No One Hurt In Iuka Train/Truck Crash At McKinney Crossing

A train crashed into a truck trailer at an Iuka railroad crossing Wednesday, Aug. 17, resulting in damage to the vehicle, but no injuries.

Despite attempts to remove the lowboy trailer from the railroad track, the driver of the truck could not get it dislodged before the train traveling toward it was able to stop.

The train hit the trailer, which was still attached to the truck cab, at McKinney Crossing (Spring Street) and carried it down the tracks to an area about halfway between the crossing and Fulton Street. No one was injured in the accident, according to Iuka Fire Chief Brian Grissom.

It appears that the driver of the truck, Phillip Bonds of

the Bonds Company of Burnsville, was pulling the lowboy trailer loaded with a road grader, when he turned north onto Spring Street (street next to National Guard Armory). He was headed to a job on Eastport Street when his trailer got stuck on the railroad crossing.

Bonds was able to unload the grader from the trailer and used it in an attempt to remove his vehicle. During this time, he also made a call to 9-1-1.

According to the emergency officials, it was only a few minutes after the trailer became stuck that the train came down the Norfolk Southern tracks. It was unable to stop in time to prevent the crash.

According to Grissom, after the trailer, still attached to

the truck cab, was struck by the train, it caught fire as it was being pushed down the tracks.

Calls reporting the incident began coming in to 9-1-1 at 3:22 p.m. at which time they notified the Iuka officials. Firefighters were able to bring the fire under control at the site of the stopped train by approximately 3:45 p.m.

Chief Grissom stated that after the fire was put out, a local construction crew cut a path through the wooded area where the truck and trailer came to rest and used a trackhoe to remove the vehicle from the tracks.

Grissom wished to thank everyone who responded to the scene of the accident and said he was thankful that no one was hurt in the incident.

New Touch-Screen Voting Machines Have Arrived In Tishomingo County

When voters go to the poles in the next countywide election, they will be able to utilize new touch-screen voting machines which have been received by the county.

According to Tishomingo County Circuit Clerk Donna Henry Dill, the Tishomingo County Supervisors have decided to participate in the Statewide Voting System Project which allows our county, at no cost to the county, to receive 36 new voting machines to be placed throughout the county in the 19 voting precincts during elections.

The new machines, Diebold AccuVote-TSX touch screen machines, are HAVA compliant, making them handicapped accessible and ADA compliant. They have a voice-guidance feature which enables blind or visually impaired persons to vote unassisted, in complete privacy, by sequencing through the entire ballot using verbal prompts, according to Dill.

The unit's ballot magnification feature — which can be activated by the voter at any time during the voting process — enables people with limited lights to easily read the touch screen ballot and make selections. The touch screen can be adjusted to several angles to accommodate voters in wheelchairs and ensure maximum voting privacy. Also, the large, bright screen and detachable 10 pound voting tablet provides curbside voting for persons with limited mobility.

Dill stated that the voting machine automatically records and stores encrypted ballot information and election results. Each unit features intelligent voter card technology for unassisted, private voter activation.

How Does It Work
When a person enters the

polling place and is ready to vote, a poll worker will slide a card into a device and select the appropriate ballot for that precinct. This programs the card which will then be inserted

into the machine by the voter. The instructions for use every voting machine. This device securely displays a paper register with the voter's choices clearly printed on it, which the voter can see. When the vote is cast, this printed record scrolls into a locked canister kept inside the machine. This paper record may be used in the event of a recount or election contest in addition to the other recording tolls of the machine. These machines will also reproduce every ballot cast on the machine.

The card inserted into the machine must be reprogrammed before another vote can be cast.

As an added security measure, the machines will also have a "voter-verified paper audit trail" device attached to every voting machine. This device securely displays a paper register with the voter's choices clearly printed on it, which the voter can see. When the vote is cast, this printed record scrolls into a locked canister kept inside the machine. This paper record may be used in the event of a recount or election contest in addition to the other recording tolls of the machine. These machines will also reproduce every ballot cast on the machine.

This is a stand-alone system. This system is not connected to the Internet, therefore there can be no security breach within this system.

Six Candidates Certified To Run In Burnsville's Special Election

Hearing On Summary Judgement Planned For Monday

At the close of qualifying Wednesday, Aug. 17, six candidates had qualified to run in a special election, planned for Sept. 6, for the position of Burnsville mayor, but a petition filed by one candidate could stop the election altogether.

The municipal election commission certified candidates Travis Brewer, David Nixon, Dainie Lambert, Donnie BoBo, A.T. Marlar Jr. and Bridgette Conaway on Thursday, Aug. 18, making them eligible to run in the special election.

On Thursday, the day after qualifying ended, candidate David Nixon, through his attorney Danny Lowery of Corinth, filed a petition for an injunction which would halt the special election until the judge can rule on his request for a summary judgment concerning the results of the general election.

"My client only asks for a 10 day temporary restraining order—not a long term delay—just to get the general election

issues decided first," Lowery said. "If the judge were to rule in favor of my client in the general election, it would do away with the special election. This would save the town the money it would cost to hold another election."

The request for the summary judgment was filed in Tishomingo County Circuit Court on Tuesday, Aug. 16.

According to Tishomingo County Circuit Clerk Donna Henry Dill, Circuit Judge Andrew K. Howorth will hold a hearing Monday, Aug. 29, in the courtroom of the Tishomingo County Courthouse in Iuka at 10 a.m. to rule on Nixon's motion for summary judgment. This hearing will be open to the public.

Originally, the date for the special election was set by the city's Board of Aldermen, as state law mandates, following the resignation of Mayor Bobby Johnson on July 21. Johnson had been re-elected to serve as Burnsville's mayor during the

general election held June 7, 2005.

The results of the general election were contested by the second highest vote-getter in the contest—David Nixon—who filed a lawsuit in circuit court over voting irregularities and also the citizenship of Johnson and the other candidate in the race, Travis Brewer. Nixon claimed in the lawsuit that neither Johnson, nor Brewer were actually residents of Burnsville.

Nixon has asked for a summary judgment from Judge Howorth which would declare him winner of the June 7 general election based on these objections.

Lowery said that if the judge fails to rule in his client's favor, the lawsuit in the case is still pending, which would involve a jury trial.

"My client believes he was the only qualified candidate who ran in the general election and should be declared the winner," Lowery said.

Happy 15th Anniversary Brenda & Mack Love, Your Families

Mr. Fred Marlar, Miss Sharon Byrd, Librarian, Burnsville School Children: John Mark Odom, Will, Abbie, and M'Lynne McMillan

Mr. Fred Marlar Delivers Books

August 19, 2005, Mr. Fred Marlar, representing Burnsville High School Class of 1960, delivered the second shipment of new children's books for the Burnsville School Library for this school year. Three to four shipments of new books have been delivered each year for

the past five years. Enjoying the new books are John Mark Odom, son of Mr. and Mrs. Mark Odom, grandson of the late, Mr. Jack Odom and Mrs. Lona Odom. John Mark is in Miss Debra Wheeler's fourth grade class. Will and M'Lynne are the children of Mr. Randy

and Mrs. Janice McMillan. Abbie is the daughter of Mr. Rodger and Mrs. Pam Tucker McMillan; all three are the grandchildren of Mr. Larry and Mrs. Pat Hatcher McMillan. Will is in Mrs. Tammy Davis' first grade class, Abbie is in Mrs. Deborah Marlar's first grade class, and M'Lynne is in Miss Debra Wheeler's fourth grade class.

I believe these beautiful, intelligent, children love books so well because they were read to often and at an early age. Reading to children instills a lifelong love of reading. After our class reunion in 2000 we decided to continue the book donation Project for Burnsville School Library. To date over three thousand dollars in new children's books has been donated to the school library. We feel our children having good books and a wonderful library is of utmost importance for their success in life.

It is a pleasure to work with Miss Sharon Byrd, Burnsville School Librarian and the fine teachers and staff at Burnsville School. It has been an honor to serve as the Coordinator for the Burnsville High School Class of 1960 Book Donation Project. I thank the other members of the Library Committee: Mr. Fred Marlar, Mrs. Pat Hatcher McMillan, Mrs. Dee Feltman Thomas, and Ms. Eunell Skinner over the past five years for their help and support of our school projects.

Mr. Fred Marlar, also, presents two "Most Improved Reading" awards at the end of each school year. Janet presents three essay awards each year in memory of her grandfather, Mr. J.L. Cummings. We have donated books in honor of Mrs. Vivian Hatcher, Mrs. Lessie Newcomb and in memory of Mr. M.L. Hatcher, O.L. Robinson's mother and Mrs. Sylvia Williams Rushing, Brenda Joyce's two daughters and our four classmates that are deceased. Mr. Jack Odom, Mr. Junior Twitty, Mr. Billy Joe Skinner and Mrs. Martha Woodruff Hendrix.

Iuka Ford Donates Parts to Tishomingo County Vocational School's Auto Mechanics Class

Iuka Ford is proud to donate parts to the Tishomingo County Vocational School to be used in the Auto Mechanics classes taught by Charles Bowling. Bowling said these auto parts, which include a Mustang transmission, 3-rear end assembly transfer cases, steering gears, and live-wire throttles will give

the students the actual "hands-on training" that is so important in educating students on new technologies in the auto industry.

Doug Bonds from Iuka Ford said, "We at Iuka Ford are proud to be able to donate to the Tishomingo County Vocational School car and truck parts

that will enable the students to experience an opportunity to study and have a "hands-on experience" in the development of technology in the automotive field. We take pride in being part of Tishomingo County's helping our school system and the student every opportunity excel."

RUNNING INTO INTERFERENCE

Nuisances are inconveniences caused by others, whether intentionally or as a result of negligence. These nuisances, which can be private or public, are invasions or interferences of any kind that get in the way of a person's enjoyment of his or her personal property. A public nuisance involves interference with the public's right to use, have access to, or enjoy property. When such interferences arise, such as the encroachment of a neighbor's tree limb that is causing damage to an adjacent home, a person may address the situation by asking the neighbor (in writing) to correct it. If that fails, these and other nuisances should be put in the hands of attorneys in the attempt to get satisfactory resolutions.

When you need legal assistance with a nuisance, such as loud noises, noxious smells or another reason that is preventing the enjoyment of your property, contact our office to schedule a consultation. We handle many areas of law and litigation including personal injury, social security issues and criminal law. Come to experience you can trust.

INSIGHT INTO EYESIGHT

Dr. Phillip Gray
OPTOMETRIST

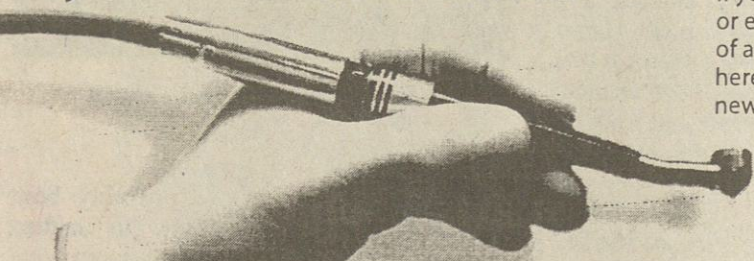

Offset Images

Because the eyes are about two and one-half inches apart, each eye receives a slightly different image. You can readily see this if you place your finger eight inches in front of your nose, close one eye at a time and watch your finger change its apparent position.

Deep within the brain there are special cells which match the offset images from the two eyes to yield a sense of depth.

To maintain this system very precise and intricate alignment of the eyes is necessary. There are muscles which control focus of each eye. Horizontally, the alignment must be within a few degrees vertically, even less. The very narrow range of vertical alignment explains why people with one eye sighted slightly higher than the other experience difficulties, and may even go double. You can appreciate the importance of testing the faculty during an examination.

Residents Warned About Jury Duty Phone Scam

If you receive a phone call asking for personal information and a threat concerning jury duty, it is a scam, according to information from the United States District Court for the Northern District of Mississippi.

Apparently, callers using a new telephone scam designed to obtain confidential information which can be used for iden-

tify theft or credit card fraud, has been targeting citizens in the Northern Judicial District

The callers, claiming to be court officials, are threatening to charge fines because a citizen failed to report for jury duty. They use this threat to get the person's social security numbers, names of family members, credit card numbers, banking information, etc.

These calls are not from real court officials and if anyone receives one of these calls, they should not give out any information, according to a press release issued from the court district.

Federal courts do not ask

anyone to provide sensitive information in a telephone call. Most contact between the courts and prospective jurors will be through the U.S. Postal Service.

Anyone who receives a call, asking for this type of information, should report it to the Clerk of the Court, United States District Court for the Northern District of Mississippi in Oxford, MS at (662) 281-3032.

Leading the Tishomingo County Braves during the 2005 football season will be Coach Charlie Dampeer and assistants, T. J. Seago, Brian Kelly, Jason (Rhudy) Randolph, and Jackie Beals. The first game of the season is this Friday night at Braves' Field. Come out and support the Braves.

Meet the Braves Thursday Night! Watch Them Play Friday Night!

New Tishomingo County High School football coach, Charlie Dampeer is a 23-year veteran of coaching. He comes to TC from Saltillo. During his football coaching tenure, he has also coached at Saltillo, Mendenhall, Kossuth, Columbus, Clinton, and in Miami, Florida.

Coach Dampeer says that returning to the Iuka area is a long-time dream. He is a graduate of Iuka High School where he was a member of the football team. He adds that he has always wanted to come back

"home."

Dampeer is the son of Charles Dampeer, a former pastor at Iuka Baptist Church, and Marion Dampeer, a former teacher at Iuka Elementary School.

Charlie Dampeer and his wife, Donna, have three children: Brooks, who is coaching this year at UNA; Baylor, who is playing football this year at UNA, and Blair, who is a senior at TC. Donna is a sixth-grade teacher at Burnsville.

Coach Dampeer says the first weeks of practice have

been good and that he sees improvement every day. In the spring scrimmage, the Braves put lots of points on the scoreboard, and in last week's scrimmage against Ripley, the Braves were victorious over the Tigers 14-7. The Braves are spending this week perfecting the offensive and defensive ready for action Friday night against the Golden Bears from Alcorn Central.

Everyone is encouraged to come out for the 7:00 kickoff on Friday, August 26th, 2005.

"BELL" & WHISTLES Grand Slam By Junior Brandy Bell Drew Some Whistles By The Braves Fans

Lady Brave Action against Tupelo Thursday proved to be another "nail biter" as the Lady Braves managed only 7 hits, scoring only one run. The Golden Wave was held scoreless till the top of the 7th inning when Tupelo's bats came alive, scoring 4 runs, on 4 hits. The Lady Braves are unable to make up the deficit in their last "at bat", defeated 4-1. Sophomore, Devin Reader, had 2 hits.

On Friday, the Lady Braves, decked out in their new gray and blue uniforms, hosted Biggersville in a revenge game, exploding with 17 hits, including a grand slam homerun by junior, Brandy Bell. Eight runs scored in the first inning made

it difficult for Biggersville to regain composure, scoring only 3 runs in the third inning on some tough Lady Brave errors. The final score was 13-3. Multiple hits for this game were contributed by those "KILLER B's": Addy Brown (2), Emily Barnes (2), Brianna Barnett (3), Brandy Bell (2), Anna Taylor (2), and Kirby Lambert (3).

Tuesday, the Ladies travel to Alcorn Central; and Saturday they will get plenty of fun in the sun, at the Booneville Tournament with play beginning at 10:00 a.m. Remember, to buy barbecue tickets from any Lady Brave or Booster. Take-outs or eat-ins will be available before the Home football game against Mantachie.

a contest with \$100 prize for the student dressed in a costume displaying the most school spirit and a contest that can be won by just being present. Come out and support the TCHS football team!

INDIAN FOOTBALL

By Shelby Waddell
"Jamboree Edition"

"Wilson Falls 14-7
In Barn Burner"

I guess you could call it an upset. But I will just call it a win over a Level 4A school. However, the fact remains the record is 0-0. It started with a pass from Patrick Montgomery to Jr. Long in the end zone with

a Matt Stanfield P.A.T. The score was 7-0 with Cherokee leading. Then Wilson scored making it 7-7. It was in the Fourth Quarter when Cherokee scored off a Chris Mead run with a Shelby Waddell P.A.T. to end the game. For the most part, it was a good game with

good effort and is probably start of something big.

Life is full of decisions and choices. Sometimes our choices are simple, plainly obvious; however, at other times they don't seem so clear to us. But regardless of the task, question, or problem we face, they all require solutions, which cause us to have to choose a path to take to solve our dilemma. At times the answers to all of our troubles are nowhere in sight, appearing to be hidden. Often we feel lost; however, no matter what tough times we encounter, we should always strive to make good decisions. Choices made today will not only affect our lives at the present, but also greatly affect our lives in the future, along with the lives of our family and friends. I encourage each of us to challenge ourselves to make wise decisions. Undoubtedly a difference will be noticed in our lives and also in the lives in which we come in contact!

• The ACT will be given at TCHS in October. Forms can be picked up in Mrs. Ward's office.

• Student Council meets every Tuesday morning at 7:30 in Ms. Jones' room. It's not too late to come and be involved!

• FCA meets every Friday morning at 7:30. Everyone is invited to attend.

• Tutoring is offered Monday-Thursday after school, 3-4 P.M. in Ms. Key's room (room 233). There are now 2 teachers, so feel free to come get some extra help.

SPORTS ANYBODY?

• The Lady Braves continue to battle the heat as they play and practice. And speaking of practice, it definitely must be paying off! The varsity team defeated Corinth on Tuesday, August 16th 6-4. They suffered a loss of 4-1 to Tupelo on Thursday, August 18th, but quickly bounced back on their feet to defeat Biggersville 13-3 on Friday, August 19th. The junior varsity continues to defeat all of their opponents with wins against Corinth 8-0, Tupelo 4-0, and Biggersville 15-0. Did anyone notice that our JV girls didn't let their opponents score at all this past week?? GREAT JOB TO BOTH THE VARSITY AND JUNIOR VARSITY!

Upcoming games: August 22nd - New Site (home)
August 23rd - Alcorn Central (away)
August 27th - Booneville Tournament (away)
August 30th - Ripley (home)

• And speaking of winning, has anybody checked out the football team? This past Friday in a pre-season game against Ripley, TC guys overcame their opponents 14-7! What better way to 'kick off' a football season! GREAT JOB TO THE FOOTBALL TEAM!

• "Meet the Braves" is Thursday night at the football field. Hamburger/hotdog plates will be sold for \$5. There will be

Boys & Girls Club Begins 3rd Year In Iuka

The start of school marked the beginning of the Boys & Girls Club's third year in Iuka. Thanks to support from the Tishomingo County School District, parents, local businesses and organizations such as Tri-State Educational Foundation, the Boys & Girls Club of Iuka has gained momentum in year.

During the school year, the Club's focus is on assisting its members with their homework. Two grants are vital to the success of this endeavor. JC Penney funds the Power Hour program and the 21st Century Learning Center compensates highly-qualified tutors and equips a computer lab. Neither grant is guaranteed from one year to the next.

"Being a school-based club has really strengthened

our Power Hour program," said Devin Lovelace, Iuka unit director. "Our relationship with Iuka Elementary School is a win-win situation for us, the school, our members and their parents."

"During the summer, we are able to offer five or six Boys & Girls Clubs of America programs," said Debbie McAnally, program director. We scale this back to two or three national programs when school begins so we can focus on homework assistance."

But it's not all work and no play by any means.

"Every training conference we attend stresses the need for our members to have fun while they are at the Club," Lovelace said. "We believe that we consistently offer a well-rounded

after-school program. We ask our kids to buckle down during Power Hour and then we reward them with fun activities."

"Early on, our Board of Directors had the foresight to emphasize homework completion as one of our main goals,"

McAnally said. "We have seen our members' grades improve and their self confidence increase."

But the Boys & Girls Club continues to seek funding to continue their programs.

"During the next few years we are going to rely heavily on financial support from the community and local fundraising to make sure we can continue our successful after-school programming," said Donnie Brown, president, Boys & Girls Club of Iuka Board of Directors.
