# Want your Chance to Vote? Let your voice be heard! Sign Petition!

I will either get this to the polls to be voted on or go to my grave trying. It is too late to get this on the November ballot. I will have to call for a special election.

This is to the people of Tishomingo County that have not signed the petition to vote Tishomingo County wet. If you people can't see the hundreds of thousands of dollars that we are losing to Alabama, Tennessee, and Corinth every year, what would it take for you to see this? If you don't believe this is true, go to the Alabama State line on a Friday evening. Count all of the Tishomingo tags that come in there in a two hour period, from about 5 p.m. to 7 p.m., then drive down to the first stop, right across the TN state line, first store on the right, on a Friday evening from 5 p.m. to 7 p.m. and count all the Tishomingo County tags. Go over to Farmington Rd. in Corinth, the first beer store you come to when you enter Alcorn County on the right, do the same thing right there. Go down 72 Hwy. in the city limits in Corinth, first store on the left, do the same thing and just count all the Tishomingo County tags you see there. Then you tell me that there is no alcohol being drank in Tishomingo County. If you are one of them folks that drink and don't want anybody to know about it, that's fine too. If you sign this petition and it becomes legal to be sold in Tishomingo County and you still don't want anyone to see you buying it, you can still go out of town and buy yours. At least help us get it wet over here where we can get the tax dollars off of these people that do drink it and don't care for folks knowing it, drive down your roads and look at all the beer cans, and whiskey bottles you will see. All these people that say it will cause more DUI's on the road, you need to get in your vehicle and go to the courthouse in a wet county and ask them to see their DUI records for one year. They have got to show them to you because they are public records. Then you come back to Iuka, MS, go to the Tishomingo County Courthouse, pull their DUI records but make sure if you do, a one year study in these other courthouses you do a one year study in the Iuka Courthouse. You will find Tishomingo County has between a 3 and 5% higher DUI rate than any wet county around here. You take Colbert Co., AL, it's a lot bigger than Tishomingo County. Take

Tupelo, it's way bigger than Tishomingo County. We have more DUIs than they do and we are a dry county. You know why that is...because the people have to drive so far to get the alcohol. If it was sold here in Tishomingo County you wouldn't have near the drunks on the road as you do now. Most people would buy it and go home with it. If they have to drive to AL, TN, or Corinth, they are not going to wait until they get back home. Just as quick as they pull out of that beer store, they are going to drink them one. Then they will probably run up on a buddy on down the road and they will stand there and drink several together and then talk. Then, when they leave there to go home, you've got 2 or 3, 4 or 5 maybe, people that's DUI trying to get home. You say how do you know this, because I'm one of them that used to do it. Go up to the beer store to get a beer, run up on 2 or 3 of your buddies. We'd all decide to sit on the road and drink one or two and talk. Well, that one or two most of the time turned into a half a case or more. Then we left there trying to get home, we were done too drunk to really be driving, but we done it just the same, though, didn't we? If it's sold right here in Tishomingo County, everybody and their buddy would be used to seeing each other all of the time. They'd get what they wanted to dink and tell each other, "I'll see you later." Don't get me wrong, some of them would still gather up like that. Go over here and meet on a back road, but the majority of the people would do what I just said. They would get their drink and go to their house with it. If you have done signed the petition, don't sign it again. If you have not signed it, please sign it and mail it in to me. I need your signatures very badly. I don't need but 552 more to get this done. So please fill this out, cut it out of the paper and mail it back to me. If you have done signed this petition, take it and try to get someone else to sign it too. If you can only just get one signature, it would help me a lot. If 500 people that have already signed this petition got one more person that is a legal registered voter of Tishomingo County to sign then I will have enough to do this. So please help me with this if you possibly can.

Thank You Very Much,  
Tubby Aldridge

### Aldridge Responds

This is a response to Mr. Blackburn's "Letter to the Editor." I would love for Mr. Blackburn to explain to me how this is going to raise the DUI rates and how it's going to cause more divorces. How is it going to cause the crime rates to go up and how it's going to take away from the children when all of that is already taking place in Tishomingo County and all over the world. If people didn't have to drive so far to get it they would have more money to spend on their families. If they are going to drink, it won't make no difference if it's sold in Tishomingo County or any other county. He says the kids will do without from people buying alcohol. Well, if it was sold in their hometown, they would probably save between five to ten dollars on every trip that they make to the liquor stores or every time that they went

to the beer store and gas, according to where they have to drive. Personally, myself, I live about eight miles away from it. It would cost me approximately three dollars a trip. People could save up to \$40 a month if it was local.

You people might say that just gives them more money to drink on. It doesn't matter either way, they are going to get it somehow, because I personally know because I used to do it. I've never heard a drunk complain about the price of gas or how much it costs him to get to the beer store, he just always complained about how much the case of beer was. But you know what the best part of this all is...they are still going to get it anyhow. You know what Tishomingo County is getting out of all this? The garbage off of it, no tax dollars. Let Alabama, Tennessee, Corinth, and Baldwin just keep dragging them tax dollars off of us. I am very sure they appreciate them very much, these tax dollars we are giving to them everyday, say thanks to Tishomingo County... (edited for space).

## Cardinals Look to Kossuth, after Red Bay Loss

by Alison Wiltshire  
Cardinal Chatter

It's hard to believe that our first nine weeks grading period is almost over. Only three more to go... Seniors, are you ready for it???

The Belmont High School Varsity Football Team lost a heartbreaker to our cross-state rival Red Bay last Friday evening. Although the final score might not reflect this, the Cardinals played with high intensity and determination. Congrats, Cardinals, on a winning season thus far, and we look forward to watching you during the remainder of the 2011 season. The Cardinals travel to Kossuth this Friday evening to take on the Aggies. Everyone, head to Alcorn County and support our BHS Football Program!!

On Friday evening, October 7th, our Cardinals return to Belmont for Homecoming to take on the Ripley Tigers. If just the excitement of Homecoming is not enough for you, everyone will be on the edges of the seats as the announcement of our 2011 BHS Homecoming Queen is made during the ceremony.

Don't forget to come out and support our BHS Junior Varsity Football Team and our Junior High Teams as they face the Mantachie Mustangs this Tuesday. Our JV Team will also play Baldwin there on October 4th, and the Junior High Teams will face off against Fulton at home that same evening.

The Band debuted its final song of the show at Red Bay. Thank you, Mr. Ronny Griffin and Mrs. Christy Griffin, for your patience with us, and we hope that we made you proud. This organization is busy preparing for the 2011 State Marching Festival to be held on Saturday, October 8th. 2012 Band Calendars are being sold until the end of this week. Calendars are \$10, and this price includes the listings of all household birthdays and anniversaries. Contact any High School Band Member or Band Director Mr. Ronny Griffin at the high school office at 454-7924.

The BHS Cross Country Team competed in its first meet this past Saturday at Ballard Park in Tupelo. Congratulations to the team for a successful beginning to its season.

The Belmont High School Tennis Team is busy with fall activities as well. This organization, under the direction of Mrs. Eva Kirk, is hosting a tennis camp this week for grades 4 through 8. Everyone come and watch as these youngsters participate in exhibition play Saturday, October 1st, beginning at 9:00 a.m. in the Blue Springs Park. The team will also be having tryouts for the 2012 season on October 3rd and 4th. Good luck to all those trying out.

The BHS Lady Cardinals Slowpitch Softball Team is winding down its season as the players host

Pine Grove Tuesday evening, September 27th, for Senior Night. Come support our players as they take to the homefield for the final time this season. The Lady Cardinals also play at IAHS on Thursday evening to end their regular season.

FCA sponsored a "5th Quarter" gathering at Golden Central Baptist Church last Friday after the Red Bay game. Everyone enjoyed a fantastic time as pizza and desserts were served and entertainment was provided by the Golden Central Praise Band. Our 2010-2011 FCA President Jacob Stanley was on hand to start off the event. The FCA, along with sponsor Mrs. Camille Stanfield, would like to thank Bro. Shannon Battles and Golden Central and the many people who donated food, money, and their time to help make this new venture a success. Don't forget that the FCA meets each Wednesday morning at 7:30 in Mrs. Stanfield's room, and remember, you do not have to be an athlete at BHS to be a member of FCA!

The BHS Mississippi BEST Robotics Team has been organized! Mississippi's BEST is designed to inspire and interest students in engineering, science, and technology through participation in an exciting sports-like technology contest. Using only materials provided, the teams have six weeks to design, develop, and test a robot that can outperform their competition. This event began September 17th at Mississippi State, and although this year's team is mostly observing, it is learn-

ing and gathering info to help prepare to participate fully next time. The robots will be unveiled at State on October 28th and 29th. Mrs. Debra Newell and Mrs. Amy Burks are heading up this new endeavor, and we appreciate their hard work and dedication to BHS's newest organization.

Be sure to catch the weekly television program, "The Show," on Mr. Jack Ivy's WRMG television station. Live each Monday morning at 6:30-7:00 with various airings repeated throughout the week on his channel 97. You can also catch "The Show" on Mr. Jack's website, [www.wrmgradio.com](http://www.wrmgradio.com). Then just click on the link on the right titled "Watch TV12/TV97". Scroll down to his recent videos and click through the arrows until you find us. We have recorded three episodes already, and we can't wait to do more. Thanks, Mr. Jack, for allowing us to do this.

Tuesday is Fall Picture Day. Smile for the camera! Seniors, are you ready to slouch?

This week's Spirit Day for Thursday is "Blast from the Past." Don't forget that Friday, as always, is "Red Day".

Be on the lookout next week for info regarding our Belmont School Fall Festival, which will be the evening of October 6th in the C. C. Shook Park, and info regarding our 2011 Homecoming Parade!

Have a great week!

## Braves Bring Home a Win from Wilson HS, Alabama Trip

by Preston Rushing  
Braves Sports

The TC Braves brought home a victory from their little field trip to Alabama last Friday night!

Coming in with a 1-4 record, the Braves and 1-3 Wilson Warriors looked pretty evenly matched.

Braves fans' stomachs dropped, as once again, the Braves allowed Wilson a score in the first minutes of the ball game. They held the 7-0 lead until halftime.

But, as soon as the second half started, the Braves responded demanding. Blake Hawkins threw a touchdown pass to Cameron Dexter, but the extra point was missed, so the score was now 7-6 in Wilson's favor.

The Braves defense kicked in, stopping the Warriors on their next drive, allowing the offense to really move the ball down the field from there on out.

The next score was a touchdown run by senior Chance Newcomb, pushing one yard up the middle for the score! This then

made the score 12-7 after the missed extra point. On the following Wilson possession, the Braves defense stopped them again and forced a 3 and out. This really helped relieve some of the pressure on the Braves, and it gave us the opportunity to control the game, which is exactly what they did when they got the ball.

The Braves offense marched down the field and Bobby Felker rushed into the end zone for a score, which gave us the score of 18-7.

Overall, it was a very well-played game by the Braves. I believe that we are very close to getting over the hump and breaking through here at Tishomingo County High School. The team fought very hard and didn't give an inch of ground all night. Even when they got down, they fought back and pulled out the victory.

A very big congratulations should be given to Hunter Pounders for great defensive play all night, including two interceptions. The second one gave us the ball in Wilson territory

and gave us the chance to put the game away, which we did. It was a very good game and I encourage everyone to travel down to Amory this Friday as the Braves take on the Panthers at 7:30! I hope to see you all there, and LET'S GO BRAVES!

**PETITION**

People, without ya'll, I can't get this thing done. Some of the stores that I was leaving my petition in are not letting me leave them anymore. Some of their customers are complaining about it. The weather is about to get too cold for me to set up anymore. I am going to depend on you to get other people to sign this petition that's in the Tishomingo County Newspaper and mail it back to me in order to get this done. It's too close for us to quit. I am not going to quit until I get a vote on this.

**Healthy Relationship News**

She says she wants to talk and this scares most men. Not because conversations are unimportant but they often are considered mine fields. Serious issues could come up that could spark a tension that lasts for weeks. She might ask about her weight; or her mother or her mother's weight. And being perfectly honest here; you could say something stupid. So how do know when to be totally transparent and when to shut up? It really depends on the relationship dynamics you have already established with her, but to avoid the minefield and enjoy talking to your wife, you might want to be aware of a few ground rules. She needs openness about your concerns but she doesn't need you to weigh every alternative out loud (because frankly some of those alternatives might be somewhat edgy and you don't want to scare her). She needs to know your heart but not every single thought (like the features that made a woman you noticed at work today attractive). Be honest but not burdensome. Reveal your heart without destroying her sense of security; talk with love and grace constantly assuring her of your love.

### 2011 Tishomingo County Fair Poultry Chain Auction

Tishomingo County 4-H is reviving the 4-H Poultry Chain of the Tishomingo County Fair. Each participant received thirty-two Rhode Island Red pullets in late May. The chicks were one day old when they arrived. Since that time, the youth participants have been caring for and raising their poultry projects. Now that it is time for the 2011

Tishomingo County Fair, each participant will bring fifteen of their chickens to the fair to be auctioned off to the highest bidder. The chickens will be auctioned off on Saturday, October 8, 2011 at 9:00 a.m. at the fairgrounds. All of the proceeds from the auction will be used to fund the program for the upcoming year. We encourage you to come out

and support our youth by purchasing their projects and allow more youth to participate in the upcoming year. If you or anyone you know may be interested in purchasing some Rhode Island Red pullets, please join our youth on October 8th for the 2011 4-H Poultry Chain auction.
