Airport Needs More Hangars, Policy Revamp

Pamela McRae
Representatives of Segars and Airport near Iuka met with county board of supervisors regarding hangar rental policies issues at the air field. The Tishomingo County Board of Supervisors met Monday for its regular first Monday meeting and spoke with Dr. Kelly Segars and John Horner, Airport Authority board members. The airport, which is located by the First, Second and Third Districts, has several hangars for airplane storage at the airport, and a waiting list of 18 planes for the limited space. An ongoing problem at the airport is that some of the hangars are being rented... but not airplanes. "Some people have rented hangars and are looking to buy, but haven't found one yet," explained Dr. Kelly Segars. Also, some people are using them for storage units, for items other than planes - taking up space that private plane owners would use for. The supervisors have discussed increasing the fees for the hangars, since they are about the same as some other comparable facilities. Additionally, the Iuka Airport provides electricity. Segars said that interest rates are now as favorable as they are going to be for a while, and that the county should consider building at least 12 more hangars. Board President James McWell appointed Danny Ryan, Brandon Grissom, and Nicky Rae to meet to further discuss the airport hangar issue and suggest action to the board when they meet for their next work session, this Friday, April 9th. Segars also urged the board to continue to discuss extending the airport runway to one mile, so that corporate jets can use it. "It has economic development advantages," explained Segars, "and it will become more important as anticipated economic development projects. Congressional representatives have promised to look for funding, but there's been no progress there," said Segars.

Dulcimer Day April 7th

Like the blooming dogwoods, one of the surest signs of spring in Tishomingo is the "Dulcimer Day" at Tishomingo State Park, and it is scheduled for this weekend. Tishomingo State Park will be hosting the 32nd Annual Long Memorial Dulcimer Festival on Saturday, April 17, from 10 a.m. to 4 p.m. at the Loochapola Lodge. The program will begin at 10 a.m. and last throughout the afternoon. The festival is sponsored by the Ala-Sippi Dulcimer Association. Musicians from the local area and surrounding states will be creating those sweet dulcet tones. Musicians will be available to answer questions and demonstrate the dulcimer. Arts and craft vendors will be selling various handmade items. Food concessions will be available throughout the afternoon. If you have handcrafted items you would like to sell, display, and/or demonstrate, please contact the park office to make arrangements at (662) 438-6914.

Braves Fall, Lady Braves Prevail Under Perfect Skies Tuesday

The Lady Braves won their division game, and the Braves lost to division leader Pontotoc under perfect spring skies Tuesday afternoon.
TCHS 6, IAHs 2
The Lady Braves are 16-5 now, and 3-1 in their division after Tuesday's 6-2 win over Itawamba

AHS. Strong pitching by Erin Williams (10-4) was boosted by hits from Megan Allred and Tabi Talley, and consistent defensive play. The girls travel to Pontotoc (14-3) for another division game Friday.

Pontotoc 15, TCHS 1
The Braves did not have it so well, and the 15-3 Pontotoc Warriors showed why they lead the Division 1-4A, and everyone else is tied behind them. Six runs from two homers in one inning helped ensure the Warrior victory, and they didn't let up until it

was 15-1. The Braves are now 12-8, with at least seven regular season games left. They host North Pontotoc Friday, and the game scheduled for Saturday is being rescheduled for either Thursday, or next Monday, due to Tishomingo County's prom on Saturday night.

Battleground Plaza Fire Ruled Arson - Reward Offered

by Pamela McRae
The March 12th fire at Battleground Plaza has been ruled "incendiary" by the Mississippi State Fire Marshal, and there is a reward being offered for information that may lead to an arrest and conviction of those responsible. On March 12th, Iuka firefighters responded to an alarm in the unit occupied by Money Matters, where smoke was pouring through the ventilation system. No fire was found there, so firefighters ended up forcing entry into an adjoining empty unit. There, they found and extinguished a fire in a back room near some shelving, said Iuka Fire Chief Brian Grissom. The cause of the fire was immediately under investigation, and Tuesday morning the State Fire Marshal issued a notice of a reward up to \$1,000 for information leading to the arrest and arson conviction of those responsible. Grissom said anyone with information is urged to call the State Fire Marshal at (601)359-1061, or 1-888-648-0877, or the Iuka Fire Department at 423-5011.

Tishomingo Community Living Center Still In Compliance with Medicaid

by Pamela McRae
Despite a legal notice published last week in an area paper, Iuka's Tishomingo Community Living Center is in compliance with all the requirements for Medicare certification, according to their administration. According to a statement released Tuesday, "The Center for Medicare and Medicaid Services announced on April 1, 2010, that the Tishomingo Community Living Center has resolved all issues with Medicare certification for payments." "Our primary concern is always the quality of care and safety

ty of our residents," said Pam Bates, Tishomingo Community Living Center's Nursing Home Administrator in the release. "While working on our continued Medicare certification, we operated the facility as normal and delivered the same level of care that the community has come to know and expect from us. The facility was never without its certification and there were no interruptions in Medicare payments during this process," said Bates. Concerned persons are asked to call Mrs. Bates at 662-423-3422.

Iuka Elementary Fourth Grade Honor Choir lead a singing March 12th.

Students Celebrate Music in Our Schools Month

The month of March is national Music in Our Schools month. All over the nation, students are celebrating music, and students are celebrating locally, too. During this month, students at Iuka Elementary School have been learning and singing about music, its benefits and enjoyment. On Friday, March 12th, the students joined in a school wide sing-a-long for this occasion.

One line of a song the children sang clearly states the universal nature of music. That is, "In all our lives, the music reaches us," ("Music Matters", Teresa Jennings, 2010). Music is an area where many different people can have enjoyment and success. As students are taught musical concepts, not only are they being taught the subject of

music, but subjects such as history, geography, science, language, vocabulary, and mathematics also. For example, students learn about history as they learn about the origin of a musical style; and as students count rhythms and add note values, they are doing mathematics. Also, students learn discipline, cooperation, self-expression, and self esteem through music.

Insight Into Eyesight

Dr. Philip Gray
OPTOMETRIST
All Distance Vision

The crystalline lens of the eye can change its shape (therefore its power), when required to give focusing at all distances. This procedure is automatic and referred to as our power of accommodation. As we mature, this ability decreases until we reach a point at which we are unable to change the lens shape sufficiently to give us the focusing power we need for reading. If you also have problems with distance vision (nearsightedness), your glasses would need more than one correction.

Now there is a contact lens which enables the wearer to see clearly for reading, in the distance and also the often-neglected middle distance. It's called the Natural Focal contact lens. It is a major breakthrough in the field of contact lens design. The only comparable lens is the natural crystalline lens of the eye itself.

Call our office about your suitability for wearing this new contact lens and have spectacle-free vision at ALL distances.

Local Biscuit Baker Makes the US Top 40

Hardee's local biscuit baker Don Barnes has been competing in the 2010 Biscuit Baker Challenge that is nationwide to find the "best of the best" when it comes to making Hardee's "made from scratch" biscuits. Don is very motivated from the beginning and has done extremely well with this competition. He has been drilled in knowledge of biscuit making procedures and knows his biscuit equipment. He is also judged on his biscuit appearance, texture, temperature, size, & weight. His first win was in Booneville. That sent him to the West Point competition where he was named Diamond Hospitality's Country wide Biscuit Champ. From there he competed in Rock, AR where, again, he took first place. Don is a biscuit maker from Mississippi, Alabama, Arkansas, and Oklahoma. His last competition was held in Gretna, KY where he was named one of the Top 40 Biscuit Bakers in America! Out of more than 2500 biscuit bakers in the US, Don has truly put Iuka on the map! We are so proud of all he has accomplished! Great Job DON!

National Library Week At Iuka Public Library

Week, April 11-17, the Iuka Public Library will celebrate Library Week. It is to remind the community about the many libraries, and library make to their

communities every day.

In today's tough economy, libraries offer free resources to help people find jobs and learn new skills. People of all ages and backgrounds find entertainment, develop skills and come to find their

place in the community. People gather for book discussions, for study time, for Friends of the Library programs, and for other activities. Our library helps the community thrive.

What makes the library unique is access to trained professionals - librarians - to help people find and interpret the information they need to make a difference in their lives. Our libraries also help keep us connected, providing a space for people of all ages, classes and races to come together, while keeping us connected to events and people around the world.

Here are some of the activities planned at the Iuka Library:

Monday, April 12th
"Computer Classes" - Registration required.

Tuesday, April 13th
"Senior's Day" - 12:30 p.m., Entertainment by Mary Bonds and Friends. Refreshments by Harmony Homemakers.

Wednesday, April 14th
"Computer Classes" - Registration required. "Bingo Party for Tish. Industries" - 10:00 a.m. Sponsored by Friends of the Library.

Thursday, April 15th
"Computer Classes" - Registration required. Storytime by the NEMCC - 10:00 a.m. Language and Literacy Development for Young Children Class.

An art exhibit featuring Lisa Bullington, Joe Russell, and Donna Trickey art students of Mrs. Lila Ham, quilts exhibited by the Tishomingo County Needlecrafters, and other exhibits by the Harmony Homemakers will be featured throughout the week.

How can the library help you thrive? National Library Week is the perfect time to find out. Communities thrive @ your library.

It is absurd to divide people into good and bad. People are either charming or tedious.

Thank You

The family of Freeman Floyd would like to express our sincere gratitude for the many acts of kindness shown to us during the illness and death of our loved one.

Thank you so much for the calls, visits, cards, food and the beautiful flowers. We are so very grateful for the prayers that were and are still being sent up to God on our behalf. Words cannot express our deep appreciation for Ann and her staff at Carrington House, Cutshall Funeral Home, Bro. Mike Neighbors and Bro. James Herman Gray; Sheila from Heart to Heart Hospice for being with us to the end; and the pallbearers for their last act of kindness for our loved one. All of us also want to let his Granddaughter and special caregiver Kelley Bryant (Sissie) know how much her selfless act of taking care of her PawPaw while he was still at home meant to us.

He was a very special man and we were proud to call him Daddy.

BENEFICIARIES OF STEPHEN P. DOTSON, DECEASED
You have been made a defendant in a matter filed before this Court by Anisha Hamm, as Guardian of Aden Dotson, a minor, seeking a determination of heirship and declaration of wrongful death beneficiaries in accordance with the laws of the State of Mississippi. Shiloh Living History Events Mark 148th Anniversary

The roaring noise of cannon and rifles echoing through the woods, the sun glistering off of bayonets, the view of cavalymen raising sabers, and the sight of gray uniforms marching across the battlefield will be just some of the Civil War interpretive experiences available for public enjoyment on April 10th, and April 11th, 2010, at Shiloh National Military Park.

"The Civil War will be revisited as volunteer reenactors present interpretive programs that demonstrate 1860's military tactics and historic small arms and artillery weapons firings in observance of the 148th anniversary of the Battle of Shiloh," Park Superintendent Woody Harrell announced today.

"The Battle of Shiloh was the first major land battle of the western theater of the Civil War, and landmarks such as the Hornet's Nest, Peach Orchard, Bloody Pond, and Shiloh Church, would be remembered by those who fought at Shiloh Hill and by later generations. Not only did three out of every four Confederate or Union soldiers experience combat for the first time, or "see the elephant" to use a common phrase of the period, but the divided citizens of the nation sadly discovered how destructive the war was going to be for both sides. Confederate and Union units fought gallantly and suffered severe casualties, such as the Bloody Sixth Mississippi Infantry Regiment who entered the battle with 425 men and after their first charges, left 300 of their comrades dead, or wounded on the field of battle. At the end of this

bloody and ferocious battle, 23,746 Americans lay upon the once quiet and peaceful Shiloh battlefield. For the first time, death, carnage, and destruction impacted tens of thousands of homes, and families of the North and the South alike," stated Harrell.

A full schedule of demonstrations and special activities are being presented throughout the day on Saturday and Sunday. From 8 a.m. to 5 p.m. on Saturday and 8 a.m. to 3 p.m. on Sunday, a Confederate encampment, located between tour stop #3 and tour stop #4, will be open to the public. Park visitors are invited to visit the encampment and learn more about the common soldier's experience during the War Between the States from the reenactors who portray actual units. "We expect approximately 150 participants representing infantry, artillery, and cavalry service branches for this year's program," stated Harrell.

Instead of depicting two opposing lines of fire, choreographed tactical scenarios will demonstrate authentic field maneuvers interpreting how each combat branch of army service would have operated separately and combined.

"These living history military demonstrations will assist park visitors to better understand Civil War era troop deployment, maneuver, and battle tactics as experienced by 109,784 soldiers engaged in the two-day Shiloh battle," commented Harrell, lawn adjacent to the Shiloh battlefield Visitor Center.

During the course of the weekend, the 52nd Reg-

photo courtesy NPS

imental Band will be performing Civil War music in conjunction with demonstration activities. This soldier's band will perform a variety of music which would have been popular during the war period. Also available to the public will be medical programs which will discuss diseases during the Civil War, and the treatment of battlefield wounds.

Superintendent Harrell invites the public to take part in any or all of the special anniversary activities scheduled on the park. Daily admission to Shiloh National Military Park is \$3 per person or \$5 per family. The entrance fee permits daily admission to the park for seven days from date of purchase, and is collected at the Shiloh visitor center. Included with a paid admis-

sion to the park, visitors receive a printed entrance permit which further provides free admission to the Tennessee River Museum located in Savannah, Tennessee.

Both the Shiloh visitor center and bookstore will be open Saturday from 8 a.m. to 6 p.m., and again on Sunday from 8 a.m. to 5 p.m. Located within the visitor center are exhibits of period artifacts from the momentous battle and an orientation video, which is shown every forty minutes. The bookstore carries a wide selection of literature on the Civil War, historical art prints, maps, and videos.

For more information on the Battle of Shiloh anniversary activities, contact the Shiloh National Military

Park visitor center at 731-689-5696, or visit the park's website at www.nps.gov/shil. Special Events section on

4-H Volunteer attends 2010 Annual 4-H Volunteer Leaders' Conference

Mrs. Chris Holland, a Tishomingo County 4-H Volunteer Leader, recently attended the 2010 Volunteer Leaders' Conference held at Mississippi State University. This year's theme was "4-H Volunteers: Keeping it Green for Our Club, Community, Country and World." Mrs. Holland had the opportunity to attend workshops and mingle with other volunteers from across the state. From this experi-

ence, Mrs. Holland gained some valuable 4-H knowledge and ideas to help the Tishomingo County 4-H program continue to reach higher goals. Mrs. Holland currently oversees the Belmont Royal Cardinals 4-H Club. We are excited and honored that Mrs. Holland chose to attend the conference in order to advance her volunteer leadership skills and ability.

Letter to the Editor

Dear people of Tishomingo, MS County, to whom it may concern:

There are things going on at the landfill that people of Tishomingo County do not know about like getting rid of people for no reason, showing favoritism, working on the boss's personal vehicle! On county time and washing four wheelers and motorcycles and the supervisors not doing anything about him. When I was there, my time was right, on my pay when Lloyd was boss, but not while the one that's over it now. It was wrong, just about \$100 dollars every pay period. You can ask any hand over there and they will tell you the same

unless they're the ones that got the favoritism. On top of that there is no one certified to be at rubbish site now that me and Richard Page are gone. He keeps the oil locked down and any thing else you need for trucks or equipment at the rubbish field. And anyway before he became boss he was put on the back of the truck and quit at dinner. He don't know any of the routes which I think the boss should be able to do any job there and he just plays cards and sleeps. There was gas and diesel being stole pretty often but I didn't say anything because it would make it worse for me.

Letter To The Editor...

I wrote my letter back 9/11/2009 and now we see that Mississippi is a place to be proud of...a place we can all call the fattest and unhealthiest state there is. It doesn't take long for FAST FOODS to catch up with us!

So what are you doing about it? From pulling up your menu for March and April 2010 nothing has changed. You're still serving tons of over processed - full of preservatives - canned foods.

Are the lunches healthier? Does the kitchen staff actually prepare any of this food?

Are the teachers playing an active role in the children's physical development?

Are the teachers giving the children more physical activity time?

Mv doctor recently said

- the only food we should be eating are the foods our grandmother's would recognize and serve at her table. Did our grandparents eat hot dogs - chicken fajitas - taco salads - corn dog nuggets - soft tacos - stuffed

crust pizza - beefy nachos grande because that's what your cafeteria is serving.

I sure hope for our sake the school nutrition improves because these children in the school system today will be the ones calling shots when we become senior citizens. And I don't know about you...but when I'm in a nursing home I don't want hot dogs and pizza four times a month.

Since when should a small child 5-6-7-8-9-10 years old be given a choice as to what they want to eat. You provide them with a

healthy meal and they eat it. If this is not satisfactory then they need to pack their lunch from home. We are supposed to be teaching our youth how to eat not letting them pick junk food. If I were 6 and 7 years old and you offered me your 4/16 menu meal which do you think I would pick...cheeseburger or chicken spaghetti... get real!!!

Thanks for your time - Linda Dodd
