Democrat & Republican Primary Run-off Elections Tuesday

Circuit Clerk's Office to be open for Absentee Voting on Tuesday, August 24, for the Primary Run-Off Election

The Democratic Party will have a run-off election for the Circuit Clerk's Office. The Republican Party will have a run-off election for the Office of Governor, Attorney General, Transportation Commissioner, Southern District, and the Circuit Clerk's Office.

Please go to the polls on August 27 and vote in the Primary Run-Off Election. These elections are just as important as the first primary elections. The candidates on the run-off ballots need your support. By casting a ballot, you are letting your voice be heard. PLEASE VOTE!

The Circuit Clerk's office will be open on Saturday, August 24, 2019 (8 a.m. to 12 noon) for absentee voting. I would like to remind all voters who vote by absentee in the clerk's office that you will be required to show a photo ID. Also, all voters who go to the voting precincts on Election Day will be required to show a photo ID.

Because this is a Primary Run-Off Election, those who voted in the August 6 Primary Election will be required to vote in the same party as you did in the first primary. This means if you voted Democrat in the August 6, 2019 Election, you will have to vote Democrat in the Run-off Election, and if you voted Republican in the August 6, 2019 Election, you will have to

vote Republican in the Run-off Election. Mississippi Law does not allow any crossover voting in Primary Elections. Anyone that did not vote in the August 6 Primary may vote in either party of their choice.

Any registered voter is eligible to vote by absentee in the clerk's office Saturday, August 24, will be the last day to vote an absentee ballot in the clerk's office for the August 27, 2019 Primary Run-Off Election.

All mailed absentee ballots must be received by 5:00 p.m. on Monday, August 26, 2019, in order to be eligible to be counted for the August 27, 2019 Primary Run-Off Election.

Walker Wins State Powerlifting Championship Two Years in a Row

Mattie Walker recently won 1st place in the MSHAA State Powerlifting Championships in Jackson, MS. Mattie is a 2X State Champ in Senior and Junior year setting both personal records and state records in her class. Coach Zach Glover and Billy Nunley stated that "Mattie had lots of confidence and it was easy to coach a winner like her." With powerlifting being a very technical sport, Coach Glover and Coach Nunley worked with Mattie to bring out her work ethic and attention to detail that allowed her to win at the highest level. Mattie has recently began classes at the University of Southern Mississippi receiving the Presidential Scholarship and an ROT scholarship. She plans to major in Exercise Science and become a Chiropractor.

Pet of the Week

Congratulations to Minnie Robertson. This beautiful girl is our Pet of the Week at Iuka Animal Clinic. Minnie is a 7 year old long hair Chihuahua mix. Her owners are Joel and Tonia Robertson. Minnie was adopted two years ago from Iuka Animal Clinic and has adjusted very nicely to the busy Robertson life. Minnie is a very loving, friendly family member who enjoys the outdoors, long walks, playing fetch, riding in the car, chasing birds, and alerting the household when someone comes to the door. She also loves spending time with her sister Andee Jane, her brother Isaiah, and her canine cousin Daisy.

brushing will work out any mats that may have developed in your dog's coat. Mats are troublesome in the summer, as they trap moisture from the humidity and irritate your dog's skin. Regular brushing also removes dead hairs and helps circulation on the outer layer of skin. Dogs can't sweat the way people do, so their body heat needs external help to get out. Especially for dogs with longer or thicker hair, you might want to consider a summer haircut to keep them cooler and their fur more manageable. Iuka Animal Clinic has a wonderful professional groomer. She will have your dog looking and feeling their best. Just call the office for an appointment at 423-3470. Dr. Jim Perkins is also here if your pet needs any medical care. We know your pet is an important part of your family and strive to give them the very best in care.

Summer is getting hotter and hotter. It is important to keep your dog groomed regularly to keep them comfortable. There are lots of obvious benefits associated with brushing your dog regularly, from reduced shedding to a cleaner coat. But you may not know that it's a great way to keep a dog cool while also giving you the chance to spot any irregularities on his skin such as infections, allergies or fleas and ticks. Regular

Star Quilter

Another Iuka Needle Chasers Guild member earned Star Quilter ribbon on Monday! A member may have earned the ribbon by presenting a program showing the quilt's journey from novice quilter to a skilled quilter. Very often such a quilter has learned the art at the feet of her mother and grandmothers, but our member Polly Burken found quilting after retirement and never looked back. She presented her impressive collection of quilts, many award winners, to the guild on Monday. It was a great program! We look forward to additional members presenting their quilts over the coming year!

"NOTICE OF A PUBLIC HEARING ON THE PROPOSED BUDGET AND PROPOSED TAX LEVIES FOR THE UPCOMING FISCAL YEAR FOR — TISHOMINGO COUNTY"

The Tishomingo County Board of Supervisors will hold a public hearing on its proposed budget and proposed tax levies for fiscal year 2020 on Tuesday September 3rd 2019 at 9:00 AM at the Tishomingo County Board of Supervisors Office.

The Tishomingo County Board of Supervisors is now operating with projected total revenue of \$14,174,785 and \$ 6,204,418 (44 percent) of such revenue is obtained through ad valorem taxes. For next fiscal year, the proposed budget has total projected revenue of \$14,646,035. Of that amount \$6,258,442 (43 percent) is proposed to be financed through a total ad valorem tax levy.

The decision to not increase the ad valorem tax millage rate for fiscal year 2020 above the current fiscal year's ad valorem tax millage rate means you will not pay more in ad valorem taxes on your home, automobile tag, utilities, business fixtures, and equipment and rental real property, unless the assessed value of your property has increased for fiscal year 2020.

Any citizen of Tishomingo County is invited to attend this public hearing on the proposed budget and tax levies for fiscal year 2020 and will be allowed to speak for a reasonable amount of time and offer tangible evidence before any vote is taken."

OPINION: Mississippi Cares Is NOT Obamacare. It's PenceCare.

(MADISON, MS – August 16, 2019) Vice President Pence, when he was Governor of Indiana, enacted a conservative brand of Medicaid reform for his state. The Mississippi Hospital Association, at the request of Governor Bryant last fall, worked to create a similar proposal – Mississippi Cares – for working Mississippians who need healthcare coverage.

Mississippi Cares is not Obamacare. It's PenceCare. Our proposal is true to conservative principles by offering a helping hand to low-income adults who are already helping themselves. It will also reduce the amount of services for which healthcare providers receive no payment.

Unlike Obamacare, Mississippi Cares requires members to pay premiums and co-payments. Like Obamacare, it also requires plan members either work or satisfy community engagement requirements such as education or job training. Like Obamacare, plan members will have skin in the game and will be taking personal responsibility for their healthcare costs. Like Obamacare, un-

der this proposal, hospital investments and member payments fund the premiums for health plan coverage with *no state funding required*.

Who would qualify? Under current federal standards, single adults making just under \$17,000 or adults in a family of four making just under \$35,000 would qualify for coverage. Two-thirds of those individuals are already working – they or their employer just can't afford health insurance.

Two-thirds of those who work in small businesses with less than 50 employees do not have health insurance. Mississippi has wonderful small businesses. They are the backbone of our small towns. Unfortunately, many of these small businesses are unable to provide health insurance to their employees. People who are doing everything they can do to get ahead, shouldn't put off getting the health care they need

simply because they don't have health insurance and access to preventive care.

Our hospitals are reaching a critical point. Mississippi hospitals provided over \$600 million in uncompensated care last year. Since 2011, five Mississippi hospitals have closed and at least six others have filed bankruptcy. According to recent reports by the State Auditor and a national health care advisor, Navigant, dozens of other Mississippi hospitals are at financial risk of closing. When hospitals close, the communities around them begin a slow but sure decline. It's impossible to name a thriving town that doesn't have a hospital located nearby. Without reform, more of our hospitals will close and eventually doctors will leave those small towns too.

Vice President Pence in Indiana used a combination of plan member contributions and hospital taxes to pay for their state costs without any tax increase for Indiana taxpayers and that's how we can do it in Mississippi. And these taxes, when combined with the premiums paid by plan members, will cover the entire state cost of the program and allow for Mississippi to draw down 90% matching funds from the federal government – just like we do for emergency declarations, farm subsidies and countless other federal programs.

This 90% match will never decrease under current law. Anyone who says that this proposal will raise taxes on Mississippians or cost the state of Mississippi more money has either not taken the time to read the proposal

or is being intentionally misleading. Unlike Obamacare, Mississippi Cares will result in over \$100 million in net revenue coming into the state general fund. That's more than the state lottery and, unlike the lottery, our program will create tens of thousands of new jobs and hundreds of millions of dollars in personal income.

This proposal will provide better health for hundreds of thousands of working Mississippians who can't afford health insurance, help our small businesses, and add over \$100 million in new revenue to the state's bottom line – revenue that can go towards teacher pay raises and improving roads and bridges.

If Mike Pence – the man President Trump trusts the most to lead our country in his place – created this program to support a healthier Indiana, then we can use his same conservative principles to build a healthier Mississippi.

The numbers add up. Check them for yourself at MississippiCares.com.

WHAT THE FAMILY OF LULA McNUTT DID DURING WORLD WAR II (Article 7)

Jerrell L. McNutt

Introduction. Our family of seven boys and three girls were born and raised in Tishomingo County, Mississippi. I am Jerrell the youngest child and the only surviving member of our family. I will be writing an article about each one of us.

Sherben Lee McNutt was born in 1921 at Dennis, Miss. He was the seventh child born in our family. Early in 1942 he was drafted and assigned to the U.S. Air Force. He was assigned to a cook and baker school. He specialized in Baking. After finishing this training he was shipped to an outfit in Texas. This Air Force unit was sent to the South Pacific.

We did not know where he was located in the Pacific and he was not allowed to tell us in his letters. His mail was censored and his company commander was very strict. "V-mail" was allowed. In one actual "V-mail" that he wrote he placed a letter of the alphabet in one corner of his correspondence. We saved all those "V-mails" and finally all those letters spelled GUADALCANAL.

Guadalcanal was a tough battle. Sherben said that every night at about 10 pm a single Japanese plane would fly over their camp. It did not do a lot of damage but he and all the others had to roll out of bed and jump in fox holes or trenches. They called it "BED CHECK CHARLIE." After breaking the Japanese secret code it was learned that Admiral Yamamoto was flying to an Island. A fighter plane from Sherben's unit was fixed with additional fuel tanks and Yamamoto was shot down and killed. Admiral Nimitz destroyed a Japanese fleet that tried to retake Guadalcanal.

Sherben never had a leave or furlough during the over four years that he was in the service. As a sophomore in High School he was the lead person in our farming operation. Our sister Christine and Sherben entered the first grade together and graduated from Tishomingo High School in 1940. He was a skilled craftsman. He got married in 1947.

Sherben worked for the Armco Steel Company in Youngstown, Ohio. He died in 1972 from Pneumonia, emphysema and a collapsed lung. He was the first sibling in our family to die. He was buried in South Crossroads Cemetery.

Social Media 101/Erasing Your Digital Footprint

There will be a workshop held at the Tishomingo County Extension Office on Tuesday, August 27 from 10 AM-12 PM that covers the basics of social media platforms such as Facebook, Twitter, Instagram, Snapchat, and Pinterest and provides information about how to plan ahead for what happens to those accounts after passing away. The workshop is free of charge. Please contact Emily Cox at 423-7016 or ehc28@msstate.edu by August 26 to sign up.

Words From The Wisest King Before Jesus (part 27)

Ecclesiastes 5:18-20 says: "Behold that which I have seen: it is good and comely for one to eat and drink, and to enjoy the good of all his labour that he taketh under the sun all the days of his life, which God giveth him; for it is his portion. Every man also to whom God hath given riches and wealth, and hath given him power to eat thereof, and to take his portion, and to rejoice in his labour; this is the gift of God. For he shall not much remember the days of his life; because God answereth him in the joy of his heart."

King Solomon has given good information on the right use of what God has put into our

hands, yet most people will likely never see what he said in these verses, because they do not think the Bible to be relevant to modern life! I gave verse 18 in the last article, but I needed to put it with verses 19 and 20 here to make it more clear. It is not wrong to enjoy the fruits of honest labor, in fact, God has ordained that we should enjoy our work, even though some of it may not seem too enjoyable. Life is too short for one

to be bored in a job that he hates, but one can sometimes come to love a job that he originally hated. Verse 19 of our verses above shows that God has given some people riches and wealth, and He has also given them the power to enjoy them. So, God never condemns all riches or those who possess them. It is a gift from God for one to enjoy the fruits of his labor. What God does condemn is the wrong ways in which some

people gain wealth, or the place they give that wealth in their lives, so that the worship of God is not a priority in the life of the person with wealth. Solomon said that people often do not remember the hard days of life, or reflect on the shortness of life, because God has given them joy in what they are doing. To such people, life is not a bore!

Ecclesiastes 6:1-2 continues Solomon's discourse on riches: "There is an evil which I have seen under the sun, and it is common among men: A man to whom God hath given riches, wealth, and honour, so that he wanteth nothing for his soul of all that he desireth, yet

God giveth him not power to eat thereof, but a stranger eateth it: this is vanity, and it is an evil disease." We may try as we will, but none of us will ever be able to figure out some of the puzzles of life. Here we see that God does give some people riches, yet He does not give them lives that are long enough to enjoy those riches. Solomon calls this an evil which he has seen under the sun, meaning on earth. He also says that this is a common thing. It is God Who can give one the power to enjoy his wealth, but the man that is pictured here does not get that power, instead strangers cash in on his wealth. So,

it seems that the not even any ch to whom this ma leave his wealth. mon calls this an pursuit (vanity empty in Ecclesi and even speaks as a disease. Our "disease" means lamity, or even sic along with grief we must conclud wealth will not any of us if we d live long enough joy it. Moreover, make it a god, w be in trouble wi true God of the verse!

Northeast Matches Record for Largest Cheer Squad at Twenty Members

BOONEVILLE, Miss. - The Northeast Mississippi Community College cheerleading program has chosen a sensational crew to represent the institution during its 100th year of athletic competition.

Twenty ladies were selected to Northeast's squad for the 2019-20 academic year. That makes the school record the largest roster size transitioning back to a female unit in 2010. They will make their debut during the football game of the season on Thursday, August 29 when Southwest Mississippi Community College visits Tiger Stadium.

"I am excited for this season with this extremely talented group," said Northeast cheer coach Cassidy Moore. "They have elite skills as well as the energy to use on the sidelines."

Nine ladies return for their final campaign in a red-and-gold uniform,

including Jessica Ross of Halls (Tenn.) High School. She is one of three out-of-state athletes along with Tuscumbia, Ala., natives Kaity McCraw and Brooklyn Moore.

Kossuth High School is the most represented institute this year. The tandem of Brylee Kate Duncan, Ainsley Renfrow, Alli Seago and Easton Shadburn will reunite once again in the City of Hospitality.

Former Prentiss County high school rivals Brooke Morris and Jeni Kate Scott of Baldwyn plus Booneville's Kamryn Cole and Mackenzie Garner are now teammates at Northeast.

The trio of Makenzie Phelps, Abbey Rickard and Alexandria Taylor all hail from Tishomingo County High School. New Albany's Carey Beth Doyle plus Anna Grace Hardin and Kyana Storey of Ripley complete the list of athletes from Northeast's traditional five-county service area.

Rayanne Huskey of Nettleton, Saltillo's Madie Sudduth and Samantha Walker from Olive Branch round out the Tigers' lineup for both the upcoming football and basketball campaigns.

Walnut product Mason Drewery will portray Northeast's Spirit the Tiger mascot. Spirit is a fan favorite at home sporting events, especially with children, with roots that date back to the earliest days of the college.

From pep rallies on Thursday afternoons in the fall to the final whistle of the season inside legendary Bonner Arnold Coliseum, Northeast's cheerleaders are tasked with providing positive support for the athletic department throughout the year.

For more information about the Northeast cheerleading squad, contact Moore at 662-720-7189 or by email at cgmoore@nemcc.edu.
