## Pet of the Week

Congratulations to Charlie Green. This adorable little guy is our Pet of the Week at Iuka Animal Clinic. His owner is Allison Green. Dreamboat Charlie is a 9 week old miniature poodle. Charlie is very good-natured and frisky. He loves to cuddle with his stuffed hippo at nap time, play tug-of-war with his best friend, Tinkerbell, and explore this big, exciting world. Charlie makes friends wherever he goes. One of the many great things about Charlie is that he doesn't bother his Mamaw's allergies. Poodles are a great breed for people who suffer from dog allergies because they do not shed. They are also friendly, energetic and great companions. Charlie is a true joy to have and is loved very much. Just like humans with allergies, pets also suffer from them. Allergies are a misguided reaction to foreign substances by the body's immune system. There are quite a few different types of allergies in dogs. Skin allergies, food allergies, and environmental

allergens all pose challenges for dogs and their owners. Skin allergies called dermatitis, are the most common type of allergic reactions in dogs. There are three main causes of skin allergies in dogs: flea allergy dermatitis, food allergies, and environmental allergens. Flea allergy dermatitis is an allergic reaction to flea bites. Some dogs are allergic to flea saliva. This makes affected dogs extremely itchy, especially at the base of the tail, and their skin may become red, inflamed, and scabbed. Food allergies can cause itchy skin, as well. The most common places dogs with food allergies itch are their ears and their paws, and this may be accompanied by gastrointestinal symptoms. Environmen-

tal allergens, such as pollen, and mold cause an atopic reaction or atopy. In most cases, these allergies are seasonal, so you may notice your dog during certain times of the year. If you seem to be suffering from allergies, Jim Perkins at Animal Clinic can help your friend get some relief. Call 423-3470 for an appointment.

fireworks photos by Jerry Charbauski

## July 4th Fireworks Show in Memory of O'Neal

A very special fireworks show was held this year in Winbush Hollow on the Tennessee River. The Wood family came together to carry on the legacy of O'Neal Wood, who passed away in October of

last year.

Mr. Wood, founder of Wood Sales Company in Belmont, held an annual fireworks show at his lake house for the community on the TN River; he hosted the event for the past

forty years. In 2020 the show was cancelled due to the pandemic. This year his wife, Glyndel Wood decided to continue the tradition her late husband loved dearly and held a fireworks show in his memory.

The colorful display lit up the evening sky to the delight of all who gathered on boats and at the bank of the river to see this patriotic display. The fireworks were shot from a pontoon boat/barge anchored out on the water.

Thank you to the Wood family for continuing this wonderful patriotic display for both the young and old to enjoy.

If you missed the show, go to Jerry Charbauski's Facebook page and enjoy the beautiful photos he captured of the event.

## An Artist, An Author and Time Travel

By Kate Ware

Oftentimes, when we think of time travel, we think of a good-looking young man named Marty McFly, a DeLorean, and a large clock in the center of town. Recently, two 1971 Iuka High School graduates enjoyed their own version of time travel adventures at Another Broken Egg, in Pensacola, Florida.

Sherron Belk, an artist and resident of Burnsville, and Kate Ware, an author and resident of Gulf Breeze, met for brunch.

The restaurant was a fine setting for two classmates to meet, talk, laugh and remember the past. The two had not had the opportunity to "catch up" in the fifty years since leaving their alma mater.

Sherron and Kate shared eggs and stories of life, family, travel, teachers and classmates. Much water had flowed "under the bridge", since they had completed "Dream Homes" in had economic class, and had written essays in senior English. They had walked across

the gymnasium, collected diplomas, and had gone separate ways to lives outside of the community of their youth, Iuka.

The definition of time travel is travel through time into the past or future. The meeting was the beginning of traveling "down the past" through time, for Sherron and Kate. Most definitely, more time travel is sure to be a part of their futures.

"And a good time was had by all."

# The Form Of God's Judgment That Came To Rebellious Judah (part 8)

Isaiah 3:24-26 gives us details of the judgment that God would send on Judah because of her sins: "And it shall come to pass, that instead of sweet smell there shall be stink; and instead of a girdle a rent; and instead of well set hair baldness; and instead of a stomacher a girding of sackcloth; and burning instead of beauty. Thy men shall fall by the sword, and thy mighty in the war. And her gates shall lament and mourn; and she being desolate shall sit upon the ground." It seems that most people in our modern age do not want to hear much that "sounds negative" in writing, teaching or preaching, yet the Bible writers gave perhaps more negative information than positive. Most of us who speak for the Lord do not get any glee out of speaking, or writing, about negative things, but we are duty bound to deliver God's message as He gave it, not as the people want it to be given. Again I want to say that God has

## Pastor's Tidbits

by J. Briggs King, Evangelist, Rainsville, Alabama (678) 451-0921

absolutely nothing against beauty, even when it is accompanied by jewelry etc., but God's gripe is with the pride with which some people wear these items. In our lessons from Israel, it was an entire nation that was so proud of who they were that they forgot that God was the One Who made them great. As a consequence, their greatness ceased to be greatness, and their beauty ceased to attract the attention of other nations, and especially of God! It needs to be emphasized that "beauty is as beauty does", or "pretty is as pretty does". This is true of individuals and nations. If Judah had really been beautiful in the sight of God, He would not have brought judgment on

her! The verses I gave above show that the sweetness that Judah once possessed had become a stinking smell. The girdle (actually a belt here) had become more like a rope around the waist, which is deplorable. The hair that had been well set was now replaced with baldness. The stomacher, probably a figured mantle worn on holidays, had now become a girding with sackcloth, which was a cheap cloth worn during mourning. Beauty had been replaced with baldness. Now the men of Judah would lose in the battle with the enemy; the gates of Judah's cities would be filled with mourners and Judah would sit on the ground in desolation, for her cities

would be burned. Should any think that this could not happen to countries in our day, I would remind them that Judah was once the apple of God's eye; her beauty in God's sight was remarkable, but now she was coming to ruin. All of this is pictured in the "beautiful woman", whose beauty had become deplorable, because she was filled with pride and other sins against God. Do you know any nation, or nations, that might be in danger of facing God's judgment for doing the same things that the nation of Judah and its cities were doing? It would be good if we could learn from the history of nations and cites that fell for doing exactly the same things that most of the nations of the world are doing right now, including our beloved nation!

## Hassell Holder

Hassell Tulon Holder, died Tuesday, June 29, 2021 at his residence in Cairo after several months of declining health. Hassell was born in Cairo November 1925, the oldest of four of Fred Owen Holder and Ola Blanche Jourdan. He attended Burnsville School until January 30, 1943, when he quit school to marry his high school sweetheart, Maxine Engle. He was 17 in the 11<sup>th</sup> grade, and she was 16 in the 11<sup>th</sup> grade. It was a commitment for life.

During WWII, he served in the U.S. Army's 1259<sup>th</sup> Combat Engineers Battalion stationed at Camp Lucky Strike in Rouen, France. After the war, he and Maxine started their family, and between December 1946 and July they would have 3 sons and 3 daughters. At first, he tried his hand at farming but learning the hard way the weather could make or break you in farming. He soon started a career as a heavy equipment operator and would last until he retired in the mid-1980s. ## Don't Give up Your Personal Freedom

### Dr. Glenn Mollette

You may create instability and insecurity for your personal life if you put others in charge of your decisions.

The idea of a child or acquaintance "shouldering" your life's concerns and finances might feel comforting. Having someone else pay your bills and oversee your welfare might feel like a relief. For many it ends up being the end of freedom and security.

You love your children, or that special niece or grandchild. You are so bonded to them. You may feel that adding their name to your checking or other financial accounts will increase your bond and the ongoing warm fuzzy relationship. Be very aware.

An acquaintance wanted her daughter to have the family home so bad that she went ahead and did all the legal work to assign the house to her daughter. Her daughter's name was added to all her savings and checking accounts. For the rest of her life this poor woman never had a life. From that point forward, her daughter made every decision about what "was" her mother's money. She would even tear up any kind of credit or retail purchasing card that her mother tried to get with commentary such as, "You don't need these." The mother spent her remaining years hearing almost weekly from her daughter that she was going to "put her in a nursing home."

Another acquaintance with a healthy savings account and beautiful house signed everything over to a nephew and gave him her power of attorney. He soon made the decision to put her in a nursing home telling her she would be better off. He now drives her car and spends out of her checking account. He has told her she will have to sell her house to cover the costs of her nursing home care.

Just recently, an elderly acquaintance said, "I have no cash. My son takes care of paying all my bills, groceries and more but I don't have access to any money."

There is always the possibility that any of us could become physically or mentally disabled. Make your legal arrangements for when and if that happens. Be wary about putting children or loved ones on your accounts now. Get with your attorney and draw up a document that says, "When, such disability happens or death happens then Mr. or Mrs. John Doe are to have "this" or "that."

Of course, do what you want to do. Sometimes it works out. However, do you really need someone saying to you, "Now mom, now dad, do you really need to buy those shoes?" Or, "Do you really need to take that trip?" "Now mom, now dad do you really need to be shopping at the mall?" Hey friend, it's your money. You and your spouse work it out and if you live alone you and God can work it out. It can be wise to seek financial counsel from a professional. However, you can do this without giving up your personal freedom.

## EXHIBIT A - COUNTY GOVERNMENT RESOLUTION OF INTENTION

The Board of Supervisors, acting for and on behalf of Tishomingo County, Mississippi (the "County"), took up for consideration the matter of authorizing and approving a loan on behalf of the County from the Mississippi Development Authority (the "MDA") for the purpose of assisting existing industries deploying long term fixed assets that through new technologies will improve productivity and competitiveness and to assist existing industries through the purchase of land, buildings and equipment.

Thereupon Supervisor Brandon Grissom offered and moved the adoption of the following resolution:

**RESOLUTION DECLARING THE INTENTION OF THE BOARD OF SUPERVISORS OF TISHOMINGO COUNTY, MISSISSIPPI, TO AUTHORIZE AND APPROVE A LOAN ON BEHALF OF THE COUNTY FROM THE MISSISSIPPI DEVELOPMENT AUTHORITY IN A MAXIMUM PRINCIPAL AMOUNT NOT TO EXCEED THREE MILLION DOLLARS (\$3,000,000) FOR THE PURPOSE OF MODIFICATION OF EXISTING BUILDING TO MEET MANUFACTURING REQUIREMENTS: such as new HVAC, air compressor, fencing, improvements to an existing door, driveway modification, electrical upgrades, crane upgrades, and other building improvements.**

WHEREAS, the Board of Supervisors of Tishomingo County, Mississippi (the "Governing Body" of the "County"), does hereby find order and resolve, determine, adjudicate and decide as follows:

1. The Mississippi Existing Industry Productivity Loan, constituting Sections 57-93-1 et. seq. Mississippi Code of 1972, as amended (the "Act"), was enacted for the purpose of promoting business and economic development in the state of Mississippi (the "State") through investment by private companies locating in the State.
2. Pursuant to Section 57-93-1 of the Act, the MDA is authorized to make interest-bearing loans to state, counties or incorporated municipalities for the purpose of making loans to existing industries to deploy long term fixed assets.
3. The County will agree to assist existing industries and will request the MDA to finance a portion of the cost associated with the development of these improvements (the "Project").
4. Pursuant to the Act and guidelines adopted by the MDA, the County will file an application with the MDA for a loan to be used for the development of the Project in the amount of Three Million Dollars (\$3,000,000) (the "Loan").
5. The County and the Authority will enter into a Loan Agreement (the "Agreement") with the MDA wherein the County agrees to borrow the proceeds of the Loan subject to and on the terms and conditions of the Agreement.
6. In order to secure the Loan, the County will execute and deliver to the MDA a Promissory Note (the "Note"). Failure of the County to meet its repayment obligations shall result in the forfeiture of homestead exemption annual tax loss reimbursement in an amount sufficient to repay obligations due pursuant to Section 57-93-1 of the Act.
7. The Loan shall not be deemed indebtedness within the meaning specified in Section 19-9-5, Mississippi Code of 1972, as amended.

**NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE COUNTY, AS FOLLOWS:**

**Section 1.** The Governing Body of the County does hereby declare its intention to authorize and approve a Loan from the MDA in the principal amount not to exceed Three Million Dollars (\$3,000,000) for the purpose of making loans to existing industries to deploy long term fixed assets.

**Section 2.** The Loan will be secured by a Note executed and delivered by the County to MDA. Pursuant to Section 57-93-1 of the Act, failure of the County to meet its repayment obligations shall result in the forfeiture of homestead exemption annual tax loss reimbursement in an amount sufficient to repay obligations due until such time as the indebtedness has been discharged or arrangements to discharge such indebtedness satisfactory to the MDA have been made.

**Section 3.** The Governing Body proposes to authorize and approve the Loan from the MDA in the amount and for the aforesaid purposes at a meeting of the Governing Body to be held at its regular meeting place at the County Courthouse in Iuka, Mississippi at 9:00 a.m. on the 2nd day of August, 2021, or at some meeting held subsequent thereto. If twenty percent (20%) or fifteen hundred (1,500), whichever is less, of the qualified electors in the County shall file a written protest with the Clerk of the County against the authorization and approval for the Loan on or before the aforesaid date and hour, then the Loan shall not be entered into unless authorized at an election on the question of authorizing and approving the Loan. Such election shall be called and held as provided by law. If no protest is filed, then the Loan may be entered into without an election on the question of authorizing and approving the Loan at any time within a period of two (2) years after the date above specified.

**Section 4.** This Resolution shall be published once a week for at least four (4) consecutive weeks in the Tishomingo County News, a newspaper published in the City of Iuka, Tishomingo County, Mississippi and having a general circulation in the County and qualified under the provisions of Section 13-3-31, Mississippi Code of 1972, as amended. The first publication of this Resolution shall be made not less than twenty-one (21) days prior to August 02, 2021 and the last publication shall be made not more than seven (7) days prior to such date said Resolution to be published on July 08, 15, 22, and 29, 2021.

**Section 5.** The Clerk of the County shall be and is hereby directed to procure from the publisher of the aforesaid newspaper the customary proof of said publication of this Resolution and to have the same before the Governing Body on the date and hour specified in Section 3 hereof.

**I Remember**

**By Ruth Dawson**

Happy belated Fourth of July to all of you! Get up. Get out and don't forget to celebrate our freedom, since July 4, 1776! It looks like 300 years. We know that our freedom has not been free. It has cost in lives more than I can conceive, but America is still the greatest, free nation in the world. God has so blessed us even with all our failures. How long will He continue to have mercy on America? Only God knows.

Now, back to the history of the churches in Tishomingo:

The Tishomingo Church of Christ held it first meeting in a bush arbor on the high school campus. Soon after the tornado in 1913, Mr. Fred Belue and Mr. Ward Glasgow were instrumental in building the first church building. Mr. Steve McDougal furnished the team of mules and wagon and Mr. George McRae drove them to Bay Springs to pick up the sills for the building. Years later this building was torn down and a new one was built. It now stands on the original site but has been remodeled twice. (Remember those stats were written in 1977)

Bro. John Smith and T. B. Lattimore were among the first ministers.

In 1977, Mrs. George McRae is the only known charter member living today (1977) who saw the beginning of the church. Although Mrs. McRae is blind, she still attends church faithfully by walking along, alone, using a walking stick on a wire that leads her from the house to the church. I got to witness this. Such love

of worship.

Digress: I had the privilege of talking with Mrs. McRae. My sister, Hilda and Norman Holman, had an apartment in her home for a few years and they were just like family. Norman was the Post Master and Hilda was secretary to Mr. Hubert Day at the Blue Bell Clothing factory that employed several hundred in 1953.

This plant really gave a boost to the local economy. Most of the workers were women. This helped their husband and boosted their income. I was teaching at Paden School and it really helped all the children. There was money for school lunches and extra materials for the classrooms. I bought a home copy machine and the school was able to furnish the papers.

This copy machine was made in a pan about like a cookie pan only a little deeper. I bought a can of this "jelly," put in on the stove in the small cooker and kept it in hot water until it became liquid. Then I poured it into the pan. By the time I would get home from school it would be a hard jelly. This was for reproducing Mimeograph sheets. (Today sounds crude but sure helped the teacher as well as the students.) Prior to this, I had chalk most of the time and always a Bible on my desk. In the back of most of the books in the classroom was a dictionary. We were as deprived of all these wonderful aids teachers have today but we didn't know it. All these wonderful aids hadn't been thought of in Tishomingo at this time (1950's).

The last church is the United Pentecostal

Church. Bro. William Hayward Burcham started services in a store building about 1970. Then about one year later they built a church on Hwy. 25 North. Bro. Burcham was pastor then and he is still the pastor (2021). Wonderful!

No more history from 1977, but they have built behind the first church a beautiful, large church. The new church faces Hwy. 25, too, and the old church is a nice fellowship hall. The new church has a large foyer and I would guess it has the largest sanctuary of any church in the county. They have a large attendance. How do I know? I pass it every Sunday morning going to the Baptist Church and the parking lot is filled with cars.

Bro. Bill and wife Fredia have blessed Tishomingo under their leadership and guidance. Thank God for still calling men of God to share the gospel in our community. We need more men like Bro. Bill.

I thought I'd finish with this little bit of Tishomingo history but still have not got to share about the school, and "It's a Face..." to be continued.

**Keep Your Fork - The Best is Yet to Come**

*This article was brought by the office for to publish by one of our readers. She said she had found it recently in some papers that belonged to a terminal friend. She wanted share it with our readers.*

There was a Christian woman who was diagnosed with a terminal illness and had been given three months to live. So as she was getting her things "in order," she met with her pastor to discuss certain aspects of her final wishes. He told him which songs she wanted sung at the service and what scriptures she would like read. The man also requested to be buried with her favorite dish.

Everything was in order and the pastor was preparing to leave when the women suddenly remembered something very important to her.

"There's one more thing," she said excitedly. "What's that?" asked the pastor.

"This is very important," the woman continued. "I want to be buried with a fork in my right hand."

The pastor stood looking at the woman, not knowing quite what to say. "That surprises you, doesn't it?" the woman asked.

"Well to be honest, I'm puzzled by the request," the pastor said.

The women explained, "in all my years of attending church gatherings and potluck dinners, I always remember that when the dishes of the main course were being cleared, someone would inevitably lean over and say 'Keep your fork'. It was my favorite part because I knew that something better was coming... like velvety chocolate cake or some deep-dish pecan pie. Something wonderful with substance!"

So I just want people to see me there with a fork in my hand and I want them to wonder. 'What's with the fork?' then I want you to tell them: Keep your fork. "The best is yet to come."

The pastor's eyes welled up with tears of joy as he hugged the woman good-bye. He knew this would be one of the last times he would see her before her death. But he also knew that the woman had a better grasp of Heaven than most Christians did. She knew that something better was coming.

### The Nelson Brothers in World War II

**Taken from Tishomingo County, Mississippi: History and Families, 1836-1997. Rose Pub., 1997.**

Omer Callicott (O.C.) Nelson, first son of James Omer and Altye Callicott Nelson, was born in Tishomingo County, MS. on December 24, 1920. He spent his early years on the family farm at Holcut, MS. and attended school in Iuka, MS. where the family resided during the school term each year. Following graduation from Iuka High School he spent two years at Mississippi State University before entering the U.S. Army Air Corps as an Aviation Cadet. He graduated from flying school in 1944 and was commissioned a 2nd Lt. O.C. remained in the U.S. Air Force for 30 years and retired from active duty on August 1, 1972 as a Command Pilot with the rank of Colonel. He logged over 10,000 pilot hours in B-24, B-17, B-25, C-54, C-47, C-119, C-123 and C-130 type aircraft.

His decorations include the Bronze Star, Meritorious Service medal, Air Medal with 5 Oak Leaf Clusters, AF Commendation Medal, Presidential Unit Citation, AF Outstanding Unit Award, Korean Service Medal with 6 Battle Stars and many other service medals and awards. O.C. saw action in Germany flying the Berlin Airlift, the Korean Conflict and in Vietnam.

Colonel Nelson married Elizabeth June (Bette) Switzer, daughter of George Vernon and Grace Ansley Switzer of Miami, Fla. They lived in many places during the years of active military service including 2 foreign countries. After retirement from the Air Force they made their home in Iuka, Ms. in Tishomingo County. O.C. owned and managed Nelson's Marine and Hardware Co. in Iuka from 1972 until the business was sold in 1988. O.C. also served on the Board of Directors for First American National

Bank for many years. O.C. and Bette are the parents of three sons, Gary Allen, James Omer (Jim) and Robert Lee (Bob) Nelson.

Merle L. Nelson is the younger of the two sons. He was born May 11, 1924 at Holcut, MS. where he spent most of his early life. The family would spend some winters in Iuka where Merle attended school and at Holcut but returned to Holcut to graduate in January 1943.

Serving in the Pacific Theater, Merle left Riverside, CA for Kauai in the Hawaiian Islands, then Palawan in the Philippines, then to Clark Air Force Base in Manila on the Island of Luzon. He then went to Okinawa, near Japan, and Osaka and Tokyo in Japan.

Flying mostly reconnaissance missions he attained the rank of First Lieutenant. When the war ended Merle entered the Active Reserves.

He was then able to further his education so

he enrolled at Northeast Mississippi Junior College in 1948 then entered the University of Mississippi. At Ole Miss he earned a Bachelor's degree in education, graduating in January 1951. As soon as he finished, however he was called out of the reserves to serve in the Korean War. He taught cadets to fly single engine planes and B-25s.

It was during these years that he met Helen Davis of Belmont, MS who was working for the Draft Board in Iuka. They married February 17, 1948. Helen, the daughter of Mack Gordon and Mattie Clara Harris Davis, accompanied Merle to Ole Miss and to Lubbock, TX where they lived at Reese Air Force Base.

Merle's required enlistment was nearing an end when their first child, Steven Merle (Steve), was born on February 1, 1953. Two months later they left Lubbock and the Air Force to return to Iuka.

They resided in Iuka and were blessed with a second son, James Michael (Mike), born on September 1, 1954.

In May 1953 Merle and Helen purchased Mill Creek Boat Dock and operated it until they sold it in 1967. They also owned and operated a loan office, Nelson Finance Company, from 1963 to 1985 when the company was dissolved.

Nelson Hardware Store was a joint venture of both Merle and Helen. They sold boats and hardware in addition to the store.

Merle and Helen entered the grocery business by opening Nelson's Supermarket in 1972. Their son Steve has owned and managed the supermarket since 1993. He later sold the supermarket and it is "Brooks".

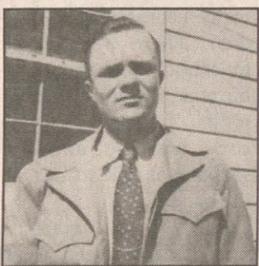

### What the Lula McNutt Family did during World War II (article 9)

By Jerrell L. McNutt

Introduction. Our family of seven boys and three girls were born and raised in Tishomingo County, Mississippi. I am Jerrell the youngest and only surviving member of the family. I have been writing articles about each one of us.

Orville V. McNutt was born in 1923 at Dennis, Miss. He was the ninth child born in our family. After graduating from Tishomingo High School in 1942 he volunteered for the Army. He was sent to a Radio training program at Mississippi State College for a semester. In North Africa he was assigned to a Combat Engineer unit. Later he served in Sicily.

After a battle with the Germans in Italy, Orville picked up a German rifle in good condition. Trophies had to be inspected by an officer before it could be shipped back to the states. His unit had to

move before his boxed rifle could be seen by an officer. Another soldier promised to get it inspected and mailed back home. Then when Orville was discharged and went home to Iuka, Mississippi he found his boxed rifle. He opened the lid and on the other side of the lid his so called buddy had written his name and home address. So, Orville got his rifle because the officer turned the lid over so his address was on top.

When the war in Europe ended Orville was sent to the Philippines to get ready for the invasion of the Jap homeland. Atom bombs on Hiroshima and Naga-

saki caused the Japs to surrender and we did not have to invade the Jap homeland.

Orville took over the home place near Midway, Mississippi and started a dairy herd. He also purchased another farm in the Cripple Deer Creek bottom. He was a true man of the soil. He loved hunting, blacksmithing, and muzzle loading guns. Orville and I wrote a book and the title of it was "MY SIX BROTHERS." We wrote about what we boys did in the hills of Mississippi and other things that we knew about. He wrote two other books

-"FREEDOM HILLS IN VERSE" and "ALL DAY SINGING AND DINNER ON THE GROUND." Orville won a gold wrist watch in Vocational Agriculture Class.

Orville and his wife Juanita had four children. Phyllis attended Miss State University. Janice enrolled in the University of Mississippi at Oxford, Miss. Barry was a logger and construction worker. Gary worked at a furniture plant and later for an automobile assembly plant.

Orville discovered a place where a battle took place during the Civil War. A professor at the University helped Orville get this battle properly listed. It was the battle of Bryces Crossing. Also Orville helped our sister Christine collect genealogy data for the book "THE MCNUTT TREE."

Orville died in 1986 and was buried at South Crossroads Cemetery.
