County Board Working on Budget with Anticipated \$1.2M Less from TVA

Pamela McRae

The Tishomingo County Board of Supervisors is examining county budget, and hearing assessment appeals before it begins if taxes will have to be raised to meet budget requirements for the next fiscal year.

Cutting the county budget and increasing taxes will probably both happen this year, since a significant decrease in TVA *in lieu* is a major impact to Tishomingo County. The September 3rd meeting is when the board will decide if the millage rate will increase.

This week, landowners who have questions about their property values, as determined by the county tax assessor's office, are meeting with the tax

assessor, and next week, they can meet with the board of supervisors if they appeal the decision of the assessor's office. The amount of assessed tax revenue won't be final until after that, explained County Purchasing Agent Lynn West, and that number will be fed into budget revenue calculations to help determine what the final proposed budget will be. Last year's revenue budget required about \$3.9 million in *ad valorem* revenue.

TVA In Lieu Support Down

A major factor affecting the budget process is a pattern of decrease in the amount of TVA *in lieu* money that the county has been receiving in recent years.

The Tennessee Valley Authority has historically paid money to the state of Mississippi for land

that it owns, since, as a federal entity, it doesn't pay taxes. Tishomingo County gets 12.5 percent of the state's TVA *in lieu* funding, since it has upwards of 32,000 acres that are not taxable because they are either owned by the Corps of Engineers, or the state (two state parks, for example). This money, *in lieu* of taxes, was as much as 60 percent of funding Tishomingo County received from state sources in recent years, reported Chancery Clerk Peyton Cummings. Last year, the county received \$2,819,343 in *in lieu* money.

In June of this year, the county received \$375,000 less than expected in June, and expects TVA to issue a similarly reduced amount for the next payment.

That is looking like a \$1.2 million shortfall in expected state revenue for the fiscal year that starts October 1st. And the Tishomingo County Board of Supervisors has no control over it, explained Cummings recently.

"We hate to cut services, and we hate to raise taxes, but we are going to have to do both," said Cummings in a recent board meeting where he explained the TVA issue.

Cummings and Mississippi State Senator J. P. Wilemon have been meeting with TVA authorities to explain what is happening in Tishomingo County, which has since 1986 come to depend heavily on the generous TVA *in lieu* funding to make its budget work.

Three Arrested on Meth Charges in Iuka

by Pamela McRae

Authorities seized six grams of meth ice and charged three Iukans with possession and intent to sell meth following the search of a Hiatt Circle apartment last Friday.

According to investigators with the Tishomingo County Sheriff's Department, officers with the Iuka Police Department and deputies executed a search warrant at the residence of William Durham located at Apartment 147 Heitt Circle in Iuka.

As a result of the search, the officers seized approximately 6 grams of methamphetamine ice with a street value of approximately \$600. The officers charged Durham, Corey Fredrick and Jessie Green with possession of methamphetamine with intent to sell, and the charges were enhanced, since the dwelling was within 1,500 feet of a school.

A hold was also placed on Green by the MS Department of Corrections, since he was serving probation for a previous conviction. The investigation was conducted by the departments during the past two months and the investigation continues and additional arrests are anticipated.

Former Alderwoman Bess Young Hayes Dies

Former Iuka alderwoman Bess Young Hayes, 82, died Wednesday morning from complications from a recent stroke.

Complete details were not available at press time, but visitation is scheduled for Thursday night, 5-8 o'clock, at Cutshall Funeral Home, and the funeral at Iuka Baptist Church Friday at 11 a.m. Burial will be in Cypress Grove Cemetery in Iuka.

Board Discusses Proposed 2-Cent Local Tax on Beer Sales

County Currently Gets No Sales Tax Benefit from Beer Sales, Nor Any Other Sales

Pamela McRae

At the Monday August 18th Board of Supervisors meeting, Board member Aldridge who addressed the board about the "hundreds" of people who have corresponded him about possible uses for a 2-cent tax on beer and sales throughout the county according to Aldridge, "many" have reportedly suggested funds not be supervised by regular county-supported entities, but the benefit of the funds should be presumably be only for members of those clubs.

Board members, the board president, and clerks discussed the issue with Aldridge, and explained such planning is extremely premature, as any proposed local-private tax would have to be approved by legislative action, and supported by three-fifths of county voters next summer at the earliest.

The three board members

present at the meeting said "not a single soul" had mentioned the proposed tax or its administration to them.

Two years ago, a similar proposed 1-cent tax on food in restaurants in the county failed to pass the voters - historically, tax increases have not been popular with county voters.

The county gets no sales tax money from sales of any products in the county, confirmed the board attorney, the chancery clerk, and the purchasing clerk. According to current Mississippi state-wide law, sales tax on merchandise sold in counties (outside city limits) goes directly to the State General Fund, and none comes directly back to the county. Sales tax in the county was up \$8,021 for May 2014 as compared to last year, according to state Department of Revenue reports.

Cities get back about 1 cent of every 7 cents of sales tax they send to the state.

Aldridge has been supporting the proposed local sales tax to "give something back to the youth of the county." He has cited successful city-tax-funded efforts like Red Bay Water Park, which was reportedly paid for by a 6-cent cigarette tax, but Alabama's tax code varies greatly from Mississippi's.

Other Issues

The board opened discussion on a state-wide construction code as passed by the state legislature in Senate Bill 2378. Counties can opt out of the code, it was explained. The board has until December to opt out.

The statements made in the meeting indicated a negative feeling about the code, saying that it would add to construction costs, and would cost the county money it doesn't have to apply and enforce the construction code.

The board approved the purchase of a fire truck for Dennis Volunteer Fire Department from

the 5th district budget.

The board heard a report from Northeast Mississippi Community College Johnny Allen about the county's contribution to the college.

The next board meeting will be September 3rd, a Tuesday, since the first Monday falls on Labor Day. The board is expected to set the millage rate for the county at that time.

Malone Thanks Voters

Medlin Awarded Paul Harris Fellow by Iuka Rotary

Jerry Medlin was awarded the prestigious Paul Harris Fellow by the Iuka Rotary Club. Jerry served Iuka Rotary as President 2007-2008 and as the Assistant District Governor 2008-2009.

Jerry and Sandra are the owners of CCI Video Productions in downtown Iuka.

Jerry and Sandra were married in 1975 and have one son, Jon. They came from Florida to Iuka in 2001 to take care of Sandra's father, Herbert Weaver who had been diagnosed with cancer. While taking care of him, they made the decision to move "back home" to the area from Florida where they had been for 19 years. Jerry is originally from Bruceton, TN and Sandra from Memphis. Sandra's parents, Herbert and Sue Weaver, moved to Eastport in 1977, where Jerry and Sandra spent many weekends and vacations. They had always loved Eastport and the Iuka area so the decision to move here permanently was an easy one.

Jerry's background is in General Aviation and Sandra's in computers. They opened CCI Video Productions in 1998 and

made the decision to bring the company with them when they moved to Iuka. The Medlins have enjoyed their time in Iuka and have come to really care about the people here. Jerry has enjoyed his time in the Iuka Rotary Club and feels very honored to have received the Paul Harris Award.

The Paul Harris Fellow Award is the highest honour a club can bestow on a person, either inside or outside the club.

The award therefore acknowledges "service above self" which that individual has offered to their community, their nation or indeed to the world. Paul Harris was the founder of Rotary and this award program was created to fund many Rotary Foundation programs. Members of the club must have collectively contributed \$1,000 to the Rotary Foundation for the privilege of recognizing a person in this way.

Letter to the Editor

Now that the 2014 Drum Corps season is over, I would like to take a moment and share a couple of things with you. First off, I had no idea the magnitude of responsibility I would feel when I asked the school board to let Music City Drum and Bugle Corps come to TCHS to house this summer. I knew these were good kids, I wasn't worried about them breaking or stealing things, that's just a lot of people to bring into your home. I really felt like the kids from our area would get to see that hard work pays off and that there is so much more that they can do. The school board, coaches, custodians and teachers were great. We took over the school, sleeping in some

of the classrooms (Ms. Howie, Coach Glover, and Mrs. Cunningham's rooms) using the gym, football field, the practice fields and any other flat surface. And all that Music City got from the school system, was support. And when I asked for help to do special meals, food prep, lighting or Sunday devotion, the people of our county delivered. I can tell you I'm so proud to live in this county and to call Iuka home. You can't begin to know of the messages, emails and verbal comments given to me by staff members, corps members, and/or their parents, telling me how great our school was, how clean and well maintained (they couldn't believe it was 23 years old) also

they talked about how nice and hospitable the town members were. The day of the show I looked up and the stands were full, I was walking on air, what a great show of community support for these young folks. I hope for those who have followed my post this summer, you saw how hard these kids worked and the dedication that they put into the show. I also hope that more of our kids will go on to march with a drum corps somewhere, it's a summer of memories for them. I'm lucky I was able to travel some with Jon this summer; I now have a few more sweet memories to look back on. Music City Drum Corp was able to finish in 8th at the open class competition, rising to

6th position within the open class when competing again in world class. They finished 27th overall. Hopefully, I have said that right. A few people I would like to say "Thank You" for their donation, time and help include: Tishomingo County Sheriff Office, along with Ricky and Nicky Cummings for the use and setting up of the lighting to practice after dark. NMMC Iuka for looking after our sick and injured. Joyce Parks, Dr.

Don Robertson, Patricia Spangler, Brenda Phifer Whitfield, Kim Ledbetter, Gigi, Mary Bonds, Carolyn Ray, Connie Clark, Lisa Richardson, Diane Faulkner, Tina Wallin, Tammy Hill, Sonic, McDonalds, Hardee's and their staff (the freezer was cold!) and Air-Evac Lifeteam, for the donation of money and food. The kids ate well! Also, thanks to Chuck Clark for the daily mail drops, Mary Steadman for doing whatever we asked,

Mr. Trousdale, Ada and Mr. Clark for Sundays. Larry, for in as always, doing and for all the free. Last but not least, YOU, Beth Wright, wonderful lady, and you. And again, thank the board and staff. On behalf of the Members and myself, Thank You, Gail.

Pet of the Week

CONGRATULATIONS to Saban McLain! This sweet fellow is our Pet Of The Week at Iuka Animal Clinic. This is what his owners (Pam & Tim McLain) have to say about him: "Saban chose us in April of 2013. Coincidentally, he has the same birthday as our granddaughter Mallory. He is very different from the other Dobermans we have owned. He doesn't just want to be a part of the family, he insists on it. He will not be ignored. He plays with all of the toys we bought for our other dogs that they never touched. He is slowly mending that broken place in our hearts from the loss of our beloved red Doberman, Napoleon, that we lost to cancer in November. His favorite foods are Sonic ice

cream cones, Jack's biscuits, and Saban sauce-no substitutes please! He loves to ride in the car and go out on our boat, the Rammer Jammer. And yes, we are definitely Alabama fans. If you see us at the Sonic in Iuka, give us a wave." Join Dr. Perkins and staff in congratulating Saban as Our Pet Of The Week.

Burcham and Murray Receive Rural Physician Scholarships

JACKSON, Miss - Kaycee Burcham and Brad Murray, both graduates of the University of North Alabama were recently awarded the Mississippi Rural Physicians Scholarship valued at \$30,000 per year for their medical training at the University of Mississippi School of Medicine in Jackson during the annual scholarship ceremony held at the Old Capitol Museum. Murray, a native of Burnsville, is the son of Elmer and Beverly Murray of Burnsville. He and his wife, Amanda, have three children, Devin, Jaycee, and Addison all of Burnsville. Burcham, a native of Iuka, is married to Blake Burcham, and is the daughter of Terry and Renee Bullard of Iuka.

Created in 2007, the Mississippi Rural Physicians Scholarship Program (MRPSP) is designed to provide more primary care physicians in rural areas of Mississippi. During medical school, each MRPSP scholar receives \$30,000 per year based on available funding. Consistent legislative support of MRPSP translates to 50 medical students receiving a total of \$1,500,000 to support their education this fall. Additional benefits include personalized mentoring from practicing rural physicians and academic support.

Upon completion of medical training, MRPSP scholars must enter a residency program in one of five primary care specialties: family medicine, general internal medicine, medicine-pediatrics, obstetrics/gynecology or pediatrics. The MRPSP Scholar must provide four years of service in a clinic-based practice in an approved Mississippi community of 20,000 or fewer population located more than 20 miles from a medically served area.

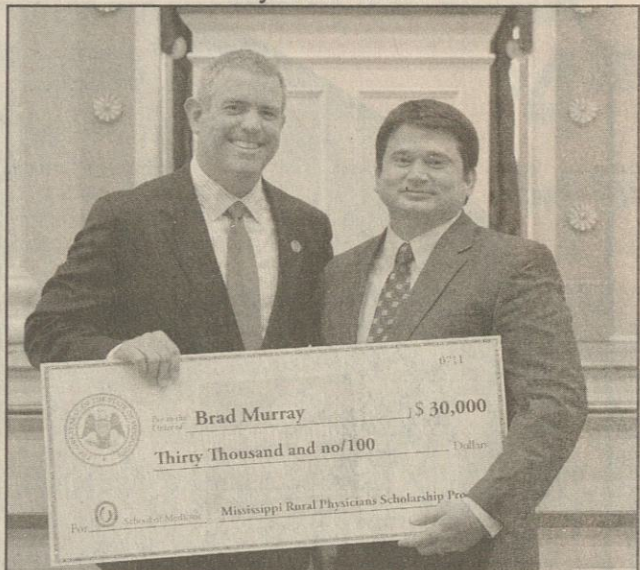

MRPSP provides a means for rural Mississippi students to earn a seat in medical school and to earn a \$120,000 medical school scholarship in return for four years of service and learn the art of healing from practicing rural physicians.

For more information, contact MRPSP Associate Director Jake Donald at 601-815-9022, wjdonald@umc.edu or <http://mrpsp.umc.edu>.

Bible Proofs Of Salvation (part VII)

The seventh proof of salvation is found in I John 3:6: "Whosoever abideth in Him sinneth not: whosoever sinneth hath not seen Him, neither known Him." I John 3:9-10: "Whosoever is born of God doth not commit sin; for His seed remaineth in him: and he cannot sin, because he is born of God. In this the children of God are manifest, and the children of the devil: whosoever doeth not righteousness is not of God, neither he that loveth not his brother." These verses all show that the one who is really saved does not continue in sinful acts as a lifestyle, but it may also be said that our new man does not sin at all, because he is born of God. Ephesians 4:24 says, "And that ye put on the new man, which after God is created in righteousness and true holiness." Colossians 3:10 says, "And have put on the new man, which is renewed in knowledge after the image of Him that created him." Perhaps one reason so many people misunderstand salvation lies in the fact that they do not understand that God actually does a work of "new creation" in the spirit of those who come to Him and receive Him. Our new man is the creation of God, as is also shown in II Corinthians 5:17: "Therefore if any man be in Christ, he is a new creature: (creation is the same Greek word) old things are passed away; behold, all things are become new." Salvation is more than deciding to do better; it is a work of regeneration by which God creates a new man in our spirits!

Our verses from I John show that we cannot continue in sin as a pattern of life, if we are saved; God will not allow it! The sin unto death in I John 5:16 brings physical death to those who try to continue a life of sin after they have been saved (see I Corinthians 11:28-32). Those who continually sin do not know God, according to I John 3:6. I John 3:10 shows that those who are really saved will have lives of righteousness that prove to themselves and others that they have been born again. Yes, saved people do sometimes stray, but they do not stray every day for forty years! Those who live like the devil belong to the devil, and they need to face that fact, so that they do not wind up in hell, because they have never been saved! I John 3:10 also says that saved people will have a love for their brothers. Those who claim salvation, but hate everybody around them, do not really know the Christ of the Bible! II Corinthians 13:5 gives a good admonition: "Examine yourselves, whether ye be in the faith; prove your own selves. Know ye not your own selves, how that Jesus Christ is in you, except ye be reprobates?" Christ lives in those who are truly saved. Men should put their professions of faith to the test to see if they are really saved, or if they are actually reprobates!

Local Kids Learn about Dismalites at Dismals Canyon

Kids from the local Modern Woodmen of America youth service club recently learned more about Dismalites. Past twilight the Dismals Canyon near Phil Campbell, Alabama lights up with tiny bioluminescent creatures we call Dismalites. These "glowworms" require a select habitat to survive and are unique to only a few places on Earth. They are "close cousins" of the rare glowworms found in Australia and New Zealand.

Colloquially known as Dismalites, they are the larvae stage of a unique,

native, and endemic species of insect (North American *Orfelia fultoni*) that emits a bright blue-green light to attract food, in the form of other flying insects.

The program covered a tour of where Dismalites live and how they are unique from other glow worms.

The activity is part of the organization's Educational Experience Program that gives Modern Woodmen clubs across the country the chance to learn and have fun on an annual educational tour or field trip.

"Our community has so much to offer and the kids have so many things to learn," says Carla Curtis, local Modern Woodmen youth club leader. "This program allows us to explore."

The Iuka club is one of approximately 900 clubs nationwide that provide young Modern Woodmen members with opportunities to volunteer, be patriotic, learn new skills, make friends and have fun. Club members donate more than 300,000 hours of volunteer service each year.

For more information

or to get involved, contact Carla Curtis at 662-665-7904 or MWA@corinthdistrictoffice.com

As a tax-exempt fraternal benefit society, Modern Woodmen provides products to improve quality of life for our members, their families and their communities. This is accomplished through social and volunteer activities. Annually, Modern Woodmen and its members donate nearly \$2 million and 1 million hours for community projects nationwide.

Modern Woodmen Members Donate Flag

Modern Woodmen of America members in Iuka recently demonstrated their patriotic pride by presenting a United States flag to the Boys and Girls Club.

Each year, the flag donation program benefits community organizations nationwide. Modern Woodmen chapters and youth service clubs donate flags to fire stations, schools, nursing homes, cemeteries and other com-

munity facilities in need of new flags.

"The stars and stripes remind us of our nation's rich history," says Carla Curtis, local Modern Woodmen contact. "This flag donation is a way to display our patriotic pride."

Coordinated by local Modern Woodmen members, chapters provide opportunities to take part in social activities and community service projects to

meet local needs. Youth service clubs provide young Modern Woodmen members with opportunities to volunteer, be patriotic, learn new skills, make friends and have fun.

Watson Reunion Held at Burnsville Community Building

The 50th Watson Reunion was held August 9th, 2014 at the Burnsville Community Activities Building. It was a true homecoming as many of the fam-

ily grew up and attended school in Burnsville, MS.

This year we had 55 plus in attendance. We celebrated our ancestors, who brought the family to the Mississippi delta.

Great food, and door prizes made it a special day.

States represented were Alabama, Arkansas, Florida, Illinois, Oklahoma, Tennessee and of course, good ole' Mississippi. The oldest attendee was the matriarch of the family, 89 year old Mabel Watson of Memphis, TN. The youngest was 4 year old, Shamaya Long from Pinellas Park, FL. She is the great-great-granddaughter of the former Cleston and Mabel Watson, great-granddaughter of Annette Long, granddaughter of Keith and Mary Long and daughter of Jessica Long. So the generations are continuing and we are so blessed!

A special thank you to Donna Scott of Iuka, for helping find a place to meet due to renovation of our usual site. Thank you to all who made the effort to join us for this, our 50th celebration.

Sincerely,
Bill and Sherrill

Bag Limit Regulation Changes for Upcoming Deer Season

Mississippi's 2014 - 2015 deer hunting season will provide more liberal antlerless opportunity on private lands and will better manage antlerless opportunity on U.S. Forest Service National Forests (USFS). This regulation change is intended to aid in the proper management of Mississippi's deer herd while providing maximum opportunity to hunters without negative impacts to the resource.

On private lands only, the antlerless deer bag limit has changed to five antlerless deer per year with no daily limit. However, the antlerless deer bag limit on USFS has been reduced to three antlerless deer per year with a daily limit of one. These bag limit changes are intended to offer more flexibility to hunters managing abundant deer herds on private lands and reduce antlerless deer harvest on USFS where lower deer densities may occur. If hunting on Wildlife Management Areas (WMAs) or National Wildlife Refuges (NWRs), hunters need to read WMA and NWR-specific regulations as bag limits may differ among these public areas.

NOTICE OF A TAX INCREASE AND A PUBLIC HEARING ON THE PROPOSED BUDGET AND PROPOSED TAX LEVIES FOR - THE CITY OF IUKA

The City of Iuka will hold a public hearing on a proposed ad valorem tax revenue increase for fiscal year 2014 - 2015 and on its proposed budget and proposed tax levies for fiscal year 2014-2015 on September 2, 2014 at 6:30 p.m. in the Boardroom at Iuka City Hall.

The City of Iuka is now operating with projected total budget revenue of \$4,943,000.00. (5 percent) or \$246,000.00 of such revenue is obtained through ad valorem taxes. For next fiscal year, the proposed budget has total projected revenue of \$5,233,000.00. Of that amount, (5.2 percent) or \$271,000.00 is proposed to be financed through a total ad valorem tax levy.

For next fiscal year, the City of Iuka proposes to increase your ad valorem tax millage rate by 1.84 mills from 13.83 mills to 15.67 mills; it will result in a tax increase. This increase means that you will pay more in ad valorem taxes on your home, automobile tag, utilities, business fixtures and equipment and rental real property.

Any citizen of the City of Iuka is invited to attend this public hearing on the proposed ad valorem tax increase, and will be allowed to speak for a reasonable amount of time and offer tangible evidence before any vote is taken.

Iuka Rotary Club Helps Preserve Heritage with Donations to Three Local Organizations

The Iuka Rotary Club recently made donations to three local civic organizations to support local heritage venues. The donations were presented by president, Dr. Ben Earl Kitchens to the Iuka Heritage Festival, Tishomingo County Historical & Genealogical Society, and the Iuka Battlefield Commission. These donations will assist these groups with the Iuka Heritage Festival (\$500), Old Courthouse Museum operations (\$2,000), and the 152nd Battle of Iuka Re-enactment (\$500). These organizations are made up of volunteers who work extremely hard to enhance and promote civic pride in culture, heritage, and tourism in Tishomingo County. Accepting the donations were Sandra Medlin (Iuka Heritage Festival), Cindy Nelson (Tishomingo County Historical & Genealogical Society) and Harold Lomenick (Iuka Battlefield

Commission). The Rotarians are made up of business and professional leaders who provide humanitarian ser-

vices, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.
