Farmer's Market Organizers Plan June Opening; Looking for Vendors

After an initial meeting a few weeks ago, a core group of folks interested in organizing a farmers' market in the Belmont area now have plans for a June 5th opening.

The Bear Creek Farmers' Market now has an opening date and a location - C.C. Shock Park in Belmont. Now they are looking for another vital piece to the plan: farmers and growers with

farm products and goods to sell. According to organizer Stephen Holland, the market will be open on Saturday mornings, from 7 until 11, and also on Monday evenings from 4-7. Their goal is to help area growers have an outlet for farm-fresh goods right here in Tishomingo County.

They are looking for growers, farmers and vendors from Tishomingo County, and adjacent

counties, who are interested in selling their locally-grown fresh produce, live plants, fresh cut flowers, baked and prepared foods, and quality handcrafted products.

For more information, see their new website: www.bearcreekfarmersmarket.webs.com, or call Stephen Holland, 662-454-0784.

Insight Into Eyesight

Dr. Phillip Gray
Dry Eyes

While most of us think of tears as symbols of sadness, they also play an important role in keeping our eyes healthy. Tears are a natural mixture of salt, water, and microbial enzymes that kill bacteria and a thick layer of lubricating fluid that slows evaporation.

Dry eyes occur when the ocular surface of the eye lacks an adequate protective tear layer. This leaves the eye exposed to common irritating elements, such as dust, smoke and pollen.

Symptoms of dry eyes include burning, redness and sensations of having a foreign object in the eye. Doctors usually recommend the use of tear replacement eyedrops which contain many of the major components of natural tears.

Decreased tear production and abnormal tear composition are associated causes of dry eye. Aging, menopause, arthritis and infection are probable causes for either decreased tear production or abnormal tear composition.

**Northeast Women's Basketball
Schedules Summer Camps**

BOONEVILLE, Miss. — Northeast Mississippi Community College women's basketball coach Ricky Ford has scheduled a trio of camps for the 2010 summer.

Ford, who enters his 30th season at the helm of the Lady Tigers, will start his camps with a junior high girls camp on June 7-9 and follow that three-day camp with another three-day event one month later when the veteran Lady Tiger mentor holds individual and team camps on July 7-9.

Northeast's junior high camp is open to grades 5-8 while the senior high individual and team camps are open to grades 9-12.

According to Ford, the purpose of the camps is to teach skills in fundamentally sound basketball and to improve the abilities in the finer points of the game.

During the camp, athletes will be striving to not only improve their game but also develop character that will help them later in life in such areas as leadership, sportsmanship and citizenship.

Campers need to bring basketball shoes, athletic socks, T-shirts and shorts for camp as well as swim wear

for free time at the college's Gaye Roden Carr Aquatic Center.

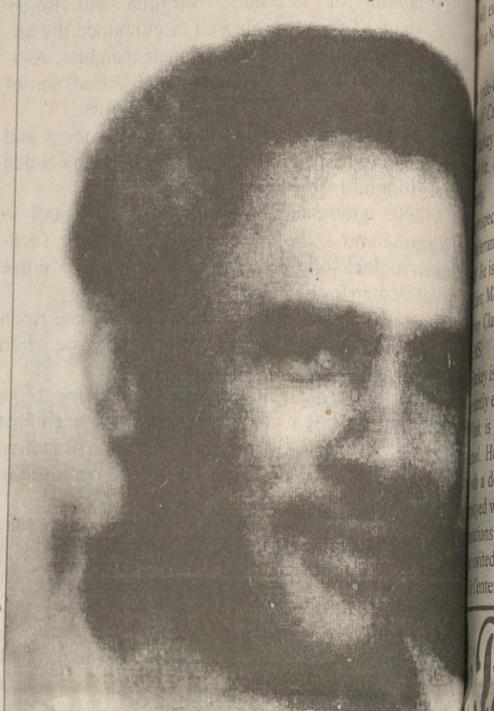

If a camper is staying overnight at the camp, campers also need to bring one set of single sheets, a pillow and case, laundry bag, towels and toiletries.

For day campers, each athlete should arrive by 8:30 a.m. and campers will be dismissed following the awards ceremony at 7 p.m. on the final day of camp.

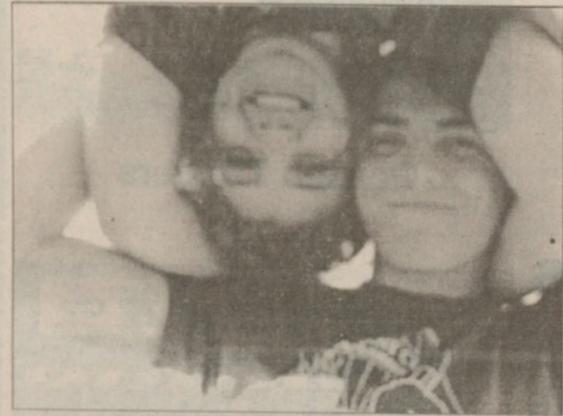

The cost of the basketball camp is \$130 for overnight campers and \$110 for day campers. Included in the overnight fee are meals, room and board, camp instruction, medical insurance, awards and a camp T-shirt.

For day camper rates, noon and evening meals are included as well as camp instruction, medical insurance, awards and a camp T-shirt. A \$30 deposit is required to hold a registration spot with the rest of the entry fee due on check-in for the camp.

For more information about the Lady Tiger basketball camps, contact Northeast women's head coach Ricky Ford at 662-720-7302 or email rgford@nemcc.edu.

Go 4th Ministries The Compass

A "logo" is an emblematic design (a symbol) adopted by an organization to identify its product. Go 4th's logo is a compass. From Go 4th's beginning, we wanted a symbol that would identify our purpose. The compass seemed to have a lot to do with direction and points as we had been commanded to GO. In further study of the word "compass", the logo seems to fit our identity very well.

Oxford University Press Dictionary (nothing to do with Ole Miss) gives the definition of compass as >noun 1. An instrument containing a magnetized pointer which shows the direction of magnetic north and bearings from it. 2. An instrument for drawing circles and arcs and measuring distances between points, consisting of two arms linked by a movable joint. 3. Range or scope. >verb 1. Circle or surround. 2. manage to accomplish.

Go 4th's magnetic pointer is Christ and all our

bearings from it are based on that "heading". Our purpose is to be an "instrument" - the arms, hands, feet - the Body, linked by a movable joint - Christ, the head! Our range, scope is the City of Iuka. Our purpose is to encompass the City, developing relationships with its residents in order that we manage to accomplish the task that Christ gave to the Church. The product is changed lives.

If you look in Webster's Dictionary, you'll find "compass" is one of the longer definitions of words defined - at least a full column of definitions and usage. "Compass" is from old French - *com*, together or with a passus, a step or pace. The word "compassion"

comes from the same root. The definition of "compassion"? Remember the root - together with, a step or pace. Compassion - a suffering with another; hence, sympathy; sorrow for the distress or misfortunes of another, with the desire to help.

Ever heard the phrase, "They don't care how much you know, until they know how much you care"? Jesus embodied the meaning; Matthew 14:14, Matthew 15:32, Matthew 20:34, Mark 1:41, Mark 6:34, Mark 8:2.

When (Jesus) saw the crowds, he had compassion on them, because they were harassed and helpless, like sheep without a shepherd. Then (Jesus) said to his disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field." Matthew 9:36-38.

Go 4th prays for workers (volunteers) so that we can encompass the City of Iuka for Christ! We invite you to join us as we GO!

Cemetery Cleaning Day...

Cemetery cleaning day will be April 24th this year. If you can help, please bring tools and be there around eight o'clock. All OLD flowers will be removed. The wind blew many flowers off the graves and we have no way of knowing where they belong. These flowers will also be removed.

Come and check your graves and pick up any flowers that you want to keep before April 24th. In case of rain on April 24th, we will reschedule for May 1st. Lunch will be served to all workers. Please help if you can.

If you can contribute to the endowment fund where only the interest can be used, please send your contribution to Ella Jean Moore and it will be used to buy CD's for future cutting. Ella Jean's address is 49 County Road 178, Iuka. The Cemetery Committee agreed to cut the cemetery only five times each year from interest on the endowment fund, thus allowing the endowment fund to continue to grow, but you know how low

interest rates are now, so it is not growing much.

If you prefer your gift be used this year, just send it to Bobby G. Johnson and maybe we can cut it six times. Bobby's address is 26 County Road 246 (Snowdown Road) Iuka.

Hope to see relatives of everyone who is buried in Snowdown Cemetery on April 24th or if we have rain that day, see you on May 1st.

The Grass Is Growing In Providence Cemetery!!!

Descendants of Stanford's, Dee's, some Murphy's, Berryman's and OTHERS who desire to have your loved ones graves mowed this year by the cemetery fund, need to contact me soon: Shirley Hagood, 8 Gross Ave., Burnsville, 38833. Please send your donations to me, so I can have a record.

Remember this is a per grave project, (not the whole cemetery) only those who have asked and have made a donation will be included. This is also yearly, an ongoing process. We must have funds in the bank each

year, to pay for the mowing before we start. No donation is too large, nor too small. The more people who give, the easier it will be for all of us. Even if other family members are donating already, we need your help too.

Your grave should be fairly level, free of rocks, blocks, bricks, etc. We cannot move things to mow, all flowers and other items on the ground should be removed by April 15th.

We sincerely thank you, Frances Rast, Amy Clark and Shirley.

Lum (Doc) Cummings Family Reunion...

The Lum (Doc) Cummings Family Reunion will be at the youth center in Iuka on May 2nd. Family and friends are welcome.

Bring a dish and come fellowship with us.

American Indian Village...

There will be country and bluegrass music every Friday night at the Native American Indian Village at Wayne Voyles, from 6:30 p.m. until.

Come join the fun and dance your heart away.

Buddy Wiltshire cuts the ribbon for Jewell's Place Bed & Bath. From left to right, Mike Montgomery, VP & Manager of Spirit and TCDF Board of Directors; Devin Crane; James McDowell, President, Board of Supervisors; Frank Brosious; Mayor Wiltshire; and Marilyn Crane, owners; Samantha Johnson; Margie Brosious; Tammy McDowell; and Barbara Harris.

Belmont Couple Opens Bed & Bath

Buddy and Marilyn are proud to announce the opening of "Jewell's Place," Belmont's bed and bath business. Jewell's Place is dedicated in fond memory of Mary Jewell Shook. She was born to Hatley and Sarah Shook on Jan. 13, 1911. She was the daughter of Belmont's mayor, C. C. "Lum" Shook. She graduated from Mississippi University for Women in 1932. Jewell was a teacher for 27 years and a blessing to all who knew her. She was indeed a lady.

Located across the street from Belmont Baptist Church, Jewell's Place is easy to find and is within one or two blocks of restaurants, a drug store, Belmont City Hall, the library, banks, and doctor's offices. Belmont Mayor Buddy Wiltshire welcomes the new business and reports that "there has been demand for this type of lodging for a long time and we feel that the Crane family has done an outstanding job in restoring the house and in serving visitors to Belmont. All of us will be proud to refer customers to Jewell's Place."

Marilyn and Devin Crane arrange refreshments in the new Jewell's Place Bed and Bath on Opening Day.

Board of Supervisors President James McDowell is also excited about the new business. "This is an example of the entrepreneurial spirit of America," said McDowell. TCDF Board of Directors member Mike Montgomery also welcomes the

new business and reported that "small businesses are the backbone of the nation's economy. While large corporations are moving jobs overseas, small businesses are creating most of the new jobs in the USA. We thank

the Crane family for choosing Tishomingo County for their new business." For more information contact Marilyn Crane at 662-454-3413 or 662-424-3346.

Northeast Softball Schedules Summer Camp

Community College's softball team will hold a three-day softball camp during the first days of June. Northeast head softball coach Jody Long has set the dates for the camp which lasts from 9 a.m. to 12 noon each day. According to Long, campers should report to Booneville City Park fields between 8:30 a.m. each day and will be dismissed from the same area at noon. The cost of the softball camp is \$80 for all campers and the entry fee includes a camp T-shirt and a medical in-

urance. A \$30 deposit is required to hold a spot in registration with the remaining amount due the first day of the camp. During the three-day camp, athletes will work on skills and fundamentals associated with hitting, batting, defense, base running, pitching and catching. Individual instruction will also be given to help campers correct faults or perfect skill that said camper is wanting to develop. Campers need to bring cleats, tennis or turf shoes, a softball glove and bat that are clearly marked, batting gloves, a hat or visor, prac-

tice or windproof pants and practice shirts. Those wanting to work on catching need to furnish their own catching gear and knee pads. Northeast's softball camp is open to any student that is 8 years old through an upcoming senior in high school and applications are taken on a first-come, first-serve basis. For more information about Northeast softball camp, contact Northeast softball coach Jody Long at 662-720-7305 or email jwlong@nemcc.edu
