ONE HUNDRED AND THIRTY-SEVEN YEARS

THURSDAY, OCTOBER 29, 2020 NO. 16

Have you traveled north on Constitution Drive (old highway 25 N.) in Iuka? If not, you are missing out on the spectacular decorations at the home of Jerry and Kathy Kurowski. To say the couple went all out this year is an understatement. Everywhere you look in their yard is a different spooky scene. With a headless horseman, a wagon hearse driven by skeleton horses, and witches brewing mischief in the background, it's hard to take it all in without missing something. Many of the decorations including the coffin and wagon were handcrafted by Jerry himself. The couple has been a part of the community in Iuka for 11 years and they have been collecting and decorating for Halloween since their now grown children were little. Their impressive collection of decorations came from Kathy and her children collecting fun and spooky items eventually getting Jerry involved in the fun. Thank you to the Kurowski's for bringing this Halloween delight to our area!

The General Election is Tuesday, November 3rd

Voting at your precinct on election day, what to expect, and steps taken to keep you safe

General Election day is Tuesday, November 3rd, 2020. The Polls will be open from 7 a.m. - 7 p.m. as normal. A County Wide sample ballot is included in this addition of the paper. I encourage everyone to review the sample ballot, especially the ballot measures for medical marijuana, the state flag referendum, and House Concurrent measure 47. Voters should be prepared to show their photo ID when they go to the polls, and be sure to follow the poll workers instructions.

The election commissioners and myself have implemented a plan to ensure it's safe for you to cast your ballot on election day. To ensure voting at your polling location on Election day is as safe as possible all poll workers will be wearing masks or face shields. At every polling location we have assigned a poll worker, whose sole responsibility is to ensure the location is clean, disinfected, and CDC guidelines are followed to the best of our ability. Voters are strongly encouraged to wear their own mask or face shield when going to cast their ballot, however no voter will be turned away for not wearing a mask or face shield. Mask or no mask, all will be afforded the opportunity to vote. Prior to election day polling locations will be spray disinfected with commercial/professional spray units.

Every voter will be given a stylus pen at the polling locations. This pen allows the voter to sign the poll book without having to share pens. It also allows the voter to use the tip of the stylus pen to make their selections on the voting machine, without having to touch the machine. Using the stylus pen will dramatically reduce the spread of germs. Social distancing signs and markers will be in place along with many other tools to help reduce the risk of exposure to COVID-19 such as; plastic shields at the poll book tables, UV disinfectant tools, plenty of hand sanitizer, extra PPE, many types of disinfectants, and special vinyl wraps on door handles that will not allow the virus to grow on it.

Please be patient with us when voting on election day. Not only are we dealing with the safety measures in place for COVID-19, but we also expect a significant increase in voter turnout. The clerk's office will be open Saturday 10/31/20 from 8 a.m. - 5 p.m. for Absentee voting. Saturday 10/31/20 is the last day to vote absentee in person. For mail in absentees, they must be post marked by 11/3/20 and received within 5 business days in order to be counted in the 11/3/20 General Election. If you have questions about the upcoming election call the Circuit Clerk's office at 423-7026.

Medical Marijuana for the State of Mississippi will Appear on the Ballot Tuesday

Voters will be confused by the wording!

continued from page 1

During next week's election medical marijuana will appear on the ballot for the state of Mississippi. Voters will be asked to approve either Initiative 65 or Alternative 65A. Both programs amend Mississippi's Constitution to allow for the establishment of a medical marijuana program in the State.

The language used on the ballot is admittedly a bit confusing. The measure appears on the ballot as a two part question, first voters will be asked if they are For or Against the measure; and secondly voters will be asked which initiative they support

should the measure pass. If the majority of voters approve either program the measure which receives the most votes will pass, assuming it receives at least 40% of the overall vote.

The first question to appear on the ballot gives the option of "Vote For Approval Of Either, Or Against Both" Initiative 65 and Alternate 65A. The second portion of the measure states "And Vote For One." Even if a person votes against both in the first portion of the measure, this question allows voters to choose which Initiative they would support regardless of their

response to the first question.

Initiative 65 would allow medical marijuana treatment for more than 20 specified qualifying conditions, and tax marijuana sales at the current state sales tax rate of 7%. The program under initiative 65 has a deadline to be implemented; cards must be available for patients by August 15, 2021.

Alternative 65A would restrict smoking marijuana to terminally ill patients only; and leave tax rates, possession limits, and certain other details to be set by the state's legislature. Alternative 65A has no deadline for im-

plementation and allows pharmaceutical-grade marijuana products to be administered to a registry of approved terminally ill patients.

One aspect of holding a medical marijuana card in any state that citizens should be aware of is that by being a patient receiving medical marijuana it is illegal to own, possess and purchase firearms on a federal level.

A wealth of reliable information about this subject can be found online and personal research into this topic will allow voters to be well informed prior to heading to the polls on Tuesday.

TCHS in 2006. My extended family has also been lifelong residents of Tishomingo County. My parents are Greg and Shirley Adams. My grandparents are Luther Roy and Betty Adams, and Bobby and Charlotte Morris. I am married to Keshia Adams, and we have six children. Their names are Jacey, Peyton, Jayleigh, Payson, Paisley and Price. My family and your families are the main reasons I am seeking election to this office. I want my county to be more secure and a better place for all to live. I want to have a helping hand in seeking justice for all people that come through the judicial system. I will ask for help when needed and pray for the best answers for all concerned.

I have a love for my country, the state, and county. I have been thinking about trying to enter the political world for a

while now. I just want to see if the timing is right. We need more elected positions not afraid to stand up for what is right. I am urged by close friends to run for this office, about it, and my family I decide is right. My hope is that I will be fair, and appreciate the time made. Times are right now and I need help when and where possible.

If you vote in the November Court in the North, humbly ask for your vote on November 3rd. You have any questions please do not hesitate to ask. I can be reached on Facebook messenger on my cell phone number is (662) 423-2211. Again, thank you for your support in this election.

Letter to the Editor...

4 More Years

As November 3rd approaches, the importance of this election is dire. We have someone who will ensure the American people that our rights, that we hold so dear stay, protected. Someone who will get our economy back to pre-covid. We need someone that will keep our 2nd amendment and our religious freedom protected, and put Americans first for jobs and healthcare. Someone who is prolife and gives a voice for the unborn. We need 4 more years of someone who not only honors, but respects our veterans and ensures that our Great military is fully capable to defend our Great nation. We need to keep the one that will demand law and order in our streets. No one is perfect, we all make mistakes. However, at the end of the day we have someone who will get the job done. No one is gonna agree with everything he does, but he puts Americans first and will make sure our rights are protected. So I urge you to get out and vote to ensure we get 4 more years of making America great again. God bless America

To the Editor:

Vote Initiative 65

More than 3.5 million patients are successfully using medical marijuana to treat debilitating conditions in 34 other states. That's right, 34 other states have regulated medical marijuana programs, but the Mississippi Legislature has blocked more than 20 proposed bills to pass medical marijuana legislatively. Qualified patients in Mississippi deserve to have the same access as patients in 34 other states, including Louisiana, Florida, and Arkansas. Initiative 65 gives doctors the ability to certify patients here in Mississippi who suffer from 22 specific listed conditions, including cancer, seizures, chronic pain, and PTSD, to try medical marijuana as an alternative treatment option. Alternative 65A places the power in the hands of politicians, not doctors, to decide which patients will be eligible for medical marijuana and does not include a list of qualifying conditions. Please join me in voting for Initiative 65 (not Alternative 65A) on November 3rd. For more information, www.medicalemmarijuana2020.com

Vouchers to be Issued for Basketball Games

The Tishomingo County School District and its schools are preparing for their winter sports seasons. Student athletes are working hard to prepare for successful seasons and are looking forward to competing against other schools. Under Governor Tate Reeves's Executive Order, gymnasiums can only have 25% capacity at this time. Each school has calculated that number and will be issuing vouchers to its students and opponents for entrance into games. Due to this limitation, no district passes will be sold at this time for entry. The only passes allowed for entrance are MHSAA state

passes. Masks must be worn for entry and should be worn when not seated in the stands. Seats will be marked for social distancing. Also, each school has different capacity limits. If community members are interested in the process for entry for a particular school, they should contact the school for information. The district will be live streaming events in partnership with Jack Ivy Productions as well as the district's own live streaming service, TCSD Live. Mr. Ivy will be broadcasting on his Facebook page for high school events. Events on TCSD Live will be available on the district's website.

Pet of the Week

Congratulations to Annie Pardue. This pretty kitty is our Pet of the Week at Iuka Animal Clinic. Annie is the 6-month-old fur baby of Hilma and Cheryl Pardue of Tishomingo. In January they lost their beloved Daisy at 17 years of age. In June, Dr. Perkins called to let them know the clinic had some kittens available for adoption if they were ready. One look is all it took, and Annie became the bright spot of 2020. She loves to play with her stuffed bunny. If you are watching TV she is right beside you. And just like a child, when she gets sleepy, she climbs up in your lap ready for a nap. She loves Hill's Science Diet kitten food and gets one dental treat per day. Hilma & Cheryl are thankful for Dr. Perkins and Staff for bringing her into their lives. Halloween is here, and to prevent this holiday from becoming a scary one for you and your pets, it's important to consider common items and activities that can be dangerous to your furry friends. The

holiday will be a really look different year due to COVID and Halloween will vary vastly communities. Animal scavenger hunts, costume gatherings, costumes will not be involved. Remember

Ruth Dawson
On my "96" birthday (10-10-20) I was convinced it was not safe to come to my house for a birthday party, but I didn't know or have any idea Angie was getting her mailbox packed every day in response to Facebook request that I and Kim agreed that "96" people responded, would so please their. She loved to read. Angie was "on cloud nine" all the week before birthday and last week stayed so occupied doing those beautiful cards! She brought 187 in that looked like a over-the-top suit case. I had gotten enough here at home make it way over 200 she and I are still getting cards, note and letters. I can't explain how special I felt every time I read a card. It took me two days to read them all. I didn't stop. I have read

them all again and will, as time hurries on, read them probably a couple more times.

Again, "Thank You!" You not only made my day, but my entire week, probably year.

While I was sitting here enjoying my cards from you, I got a call that one of my best friends whom I have known for more than fifty years had died.

This made me so sad, but with all those cards to read? I had something to help me move on. What

a blessing. There was an urgency to keep reading. I paused and reminisced about my relationship with each of you.

Angie had typed each message and there were several pages of these. I took the school annuals to place many of you since you had a name change.

Saturday, the 17th, Angie came and carried me to the graveside service for Geraldine Rushing. It was so sad but the celebration of her life helped each of us to remember just how special she was. I probably had more memories than most of you since she had been my hairdresser until she retired. We also attended the T.B.C. down through the years we had taken church bus trips. So much fun!

While at the gravesite because of the Coronavirus-Covid 19, I stayed at a distance and did not hug anyone like I wanted to, except Diane and Larry. A must do.

Angie and I said our good-byes and didn't go into the crowd but quickly made our way back to the car almost the length of the cemetery away.

As I got into the car and sat down, I felt for my hearing aid. I had worn only one for a specific reason. I had on shades, ear rings, and a mask. When I felt for it, it was gone.

Angie gave me a shake-down, made me stay in the car, and she retraced our steps the best she could. She came back and no luck. She said, "Mother, I'm going to make that round again. I told her I was going with her and I'd take my walking cane instead of hanging on to her.

All the way down to the grave where they had shaken the green mats, and had looked where I sat. No luck. We turned and started back to the car—the same way as best we could. We thought we were where we were when

Angie had suggested it would be safe to remove our masks.

About the same time we both said, "There it is!" readers, nothing but God's directions, His goodness, and His mercy could have ever let us find this tiny hearing aid without Him. The turf was very thick but there it was. Trust me it could be called a miracle because it was like "looking for a needle in a haystack." He tells us we have not because we ask not." And I was praying that we would find it, but to be honest, I had doubt. I stood and thanked Him audibly and I'm sure Angie was thanking Him, too.

We walked to the car so happy. She said, "I'm hungry. I want a fish dinner. Let's go over to the Catfish Hotel at Shiloh." It just suited me. We had reason to celebrate. We had had enough heartbreak and trouble for one day, let's go for new scenery. We did.

Sitting at a table by the window, and about 5 or 6 feet from any one else we pigged out on fish with all the trimmings and left our troubled hearts for a spell.

It was fun to sit and watch the tugboats pulling the longest load of cargo I had ever seen on the TN River. Angie Googled on the iPhone and found where it was from and where it was going. Aren't we getting smart today? But we still have hurts and disappointments, as always. "Every cloud has a silver lining, and we relished the difference, a favorite food, scenery, and God's blessing could change our outlook on life. Thank you Angie, I know why you did this for me. Thank you. Good food at Catfish Hotel, a change of scenery at Shiloh, and the quiet peaceful power of the TN River. A healer for a broken heart. Thank you, God for loving me and always providing.

Words From The Wisest King Before Jesus (part 85)

We are coming close to the end of Ecclesiastes, so Solomon is giving his final words in chapter twelve. Ecclesiastes 12:11 says, "The words of the wise are as goads, and as nails fastened by the masters of assemblies, which are given from one shepherd." It is interesting that some people seem to have no desire to hear the "words of the wise", but that is "dumb" mistake! I often think of I Corinthians 4:7: "For who maketh thee to differ from another? And what hast thou that thou didst not receive? Now if thou didst receive it, why doth thou glory, as it

Pastor's Tidbits

by J. Briggs King,
Evangelist,

thou hast not received it?" I preached a message many decades ago on this verse; I titled it: "Do you have any originals, sir"? It is a given that we all have received whatever we have from some earlier sources. Yes, I know some may say, "I had an original thought". May I ask how we can know if our thoughts are original, since we have not had an opportunity to "pick the brains" of all who have

gone before us? There is no room for any of us to gloat over what we think we know, for somebody, somewhere knows more than we know. So, the wise thing for all of us to do is to listen to the wise people who have lived before us, as well as to those who are living around us now.

Solomon says that the words of the wise are like goads, which was a sharp stick used in Bible times to

prod animals to move in a desired direction. In modern times men use shocking sticks. Solomon says that wise words can "goad" us to move in the right direction, whether mentally, physically or spiritually. Solomon also says that words from the wise are like nails that hold things together. It is amazing to think about how many huge structures are held together by nails. Wise words can also help us keep things in their proper places, or they can help us keep ourselves in the right places. All the wrongdoing in our world begins with improper thinking, when the words of

the wise are not heeded, so that things can be properly put together in our minds and actions. Did you notice that Solomon spoke of builders as "the masters of assembly", or those who have mastered the building trade, yet the real lesson that Solomon is seeking to convey is that those who listen to the words of the wise will be more likely to move in the right direction; they will be more prone to build something worthwhile in their lives and the lives of others. The world we enjoy was created by the Master Creator, God, and He is "all wise" is every-

thing He does. We should inspire a wisdom like Solomon, to go along to others so they can display in their great creation? No, we are not going to create a universe, but might help to create some peace, joy and worship in the lives of those around us, if we simply listen to the words of those who have gone before us and blazed a trail for us to follow. Individualism has no real place in a society of humans, for we depend on each other. By J. Briggs King, Evangelist, Rainsville, AL (678) 451-0921

Braves Fall to Stout New Albany Bulldogs Team

New Albany, Miss. On Friday, October 23 the Braves traveled to New Albany to face the Bulldogs. A team many preseason prognosticators felt could make a run at a state title this season. The Bulldogs proved that their preseason hype was well deserved as they defeated the visiting Braves 56 to seven.

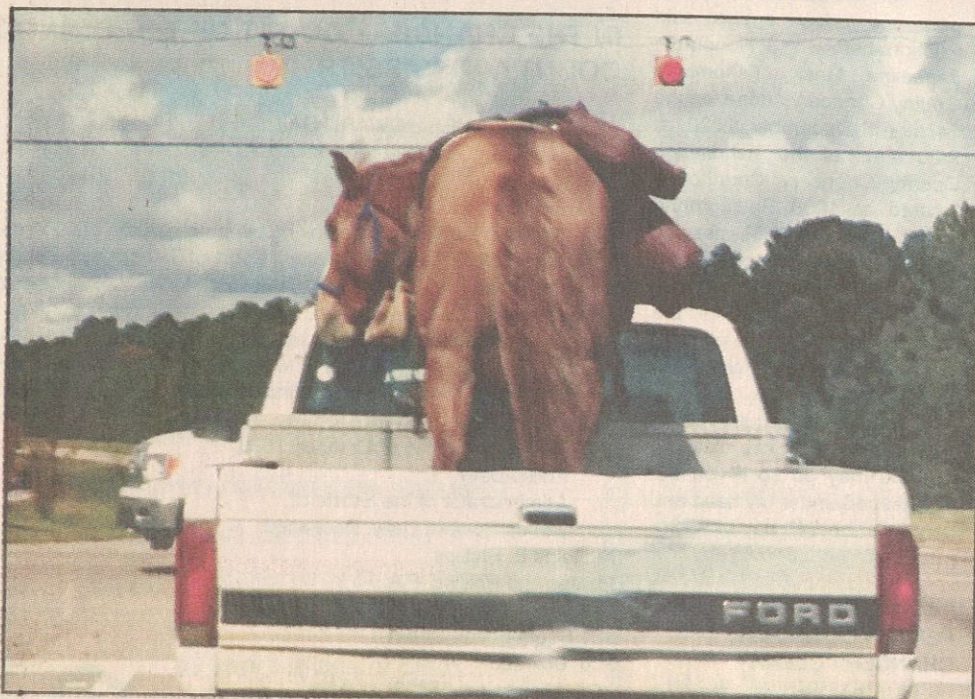

New Albany provided a stout rushing attack led by Senior Tailback A.I. Nugent and Junior Tailback C.J. Hill and a seasoned and physical offensive line. The lone spark from the Braves offense came from Junior Wide Receiver Mason Daniel. Quarterback Blake Counce connected with Daniel twice in the game for 85 yards, including a 54-yard touchdown strike. Senior placekicker Scott Robinson added the extra

point out of the hold of Charlie McAnally and the snap of Shea Harwell.

Brian Scales and Tyriek Duckett paced the defensive unit with 13 total tackles each, while Jordan Kelley and Jackson Stuart also added double digit tackles on the evening. Junior Safety Chase Hopkins added spark to the Defensive Unit as he was a reserve when the game started, but added seven tackles in limited action. Junior Corner David Tiernan grabbed the lone Brave turnover on the evening as he jumped on a muffed punt by the Bulldogs.

Head Coach Richard Russo had this to say about the game, "Across the field is a great benchmark of where we have to get to as a program. They are physical and they ex-

ecute at a high level. The Football Offseason lasts from November through July, whenever we feel like it is a grind or feeling not giving it our all, I hope our players remember what it feels like to line up against that extremely physical team. Yes, we have had some injuries to our key players, but in our new program, that will never be an excuse. If we have 57 players on the roster, all 57 better prepare like a starter and be ready when their number is called to get on the field and contribute. It is my hope that our players will take the challenge to finish strong in all aspects of our program next week." The Braves will travel to Potts Camp for the final game of the 2020 season. Kick-off is slated for 7 p.m. at Cardinals Field.

You Don't See This Everyday!

On Friday, October 23rd a Ford pickup was seen traveling down highway 25 north in Iuka with a fully saddled horse riding in the bed of the truck. The photo shows the pickup at the 4-way stop light in Iuka. The vehicle in question had Mississippi license plates.

A news site reported that the same truck was seen later that day on I-40 eastbound near Waverly, Tennessee which is almost 100 miles from Iuka. It is unclear where the vehicle was headed or why the driver chose to load the horse directly into the back of the truck but one thing is clear, the pickup was operating with more horse power than normal.

IMS News

IMS has been preparing for Red Ribbon Week. Teachers and students have been working getting doors decorated for the judging this week! A huge thank you to Emily Hare, who used her artistic talents helping several teachers decorate their doors.

Kids have been dressing up all week on theme in support of Red Ribbon Week.

Students can still bring in candy for Credo's house project, which is to make Halloween treat bags for IES students in lieu of trick-or-treating. The house bringing in the most candy gets house points, too!

Basketball season has begun with the Chieftains playing against SCA and Marietta. Come out and support the Chieftains if you have a voucher; they play Hills Chapel the 29th, the Chieftain Shootout at TCHS on the 31st, at Belmont on Nov. 2, and at Kossuth on Nov. 5.

Club/House/Football/Cheer/Basketball pictures are on November 5. Do your best to be here!

Remember to wear your masks! We have been so fortunate at IMS with so few cases of Covid-19, so let's keep it that way!

The Scholastic Book Fair is all virtual this year! It will be live November 2-15. Flyers will be attached to report cards that go home on Oct. 29. Support our library by purchasing from the Fair!

Don't forget to buy your yearbook! The deadline is fast approaching, so go to yearbookforever.com to get yours before it's too late!

Have a great week!

Welcome back, Bulldogs! We have officially started our 2nd 9 weeks here at Tishomingo school. With Thanksgiving break quickly approaching, our students are really getting into the fall spirit. We've got plenty of news to report, so let's get started!

Our TMS Lady Bulldogs have a tournament

against Iuka on October 31st. It is an away game. The next game our boys play will be on November 2nd against Tremont, which is also an away game. Be sure to show your support and travel along with our teams!

The annual fall Scholastic Book Fair is coming up! There will be a longer opening for online shop-

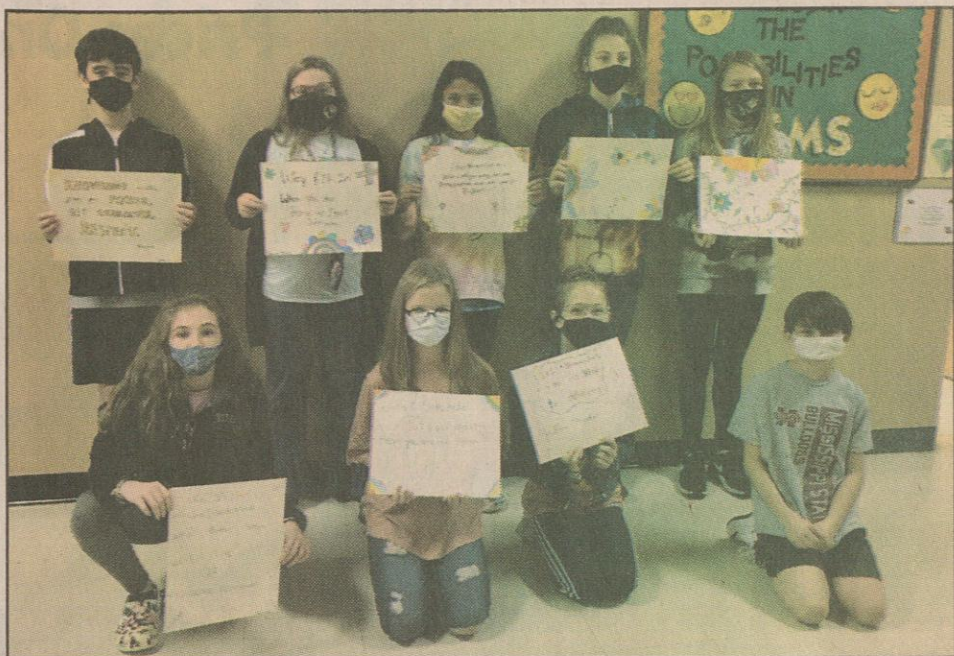

ping for those that don't feel comfortable shopping in person. The window to do so will be from October 28th to November 10th. If you do want to shop in person, you can visit our library anytime from 3:30 to 5:30pm on November 2nd through the 6th. Family night will be held on Wednesday, November 4th. Any items purchased will directly benefit our school, so please consider stopping by!

TMS' 8th graders will have their 8th grade portraits and class photos taken on November 9th. They will leave campus at 8am that morning. Full outfit changes are prohibited, so please come to school in the outfit you plan on wearing for pictures.

We are still collecting can tabs for St. Jude, as well as box tops. We encourage all parents to submit box tops digitally. Remember to wear your mask and social distance, and until next time, go Dawgs!

Good Character

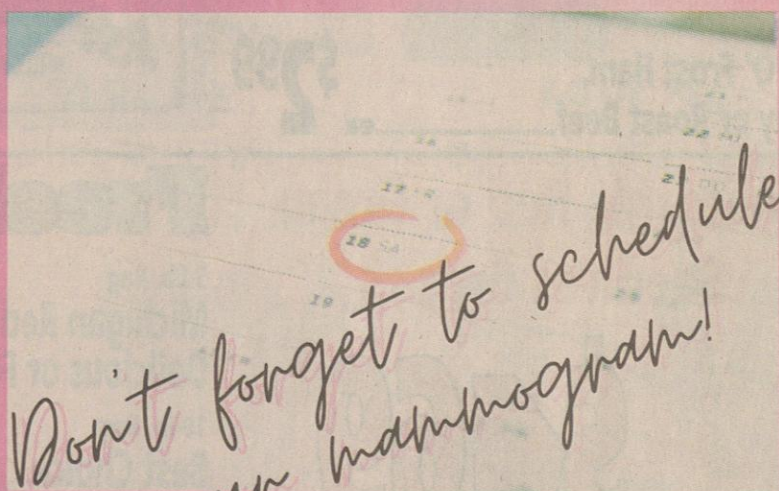

Tishomingo GEMS middle school students have been researching "Good Character". They each chose a person of what they considered to be "good character" and did research on that individual. Some of the people they researched included Dr. Daniel Hale Williams, Mother Teresa, Steven Hawking, Anne Frank, Barack Obama, Martin Luther King, Walt Disney and Rosa Parks. The students shared their information with posters, slide presentations, interviews, dressed as their character, etc. They all did a very good job.

After this part of the project, each student chose a quote about character and created a mini poster including the quote and illustrations. These posters have been placed in local businesses in Tishomingo. The students chose well and illustrated well. If you are in any of the businesses in Tishomingo, be sure to look for these posters and if you see the students, be sure to encourage them.
