## Two Injured in One Vehicle Wreck on the Natchez Trace Friday

Judy Vaughn of Iuka and her granddaughter, Chloe Johnson, were seriously injured in a one-vehicle car wreck on Friday morning, July 27.

According to a family member, Judy and Chloe were on their way to visit Judy's sister, Jane Nord and family in Franklin, Tennessee. The family planned on enjoying the week-

end at a Bluegrass Festival in Franklin.

The accident happened about 20 miles south of Leaper's Fork in Maury County. The car ran off the road, hit a bridge corner, went some 30 feet in the air, tore down a tree and landed on the road under the bridge. The two were wearing seat belts and were not thrown from the car.

Judy suffered extreme injuries and remains a patient in Vanderbilt Hospital in Nashville. She suffered many broken bones and will undergo extensive rehab. If she continues to improve, she should be transferred back to Tishomingo County soon. Chloe was released from Vanderbilt on Friday night.

## Car Crashes Through Window in Downtown Iuka Last Week

By Joy Kitchens

Tuesday, July 24th, a red Ford car accidentally jumped the curb and ran into the building at 121 South Fulton Street between River Rags and Attorney John White's office, breaking the storefront window and smashing a planter of flowers. The area was cordoned off because of the broken glass. The new owners have been trying to restore the space to its original floors and ceiling but have not decided what it will be used for. Someone wryly suggested, "Maybe a drive-in."

## Vote Yes to the Dress Event at Old Courthouse Museum

Excitement is mounting as the staff and board members begin to set up the display for the "Vote Yes To The Dress" event at the Old Tishomingo County Courthouse. Dresses and wedding dress photos from all over Tishomingo County and beyond are flooding into the museum in hopes of being the very first winner of the "Vote Yes To The Dress" competition.

This event was designed to celebrate Tishomingo County's infamous nickname as "The Marriage Capitol of the South". For a little over half a century, this county has issued over 45,000 marriage licenses to couples looking to tie the knot. What made Tishomingo County so different from everywhere else was the no waiting period. Couples were able to walk in the courthouse (now museum),

purchase their marriage license, and be married directly afterward. Over the years, the staff members have heard countless wedding memories from visiting couples who became husband and wife at the Old Courthouse.

This one day event was created for women to gather and share their wedding pictures, gowns and memories. "Vote Yes To The Dress" will take place on Saturday, August 11 from 9 AM to 4 PM. Admission and refreshments are free, and those who attend will be voting for their favorite dresses and pictures to determine their favorite for each category. The number of votes are unlimited, and will cost \$1 per vote. All of the

money received will go directly to helping the museum become more accessible to their handicapped and elderly visitors. For more event information, contact Julie Rich Schlosser at 662-423-3500.

## Presley Kicks off Tishomingo County Task Force Meeting on Cellular and Internet Service

Public Service Commissioner Brandon Presley announced today that the first meeting of the Tishomingo County Task Force on improving cellular telephone and high-speed internet service will be held on Monday, August 20, 2018 at 7:00 p.m. The meeting will take place in the upstairs courtroom of the Tishomingo County Courthouse located at 1008 Battleground Drive in Iuka.

"Rural Mississippi has an infrastructure crisis in the lack of cellular telephone service and high-speed internet service. Mississippians are sick and tired of paying for a service that doesn't work or being told that providers have no intention of serving their areas. That is unacceptable to me and through the help of these citizen task forces, we are going to highlight this problem and demand answers," Presley said. "The information gathered that we will use to prove that the FCC's maps for funding are wrong will be due soon, so we have a lot of work to do in a very short time. That is why

citizen volunteers are so very important."

Among other projects, citizens involved with the task force will be able to use a free smartphone app, approved by the Federal Trade Commission, to document the lack of cellular telephone and data service in their area. The FCC currently shows that Mississippi has adequate service in almost every county of the state. This false information could cause Mississippi to lose millions in federal funding for cellular telephone towers in rural areas. Also, the task force will meet with leaders to look at what solutions exist to bring high-speed internet service to rural areas.

"While we have had many volunteers, we always welcome more. This meeting is open to the public and all are welcome to attend," said Commissioner Presley.

Anyone interested in serving on the task force should contact Commissioner Presley's office at 1-800-637-7722.

## Needle Chasers to Meet Monday

The Tishomingo Co. Needle Chasers Quilt Guild will hold their regular monthly meeting on Monday, August 6, at the Iuka Public Library. The Guild is enthusiastically completing plans for their biennial Harvest of Quilts Show which will be held September 14-15 at the Iuka Baptist Church. A few months ago members pulled three crayons from a brown paper bag and were challenged to make a small quilt using those three colors and one background color only. These small quilts will be displayed in one of the special theme rooms at the quilt show. The completed projects shown to date are as diverse as their makers.

The Needle Chasers welcome visitors at the membership meetings and guests are invited to bring a favorite quilt or heirloom to share at the end of the meeting.

Nelda Soper shows her completed quilt from three-crayon challenge.

## NOTICE OF DEFAULT AND FORECLOSURE SALE

WHEREAS, on August 20, 2009, James W. Burns and wife Christine Burns, executed a deed of trust to William H. Glover, Jr., for the benefit of Wells Fargo Bank, N.A., which deed of trust is recorded as Instrument No. 2009002993 in the Office of the Clerk of the County of Tishomingo, State of Mississippi; and

WHEREAS, the Deed of Trust was insured by the United States Secretary of Housing and Urban Development (the Secretary) pursuant to the National Housing Act for the purpose of providing single family housing; and

WHEREAS the beneficial interest in the Deed of Trust is now owned by the Secretary, pursuant to an Assignment dated March 27, 2014 and recorded March 27, 2014 in the Office of the aforesaid Chancery Clerk as Instrument No. 2014000958; and

WHEREAS, a default has been made in the covenants and conditions of the Deed of Trust in that the payment due on May 4, 2018, not made and remains wholly unpaid as of the date of this notice, and no payment has been made sufficient to restore the loan to good standing; and

WHEREAS, the entire amount delinquent as of August 23, 2018 is \$107,680.57; and

WHEREAS, by virtue of this default, the Secretary has declared the entire amount of the indebtedness secured by the Deed of Trust to be immediately due and payable;

NOW THEREFORE, pursuant to powers vested in us by the Single Family Mortgage Foreclosure Act of 1994, 12 U.S.C 3751-3757, by 24 CFR Part 27, subpart B, and by the Secretary's designation of us as Foreclosure Commissioner, recorded on August 22, 2018 as Instrument No. 2017002541, notice is hereby given that on August 23, 2018, between the hours of 9 am and 4 pm local time, all personal property at or used in connection with the following described premises, ("Property"), will be sold at public auction to the highest bidder:

The land described herein is situated in the State of Mississippi, County of Tishomingo, and is described as follows:

Lot 7, North Iuka Subdivision, a subdivision located in the SW Quarter of Section 12, Township 3, Range 10, according to the plat thereof on file and of record in the Office of the Chancery Clerk of said county at Iuka, Mississippi, in Plat Book 2, at Page 4, and to which said map or plat is hereby made in aid of and as a part of this description.

Parcel Number(s): 3-1001-07-12-040

The sale will be held at the Main front door of the County Courthouse at Iuka, County of Tishomingo, Mississippi.

The Secretary of Housing and Urban Development will bid \$87,095.00.

There will be no proration of taxes, rents or other income or liabilities, except that the purchaser will pay, at or before closing, a prorata share of any real estate taxes that have been paid by the Secretary to the date of the foreclosure sale.

When making their bids, all bidders except the Secretary must submit a deposit totaling \$8,709.50 in the form of a Certified Cashier's check made out to the Secretary of HUD. A deposit need not accompany each oral bid. If the successful bid is oral, a deposit of \$8,709.50 must be presented before the bidding is closed. The deposit is nonrefundable. The remainder of the purchase price must be delivered within 30 days of the sale or at such other time as the Secretary may determine for good cause shown, time being of the essence. The amount, like the bid deposits, must be delivered in the form of a Certified or Cashier's check. If the Secretary is the bidder, he need not pay the bid amount in cash. The successful bidder will pay all conveying fees, all real estate and other taxes due on or after the delivery date of the remainder of the payment and all other costs associated with the transfer of title. At the closing of the sale, the deposits of the unsuccessful bidders will be returned to them.

The Secretary may grant an extension of time within which to deliver the remainder of the payment. All extensions will be for increments for a fee of \$500.00 paid in advance. The extension fee shall be in the form of a Certified or Cashier's check made payable to the Secretary of HUD. If the high bidder closes the sale prior to the expiration of any extension period, the unused portion of the extension fee shall be applied toward the amount due.

If the high bidder is unable to close the sale within the required period, or within any extensions of time granted by the Secretary, the high bidder may be required to forfeit the cash deposit or, at the election of the Foreclosure Commissioner after consultation with the Secretary's Representative, will be liable to HUD for any costs incurred as a result of such failure. The Commissioner may, at the direction of the Secretary's Representative, offer the Property to the second highest bidder for an amount equal to the highest price offered by that bidder.

There is no right of redemption, or right of possession based upon a right of redemption, in the mortgage or others subsequent to the foreclosure completed pursuant to the Act. Therefore, the Foreclosure Commissioner will issue a Deed to the purchaser(s) upon completion of the entire purchase price in accordance with the terms of the sale as provided herein. HUD does not guarantee that the property will be vacant.

The scheduled foreclosure sale shall be cancelled or adjourned if it is established, by documented written application of the mortgagee to the Foreclosure Commissioner not less than 3 days before the date of sale, or otherwise, that the default or defaults upon which the foreclosure is based did not exist at the time of service of this notice of default and foreclosure sale, or all amounts due upon the mortgage agreement are tendered to the Foreclosure Commissioner, in the form of a certified or cashier's check payable to the Secretary of HUD, before public auction of the property is completed.

The amount that must be paid if the Mortgage is to be reinstated prior to the scheduled sale is \$107,680.57 as of August 23, 2018, plus all other amounts that would be due under the mortgage agreement if payments under the mortgage had not been accelerated, and all costs and postage expenses incurred in giving notice, mileage by the most reasonable road distance for posting notices and for the Foreclosure Commissioner's attendance at the sale, reasonable and customary costs incurred for title and lien record searches, the recording of documents, and all other costs incurred in connection with the foreclosure prior to reinstatement.

Tender of payment by Certified or Cashier's Check or application for cancellation of the foreclosure sale shall be submitted to the Foreclosure Commissioner.

# The New Heavens and The New Earth (part II)

If anything excites the believer, it should be that God has a whole new creation coming. We were looking at Revelation 21:1-2; Isaiah 65:17; Isaiah 66:22 and II Peter 3:13 in the last article. I will return to those references for more information, but first I want to go to, Romans 8:19-23: "For the earnest expectation of the creature waiteth for the manifestation of the sons of God. For the creature was made subject to vanity, not willingly, but by reason of Him Who has subjected the same in hope. Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. For we know that the whole creation groaneth and tra-

vaileth in pain together until now. And not only they, but ourselves also, which have the firstfruits of the Spirit, even we ourselves groan within ourselves, waiting for the adoption, to wit, the redemption of our bodies." Without getting into every detail of the teaching in these verses, I do want to say that the whole creation is in pain because of the judgment of God on it through man's sin. (The words "creature" and "creation" in our verses are the same word in the Greek.) The

curse will be partially removed during the millennium, but not fully removed, for there will still be death during that time. In the new creation and the new Jerusalem, which will be the home of all of the saved, there will be no curse. So, in this way God will have redeemed the creation by making a new one. Actually our salvation is basically the same idea, for we now have a "new man" who is born of God and does not sin. The "old man", which all believers still have, does

still sin, but the saved will have no old nature in our new home. My big point here is that God loves the heavens and earth and will make new ones where sin can never enter.

Paul mentioned in Romans 8:23 that even the saved still groan, awaiting the redemption of the body. By the way, those who teach that God will now heal our bodies from any disease, if we only have enough faith, need to recognize that the bodies of believers are still groaning, even as was that of the good apostle Paul. (Even the "faith healers" still get sick and die!) The only time and place where we will have perfect health and no sickness will be in the new body and in the new creation. Isaiah 66:22

says that the new heavens and new earth will remain before God, as will redeemed Israel. So, we are looking at a time when change will not be needed, for perfection requires no changes or updates! II Peter 3:10-13 shows the dissolving of the present heavens and earth, but also shows that we, according to His promise (in Isaiah 65:17 and 66:22), are looking for new heavens and a new earth. There is another "big note" in this passage, for II Peter 3:13 says of the new heavens and earth: "wherein dwelleth righteousness", which means that righteousness will find its final and perfect home in the new creation. There is much more, therefore, for the future of the children

of God than just "going to heaven when we die" for we will be at home in a whole new creation with the new Jerusalem which is in the heavens now, coming down to new earth, as Revelation 21:2 clearly shows. There will be no sea in this new creation, thus saved mankind will not be divided by the waters of ocean. Revelation 21:2 shows this new Jerusalem as a holy city that comes down from God out of heaven (or the heavens), prepared as a bride adorned for her husband. This indicates that the new Jerusalem will be the primary home of the church, the bride of Christ.

NOTICE OF DETERMINATION FOR PROJECT MUNICIPAL GAS AUTHORITY OF MISSISSIPPI

The Municipal Gas Authority of Mississippi's mission is to use the best business practices and opportunities to offer its member municipalities and their citizens the most stable and cost effective supply of natural gas which it may provide. It is the intent of the Authority to purchase an up to 31 year supply of a portion of the gas needed by implementing one or more purchase contacts financed through the issuance of its revenue bonds or through a loan from the Mississippi Development Bank which will result in locking in a reliable, long-term supply at a price below market rates (the "Project").

The Authority has reviewed the future gas needs of its member municipalities taking into account the economics and efficiencies to be achieved by the Project and the cost of existing alternatives for gas supply. The Authority has engaged the engineering firm of Allen and Hoshall, Ltd., to prepare a feasibility study of the Project examining the future gas needs of the members and other municipal gas systems. The Authority has determined that the Project will provide a portion of the gas needs of its members and other participating municipal gas systems. The purchase of a reliable, long-term supply of gas which can be achieved at below market rates is both appropriate and cost effective while meeting the needs of the member municipalities for a stable supply of gas.

It is the intent of the Authority to finance the Project through the issuance of its revenue bonds (as one or more series of Revenue Bonds) or through one or more loans from the Mississippi Development Bank in a total principal amount not to exceed Eight Hundred Ninety Five Million Dollars (\$895,000,000) which shall be secured by a pledge of all or any part of revenues to be derived from the Project and as further provided for under Sections 77-6-1 et seq. and/or 31-25-1 et seq. of the Mississippi Code of 1972, as amended. A meeting of the Municipal Gas Authority of Mississippi will be held on August 29<sup>th</sup>, 2018, at 11:00 o'clock a.m. at 6000 Lakeover Road, Jackson, Mississippi, at which time the Authority will hear any objections or protests to the Project.

## Remember me?

Efforts are underway to organize an Iuka High School Reunion. Many students who graduated or attended Iuka High School are voicing their hope of having a yearly event similar to Tishomingo and Burnsville, to get together and reminisce

about the good old days at IHS.

A meeting is planned for Thursday night, August 9<sup>th</sup> at the Old Tishomingo County Courthouse Museum to discuss the plans.

Iuka High School was home to many stu-

dents from the years 1915 to 1990. If you attended, you are invited to bring your ideas to the meeting and help organize this reunion.

### School History

In 1908 bonds amounting to \$15,000 were issued for the purpose of building

a public school plant (pictured at left) in Iuka. This building was used until 1960. The beautiful old building was sufficient until 1942 when Howard Auditorium and four elementary classrooms were built to help the rapid growth. A modern gymnasium

was built in 1949 at a cost of \$50,000 and a cafeteria was built in 1952. These facilities were adequate until consolidation of the community schools added such growth that a new modern facility was built and opened in 1960.

Some of us are for-

tunate enough (or old enough) to remember both high school buildings. A school reunion would be a wonderful place to gather and swap stories of all the wonderful memories from these two buildings.

## Iuka Heritage Festival Plans Underway

Planning for the 2018 Iuka Heritage Festival continues. Entertainment for this year's festival is shaping up nicely. Miss Maycee McRight will help begin our Festival on Saturday at the Opening Ceremony. Chuck Clark, Trinity Four and Dwight Wadkins Band will be with us this year. Proximity Rule will also be back to entertain us. We are especially excited about the Poughaven Boomers and their unique brand of entertainment [can't wait to

enjoy that performance]. We are still working on the list, but it should be complete soon. The Ritzpah Railroaders will be back with us this year with their awesome train rides and we still have a couple of surprises up our sleeve. Keep an eye on our Facebook page for updates and be sure to visit our website - iukafestival.com for all the updated information.

We are still accepting Vendors so be sure to get your space reserved before we run out. Also, if you

are interested in sponsoring please contact us for information. Both forms can be found on the website for download as well.

Sonic Drive In and the Heritage Festival Committee would like to thank the Sponsors who have already given their support. We would like to thank the City of Iuka, Coke of Corinth, Jack Ivy Broadcasting, First American National Bank, 1st Franklin Finance, Harbin Heating and Air, Iuka Family Dental, McDonald's, Mississippi Silicon, John's Garage, Piggly Wiggly, Victorian Inn, Tishomingo County Tourism Council, and always the Tishomingo County News/The Vidette. ## Local Children Receive Bears from Operation Gratitude

These photos were taken at a recent Battalion Buddies distribution event with families of the HHC 2/114th Field Artillery.

These local families, all from the Iuka area, received 100 bears donated by Operation Gratitude, a non-profit organization based in Chatsworth, CA. In cooperation with Family Readiness Officers and battalion leaders nationwide, Operation Gratitude provides these special stuffed toys – known as Battalion Buddies – to the sons and daughters of deployed U.S. military personnel.

Operation Gratitude, a 501(c)(3), volunteer-based organization, annually sends 250,000+ care packages to Veterans, New Recruits, First Responders, Wounded Heroes, Caregivers, and to individually named U.S. Service Members deployed overseas

and their families waiting at home. Each package is filled with food, entertainment, hygiene and hand-made items, as well as personal letters of support.

Operation Gratitude's mission is to lift the spirits and meet the evolving needs of the Military and First Responder communities, and provide volun-

teer opportunities for civilians anywhere in America to express their appreciation to all who serve our nation. Each package contains donated product valued between \$50 and \$100 and costs the organization \$15 to assemble and ship. Since its inception in 2003, Operation Gratitude volunteers have shipped more than 2 Million Care Packages.
