## Iuka's "Grand Lady" Billie Burke Thomas Dies at 101

Billie Burke Whitehurst Thomas, age 101, died at her home on Friday, August 17, 2018. She was born Biddie Berte Carlton on November 28, 1916 in Montgomery County, Mississippi near the town of Eskridge (George Martin and Ella Pearl Johnson) Carlton. At the death of her father in 1919 she was adopted through the Mississippi Children's Home by Dr. Alfred Franklin and Sarah (Robinson) Whitehurst of Iuka, Mississippi and came to live in the house on the corner of Eastport and Pearl streets across from the Iuka Baptist Church.

"A new life deserves a new name," Mrs. Whitehurst told Biddie and hoped the child could take to the name Nancy. Mrs. Whitehurst gave her the choice to be called Nancy or Billie Burke and Biddie quickly answered, "Billie Burke." Again and again, Mrs. Whitehurst offered the choice in different

ways and got the same quick response, "Billie Burke!" How many can say they picked their own name when they were less than three years old?

She attended school in Iuka and graduated Iuka High School in 1933. She went on to graduate in physical education from the Peabody College of Education in Nashville, Tennessee in 1937.

She formed the comedy duo "Zeb and Sal" along with high school classmate Lucille Pace. They toured the Mid-South performing on stage and radio, and in 1939 went to New York City to perform on the Major Bowes Amateur Hour. In 1989 she and Lucille resurrected their act to star in a movie named "Zeb and Sal," which won a Gold Award at the Worldfest Houston International Film Festival in 1993

and was featured at the Angelica Film Festival in New York City, just down the street from where they appeared on the Major Bowes Amateur Hour over 50 years before.

## Paden Man Charged With Manslaughter

The Tishomingo County Sheriff's Office has officially charged Keith Anthony Letson of the Tishomingo/Paden area with manslaughter. The charge stems from an incident that occurred in May 2017 where Letson was involved in an altercation with Harry Rodman Thomas III. Thomas sustained serious injuries from the altercation and later died after several days spent in intensive care at the North Mississippi Medical Center - Tupelo.

The body was then sent to the Mississippi Medical Examiner and the findings were finally released from that office, listing the cause of death of Harry Rodman Thomas III as a homicide. An arrest warrant was then issued for Letson who was located at a MDOC facility in Greenwood, Mississippi. Letson was brought back to the Tishomingo County Jail and served with the warrant.

Keith Anthony Letson, 38-years-old, white male, of 15 Railroad Avenue Tishomingo, Mississippi was officially charged with manslaughter.

Letson's bond was set by the Justice Court at \$20,000. Letson is currently on probation with the Mississippi Department of Corrections and formal charges with the MDOC are pending.

Letson will be presented to the next Grand Jury when it meets in Tishomingo County. Sheriff Daugherty would like to thank the District Attorney's Office in their assistance with this due to the nature of the case. Sheriff Daugherty would also like to thank the family of the deceased for their patience shown during this long process.

## Tishomingo County School District Improved its Overall Results in Mississippi's Student Testing System

MAAP (Mississippi Academic Assessment Program) results were released to the public last week for grades 3 through 8 in English Language Arts and mathematics as well as Algebra I and English II results for high schools. Although these are preliminary results, the district knows it has bettered its results from a year ago. "We were very pleased with the results we have seen from this past year's test results. We improved overall in several areas, especially mathematics," stated Superintendent Christie Holly. Tishomingo County School District gained 14 points in proficiency in mathematics, which landed them in the top ten in the state in gains in mathematics. Also, Tishomingo County Schools were in the top five in the state in passing rate for the third grade "reading gate" assessment. Holly stated, "These results are a testament to our teachers', students', parents', and administrators' hard work as well as our school board's support over this past year. We have really focused on using our data to drive what we do in the classroom, and these results help validate that process. We want to continue to improve and make sure our students grow academically from year to year."

Mississippi's accountability model, which rates schools and districts from A to F, is driven by student growth in English Language Arts and mathematics. It also takes into account student proficiency in English Language Arts, mathematics, science, and U.S. history. Other factors for high schools include ACT scores, dual credit and AP

exam scores, and graduation rate. "The model is driven by growth. This has been a shift from years past where we really wanted to focus on proficiency," explained Holly. "Now we have to ensure we are growing all students, especially those in the low 25%, as well as pushing students toward proficiency." Proficiency is defined in Mississippi's system as scoring either a level 4 or level 5 on the MAAP assessment. Students may score from a 1 to a 5 on the MAAP test. "The model can be volatile from year to year. One year a school may score very well, but the next year it may falter, all depending on how well the students grow on the test. This makes tracking data very important as we go through the year," explained Holly.

Schools will not receive their assigned letter grade until September or October once all data is reviewed. Holly feels confident that Tishomingo County School District and its schools will rank well. "Tishomingo County strives to produce excellence. No matter if it is in the classroom, on the playing field, or in the community. Our goal is to produce graduates who are ready for careers and college. That begins with kindergarten," stated Holly. "State testing is a requirement for us in the education world. However, we want to make sure we are producing good citizens who are capable of success in our society above all. We know if we focus on excellence and teaching our students the required standards at that level, the test scores will take care of themselves."

## Billie Burke Thomas

She married her high school sweetheart and classmate James Edward "Ed" Thomas in 1942 and worked for the WPA while Ed served in the South Pacific during World War II. After the war she raised her family and worked as a regional executive director for the Girl Scouts of America and for the Mississippi Welfare Department until her retirement in 1981.

Billie Burke enjoyed a half century of directing high school junior and senior plays, talent contests, beauty reviews, weddings, and for over 40 years the Iuka United Methodist Church Choir, Christmas cantatas and pageants. She was also club reporter for the Iuka Twentieth Century Club when they won the national Build a Better Community Contest in 1950. In all her pursuits, she charmed us with

her talents, her enthusiasm and that infectious smile. When she told you that you could do it, you just knew you could do it.

She came to Iuka when she was less than three years old and truly loved it here and saw no reason to leave. At 101 years of age at 8:20 a.m., August 17, 2018, she left this earth from her home at the corner of Eastport and Pearl streets across from the Iuka Baptist Church.

Funeral services were held at 12:00 noon, Monday, August 20, 2018, at the Iuka United Methodist Church, officiated by Rev. Kerry Powell. Interment was in the Oak Grove Cemetery. Pallbearers were Roger Byrd, John Castleberry, Cliff Daniel, Tommy Drake, Robert Grisham and Douglas Nixon. Cutshall Funeral Home of Iuka, MS was

entrusted with arrangements.

Survivors include two sons, James Edward "Eddie" Thomas, Jr. and Franklin Whitehurst "Frank" Thomas, both of Iuka, MS. She was preceded in death by her husband of 59 years, James Edward Thomas, Sr.; her parents, George and Ella Carlton; ten brothers and sisters; her adoptive parents, Dr. and Mrs. A. F. Whitehurst; and two adoptive sisters.

In lieu of flowers, memorials may be made to the Iuka United Methodist Church Choir, 101 East Eastport Street, Iuka, MS 38852 or Iuka Heritage, Inc. (The Little Church), P.O. Box 165, Iuka, MS 38852. ## Pet Of The Week

Congratulations to Harlee Cruse! This pretty girl is our Pet of the Week at Iuka Animal Clinic. Her owner is Lisa Cruse and this is Harlee's story. My name is Harlee, I'm a Great DaNoodle. My dog mom is a harlequin Great Dane and my dog dad is a champagne Standard Poodle. I'm 5 years old and live with my human mom in Alabama just off of Rose Trail. My favorite things are sleep overs

with my best friends, Clawdy & Chimi, napping with my mom, boat rides and chasing squirrels. My favorite time of the day is the morning ~ that's when I get the best belly rubs. My grandma lives close by and she always has something special in the fridge for me. I have a really big challenge to win over some of my mom's friends who aren't dog lovers, can you imagine? Wish me luck!

Pets can have allergy issues much like humans but pets don't know when they develop allergies. Your cat or dog just knows that they are uncomfortable. And unfortunately, the common responses pets have to this discomfort -- excessive grooming, scratching, and licking -- do not alleviate symptoms, and can in fact cause skin infections and irritations. Pets may experience gastrointestinal distress, like vomiting and diarrhea. If pets have seasonal allergies, they may cough or sneeze due to congestion and develop watery, red eyes. If you feel your pet may be suffering from allergies call Iuka Animal Clinic for an appointment. Dr. Perkins can help manage these pesky allergies and keep your pet feeling healthy and happy.

## Insight to Eyesight

### Sports Vision

Vision, just like speed and agility is an important component to how well you can perform. All types of sports have different visual demands. Exercise and practice can help you increase your speed and strength, it can also improve your accuracy and visual components of the game. Vision is composed of a group of related skills that can have a direct effect on performance. Proper eyewear can ensure that the visual system is utilized to enhance play and not interfere it. Thousands of sports related eye injuries are sustained each year, most can be prevented with protective eyewear.

## NEMCC Cheer Squad Expands Roster to School Record Twenty Members

**BOONEVILLE, Miss.** - The Northeast Mississippi Community College cheerleading program has expanded to its largest roster size since transitioning back to an all-female organization in the fall of 2010.

A record 20 young ladies are part of Northeast's spirit squad for the 2018-19 academic year. They will make their official debut during the first home football game of the season on Thursday, September 6 against Copiah-Lincoln Community College.

"I'm excited about adding to our number of cheerleaders," said Northeast cheer coach Phasity Moore. "This addition is a direct result of the extremely talented athletes that showed up for our tryouts in the spring. I can't wait to see what all this group will accomplish."

Eight ladies return for their final campaign in a black-and-gold uniform, including Destiny Hampton and Maggie Knight from Hatley High School. Joining

them from neighboring Itawamba County is Victoria Simpson of Mantachie.

Ripley High School is the most represented institution this year. The trio of Kaitlin Brannan, C.J. Childers and Kyana Storey will all reunite once again on the Booneville campus.

The Tigers have four representatives that hail from outside the Magnolia State, including Brooklyn Jade Moore and Shelby Smith of Colbert Heights (Ala.) High School. Rounding out that list is another native of the Shoals in Baylee Marks plus Halls, Tenn., product Jessica Ross.

Former high school rivals turned teammates Mikenlee Stephens from Belmont and Iuka's Sarah Beth Wilburn complete the list of sophomores that were members of the team during the previous school year.

The remaining newcomers predominantly originate from Northeast's traditional five-county service area.

That includes New Albany's Carey Beth Doyle, Ainsley Renfrow of Kossuth High School and Tishomingo County High School alumnus Abbey Rickard.

Booneville High School graduates Mackenzie Garner and Caleigh Scroggins did not leave the City of Hospitality to find their new cheer organization. Jeni Kate Scott enters the ranks from nearby Baldwyn as well.

Saltillo High School's Madie Sudduth and Anna Madison Wood of Hernando conclude the Tigers' lineup for both the upcoming football and basketball campaigns.

From pep rallies on Thursday afternoons in the fall to the final whistle of the season inside newly renovated Bonner Arnold Coliseum, Northeast's cheerleaders are charged with providing positive support for the athletic department throughout the year.

The City of Iuka is now operating with projected total budget revenue of \$5,952,000.00. (4.5 percent) or \$270,000.00 of such revenue is obtained through ad valorem taxes. For next fiscal year, the proposed budget has total projected revenue of \$5,642,000.00. # ZELDA ROSE BOUTIQUE Wins "2018 Boutique of the Year" for Mississippi

Tishomingo, MS - After more than 300,000+ votes were cast, Zelda Rose Boutique of Tishomingo was recently named Mississippi 2018 Boutique of the Year AND Mississippi 2018 Storefront Boutique of the Year by shoppers! The Boutique Awards is the only global recognition event for independent boutique retail owners in the fashion industry, hosted by The Boutique Hub. The Awards recognize and celebrate the best boutiques across all 50 States in the US, Canada, Australia and the United Kingdom, in the categories of Storefront Boutique of the Year, Online Boutique of the Year, Children's Boutique of the Year, Mobile Boutique of the Year, and State or Country Overall Boutique of the Year. The awards celebrates retail at a unique time, when many are dubbing a current retail

apocalypse, however industry trends show a strong upswing in the boutique retail market. The Boutique Hub, the global voice and Hub of the Boutique Fashion Industry, cites one of the strongest boutique markets in history with new boutiques opening daily across the globe, and established boutiques posting some of the strongest sales to date. The Shop Small movement is certainly alive and well as big box retail dwindles.

Zelda Rose Boutique opened on January 25, 2018 by sisters Sherrie Castleberry and Ronelle Castleberry. Ronelle Castleberry carries casual, classic, conservative styles and has quickly become the community's "go to" retailer for every day wear, special event dresses and unique gifts. They carry sizes Small through 3XL, specializing in supporting the curvy woman as well as the teenager.

"We are humbled and honored to have been embraced by the Tishomingo County community and are committed to continue to service the needs of our customers," says Ronelle Ianace, co-owner of Zelda Rose. "We have taken a mobile fashion truck to an online business and now to a successful brick and mortar store in a short period of time and look forward to the future in this amazing small town." Sherrie Castleberry, co-owner adds "look for the Zelda Rose Boutique mobile boutique out and about at fall and holiday festivals and events in the area. We will bring our specialties directly to the community." For a full list of winners, visit <https://theboutiqueawards.com/results/2018>.

## Renowned Author, Alumnus John Grisham Returns to MSU for Fall Convocation Address

STARKVILLE, Miss.—A 1977 Mississippi State accounting graduate and one of the world's best-selling authors is returning to campus Tuesday [Aug. 28] to deliver the keynote address at his alma mater's Fall Convocation.

At 5:30 p.m. in Humphrey Coliseum, John Grisham will share words of wisdom with incoming freshmen and transfer students beginning their educational journeys at the state's leading university. Students should arrive by 5 p.m. to receive the Fall Convocation coin as a memento of the occasion.

"We're deeply honored that John will be returning to campus to speak with our new freshmen and transfer students during this very special time in their lives, and we look forward to welcoming him back," said MSU President Mark E. Keenum.

In addition to Grisham and Keenum, students will hear remarks from MSU Provost and Executive Vice President Judy Bonner, Student Asso-

ciation President Mayah Emerson and Vice President Jake Manning, Black Student Association President Marsei Hogan, and Holland Faculty Senate President Randy Follett.

The MSU State Singers and Famous Maroon Band will perform the National Anthem and the university's alma mater, "Maroon and White."

Following Grisham's presentation, a reception will take place in Humphrey Coliseum's Mize Pavilion.

Grisham's novel "Calico Joe" is this year's selection for Maroon Edition, MSU's 10th common reading program. Approximately 5,000 copies of the novel were given to this fall's incoming students. Grisham's "The Painted House" was the first-ever Maroon Edition selection when the program started in 2009.

A native of Jonesboro, Arkansas, Grisham attended law school at the University of Mississippi. He practiced law for nearly a decade in Southaven and later served for seven years in the Mississippi

House of Representatives. Since first publishing "A Time to Kill" in 1988, Grisham has written one novel a year — an international best-seller. There are currently more than 300 million Grisham books in print worldwide, which have been translated into 40 languages. Originally published Doubleday, nine of his novels have been turned into films — "The Firm," "The Pelican Brief," "The Client," "A Time to Kill," "The Rainmaker," "Chamber," "A Painted House," "The Rumor," "The Innocent Man," "The Gingerbread Man," "The Rooster Bar" — as an original screenplay. "The Innocent Man" was published in October 2006, marking Grisham's first foray into non-fiction, and "The Rooster Bar" was published in November 2009, was his first story collection. His most recent novel — "The Rooster Bar" — was published in October 2018. For more, visit [www.jgrisham.com](http://www.jgrisham.com).

# Shiloh Celebrates 102nd Birthday of the National Park Service with Free Outdoor Concert

SHILOH, TN – On Saturday evening, August 25, Shiloh National Military Park will present another free Concert-in-the-Park in commemoration of the National Park Service's 102nd anniversary. The show on the front lawn of the park's Visitor Center will celebrate the birth of the National Park Service in 1916.

Headlining the event will be Derek St. Holmes, the original lead singer for Ted Nugent.

St. Holmes sang on all of Nugent's most famous songs in the 1970s including Stranglehold, Cat Scratch Fever, Hey Baby, Just What the Doctor Ordered, and Snake-skin Cowboys to name a few. The albums he performed on remain rock-and-roll classics: "Ted Nugent," "Free for All," "Cat Scratch Fever," and the live album "Double Live Gonzo." These four albums have sold more than 10 million records in the United States alone.

St. Holmes also fronted the band Whitford/St. Holmes which also featured Brad Whitford of Aerosmith.

St. Holmes toured again with Nugent from 2011 to 2014 and appeared on his 2014 CD "Shutup and Jam!" Whitford/St.

Derek St. Holmes

Holmes reunited in 2015 for the CD release entitled "Reunion" and a tour opening for Whitesnake.

Also in 2014, Derek announced that Gibson would release a signature guitar in his name. The guitar is a white Gibson SG custom with an ebony fingerboard and three humbucker pickups and fitted with a vibrola.

"If you grew up listening to rock-and-roll in the late-1970s or listen to classic rock radio today, you know Derek St. Holmes' voice," said Superintendent Dale Wilkerson. "Shiloh is proud to be able to bring free entertainment to the park in celebration

of the National Park Service's birthday, and we invite all of our friends and neighbors to come hear some great musical performances."

The concert starts at 5:30 pm and is FREE. Opening the show will be Muscle Shoals area favorites, Kerry Gilbert Band, and the Savannah "school of rock" band, WIRED. Concert goers are invited to bring lawn chairs, blankets, and picnic baskets. Join Shiloh and celebrate the 102nd birthday of the National Park Service with rockin' blues on the battlefield.

# Chickasaw Heritage Festival at Shiloh

SHILOH, Tennessee – On Saturday, August 25, as part of the 102nd birthday celebration of the National Park Service, Shiloh National Military Park will host the Chickasaw Heritage Festival. The event will take place at the Shiloh Indian Mounds National Historic Landmark, located on Shiloh battlefield.

The one day festival will bring together traditional Native American music, demonstrations, storytelling, and scholarly talks. Tribe members from the Chickasaw Nation will return to their ancestral homeland for a day of cultural demonstrations that include stickball, the Chickasaw Nation dance troupe, archeology, and storytelling. National Park rangers will also be demonstrating pre-historic weapons of the Native Americans.

"The Shiloh Indian Mounds National Historic Landmark preserves the remnants of a Mississippian Era Indian village

that is culturally affiliated with the Chickasaw Nation," said Superintendent Dale Wilkerson. "We are very pleased to partner with our friends at the Chickasaw Nation and the Inka-na Foundation to present a variety of American Indian activities to our visitors."

Shiloh is one of the very few places in the eastern United States where remains of prehistoric houses are still visible on the ground's surface. About 800 years ago, a town occupied the high Tennessee River bluff at the eastern edge of the Shiloh plateau. Between two steep ravines, a wooden palisade enclosed seven earthen mounds and dozens of houses.

Throughout the day, programs on Chickasaw culture, language, and Shiloh archeology will be

provided by several scholarly authorities, including: John Cornelison, Archeologist for the National Park Service; Dr. David G. Anderson, Professor and Associate Head of Anthropology at the University of Tennessee at Knoxville; Joseph Smith, manager of the Chickasaw Homeland Affairs Area for the Division of Heritage Preservation; and Eric (Ric) Greenwood, manager of the Chikasha Academy and an expert in the Chickasaw language.

## NOTICE OF A PUBLIC HEARING ON THE PROPOSED BUDGET AND PROPOSED TAX LEVIES FOR THE UPCOMING FISCAL YEAR FOR THE TOWN OF BURNSVILLE

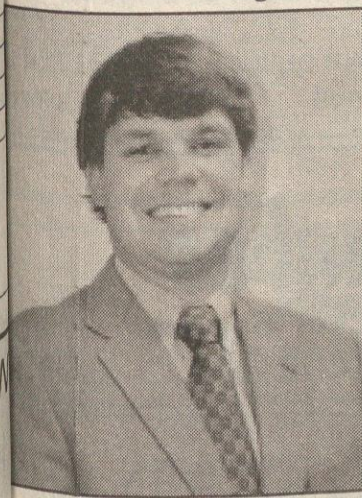

The Town of Burnsville will hold a public hearing on its proposed budget and proposed tax levies for fiscal year 2019 on September 4, 2018, 6 p.m. at Burnsville City Hall.

The Town of Burnsville is now operating with projected total budget revenue of \$749,500.00. 8.8 percent or \$66,000 of such revenue is obtained through ad valorem taxes. For next fiscal year, the proposed budget has total projected revenue of \$941,300. Of that amount, 7.4 percent or \$70,000 is proposed to be financed through a total ad valorem tax levy.

The decision to not increase the ad valorem tax millage rate for fiscal year 2019 above the current fiscal year's ad valorem tax millage rate means you will not pay more in ad valorem taxes on your home, automobile tag, utilities, business fixtures and equipment and rental real property, unless the assessed value of your property has increased for fiscal year 2019.

Any citizen of the Town of Burnsville is invited to attend this public hearing on the proposed budget and tax levies for fiscal year 2019 and will be allowed to speak for a reasonable amount of time and offer tangible evidence before any vote is taken.

# The New Heavens and The New Earth (part V)

We will be on this topic for some time, because it will take several articles to cover the last two chapters of Revelation, but even with that, we will only have scratched the surface concerning the truths we will learn in eternity concerning God's new creation! We are looking through a dark glass now, but in eternity we will know Him face to face (I Corinthians 13:12). Revelation 21:7 says, "He that overcometh shall inherit all things; and I will be his God, and he shall be My son." There has been much discussion through the centuries about what it means to be an overcomer. Some say that these are those who have reached perfection in this life, so that they never sin, but that cannot be true, for Ecclesiastes 7:20 says, "For there is not a just man upon earth, that doeth good, and sinneth not." The only man Who has

ever lived on earth without sinning is Jesus Christ; the rest of us have sinned, and still sometimes sin. The problem is that some people use a different system for calculating what is sin! Other people say that the overcomer is the one who dies without any sin in his life, but that cannot be true either, for how could one ever be sure that he would die is such a state. Still other suppose that the overcomer is the "victorious Christian", who is able to overcome all obstacles that confront him, but again that would require a sinless life, which none of us has. The best way to understand what our word "overcomer" means is to find what the Bible says about it, and we have that in I John 5:4-5: "For whosoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith. Who is he that overco-

meth the world, but he that believeth that Jesus is the Son of God?"

The overcomer is therefore the saved person. He is not an overcomer because he has done so many good things on his own strength, but he is an overcomer because he has placed his faith in Jesus Christ, Who is the overcomer. It would be good if more people who seem to love to argue theology would read the Bible more carefully, for it will clear up all kinds of problems in understanding when received at face value! Revelation chapters 2 and 3 show the benefits that overcomers have, but these are simply speaking about the benefits of the saved. So, the overcomers and the saved are the same persons! Yes, there is need for "sanctified human efforts" in doing the work of God, but none of these secure for us a place in heaven, or else salvation would be

by works, and Ephesians 2:8-10 clearly shows that this is not the case. So, we should work for God; we are saved to work for God (Ephesians 2:10) and His work is vitally important, yet this is not what saves us, for we are saved by faith in Christ. Someone has said that we are saved by faith alone, but faith is never alone, for it will produce some good works.

What does Revelation 21:7 mean when it says the one who overcomes will inherit all things? It means that we are heirs of God, and God owns it all, thus all that He has will also be ours through Christ. Romans 8:16-17 will clear this up for us: "The Spirit itself beareth witness with our spirit, that we are the children of God: And if children, then heirs; heirs of God, and joint heirs with Christ; if so be that we suffer with Him, that we may be also glorified together."

Hebrews 1:2 says, "Hath in these last days spoken unto us by His Son, Whom He hath appointed heir of all things, by Whom also He made the worlds." Are you getting the picture? God the Father has made God the Son heir of all things; he has made us joint heirs with Christ, so we have a share in everything God has! If this ever

leaks through to the beaten, melancholy believer, he will get up out of his state of sadness and begin to praise God for the share of the inheritance that he now possesses!

## Remerbering Billie Burke

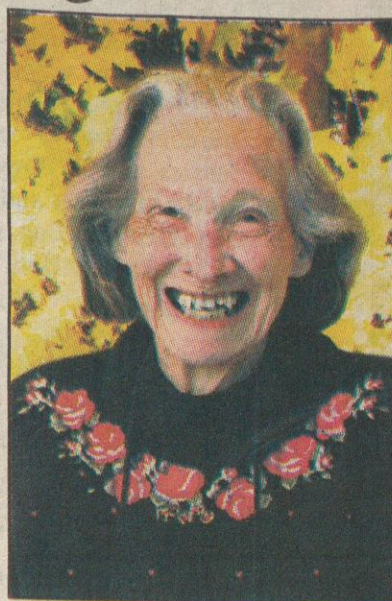

by Charlotte Biggs  
McVay

She touched so many, in so many ways. She was Iuka's one-name claim to fame. "Billie Burke", the lady who once performed in the Grand Ole Opry with her school mates from Peabody College in Nashville, then came home and used her talents to organize and direct all the great plays put on at Iuka High School. Her smile and encouragement brought out talent in those who never dreamed they could sing, dance, or perform in the old Howard Auditorium.

Billie Burke Whitehurst Thomas died this week at 101 years-old. Today at her funeral in the Iuka Methodist Church, I found myself thinking about all the times I experienced the Billie Burke charm. As a child, I was reminded of "Minnie Pearl" when I saw her. There was just something special about her, she was a star in my sight. She was brilliant, talented southern lady who spread both laughter and compassion everywhere she went.

My earliest memory of Billie Burke was at the old football field behind where the TCEPA building is now. Everyone went to the games back then, and everyone ate the famous pronto pup she made from scratch and cooked in hot oil. I asked her one time about the recipe, which was so light and fluffy (not frozen) and she said she ate her first pronto pup at the Memphis Fair and asked the man serving the hotdog-on-a-stick for the recipe and he shared with her. But for those of us in Iuka, it was Billie Burke's pronto pup and no one could make them any better.

As a band mom, she always supported the band and school in every way. I remember the annual Halloween Carnivals the band put on in the old gym (now gone). I still see Billie Burke being the gypsy palm reader. She was a charming gypsy with an ever-the-shoulder top, large full skirt, large ear-

rings and jewelry hanging from her neck that made a little girl's eyes wide with imagination. She always played her parts to perfection.

Then there were all the high school plays. She wasn't a teacher, by profession, but she assisted the school in every way possible. She was always available to help in fundraisers. I especially remember the fundraiser when student Mimi Gaines had her terrible train/car accident. Everyone in town showed up for the fundraiser in Howard Auditorium and the entertainment was wonderful. I recall Billie Burke's sons, Frank and Eddie, performing "Me and My Shadow", a tap routine with Eddie in front and Frank behind the curtain as the shadow. I never forgot that performance and how unique it was. They also brought a phone on stage and called Mimi at her hospital room in Memphis, what a night to remember - Billie Burke worked her magic.

A friend today told me that her mother was chosen as a queen to be in the Halloween Carnival many years back. Ms Billie Burke found out that she did not have an appropriate dress to wear so she went and bought the young girl a beautiful dress. This was the Christian person she was. Her Christian up-bringing was apparent as she helped so many during her years working at the Tishomingo County Welfare Department. Knowing that she had been adopted as

a child by a loving, caring family, she bestowed love and charity to all the children with whom she came in contact.

These things don't sound like much to the kids today, but to kids in the 1950's, when TV was black and white with three channels, these wonderful performances at the old auditorium, the ballgames, the carnivals, and the class plays were our way of getting out of the house for a good, clean family outing.

Even in the 1960's when I was a Girl Scout, Billie Burke was always there to help. As the regional executive director for the Girl Scouts, she organized the local camps at Coleman Park and Tishomingo Park and with the help of her sons; the camps were no ordinary weekends. At Tishomingo Park, Frank and Eddie dressed as Indians and made fire come from the sky to light the campfire! Again a little girl's eyes were wide with amazement. It was unbelievable what the Thomas family could come up with to bring excitement into the world of children.

For over 40 years our church was blessed to have Billie Burke as Choir Director. She directed all the Christmas plays and cantatas at our church and even gave little-ole me the part of an angel one year. Sybil Reynolds, Jane Jourdan and I looked over the manger where baby Jesus lay. Of course Sybil sang, as she did so well, and Jane and I just looked pretty and behaved as we were directed to do by Billie Burke. She said, "Look at the baby and smile." Frank, Eddie and Douglas were the three wise men and sang "We Three Kings. All the children in the church had a part - this was a yearly tradition in our church that continues today.

She was also the town's wedding director. She directed my wedding in 1971 and in her 80's I asked her to direct my daughter's wedding. She

was so honored, but had to decline. I told her that my daughter wanted her bridesmaids to wear black and I thought she was going to faint. "No way," she said. "Bridesmaids don't wear black in a wedding!" I loved her answer and I agreed with her, the girls wore purple!

I could go on and on, these wonderful memories keep jumping into my thoughts, but I must stop somewhere. I was born in 1952, the same year as Frank, so anything before that year I can only read about in the old Videttes. But Billie Burke was in the middle of every good thing happening in this town and in 2006 she was named Grand Marshal of the Christmas Parade, an honor she was so proud to receive.

A few years back some of us girls from the paper went around to the old home place where she and her husband Ed had recently moved from their house. We enjoyed her tour and all her stories, but we forgot about Ed - he said "Don't you girls want to see my shop and cars?" And yes we did. We can't ever forget Ed Thomas, Billie Burke's high school sweetheart, the man who was always right beside Billie Burke helping in all her projects.

I will never forget this shining star, Ms. Billie Burke, who made a little country girl's eyes wide with excitement so long ago. My mind is filled with wonderful memories of a special childhood, that wouldn't have been quite as special without this lady.

Thanks for the memories!

Lessie Mansell and Billie Burke serve up those famous pronto pups!

She helped make my wedding to high school sweetheart, Jimmy McVay, a magical event.

Bulldog Bites

Hi, Bulldog fans! Last week was very exciting for the Bulldog Nation. TMS kicked off their season with two impressive wins at the football jamboree. Congratulations to our Bulldogs and Coach Andy Strickland. On Saturday, a fundraiser for TES student Kaylie Sauls who is fighting cancer at St. Jude Children's Research Hospital was held at school. One of the highlights of the day was getting a chance to dunk Mr. Edmondson, Mr. B.J. Nunley, and Coach Strickland in the dunking booth! A big, bulldog shoutout to Ms. Stacie Locker and all the other volunteers for all their efforts to support Kaylie and her family. Also, all the students and faculty at Tishomingo send their love and prayers to Kaylie. Stay Bulldog strong, Kaylie! This week, we have a home game against Alcorn Central. Students will get in the game groove with Luau Day, and we expect to see some crazy Hawaiian shirts and colorful leis. Beat those Bears, Bulldogs! Until next time, Go Dogs!

JACKSON – The Mississippi Commission on Wildlife, Fisheries, and Parks, adopted regulations for the revised Chronic Wasting Disease (CWD) Management Zone for the 2018-2019 hunting season during the August 16, 2018 meeting held at J.P. Coleman State Park. Regulations were approved after the thirty day comment period and take effect immediately. The supplemental feeding ban and permitted hog trapping are lifted in Hinds, Claiborne, and Yazoo counties. Within the revised zone, supplemental feeding is banned and hog trapping must be permitted through Mississippi Department of Wildlife, Fisheries, and Parks. ### She's a Fine Lady

Yes, she has a lot of years on her, but she's just as pretty to me as the day I first saw her. She has stood the test of time well and the battle scars of life's events have only contributed positively to her rich and glowing character. She has taken good care of our family and was always there when needed. She has seen our children grow from babies to adults and has hailed the arrival of our grandsons. Though, like all of us, she has endured illnesses and physical failures, I have always given her the best loving care and nurtured her to fitness when needed. She has been a part of my life for a long time and I have cherished every year of her existence.

She, of course, is my 1971 Ford LTD Brougham, although I could say the same things about my lovely wife. This is the car that Kathy and I recently donated to the Tishomingo County Historical and Genealogical Society's (TCHGS) Old Courthouse Museum. She won the prize in an on-going raffle that will culminate in a new owner being selected September 14th.

This car has been in our family since 1973 and reasonably driven, garage-kept, and/or stored since then. As a matter of fact, we brought our first-born home to the hospital in this car. Prior to donating this vintage automobile, I went through all aspects of its mechanical condition and rebuilt or replaced every part that would affect dependability or drivability. Our original intent was to give the car to our oldest grandson, so safety and dependability was essential. Unfortunately, our father bought him a new Ford and this one came back to us. This car rides, drives and runs great and it has good cold air conditioning. Although it shows 180k miles, the original engine transmission and suspension were rebuilt about 45k miles ago and are strong with many miles left in them.

I hope everyone who reads this article will buy raffle tickets, which is a charitable deductible contribution to the Museum. Tickets are on sale now for \$25 or five for \$100. There are only 250 tickets in total, so chances of winning are pretty good. All TCHGS Board members can buy tickets and you can always go by the Old Courthouse and get them.

If you win and you don't want a vintage car, give us a check, take the charitable deduction for the value of the car and I am sure the Museum would be obliged to give it again for charitable contributions. All proceeds from the raffle will go to the Old Courthouse Museum to fund handicapped access to the second floor of the building.

Program Chairman Marilyn Marks (L) presented the Star Quilter ribbon to Nelda Soper.

## Star Quilter Designation Awarded

Nelda Soper was awarded a Star Quilter ribbon at the August meeting of the Tishomingo Co. Needle Chasers Quilt Guild. Nelda's quilting journey began while sitting on her mother's lap at age 6. By age eight she was sewing unattended on a machine while standing up. As her children were born she made baby quilts and in the 1980s learned about rotary cutting fabric instead of using templates and she has been hooked on making quilts every since. Nelda says attending retreats, classes and quilt shows inspire her as do the quilt guild members' work.

If you attend the Harvest of Quilts Show on on September 14 (9:30 am to 5:30 pm) and on September 15 (9:00 am to 2:00 p.m.) at the Iuka Baptist Church on Eastport Street you will see her entries and many, many more quilts made by other talented quilters who live in this geographic area. The judge this year, Patti Sandage, will present a trunk show of her award-winning quilts each day at noon in the church sanctuary. Admission to the show is \$5.

## New Minister at Mt. Joy Baptist Church

My name is Donovan Cain. I was born and raised here in Iuka. I am the youngest child of Donnie and Gail Cain. I have sisters, Carrie Johnson and Amanda Richardson. My wife is Jennifer Cain and we have been married for eleven years. We have one son Brody who is three years old and a daughter on the way in January. I surrendered to the ministry while I was a member at Harmony Hill Baptist Church in Burnsville. I served as brotherhood director, put together mission work for the community, and worked with the youth. We then started attending New Salem Baptist, where I was blessed to be ordained there by one of my mentors, Bro Ron Norvell. I was called to pastor my first church at Eastport Baptist where I served for about five years. My wife and I are honored to have been called to serve at Mt Joy Baptist. We hope to serve the Lord and his people at Mt Joy for many years to come.
