# Arrest Made in Local Car Wash Burglery

On August 11, 2021, information was given to the Tishomingo County Sheriffs Dept. regarding two females in a red Ford Explorer parked at the car wash beside Iuka Walmart in Iuka that possibly had illegal drugs and a weapon in their possession. Upon arrival, deputies found the vehicle and noticed that it matched the description of a vehicle used in connection with a recent burglary of the car wash.

Deputies made contact with Summer Stan- Summer Stanfield field, a 35 year old white female and Sonia Martinez, a 42 year old white female. Deputies called for Iuka Police Department to come to the scene. A weapon and illegal narcotics along with other evidence pertaining to the burglary of the car wash was gathered.

Both females were arrested and transported to the Tishomingo County Jail. The investigation is still ongoing and both females are wanted for questioning by Alabama Law Enforcement concerning other burglaries.

### Temporary Mask Requirement for Tishomingo County Schools

The Tishomingo County School District has implemented a temporary mask requirement for students and staff due to large numbers of students in quarantine. Per the TCSD Board of Education's decision on Friday night (August 13th), masks are to be worn on buses and indoors by staff and students beginning August 16th and ending at the end of school activities on September 3rd. Indoor events will require students and staff of the TCSD to wear masks while other spectators will not be required to mask up. Masks will not be required outdoors. The policy was implemented after discussions about current positive case numbers and quarantine numbers prompted concern over keeping schools open, keeping fall athletics going, and keeping kids in school. "At the end of the first full week of school,

we had 45 positive cases among students in the district with 170 students placed in quarantine due to exposure either inside or outside of school. So, 215 kids were absent due to positive cases and quarantine at the end of the day Friday. We still had other absences related to other illness, specifically a stomach virus that is going through the schools as well," stated Superintendent Holly. "We know we are going to have absences with positive COVID cases and other illnesses, but by MSDH guidelines, we can reduce the absences by quarantine by everyone wearing a mask. The guidelines state that if a positive person is wear ing a mask and the exposed person is also wearing a mask, only the positive person would have to leave school as long as the ex-Continued on page 2

the science behind masks is

substantiated by some, but ridiculed by others. Some argue it's an infringement of personal rights to require them, while others argue it's an infringement on public health rights of others if the requirement to wear them isn't made. We are not here to argue either side of those arguments. The district and school board want to have kids in school. We are not naïve enough to not think that we may have to shut down and be virtual at some point. However, our board and district want to take a preventative measure that can hopefully reduce our quarantine numbers, give us a chance to stay in school, and increase our likelihood of having fall sports," Holly said. Masks are available at the schools for those who may need one.

Needed for Tishomingo Community Children's Choir

Tishomingo Methodist Church needs your help. We are looking for a pianist or music leader to help us form the firstever Tishomingo Community Children's Choir. While TUMC will be the sponsor for the children's choir, we want everyone to know that all children under the age of 12 are invited to participate regardless of church affiliation. We are open to any child in the surrounding area. We currently have one volunteer to either play the piano or lead the children but we need still another volunteer to help create the team needed to go forward. In fact, we would love to have more if there are more interested. This will be a time of fellowship and singing all done in the spirit of strengthening our community and having time with our children and their parents. Many songs will be spiritual in nature

and many will not. We want to sing things that inspire, nurture, and excite our community. NO! pressure will be applied to join our church as your child participates. We simply want to be involved in and a part of our community and the lives of our/your children. If you could help us at the piano or if you can lead music please call Bro. Steve at 662-454-2186. When all the positions are filled we will meet to discuss the music and then begin the process of inviting Children to join us. We know this is a dream. But we believe it is a dream that can become a reality and an opportunity to do good in our community and for our children. We would love to have you help us.

Thank you so much!!! Tishomingo Methodist Church

Bro. Steve Kennedy

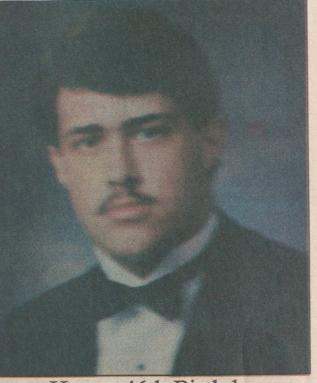

The Tishomingo United Methodist Church is inviting anyone who would like to join us for coffee and a conversation at our church each Monday morning from 7 am to 9 am beginning September 13th. From Moms and Dads, grandmothers and granddads returning from the school car line to just friends from the community and surrounding area, all are invited. Our church is working to connect with the people of the community. Doesn't matter what church you attend or if you attend one at all. We just want to continue to build relationships with the good people around us. We will have both a male and female presence there so that all can be comfortable coming.

Now just to let you know. There are two things we won't be discussing if you join us, politics and religion! This will be a place to relax and enjoy the fellowship of all of our neighbors. If someone wishes to discuss

matters of faith we will be glad to create a time for them to visit with our pastor privately. Politics will always be a No-No! Come sit down relax and enjoy meeting with friends from the community. One last thing drive-through will not be available at this time. You gotta come in!!!! So we can say good morning to you! Hope to see you there!!

# The Person Who Will Bring The Future Glory To Israel (part 2)

Perhaps I should say that not only will Israel enjoy the glory of the millennial earth, but so will all other saved people, including the church. I gave Isaiah 9:6-7 in the last article, but I did not finish with it, so I will give those verses again: "For unto us a child is born, unto us a Son is given: and the government shall be upon His shoulder: and His name shall be called Wonderful, Counselor, The mighty God, The everlasting Father, The Prince of Peace. Of the increase of His government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever. The zeal of the LORD of hosts shall perform this." There is so much information in these two verses that it would be impossible to cover them deeply in a few words. I do want to point out that the "Son" Who is given is called the

Prince of Peace, so no one else will ever bring lasting peace to earth until the Prince of Peace comes back from His position at the Father's right hand in heaven. Psalm 110:1 says "The LORD said unto my Lord, Sit Thou on My right hand, until I make Thine enemies Thy footstool." Verse 5 of this chapter says, "The Lord at Thy right hand shall strike through kings in the day of His wrath. He shall judge among the heathen (nations, heathen and Gentiles are the same Hebrew word), He shall fill the places with the dead bodies; He shall wound the heads over many coun-

If one takes the Bible for what it says, it is clear

that the Father is going to send the Son to earth some day to take charge of the nations!!! Our verses from Isaiah 9:6-7 show that Jesus will govern the nations on earth continually, with no one bringing His government to an end. This rule of the Son of God will be on the throne of David, and David has never had a throne in heaven. so it has to be on earth. After all, the earth belongs to God, not to man or Satan! (See psalm 24:1.) The rule of Jesus on the throne of David will bring right judgment and justice to earth, for heaven does not have any wrong rule or injustice! We see also that the rule of Christ will begin with the thousand year reign, but it will never end,

new heavens and the new earth! It is the zeal of the LORD of hosts, or armies, that will bring this peace to earth, thus it is not the work of men, the church or any revised form of human government. So far, human government has not done a very good job at controlling the earth or bringing peace to it. It has not done a good job at bringing men to righteous acts, chiefly because most governments in today's world are unwilling to admit that there is a God Who owns the heavens and the earth and Who has power to bring evil to an end at the appointed time, which He will do! So, the only hope of "peace on earth, good will to men", of which we sing at Christmas time, will have to come when the Prince of Peace comes!

# Afghanistan - God Help Them

Dr. Glenn Mollette

Many Americans did not want our military invading Afghanistan. We did not want our military to stay in Afghanistan. Many of us hoped our troops would leave Afghanistan. However, the chaotic departure has been one of the most humiliating moments in our nation's

We were all enraged toward those who had any part or interest in the September 11, 2001 attacks on our nation. This nation was in agreement that Osama Bin Laden and anyone connected to planning the attacks located in any part of the world must be brought to justice. We wanted all leaders and partakers of any and all terror groups eliminated. The attack on the World Trade Center Towers, as well as the other hideous and evil plane attacks that happened that day are forever etched in our minds. The barbaric torture and beheadings of journalists and other evil crimes against humanity fueled America's passion to do whatever necessary to bring revenge against our attackers.

Sadly, the loss of 2448 troops in Afghanistan over 20 years was not the answer. Also 3448 U.S. contractors have been killed. Over 66,000 Afghan military and police have been killed. Over 20,000 of our troops have

America spent a trillion dollars setting up military bases and supposedly training the Afghan army how to fight. Yes, we were angry after September 11, 2001, but did it justify killing thousands of our men and women? Did it justify the thousands who were wounded and the thousands more who were mentally wounded? The only people who profited from our 20 years in Afghanistan are the political investors in weapons of war. Large stockholders in any entity that makes weapons or other supplies shipped to Afghanistan are not in favor of the war being over, but they and their families will most likely be forever rich.

We did one poor job of training the Afghan soldiers. The Afghan army ran in fear from the Taliban, many being executed upon their surrender. Twenty years of training went down the drain in several weeks and billions of dollars in weapons were handed over to them. The city of Kabul was taken over without hardly a shot fired from the Taliban.

No, we should never have gone to Afghanistan the way we did. The mission of taking out key leaders of the Taliban and other terrorist groups could have been carried out more covertly. Tragically, we made the Afghanistan army and people dependent on America. Our government has done the same thing to our own nation with welfare. So many Americans are so used to the American government taking care of us and sending out government money that many Americans can no longer take care of themselves. The only thing we taught the Afghan soldiers was that they didn't have to worry about fighting because the United States was present and would take care of them.

Going there is water under the bridge. We are now forever faced with the tragic way we have left Afghanistan. We crippled them with our money and their dependency on our military. After 20 years our Government leaders finally tired of carrying a crippled nation. Knowing these people cannot swim, we threw them out of the boat to sink or swim while a massive number of great white sharks were watching in the near distance.

One thing the Taliban has taught us is that they are very patient. They knew the United States would finally become tired and financially broke and would leave. They have spent years organizing, planning and preparing for this moment and in a few week's time they totally humiliated America.

Many of us never wanted to be there but we didn't want to leave with the Taliban kicking our butts out the door. The horrific scenes of executions, tortures, rapes, and women treated inhumanely will be graphic and repulsive in the weeks ahead.

We could have left differently. There could have been a plan. We demonstrated that we spent 20 years and really did not train an Army. We did not train or equip the people to care for themselves. We left without any support contingency in place for an obvious inept military and people. We displayed our ignorance and arrogant denial of the Taliban's preparedness to move forward. As quickly as flipping a light switch America conveyed to Afghanistan that we no longer give a dang.

Will the shame and humiliation of Afghanistan teach our political leaders anything? Are we too arrogant to care? How many years will it take before politicians need another Afghanistan to line their pockets?

May the real true God who we pray to - help the people of Afghanistan. At the moment, He is all they

#### Letter to the Editor

Joel Robertson, Mayor luka, Mississippi Sir:

It was my privilege to be born and raised in Iuka, and my privilege to also come back and visit throughout my 85 years. My sister, Lynn Daniel taught in the Iuka School system until her retirement. My last visit before this past summer was four years ago. Her son, Cliff Daniel and his wife, Nancy drove me back for a month-long visit and to my dismay Iuka had totally deteriorated.

You mentioned almost all my concerns in your article to the paper and it is with joy that this letter is sent instead of with sad-

Our Iuka, as you know has/had always been a town of people who took pride in where they lived. When a teenager our town, Iuka entered a contest sponsored by Kroger's, (yes, we had a Kroger's) and won the national contest of \$10,000.00 dollars, (a lot of money then) and built the teenagers a recreation center in the park. The building that is there is in ill repair. The springs ran and the iron spring was a favorite place we all loved to go and drink the water. In fact, I have a bottle of the iron water in my refrigerator that was retrieved before the city took it over. That was a heart breaker for many. My father, C.B. Reid, owner of Reid Brother's clothing store was so happy when the citizens decided to rebuild the gazebo in the park where he led a band and would play music on Sunday afternoons, for the people to enjoy. Now that Gazebo is gone, and I know the citizens would be happy to contribute to its being replaced. Citizens, and former citizens contribution's is how the second gazebo was built. The Parks Spring waters

were famous over the USA and won the World's Fair in 1934 for the best water. People would come and stay in the two grand hotels, the Mineral Springs Hotel, and the Leatherwood Hotel to drink the water in hopes of a cure for their ailments. Also, the memorial for the veterans is a good idea but totally out of proportion. The soldiers look like dolls and should look like big men that would be able to defend our country. There are so many wonderful stories which could be recalled, Iuka's History. We should not want to lose them. It would be fun to have those who are left to author stories about our town and have them printed for all the people to read and save them in

your archives. So happy you have the Iuka Cemetery on your list. It used to be a beautiful cemetery. There is no doubt in my mind that if you would invite the people to produce ideas of how to make it beautiful again your office would be flooded. A grant? Churches taking on a project. Though the citizens there are deceased they are History and their story matters. David Hubbard the founder of Iuka, John Stone, Gov. of Mississippi, for example. It could be made beautiful. The Reid plot is at the beginning of the old Cemetery and when I went to visit, part of it was covered with fire ants, and the grass has nearly taken over the stones. I treated the fire ants and sprayed around the stones. Weed eating needs to be done around the stones. Many graves are sinking which is deplorable. I saw two people working in the cemetery and while it is good to have two people doing work, there needs to be a plan to take care of the whole cemetery consistently so that it does not look like a patch work job. You, as a maintenance person, you know that, and as you mentioned, you want that to be taken care of.

The sign, out by the old 72 and Hwy. 25, says by its design that people in Iuka lost their sense of: "This is OUR town" and we want you to come in and visit us.

There is an architect or someone who could design a beautiful sign, one made from Tishomingo Stone and one that would

be attractive. What a marvelous blessing to be in the first service of the renewed Iuka Methodist Church. So many happenings filled my mind. It was overwhelming. Flooded my heart with joy.

I know you and the new Aldermen will do a job that will leave a legacy that the citizens of Iuka will be able to say once again "This is our town and don't you wish you lived here?

May the job you do edify the town and glorify

the Lord. **Annette Reid** Joseph Roan **Granbury, TX**

# I Remember

By Ruth Dawson

Beans, squash, tomatoes, okra, corn, blueberries, garlic and an abundance of lilies and other flowers have just about taken up my time and what stamina I have. All this liked to have gotten the best of me. Remember? I said our bodies will tell us when "enough is enough if we listen!"

After about a week I am hopefully getting back to normal. So you know I didn't listen.

Thank you, Harry, for all these floral arrangements you share with Tishomingo Baptist Church from your yard. Thank you God for blessing us with the ability to see just a little of the beauty you provide and one who knows how to display

Sometimes the road gets bumpy, but you and I with the help of family and friends ease right over them without any hurt.

We sleep and the next morning I usually say, "This is the day the Lord has made. We (I) will rejoice and be glad in it." Then, I do what I can that needs hoeing, poisoning, or picking. When I get tired I head for the house until I get rested. Sometimes just a little break and sometimes the next day. If we listen our bodies will let us know what we need. Isn't that a blessing? We don't know everything but God does. He wants what's best of His children just as we want what's best for our children.

Today I didn't feel like going to W.M.U., S.S., or church, but I did sit quietly and enjoyed Bro. Rusty as he preached during the early morning service on Well, Nalsyn

I ate breakfast and got ready to listen to the traditional service on I Phone,

I never could pull it up. I took my Bible and "Jesus Calling" (a good devotional book); lay back in my chair with the intention of doing the morning devotional

At 1:45 I woke up. I couldn't believe what my watch said. About that time Kim walked in at

2:00 p.m. and said, "Aren't you going?" Where? But before he could tell me, I said, "Eva Mae Strickland's "90th" birthday reception at the Tishomingo Community Center in Tishomingo at 2:00 p.m.

oldies? Sit down. Get relaxed. Wake up hours later! I was so glad Kim was going, too. We had planned to go together or I would have missed the reception her great niece (Kattie) had planned for her. It was a blessing for me to have the honor of celebrating a former seventh and eighth grade student neighbor and friend's "90th"

It was good to visit briefly with friends who also had come to honor Eva Mae. The refreshments were plentiful and a table full of useful gifts: books, puzzles, a journal, pens, canned jams and jelly, candies and other miscellaneous items she can use and enjoy.

Wasn't that just like

## State Auditor Shad White Speaks

On Tuesday, August 10th, 2021, the Tishomingo County Republican Party sent members to Fulton to show support for the Itawamba County Republican Women's Club and others, as the State Auditor Shad White spoke at the American Legion building in Fulton, Mississippi.

Tishomingo County Republican Party Chairman Ken Dulaney, Ron Boutwell, Andrew Payne, and others attended to hear Mr. White discuss how his office is addressing fraud in Mississippi.

Interesting points were

made like how notifications are taken in, who the State can audit, who does the investigation, and some examples were given of penalties for committing fraud.

"Our State Auditor, Shad White, is not messing around when it comes to fraud," stated Dulaney. "I would not want to be the subject of an investigation by his office, nor would I want to have him looking at our community in a negative light. If Shad White has you on his radar, you should be nervous." He added. "We are very proud to have

been able to hear him and thanks goes out to Nancy Frohn and Mayor Emily Quinn for inviting us and we look forward to having Shad White come to Tishomingo County after the first of the year." Dulaney said.

For more information on the State Auditor's Office and what they do, visit them online at https:// www.osa.state.ms.us.
