Braves and Lady Braves Playoff Action Begins Friday

Pamela McRae
The TCHS baseball and softball teams have progressed to the playoffs, and games begin Friday.

The girls ended their season in Division 1-4A with a record (8-2 division).

Friday night they welcome the Lady Braves field team for the first game of a three series.

They will go to Houston for the second game, which begins at 7 p.m. Saturday. If a third game is necessary, it will begin immediately afterwards at Houston.

The Braves finished their season with a 16-10 record, and were scheduled to beat Pontotoc last in a dramatic 13-12 game. The final regular season game at Tupelo last Saturday was a tie.

Friday, the Braves open the playoffs at home beginning at 7 p.m. (21-3), beginning at 7 p.m. The second game will be at home beginning at 4 p.m. and if a third is necessary, it will be Monday at Amory.

Since the home games this season will be state playoff games, no local passes will be sold. The school announced admission is \$6 for everyone unless they have a state pass. Assistant Principal Beale. Car pooling is highly suggested, since the parking at the ball fields is limited.

Iuka 2009 All Stars Presented with Inaugural Hurst Trophy for Sportsmanship

It took a while for the trophy to get here, but Monday night, last year's 11-12 Iuka All-Stars were presented with an award for sportsmanship they won at last year's state tournament.

In a brief ceremony between games at Woodall Park, Dixie Youth Assistant Director for District 2 Pete Walker presented the All-Stars and coaches with the first ever Terry D. Hurst Award for Sportsmanship, based on their performance at the state tournament last July in Greenville.

The Iuka team was among twelve others at the state tournament, and they did not go far in the tournament, but were recognized for their good sportsmanship at that time. It just took a while for the beautiful crystal trophy to get to the team in Iuka, explained Anne Marie Brown, who was then secretary of the Iuka Baseball League.

The award was started in memory of Terry Hurst, formerly of Belmont, who was the District 2 Director for the Mississippi Dixie Youth, representing the team and leagues in Tishomingo County, and some surrounding areas. He was killed in a tractor accident about a year ago, explained Brown.

Hurst's wife, Renee, and son Deran were hand Monday night to award the beautiful trophy to the team.

Supervisors Award Several Contracts in Rescheduled Meeting

by Pamela McRae

In a meeting on April 15th that was rescheduled to accommodate the Tishomingo County Board of Supervisors' trip to Washington state, the board voted to award several contracts.

On the recommendation of Dean McRae Engineering of Iuka, the board awarded a contract for repairs to the Miller building at Tri-State Commerce Park to Graham Roofing, for \$24,688 in grant money, said purchasing clerk Lynn West.

APAC was awarded the contract for repaving a road on Goat Island. The board referenced a

\$46,900 emergency grant to pay for it, since it was torn up to repair a burned water main.

The board rejected bids on some landfill equipment.

The board voted to install a handicapped-accessible ramp and door at the Family and Children's Services building (the old health department building.)

The board met with school superintendent Malcolm Kaykendall, and school resource officers Jeff Sparks and Ryan Glower to discuss how to fund the school officer program, since it has become the victim of funding cuts

in the school budget. They are looking into the possibility of some funding through Homeland Security.

The board denied, with a 3-2 vote, again, a request of the Tishomingo County Tourism Council to enact a 2 percent tax on restaurant and lodging bills, that would have gone toward marketing the county.

The board awarded an engineering contract to Cook Coggins Engineering of Tupelo to design repairs to the International Convention Building on Paul Edmundson Drive.

The board's next meeting is May 2nd at the regular 10 a.m. time.

Saturday Last Day to Register to Vote in June 1st Primary

Anyone who has changed their name or their address is encouraged to call the clerk's office at 423-7026 or their election commissioner at 423-7025 to make sure your information is correct.

Insight Into Eyesight

Dr. Phillip Gray
OPTOMETRIST
The Eye Drop Solution

One of the most common questions we receive in our office is: "How in the world can you keep your eyes open when you try to squeeze eye drop medication into them?" The solution is easier than you think.

Many children, and even some adults, find it almost impossible to relax their lids when eye drops are being given. Even when they wish to cooperate, their lids are held so tightly shut that the drops fail to get into the eyes and dribble down the cheeks instead. A good way to get around this problem is to ask the patient to lie down on his or her back and close their eyes (or do it yourself if you're the offender). One or two drops of the medication are then put on the lids where they meet at the hollow at the the nasal side of the eyes (the inner canthus), and the patient is then asked to blink. By gravity, and without any struggle, the drops will then run into the eyes as the lids are opened. This is one solution that really works.

Snack Packs For Kids

In these hard economic times, we know that families in our community are struggling. These are children who are hungry, in an effort to reach out to local area Ms. Salome Williams of the Backpack Ministry has asked Mrs. Barbara McGaha, Center Administrator of the Iuka Head Start to join in and help with this project.

Members of the Local United Methodist Church created the Backpack Ministry and have collected food items designed to be taken home by children over

the weekend. The packs include 2 breakfasts, 2 lunches, 2 juice boxes, and 2 snacks so that children are receiving nutritious meals away from school. It is our goal to provide these to any and all children who would benefit from this service at the Iuka Head Start and no paper work is involved.

This project was shared with Regional Director Ms. Deborah Cooper and Regional IX, and she immediately thought this was a great idea for Head Start children and worked very hard to see that this

Letter to the Editor

Editor: I really like the way the owner of the old Kimbrough house has improved it. The flowers made such a difference to the front of the house and adds so much to the Old Town. Would that more of the town in this area would enhance the look of the town in this way. You know that Old Iuka is listed on the National Register of Historic Places and is designated a "National Historic District" and has been here since 1857 and has seen a Civil War within its borders—how many towns can claim that? Bette Nelson

Mississippi? There are also nine homes in Iuka on the National Register—one however has since burned down. Would somebody, besides me, get behind the city fathers and respectfully request signs showing that our beloved Old Town has this distinguished honor? I have tried on numerous occasions to have signs erected but have yet to be successful.

Let's all be proud of our wonderful old town—just imagine, this town has been here since 1857 and has seen a Civil War within its borders—how many towns can claim that? Bette Nelson

Local Spanish Students Score Well

Congratulations to three world language students from Tishomingo County High School who attained national recognition for excellent performance on the 2010 National Spanish Examinations.

Students from TCHS earned a total of 3 honorable mentions. Honorable mention means these students scored at or above the national average of 50 percent.

"Attaining any placement or honorable mention for any student on the National Spanish Examinations is very prestigious," said Kevin Cessna, National Director of the Exams, "because the exams are the largest of their kind in the United States."

Students from Tishomingo County High School have a long history of high achievement on these exams and were taught by Spanish teacher, Ms. Laura Hall.

The National Spanish Examinations are administered each year in grades 6 through 12, and are sponsored by the American Association of Teachers of Spanish and Portuguese.

State Testing Takes Over

This last week, both the baseball and fast-pitch softball seasons came to a close. It was a tearful Senior night for both teams as some players stepped out on the field for the last time. Senior Molly Thorn said, "I'm sad because it was the last time I will ever wear my jersey or play for Belmont. I won't like seeing someone

new playing my position, but I will still come back to cheer for the other girls. Coach Marlar isn't getting rid of me that easily!"

On the agenda for next

CARDINAL CHATTER

week is field trips sports and state testing out of the way. Students will go to Tupelo the mall and Las Vegas on Wednesday, BET Math club will go to Memphis to bowl and eat at the Pink Palace on Friday. Have a blessed week!

Go 4th Ministries The Building

A building (noun) is a structure with a roof and walls. Go 4th's meeting place is called "The Building". It is a structure with a roof and walls where "The Church" gathers to fuel up and GO out.

To "build" (verb) means to 1) construct by putting parts or materials together. 2) (build up) increase in size or intensity over time. 3) (build on) use as a basis for further progress or development. 4) (build in/into) incorporate (something) as a permanent part of.

In the 16th Chapter of the gospel of Matthew, Jesus asked his disciples who people thought he was. They answered that some people said he was John the Baptist, others Elijah, and even others, Jeremiah, one of the prophets. Then Jesus asked, But what about you? Who do you say that I am? Simon Peter responded, You are the Christ, the son of the living God. Upon Peter's declaration Jesus states that on this foundation, I will build my church and the gates of Hades will not overcome it. (Matthew 16:18)

The Church that God is building is "...built on the foundation of the apostles and prophets, with Christ Jesus himself as the chief cornerstone. In him the whole

building is joined together and rises to become a holy temple in the Lord. And in him (we) too are being built together to become a dwelling in which God lives by his Spirit. (Ephesians 2:19-22) It is a permanent structure.

The Church, often described as "the Body", is constructed of many members. The body is a unit, though it is made up of many parts; and though all its parts are many, they form one body. Now the

body is not made up of one part but of many. But in fact God has arranged the parts in the body, every one of them, just as he wanted them to be. (1 Cor. 12:12, 14, 18)

God equips the parts of the Body so that it may grow and develop. It was he who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare God's people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ. (Ephesians 4:11-13)

Go 4th invites you to The Building where the Church

meets together on encouragement and the building up of speaking the truth in love, as each part of the body. The Church is not live in houses of men. (Acts 7:48, 17:24). God does not dwell in the temple who proclaim as Jesus is the Christ, the Living God, through that indwells builds the Kingdom are Gods fellow workers building. (1 Cor. 3:9) and Go with us.
