### Iuka Man Faces Charges of Arson, Burglary, Animal Cruelty

by Pamela McRae

An Iuka man is being held facing charges of arson, burglary and animal cruelty following a weekend house fire that destroyed the home of an elderly Iuka couple.

According to authorities, about 11:45 p.m. Sunday, neighbors called in the fire at 910 Briarwood, near Iuka Elementary, after seeing flames in the house owned by Steve and Lorraine Sims.

Neighbors went to the house and banged on the doors and windows trying to alert anyone who might be in the house — a vehicle was in the driveway. Firefighters from Iuka Fire Department were soon on the scene, but the house was consumed by the flames. Firefighters Blake Melton and Greg Butler-Ross entered the flaming dwelling looking for potential victims of the fire, but there were no people in the home, said IFD Chief Brian Grissom.

As many as 12 dogs are thought to have perished in the fire, said Grissom, eight adult dogs and four puppies. Homeowner Mrs. Sims is in a nursing home and Mr. Sims was with her there at the time of the fire. Their adopted son, Timothy "T.J." Sims, 27, had also been living in the house with a girlfriend. The dogs were thought to belong to the girlfriend, who had left Sims. Sims allegedly threatened to "burn it all" rather than let her take anything, said neighbors.

Firefighters were on the scene until four in

Brandon Grissom's county-owned truck was broken into across the street from the Sims' home.

the morning Sunday fighting the fire, said Grissom.

The cause of the fire is still under investigation, said Tishomingo County Fire Investigator Jesse Jones. The state fire marshal is scheduled to come join the investigation Wednesday, said Jones.

### Two Injured in Knife Fight

by Pamela McRae

One man is hospitalized and one is in custody following an alleged knife fight last Saturday night at a home just west of Belmont.

According to Tishomingo County Sheriff Department Investigator Adam Hall, the altercation took place at a home on County Road 14 off Belmont's Main Street. The incident is still under investigation, as one of the participants in the altercation is still hospitalized after being treated for injuries from the fight, including his throat being slit. He was airlifted from Belmont to Tupelo, and can not be questioned yet, due to his injuries, said Investigator Hall.

Another participant in the altercation has been charged with aggravated assault, but bonded out of Tishomingo County Jail. He suffered several surface knife wounds, including a 1.5-inch deep gash across his stomach, but drove himself to a relative's home, who then drove him to be treated at Red Bay Hospital, all according to Hall.

Investigator Hall said the two had a history of a disagreement.

Names of the participants are not being released until the investigation is able to proceed, said Hall.

## Sims, *continued from front*

Earlier that day, possibly enraged by the girlfriend leaving, T. J. Sims was acting angry and reportedly beat his dog (which was tied in the yard) to death with a tire iron, said authorities. Chief Brian Grissom said they found where he had buried it out in the yard in a shallow grave. Neighbors said he was going up and down the street saying it wasn't illegal to "put your own dog down."

Authorities are still investigating, said Iuka Police Chief Randy Stringer, but Sims is in custody and potentially faces charges of arson in connection with the fire. Sims also faces charges of burglary of a dwelling and burglary of a vehicle for breaking into the home across the

street, belonging to First District Supervisor Brandon Grissom. Chief Brian Grissom said Sims allegedly took two guns from the Grissom home, both recovered, and broke into Grissom's county-owned

truck.

Sims is still in custody at the Tishomingo County Jail, being held for questioning.

## Food Depot News:

We so much appreciate everyone's help in keeping this ministry's success. Prayers, volunteers, and donations make it all possible. **THANK YOU!**

Work opportunities for this month include Wednesday, June 17th beginning at 9:00 am and then Friday evening June 19th at 6:00 pm. This is a great way to be involved in your community. There's no greater feeling than to "give back" and to help someone in need.

Pick up day is Saturday morning, June 20th at the Food Depot on Paul Edmonson Drive. If you have very far to drive you may want to bring a cooler for the frozen items.

Summer is officially here and it's very hot. Be aware of all the signs of overheating and check on you neighbors, especially the elderly. Hope to see you this week at the Food Depot.

## Brian Wheeler Announces Candidacy For Sheriff Of Tishomingo County

*Editor's Note: Part of this article was accidentally left out last week.*

I, Brian Wheeler would like to announce my candidacy for the office of Sheriff of Tishomingo County. As a life long resident of this county, I would like the opportunity to serve you the people.

I am the son of Sherry Wheeler and the late Ed Wheeler. I have one sister, Debra Wheeler. Growing up, I lived in the Mt. Gilead-Bishop Bottom community. I currently reside in the Holt Spur community with my wife, Dana Calton Wheeler and our seven year old daughter, Channing. I am a member of the Mt. Gilead Baptist Church.

My education began at Burnsville where I graduated high school in 1985. I earned an AA degree in Criminal Justice and marketing from Northeast Mississippi Community College. In addition I have obtained my Bachelor's degree from Faulkner University in 2002.

I have not formally been involved in law enforcement. I believe it will take someone outside of the present system to repair the system. It is my belief that the present system needs to be overhauled. I believe the budget has gotten out of balance in the last few years and think it needs to be reviewed, revised and brought under control. I believe we need to adopt a formal prosecution policy to dictate what offenses constitute a serious enough threat to the public to warrant a high speed pursuit of a criminal defendant. I believe we need an active presence in all of our communities within the county. Lastly, I believe the Sheriff's Department needs a good working relationship with all of the Police Departments for each of the towns located in Tishomingo County.

Our mission statement will be: Restoring the integrity and public confidence to the Tishomingo County Sheriff's Department by mending our relationship with its citizens."

The things I would implement in the Sheriff's Department are:

1. I'll make sure you will have a professionally trained and educated police force in Tishomingo County. I will make sure our deputies are given every opportunity to receive the training necessary for them to perform the job at the highest professional level.

2. I'll make sure the deputies on our staff treat all citizens with respect and conduct themselves in a professional manner. The taxpayers of Tishomingo County pay the public employee's salaries. When they have an encounter with law enforcement they are entitled to be treated in a kind and professional manner. I'll make sure that happens.

3. I'll implement a "patrol car use and pursuit policy" for Tishomingo County. The days of running on the road 90-100 mph to get to the diner to buy lunch over if I'm elected. The days of wrecking a \$30,000 patrol car while chasing someone who ran a red light over if I'm elected. They have yet to build a car fast enough to outrun a radio signal. If elected, I'll make sure my deputies understand and operate under this policy.

4. We'll show up to work on time and do the County's business. If you have a case pending with Tishomingo County, you need to know what is happening. I will work to make sure you know the status of your case.

5. I believe the budget for the sheriff's department has increased substantially. I believe we need to review that budget and decide what is working and make sure where we can until the economy improves. I believe we need to look to federal grants and aid to see if we can use those resources to assist our county in equipment purchases and additional training for our officers.

6. I believe we need "active shooter" training for our officers and an "active shooter" policy for our county. We need to be prepared for these types of situations. The only way we can prepare our officers to protect citizens is by making sure we have the training and policy in place to deal with these scenarios.

I hope to talk to as many of you as possible this summer to hear your concerns and questions. I, Brian Wheeler can be the solution to the problems we all face. I ask when you go to the polls on August 4<sup>th</sup>, please consider me, Brian Wheeler, as your next Sheriff of Tishomingo County. Thank You

**What Is Jesus Saying To The Churches? (part II)**

Men are seemingly more interested in some person's idea of what God is telling him, or her, to tell the church than what God actually told the church through Jesus Christ! I think it would be worthwhile for all of my readers to ponder this statement for a moment. You see, we really do not usually have a way to verify what some person is telling us that God told him, but we do have many ways to verify the Word of God which has been written down as Scripture! The idea of some people having supposedly new revelations from God is not exactly a new thing, but the number of such "appointed spokesmen" has been growing in the last several decades. First, I would like to ask why we need some new revelation, since nobody has mastered all 66 books that God inspired men to write down over a period of about 1600 years? Then I would like to ask what it is that some people want to know that is not already in the Bible? Since most people have never read all of the Bible, and certainly not many have read it more than a few times, what assurance do they have that the Bible hasn't already spoken to their needs? I happen to believe that God has given in the Bible all we need for salvation and Christian living, so my prayer to Him is that I will rightly understand His message there.

The Book of Revelation is the only book in the Bible that pronounces a blessing on those who read, hear and keep the things that are written in it. If we cannot possibly understand Revelation, then how can God tell us that a blessing awaits those who read, hear and keep what is written in this book? The fact is that the Book of Revelation can be understood, yet that does not mean that any one of us understands every minute detail of the book. If we could pool all of our resources, mentally and spiritually, we might come very close, as a whole, to understanding all of it. Besides all that, I believe that many of us have gotten the gist of what God is saying here, at least enough to know how to respond to it. Some of Revelation (chapters 2 and 3) were written directly to the seven churches of Asia, with a message to all churches. The rest of Revelation is also for the church's learning, or else God would not have given it!

Revelation 1:4-5 says, "John to the seven churches which are in Asia: (now called Turkey) Grace be unto you, and peace, from Him Which is, and Which was, and Which is to come; and from the seven Spirits Which are before His throne. And from Jesus Christ, Who is the faithful witness, and the first begotten of the dead, and the prince of the kings of the earth. Unto Him that loved us, and washed us from our sins in His Own blood." So, the message of Revelation is from the Father, the Spirit and the Son to the churches! With this being the case, does it not seem reasonable that the church today should at least read and study the message of Christ to these seven churches of Asia, which is also a message to all churches?

# Tishomingo County School District Attendance Policy

**The following attendance policy was approved at the last board meeting —**

Punctual and regular attendance is of the upmost importance to a student's academic success. Tishomingo County School District encourages each student to attend classes daily.

In order for a student to counted as present according to Average Daily Attendance Guidelines as outlined by the Mississippi State Legislature, the student must be present 63% of his/her instructional day, which is defined by the Board of Trustees.

When absent from school, it is required the student bring to the office a note from home stating the guardian was aware of the student's absence. This note must be brought within **two (2) days** upon the student's return to school.

The following information is required on all absentee notes:

- \* student's name
- \* guardian signature
- \* date of guardian signature
- \* guardian acknowledgement of absence
- \* date(s) of absence

**\*\*An absence can be excused by administrators without written documentation\*\***

Any time a student plans an extended absence from school, the administration and teachers should be notified of this as early as possible. [Refer to H-1, Students - Subsection z(19) Make-up for Absences, z(20a) Excused/Unexcused Absences, z(31a) Checkout Policy]

## **Excused/Unexcused Absences (K-12)**

A student will be given an excused absence on a parent note for **three (3)** occurrences per semester. Each parent note will apply to each occurrence (i.e. if a student is out for three days, each day will require a parent note to be excused without other acceptable documentation). After that, a student must have documentation as defined below, to receive an excused absence.

- Tishomingo County School District adheres to the Mississippi Compulsory School Attendance Law (MS Code 1972 Annotated, Section 37-19-91) which states "when the child has accumulated five (5) unlawful absences during the school year of public school in which the child is enrolled, the school district superintendent or his designee shall report, within two (2) school days or within five (5) calendar days, whichever is less, the absences to the school attendance officer."
- Five (5) or more unexcused absences deems a student as truant and results as the student being reported as such to the attendance officer.
- After twelve (12) or more unexcused absences, the attendance officer will petition the court for excessive absences.
- An **excused absence** is one which results from a personal illness/injury, medical or dental appointment, isolation ordered by county health officer

or appropriate school official, death or serious illness involving an immediate family member (sibling, parent, grandparent), observances of religious holidays of a student's own faith (requires prior approval); or circumstances such as court ordered appearances, family emergencies, extreme weather, etc. that require immediate attention and that the school principal deems necessary.

- An absence is considered **unexcused** if proper documentation is not received **within two (2) days of the student's return to school**; if the documentation is unacceptable; or, if the absence is the result of Out of School Suspension.
- When students are sent home by the school nurse, the absence is considered excused for that day only.
- Students participating in school-approved or school-sponsored activities are considered present.
- Written documentation concerning an absence must be provided to the school office **within two (2) days** of the student's return to school.
- Written documentation from a doctor/dentist/court officer/etc. must contain dates of service in order for the date(s) of the absence to be excused.
  - Upon reaching five (5) unexcused absences during the 9 weeks, the parent shall meet with the Principal and Counselor to develop a plan of attendance for the student. The plan will determine future consequences and guidelines to improve student attendance.
  - Failure of the parent to meet with school officials will result in after-school detention for the student as set and determined by the Principal until the meeting occurs.

## **Tardiness**

All students are required to get to school and class on time. TARDINESS prevents students from achieving all that is academically possible. Parents are encouraged to make sure that their children are prompt. Students that check-in late or out early will be given a tardy for that particular class (by that class period teacher) if they miss 25 minutes or less of that class period (late in/early out). Students that miss more than 25 minutes of a particular class will be counted as absent for that period, but will be allowed to enter the classroom for the remainder of the class. This policy is on a semester by-semester basis.

Students are to report to the appropriate class immediately upon checking in. Students are required to sign-in when arriving late and sign-out when leaving early - failure to do so may result in disciplinary action.

Students who are habitually tardy will be subject to the consequences outlined on the following discipline ladder:

**1<sup>st</sup> TARDY** . . (in a particular class) - Teacher records tardy

**2<sup>nd</sup> TARDY** . Teacher records tardy; student warned, & K-4 parents notified

**3<sup>rd</sup> TARDY** . . Teacher records tardy; student warned, & K-4 parents notified

**4<sup>th</sup> TARDY** . . One day In-School Detention (grades 5-12) & one day In-School Detention or After-School Detention for every tardy thereafter per semester; K-4 students lose break/recess and continue to do so for every tardy thereafter per semester

## **THEREAFTER**

- Any student who is present at school but does not attend detention during break will have to make up that break in detention plus an additional break. If a student who is present at school fails again to attend detention at break, that student will be assigned one day of In-School Detention. If a student is late for In-School Detention, he/she will not be admitted and will be assigned two In-School Detentions.
- If a student is tardy due to a doctor/dentist appointment, the student must bring an excuse from the doctor the next day for the tardy to be removed.
- Students who lose a break due to a tardy will makeup the work missed because of that tardy. The work will be completed while remaining inside during the break the student is missing.

## Grand Opening of Magnolia Cafe in Burnsville

Local officials, friends, and family gathered for a ribbon cutting for Magnolia Cafe.

Owner Chris Stroud reported that "our food has a South Louisiana flare, not hot but spiced just right. Our friends and neighbors love it. We have an you-can-eat self-serve buffet for lunch and dinner and a Saturday self-serve breakfast buffet. Our baked chicken, chicken and sausage jambalaya and gumbo, red beans, rice and sausage, and cornbread salad have been big hits. We are family friendly so we offer a kids menu and a game room as well as several big screen televisions."

Mayor David Nixon said "we thank Chris for starting a business in Burnsville. We wish him great success and invite others to start a business in Burnsville."

Magnolia Cafe is located in the Burnsville Shopping Center and is open Monday thru Friday from 11 AM to 2 PM for lunch and Wednesday thru Saturday from 5 PM to 8 PM for dinner.
