Ham Home Destroyed by Fire

The home of Kevin and Kristi Ham, located on Pleasant Hill Road, Iuka, was completely destroyed by fire early Monday morning. The Hams, with their two children, were not at home at the time. Mrs. Ham had recently had surgery and the family was staying with her parents. According to Iuka Fireman Brandon Grissom, the department received the call at 2 o'clock Monday morning, asking for assistance at the scene. Other fire departments responding were Midway and Snowdown/Pleasant Hill. The brick home was built in 1957 and was the former home of Kevin's parents, the late Dexter and Helen Ham.

Shopping Local for Holidays, and Every Day, Helps Local Economy

Dollars spent locally help build local economies, which help employ local people.

This weekend, several local businesses are kicking off the holiday season with Open House sales. Be sure to see the ads in this edition for more details on sales at Friendly Florist, Moore's Jewelry, J. Bourdan Antique Shop, Front St. Snack Bar, The Place at Front and Main, Christy & Co., Mama Mc's, Iuka Flower Shop, Pray Pottery and Hairport.

Here are some more reasons to shop local:

1. Protect Local Character and Prosperity

New Orleans is unlike any other city in the world. By choosing to support locally owned businesses, you help maintain New Orleans' diversity and distinctive flavor.

2. Community Well-Being

Locally owned businesses build strong neighborhoods by sustaining communities, linking neighbors, and by contributing more to local causes.

3. Local Decision Making

Local ownership means that important decisions are made locally by people who live in the community and who will feel the impacts of those decisions.

4. Keeping Dollars in the Local Economy

Your dollars spent in locally-owned businesses have three times the impact on your community as dollars spent at national chains. When shopping locally, you simultaneously create jobs, fund more city services through sales tax, invest in neighborhood improvement and promote community development.

5. Job and Wages

Locally owned businesses create more jobs locally and, in some sectors, provide better wages and benefits than chains do.

6. Entrepreneurship

Entrepreneurship fuels America's economic innovation and prosperity, and serves as a key means for families to move out of low-wage jobs and into the middle class.

7. Public Benefits and Costs

Local stores in town centers require comparatively little infrastructure and make more efficient use of public services relative to big box stores and strip shopping malls.

8. Environmental Sustainability

Local stores help to sustain vibrant, compact, walkable town centers-which in turn are essential to reducing sprawl, automobile use, habitat loss, and air and water pollution.

9. Competition

A marketplace of tens of thousands of small businesses is the best way to ensure innovation and low prices over the long-term.

10. Product Diversity

A multitude of small businesses, each selecting products based, not on a national sales plan, but on their own interests and the needs of their local customers, guarantees a much broader range of product choices.

Mississippi State & Tishomingo County Elections Next Tuesday

Tuesday, November 8, will be election day throughout Mississippi. Both local and state offices will be filled in the last round of the 2011 elections. Polls will open at 7:00 and close at 7:00 statewide for voters to cast their votes.

Winners are scheduled to take office in January 2012. (See the sample ballot with specific names for all offices on page 2).

Local Elections

In Tishomingo County, voters will elect several very important county offices that were not decided in the Democratic and Republican primaries held this summer. Still contested are six county offices: Sheriff, County Supervisor Districts 2 and 3, Justice Court Judge South District, Constable South District and Constable North District. County voters will also select their State Senators and State Representatives, making this an extremely important election for all Tishomingo County residents.

Races with local interest included:

- Public Service Commissioner Northern District: Boyce Adams (R) and Brandon Presley (D).
- Transportation Commissioner Northern District: Ray Minor (D) and Mike Tagert (R).
- District Attorney, District 1: Trent Kelly (R) and John R. Young (D).
- State Senate District 4: Rita Potts Parks (R) and Eric Powell (D).
- State Senate District 5: Jerry Don Keith (R) and J. P. Wilemon, Jr. (D).
- State House of Representatives, District 1: Lester E. "Bubba" Carpenter (R) and Thomas McCarley (D).
- State House of Representatives, District 19: Randy P. Boyd (R) and

Mark A. DuVall (D).

- Sheriff: Leslie O. Blaylock (R); Glenn Whitlock (D); Jerry "10 Speed" Boyd (I); and Walter James Williams, Jr. (I).
- Supervisor, District 2: Nicky McRae (D) and James L. Skinner (I).
- Supervisor, District 3: Sean Bullard (R) and Danny C. Ryan (D).
- Justice Court Judge South District: Freddie Means (R) and Donny Joe Sparks (D).
- Constable, South District: Jeff Kemp (D) and William R. "Bob" Lambert (R).
- Constable North District: Harold Lynn Barnes (R) and Tim Bivins (D).

Also on the ballot (un-opposed) will be: Chancery Clerk; Peyton Cummings; Circuit Clerk; Donna Henry Dill; Coroner; Mack Wilemon; County Prosecuting Attorney; Nicholas B. "Nick" Phillips; Surveyor: J. T. "Terry" Strickland; Tax Assessor: Diana Hester Turner; Tax Collector: Paul F. Whitlock; Supervisor, District 1: Brandon L. Grissom; Supervisor, District 4: Steve Thorne; Supervisor, District 5: Greg Collier; Justice Court Judge North District: Billy D. Glover, Jr.

On the November General Election voters can cross-over vote, meaning they can vote for both Republicans, Democrats, and Independents all on the same ballot. Mississippi voters will be deciding on a new Governor; a Lieutenant Governor; Attorney General; State Auditor; State Treasurer; Commissioner of Agriculture & Commerce; and Commissioner of Insurance (see sample ballot, page 2).

Historic Mississippi Constitutional Amendments on Tuesday's Ballot

by Pamela McRae

There will be three very important potential constitutional amendments on the November ballot. Eminent domain, personhood, and voter ID are all hot-button issues that are being put to a state-wide vote next Tuesday.

Tishomingo County voters need to understand what these initiatives are all about, and then make an educated decision in the voting booth.

(Mississippi voters have never approved a ballot initiative, according to the Clarion Ledger.)

Initiative No. 31: Eminent Domain

Initiative #31 deals with the reform of Mississippi's Eminent Domain law. It would leave in place the government's ability to compel a property owner to sell their land to the state for infrastructure projects, such as right-of-ways for roads, utilities, hospitals, airports and even dilapidated buildings...for a predetermined fair market value. What initiative 31 would change, if passed, is the state's ability to force someone to sell their land to the state and then have it transferred to a private individual, company or industry within ten years.

Initiative No. 27: Voter ID

Voter identification has been debated for years. Should you be required to show some sort of identification such as a driver's license before you are allowed to vote? The belief is that an ID will reduce voter fraud.

Opponents say that it might intimidate older voters who may have felt victimized by the racist voting procedures of the past.

Initiative No. 26: Personhood Amendment

Initiative Measure No. 26 on the ballot reads:

"Should the term 'person' be defined to include every human being from the moment of fertilization, cloning or the equivalent thereof?"

Countless evangelicals, churches and anti-abortion advocates across the state see this proposed amendment as the beginning of the end for abortion rights as established under the U.S. Supreme Court's landmark Roe vs. Wade ruling, according to the Jackson Clarion Ledger.

But some medical and legal experts say the initiative could have unintended consequences that reach beyond outlawing abortion.

"Part of the concern is that it's not entirely clear what will happen if this passes," said Mississippi College School of Law professor Jonathan Will, who leads MC's Bioethics and Health Law Center.

The language of the measure is pretty clear, but even proponents say that it will be up to the Legislature and the courts to decide what the amendment means in practice.

Jerry Don Keith Asks For Your Support in State Senate Election

I am asking for your vote for State Senate, District 5 in Itawamba, Prentiss and Tishomingo Counties.

I have been married over 40 years to the former Gloria Stephens of the Midway Community in Tishomingo County. We have one son and daughter-in-law, Kevin and Christie and two precious grandsons, Brooks and Brady.

Election Day, November 8th, is the time for you to vote for your next State Senator for District 5. If you give me the opportunity to be your next Senator, I will always be the person that will support business and work for economic

development. I will always cast my vote to keep the existing jobs in our counties and fight to bring in new jobs for the future.

I am the only candidate that has been endorsed by the Mississippi Manufacturers Association and the Mississippi Associated Builders & Contractors, Inc. I am the candidate that has been recommended as a "Best for Job Creation" candidate by BIPEC (Business and Industry Political Education Committee). I received these endorsements and recommendations because my opponent has not made business friendly votes; therefore, received

a "D" on his business report card. I feel this is unacceptable in a time when the people of our counties are desperate for jobs. I will always have better than a "D" grade on business

related votes.

I am President of the Tombigbee River Valley Water Management District Board, Chairman of the Tishomingo County Republican Executive Committee, Member of the Tishomingo County Development Foundation, Member of the State Central Committee of the Mississippi Republican Party, Member of The Gideon's International; I am a Christian and a Bapt-

tist. I received an "A" rating from NRA.

I have twenty-two years experience as Service Manager for a John Deere Dealership and five years working as a Medicaid Specialist for the Mississippi Division of Medicaid.

I believe this experience gives me an extensive insight to one of the most important issues facing us today, the lack of quality, affordable health care. If elected your Senator, I will fight to lower the cost of

health care. I will oppose unfunded federal mandates, such as the Obama Health Care, that will hurt Mississippi taxpayers. I promise to work hard to repeal the Obama Health Care.

I will work hard to protect all of our State's rights including the Second Amendment. Also, I am a strong supporter of our public school system. I also believe we should hold the government and school system accountable to ensure the dollars get

to the classrooms and not lost in bureaucracy. I will support the development of early childhood education programs like several other states have done. I believe this will help decrease the drop-out rate as they get older. I will also support our institutions of high learning, community colleges, volunteer fire departments and any other community organizations.

I will not support current proposed changes to the existing PERS retirement system. We must honor the promise and commitment to all of our state employees and retirees.

I am a dedicated sincere person that will work hard for you as your next Senator for District 5. If you want someone with the energy and ability to get the job done, then please vote

Jerry Don Keith for State Senator, District 5.

You may contact me at 1641 Hwy. 25, Tishomingo, MS 38873, Ph: 662-423-3149, email: jerrydkeith@yahoo.com. For more information, please visit my webpage at www.JerryDonKeith.com.

Again, thank you for your vote and support.

pervisor. One deputy will patrol the south end of the county and the other will patrol the north end of the county. I will also have two investigators and one chief investigator.

If I am elected sheriff, I will be visible and so will all of my deputies. I will have an open door policy and if anyone has a problem, you can speak to the sheriff directly.

If a crime occurs in the county and it is a felony, the deputy will take the initial report. However, the sheriff will be notified and the investigator on call will come to the scene and start the investigation. I will also use the resources

of the Tishomingo County Sheriff's Department to investigate any drug activity in the county.

If elected, I want to have community meetings at a different fire department each month, where the citizens of that community can meet the sheriff department and fire department to discuss issues or concerns. At these meetings, I will donate enough barbeque to the fire department to feed one hundred people. The fire department will have the opportunity to do whatever they please with the food, whether it's a fundraiser, feed the public or etc.

If elected sheriff, I will

also work with the Tishomingo County School Systems and I will continue to support the Tishomingo County TRIAD program.

As I have mentioned before in previous speeches, I want to bring my record in law enforcement to the Tishomingo County Sheriff Department. I will also treat you the same as I treated you when I was a Mississippi State Trooper, and I promise to be honest and fair. So therefore, November 8th, I hope that you go to the polls and elect Jerry "Ten Speed" Boyd for sheriff of Tishomingo County.

First Iuka High Football Team Members Meet For Reunion

By Jimmy Oaks

From the "war" stories that were told it could have been called a gathering of wounded warriors. And from the way some of us walk now, perhaps it looked that way too.

Actually it was a group of 15 former football players from Iuka High School's first three football teams in the fall of 1953, '54 and '55 who met at the Homestead Restaurant on Friday, October 28 to recall and remind each other of those years.

Locally, Tony Gaines and Bill Moore had spread the word and I had made

some phone contacts from my home in Huntsville, Alabama. These efforts brought federal judge Roger Clark up from Gulfport, Fred White from Hattiesburg and Larry Tuckier from Tuscumbia. Gene Reynolds came from Flo-wood and locally Charles Sweeney, Jackie Bryant, Jim Bugg, Gene Jourdan, Walter Wynn, Richard Clark, Charles Jones and Hayden Taylor joined the group.

After viewing some slides from the early teams, a few memories were jogged to provide some entertain- ing stories. Sweeney lost

a pocket knife at Baldwin, Bryant almost scored a touchdown in a scrimmage game at Kossuth and Tuckier recalled giving Coach B. L. Mercer the nickname of "Pop."

Reynolds remembered making Coach Mercer mad by lining the team in the T-formation at a practice. (Both years under Mercer we only ran the single-wing.) Wynn laughed about Coach Grezaffi referring to him as that "little wormy boy who played center." Jourdan told how a rabbit hunt in the afternoon before a game ended his playing days.

But most of the stories were about an incident at Red Bay that occurred in a subsequent year. It seems

a fight broke out after the game that led to action that perhaps should not be repeated in this report.

I related some comments from a phone call I had made to Dr. Donald Davis who is still a practicing surgeon in Meridian and Moore read a letter that Kermit Rushing had sent from Collins. These two, along with Sweeney, are the surviving seniors from the 1953 team.

After our meal, I joined Bryant, Moore and White at Tishomingo County's final home game with Fulton. The night was cold and unfortunately the game score was a reminder of some of our scores back in 1953, '54 and '55.

Letter To The Editor

This letter is in response to Tubby Aldridge's "Letter To The Editor" in your paper. I do not wish to start an argument or letter war. I believe that people can disagree and still be friends. Last week you challenged Mr. Clark to come up with proof of his opinions. I would like to challenge you to do so, also. I have probably read every article you have printed. You have compared Tishomingo County to some much larger populated counties in Alabama. You have thrown out a lot of figures that you had no proof of either (regarding \$ amounts for our county). Some of these items have been regarding the tremendous tax dollar we would be receiving from the sale of alcohol, county taxes wouldn't go up, pay for the new jail, we could have better roads and schools, and roads would be safer since people would drink at home. Some facts I would like to know are: 1. How much tax revenue would we receive per bottle or case. How much of this tax would be going to the state. 2. Just how much alcohol would we need to sell to pay for all the items you have mentioned. 3. Why would people from the surrounding

areas drive to our county for alcohol if they are already wet? (would we only be selling to a few since you can't get enough to sign the petition?). You have not addressed this next question. 4. Where would these new liquor stores be located and would they also include clubs/lounges. If you have proof of all these things

you have been printing in the paper regarding our county (not what others are doing), I would like to know your source so I can look them up. The only thing that you don't need to prove to me is that some people in Tishomingo County already drink. A concerned citizen,

2011 Hunting Season/Dogs

by Brenda Burcham

Attention all hunters, the Fall 2011 Hunting Season is here. A seasonal right will bring fellow hunters from all over the USA to gun for squirrel, rabbit, deer, quail and wild turkey in Northeast Mississippi. Time is running out for getting equipment ready and dogs trained for this annual event which will run into spring of next year.

I grew-up in Tishomingo County with six brothers and a Mom who "could shoot as good as any man." My sisters and I never completely acquired these skills. We did learn a lot about hunting, dogs, and the great outdoors.

Hunters love to tramp through the wilds with their dogs in pursuit of these machismo activities. The hunt is everything even when it ends up around a campfire where passing around the hot beverages may be part of the hunters' ceremony too. After leaving, sleeping female companions to their own entertainment, at the crack of dawn; they will be returning from their battle with the wilds late in the evening. The colder the temperature outside, the better bragging rights these guys have.

There are more than 300 breeds of dogs (most live next door and bark all night). The most favorite is the Beagle. The least favorite is the dog next door that barks all night. In between there are boxers, bulldogs, Chihuahua (the Aztecs bred Chihuahuas to lead them across the great river of the afterlife), bloodhounds, foxhounds, dachshunds, German shepherds, retrievers, Labradors, Maltese, terriers. A wealth of information about dogs and hunting can be found on the Mississippi Hunting Dog Association's website. Adults and children will enjoy the large picture book, *The Nature of Dogs*, which has a rendering of each breed, complete with a brief history, by Mary Ludington. There are more than 30 videos of rabbit hunts - very vivid details - found under the category "Rabbit Hunting" on the net.

Another tribute to hunting dogs is Coon Dog Cemetery in nearby Alabama.

My favorite hunter is a little older than he used to be so he has taken hunting rabbits with his grandson to a new level. He loads up his dogs (approximately a dozen at last count), drives over by the Waterway, lets the dogs out and sits in, or hangs out around the truck, complete with beverages and snacks until he is sure the dogs have treed something and their barks can be heard faraway. When boredom sets in after an hour or two, the guys head for one of the local restaurants where they have lunch, and catch up on the latest news and gossip. Back at the Waterway they make sure the dogs are still running. Eventually they will collect

several of the dogs. Almost every time they hunt it takes several days before all the dogs are located (usually by neighbors calling after 11:00 p.m. or before 7:00 a.m.) to say a dog has been spotted or is at their house. Only Old Belle knows the way home.

Don't forget to get your hunting license before the "big event" - one year for locals - three days for visitors or those less avid about sports. The dogs should be wearing identification so neighbors can report to you. Otherwise, they might be headed for Ripley before you know it. Good hunting dogs are expensive.

We women do understand that the kill is not half as important as sharing the experience. Hunters rule the season.

Recently at the coon dog burial, Gene Jourdan (right of Iuka) demonstrated the different sounds coon dogs make.

Re-Elect Glenn Whitlock Sheriff

I want to say "THANK YOU" for allowing me the privilege and honor to serve as our sheriff for the past eight years. This has been a period that has had many good times. Some of the best times have been when we have been able to set up programs and see them grow. Like ones that help our children resist drugs (such as D.A.R.E.) and be safe when they are at school (like School Resource Officers) and programs that help our elders to be able to spot people trying to take advantage of their caring and giving nature (like TRIAD and Community meetings).

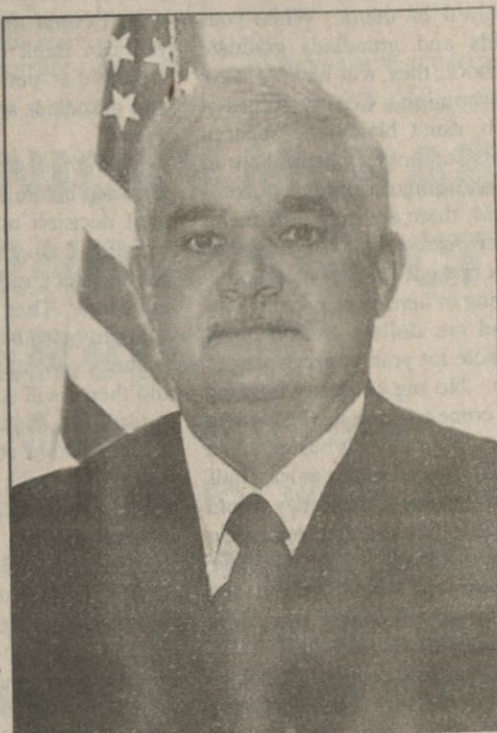

All these programs, other than TRIAD, have had their beginnings, growth and advancement in this administration. We have also worked to help our Communities as a whole by helping to start Neighborhood Watch Programs, being a part of the North Mississippi Narcotics Unit, joining the Crimestoppers of Northeast Mississippi and by being strong supporters of the Boys and Girls Clubs, the Trunk or Treat programs, Relay for Life events, and many other organizations and events that help our citizens especially the young and the elderly to have better and more productive lives. Many of these activities are participated in by employees that give their time without asking for pay just to help the County be a better place.

Are the things listed above requirements to hold the office of sheriff in Mississippi? No, but it is something that I believe in and hope will save our children and families so they can grow up safe and happy and want to live here all their lives. I believe there is more to being a public servant or public official than just drawing another paycheck and building up more retirement. I believe that any person that is elected to any office should use the trust shown to them in being elected to try to make the people he represents proud of the Community in which they live, and to consider the problems and concerns of others much more important and above and beyond the needs of the office holder.

If you choose to vote for me next Tuesday then you can rest assured that this department and I will continue to work for you the people, ALL (19,000 plus) people who live in this County. I feel that it is important to do the job you gave me to do first and foremost, so I may not have been able to see you personally and ask for your vote but I hope that you feel as I do that keeping everyone safe and a department moving forward is more important than my politicking method. Please consider this as my asking you for your vote and continued support. I have always said that I would put the Community needs at the top of my list as long as I am here in this office. Please be assured that if you, your family or any group has questions or concerns of something going on your Community, please give me a call and I will be both happy and pleased to meet with you and your group to answer your questions and receive your information, at a time convenient for everyone. I was born and raised here in this County along with my family and will, by the grace of God be put to rest here one day.

I learned many things from my mother, Rhoda and my father, Hezzie, and a couple of the best lessons I learned was that we should never stop working until the job is finished and we should always make up our own minds about people and things in our life and not let others tell us what we should think or do. They said to look at a person and see what they have done, who they were and what they stood for, not just a label given to them by themselves or someone else. I have found this is good advice on many different levels.

So, for the last time this year, I, Glenn Whitlock ask you for your vote and support next Tuesday. The decision is yours alone who you cast your vote for in all offices I ask for your consideration. Thank you again and May God Bless Tishomingo County.

Thank you for the family of Farrah Nicole Frazier O'Toole

The family of Farrah greatly appreciates all of the love and support extended to them at such a tough time. Thanks to all of those who took care of the family at the hospital and those who sent love and prayer our way.

We would like to say a special thanks to Cutshall Funeral Home for making arrangements, Bro. Stanley Magill, Bro. Ray Kirk, and Bro. Jerry Michael Williams for a beautiful service and to Yellow Creek Baptist for preparing a meal for the family. We would also like to thank all surrounding churches in our area for holding prayer groups. The support of the whole town has been amazing and we would like to thank you all.

To those who sang at the service: you truly made an impact on everyone there and blessed our family in a big way. We would like to let everyone know that Josh, Katelynn and Preston are doing well and they appreciate all the support they have been given.

Only 472 More Names Needed on Petition

This is to the people of Tishomingo County that have not signed this petition to vote Tishomingo County wet. The next time that ya'll want to blame the supervisors for no jobs or nothing being here. Ya'll stop and think, there are only 5 of them. When your kids and grandkids graduate school, they will have to leave Tishomingo County to get a job, don't blame the supervisors for no jobs being here in Tishomingo County. Like I said, there are only 5 of them. They can only do so much. If the people won't vote something in here to help create jobs and tax dollars, there's not a whole lot your supervisors can do. No big company is going to come to no dry county when they can put their business in a wet county and pay at least half of the taxes of what they would have to pay in a dry county. So just think about it, if you have a business, would you put it in a dry county where your taxes would be twice as high as it will be in a wet county. Look at Belmont, MS. Fifteen years ago, there were jobs all over that place. Falcon was one of the biggest companies around here, worked a whole lot of hands. They moved across the Tennessee line because their taxes were half in TN as what they were in Tishomingo County. So people, think about that when your kids and grandkids graduate school and have to leave Tishomingo County to get them a decent paying job. Then you can say if I had signed the petition our kids and

grandkids could have stayed in Tishomingo County. Their future is in your hands. So ya'll think about this when you say I'm not going to sign this petition because somebody might see my name on it. Then when your kids or grandkids say "I wish I could find a job" then you can think back... "If I'd signed that petition, my kids and grandkids might have had a job."

So think about this very seriously before you make your final decision not to sign the petition. I am going to put the petition back in the paper one more time. Then the weather is going to be so bad, I am going to shut down until next spring and then I will start back up if I don't get enough signatures to get this to a vote. The petition will be back in the Tishomingo County Newspaper on November 10th. This will be the last time until next spring. So if you want to see this get to a vote, you need to sign this petition now and cut it out of the newspaper and mail it back to me. I only need 472 more signatures to get this done. You people that have done signed the petition, I need your help. I need ya'll to ask people if they've signed the petition. If they say "no" ask them about signing it. Without your help, it's going to take forever to get this done. Every time somebody signs this petition that passes away, I lose this signature and their vote. So people, we need to get this done.

It's God's Affair

Does human life begin at fertilization? The Rev. Don Wildmon says "yes". That probably settles the matter for many of his followers, but let's take a closer look. This is not less government...and who's going to pay for all those video cameras that no-tel mo-tels may be required to install in their rooms. After all, some future government may decide that it's their business to find out what's going on

behind closed doors. If Rev. Wildmon really cares about the so-called sanctity of life. I think the good Reverend should refocus his efforts. Maybe he could concentrate on ending Mississippi's death penalty. Maybe he could plead with some judge to spare one of their lives.

When human life begins, or ends, it's God's affair, not the voters.

How People Take Scripture out of Control

In response to the letter about the Bible is clear when the soul exists. It often amazes me how people take scripture out of context to satisfy their own means of injustice. I can give you plenty of Bible verses that are against the slaughter and spilling of innocent blood but this would take up too much room.

It is not even worth going into the first one about Adam because he was created not conceived. But to take a few verses from Exodus to justify your means without understanding the meaning of the book or the reason it was given to the people who were exiting Egypt.

While it is true that the unborn are not valued as highly as the pregnant mother if they are killed in a scuffle, the preceding verses show that neither is a servant. If an unborn child is not a living soul, then neither is a full grown man who happens to be a slave or servant...actually the opposite is true. They are both living souls just not valued as highly as some other people in the economy of that day.

All the statements in the following paragraphs without knowing statistics on abortion, which is readily available on any computer, "that we as adults" are the ones that have failed not the children or the unborn. This is just your views and many others trying to justify abortion. Remember the sixth commandment, Thou shalt not kill.

"With child" is the Bible's way of saying "pregnant". It fully conveys the message that there is a child inside the mother, not just a lump of flesh, but an actual small human being. Only since the scientists of Darwin persuasion have we looked upon people,

whether yet born or not, as something other than God's special creations. Scientists coined the words "fetus" and "embryo" not just to describe the stages of development but to de-humanize the unborn.

Please note Jeremiah 1:4-5. When the word of the LORD came unto me, saying, Before I formed thee in the belly I knew thee; and before thou camest forth out of the womb I sanctified thee, and I ordained thee a prophet unto the nations.

GOD knows us, as He knew Jeremiah, long before we are born or even conceived. He knew you and thought about you and planned for you. When you feel discouraged or inadequate remember that GOD has always thought of you as valuable and has a purpose for you in mind. This I what we should live by in our society and not make quick fixes or excuses.

It is awful to think that

faith, hope and charity aren't part of our vocabulary and practice today. May the peace and love of Jesus Christ be with us all.

Re-elect PROVEN EFFECTIVE LEADERSHIP

I am a lifelong resident of Alcorn County. I am married to the former Susan Crow and we have a daughter, son-in law and granddaughter. My mother, Frances Vivian Young, was a school teacher who taught in the Alcorn County School system for over 40 years, at Farmington High School and Alcorn Central High School. We are members of the First United Methodist Church.

THE PRINCIPLE DUTY OF THE DISTRICT ATTORNEY is to present matters to the Grand Jury and to prosecute all criminal indictments of the Grand Jury in Circuit Court. I am the **only** candidate with that experience.

As YOUR DISTRICT ATTORNEY, I have successfully prosecuted defendants indicted for felony offenses for over 32 years, I am the **only** candidate with experience in prosecuting felony cases such as capital murder, manslaughter, armed robbery, rape, child abuse, burglary, drug offenses, and other felony cases, and I am the **only** candidate who prosecutes felony cases in Circuit Court.

As YOUR DISTRICT ATTORNEY, I have carefully chosen a well-qualified staff, including experienced assistant district attorneys. We successfully prosecute thousands of serious felony cases each year. Our strong record against crime stands for itself.

As YOUR DISTRICT ATTORNEY, I will continue to support law enforcement and advocate longer sentences for violent offenders, habitual offenders, and drug dealers.

As YOUR DISTRICT ATTORNEY, I have always supported victim's rights, and I will continue to treat all victims with compassion, dignity, and respect.

As YOUR DISTRICT ATTORNEY, I want to continue the ongoing fight against crime.

THANK YOU FOR YOUR VOTE AND SUPPORT.

2011 Tishomingo County Fair Youth Livestock Show

The 2011 Tishomingo County Fair Livestock Show was a huge success. This year, eleven youth participated in the show. The youth participants showed beef cattle, dairy goats, and/or meat goats. The judge was Mr. Lowell Hinton, Extension Program Associate for the Alcorn County Extension Service. A special thank you to Sheriff Glenn Whitlock for sponsoring the 2011 Tishomingo County Fair Livestock Show. Your continued support of this program and youth opportunity is greatly appreciated.

The youth participants worked hard preparing the animals to be shown. Everyone enjoyed a fun-filled time watching the youth participate in this educational event. In the beef cattle show, the Supreme Champion Commercial Heifer was exhibited by Morgan Wilbanks and the Reserve Supreme Champion Commercial Heifer

was exhibited by Emily Sykes. In the dairy goat show, Dakota Belue exhibited the Champion Junior Doe, Noah Carpenter exhibited the Reserve Champion Junior Doe and the Champion Senior Doe, and Robert Smith exhibited the Reserve Champion Senior Doe. In the meat goat show, Caleigh Green exhibited the Champion Meat Goat and Matthew Smith exhibited the Reserve Champion Meat Goat. Also in the goat show, Noah Carpenter exhibited the Champion Whether.

Thank you to everyone who joined us at the show to support our youth. Congratulations to all of those who participated on a job well done. You are to be commended for your hard work. We are very excited about the increase in participation at this year's show. We hope that next year's show will grow even larger. If you would like to learn more about 4-H live-

Letter to the Editor

In reference to the recent letter to the editor concerning being "intimidated, manipulated, or threatened" by a Mississippi Highway Patrolman, I would like to say that as a salesman who frequently travels throughout the state of Mississippi, I cannot give enough praise to the courtesy, integrity, and heroism of the men and women of the Mississippi Highway Patrol. These individuals risk their lives on a daily basis to protect the citizens of this state and should be

given the utmost respect. Not only do they put their own well being in jeopardy, they also go above and beyond to assist citizens in need. Only last week, I had a flat tire on Highway 72, and a very courteous young trooper stopped and helped me change the tire. Rational people would be inclined to agree that in most instances the only reason a trooper would be forced to "intimidate, manipulate, or threaten" anyone would be because that individual became unruly or failed to

comply with the officer's request. The citizens of Tishomingo County would do well to remember that while they are safely at home with their families, these members of the MHP are leaving their own families to help keep your loved ones safe. In closing, I will say again how much I appreciate everything that our local and state law enforcement do to keep us from danger, and all law-abiding, rational citizens stand with you.

An appreciative citizen!

★ STATE SENATE DISTRICT 5 ★

COMMITTED TO LIMITED GOVERNMENT:

A Proven Problem Solver for Mississippi.

JOBS & ECONOMIC DEVELOPMENT

Jerry Don believes that it is not the government's place to create jobs. Government leaders should serve to create a business friendly environment through its legislative efforts; and promote free enterprise, where both small and large businesses can operate and make a profit. Our area has two of the best Community colleges in District 5, Northeast Mississippi Community College in Booneville and Itawamba Community College in Fulton. We need to work with the statewide Republican leadership to market the value of these schools to future industrial prospects. They will be an invaluable resource to any company who chooses to relocate to our area, because of their ability to offer specialized workforce training.

HEALTH CARE

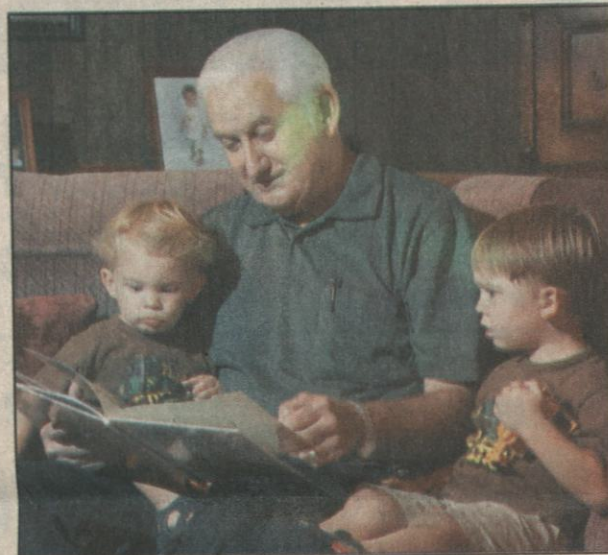

Having worked as a Medicaid Specialist for the past five years, Jerry Don has extensive insight into one of the most important issues facing all of us - the lack of quality, affordable health care. This is a direct result of the decades of abuse by liberal trial lawyers through the filing of frivolous lawsuits and false disability claims. Jerry Don understands our needs and will fight in Jackson to ensure that we uphold the advancements Governor Barbour has made in Tort Reform. We need a Senator in Jackson who will work to lower the costs of health care, and oppose unfunded federal mandates that hurt Mississippi taxpayers.

EDUCATION

Jerry Don is a strong supporter of our public school system and believes in spending for education, but he also believes in accountability. Education dollars should be directed to the classrooms, not to more back-room bureaucrats and administrators. He will support the development of an early childhood education program like several other states have done. Teaching children how to be good students from the earliest age possible will help decrease the high school drop-out rate as they get older.

Not Quite - TCHS Senior Bobby Felker almost manages to deflect a pass during the game against Itawamba last week.

Braves Fought Hard Every Game this Season

by Preston Rushing
Braves Sports

Memories. That sums up the Tishomingo County High School Braves football season this year. I'm going to miss every one of our senior brave football players, Shawn McCoy, Bobby Felker, Chance Newcomb, Isaac Vuncannon, Clint Jones, Cody Grissom, and Cameron Dexter. They fought with heart, and definitely didn't carry their emotions on their sleeves this year.

I'll never forget being beside my fellow seniors this year in the "Blue Crew" and leading our team to victory. It was a special experience for each and every senior, every Friday night. I'll always cherish this year as one of my best at Tishomingo County High School.

I remember the first Road Trip Friday this year to Byhalia, it was unforgettable as it was our last first game. Then to beating Alcorn Central and going absolutely crazy during the Belmont game while singing Wagon Wheel. I'll never forget when junior Channing Holland yelled at us during the last football game to come join them in the run-out. That was really something special. I'll never forget Kinsley Darwin and that boombox of hers that we sang karaoke to during the Central game. I'll always remember the looks of triumph on the football team's face after winning games this year. We'll always remember the good times this year, and that's something that no one can

take away from us.

The Braves hosted the Itawamba Indians Friday night, and it was also senior night for the last home game. The Indians jumped all over the Braves, with a lot of help from our own offense.

It was a good night for seniors Shawn McCoy and Bobby Felker, as they scored the Braves' only two touchdowns in the game. The Indians offense was efficient all night, racking up 41 points on the Braves. One of the bright plays on defense all night was when Channing Holland laid a monster hit on the IAHS tailback, sending him off his feet! The final score ended up being 41-14 in favor of the Itawamba Indians, but I commend the Braves on their effort all night. The seniors really did like it was their last. I'll remember seeing the flashes of blue and white all over the field and in the stands forever.

We are Tishomingo County, and as I leave, I'd like to give you 2 words. Remember Us.

Belmont Cardinals to Travel to Charleston for Football Playoffs

Hello again, Belmont High School students! We are heading into the last half of this first semester! I hope it is a great second half for everyone!

Congratulations to our Belmont High School Varsity Football Team for sealing its trip to the playoffs. Although the Cardinals came up just 6 points short against the Booneville Blue Devils last Friday evening, the Cardinals will travel to Charleston this Friday evening to face the Tigers in first round play. It will be a long trip, but hopefully, the end result will be a victory and a trip to the second round for our Cardinals. Everyone, plan to travel with the team and support our football players, cheerleaders, and band members!

Are you ready for some basketball? The Belmont High School Cardinal and Lady Cardinal Basketball Teams will begin play at the Booneville Classic on Saturday! The Belmont Classic will be held on November 12th. Congrats to the JV Lady Cardinals for becoming the Tournament Champions in the Red Bay Lions Club Charity Benefit this past weekend!

A very successful Red Ribbon Week was held this past week in many school districts across our country to allow students to learn about the destructive effects of drug, alcohol, and tobacco use. Each day the students at Belmont School dressed up in honor of this program through "Spirit Days", officers and members of SADD led the student body of all the buildings in morning announcements relating to Red Ribbon Week, and other special events took place as well. Thanks to Mrs. Rhonda Bonds and to Mrs. Melody Harris for their hard work in making this week happen!

The Belmont School Faculty and friends honored Mr. Herman Oaks with a retirement luncheon on Monday, October 17th. Special guests were his wife, Mrs. Mildred, his daughter Mrs. Tammy Davis, and his grandchildren.

Mr. Herman retired at the end of this past school year with 38 years of service to Belmont School. Mr. Herman, we love you, and you are missed each day!

The 2011 Belmont High School Veterans Day Program will be held on November 11th at 9:00 a.m. in the new gym. The Belmont High School Cardinal Marching Band, Cho-

rus, and the Belmont Elementary School 1st and 2nd grades will be performing for our audience of local veterans and their families. Plan to attend this community event to honor those men and women who have helped to make our country the best on earth. More information regarding this will be available next week.

There will be a reception on Tuesday, November 1st, at the Superintendent's Office in Iuka from 4:00 p.m. to 6:00 p.m. honoring our very own Tishomingo County School District Superintendent Mr. Malcolm Kuykendall, who has been recently named the 2012 Mississippi Superintendent of the Year! The public is invited to attend this reception.

A TATU--Teens Against Tobacco Use--training seminar was held on Thursday, October 23rd. Seniors chosen to attend this enjoyed a great evening of practicing leadership skills. The group hopes this training will allow it to better the lives of their peers by teaching them the dangers of tobacco use.

Remember that FCA meets each Wednesday mornings in Mrs. Camille Stanfield's room.

Don't forget, Seniors, to educate yourself and keep informed of scholarship application deadlines and financial aid opportunities offered throughout the year.

Volunteers Working To Collect 410 Gifts For Needy Kids This Christmas

While many Iuka families are busy with holiday activities, a group of local volunteers is focused on filling empty shoe boxes with school supplies, toys, hygiene items and notes of encouragement for needy kids overseas. Iuka families are participating in the world's largest Christmas project of its kind -- Operation Christmas Child -- an effort that has hand-delivered 86 million gifts to kids worldwide since 1993.

This year-round project of Samaritan's Purse is coming to its peak, as local businesses, churches and schools prepare to collect gift-filled shoe boxes during National Collection Week, Nov. 14-21. Volunteers can drop off their shoe box gifts at one location in the area to help kids in 100 countries know they are loved and not forgotten.

Local Collection Sites: Iuka Baptist Church, 105 W. Eastport Street, Iuka, MS 38852. Operating Hours: Mon. - 12 p.m. - 1 p.m.; Tues. - 12 p.m. - 1 p.m.; Wed. - 5 p.m. - 7 p.m.; Thurs. - 12 p.m. - 1 p.m.; Fri. - 12 p.m. - 5 p.m.; Sat. 10 a.m. - 3 p.m.; Sun. - 1 p.m. - 5 p.m.; Mon. 7 a.m. - 9 a.m.

Operation Christmas Child, a project of international Christian relief and evangelism organization Samaritan's Purse, uses

whatever means necessary to reach suffering children around the world with these gifts of hope. Tracking technology also allows donors to 'follow' their box to the destination country where it will be hand-delivered to a child in need. To register shoe box gifts and find out the destination country, use the Follow Your Box donation form found at www.samaritanaspurse.org/occ.

WHAT YOU CAN DO TO GET INVOLVED:

PREPARE -- Enlist families, churches, scout troops, community groups and businesses to take part in creating shoe box gifts for needy children worldwide.

PACK -- Fill shoe boxes with school supplies, toys, necessity items and a letter of encouragement. Step-by-step shoe box packing instructions are available at www.samaritanaspurse.org/occ.

samaritanaspurse.org/occ.

VOLUNTEER -- Sign up to join Operation Christmas Child volunteers in Iuka as a part of the effort to prepare millions of shoe box gifts for delivery to underprivileged kids on six continents.

For more information on how to participate in Operation Christmas Child, call (770) 777-9342 or visit www.samaritanaspurse.org/occ.
