## Daughters Of American Revolution (D.A.R.) From 3 Counties Hold Joint Meeting

Daughters of American Revolution (DAR) held a joint meeting on November 16th, 2007. Chief Tishomingo Chapter (Iuka), LaSalle Chapter (Corinth), and Natchez Trace Chapter (Booneville) met Friday at Ryan's Restaurant in Corinth to hear a presentation on the Kate Duncan DAR School.

The meeting was called to order at 6:30 p.m. by Mrs. Cindy Nelson, Chief Tishomingo Chapter Regent. Mrs. Carolyn Lambert, Regent of the Natchez Trace Chapter, served as Chaplain; and Ms. Bobbie Anthony, Regent of the LaSalle Chapter, blessed the meal with prayer. All those present participated in the DAR Ritual, which included the Pledge of Allegiance to the Flag of the United States of America, reading of the Preamble and the American's Creed, and singing "America," which was led by Mrs. RaNae Vaughn. Mrs. Nelson presented greetings from the President General, Linda Gist Calvin, whose message was to "Spread Warmth and Hospitality During the Holiday Season."

Chief Colbert Chapter in Tusculumbia, Alabama, was applauded on their 100th anniversary.

Following a delicious meal and social time, Mr. Charles Edmonds, Jr., Executive Director of the Kate Duncan DAR School in Grant, Alabama, discussed the history of the school. Kate

Duncan Smith DAR School, Inc., located on Gunter Mountain in northeast Alabama, serves grades K-12 and provides opportunities for the children of a large, rural area in the Appalachian foothills to develop a strong love of American ideals as they obtain a distinctive academic background. Emphasis is upon patriotic education throughout the curriculum. Although the school plant and enrollment have increased greatly in size and number since 1924, the same spirit of dedication to achievement, patriotic and moral values, and service to community and country exists on the campus today as it did in the early years of this unique educational experiment of the Daughters

of the American Revolution.

Kate Duncan Smith DAR School is the only school with grades K-12 in the United States owned and operated by members of the Daughters of the American Revolution. The Alabama Society DAR established the school in 1924 and named it in honor of Kate Duncan Smith (Mrs. J. Morgan), who had been the guiding hand for the Alabama Chapters for 21 years. In April 1928, the Alabama Daughters were joined in their noble efforts by the National Society DAR.

Several possible locations were considered but the selection of the present site was determined by its isolation and great need for

improved educational opportunities; the interest, enthusiasm, and great desire of the mountain people for a school; a highly intelligent native population, many of whom were descendants of Revolutionary ancestors; and the beauty of the site on the edge of Gunter Mountain overlooking historic Kennamer Cove.

Kate Duncan Smith is more than just a school for mountain boys and girls. It is woven and ingrained into the hearts of its students and graduates and has become the major force in the development of the local population educationally, economically, socially, physically, and spiritually.

The "Gem of Gunter Mountain" stands as a monument to the love and devotion of the DAR. Because of the love and concern of Daughters everywhere, this Gem sparkles more brightly each year.

Ms. Helen M. Nixon of Chief Tishomingo Chapter presented Mr. Edmonds with a monetary donation for the school.

Members and guests present who not presently mentioned were Rosa Spencer, Mildred N. Hill, Mary Ledbetter, Hugh D. Bristrell, Nancy Kezir, Frances Ramer, Fredda Sanderson, Martha Dobbins, Mary Sue Wright, Robert Wright, Eunell Handy, and Jessica Wildman.

### PUBLIC HEARING NOTICE FOR INITIAL HEARING

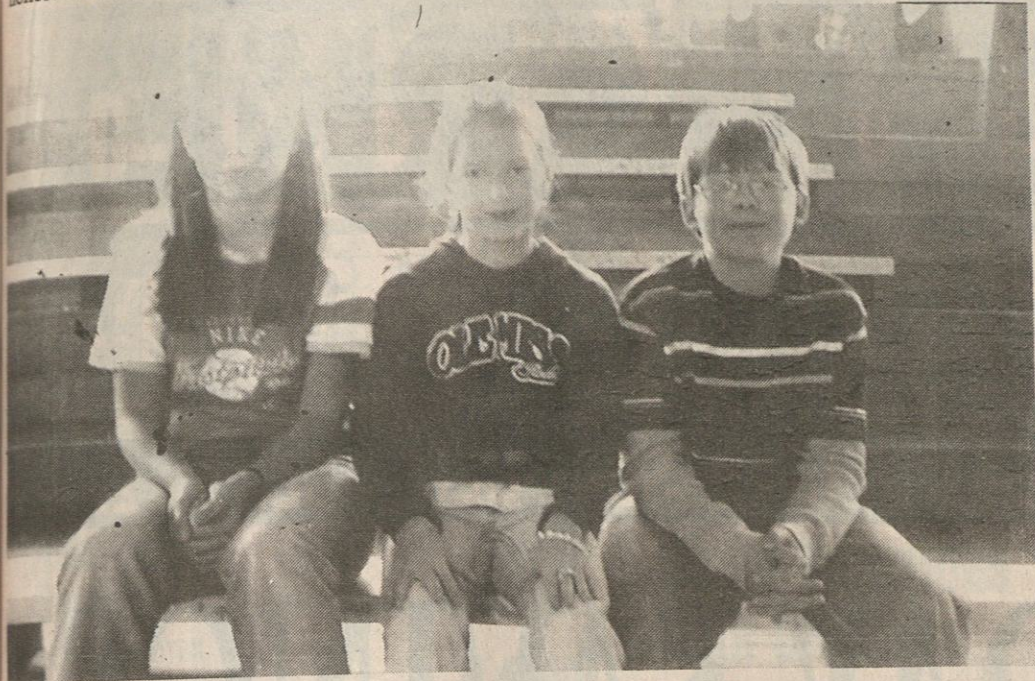

The Town of Burnsville is considering applying to the Mississippi Development Authority (MDA) for a FY 2007 Self-Help Cities Community Development Block Grant (CDBG) Self-Help project of up to \$100,000 to make improvements to Rainbow Park. The State of Mississippi has been allocated approximately \$30 million that will be made available to cities and counties on a competitive basis to undertake eligible community development activities. These funds must be used for the following purposes:

1. To benefit low and moderate income persons;
2. To aid in prevention or elimination of slums or blight;
3. To meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs.

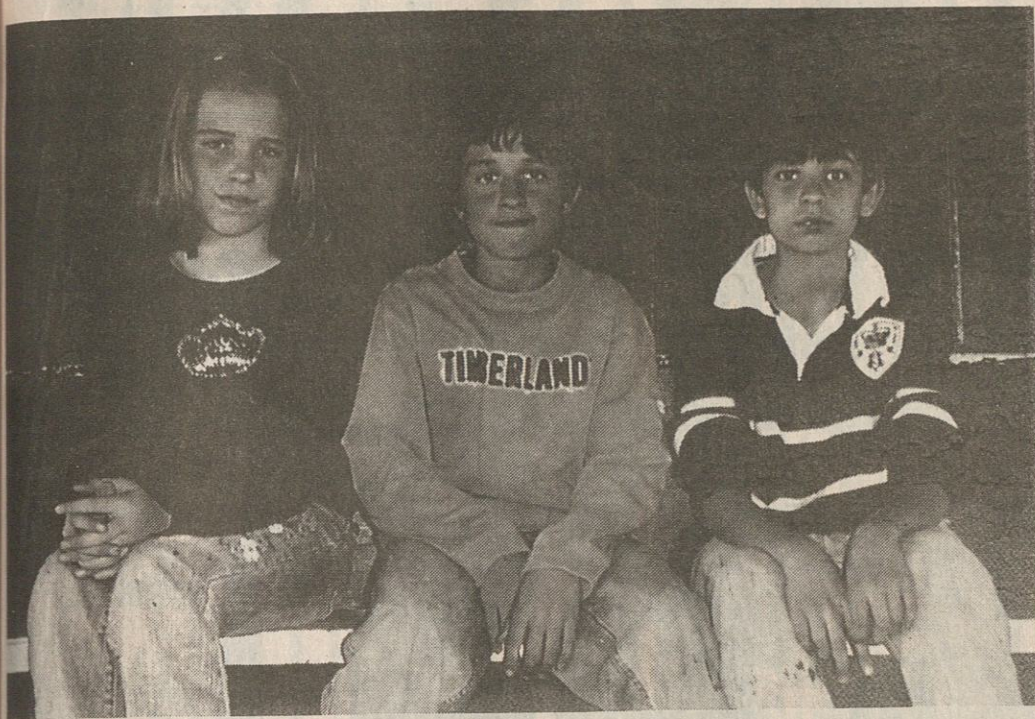

The activities for which these funds may be used are in the areas of housing, public facilities and economic development. More specific details regarding eligible activities, program requirements and the rating system will be provided at a public hearing, which will be held at the Burnsville Town Hall on December 20, 2007 at 6:00 p.m. The purpose of this hearing will be to obtain citizen input into the development of the CDBG application(s).

## OUT THERE

By Tita B

On November 13th I was honored to attend a special meeting of the Plumbers & Pipe Fitters Local Union 760 at the Marriott Shoals Hotel &

Spa Conference Center in Florence, Alabama. A buffet style dinner was served commencing at 6:30 p.m. My husband, Larry

Burcham, Burnsville, Mississippi, was among the many recipients of pins for service. Larry was awarded a pin for 35 years of service.

As I sat at the table with others that evening the conversations went to the many, many construction jobs these men had worked throughout the U.S.A - not just in Alabama and Mississippi. These men left home and family to live in trailers or group apartments to provide, not only an income for the family but insurance coverage not offered by many local employers. And not to be forgotten, a pension if one remained in the union long enough. Stories were told about how wives would travel to construction locations to spend time with husbands diligently trying to provide for those left back home. One person, when asked if he ever

## TCHS Smoke Signals

By Taylor Kirk

Christmas is here again, and the signs are all around. Cold weather, decorations, and a variety of parades have swept into our county already. As we celebrate this joyous time, let us remember our priorities. The stress of the season often bogs us down, and students must begin prioritizing now. With all the upcoming Christmas parties and gift exchanges, we put off things like study guides, exams, and projects. Stay caught up, and even ahead of the game, so that you can fully enjoy all the festivities of the Christmas season!

• The can drive is currently under way. All cans and/or proceeds are donated to the Food Pantry. Please bring all donations to your class's designated teachers by December 17th.

• Exams will be the week of December 17-21. Please be listening to your teachers for further instructions and exam schedules.

• Student Council is selling TCHS Student Section T-shirts for this basketball season. Short sleeves are \$10; long sleeves are \$13. See Ms.

Key or Ms. Jones.

• FBLA is auctioning off Christmas Wreaths for St. Jude's. They are on display in the cafeteria.

• Basketball games: Friday, December 7th at Shannon. Tuesday, December 11th at Belmont.

• Soccer games: Thursday, December 6th at home against Corinth. Friday, December 7th at Lafayette. Monday, December 10th at Alcorn Central. (Congratulations to our undefeated Lady Braves!)

• Student Council: Wednesday mornings at 7:30 in Ms. Jones's room.

• Anchor Club: Mondays at break in Ms. Thorne's room.

• FCA: Friday mornings at 7:30 in the auditorium.

### TRIBE TALK

By Mary Beth Holt and Abby Adcock

Hey all you fellow Chiefs out there! Hope everyone is having a great week. With Christmas holidays near, everyone is anxious to be out of school. However, we still have a couple of weeks left and semester exams to get through, so everyone continue to study hard.

The IMS basketball teams will travel to Alcorn Central this Thursday, December 6th to take on the Bears. They will also travel to Kossuth on Monday, December 10th to play the

Aggies. Everyone come out and show your support for our Chiefs and Lady Chieftains and good luck to all of our teams!

Accelerated Reader for 5th, 6th, and 8th graders will end on Friday, December 7th. Students will have until the end of the day on Friday to get their points. Students will have until the end of the day on Friday to get their points. Students who need to test for the 3rd nine weeks will need to wait until we return from Christmas holidays.

Remember that after-school tutoring is still available from 3:15-4:15. See Mrs. Carrie Lambert for more information on that.

Last week, we presented questions from the "Are You Smarter Than a Seventh Grader" section. The answers were: 1.) C and 2.) D. Here is this week's question:

"Are You Smarter Than An 8th Grader?"

1. Read the three sentences below.

- Joe lived a mile away from neighbor Samuel.

- Joe didn't want to take a chance on venturing outside.

- Joe did not want to have to talk to Samuel.

Which of the following is an effective way to combine the sentences above into a complex sentence containing

a participial phrase?

A. Living only a mile away from Samuel, his neighbor, Joe did not want to take a chance of venturing outside and talking to Samuel.

B. Even though Joe lived a mile away from Samuel, Joe did not want to take a chance on venturing outside and talking to his neighbor.

C. Living only a mile away from his neighbor Samuel, Joe did not want to take a chance of venturing outside because he did not want to talk to Samuel.

D. Even though Joe lives only a mile from Samuel, who was his neighbor, Joe did not want to chance a venture outside and have to talk to Samuel.

## BULLDOG NEWS

By Mary McRae & Jalen Stone

With Thanksgiving behind us, everyone is looking forward to one of the biggest holidays of the year - Christmas. Christmas holidays will be from December 21st to January 9th. On January 10th, students will receive their report cards from the 2nd nine weeks.

On December 18th, the third grade will take a field trip to Sheffield, Alabama, where they will watch the play *The Best Christmas Pageant Ever*.

Don't forget to purchase the 2007-2008 yearbooks. Each yearbook costs \$22.00, and will be on sale for a few more months.

The Balfour representative will be here at 1:30 on December 6th. Students who ordered class rings will need to bring their money at that time.

There will be a ballgame against Pickwick at their gym on Monday, December 10th.

The last day to check out library books during the first semester will be on Monday, December 10th. All library books will be due on Friday, December 14th.

The county-wide chess tournament will be on Friday, January 11th. Students who

wish to be in this tournament should have their forms and money turned in on December 14th or sooner to ensure their place in the tournament.

### BULLDOG SPORTS

As the end of our Basketball season is approaching here at Tishomingo, our four teams are playing very well. Our 7th grade girls have had a good year, but have been dropping some close games. Monday night, against Iuka, the girls played a hard fought game but fell just short of winning.

The 7th grade boys are having a good year as well. The other night against Iuka, they took a Chieftain team that had beaten them by twenty points earlier in the year, down to the wire. In the end they fell shy with a close loss.

The 8th grade girls have had a tough, up and down season, with players sitting out games due to injuries and other reasons. Injuries to starters Serah McNatt, Beth Burge, and Amber Long have left them sitting out a few games leaving the young bench to come in and lead the way, and so far they have played well. In the game

against Iuka they played very well for most of the game.

couldn't bring home a victory, losing by ten.

Last is our 8th grade boys, who have had a year as well. They have had players out due to reasons, but have made it through that. After dropping a heartbreaker to Belmont week, they rebounded with eleven point victory over Chieftains.

Our four teams are the rest of the week and will be business up again when they travel to Pickwick, Tennessee to take on the Pickwick Southside Eagles on Monday night. Then on Thursday, they'll make the way to Burnsville to face Burnsville Mustangs. Christmas we have a few games left, and then the county tournament in Belmont. If you are able, please make an effort to see the rest of our games. Bulldogs!

### Sports Trivia Question

What year was it, the time the Mississippi Bulldogs played in a Game? The answer will be in next week's paper.

## INSIGHT INTO EYESIGHT

Dr. Phillip Gray OPTOMETRIST

### Why An Eye Exam?

Even if you don't think you're having any problem with your eyes, you should have them examined regularly for the same reason you have medical checkups or see your dentist. Your eye doctor's primary purpose is to check your vision to see if any correction is needed. At the same time, he or she looks for any signs of internal or external disease.

When your eye doctor examines your eyes for proper functioning, he or she is also trained to spot any evidence of medical problems such as high blood pressure, diabetes, glaucoma, kidney disease, blood disease, and other conditions that should be treated. When a warning sign is noted, you will be referred to your general physician or specialist.

Whether you think you have a vision problem or not, your best reason for having an eye exam is to protect the precious gift of sight.

## Food Depot Move to New Location Nearly Complete

*Some work still to be done, volunteers needed*

by Pamela McRae

The Food Depot's move to a new new location on Paul Edmondson Drive is nearly complete after a day of hard work by volunteers last Saturday. But there is still much to be done, say Depot officials.

"Things looked very discouraging on Friday, November 23rd," said Art Gaines, treasurer for the charitable food distribution organization whose location was damaged by a Thanksgiving weekend fire. "But within 48 hours a new location was found and plans were made to gather help for the transition."

On December 1st, many volunteers from Tishomingo County and one group from Fulton began moving the Food Depot contents and equipment to temporary quar-

ters. The new address is 1701 Paul Edmondson Drive, directly across from the Tishomingo County School District Administrative Offices, organization officials stated.

Volunteers will be working all next week to complete the clean up and move, and helpers are still welcome.

"Call us to see when and where you can help," said Edna Gaines, in the midst of the Monday cleanup efforts. Call 423-6056 or 423-8200 and leave a message and Food Depot volunteers will let you know details.

"The board of directors of the Food Depot gratefully accepts the temporary site and wishes to thank all county and city officials involved in the emergency effort to keep the

food bank open," Gaines said.

"This past Saturday's work teams proved to me the love that folks in this county have for their neighbors. It is truly wonderful to see the Lord's helping hand in this tragic situation," he said.

Nearly 100 volunteers worked on December 1st to clean trash, dirt, smoke stains, water damage from the equipment, supplies and salvageable food.

### "Christmas Under The Stars"

If you like bright lights for the Christmas season, you will see the home of Wesley and Amanda Stricklen at Battleground Drive!!!

The GFWC-MFWC Iuka 20th Century Club chose Stricklen home for the "Christmas Under The Stars" award the first week of December.

The multi-colored lights surround the house and shrubbery is tastefully decorated also. Wreaths adorn windows and the carport. A lovely Christmas tree in window accents the decor.

The blinking lights on the mailbox are very eye-catching. The Stricklen's were presented with a lovely pointer courtesy of Wal-Mart. Thanks, Wesley and Amanda for making your home a statement for the reason for the season, celebrating the birth of Christ with "lights" to promote joy and peace.

## New Leadership for Tishomingo County Archives & History Museum

RaNae Smith Vaughn has recently been elected to serve as President of the Tishomingo County Historical & Genealogical Society (TCHGS) for 2008.

Growing up in the Memphis area and working in the Shoals area of Alabama, RaNae feels like she spends very little time in Tishomingo County. However, she is enthusiastic about history and genealogy and is already busy planning for an exciting year.

Past President, Cindy Nelson says, "RaNae's organization and communication skills have been a tremendous asset to the Society since she came on board three years ago as Marketing Director and Librarian. She has transformed what began in 1996 as a small genealogical library into what I believe to be the best County research library in the state."

RaNae will continue to serve as librarian for the John Marshall Stone Research Library.

Nelson says, "I am very excited to work with RaNae in her new administration." Vaughn will be the fourth president to serve the Society since it was founded in 1996 to preserve the history of Tishomingo County. Other Presidents have been Cindy Nelson 1995-1998 and 2000-2007; Brenda Whitfield 1999-2000; and Betty Marlar 1998.

The Society meets a minimum of six times a year on the second Thursday of February, April, June, August, October, and December. Each meeting is open to members and non-members. If you are interested in history or genealogy, please feel free to attend.

### New Executive Director

Jan Marlar Anglin has been promoted to Executive

RaNae Smith Vaughn & Jan Marlar Anglin

Director of the Tishomingo County Archives & History Museum. Jan was employed by TCHGS in January 2006 as Project Manager for the facility. She will be replacing the society's founding president, Cindy Nelson, who has served as Executive Director on a volunteer basis since the society assumed operation of the old Tishomingo County Courthouse in 2003.

Jan is an extremely motivated and talented individual. Creative in decorating, Jan has transformed the old Courthouse museum and its gift shop into a work of art. Her knowledge base and love of history helps in the extensive databases of historical information housed in the John Marshall Stone Research Library. Jan has developed a great relationship with local teachers in assisting students in obtaining school credits by allowing them to do volunteer work at the museum.

She supervises museum employees and on-site volunteers and directs the day-to-day activities of the

facility. She also conducts tours of the museum and is responsible for the day-to-day conservation and inventory of the museum artifacts. Her design talents are visible in the creative displays that the museum has to offer.

Nelson says, "I am extremely excited to relinquish this responsibility to Jan. I am confident in her abilities to manage the facility because I know that she has the same love and respect that I do for this historical endeavor."

Jan is married to Timothy Anglin. They have one daughter and son-in-law, Stephany and Josh Grimes; one son, Andy Anglin, and one grandson, Tyson Grimes.

The Society and its historical information are always open for suggestions (and donations!). Working together, we can better preserve the history of Tishomingo County, Mississippi. Please feel free to call (662) 423-3500 or drop by the historic facility at 203 E. Quitman in Iuka, Wednesday - Friday, 8:30 a.m. to 4:30 p.m. or Saturday, 10:00 a.m. to 2:00 p.m.

## Santa Visits Harmony Church Lunch

Methodist churches of the North and West charge of Tishomingo County prepared a beautiful luncheon for senior adults in the county Tuesday, December 4th, and more than a hundred attended. Rev. Wayne Napier and Rev. Steve Devore and their congregations worked hard to provide the special day, including entertainment by the band Heartland, and a visit from Santa, shown hugging Ann Barnes, above, with Edith Bullard looking on.

"When you start something like this, you never know, but it has turned out to be such a blessing," said June Devore, who aided in organizing the event. "We hope next year we will have the National Guard Armory to fit them all in!"

UMC Northeast Mississippi District Superintendent Jerry Beam of New Albany also attended the event and praised the generosity of all the people who worked so hard to produce the day.

## Many "Angel Tree" Angels Still Need Sponsors

Of the 421 children approved for "Angel Tree" in Tishomingo County, there are 18 children who still need a sponsor.

In 2006, Tishomingo County had a few over 300 children on its Angel Tree. This year's increase is largely due to signing up families who have not received assistance in the past. In the last three years, Tishomingo County Families First has facilitated the signing in Iuka and Belmont. In 2005 and 2006 the people of this county "adopted" every child who was approved for assistance. Would you help continue our 100% success rate? Without a doubt the most generous people in the world live in Tishomingo County!

Sponsoring a child doesn't have to be an individual project. You can get a group of friends or relatives to go together and sponsor a child. Or you can ask your church, civic or other organization to sponsor a child or two. Already some Sunday School classes have adopted angels. We REALLY need your help!!! If you are unable to shop, but would like to help, you may make a donation so that someone else can shop for

a child. The deadline for returning purchases will be extended to Thursday, December 13th, 2007.

Please contact Families First at 423-7318 or any Jr. Auxiliary member to "adopt an angel".

## Horse Killed After Belmont Parade

by Pamela McRae

A horse was killed when a truck collided with it after the Belmont Christmas Parade November 29th.

About 30 minutes after the parade, Stephanie Sparks, 30, was driving a 2000 Chevrolet Silverado truck on Highway 25 about 100 feet south of the BP station north of Belmont when a horse darted into the road, according to Belmont Police Chief Donald Reno. Sparks was unhurt but the truck was "totaled" and the horse was killed, stated Reno.

Reno said the horse had gotten away from its 12-year-old rider after its saddle slipped.

No charges have been filed. The horse was in the care of Larry Andy Byrd, said Reno, and Byrd's grandchild was the rider.

## Congregation Of New Salem Baptist Church Takes A Stand

The congregation of New Salem Baptist Church wishes to take a stand and inform the public about the new movie "The Golden Compass" to be released in theaters on December 7th, 2007. This fantasy appealing movie is created from a first novel in the trilogy of books entitled "His Dark Materials" by Philip Pullman. Pullman is a well-known outspoken atheist who calls for the "death of God". "The Golden Compass" seems harmless because it has been watered down taking religious texts out of the movie to ensure widespread popularity. However the last novel in the trilogy ends with the killing of God. Pullman hopes to spread the atheism beliefs. He thinks "The Golden Compass" will appeal to children and young adults so they will buy the trilogy of books. Don't be fooled by the appeal of this movie.

## TISHOMINGO COUNTY AREA PROPERTIES FOR SALE

*When prospects are looking to purchase a home in the Iuka area, they will almost always contact a local Realtor, not an out-of-town Realtor. # NOTICE OF DETERMINATION FOR PROJECT

## MUNICIPAL GAS AUTHORITY OF MISSISSIPPI

The Municipal Gas Authority of Mississippi's mission is to use the best business practices and opportunities to offer its member municipalities and their citizens the most stable and cost effective supply of natural gas which it may provide. It is the intent of the Authority to purchase an up to 21 year supply of a portion of the gas needed by implementing one or more purchase contracts financed through the issuance of its revenue bonds or through a loan from the Mississippi Development Bank which will result in locking in a secure, reliable, long-term supply at a price below market rates (the "Project").

The Authority has reviewed the future gas needs of its member municipalities and other participating municipalities taking into account the economics and efficiencies to be achieved by the Project and the cost of existing alternatives for gas supply. The Authority has engaged the engineering firm of Allen & Hoshall, Ltd., to prepare a feasibility study of the Project examining the future gas needs of the members.

The Authority has determined that the Project will provide a portion of the gas needs of its members and other participating municipalities. The purchase of a secure, reliable, long-term supply of gas which can be achieved at below market rates is both appropriate and cost effective while meeting the needs of the member municipalities for a stable supply of gas.

It is the intent of the Authority to finance the Project through the issuance of its revenue bonds (as one or more series of revenue bonds) or through one or more loans from the Mississippi Development Bank in a total principal amount not to exceed \$1,500,000,000 which shall be secured by a pledge of all or any part of revenues to be derived from the Project and as further provided for under Sections 77-6-1 et seq. and/or 31-25-1 et seq. of the Mississippi Code of 1972, as amended.

A meeting of the Board of Commissioners of the Municipal Gas Authority of Mississippi will be held on December 19th, 2007, at 11:00 o'clock a.m. at 330 Greyhound Avenue, Jackson, Mississippi, 39202, at which time the Authority will hear any objections or protests to the Project.
