Registered Voters who are interested in seeking election for these positions may pick up the proper paperwork at the Circuit Clerk's Office. The deadline to qualify for the School Board positions, and North Justice Court Judge is Friday, September 4, 2020. If you have questions or if you are interested in qualifying for these positions, call Josh Mc-Natt, Circuit Clerk, at 423-7026.

The City also passed a new zoning ordinance, also printed on page 4.

Audra S. Borden **Announces Election Bid**

Audra will be seeking the North Half Justice Court Judge Position. Dear Tishomingo County Voters,

I am running for election to the justice court of the north half of Tishomingo County. Justice Court Judges preside over a variety of legal matters including small claims civil cases. misdemeanor criminal

cases and any traffic offense that occurs outside a municipality. Justice Court judges may conduct bond hearings and preliminary hearings in felony criminal cases and issue search warrants.

I made the decision to run in this election because I believe I have the proper skills, integrity, personal temperament, qualifications, and strong commitment to public service.

My life experiences are vast, while I did study political science and prelaw, I did not go the traditional route and continue to law school. I chose instead to concentrate on raising a family and working. I believe it takes a

special combination of life and legal experience to make a great judge. With my belief in that and life experience I feel I possess that unique combination.

I humbly ask for your support as I seek to serve you.

I look forward to serving you.

Sincerely,

Audra S. Borden

Presley Announces \$5.9 Million in Second Round of Broadband Grants for 13 North MS Electric Co-ops

Jackson, Mississippi (August 10, 2020) - Today, Public Service Commissioner Brandon Presley announced that thirteen North Mississippi electric cooperatives have received more than \$5.9 Million in a second round of funding from the MS Electric Cooperatives Broadband COVID-19 grant program. The program was established by the Mississippi Legislature to increase expansion of high-speed internet service to areas which lack service.

The grant program will enable awardees to begin construction in some of Mississippi's most isolated and disconnected areas. Areas that received funding are certain census blocks not covered with broadband service as defined by the FCC (25 mbps download, 3 mbps upload). To be awarded the grant, the electric cooperatives must first agree to spend the monies in areas that lack service, match tric Power Association every dollar of grant funds with private funds and pro-

vide symmetrical speeds of 100 mbps upload and download to locations in the area. The portion of each project funded by the grant program must be operational by December 30th.

"The last round of grants completes the package to accelerate broadband expansion in some of our most disconnected communities," said Commissioner Presley. "Many of the electric co-ops are already off and running on broadband expansion and these additional funds will help their mission of getting to the last house on the most rural road. Again, I want to thank Lt. Governor Hosemann, Speaker Gunn, Sen. Joel Carter, Rep. Scott Bounds and the members of the Legislature that fought so hard for this funding."

The amount of each second round award is listed below.

Continued INDEPENDENT ACCOUNTANTS' REPORT ON CENTRAL PURCHASING SYSTEM, INVENTORY CONTROL SYSTEM AND PURCHASE CLERK SCHEDULES

(REQUIRED BY SECTION 31-7-115, MISS. CODE ANN. (1972)) Members of the Board of Supervisors Tishomingo County, Mississippi

We have examined Tishomingo County, Mississippi's (the County) compliance with establishing and maintaining a central purchasing system and inventory control system in accordance with Sections 31-7-101 through 31-7-127, Miss. Code Ann. (1972) and compliance with the purchasing requirements in accordance with the bid requirements of Section 31-7-13, Miss. Code Ann. (1972) during the year ended September 30, 2017. The Board of Supervisors of Tishomingo County, Mississippi is responsible for the County's compliance with those requirements. Our responsibility is to express an opinion on the County's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the County's compliance with specified requirements. The Board of Supervisors of Tishomingo County, Mississippi, has established centralized purchasing for all funds of the County and has established an inventory control system. The objective of the central purchasing system is to provide reasonable, but not absolute, assurance that purchases are executed in accordance with state law.

Because of inherent limitations in any central purchasing system and inventory control system, errors or irregularities may occur and not be detected. Also, projection of any current evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

The results of our audit procedures disclosed a certain instance of noncompliance with the aforementioned code sections. This instance of noncompliance was considered in forming our opinion on compliance. Our finding and recommendation and your response is disclosed below:

Inventory Control Clerk.

The Inventory Control Clerk should maintain an inventory control system that includes correct values for all assets.

Finding

Section 31-7-107, Miss Code Ann. (1972), requires the Inventory Control Clerk to maintain an inventory control system. This system should include all additions and deletions to capital assets in the system including Construction in Progress. Audit procedures indicated that due to failure to add and delete assets correctly, the following asset classifications were misstated:

- Construction in progress was overstated by \$1,374,909
- Improvements Other Than Buildings were understated by \$285,851
- Leased property was understated by \$61,462

Failure to record assets at the proper values resulted in a material misstatement in the financial statements. Audit adjustments were proposed to management and made to the financial statements with management's approval

Recommendation

The Inventory Control Clerk should ensure that all asset additions and deletions are recorded in the County inventory records at the proper values.

Inventory Control Clerk's Response

Inventory Control Clerk will comply with recommendation.

In our opinion, because of the noncompliance referred to in the preceding paragraph, Tishomingo County, Mississippi, did not comply, in all material respects, with state laws governing central purchasing, inventory and bid requirements for the year ended September 30, 2017

The accompanying schedules of (1) Purchases Not Made from the Lowest Bidder, (2) Emergency Purchases and (3) Purchases Made Noncompetitively from a Sole Source are presented in accordance with Section 31-7-115, Miss. Code Ann. (1972). The information contained on these schedules has been subjected to procedures performed in connection with our aforementioned examination and, in our opinion, is fairly presented in relation to that examination.

> Tishomingo County's responses to the findings included in this report were not audited, and accordingly, we express no opinion on them.

This report is intended for use in evaluating Tishomingo County, Mississippi's compliance with the aforementioned requirements, and is not intended to be and should not be relied upon for any other purpose. However, this report is a matter of public record and its

his doesn't mean I'm , or capricious; it's just logic as I approach ng circumstances, as sed to being stubborn rdheaded. As Ralph son put it, "A h consistency is the

growing long season by planting some fall vegetables, including corn, squash, and new tomato and pepper plants. But to do it I had to pull up some equally valid others such as crabgrass, which is both a serious weed to some gardeners and a host plant for the larvae of frenetic little "skippers" which, neither butterfly nor moth, are fascinating pollinators. To compound the affront, I found some

"bush killer" vine, a new invasive plant that is potentially more destructive than kudzu; I tried pulling it, but it keeps returning from tiny bits of roots left in the ground. So, I got rid of it completely and safely by squirting a little Roundup

but as I mentioned in the opening to this column, a lot of perception comes from our world views, not reality.

By the way, kudzu has beautiful wisteria-like flowers that smell like grape bubblegum. And all parts are edible, unlike like the tamer vegetables I just planted. And there are many more acres of highmaintenance, monocrop Asian turfgrass lawns in Mississippi than kudzu. Not making a value call, just a statement of fact, which you can interpret according to your own mind set.

Tomatoes or butterflies? Weeds or wildflowers? Darned if I do or don't.

My how the month has flown! I read an article the other day where an elderly lady said, "If I'd known how much fun it is to be old I wouldn't have tried to stay young as long." She may have not had to fill pill boxes each week. When I get this chore done each week I realize Lo! Another week. Where did it go?

The garden is almost history except for a few scattered chunks, tomatoes but plenty of okra. I haven't done anything unusual. My sewing machine is in the shop again. I have done a lot of reading in my scrap books.

I hadn't made up my mind what I'd share with you this week when I ran across an article from the Daily Journal, Feb. 24, 2008, that I had written in the Forum/Editorial Opinion Page. I thought it still relevant for today and I'd share an old article.

Digress: I did do something this unusual this week. I went swimming with my grands, and greatgrands, and a few friends.

My son, too. It so pleased them and I enjoyed the splash. I have had four broken arms the last three years and haven't been able to go swimming. After three years I didn't try to swim. It was all I could do to stand up. Maybe I needed my 4-pronge walking cane. I didn't think about that. That would have made history. A 95+ lady goes swimming with her walking stick. She must be mixed up.

The Forum: **Proud Mississippian** cities legacy of school

I thoroughly enjoyed the article by Lena Mitchell, "Black History Month Fills in the Knowledge Gaps," which was published in the Daily Journal on Sunday Feb, 17th. Reading this article brought back so many memories of my growing up in rural Tishomingo County.

I, unlike Morgan Freeman, wondered about society's symbols of division and bombarded my parents with "whys." Children of all colors played together. Yet, at the Tishomingo County Court-

house, the water fountain had a sign stating "Whites Only." A sign on the door also stated, "Whites Only." There were no other water fountains or restrooms in the courthouse. At the ticket stand in the railroad station, a sign proclaimed "Whites Only" yet, we traveled on the same train. After crossing the Mason Dixon Line, we even rode in the same coaches on the train.

high English the year we integrated. From day one, I expected as much from my black students as I did from my white students because I knew them! I made no distinction because of race, and as I look back, I am reminded that all teachers who treated their students in like manner gave them an incentive to achieve. And, they did!

By the way, Eric Powell, our newly elected senator from Alcorn, Tishomingo, and Tippah counties, was one of my students in grades 7-9 English. He was a good student, from a good family, an outstanding athlete and proud of

his color.

I could name many, many students I taught from Tishomingo County who are successful adults because they took advantage of the many opportunities available to them in our Mississippi schools.

I, like Freeman, relish my life here in Mississippi. I was born here, but I also live here by choice. Those who have had to move away to support their families almost always return to their home state for their retirement years. I am proud of my Heritage, and I thank God that I am a Mississippian!

A Good cycle

By Dr. Glenn Mollette

I've been a bicycle rider my whole life. Fifty years ago, last month I was riding my bike about six miles round trip to Bible school at Tomahawk, Kentucky. I did so for an entire week. During the week I was one of several young people who prayed the prayer to receive Christ. On Sunday morning in 90-degree July heat I put on the best clothes I owned and rode my Western Auto yellow three speed bike almost five miles one way over two mountain hills to Inez, Kentucky. I was a bit wet with sweat after that ride. I parked my bike in the front yard of Russell Williamson and went into First Baptist Church to make my decision for Christ public. Russell Williamson was a state hall of fame basketball coach, educator and businessman. Two years later I would be ordained beside Russell Williamson.

had the opportunities to travel the country and I've been all over the world. And, it just keeps getting better, all by the grace of God. He has been a lot better to me than I could ever be to him as I know I'm probably one of the most imperfect people God ever created.

Still, I marvel at God's grace, provisions and all that He allows me to do and enjoy. Here I am today, fifty years later and I don't feel like God has ever turned his back on me or excluded me from his care. There have certainly been some bumps in the road and some rough times along the way. The way life is there are bound to be more curves and some tough terrain. It's just life. If you think you are going to sail through life unscathed from bruises, cuts and some pain then you haven't lived long enough to know better. Eventually you'll know the journey of life is not always a

struggles exclude none of us and to some extent are inclusive of us all.

Today, allow me to give thanks for my 50-year pilgrimage of faith in Christ. It's been quite a trip. If you have not opened your heart to God's love today in Christ

please consider it. I'm not talking about joining a church or acting like some ridiculous religious people act. But, consider letting God love you today because he does and he will take you further than you can ever imagine.

NOTICE OF A PUBLIC HEARING ON THE **PROPOSED BUDGET AND PROPOSED TAX** LEVIES FOR THE UPCOMING FISCAL YEAR FOR THE TOWN OF BURNSVILLE

The Town of Burnsville will hold a public hearing on its proposed budget and proposed tax levies for fiscal year 2021 on September 1, 2020, 6 p.m. at Burnsville City Hall.

The Town of Burnsville is now operating with a projected total budget revenue of \$1,145,200. 4.8 percent or \$70,000 of such revenue is obtained through ad valorem taxes. For the next fiscal year, the proposed budget has total projected revenue of \$1,899,900. Of that amount, 3.68 percent, or \$70,000 is proposed to be financed through a total ad valorem tax levy.

The decision to not increase the ad valorem tax millage rate for fiscal year 2021 above the current fiscal year's ad valorem tax millage rate means you will not pay more in ad valorem taxes on your home, automobile tag, utilities, business fixtures and equipment and rental real property, unless the assessed value of your property has increased for fiscal year 2021.

Any citizen of the Town of Burnsville is invited to attend this public hearing on the proposed budget and tax levies for fiscal year 2021 and will be allowed to speak for a reasonable amount of time and offer tangible evidence before any vote is taken. A-20-27-chg

Words From The Wisest King Before Jesus (part 78)

Ecclesiastes, by King Solomon according to many Bible scholars, gives some great advice for youth who are "looking out across life's sea" to chart a course for life. Ecclesiastes 12:1 says, "Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them." The word "remember" is a great word, for it calls upon us to think back on things that we have previously known. It is also a word that calls on us to be mindful that: "It is He that hath made us, and not we our-

The Book of selves" (Psalm 100:3b). written If God is our Creator, then it makes good sense that He knows the best path for our lives. Solomon is instructing young people to submit their lives to God while they still have strength, vigor and desire to give to God. I am age 76, and my health is still fairly good, thus I do a three mile daily walk. but I have long since passed the days of my youth. I can well remember when I received Christ at age 10; when I announced a call to preach at age 17: when I finished college with a Bible degree and when I traveled around the country pastoring churches and also

preaching as an evangelist. I cannot honestly say that I have given God all that I could have given, but I have no deep regrets. I am not seeking to display a brag sheet here, but I am glad that I have had good teachers who lead me in the right direction. I certainly could have done much better, but I am glad, by the good help of God, I have done at least a few 'see that one could have things right. My point done a better job. It is

is that young people need to look ahead at what will come some day and plan to accomplish something for God while there is still time.

Solomon is telling us that God needs our best, while we still have vision and ability, with His help, to do the important things in life. When one is older, as I am, it is not hard to

easy, however, to realize somewhat, at that we cannot do some things we used to do. If serving God is one's sincere desire, then it is best to get about it while still young, if that is possible. For those who are older and think that they have missed out on serving God, because they did not give the strength of youth, may I say that no time is too late to do something for God, as long as one is living and has some ability to think and act. The "evil days" will come, as Solomon indicates, when there will not be as much pleasure in life as there was in days gone by. Many of us still enjoy life, but the "luster" of it has faded

some areas. T news is that a liever can enjoy God, but he may able to do as m would have been sible in younger is interesting the people do gro more graceful with more heal others. The p is that we do no what lies ahead areas, thus we use whatever before us to do o for God, for one of us will wish done more!

Governor Reeves Launches Expanded COVID-1 Testing for Teachers and Telehealth in Schools

JACKSON — Today, Governor Tate Reeves launched new COVID-19 initiatives to ensure th and well-being of students and teachers as they return to school.

Understanding the concern of many as schools reopen across our state, Governor Reeves is en COVID-19 testing for all Mississippi teachers, even for those without symptoms, and emergency te coverage through the Mississippi Division of Medicaid (DOM) to include schools.

"Today, as we work to ensure that children can achieve some quality learning in the state sissippi, we are announcing two measures to increase access to health care and COVID-19 preve schools. First, we are expanding school-based emergency telehealth coverage throughout the state sissippi," said Governor Tate Reeves at today's press briefing. "This will allow schools, even those school nurses or school-based clinics, to access telehealth services. We also know that testing can to prevent the spread of the virus by immediately identifying and isolating known cases. As teachers to the classroom, we want to make it simple for them to get access to testing."

Working closely with the Mississippi State Department of Health (MSDH) to protect our having teachers, the Governor is providing more flexibility for teachers to get tested. This expanded to teachers will enable them to get tested at any point, even if they have not exhibited symptoms of CO or come in close contact with a known case.

Teachers will have three options for testing across Mississippi: at MSDH's Jackson site at the sity of Mississippi Medical Center, community sites across the state, as well as by rotating testing their home county health department. Testing teams will rotate every two weeks at county health ments, where teachers can drive up and get tested.

As school districts and their communities tailored their plans to reopen schools safely, G Reeves worked with Executive Director Drew Snyder to help boost efforts to protect students, c schools without school nurses or school-based clinics to access telehealth services.

"Extending telehealth coverage has been a key part of ensuring access to care during this public emergency," said Executive Director Drew Snyder. "As children return to the classroom, increasing in school settings is more important now than ever."

Under this expansion of school-based emergency telehealth coverage, schools are approved porary telehealth originating site providers on the condition that services are facilitated by a telep acting within their scope of practice and license and/or certification.

Telehealth services are traditionally delivered by an enrolled Mississippi Medicaid provider to a distant site to a beneficiary located at an originating site, such as a clinic. DOM's telehealth policiallowed school-based clinics – staffed by a physician, nurse practitioner, or a physician assistant polician assistant polician site care – to serve as an originating site for a beneficiary in need of services beyond the abilities.

The amended Emergency Telehealth Policy allows any school to serve as the originating site as long a distant site provider uses a telepresenter who meets the definition of Miss. Admin. Code Part 225, Rule Telepresenters can include registered nurses employed by a school/school district or staff employed by Health Clinic, a Federally Qualified Health Clinic, or private provider.

harlotte's Attic Mrs. Eutha Quay Lambert Switcher, October 26, 1934 – August 8, 2020 talk about There everyone began to somewhere to hang out vice was held Monday your choice or de

Now let's talk about the dash in the middle. Eutha, as she was known by her family, grew up the Cairo Community with her brothers, Hewell and J.W., along with her sisters Dartha and Selena. Her parents were Govern and Zula Lambert.

Dartha and Hewell liked to pick on Eutha at family gatherings that they had to work in the fields while she helped their mother in the house. But to hear them tell it she spent most of the time listening to "her stories" on the radio. Something she enjoyed almost to her last day.

Growing up Eutha had a lot of friends at school in Holcut and at the New Lebanon Free Will Baptist Church. Church and family life were always very important to Eutha. She made the decision early in

life to accept Jesus as her Lord and Savior. After high school,

Eutha went to work at the shirt factory in Rienzi. That is where she met a handsome young man. Edward Switcher and Eutha were married June 3, 1956. After a trip "up north" to make it in the big city, they hightailed it back to Rienzi. After returning to Rienzi they ran the local phone com-

pany with Eutha on the switchboard. Her sisters-in-law, Marcell Michaels and Elaine Hollingsworth, helped with the switchboard. Just like in Mayberry they knew all the towns secrets hooking one phone line to another. Eutha and Edward welcomed their daughter Delta into the world and their little family was complete. Mama became her favorite name.

Mama went on to work like so many in Rienzi at the Wurlitzer plant. call her Quay.

Quay made many lifelong friends while working at Wurlitzer that she still held deeply in her heart. She and Edward's closest friends were Everett and Bruce Furtick who just lived down the path. Many fun times were shared with the Furticks and their children.

After living many years in Rienzi, Quay and Edward moved to Iuka where Quay worked at the local shirt factory and began attending Iuka Baptist Church. Quay's favorite part of church was her Sunday School class. She thought so much of her teacher Reba Moyers and what a great friendship they had shared with all her classmates.

Now comes the most important part of the story. Quay received a new name, Grandmother. Grandmother often said she didn't know what true happiness was till she held Leslie for the first time then Steven 3 years later. Grandmother was so proud of her grandchildren and now more than ever that they are wonderful adults. Leslie and Steven would be the first to say the unconditional love they received helped them to know how to love unconditionally.

Eutha, Edward al-ways called her Eutha, enjoyed traveling and shopping, shopping, and traveling. Eutha and Edward enjoyed seeing the world from their camper. Plus, it gave Edward

while she was in the mall. After Edward passed, Eutha began traveling with the Lambert Clan on mountain vacations. Eutha loved to see the sights with her sisters Selena and Dartha while niece Denice told John how to drive. The whole family went and Eutha enjoyed the laughs, the games, the family dinners, bears at the back door and of course shopping. She also had a running joke with her nephew Keith about how he needed a little "prune juice» before he went to bed.

The last few years have had some difficulties. As we age, we begin to lose family and friends, and Eutha's health began to decline. Weekly visits to her favorite doctor, Al Flannery, seem to be always on the calendar which always led to a stop at Belk and Cracker Barrel. As we all know she shopped for Christmas all year long.

EQ, as she came to be called on text and Facebook messages, will always be remembered as a true southern lady, with a smile for everyone and laughter on her lips.

Eutha Quay Lambert Switcher was preceded in death by her parents Govern and Zula Lambert; her in-laws, Clarence Switcher and Kathleen Parks; her husband, Edward Switcher; her brothers Hewell and J.W. Lambert; her brothers-in-law, Arvid "Peanut» Smith and Terry Crabb; and her sister-inlaw, Lucy Lambert.

Eutha is survived by her daughter, Delta, and son-in-law, Craig Datsis; her grandchildren, Leslie Datsis and Steven Datsis; her sisters, Dartha Smith and Selena Crabb; her sisters-in-law, Barbara Lambert, Marcell Michaels, and Elaine Hollingsworth; a very special family friend, Jon Deeks, who said she had the prettiest Christmas Tree he had ever seen. That statement put Jon on top of her Christmas list. She was also survived by several nieces and nephews, along with their spouses, children, and grandchildren. Eutha was loved by many family and friends and she will be greatly missed.
