How to Handle Unwanted Telemarketing Calls

Telemarketing phone calls and spoof phone calls are a major issue for the residents of Tishomingo County. It is a difficult problem to resolve due to the ever-changing tactics used by the companies and individuals responsible for the calls. To report these types of phone calls contact the Mississippi Public Service Commission at the toll free number: 1-86NOCALLMS (1-866-622-5567).

One option to combat these daily interruptions is to place your number on the "No Call" list with the Public Service Commission of Mississippi. This will not eliminate the calls, especially ones that are from illegitimate sources but it may lessen the unwanted solicitation that happens frequently.

After a waiting period your number is added to the list, unapproved businesses are not allowed to contact you. After being put on the list you are within your rights to file a claim with the public service commission if the calls continue. You may have your number placed on the "No Call" list if you are 18 years of age or older, the owner of the

lines being placed on the list, and the phone number in question is not classified as a business line. To place your number on the list online visit <http://www.psc.state.ms.us>.

The Federal Trade Commission is working on this matter also; they are another helpful resource in dealing with this problem. If you are receiving a call from an unknown phone number, please take the following steps: (1) It is best not to answer the phone. (2) If that is not an option, hang up immediately upon determining that it is an unsolicited prerecorded telemarketing phone call. (3) Never press a button if prompted by a recording. Any type of participation with the call may increase the number of calls you receive in the future. Robocalls as they are referred to, which are frequently reported to the PSC include but are not limited to: (1) Credit card services (2) Home Security (3) Medical devices targeting Senior Citizens (4) Diabetic Supplies. You can seek more information on this topic on the Federal Trade Commission website.

Civil War Collection donated by the family of Charles Sweeney: sons, Rush and Brad Sweeney, granddaughter, Sarah Claire, and wife, Barbara.

Sweeney Collection On Display at Museum

The board and staff of Tishomingo County Historical & Genealogical Society are thrilled to show off one of their recent exhibits, the Charles Sweeney Collection. This 90-piece Civil War collection was generously donated to the museum by Barbara (Rushing), Brad, and Rush Sweeney in memory of Iuka's very own Charles Sweeney, who passed away in April of 2018.

The impressive collection that once sat in the Iuka Public Library arrived at the Old Courthouse Museum in late July. After three days of documenting every item and arranging the display, the collection is ready to be enjoyed by all who pay a visit to the museum. One particular piece of information the staff enjoys sharing with

visitors is that every piece in Mr. Sweeney's collection was found in Iuka.

Mr. Sweeney's passion for relics began when he uncovered his first US belt buckle and eagle button in 1970. Those who knew Mr. Sweeney knew his passion for unearthing and collecting treasures that were linked to The War Between The States. TCHGS is forever grateful to the Sweeney family for this incredible collection.

The museum staff looks forward to utilizing Mr. Sweeney's collection as a way of bringing the Battle of Iuka to life. The Charles Sweeney Collection is available for viewing at the Old Courthouse Museum Tuesday through Friday from 10 AM to 4 PM.

Pet of the Week

Congratulations to Sampson Bridges! This handsome guy is our Pet of the Week at Iuka Animal Clinic. His owners are Robbie & Janice Bridges. Sampson is a 1 year old English Bulldog. He is his family's pride and joy. Sampson's favorite thing to do is fight with his dog brothers Leviticus & Malachi. He enjoys car rides, chewing on sprite bottles and getting lots of love.

We love our pets and strive to keep them healthy but sometimes they get sick. Like human health problems, some dog diseases, injuries and physical ailments are serious while others are not. Fortunately, the vast majority of health problems that dogs commonly experience can be successfully treated with medications, physical therapy, surgery,

or other types of medical treatments. Unfortunately since animals can't talk it's often very difficult to detect what type of problems dogs may be experiencing. It is very important to keep a close eye on your dog's behavior, eating habits. These small clues that can answer questions about how your dog is feeling. If you are concerned your pet is not feeling well, Iuka Animal Clinic at 423-3470. Dr. Jim Peterson and his staff would love to take care of your pet.

Hardin County Kicks-off Bicentennial Celebration

On November 13, 1819, by act of the Tennessee State Legislature, county boundaries extending north and south from Wayne County to the Mississippi River, and later cutting out Shelby County, formed the county of Hardin.

In 2019, Hardin County is celebrating the 200th anniversary of its founding. The Hardin County Bicentennial Committee through the Hardin County Convention and Visitors Bureau is coordinating a year-long community celebration to mark this significant milestone.

"We look forward to a celebration that will allow our residents to become better educated about the county's rich history; that will better acquaint them with the diversity of our people and the services we provide in the present; and that will give us a time to look forward as to how we can best progress into the future for the benefit of all our people." Hardin County Mayor Kevin Davis

"Programs will entertain, educate, introduce residents to the workings of the county about which they might not know, and will involve using our history up to the present and to leave information about the county to the future. There will be a focus on what people appreciate about the county, how they live, and work here, what places are of particular importance, and people of today and the past we might celebrate." Beth Pippin, Hardin County Tourism Director

The Bicentennial Committee is made up of the CVB Board members, working with the Historical Society, and Mayor Davis and the County Commission to showcase the fact the community has worked together long and hard to make our county grow and become success-

ful. According to Director Pippin, there will be several "signature events" in 2019, including several concerts throughout the county, a Hardin County Scavenger Hunt, monthly history programs and tours. The bicentennial celebration will also focus on existing local events, such as annual fireworks shows and parades.

To get the celebration rolling, Mayor Davis will be hosting a Kickoff Reception on Tuesday, January 22, 2019, inside Hardin County Courthouse from 5:00pm-6:30pm, prior to the monthly county commission meeting. Everyone is invited to attend and enjoy refreshments. For more information, check out the Tour Hardin County website, social media pages, or call 731-925-8181

Continue to Look at Revelation 22:18-19

We will continue to look at Revelation 22:18-19: "For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book. And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things that are written in this book." I believe that God has given in our sixty-six books what He inspired men to write. John was putting up a guard against those who would seek to destroy the message of the Bible by additional writings or writing that take away from what has been written. For example, I have many books in my library that claim to be a part of "the lost books of the Bible" (which is a title of one of these

Pastor's Tidbits

by J. Briggs King,
Evangelist,
Rainsville, Alabama
(678) 451-0921

books). Some people have said, "Maybe we have lost a part of the inspired word of God, so these books have 'found it for us'." I have read long sections of some of these books, and believe me, they are not inspired, for they certainly differ from the Bible we have accepted since the days of John's writing. Psychic writers have brought all kinds of garbage to the minds of modern day readers, even claiming that Jesus Christ was married to Mary Magdalene. I have read some of this material and I am here to say that Satan is behind it. These writers cannot be telling the truth, if the Bible is telling the truth, for they certain-

ly disagree with Scripture. John is seeking to guard against such writings in the warnings that we see in our verses, for it is true that some of the writing that disagree with Scripture were certainly around in John's day. The same "books" were not around, but the same teaching was!

Now we must consider the judgment that John pronounces on those who would seek to destroy the message of God by adding "uninspired information", or by leaving out part of the message of the "inspired writings". First we see the plagues of the Book of Revelation that will be added to those who add to the message of

God that John wrote. (Although the plagues are not mentioned in Deuteronomy 4:2 and 12:32, there is a warning there against adding to or taking from any of God's Word.) John specifically says that God would add the plagues mentioned in Revelation to those who added to his message. This does not have to mean that the people who add to John's message have to live in the days when the plagues of Revelation start coming, rather that the same kind of judgment will come on any who add to the message that God inspired John to write. Those who take away from the message of John will have their parts taken out of the book of life. We need to notice that this "book of life" is not called "the Lamb's book of life" here, thus it seems to refer to the "book of the living", or those alive on earth. The judgment

would be death, so that this "part" (life) is denied such people. His "part" is also taken out of the holy city, which means that such people do not know God, have never known God, and will have no part in the New Jerusalem, which they could have had, if they had believed God and His Word. The blessing written in Revelation will never be offered to those who take from the Word of God, for these are not the people of God, thus they will have no place with the people of God in the eternal city. There is no reference in the Bible that says anyone's name will ever be taken out of the Lamb's book of life. Revelation 13:8 says, "And all that dwell upon the earth shall worship him (the beast, or anti-christ), whose names are not written in the book of life of the Lamb slain from the foundation of the world." Then Revelation 21:27 says,

"And there shall no wise enter into it (Jerusalem) any that defileth, nor whatsoever worketh a lie; but which are written the Lamb's book of life." Revelation 13:8 says, "...and that dwell on the earth shall wonder, whose names were not written in the book of life, or the Lamb's book of life, written there be the foundation of the world, even though men must still repent and believe to be saved, yet God knows who these were before the creation of the world! No names need to be written in the Lamb's book of life, and names are dropped from that book."

Harmony Methodist Church 15th Annual Ladies Retreat

The ladies of Harmony United Methodist Church in Iuka, MS invite you to our 15th Annual Ladies Retreat. This year's retreat will be held on Friday, January 25, 2019 with the theme of "Christ the Solid Rock". Psalm 62:6 "He only is my rock and my salvation: He is my defense; I shall not be moved."

We will begin Friday evening at 6:00 pm with a meal; followed by our featured speaker, Rita Sweatt of Amory, MS (ritasweatt.com). Have you ever felt all alone and manipulated by people? Perhaps you understand how it feels to be shamed by others and isolated. It is in those struggles that we discover God alone is our Rock and our defense. Come and hear the story of Hagar, an Egyptian servant who experienced personal visits from God in her moments of despair. He would reveal Himself as her Rock and her Salvation.

We are blessed to have our fabulous worship leaders Amy Reaves, Cathy Daniel, and Terry Shea back again this year. Throughout the evening we will be giving away door prizes, enjoying special music, and having a wonderful time of fellowship with our friends in Christ.

Please note that there is no charge for the retreat and that childcare will not be provided. We look forward to seeing each of you this year at our fifteenth annual ladies retreat.

The Vidette, February 08, 1940, Obituary:

The last Confederate veteran in Tishomingo County, John Fusson Grimes, died at the home of his son, George Grimes, near Holcut, Miss. early Saturday morning. He was 93 years, 5 months, and 21 days old and had lived in Tishomingo County ever since he was six years old, moving here with his parents from Fayette, Mississippi, in 1852 and settling within five miles of where he died. As a boy of about ten, he had attended the big celebration held at the new town of Iuka when the golden spike marking the completion of the Memphis & Charleston Railroad, was driven. Fifty years later he saw the completion of the Birmingham division of the Illinois Central and from his home high on a hill he could see the trains run over the land which his father had settled in the long ago. In those nearly 100 years of existence he had seen the primitive log school houses with the split log benches and clay floors, where the blueblack speller was the chief book used, give way to the brick consolidated school, one of which he could see from his home. He had seen the slow moving ox wagon give way to the swift moving automobiles and airplanes. Too young to enlist at the beginning of the Civil War, he saw service the last two years with Roddy under Forrest and was in several important battles. Funeral services were conducted at Cross Roads cemetery Sunday afternoon. Besides the son with whom he made his home, he left one daughter, Mrs. T. F. Hall of Huntsville, Ala., fifteen grandchildren and seventeen great grandchildren.

The Vidette February 15, 1940: We were grieved to hear of Uncle John Grimes' death. We know how to sympathize with his relatives that he left behind. Sources: The Vidette, Death Record, Cemetery Record, 1880 Tishomingo County Census Record, Cutshall Funeral Home Record.

The 1860 Census of Tishomingo county Mississippi listed five children in the household.

Mississippi Department of Archives and History records record that he enlisted July 7, 1863 and was discharged May 4, 1865. He served in Co. D, 7th Alabama Calvary, and his rank was private.

Crafty Crafters Met at Iuka Library For Christmas Social

The Crafty Crafters met December 12th at the Iuka Public Library for their regular weekly class and their first "Christmas Social". Everyone brought pot luck and we had a great assortment of traditional Christmas foods. We had drawn names, so before we ate we exchanged gifts. We enjoyed our meal and especially the fellowship. Everyone agreed that it

was just like a regular family Christmas meal. We were glad that that Ms. Gwen and Kristen got to eat with us.

We have 9 that attend most of the meetings. We haven't had a regular teacher, we just teach each other. We have several that are really good at crocheting and one that is good at knitting. We really enjoy getting together, not only to crochet and knit, but

we also solve the problems of the world. Ha! Ha! We meet every Wednesday from 10 until 12 at the Iuka Public Library.
