#### Ronny Stricklen & Toney Mobley To Serve As Grand Marshalls

Mayor Jackie Bryant and the City of Iuka Board of Aldermen would like to invite everyone to come join us for this year's Iuka Christmas Parade to be held on Friday night, December 2, 2005 beginning at 6:30 p.m.

The theme for this year's parade is "Home for Christmas." This theme was chosen in honor of our National Guard Unit which will be returning in December and January from Iraq.

The parade route will begin on Battleground Drive. The floats and other entries should line up at the empty lot located south of Iuka Ford and the horses should join the lineup beginning at Harwell Drive (street south of First American Drive). The parade will travel north on Battleground to Quitman Street where it will turn right onto Quitman and proceed east to Mineral Springs Park. Each entry will be announced before the judges stand in Mineral Springs Park.

We would like to encourage the community to take the opportunity to gather with friends, family and neighbors to celebrate the spirit of having everyone home for Christmas. As we all know, Santa Claus will be flown in from the North Pole and will be riding in his sleigh at the end of the parade to greet the children and provide them with candy treats. Please allow the Parade committee to have the only Santa in the parade.

#### 2005 Parade Grand Marshalls

The parade committee has chosen Ronny Stricklen and Toney Mobley to serve as Co-Grand Marshalls in this year's Iuka Christmas Parade. The committee is very proud to honor these civic minded citizens who both have been very active in the city's Christmas parades in past years.

Ronny has been assisting with the Christmas parade in Iuka for many years. He and his wife, Theresa, have a son and daughter-in-law, Wesley and Amanda Stricklen, and a daughter, Christina Stricklen.

Ronny is very active in the community and has volunteered many hours to various service projects to benefit our community. He is an active member of the Iuka Rotary Club and has formerly served as President of the Iuka Rotary Club. He has assisted with the American Cancer Relay for Life for several years and is involved with the Youth Directors of the Tishomingo County Baptist Association. Ronny has been employed with BancorpSouth of Iuka (formerly Iuka Guaranty Bank) for the past 29 years.

Toney also has been assisting with the Christmas parade in Iuka for many years. He and his wife, Amanda, have two daughters and sons-in-law, Jessica and Michael Verdin of

Ronny Stricklen & Toney Mobley

Olive Branch, and Dana and Will Lewis of Jackson.

Toney, who has recently moved home to Iuka, has been an employee of Fred's for approximately 25 years and has served in many capacities including his current position as manager in the Iuka store.

Throughout the years he has been a member of many civic, community and volunteer organizations including the Lion's Club, Iuka Chamber of Commerce, Tishomingo County Development Foundation, American Cancer Society, as well as being involved in many other community projects. He is a member of the Iuka United Methodist Church. Although Toney has had to travel in the last few years due to his career, he said he is glad to be back home in Iuka and looks forward to getting involved in more community projects.

Both Ronny and Toney said they feel very honored to have been chosen as the city's co-grand marshalls for the 2005 Iuka Christmas Parade.

### Southern Corner Stones

Chronicles & Epitaphs from the old Tishomingo County Courthouse

#### Martin Retirement stirs Memories of Historic Iuka, Miss., Agency

Berry L. Martin was the third man to hold the job of station agent at Iuka. Original agent at this Mississippi point was John Marshall Stone, who served until elected State Senator and who went on to become Mississippi's Governor for 13 years. The second agent was Edwin Merrill, grandfather of aviator Dick Merrill.

Voluntarily retiring after 56 years of active railroad service with one company is the unusual record of Brother Berry L. Martin, 75-year-old station agent for the Southern Railway at Iuka, Miss., and since December 9, 1922, a member of the Benefit Association of Railway Employees. Brother Martin's retirement was on account of ill health and is generally regretted by the many close friends he has won in and about Iuka as agent in the town's historic station. Officials of the Southern are sorry to see him leave the job he has done so well, and have not as yet appointed his successor.

To old timers versed in the lore of the section, the resignation of Berry Martin brings to mind the fact that though the Iuka agency is 81

years old, there have been but three agents, two of whose combined service extends over three quarters of a century, a fact perhaps unequalled and certainly not excelled in the United States. The position Brother Martin held in the Iuka office has come to be looked upon as a lifelong job.

It was in the years before the Civil War that the Memphis and Charleston Railroad, now part of the Southern Railway, was completed at Iuka, and John Marshall Stone, later hero of the Confederacy and still later Governor of the State of Mississippi, was appointed the first agent.

The Memphis and Charleston road was the outgrowth of many roads, namely the Memphis and LaGrange road, built in 1873 and over which the first train was run out of Memphis; the Tuscumbia Courtland and

Decatur road in north Alabama built by slave labor in 1832, one of the first roads in the United States; the South Carolina road; the Western and Atlantic; and the Chattanooga and Nashville road. These roads were built from the east and the west and came together at Iuka, where a great celebration was held and a golden spike driven to

commemorate the event.

In a few years, the war clouds burst over the nation and Stone, with every other able bodied man in the town, enlisted in the Confederacy. The office was closed. Trains were run at intervals, first by one side, then the other, to transport troops. Following the war, Stone, who was colonel of the regiment he had organized, came back to Iuka and again took up the work of railroading. He served until elected State Senator, from which place he went to the Governor's chair for 13 years.

During the years after the war, Stone had a clerk in the office who, upon Stone's resignation, took up the work. This was Mr. Edwin Merrill, whose interest in the work is illustrated by the fact that he served 35 years without a vacation. While Merrill was the Iuka agent, Rube Burrows, a notorious desperado of the era, and his gang of outlaws were making the lives of agents guarding the money of the railroad and express companies extremely hazardous. Pinkerton, the great detective, visited Iuka many times in search of the outlaws, who were at last captured.

It was said of Mr. Merrill, whose grandson is the noted aviator, Dick Merrill, that he attended to the business of the office so closely that he was not seen on the streets of the town for more than 15 years.

Learning telegraphy in its infancy, when the messages were taken on the old time instruments using ticker tape with the dots and dashes, Merrill never did teach himself to depend on his ears alone. He continued to use the outmoded instruments. Some of these ancient instruments are now treasured for their historical value.

In 1898, Brother Martin, then 35 years old, came to Iuka from Madison, Ala. He was born at Madison and had been agent there for 10 years. At the time he took charge of the Iuka agency, troops were passing daily for the concentration camps at Fort Oglethorpe, Georgia, later to go to Cuba to

take part in the Spanish American War.

Iuka was at that time the receiving and distributing point for all freight, express, and mail for the County of Tishomingo in Mississippi, the adjoining County of Hardin in Tennessee, and parts of Colbert and Franklin Counties in Alabama. Great caravans of covered wagons bringing cotton, eggs, chickens, furs, and other produce came to Iuka and carried back merchandise of all kinds for the country stores. A week was allowed for the trip, camping outfits being part of the cargo.

In 1907, the Birmingham Division of the Illinois Central Railroad was built. It passed through the southern part of the County, and Iuka became the distributing point for all the tremendous business incident to that undertaking. Machinery of all kinds was transported over the rough County roads by ox and mule wagons.

With the building of the Pickwick Dam in Tennessee, Iuka, the nearest railroad point, prospered further when most of the machinery for the Dam was billed to this point and carried by truck to the river. Business increased enormously with the growth of freight, express, and almost unbelievably large telegraph tolls. All government business had to be done in triplicate, which required a great amount of painstaking work.

The above information as transcribed from a newspaper clipping contributed by Webb Robertson of Iuka, MS. This clipping marked "page 3" is dated July 1938, but it is not known whether it was obtained from the Tishomingo County News-Vidette or not. It was transcribed by RaNae Vaughn on November 7, 2005.

### INSIGHT INTO EYESIGHT

Dr. Phillip Gray  
OPTOMETRIST

How Contact Lenses Work...

The front and back surfaces of contact lenses serve different functions. The back surface is designed to fit the contour of the cornea itself as closely as possible in order to make the lens fit comfortably and, in the case of a hard lens, to provide a new, round, smooth surface.

The front surface is designed to fit your prescription, which corrects your refractive error. How well your eyes are examined and measured, and how closely the contact lenses size, fit, and shape come to these measurements are, therefore, critical factors in determining how successful you will be wearing your lenses.

Today, your chances of being successful with contact lenses are better than ever before. Everything is done with highly sophisticated and accurate optical instruments, in combination with the optometrist's experience and knowledge. Contact lenses can now remedy almost any vision correction needed.

#### PASSENGERS INJURED DUE TO DRIVER NEGLIGENCE

Have you ever wondered what legal recourse passengers have when they are injured in crashes that are the fault of the drivers of vehicles in which they are riding? Before injured passengers bring suit against the driver of the vehicle, their status must be determined. A guest is defined as anyone who is invited to enjoy the hospitality of a driver of a motor vehicle. In most cases, passengers are injured while the guest drivers must be able to prove that the driver acted grossly negligently. A driver was under the influence of alcohol. As in other negligence suits, the injuries suffered must be directly related to the grossly negligent operation of the vehicle.

Being injured by another's negligence while managing the result can be extremely difficult under the best of circumstances. At my firm, we strive to make a positive difference in the lives of clients by assisting them genuinely concerned, efficient and professional manner. When you are involved in a personal injury matter, our office to schedule a consultation.

HINT: Gross negligence can be defined as the conscious disregard for the potential consequences of one's conduct.

## 2005 Audit Completed For The Food Depot

This year's audit for The Food Depot was completed on Wednesday, September 27th. Art Gaines, Treasurer, presented all files, bank statements, deposit receipts, cash receipts and the charity's checkbook to the audit team.

Those serving on the team were: Hurchel Robertson, Dale Moore, Herbert Thomas, Jr., Hosea Thorne, George Monroe and Ronny Stricklen. Mr. Stricklen served as host and audit leader.

All records and financial statements were found to be in proper order.

"This is a county-wide interdenominational ministry.

We rely solely on the gifts of God's people and His church groups. Some grant money does come our way, but the steady day-to-day funding comes from individuals and businesses as they see fit to support us. These folks have a right to know where that money goes. An annual audit is the most responsible way I know to let people see what's going on," Gaines said.

If you would like to help our fellow Tishomingo County citizens, you may, by mailing a tax-deductible donation to: The Food Depot, P.O. Box 36, Iuka, MS 38852.

## Iuka Middle School Basketball News

The Chieftains and Lady Chieftains faced two tough opponents last week as they hosted Belmont on Monday night and Corinth on Thursday night. Game stats and notes were not available at print time for the boy's games last week.

Versus Belmont - The 7th grade Lady Chieftains and Lady Cardinals battled hard against each other in a game that was close the entire way. The game was tied at halftime 10-10. Iuka had a strong third quarter but Belmont came roaring back in the final quarter. Coach Malcolm Brown pointed out that his team was on 7 of 26 from the free throw line. "We must do a better job shooting free throws" said Brown. The Lady Chieftains were able to hold off the charge and win the game 21-20. Jasmine Shannon had 9 points, 13 rebounds and 5 steals to lead Iuka. Milli Brown added 4 points, 6 rebounds, 4 steals and 2 assists. Kelsey Rone had 3 points, 3 rebounds and 4 steals. Miranda Parsons had 2 points, 1 rebound and 1 steal. Marley Tigner had 1 point, 1 steal and 1 assist. The 8th grade Lady Chieftains and Lady Cardinals played a hard fought game that could not be decided in regulation and went into overtime. Iuka came out strong in the first quarter with a 9-1 run but Belmont responded with a run in the second quarter to cut into the lead. Iuka led 13-10 at the half. The third quarter belonged to Iuka and Belmont responded with a very good fourth quarter. The game was tied after regulation 31-31. Belmont outscored Iuka 7-4 in overtime to take the game 38-35. Coach Brown said, "This was a good, hard fought game". He added, "We put Belmont on the free throw line too much". Belmont was 19-27 from the charity stripe. Tiffany Flynt paced Iuka with a double-double with 12 points, 12 rebounds and 3 steals. Bailey Bullock had 7 points, 6 rebounds and 1

steal. Carlee Puckett had 7 points, 1 rebound and 1 steal. Shelby Bonds had 7 points, 7 rebounds and 2 steals.

Versus Corinth - The 7th grade girls faced off against Corinth Thursday night and once again found themselves in another tight game. A very tight first half saw Iuka with the edge 8-6 at the midway point. Corinth took a lead in the second half and Iuka came back with a good chance to take the win but fell short in a 22-19 loss to the Lady Warriors. Once again Coach Brown said free throws were the difference in the game. Iuka was 1-9 from the free throw line. "Free throws were the difference in the game" said Brown. Iuka was led by Jasmine Shannon with 9 points, 4 rebounds and 1 steal. Milli Brown had 8 points and 4 rebounds. Tige Philamlee added 2 points, 4 rebounds and 3 steals.

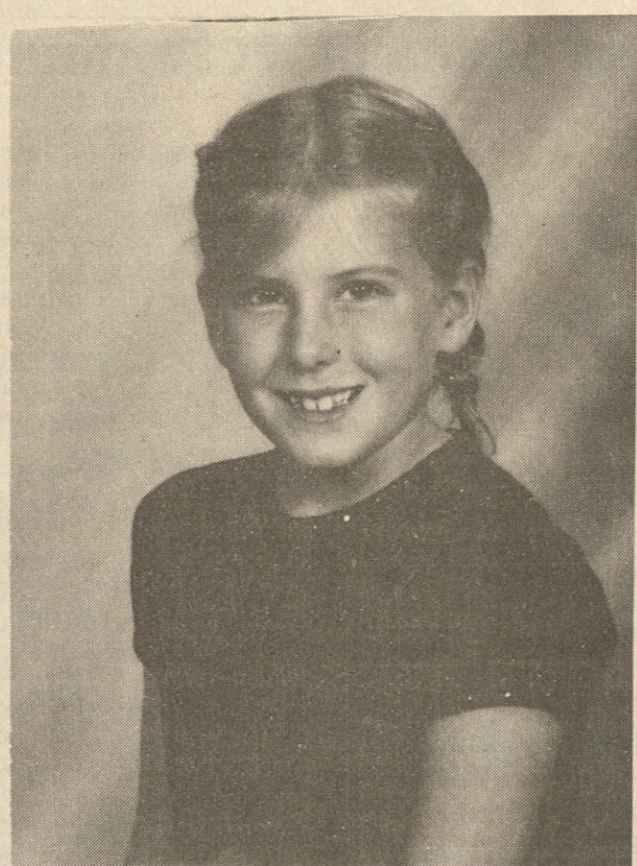

The 8th grade girls found themselves in another barn burner for the second game in a row. Iuka came out slow and couldn't find the basket as they trailed at the half 24-15. The Lady Chieftains came out strong in the second half with good defense to hold Corinth to just 8 points in the second half but missed out on a last second game winner and lost the game 32-31. Coach Brown pointed to the slow start and again to free throws as the difference in the game. Iuka was 5-14 from the free throw line. Leading Iuka was Shelby Bonds with 10 points, 7 rebounds and 3 steals, Tiffany Flynt had 9 points and 5 rebounds. Pazlee Walker had 4 points, 1 steal and 1 rebound. Carlee Puckett had 3 points and 1 steal. Courtney Tigner had 4 points, 1 rebound and 1 steal. Bailey Bullock had 2 points and 1 rebound.

The Iuka teams traveled to Corinth on Monday, November 28th and Iuka will host Hardin County on Thursday, December 1st. First game begins at 5 p.m.

The Lady Mustangs from Burnsville performed exceptionally well against opponents the week of November 14th. The Mustangs swapped hoops with Hills Chapel and Kossuth on the 14th and the 17th. The 7th grade Lady Mustangs first

out-scored the Hills Chapel Patriots in a nail-biting performance that the 'Stangs won 16-14. Leading scorer was Kalee Wright with 7, Kayla Jo Crawford 4, Sarah Carmack 4, and Megan Allred with 1. The 8th grade Lady Mustangs put on

another nail-biting performance by falling behind 15 points early in the game. The second half became a different game when the Lady Mustangs staged a comeback on the Patriots and brought the contest within 2 points. However the clock was not on their side and the final score found the Lady 'Stings

423-6179, Hafford Luttrell at 424-0189, Robert Stringer at 423-6241 or Jimmy Bailey at 423-9213.

## Christmas Angel Tree Adoptions

Tishomingo County Families First, the Pilot Club of Iuka, Junior Auxiliary, and the Salvation Army are combining their efforts to make Christmas a little happier for children in Tishomingo County.

And, these organizations need your help in reaching the children of Tishomingo County. Look for the Angel Adoption site at Wal-Mart during the Thanksgiving Holiday.

You may also call Families First at 423-7318 to adopt an angel.

## Independence Square Lighting Of The Neighborhood December 10-11

Everyone is invited to come out and enjoy the annual Independence Square "Lighting of the Neighborhood," planned for December 10-11 (if raining, it will be rescheduled for December 17-18).

This beautiful annual holiday event is a great way to get family members together and awaken the "Christmas Spirit" for the season as you leisurely drive through the neighborhood and admire all of the festive display of lights and seasonal scenes.

Also, again this year, the Independence Square neighborhood will be accepting donations for the Food Pantry. A tent will be set up for drop-offs and also, many of the residents will be out in the neighborhood accepting donations.

Make your plans now to come out and join us for this special holiday event.

## TCHS Smoke Signals by Jenni Nichols

With November quickly coming to a close and December fast approaching, undoubtedly everyone has begun to notice a new pace in our lives. Bustling shoppers, extravagant Christmas decorations, and joyful holiday music, the world around us seems to have miraculously transformed over night into a winter wonderland. Everywhere we go, bright lights and festive activities bombard us. At times like these, it is all too easy to 'lose' ourselves in the holiday rush that awaits. Leaning on family and friends is a wonderful way to secure ourselves in hectic times. The scenery around us may be quickly changing, but family and friends will always be there for us to rely on every day of every season.

I hope everyone enjoyed this past week out of school for Thanksgiving holidays!

The Student Council annual can drive is currently taking place. Be sure to bring cans! Money will also be taken up

with \$0.25 equally one can. Each grade will be in competition with the others to see who can collect the most cans/money, and the winners will be awarded. This is a great way to get involved in

the community and have a little 'friendly' competition with your fellow classes!

- Progress reports will be going out this Thursday.

- Basketball season is in full swing so be sure to come support the Braves and Lady Braves!

- Christmas Break is quickly approaching, which means semester exams are too. Exams will be given on all material covered the first semester, so be sure to start preparing.

- Student Council meets every Tuesday morning at 7:30 in Ms. Jones' room.

- FCA meets every Friday morning at 7:30 in the auditorium.

## United Blood Services Announces URGENT Need For O-Negative Blood Donors

United Blood Services today announced an urgent appeal for type-O-negative blood donors. "Currently we only have one day's supply on the shelf," said Judy Roat, Director Community Relations.

Donors can donate at our main facility or call for other blood donation opportunities. Donors may call 662-842-8871 or visit [www.UnitedBloodServices.org](http://www.UnitedBloodServices.org) to make a convenient appointment to donate.

Only six percent of the population has O-negative blood, yet at hospital trauma centers, sometimes as much as 12 percent of the blood transfused is O-negative. That's because O-negative blood is the universal blood type.

"It can be given to anyone in an extreme emergency situation when there is no time to

crossmatch the donor's blood with the patient's," explained

Roat, United Blood Services, this area's non-profit community blood service provider. "When you do the math, our community needs people who are O-negative to give blood at least twice as often as everyone else!"

Another special need for O-negative blood is in the treatment of babies. Neonatal care facilities require fresh units of O-negative blood each day to treat their tiny patients.

"Every 2-to-3 seconds in this country, someone needs blood. And you never know when you or someone you love will be the one. We all expect blood to be available when we need it, but only a few of those who can give actually roll up their sleeves.

Roat, United Blood Services, this area's non-profit community blood service provider.

Paul Whitlock, Tishomingo County Tax Collector would like to remind all taxpayers that tax statements have been mailed and the books will be open December 1st for payment of 2005 taxes. Real and Personal taxes may be paid after December 1st and must be paid before February 1st, 2006 to avoid a penalty.

There are some things that you should know as a taxpayer that will make paying property taxes easier and more convenient.

(1) If you have a question about your taxes, assessment, number of acres, etc., you need to get those questions answered before mailing or coming to pay.

(2) If you purchased property during the year, the Tax Notice will be in the prior owner's name and address.

(3) If you would like to

pay by mail, you may do so by mailing your payment to Tax Collector, 1008 Battleground Drive, Iuka, MS 38852.

(4) The office is open from 8:00 a.m. until 5:00 p.m., Monday through Friday, if you want to come in.

(5) It is very important, if a mortgage company is responsible for paying your taxes, to mail the statement to the mortgage company, if it comes to you.

If the office of the Tax Collector can be of help to you with your car and truck tags, car and truck titles, mobile home registration, privilege license, disability forms, or the paying of your taxes, please don't hesitate to call 423-7048.

We appreciate the opportunity of serving you. Thank You, Paul Whitlock Tax Collector

## Journey To Bethlehem...

Beginning on Thursday, December 1st and running through Saturday, December 3rd each night from 7:00 until the last guest has made the journey, visitors can travel back in time to Bethlehem.

Ten live scenes with over 100 costumed participants will recreate the Biblical journey from Isaiah's prophecy to the manger where Christ was born. Travelers ride on a wagon with a narrator and watch and listen as the scenes are played out.

The church is located on Highway 25 just North of the intersection with Highway 4. Special arrangements can be made for handicapped travelers and all travelers will be invited to join in refreshments at the church when the journey is finished.

Your holiday celebrations will have a wonderful beginning with this unique retelling of the story of Christ's birth. Bring your family, friends, and church classes and be blessed!

## PASTOR'S TIDBITS

The Right Of Jesus Christ To Be The Judge

Joel speaks of the judgment that will take place at Armageddon, through the hands of Jesus Christ. He also seems to allude to an actual judgment of the people of the nations that takes place after the war is over. Joel 3:12-15 says, "Let the heathen be wakened, and come up to the valley of Jehoshaphat: for there will I sit to judge all the heathen round about. Put ye in the sickle, for the harvest is ripe: come, get you down: for the press is full the vats overflow; for their wickedness is great. Multitudes, multitudes in the valley of decision: for the day of the LORD is near in the valley of decision. The sun and the moon shall be darkened, and the stars shall withdraw their shining." John 5:22 says, "For the Father judgeth no man, but hath committed all judgment unto the Son." This is probably the case because of what John 5:27 says, "And hath given Him (Jesus) authority to execute judgment, because He is the Son of man." Men will have no excuse before Jesus, because He is the Son of man, meaning that He took a physical body and lived where we live, yet He did not sin, thus He is qualified to judge sinners!

So, the one man who walked on earth without sinning will be the judge of all sinners. Those who have received Him by faith

have had their sins forgiven and will never face those sins in any time of judgment. We will stand before the judgment seat of Christ to be judged for our service as Christians, but we will not be condemned to the lake of fire with the unsaved! In Joel chapter three, Jesus is also the judge, if we accept what is said about Him in the above

verses. Revelation 14:14-20 has language similar to that of Joel chapter three, concerning the nature of Christ's judgment of sinners at Armageddon.

Perhaps we should also bring into our discussion the teaching of Isaiah 63:1-4: "Who is this that cometh from Edom, with dyed garments from Bozrah? This that is glorious in His apparel, traveling in the greatness of His strength? I that speak in righteousness, mighty to save. Wherefore art Thou red in Thine apparel, and Thy garments like him that treadeth in the winefat? I have trodden the winepress alone; and of the people there was none with Me. For I will tread them in Mine anger, and trample them in My fury; and their blood shall be sprinkled on My raiment. For the day of vengeance is in Mine heart, and the year of My redeemed is come." (I will comment on these verses in the next article.) (Article # 19) Written by J. Briggs King, pastor of Brigrman Hill Baptist Church, Corinth, MS.
