Arson Suspected at Two Saturday Morning Fires

An Iuka office and a lake home owned by an Iuka attorney both burned within hours of each other early Saturday morning, and investigators have offered a \$5,000 reward for information leading to the arrest and conviction of the people who caused the fires.

Iuka Fire Chief Brian Grissom said that a neighbor called to report a fire at the law office of Tacey Clark at 311 Eastport Street in Iuka about 4:30 a.m. Saturday morning. Units from Snowdown, Eastport, Burnsville, Midway and Burns responded to the fire. The Iuka unit left the scene at 7:48 a.m. Saturday.

At 7:48 a.m. Saturday, Eastport, Snowdown and Pleasant responded to the reports of a fire on 3 County Road at Mill Creek. By the time they arrived, the approximate-

The law office of Tacey Clark was destroyed by fire early Saturday morning.

This lake home burned to the ground Saturday morning.

ly 3,500-square-foot A-frame home built of cedar and cypress was already burned up beyond saving, said Iuka Fire Chief Grissom.

According to Iuka Police Chief Randy Stringer, the Iuka Police are hoping to speak with the owner of both structures, Tacey Clark, but had not been able

to at press time.

The fire marshal investigated both scenes on Monday and told Iuka Police that arson is confirmed as the cause at the Eastport Street fire; there were two confirmed points of origin downstairs in the basement and one "area of origin" upstairs.

At the lake house fire, the

cause is "undetermined," which may be due to the total destruction of the home by fire.

Both structures were unoccupied at the time of the fires.

The 311 Eastport Street location has been the Tacey Clark Law office for the past several years. Before that it was the headquarters of Rusty Walker

Programming, and before that, a radio station for many years. It was built in 1948 as the Iuka Church of Christ until that church relocated to the current location on Old Highway 25, Battleground Drive.

According to investigation, Ms. Clark bought the lake home in 2012. It was built in 1979.

Iuka Pharmacy Burglarized

Iuka Police are looking for a person or persons who burglarized Barnett Apothecary last Friday.

According to Iuka Police Chief Randy Stringer, about 11 p.m. Friday morning, someone broke out the front door of the drugstore on Battleground Street in Iuka, and managed to take an undisclosed amount of

many various pharmaceutical items, including narcotics.

An alarm went off, and when business owner Steve Barnett arrived, city and county officers were on the scene. The suspects were likely only in the store a few minutes.

Barnett said that he has increased his security system substantially since the break-in.

Orbital ATK Iuka Facility Reaches 500th Rocket Structure Production Milestone

Orbital ATK, Inc., a global leader in aerospace and defense technologies, today announced that the company's Iuka, Mississippi, manufacturing plant has produced its 500th large composite rocket structure for United Launch Alliance (ULA) launch vehicles.

In honor of one of the milestones for one of Iuka's most suc-

cessful industries, Iuka Mayor John Castleberry declared April 20th Orbital ATK day in Iuka.

"ATK has put Iuka on the map and put many (currently 104) Iuka citizens to work in their high-tech manufacturing facility at Tri-State Park," said Castleberry. "They are one of our greatest assets, and we are pleased to join them in celebrat-

ing this milestone, as well as continue our partnership with them for many years to come."

Since its establishment in 1998, the Large Structure Center of Excellence (LSCOE) manufacturing plant has produced

Legislature OKs Borrowing \$250 Million; Including \$300K for Tishomingo County Ag Center

As the legislature closes down the 2016 session, leaders and both houses came to agreement on borrowing money to fund several infrastructure, education and tourism-related projects throughout the state including \$300,000 for a proposed agricultural center in Tishomingo County.

According to Representative Lester "Bubba" Carpenter, the money is for an equine/agricultural center similar to that in Prentiss County, which regularly presents horse shows, and other livestock events, to the benefit of the local area. It would be a joint venture between Northeast Mississippi Community Col-

lege and Tishomingo County, said Carpenter, who indicated a movement to have such facilities throughout the state. He said Lowndes County is getting one, too.

"It would be a multi-purpose facility that could be used for many events," explained Carpenter. He said that the \$300,000 is a statutory bond that will be forgiven over time, and that a requirement is that the facility be built on land the county already owns - the money can't be spent to buy land.

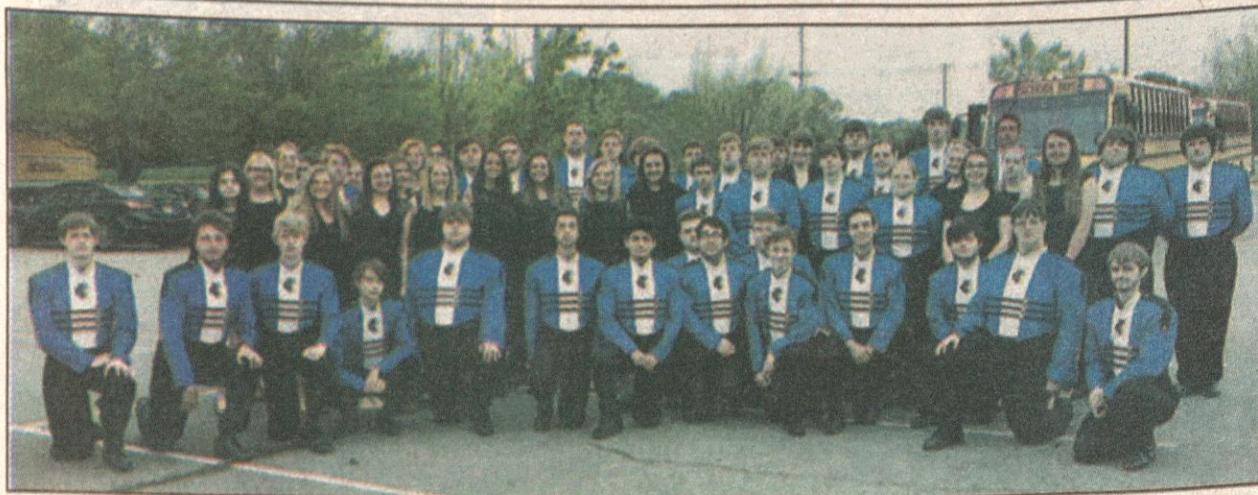

Some reports have come out that the center would be built on county-owned land near Tishomingo. Fourth District Supervi-

sor Jeff Holt said there is indeed a prime location of 47 acres just north of the town, but that the Board of Supervisors has not even discussed that. The land is currently advertised as a potential industrial park location and was the former location of a Bonds Co. plant.

With millions of dollars of investments and industries locating in Burnsville, Iuka and Belmont in recent years, it would be a chance for Tishomingo and the Fourth District to get some of the county's development attention.

68 Atlas V, 28 Delta II and 404 Delta IV large composite structures across 104 ULA launches. The 500th structure is a boat tail for a ULA Atlas V launch vehicle that was manufactured with zero defects.

"This is a very special occasion for all of us and a remarkable accomplishment," said Steve Earl, Vice President and General Manager of Orbital ATK's Aerospace Structures Division. "This milestone speaks to the commitment, dedication and diligence of each and

every one of our employees at this plant. Every one of them should be proud of their contributions to ULA, the U.S. Air Force and the Evolved Expendable Launch Vehicle (EELV) program."

The large composite structures manufactured at the Iuka, Mississippi plant measure four to five meters in diameter and range from one to 19 meters in length. The Orbital ATK facility produces them all using advanced hand layup, fiberplacement, machining and in-

spection techniques, and the 320,000 square-foot plant houses one of the largest autoclaves in the world measuring 20 feet in diameter by 83 feet in length.

Snowdown Cleaning Day

Cemetery Cleaning Day will be April 30th this year. If you can help, please bring tools and be here around eight o'clock. All OLD flowers will be removed. The wind blew many flowers off the graves and we have no way of knowing where they belong. These flowers will also be removed.

Come and check your graves and pick up any flowers that you want to keep before April 30th. In case of rain or April 30th, we will reschedule for May 7th. Lunch will be served to all workers. Please help if you can.

If you can contribute to the endowment fund where only the interest can be used, please send

your contribution to Shirley Whitehurst, 79 CR 989, Iuka. The Cemetery Committee agreed to cut the cemetery five times each year from interest on the endowment fund, thus allowing the endowment fund to grow, but you know how low interest rates are now, so it is not growing much.

If you prefer your gift be used this year, just send it to Gene Worsham and maybe we can cut it six times. Gene's address is 184 CR 246, Iuka.

Hope to see relatives of everyone who is buried in Snowdown Cemetery on April 30th, or if we have that day, see you on May 7th.

President Jo Russell presents Maxine Wade and Zenobia Oaks certificates of award for 58 and 57 years of membership in the Iuka club.

20th Century Club Met at Iuka Library

The Iuka 20th Century Club met on April 14, at 2:00 P.M., at Iuka Library. Cindy Whitfield was hostess and Sue Kerby had the program. President Jo Russell called the meeting to order. Members recited the Pledge of Allegiance. Cindy gave the devotional from "Jesus Calling," and gave the invocation.

Members present were Jo Russell, Cindy Whitfield, Pat Nichols, Maxine Wade, Zenobia Oaks, Sue Kerby, Brenda Whitfield, Mayecilla Hart, Fredda McCune, Ruth Ellen Cox and RaNae Vaughn.

Sue introduced Brian Grissom, Iuka Fire Chief, who presented a program on fire safety. Iuka was one of the first Firewise Communities in the state. He gave everyone printed material with safety plans and precautions for in and around the home, spoke about many of the points and answered questions.

At this time we paused for refreshments served by Cindy, our hostess: spinach-in-a-bowl and "crack" dips, chips, and strawberry pie with whipped cream.

Jo introduced RaNae Vaughn, our new member.

Pat read March minutes, which were approved. Joy reported no correspondence; Fredda gave financial report, and said she had filed the club's 990N epostcard report to IRS.

tively. Jo gave a report on the Living Center birthday party and remarked it was such a blessing to hear Mr. Hubert Robinson lead in a spontaneous hymn "Blessed Assurance." Everyone enjoyed the refreshments and Birthday Jingo game.

Relay for Life Purple Bows had been made and members picked up several to offer businesses and individuals for a \$5 each donation for American Cancer Society. Anyone may contact any member for these to show your support of this worthy cause.

Charlotte's Attic

Headed to High School -

by Charlotte Biggs McVay

Editor's Note: This is a series of memories I'm sharing with all of you. My mother, Daisy Biggs, collected everything she could, and I love going through it and remembering fondly life in Iuka and Tishomingo County. Hope you enjoy it, too!

High School Students from Central

Most of the old photos I have in my collection that were taken in the Harmony/Central area came from the collection of my aunts Rayma and Mary Lousie Biggs. Thanks to my Aunt Mary for helping me identify this photo

taken at the old Central School House. These students are the high school students who caught the bus at Central each morning and road to the high school in Iuka. The bus was driven by Kell Milligan, whose name you can see on the back window. The year was not on the

photo. The students are: front row, seated, left to right, Reuben Grisham, Kirby Milligan, Mitchell Bonds, Earl Carson, Archie Walker, L. B. Walker, and George W. Cutshall. Second row, from left, Charles Dunigan (not sure), Virgil Carson, How-

ard Biggs, William Edgar Cresap, Miller Grisham, Clarence Davis, Harry Grisham, and J. W. Bonds. Third row, Dorothy Morris, Irene Hudson, Maida Grisham, Dorothy Davis, Grace Grisham, Ruth Grisham, J. E. Hudson, Marcus Parnell, Louise Ledgewood, Emmett Da-

vis, and Doris Back row, Charles unidentified several Dexter in the bus driver Kell Milligan. If you have an old photo you would like to share with our readers, please bring it to the office to be scanned. email to tcnews@tishomingonews.net

What Used to Be There...

In our area it is common to hear directions given "used to be" in a place. Well, a building that was "used to be" the Iuka Eastport Street Saturday, "used to be" the Iuka of Christ from 1948 until 1962, and we found it in the archives of what it looked like before its recent role as a law office, and radio station.

Pastor's Tidbits

by J. Briggs King, Evangelist

A glimpse into Heaven (part II)

It is not hard to get the attention of most people when one speaks about things he has supposedly seen in heaven, but it is quite another story to get people to read the Bible to see what God really says about heaven. It is impossible to check out the stories written in books about those who say they have been to heaven and back, especially when none of them seem to square with the Bible. It is not impossible to learn much about heaven from the Book we know as the inspired Word of God, the Bible! Revelation 4: 7-8 says, "And the first beast was like a lion, and the second beast like a calf, and the third beast had a face like a man, and the fourth beast was like a flying eagle. And the four beasts had each of them six wings about him; and they were full of eyes within: and they rest not day and night, saying, Holy, holy, holy, Lord God Almighty, Which was, and is, and is to come." There are at least two kinds of angels mentioned in the Bible: one group being called cherubim (Ezekiel 10:20), and the other being called seraphim (Isaiah 6:2-3). The seraphim of Isaiah 6:2-3

seem to be the same angelic beings as those of Revelation 4:7-8, for both groups are said to have six wings and both to have continually about groups cry continually about the holiness of God. The cherubim mentioned in the first ten chapters of Ezekiel are also called "living creatures" (see especially Ezekiel 1:5). So, the "beasts" of Revelation 4:8-9 are not beasts as we know them, rather they are living creatures (angels) called seraphim in Isaiah 6:2-3. The faces of the "beasts" of Revelation 4:7-8 seem to represent God's earthly creatures: the lion, calf, man and eagle. In Ezekiel 1:10, we learn that the cherubim (angels) there have the following faces: man, lion, ox and eagle, but Ezekiel 10:14 says they had the following faces: cherub, man, lion and eagle. It may not be likely that this means, but we can know that God is concerned about both heavenly creatures (cherubim) and earthly creatures, including both domestic and wild animals.

In Revelation 4:8-9 we learn that the angelic creatures in heaven are full of eyes within, evidently indicating their great knowledge of what is around them. We also learn that they do not rest

"day or night" (to use language), since heaven does not have day and night; they are continually in the presence of His being and that is Almighty. All of us are afforded to think on this while, for the angelic creatures say that God is completely holy, meaning He is completely set apart from all evil, or sin. The angels also speak about the fact that God is all powerful, nothing that He will do is impossible with Him. These heavenly creatures that God is eternal, "was, and is, and is to come." It is impossible for humans to comprehend eternity; it is not impossible for us to believe the Bible's description of the fact that God is eternal. By the way, the things that are said about God by listening to His angels proclaim the about Who He is, and would be far ahead of any book that men or women have written, or had written about any "trips to heaven and back!"

Classes have included entomology, soils, invasive plants and growing your own vegetables. The Boys & Girls Club gardening project is just one example of several Master Gardener educational projects that are funded with proceeds from their annual plant sale. Members have spent the last year propagating seedlings, transplanting bulbs and planting seeds to provide for a large selection of plants at this year's sale which will be held at the county fairgrounds on Saturday, May 7th, from 9 a.m. – 1 p.m. Master Gardeners will be available at the sale to help answer any questions about the plants you select and provide free soil tests. 1st American Bank Presents Flag to TMS

The American Flag is a symbol of our Freedom, Liberty, Strength, Unity, Courage and Valor; so many things come to mind. The American flag consists of thirteen stripes which represents the original thirteen colonies that 'united' to form America; while the fifty white stars on a field of blue represents the 50 states of this great country known as the United States of America. To First American National Bank the American Flag is one of the most beloved and recognizable attributes at each of its branch locations. It is with great pride and respect that FANB flies the American flag to show its unyielding support to our country and community. Recently Rhonda Smith of the First American Tishomingo Branch Office presented this American flag to the Tishomingo Middle school. Proudly accepting the flag to fly high over the school's campus was TMS Student Luke Smith and Principal Cliff Nunley.

RESOLUTION OF THE BOARD OF TRUSTEES OF THE TISHOMINGO COUNTY SPECIAL MUNICIPAL SEPARATE SCHOOL DISTRICT DECLARING THE NECESSITY FOR AND ITS INTENTION OF BORROWING MONEY FOR THE PURPOSE OF PAYING THE COSTS DESCRIBED HEREIN; ORDERING SAID RESOLUTION TO BE PUBLISHED; AND SETTING THE DATE UPON WHICH THE BOARD OF TRUSTEES IS TO TAKE FINAL ACTION UPON THE QUESTION OF AUTHORIZING THE BORROWING OF SAID MONEY.

WHEREAS, the Board of Trustees of the Tishomingo County Special Municipal Separate School District, Tishomingo County, Mississippi (the "Board"), acting for and on behalf of the Tishomingo County Special Municipal Separate School District (the "District"), does hereby find, determine, adjudicate and declare:

1. It is necessary and desirable that a maximum of Two Million Seven Hundred Fifty Thousand and No/100 Dollars (\$2,750,000.00) be borrowed for the purposes of making repairs, alterations and additions to school buildings of the District, for the purpose of erecting school buildings and other buildings used for school purposes, purchasing heating plants, air conditioning, fixtures and equipment for such buildings, purchasing land for school purposes, purchasing school buses and transportation equipment, improving and equipping such lands for school recreational and athletic purposes, refinancing outstanding debt and paying the costs of such borrowing (the "Project");

2. No funds are available in the school funds of the District or from any other source with which to pay the costs of the Project;

3. It would be in the best interests and to the advantage of the District that the funds needed for the Project be obtained by the issuance of notes of the District in the maximum principal amount of Two Million Seven Hundred Fifty Thousand and No/100 Dollars (\$2,750,000.00) (the "Notes") in the manner and form provided by Section 37-59-101, et. seq., of the Mississippi Code of 1972, as amended (the "Act");

4. An annual levy of a special tax which shall not exceed three (3) mills on the dollar of assessed value of taxable property within the District, along with any other funds the District may pledge, shall be sufficient to pay the principal and interest on the Notes to be issued hereunder and all other notes issued and outstanding under the Act, as the same shall respectively mature and accrue.

5. Under the provisions of Section 37-59-115 of the Mississippi Code of 1972, as amended, the limitation of Section 37-59-5 of the Mississippi Code of 1972, as amended, on the indebtedness which may be incurred by school districts is not applicable to the proposed issuance of the Notes;

6. The purposes for which the proposed Notes are to be issued as herein set forth in this resolution are purposes authorized by the laws of the State of Mississippi, and particularly in Section 37-59-101, et. seq., of the Mississippi Code of 1972, as amended, and the Board is authorized and required to declare the necessity and its intention of borrowing money and issuing the Notes of the District as evidence of the same.

7. Pending the completion of the Project plans and specifications and the issuance of the Notes, the District needs to pay certain expenses incurred in connection with the performance of the Project, with such expenditures to be reimbursed from the proceeds of the Notes, when issued.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Trustees of the Tishomingo County Special Municipal Separate School District, as follows:

Section 1. The Board does hereby find, determine and adjudicate that the foregoing premises are true and correct.

Section 2. The Board does hereby declare that it is necessary to borrow an amount not exceeding Two Million Seven Hundred Fifty Thousand and No/100 Dollars (\$2,750,000.00) for the purpose of paying the costs of the Project, previously described herein, all at a total cost approximately equal to the principal amount of the Notes to be issued hereunder.

Section 3. The Board does hereby further declare that no funds are available in the school funds of the District or from any other source with which to pay the costs of the Project, and that it is necessary that the costs thereof be borrowed in the manner and form provided by Section 37-59-101, et. seq., of the Mississippi Code of 1972, as amended.

Section 4. The Board hereby declares its intention to borrow such money and to issue the Notes as evidence of the same. The Notes shall bear interest at a rate to be specified by further resolution of the Board, but shall not exceed a greater overall maximum interest rate to maturity than the rates now or hereafter authorized under the provisions of Section 19-9-19 of the Mississippi Code of 1972, as amended. The Notes shall not be sold for less than par and accrued interest. The Notes shall be dated their date of delivery and shall mature over a period not to exceed ten (10) years, with the first installment of principal and/or interest thereon to be made within one year from the date thereof.

Section 5. That unless a petition signed by 20% of the qualified electors of said District, requesting that an election be called on the question of incurring said indebtedness, is filed prior to 6:30 p.m. on May 9, 2016, in the Superintendent's Office of the District located at 1620 Paul Edmondson Drive, Iuka, Mississippi or at the Board meeting at the Tishomingo County High School located at 701 Highway 72, Iuka, Mississippi, final approval of the borrowing of said money and authority for the issuance of said Notes shall be given by the Board at a meeting held on such date and hour at the aforesaid address.

Section 6. The Secretary of the Board be and is hereby authorized and directed to cause this Resolution, as adopted, to be published in the *Tishomingo County News*, a newspaper of general circulation in the District and qualified under the provisions of Section 13-3-31 of the Mississippi Code of 1972, as amended. Said Resolution shall be published once a week for two consecutive weeks, with the first publication thereof to be made not less than 15 days prior to May 9, 2016, on which date the Board will take final action on the question of authorizing the borrowing of said money.

Section 7. The District shall use funds currently available in its District Maintenance Fund to pay certain initial costs of the acquisition and construction of the Project, as subsequently identified by the Board, with such expenditures to be reimbursed from a portion of the proceeds of the Notes, when issued. The allocation of the Note proceeds to reimburse the District Maintenance Fund shall be made in writing not later than 18 months after the later of: (a) the date the original expenditure is paid or (b) the date the Project is placed in service or abandoned, but in no event more than three years after the original expenditure is paid. The expenditures to be reimbursed from the Note proceeds shall be incurred solely to acquire, renovate, construct, or improve property having a reasonably expected economic life of at least one year and to pay the cost of such acquisition, construction and improvements. The Note proceeds shall be used to reimburse these expenditures, and not for the reimbursement of operating costs or similar working capital items. This resolution is the official action of the Board adopted as required by regulations promulgated by the Internal Revenue Service governing the reimbursement of prior expenses from note proceeds.

Section 8. That all orders, resolutions or proceedings of the Board in conflict with the provisions of this Resolution shall be and the same are hereby repealed.

Having received a majority of the affirmative votes of the Board, the Resolution passed on April 11, 2016.
