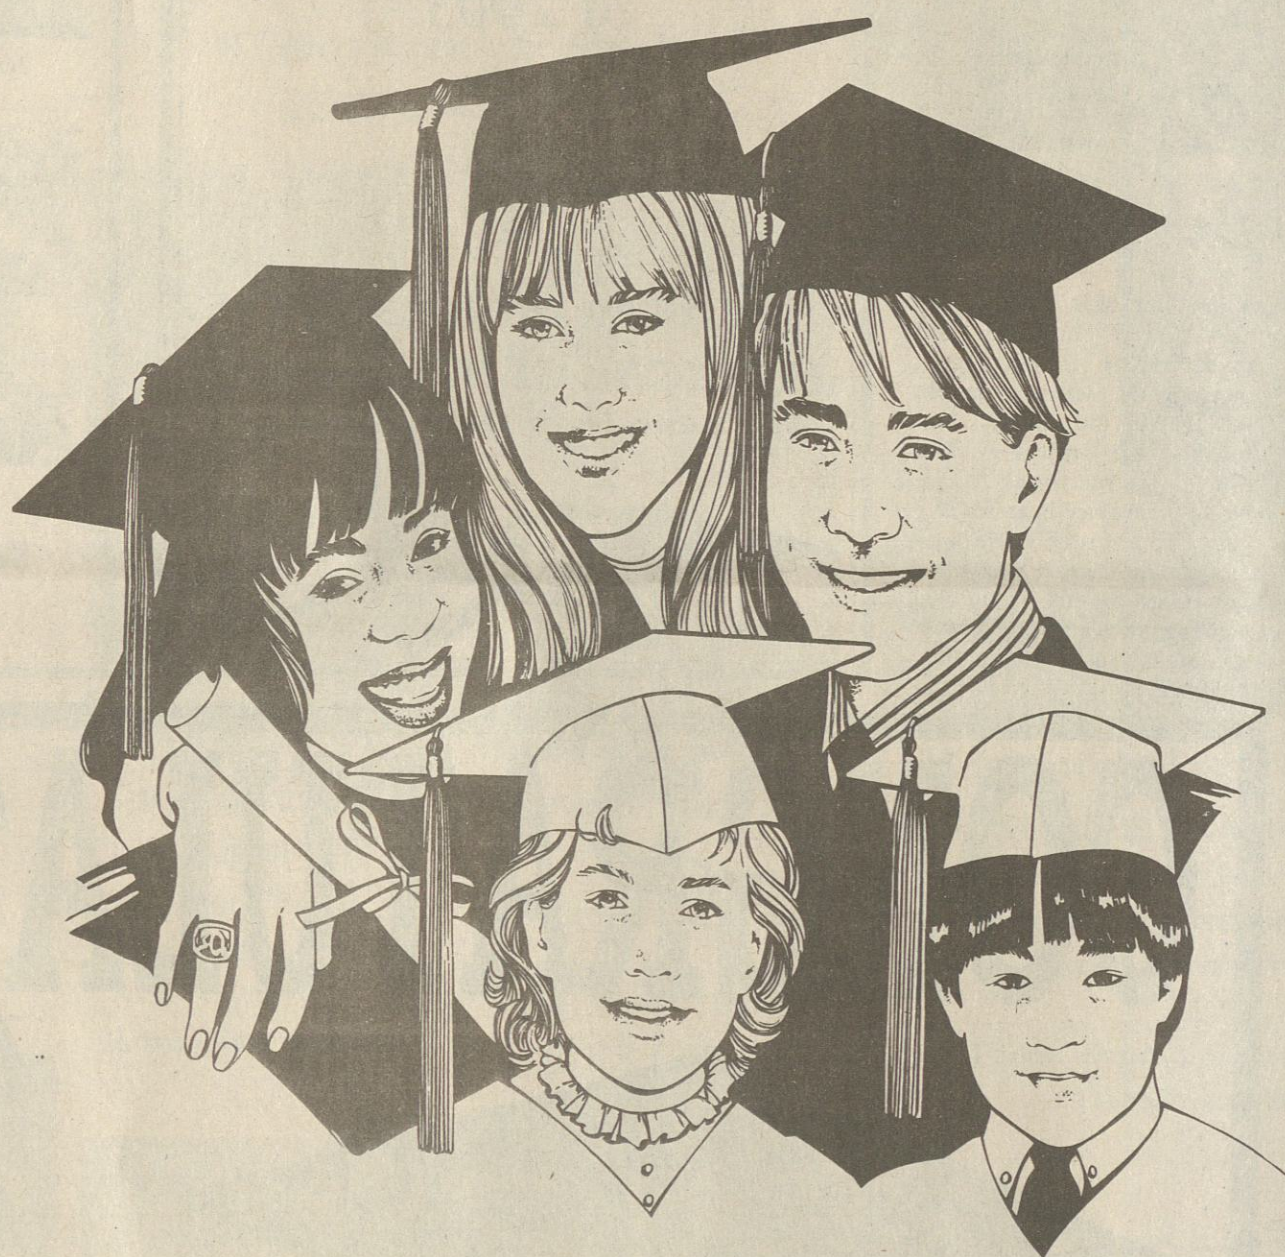

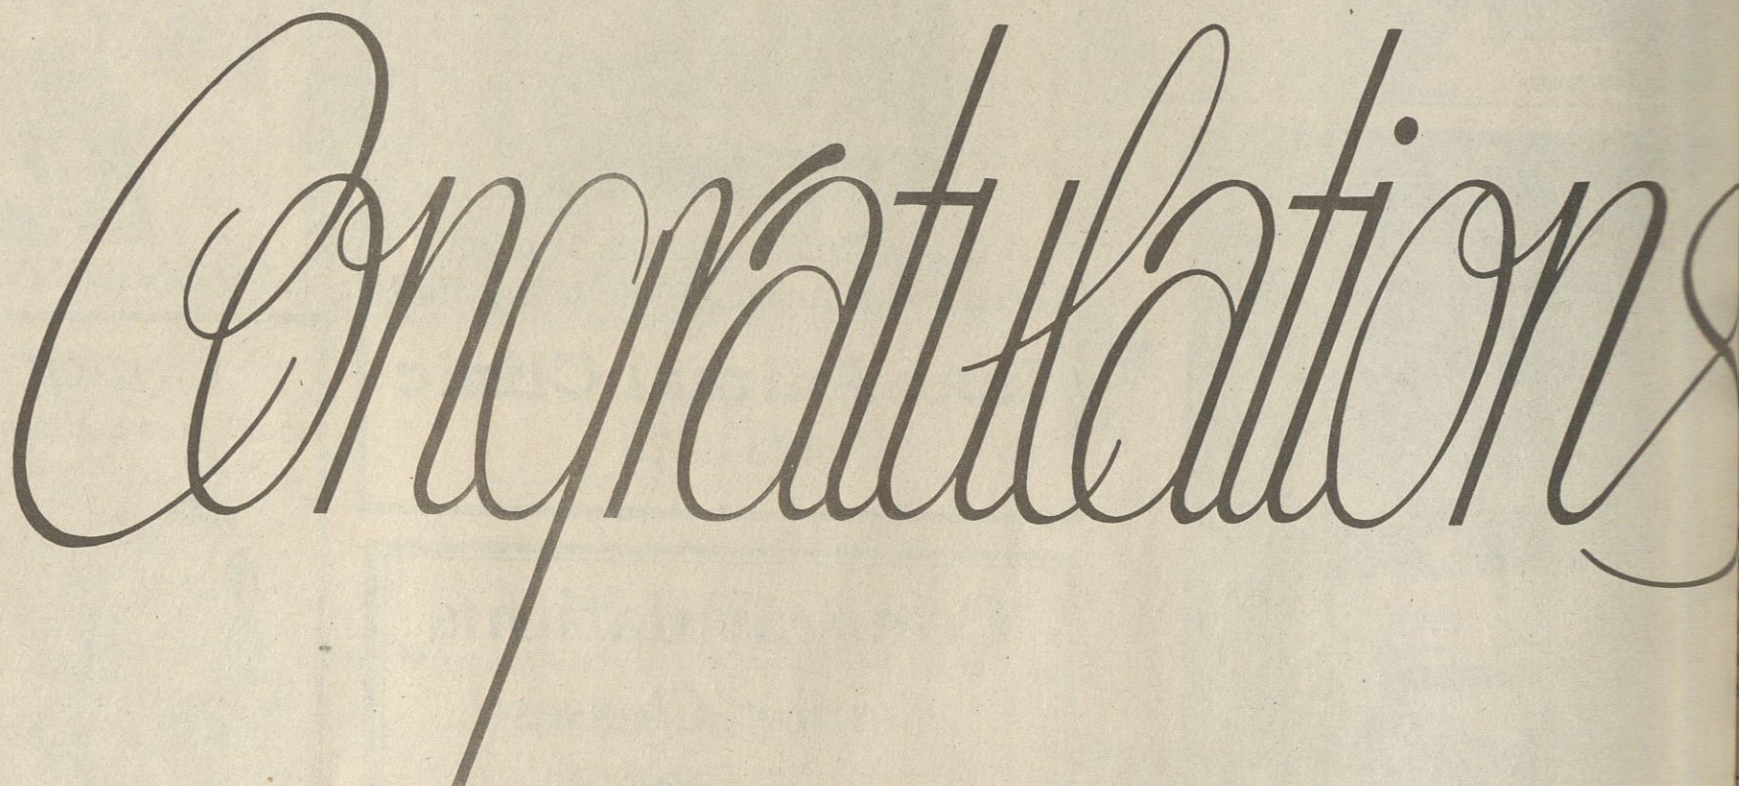

century that diplomas being rolled-up, but in leather binders because rolled-up were hard to frame.

Best Wishes ON YOUR GRADUATION

The Cap and Gown

Academic dress for graduations started in the 12th and 13th centuries when universities first began forming. Whether a student or a teacher, standard dress for scholars was clerical garb. Most medieval scholars had made certain vows, and had at least taken minor orders with the church so clerical robes were their main form of dress to begin with.

Back in 1321, the University of Coimbra declared that all Doctors, Bachelors, and Licentiates must wear gowns. Excessive in apparel was forbidden later on in the 14th century in some colleges and to create uniformity suggested everyone wear a long gown.
